## Pitts is New Manager of National's Installations

John B. Pitts has been named new manager of National Gypsum Company installations in Iosco County, it was announced this week. He succeeds Charles H. Hill, who resigned May 5.

Taking over here May 15, Mr. Pitts had been plant manager of National Gypsum's Fort Dodge, Iowa, installation since March 1955.

A mining engineer graduate of Lafayette College in Pennsylvania, he has been with National Gypsum Company since June 1, 1939, starting at the company's Saltville, Virginia, plant.

From there he was transferred to Fort Dodge as quarry superintendent. In the summer of 1954, he moved to Hants County, Nova Scotia, as project engineer on a new quarry development for the company's production department. He returned to Fort Dodge in 1955 to take over as plant manager.

Mr. Pitts met and married his wife, Edna, when he started with the company at Saltville. They have two children, a son, Jack, who is a sophomore at Grinnell College, Grinnell, Iowa, and a daughter, Mary, who is completing her eighth grade studies in Iowa. Mrs. Pitts and Mary will move here at the end of the school term.

While at Fort Dodge, Mr. Pitts had been active in civic affairs, holding offices in a number of service organizations. He is an ordained deacon of the Presbyterian Church.

He said Monday that National's Fort Dodge installation was similar to the plant and quarry here, only the former is somewhat larger.

In his new job here, he will have overall charge of the National City board plant, White Rock Quarry and Port Gypsum lake loading installations.

## Memorial Day Programs Planned in the Tawas

Memorial Day—1959—will be observed Saturday, May 30, in the Tawas with special programs honoring deceased war veterans.

Judge-Elect Allan C. Miller will be principal speaker at both the Tawas City Cemetery and Greenwood Cemetery in East Tawas.

The program in Tawas City, under the auspices of Jesse Hodder Post, American Legion, will commence with a parade of veterans at 8:30 o'clock starting from the American Legion Hall. The Tawas Area High School Band, Boy Scouts of America, Girl Scouts of America and Brownies will be in the formation.

Invocation and benediction at the cemetery will be delivered by the Rev. Fr. Joseph Castanier, pastor of Immaculate Heart of Mary Church. Ceremonies will be held at the Mathews Street Bridge honoring the dead who served in the navy.

L. H. Braddock, a veteran of the Spanish American War, will be commander of the day. He will be riding in an open car at the head of the parade. World War I veterans, who will also ride in the car, will be honor guards.

James Dillon will be officer of the day and Carl Libka will be in charge of decoration of graves. William Murray is post commander. Earl Davis has charge of the Memorial Day program.

In the event of rain, the program will be held at the Tawas

City gymnasium.

The program at the Greenwood Cemetery will be under the auspices of Audie Johnson Post, American Legion.

A parade will start at the East Tawas Legion Hall at 10:30 o'clock. From there, the line of march will be down Newman Street to the Waterways Commission Dock where naval dead will be honored.

Marching will be the Audie Johnson American Legion Post and Auxiliary, Boy Scouts of America, Camp Fire Girls, Cub Scouts and Bluebirds.

A flag raising ceremony, conducted by Jay Platte, will be held at the service. The Rev. Paul

Sutton of Christ Episcopal Church will deliver the invocation and benediction.

Wurtsmith Air Force Base will furnish the firing squad for honoring the dead. Arthur Dillon will be officer of the day. Fred Look, post commander, is program chairman.

Although the Veterans of Foreign Wars will not march in either parade, Iosco Post No. 5678 will have representatives at the dock in East Tawas to honor naval dead and will have firing squads at each cemetery.

VFW post members are asked by Commander Joseph Roberts to meet at the VFW Hall at 8:30 o'clock that morning.

## Sunday is Start of Graduation Week

Graduation week for the class of 1959 at Tawas Area High School will start Sunday, May 31, at 8:00 p. m. when baccalaureate services will be held at Tawas Area Auditorium.

The Rev. William C. Lindholm, pastor of Grace Lutheran Church, East Tawas, will deliver the sermon, "Scripture reading and prayer."

For the first time this year, high school honor students will give the invocation and benedictions. Miss Carolyn Evans, valedictorian, will give the invocation and Miss Sharon Kendall,

salutatorian, the benediction. Pastor Lindholm will be the only clergyman to appear during the program.

