

"GOOD GUY" PINNED—"Leaping" Larry Chene, who was mobbed by young autograph seekers last Friday night, is shown here being pinned by "Crusher" Cortez, the villain, during professional wrestling matches sponsored by the East Tawas Lions Club. A young Chene fan can be seen voicing his disapproval over the tactics being used by the "Crusher," but the favorite won—naturally. A crowd of nearly 1,000 persons attended the event, first such card ever held in the Tawas area. Proceeds went toward improving recreational facilities.—Tawas Herald Photo.

NEM Baseball League Set for '60 Season Openers

Little Northeastern Michigan Baseball League has gone "big league," at least in one instance.

This year, the National League starts its season one week in advance of the American major league. Now the National Division of the Northeastern Michigan

First Games—

The league schedule, as announced Tuesday by President Fred Jones, lists the following games for Sunday, May 15: West Branch at Tawas City; East Tawas at Prescott; Skidway Lake at Melita, and Hale, open.

League jumps off to a week's advantage over its American cousins by announcing its opening date as May 15 while the American will not start operations until May 22. It all came about this way. Because of seven clubs in the National, it was decided that the schedules could be better balanced to start off the National playing a week ahead of the American, then the seasons would end nearer to the same date and would make the matter of play-offs for the championship more equalized.

The league this year will consist of 13 clubs, East Tawas, West Branch, Hale, Tawas City, Melita, Skidway Lake (new this year) and Prescott in the National; Sterling, Worth, Rhodes, Beaverton, White Star and Crump in the American. The White Star team will play its games on the fairgrounds diamond in Gladwin.

The directors decided to have a "round robin" series for 1960. The first and third place teams of each division will play each other and the second and fourth place teams will tangle. The winners of these sets will play each other to decide the team to go to the amateur series at Battle Creek. Following the Battle Creek games, the winners of the championship in each division will play a series of the best two out of three games to decide the league championship.

The 1960 all-star game will be played July 15 at Tawas City. June 30 was selected as the date to choose the players for the all-star game. The meeting will be held in Standish.

Fred Jones and F. E. Perlberg were named as a committee to draw up the schedules for the 1960 season.

Mayor Exchange Feature of Michigan Week Observance

The people of Michigan will blow their own horn louder than ever during the 1960 Michigan Week observance, which opens Sunday, May 15.

Locally, this seventh annual state celebration will be observed principally with mayors' exchange day Monday, May 16, in the Tawas. Whittemore will not participate this year.

In Tawas City, the businessmen's association and city council will be host to Beulah Village President Philip Ehnman and one of his council members. In the exchange, Mayor George Tuttle will go to the Western Michigan community.

Mayor R. J. Alexander of Oak Park will be guest at East Tawas, exchanging with Mayor Elmer Werth. Mayor Alexander and his wife will arrive Sunday, as will Mr. Ehnman.

The two Beulah civic officials will be guests of honor at the noon luncheon of Tawas City Businessmen's Association at the Vic and Zel Restaurant. Monday morning's program will include a tour of area industries, a visit to the county building, jail, the new Tawas City disposal plant, Tawas Area High School and other city installations.

Mayor Alexander will tour industries and various public buildings Monday morning and will be guest of honor at a noon luncheon to be held at the Holland Hotel. Meanwhile, Mrs. Alexander will tour the area and will be entertained at a noon luncheon to be held at the Harbor Lights Restaurant. Accompanying her will be wives of councilmen and businessmen.

Featuring the day's program in both communities will be a tour of Wurtsmith Air Force Base by the visiting mayors, councilmen and businessmen of the Tawas. Brig. Gen. Harold Humfeld, 40th Air Division commander, will be host.

Mayor Alexander and his wife will be guests at a dinner to be held Monday evening at the Holland Hotel. The visiting mayor will also preside over a meeting of the East Tawas Council which will be held at 7:30 o'clock.

A dinner has been tentatively scheduled at the Barnes Hotel for Mr. Ehnman and members of the Tawas City Council, key city personnel and their wives. The regular Monday night council meeting has been postponed until Tuesday night.

Whittemore's observance of mayors' exchange day had to be canceled, although plans had been made by the council. The city with which Whittemore was to exchange mayors was unable to participate.

Sheriff's Dept. Nabs Trio Shortly After Burglary

Three men who burglarized a restaurant early Monday morning were apprehended in a matter of only a few hours by the Isosco County Sheriff's Department.

Held at Isosco County Jail under \$1,000 bond are Allan Boughner, 23; James Rehl, 19, and Lee Howard, 19, all of rural route Hale.

The trio entered pleas of guilty to breaking and entering in the nighttime when arraigned before Justice of the Peace A. J. Goulet Monday and were bound over to circuit court. A probation detainer has also been filed against Boughner.

