

IT WILL SOON be harness racing time at the Iosco County Fair and this horse seems to be looking at the new improvements at the Hale race track. Fair time is only one week away, July 27 through 30. Turn to page 3 for more pictures.—Tawas Herald Photo.

Fair Opens Next Week; New Facilities Completed

Area residents will see many new improvements at the fair grounds in Hale when the annual Iosco County Fair opens next Wednesday, July 27, and continues through July 30.

Fair Secretary-Manager Thurman Scofield said today that the Iosco County Agricultural Society, sponsor of the fair, had the public in mind when these new facilities were planned.

For example, a roof has been constructed over the grandstand. "This will protect spectators from the hot sun during harness races," said Scofield. Construction on the new concrete block grandstand was started last year. Other improvements include new sanitary toilet facilities located at the entrance to the race track. A new horse barn was constructed last year and the old one came in for vast remodeling this year.

A new bandstand was constructed across from the grandstand with judges stand perched on top.

The fair officially opens next Wednesday with assembling of exhibits from 9:00 a. m. to 4:00 p. m.

Exhibits will be judged Thursday from 9:00 a. m. to 1:00 p. m. Horse racing will be held on Thursday, Friday and Saturday afternoons starting at 2:30 o'clock.

In addition, a huge midway will be located on the fair grounds with rides and amusements for all ages.

Exhibition center will be located in the county garage. A parade will be held Saturday starting at 12:30 p. m. There will be games and contests for the youngsters.

Randall Fox is Promoted by Chrysler Corp.

Randall Fox, former Tawas City businessman who left this area in 1956 to join Chrysler Corporation, will return to Michigan with his family August 1. He has received a new promotion.

Fox has been appointed manager of the plant production and maintenance control for all assembly plants of the automotive corporation. He will move to Detroit the latter part of this month.

He sold his hardware store here in December of 1956 to Cecil Cabble and joined Chrysler Corporation as material control general superintendent at the then new plant in Newark, Delaware. The plant assembles Dodge and Plymouth automobiles for the eastern market.

Before purchasing the hardware business here from the late Eugene Bing in January 1946, Fox had been with General Motors Corporation for nearly 10 years.

He and his wife, Marguerite, have four children: Randall, 20, who is in military service; Timothy, 17, who will start his senior year in high school at Detroit; Kathryn, 12, and Carol, 11. While Fox was in Tawas City, he had taken an active part in civic affairs.

East Tawas Families Await European Exchange Students

Three East Tawas families are anxiously awaiting the arrival of three European exchange students who will spend the next year in their homes—and through recent letters addressed to their new families, the same could be said for the youngsters.

The three families who are cooperating in the Youth for Understanding Teen-Age Exchange Program, sponsored by the Michigan Council of Churches, are Mr. and Mrs. William Lee Brown, Mr. and Mrs. Richard Harwood and Mr. and Mrs. Herman Moehring.

Brown is a Michigan State Police trooper stationed at the East Tawas post, Harwood is an employee of the Peoples State

Bank and Moehring is an East Tawas florist.

The students will come by plane to Detroit Metropolitan Airport on August 15 or 19 from Amsterdam, following a two-day briefing conference. Their new families will be notified of their arrival date and time and will meet them at the airport.

Both the families and students will have two weeks to get acquainted before school begins.

Purpose of this project is to acquaint international teenage students with American family and community life by having them live with American families for one year; to enable them to gain an understanding and appreciation of the American

way of life through participation in typical high school, family and other aspects of community life.

Such a program enables the student to engage in general high school studies combined whenever possible with participation in student government activities as an integral part of their academic schedule; and to acquaint the students at first hand with the philosophy and operation of American schools and community organizations and the places they hold in a democracy.

Living with the Browns for one year will be Andrea Kunau, 16, of Cologne, West Germany. She is the fifth of a family with

six children. Her father is a government chemist. Andrea is interested in many fields and has earned her pocket money by tutoring younger students and teaching them mathematics. She is a tall and sports-minded girl, gymnastics being her favorite subject.

Coming to East Tawas to live with the Harwoods is Miss Pirko Hyvarinen, 17, of Oulu, Finland. Active in many school groups in her native country, Pirko has studied English six years and has fair reading, writing and speaking ability in the Swedish and French languages.

She looks forward to further study of the English language in school here and reading is one of her hobbies. Her father is a government employee and she has two brothers and a sister.

Hannelore Stirnemann, 18, of West Berlin, Germany, will make her home with the Moehring's. She attended Bertha Von Suttner School in Berlin and is a senior. Her major study is language.

Hannelore's father is a Berlin businessman. She has been associated with the World Friends Club, a sports club, student council. This summer she has helped with the summer program which brings American students to Germany. Her family was host to an American high school student several years ago.

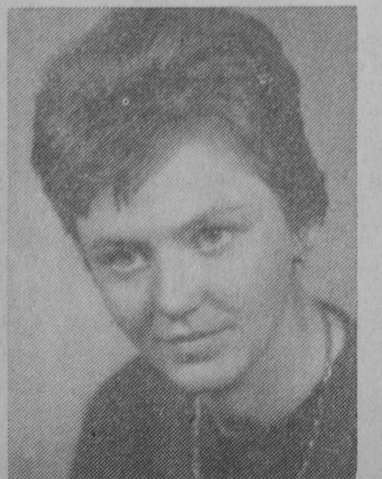

The selection committee considers all three girls excellent candidates for the student exchange program. (See STUDENTS, page 10.)

Council Takes No Action to Vacate Subdivision Plat

No action was taken by the Tawas City Council Monday night toward approval or disapproval on vacating the plat of Huron Gardens Subdivision.

Mr. and Mrs. Victor Zaharias, owners, had requested council action at its last meeting in order that a final determination on substituting a new plat might be taken into circuit court. Participating in a lengthy discussion with the council over vacating the plat was Mrs. Zaharias and her father, John A. Brugger. Others attending the meeting were Elmer Burrell, owner of the adjacent North Park Acres Subdivision, and several property owners in the two subdivisions.

In opening the session, Mayor George Tuttle said that the only subject which concerned the council was to hear reasons for changing the plat and reasons, if any, against such a move.

