REMEMBER HOW GOOD it felt when you were in school and got to see a movie during class time?

It was almost like going to a “show.” Youngsters who are in school today will be getting that feeling more often, thanks to educational TV. But instead of seeing a western or their favorite mystery, the kids may be watching a play by Shakespeare or seeing how an atom behaves.

1960 FEED WHEAT PROGRAM

A farmer whose 1960 wheat acreage allotment is less than 30 acres and who has excess acreage planted may want to consider participating in the feed wheat program next year. To do this, the farmer must apply at the county ASC office within 15 days after his notice of excess acreage is mailed to him.

Tawas Area in 60-47 Victory Over Eastern

Arenac Eastern Eagles, hailing from the smallest school in the NEM Conference, gave another good account of itself Friday night but still came out on the short end of a 60-47 score against the Tawas Area Braves.

The win kept Tawas right in the thick of the race for top spot in league standings, pointing the way to the all-important clash between the Braves and Houghton Lake last night (Tuesday).

The Friday night game saw the Braves jump to a 15-10 first quarter lead and then score in double figures in the remaining three quarters to out-distance the Eagles. However Arenac Eastern was never covered out until the final whistle, out-scoring the Braves 17-13 in the fourth quarter.

Tawas Area won on the strength of its shooting accuracy, making good on 42 percent of its 59 attempts at field goals. On the other hand, had Eastern been able to come up with another scorer, the game could have been much closer. The Eagles connected on 23 percent of their 72 shots from the floor.

Forward Arnie Stump was top scorer of the night for Tawas, although he missed most of the first half after having committed three fouls in the first three minutes. Stump came back in the second half and took top honors with 16 points. Tawas had seven players who reached the scoring column and that meant the difference in the final score.

Top man for the Eagles was Forward Dale Suminski with 17 points. He was followed by Brown with 10.

This was Coach Bill McIntosh's 100th basketball game since coming to Tawas in 1956, out of which his teams have won 87.

Junior Braves Rack Up Another Win, 67-28, Friday Night

Tawas Area Junior Braves, under the guiding hand of Coach Howard Adams, racked up another win Friday night defeating the Arenac Eastern JV, 67-28.

The Tawas team took a 10-1 advantage in the first quarter and by halftime had a 26-13 lead; Tawas Area continued its scoring pace in the second half, counting 19 points in the third quarter and 22 in the fourth.

