

THE TAWASES gave visiting mayors a royal welcome Monday during the annual observance of Michigan week's government day. In the top photo, Kenneth Conn, left, president of the Tawas City Businessmen's Association, is shown with Philip Ehman, village president of Beulah, and in the bottom photo, Mayor R. J. Alexander of Oak Park, right, talks with Alderman Floyd A. Upton and Lewis Besancon, center, of East Tawas.—Tawas Herald Photos.

### Tawases Give Visiting Officials Royal Welcome

Visiting Village President Philip Ehman of Beulah and Mayor R. J. Alexander of Oak Park were given a "red carpet" welcome Monday by Tawas City and East Tawas during the annual observance of government day, part of the Michigan Week observance. Mr. Ehman traded places with Mayor George Tuttle of Tawas City, who spent the day at Beulah, and Mr. Alexander exchanged with Mayor Elmer Werth of East Tawas. Both men were taken on guided tours covering points of interest in the two communities. Both visited the Iosco County Building, Iosco County Jail and Tawas Area School. Mr. Ehman, who was accompanied here by Councilman Robert Crawford, visited the Tawas City sewage disposal plant. Workings of new facilities there were explained by Supt. of Public Works Reginald Bublitz. Later in the morning, he toured the United States Gypsum Company quarry at Alabaster with Maynard VanOrnum, works manager, as host. Mr. Alexander visited the water filtration plant at East Tawas and presided over a meeting of the city council Monday night. Both men were guests of honor at noon luncheons, Mr. Ehman attending the weekly meeting of the Tawas City Businessmen's Association at the Vic and Zel Restaurant and Mr. Alexander, the East Tawas Retailer's Association luncheon held at the Holland Hotel.

Highlight of the visit for the two exchange officials came Monday afternoon when they made a tour of Wurtsmith Air Force Base, Oscoda, with Brig. Gen. Harold Humfeld, 40th air division commander, as host. Accompanying them were businessmen from Tawas City and East Tawas. The visitors were honored at banquets Monday evening, the one for Mr. Ehman being held at the Barnes Hotel and one for Mr. Alexander at the Holland Hotel. Attending each event were city officers and key city personnel. Several feature articles relating to Iosco County are printed in this week's issue of The Tawas Herald. They were prepared and written by local citizens and submitted by Michigan Week Chairman Carlton Merschel. Each article carries the by-line of the author.

### Iosco Tax Sale Revenue is \$1,415.38

There were 89 parcels of land sold to individuals and 60 parcels bid to the State of Michigan during Iosco's May tax sale, it was reported last week by Treasurer Grace L. Miller. Revenue from the individual bids was \$1,415.38. Owners have one year to redeem the parcels. The office wrote 302 tax receipts in the amount of \$11,288.69 in April. Mrs. Miller said that most of these were for 1957 taxes.

Building and Site Fund— Tax Levy Vote is Set for Hale Area. A proposed 3/4-mill tax levy will be put before the people of the Hale Area School District at the June 13 election. If the millage question is successful, the money will be placed in a building and site fund to accumulate toward the building of additions in the future. A steering committee has been appointed to guide the board of education in the formation of a building addition plan. This committee is to be composed of members appointed by any organized group or club in the district. Supt. Dale Bush said that invitations are to be sent to as many groups or clubs as there are in the area. "If any organized club is accidentally by-passed, we would appreciate it if a member of that club would contact the school."

### Kiwanis Club Gives \$400— Landscape Fund is Project at Hospital

A program of beautifying the grounds at Tawas Hospital, along with construction of a new and larger parking lot, is now under consideration by the hospital's board of directors. At a meeting last week, Elmer Werth of East Tawas was named as chairman of a committee to finance the program. Werth states that the project will cost in the neighborhood of \$30,000. Tawas Kiwanis Club, living up to its "We Build" motto, was the first organization to contribute to the fund. A \$400 check was presented to the hospital board at Tuesday's luncheon. The program is to include bringing the grounds to the proper grade, planting of shrubs, construction of a parking lot, gravel and blacktop the driveway (with curb and gutter) and to plant a shrub "buffer zone" between the railroad tracks and the hospital. Werth said that the program is to be financed by contributions. "Anyone in this area or who knows someone in other areas who would like to contribute financial aid should contact the hospital board," states Mr. Werth. "Any contribution will be appreciated," said Werth. "Any person who wishes to purchase a shrub and contribute it to the hospital for landscaping purposes is asked to contact the board," he states. At its regular meeting last week, the Tawas Kiwanis Club was asked to foster such a project and a special committee is to meet soon with members of the hospital board.

