

Tawas Tube Products Moves Into Full Scale Production

This community's newest industry, the Tawas Tube Products plant, has moved into full-scale production during the past several months.

The plant's product—copper tubing—goes into refrigerators, auto radiators, plumbing fixtures, brake and heat control systems or anywhere copper tubing is a manufacturing requirement, according to Robert A. DuFresne, plant manager.

At its present capacity, the local plant employs some 25 persons, including a recently inaugurated second shift. The plant went into operation here July 7.

Located in a new cement block building on Ninth Avenue, owned by Gordon Clute and leased to the firm, the plant's operation is known in the trade as a "re-draw mill."

In the re-draw process, the diameter of one and two-inch stock tube is reduced by pulling the tubing through specially tempered dies which extrude the metal in accordance with the size die that is used.

The plant's raw materials are base tubes of copper which are supplied by tubing mills in several Midwestern States. The finished product, 50 or 60-foot-long coils of copper tubing may have a diameter as small as pencil lead, depending on the number of times the copper tubes go through the drawing benches, the size of dies being determined by the particular use for which the tubing is intended.

To facilitate the handling of materials, conveyers and overhead cranes are used extensively in the plant, said DuFresne. The local manager joined Tawas Tube Products last summer after managing the Evans Products plant at West Branch.

After going through a degreasing process which removes

all grease, dirt and any other foreign material from the metal, the bundles of copper tubing are moved to the re-draw benches by means of an overhead crane. There, the tubes are immersed in tanks containing a special temperature-controlled lubricant.

The metal tubes, after being crimped or swaged on the ends to the specific size wanted, are pulled through a die by an endless chain arrangement on the re-draw bench.

After the first draw, the relatively soft copper becomes hard as the molecules in the metal are compacted and the tubing is stretched. The diameter of the tube is governed by the size of the die, while the thickness of the tube sidewalls is controlled by a pin, which the machine operator inserts in the tube before it is pulled through the die.

"Naturally, the nature of our product demands absolute quality control," explains DuFresne. He pointed out an electronic test-

Anderson Coach Workers to Receive Vacation Pay

Anderson Coach Company has announced that it will distribute \$15,185 to its striking factory employees, representing 1959 vacation pay. The vacation pay period is announced as November 16 through November 27.

Ninety-seven employees on the active payroll June 1, 1959, will participate in this distribution.

Payments will range from a gross amount of \$98 for the employee having the least seniority to a high of \$184 to older employees, a company spokesman stated. The average for all employees will be \$156, with 16 receiving more than this amount and only five receiving less than this average.

For production employees who worked full time while the plant was in production during the base year ended June 1, 1959, the vacation pay will represent additional compensation of more than 10½ cents extra for each

hour worked, according to the announcement. For many employees who worked less than full time, the extra hourly rate will be much higher.

Checks will be mailed to the employees on November 14.

Anderson Coach Company in East Tawas has been strike-bound since August 4, when workers walked off the production line in a dispute over wages. Since that time, no agreement has been made toward a strike settlement.

George W. Myles Re-Elected President of Hospital Board

George W. Myles of Tawas City was re-elected president of the board of directors of Tawas Hospital at its annual meeting Monday.

Re-elected to serve with Mr. Myles were John R. Watkins, vice president, and Judge H. Read Smith, secretary-treasurer.

Members of the board of directors, besides the three named officers, are L. G. McKay Jr., E. D. Jacques, Maynard VanOrnum, Robert Elliott Sr., Cecil Cabbie, John Pitts and Elmer Werth.

Board President Myles said Tuesday that plans were presently being made to landscape the hospital grounds on M-55.

Silver Valley Plans Subject of Meeting

Discussion on plans for Silver Valley will again be the principal topic at a joint meeting of the Tawas Chamber of Commerce board of directors and winter sports committee tonight (Wednesday) at the chamber of commerce building.

To be discussed is the use permit between the chamber of commerce and the federal forestry department. Yet to be named is a general chairman of Silver Valley.

According to information received this week, the East Detroit Lutheran Caravan will be here January 31 for its 14th annual Lutheran Day in Silver Valley.

Bert H. Leidecker said in a letter that featured during the visit will be a full day of winter sports and Christian fellowship.

Last year, 2,200 young people attended the event. Church services were held at Chapel Lake in sub-zero weather. Miss Diane Kay Allmon of Birmingham was named queen of the caravan and she took part in the Michigan State Fair parade and also competed in the Miss Michigan State Fair contest.

will fill out the line-up of local players. Moore's All American Red Heads have played to over 5,000 fans. The Red Heads have toured the United States, Canada, Mexico, Philippines, playing 180-200 games each year.

Playing male teams only, under regular men's rules, the Red Heads win more than 100 games each current season against men's opposition. Since 1954, the Red Heads have not failed to win more than 100 games per season. In 1958-59, they won 127 out of 185 games played.

The Red Heads feature fancy passing, clever ball handling, deceptive play patterns, clever ruses, amusing routines and good basketball. Last season, one of the highlights was appearing on Ed Sullivan's "Toast of the Town" CBS-TV show.

Inland Lake Matters Topic of Supervisors

Isosco County Board of Supervisors went on record Tuesday recommending new legislation be adopted by the state in regard to maintenance of dams on inland lakes.

A resolution is to be sent to this area's representative and senator in the state legislature and to the conservation department asking that they push for such legislation.

The board said that as the law now stands, counties are responsible for maintenance of a dam unless petitions are signed by 55 percent of the affected property owners accepting this responsibility.

Most of the one-day November session was spent in discussing matters pertaining to inland lake levels in the county. A petition presented to the board, said to have been signed by 88 percent of the property owners abutting Tawas-Lake, expressed opposition to a proposed dam for the lake. The petition was accepted and placed on record.

The petition asked that proceedings for building and maintaining a dam on Tawas Lake and to assess cost for same, be terminated and that no further steps be taken toward same. Signers were Charles C. Timreck, Edward Burgesson, Howard Dietzel, Kenneth Rapp, Paul Borg, David S. Sims and Elmer Kunze.

In other business, William Curtis was re-appointed to the county welfare committee for three years. Other members of the committee are Harry Cross and John Henry.

Dr. Earl Hasty, district health director, reported to the board that the Huron Convalescent Home would be approved by state agencies for another year of operation.

Tawas Seniors to Present Comedy

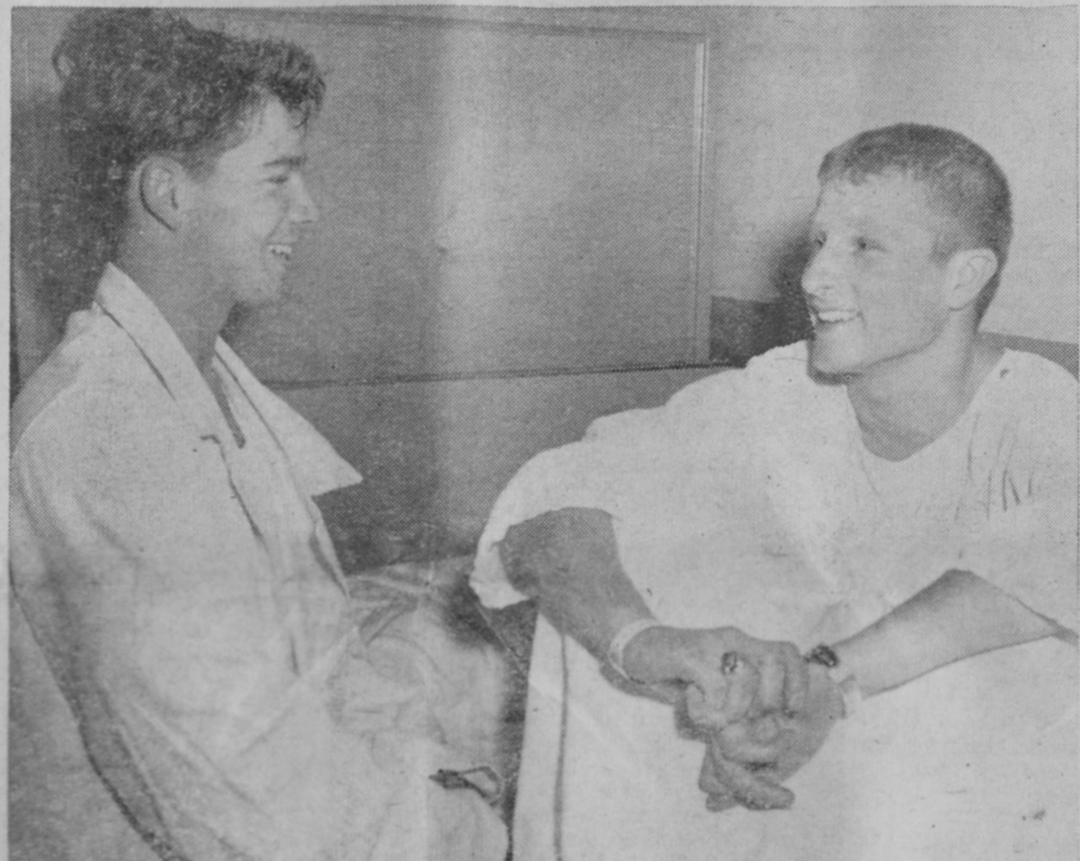

Senior class of Tawas Area High School will present its annual class play Friday, November 13, at the school auditorium. A three-act comedy, "The Form Divine," will be given under the direction of Robert H. Crawford.

