

SOON TO GO into operation at Tawas City's waste treatment plant is the new laboratory housed in the brick building pictured at top. In the next picture, Supt. of Public Works Reginald Bublitz is shown examining some of the equipment which will be used. He is operating a meter used to determine the acid and alkaline content of sewage going through the plant, only one of the many tests which will be run to insure proper treatment. Additions to the new plant are now in operation, although they will not be taken over by the city officially until spring. Laboratory tests are to be made sometime this week to check the plant's operation.—Tawas Herald Photos.

Hale Voters to Decide on School Addition-Field

Hale Area School District voters will go to the polls Monday, February 29, to decide on a proposed \$200,000 bond issue which is being asked to make improvements to the school facilities.

In addition to this proposal, voters will receive another ballot which will ask for authorization to finance and construct a new lighted athletic field at a cost of \$12,000.

Plans, as worked out by school officials and a citizens advisory committee, call for constructing an addition to the present building. It would include a new study hall and library, science classroom and equipment, a combined agriculture and drafting room, a new room for manual training, renovation of the gymnasium and a new heating plant.

Architect for the proposed addition and enlargement of the building is Sedgewick and Sellers, Flint.

Polls will be open February 29 from 10:00 a. m. to 8:00 p. m.

GAMES LAST NIGHT

Tawas Area Braves roared past the visiting Roscommon Bucks last night, 65-40. The Braves led all the way. The Junior Braves won, 51-42. The Whittemore-Preacock Cardinals defeated the visiting Oscoda Owls, 69-56, and W-P reserves won, 48-45.

Several New Laws Take Effect Soon

Several important new Michigan laws and amendments which were enacted during the 1959 session of the state legislature were reviewed this week by Sgt. Frank Roti, commander of the state police post at East Tawas, and Isosco County Sheriff Ivan O'Farrell.

Some of the more important law changes include one regulating motor driven cycles. Effective March 19, the law has been amended to provide that a person must be 15 years of age or older before a special restricted operator's license may be issued to operate a motor driven cycle. The applicant must successfully pass a driver education course and examination. Licenses issued prior to the effective date of this amendatory act shall be valid during the license period.

A new section in the law provides that no person shall operate any motor driven cycle on the highways during the night hours unless the cycle is equipped with lights meeting certain requirements, the person has received written approval from the chief police officer of the city, township or county in which he resides and the cycle is operated at a speed not to exceed 35 miles per hour, or as fixed by ordinance. It also provides that no

motor driven cycle shall be used to carry more than one person at any one time.

A new act which is effective March 19 regulates the use of certain reptiles, gas or air operated handguns, sometimes called "BB" guns. No person under 21 years of age shall use or possess any handgun designed and manufactured exclusively for propelling BBs not exceeding .177 caliber outside the curtilage of his domicile, unless he is accompanied by a person over 21 years of age. Any person who violates the provisions of this act is guilty of a misdemeanor.

Effective March 19, a new amendment to the dog law provides that any person may kill any dog which he sees in the act of pursuing, worrying or wounding any livestock or poultry or attacking persons. Any dog that enters any field or enclosure which is owned by or leased by a person producing livestock or poultry, outside any incorporated city, unaccompanied by his owner or his owner's agent, shall constitute a private nuisance and the owner of such field or enclosure, or his agent or servant may kill such dog while it is in the field or enclosure without liability for such killing.

Millar Urges MUCC Support of Tawas Point Legislation

Speaking before a meeting of Michigan United Conservation Club directors Saturday, Charles Millar, chief of the Michigan Department of Conservation's land division, emphasized the importance of passage of a senate bill now in the legislature. In addition to providing more funds for conservation department operation, the "windshield sticker bill" would also provide money for purchase and development of Tawas Point as a public recreation site.

Explaining that the conservation department has "had its eye on Tawas Point for a good many years," Millar told the directors: "If you want to see a pretty peninsula today, you should go out and look at Tawas Point. It is a beautiful park site."

Millar said that interest in developing the property as a park was also shared by Iosco County. Now in the hands of the General Services Administration, Tawas Point can be obtained either by the state or county for public use under Public Law 616.

"Money again is our stumbling block. This not only handicaps the conservation department, but I understand Iosco is in the same position—neither agency has the

ready cash to make the purchase," stated Millar. Price of the property, which consists of between 100 and 175 acres, depending on water level, is \$29,250. Full appraisal price is \$58,500, but it can be obtained by governmental agencies at one-half price.

