FRED MANSKE, Buffalo, New York, president of National Gypsum Company, is shown at right with John Pitts, superintendent of company installations in Iosco County, at the ship loading installation south of Tawas City. Mr. Manske, along with a number of the board of directors of the firm, were here last Tuesday and Wednesday on an inspection tour of the firm's National City plant, White Rock Quarry and Port Gypsum installations. Due to weather conditions, the visitors were separated into two groups when planes were unable to land at Alpena. Board Chairman Melvin Baker arrived Tuesday with some of the directors and company officers and President Manske arrived the next day with the remainder of the contingent.—Tawas Herald Photo.

## Negotiators Meet But No Strike Settlement Reached

A meeting between representatives of the Anderson Coach Company and Local Union No. 2539 of the United Brotherhood of Carpenters and Joiners of America was held at the Iosco County Building Thursday morning, September 24, to continue negotiations toward a contract which would terminate the strike that has been in progress since August 4. Federal Mediator Stuart Kelly and State Mediator Richard Bennett attended the meeting.

Company and union representatives met for only a few minutes when the union produced a list of seven demands under the heading, "Points to be Resolved Before Contract Negotiations Can Begin."

In a public statement released Tuesday morning, the company contends that, "the introduction of these seven demands created a serious obstacle to conscientious bargaining and during the balance of the morning and throughout the afternoon, the company representatives and union representatives met alternately with the mediators—but not with each other."

According to a company news release this week, the seven prerequisites to bargaining contained in the union statement were as follows:

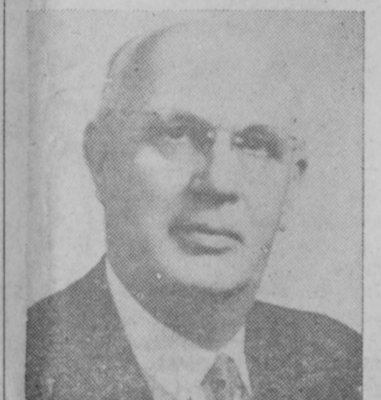

1. Vacation pay for 1959 must be paid immediately (even while men are on strike).
2. Group insurance premiums providing life, health and hospitalization insurance during the strike must be paid by the company.
3. Holiday pay for Labor Day must be paid to the strikers.
4. A grievance filed by eight employees under a former contract and submitted to an arbitrator at the request of the union must be resolved in favor of the union, without regard to the company's defense.
5. The company must pay union committee members for time spent bargaining with the company or carrying on disputes under the contract.
6. The union stated that it would not work with company customers' non-union truck drivers who pick up coaches from the company's plant.
7. The union demanded that the company shall cause a discharged employee to receive Michigan Unemployment Compensation even though the state

has ruled that on the basis of the facts this employee is not entitled to such benefits.

Company representatives expressed surprise at this approach to negotiations on the part of union representatives. "Most of these demands would appear to be unreasonable on the surface and two of the demands involve matters that are beyond the control of the company. Nevertheless, the company did offer to pay one week's vacation as soon as the men return to work," a company spokesman said.

The effort to conduct negotiations through the mediators produced no results. A spokesman for the company said the union was demanding the 30 cent-an-hour increase originally proposed on June 15. The company still contends that present base rates plus the bonus system with the improvements offered by the company constitute all that the company can afford at this time.

No further meetings were scheduled.

### Nisbet Will Speak at School Dedication

Stephen S. Nisbet, president of the Michigan State Board of Education, will be principal speaker at a dedication program for the new Whittemore-Prescott High School Sunday, October 4. Mr. Nisbet is a former Iosco County resident.

A vice president of Gerber, Incorporated, of Fremont, Mr. Nisbet's subject will be "New Horizons."

During the program, which starts at 3:00 p. m., the new building will be formally accepted by the board of education and turned over to the students. The building will be open for inspection by the public from 1:00 to 6:00 p. m.

Nisbet is a well-known figure in Michigan education circles. He was superintendent of schools at Fremont for 25 years. He received his A. B. degree from Alma College and M. A. degree from the University of Michigan.

### CRAWFORD IS PRESIDENT OF TA TEACHERS CLUB

Robert H. Crawford was elected president of the Tawas Area Teachers Club at its first meeting of the fall season last Thursday night. Also elected to serve with Crawford were Mrs. Carl Schauf, vice president, and Miss Marilyn Westrich, secretary-treasurer.

## Kids Show Interest in Foreign Language Study

What started out as an occasional instruction period in the German language for his daughter has had startling results for the Rev. Leonard Newman, pastor of Emmanuel Lutheran Church, Tawas City.

Recently, Pastor Newman thought it would be nice if his nine-year-old daughter, Mary, had a few "classmates" during these after school sessions. An announcement was made at the Tawas Lutheran School and the public school to the effect that any youngster would be welcome to attend the class.

The result was that last Wednesday afternoon, more than 115 youngsters showed up for the first instruction class. Mrs. Newman said that her telephone rang constantly all last week with parents commenting on what a wonderful idea it was.

With such a large group of pupils, Pastor Newman plans to divide the youngsters into two groups; grades four through eight on one afternoon and high school age youngsters on another. It was stressed that the courses will not be carried on during the regular day-time school hours.

Pastor Newman said that his classes will stress vocabulary and pronunciation of words, instead of spending the large amount of time on grammar which is usually associated with the study of a foreign language.

Textbook to be used in the instruction is "German Through

Pictures." Pastor Newman said that when youngsters finish the course, "they should be able to carry on a limited conversation in German. If they wish to proceed further with learning the language, these primary courses will be very helpful."

### Nab Three Youths Who Stole Car Here Tuesday Morning

Michigan State Police apprehended three escapees from Boy's Vocational School, Lansing, who stole an automobile Tuesday morning near Tawas City. They were apprehended near Atlanta.

Mallon reported to police shortly before 8 o'clock that his car had been stolen from his garage on Court Street.

An abandoned car, in which police found a billfold dropped by one of the youths, was found parked in the brush north of East Tawas on US-23. Service station operator, Robert Trudell, reported the car about 8:24 o'clock. It had been stolen from Lansing.

The three boys had been interrupted earlier Tuesday morning in what now is believed to have been an attempted break-in of the White Stone Point Grocery south of Tawas City. Owner Milton Waldie awoke when he heard a noise and went outside to investigate.

Armed with a shotgun, Waldie allowed the boys to leave when they told him they were headed for Atlanta.

### Drive to Gain Funds Set for October 6

Annual one-day drive to raise funds for the Paul Bunyan Council, Boy Scouts of America, will be conducted Tuesday, October 6, in the Tawas. Chairman of a committee making arrangements for the campaign is Charles A. Pinkerton.

Mr. Pinkerton said at a committee meeting Monday noon that advance contributions from business places, individuals and industries are now being received.

A kick-off breakfast will be held October 6 at Lixey's Restaurant, 8:00 a. m., to start the canvass of the area. Lists containing the names of those who contributed last year and names of possible new donors are to be handed out to campaign workers at that time.

It was emphasized that this campaign is being conducted to raise funds in each community in the Paul Bunyan Council area. The money will go toward financing the services provided to local scout troops by the council.

The committee stated that the campaign is not a general solicitation of the area. However, all contributions, large or small, to this worthy cause will be welcomed.

"I'LL NEVER BELIEVE anyone again when they say a woman can't keep a secret—my wife did it!" quipped Judge Herman Dehnke at a surprise program in his honor last Saturday at Harrisville. The Judge and Mrs. Dehnke are pictured above.—Herald Photo.

## Judge Dehnke Honored at Huge Surprise Party

Circuit Judge Herman Dehnke, 71, who will end 31 years on the 23rd Judicial Circuit bench next December 31, was hailed at a huge surprise party in his honor last week-end in Harrisville.

