Iosco County-Gypsum Producing Center of the Nation

SEVENTY-SIXTH YEAR Two Dollars Per Year TAWAS CITY, MICHIGAN, WEDNESDAY, FEBRUARY 10, 1960 Five Cents Per Copy NUMBER 6

TAWAS CITY RECREATION went modern this week when six of its 10 alleys were equipped with AMF Automatic Pinspotters. A crew of four millwrights and two electricians performed the work of setting up the equipment on Monday and Tuesday. In the photo at top, H. R. "Jim" Hilbert, left, owner of the recreation, is shown with Arthur Ulmer of Saginaw, AMF representative. The bottom photo shows a workman adjusting a pin table on one of the pinspotters.—Tawas Herald Photos.

## Recreation Modernizes With Auto. Pinspotters

Installation of six AMF Automatic Pinspotters was completed yesterday (Tuesday) at Tawas City Recreation. H. R. "Jim" Hilbert, owner of the local bowling establishment, said that the recreation would be open Wednesday and Thursday for free bowling.

"We hope to give everyone the opportunity to try out the new equipment with the free bowling and, at the same time, we will be able to make final adjustments on the equipment," said Hilbert.

Work on readying the alleys for the installation started at the conclusion of league bowling last Friday night. Pin racks and other equipment were removed from alleys one through six. Alleys seven through 10 will continue to be operated manually by pin setters.

A semi-truck loaded with the pinspotters and other equipment arrived Sunday and early Monday morning work started immediately on installation. In charge of the work of setting up the equipment was Arthur Ulmer of Saginaw, who is the Northern Michigan representative for AMF Pinspotters, Incorporated.

Hilbert said that the equipment is being installed here on a lease basis with AMF. Outright purchase of the pinspotters would cost approximately \$8,100 per alley, not including installation charges.

The recreation owner said that installation of the six pinspotters would enable Tawas City Recreation to remain open on a year-around basis. It had usually been the custom to close the bowling alleys here during the summer months. Hilbert and his wife, formerly of Sandusky, purchased the bowling alley from the Moeller family last August.

"Bowlers will enjoy the sport all the more with these AMF Automatic Pinspotters supplying the magic," said Hilbert. "They will enjoy watching these amazing mechanical marvels set 'em up completely automatically. What's more, the exclusive AMF Pindicator Signaling Unit shows

### Two Proposals for Voters—

## Feb. 29 is Date of Hale School Vote

Monday, February 29, was set as the date when Hale Area School will vote on a \$200,000 bond issue for improvements to school facilities. This action was taken at Monday night's meeting of the board of education.

In addition, a second proposal is to be submitted to voters of the school district. This would ask voters to approve an additional \$12,000 to complete construction of a lighted athletic field.

Cost of the first proposal would necessitate an increase of five mills on taxes, stated Supt. Dale Bush. Four mills would be levied. Mr. Bush said that millage increase on the second proposal is not known as yet and he is to confer with school attorneys this week.

If the bond issue is approved by Hale Area School voters, an addition to the present building would be constructed and changes would be made in present classroom facilities. A citizens advisory committee and school officials worked out details of the bond issue.

Included in plans are a new study hall and library, science classroom and equipment, a combined agriculture and drafting room, a new room for manual

### Raymond's Going Out of Business

Raymond's Department Store of Tawas City is going out of business. It was announced Tuesday by Harold Raymond and Tom Poling, owners. A sale will start Thursday, February 18, and all merchandise will be sold including children's, men's and women's wear, yard goods, notions, all fall, winter, spring and summer merchandise.

"The sale will continue until all shelves are bare and then we will sell the fixtures," Mr. Raymond said. "Prices will be reduced up to 75 percent."

The store will be closed Monday, Tuesday and Wednesday of next week to slash prices on merchandise. See next week's Tawas Herald for complete merchandise listings and price reductions.

Raymond's is the successor to one of Tawas City's pioneer mercantile stores. It was owned for many years by M. E. Friedman and later by C. L. McLean.

### Last Saturday Night—

## Audience Applauds TA Band Program

An appreciative audience gave Tawas Area School bands and Director Edward Rima an enthusiastic ovation following last Saturday night's winter concert staged at the high school auditorium.

Described as one of the best performances ever in the Tawas Area School system, a crowd of more than 800 persons attended the event, braving weather conditions which caused slick pavements and bad driving conditions.