Herbert Hertzler, attorney for Mr. Burrell, presented petitions signed by several property owners in North Park Acres which objected to any change should it affect their boundary lines.

Tuttle said that it was up to council members to decide if the city wanted to appear in circuit court on such a plat change. He indicated that if the council chose not to appear, it would mean that city approval was given for the vacation.

Owners of Huron Gardens wish to substitute a new plat for one which was approved some years ago by the council. Several street changes have been requested, including one which would move Roberta Drive approximately 107 feet to the south.

Plats for each subdivision were approved by the council about the same time. A 33-foot-wide

strip of property separating the two subdivisions was dedicated to the city for use as a street, Roberta Drive. But, since that time, a boundary dispute has arisen. There is also a question as to the existence of an easement which was said to have run through Goldsmith's Addition. Prior to the meeting, the council had inspected the street in question. As a solution to another problem, Tuttle suggested that a drain tile be run down a ditch separating the two subdivisions and then covered.

The possibility of such a move is to be discussed between the two subdivision owners and the city.

East Tawas to Expand-Improve Parking Lots

Expansion and improvement to city parking lots in East Tawas was virtually assured at Monday night's meeting of the city council. A study is to be made by Supt. of Public Works Paul Roper, who is to report his findings at the next meeting.

Mayor Elmer Werth said Tuesday morning that the council plans to go "all out" in this program and indicated that the council hopes to complete the program by this fall.

The city superintendent was authorized to bring city parking lots and alleys to grade and to bring in plans for a storm sewer between Newman and Main Streets and Westover and Bay Streets.

The council indicated that it may start condemnation proceedings against some property in order to expand parking lots.

In other business, the council authorized the expenditure of \$85 for the American Red Cross swimming program now in progress at the state park.

Approval was given to a change in the liquor license of Mrs. Irene Klenow. The name of her son, William, was added.

Building permits approved included: Walter Decker, screen in porch; John Boles Jr., construct new home; Helen Phillips, repair and remodel home; Mrs. Walter Landsbach, repair porch; Ernest Stafford, repair home; Joseph Reinke, construct new roof; Roy W. Hickey, repair home.

Investigating state police officers from East Tawas said that Sovey ran into the rear of a car being driven by Shelton Danson, 35, of Lakeview, Ohio. Danson was in the process of making a left hand turn.

Ordinance Changed; City to Enforce Weed Control

Tawas City Council has taken action to enforce its weed control ordinance, passed some months ago.

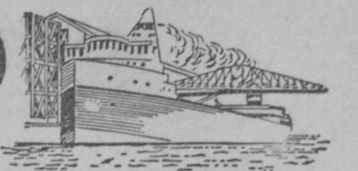

An amendment to the ordinance was passed Monday night which requires owners of vacant property to cut weeds and grass within 200 feet of a neighboring dwelling.

Under the present ordinance, according to council members,

HERMAN LEVI, Michigan Bell Telephone Company employee, left, receives the coveted Theodore N. Vail silver medal from John F. Agar, general plant manager for the company, during a luncheon Tuesday at the Barnes Hotel.—Tawas Herald Photo.

Herman Levi Wins Second Vail Medal

Located high on the water tank in East Tawas is a strap-on pulley owned by Michigan Bell Telephone Company. The man who fastened it there one night last December was honored at a luncheon Tuesday noon.

This man, Herman Levi, an exchange repairman for the telephone company in the Oscoda-Tawas area, received the Bell System's second highest award for meritorious service. . . . Theodore N. Vail silver medal.

More than 75 of Levi's fellow telephone company workers, relatives, friends and community leaders gathered at the Barnes Hotel to pay tribute to him for risking his life to save a fellow man.

In a discussion prior to the luncheon with Thomas S. Nurnberger, vice president of personnel for Michigan Bell, Levi confided that as far as he was concerned, the pulley could remain atop the tower—one climb was enough for him.

This was Levi's second Theodore N. Vail medal. He received the first, a bronze award, in 1953 for saving the lives of several people during a fire in Livonia. It was the first time in the history of the award that one person has received two medals.

Accompanying the silver medal was a check for \$1,000 from Michigan Bell Telephone Company.

Also present at the luncheon was an airman from Wurtsmith Air Force Base, Alc Mark Blodgett, who played a key role in the dramatic early morning rescue nearly eight months ago.

In outlining the history of the award, Mr. Nurnberger related the incident for which Levi was so honored.

During below zero temperatures, Levi and Blodgett rescued a man from atop the tower. The man was placed on Levi's shoulders and he made the descent down the 180-foot tower as police on the ground paid out a rope attached to the victim.

Blodgett had talked the man into climbing down to the platform around the tower.

PAUL BAGWELL COMING TO IOSCO

Elmer Werth, chairman of the Iosco County Republican Committee, announced Tuesday that Paul V. Bagwell, Republican candidate for governor, would be in Iosco County July 30. He plans to visit Oscoda, the Tawas and Iosco County Fair at Hale.

Edward Seifert Jr. of East Tawas is chairman of the Bagwell for governor committee in Iosco County.

Finds \$472 on Sidewalk—

Girl Wins Praise of Police for Honesty

"This just proves that there are still honest people in the world," is what local police officers had to say Sunday night in commending a 15-year-old East Tawas girl. Their views were supported by a local businessman.

Police were speaking about Marianne White, daughter of Mr. and Mrs. Wayne White, who found a bag containing \$472 in large denomination bills and gave it to police to return the money to its rightful owner.

"The story could have had a different ending had someone other than Marianne found the money," said police officers.

Dejected over the loss of the zipper money bag, Douglas Ferguson of East Tawas had just about given up hope of ever recovering the money.

His 14-year-old son had dropped it while Ferguson and his other son were getting into their car near the Peoples State Bank on Newman Street. Loss of the bag was not noticed until they reached their place of business about nine miles north of here.

The three immediately retraced their steps back to East Tawas. Iosco Sheriff's Deputy Gene Ballinger, State Trooper William L. Brown and the Ferguson family were supported by Michigan State Police Officer George Duff.—Tawas Herald Photo.

WHILE WALKING to work Sunday morning, Miss Marianne White, 15, of East Tawas found a bag containing \$472 in large denomination bills. She is shown here turning the money over to Michigan State Police Trooper James Ewer, right, and East Tawas City Police Officer George Duff.—Tawas Herald Photo.