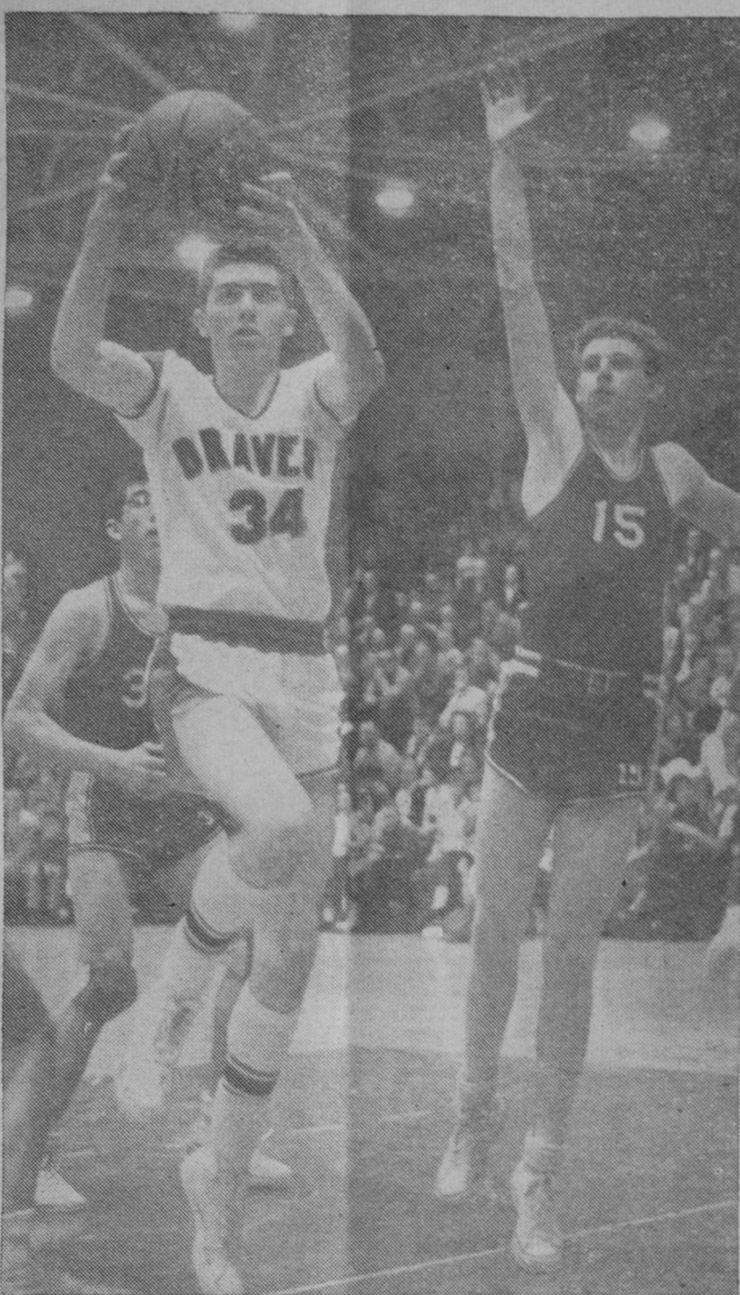

Guard Charles Mercer topped scoring for both teams with 17 points on seven field goals and three foul shots. Don Humphrey and Jim LeViere were tied for second spot with 13 each. Seele was scoring leader for the losers with 15.

Top game of the league's play found Tawas Area at Houghton Lake Tuesday night. In other games scheduled, Standish-Sterling was at Gladwin. West Branch at Arenac Eastern and Roscommon entertained Beaverton. On Friday night, Pinconning plays at Gladwin. West Branch goes to Houghton Lake, Roscommon is at Standish-Sterling and Beaverton travels to Arenac Eastern.

Table with 4 columns: Player Name, FG, FT, TP. Lists players like Seele, Berry, Knight, etc.

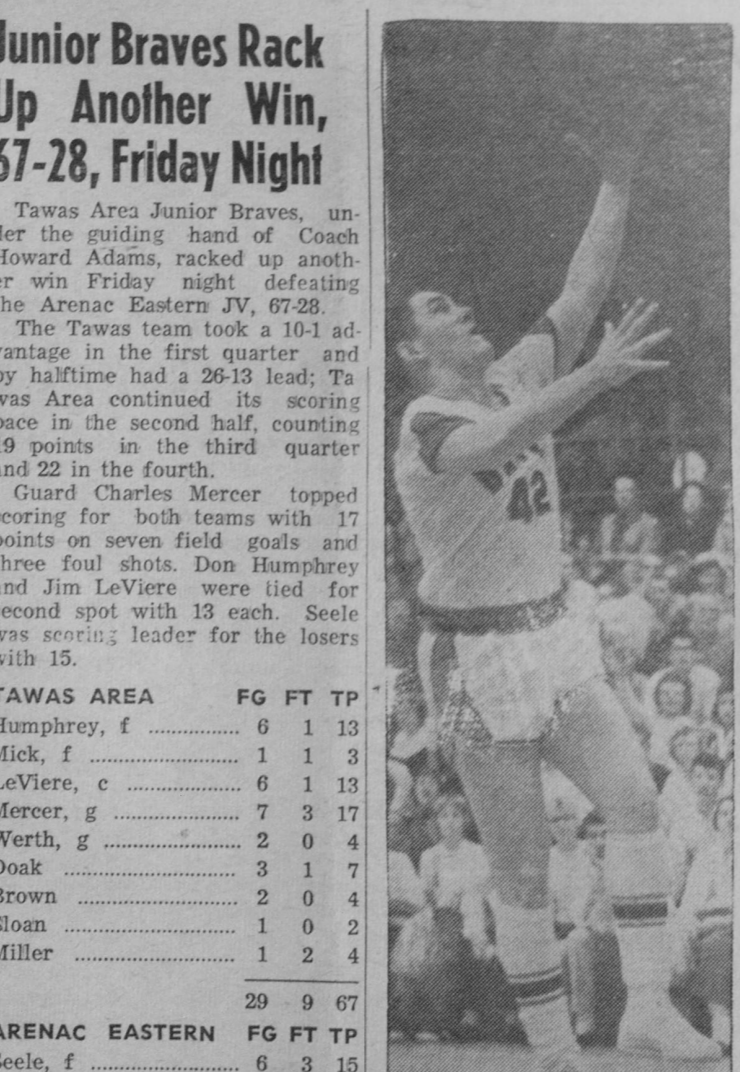

Three men topped the 20 mark in Friday night's play. Leader was Forward Dick Marter of Pinconning with 26 points on 13 field goals. Marter's stint gave him the league lead in total points with 133 in seven ball games. Runner-up was Center Tony Ehinger of West Branch with 22 on 10 from the court and two free throws while Guard Doug Dudley of Standish-Sterling was a step behind with 21 on six baskets and nine charity tosses. Ehinger stayed with Marter on game average with 113 points in six games.