Participating in the program were more than 200 youngsters 92 in the senior band, 72 in the junior band and 43 members of the sixth grade fluteophone band.

Although there were many highlights during the evening, two are deserving of special mention. First was the presentation of the "Allegro Concertante," by Mozart, which was performed by the woodwind quintet. The other was a novel presentation by the drum quartet.

Members of the woodwind quintet were Nancy Allen, clarinet; Christine Moehring, bassoon; Joseph Caika, French horn; Barbara Mercer, flute; and Nancy Borosch, oboe. The drum quartet was composed of Bonnie Frank, James Wilkusi, Tineke Feddema and Suzie Clapp. Both the junior and senior bands gave impressive performances during the evening.

THE NARROW strip of land extending out into the black area in the above picture is the tip of Tawas Point, with Tawas Bay and the Tawas in the background and Lake Huron in the foreground. This aerial view takes in that part of the point which is now being considered for a public recreation area. The Tawas Point Lighthouse is near the right edge of the picture. Infrared film was used in the camera to "cut" the haze. This is the reason for the white foliage on Tawas Point and the background.—Tawas Herald Photo.

## Ask Legislature to Allocate \$29,250 for Point Purchase

Federal surplus property at Tawas Point will become a public park, if plans made last week by Michigan Department of Conservation officials and Iosco County supervisors materialize.

Both the department and county board of supervisors have notified federal officials of the General Services Administration they are interested in the 140-acre tract formerly owned by the United States Coast Guard. The question of whether the property will become a state or a county park remains to be seen.

### SCHOOL ADMINISTRATORS TO ATTEND CONVENTION

Three area school superintendents will attend the American Association of School Administrators convention to be held at Atlantic City, New Jersey. Leaving Friday morning are Superintendents Reynold Mick of Tawas Area School, Robert Richardson of Osgoda Area School and Doug Lever of Eaton of Gaudin School. Several board of education members will accompany Richardson and Eaton. They will return February 18.

## Bids on Heating Plant Opened by Tawas School

A Drayton Plains firm was low bidder for construction of the new heating plant at the East Tawas unit of Tawas Area Schools, it was announced Tuesday by Reynold Mick, superintendent of schools. Bids were opened by the board of education Monday night and the three lowest are to be sent to the school's architect, H. E. Beyster and Associates, for recommendations.

Low bidder with a figure of \$56,473 was Steve Krucko. The next two lowest bids were submitted by Goyette Heating Company, Flint, \$57,831, and Northern Plumbing and Heating, East Tawas, \$58,331.

The proposed construction, which was approved by voters of the school district last year, would include a new heating plant to be located outside the school building, complete renovation of the heating system in the building, installation of unit ventilators and thermostats in each classroom. The contract also calls for closing old vent shafts in the building to comply with late fire regulations.

Other bids submitted were as follows: Clark and Gildersleeve, Osgoda, \$58,400; Forester Construction Company, Flint, \$61,161; Mechanical Contracting, Dearborn and Osgoda, \$64,008; Lloyd Schwonsberg, Bay City, \$68,487.

The contractor would be required to complete the construction prior to the start of the next school year. Mr. Mick said that name of the successful bidder would be announced as soon as recommendations.—(See BID OPENING, page 5.)

an end to speculation in some quarters that the board would subdivide the choice Lake Huron property into lots if it were to acquire the land. The supervisors indicated they were eager to see the property developed into a public recreation site.

They are not opposed to seeing the land become state property. However, noting the department's lack of development funds in recent years, they expressed fear that the parcel would remain idle for some time.

Department officials stressed their major concern was to be sure the property would be used to serve the public. If acquired by the department, the site's development would command high priority as soon as funds became available.

Preliminary plans call for introducing a bill in the legislature which would specifically appropriate the \$29,250 needed for acquisition. Other alternatives were discussed should this approach fail.

Under one proposal, the department would withdraw its application from GSA, leaving the Iosco County Board of Supervisors with full financial responsibility to acquire, develop and maintain the property according to terms of the federal disposing agency.

Conditions of this withdrawal might provide that the department be given first chance to obtain the property should such an opportunity occur later.

Another possibility hinges on a (See TAWAS POINT, page 8.)