Tawas Area Band will play "Pomp and Circumstance" during the processional and recessional. A song, "Call to Remembrance," will be sung by the Tawas Area High School Choir.

The class of 1959, numbering some 94 graduates, is the largest in the history of the school. The class of 1958 numbered 73 graduates.

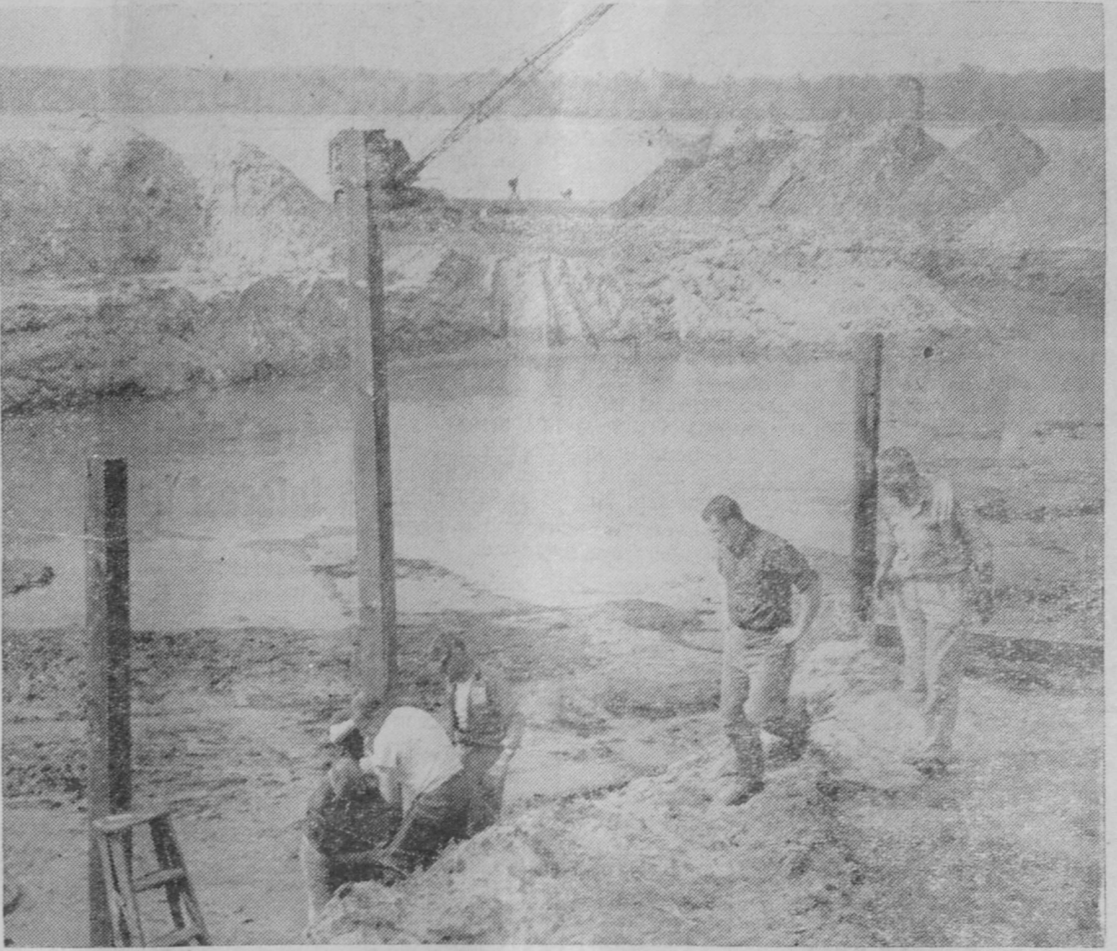

Graduation exercises will be held at the school auditorium Thursday, June 4, at 8:00 p. m. Milton J. Kelly, professor of law at Ferris Institute, will deliver the address "Values in Everyday Life."