Millar said that a meeting was held two weeks ago between state and county officials to determine the respective interests of each in the property. "It was the general agreement that the property should be acquired for public use by either agency," said the land chief. He said that Rep. James Mielock of Whittemore intends to do something about getting an appropriation for its purchase in the bill now before the legislature.

"I think Iosco County is sincere in developing the property as a public park and, if the state obtains it, development as a park would be the only purpose," he stated.

"One thing to keep in mind," Millar pointed out, "is that if either agency buys the property for one-half price, it is required to use the property for park purposes for 20 years. A report must be filed each year telling of its use."

"I think the state would be in a little better position, if we do get the money, to develop the property to the fullest extent for

all the people and keep it in public ownership for many, many years," asserted Millar.

He pointed out that it would be a bit difficult to develop that area the way it should be developed. The property consists of low sand dunes and needs shore work and erosion control when water gets high. "That costs money and the state does have the equipment for such use," he said.

"There is no disagreement about public use of the property. It has also been agreed to work together to see that either the

(See MILLAR, page 10.)

City Caucuses Set for February 27

Michigan's two major political parties, Republican and Democratic, will hold ward caucuses in Tawas City Saturday, February 27, at 8:00 p. m. Candidates for city aldermen and the board of supervisors are to be named for the April election.

Following the caucuses, city conventions will be held by each party for the purpose of naming candidates for the offices of mayor, clerk and treasurer.

Republicans will hold their meetings at the city hall while Democrats will meet in the courtroom of the Iosco County Building.

Aldermen whose terms expire this year are Arthur Wegner, First Ward; Clyde Evril, Second Ward, and Howard Hatton, Third Ward.

Iosco Business Receipts Show Large Increase

Receipts of selected service trade establishments in Iosco County during 1958 totaled \$2,135,000, an increase of \$711,000 or more than 40 percent since the 1954 business census, it was announced Saturday by the Bureau of Census, United States Department of Commerce.

Selected service trades include all businesses outside retail and wholesale categories, which have separate census surveys. Not included are health, medical, education and transportation services.

While the state as a whole shows a 32 percent gain in receipts for 1958 over 1954, Gladwin, Ogemaw and Oscoda Counties were among the few in Michigan on the losing side of the ledger.

Win Honors in Clare Festival Saturday

Tawas Area School band members won first ratings in 28 different events in the District Nine Solo-Ensemble Festival of Michigan School Band and Orchestra Association held last Saturday at Clare.

Top senior high bandmen from Tawas Area were Nancy Allen, Julie White, Virginia Clute and Nancy Borosh, who each received three 1 ratings. In junior high, Nancy Laidlaw, Carol Nash and Joann Moehring each won two 1 ratings.

Others in junior and senior band who won 1 ratings in the 28 various events were as follows: Dennis Hoshach, Marjorie Nagy, Mary Nagy, Kirk Wendt, James Foley, Richard White, Karen Hunter, Richard Moehring, Elaine Erickson, Lynda Wight, Barbara Hester, Barbara Durant, Ronald Dobie, James Ruckle, Ann Evril, Barbara Mercer, Christine Moehring, Nanette White, Glenda Roach.

Diane Beyer, Barbara Bonino, Becky Brandemuehl, Pamela Keiser, Alicia Johnson, Joyce Grimes, Bonnie Frank, Susie Clapp, James Wilkusi, Tineke Feddema, Patricia White, Holly Defibaugh and Carolyn McKay. (See BANDSMEN, page 10.)

Leitz Warns Dog Owners

Conservation and law enforcement officers warned this week that dogs are again posing a serious threat to Iosco County's wintering deer herd. Conservation Officer Arthur Leitz reports that he has received numerous reports during the past week about dogs that were killing deer. The Iosco Sheriff's Department has also received numerous complaints.

Leitz warned Monday that owners of such dogs will be prosecuted to the fullest extent. "Dogs should be chained at all times. If ownership can be proven, we will take the offender to court," he asserted.

The conservation officer said that deer were falling easy prey to the dogs because of the hard crust on snow-covered fields. "The dogs can run on top of the snow but the sharp hooves of the deer go right through the crust."