## Curry Honored as Top Dairyman

Waldo J. Curry of Route 1, Tawas City, was one of a number of Michigan dairy farmers who were honored Monday, February 7, during Michigan Farmers' Week observance at Michigan State University.

Mr. Curry received a certificate during the "all breeds" banquet for his herd's high production of milk and butterfat. The event was held on campus at Kellogg Center.

The Curry herd is long established as one of the top in Iosco County and Northeastern Michigan. Consisting of 26 registered Holstein cows, during 1959 the herd average was 14,940 pounds of milk and 519 pounds of butterfat.

Curry's herd was one of 60 that qualified for the 500 club, which is based on a five-year average of 500 pounds or more of butterfat production.

## Disposal Plant Addition Now in Operation Here

Additions to Tawas City's disposal plant went into operation last Wednesday morning, although complete control has not been assumed by the city. This is expected on completion of the contract with B. H. Sargent Construction Company and will take place sometime in late spring.

Most of the laboratory equipment has arrived. "Full benefit of the new laboratory will not be in effect until late spring," Supt. of Public Works Reginald Bublitz stated Monday. "Complete control and inspection of the facilities will be made at that time to assure protection to the area's recreational facilities."

Now in operation is the treatment plant's new 165,000-gallon Emhoff tank. The old tank is being cleaned and drained for inspection of necessary repairs. A new lift station on First Avenue

THESE CANDID PHOTOS were snapped last Thursday morning during a debate between Tawas Area High School and Gladwin High School debating teams. The visiting Gladwin teams won both the affirmative and negative sides of the topic, "That the federal government should substantially increase its regulation of labor unions." The picture at top left shows Rod Powers of Gladwin. Leon Herriman of the Tawas Area negative team is shown at top center with Nancy Borosch, chairman for one section of the debate, seated in front. At top right is Pat Stachurski of Gladwin. Donald Erickson, second member of the negative team for Tawas Area, is pictured at center left. The two debate coaches, Mrs. Robert Gravelle of Gladwin and John Keyes, are shown in the next picture. At bottom left is Roger Helmer and Andrea Duguet, members of Tawas Area affirmative team. Judges for the debate were Circuit Judge Allan C. Miller and Prosecuting Attorney Paul Harvey.—Tawas Herald Photos.

## Weather Curtails Carnival Activities

The 1960 Silver Valley Winter Sports Carnival will go down as one of the most frustrating in the 23-year-history of the event. Although it is not the first time for such an occurrence, the weatherman showed very little cooperation in this year's event.

Thawing temperatures followed by rain and then wind-driven snow Friday and Saturday curtailed activities at the winter sports park in Huron National Forest when the twin-steel toboggan runs were put out of commission.

Crews of men worked late Fri-

day and Saturday nights in an effort to get the slides back into condition. They were operational again Sunday and a good attendance during the afternoon helped to make up what was lost the previous day.

Skiing fared better over the week-end, although the slopes and area around the chalet were slushy on Saturday. A snowfall Saturday afternoon put the slopes back into shape for the ski racing events Sunday.

Although Silver Valley's 1960 carnival was without a queen and most non-winter sports activities were abandoned this year, there was a good attendance at both fish fries Friday night to open the carnival. These events were held at the Holland and Barnes Hotels. Guests at the chamber of commerce-sponsored fish fry at the Holland included Bob Reynolds, popular Detroit radio announcer, and Neil "Doc" Finkell, public relations director for the Detroit Baseball Company. Reynolds' annual winter sports program was broadcast over WJR-radio Saturday night from the Holland Hotel.

Tawas Wins Two  
Tawas Area Braves, after holding a 15-point lead going into the fourth quarter, fought off a determined Pinconning team last night (Tuesday) to win, 54-50. Tawas Area led all the way. The Junior Braves won over the visiting JV, 63-35.

# Braves Win 52-48 Squeak Over Panthers

Tawas Area Braves remained hot on the heels of Houghton Lake, leaders in the NEM Conference, with a 52-48 win over Standish-Sterling Friday night. The Braves faced another tough test last night (Tuesday) when they met Pinconning, a team which defeated them earlier in the season.

Standish-Sterling, a team which has not fared very well in basketball this season, gave the Braves a scare by holding a 16-15 edge at the end of the first quarter and gave a good account of themselves during the rest of the game.