The plot for the comedy begins when "Jim," portrayed by Harry Woolhiser, tells "Hoopy Webb" (Barbara Skinner), that "you can always tell what a girl will look like 15 years hence by looking at her mother."

This starts "mother" (Barbara Mercer) off on a beautifying experiment and it turns the entire Webb household into shambles. The cast is as follows: "Lucilla Webb," Barbara Mercer; "Arthur Webb," David Zellmer; "Hoopy Webb," Barbara Skinner; "Gretel" (German maid), Tineke Feddema; "Peggy," Nancy Allen; "Dorothy Coips," Jeanette Werth; "Charlotte Benson," Julie White; "Jimmy," Harry Woolhiser; "Betty," Betty Gibson.

"Linda," Barbara Hester; "Mert," Terry Johnson; "Fredie," Joseph Czaika; "Miss Meadows," Cindi Brussel; "Paris Green," Sally Sager; "Mrs. Midge," Carol Youngs; "Miss Nitz," Sue Minard; "Harry," Joseph Dimmick.

The play will be presented twice on November 13, with an afternoon matinee for elementary pupils and an evening performance.

Youthful Hunters Rescued After Frigid Upset in Bay

Quick action on the part of Tawas City construction worker Friday saved the lives of two 18-year-old duck hunters, who had held onto their canoe for more than 30 minutes after it overturned in Tawas Bay.

Plucked from the frigid water about 100 yards offshore from Townline Road were John H. Jacques, son of Mr. and Mrs. E. D. Jacques of Tawas City, and Fred Nash, son of Mr. and Mrs. Charles Nash of East Tawas.

The two youths were taken to Tawas Hospital where they remained overnight for treatment of exposure.

Jacques and Nash told Michigan State Police, Isosco Sheriff's Department officers and United States Coast Guardsmen from Tawas Point that as they were paddling toward shore, a gust of wind took Nash's hat into the water. Jacques reached over to retrieve it and a swell hit the 16-foot aluminum canoe and overturned it.

Charles Kobs, who was working at the new Robert Glancy home west of the Tawas City city limits, went outside the building and heard the cries for help. Rushing to the shore, Kobs finally located a 10-foot-long plywood boat which had been pulled up on shore. He rowed out into the bay and rescued the boys just before

their water-soaked hunting clothing pulled them under.

At the hospital, the two youths said that Kobs had arrived just in time. "We could not have held on much longer."

Jacques said that they had been in the water about 15 minutes when they saw Kobs running up and down the beach in search of a boat. He finally located one about one-quarter mile distant at the Andrew Klinger residence.

"We were pretty happy when

the boat got to us," said Jacques.

"I guess the first thing we said to Kobs was 'how much do we owe you.'"

The bay was fairly calm because of a strong offshore wind, Nash said his head went under the water twice when he lost his grasp on the rolling canoe. Air compartments in the craft kept it afloat. It was recovered by sheriff's department officers.

STUDENTS VISIT COURT

Fifty members of the United States government class at Tawas Area High School visited the courtroom of Judge Herman Dehnke Tuesday morning while Isosco County Circuit Court was in session. Accompanying the class was William Tracy, a member of the Tawas Area School faculty.

Schools May Cooperate in Purchase of Supplies

Tawas Area School announced a plan Tuesday whereby schools in this area would be asked to participate in a cooperative program to purchase supplies for school lunch rooms. This action was taken at Monday night's meeting of the board of education.

Schools to be contacted in the area include Arenac Eastern, Whittemore-Prescott Area, Hale Area, Oscoda Area and Alcona County.

Supt. Reynold Mick, in explaining the proposed cooperative program, said that the schools would ask various supply houses for case lot bids on canned fruits and vegetables in a joint program. The successful bidder would make delivery once a month or once every two months to each of the schools.

Mr. Mick said that if such a plan met with the approval of other schools, it would amount to a substantial saving in all of the schools' hot lunch programs because of the large quantity of

goods purchased at one time.

In other business, Mr. Mick reported on the survey presently being made at Tawas Area School on the number of students which would make the school eligible for federal assistance. He said that certificates had already been received from parents on 40 children of civilian employees at Wurtsmith Air Force Base and 34 children of military personnel.

He said that 63 certificates had not been returned from parents. Parents of seven youngsters have left the area. Five are still doubtful as to whether they would be eligible and there have been nine late entries.

Tawas School in Line for Federal Aid on Dependent Students

Tawas Area School is currently in the midst of classifying the children of federal employees, according to Supt. Reynold Mick. Public Law No. 874 provides that a school can apply for federal assistance if such pupils number more than three percent of the school's total enrollment.

"To all appearances, we are going to have very close to having enough, if not enough, to apply for federal aid," said Mr. Mick.

Involved are children of servicemen stationed at Wurtsmith Air Force Base, the United States Coast Guard station at Tawas Point and children of employees working at Wurtsmith.

According to recent information, the school would receive \$90 per pupil for each full-year student in this category. Last year, the school received aid for 70 students. At the present time, it appears that there will be 140 federally-dependent children.

Mr. Mick said that the school probably would receive \$9,000 in federal aid, depending on the number of children "netted out" at the end of the year. "We will not know the exact figure until the final determination next spring," he said.

Motor Vehicle Tax Checks Distributed

The state highway department has begun the distribution of motor vehicle fund collections for the third quarter of 1959 to the counties and incorporated cities and villages of Michigan.

According to the report, Isosco County will receive \$79,658.14. Tawas City will receive \$3,494.75. East Tawas will receive \$5,267.49 and Whittemore \$1,055.45.

Net receipts of the motor vehicle highway fund for the third quarter of the calendar year 1959 amounted to \$41,460,903.83, an increase of \$3,166,228.78 from the \$38,294,675.05 collected in the third quarter of 1958.

Gross collections for the third quarter of 1959 amounted to \$43,061,199.45, from which was deducted the secretary of state's collection costs amounting to \$1,391,926.50, and the one-half of one percent of the gasoline tax amounting to \$208,369.12 transferred to the Michigan Waterways Commission as provided in Act 237, Public Acts of 1959.

Tawas City Streets Soon to be Decorated for Christmas

Tawas City's business district will soon take on a bright Christmas atmosphere as plans for holiday decorations were outlined this week by the Tawas City Businessmen's Association.

A spokesman for the association said this week that work on the street decoration project would be completed before Thanksgiving. The department of public works will install strings of colored lights in the two main business blocks and Champion Sign Service will decorate light poles.

All business places are requested to have stores decorated by December 1.

Other pre-Christmas plans announced by the businessmen include several visits to the com-

munity by Santa Claus. His first visits here will be Friday and Saturday, December 11 and 12, from 2:00 to 4:00 p. m. On December 18 and 19, Santa will be in the business district from 7:00 to 8:30 p. m.

The businessmen's association may sponsor a pre-Christmas parade again this year if enough interest is shown in float participation. Anyone interested in entering a float should contact Walter Champion, phone F0RST 2-3511, before November 16.

Of added interest to the holiday season will be a Christmas coupon prize promotion, to be planned and handled by The Tawas Herald. Participating merchants will each carry coupons in their advertising published in this

newspaper. Free turkeys and merchandise prizes will be awarded to winners who clip coupons from the ads and drop them in containers at participating stores. A purchase will not be necessary to enter. More information on the contest will be announced later.

A new innovation this year will be a Santa's mail box to be located in the business district. Youngsters may write letters to Santa and "mail" them to the North Pole. Some of the letters will be published in this newspaper. Members of the association's special Christmas committee include Hugo J. Keiser, Cecil Cabbie, Tom Poling and William Colling. Parade chairman is Mr. Champion.

"That's union business," was the reply to a request by this newspaper for information on a special meeting of Local 2539 held last week.