CONSTRUCTION OF A NEW BOAT BASIN on Tawas Point was started last Monday by the Tawas Bay Yacht Club. Located south of the clubhouse, this new basin will be capable of handling some 50 pleasure boats when completed. The basin is presently being dug on land between the clubhouse and Tawas Bay by William Staebler's dragline, nearly directly in line with the coast guard boathouse. When completed, a 70 by 440 foot channel will be dug to the bay. When this picture was snapped late Tuesday afternoon, workmen were jettisoning 20-foot-long treated spiles along the perimeter of the basin. It will be shored with treated timbers. A spokesman for the yacht club stated that the project is expected to be completed in about two weeks. This is only part of the activity which is taking place on Tawas Point this week. A sand-sucker is presently at work deepening the channels at Jerry's Fishing Resort.—Tawas Herald Photo.

## Ross Gets New Post at GM Steering Gear

Harold T. Ross, of Saginaw, former Tawas City, has been named to the newly-created position of director of reliability for Saginaw Steering Gear Division of General Motors, it was announced recently.

In his new position, Ross, who had been on special assignment to the general manager, will continue to report directly to General Manager William H. Doefner.

A graduate of Tawas City High School, class of 1941, Ross began his career with Steering Gear after graduation from high school. He served in the navy from 1943 through 1946, during which time he studied two years at Massachusetts Institute of Technology. In 1944, he received an MIT bachelor of science degree in mechanical engineering.

Ross rejoined Steering Gear in 1951 as a quality control engineer and later became Steering Gear Plant's assistant superintendent, then chief inspector. He received a Sloan Foundation Fellowship appointment to Stanford University in 1957 and completed a course in executive management there. He has been on special assignment to General Manager Doefner since last August 31.

He is the son of Mrs. Ernest Ross of Tawas City and the late Reverend Ross.

## \$36,420 in Federal Aid Approved for Tawas City

According to a telegram received here last Friday from Senator Patrick McNamara in Washington, Tawas City's federal aid grant for additions to its sewer treatment plant has been approved.

Senator McNamara stated: "I am pleased to inform you Department of Health, Education and Welfare today approved grant of \$36,420 for your sewer improvement project. Department will contact you directly."

Confirmation of the federal grant was received Tuesday by Mayor George Tuttle on receipt of papers from the water resources commission. The papers are to be signed by city officials in acceptance of the grant.

Last week it was reported that the state municipal finance commission had given Tawas City's general obligation bond issue top priority over other applications.

These notifications have seemed to "clear the air" in regard to any possible delay in the start of construction. The next step will be to sell general obligation bonds in the amount of \$130,000 as approved by voters in February. A \$111,620.15 construction contract was awarded recently to B. H. Sargent, Incorporated, West Branch.

Mayor Tuttle said Tuesday that it is still to be determined whether the city would be required to sell the full \$130,000 bond issue, or whether that amount may be reduced through receipt of the \$30,000 federal grant and the lower than expected construction bid.

A joint meeting of the Tawas City Council and water board will be held next Monday to open bids on construction of 4,587 feet of sewer mains in Huron Gardens and North Park Acres Subdivisions. The city received a permit for such construction from the state health department Monday. This construction is to be paid by owners of the subdivisions.

## Zimmer Named New Manager of Family

Donald Zimmer, 20, is the new manager of the Family Theatre at East Tawas. He succeeds John Loeffler, who had managed the East Tawas theatre for a number of years.

Zimmer had been projectionist in the theatre at his home town of Sebawaing for about six years. He took over management here Sunday, May 24.

Mr. Loeffler is now devoting full time to his appliance sales and service in East Tawas.

## Tawas River Race Planned June 14

Sixth annual Tawas River Canoe Race will be held here Sunday, June 14, starting at 2:00 p. m. at Groves Landing on Tawas Lake. Canoes must check in before 12 o'clock on the day of the race at the Tawas Chamber of Commerce office.

Sponsored jointly by the Tawas City Businessmen's Association and the chamber of commerce, this year's course will be somewhat longer than during previous years.

The race will start at Groves Landing and proceed northerly up Tawas Lake to Cliff's Landing, round a buoy and then proceed toward Tawas River and down the river to a finish line at the mouth. This change has been made by request of canoeists to give a greater spread on Tawas Lake before reaching the river.