The losers jumped off to an early lead, mainly on the eight points scored by Bessinger. Tawas closed the gap before the end of the first quarter whistle. The second stanza found Tawas Area taking the lead with the score reading 13-9 at intermission.

Both teams played on even terms in the second half. Tawas Area holding a 14-10 advantage at the end of the third quarter and Standish-Sterling cut that lead with a 13-10 fourth quarter bulge.

Although the losers had three men who scored in double figures, Tawas had a better balanced attack with Anschuetz scoring 16 points and Bolen 15. Bessinger's 17 points was high for Standish-Sterling, followed by Butz with 13 and Dowler with 11.

O'Keefe had 25 points for the Standish-Sterling JV to win over the undefeated Junior Braves of Tawas, 57-43. This was the first game lost by the Tawas JV team in 11 games.

The winners grabbed a 14-8 lead in the first quarter and were never headed the rest of the way. Tawas had its best scoring quarter in the third but Standish-Sterling held a 19-15 edge.

Top scoring for Tawas was by Don Humphrey, who meshed 17 points.

On Friday night, West Branch will play at Pinconning, Beaver-

WAYNE ULMAN, guard for the Tawas Area Braves, is shown driving in for a lay-up in Friday night's 52-48 win over eighth place Standish-Sterling High School.—Tawas Herald Photo.

# Houghton Lake Stays on Top With 11th Win

NEM BASKETBALL NOTES

W	L
Houghton Lake	11 1
Tawas Area	9 2
Roscommon	8 3
West Branch	6 4
Arenac Eastern	6 6
Pinconning	6 6
Gladwin	2 7
Standish-Sterling	1 9
Beaverton	0 11

Houghton Lake cleared another hurdle in its quest of the North-eastern Michigan Conference basketball championship last Friday night by a 61-53 win at Pinconning with a last quarter spurge to seal the victory. Tawas Area stayed on the heels of the leaders with a squeaky 52-48 nod over Standish-Sterling while West Branch defeated winless Beaverton, 55-33, and Gladwin dropped Arenac Eastern, 60-40.

On Friday night, West Branch will play at Pinconning, Beaver-

ton at Standish-Sterling, Houghton Lake at Roscommon and Tawas Area and Gladwin.

Two centers topped the scoring for the night's play: Virg Kemp of Houghton Lake with 28 points and Mike Redman of Gladwin with 24. The former got his on a 10 and eight stint while the latter picked up his total on an 11 and two count. Dick Marter, the league's leading point-getter, had 15 to add to his total for the year.

For great baked potatoes Cheez Whiz'em!

## CHURCH BASKETBALL STANDINGS

	W	L
Methodist	7	0
Emanuel Lutheran	5	2
IHM	5	2
Episcopal	4	3
Grace Lutheran	4	3
Alabaster	2	5
Baptist	2	5
RLDS	0	7

Emanuel Lutheran broke a three-way tie for second place in Church Basketball League standings by taking a 41-40 decision over Grace Lutheran. Leading scorer for the winning five was L. Frank with 14, followed closely by A. Anschuetz with 13. K. Bubblitz and L. Clements were high point men for the Grace Lutheran team with 13 and 12 points respectively. The game was played Wednesday evening, February 3, at Tawas City unit gymnasium.

H. Adams, with 10, led Episcopal to a 47-39 win over RLDS in the opening game Thursday evening. J. Cuny scored 14 points for the losing team.

Due to an insufficient number of players, Baptist forfeited the evening's second game to IHM.

Alabaster ended up on the short end of a 82-35 score in their game with league-leading Methodist. R. Moore, with 30, and B. McIntosh, with 27, were high point men for the winning five. Hollinsworth led Alabaster with 11.

The second round of play will begin Wednesday evening (tonight) with Alabaster meeting Baptist. Games Thursday evening, February 11, will find Emanuel Lutheran vs. Episcopal; Grace Lutheran vs. IHM, and RLDS vs. Methodist.

Two of the conservation department's staunchest supporters for control and management of the "highly discussed deer herd" recently did an "about face" and in a letter to the conservation commission from Senator Prescott and Representative Peltz, they asked the commission to consider a "cease fire" on an antlerless deer season for 1960 because of the great public interest.

This change of opinion in the "deer herd management and regulation" should bring about many shadows of concern from various sportsmen's clubs and conservation department personnel.

