Cong. Cederberg is Candidate for

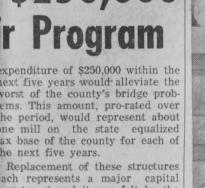

Congressman Elford A. Cederberg has announced his candidacy for re-election as representative in congress from the 10th Congressional District. Petitions for his nomination were placed in circulation this week by the congressman's supporters.

first elected to the United States House of Representatives on November 4, 1952, and has served continuously since that time. Congressman Cederberg is a

member of the house appropriations committee and has worked for the elimination of non-essential expenditures in federal appropriations.

During his first term, Congressman Cederberg inaugurated a plan of holding "open house" sessions in every one of the 14 counties of the district each year giv ing the citizens an opportunity to visit with him on problems and legislation in which the federal government is involved.

He has followed that practice each year since and expects to begin his 1960 visits shortly after

DRIVE IT!

A pair of Corvairs recently recorded 27.03 and 26.21 miles per gallon in the 2,061.4-mile Mobilgas Economy Run. That's certified proof that Corvair skimps on gas costs. It saves other ways, too. Corvair is the only U. S. compact car that never needs antifreeze or costly radiator repairs. Come in and drive the compact car that outdoes them all.

Things Corvair gives you that America's other compact cars can't:

Practically flat floor . . . real foot room for gas Run are higher than the average driver Four-wheel independent suspension for a smoother, flatter ride.

Rear-engine traction . . . that comes with the engine's weight bearing down on the ability to save. Operrear wheels. You probably realize already that the mile- you take delivery of

MISS SCOTT GIVES TALK

ON 'PROPERTY RIGHTS' "Property Rights" was the subject of the talk given by Miss Dorothy Scott at the West Side Household Artists meeting Wednesday. Miss Scott told the members what to watch out for in business dealings. Members learned that they should insist on a written price for work that is to be done. A continuation of the subject will be given by Miss Scott in May when the group meets at the home of

Mrs. Emerson Frank. President Clarice Davenport

* LASTS 3 TO 5 TIMES LONGER * RESISTS ROT, TERMITES AND FIRE

* NEEDS NO PAINT, BUT YOU CAN PAINT IT

Farm buildings are constantly exposed to the elements and the ravages of time, rot and termites. Modern farmers are combating this situation by building with Osmose treated Lumber, the new wonder wood that is scientifically treated to resist all the wooddestroying insects, rot and fungus growths. AND . . . what's mighty important is the fact that you DON'T HAVE TO PAINT IT. However, you can paint its smooth, dry surface if you prefer. This lumber is an attractive shade of green and available in all sizes. Let us give you all the money-saving details on Osmose treated Lumber