Organized as a harvest days community celebration, the masquerade ended when citizens massed at Harrisville's new harbor for an appreciation. There, Cong. Elford A. Cederberg of Bay City announced, "This is your day, Judge Dehnke. This is all for you."

Judge Dehnke, who was asked by a committee to serve on a panel to pick winning units in a parade Saturday, was taken completely by surprise with the sudden change of events.

Opening the tribute to Judge Dehnke, Mio and Alcona County Community School bands struck up music and rockets were fired out over the harbor waters as the huge crowd applauded.

Judge and Mrs. Dehnke were honored guests at a banquet Saturday night at Alcona Community High School, followed by a program in a "This Is Your Life" format.

An introductory on Judge Dehnke's birth on a farm in Ohio to his rise to the judgeship was given by Ron Gamble of Greenbush, noted Michigan radio announcer.

J. Russell Hughes, chairman of the surprise program for the judge, was moderator during the program. Other speakers who gave highlights of Judge Dehnke's life included Milo Johnson, Herbert Hertzler, Charles Cook, Norman J. Randall, Circuit Judge Philip Glennie, Attorney Carl R. Henry, Congressman Cederberg, State

After 13 years as prosecuting attorney, he was appointed circuit judge of Alcona, Iosco and Osceola Counties by former Gov. Fred W. Green.

Judge Dehnke is perhaps best known in Michigan for his one-man grand jury assignments. In 1931, he headed a investigation into the Macomb County Drain Commission, resulting in the prosecution of a high official who was also chairman of a party state central committee. In 1939, he was

## Jet Plane and Pilot Vanish After Wurtsmith Take-Off

Search continued this week by helicopters, airplanes and coast guard rescue boats for an F-86 Sabre jet fighter plane which crashed Saturday afternoon in Lake Huron after taking off from Wurtsmith Air Force Base.

Pilot of the missing plane, 1st Lt. Ray T. Grafmiller, 24, of Bridgeville, Illinois, may have parachuted into the lake but his body has not been found and there have been no traces of his parachute or debris from his wrecked aircraft.

Grafmiller, who was stationed at Selfridge Air Force Base near Mt. Clemens, was returning there after landing at Wurtsmith because of bad weather. The control tower at Wurtsmith heard an unidentified trouble report shortly after the plane and another jet left the base at 12:45 p. m.

No one has reported seeing the plane go down or Grafmiller's parachute. State police were alerted and searched the Thumb area of Michigan in case the pilot turned back and crashed on land.

Air force authorities assumed the plane crashed after the control tower overheard the pilot say "I'm having trouble. I'm getting out."

Soupy weather Saturday afternoon hampered rescue operations. Wurtsmith sent a helicopter and the coast guard station at Tawas Point sent a boat to search the Lake Huron area, including Tawas Bay.

Searchers were joined Sunday by planes from the Michigan Wing of the Civil Air Patrol from the Midland and Flint area. Some 17 members were here with their communications trailer and set up operations at the Iosco County Airport.

On Monday, the CAP reported seeing what appeared to be an oil slick on Lake Huron offshore from Harbor Beach. Wurtsmith authorities later discounted any connection with the lost plane after an examination of that area.

State police were checking Monday on a report that a motorist had seen an unidentified object on Lake Huron in the Thumb area about the time the crash took place.

### Hope to Build Rink Here In Order to Get Speed Skating Meets

Tawas Chamber of Commerce named a committee last week to check into possible sites for a proposed ice skating rink which would enable this area to extend an invitation to the Michigan Speed Skating Association to hold a meet here this winter.

William Grebe, new superintendent of the Saginaw-Midland pumping station, told the chamber's board of directors last Wednesday night that the dates of January 30-31 are still open for a week-end trial meet and there is a good possibility of the Tawas to obtain the date for future events.

Named to a committee to work with Grebe were W. D. Nunn, Bruce Myles and Walter Champion. Mr. Grebe has offered his assistance with the building of the rink and is very anxious to see the Tawas have a meet held here.

Grebe is a member of the Michigan Speed Skating Association and his son is a state champion skater. He also hopes to see a skating club organized here.

General meeting of the Tawas Chamber of Commerce will be held October 17 at the Holland Hotel. A dinner will be held for members, friends and their wives. In charge of arrangements are Carlton Merschel, Henry Oates and Lyle Mooney. W. D. Nunn is to make arrangements for a speaker.

In other business, John Pinter, chairman of the Silver Valley Winter Sports Committee, gave his report on the committee and offered his resignation as chairman.

Pinter has been a leader for a number of years in the undertaking to improve facilities at Silver Valley and its promotion. Pinter's resignation was accepted with regret and a vote of thanks (See CHAMBER, page 10.)

### Kroger Employees Contribute \$240

William Colling, manager of the Kroger Store in Tawas City reports a 100 percent participation by employees of the local store in the annual Michigan United Fund drive. Full-time employees contributed on the average of \$13 per person with a total of \$240 being collected.

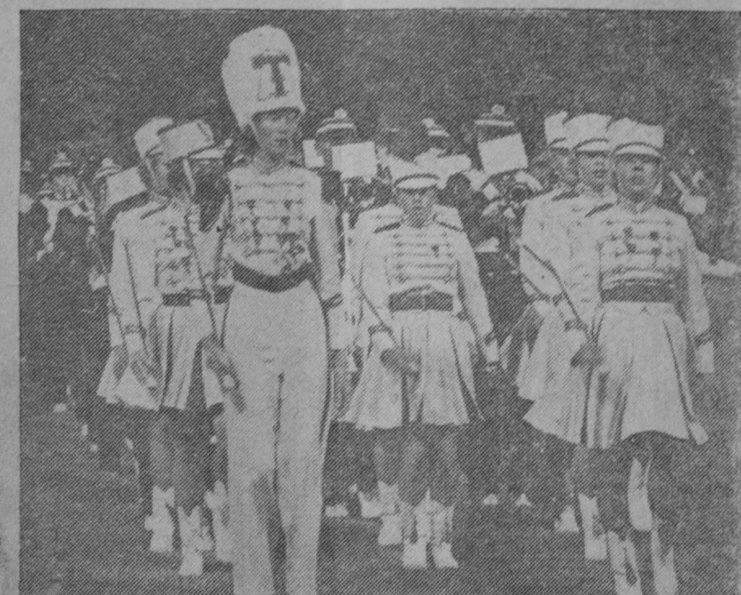

As there is no community chest drive in this area, Mr. Colling said that the full amount of the money would be returned to the annual March of Dimes Campaign in Iosco County.

### One Reason Why Tawas Needs Active Chamber Program

It was announced at last Wednesday night's meeting of the Tawas Chamber of Commerce that an estimated \$20,000 was spent in the Tawas by Michigan road commissioners during their recent three-day convention here.

Although convention arrangements mean a lot of hard work for those in charge, the additional business brought into the area during the "off season" is very worthwhile, it was pointed out.

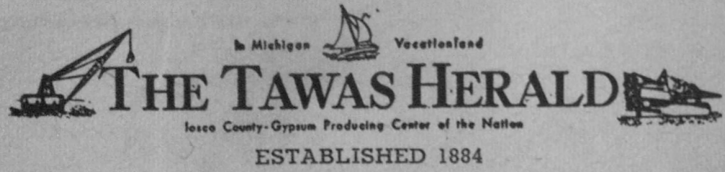

In his monthly report to the Tawas City Businessmen's Association last Thursday, President Walter Champion said that this was only one reason that area individuals and businessmen should support the activities of the chamber of commerce, both morally and financially.

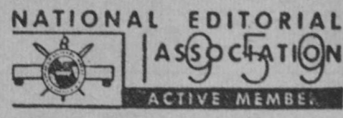

TAWAS AREA High School Band will perform during half-time at Friday night's varsity football game between Tawas Area and Roscommon High School. The picture above shows Andrea Proctor, drum major, and the band's seven drum majorettes, Karen Hunter, Mary Jane Jacques, Mary Cain, Marilyn Misener, Barbara Johnson, Kay Bowman and Sue White. P. N. THORNTON and SONS, PUBLISHERS

BY ANN ESS MORROW

What greater monument is there to the wisdom and self-sacrifice of a community than the building of a new and shining school?

