# Huron's Golden Anniversary in 1959 Points to the 'Golden Years' Ahead

Golden anniversary of the world's largest planted forest—Northern Michigan's Huron National Forest—will be marked by an air of fiesta for residents of Isco and surrounding counties.

Highlights of the Huron Forest Festival will include such events as: Kiwanis Day, July 30; Huron National Forest Day, July 31; Tawases Day, August 1; Oscoda Day, August 2.

Oscoda and Tawas Kiwanis Clubs, co-chaired by Lester Weis and Cecil Cabbie, will be hosts to all the Kiwanis Clubs of Michigan Thursday, July 30. Sidney Main, Kiwanis governor, and Alfred LaPorte, lieutenant governor, are in charge of the program and dedication ceremonies.

Lester Bell, Michigan State University forester, will conduct a shearing and shaping demonstration Thursday near the Lumbermen's Monument.

A chicken barbecue is being planned for the Thursday Kiwanis Day program. Tickets are available through Kiwanians.

Friday will be Huron National Forest Day. Joseph Blake, forest ranger, and his staff are planning

tours on that day. The public is especially invited to attend.

Saturday is Tawases Day. The Tawas City Park will be the site of forester contests, log rolling and other contests and games. There will be demonstrations of forestry equipment. Gordon Hatch and Harold Peterson are in charge of the day's activities.

Sunday is Oscoda Day. Canoe races, a queen contest and other activities are planned for this occasion. A full day of activity is scheduled by that community with a square dance on the streets of Oscoda in the evening.

But, while humans take cognizance in celebration of their forest asset, the quiet forests in 1,800-square miles will continue to work for mankind as they were intended to do.

On February 11, 1909, President Theodore Roosevelt signed the bill creating the Huron National Forest. It was introduced by Congressman George A. Loud of Oscoda, a member of the prominent timbering family which had once wrested a fortune from the banks of the AuSable.

But, the term "forest" at that time, was only a dream. Much of the land was sterile, blackened by repeated forest fires that had destroyed timber and soil. It was a challenge to the fledgling United States Forest Service of the Department of Agriculture and it was then just a dream of far-sighted conservationists that has today become a reality.

The first forest supervisor was S. M. Higgins, a former employee of the Cleveland Cliffs Iron Company. Shortly afterward, Higgins was replaced by the late William B. Piper, a Harvard forest graduate, who took over in 1911.

Piper planted the first pine seedlings in the forest near Buck Creek and the site where now stands the Lumbermen's Monument.

The Silver Creek Nursery was established in 1912 and the Beal Nursery was established at East Tawas in 1915, which until World War II, produced millions of seedlings that are now tall forest trees.

Today, pulpwood sales alone, from trees planted a few years ago, amount to more than 35,000 cords annually. They not only return more than \$105,000 in revenue to the forest service, but from six to seven million dollars are returned to the region's economy.

Another historic milestone of the Huron was the contribution of Michigan Kiwanis Clubs in 1927 and 1928. They supplied \$19,400 to plant seven million red pine on 10,000 acres of land.

In keeping with United States Forest Service policy that national forests shall provide maximum use for the people, the value of recreation was recognized as early as 1910 when the first camping and swimming sites were developed at Sand Lake.

One of five national forests in Michigan, it is regarded as the state's best balanced in keeping with forest service policy. It is visited by possibly a million people annually. An estimated 200,000 people are users of the forest in some activity or another, including hunting, fishing, camping, canoeing, commercial, wood pulp cutting and logging.

Huron's golden anniversary points to "golden years" in the future. All Isco County residents are urged to join in this observance.

KIWANIS MEMORIAL was erected to Kiwanis Clubs and Kiwanians in Michigan who gave \$19,400 in 1927 and 1928 to pay for trees to plant 10,000 acres of public land in the Huron. A new memorial will be dedicated next week.—Tawas Herald Photo.

## First Pay Boost in Two Years—

# City's Hourly Workers Get 5c-25c Pay Increase

A full round of wage increases for six hourly employees of Tawas City, a salary increase for the chief of police and wage increase for the garbage collector was authorized by the Tawas City Council at Monday night's regular meeting.

Requesting a wage increase for his hourly employees, Supt. of Public Works Reginald Publitz told councilmen that the men had not received an increase in more than two years. Deciding favorably on the increase for hourly employees, the council included the police chief and garbage collector in the pay hikes.

Wages of laborers were increased from \$1.45 an hour to \$1.60; truck drivers will now receive \$1.80 an hour instead of \$1.55 and \$1.60; the dragline operator will receive \$2 an hour instead of \$1.95.

Publitz stated the city payroll numbers two laborers, three truck drivers and one dragline operator. One of the laborers is a part time employee.

During the summer months, the city's work force is employed six days a week. In the winter, the work week is cut to five days.

Salary of Oliver Champagne for garbage collection was raised from \$75 to \$80 a week. This amounts to a \$2 a day increase. He presently makes city pick-ups three days a week.

Chief of Police George Ruth, whose request for a salary increase some weeks ago went amiss because of some confusion over parliamentary procedure, will now receive a salary of \$330 a month.

Earlier this spring, Chief Ruth had requested that the city bring his salary in line with the pay of policemen in neighboring communities. He had been receiving \$286 a month at that time and it was raised to \$300, but most councilmen felt that this figure was still too low and requested that he appear at a future date and make another request.

The motion to raise the salary of the police chief was made by Alderman Arthur Wegner, seconded by Alderman John Brug-

## Appeal to Civic Pride—

# Clean Up Street Curbs is Request of City Council

Tawas City Council appealed to the civic pride of residents this week in order to correct an unsightly condition which exists along many city streets.

Homeowners are asked to remove garbage cans and trash containers from street curbs and place them in an inconspicuous place at the rear of dwellings.

Requesting formal action by the council, Alderman Howard Hatton pointed out that the condition is now out of hand. "I can't imagine why anyone would leave anything like that in front of his home," he said.

In order to beautify the city, the council urges each resident to take a good look at his own property or city right-of-way in front of his home and then remove any unsightly objects; such as, garbage and trash containers, junk cars, debris, trim trees where needed and improve the appearance of the city in general.

"The only way that we can beautify our city is to appeal to the civic pride of each resident and ask for the cooperation of everyone," was the comment of Mayor George Tuttle.

Supt. of Public Works Reginald Publitz is to make a survey of the city and written notices will be sent where necessary.

## New Type of Contract Planned—

# Silver Valley Will Operate, After All

A meeting between United States Forestry Department representatives, Silver Valley committee members and area businessmen apparently resulted in a plan which would leave the door open for continued operation of the winter sports area under local management. At the same time, it could possibly pave the way toward increased federal support of this public winter and summer playground in Huron National Forest.

The meeting, hosted by Mayor Elmer Werth of East Tawas at his hunting lodge last Friday, was called to discuss the impasse which resulted over receipt of a letter here from the forestry department. The letter outlined numerous maintenance corrections which were to be made at Silver Valley before September 1.

Apparently, the intent of the letter from the Cadillac headquarters was misunderstood here. A forestry representative stated last week that the letter was sent to the Tawas Chamber of Commerce merely to determine what could be done at Silver Valley this year. He stated that it was hoped that the winter sports com-

## 3 Building Permits Approved by City

Three building permits were approved during the past week by the Tawas City Department of Public Works. They were as follows:

John W. Sparks, 24 by 30 dwelling and 14 by 20 garage, Lot 41, Crocker Boulevard in Elms Subdivision, estimated cost \$8,000; Clarence Oates, construct porch eight by 14 foot on home at 214 Fifth Avenue, \$100; Orville McDonald, remove woodshed on home at 202 German Street and construct eight by 12 foot utility room, \$500.

# BUY SITE FOR PROPOSED NEW BANK

## Peoples State Bank Tells of Branch Plans for TC

Property for proposed new banking facilities in Tawas City was purchased Wednesday morning by the Peoples State Bank of East Tawas, it was announced by G. N. Shattuck, vice president and cashier.