According to talk around town, a special union meeting was held in regard to the 99-day-old strike at Anderson Coach Company.

This newspaper cannot report, through any authoritative source, on what happened at the meeting. Perhaps it is none of our business. We will let the matter stand at that.

We think, however, that a three-month-old strike in a community of this size is everyone's business.

The strike issues between union and management have become clouded to the people of this community—after 99 days. There comes a time when "head-banging" should cease—too much has been lost already—clear heads should prevail.

Isn't education attractive these days, like the young teachers right from college? The plants, the aquariums, the fluorescent lights—all have appeal. Even blackboards have taken on color, for many of them now, like the bushes, are evergreen. Especially in the elementary room of an inspired teacher one finds such life, color and warmth that friendly little bonfires glow inside one at the sight.

November with its National Education Week is the time for open house. We try to shake ourselves from other chores or coax legitimately weary bodies from the comfort of big armchairs to scurry to school to see the weekday home of our children, to talk to keepers of the classbook and to admire the amazing projects, mounted cutouts, crayon creations.

The little message on each desk truly touches—sometimes it is the child's own name or the word "mother" fashioned in clay; perhaps it is the outline of a precious little hand; possibly a booklet, "My Words," or the student's silhouette for dad.

I sadden momentarily at the realization that always two or three mute little messages remain untouched because the parents they are intended for never did arrive. Sometimes it is weariness that keeps them home or other obligations. Then again, there is sheer indifference, a "So what?" frame of mind.

I think of these few children wistfully the next day, when the others are concerned with reading thoughtful little notes that mothers and dads have left inside the desks that they have visited.

Some little folks in Room 19 cry out joyfully, too, that they have found as well a nickel or a dime that was not theirs before, for everyone loves happy surprises.

I like to know, too, where George sits and how Michele likes the desk in front. That is the parent-side of me and many folks, like me, are parent-teacher combinations.

Somewhat, it seems to help me be more understanding of the children I teach to know the situations my own children face in school.

It is a dual career, being both parent and teacher. I blow prejudicial fuses, as well as juvenile noses; I wipe away false conceptions, as well as children's tears.

Yes, the new look in education has both eye appeal and warmth. We evaluate, we analyze, we study attitudes. In every way, we seek to strengthen that understanding of one another that paves the way for pleasant learning.

Sometimes we work in little groups, moving our chairs for convenience. We talk of our aims in life, our ambitions and the traits we need to realize them; we write of our home life and the background that makes us what we are.

Surely life problems—live problems—keep any classroom from being dead.

The Blackboard: The ostrich is a bird that does not fly.

SERVES AS GUEST MISSIONER AT STEVENSVILLE

The Rev. Leonard Newman of Emanuel Lutheran Church returned from Stevensville November 6. He had served there as guest missioner during the Lutheran Open House Week, conducted throughout Michigan November 1-5. Pastor Newman officiated at the Sunday morning services as well as preaching each evening during the preaching-teaching-reaching mission. The Rev. Robert Krueger of Saginaw preached at Emanuel Lutheran Church during Pastor Newman's absence.

URNS \$300 OVER TO IMPROVEMENT FUND

Tawas City Woman's Society of Christian Service had its regular meeting November 5 at Tawas City Methodist Church. The business meeting was conducted by Mrs. George Liske, president. During the session, a \$300 pledge made by the society was turned over to the church improvement fund.

Mrs. Waldo Leslie had charge of the program on migrant conditions in Africa and migrants in Michigan.

A luncheon was served by Mrs. Paul Koepke and Mrs. Mark Sedgeman, hostesses.

SERVICE CLIMAXES WEEK OF SACRIFICE

The climax of a solemn week of prayer and sacrifice will come at the regular Saturday afternoon service of the East Tawas Seventh-Day Adventist Church, November 14.

Members of the church will be invited to show that their pocket-books have "joined the church, too," in contributing to a special fund for selected missionary causes overseas. Believers have found a special blessing in sacrifice and though it means much self-denial, many Adventists give an entire week's salary at this time. This offering is in addition to the usual 10 percent plus that Adventists are accustomed to giving the church from their regular income.

CHRISTIAN SCIENCE

Mankind's need of spiritual regeneration and renewal will be brought out at Christian Science services Sunday.

"Mortals and Immortals" will be the lesson-sermon subject. Readings from the Bible will include the Apostle Paul's exhortation to the Colossians: "Lie not one to another, seeing that ye have put off the old man with his deeds; And have put on the new man, which is renewed in knowledge after the image of him that created him" (3:9,10).

A correlative citation to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "By putting 'off the old man with his deeds,' mortals 'put on immortality'" (262:7).

The Golden Text is from Romans (8:8): "They that are in the flesh cannot please God. But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you."

Clyde Hunter of East Tawas has purchased the Tawas Cab Service.

Mr. and Mrs. Frank Byrd are spending two weeks in South Carolina.

Walter Taylor of Detroit is a guest at the home of his mother, Mrs. Jessie Taylor.

Mr. and Mrs. Fred Misener are in Detroit this week on business.

Mr. and Mrs. Richard Price spent the week-end in Boyne City.

Mr. and Mrs. Vane Patterson are spending a few days at Flint.

Leo Ridgley of New York City spent a few days at the Matthias Jordan home in Sherman Township.

Mr. and Mrs. Octave St. James of Whittemore spent Sunday at Houghton Lake.

Mr. and Mrs. Arthur Musk of Grant Township are visiting in Indiana.

Dear Editor:

Many of us are quick to write "a letter to the editor" when the editorial does not meet with our approval or agree with our ideas. So may I take this opportunity to thank you most sincerely for your excellent editorial concerning the UNICEF program for Halloween in this community.

I'm certain your article helped spark the interest of the community in this program by helping to understand what UNICEF means, what it does and how much our small contributions do to help our needy neighbors in other countries.

Again, thank you for your interest.

Mrs. Nyda Bronson Honored by Irene Rebekah Lodge

Last Wednesday evening, a potluck dinner was held at the Odd Fellow Temple for members of Irene Rebekah Lodge and Baldwin Lodge, IOOF, their husbands and wives in honor of Mrs. Nyda Bronson, assembly warden of the Rebekah Assembly of Michigan.

The tables were beautifully decorated with orange candles, miniature turkeys and horns of plenty filled with fruit. The center table had a decorated tiered cake bearing the names, Nyda and Elwood. The occasion also celebrated the birthday of Mrs. Bronson's husband.

After the dinner, Mrs. Lydia Nelkie, vice grand, presided over the program.

Mrs. Ellen Evans gave an original poem on the family's trip on the AuSable River. Mrs. Blanche Carlson, chairman of the dinner committee, talked on familiar scenes to her in the poem. Some of the settings in the poem were around her childhood home at Grayling.

Representing the past noble grands of the Rebekahs, Miss Helen Applin gave a tribute to Mrs. Bronson. Vernon Hughes spoke on behalf of the Odd Fellows.

Mrs. Nelkie presented Mrs. Bronson with a beautiful gift from Irene Rebekah Lodge to which Mrs. Bronson responded with appropriate remarks.

A district visitation night will be held Thursday evening, November 12, at Rose City when Mrs. Bronson will be honored by Rebekah lodges of the district.

Discussion meetings for prospective home economics extension groups have been and are being held these days. At the discussion meetings, we have been teaching the houseplants lesson which was the first of the lessons to be taught this fall for the use of our home economics extension groups in their regular monthly meetings. Now the women who are attending these first meetings will be talking these days with their friends who, too, may be interested in joining a group. So may I remind you that if you would like to join a group, please contact me right away.

The second get-togethers for these prospective groups are being arranged now. Perhaps it would help if you knew who some of the people are who are working with these discussion meetings. Here in East Tawas, Mrs. Paul Sayles and Mrs. Marvin Davenport have hosted two prospective groups. At Hale, there has been a meeting with Mrs. Al Reimer and another one fairly soon. In Oscoda, Mrs. Max Pottingill was hostess for a group of ladies recently and Mrs. A. W. Miller of Whittemore entertained women, who have organized a group there, at two meetings. Huron Shores group is going to sponsor another group and will have the first discussion meeting this week. The meeting which will be held at the Sayles home is for a group which is being sponsored by Tawas Homemakers group. These groups feel that in helping a new group get started they can be of real assistance in talking with them first and telling them how they have worked out plans that made their group meetings successful.

First workshops of this year are to begin this week. There will be an afternoon and evening class. The afternoon classes will be held at Reno Township Hall, the evening classes at the Federal Building, East Tawas. These classes will take place on Tuesdays and Thursdays, November 12, 17 and 19.