First, it represents the making of a huge decision, indicating willingness of folks to tax themselves still further in a day of real demands.

It implies the winning over, too, of property owners who have severed their immediate contact with the schools—because their children have grown up, it perhaps, gone away or because they never did have any. Thus, they tend to ask why they should pay that extra money for Henry Johnson's children that cut across the lawn and threaten lives and windows with their hard ball games.

People who have reason in their boys and girls to feel the need for school are much more easily persuaded, so it seems, but even then, life is no song, for harmony is often lacking. To begin with, then, it means there is more marking down of yes than no in voting booths—which speaks for the appreciation people have for education, the costliness of which is equal to its genuine returns. It proves that taxpayers there have far and foresight, with awareness of results that may not show for calendars.

Once the decision is made, however, there is all the matter of plans—of conferences involving hours on many days and weeks and months, for it must be all built on paper first and then with blocks to make it all concrete. Architects must be consulted and decided on and bidding on the contracts must be weighed.

And it is not just the architects who keep informed. People read and visit other schools and study surveys, setting values on this and that. This business now of reaching out for what is new and seeking reasons for it and evaluating answers finds us gasping as we are grasping for new ideas hold stifle often.

But when the building starts and progress is apparent, everyone from all about peers into it, stumbling over planks at times

and getting muddy when the day is that way, watching how it grows, telling boys and girls that in the gone-by days it was not like that and pointing out with pride the site to visitors. Imaginations function as they never did before, for those who know the ins and outs see rooms when rooms are not there and no one challenges.

And suddenly it is September and time for folks to move into the school with all its untouched gleam and brightness reflected in the wonder-eyes of boys and girls that range from tiny folks to those now in their twenties.

Not that everything is ready ever—it takes a long, long time to put the all-done stamp upon a school. But even as workmen cut weeds and smooth the parking area and go on with the construction, completed sections give one true respect for all the backbone planning which preceded this.

And everyone is concerned with watching it grow—the boys and girls because completion does away with inconveniences of building, of the pounding and diverting sight of workmen here and there; the townspeople, because they are giving pocketbook support and then because they, too, will come to use the school in their community living, whether they have children there or not and regardless of religion, age or race—for adult classes, perhaps, for meetings of service groups, conferences or special programs.

For no school now in any enlightened area is ever restricted to the use of boys and girls. Nor is it locked at four. And there it stands—the house that "jack" built, with records waiting to be written, trophy cases eager to be filled, traditions ready for the setting. And the sight and thought leave one wistful even as he gasps, for it is ours to use for just so short a time and who knows all the future scientists and other distinguished people whose lives may be so shaped because of inspiration and guidance that will have taken place within this school?

REV. WILSON WILL PREACH AT BAPTIST CHAPEL
The Rev. Robert Wilson, area missionary for the Baptist state convention of Michigan, will preach at the East Tawas Baptist Chapel for morning and evening services Sunday, October 4.

Mr. Wilson was born at Flint and graduated from a Flint high school. He is a graduate of the Southern Baptist Theological Seminary, Louisville, Kentucky. After graduating from the seminary, he remained in Kentucky for a brief time as pastor of a church there. He returned to Michigan to accept a call at the Clio Baptist Church where he remained as pastor until he was appointed area missionary for the Baptist state convention of Michigan, which includes the area north and west of Flint and the Upper Peninsula. He reports that there are now 14 churches and 15 missions in this area which is just a little over one-year-old.

The Rev. Harrison Jackson, pastor of the local church, invites the public to attend the 11:00 a. m. preaching hour as well as the evening service at 7:30 p. m.

CHRISTIAN SCIENCE
The divine source of all true power will be emphasized at Christian Science services Sunday.

Scriptural readings in the lesson-sermon entitled "Unreality" will include this verse from Psalms (62:11): "God hath spoken once; twice have I heard this; that power belongeth unto God."

Correlative citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include (228:25-27): "There is no power apart from God. Omnipotence has all-power, and to acknowledge any other power is to dishonor God."

The Golden Text is from Matthew (7:19): "Every tree that bringeth not forth good fruit is hewn down, and cast into the fire."

LET'S BAG SOMETHING BIG In our town's efforts to build prosperity for its citizens, what is the biggest thing we can bag? It is a good name—a good name for our town as a good place for industry to succeed and a good place for people to live. As industry looks for places to locate plants and payrolls, its eye is out for towns that have such assets as: Strong community spirit and leadership... fine schools... outstanding public services... pleasant residential areas and attractive business districts... sound planning and zoning... a good chamber of commerce... developed industrial sites... adequate plant financing... appreciation of present industry... productivity everywhere around. Industry not only has its eye out but has its ear cocked. A good name travels far and a town with a good name goes far. Join hands with your local industrial development organization and the Michigan Economic Development Department to help your community prosper. # Economic Extension Groups Visit With Shoppers

Forty people attended the better breakfast kick-off Thursday, September 24. Held at the Masonic Temple, the affair which was sponsored by Iosco County food stores and home economics extension groups preceded the observance of better breakfast month on Friday, September 25.

A total of 34 home economics extension women were on hand in 15 stores throughout the county. They visited with shoppers, calling to their attention new trends in food preparation for better breakfasts for mother, dad and the children. A Michigan State University folder titled "Breakfast Bonus" was given to each of the stores' customers.

A second folder, prepared by the local cooperative extension service, tells what's for breakfast and points out that keeping up to date with new ideas in food preparation is but one of the opportunities for keeping up with new information, for improving skills and for having fun enjoyed by women who participate in Iosco County home economics extension programs.

You, too, are invited to take part. Please get in touch with me, Mrs. Paul Sayles or with any of the women whom you met at your food store last Friday. Among them were these mem-

### COLOR TOUR PLANNED FOR TAWAS CITY GARDEN CLUB

A color tour and pot-luck luncheon are scheduled for the October meeting of Tawas City Garden Club. Members are to gather at Tawas City Hall, 10:30 a. m., October 6. From there, the group will go to the Harry Rollin cabin on Silver Creek. The program was planned by Mrs. W. J. McKay and Mrs. Harry Rollin, co-chairmen.

### Letter Writing Week Set for October 4 to 10

The 22nd annual Letter Writing Week will be celebrated in Tawas City during the week of October 4-10, it was announced today by Postmaster Martin Kasischke.

"I am sure we are all aware that a personal letter is, next to an actual visit, the most intimate and economical means each of us has to communicate with our fellow human beings. Accordingly, I urge everyone to 'write today to those away'."

Posters, depicting a mailman in a new postal vehicle called the mailster, will be displayed in post offices throughout the country. Colorful streamers, proclaiming that "Letters are fun to send and exciting to receive," will be displayed on postal vehicles.

Postmaster Kasischke stated that the special week should serve as a reminder to write long-overdue letters to servicemen, hospitalized patients, foreign acquaintances, faraway friends and relatives and others who will welcome a personal letter.

### Final Date for ASC Applications Set for Sept. 30

Notice was recently received by the Iosco County Office of the extension of deadline dates for making applications for payment rate and application for conservation reserve contract under the 1960 Conservation Reserve Program.

Applications requesting a basic farm payment rate for farms may be accepted through September 30 and applications for a conservation reserve contract may be made through October 16. Producers interested in the 1960 Conservation Reserve Program must make their application for a payment rate by September 30. This is the final date for making their initial request for consideration under the 1960 Conservation Reserve Program.

No applications will be accepted after this date. Contact the ASC office, Federal Building, East Tawas, for more information concerning this program.