## WITH THE IOSCO 4-H Clubs

A "Civil Defense" program was featured at the February meeting of the Ottawas 4-H Club February 3. The meeting was conducted by Craig Kowalsky and 11 members were present.

## Outdoors WITH EMERY

Michigan State Conservation Department is still trying to increase the costs for Michigan fishing licenses by introducing a bill into the legislature for approval.

Some of the proposed changes and increases of major importance in costs of fishing licenses are as follows:

A regular residential fishing license would go up from \$2 to \$3.

Wives would have to purchase a separate fishing license for \$1.50 and not be allowed, as in the past, to fish on their husbands' licenses.

The third item is that anyone fishing in any of the Great Lakes would need a residential or non-residential fishing license.

Some of the state sportsmen's clubs are in favor of anyone who fishes in the Great Lakes should have a license but in the same pattern are against the increases in license fees.

Total fishing licenses sales fell off last year with reason unknown and it is the writer's belief that if the new license increases pass the legislature and the bill gets signed by the governor, the total sales will again fall short of previous years.

Prayer meeting was held at the home of Mrs. William Herriman Monday evening of last week.

Richard Pfahl returned to his studies at Bay City Junior College recently.

Friends are sorry to hear that Mrs. Harold Busch is a patient at Tawas Hospital. They wish her a quick recovery.

Mr. and Mrs. Fred Pfahl spent Saturday evening with Mr. and Mrs. Vandenhout of the Meadow Road.

Mrs. Charles Hayes returned to her home after being a patient at Tawas Hospital.

Mr. and Mrs. John Wehrman were at Fairgrove last week-end.

Visitors at the home of Mrs. Clara Smith and son, Harvey McIvor, the past week were Mrs. Philip Watts, Mr. and Mrs. Fred Pfahl, Ronald McIvor, Mr. and Mrs. Ted McArdle and Mr. and Mrs. Alton Durant.

Mrs. Ethel Biggs is spending some time with her sister at Sterling.

Mr. and Mrs. Fred Pfahl were guests at the Roy Sims home Sunday.

Mr. and Mrs. Raoul Hermann and daughters of Pontiac spent the week-end with her parents, Mr. and Mrs. Charles Brown.

Mr. and Mrs. Gale Durant were week-end guests of their parents, Mr. and Mrs. Alton Durant and Mr. and Mrs. Clayton Ulman.

## HEMLOCK NEWS

**PANEL DISCUSSION ON CAPITAL PUNISHMENT**

A panel discussion on capital punishment, prepared by Mrs. Edna Anschuetz, Mrs. Mary Pfahl and Mrs. Edith Herriman, was the feature of the February 3 meeting of Rural Woman's Study Club. The meeting was held at the home of Mrs. Anschuetz. Eight members and two guests attended.

Mrs. Herriman will give a book review at the next meeting, set for March 2.

AT STATE HEALTH CONFERENCE—Dr. Albert E. Heustis (left), state health commissioner, and Dr. Earl Hasby, director of District Health Department No. 2, discuss a model of an eyeball at the state health commissioner's conference in Lansing. One of the subjects discussed at the meeting was mass screening tests to find vision defects. Attending the conference were local health directors from all over Michigan.

By DOROTHY SCOTT County Agent

Iosco and Ogemaw Counties are cooperating on these days and the place of meeting is the Prescott Methodist Church. The time is 10:00 a. m. to 3:00 p. m., with a noon lunch served.

I plan to attend, who would like to join me? Please write or call about it.

People are wonderful. Now and again occasions arise when we realize this anew. Such a one has recently been mine and I am grateful these days for friends and their kindness.

**EXTENSION GROUP MET WITH MRS. CAROLL HARGER**

The January 26 meeting of the Huron Shores Extension Group was held at the home of Mrs. Carroll Harger with the entire membership present. After a business meeting, the lesson on casserole cookery was given by Mrs. Robert Dakin and Mrs. Robert Hoag.

Say it where they see it—in The Tawas Herald.

## Look at what you started, Mr. Edison

If Thomas A. Edison were alive today he would doubtless be amazed by our modern electrical world. Foresighted as he was he would hardly recognize the industry he founded 79 years ago.

Today that industry looks ahead to a decade of electrical living that staggers the imagination. Many homes will be totally electric, built around a push-button climate, light and color control center.