Teaching the skills in order which they are listed on the calendar above, afternoon classes will begin at 1:30 p. m. and evening classes at 7:30 p. m. After the holidays, we will have a dress construction workshop. This will emphasize the pattern alteration and fitting problems which most of us have in home sewing. The patterns will be chosen to use most of the special skills we are teaching at the present time. Anyone who

is interested in learning any one or all of the skills which have been listed above and plans to take part in a dress construction workshop after the holidays may come or get in touch with us for more information.

Speaking of sewing, plaid skirts arrived with the fall season. We suggest that you look carefully at the cut of a plaid skirt when you shop. The most prominent line of the plaid should be at the center both in the front and back of the skirt. If a bold stripe is not centered, the skirt will appear twisted on the wearer. The plaid should be matched at seam lines so the plaid continues in an unbroken

line. Take time to check the back view for fit and sit down in the skirt to be sure it is comfortable and not too tight. Pleats in the skirt should be deep enough to keep their shape and should hang well on the wearer.

Good seam allowance helps pulling out. If your weight is not stable, the wide seam allowance will let you alter the skirt when and if it becomes necessary. You will recognize these as pointers for buying a skirt, the same pointers will apply if you are choosing a pattern and material for making your own skirt.

'Heavy Foot' Caused 45 Percent of Traffic Fatalities

A heavy foot on the accelerator gets the blame for 45 percent of the traffic fatalities resulting from traffic law violations in Michigan. That is why the driver who goes too fast for conditions is satirized this month in the "unwanted driver" campaign sponsored by the Michigan Association of Chiefs of Police. Too Fast Con is the label given this driver for traveling faster than road, weather, traffic or other conditions warrant. Although excessive speed is shown by accident records to be the greatest single violation factor in traffic accidents, it apparently is not rated as a very important offense by the average driver. A recent public opinion poll by the State of New Jersey showed that 90 percent of drivers think drinking or rude behavior is the most serious offense. Another five percent view aggressive driving as most serious. Only four percent consider excessive speed as the most important offense. This perhaps is because the word "speed" calls up visions of a hotrodder rocketing down a quiet residential street at 85 miles an hour. It is not that kind of flagrantly excessive speed that does most of the damage. The big error is what police call "too fast for conditions." They are referring not to the legal restrictions of the state or community, but to common sense. What, for example, is the common sense speed as distinguished from the legal speed limit when driving down a narrow rural road at night with wet black-topped pavement? Or on a quiet suburban street where children are playing football? Through a city neighborhood just as a few hundred cars are moving from the high school parking lot to the nearest drive-ins? Most "conditions" are somewhat less obvious. They are the normal driving environment—a street or road where traffic is moving at no excessive speed and most drivers are paying reasonable attention to what is happening. In this normal environment, many drivers customarily roll along from five to 10 miles an hour faster than the legal limit. If you do not believe this, try driving at the posted limit and watch the other cars go by you. What is wrong with this? Is the posted speed limit so sacred that a little cheating on it makes a criminal out of the driver? Police say it is not a matter of pinning labels on anyone. William H. Polkinghorne, director of the Detroit police department's traffic division, has some pertinent comments. In many pedestrian fatalities, he says, the driver is traveling 10 to 15 miles per hour over the posted limit. Final figures reported today for September show 150 persons killed and 5,697 injured in 15,112 accidents. Compared with the same month last year, deaths increased 13 percent, injuries 16 percent and accidents seven percent. Estimated travel for the first eight months, the latest figure available, was 20.4 billion miles, up four percent over the same period last year. The death rate of 4.3 per 100 million miles of travel was two percent higher. For the first nine months, motor vehicle registrations increased three percent.

Second Month to Show Reduction in Traffic Deaths

Bucking the upward trend in traffic deaths which began in Michigan last April, October became the second month since then to show a reduction with a toll of 104 lives compared with the exceptionally low total of 112 in the same month a year ago, according to provisional figures reported by Michigan State Police. The margin of improvement, however, was so narrow that delayed death reports may swing the month into the loss column. For the first 10 months of the year, the provisional death total now stands at 1,136, an increase of 67 or six percent more than in the corresponding period last year. Nationally the increase for the first nine months was three percent, with October not yet being reported. "The October record is encouraging when compared with the upward trend," said Commissioner Joseph A. Childs, but he warned that "driving hazards will increase greatly in November and December, which account for nearly one-fifth of the deaths each year and the only way to offset this is by greater caution by drivers." Michigan has lost its chance to reduce deaths 10 percent again this year, as had been done in the preceding three years, but reductions in the next two months would enable the state to finish much closer to the toll of 1,375 who died in 1958. Final figures reported today for September show 150 persons killed and 5,697 injured in 15,112 accidents. Compared with the same month last year, deaths increased 13 percent, injuries 16 percent and accidents seven percent. Estimated travel for the first eight months, the latest figure available, was 20.4 billion miles, up four percent over the same period last year. The death rate of 4.3 per 100 million miles of travel was two percent higher. For the first nine months, motor vehicle registrations increased three percent.

Wrap Up Season; Win From Beaverton

Tawas Area Braves wrapped up the 1959 football season Friday night by downing Beaverton, 47-13. Season record for the Tawas team stands at three wins and five losses, one win being against non-conference foe, Oscoda.

With cold weather holding down attendance for the season's wrap-up, the Braves scored three times in the first quarter. Despite their two and five record going into the game, the Braves had played surprisingly well earlier in the season, but lacked luster in this game.

Friday was one of the better nights for Tawas this season. The Braves scored 20 points in the first quarter and enough lead to allow free substitution of players.

During the game, Tawas Area picked up 270 yards rushing and 179 yards by passing. Seven out of 11 pass attempts were completed.

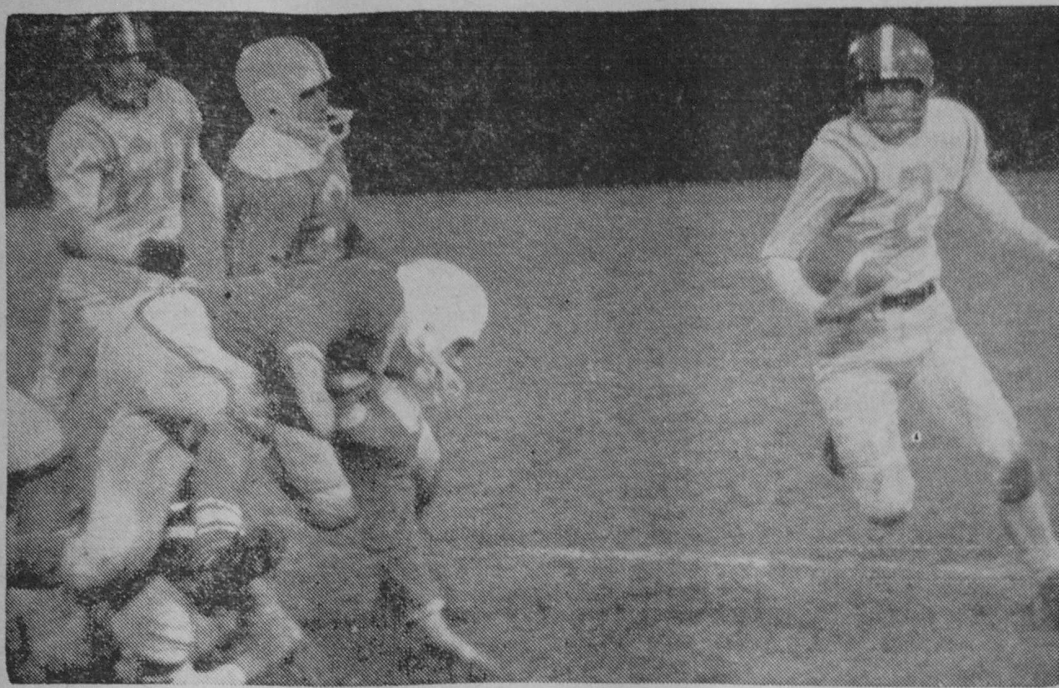

Shortly after the opening whistle, Tawas scored its first touchdown. The TD was set up on a 30-yard run by Rudy Bielby, who ran the ball from the Tawas 41 to the Beaverton 33. Halfback Dwayne Ulman then broke through the Beaver defense and rolled 33 yards to score. Duane Sanders converted the PAT and Tawas had a 7-0 lead.

The second touchdown came on a pass from Quarterback "Butch" Loy to Ulman. Loy, who alternated at quarterback with Donald Humphrey in the absence of Pete Bolen, hit Ulman with a long pass when the Tawas halfback slipped behind the Beaver's secondary. The play covered 45 yards. The PAT was kicked by Sanders.