### Four New Teachers Signed to Contract by Tawas School

Four new teachers have been signed to teaching contracts by Tawas Area School, it was announced this week by Supt. Reynold Mick. Mrs. Beryl Hoy, who has 17 years teaching experience and comes from Johannesburg, has been hired to teach sixth grade at the Alabaster unit. Mrs. Mildred O'Neil, formerly of Garden City, and Mrs. Ellen Powers of East Tawas have been hired to teach in the elementary grades at East Tawas. Robert McDonald, who will graduate from Central Michigan University in June, will teach social studies and will join the athletic department as track coach. He is a native of Durand. Yet to be hired are an English teacher and a girls' physical education instructor.

### No Action on Proposed Tax Levy for School

Discussion on a two-mill tax levy over a period of three years, the money to have been used for expansion of Tawas Area School facilities, has been tabled for the present. At a meeting of the board of education last week, it was decided to postpone any action until the exact amount of the district's state equalized valuation is learned. An increase in the district's state tax figure may be adequate for expansion purposes. Supt. Reynold Mick has stated that the Tawas Area School District faces a large increase of students in the next few years. The present junior and senior high school was constructed for 630 students and last year there were 685 enrolled. He said that by 1963-64, there would be 738 students enrolled. Mr. Mick pointed out that this figure did not take into consideration any increase from Wurtsmith Air Force Base, as federal funds would be available should there be an increase through families of military personnel. The superintendent said that increase in the very near future reflects only the normal growth which has already been noted in the elementary grades. Recently, he attributed this to the trend toward larger families today. He stated that with 786 elementary pupils now enrolled, the 23 classrooms available at present are at full capacity. He said that elementary grade population would jump to 903 pupils by 1963-64, if the present percentage of pupils attend the public school in those years. At present, 70 percent of the district's pupils from grades one through eight attend the public school and 30 percent attend parochial schools. "As can readily be seen, the very least which will be needed is three additional elementary rooms," said the superintendent. "Our estimates do not allow for the influx of people who come into the area during the next three years. It would just take care of the children we already have."

### Junior Leagues to Organize Thurs. Night

An organizational meeting for managers, coaches and umpires in the Knot Hole and Pony Leagues will be held Thursday night, May 19, at the American Legion Hall in East Tawas. The meeting is scheduled to start at 8 o'clock. Anyone interested in assisting the organization is urged to attend.

### Reading Improvement Classes May be Held

Tawas Area Board of Education has authorized a study to be made to determine if there is enough interest for forming a program of reading improvement during the summer months. The program would be at the junior high school level. If enough interest is shown, there will be a joint sharing of cost between the student and school. Miss Burnetta Miller would be the instructor.

### Don't Dispose of Dead Animals in City Dump

Sheriff Ivan L. O'Farrell warned Iosco County residents that disposing of dead animals in city or township dumps is contrary to public law. He said that many complaints had been received by the district health department and offenders would be prosecuted. The sheriff said that under the law, all dead animals, such as, dogs, deer, sheep, calves, etc., must be buried by covering with quick lime and at least two feet of earth over the top. Failure to comply can result with penalties up to \$100 fine or 90 days in jail.

GETTING A FINAL REPORT on Iosco County census figures are, left to right: Glenn Long, chairman of the board of supervisors; George Tuttle, mayor of Tawas City, and Elmer Werth, mayor of East Tawas. At right is George Myles, 10th district census supervisor, with offices at Bay City.—Tawas Herald Photo.

### Iosco Co. Population is 50% Over 1950 Count Kindergarten Registration is Next Week

A record of long standing was passed by the wayside last week when it was announced that Iosco County's population is now 16,279. This figure shatters the "high water mark" of 15,224 which was recorded here in 1890 at the height of the lumbering era. According to 10th-District Census Supervisor George Myles, Iosco County has shown an increase of 5,373 persons in the past 10 years. Adjusted figures were released Monday night which reflected the "pick-up" of persons who were not in the area when the census was taken. Large gains were noted in Baldwin and Tawas Townships, the former jumping from 496 in 1950 to 873 in 1960 and the latter from 727 in 1950 to 1,102 in 1960. Myles said that there would be very little change now in the final figure which is to be submitted to census headquarters. Figures for the 1950 and 1960 census are shown on the following chart:

	1950	1960
Alabaster	370	367
Oscoda and AuSable	1,909	5,706
Baldwin	496	873
Burleigh	644	620
Grant	397	452
Plainfield	1,301	1,393
Reno	407	311
Sherman	472	400
Tawas	727	1,102
Wilber	250	312
East Tawas	2,040	2,432
Tawas City	1,441	1,811
Whittemore	452	450

Iosco Population

	1950	1960
1950	10,906	8,560
1940	8,560	7,517
1930	7,517	6,199
1920	6,199	5,973
1910	5,973	10,246
1900	10,246	12,340
1894	12,340	15,224
1890	15,224	16,279
1884	16,279	10,602

Gains were shown in nearly all political units of the county during the 10-year period. East Tawas increased from 2,040 to 2,432 while Tawas City jumped from 1,441 to 1,811. Largest increase in population came in the Oscoda-AuSable Township area where the total has jumped from 1,909 in 1950 to 5,706 in 1960. Oscoda Township's 4,054 persons makes it the largest political body in Iosco County. While the county population has increased more than 50 percent, Oscoda and AuSable have shown a gain of 197 percent. Included in the Oscoda Township figure is Wurtsmith Air Force Base which, with less than 1,000 persons at the present time, is at its lowest point in recent years. This is due to the impending changeover from ADC to SAC and the base population itself is expected to double within the next 18 months. When the census was taken in 1950, the base population was 85 persons.

### AuSable River Queen Starts Season May 21

The AuSable River Queen, owned and operated by Howard Brubaker of Oscoda, will open this season's schedule May 21. The paddle wheel river boat, only one its kind in the north, makes excursion trips on the AuSable River. Constructed and launched last year, the AuSable River Queen has become one of the area's top tourist attractions. Brubaker said this week that an electric "honky tonk" player piano has been installed aboard the boat. Two large smoke stacks give the boat an authentic appearance and a complete new snack bar has been added. Docking at Five Channels dam, trips are made at 10:00 a. m. and 2:00 p. m., each lasting two hours, from May 21 through June 30. Three trips daily are made during the summer.

### ET Athletic Field In for Improvements

Improvement to the area's recreational facilities is an important project which is receiving the full attention of the East Tawas City Council and Lions Club. A long-range project in which it is proposed to improve and add new recreational facilities at the East Tawas athletic field has received the full support of the council. Actual work on the project is to start shortly. Plans are now being made to construct two new tennis courts at the athletic field, in addition to resurfacing the old courts and to install flood lights for night play. Also planned is construction of several shuffleboards, repairs to two baseball diamonds and repairing of the ball park grandstand. The athletic field is used during the summer months by two junior baseball leagues, in addition to use by the East Tawas independent baseball team, a member of the Northeastern Michigan League. Another important improvement will be the construction of toilet facilities with a shelter. It is planned to use the park for ice skating rink in the winter and the building could be used as a warming shelter. Mayor Elmer Werth states that (See ATHLETIC FIELD, page 10).

### Tawas School OK'd for Federal NDE Act Funds

Tawas Area School has received approval for participation under the National Defense Education Act. By approval, the school will receive \$3,568.83 if the school matches this money with \$3,837.51. Such funds may be expended for elementary and high school mathematics and science instruction.