Winners of the first three places will receive trophies and three cash prizes will be awarded: \$75 for first, \$25 for second and \$15 for third. Other merchandise prizes will be awarded.

The race is limited to standard stock model canoes (wood or metal) without alterations. Racing type canoes will not be permitted. The race is open to men and (or) women.

The course record for the Tawas River race is 38 minutes, 45 seconds, set by Steve Kolonich and Larry Kindell in 1954. The first year the race was held, Kolonich and Kindell repeated in 1955 with a time of 42 minutes. The only year that Steve Kolonich was not a member of the winning team was in 1956 when Ralph Sawyer and Tom Gildersleeve won in a time of 40 minutes, six seconds. Kolonich teamed up with his son, Gary, and crossed

the finish line in 42 minutes, 55 seconds.

In 1958, Kindell returned from military service and teamed up with his partner, Steve, to take the race and permanent possession of the Tawas City Centennial Trophy, which had been awarded the first year, in 41 minutes, 55 seconds. They later went on to win the AuSable Marathon Race and were crowned Michigan canoe champions.

## Alabaster Plant Gets Two Safety Awards

The National Safety Council announced last week that the Alabaster plant of United States Gypsum Company had been awarded the council's certificate of commendation for its excellent safety record.

This award is presented only where an establishment's record satisfies rigid requirements laid down in the council's award plan for "recognizing good industrial safety records."

Howard Pyle, president of the National Safety Council, in a letter of congratulations to M. H. VanOrnum, works manager of the Alabaster plant, explained that the local plant qualified for the award by operating 615,065 man hours from September 24, 1956, to December 31, 1958, without a disabling accident.

An additional award was received later in the week for no disabling injuries at Alabaster during 1958. This award came from the Gypsum Association, an organization composed of gypsum producers throughout the nation.

## Airport Plans Outlined; Roach OK'd as Manager

During the one-day session of the Iosco County Board of Supervisors last Wednesday, the board authorized the Michigan Department of Aeronautics to act as its official agent in negotiations to get federal assistance for the proposed new county airport.

Supervisor Henry Oates, chairman of the board's aeronautics committee, gave a detailed breakdown of the construction costs of the new airport. The county has sufficient funds on deposit in Lansing to complete the project.

On motion of Mr. Oates, the board authorized the committee to act on behalf of the county in entering into a lease agreement with W. C. Roach for management of the county airport. Compensation for Mr. Roach is to be based on his monthly financial statement to the board showing profits from the sale of gasoline and supplies, the county reimbursing him up to \$100 per month for the difference between that figure and the profit shown by the monthly statement.

In other business, a report from the board's finance committee which called for no consideration to a request from county officers for allowance against Blue Cross premiums was defeated by a 10 to seven vote.

Prior to the vote, Supervisor Frank Wilkusi addressed the board and stated he believed the request of county employees for some allowance against Blue Cross premiums was worthy of consideration. He further stated that the Cities of East Tawas and Tawas City presently had such an allowance and that the system

generally prevailed in private industry.

Supervisor Charles Smith reported that while attending a district health meeting he learned that the adjacent counties to Iosco were not interested in a joint construction of a home for the aged.

The board's conservation committee recommended that the prosecuting attorney be instructed to institute proceedings in circuit court to determine and maintain the normal levels of the waters in Floyd Lake.

Although petitions presented to the board did not appear to represent more than 51 percent of the abutting property owners, it was the consensus of the committee that it would be desirable and in the best interests of the county and of the abutting property owners for such a determination.

## Father Castanier Goes to Standish

The Diocese of Saginaw Chancery announced May 22 that the Rev. Fr. Joseph A. Castanier will be transferred from Immaculate Heart of Mary Parish, Tawas City, to become pastor of St. John the Baptist Parish, Standish, and its Mission of St. Joseph, Alger. He succeeds the Rev. Fr. Eugene P. Labory, recently retired.

Replacing Fr. Castanier here will be the Rev. Fr. John T. Kolevar, who will transfer from St. Michael Parish, Oakley, and its Mission of St. Mary, Albee.