### Harrisville Man Named Crop Census Crew Leader

Appointment of Charles G. Burns of Harrisville as a crew leader for the 1959 census of agriculture was announced this week by Field Director John E. Tharaldson of the census bureau's regional office at Detroit.

Mr. Burns will direct a force of census takers who will canvass all farms in Iosco, Oscoda and Alcona Counties. Before assuming his post, he will go to Cadillac where he will receive five days of training by a member of the census bureau's staff. Topics to be covered include procedures for recruiting of census takers, census taker training, canvassing methods, preparation and submission of reports and supervision of census takers to insure a complete and accurate count.

The crew leader is one of the key people in the field operations of the census of agriculture. It is his responsibility to recruit and train the census takers and supervise their work, plan and allocate work assignments, review the work of the census takers and take remedial action where necessary and to conduct difficult interviews.

After completing his training, Mr. Burns will return to his district where he will spend several weeks recruiting census takers and training them in preparation for the start of the field canvass October 21.

### New Telephone Directory in Mail October 1

Michigan Bell Telephone Company will begin distributing its new East Tawas-Tawas City telephone directories Thursday, October 1, it was announced today by Thomas C. Maher, manager.

Maher said that 7,800 copies will be distributed here and in the surrounding area.

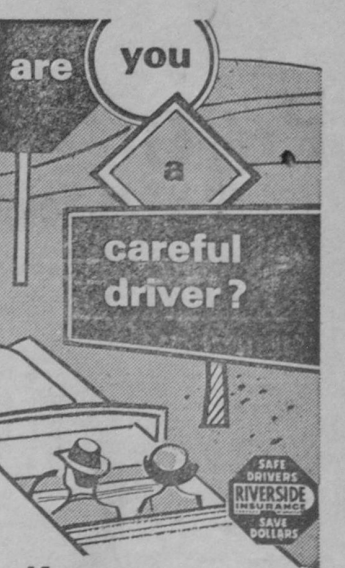

He noted that directories were unheard of back in 1903 when telephone service first was established in the Tawas area with eight subscribers and a line strung between Bay City and Alpena.

That was 26 years after the telephone was introduced in Michigan and 27 years after it was invented by Alexander Graham Bell.

"Since then, the telephone has kept pace with the progress made here through the years," he said.

The new directories will serve approximately 3,075 telephones in the East Tawas-Tawas City area and 2,475 in Oscoda.

"When the new directories arrive, the old ones should be discarded," Maher said. "However, telephone users first should check their old books and remove any valuable papers they might have placed in them."

### Needlecraft News by Nancy Baxter

The major attraction in a tastefully decorated home is, very often, one small item that is especially pretty and unquestionably unique. The lucky lady, blessed with agile fingers, can enjoy such coveted appointments in her home, for she is equipped to fashion singular items never to be duplicated anywhere else.

ANCHORED IN THE PAST In considering distinctive handicraft, we certainly cannot overlook tatting. A truly old art, it has silently, yet determinedly, extended a thread of regality through ever-changing decorating vogue. Versatile in essence, it follows fashion in whatever direction it may take. For example, a marriage of modern geometrical design with traditional frivolity was achieved in today's featured doily. The total effect is a lacy one. Yet, after the eye has rested upon its design, it soon detects a rhythm of vertical, horizontal and diagonal lines. Innovative sturdiness of the over-all pattern places further stress upon its modern flavor.

#### PRIDE OF THE BRIDE

What a wonderful (and rare) occasion to discover that proverbial "perfect something" for a bride. We think we've found it in our tatted doily. How lucky the brand new home that can boast a collector's item right from the very start! ## SPORTS

# Braves Win Over Pinconning, 20-0

Tawas Area Braves, displaying a surprisingly powerful ground and air attack, rolled over the Pinconning Spartans Friday night, 20-0, to chalk up their first NEM Conference victory of the 1959 season.

This exhibition of power running—and enough passing to keep the defense honest—gave the Braves their earliest win in any season since the Tawas school incorporated the sport in its athletic program seven years ago.

There was plenty of enthusiasm in the Braves dressing room following the victory, a much different feeling prevailing than when the West Branch Orioles dumped them 20-13 in the season opener.

Jubilant Tawas coaches, pleased over the showing of their offensive unit, were particularly impressed with the defensive work of the Tawas line. In last week's encounter with the Orioles, the Braves line fell apart at the seams during crucial times, but against the Spartans,

Braves lineman outcharged a much heavier Pinconning line.

After a scoreless first period, in which Tawas dominated play but could not score, Fullback Frank Brigham electrified the crowd with a 75-yard touchdown run early in the second stanza. The hard-running Tawas fullback hit off tackle, received a key block, cut over to the west side-lines and then outran Spartan defenders as he rambled all the way to the end zone without a hand touching him. The extra point came on a pass from Bolen to Ulman, a play which caught the Spartans off guard when they expected a try from placement.

Although Pinconning gained three first downs in the second quarter on 11 plays, the defensive work of the Tawas line showed plenty of power when they drove the Spartans back for losses totaling 27 yards.

Tawas Area scored its second touchdown shortly before the end of the first half. Halfback Dwayne Ulman rolled out and passed to End Bill Martin, who shook himself loose from Spartan defenders. The play went 65 yards as Martin scampered into the end zone without a hand touching him. Bolen passed to Martin for the PAT and Tawas had a 14-0 halftime lead.

The third quarter was a big one for Pinconning, although they did not score. In 15 plays, the Spartans rang up three first downs and had 34 yards gained. Pinconning could not score, however.

Tawas had but three rushing plays in the third quarter. The first was a big one, however, as Halfback Jim Brooks took off on a 53-yard romp to end the scoring for the night. The try for extra point from placement was missed by Duane Sanders.

Coach Howard Adams alternated his first and second strings in the fourth quarter and Fullback Ken Herriman gained 50 yards in four plays, one a 30-yard jaunt. The second string also stayed in on defense until Pinny drove them back to the Tawas 25-yard-line, where the first string unit was sent in to stop their lone scoring threat.