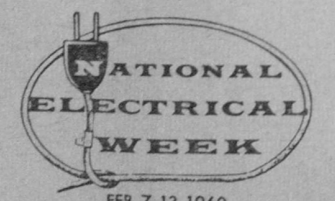

It will be possible, through automation in the home, to cook food exactly as desired without human effort of any kind. Refrigerated drawers that can be converted into ovens by reversing the flow of current may replace present type refrigerators.

Dishes will be washed by sound waves, electric blankets will both heat and cool. Dusting will be done with an electro-static wand. Conventional lighting will be replaced by the installation of luminous panel walls and ceilings.

Transportation and industry will be revolutionized as the kilowatt is put to more and better use.

All indications point to a fabulous new decade as . . .

ELECTRICITY HELPS TO SPARK THE . . . '60s!

reaching retirement age in the future. For further information regarding any phase of social security, consult a representative of the Social Security Administration, who will be at the Federal Building, East Tawas, Thursday, February 11, 10:30 a. m.

Some May be Losing Valuable Social Security Benefits

"Some farm operators may be losing valuable social security protection because of misunderstanding," Paul M. Ellifritz, district manager of the Bay City social security office, reported today. "Some farmers have commented to us that they believed the filing of social security reports of farm earnings was optional in every case." Mr. Ellifritz said. The optional method can be used only in the following cases. If the gross income from farming is not more than \$1,800, the farmer may count as his net either his actual net or two-thirds of his gross. If his gross farm income is more than \$1,800 and his net is less than \$1,200, he may report either his actual net or \$1,200. These alternate methods of reporting allow a farmer with gross farm income of at least \$600 a year to report sufficient net earnings to receive some social security credits. "We believe that some farmers with low earnings have missed getting social security protection because they were unaware of the optional method for reporting," Mr. Ellifritz remarked. "Tax returns for the past three years can still be filed if gross income amounted to \$600 or more in each year. These social security credits may be needed to qualify for retirement benefits later on," he added. Workers reaching retirement age this year need a minimum of four years social security coverage to qualify. Coverage requirements increase for persons al to Blanche H. DANCE STUDENTS ENTERTAIN LARGE AUDIENCE AT MIKADO About 20 dance students of Mrs. Betty Kubic of East Tawas entertained a large audience at Mikado hall Saturday evening, January 30. The program, put on for the benefit of the 1960 polio fund drive, was strictly Kubic students as other participants expected were unable to attend. A variety of dances and vocal numbers were presented by the group. Following the program, refreshments were served in the basement lunch area. The Kubic students were from Tawas City, East Tawas, Wurtsmith Air Force Base and Oscoda.

21 ATTEND TABLE TOP MEETING AT OSCODA

Twenty-one members of Iosco-Arenac unit of the Table Top Congress attended the monthly business meeting, held February 1 at Welcome Hotel, Oscoda. Earl Herbert, executive director of Lansing, was present and gave an interesting talk on the legislative program. A lunch was served at the close of the meeting.

Announces Names of Notary Public Appointments

Secretary of State James M. Hare has announced the names of six Iosco County residents who have been appointed or re-appointed as notaries public during the past three months. They are: Sharon L. Rose, Tawas City; Mary E. Humphrey, East Tawas; H. Read Smith, Tawas City; Elizabeth Zeiler, Oscoda; Carl Babcock, East Tawas; Richard L. Harwood, East Tawas. According to Hare, an applicant for appointment as notary public must be 21 years of age or older, be a resident of Michigan, and a resident of the county for which he or she desires to be appointed. "A fee of \$1 must be sent in with the written application to the governor," Hare said, "and the application must be endorsed by a member of the legislature, a circuit or probate judge of the county district or circuit in which the applicant is a resident." This statutory fee of \$1 was established on April 17, 1871, almost 100 years ago, Hare reminded. "In those days a dollar would buy a first-class seven-course dinner. Governmental salaries were lower, too. Perhaps it is time that elected public officials consider adjusting these century-old fees to realistically match today's governmental operating costs."

**Charles Edinger III Dies in Plane Crash**

Charles Edinger III, son of the Rev. Charles E. Edinger, former pastor of Christ - Episcopal Church, East Tawas, and the late Mrs. Mildred Edinger, was killed in a plane crash January 25. He was 42 years of age and a graduate of East Tawas High School.