'Harp' Hayes of Glennie Dies at Age of 93

Joseph H. "Harp" Hayes, one-time AuSable River lumberman and well-known Northeastern Michigan resident, died at his home in Glennie Monday, July 18. He was 93 years of age.

Services will be held Thursday, July 21, 2:00 p. m., at Glennie Methodist Church. The body is at Moffatt Funeral Home and will lie in state at the church from 11:00 a. m. on the day of the funeral. Burial will be in Glennie Cemetery. Masonic rites will be given by AuSable Lodge, F and AM, Oscoda.

Born March 29, 1867, at Sanilac County, the son of William and Mary Hayes, he moved to Oscoda with his parents at the age of 14 years. He moved to Glennie three years later where he had since resided.

Mr. Hayes went into the lumber business in 1895 and retired in 1952. He was credited with conducting the last log drive down the AuSable River in the late 1890s, from McKinley to AuSable.

At one time he owned a gasoline service station on property where the Tawas Chamber of Commerce office is now located. In June of 1890, Mr. Hayes was married to Miss Fannie Vaughn in Glennie. She passed away in January 1929.

He was a member of Glennie Methodist Church; a life member of AuSable Lodge No. 243, F and AM, Oscoda; was active in state Republican politics in earlier years; was Curtis Township supervisor in Alcona County for 20 years and was a member of the Alcona County Road Commission for many years.

He is survived by his wife, Mary, whom he married at Glennie in July of 1934; two daughters, Mrs. Wilma Henderson of Midland and Mrs. Eva Kienholz of Lansing; and eight grandchildren.

Sheriff Alarmed Over Stray Dog 'Invasion'

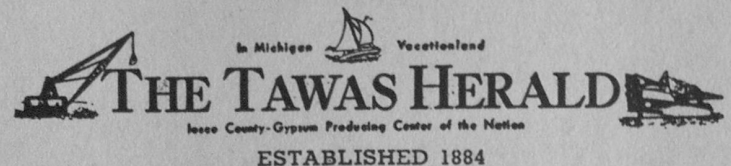

Alarmed over the increasing number of stray dogs being reported in Iosco County, Sheriff Ivan O'Farrell asked local residents to cooperate in a plan to "curb an invasion of out-of-town dogs."

O'Farrell said that summer visitors, who apparently do not wish to dispose of their own dogs, merely drive north and drop them off.

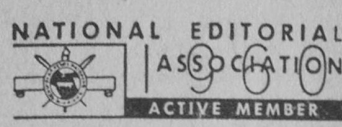

"We have had three stray dog cases during the past week which we can trace directly to out-of-county owners," said the sheriff. "One dog had a note tied to its collar which gave its name, that it wanted a new home and it had rabies shots."

A small child was bitten by this same dog near Big Island Lake last week.

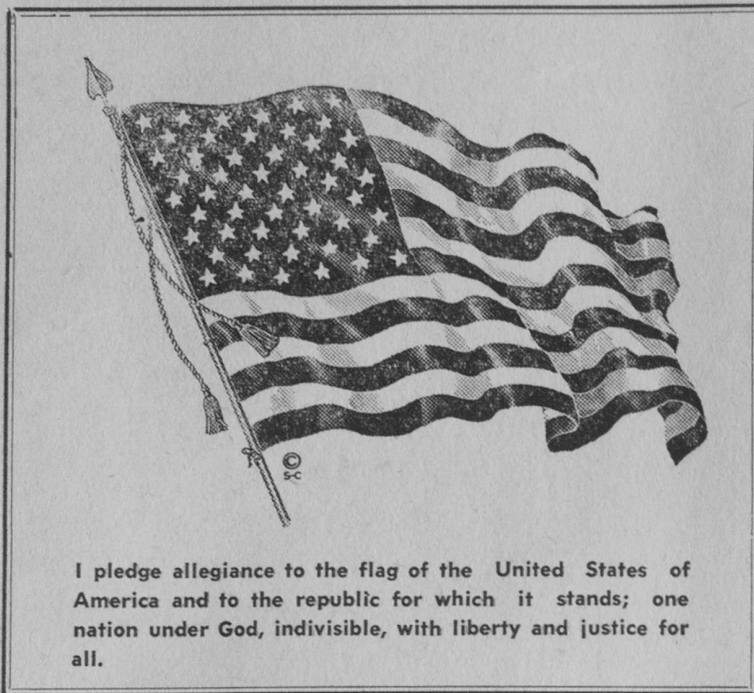

"We have enough trouble with our own dog population without this invasion from out-of-county," said O'Farrell. "We need assistance in coping with this problem and ask the cooperation of all residents. If anyone sees a dog being left behind by an out-of-county car, we would appreciate hearing about it. Report the license number and perhaps we can put an end to this problem."

Editorial—

Is People-to-People Needed?—It Sure Is

When Japanese students in Tokyo riot against their country's security treaty with us, many Americans are apt to adopt a disgusted air, saying "See how much good that People-to-People stuff does? They've never forgotten they lost the war—they hate us."

But "they"—the Japanese—don't hate us. We are hated by Communists who are loyal to no love of their homeland, who cleverly staged these riots and used excitable youths for their mission of discrediting United States influence in the Far East.

It is just such regrettable incidents that enhance, not diminish, the importance of People-to-People. The Communists admit they are engaged in a struggle for the "conquest of millions of minds and hearts of the working people throughout the world." The words are, in fact, those of V. Moskovsky, one of the top Soviet propagandists.

It is part of Mr. Moskovsky's job to constantly try to obscure and wreck the very solid achievements of the People-to-People program in winning confidence in United States aims the world over. Communists go in for "conquest." Our way is to put out a helping hand, dispense with the impersonality of officialdom, recognize that people everywhere want the good life and respond to genuine manifestations of friendship.

For there is a quiet power about such avowals of common humanity that no lying bluster and epithets can lessen. Communists are helpless before a program of partnership that operates at grass roots, transcending language barriers. People-to-People is invincible to their most extravagant abuse of it.—USAF, WAFB, The Aerie.