The men admitted breaking into the Hale Coffee Shop at 4:30 Monday morning. When Vernon Ranger, owner, opened the restaurant at 5:30 o'clock, he found that the back door had been forced open, \$25 had been taken from the cash register and a quantity of food taken.

Sheriff's Deputies Gene Balla-

ger of Tawas City and Dennis Chirvia of Hale were called to investigate and an abandoned car owned by Boughner was found in a nearby parking lot. The officers became suspicious and, after checking with relatives of Boughner, learned that he was last seen on Saturday in the company of Rehl and Howard.

A description of their car was learned and an area broadcast was made by Michigan State Police at East Tawas. At 9:45 o'clock, Sheriff Ivan O'Farrell apprehended the men while they were traveling through Whittemore.

O'Farrell, who had been investigating a gas larceny complaint in Whittemore, found equipment for siphoning gasoline in their car and held them under suspicion. When the car was checked later, the three men confessed to the break-in when confronted with a quantity of cigarettes and other merchandise which was found in their car.

The men also admitted larceny of gasoline from trucks parked in Whittemore and Turner the same night.

Merchants Asked to Dramatize Advances

Merchants of Isosco County are being asked to dramatize cultural advancement during Michigan Week, May 15-21, by displaying in store windows the contrast between the things people used to wear, purchase and use with the present day product.

People who own old-fashioned articles are asked to contact merchants who sell the modern counterpart. If the history of the article is known, it should be typed on a small card to add extra interest to the window display.

Local establishments are asked, also, to display old letterheads, ledgers, pictures and other evidence of their past.

Anyone having early pictures of the main streets, of bands or teams, early fire departments, historical landmarks, etc., are urged to add them to a display at the Peoples State Bank in East Tawas. Each article should be labeled as to who is lending the item so that nothing is misplaced.

Mail Box Improvement Week is May 16-21

The post office department has designated the week of May 16 to May 21 as Mail Box Improvement Week. This improvement program will include mail boxes on mounted city routes and star routes with collection and delivery service, as well as mail boxes on rural routes.

The department wishes to encourage patrons to provide suitable mail receptacles, erected and maintained for easy and safe accessibility, presenting a neat appearance and affording protection to the mail.

Boxes that are not properly erected or not maintained in good serviceable condition retard the delivery of mail and expose it to the weather. Boxes that are no longer serviceable must be replaced.

Russia is Topic at Extension Meeting

Twelve home economics extension groups placed exhibits at the annual spring achievement program May 4 at the Masonic Temple. These exhibits revealed a wide range of study lessons and activities grouped in three major efforts: To develop managerial ability and homemaking skills, encourage community service and provide opportunity for self-expression.

In the first grouping were heart attacks, casserole cookery, houseplants, better breakfasts, property rights, cake decorating and hooked rugs.

Group two was home preparedness through Civil Defense and group three included candlemaking, glass etching, Swedish embroidery, textile painting, basket weaving, aluminum etching, decorative stars, ceramics and leathercraft. Some of these have been homemakers camp projects, others have been possible because of special talents of various group members.

Isosco County's 12 groups are: Whittemore, Burleigh Gadabouts, Reno, North Hale, Bakers' Dozen, East Tawas Arts and Crafts, Night Riders, West Side Household Artists, Tawas Daytime, Tawas Homemakers, Huron Shores and Wilber E-Z-Do-It.

Russia was the subject of speaker, Max Benne, a Michigan State University graduate student, who told of his six-week visit there in 1959. Mr. Benne beamed his movie and discussion at revealing the Russian people—how they work, live, play and think. His program was possible through joint sponsorship of the Home Economics Extension Council and Kiwanis Club.

Achievement program emcee was Mrs. Paul Sayles, council chairman.

NANCY ALLEN, Tawas Area High School senior, was awarded the John Philip Sousa award during the annual spring concert held last Saturday night at the high school auditorium. This is the fourth year for the trophy and a plate on which is engraved Miss Allen's name will be attached. The presentation was made by Mrs. John Proctor, president of the Tawas Area Band Booster Club, above right. At Miss Allen's left is Band Director Edward Rima. Miss Allen, who has been first chair clarinetist in the high school band since her freshman year, has won 23 medals in state and district competition. Sixteen of these medals were for solo-ensemble competition, of which 12 were "1st" awards. Nancy, daughter of Mr. and Mrs. Joseph Allen of East Tawas, attended the all-state high school band last summer at Interlochen and will attend the National Music Camp there this summer. She has been a member of Central Michigan University's honors band for two years and a member of the district all-star band for three years. She plans to attend the University of Michigan next fall where she will study music.—Tawas Herald Photo.

New State Law—Rollin Warns New Pupils Need 'Shots'

Isosco County parents, who this month will enroll their children in school for the first time, were reminded of a new state law requiring the youngsters to be immunized against five diseases.