Fr. Castanier, a native of Bay City, was born in 1919 and educated in Bay City schools. Ordained October 23, 1946, at St. Mary's Cathedral, Saginaw, he had studied at Mount St. Mary of the West, Cincinnati, Ohio; St. Joseph's College, Grand Rapids, and Sacred Heart, Detroit.

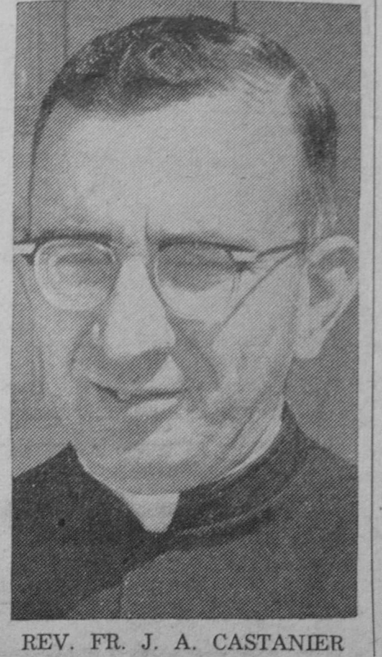

His first Solemn Mass celebrated at Immaculate Heart of Mary Church was February 1, 1953. He had succeeded the Rev. Fr. Bernard Kirchman, who was the first pastor of the then new Immaculate Heart of Mary Church.

During Fr. Castanier's more than five years here, the parish has grown considerably. On August 26, 1956, cornerstone laying ceremonies were held for the parish's new \$180,000 church on

US-23, overlooking Tawas Bay, and formal dedication was held August 18, 1957.

## Two Tawas City Men Are Officers in New UP Oil Refinery

Plans for construction of an oil refinery on the Canadian pipeline, a mile and a quarter north of Rapid River on US-41, were announced Monday by the Upper Peninsula Oil Refinery, Incorporated, of Rapid River.

Officers of the company are Thomas E. Lane Jr., Detroit, president; Gordon G. Everett, Tawas City, vice president; George Baldwin Jr., Tawas City, secretary-treasurer.

The plant, first to be built in the Upper Peninsula, will refine Canadian crude oil into gasoline, kerosene, range oil, diesel fuel and residual fuel with a capacity of 1,500 barrels of crude a day for sale in a radius of about 100 miles from the refinery.

Arrangements have been made with Imperial Oil Company, Limited, for crude oil. The 30-acre plant site will have a rail siding. Capital investment will be \$300,000, Everett said.

UNITED STATES GYPSUM COMPANY'S installation at Alabaster won two safety awards during the past week. Edward Lucke, plant engineering superintendent, left, is shown with a National Safety Council award while Charles Lemon, quarry superintendent, center, is shown with a Gypsum Association supplementary plaque. ### Red-Hot Prospects Receiving Guide to Playtime

Red-hot prospects for 1959 vacations in Michigan are now receiving the new '59 edition of the "Playtime" guidebook to vacation fun in Eastern and Central Michigan, according to officials of the East Michigan Tourist Association in Bay City, who publish the vacation guide.

Fifty thousand copies of the guidebook, chock-full of vacation information, are being distributed to vacation planners throughout the country who write in requesting it as a result of the advertising campaign of the EMTA and the Michigan Tourist Council.

The vacation activities, scenic and historic attractions of each of the 30 counties served by the association, are featured in the 128-page brochure and this year's edition includes more than 110 new feature photographs. Special pages contain information on retirement opportunities in resort areas, hunting and fishing, the Mackinac Bridge, transportation, children's activities, industry and the major points of interest. The colorful publication also contains a directory of leading resorts, motels and hotels with complete information including 1959 rates.

"We're looking forward to a banner spring-summer tourist business in Michigan after a record-breaking winter sports season," stated Frank Davis, secretary-manager of the association. "Playtime has always done an effective job of encouraging people to vacation in the Water Wonderland state."

Copies of the Playtime vacation guide may be obtained gratis by writing the East Michigan Tourist Association, Log Office, Bay City.

MISS CHARLOTTE BACHMAN, 1959 Silver Valley Winter Sports queen, is shown seated on the dock during her recent trip to Miami Beach, Florida. "Miss Miami" is at top left.