The property purchased consists of six lots, three fronting on US-23 (Lake Street) and the other three fronting on Court Street. The property was once owned by the L. B. Smith estate and most recently was owned by Roy Crabb of Mt. Morris.

Mr. Shattuck said Wednesday afternoon that officers of the bank would now be in a position to ask the state banking commission for permission to establish a branch bank here. Although he did not indicate how long a time would be required to receive such permission, he stated that he did not foresee any obstacles in the path toward its successful conclusion.

The vice president and cashier stated that the two buildings presently on the property, the partially demolished Smith residence and a small concrete block structure which was used at various times as ice cream and pizza stands, will be removed.

No indication was given in the announcement as to the size of the proposed building, outside of the off-hand comment by Mr. Shattuck that "it would be a nice new building." Further plans for the new bank are to be developed by the bank officers.

Discussion over possible banking facilities in Tawas City have been underway for the past several months. The Tawas City Businessmen's Association formed a banking committee and several meetings were held with officers of the Peoples State Bank in an effort to establish banking facilities here. The committee assisted the bank in securing the proposed site. Chairman of the committee was John Coyle.

Directors of the Peoples State Bank looked over several possible sites in Tawas City for the proposed bank and only Wednesday reached its final decision to purchase the Smith-Crabb property.

Mr. Shattuck said the final decision to purchase the Smith-Crabb property was prompted because of its large size and location.

"This property will afford plenty of parking space with exits on two streets and has enough room for any further expansion of banking facilities," he said.

Although early discussions included the possibility of drive-in banking facilities, Mr. Shattuck said that this was not definite. "Other bank officers in Northeastern Michigan have told us that drive-in facilities at their banks are not used a great deal by customers—it would appear they would rather do business inside the building."

## Three Building Permits OK'd; Buy Pre-Fab.

Three building applications were approved by the East Tawas Council at Monday night's regular meeting.

Permits approved were as follows:

Mrs. Harris Barkman, remodel home at 100 East Washington, estimated cost \$1,000; Edward Myers, 601 State, construct store and shop on Newman Street; N. W. Salsbery, 609 West Bay, replace roof on residence.

In other business, F. Richardson's application for an electrical license was approved.

The council approved a \$50 appropriation for the East Tawas independent baseball team.

Low bid of Bernard Card and Sons for the purchase of a prefabricated steel building was accepted. The building, 36 by 48 feet and 12 feet high, is to be used for equipment storage and to be located adjacent to the county garage. The low bid was \$4,075.

E. F. Selfert was appointed by Mayor Elmer Werth to contact the New City Hall Committee and

## Davison & Son Land Flushing School Job

Davison and Son Builders, Incorporated, Tawas City, was the low bidder on the general contract for construction of a new high school at Flushing. The Tawas City firm's bid was \$899,280.

Total bids let by the Flushing Board of Education July 16 was \$1,233,485.

Davison and Son presently has two new schools under construction. A \$574,883 school at Scottville in Western Michigan is 98 percent completed. A \$427,506 high school building at Clare is under construction and is expected to be completed in time for the start of school this fall.

## Plan to Attend Annual Fair at Hale Next Week

Four big days of varied activities are scheduled for visitors to the annual Isco County Fair at Hale July 29, 30, 31 and August 1. Included will be exhibitions, judging, horse racing, midway, games and contests, a parade and amateur show.

Wednesday, July 29, is the opening day of the fair. Attendance records were again high last year for this annual event and this year's fair is expected to draw large crowds.

Last year, a fire destroyed the Plainfield Township Hall at Hale, just as preparations were being made to start the fair. In spite of this obstacle, the fair went on as usual.

A \$7,200 purse in the 1959 harness racing program is expected to again attract large numbers of entries. There will be three days of racing, with horses entered from all sections of Michigan.

There are departments devoted to agriculture, livestock, poultry, domestic arts, home economics, farm produce, flowers, art and antiques, conservation and others.

Free exhibition space on the midway has been allotted to area auto and implement dealers.

Earl Lackie of Hale is secretary-manager and Gerald Bellen of Whittemore is president of the Isco County Fair Society. Delbert Hewitt is superintendent of harness racing.

Mrs. Ila M. Katterman, secretary-treasurer of the fair, states that names of contributors will be hung in conspicuous places at the fairgrounds and announced over the public address system at the grandstand. Anyone interested in making a contribution to help finance the fair should contact her.

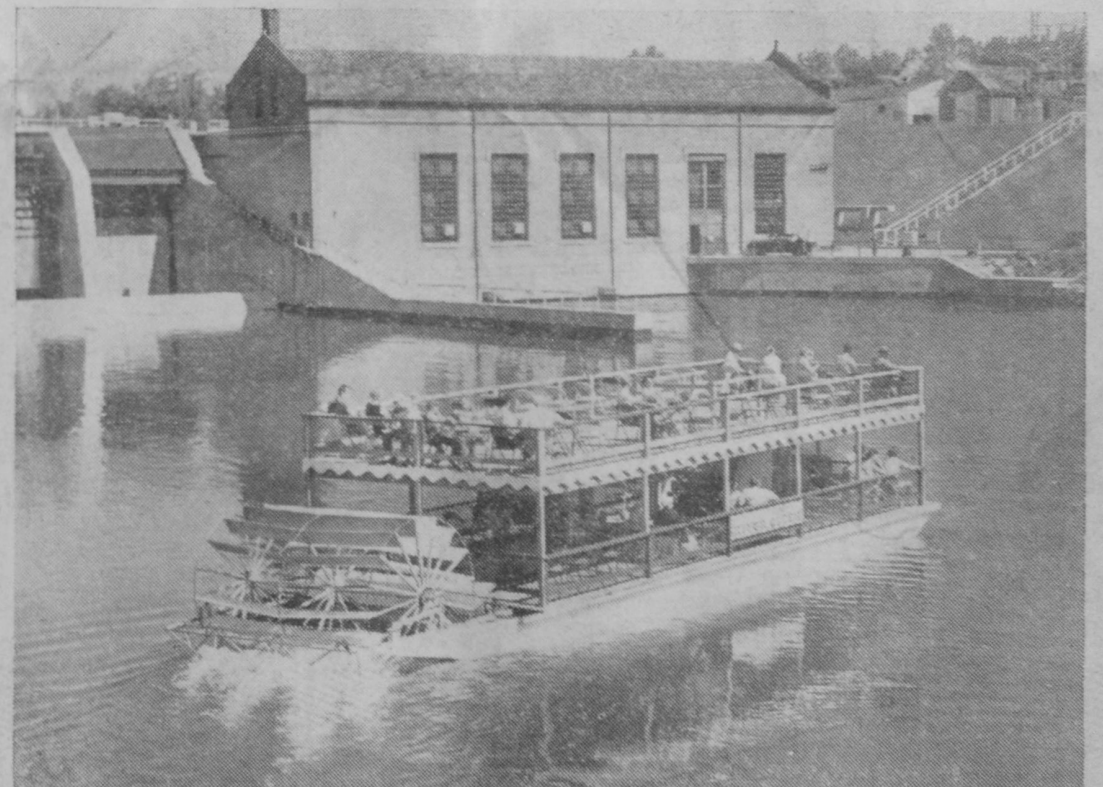

The complete fair program is as follows:

Wednesday, July 29—9:00 a. m. to 4:00 p. m., assembling exhibits.

Thursday, July 30—9:00 a. m. to 1:00 p. m., judging; 2:30 p. m., horse racing, exhibits; 4:00 p. m., midway.

Friday, July 31—9:00 a. m., midway; 2:30 p. m., horse racing; 4:00 p. m., midway.

Saturday, August 1 (children's day)—10:00 a. m., games and contests all ages; 12:30 p. m., parade; 2:30 p. m., horse racing; 4:00 p. m., midway.

# AuSable's 'Queen' Makes Hit With Summer Visitors

Newest attraction which the AuSable River and Isco County area has to offer to summer visitors is the stern-wheel paddle ship, the AuSable River Queen, which makes excursion trips between Five Channels Dam and Cooke Dam.