Dog owners who are convicted under PA 296 are subject to a fine of not more than \$100 or by imprisonment in the county jail for not more than 90 days, or by both such fine and imprisonment. "In other words, persons who allow their dogs to run at large may suffer serious consequences," warns Leitz.

THESE PICTURES were snapped during the two-day meeting of Michigan United Conservation Club directors which was held in East Tawas last Saturday and Sunday. In the photo at top, Albert C. Duquette, district 14 director and secretary of the Iosco Sportsmen's Club, right, is talking with James Rouman of Lansing, executive director of the MUCC, and Edward Sharpe of Mio, MUCC director and district field representative for the 14th district. The next photo shows the directors during one of their business meetings. MUCC president, P. H. Wendler, is shown at bottom right as he spoke during the session. Charles E. Millar, chief of the conservation department's land division, is shown at left with Bert Stoll of East Tawas, Detroit Free Press outdoor writer.—Tawas Herald Photos.

Article Tells About New Gypsum Quarry and Port

A four-page article in the February issue of National Gypsum News described National Gypsum Company's new quarry and lake loading installation in Iosco County. The new 75-million-ton quarry, located on Sand Lake Road, and 1,100-foot pier and unloading station south of Tawas City, went into operation a year ago.

Five of the 12 pictures used to illustrate the article were Tawas Herald photos.

The expansion here by National Gypsum Company was part of a \$19,000,000 program, which also included plants at Waukegan, Illinois, and Lorain, Ohio.

MUCC Held Two-Day Meet Here Last Week

Talks on land problems, 1959 deer hunting results and a discussion regarding the Jordan River Hatchery featured the two-day meeting of Michigan United Conservation Club directors which was held at East Tawas Saturday and Sunday.

Saturday's events included a dinner which was served at the Masonic Temple on M-55. The Officer of Eastern Star had charge of the meal.

Featured speakers included Charles E. Millar, chief of the conservation department's land division; Harry Ruhl, chief of the game division, and W. A. (Bud) Elkins of Minneapolis and Robert Stevens of the United States Fish and Wildlife Service, who spoke on the fish hatchery.

Committee reports took up much of Saturday's session.

Iosco Sportsmen's Club Secretary and MUCC Director Albert Duquette of East Tawas worked with MUCC Executive Director James Rouman for several months making arrangements for the meeting.

Fire Marshal Investigates Fish Net Blaze

Fire of undetermined origin destroyed \$12,000 worth of fishing nets owned by three Tawas commercial fishermen and gutted a frame building in which the nets were stored last Friday afternoon at East Tawas.

East Tawas volunteer firemen battled the blaze for several hours before it was finally extinguished. Firemen were hampered by dense black smoke from the treated nets.

Destroyed were six deep-set fish nets valued at \$2,000 each. Co-owners were James and Richard Frank and Clarence Greenwood. The nets were partially covered by insurance.

At the request of James Frank, owner of the building, and East Tawas Fire Chief Ray Klinger, the fire is being investigated by Det. Sgt. Frank Colston of the Michigan State Police fire marshal division.

Mr. Frank told investigating officers that he had been troubled with subjects breaking windows in the past and believed that someone may have started the fire.

Chief Klinger said that when he arrived at the scene, smoke was pouring out of the old frame structure, which was once used as a coal storage shed. He said that a pile of nets in one corner of the building was smoking and fire quickly spread throughout the structure.

Mr. Greenwood told officers that the nets were purchased in 1948. They were covered with a heavy canvas tarpaulin. The building, located on West-over near Zaiger Distributing warehouse and the Iosco County Road Commission garage, was checked in January. It was first believed that spontaneous combustion may have caused the blaze.

To Participate in Teen-Age Exchange Program—

Two Tawas Seniors to Visit Europe

Two Tawas Area High School seniors were notified last week that they have been accepted for participation in the Michigan Teen-Age Exchange Program. Miss Barbara Mercer, daughter of the

two months next summer. The two successful applicants from here are Miss Julie White, daughter of Mr. and Mrs. Stuart White of East Tawas, and Miss Barbara Mercer, daughter of the

Rev. and Mrs. C. E. Mercer of Tawas City. Both girls are 17 years of age.