Tawas Area's third touchdown came when Herman Rollin rolled into the end zone on a five-yard run. The play was set up on a 46-yard pass from Loy to End Arnie Stump. During the series, Bielby picked up five yards and Ken Herriman added two yards. Sanders' kick for the PAT hit the goal post.

With Tawas holding a 20-0 lead going into the second quarter, a 33-yard pass from Loy to Stump set up the Braves fourth touchdown. Bielby went over for the score on an 11-yard jaunt. The PAT was good, coming on a pass from Loy to Al Moore.

With Beaverton punting on fourth down, Tawas again caught fire and rolled to its fifth touchdown as Herriman sprinted into the end zone on an 11-yard play. The series was highlighted by a diving circus catch by End John Sasse which was good for 18 yards. Good gains were registered by Herriman with 11

yards and Jim Brooks, 18 yards. The PAT was missed.

Beaverton scored its first touchdown shortly before the half, coming on a 50-yard pass play from Quarterback Jim Newman to Halfback Quillet. The PAT was good and the score at intermission stood at 33-7 in Tawas Area's favor.

After Beaverton fumbled the kickoff deep in its own territory and Tawas recovered, Herriman scored on a 16-yard slant. Sanders booted the extra point and Tawas held a 40-7 lead.

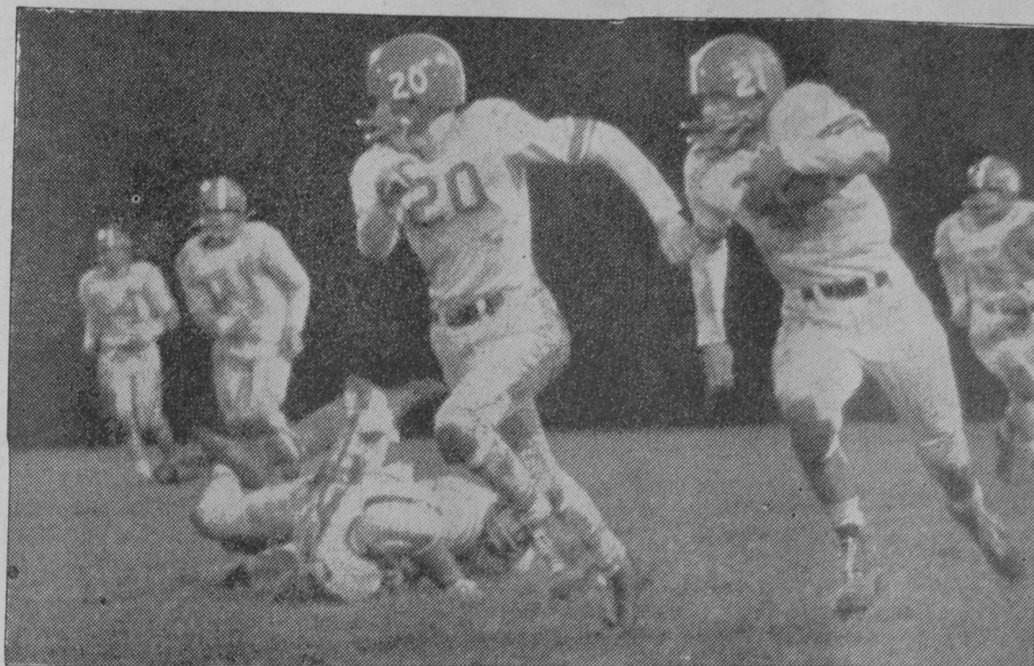

Two touchdowns were scored in the fourth quarter, one by each team. Tawas Area's final TD of the night came on a seven-yard run by Fullback Frank Brigham. The play was set up on a 22-yard pass from Humphrey to Rollin. Sanders made good on his fourth PAT conversion of the night.

Beaverton scored shortly before the game ended when Greenacre went the last two yards in the scoring series. He had picked up 18 yards on a good run and a pass from Newman to Offenbecker was good for 25 yards. The PAT was missed.

Ten members of the Braves, who graduate next spring played their final game of football for Tawas Area. They are Bolen, Larry Jordan, Ulman, Brigham, Sanders, Gary VanOrnum, Leo Lorenz, Stump, Jim Wilkusi and Bielby.

At intermission, fathers of the varsity football players were introduced with their sons. The band did not perform because of the cold weather.

The game scheduled Thursday night between the Tawas Junior Braves and Beaverton JV was canceled because of cold weather and rain.

MISS SCHAAF CAST IN COLLEGE PLAY

Miss Jean Schaaf of Tawas City, a junior at Central Michigan University, Mt. Pleasant, has been cast in the role of Mrs. Dresser in "Love Is Eternal," a three-act play being presented November 21-23 by the university drama department.

The play is a biographical account of the life of charming and hot-tempered Mary Todd Lincoln, with dramatization by Ruth Selgel from a best seller by Irving Stone. As the tumultuous marriage and compelling love story of a great American president and his wife unfolds, it brings to vivid life an authentic period of American history.

The university play production class is producing "Love Is Eternal" in the university theatre. The play is under the direction of Professor Fred R. Bush, with technical work being done by students in the play production class under the supervision of Dr. J. Alan Hammack.

By EARL HAIGHT

Arenac Central threw the Northeastern Michigan Conference into a three-way knot last Friday night when it handed Gladwin its first defeat of the year in the windup of the league schedule, 13-7, while Roscommon was handling West Branch, 37-6.

Houghton Lake moved into a tie with West Branch as it dropped winless Arenac Eastern, 53-12, as Tawas Area smothered Beaverton, 47-13, and Pinconning was shutting out Whittemore-Prescott, in a non-league affair, 27-0.

In the crucial game at Standish, the Panthers scored in the first and second quarters while holding Gladwin scoreless until the final period. Fullback Tom Dowler scored the initial TD when he took a screen pass on the left side and went 44 yards to pay dirt. Quarterback Ken Hribek tossed to End Dale McColough for the conversion and a 7-0 first frame lead. In the second stanza, Central culminated a downfield drive with a three-yard burst off tackle by Halfback Doug Dudley. The winners enjoyed a 13-0 intermission nod.

Gladwin picked up its sole counter in the final stanza when Halfback Doug Redman went three yards off tackle and Fullback George Flach converted on a run. Roscommon celebrated "mothers' night" with a big second quarter scoring spree and followed up with single counters in the third and fourth stanza, while West Branch tallied once in the second quarter, for a tie for the top in league standings.

After a scoreless first period, the Bucks broke loose for 24 points in the second stanza. After Halfback Bob Stockton recovered an Oriole fumble on the 24, Quarterback Gunnard Johnson went the last five yards around end for the TD. Fullback Barry Hubbard notched number two on a 55-yard dash after breaking through the guard spot. Johnson went seven for the third counter and picked up the fourth on a 58-yard jaunt after taking a screen pass on the left side. The Bucks gained possession of the oval for the last TD when Linebacker Jerry Hulce intercepted a forward on the 42. West Branch also scored in the

second quarter. After getting the ball on the 40 after an out-of-bounds kickoff, Halfback Ron Keith went 50 yards to the nine and in three plays went over the right side for the score and a 24-6 halftime score.

The winners crossed into pay dirt in the third stanza after getting the ball on an inside kick. Tom McCutcheon, halfback, going the final 12 yards on an end run to the left. Hulce got the last touchdown after taking a 22-yard pass from Johnson and the latter ended the scoring by booting the extra point.

Houghton Lake scored in double figures in the first three quarters and ended with a single tally in the final period as Eastern crossed the goal line once in the second and repeated in the third.

Quarterback Ed Barnes notched the first score on a 45-yard roll-out and Halfback Allen Bell booted the conversion. Number two was made by Bell on a 37-yard off tackle sprint with Barnes hitting End Virg Kemp for the extra point. The final TD of the initial period was scored by End Jerry Phillips when he scooped up an Eastern fumble on the Lakers 15 and raced to the end zone, 85 yards away.

The Eagles scored first in the second quarter on a sneak of one yard by Quarterback Roger Brown. Bell quickly erased the score with a 95-yard kickoff return and conversion run. Guard Charlie March got into the scoring when he gathered up a ball jarred loose by End Lyle Carrick and ran 25 yards for the counter. The winners held a 33-6 halftime lead.