He served with the Royal Canadian Air Force during World War II. He was instructor, flight lieutenant and was decorated for becoming an ace in combat. He made his home at Danville, California, after the war.

His father, who resides at Royal Oak, was former rector of St. James Episcopal Church of Cheboygan after serving at East Tawas for 18 years as rector of Christ Episcopal Church. He is now a retired priest of the diocese of Michigan.

Mrs. Rita Alverson of East Tawas died at Tawas Hospital Wednesday, February 3. She was taken to the hospital the evening before. The body was taken to Moffatt Funeral Home where funeral services were held Friday afternoon, the Rev. Paul Sutton of Christ Episcopal Church officiating. Interment was in Greenwood Cemetery.

The former Rita Rish, she operated Rita's Restaurant for many years at East Tawas. She was married to Oliver Alverson of East Tawas February 14, 1943. Born in Mobile, Alabama, August 10, 1896, she came to East Tawas in 1934. Her husband is her only survivor. She was a member of the Episcopal Church.

Funeral services were held Saturday, February 6, for Mrs. Walter Zellmer at Emanuel Lutheran Church, Tawas City. The Rev. Leonard Newman officiated and burial was in the church cemetery.

Mrs. Martha Zellmer died at Tawas Hospital Tuesday, February 2. She had been in ill health for a long time. She was born in Waterville, Minnesota, March 11, 1891. Married at Waterville on January 26, 1910, to Walter Zellmer, they moved to East Tawas in 1958.

Surviving are her husband; one son, Nelmar of Tawas City; two grandchildren; three sisters, Mrs. Alfred Haase of Waterville, Mrs. Emma Wetzel of Elysian, Minnesota, and Mrs. Gustav Loec of Balaton, Minnesota; three brothers, Arthur Stoering and Hugo Stoering, both of Waterville, and Gustav Stoering of Chicago, Illinois.

The body was at Moffatt Funeral Home last week until Saturday when taken to the church. Mrs. Zellmer was a member of Emanuel Lutheran Church.

Funeral services were held Friday, February 5, for Henry L. Lixey of East Tawas who died at his home February 2. He had been ill for several months. A rosary service was held Thursday evening at Jacques Funeral Home, Tawas City, with funeral Mass at St. Joseph Catholic Church, East Tawas, Friday morning. Burial was in the church cemetery.

Mr. Lixey was born December 10, 1869, at Bay City and later moved to Oscoda where he married the former Delphine Bourdreaux November 25, 1895. The family has resided at East Tawas since 1903. He was a commercial fisherman. A member of St. Joseph Catholic Church, East Tawas, he also belonged to the Holy Name Society.

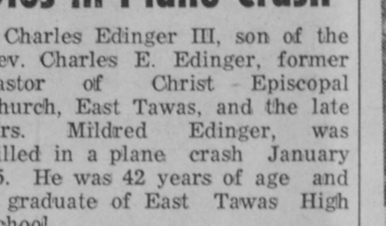

Surviving are his wife; four sons, Ralph, Richter, Mervin and Donald, all of East Tawas; two daughters, Mrs. Gladys Klenow and Mrs. Lucille Michaels, both of East Tawas; 19 grandchildren and 10 great grandchildren.

**Bond Vote**

(Continued from page 1.) of the floor and storable bleachers would be used so that two physical education classes might be able to play games crosswise of the floor.

Decision to submit the proposal for the lighted athletic field to voters was reached only Monday night, although it had been under consideration for some time. The proposed field would provide facilities for night football, baseball and track. Mr. Bush said that the field would be quite similar to the one at Tawas Area School.

**WVW DEPARTMENT PRESIDENT MAKES OFFICIAL VISIT**

Mrs. Alice Roche of Detroit, VFW department president, made her official visit to Ladies Auxiliary of Iosco Post No. 5678 while attending the 11th district rally held here Sunday, February 7.

She spoke on membership, the national president's project for the year, senior citizens program and her own project for the year, the furnishing of the house mother's cottage at Eaton Rapids.

A service officers school, conducted by Raymond O'Neil of Detroit, department service officer, and Mrs. Inez Eaton of Harrison, department auxiliary service officer, opened the rally at the Tawas City unit gymnasium. New laws on widows benefits were discussed.