The diseases are smallpox, diphtheria, pertussis (whooping cough), tetanus (lockjaw) and polio. Explained Russell A. Rollin, county superintendent of schools.

Mr. Rollin also explained the exact letter of the new law today. All children enrolling in public, private or parochial schools in Michigan for the first time must submit a statement signed by a physician indicating that they have been immunized against the diseases.

Alternatives, under the new law, include: Submitting a statement signed by a parent or guardian to the effect that the child has not been immunized because of religious convictions or any other objection to the immunization; or a request signed by a parent or guardian that the local health department give the needed protective injections.

The new law was signed into effect by Governor Williams on April 8.

Local parents become immediately involved in the aspects of the new law since registration for kindergarten youngsters takes place this month in public schools here.

'Club' Investigation Leads to Arrests

State police of West Branch said Saturday that they had taken 13 persons into custody for allegedly holding orgies in Ogemaw County.

Involved were five girls, 14 to 16 years of age, and three 16-year-old boys. Criminal charges have been filed against five older members of the "club." More arrests are possible.

Most of the minor members of the gang are students at Whittemore-Prescott Area School, said the police.

The 13 were taken into custody about two weeks ago. Meetings of the club were held on the average of three or four times a week in vacant summer homes and cabins in southeast Ogemaw County.

Troopers were led to the gang while investigating vandalism at summer homes in the Skidway Lake area. A link between the gang and the vandalism is being sought. Damage to six cabins and summer homes in the area has been placed at more than \$2,000.

Charged with statutory rape and taking indecent liberties are Rodrick Patrick Olson, 18; his brother, Carl, 17; Jack David Brown, 22; Eugene Crozier, 22, and George Roy Yennior, 24. Brown lives in rural West Branch. All the others live in the Skidway Lake area. All are free under \$500 bonds and all except Yennior demanded justice court examination.

The minors rounded up in the case have been released to the custody of their parents pending probate court hearings. Ogemaw County Prosecutor Randall B. Clemence said he had not decided whether to ask juvenile court waivers so the minors could be charged as adults.

CHRISTIAN SCIENCE

Why spiritualization of thought is essential to the peace and progress of mankind will be explained at Christian Science services Sunday.

Keynoting the lesson-sermon on the subject, "Mortals and Immortals," is the Golden Text from Romans (8:6): "To be carnally minded is death; but to be spiritually minded is life and peace."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this will be read (256:1-5): "Progress takes off human shackles. The finite must yield to the infinite. Advancing to a higher plane of action, thought rises from the material sense to the spiritual, from the scholastic to the inspirational, and from the mortal to the immortal."

One of the opening Bible passages to be read states (Ps. 37:37): "Mark the perfect man, and behold the upright: for the end of that man is peace."

Today's MEDITATION

The World's Most Widely Used Devotional Guide

The Upper Room

THE UPPER ROOM, NASHVILLE, TENNESSEE

Read Matthew 6:27-34. Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof. (Matthew 6:34).

While learning to drive an automobile, I often looked far ahead and sometimes saw traffic problems. I then began to worry about how I would manage to drive through when I got to that place. My husband, who was my teacher, always said, "Don't worry about the traffic ahead; watch what you are doing here. Those problems you see ahead will usually clear up before you get there."

How true that fact is in the life of a Christian! Jesus always counseled against worrying about what may lie ahead. The psalmist tells us to cast our burdens on the Lord.

We become concerned with things that may happen tomorrow instead of doing all we can today. Too often we forget that God is present with us today and will be with us each tomorrow. Everything will work out all right if we have faith and exercise patience.

PRAYER
 O Father, teach us to be calm, trustful Christians, not anxious over something that may happen in the future. Help us to be busy in doing Thy will today. Sustain our faith that we may use every moment as a shining one for Thee by doing good in the Master's name. Amen.

Make Fifth Consecutive Win

Tawas Area Braves racked up their fifth consecutive win of the spring baseball season Friday, defeating Standish-Sterling, 2-1.

Rollin of Tawas and Budz of the Panthers hooked up in a good pitching duel, the former allowing four hits and the latter six.

The winners scored both of their runs in the second inning when Brooks singled and then scored on a three-base blast by Martin. A sacrifice fly by Sass scored Martin from third.

Standish-Sterling came within one run of tying the score in the fifth inning when Coin connected with one of Rollin's pitches and drove it 340 feet over the fence into left center for a homer. Standish-Sterling threatened to score in the sixth when two men

reached base on errors after one man was out but Rollin retired one batter on strikes and the last batter hit an easy tap back to the mound and was out at first.

Bolz topped Tawas batters with two singles in two trips to the plate. Coin led his Panther teammates with two hits.