### Silver Valley Queen Tells of Her Week Spent in Florida

Miss Charlotte Bachman, 1959 Silver Valley queen, reports to the people in the area of her week in Miami Beach, Florida. The trip was one of many prizes awarded to her at her coronation as queen of Silver Valley winter sports.

"My mother, aunt and myself left by Eastern Airlines from Willow Run May 19 at 1:30 a. m. Ray Stecker was there to see us off.

"We arrived in Miami at 6:00 a. m. The flight was wonderful. There was such a big change in the weather from 40 degrees here to 83 degrees there. We took a cab about five miles from the airport to the Blue Waters Hotel where we were to stay. It was lo-

ated right on the ocean in a nice section of Miami.

"Our first day was spent meeting people from the hotel. They had a tour planned for us the following day from 10:30 a. m. until 5:30 p. m. It was a 68-mile long boat ride through the Everglades, stopping at Fort Lauderdale for lunch, watching an Indian wrestle with a 500-pound alligator at an Indian village. On our way back, our guide showed us homes of important and famous people who lived in mansions with 65-foot yachts that were used only three months out of a year. One man and his son built a bridge by themselves for private use only. His son was retired at 22 years of age.

"The following day, Tom Kelly and Bill Campbell from the Miami Junior Chamber of Commerce called to tell us we were invited to one of their weekly meetings at the Ocean Ranch Motel. In the afternoon, they took us first to the fishing docks where I had my picture taken with Miss Miami, a very wonderful person.

"Then for our lunch we ate at the Everglades Hotel, one of Miami's largest hotels. After lunch, they took us to their Seaquarium where I was an honored guest to feed the trained porpoise. I also met the owner, Mr. Ball, who presented me with a certificate for being a guest of the Seaquarium. We watched a porpoise show and had a wonderful day with the two junior chamber gentlemen.

"After our evening at the Ocean Ranch, Mr. Campbell took us back to the Blue Waters. On the way back, he took us a little out of the way on Collins Avenue. That is really a fabulous street to see at night. There was Arthur Godfrey's hotel and penthouse. It was a sight to see that cannot be described in words. You have to see it yourself to believe it.

"The next day we went to Lincoln Road, one of the largest shopping streets in the world. We enjoyed ourselves very much that day. Our trip was getting shorter by this time so we would have to head back for Michigan again. We had a grand trip during the week which I will never forget.

"I would like to thank the Tawas Chamber of Commerce and Silver Valley Winter Sports Committee for sending me to such a wonderful state as Florida."

### Ex-GI Patient Recalls Pleasant Visit in Tawas

An ex-serviceman, who was once a guest of the Tawas while a patient in an army hospital, stopped at the Tawas Chamber of Commerce office recently to tell what a wonderful time he had here back in 1948.

Robert A. McMahon, Royal Oak, was one of a number of wounded war veterans, then patients at Percy Jones Hospital, who were entertained for a day by local townspeople.

He said this was the first chance he had to get to this area since that day 11 years ago and felt it was a "load off his mind" to tell someone how much they all appreciated the wonderful things done for their entertainment.

As McMahon had forgotten the name of the former sergeant who had made arrangements for the visit, he and Mrs. Bertha Montgomery, office manager, paged through the chamber's scrap book and learned that Gordon Everett was the one who had charge of the program.

McMahon reminisced how he and the other veterans "clanked and rattled around with all of our many braces, crutches and

### Library Board Elects Officers

The annual organization meeting of the Iosco-Arenac Regional Library Board was held May 14 at headquarters in Tawas City. Officers elected for the year 1959-1960 were Nelson E. Thornton, Tawas City, board chairman; Fred L. Brabant, Tawas City, vice chairman; C. Warren Wagner, Tawas City, secretary; Herbert A. Luecke, Standish, treasurer.

A letter from N. J. Crocker was read presenting property for a future building site of headquarters. The property is located in the First Addition to the Elms, facing US-23 and extending through to Crocker Boulevard. The board accepted this gift and Chairman Thornton appointed a committee consisting of C. R. Brown, Mr. Wagner and Mr. Brabant to find ways and means of financing and to study plans for adequate library housing.