Owned and operated by Howard Brubaker of Oscoda, veteran boat operator in that area, the AuSable River Queen is designed along the lines of stern wheelers which ply the Suwannee River.

These excursion trips, with Brubaker giving historical accounts at various points along the river, are proving to be one of the area's top attractions for visitors.

The AuSable River between Five Channels Dam and Cooke is one of the most scenic stretches of water in the state. The route winds past such points of interest as Largo Springs, Pinnacle Point, Deadman's Bend and the Lumbermen's Monument.

The double-decked stern-wheeler is 55 feet long and has room to accommodate 100 passengers during the two-hour round trip between the dams. Three trips are made daily.

The eight-foot-high paddle wheels are chain driven by a Chrysler marine engine. The Queen was constructed by Melcraft has a draft of about nine inches. The hull of the AuSable River Queen was constructed by the Forest Service of Tawas City.

# Huron's Golden Years

Next week, residents of this area and other communities of Northeastern Michigan will observe the 50th anniversary of Huron National Forest. It was 50 years ago — February 11, 1909 — when the late Rough Rider Teddy Roosevelt, as president of the United States, signed the bill creating the Huron National Forest.

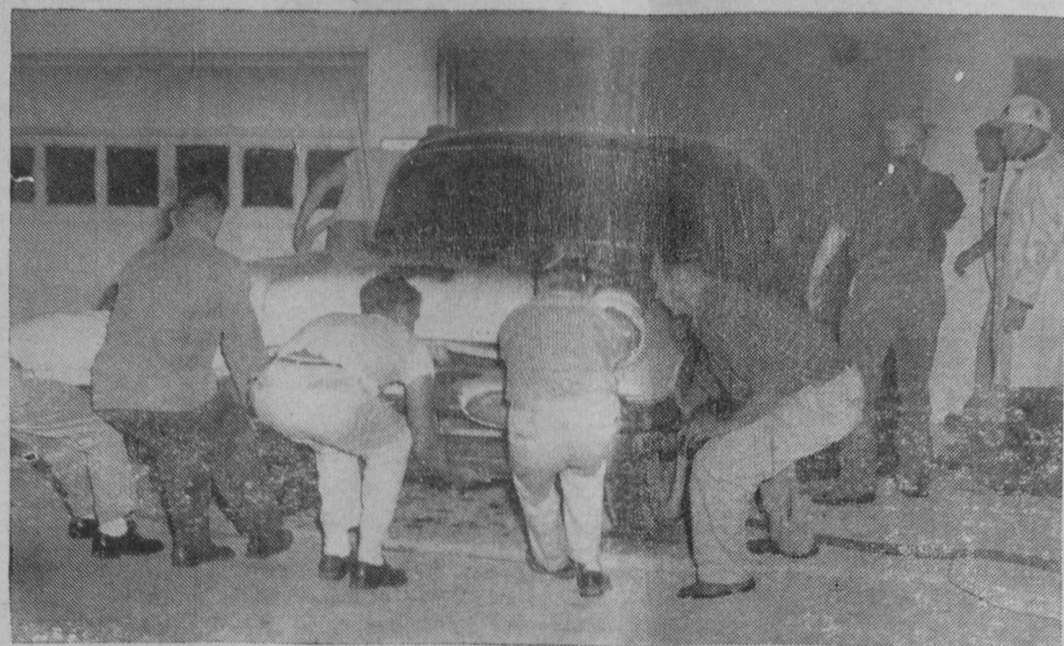

From a plains land of 1,800 square miles, mostly denuded of trees and containing only scrub trees, brush and bunch grass after countless fires had swept the area, the Huron has developed into a mecca for thousands of recreation seekers.

In 50 years, the blackened plains have become a productive wood lot that provides employment to hundreds of wood workers; the forest's fine rivers are a highway for the recreation seeker; hundreds of summer homes dot the shores of the area's many lakes, and thousands of sportsmen cast the waters and stalk the forest's game trails.

Each year, the Huron returns several millions of dollars to this region through the sale of pulpwood and other timber products. What was only a dream back in 1909 is now a reality.

We believe that next week would be the proper time for everyone to stop for a moment and take stock of just how much this national forest means to the area. Too, it would be only fitting and proper that we remember and pay tribute to the work of such men as the late William B. Piper, former forest supervisor, and the large numbers of forestry personnel who have succeeded him, past and present.

The Huron's golden anniversary points to golden years ahead. Demands on the forest's resources are just beginning and the Huron is just beginning to yield its benefits.

TAWAS CITY FIREMEN and volunteers are shown here pulling a burning car out of the garage at the John St. James residence in Tawas City after it caught fire last Friday night. Boynton St. James, 16, was shaken up when an acetylene torch he was using set fire to the car. He was treated by the family physician for a slight burn. The garage was badly damaged and the youth's car was destroyed in the fire. Dense smoke from the fire in the attached garage caused damage to the house. The youth had been doing some repair work to his car.—Tawas Herald Photo.

### Looking Backward

## M. J. Connine Gives Welcome Address to 35th Volunteers

July 25, 1899—The courthouse was filled to capacity Monday evening by citizens of the Tawas as they welcomed the 35th Michigan Volunteer Infantry. The affair was given under the auspices of C. K. Warren Camp, GAR. Among the speakers were Judge Main J. Connine, the Rev. Howard Goldie, C. A. Jahraus and J. M. Walker. Recitations were given by three little girls, Georgena LaBerge, Minnie Williams and Lottie Tapp. Music was by the Tawas City Band.

Much credit is due Dr. Charles Wakeman for the grist mill at Whittemore, now under construction. Clayton Davis is supervising the setting up of machinery.

Among the boats loaded this week at the Western Plaster Company dock at Alabaster were the Houghton, Hayward, Green, Huron City and a number of schooners.

Robert Nash has purchased the Horton schoolhouse in Reno Township and will move it to Emery Junction where it will be used as a restaurant.

Alvah Shotwell of Plainfield Township left Wednesday for a visit with relatives at Linden.

Hunt and Bullock are opening a new store in the Bullock Building at Whittemore.

Anthony Schneider of Sherman Township is spending a few days in Saginaw.

Samuel Hutchison and Hamilton Ferns plan to do some lumbering north of Hale the coming season.

Mrs. H. L. Drake is visiting her sister in Cass County.

John L. Swartz has returned from Alabama and has been engaged as engineer on the R. G. Peters logging road.

Guy Davis of Ypsilanti has been assisting this week at the Davis and Keshler dry goods store in the Holland Block.

Mrs. S. E. Brown and Mrs. G. H. Chamberlain of East Tawas are visiting in Jackson.

Kinney Brothers sawmill at Alabaster is in full operation.

A. J. Malby and E. Doane are inspecting ties this week for the George A. Pringle Company.

Mrs. Joseph Sharbeneau and Miss Mary Troy of Hale Lake visited friends here Saturday.

Miss Hattie White of Alabaster returned Monday from Bay City where she had been visiting for the past six weeks.

July 20, 1934—Dr. O. W. Milton, formerly of Detroit, arrived this week to open an office in East Tawas.

Mr. and Mrs. Rudolph Stark are attending the World's Fair and visiting relatives at Chicago.

Mrs. M. E. Friedman of Detroit spent the week-end with her son, H. E. Friedman.

Mrs. H. H. Funk and daughter, Mrs. Donald Miller, of Detroit are spending the summer here.

Mr. and Mrs. Ben Cover of Madison, Wisconsin, arrived last week and will make their home in East Tawas.

George Price of New York City is visiting his parents, Mr. and Mrs. W. H. Price.

The road commission is opening a limestone quarry in Burleigh Township.

Arnold Hoshach is visiting relatives at Northville.

### EXAMINATIONS FOR STATE POLICE SCHOOL NOW OPEN

Application examinations for the first recruit school to be held by Michigan State Police since the fall of 1957 have been opened by the Michigan Civil Service Commission to fill a limited number of trooper vacancies.

Applications will be accepted until the closing date of midnight July 29 and the application forms are obtainable at any state police post, East Lansing headquarters or the Civil Service Commission, Lewis Cass Building, Lansing.