### Lachine Firm Low Bidder on Esmond Road

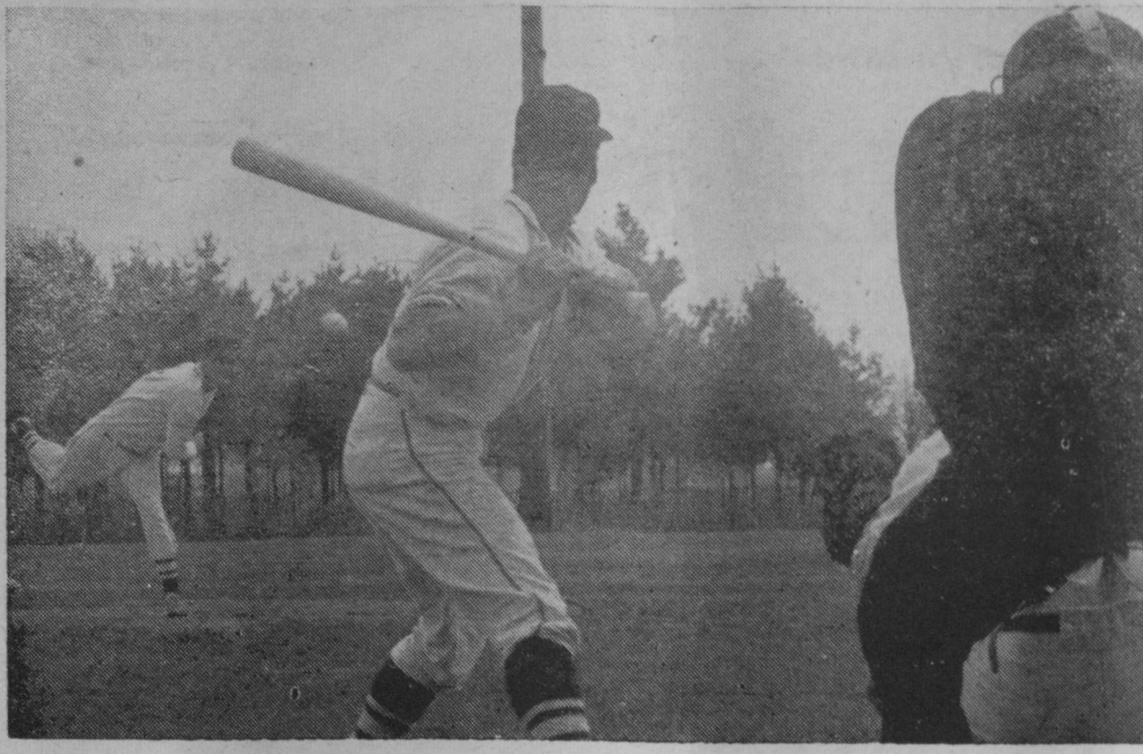

William H. Gries of Lachine, with a low bid of \$62,487, was awarded a contract by the state highway department for reconstruction of 1.7 miles of 24-foot aggregate surfacing on Esmond Road east from Hale. Completion date is September 1. Bids were let May 11 at Lansing.

THIRSTY "PORKY" GETS BOUNCED—A porcupine which wandered through an open doorway of a Tawas City tavern Monday night is shown getting the old "heave-ho" from Peter Young, owner. Whether the nocturnal animal stopped in for a "quick one" is not known, but it wore out its welcome when it sharpened its claws on the front door. From whence it came no one knows, but it soon disappeared across US-23 and headed back to the woods after Young used his broom.—Tawas Herald Photo.

### The Public is Invited— Observe Armed Forces Day Saturday at Wurtsmith AFB

Saturday, May 21, is Armed Forces Day this year and Wurtsmith Air Force Base, Oscoda, once again invites the public to attend an all-day program designed to give them a good look at their air force. The military services are put in the spotlight. Plans are based on the usual 10,000 plus crowds that have visited Wurtsmith in the past on this day. The gates will open to visitors at 9:30 a. m., with the first flyers scheduled for 12:20 p. m. Wurtsmith aircraft, as well as planes from other bases, will be in static display throughout the day. Aircraft, ground and personnel equipment will also be on display. Helicopter rescue and fire fighting demonstrations have been tentatively planned. During the morning, while visitors are looking at the static displays, the Oscoda High School Band will present a concert. It will perform from 11:00 a. m. until noon. The open house will end at 4:00 p. m.

OPENING PITCH—Righthander Gerald Potts of the Tawas City Independents is shown throwing the first pitch to open the 1960 baseball season. The batter is B. Wangler of West Branch. Plate umpire Matt Hoag is at right.—Tawas Herald Photo.

# Tawas City Wins Season Opener from West Branch

Behind the six-hit pitching of Gerald Potts, the Tawas City Independents defeated West Branch, 4-2, in the NEM League season opener Sunday. The game was played at the Tawas Area School athletic field due to wet grounds in Tawas City.

The schedule for Sunday, May 22, will find Tawas City playing at Skidway Lake.

Manager Clare Herriman's team jumped off to an early lead in the second inning when Blust singled and scored later on an error. West Branch knotted the score at 1-1 in the top half of the sixth inning.

Winters, who was sent in to hit for Wangler in the sixth, hit a long double and then scored on Killinger's single.