The two girls will join other teen-agers from Michigan in June and will leave by chartered plane

from Detroit Metropolitan Airport for Amsterdam, Holland, states Mrs. Rachel Andresen, director of the Michigan program. The exchange is sponsored by Michigan and Ann Arbor-Washtenaw Councils of Churches.

During their two months in Europe, the two girls will be guests of families who are participating in the program. Although their exact destination will not be known until May, they will visit either the Netherlands or Western European countries.

While in Europe, they will learn the customs and study first hand the mode of living there in an effort to promote a better understanding among nations.

At the present time, the Mercer family is host to a Netherlands exchange student, Miss Tineke Feddema, a senior at Tawas Area High School. She came to this country last August and is spending a year here under a similar exchange program sponsored by the Michigan Council of Churches.

Miss Feddema will leave next July for her home in Groningen in the northern part of Holland. The two Tawas girls plan to visit Miss Feddema and her family there.

On their return to the United States, Miss White plans to attend St. Mary's Junior College, Raleigh, North Carolina, and Miss Mercer has been accepted for enrollment at Ottawa University, Ottawa, Kansas.

MAKING APPLICATION for passports with County Clerk George Prescott are Miss Barbara Mercer, second from right, and Miss Julie White, right, who have been accepted in the Michigan Teen-Age Exchange Program which will take them to Europe for two months next summer. Lending her expert advice to the two Tawas Area High School seniors is a classmate, Miss Tineke Feddema, second from left, an exchange student from the Netherlands who is spending a year with the Mercer family in Tawas City.—Tawas Herald Photo.

Raymond's Sale Starts Tomorrow

The "going out of business sale" of Raymond's Department Store, Tawas City, starts tomorrow (Thursday). According to an advertisement appearing on pages 4 and 5 of this newspaper, prices in many instances have been slashed as much as 75 percent and everything must be sold.

Harold Raymond, owner, said this week that reason for the sale was because of his outside business interest. "I plan on selling out both the Tawas City and Pinconning stores," he commented.

Raymond is now selling for Investors Diversified Service, dealing in mutual funds and insurance.

He expressed his appreciation to customers for their patronage during the past four years. "It has been a pleasure to serve you," he said. Raymond purchased the business from C. L. McLean, longtime Tawas City merchant, in December 1955.

NOTHING TAKES THE PLACE OF THE NEWSPAPER IN EVERY DAY AMERICAN LIFE . . .

Your newspaper is always right at hand, to read and enjoy—over and over again if you wish—and, by all the family!

No other medium is so constant and consistent in presenting every type of news — opinions, information and entertainment — public service, too.

YOU should be a Herald Subscriber!

- 1. BECAUSE The Herald carries pictures and reports of what's going on in your community, county and other vital state and national news that affects the readers locally.
2. BECAUSE it is a legal medium through which your city, township and county notices, regarding things which affect your pocketbook, are published.

ANY MEMBER OF A COMMUNITY who does not read the local newspaper is sadly uninformed on: CHURCH AFFAIRS, SOCIAL EVENTS, SCHOOLS, TAXES, GOVERNMENT, POLITICS and ALL Co-operative Community Projects.

Last -- But Not Least

The Tawas Herald carries THE NEWS about your neighbors and friends, their social activities, their happiness and sorrow, their successes, their marriages, births and deaths, their history in the making and their dreams of happiness and success to come.

Hale News...

HEALTH COUNCIL PLANS RUMMAGE SALE

Hale Health Council met at the Legion Hall February 9 with 10 members attending. Plans for a rummage sale were discussed with a pancake supper on the same date. The health unit has on hand quite a number of cancer pads and bed pads.

Mrs. Lillian Finnie has offered the unit a sewing machine which will help in the mending and fixing of garments for the needy. It was requested that each member ask the organization which they represent to have its members bring material needed for bed pads so they can be made up before spring house cleaning and gardening work start.

Mr. and Mrs. Chester Bielby returned last week from Florida where they had spent several weeks.

Mrs. Carl Slosser, Judy and Mrs. Hugh Slosser were Friday callers in the Tawas.

Mr. and Mrs. Glenwood Stroeter were Sunday guests at the Arthur Johnson home in Whittemore.

The Rev. James Duthie and family moved last Friday to Warren. Hale residents wish them luck in their new location.

Mrs. Roy Curtis, who has been ill, is much improved.