**Pinspotters**

(Continued from page 1.) pit cushion trips a switch which sets the machine in operation. A sweeper bar descends to the lane, the pin table lowers and lifts standing pins. The sweeper then moves deadwood into the pit and the table resets pins for the second ball. The ball is lifted to the return and sent back to the bowler.

A new set of pins is spotted following a strike, foul or second ball ending a frame. A reset button is installed at the approach end of the lane. If all pins are not knocked down by the extra ball following a 10th frame spare, the bowler pushes the button for a new set of pins.

The pinspotter adheres exactly to one of the ABC's most rigid rules in resetting standing pins in their exact former position even if moved "off-spot" by impact of the first ball.

Hilbert recently returned from a three-week school at Shelby, Ohio, where the AMF plant is located. There he learned operation and maintenance of the equipment.

Hilbert said that league bowling would resume again Friday night. A grand opening is planned for a later date.

**FAMILY THEATRE EAST TAWAS**

**DETROIT SKIER TOPS MEN'S DIVISION IN SILVER VALLEY RACES**

Detroit skier, Bill Harrelson, won first place in the senior men's division of the second annual Silver Valley ski meet held Sunday at the winter sports park in Huron National Forest. The meet was highlight of the annual carnival.

A total of 47 skiers participated in the meet, most of them from the local area. There were six divisions, senior men, junior boys, intermediate boys, midget boys, junior girls and intermediate girls.

Medals or trophies were awarded to winners of the first three places in each division. The name of the first place winner in the senior men's division is to be engraved on three perpetual trophies, representing his winning time in the downhill and slalom events and on one for the combined time of both events.

Harrelson's winning time was 16:10 and 16:15 seconds in downhill and 26 and 21 seconds in slalom. Other winners were as follows: Senior men—Peter Wolfgang, first; Lynn Phillips, third. There were 10 contestants entered in this division.

Junior boys—James Campbell, first; Ernest Lixey, second; Pat Bolen, third. Contestants numbered 14 in this division. Intermediate girls—Maureen Campbell, first; Judy Lemon, second; Barbara White, third. Three contestants.

**WEST BRANCH PHYSICIAN OPENS NEW OFFICE**

According to an announcement this week, Dr. Paul J. Waltz, M. D., has opened his new office at West Branch after terminating his affiliation with Dr. Hugh M. Jardine in that community. Dr. Waltz is at present the president of the staff of Tolfree Memorial Hospital and confines his work to general practice with special emphasis on diagnostics, obstetrics, gynecology and general surgery.

Dr. Waltz has practiced in West Branch for 2½ years. Prior to that he had practiced 15 years in Detroit where he was affiliated with Highland Park General Hospital. He is past president of the North Detroit Physicians Club and on the council of the Wayne County Medical Society.

He was graduated from Wayne University and holds the bachelor of medicine and doctor of medicine degrees. He has also done postgraduate work at the University of Michigan Medical School and the Mayo Brothers Clinic, Rochester, Minnesota.

He was graduated from Wayne University and holds the bachelor of medicine and doctor of medicine degrees. He has also done postgraduate work at the University of Michigan Medical School and the Mayo Brothers Clinic, Rochester, Minnesota.

Born to Mr. and Mrs. Gary Wood of Tawas City, February 1, a boy, Gary, weight six pounds, two ounces.

**McIVOR**

Mr. and Mrs. Ronald Schroeder are moving to Flint where he has employment. The Bud Newvine family of Merrill and Mr. and Mrs. Ray Borchard and family of Caro spent the week-end with their parents, Mr. and Mrs. Lloyd Newvine.

Mrs. Herbert Schroeder visited Mr. and Mrs. Walter Anschuetz of Tawas City Friday. Mr. and Mrs. Floyd Shaffer and family visited at the Leighton Kohn home Friday evening.

A large crowd attended the benefit party given for the David Parent family.

**Tawas Point**

(Continued from page 1.) parks permit bill passed in the senate last week and awaiting house action which would provide a \$10,000,000 bond issue for park improvements and land acquisition. If this bill were enacted, the department would likely have money which it now lacks to develop the Tawas Point parcel into a state park.

At any rate, officials of both parties agreed that rapid recreational development of the property is a matter of prime consideration. As a public park, Tawas Point would relieve mounting day-use pressures on nearby East Tawas park which has been overcrowded in recent years.

Karen Sue, weight seven pounds, 5½ ounces.