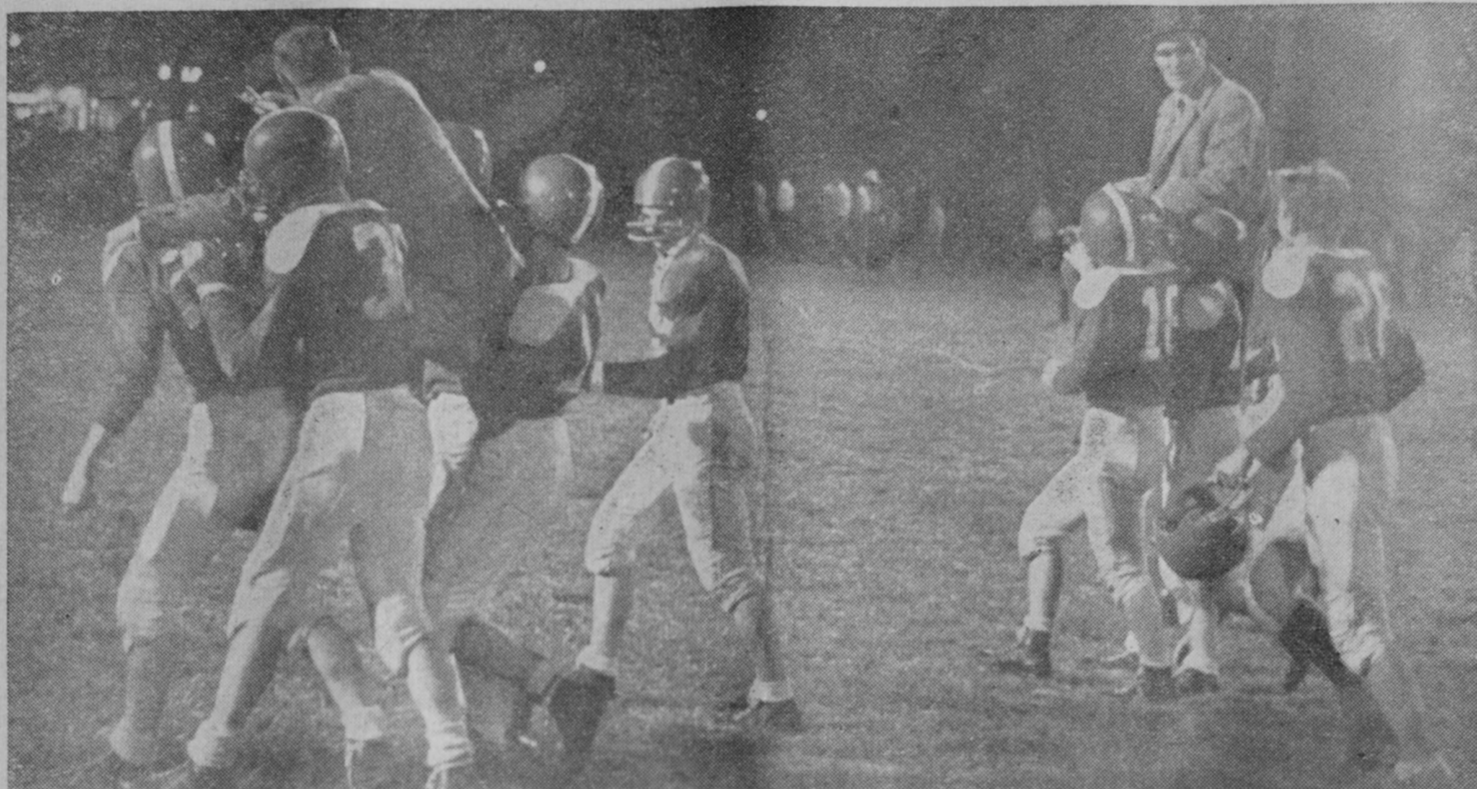

Continuing to show more poise and polish in his senior year, Quarterback Pete Bolen mixed his plays very effectively. Bolen also completed three out of six passes for 25 yards. The Tawas backfield had 278 net yards rushing and 90 yards passing.

This Friday night, the Braves will be host to Coach Earl Haight's Roscommon Bucks, a team which last week defeated the defending league champions, Houghton Lake, 12-6.

## Outdoors WITH EMERY

October 1 will bring opening day for the archery deer season in Michigan and will allow bow hunters to take a deer of either sex. (Consult your 1959 Deer Hunting Guide for general regulations.)

Don Gingerich, Reg Bublitz and Bill Groff of Tawas City were at the Batchawana Bay area of Ontario, Canada, recently fishing for northern pike. They returned home with nine pike ranging from 7½ to nine pounds.

With several frosts early in September this year the maple and oak trees are putting out their biggest effort in showing nature's colorful beauty at its best. Take a ride (and don't forget the camera) to your favorite hardwoods and view some of this amazing assortment of colors.

The acorns seem to be plentiful in the woods this year and should make many hunters happy that enjoy sitting in a blind on an oak ridge to wait out a trophy buck in his travels for food.

In comparing deer hunting accidents, the big causes are tripping, stepping into line of fire, loading and unloading guns, cleaning guns and just plain carelessness and horseplay. Stray bullets, contrary to many beliefs,

are only a minor cause of accidents. Hunter concentration in areas does not mean too much as far as accidents are concerned. You stand just as much chance of getting your name in the paper if you hunt in the Upper Peninsula or the Lower Peninsula. It is true that there are fewer accidents in the Upper Peninsula.

but then, there are also fewer hunters. So the accident rate is just about the same no matter how you look at it.

Your chances are about 250 percent safer hunting deer in Michigan as it would be in driving a car on today's roads in the state as shown by statistics of the past seasons.

## Junior Braves Shut Out Pinny for Second Win

Tawas Area Junior Braves, a team which has not been scored upon as yet this season, turned in a 33-0 defeat over the Pinconning junior varsity Thursday night at Tawas Area Athletic Field.

Tawas Area, led by the running of Halfback Dick Zaharias, rang up 380 yards in their second win of the season, 315 on the ground and 65 in the air.

Zaharias, who carried the ball eight times and gained 194 yards, scored three touchdowns on runs of 41 yards, 46 yards and 29 yards.

The other two touchdowns came on a beautiful 52-yard pass play from Quarterback Don Humphrey to End Louis Werth and Humphrey scored one on a quarterback sneak.

Two Iosco archers were among the winners at the Northern Michigan field archery championship shoot held September 13 at Grayling. They were Janet Dean, who won first place in the 225 instinctive women division with a score of 494, and Leigh Evans, fourth place, with a score of 384 in cadet boys. Both are from East Tawas.

Whittemore-Prescott Cardinals took the measure of the host, Beaverton, club Friday night with a third period score to break a 6-6 halftime tie.

The visitors scored first when Halfback Dave Goupil went 11 yards for a TD. Beaverton came right back to knot the count with a 29-yard off tackle slant by Halfback Walt Offenbecker.

The Cards gained the nod in the third quarter when Goupil passed to End Dennis Fuerst for the TD.

### ATTENDS CURRICULUM WORKSHOP AT MEA CAMP

Miss Clara Bolen, elementary principal at Tawas Area Schools, represented the school system at the 15th annual Michigan Curriculum Workshop at MEA Camp, St. Mary's Lake near Battle Creek, September 24 and 25. Theme of the workshop was "Education's Responsibility, Today and Tomorrow."

Over 500 Michigan educators heard outstanding speakers and consultants on curriculum planning.

Miss Bolen was appointed to the state committee on better human relations by Dr. Lynn B. Tretlet, state superintendent of public instruction. The committee will meet several times throughout the year.

## Whitford-Nelkie Marriage Solemnized at Nuptial Mass

MR. AND MRS. RONALD WHITFORD

In an 11 o'clock Nuptial Mass at St. Joseph Catholic Church, East Tawas, Saturday, September 26, Miss Janet Nelkie and Ronald Whitford, both of Tawas City, were united in marriage. The double ring ceremony was performed by the Rev. Fr. Henry Eickholt before an altar decorated with bouquets of white gladioli and chrysanthemums.

Parents of the couple are Mr. and Mrs. Thomas Nelkie of Tawas City and Mr. and Mrs. Wilford Whitford, also of Tawas City.

Given in marriage by her father, the bride chose a floor length gown of Chantilly lace over satin designed with wrist-point sleeves, fitted bodice and a Sabrina neckline, accented by seed pearls and iridescents. A band of satin and a French bow complemented her full sweeping skirt. Her pearl headdress held a fingertip veil of silk illusion of yellow roses, white chrysanthemums and English ivy with white streamers.

The bride's sister, Miss Kathleen Nelkie of Tawas City, was maid of honor. Bridesmaids were Miss Kathleen Whitford of Tawas City, sister of the bridegroom, and Miss Judy Freel of Tawas City. They were identically dressed in opera blue iridescent taffeta gowns that featured brief sleeves, scoop necklines

and fitted bodices. The full skirts were accented in the back with bands and French bows. Matching taffeta bandeaus with circular veils and bouquets of white and yellow chrysanthemums and Hubbard roses completed their attire.

Flower girls, Laurie Ann Brinkman of East Tawas and Rhonda Whitford of Tawas City, nieces of the bridegroom, wore white nylon dresses with opera blue headpieces and sashes. They carried baskets of yellow and white chrysanthemums and Hubbard roses.

Laurel Whitford of Tawas City was his brother's best man. Groomsman were Guy Mousseau of Hale and Richard Pfahl of Tawas City. Cecil Nelkie of Tawas City, Terry Bronson, Al Wight and Robert Brinkman, all of East Tawas, seated the guests.

The wedding party and immediate families attended the breakfast at Harbor Lights Restaurant, East Tawas, after the wedding. An evening reception was held at Union Hall, Melvor.