The school is to open in October and the recruits will graduate seven weeks later and be sworn in. Thereafter, they will be given five months of field experience after which they will return to the school for four weeks of advanced training.

Applicants must be between the ages of 21 and 29, at least five feet, nine inches in height and weigh at least 150 pounds and in proportion to their height. A minimum high school education or its equivalent is required.

### GRACE LUTHER LEAGUE MET WITH HOPE LEAGUE

Grace Lutheran Luther League met at the Oscoda parish house with Hope Luther League last Sunday morning. Grace Luther League is planning an ice cream social on the church lawn Sunday evening, July 26, from 6 to 8 o'clock.

Mr. and Mrs. George Gilson of St. Charles were week-end visitors at Hale.

Mr. and Mrs. T. J. Spooner of Bridgeport spent the week-end in Reno Township.

Willard Shotwell of Detroit came Sunday to spend the summer with Ephraim Webb.

Mrs. John Schroyer of Whittemore returned Wednesday from a visit in Pennsylvania.

July 22, 1949—Preparations are being made for the entrance of M-55 into Tawas City on Lynn Street. A bridge will be constructed over Tawas River and buildings on the right-of-way are being moved.

One mile of asphalt blacktop is being laid this week on First Street and Fifth Avenue.

Mrs. LeRoy Wade and children of Mullens, West Virginia, are visiting relatives in the city.

Arthur Dillon and Hugo Keiser are spending a few days at Gladstone.

Mr. and Mrs. Arthur Bigelow of East Lansing spent the week-end in the city.

Mr. and Mrs. William Curtis and Mrs. John Barrington of Whittemore attended the cherry festival at Traverse City.

Virgil and Vernon Teal of Hale are home on leave from the United States Navy.

most miles per gallon

ONE OF THE 7 BIG BESTS CHEVROLET GIVES YOU OVER ANY CAR IN ITS FIELD

Take it, not from us, but from official results of this year's Mobilgas Economy Run: Chevy's pennypinching 6 delivers the most miles per gallon in its field. For a pair of these Chevrolet sixes with Powerglide walked away with the first two places in their class, getting the best mpg figure—a whopping 22.38—of any full-size car. And here are more expert, impartial opinions and on-the-record facts backing us up on Chevy's other six bests:

**BEST TRADE-IN**  
Check the figures in any N.A.D.A.\* Guide Book. Chevrolet used car prices last year averaged up to \$128 higher than comparable models of the "other two."

**BEST STYLE**  
It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "Chevrolet establishes a new high in daring styling."

**BEST BRAKES**  
In direct competitive tests of repeated stops from highway speeds, conducted by NASCAR, Chevrolet out-stopped both of the other leading low-priced cars—and why not? Chevy brakes are far larger, built with bonded linings, to help lengthen brake life by as much as 66%.

**BEST ROOM**  
Official dimensions reported to A.M.A.† make this clear. For example, Chevy front seat hip room is up to 5.9 inches wider than comparable cars.

**BEST ENGINE**  
Every motor magazine has given Chevrolet's standard and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed this device is surely the most wonderfully responsive engine available today at any price."

**BEST RIDE**  
MOTOR TREND magazine calls Chevy "... the smoothest, most quiet, softest riding car in its price class." You'll be able to tell this yourself, instantly. And your Chevrolet dealer can tell you about a long list of other advantages besides these 7 big ones!

### 126 Drowned in Michigan Waters During Season

At least 126 persons have drowned in Michigan waters so far this year with August, the heaviest month of vacationing, yet to come, according to records compiled by the Michigan State Police.

Of 172 water accidents reported, 106 were fatal, 46 resulted in personal injury and there were 20 accidents resulting in property damage only.

On the basis of the first six months, it is now feared that the toll for the last half of the year will greatly exceed the 183 dead and 89 injured in 257 accidents in the same period last year unless water enthusiasts exercise greater caution.

Of the 126 drowned, 17 were boat operators, 31 boat passen-

gers, 26 swimmers, two skin divers, one a water skier without a life preserver, 10 children who wandered away from parents, eight youngsters who slipped into the water while fishing or playing and 31 were victims of miscellaneous causes.

Over the Fourth of July weekend, 15 persons drowned in water mishaps while only 13 died in traffic accidents.

### Trooper Steinhurst Wins Honors in Regional Tourney

Michigan State Police No. 1 pistol team finished second behind Detroit in the police category of midwestern regional pistol tournament at Bristol, Indiana, competing against 19 firearm military and law enforcement teams.

Trooper Robert Steinhurst of East Lansing, son of Mr. and Mrs. Julius Steinhurst of Tawas City, was fourth in individual competition, winning four matches and taking second and third in five other matches in a field of 216 shooters.

United States Air Force Blue team placed first in open competition and three air force marksmen won the top three places in individual high aggregate scoring, the winner posting a 2,616 out of a possible 2,700 for the three calibers, .22, .38 and .45. Steinhurst shot 2,597.

Trooper Dorr Wiltse, Ionia, shooting with the Michigan National Guard, became the 1959 guard champion with a 2,534 total aggregate.

Corporal Roman Sonsara, East Lansing, a member of the MSP team, won two second place awards in individual matches. Other members of the team were Steinhurst and Troopers Lester Doubleday, East Lansing, and Neil Bement, Jackson.

Calendar:  
July 24—Burleigh Gadabouts family picnic, Skidway Lake.  
July 25—Tawas Homemakers family outing, Corsair Park.

Mrs. Paul Sayles, home economics extension council chairman, is among some 1,200 women who are attending Homemakers' Conference at Michigan State University this week. She is Isoco County's delegate representing women enrolled in the home economics extension course.

Speakers, classes, sociability and four days with no homemaking jobs to be done assure a wonderful vacation for many women from all over Michigan.

Mrs. Richard Samson stopped to see us a few minutes last week and said she, too, would be at Homemakers' Conference. She lives part time in Isoco County and part time in Flint, so she plans to attend with her friends from Flint.

Some groups have summer get togethers, others do not. Secretary Margaret Bellor wrote that Burleigh Gadabouts met on July 10 for a wiener roast and swimming at Sand Lake, will have a picnic at Skidway Lake July 24 and a regular group meeting August 7.

Tawas Homemakers' Group is to have a chicken barbecue July 25 at Corsair Park for members and their husbands. They will not only eat barbecued chicken but intend to learn how to prepare it.

Which reminds us, there are plans in the making for an outdoor cookery class for those who enroll to participate. It will take place this fall.

Something new to consider is barbecued turkey. Yes, young, small, tender turkeys are to be available this month. Turkey kobobs would provide "conversation" food at your next cookout. We will provide the recipe upon request.

We observe numerous new homes being built. Of course, we are all hopeful and wishful that every one of them will be as convenient, comfortable and easy to care for as possible. Could be we are prejudiced as to the really "best" sources of literature and information about home planning and building. Do you happen to know what and how much is available from your Cooperative Extension Service?

Fact of the matter is you could start with site selection and finish with paint and furniture, finding something on almost every planning and building subject. construction, insulation, weatherproofing, moisture control, heating, convenient layout for kitchens, utility room, bathroom and others, too; storage cupboards and closets, lighting, wood finishing, color selection and furniture arrangement.

Why wonder, when facts are as close as your county extension office?

Freeze the freshness in—if you plan to keep bread for more than a few days. Buying bread in quantity and storing extra loaves in the freezer is one way for homemakers to save time in shopping.

Recent tests on commercially-baked, sliced white bread showed that bread kept its freshness up to six months in the freezer. This

Mr. and Mrs. Deibert Albertson and children were Friday evening dinner guests at the Waldo Curry home.

Henry Fahselt and Kenneth Fahselt attended the funeral of a relative at Rose City last week.

Mr. and Mrs. Russell Hadwin of Detroit were week-end visitors of his aunt, Mrs. Samuel Ginsberg.

Mr. and Mrs. Victor Bouchard spent last Wednesday in Bay City with Mr. and Mrs. Willard Bouchard and children and the Richard Reinke family.