Looking Backward—

Oscoda-AuSable Wiped Out by Fire Tuesday

July 14, 1911—Oscoda and AuSable were wiped out of existence by fire Tuesday. Of the mills, many homes and business buildings only a few scattered remains were left standing in AuSable.

The known dead are Samuel Rosenthal, tailor; William Batt, an employee at the Elliott House, and an unidentified man.

The property loss amounts to several million dollars and included the Loud Mills, the AuSable and Northwestern Railway shops and millions of feet of lumber in addition to the homes and business places of the people of the two cities.

Forest fires in the vicinity of the Detroit and Mackinac Railway station were driven by a strong wind into the Loud Company cedar yard. The flames were carried across the river and soon both cities were a holocaust. The flames spread so rapidly that few people realized the danger until forced to flee for their lives.

Some people took refuge in the water of Lake Huron and others took to the plains. About 280 people from Oscoda escaped in the steam barge, Niko, which had just arrived for a cargo of lumber. Little was saved but their lives and the clothing on their backs.

Many of the people of the two stricken cities were taken to East Tawas, Tawas City, Bay City and Port Huron where relief is being given. The common expression among them is "All I have in the world, I have on."

Miss Edith Bradley returned Thursday from a visit in Detroit.

The Rev. Charles Miller and family of Saginaw are visiting relatives here.

Charles Fiedler returned to Detroit Monday after a visit in the city.

The Lauch Reliance is making trips to AuSable. The round trip fare is 50 cents.

Mr. and Mrs. Harry Latter of Montana are visiting Reno Township relatives.

Otto Sommerville has established a blacksmith shop at McIvor.

More than a thousand people attended the July 4 picnic at Sand Lake.

Miss Nellie Jackson of Reno Township is home from Chicago.

A. Blumenau of Whittemore is building one of the finest store buildings in Northeastern Michigan.

July 19, 1935—Emil Kunze, retired merchant and lumberman, died July 14. Early in life, he was identified in the lumber business at AuSable. In 1888, he and John Appin established the Kunze and Appin Market at East Tawas. He was active in the public service until 1926. A grocery store citizen, Mr. Kunze served his community as treasurer, on the city council and as a member of the board of education.

Mr. and Mrs. Frank Kessler of Flint are visiting relatives here.

Miss Norma Kasischek returned Friday from a visit at Midland.

Mr. and Mrs. Clarence King of Bay City are visiting East Tawas relatives.

Mr. and Mrs. Elmer Carpenter are spending a few days at Flint, Lansing and Jackson.

John and Albert Mochty of Flint are spending a few days with their father, Wenzel Mochty.

Mr. and Mrs. T. G. Scofield left this week for Louisiana where they will visit Mrs. Scofield's father.

July 21, 1950—The handsome new Ransom Building on Lake Street is nearly completed. V. H. Eckstein is the contractor.

Excavation work started this week for the addition to the McKay Chevrolet garage.

Mr. and Mrs. Gordon Dillon of Marlette are guests of relatives in the city.

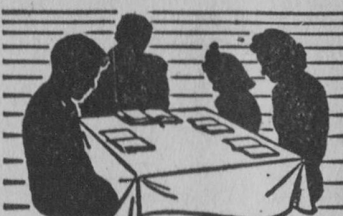

Mr. and Mrs. George Davey of St. Clair Shores are visiting East Tawas relatives.

Mrs. Frances Bigelow is spending a few days with relatives and friends at Rose City.

WCS POT-LUCK PICNIC ENJOYED AT MARK HOME Miss Ferne Mark was hostess to Tawas City WCS for its July meeting. A pot-luck picnic was held at her home.

The business session was conducted by Mrs. George Liske, president. Devotions were by Mrs. Reynold Mick, assisted by Mrs. Charles VanHorn.

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room THE UPPER ROOM, NASHVILLE, TENNESSEE

Read Romans 8:9-15 I believe it is significant that Jesus was crucified on a hill. His final journey on earth was an uphill one. He bore His cross. He climbed. He struggled. He reached the top. He triumphed.

Our burdens can never be so heavy as the one He carried. The hill can never be so steep as the one He climbed. So let us climb cheerfully, trustingly, onward and upward.

PRAYER Loving Father, bring us into a closer walk with Thee. May our faith become deeper, our witness stronger, and our hearts cleaner. Sustain us daily as we strive to walk the upward path. Set our affections on the things that count. In Jesus' name. Amen.

THOUGHT FOR THE DAY Today I will attempt great things for God. Bette Beckingham, Australia.

World-wide Bible reading—Hosea 2:1-23.

FAITH CIRCLE HOLDS STRAWBERRY FESTIVAL Faith Circle of the East Tawas Methodist WCS held a strawberry festival on the lawn at the home of the Rev. and Mrs. Joseph Dibley Tuesday, July 12. The tables were centered with bouquets of daisies and red roses. A group of members served coffee and strawberry short cake topped with whipped cream.

Punch was served as guests arrived by two boys, Larry Thurston and Eugene Evans. Paul Thurston and Leigh Evans dressed as hoboes made the rounds of the tables, collecting donations in a bushel basket. During the evening, a group from the Turner Methodist Church sang some hymn selections.

The WCS has dispensed with summer meetings. A rummage sale July 28-29 at the East Tawas Community Building and a bake sale July 30 have been scheduled.

ST. MARY'S GUILD HOLDS PICNIC LUNCHEON St. Mary's Guild of Christ Episcopal Church met at the parish hall last Tuesday afternoon, July 12, for a 1 o'clock picnic luncheon. Mrs. George Gifford, president, was in charge. Business meeting was dispensed with and the ladies enjoyed a social time.

For entertainment, the Rev. Canon and Mrs. Warner Forsyth of Oscoda were present and reviewed their recent trip to England. Four ladies, Mrs. Catherine McMullen, Mrs. Lottie Boyle, Mrs. Laura McMurray and Miss Mary Gardner, were presented with corsages and "Happy Birthday" was sung for them.

Thirty-three ladies were present. Announcement was made of the dinner Wednesday evening, July 20, at the church.

ATTEND OFFICERS SEMINAR AT STANDISH A group of eight ladies of the East Tawas Methodist WCS attended a seminar of officers of the district at the Standish Methodist Church Thursday, July 14. Saginaw Bay district officers were present.