Tawas School to Host Community Resources Workshop

Iosco County Superintendent Russell A. Rollin has announced that Tawas Area School will again host the Northeastern Michigan Community Resources Workshop. This workshop is a cooperative venture between local business and industry, Michigan State University and the participants. The workshop aims at familiarizing the participants with business and industry in Northeastern Michigan. Last year, the business and industry gave excellent cooperation in every respect. Financial aid furnished by businessmen of the area enabled the enrichment of the program. The handbook, published by the group listing 127 resources visited last year, is second to none in the entire United States. This publication was made possible by contributions from local industry and business. It will again be necessary to call on local institutions for cooperation in aiding the program.

An experiment in 1959, this was the first workshop in which several cities and towns in an area combined to furnish advancement for the educational program in their area.

The 24 members who had the opportunity of availing themselves of the workshop last year all attest the value of the program. The courtesy rendered to the participants in their visits to local establishments confirms an opinion that the business atmosphere of Northeastern Michigan cannot be commended too highly.

The teachers know and are able to convey to their pupils many facts concerning local industry and business. The chief regret of last year's group was that time did not permit visits to more places.

A survey was made of the job opportunities in the area. This information is very valuable to guidance teachers throughout the year.

Michigan State University lists this course at TE 499 and offers six term hours of graduate and undergraduate credit. The workshop will start June 15 and continue until July 8.

Twenty-eight teachers have sent in pre-enrollment requests this year. The optimum number would probably be 35. It appears likely that this number will materialize.

Mrs. John Pitts accompanied her. They were dinner guests of Mr. and Mrs. Harvey Rowland of Grayling, friends of the Proctors.

To Observe Open House During Mich. Week

Michigan Week will be observed by Michigan State Police with open house at all posts on "Hospitality Day" Tuesday, May 17, and with the flying of the state flag all week, according to Sgt. Frank Roti, commanding officer of the East Tawas post.

"Hospitality Day" is part of the Michigan Week program each year and visiting hours at the

East Tawas post will be from 10:00 a. m. to 5:00 p. m.

Officers will escort the visitors to explain department operations and there will be a display of equipment.

"Visitors are always welcome at the post but 'Hospitality Day' offers a special opportunity to look us over," said Sergeant Roti. "They will see how the post functions and learn about the services we perform."

"Be sure to come in on 'Hospitality Day' and get acquainted with your state police," said Sergeant Roti.

Moral Re-Armament Pamphlet Expresses Democratic Ideology

A handbook, which has received the largest simultaneous distribution any publication has known, will reach every home in Michigan this week. The 32-page booklet, "Ideology and Co-Existence," has already gone to 75 million homes in 24 languages throughout the free world.

Prepared last fall at the Moral Re-Armament World Assembly Center at Mackinac Island, this manifesto expresses in clear terms the ideology of democracy and presents an answer to materialism and communism.

It is designed to cut through the confusion about co-existence and put the free world on the offensive with the winning idea. Already every home in 10 European nations has received this handbook, including Britain, France and Germany. It has gone to more than four million homes in Canada and also to the key areas of Australia, Africa, Asia and Latin America.

"Ideology and Co-Existence" comes to the 2,153,000 homes of Michigan through the conviction of patriotic citizens determined that America play her part in this action to put the free world on the ideological offensive.

The powerful effect of this manifesto is evidenced by the stinging reaction it has drawn from Moscow. It has been attacked more than 100 times in official Soviet organs such as Pravda, Izvestia, Tass and Radio Moscow.

In two major trouble spots of the world, "Ideology and Co-Existence" has recently clashed with communist strategy to take over and seize control. In Cyprus, former EOKA freedom fighters distributed it by hand to every Greek home and in the South Indian state of Kerala three million people read it before the recent elections in which the communists were defeated.

In Holland, the official organ of the prime minister's Catholic party, Volkskrant, stated: "In an age when representatives of trade unions and parliaments hurry to Moscow to undergo friendly brain-

washing—in this age Moral Re-Armament hoists the storm signal: Co-existence is impossible. The Catholic community of Holland wholeheartedly subscribes to the present call."

J. M. Roberts, the AP news analyst, in his column recently described the massive distribution of "Ideology and Co-Existence" as "One of the most intense non-governmental ideological campaigns ever attempted."

"Ideology and Co-Existence" has been likened to the famous revolutionary pamphlets of Thomas Paine in its power to rally patriotic men to unite and fight for their convictions.

"Ideology and Co-Existence" faces America with the choice expressed in the words of William Penn, "Men must choose to be governed by God or they condemn themselves to be ruled by tyrants."

Admiral William H. Standley, former United States ambassador to Moscow and chief of naval operations, echoes this challenge when he says, "Moral Re-Armament is a continuation of the American Revolution on a world scale. The choice for America is Moral Re-Armament or communism."

It will be held in the Tawas Masonic Temple from 11:00 a. m. to 7:00 p. m. or later if necessary.