Mr. and Mrs. George Fisher of Northville are vacationing at their cottage on M-55 this week.

Mr. and Mrs. Clifford Hilmo and daughter of Ypsilanti visited relatives and friends here this week.

Friends of Martin Long of Tawas City are sorry to hear he is ill.

Waldo I. Curry is improving slowly from his recent illness. He was a patient at Tawas Hospital for a few days.

Mrs. Glenn McLeod entertained Mrs. May Laidlaw, Mrs. Jennie Carpenter and Mrs. Elizabeth Simmons, both of East Tawas, at her home one day last week.

Miss Carolyn Wendt of Tawas City spent a few days the past week with her grandparents, Mr. and Mrs. John Katterman Sr.

Mrs. Margaret Colby of Saginaw visited her sister, Mrs. Ernest Dankert, during the week.

Friends are pleased to hear David Lorenz, who has been a patient at Mercy Hospital, Bay City, for several weeks, is able to return home. He is staying at the home of his mother, Mrs. Estle Hartman.

Forty-six relatives of A. V. Sands gathered at Tawas City Park Sunday for a picnic honoring him on his 88th birthday. All of his children but one were in attendance. Mr. Sands is the father of Mrs. Charles Simons Sr.

Mrs. Jennie Carpenter and Mrs. Elizabeth Simmons of East Tawas, Mrs. May Laidlaw and Mrs. Glenn McLeod visited at the Huron Convalescent home and with Henry Fahselt one day last week.

Mr. and Mrs. Ernest Dankert visited his mother at Chesaning recently.

Visitors at the Walter Miller home last week were Mr. and Mrs. Zale Pond of Owosso and Miss Joan Smith of Tawas City.

was true even when bread was frozen in its original wrapper with no overwrap.

Bread tested after 10 months of storage did show a difference in freshness and loaves with the extra freezer wrap were much better. However, most homemakers do not store bread in the freezer for long periods of time.

Frozen, sliced bread does not have to be thoroughly thawed before it is made into toast or sandwiches. Slices separate easily while still hard-frozen, although you may have to loosen them with a knife.

Frozen slices can be put into the toaster to thaw and toast at the same time. Sandwiches made from frozen slices help keep the lunch box cool.

Thursday, August 6—Dairy Cooperative Bred Heifer Sale at West Branch Hereford yards.

Not all is gold that glitters, prospectors learned long ago. And dairyman seeking the most efficient milking system learn the same thing.

Michigan State University research on different milking systems points out their strong and weak points. Currently, they are examining the new "herringbone" milking parlor.

They have found out several things about this highly-praised system. The findings, published in the current issue of Michigan Quarterly, the agricultural experiment station's publication, include these:

The herringbone apparently does not make for cow-a-minute milking, as some thought it might. None of the dairymen observed by Michigan State University men attained that rate. Maximum rates recorded for one man in a double-six herringbone was 55 cows per hour.

The system is often not just a one-man operation. About half the dairymen using the double-herringbone had two men operating the six machines. This reduced the maximum number of the cows per man hour to 32. Average rate using two men was 26 cows per man hour.

Average milking rate with one operator for the double four, double five and double six herringbone was 40, 44 and 46 cows per man, respectively.

The one-sided herringbone, one of the types of installation,

was less efficient than the two-sided arrangement because the machines were idle for more than 25 percent of the time.

Most of the milking machines were on the cows longer than is usually recommended. In the herringbone parlor, up to 70 percent of the machines were on the cows five minutes or longer. This is usually considered poor milking practice.

Total time for the cows in the parlors ranged from seven minutes in the side opening parlors to 14 minutes in the herringbone. This meant that cows in the herringbone had more time to eat grain.

The milking machines were idle about four percent of the time in the herringbone and about 30 percent of the time in the side-opening parlors.

Total walking distance for milking 50 cows was calculated to be from 50 to 150 percent more for the in-line side-opening parlors than in the herringbone. Greatest walking distance was in the three-in-line side-opening parlor.

All these findings should be taken into consideration when thinking about milking parlor types, caution researchers.

## Supervisors' Proceedings

JULY SESSION  
July 15, 1959

The Iosco County Board of Supervisors was called to order for its July session at 9:30 a. m. by the chairman who ordered roll call. The following supervisors were present: Ashton, Bellville, Blust, Burgesson, Everett, Jordan, Little, Long, Oates, Rodman, Seifert, Smith, Stephan, Upton, Webb, Werth, White, Wilkusi. Absent: Brabant.

Communications were read and referred to the proper committees by the chairman.

The clerk requested approval of the minutes as published for the June session. It was moved by Everett supported by White that the minutes be approved as published. Carried unanimously.

Mr. Little addressed the board stating that there was presently a bill on the governor's desk, passed by both houses and awaiting his official signature, which would give the sheriff's department a portion of the liquor money now received by the various taxing units of counties for law enforcement. Mr. Little suggested that this board should in form its opposition to this becoming law. He suggested that a committee prepare a telegram for forwarding to Governor Williams. Mr. Little moved that the chair appoint a committee to prepare a telegram. Supported by Jordan and carried unanimously. The chair asked the judiciary committee to act in that capacity.

Mr. Smith reported that Dr. Hasty and Mrs. Wight both believed that an appropriation to the Alpena Child Guidance Clinic would be money well spent.

Upon motion supported and prevailing, the board recessed until 1:30 p. m.

### AFTERNOON SESSION

Upon call to order at 1:30 p. m., roll call was ordered by the chairman. The following supervisors were present: Ashton, Bellville, Blust, Burgesson, Everett, Jordan, Little, Long, Oates, Rodman, Seifert, Stephan, Upton, Webb, White, Wilkusi. Absent: Brabant, Smith, Werth.

Congressman Cederberg addressed the board briefly and stated that he felt he would be being politically dishonest in going along with this board's resolution favoring rural employment expansion. Mr. Cederberg stated that he had given the matter considerable study and found that only four Michigan counties would be eligible and that nearly all counties in the southern part of the nation would be eligible. With the present national debt at the level it now is, the congressman felt that such a program as this would just increase the debt and for little benefit to this state.

Mr. Wilkusi stated that he believed the board might be interested in knowing the receipts and expenditures for Old Orchard Park to date, now in its second year under lease to Iosco County. Revenue from the park has been in the amount of \$13,099.27 with expenses put back into improvement for the area amounting to \$11,006.01.

The judiciary committee upon motion by Stephan supported by Little, instructed the clerk to forward the following telegram to Honorable G. Mennen Williams.

Honorable G. Mennen Williams Lansing, Michigan  
The Iosco County Board of Supervisors in session assembled July 15, 1959, desires to express to you its opposition to House Bill 601 now awaiting your official signature and ask that you veto this bill for the reason that the present system of liquor law enforcement, presently being administered by the various units of local government with the funds now received for that purpose, is fully satisfactory and should not be changed.

Signed:  
Upton  
Stephan

It was moved by Upton supported by Stephan that the resolution be accepted and the clerk instructed to forward copies of the action to the State Association of Supervisors, our state senator and state representative. The motion carried upon the following roll call. Ayes: Ashton, Bellville, Blust, Little, Long, Oates, Seifert, Upton, Wilkusi. Nays: Burgesson, Jordan, Rodman, Stephan, Webb, White.

Mr. Wilkusi read the following report of the committee on claims and accounts No. 1. Honorable Board of Supervisors Gentlemen:

# Fishing is Fine . . .

"THE FISHING IS FINE" at Willowbrook Trout Ponds, reports the Kobs brothers, Charles and Raymond. Steven F. Svehla of Dearborn is pictured here with a 4 1/2-pound rainbow which he caught on a night crawler last Sunday. This fish was planted in the fall of 1957 and had grown from 10 inches in length to 22 inches. The smaller trout were 12 and 13 inches.—Herald Photo.

# Plenty of Rhubarbs in Tawas City-East Tawas Tilt

In a contest which was marred by numerous "rhubarbs," Tawas City defeated East Tawas Sunday, 5-0, in a Northeastern Michigan League tilt. The game was played on the winner's home diamond.