CHRISTIAN SCIENCE How scientific prayer leads to a clearer understanding of Truth will be brought out at Christian Science services Sunday.

The lesson-sermon on "Truth" will include the following passages from the Bible (Luke 11:11, 13): "If a son shall ask bread of any of you that is a father, will he give him a stone? or if he ask a fish, will he give him a serpent? . . . If ye then, being evil, know how to give good gifts unto your children: how much more shall your heavenly Father give the Holy Spirit to them that ask him?"

The importance of prayer is also emphasized in readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (11:27-31): "Prayer cannot change the unalterable Truth, nor can prayer alone give us an understanding of Truth; but prayer, coupled with a fervent habitual desire to know and do the will of God, will bring us into all Truth."

"Since I bought my REFRIGERATOR-FREEZER, I can stock up on food bargains when the prices are low"

Says; MRS. LYLE BEZILE 4200 Dartmoor Lane Jackson, Michigan

It's Just Like Having a Supermarket in Your Home

If you are budget-conscious—and who isn't these days—you take advantage of every opportunity to save food money. If you have a Refrigerator-Freezer, like Mrs. Bezile, you buy when food prices are low—eat when prices are high. You take advantage of bargains by buying meat, frozen food and other foods in quantity and in season—you keep these food-values, 'til needed, in your Refrigerator-Freezer. Not only does a Refrigerator-Freezer help you save money, it's a time and work saver, too.

DID YOU EVER hear of the MYSTIC? It might be a fortune teller with a towel wrapped around his head, but it's not. The MYSTIC is Michigan State University's robot computer, and the unusual thing is that this overgrown adding machine now has a secretary of its own! Yes, the MYSTIC is hooked up to an automatic telephone answering device so a trained scientist can check on the machine by phone. That's certainly a sign of the times—now machines have machines working for them.

THE PHONE RANG and a small boy answered. "I have a collect call here," said the Michigan Bell operator. "Is there anyone older at home?" "Sure," answered the boy, "Michael's here. Do you want to talk to him?" "Well, how old is Michael?" asked the operator. "Just a minute," replied the boy. In a moment, the youngster returned to the phone: "Michael says he's seventy!"

MOVE OVER, Princess Margaret and all the crowned heads of Europe... we've got our own Princess—a wonderful, new addition to our family of telephones. The lovely Princess is the latest thing in telephones. Little enough to fit on the smallest night table, it comes in five decorative colors. FORMER LOCAL TEACHER EXTENSION DIRECTOR
Frank Madaski, a former teacher in Whittemore who has been county extension director for Houghton and Keweenaw Counties since 1949, has been picked for the coveted position of extension director of Berrien County, effective August 1. In making the announcement, Irving Wyeth, acting Upper Peninsula extension director for Michigan State University, said that Mr. Madaski was selected for the key Berrien County post assignment because of his outstanding record in the Copper Country. Berrien County is Michigan's richest agriculture county. The importance of Mr. Madaski's promotion may be visualized from the size of his staff, which will total 11 in Berrien County as compared to three in Houghton and Keweenaw Counties. He will be the extension director, supervising a field staff of seven extension agents and an office force of four.

He was born in Caspian, Upper Peninsula, and received his bachelor degree from Michigan State University in 1941. He was awarded a master degree in agricultural economics from the same institution in 1955.

Before joining the extension service as Iron County's 4-H agent in 1946, he taught vocational agriculture in Stambaugh and Whittemore.

Americans Win NEM League All-Star Contest

OPENING PITCH in Sunday night's Knothole League all-star game is thrown by Mike Riley of the National division. Gary Binder, first batter for the Americans, took four straight pitches and

received a base on balls. Catcher for the Nationals is Wayne Fairfield. Bill McCoy is umpire. This game was preceded by the Pony League all-star game.—Tawas Herald Photo.

Game Under Lights Marred by Errors

American division all-stars, apparently not happy with the play of their major league counterparts in two games last week, gave their National division cousins in the Northeastern Michigan League a 13-5 shellacking in the annual all-star game held here under the lights Friday night.

For five innings, the two divisions played on even terms and the Nationals held a 2-1 edge going into the sixth inning. At this point, the roof caved in on the Nationals as the winners scored eight runs on only two hits.

The Nationals paved the way to its own downfall with shoddy fielding and poor base-running. Several potential rallies were knocked in the head when National base runners were picked off base.

Except for one or two innings, both sides had brilliant pitching. Grant Mousseau of Hale started on the mound for the Nationals and Taylor of Rhodes was the starter for the American division.

The Nationals scored one run in the bottom of the first inning. Cliff Erickson of Tawas City reached first base on an error and advanced to second on a sacrifice bunt by Jordan of East Tawas. Bannister of Hale promptly singled the runner home.

After retiring the side in order in the opening frame, Mousseau was nicked by Schwerin of Rhodes for a triple. The left-handed batter sliced the ball into left field and was able to score when the fielder threw the ball away.

Both sides went down in order in the second inning and the Nationals greeted the next American pitcher, Breault of White Star, with one run in the fourth. Bethard of East Tawas walked. Bowen of Melita singled. Johnson of Hale struck out. Gibson of Skidway Lake hit a sacrifice bunt and the runner scored on an infield error.

A fast double play in the fifth inning by C. Erickson and John Erickson of East Tawas wiped out a potential threat of the American division.

The next inning proved to be the big difference. Jerry Potts of Tawas City, who took over mound duties in the fourth, walked Breault to lead off the inning. Bootz bunted the runner to second and he was safe at first on an error. Grier was safe at first on a fielder's choice and Taylor scored on an error. Raymond walked. Potts then forced in Bootz by issuing a free pass to Fruchey.

This brought in Revord of Tawas City to pitch to Doyle. Revord issued a base on balls and Grier was forced in. Kohn's "round ball" was missed and Raymond scored. Schwerin, running for Kohn, was picked off base by Revord. Maida singled to score Raymond and Fruchey. Williams was safe on a fielder's choice. Breault struck out. Maida scored on an infield error. Bootz walked. Grier singled to score Williams and Bootz. Grier was thrown out at second base on a cut-off from the outfield.

