Tawas City became the bride of ents of the bridegroom. Fredrick W. Teeple Jr. of East Tawas. First Baptist Church of Tawas City was decorated with baskets of white gladioli and chrysanthemums, palms and canvocalist, was accompanied by Miss

The bride chose a floor length gown of white taffeta styled with princess lines and a scalloped Sabrina neckline, forming a V in back. The skirt was accented by a chapel length train and loops in the back creating a bustle effect. A tiara of pearls and sequins held her fingertip veil of white illusion with lace accents. She carried a white orchid, surrounded by stephanotis and tulle.

The bride's sister, Miss Barbara Mercer of Tawas City, was maid Tineke Feddema, an exchange student from the Netherlands, and Miss Linda Teeple of East Tawas, sister of the bridegroom. They were identically dressed in gowns of pastel green taffeta fashioned with princess lines and elbow length sleeves. Flower and tulle headpieces, matching slippers and white gloves completed their attire. They carried colonial nose-

gays of yellow carnations. Attending the bridegroom were his cousin, Ronald Bunker of Pontiac, who served as best man; Charles E. Mercer Jr., brother of the bride, and David Featherin-

gill, both of Tawas City. The church parlors were decorated with white ribbons and yellow carnations for the reception immediately following the ceremony. Assisting at the reception were Miss Kaye Green, Miss Kay Smith of Lansing, classmates of the bride; Mrs. David Featherin-

gill, and Mrs. Ronald Bunker. For the occasion, Mrs. Mercer selected a beige lace sheath dress with beige accessories and a cymbidium orchid corsage. Mrs. Teeple wore a Dior blue lace dress with matching accessories and a corsage of white feathered

carnations. Upon their return from a wedding trip to Washington, D. C., the bridegroom will be stationed at New London, Connecticut, with the United States Navy where he will attend submarine school. The bride will return to Sparrow Hospital School of Nursing, Lansing, where she is a senior. Both are graduates of Tawas Area High School.

Out-of-town guests attended from Detroit, Pontiac, Bay City, Lake Orion, Port Huron, Hills dale, Warren, Lansing, Livonia and Chicago, Illinois.

Pre-nuptial showers honoring the bride were given by the Dorcas and Missionary Societies of Tawas City Baptist Church; Mrs. Homer Smathers of Detroit and Mrs. Clayton Bunker of Pontiac; Miss Teeple of East Tawas, and Miss Green of Lansing.

Today, at your Mercury-Comet dealer's, first compact car with fine-car styling -priced with or below other compacts.

You're looking at the exciting new value-packed compact—Comet. NOTE ITS BEAUTIFUL STYLING. No sawed-off, cut-down look, here. The Comet is proportioned like a fine car-long flowing lines, outstanding good looks.

LOOK CLOSELY AT THE EXTRA FEA-TURES. You pay nothing more for dual headlights, front and rear arm rests, door-operated dome light, foam padded front seat. And the trunk holds enough for the whole family on a long trip. YOU'LL MARVEL AT THE ECONOMY. Comet's new simplified "six"

engine delivers up to 28 miles per gallon of regular gas.

YOU'LL REVEL IN THE RIDE. No choppy steering, no bumpy travelling in Comet. The longer wheelbase (114" instead of 107" in average compacts) gives Comet a smoother ride, yet it turns on a dime.

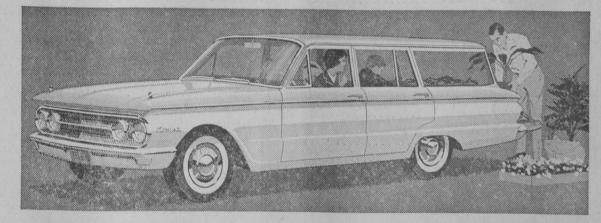

NOW, CHECK THE PRICE. Comet is priced with or below other compacts like Rambler, Corvair, Lark, Valiant and Falcon.

COMPARE ALL THE COMPACT CARS -and you'll come away with a Comet. It's now at your Mercury-Comet dealer's.

FINEST COMPACT WAGONS ON THE MARKET. The new Comet wagons go far beyond what you might expect in a compact station wagon of this size. There is over 76 cubic feet for storage—as much room as in some wagons costing hundreds of dollars more; a retractable rear window takes the place of the old-fashioned liftgate. And, there is ample room for six adults with plenty of space left over for baggage. Along with the Comet two- and four-door sedans, there are two- and fourdoor wagons as well.

March, amateur gardeners like to get together to discuss the Spring planting. Whenever this happens, and whenever a problem comes up, they're likely to get out the handiest shopping guide there is-the Yellow Pages. Aside from numbers and addresses, there's lots of specialized information in the Yellow Pages, and it's solved many a question for amateur gardener and garage mechanic alike. So if you want a product or service, look for the detailed information in the Yellow Pages. It's put there by businessmen to help you.