After Tawas City scored three runs in the second and two runs in the third, the game was all but over except for the shouting. East Tawas saw several good scoring opportunities go down the drain, notably in the sixth inning when they left the bases loaded.

Retiring the side in order in the first inning, Pete Bolen, starting pitcher for the losers, ran into trouble in the second inning when he was nicked for three hits and Tawas City scored three times with the aid of an error.

Clare Herriman started the inning with a single. After Russ Anschuetz struck out, Ken Blust was safe at first on an infield error. Larry Frank then doubled to score Herriman. Rescoe was safe at first on a fielder's choice to load the sacks. Bolen then settled down to strike out Potts. Rapp belted a single to score Blust and Frank and Ed Anschuetz ended the inning with a pop fly to short.

The third inning found Bolen in trouble again when he walked lead-off man, Chum Lorenz. Herriman flied out to left field and Lorenz reached second on an error. Russ Anschuetz singled. Blust struck out. Frank came through with a single to score Anschuetz. Rescoe ended the inning with a ground ball to second.

Herman Rollin, young southpaw for East Tawas, came on to do the pitching in the fifth inning and retired the side in order until the eighth, when Tawas City loaded the sacks after two were out. The threat ended on an infield out. During his four innings on the mound, he struck out three batters and allowed only one hit.

East Tawas, out-hitting Tawas City, 7-6, had runners on base in every inning but the third and fifth. Their best scoring opportunities came in the sixth and eighth innings, but did not score for lack of a hit under pressure.

Gerald Potts, who pitched a very good game for Tawas City, had fairly good support from his mates afield, although three errors were committed. None proved to be damaging. Potts struck out five batters and did not allow a walk.

In the sixth inning, Ken Rollin singled for East Tawas after Sass fanned to lead off. Bolen was safe at first on an infield error. Jordan flied out to right field. McMurray singled sharply to left field and Rollin had to hold at third on a good relay throw. Stephan ended the inning by flying out to left.

The eighth inning proved to be a controversial one for the um-

pires. Ken Rollin led off with a single. Bolen then belted a long double to right field and Rollin tried to score. A great throw by Blust from right field cut down Rollin at the plate, but in the process Catcher Jim Rapp was spiked at the plate. Rapp called for time and it was so allowed by the umpires.

This touched off an argument between Manager Harold Rollin of East Tawas and base umpire, Matt Hoag. It was Rollin's contention that time could not be called at that point, claiming that Bolen had not reached third base and the play was not completed until he did so. After tagging out the runner, Rapp had gone to the bench to treat his injured foot.

Top hitters of the day were Larry Frank of Tawas City with a double and a single, Ken Rollin and John McMurray, both of East Tawas, with two singles.

## Ticket Sales for Knot Hole All-Stars Game Starts July 25

An advance sale of tickets for the second annual Knot Hole League all-star game will be held this Saturday, reports Robert Elliott Jr., league treasurer. Boys who participate in this summer program will canvass the Tawas.

Elliott states that the league continues to grow each year and proceeds from the game will be used to help pay for uniforms. "It appears that there will be enough boys to form 10 teams next year and we will need uniforms for two more teams, as well as replacing a few which were damaged this year," said Elliott.

This year's all-star game will be played under the lights at Tawas Area Athletic Field Sunday, August 2. Game time will be 7:30 p. m.

Five boys are to be selected from each of the eight teams. Each boy will play one-half the game. One team will be called the Americans and the other, the Nationals.

One team will be made up of five boys from the first, third and fifth place teams and two or three from the seventh place team. The other team will be composed of players from the second, fourth and sixth place teams, and two or three from the seventh place team.

Saturday's advance ticket sale will start at 9:00 p. m. The boys will wear their baseball uniforms during the canvass of the two communities.

## Detroit YWCA Group Visited Chapel Lake Ceremonials

A busload of members from the adult activities group, YWCA, Detroit, arrived at the Tawas Saturday for dinner and specifically to view the Chapel Lake Indian Ceremonials, which performs nightly nine miles west of here in the Huron National Forest.

Because of the rain and not knowing the condition of the road, an uninitiated city bus driver decided to stick to the pavement. The leader of the group secured the services of a local taxi and explained the predicament to the staff at Chapel Lake.

The performance was delayed slightly, while private cars drove to M-55 to pick up the party. The "Voice of the Forest" on the Hammond concert organ entertained the audience in the meantime, with the audience participating with request numbers and community singing.

The group, which was headed for Isle Royale on its annual outing, was high in its praises of the only continuous Michigan Indian pageant, now in its second season.

This week-end, the Temple Players Dramatic Society of Detroit will attend the show, via chartered bus and private cars. About 60 persons are expected.

## Engagement Announced

Miss Joyce Lee Coates of Tawas City, daughter of Mr. and Mrs. Roy Coates, and William Parent of Prescott were united in marriage Sunday, July 19, at the home of her parents. The 2 o'clock, double ring ceremony was performed by Elder John Barr.

The bridegroom is the son of Mr. and Mrs. Robert Parent of Hale.

Given in marriage by her father, the bride chose a dress of white cotton and cupion rayon, styled with a fitted bodice, V-neckline and an unpressed pleated skirt. Large pearl buttons extended from the neckline to the hemline of her dress. A head piece trimmed with pearls held a short veil. A corsage of pink roses and white carnations completed her outfit.

Mrs. Donna Jean Coates, maid of honor, and Miss June Kay Coates, bridesmaid, sisters of the bride, were her attendants. They wore identical dresses of yellow

and green. Their corsages were of yellow roses and white flowers.

Raymond Miller of Prescott, cousin of the bridegroom, was best man. Groomsman was Norman Miller of Prescott, also a cousin of the bridegroom.

Following the ceremony, a reception was held at Grant Township High School for about 100 guests.

For the occasion, Mrs. Coates was attired in a navy blue dress with white accessories and a corsage of red roses and white carnations.

The couple will reside in Prescott.

Out-of-town guests attended from Flint, Detroit, Hale, Prescott, West Branch, Whittemore, Midland, Rogers City, Turner, Clio, Au Gres and Windber, Pennsylvania.

Pre-nuptial showers were given by Mrs. Walter Miller, Mrs. Philip Watts and Mrs. John Utter.

### Shy Sandhill Crane

SANDHILL CRANES, formerly found throughout Michigan in plentiful numbers, have been drastically reduced by man's excessive hunting and drainage on their nesting grounds. A few cranes still nest in isolated marshes of Southern Michigan. Swamps of the Upper Peninsula provide a greater degree of privacy and are, therefore, preferred nesting sites of these shy birds. Remaining wetlands must be preserved and restored to safeguard against the threatening disappearance of this migratory wild bird in Michigan.

# Military Service Draft Law Extended 4 Years

The draft law has been extended for four years, until July 1, 1963. This means that young men of the country must continue to expect to serve in the military forces. This series of articles outlines the basic responsibilities and rights of young men under the draft law. This is the first article in the series.

Generally, every man is required to register under the draft law within five days after his 18th birthday. He may register at any local board office, but he should be certain to give his home address, for that will determine the local board which will always have his records and which will deal with his case.

If a man is on active duty with the armed forces on his 18th birthday, he need not register at that time. Men on active duty must register within 30 days after they leave the service.

Aliens born after September 15, 1925, with a few specified exceptions, must also register within six months after entering the United States or at age 18, whichever is later.

Any person who at age 18 is exempt from registration must, however, register when his status changes.

Failure to register, like failure to comply with other provisions of the law, may subject men to prosecution or to induction out of turn and ahead of other men.

After he registers, each man is required by law to keep his local board informed of any change in his address or any change in his personal situation which might affect his liability to serve. There is no time limit on this obligation.

The next article will discuss "classification."

The Isoco County local board is located in the Federal Building at East Tawas and is open afternoons only, Monday through Friday each week.

### WITH IOSCO COUNTY

## 4-H Clubs

By DOROTHY SCOTT  
County Agent

Calendar:  
July 29-August 1—Iosco County Fair at Hale.