The Nationals got two runs back in the seventh inning when Wojicki doubled. Marx struck out. Clayton walked. Herriman hit a long drive which the center-fielder could not hold and both runners scored. The inning was over when Umpire H. Willett called Pete Bolen out when a batted ball bounced off the ground and hit him. This drew a barrage of protests from the Nationals and their fans, but to no avail.

The Nationals picked up their final run in the eighth inning when Shellenbarger belted a double. He reached third on an infield out by McMurray and scored on a sacrifice fly by Wilts.

The Americans added three more runs in the eighth. Karbowski walked after Schwerin fanned. Williams was an infield out. VanHorn doubled to score the runner. Bootz singled to score VanHorn. Bootz reached second base when a pick-off play by Revord was thrown into the outfield. Boyer singled to score Bootz. Fegan of Skidway Lake

Knothole League All-Star Game Won by Americans

Scoring eight times in the first inning, the American division defeated the Nationals in the Knothole League all-star game played under the lights Sunday night.

Playing before a large crowd at Tawas Area High School ath-

letic field, the Americans rapped 12 hits while the Nationals were held to two.

Starting on the mound for the winners was Bob Sieloff, who pitched no-hit ball during his three innings.

Mike Riley started on the

mound for the Nationals.

Ed Sieloff managed the American squad while Bob Elliott had charge of the Nationals.

The Pony League all-star game, held earlier in the afternoon, was won by the Yankees-Dodgers, 8-2, over the Braves-Hawks.

Mike Sass, with two strike outs and four walks was the winning pitcher. Bob Erickson was the loser. Bob Geller was the relief pitcher for the losers while Dick Doak was the second pitcher for the winners.

Ed Collier of the Yankees-Dodgers was the top hitter of the day with a triple, double and single.

Top fielding play of the game, an unassisted double play, was turned in by Duffy Colburn.

Art Anschutz managed the Braves-Hawks while Leonard Goss managed the winning Yankees-Dodgers.

East Tawas Defeats Skidway Lake 13 to 4

East Tawas Indies ran roughshod over the last place Skidway Lake nine Sunday, blasting 15 hits for a 13-4 victory.

Pete Bolen was the winning pitcher, scattering but six hits over the route and was never in serious trouble as his mates gave him a commanding lead.

Pacing the hitting attack was veteran catcher, Edwin "Pete" Peterson, who rapped four hits in five times at bat, including a two run double. He was followed by John Erickson with a double and two singles.

The East Tawas nine grabbed a one-run lead in the first inning, added two in the third and were on their way to a complete rout in the fifth when they scored four times.

A single run was added by the winners in the seventh and then scored five runs in the eighth.

Vincent, left fielder, was the only Skidway Lake batter who could solve the right-handed

Standings Knothole and Pony Leagues

JETS OUTHIT TIGERS FOR 11-9 VICTORY
The Jets outhit the Tigers in Knothole League play Thursday night and racked up a 11-9 victory. Mike Riley was the winning pitcher, allowing eight runs, striking out 10 and walking four. Ed Cain started for the Tigers and was nicked for 15 hits. He struck out three and walked three.

The Jets were sparked afield by the fine play of Shortstop Gary Wright, who robbed two Tigers of hits. Eppert, Riley, Ukel and Gary Wright were top hitters for the winners. Spain and Cain topped Tiger batters.

TRIPLE PLAY WINS FOR INDIANS
A once-in-a-lifetime triple play kept the winning streak of the Indians intact as they defeated the Little Trailers, 3-2, for their sixth win of the season.

With the bases loaded and no one out, Peters of the Indians grabbed a bunt, touched home plate and threw to Groff at third for the second out and Groff flipped the ball to Fox at second base for the third out.

The play saved the day for Bob Busch, winning pitcher, who struck out 12 and walked two. Miholland was the loser. He struck out 11 and walked four.

YANKEES STAY IN FIRST WITH WIN OVER BRAVES
Behind the four-hit pitching of M. Sass, the Yankees downed the Braves, 14-2, in Pony League play. The winners scored four runs in the second inning and were never headed.

Coller topped Yankee batters with a three-run triple. Helmer had a double and two singles. Erickson had a two bagger for the Braves and Weaver had two singles.

Outdoors WITH EMERY

After a jet airplane passed over the AuSable Ski Bowl area last week, Charles Kobs of Tawas City heard another noise that was very familiar.

It turned out to be a massasauga rattler that was coiled and ready to strike. The rattler was near the base of an oak tree that Mr. Kobs was attempting to girdle for the forestry department. It did not take too much time to get rid of the massasauga and it ended up having five rattles and was two feet in length.

Several good catches of bass and walleyed pike have been reported coming from the AuSable River near Cooke and Foote Dams. Perch fishing has been rather spotty lately although there were several fair catches in Tawas Bay below the Tawas River mouth and in deeper water near the number two buoy marker.

The conservation commission deferred decisions on several possible regulation changes which would require final legislative action. Among these was the department's recommendation that the bobcat bounty be removed in the Upper Peninsula, elevating the bobcat to the status of a game animal as it is now regarded below the straits.

Hale News...

MRS. EDWIN SHARP IS HALE CORRESPONDENT

Persons and organizations in the Hale area wishing to have social items, meeting notices and other newsworthy articles published in The Tawas Herald should contact Mrs. Edwin Sharp, 5711 North South Branch Road, Long Lake. Since the deadline for news is Monday of each week, write-ups of events occurring over the week-end should be sent directly to the Herald office. Other news can be forwarded to Mrs. Sharp, who is replacing Mrs. Hugh Slosser, former Hale correspondent. Mrs. Slosser resigned her position because she was no longer able to continue the work.

AUXILIARY MEMBERS INSTRUCT NEW CITIZENS

Mrs. Milo Mann, Americanism chairman of Glen Staley American Legion Auxiliary, Hale, and committee members, Mrs. Donald Goodrow and Mrs. Edwin Sharp, participated in a naturalization ceremony for six new citizens at

Iosco County Building, Tawas City, July 11. The ladies instructed the group in proper American flag etiquette, the Pledge of Allegiance to the Flag and the story of the poppy, the veterans' memorial flower. The ceremony ended with a prayer for peace.