A former Kansan, he is presently employed by a Connecticut firm and was recently transferred to this territory. He hopes to pay another visit to the Tawas soon to renew other acquaintances.

can include clothing and foods. Others are possible for vegetable gardening and livestock but we would have to know who and how many 4-H members want to do this. Will you tell us by May 30, please.

Demonstrations are possible for all projects. Is yours under way? Can we help you? Let us know.

4-H Club members who complete their project work at achievement program time will be eligible to attend District 4-H Camp.

In fact, we are going to ask that you plan to make your camping reservation at the achievement program. There will be a special spot where you can sit down, fill out your application and pay your reservation fee.

The 4-H Camp planning committee has many interesting things to do planned. Among them are these sports activities: Softball, archery, gun safety practice, tennis, shuffleboard and boating.

Waterfront activities to include swimming instructions and water games will be held each day.

A nature trip, folk games, vespers, cook-out and several choices for craft activities are more of the many varied camping experiences you will have. Plan now to come on June 16-19.

Laura Priebe told all 4-H Club members at the Sherman Sharpies Community Club meeting that the girls have been making skirts, blouses and other garments. Mrs. Schuster is the leader. Foods project members will be finished in about one week.

That accounts for what the girls have been doing. Now, what about the boys? The May 8 meeting was conducted at 7:30 by Diane Britt. Janice Britt was leader for giving the pledges to the American and 4-H Club flags. The minutes were read and approved.

These are the kind of learning experiences 4-H Club members have at their monthly community club meetings.

Calendar:  
June 3-4—County 4-H Achievement Program at Reno Township Hall.  
June 16-19—District 4-H Camp at Camp Nissokone, VanEtan Lake.

Clothing and food preparation project reports have arrived from Hale Happy Hustlers 4-H Club. These have been received in plenty of time for us to read them and for the certificate of achievement to be made ready to award these girls at the achievement program on June 4. Of course, we will also be expecting to see their project exhibited then, too.

Briefly, here is what has been planned for the two-day achievement program. Your 4-H Club leaders helped make these arrangements.

Wednesday, June 3, from 10 o'clock until noon is the time to place exhibits at Reno Township Hall. The afternoon has been set aside as the time for judging contests to select county winners who can compete at the June 30 District Round-up. There will also be a practice time for girls in the dress revue. Exhibits will be judged during the evening.

Thursday morning, June 4, there will be the rifle shoot, a time for discussion with 4-H leaders and an opportunity to present demonstrations. Winners in demonstrations, too, will compete in the June 30 District Round-up.

Li. Lester Coykendall of Michigan State Police will demonstrate the use of firearms in the afternoon program. The dress revue will be followed by announcements of winners in contests and presentation of certificates.

It will help us be prepared for contests to know which ones you wish to enter. Judging contests

# Tawas City Defeats East Tawas 6-2

Gerald Potts rang up Tawas City's second win in the NEM Baseball League season Sunday by limiting East Tawas to only four hits and two runs while his mates collected seven hits and six runs off the slants of two opposing pitchers.

The game was played at the Tawas Area High School athletic field because of wet grounds at both Tawas City and East Tawas fields.

One big inning by the Tawas City team was enough to win the game. After scoring a single run in the opening inning, without benefit of a hit, Tawas City jumped on starting pitcher, Bob Binder, for three hits and four runs in the fourth.

Binder helped his own downfall by issuing two walks in that inning. Lorenz started the inning off by a base on balls. Herriman singled. Russ Anschutz walked to load the bases. Warner singled to score Lorenz and Herriman. Rescoe's sacrifice bunt moved runners to third and second. R. Anschutz and Warner scored on Ed Anschutz's double to end the scoring.

East Tawas picked up one run in the fourth when Peterson walked and took second on a wild pitch. Jordan singled. Stephan hit into a double play and Peterson scored.

East Tawas scored its second run in the seventh when L. Bethard reached first on an error. McMurray fled out to left field. J. Bethard doubled to score his brother.

Tawas City scored its final run in the seventh when Lorenz led off with a double. Herriman fled out to left field. R. Anschutz doubled. Warner struck out. Frank singled and Anschutz was thrown out at the plate.