4-H Club members and young people not members of 4-H Clubs are reminded that they may exhibit in the youth department of the Iosco County Fair this year.

This is a new plan. In previous years, there has been a 4-H Club department and a FFA department. Young people could exhibit in these departments if they were enrolled in a 4-H Club or a FFA class.

Now any young person may exhibit in the youth department if he or she has articles that fit the description given in the premium list.

Another change is in the judging plan. Premiums will be awarded on the basis of first, second, third and in some instances more placings. Before the judging has been done on a basis of A, B or C.

There are some 4-H Club members whose projects were not finished at achievement day time in June. These projects will qualify for completion credit if they are displayed at the fair. We would appreciate having you tell us you will be placing such an exhibit for completion credit, however.

And, there will be displays of 4-H Club projects completed since the achievement day event in early June. These projects will also receive completion credit for their exhibit made at the fair.

See you at the fair.

## J. E. Cobb Succeeds Aulerich on Farm Loan Committee

John E. Cobb of Whittemore has been appointed to succeed Arthur J. Aulerich as a member on the Iosco County Farmers Home Administration Loan Committee. Mr. Cobb operates a 240-acre livestock farm in Reno Township.

The county committee consists of three members each serving a three-year period, arranged so that one new member is appointed each July 1. The other two members now serving on the committee are Carl F. Adams, Hale, and W. Edward Robinson, Whittemore.

The duties of this committee are to determine the eligibility of applicants applying for farm loan assistance through the program. The committee also certifies to the value of farms being purchased or improved with FHA loan funds and assist in carrying out the loan program in the community.

Loan services are available for operating expenses to adjust and improve farm methods and practices; real estate loans to buy, improve or enlarge family-type farms; establish drainage systems, and loans to build or remodel farm houses and other necessary farm buildings.

The local FHA office is located at 216 North Main Street, Standish, and serves a three-county area including Arenac, Bay and Iosco Counties.

**GIVES TALK ON TRIP TO WOLVERINE BOYS STATE**  
Whittemore Grange met for its regular meeting Monday, July 13, with Master Seth Thompson in charge of the business session.

James Dobson gave a very interesting talk on his trip to Wolverine Boys State.

### SCOUTS GO ON CAMP TRIP TO UPPER PENINSULA

Thirteen boy scouts from Whittemore Troop No. 96 were accompanied on a 700-mile trip into the Upper Peninsula by Scoutmaster Daniel Miller, Donald Freeland and John Dickey.

They left Whittemore July 10 and made their first camp at Michilimackinac State Park that night. On Saturday, the Soo Locks and Brimley State Park were visited. Their camp that night was made at Lower Tahquamenon Falls State Park. After a short camp church service Sunday morning, conducted by the scoutmaster, the group visited the upper falls. From there, they traveled to Seney Wildlife Sanctuary where a scenic tour is conducted each afternoon. Their Sunday night camp was made in the county park at Grand Marais.

Before starting homeward on Monday morning, an enjoyable hour was spent by the boys at the sand dunes near Grand Marais. The Indian River Catholic Shrine and wolverine trout feeding ponds were visited as welcome and enjoyable stops enroute.

### News About IOSCO SERVICEMEN

Army Pvt. Frank P. Cangemi, son of Mr. and Mrs. Francis P. Cangemi, Tawas City, completed eight weeks of automotive maintenance helper training July 10 at Fort Ord, California.

Cangemi entered the army in December 1958 and completed basic training at Fort Ord.

The 17-year-old soldier attended Fullerton (California) High School.

Kenneth C. Beck, son of Mrs. Kenneth Brooks of Oscoda, graduated from recruit training July 4 at the Naval Training Center, Great Lakes, Illinois.

The graduation exercises, marking the end of nine weeks of boot camp, included a full dress parade and review before military officials and civilian dignitaries.

In nine weeks of instruction, the "raw recruit" is developed into a navy bluejacket, ready for duty with the fleet.

William E. Allen, aviation structural mechanic first class, USN, son of Mr. and Mrs. Austin Allen of National City, is serving with Navy Fighter Squadron 103 which is taking part in Operation "Inland Seas" on the Great Lakes.

Inland Seas is the vast naval exercise being conducted by 28 ships and over 6,000 sailors and marines in celebrating the opening of the St. Lawrence Seaway this summer.

Not since 1813 have American navy ships sailed the Great Lakes in force.

Fighter Squadron 103 is based at the Cecil Field Naval Air Station, Pensacola, Florida.

### ARMY MANPOWER

The army's prospect for a manpower increase dwindled further as the senate appropriations subcommittee for defense accepted the administration's plea to keep the force at 870,000.

### "Wreckreation" of Vandals

MICHIGAN CONSERVATION Department's perennial problem of vandalism in state parks and recreation areas has begun again. A pile of charred rubble and ashes, above, is all that remains of a picnic table after teen-agers threw it on a bonfire during a party in one of the state's southeastern recreation sites. Fines and probational sentences were levied on four of the youths who pleaded guilty. Three others were summoned to appear in juvenile court. To the park ranger this type of "wreckreation" imposes constant patrol, repeated checking and many hours of repair work. Often the damaged facilities are beyond repair. In most cases, this means the public must go without the item because funds generally are not available for its replacement.

### McIVOR

Mr. and Mrs. Donald Savage and children of Saginaw visited his uncle, Clyde Wood, and family Friday.

Mr. and Mrs. Richard Schroeder and son, Ricky, of Ypsilanti spent the week-end with their parents, Mr. and Mrs. Herbert Schroeder, and family.

The Floyd Shaffer family visited Mr. and Mrs. Leighton Kohn and family Friday evening.

Mr. and Mrs. Charles Koepke visited her sister, Mrs. John Jordan, and family Thursday evening.

Miss Linda Schroeder, who has been spending the summer at Flint, is visiting this week at her home.

Mr. and Mrs. Robert Winchell and family of Dearborn spent the week-end at their cabin here.

Mr. and Mrs. Neil Revord and family of Tawas visited his parents, Mr. and Mrs. Charles Revord, Sunday.

Mrs. James Jordan and daughter, Janet, were callers in the Tawas Friday.

Mr. and Mrs. Harold Horton of Flint visited his sister, Mrs. Herbert Schroeder, Sunday evening.

Mr. and Mrs. Clarence Jordan and her father, George Kohn, were callers in Tawas Friday.

### TRIP TAX REPEAL

The senate financing committee unexpectedly voted to abolish the 10 percent federal tax on travel. The committee amended a house approved tax bill, nine to eight, to provide for repeal of the transportation levy. It then unanimously approved the revised bill.

**NOTICE OF SPECIAL TOWNSHIP MEETING AND ELECTION AND OF REGISTRATION OF VOTERS**  
WHEREAS, at a meeting of the Township Board of the Township of Reno, Isoco County, Michigan, held on the 13th day of July, 1959, a franchise ordinance was adopted, entitled as follows:  
AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to construct, maintain and commercially use electric lines consisting of towers, masts, poles, crossarms, guys, braces, wires, transformers and other electrical appliances on, along and across the highways, streets, alleys, bridges and other public places, and to do a local electric business in the TOWNSHIP OF RENO, ISOCO COUNTY, MICHIGAN, for a period of thirty years, and repealing the ordinance adopted by the Township Board of said Township on February 15, 1930, whereby an electric franchise was granted to Southern Michigan Light and Power Company, its successors and assigns.  
WHEREAS, said Consumers Power Company has heretofore filed its written acceptance of said franchise, and has requested that the question of confirming the grant thereof be submitted to the qualified electors of the Township, at a special election to be held for that purpose, and has also paid to the Township Board the estimated expense of holding such special election; and,  
WHEREAS, there has been heretofore filed with said Board, a petition signed by at least twelve electors, requesting that a special township meeting and election be called for such purpose;  
NOW, THEREFORE, pursuant to resolutions adopted by said Board, notice is hereby given that a special meeting and election will be held in said Township Hall at 490 N. M-65 on Wednesday, the 26 day of August, 1959, for the purpose of voting on the confirmation of the action of said Township Board in granting such franchise.  
The polls of said election will be opened at 7 o'clock in the forenoon, or as soon thereafter as may be, and will be held open until 8 o'clock P.M., Eastern Standard Time. The Township Clerk will be in his office on the 27th day of July, 1959, said date being the thirtieth day, as determined by statute, preceding the date of said election, for the purpose of reviewing the registration, and registering such of the qualified electors of the Township as shall appear and apply therefor, which registration may be made on said date between the hours of 8 o'clock A.M. and 8 o'clock P.M., Eastern Standard Time.  
Said franchise as granted by said Board is on file with the undersigned Township Clerk for the purpose of inspection by the qualified electors.