Following a wedding trip in the Upper Peninsula, the newlyweds will reside at Tawas City.

Pre-nuptial showers honoring the bride were given by Miss Freel, Miss Jane Bischoff, Miss Whitford, Mrs. Edward Nelkie, Mrs. Cecil Nelkie, Mrs. Elwood Bronson and Mrs. William Hoopes.

## 38th Session of Tri-County OES Held at Oscoda

Thirty-eighth session of the Tri-County OES Association, Order of Eastern Star, met at Oscoda Wednesday afternoon and evening, September 23. Mrs. Charlotte Ashton of Oscoda, president, was in charge. Mrs. Leila Barrington opened the session with an appropriate address. Pine Tree Chapter members of Oscoda escorted the officers.

The flag ceremony was presented by Lincoln Chapter and the Bible presentation by Tawas City Chapter. Honored guests at the session were Miss Ruby Evans of East Tawas and Mrs. Myrtle Baikie of Omer, past grand Marthas of the Grand Chapter of Michigan; Mrs. Barrington and Mrs. Blanche Carlson, grand representatives.

A beautiful memorial service was given by Violet Chapter, Standish. Worthy matrons of various chapters related interesting events in their year's work.

Entertainment was vocal solos by Bonnie Ball of Oscoda and Mrs. Marjorie Lyon of Standish, humorous skits by Hale and Oscoda chapters, a reading by Mrs. Caroline Schalm of Oscoda and an original poem of experiences on a canoe trip on the AuSable River by Mrs. Ellen Evans of East Tawas.

A Rainbow Girls ceremonial was given at the evening session by Oscoda chapter.

Addresses were given by C. V. Miller, vice president of the association; Mrs. Ashton, president; Bessie Clark, worthy matron of Oscoda, and Valdean Musk, worthy matron of Whittemore.

The spring meeting will be held at Lincoln in April.

## Speak Marriage Vows at St. Joseph Catholic Church

Miss Mae Audrey Kendall of Sand Lake, Iosco County, and Marc Andre LaPalme of Gardena, California, were married September 5 in a double ring ceremony at St. Joseph Catholic Church, East Tawas. The 10 o'clock service was performed by the Rev. Fr. Henry Eickholt.

The bride is the daughter of Mrs. Anna Kendall of Sand Lake and the bridegroom, who is stationed at Wurtsmith Air Force Base, Oscoda, is the son of Mr. and Mrs. Ray LaPalme of Gardena.

Gowned in an intermission length dress of peau de soie, the bride was escorted to the altar by her brother, Harvey Kendall of Sand Lake. A scoop neckline and brief sleeves accented the Empire waistline of the gown which was fashioned with appliques of lace on the front of the skirt and unpressed pleats at the waistline.

Her fingertip veil of English mist was secured with a Swedish crown and she carried a cascade bouquet of white chrysanthemums, centered by a lavender orchid.

The maid of honor, Miss Lois Bessey of Tawas City, was attired in a waltz length gown of blue tulle, complemented by a bouquet of white chrysanthemums and yellow roses.

Charles LaPalme of Gardena served as best man for his brother. Ushers were James Kendall of Detroit, brother of the bride, and Roger Dahl of Oscoda.

The immediate families and wedding party attended a breakfast at Lixey's Restaurant following the ceremony. A reception was held at Knights of Columbus Hall, East Tawas, in the evening.

Mrs. Kendall wore a blue dress with matching jacket, black accessories and a corsage of white chrysanthemums and the bridegroom's mother chose an avocado green and white dress with matching nylon coat, white accessories and a white chrysanthemum corsage for the occasion.

The couple resides at Blue Water Court, Oscoda.

Out-of-town guests attended from Gardena, California; Detroit, Saginaw, Oscoda, National City, Sand Lake and the Tawas.

Mr. and Mrs. Charles Brown spent Sunday with Mrs. Brown's sister and brother-in-law, Mr. and Mrs. William White of Reno Township.

print sheath dress of Matte jersey, complemented by a royal blue hat and accessories and an orchid wrist corsage.

The wedding reception for 350 guests was held at Union Hall, Melvor. An arrangement of the bride's and her attendants' flowers and white tapers in crystal candelabra was placed on the bride's table. Garlands of ivy surrounded the four-tier wedding cake, topped with a miniature bride and bridegroom. Baskets of salmon gladioli decorated the hall.

A pre-nuptial shower was given for the bride by Mrs. Walter Murringer and Mrs. Dale Strauer.

# Chevrolet to Give Premiere Showing

## 1960 CORVAIR AND CHEVROLET CAR MODELS

The revolutionary Corvair, long a target of speculation in the automobile world, makes its debut this week along with the distinctive new conventional line of 1960 Chevrolet passenger cars.

On display October 2 at McKay Sales Company, Tawas City, will be a complete presentation of new models, ranging from the compact six-passenger Corvair to a series of Impalas described as the most luxurious ever introduced in the low-price field.

The trail-blazing Corvair, product of a nine-year research and development program, offers a compact car specially designed to meet American standards of comfort, convenience, safety and performance at lower initial cost and greater economy of operation.

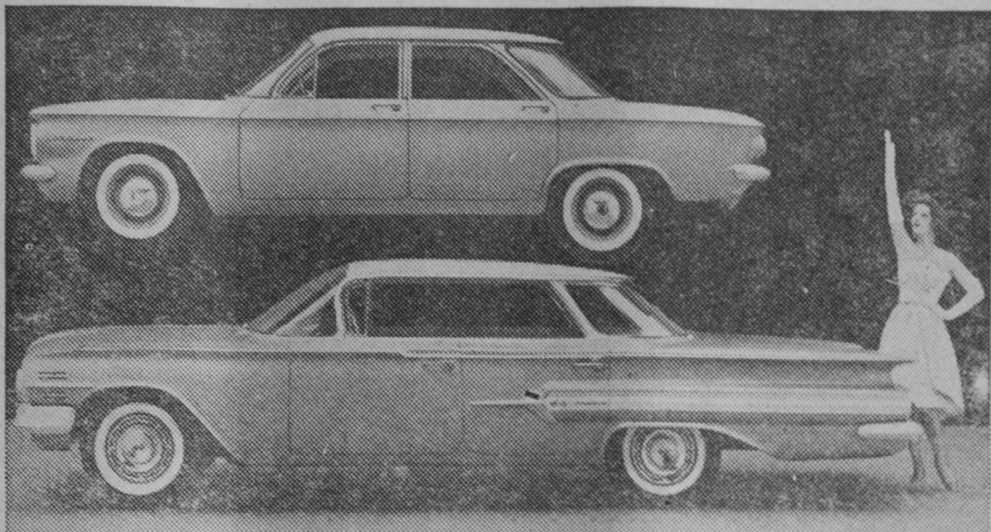

Special features include a flat, air-cooled engine mounted at the rear, unitized body with virtually flat passenger compartment floor, swing-type rear axle with independent springing at all four wheels.

The conventional line of Chevrolets also boasts progressive modifications. The styling is distinctive, with outstanding newness in the front and rear sections. Passenger space is roomier, more comfortable and richly fitted. A new economy V8 engine is among chassis improvements that promise greater durability and satisfaction.

The Corvair will be offered in two models, the standard and the deluxe Corvair 700, both six-passenger four-door sedans.

Body types in the Impala, Bel Air and Biscayne series combined include a total of three four-door sedans, two two-door, two sport coupes, two sport sedans, a convertible and a utility sedan. The Corvette sports car and five station wagons round

## Related in name and good looks—the new COMPACT CORVAIR and CHEVROLET

A strong family resemblance between the all-new Corvair and Chevrolet's conventional line of passenger cars for 1960 is evident in this unusual profile view. At 180 inches, however, the Corvair is more than two and one-half feet shorter, while its 108-inch wheelbase compares with 119 on the Impala Sport Sedan with which it appears.

out the 1960 Chevrolet passenger car line.