Mrs. Florence Dooley, Mrs. Grace Adams and Mrs. Perry Shellenbarger went to Detroit last Friday to attend the wedding of a friend.

Bud Stine and Gerald Slosser were home from Mt. Pleasant for the week-end.

Mr. and Mrs. William Marfleet were Sunday dinner guests at the Gordon Dodder home.

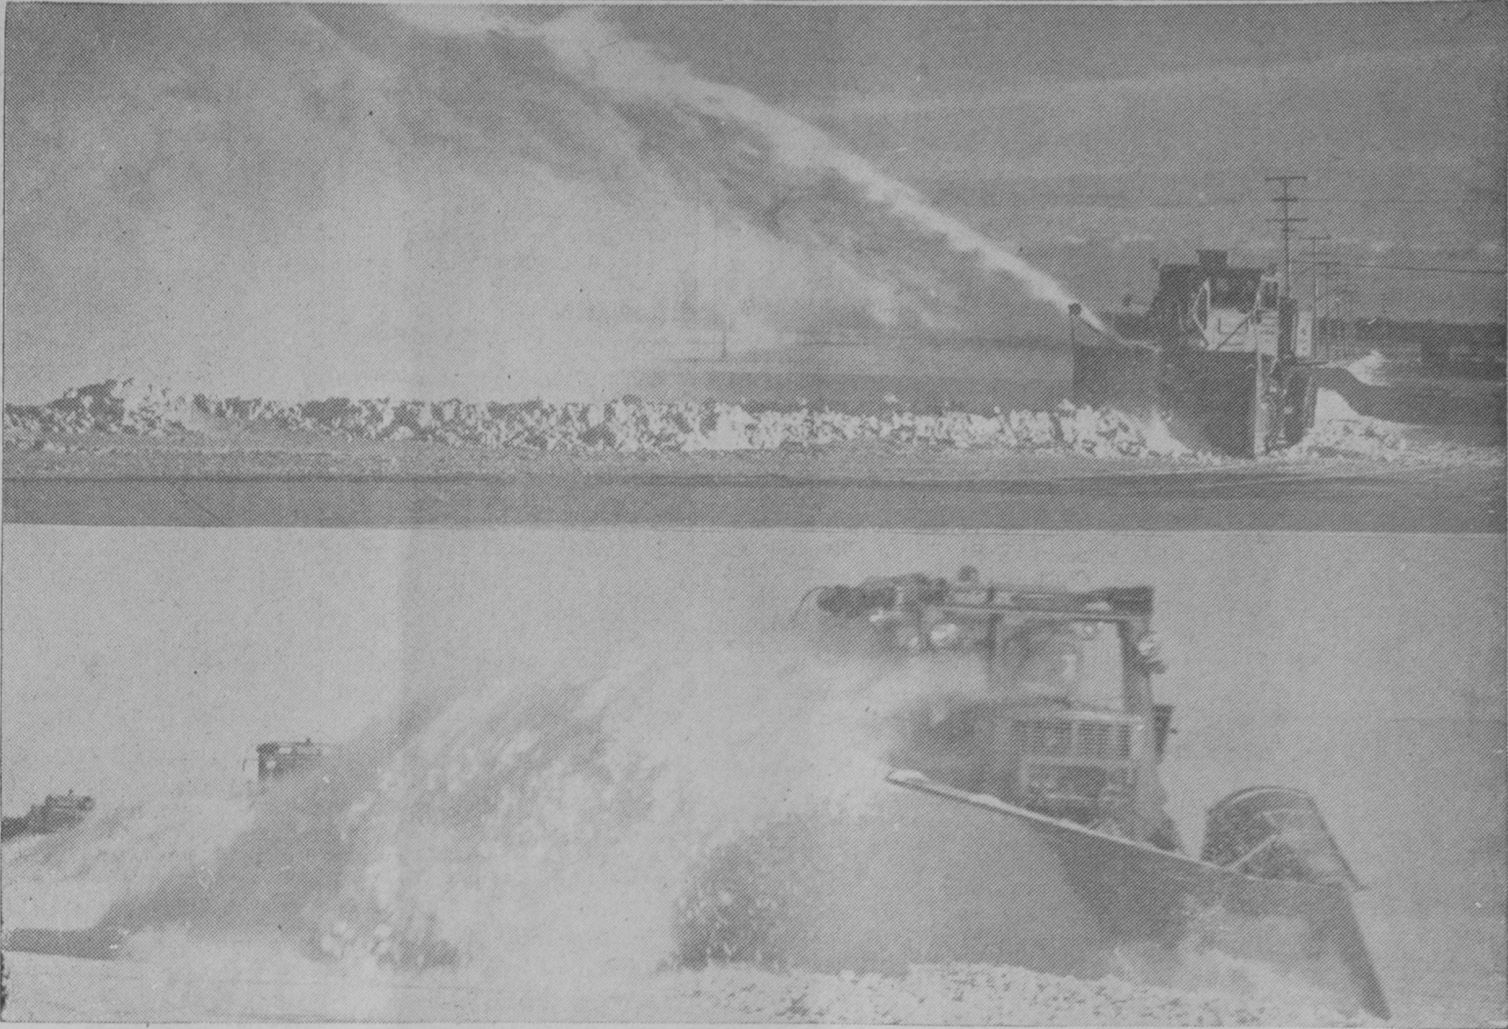

Mr. and Mrs. Gordon French were hosts at the pedro party at Love Hall Saturday night. Lady's high was won by Edith Goddrow, gent's high by Mr. French, lady's low by Faye Ewing and gent's low by Archie Ewing.

Mr. and Mrs. Kenneth Salisbury have been quite ill with the flu.

Mr. and Mrs. Clayton Bellville and son were Sunday dinner guests at the Merton Webb home.

Mr. and Mrs. DeLois Allen and son, Kim, went to Flint Saturday to visit relatives. Mrs. Mable Greve accompanied them and visited at the home of her niece, Myrtle. They returned home Sunday.

The Rev. Earl Redman, the new minister of Hale Baptist Church, has placed his Hammond organ in the church. Mr. Redman and his family will be moving into the parsonage which was vacated by the Rev. James Duthie last Friday.

SNOW REMOVAL at Wurtsmith Air Force Base, Osoda, is a tremendous task during Michigan's long winter months, requiring much special equipment and many man hours of labor. Two photos at top show snow plows in operation after a recent storm, cleaning snow from the runways. The picture at bottom shows Capt. George Tucker, base engineer, briefing his staff on base priority areas according to the current snow removal plan.—United States Air Force Photos.

W-P AREA BANDS PRESENT PROGRAM FOR BOOSTER CLUB

Whittemore - Prescott Band Booster Club met Monday evening for its regular monthly meeting. The program for the evening was presented by members of the junior and senior bands who took part in the solo and ensemble district festival at Clare Saturday.