The losers came back after the

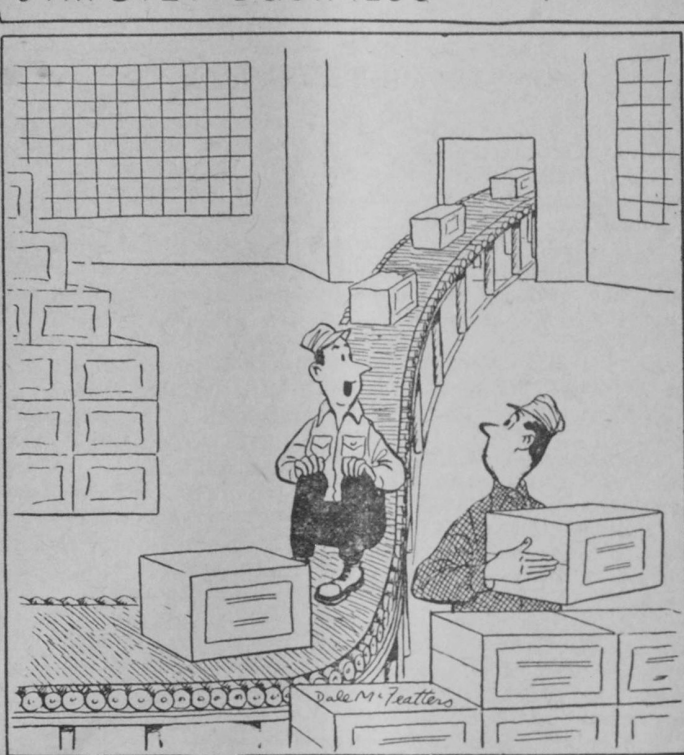

intermission to march downfield with Fullback Jack Masson going the final three yards. Bell repeated his earlier performance, taking the kickoff back 90 yards for his third TD which gave him the conference scoring lead. Barnes converted on a sneak.

Fullback Alton Rhodes picked up number seven on a move up the middle of 25 yards and when Halfback Carrick converted on a run, the Eagles were down, 47-12. Barnes finished the scoring parade in the final stanza with a 65-yard sprint around end.

Pinconning ended its season on a winning note, pushing across one TD in the opening period and three in the second. Dick Marter went 52 yards to the one and plunged over for the opening score and when Quarterback Mike Flynn passed to End Darrell Arnold, the Spartans held a 7-0 first quarter lead.

Marter crossed the goal line twice in the second stanza and booted both conversions to give him 20 points for the night. The first came on a five-yard off tackle and the second on a 17-yard burst after a pass play of 33 yards from Flynn to End Ken Warren put the ball in scoring position. Halfback Ron Curtis ended the scoring with a four-yard burst at tackle.

State game areas serve the same basic function for hunters as public fishing sites do for anglers by providing public lands for sport. Many are also used as "outdoor laboratories" for wildlife and habitat experiments by the Conservation Department. Data gained from these experiments are invaluable guides in shaping the Department's game management program. To date, Michigan has more than 50 such areas, most of which are found in the southern part of the state where private ownership of lands has restricted hunting. Money used to acquire these areas came from hunting license sales and taxes on guns and ammunitions.

Tawas City Eastern Star Chapter Installs Officers

About 90 members and guests of Tawas City Chapter No. 303, Order of Eastern Star, witnessed the ceremony of installation Saturday evening, November 7, at Tawas Masonic Temple.

Mrs. Clarice Davenport, retiring worthy matron, called the meeting to order and welcomed guests. After a short retiring address, she presented gifts to her retiring officers and received a gift from them.

Installing officers were escorted and introduced: Mrs. Emmeline Mark, installing officer; J. F. Mark, installing patron; Mrs. Muriel Horton, installing marshal; Mrs. Georgena Leslie, installing chaplain; Miss Arlene Leslie, installing organist. Soloists for the evening were Clarice and Marvin Davenport.

The following officers were installed for the ensuing year: Worthy matron, Mary Westfall; worthy patron, Roy Westfall; associate matron, Martha DePott; associate patron, Roy DePott; secretary, Clarice Davenport; treasurer, Anna Schaff; conductress, Bertha Montgomery; associate conductress, Elizabeth Holland; chaplain, Georgena Leslie; marshal, Nila Bahr; Adah, Lois Trinklein; Ruth, Helen Roback; Esther, Lulu Schaff; Martha, Sharon Willis; Elecia, Lucille Simons; warder, Fernie Mark; sentinel, Matthew Hoag.

As the worthy matron stood at the altar, Mr. and Mrs. Davenport sang "Whispering Hope." She was then escorted to the East by her son, Vene Westfall, under an arch of yellow chrysanthemums, which were presented to her. The worthy patron was escorted to the East by his daughter, Mrs. Joyce Ramsey. The conductress led the new worthy matron to the Star points, where each was presented

with a flower in the color of her point and each in turn tied a ribbon of her color to a new gavel which had been presented the matron by her husband. Appropriate verses were recited by the retiring worthy matron.

In an appropriate ceremony, the past matrons, led by President Lila Colby, received the retiring worthy matron into their club and presented her with a bouquet of yellow chrysanthemums.

Gifts were presented to the retiring officers, the incoming worthy matron and worthy patron, the installing staff and the soloists. Vocal numbers sung during the ceremonies were "He" and "A Perfect Day."

Hostesses for the evening were Mrs. Isabelle Leslie, Mrs. Lurissa Forsten and Mrs. Opal Mallon. The table was graced with a centerpiece of autumn flowers and tapers.

Relatives and friends who came for the installation were Mr. and Mrs. Vene Westfall of Kenosha, Wisconsin; Mrs. Joyce Ramsey and Willard Robinson of Detroit, and Mr. and Mrs. Jerry Tolin of Hazel Park.

The new flag which the club was awarded at the Northeastern District Federation Convention, held October 23 at Gaylord, was displayed.

Meditation was given by Miss Fernie Mark. Further plans were completed for the county convention of women's clubs which was held November 10.

Hostesses were Mrs. Howard Silverthorn, Mrs. Ernest Silverthorn and Mrs. Ervin Ulman.

The William Murray family spent the week-end at Birch Run with Mrs. Grace Murray and the Rev. Fr. Francis Murray.

Marriage Vows Given in Double Ring Ceremony

MR. AND MRS. RALPH W. SAWYER

In a double ring ceremony Saturday, November 7, Miss Valerie Jean Kniebes of Oscoda became the bride of Ralph W. Sawyer, also of Oscoda. The 7:30 o'clock service was performed by the Rev. R. H. Kretschmer Jr. and the Rev. R. H. Lindley at Evangelical United Brethren Church, Petoskey. Candelabra and large baskets of white chrysanthemums and red carnations decorated the church. Miss Helen Burtch was organist.

Parents of the couple are Mr. and Mrs. Milton E. Kniebes of Petoskey and Mr. and Mrs. John C. Sawyer of Oscoda.

Given in marriage by her father, the bride was gownned in a street length dress of white imported Italian velvet styled with a scoop neckline, wide contour belt and full skirt. A pearl tiara held her fingertip veil and she carried a bouquet of white baby chrysanthemums and red roses with trailing ivy.

The bride's sister, Mrs. Barbara Luckner of Battle Creek, was her only attendant. She wore a princess style dress of rich red velvet with a scoop neckline and street length skirt. A headpiece of red carnations and bouquet of red and white carnations, accented with lemon leaves, completed her attire.

Thomas Gildersleeve of Kinross was best man for the bridegroom. Seating the guests were Ted McCutcheon Jr. and Gerald Rose-uear.

At the reception following in the church parlors, a three-tiered wedding cake trimmed in white with red roses centered the bridal table.

The bride's mother chose a navy blue silk dress trimmed with pink satin and a corsage of red and white chrysanthemums for the occasion. Mrs. Sawyer was dressed in an emerald green and black print dress with a red and white chrysanthemum corsage.

The couple will reside at 112 Pearl, Oscoda, following a one-week wedding trip in the Upper Peninsula.

Out-of-town guests attended from Oscoda, Battle Creek, Monroe and Kinross.

IOSCO CHAPTER, OES, PLANS CHRISTMAS PARTY

Friday evening, November 6, Iosco Chapter met at the Masonic Temple with new officers in charge. Mrs. Marian Rose, worthy matron, and Elmer Freeland, worthy patron, presided in the East. Bouquets of flowers decorated the room.

At the business session, plans were made to hold a bake sale in November and to contact the Besser Male Chorus for a concert for the benefit of Iosco Chapter.

The beautiful installation ceremony was reviewed and compliments were given to many who helped and arranged the installation. Letters were received by the worthy matron from grand officers who attended. Soloists who participated were Mrs. Stella Gussman of West Branch; Mrs. Ruby Evans, Iosco Chapter; Miss Mary Lou Stump, the granddaughter of Worthy Patron Freeland, and Miss Roberta Brookbank, daughter of Mrs. Betty Brookbank, chapter organist.