Cardinals Add Two More Victories to List During Past Week

The Whittemore-Prescott Cardinals added two more victories to their list Friday night at Alcona, downing the varsity, 62-39, and the JVs, 48-34.

The Cardinals doubled their opponent's score in the first half, leading 32-16 at the half. The Tigers came to life in the third quarter to match the Cards' 16 points. The Cards again doubled the Tigers' score in the fourth quarter, 12-6, to end up on the long end of a 62-38 score.

Whittemore-Prescott again showed a well balanced scoring attack with four players in double figures. Dave Goupil topped the offensive attack with 20 points on nine and two. Fegan came off the bench to do a fine job scoring 10 points.

Johnston was the only Tiger scoring threat, pouring in 23 points, many of them on long shots when the Alcona lads were unable to crack the Card defense.

The Card JV squad walked over the Tiger "kittens," leading 30-13 at halftime with Coach Fegan giving all his boys a

chance to play in the last half. Armstead, with 22 points, was high scorer for the Cards.

Whittemore-Prescott's varsity now has won its last four games for a 5-2 record. Next game on the schedule will be with highly touted AuGres Friday night.

Earlier in the week, the Cards defeated Hale Tuesday night, 50-27, and the W-P junior varsity won, 35-20.

The varsity game was a close contest for the first quarter with the Cards leading, 8-7. In the second quarter, the Cards doubled the Eagles' score, 14-7, to lead at halftime 22-14. The Cards started hitting the bucket in the third quarter and racked up 17 points while using an all-court press to hold Hale to two field goals and a charity toss to wrap up the game.

Gibson was the scoring leader of the night with 14 points and Bielby topped the losers with eight.

Armstead paced the JV squad with 12 points for Whittemore-Prescott, while Wells dropped in 10 for Hale.

**JUVENILE GRANGE PLANS SLEIGHING-SKATING PARTY**

The Whittemore Juvenile Grange met Friday evening with Master William Bellville in the chair. Final plans were made for a sleighride and skating party to be held at the home of Richard and Diann Ostrander Sunday afternoon, January 17, at 1:30 o'clock. A wiener roast and hot chocolate will be the refreshments.

The February meeting will be held Saturday evening, February 13, because of a home basketball game on the regular meeting night.

The Lord's Prayer Candle-

light Service" was presented with Bruce Hall, William Bellville, Richard Ostrander, Susan Bellville, Diann Ostrander, Joan Halbert, Suzanne Halbert and Mrs. Marie Bellville, matron, taking part. A poem, "Popcorn in Winter," was read by Vicki Bellville and "The Popcorn Man" was read by Ann Bellville. Vicki Bellville played the piano selection, "Winter Wonderland." A story, "The Dog that Sought the Star," was read by Mrs. Bellville. A song, "Habits," was enjoyed with Ann Bellville at the piano. Popcorn was served as a part of the refreshments in keeping with the program theme.

TERRY McDERMOTT of Essexville, who left Saturday to participate in the winter olympics at Squaw Valley, California, is shown above (in striped warm-up pants) talking with members of the newly-organized Tawas Skating Club. The picture was snapped last week as the club held a practice session on the

skating rink at the Michigan Waterways Commission Dock, East Tawas. William Grebe, president of the local club, is fourth from right. The local club and the Tawas Chamber of Commerce will be hosts at a meet January 30-31 of the Michigan Skating Association.—Tawas Herald Photo.

### 'Bumper Pusher' Greatest Cause of Road Accidents

The sign on the back of the truck-trailer read: "Don't hug me, I'm going steady."

Another motor van bore the admonition printed on its tailgate: "If you can't stop in time, smile as you go under."

These and similar messages of grim humor are the truckers' way of warning the driver behind to stay away from trouble. They refer to one of the most common driving habits found on the streets and highways today, a habit which often leads to death and injury, that of "following too closely."

To call attention to this dangerous practice, the Michigan Association of Chiefs of Police have put up 15,000 posters throughout the state devoted to the "bumper pusher" in their continuing program of characterizing drivers who are unwanted in Michigan.

The accident record of the bumper pusher is bad—with 12 killed and 2,440 injured last year, representing an estimated loss of \$1.6 million. But the accident statistics tell only a small part of the bumper pusher's record. Police point out that few traffic tickets are issued for this violation until an accident has resulted and even then, the ticket may refer to some other violation more immediate to the accident. Yet following too closely is the driving error which made the ac-

cident almost inevitable. The description on the police poster devoted to the bumper pusher points out that this driver depends on his driving skill rather than on his driving sense to keep out of trouble. The result is that he often over-estimates his skill and becomes involved in rear-end and side-swiping collisions when he has to stop or is attempting to pass.