HALE LEGION SPONSORS CARD PARTY

Mr. and Mrs. Donald Goodrow were hosts at the weekly card party sponsored by Glen Staley Post, American Legion, Hale. Prizes for the evening were awarded to Mrs. Edith Nunn, Mrs. Herman Schantz, Mrs. Wallace Michelson, John Dooley, Thomas Hird, Henry Brinkman,

Serge Thomsson and Frank Gortner. Mrs. Michelson won the door prize. After the games, lunch was served by the hostesses.

Card parties are sponsored by the American Legion every Monday evening at the Legion Hall, Hale. Games start at 8:30 p. m. The public is invited to attend.

60-LAKES ASSOCIATION HOLDS WEEKLY PARTIES

Sixty-Lakes Tourist Association holds weekly card parties Thursday nights at 8:30 o'clock. Prizes are awarded and refreshments served following the games. Mrs. Frank Gortner is presi-

dent of the organization. Mr. and Mrs. Russell Anthony host these gatherings at the present time. The public is invited to attend.

New Law Will Simplify Pension Procedures

Veterans 65 and older will find procedures to establish disability for pension purposes much simpler under new Veterans Administration regulations announced this week.

Gene A. Robens, manager of VA's regional office in Detroit, said today that VA is no longer required to examine veterans 65 and older who submit adequate medical statements from private physicians.

Even in cases of younger veterans who are bed-bound or unable to travel because of serious illness, VA may now rate the claim on the basis of a private physician's statement if it is sufficiently complete and conforms to accepted medical procedures with necessary X-ray and laboratory reports.

To be eligible for this non-service connected pension, a veteran must have the required wartime service and must be totally and permanently disabled, or partially disabled to the point of unemployment. A disability rated as low as 10 percent may be considered as precluding employment of men 65 and older.

Mr. Robens pointed out that the new regulations will greatly facilitate VA's processing of pension claims. Heretofore, it has been necessary to schedule examinations for all pension applicants at the regional office in Detroit or by a participating fee-basis physician.

Calendar:
July 27-30—Iosco County Fair at Hale.

Wednesday, July 27, will be entry day at the county fair. This is the time when 4-H members will bring their projects for exhibit.

Making an exhibit at the fair does two things. First, it is an opportunity to show many persons what you do in the way of making things as a 4-H Club member. Second, you have the chance to compare what you have done with what other 4-H members do.

Judges will place all exhibits in A, B or C groups. There will be ribbons and premium awards. Let's all come to the fair July 27 and enter exhibits of the projects we have completed this past year.

If you have questions, please do talk with your project leader or get in touch with us here at the extension office.

Homemakers Conference to Attract 1,000

By DOROTHY SCOTT
County Agent

More than 1,000 Michigan homemakers will say good-bye to their families next week and head for East Lansing. Their destination is Homemakers' Conference at Michigan State University July 26-29. This event is planned for all women of Michigan.

Many homemakers will arrive with luggage in hand to register for the complete four-day session. They will take part in informal classes and head educational and entertaining programs.

Outstanding speakers include Mrs. Anna Anderson, former associate editor of Better Homes and Gardens Magazine and representative to the National Exhibition in Moscow; Karl Haas, director of fine arts at WJR in Detroit, and the Honorable Martha Griffiths, representative to the 17th Congressional District of Michigan.

The Tuesday evening program even incorporates a fashion show. Catherine Cleveland, former advisor on crafts for the state department in Lebanon, will show authentic costumes as "Meet Your Middle Eastern Neighbors."

Some homemakers will attend the campus program for just one day. Special programs on Wednesday and Thursday are planned for these day visitors.

Wheat Referendum Polling Places Set

Polling places for the July 21 referendum on marketing quotas for the 1961 crop of wheat were announced today by the chairman of the Iosco County Agricultural Stabilization and Conservation office.

Growers eligible to vote in the referendum will be those who will have more than 15 acres of wheat for harvest as grain in 1961 (except growers taking part in the feed and wheat program).

The wheat quota ballots may be cast July 21 from 8:00 a. m. to 6:00 p. m. at the Iosco County ASC office, Room 203, Federal Building, East Tawas.

CANDIDATE FOR STATE REPRESENTATIVE

ALPENa - ALCONa - IOSCO DISTRICT

Primary Election
August 2nd, 1960

EXPERIENCE IN CONSERVATION
Hunter and Fisherman . . . Conservation Officer in Alpena County 1927 to 1936.
"WHEN MICHIGAN'S DEER HERD WAS AT ITS PEAK"

If elected I would propose that one member of the Conservation Commission be appointed from the Alpena-Alcona and Iosco District.

EXPERIENCE IN TAXATION
Twice elected Supervisor of Alpena Township and served the past three years as Director of the Alpena County Tax Bureau, by appointment of the Alpena County Board of Supervisors.
If elected I would propose to amend a 1957 Act creating the "State Board of Equalization" Dominated by the "Michigan State Tax Commission" against two outstate members appointed by the Governor, to represent 83 Counties of Michigan.

"THIS IS TAXATION WITHOUT REPRESENTATION"

I would restore to the county board of supervisors the power to set County Equalized Valuations for taxation purposes.
I would also abolish "Nuisance Taxes" recently enacted by the Legislature.

PACKING THEIR GEAR in preparation to leave for the Golden Jubilee Jamboree at Colorado Springs, Colorado, are these three Ta-

was youths. From left to right are Donald and Leigh Evans and William Ezo.—Tawas Herald Photo.

3 Tawas Scouts Participate in Golden Jubilee Jamboree

Three Tawas boy scouts left Sunday night for Midland on the first leg of their trip to the Golden Jubilee Jamboree at Colorado Springs, Colorado.

Among 60 boys and leaders who are attending the jamboree from Paul Bunyan Council are Donald and Leigh Evans, sons of Mr. and Mrs. D. A. Evans of East Tawas, and William Ezo, son of

Mr. and Mrs. Steven Ezo of Tawas City.

The contingent traveled from Midland to Saginaw by bus Monday where they joined the delegations from Summer Trails (Saginaw) taking a special train at 8:45 a. m. They were joined at Durand by the boys from Clinton Valley (Pontiac) and other coun-

cils. They were scheduled to arrive at the jamboree Tuesday morning.

The jamboree officially opens Friday and runs until July 28. The boys return to Midland Saturday, July 30.