The locals went ahead again in the bottom half of the sixth when Lee Herriman led off the inning

with a base on balls and then scored on two fielding errors by the visitors.

The winning runs were scored by Tawas City in the bottom of the seventh when Frank walked and then stole second. Gracik fanned. C. Herriman was safe on an error. L. Herriman singled to score Frank and Blust singled to score C. Herriman. John McMurray singled and L. Herriman was out at the plate. Potts ended the inning with an outfield fly after Rapp had walked.

West Branch scored its final run in the ninth on a single by Wilts and Egglick.

Going the complete nine innings, Potts registered 11 strikeouts and walked only two batters. His opponent, R. Wilts, struck out seven Tawas City batters, walked six and hit one with a pitched ball.

# Walks Prove to be Downfall of East Tawas

Prescott took advantage of wildness on the part of East Tawas pitchers Sunday to deal a 4-2 loss to the Rollinmen in the NEM League opener. The game was played on the winners' home field.

Although outpitching Prescott five to three, the East Tawas team could not overcome the walks and several errors afield. Fagan was the winning pitcher, striking out nine and issuing three walks.

Without the services of their regular pitching staff until the close of the school year, Jordan, who regularly plays outfield, started on the mound for East Tawas. He allowed one run in the first inning on two walks and a single.

Jordan ran into trouble in the third inning when he loaded the bases and gave way to Edwin "Pete" Peterson.

Two runs were scored before the veteran right hander could put out the fire and he set the home team down with only one hit during the remaining five innings, although Prescott scored one run in the fifth on a walk and an error.

L. Bethard had two of East Tawas' five hits. J. Bethard had the only extra base blow, a double in the second inning.

# Braves Garner 7th Victory

Tawas Area Braves extended their winning streak to seven games last week, downing two Northeastern Michigan Conference opponents in hard-fought battles. The McIntoshmen downed Standish-Sterling, 2-1, Thursday and then defeated Pinconning, 8-3, Friday.

A seventh inning single by Rightfielder Jim Campbell pushed across the game-winning run Thursday to break a 1-1 deadlock.

Herman Rollin of Tawas Area and Budz of Standish-Sterling hooked up in a good pitchers' duel, the former striking out eight batters and the latter fanned nine.

The visitors scored their lone run in the second inning on a home run by Coin. The big first baseman has found Rollin's south-paw slants much to his liking this spring, having connected for a homer and a single in each of the two games played against Tawas.

On the other hand, Tawas rapped seven hits off Budz with Rollin and Sasse sharing top batting honors with two hits apiece.

The tie-breaking run in the seventh inning came when Martin reached first on a base on balls. Sasse and Eppert both singled. This set the stage for Campbell, who scored Martin from third with a long single.

Friday's game saw Pinconning take a 2-0 lead in the first inning. The visitors held a 3-0 margin in the third and then saw Tawas Area score once in the fourth and break up the ball game in the fifth inning to take a 5-3 lead.

Pitchers were at a disadvantage when a steady downpour of rain fell throughout the game. Pete Bolen of Tawas Area was nicked

# SIX QUALIFY IN REGIONAL FOR STATE TRACK MEET

Six members of Tawas Area's track team qualified in regional competition Saturday at Mt. Pleasant to compete in the state track meet to be held May 21 at Houseman Field, Grand Rapids.

Tawas Area School, under Coach Howard Adams, had two of its relay teams qualify for the state meet. The medley team, composed of Dwayne Ulman, Gary VanOrnum, Pat McElheron and Douglas Evans, had a time of 2:38.5. The sprint relay team, which includes Ulman, VanOrnum, McElheron and Brigham, ran in 1:38.5.

Rick Huck won first place in low hurdles and qualified in high hurdles.

As a team, Tawas Area placed fourth among the 13 class B schools which were entered. First place was won by St. Louis with 61 points; Alma, 33; St. Johns, 24, and Tawas Area, 23.

# Proceeds Go For Disabled Veteran Rehabilitation

Commander Joseph Roberts of Iosco County Post No. 5678, Veterans of Foreign Wars of United States, pointed out today in connection with the observance of National VFW Week, May 1-7, that this organization was the first veterans group to sponsor the annual nation-wide sale of memorial poppies.

The first such sale was conducted in 1922, he said, and since then millions of the replicas of Flanders Fields' flowers have been sold as the Buddy Poppy, the VFW using the proceeds of these solicitations for rehabilitation and relief and to help maintain the organization's national home near Eaton Rapids.