Police Chief George Ruth of Tawas City points out that the bumper pusher can be readily identified whenever traffic congestion occurs. Slowly moving traffic is always a warning to good drivers that there are dangerous driving conditions present. This is the time when the bumper pusher rides close to the car ahead, depending on the driver ahead to think for him. When a sudden stop is necessary, the bumper pusher finds himself unable to stop in time and the resulting rear-end collision often produces serious whip-lash injuries to the back and neck of the passengers in the lead vehicle. Even at slow speeds such whip-lash injuries can be serious.

When the bumper pusher operates on the open highway or on rural roads, he is even more dangerous because of the higher speed involved. Of the 12 fatalities credited to "following too closely" last year, 10 of them happened in rural locations. In all accidents involving this violation, half are in rural and half in urban locations, but the injuries are generally more severe in the rural areas.

The police posters suggest certain defensive measures the good driver can adopt when overtaken by a bumper pusher. First attempt to warn him off by flashing brake lights "on and off" rapidly. This may alert the following driver who has not realized he is getting too close. If this does not work, police suggest you pull over to the side of the road and let the bumper pusher pass. Sudden stops in front of the bumper pusher should be avoided as he has not room enough to stop in time.

### WITH THE IOSCO 4-H Clubs

By DOROTHY SCOTT  
County Agent

Sandra Ranger, secretary of Hale Happy Hustlers 4-H Club, has provided us information about their December 11 community club meeting. They had an election of officers and selected new projects. This month's meeting was January 11 and we will hope to have a story from the news reporter next week.

Ottawas Community 4-H Club met in the Federal Building January 6, featuring singing, flag pledges and presentation of awards.

It was decided to have a fudge sale the first week in February. Four members, Marguerite Greenlee, Craig Kowalsky, Judy Kirby, Kenneth Davenport, were named to represent our 4-H Club at the Civil Defense meetings.

It is coming the time of year when boys and girls who will graduate from high school in June are making decisions. What will they do after graduation? Get a job? Attend college? Attend some other special training school?

If your desire is to attend college, then you will no doubt be looking for ways and means to do it (in other words, money).

Are you familiar with the many sources of scholarships? May we call to your attention a few scholarships available to students at Michigan State University?

First of all, of course, is the 4-H Club scholarship. Another is the Future Farmers of America scholarship. And then there are these: Hemstreet Award, Kroger Company, Michigan Beet Sugar Industry, Sears-Roebuck Foundation.

Some of these sources offer one, others offer several scholarships. We can give you more information about them; such as, their value and eligibility requirements. We can also supply you the scholarship application forms you need.

Are you hoping for college funds for next fall? Could you use scholarship help? Talk with us about it. We shall try and help you find the right one. And remember, applications are required on or before April 15. Today is the time to act—write us a letter.

Your newspaper is always right at hand, to read and enjoy—over and over again if you wish—and, by all the family!

No other medium is so constant and consistent in presenting every type of news — opinions, information and entertainment — public service, too. You listen to, and look at other media — but just leave the room — and you've "missed the score." Your newspaper is an ever-present reminder of what's "going on." Make THE TAWAS HERALD — YOUR newspaper.

### YOU should be a Herald Subscriber!

1. BECAUSE The Herald carries pictures and reports of what's going on in your community, county and other vital state and national news that affects the readers locally.
2. BECAUSE it is a legal medium through which your city, township and county notices, regarding things which affect your pocketbook, are published.
3. BECAUSE it keeps you posted on all official actions by your board of education, school administration; it reports plans of official bodies which have the authority to levy taxes against your home, business or industry.
4. BECAUSE The Herald is your Shopping Guide, carrying the merchandising messages of bargains offered by your local stores, which saves you time and money by providing you an opportunity to prepare your shopping list in advance.
5. BECAUSE it provides a common meeting place for every reader in your shopping area where community affairs can be discussed and ideas exchanged to benefit all.
6. BECAUSE it sponsors, supports and boosts every worthwhile community project, including those of charitable nature giving to community leaders the aid and support which they must have in order to keep the community abreast of the times in carrying out the responsibilities of a collective or social nature.

ANY MEMBER OF A COMMUNITY who does not read the local newspaper is sadly uninformed on: CHURCH AFFAIRS, SOCIAL EVENTS, SCHOOLS, TAXES, GOVERNMENT, POLITICS and ALL Co-operative Community Projects.

### Last -- But Not Least

The Tawas Herald carries THE NEWS about your neighbors and friends, their social activities, their happiness and sorrow, their successes, their marriages, births and deaths, their history in the making and their dreams of happiness and success to come.