A pioneering achievement, the Corvair offers many features which are new to American-made automobiles.

### 1960 CHEVROLET TRUCKS

Impressive gains in cushioning cargo and passengers from road shock, plus much greater stability and safety result from a revolutionary suspension system designed for 1960 Chevrolet trucks. L. G. McKay Jr., Chevrolet-Cadillac dealer in Tawas City, announced the new trucks last week.

The totally redesigned truck

suspension provides the nearest approach to passenger car ride and handling yet achieved, along with vastly improved durability. It has been under development for six years.

In a clean break with the past, Chevrolet has replaced the hard-riding I-beam axle with independent front wheel suspension with ball joints and torsion bar springs on all but two models. Rear suspension is also drastically changed, with coil springs on some light duty models.

Heavier series use a new softer riding leaf spring with automatic adjustment of spring stiffness as the load increases.

In keeping with the "total re-

design" theme, frames and other chassis elements also are redesigned and styling is changed along functional lines. Fenders, hood and other panels are integrated with the new chassis for a more rigid, lower, roomier, more accessible cab and sturdier front end assembly.

## Pulpwood Industry's Problems to be Aired at Marquette Confab

Attorney General Paul L. Adams this week announced that a conference will be held in Marquette on October 16 in regard to the problems of Michigan's pulpwood industry.

Adams stated that he had received a petition from some 800 persons asking him to investigate the economic plight of this industry, which affects more than 15,000 people.

The conference will include representatives of industry, labor, small pulpwood producers, farmers and many other segments of the economy. Senators, congressmen and state representatives have also been invited.

The group will study problems of production, transportation, price and economic security, as well as other matters arising from the crisis in the industry. Questions of resources, competition, surpluses and price-setting practices will be considered.

The conference will be held at the Northern Michigan College in Marquette and is expected to attract more than 150 participants.

### MRS. PROCTOR PARTICIPATES IN MEA PANEL DISCUSSION

A symposium on the topic, "Let's Get Together," was held last Thursday evening at T. L. Handy High School, Bay City, under the direction of Region 12 Council of Michigan Education Association.

Taking part in a panel of lay people under the moderation of Dr. Emil Pfister, head of speech and drama at Central Michigan University, was Mrs. John J. Proctor of East Tawas, president of the Northeastern District of Michigan State Federation of Women's Clubs.

After the discussion, the audience asked questions.

Before the program, there was a business session of the MEA and dinner was served. This is one of a series of meetings to try to improve communications between professional and lay groups.

PONTIAC'S NEW APPROACH to styling is pronounced by the Bonneville convertible and the Ventura sport coupe, only two in a parade of 16 beautiful models introduced by Pontiac for 1960. Priced just above the Catalina series, the Ventura features special interior appointments, including seats trimmed entirely in Jewel-tone Morro-kide. The Ventura is also available in a four-door hardtop Vista model.

# New 1960 Model Pontiac Goes on Display Tomorrow

Pontiac in 1960 intends to further enhance its reputation as America's No. 1 road car with a parade of 16 models in its Catalina, Ventura, Star Chief and Bonneville series with 47 new engineering features including all new bodies, advanced engines and components, reduced tunnel

height and width and improved ride and handling. The new models will go on display at William Look and Sons, East Tawas.

In addition, Pontiac retains wide track wheels, enlarged glass area, rigid center tubular X-frame, True Contour air cooled engine, Tempest 425-E economy engine and other popular features which elevated the division to medium price class leadership in 1959.

The Catalina series offers seven body styles—a two-door and four-door sedan, a two and four-door hardtop, a six and nine-passenger four-door Safari and a convertible.

The new Ventura series has two bodies—a two and four-door hardtop.

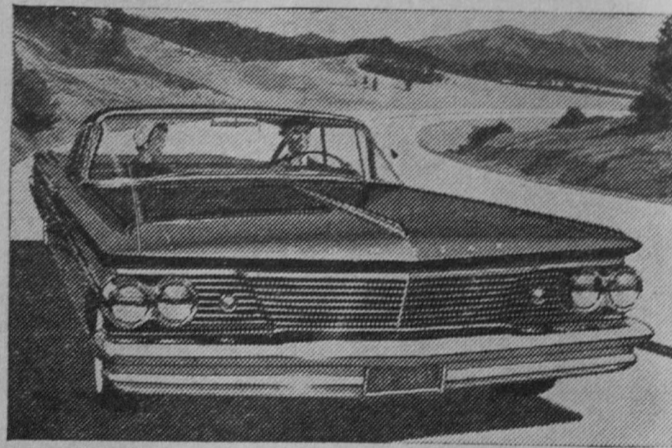

The Star Chief series features a two and four-door sedan and a four-door hardtop.

The Bonneville series presents four glamorous models—a two and four-door hardtop, a custom convertible and a custom Safari.

### THE NORMAN SCHUSTERS CELEBRATE ANNIVERSARY

Thirty-three relatives gathered at Mansfield Hunting Lodge Sunday to celebrate the silver wedding anniversary of Mr. and Mrs. Norman Schuster of Saginaw. Dinner was served, with a cake decorated with silver beads and 25 years in silver on top, centering the table. Mrs. William Fuerst, a sister of Mrs. Schuster, made the attractive cake.

Mr. and Mrs. Schuster were presented with a money tree made of silver dollars and other gifts.

Mrs. Schuster is the former Glade Charters. Both Mr. and Mrs. Schuster taught school in and near Whittemore for several years before going to Saginaw to live.

They have two daughters, Mrs. Sharon Krause of Saginaw and Sue Ann at home.

Relatives attending were Mr. and Mrs. Jack Krause and Mr. and Mrs. Ronald Gawne of Saginaw; Mr. and Mrs. Don Haddix and son of Midland; Mrs. Martin Kasiachke and family of Tawas City; Mrs. Charles Schuster and son, Kenneth, Mrs. Jane Crorey, Mr. and Mrs. Charles Bailey and family, Mr. and Mrs. Arden Charters and family, the William Fuerst family and Mrs. Roy Charters, all of Whittemore.

Several girls from here attended a surprise birthday party honoring Cherry Thornton of McIvor on her 10th birthday Thursday after school. Games were enjoyed and a tasty lunch served. The honored guest received several pretty gifts.

Mrs. John O'Farrell and Mrs. Harrison Snyder spent Friday evening at Bay City with John O'Farrell at Samaritan Hospital.

Mr. and Mrs. Donald Workman of Napanee, Ontario, were supper guests of Mrs. Roy Charters Tuesday evening.

Mrs. Laura Hockersmith and Mrs. Jennie St. James spent the week-end at Bay City.

Mr. and Mrs. Arden Charters and Mr. and Mrs. William Fuerst attended an IGA banquet and meeting at Frankenmuth Tuesday evening.

Mr. and Mrs. Floyd Killey spent last week in Jackson where they visited an aunt. They also visited their daughter and family at Flint enroute home.

Earl Goupil and son of Tawas were in town Wednesday evening.

Mrs. Roger Wood took her husband back to his base in Virginia Thursday after a two-week furlough here. He will leave for overseas soon. Miss Brenda Partlo accompanied them on the trip.

Mrs. Olive Davison returned Wednesday from a few days visit at Tawas City and East Tawas with relatives.

Mr. and Mrs. George Jackson spent the week-end at Eaton Rapids.

## Happy Hunting Land

Courtesy and caution are two essential ingredients for happy and healthy hunting this fall. They are particularly vital during the small game season in southern Michigan where most of the lands are privately owned. Hunters should ask land owners for permission before going afield on their property. A survey last fall revealed that when politely asked, four out of five southern Michigan farmers permitted strangers to hunt on their lands. This cooperative arrangement also dictates that hunters exercise safety and respect for livestock and property.