More than 55,000 scouts and their leaders will participate in the Golden Jubilee Jamboree. The site is a 2,000-acre ranch across from the new United States Air Force Academy between Colorado Springs and Denver. There will be pageants, huge arena shows, the Blue Angels, the canine corps and a wild west rodeo.

Scouts will compete in field sports and contests of skills and crafts. A giant skill-orama will be held where hundreds of exhibits, demonstrations and features of every phase of scouting will be shown.

The boys will do their own cooking by patrols over charcoal fires. All tentage and cooking gear is transported from home and food is supplied daily from sectional commissary tents.

1960 Scout Jamboree

By BILL EZO

(Bill Ezo, Tawas City's representative to the Golden Jubilee Jamboree, will tell his experiences in forthcoming columns.)

The sponsorship of the Jesse C. Hodder Post, American Legion, Tawas City, and the efforts of the scoutmasters and committee have made it possible for me to be a boy scout and so I am lucky enough to be eligible to attend the Golden Jubilee Jamboree of Boy Scouts at Colorado Springs, Colorado.

After weeks of preparation, two training camps, one at Twin Lakes in May and one at the Midland fair grounds in June, the day of departure is almost here. Don and Leigh Evans and I will go to Midland Sunday afternoon where we will spend the night at the Midland Community Center. At 5:15 the next morning, we will take a chartered bus to the Grand Trunk railroad station in Saginaw. The train will leave at 8:45 a. m. Monday, July 18. Sixty boys from the Paul Bunyan Council are going.

We will arrive in Chicago at 11:30, central standard time, change from the Dearborn station to the LaSalle Street station

and board a Rock Island train at 1:10 p. m. After a night of sleep on the train (that is, the leaders hope we will sleep), we will arrive at the jamboree at 8:15 a. m. Tuesday, July 19.

We will have three days of sight seeing before the jamboree begins. Tuesday afternoon, we will visit the Air Force Academy Planetarium; Wednesday afternoon, the top of Pike's Peak. Thursday morning, we tour the Air Force Academy, Garden of the Gods, Colorado Springs Ghost Town and Manitow Cliff Dwellings. In the afternoon, we will see a Fort Carson military demonstration and later have a chuck wagon dinner and western entertainment. After these exciting days, we will settle down in the jamboree area with 54,000 boy scouts.

The jamboree area is in the foot hill region of the Rocky Mountains and is 6,500 feet above sea level. The weather is dry and hot. High winds are common. The nights are cool—sometimes cold.

The mailing address will be: William Ezo, Section 24, Troop 63 Boy Scouts of America National Jamboree Colorado Springs, Colorado

I am taking gypsum samples from the United States Gypsum Company and plastic souvenirs from the Dow Chemical Company to trade for souvenirs from other parts of the country and world. I would like to take some Tawas Bay water, etc., but it's not possible!

By the time you read this, we will be in Colorado!

Sincerely, Bill Ezo

Mr. and Mrs. E. R. Applin of Detroit are vacationing for two weeks and visiting relatives in the Tawasites. They are at Timberlane cottages.

Leonard Wilkuski Wins Scholarship to University in Spain

Mr. and Mrs. Frank Wilkuski of East Tawas received word from their son, Leonard, that he has been awarded a scholarship to the University of Palma at Palma-Majorca, Spain, for a summer course in Spanish.

Leonard left in September 1956 to study at the University of Louvain, Louvain, Belgium. He received a master degree in philosophy, cum laude, in 1959. This fall, he will resume his studies in theology. He is to be ordained to the priesthood in 1963. He was a member of the 1954 graduating class of Tawas Area High School.

George Westcott Elected Commander of TC Legion Post

George Westcott was elected commander of the Jesse C. Hodder Post, American Legion, Tawas City, at the annual election of officers last week. He succeeds Carl Libka, who held that office last year.

Other officers elected were Richard Bertsch, first vice commander; Harold Shover, second vice commander; Irwin Ruppert, adjutant; Walter Champion, finance officer; Joseph St. Aubin, chaplain.

New officers were installed by Judge H. Read Smith.

The post voted to change its meeting nights to the second and fourth Mondays of each month, instead of Tuesday.

Mrs. Ronald Bullard and four children and Mrs. Martha Graves are visiting for the summer season with Mr. and Mrs. E. C. Ault. Mrs. Graves is Mrs. Ault's mother and Mrs. Bullard is a daughter.

Steve Reeves and Mylene Demongeot have the romantic leads in Metro-Goldwyn-Mayer's spectacular new release, "The Giant of Marathon." Filmed on a vast scale in CinemaScope and color, the big picture unfolds a story of ancient Greece and the defense of Athens by land and sea against invading Persians.

Chamber Plans Membership Drive Kick-Off Breakfast

Carlton Merschel, president of the Tawas Chamber of Commerce, announced Monday that the chamber's annual membership drive would start Tuesday, July 26, with a kick-off breakfast.

Scheduled to be held at Vic and Zel's Restaurant in Tawas City, following the kick-off breakfast the chamber will select captains for the campaign.

Students

(Continued from page 1.) change, being certain that they will be good representatives of their native lands.

During the past year, the community was greatly enriched by the visit of a teen-age exchange program student, Miss Tineke Feddeema of the Netherlands, who made her home with the Rev. and Mrs. C. E. Mercer. She graduated in June from Tawas Area High School.

At present, Tawas has two students who are living for three months with European families. They are Miss Julie White, daughter of Mr. and Mrs. Stuart White, and Kenneth Davenport, son of Mr. and Mrs. Marvin Davenport. Both are in the Netherlands.

Money

(Continued from page 1.)

gusons searched the car, the residence and city streets, but the blue bag could not be found.

At 11 o'clock Sunday night, state police received a telephone call from Mr. White stating that his daughter had found a bag containing money and would be right down to turn it over.

Miss White, on her way to work as a sales clerk at Dimmick's Drug Store, found the bag on the sidewalk about 9:00 a. m. There was no identification as to the owner and she took the money home to await the return of her parents. She then went to her place of employment.

Ferguson had gone to Bay City Sunday night and did not learn of the recovery of his money until Monday morning. Much relieved, he rewarded the girl for her honesty.