Mr. and Mrs. George Binder of Tawas City announce the engagement of their daughter, Lillian, to Pvt. Marx A. Engle of Port Gordon, Georgia. His parents are Mr. and Mrs. John Engle Sr. of Tawas City. Marriage plans are indefinite.

MAKE PLANS FOR ANNUAL CHRISTMAS PARTY

Audie Johnson Unit, American Legion Auxiliary, met at the East Tawas Legion Hall Monday evening, November 2, with Mrs. Phyllis Ballinger, unit president, in charge. A pot-luck 6:30 dinner was served with the table setting in yellow and a centerpiece arrangement of yellow chrysanthemums honoring gold star members.

At the business meeting which followed, plans were begun for Christmas work and the annual Christmas party. Mrs. Dorothy Harmon, child welfare chairman, gave a report of the fall conference, giving helpful ideas on parliamentary procedure. Mrs. Harmon announced workers from the unit will attend the gift shop at Saginaw Veterans Hospital in December. Mrs. Gertrude Kunze, rehabilitation chairman, will take care of purchase of gifts.

The gold star members were escorted to the president's station and presented with membership cards and yellow chrysanthemums. Receiving gifts were Mrs. Ada Freeland, Mrs. Martha Klinger, Mrs. Marie Platte, Mrs. Decima Ulman and Mrs. Ruth Stump. The flowers were compliments of Miss Helen Applin, secretary.

"All the world loves a clown"—almost any clown—but I'm especially fond of this one. He's a slap-happy gentleman fashioned easily by any home sewer from a pair of men's white cotton socks. Cute and cuddly, he's sure to steal the show on Christmas morning when the toddlers of the family spy him grinning up at them from his place beneath the gaily decorated holiday tree.

Our little clown's so easy to sew—you'll discover you have ample time to fashion several before Santa's even thought of hitching up his reindeer for that most spectacular space trip of them all.

HAPPY THOUGHT

If you sometimes have trouble confining your Christmas spirit to your budget, you'll be especially glad to have this sock doll design. For my little clown friend is extremely economical to make as you'll discover when you receive the easy instructions. Just send a stamped, self-addressed envelope to the Needlework Dept. of this newspaper. Request CLOWN SOCK DOLL, Leaflet No. CPE-67.

Today's Christmas suggestion is aimed primarily at my teenage friends. Young ladies in this group are very concerned with the happy task of analyzing what it is that makes a young man's heart quicken at the thought of a particular girl. It's often said that the way to a man's heart is through his stomach. That's true, but it isn't the whole story. Men like a good cook because they admire feminine skills. So, it's smart not to stop at the culinary—but to cultivate other delicate skills—such as knitting.

A WARM GIFT

And what better time to begin than with this year's Christmas giving? Surprise your friends with the fruits of your artistry. They will be delighted with hand made gifts—and when the news travels, he's sure to sit up and take a long new look at you. To show what easy fun knitting really is, I've selected a clever scarf that couldn't be simpler to make. It's constructed in one long piece and then sewn at the back of the head. The stitch is a pattern rib, interrupted at the neck by a row of conventional ribbing for cozy snugness. The pointed hood, as merry as Santa's own, features a happy tassel dangling in back with a fringe. Fringe is

added at the bottom border, too.

FASHION FIRST

If you begin work right away, you will find that this scarf knits up in no time at all—leaving plenty of time to make a few more for some more lucky friends. This could mean the start of a new fashion trend among the girls—with you the initiator! Free instructions are yours if you will send a stamped, self-addressed envelope to the Needlework Department of this newspaper and ask for HOODED SCARF, Leaflet No. B-121.

Farm Events

By MARVIN DAVENPORT
Iosco Agricultural Agent

A new growth regulating chemical which makes plants short and stocky has been discovered at the Michigan State University Agricultural Experiment Station.

The chemical, dubbed CCC, could bring about some basic changes in agriculture. It may be one of the more important chemical compounds which man needs to more quickly control the plants he grows.

Besides the shorter and tougher stems, treatment of certain plants with the chemical may have an influence on flowering and upon yield of some crops. These changes in growth may be influential for growing and harvesting of crops, particularly by mechanical harvesting.

CCC, short for two-chloroethyl trimethylammonium chloride, was discovered by Dr. N. E. Tolbert, professor in agricultural chemistry. The development of the chemical was an outgrowth of his basic work on choline compounds in plants.

CCC and related compounds do not appear to be very toxic to animals.

Investigators at Michigan State University are particularly interested in the fact that the short and stocky plant growth obtained from treatments with CCC is the opposite from the tall and elongated growth obtained by treatment with gibberellin, another type of plant growth stimulator. The actions of the two types of chemicals toward stimulating plant growth are mutually antagonistic; that is, one type of chemical will offset and reverse the response brought about by the other.

More complete control over plant growth might be obtained by teaming CCC with gibberellic acid. It may be possible to time treatments so that advantages offered by each chemical could be obtained.

Whether the family of CCC compounds will be of great advantage to agriculture will be known in a few years. The American Cyanamid Company through cooperation with Michigan State University is to produce the compounds for experimental use. Quantities will be made available to researchers around the world who will probably test it on practically every plant on earth and particularly those where plant sturdiness is lacking.

WHITTEMORE GRANGE HOLDS ANNUAL INSTALLATION

Whittemore Grange members held their annual installation of officers at the regular meeting Monday evening. Mrs. Charlotte Black was the installing officer, assisted by marshals, Mrs. Ethel Bellville and Seth Thompson. Mrs. Marguerite Aulerich was organist.

Officers installed were: John Cobb, master; Arthur Aulerich, overseer; Mrs. Blanche Cobb, lecturer; Brian Bellville, steward; Gerald Bellen, assistant steward; Mrs. Ethel Bellville, chaplain; Sterling Cataline, treasurer; Mrs. Marie Bellville, secretary; Mrs. Edith Cataline, assistant secretary; Henry Siegrist, gatekeeper; Beatrice Barnum, Ceres; Mrs. Caroline Siegrist, Pomona; Mrs. Black, Flora; Mrs. Joy Bellen, lady assistant steward; Clarence Bellville and Seth Thompson, executive committee; Mrs. Aulerich, organist.

Committee appointments were announced by Master Cobb. Report of the state Grange convention at Saginaw was given by delegates, Mr. and Mrs. Theodore Bellville.

Lunch was served at the close of the evening.

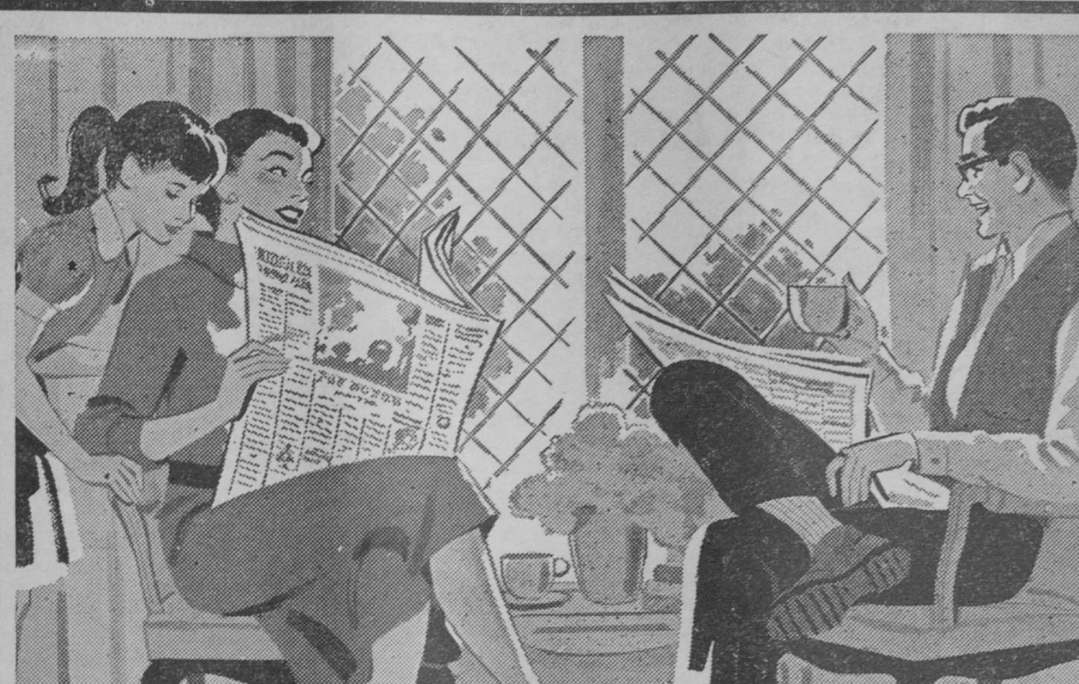

MRS. GAGNER ENTERTAINS PAST NOBLE GRANDS

Past noble grands of Irene Rebekah Lodge were entertained at the home of Mrs. Ida Gagner Thursday afternoon, November 5. A pot-luck luncheon was served. Tables were decorated in Thanksgiving motif. Seventeen ladies attended.