Students participating were a sextet of senior band members, Judy Carpenter, Barth Stoner, Kenneth St. John, Clifford St. John, Rosann Siegrist and Leslie Rasbury; a trombone solo by Kenneth St. John, accompanied by Betty St. John; a flute solo by Sheryl Papp; a cornet solo by Michael O'Farrell, accompanied by Betty St. John; a flute solo by Jeaneeen Lawson; a junior band cornet quartet composed of Roger Britt, Michael O'Farrell, Carolyn McLean and Paula LaForge; a bassoon solo by Betty St. John, and a clarinet solo by Ann Bellville.

The senior band sextet and the bassoon solo took firsts at the district festival and these contestants will go to the state festival. All other students took seconds at the festival.

Plans were made to hold the band banquet at the Prescott school Monday evening, March 14. Movies of the trip made by Michigan State University to the Rose Bowl will be featured as a part of the banquet program. Tickets are available from band students.

Refreshments were served at the close of the meeting.

HONORED WITH SHOWER BY HALE FIREMEN'S WIVES

Hale firemen's wives held a shower at the home of Mrs. Eunice Salisbury last Friday night honoring Mrs. Jean Spearman. They presented her with a high chair, a group gift. Cards were played after which lunch was served.

JUVENILE GRANGE PLANS THEATER PARTY

Whittemore Juvenile Grange held its regular meeting Saturday evening with Master William Bellville in charge. Tentative plans for a theater party were made. A committee composed of Richard Ostrander, Bruce Hall and Linda Runyan will select the movie.

Linda, Joanne, Lucian and Daniel Hatfield were elected to membership.

Important dates in the month of February were read by Beverly Bellville, a poem was read by JoAnn Currie, a story by Ann Bellville and the song, "The Sunshine Man," was sung.