Winning pitcher was Potts, who allowed four hits and two runs. He walked two batters and hit one. He did not strike out a batter. Binder, in two innings, allowed four runs on two hits and seven walks. Jordan took over in the third with the bases full and no outs. In seven innings, he allowed five hits, walked two batters and struck out three.

In loving memory of our dear husband and father, who was taken away from us all on June 1, 1942. His wife, Annie; daughters, Jean, Mrs. George Seifert of Battle Creek; Elizabeth, Mrs. W. Morgan, Paris, Kentucky, and Annie, Mrs. R. McClurg, Anchorage, Alaska; sons, Thomas of Gulf Coast Community College, Panama City, Florida, and Melbourne of East Tawas. Remembrance is a golden chain Death tries to break, but all in vain
To have, to love, and then depart Is the greatest sorrow of one's heart
The years may wipe out many things
But this they wipe out never
The memory of those happy days
When we were all together. 22-1b

Rev. Fr. Neuman Retires After 22 Years in Parish

The Rev. Fr. Robert F. Neuman retired Sunday after preaching his last Masses as pastor of St. Joseph Catholic Church, East Tawas. He was succeeded Tuesday, May 26, by the Rev. Fr. Henry C. Eickholt, who had been pastor of Omer St. Edward parish and Augres St. Mark mission. Fr. Neuman had been pastor of St. Joseph for nearly 22 years and only recently observed his 45th ordination into the priesthood. Although officially retired, he will continue to assist Fr. Eickholt in church functions. Retiring for health reasons, Fr. Neuman hopes to spend more time golfing, fishing and hunting, things which he has been unable to do during recent years because of his pressing duties at the East Tawas parish. Born in Allegan County December 10, 1887, he was ordained April 14, 1914. He had served from 1914-17 at St. Anne's Catholic Church, Cadillac; spent nine years at Cascade in Kent County; from 1926-32, he served the Hemlock Street Church, Saginaw; 1932-37 was pastor of Muskegon St. Joseph Church, and came to East Tawas late in 1937.

Department of Agriculture Regulation No. 133  
Regulation Relating to the Public Exhibition of Poultry

By virtue of the authority provided by Act 181, Public Acts of 1919, as amended, the following rules and regulations are hereby established:

1. Feed and water containers provided for exhibition coops shall be new or properly cleaned.
2. Feed or water containers from which birds have eaten or drunk must be refilled so as not to contaminate the common supply of feed or water. Feed or water containers may not be removed from exhibition coops except for the purpose of cleaning.
3. Exhibition coops must be constructed and placed as to provide adequate light for proper and inspection of poultry for evidence of transmissible diseases.
5. Litter for exhibition coops must be of clean material and renewed daily or oftener as needed.
6. Shipping crates used in shipment of birds by common carrier may not be used as exhibition coop. Shipping crates shall be cleaned and disinfected after birds have been removed for exhibition and before being used again.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the Department of Agriculture this 3rd day of May, 1949.

MICHIGAN DEPARTMENT OF AGRICULTURE

**—RULES—**

Exhibitors are requested to read carefully rules and regulations covering exhibition of poultry.

All exhibits shall be (a) purebred (b) cross bred from purebred parents.

All birds showing any general disqualifications according to the Standard of Perfection shall receive no award.

Provided the birds are typical of the breeds which they represent, the placing of awards shall depend upon the following:

- A. Pullets:
1. Rapidity of growth.
  2. Depth of pigment.
  3. Uniformity of shape and size.
  4. Promise of egg production.
  5. Absence of defects and disqualifications.

- B. Mature Birds (Hens):
1. Degree of bleaching.
  2. Condition of abdomen (spread and pliability).
  3. Absence of new primary wing feathers.
  4. Alertness of head and eyes.
  5. Body weight, conformation and fitness.
  6. Absence of defects and disqualifications.

It is suggested, especially for fairs held late in September and October that all birds exhibited go directly from the Fair to market for slaughter so that none of them will be taken back to the farm. The reason for this precaution is that the birds may take back some disease to the farmer and injure his egg production of his farm flock, if such disease is infectious and of the type which will lower his egg production.

A pen entry shall consist of two females and one male.  
(Classifications: Cock, Cockerel, Hen, Pullet.)