Presiding over the business session was Mrs. Martha DePotty, vice president of the club. Plans were made for the annual Christmas dinner at Lixey's Restaurant December 3, followed by a party and exchange of gifts at the home of Mrs. Neva Moffatt.

After the meeting, the members enjoyed games with prizes. Cards were signed and sent to Mrs. Edith Cowan, Mrs. Adda Deckett and Mrs. Muriel Davidson.

 ting device where a workman was passing long pieces of tubing through the unit for analyzing. Any imperfection in the metallic structure was signaled on a dial. The equipment also contains a unit which sprays paint on any section of tube which may be imperfect.
 In order to make the tube flexible, depending on the use for which it is intended, the long tubes go through a bright annealing process. This equipment consists of a 60-foot-long machine with automatic conveyers and an electric furnace. After about one-half hour of subjection to controlled temperatures, the metal is soft once again and the pliable tubing is easily coiled.
 The building housing the Tawas City plant has had three additions since the original structure was constructed by Mr. Clute for a sheet metal shop. Containing a total of 20,000 feet of floor space, Tawas Tube leases 17,000 square feet for its operation.
 The new plant is playing a vital part in the economic structure

of the community, through its labor force and additional new taxes. Much credit for bringing about its location here goes to the Consumers Power Company's Industrial Development Department, which provided an illustrated brochure on the building. Mr. Clute was assisted by George Myles of Tawas City in making the original contacts with representatives of Tawas Tube Products.
 As Mayor George Tuttle said this week, "We are very happy to welcome Tawas Tube Products to this community. It is our sincere hope that the firm will continue to grow and prosper as a major Northern Michigan industry, playing a vital role in the national industrial scene."

MRS. NEWTON BOWEN

Funeral services were held Thursday, November 5, at the Tawas City Baptist Church for Mrs. Newton Bowen of this city. Mrs. Bowen died the previous Monday.
 The Rev. C. E. Mercer, assisted by the Rev. Douglas Tiapopus of Mikado and the Rev. John Bowen of Emmanuel Baptist Church, Flint, officiated at the service. Pallbearers were from the Emmanuel Baptist Church where Mr. and Mrs. Bowen had taught Sunday school for many years. They were: Earl Linley, William Aurand, Lloyd Lumsden, Chester Johns, Leo Hartman and Frank Nabrang.
 Mrs. Bowen is survived by her husband; two sons, William R. Bowen of Lake Orion and Ronald J. Bowen of Flint; six grandchildren; 11 great grandchildren; five brothers, Clarence, William and Ervin of Tawas City, Aaron of Tucson, Arizona, and Orville of Pontiac.

Governor Williams announced yesterday that he is taking his tax bill on a three-day flying tour of 10 Michigan cities.

MRS. FANNIE FRIEDMAN

Mrs. Fannie Friedman of Detroit died Tuesday, November 3, after an illness of five months. A former resident of Tawas City, she had been associated in the mercantile business here with her husband, M. E. Friedman, for nearly 40 years.
 Born September 28, 1868, at Cincinnati, Ohio, she was the daughter of the late Mr. and Mrs. William Sempliner. The family came to East Tawas in 1885 and in 1887, she married Mr. Friedman, a young businessman at Tawas City. They operated their dry goods store here until they retired in 1924 to go to Detroit where Mr. Friedman died several years later.
 Surviving are two sons, H. E. Friedman of Tawas City and Isadore Friedman of North Hollywood, California; a daughter, Mrs. Casper C. Cutler of Detroit; four grandchildren; six great grandchildren, and a brother, Joseph Sempliner of Bay City.
 Funeral services were held Wednesday, November 4.

460,000 Hunters Expected During 1959 Season

Sunday, November 15, is the target date for more than 400,000 hunters expected to open Michigan's regular and special firearm deer season.
 An estimated 460,000 hunters will take to the woods during the November 15-30 season. Liberalized special season measures, together with archery take and buck kill, are designed to raise the whitetail harvest to 116,000, a 14 percent hike over last year's figure of 101,750.
 According to the department of conservation, an increase has been made in special hunting permits and areas covered under "any deer" shooting in an effort to ward off heavy losses this winter. In many areas, the herd left its major feeding range badly over-browsed last winter. Much of this will not recover sufficiently to carry the present herd, estimated at more than 700,000 animals, through the 1959-60 winter.
 As far as the local situation is concerned, Conservation Officer Arthur Leitz expects a fair kill on opening day. He believes, however, that the deer kill will be considerably lower than last year's poor season. Hunter population is expected to be lower here, too.
 Leitz said that the deer herd is down somewhat from last year, due principally to the starvation loss. "Alabaster Township probably lost 50 percent of its deer due to the rough winter." Some 70 deer have been killed on highways in that portion of Isosco County south of the AuSable River.
 Leitz said that hunters would find "water up to their boot tops" in Tuttle Marsh, a condition which will prevail in most hunting areas.

Dobie's Toy & Hobby Shop Has Yogi Visited Your Home Yet?

Santa will be carrying a bumper pack of toys and play things this Christmas. Many of the kiddies favorites are now on display at Dobie's Toy and Hobby Shop, Tawas City.

Children in the "plush toy stage" would be delighted with a "pal" selected from Dobie's complete stock.

All the kiddies favorite TV characters are here, too, to greet you—Yogi Bear, Huckleberry Hound, Mr. Jinx, Boo-Boo and Tom-Tom Indian, plus many other stuffed toy favorites.

A little girl's eyes will light up when she sees a doll from Dobie's under the Christmas tree. And "Santa" will be pleased with the price tag.

Winner in last week's prize drawing was Maryfrances Beaubien. Have you registered for this week's drawing yet? Grand prize is a boy's or girl's bicycle. —adv.

OBSERVE ANNIVERSARY OF AMERICAN LEGION AUXILIARY

Members of American Legion auxiliary were entertained Sunday, November 8, by Audie Johnson, Post No. 211, American Legion, at a 5 o'clock turkey dinner in observance of the 40th anniversary of the American Legion auxiliary in Michigan. Wives and husbands of post and auxiliary members were guests. Visitors were present from Hale, Oscoda and Tawas City.
 Miss Helen Applin acted as toastmaster. Tables were decorated with lighted yellow candles and the speaker's table was centered with a large, pink and white birthday cake.
 Mrs. Fern Scott, auxiliary chaplain, gave the invocation. Post Commander Fred Look extended a welcome which was responded to by Mrs. Phyllis Ballinger, auxiliary president.
 Mrs. Ballinger honored the

past presidents, presenting each one with a gold year of service pin. As the past presidents were introduced, they told of highlights during their terms of office.
 Miss Applin gave a history of the organization of the auxiliary and incidents in the early history of post and auxiliary.
 Arthur Dillon was the first post commander and Miss Applin was the first auxiliary president. Presented with honorary pins were Miss Applin, 35 years; Mrs. Florence Bartlett, 25 years; Mrs. Lois Kienholz, 20 years; Mrs. Elia Bowman, Mrs. Grace Misener, Mrs. Nettie Hester, Mrs. Evelyn Price and Mrs. Dorothy Harmon, 10 years; Mrs. Mildred Gardner, Mrs. Ada Freeland and Mrs. Mary Lixey, five years.
 Mrs. Iva Mallon was commended for her work in the auxiliary and presented with a pin for 25 years of meritorious service for the auxiliary.

Group singing was led by Mrs. Gertrude Kunze, accompanied by Mrs. Mildred Jarovetz.
 Guests introduced were Mr. and Mrs. Thomas King of Oscoda, first vice commander and auxiliary president of the Oscoda post; Mrs. Kathryn Ballinger of the Hale unit; Miss Tineke Feddema, exchange student from Holland and speaker of the evening; Mrs. Charles Mercer and daughter, Barbara, of Tawas City.
 Miss Feddema gave a slide-illustrated talk on the Netherlands. An interesting and instructive question and answer period followed.
 A beautiful prayer for peace among nations by Mrs. Scott closed the program.