# Saginaw Boy Fatally Injured When Hit by Car

A seven-year-old Saginaw boy was fatally injured when struck by an automobile last Friday evening on M-65, .8 mile south of Whittemore.

Dead is Daniel Allen Ott, son of Mr. and Mrs. Leonard Ott, who was visiting at the home of his grandfather, Henry Ott.

Investigating state police officers said that the boy had been fishing at the home of his grandfather with his uncle, Gene, 12; brother, Lawrence, nine, and sister, Ilene, eight.

The boy, crossing from the east side of M-65 to the west side, dashed out in front of a car driven by Mitchell E. Buchanan, 25, of Madison Heights.

The driver, headed south, told officers that he heard a thud and pulled over to the shoulder of the road and stopped. The victim's

body was laying on the shoulder of the road.

The accident was witnessed by the boy's father and grandfather, who were sitting on the front steps of the latter's farm home. The father told police he saw the boy come up the bank on the east side of the road and start to cross. Seeing the approaching car, both told police that they were almost sure he was going to be hit and they started to run toward the boy before the accident.

Michigan State Police are continuing the investigation due to conflicting accounts of the accident by the driver.

## Silver Valley

(Continued from page 1.)

present contract, the chamber is charged with the direct responsibility for maintaining the entire 500-acre park on a year around basis. It was recommended that this be changed to a three or six-month use permit for that area encompassing just the winter sports park (about 88 acres), as was the case a few years ago.

It was recommended that letters be sent to the area's representative in congress and senators to ask for federal help in maintaining this public park. The forestry department, at present, receives only a small amount for its maintenance.

Col. Clifford F. Macomber, new commander at Wurtsmith Air Force Base, was present at the meeting and stressed the need for winter sports recreation for air force personnel stationed here.

More meetings are planned between the forestry department, the Silver Valley committee and representatives of the air force in the near future.

## Council

(Continued from page 1.)

arrange a meeting with the council at its next session.

The council authorized installation of three storm drains along Bay Street.

Lewis Besancon was appointed as a special assessor for the Newman Street sewer project. The new sewer will extend north on Newman from State Street to Franklin.

## SCHOOL PRINCIPALS MEET AT TAWAS AREA SCHOOL

A state committee meeting of the Michigan Association of Secondary School Principals was held at Tawas Area High School Monday, Ernest Jordan, principal at Tawas Area, was host.

Attending were Theodore Southerland, principal at Bay City Central; Mahlen Moore, principal at Midland, and Ward E. Tibbet, principal of Saginaw High School.

The committee passed a resolution recommending to the state department of public instruction that all principals be certified by that department.

It was pointed out that Michigan is the only state in the nation that has no minimum requirements for principalship.

## Large Attendance View Exciting Speedway Races

A sudden change in the wet weather last Saturday night permitted many fast and exciting racing events again at the Whittemore Speedway. A surprisingly large crowd of people turned out to witness the thrilling moments of each race. Hazardous driving on the track was brought under control by the veteran drivers after the all day rain. A few wet spots caused cars to spin out on the turns.

The Australian pursuit race held everyone in suspense while the ending, a photo-finish, was taken by Norman Dorey of Whittemore.

Heat races were taken by Dick Piper, Alpena; Norman Dorey, Whittemore; Jake Zettle, West Branch; Wally St. Martin, Pinconning. The feature race was won by Dale Barber, West Branch.

It is understood that a large midseason championship trophy race is scheduled for next month. Watch for the correct Saturday evening which will be one of the highlights of the 1959 season.

## Win Challenge Racing Trophy at Point Lookout

An old sailing tradition was resumed last week when Tawas Bay Yacht Club challenged sailors in the Point Lookout area to a race. A challenge trophy was posted for this race, the first such meeting since before World War II.

Held last Saturday at Point Lookout, Tawas sailors won the challenge. Sailing in the race from here were William McKinley, Dr. Gerald Murphy, Charles Schreck, Herbert Cox, Stacy Smith and L. G. (Ladd) McKay Jr. The race was sailed in sailfish class boats owned by Point Lookout sailors. A return engagement will be held here this Saturday with the event to be staged in pram class boats.

Although the older sailors of the club will take over pram boats for a time Saturday, the junior skippers have races scheduled for Saturday and Sunday. Last week's winners were Stanley (Sandy) McKay, Robert Busch, Edward Eppert, Dennis Lorenz and Thomas Merschel. This will be the second race of the year for the youngsters, the first race being won July 4 by Busch, McKay, Gary Mallon, William Ezo and Merschel.

## TAWAS BAY PARTICIPANTS TO SAIL IN MACKINAC RACES

From 15 to 20 sailors who participated in the recent district Lightning regatta on Tawas Bay will either sail or be among race officials during the Mackinac race this week-end. Dr. Gerald Murphy, a summer resident of Tawas who is a member of the Tawas Bay Yacht Club and is one of Tawas Bay's Lightning skippers, will crew on the Gloria B, owned by Alex Carlin. Carlin was a third place winner in the district Lightning race and will skipper the Mackinac race entry.

## MRS. JACOB FUHRMAN

Mrs. Mary Ann Fuhrman died Tuesday morning, July 21, at her home at Tawas Lake following a lingering illness.

Born December 21, 1877, at Monroe, she was the daughter of John and Caroline Zeh. She married Jacob Fuhrman on May 4, 1898, at Detroit. Mr. and Mrs. Fuhrman have been residents of this community for the past 15 years. They came here from Detroit where Mr. Fuhrman owned a hardware business.

Surviving are her husband; two daughters, Mrs. Ethel Landback of Detroit and Mrs. Milda Smith of East Tawas; five grandchildren; 10 great grandchildren; three brothers, John Zeh of Belleville, Godfrey Zeh of Milan and Edwin Zeh of East Tawas, and a sister, Mrs. Minnie Stevens of Miami, Florida.

Funeral services were held Wednesday afternoon at the Jacques Funeral Home. The Rev. Leonard Newman officiated. Interment will be Glen Eden Lutheran Cemetery, Livonia, at 2:00 p. m. Thursday (today).

## 'AMERICAN DAY' FOUNDER DIES IN CALIFORNIA

The Rev. Dr. A. Watson Brown, founder of "I Am An American Day," died Sunday at National City, California. He was a brother of the late Mrs. L. H. Braddock of Tawas City.

Dr. Brown was a retired pastor of the First Baptist Church at National City, California, and had served several Michigan churches. He had preached at the Tawas City Baptist Church on a number of occasions while visiting here.

## Intersection at First and Lake to Get Traffic Study

A discussion over the parking and truck unloading situation on First Street at the corner of US-23 resulted in the recommendation that city officials meet with the traffic manager of Mulvena Truck Lines to determine some solution. This action was taken at Monday night's council meeting.

Among the recommendations brought out during the discussion, some conflicting, was the painting of a center line down the middle of First Street, change the area on the west side of the street to an unloading zone in order that trucks might park parallel with the curb to unload at Alpena Candy, reduce the no parking zone in size in order that cars might park to the corner of the Case Building, allow trucks to "jack-knife" in the street but not over the center line, or prohibit the "jack-knifing" of trucks in that area.

It was recommended by Alderman John Brugger that "no truck parking" signs be placed on the east side of the street, stating that all trucks were now unloading at the rear of his store.

Mayor Tuttle and Chief Ruth are to make an inspection of the area and report back at the next meeting.