Water is like air; owned by no one and yet owned by all. In Michigan, the right of water usage is determined by the water source. The use of water in streams or lakes is governed by the riparian doctrine. Under this doctrine, riparian owners may use these surface waters for domestic and other purposes which do not materially reduce the flow or harm the quality of water. This right of reasonable use does not imply ownership. Non-riparian owners may use these waters for such non-consumptive uses as fishing, swimming and boating. Michigan's other water source—ground water—is also protected by the rule of reasonable use. Although this common law provides much freedom for water uses, it limits usage according to the rights of others.

READING left to right are Scouts John Dates and William Philpot, Troop No. 74, Tawas City, with Michael Fohey and Brian Wilkinson, East Tawas Troop No. 111, who were among the 112 Boy Scouts and 20 leaders who attended the camporee last week-end at Twin Lake at the southern edge of Roscommon County. These boys were under the leadership of Scoutmaster Jerald Johnson.

### Tawas Scouts Attend Camporee at Twin Lake

Some 112 Boy Scouts and 20 leaders from the Paul Bunyan Council attended a camporee last week-end at Twin Lake in Roscommon County. The scouts encamped Friday night and remained until after church services Sunday morning.

An outdoor Protestant service was conducted on a hillside by the Rev. Carl D. Ferguson, Roscommon, and the Catholic boys were taken to Mass at Our Lady of the Lakes Church in Prudenville.

Saturday events included a demonstration in Scuba diving and boat safety by Troopers Edgar J. Caid and Richard Bantner of Houghton Lake State Police post. Donald Stough, Roscommon, instructed the boys in archery and then presented the Paul Bunyan Council with the bows and other equipment which had been supplied by the Bear Archery Company.

Max A. Bradley, Roscommon, taught the boys correct handling

of the rifle and then supervised a marksmanship practice session for the scouts.

Theme of the noon meal preparation Saturday was "The Proof of the Pudding" and an award went to Troop No. 80 of St. Helen for their excellence of food preparation.

This camporee is just one of the numerous events that are made possible by the annual fund drive which is being conducted in the Tawas area on October 6.

In the Tawas area, the local scouting units in addition to Troop 111 with Scoutmaster Johnson and his 36 scouts, are Tawas City Troop No. 74, with 20 boys under leadership of Frank Mark; Cub Scout Pack No. 111, with Kenneth Blake, cubmaster, and an Explorer Post, new this year, with John Hosbach as advisor.

The finance campaign at Whittemore will be directed by John Dickey and at Hale by Robert Hunt.

### Tawas Bay May be Site of International Lightning Class Race

There is a good possibility that Tawas Bay may be the site for the International Lightning Class racing regatta in 1960. According to a letter received here this week from Herm Nickels, international champion, he would like to defend his championship on these waters.

Nickels won the right to compete in the internationals this year by winning third place in the district regatta held in August on Tawas Bay. A resident of Fenton, he was recently taken into membership of the Tawas Bay Yacht Club.

In his letter to the local yacht club, Nickels said, "After sailing most parts of the United States, I feel that there is no better sailing anywhere. In my judgment, the facilities in Tawas are excellent; such as, yacht club, housing, mooring, restaurants and sailing waters."

As defending champion, he will have a strong voice when the time comes to pick the site for holding the 1960 international race. The definite site of the race will not be made until the winter meeting of Lightning sailors at St. Petersburg, Florida.

### Dehnke

(Continued from page 1.)

assigned to investigate the embezzlement of a large sum from a church endowment fund. In 1942, he investigated the padding of expense accounts of certain county officers.

One grand jury assignment by Judge Dehnke resulted in many convictions and drew state-wide attention when racketeers were exposed in Macomb County and the county cleaned of vice and gambling.

During the program Saturday night, his long-time friend, Justice Sharpe, said "He has one of the greatest minds of any man I have ever known." In his comments, Justice Sharpe said that Judge Dehnke was highly respected by him and his colleagues on the supreme court bench.

Among the several hundred persons attending the program were members of bar associations from Alpena, Isosco and Bay Counties, who were introduced from the floor. Among those was Allan C. Miller, who will succeed Judge Dehnke on the bench.

In his response, Judge Dehnke combined his usual sharp wit in his comments. He said, however, that it was difficult to find the words with which to express his appreciation for the occasion.

### Seasonal Trophies Awarded to Winning TBYC Sailors

Tawas Bay sailors wound up their 1959 racing season with a presentation of trophies to seasonal winners at the Tawas Bay Yacht Club Saturday night.

Richard Haglund was presented the National One Design trophy. Bill and Ed McKinley won the Earl Belmont seasonal Lightning trophy. Second place in Lightning class went to Herbert Cox and Marvin Mallon and Charles Schreck won third place.

In the pram division, Sandy McKay won the junior sailing trophy, followed by Robert Busch in second place; Edward Eppert, third, Gary Mallon and William Ezo were tied in points and finished in fourth and fifth places, respectively.

Pram competition was something new to the waters of Tawas Bay during the summer. Racing in this division was highlighted by five races over the Labor Day week-end in which 15 prams competed. This was the first series in which all boats finished and none of the boats were lapped.

The Rollie Gackstetter family moved recently into their new home on Miller Road in Tawas Township.

Mr. and Mrs. William Gilfix left Wednesday for a two-week vacation at Winnipeg, Canada.

### MRS. STELLA MAY PIPER

Mrs. Stella May Piper, widow of the late William B. Piper, died Sunday evening, September 27.

Born May 29, 1876, she was the daughter of Benjamin and Charlotte Oakes. When she was a child, the family came to East Tawas where Mr. Oakes became first postmaster. On January 13, 1914, she married Mr. Piper, who preceded her in death last April. Mrs. Piper was a member of Christ Episcopal Church.

She is survived by one daughter, Mrs. Anne Osgood of Detroit, and two grandchildren.

Funeral services will be held Wednesday, 2:00 p. m., at the Moffatt Funeral Home. The Rev. Paul Sutton will officiate. Interment will be in Greenwood Cemetery.

### 'Dollars for Dems' Campaign Underway

The 1959 "Dollars for Democrats" campaign is now underway in Isosco County, it was announced this week by County Chairman Wilbur C. Roach.

Mrs. Dorothy Lehman of Whittemore has been appointed project chairman for 1959.

An added incentive to take part in the campaign was announced by John Dodge, Detroit, state campaign chairman. Six volunteers who do outstanding collection work will be awarded round-trip airline tickets to the 1960 Democratic National Convention in Los Angeles.

The six winners will be drawn from a list of those who selected contributions from 10 or more party supporters. Rules will prevent any single area from winning all the prizes.

Area heads in the county are John Austin, East Tawas; Henry Oates, Alabaster; Harold Peterson, Tawas City; Mrs. Delina McGinnis and Edward Vaughan, Oscoda; Joseph Reinke, Tawas Township; Melvin McCormick, Grant Township; Ralph DeGeise, Burleigh and Sherman Townships, and Mrs. Hazel Graham, Whittemore and Plainfield Township.

was given him for the job he has accomplished in past years.

Pinter, who will continue to work with the committee but not as chairman, said he would arrange a meeting of the committee with the chamber's board of directors at the next regular meeting.

Named as a committee in charge of Perchville this winter were Milton Kotcher, J. Berkeley Smith and Emery Sylvester.

It was voted to give a two-week vacation to chamber secretary and office manager, Mrs. Bertha Montgomery. It was suggested that the secretary have a day off following the twice-a-month meeting of the board.

Nominations for two-year directors for the chamber of commerce are to be handled by the Tawas City Businessmen's Association and East Tawas Retailers Association.

### Mr. and Mrs. J. F. Mark were in Saginaw Sunday with their son, James Jr., and family. Mrs. Mark remained for a week's visit.

### Mr. and Mrs. William Gilfix left Wednesday for a two-week vacation at Winnipeg, Canada.