"By now," Commander Roberts said, "the public well knows that every penny contributed to the Veterans of Foreign Wars through its 'Buddy Poppy' campaign is devoted to the relief of needy or disabled veterans and their dependents and to help run the national home."

Thus, he explained, the Veterans of Foreign Wars proceeds further in exemplifying its motto: We honor the dead by helping the living.

# Michigan Week Feature—Gypsum and Iosco County

GYPSUM QUARRYING and the manufacture of gypsum products is one of Iosco County's most important industries. Pictured above is one of the huge draglines used in today's stripping operations.—Tawas Herald Photo.

By C. B. COX

Gypsum, the mineral with a thousand uses is found in great abundance in Iosco County. It has contributed substantially for 100 years to the growth and economy of the area. Deposits of this valuable mineral underlie much of the county and the insatiable demands and ever increasing uses promises continued and expanding need for hundreds of years to come. Both commercial fishing and lumbering contributed greatly in their time to the development of the county but these natural resources have diminished, whereas only a small dent has been made in abundant resources of gypsum.

Gypsum pumps thousands of dollars into the county through wages to workers, taxes and local purchases for materials and services. Other indirect revenues are gained from this major industry utilizing rail, truck and water shipping facilities, electric power and the like. At present, gypsum is the stabilizing force of our economy which otherwise is mainly dependent on the seasonal tourist business and agriculture that fluctuate widely from year to year.

Completion of the St. Lawrence Seaway and the boom in population growth in the Great Lakes area promise heavy demands on the strategically located gypsum deposits in Iosco County for the immediate and distant future.

Local History of Gypsum

The story of gypsum in Iosco County, with particular reference to the Alabaster area, goes back to the 1840s, when outcroppings were discovered along the shores of Saginaw Bay—almost coincident in time with the birth of the county.

It was not until 1862, however, that a quarry was opened at Alabaster. Various individuals and companies operated the quarry and in 1891, the company was organized as the Western Plaster Works. That was changed to the Alabaster Company in 1896 and in 1902, this company was acquired by the United States Gypsum Company, the present operators of the plant and quarry. USG has since grown to be a major producer of building materials in the United States and Canada.

In 1926, the National Gypsum Company, a fledgling in the building materials business, purchased 400 acres of gypsum land in Sherman Township and constructed a wall board and plaster plant that started operation in 1927. This was National's second plant, the first being located at Clarence Center near Buffalo, New York. These two plants were the first steps in the organization of a company that today produces and distributes over 250 building products throughout the United States. National has recently substantially increased its local operation with a multi-million dollar dock and new quarry. The local additions are a part of a Great Lakes expansion program developed to meet the challenge of greatly expanding future markets in the Great Lakes region.

Geology

Many millions of years ago Iosco County was part of an inland sea or basin. In fact, geologists generally believe that the area passed through successive stages of sea and land. The presence of gypsum in relatively thick deposits hereabouts confirms this theory. It is generally assumed that the deposits accumulated in shallow seas or basins where conditions were favorable for evaporation of sea water by the sun. Partings of shale and limestone between the layers of gypsum indicate radical changes in conditions must have taken place during the millions of years that passed while the deposit was being formed. A point of interest is that the deposition of beds 30 to 35 feet thick at Alabaster and National City would require the evaporation of a column of sea water 52,000 feet high.

Quarry to Market

Gypsum's major asset is its peculiar quality. After being cooked and dehydrated into a fine powder, it can resume its original rock-like consistency simply by the addition of water plus a few minutes to harden.

The excavation and manufacturing processes today are among the most highly mechanized of the industries in the world. If any bulky product can make the claim "untouched by human hands," gypsum certainly qualifies. The entire process from quarrying to finished product can be accomplished in 24 hours.

First the rock that lies some 50 feet deep is uncovered with large draglines that move 15 tons of overburden at a bite. The rock is next blasted loose from the beds, scooped up mechanically and dumped into a system of crushers which reduce the big chunks into digestible size for transporting. Part of the stone is then moved to the lake shore and loaded aboard 10,000 ton and larger ships that transport it to wall board and plaster plants located at cities on the Great Lakes. Part is moved by rail to other plants in the more immediate area.

At National City the rock is crushed finer and then dumped into a rotary calciner for the essential controlled calcining or dehydration process. When the ground rock hits the hot surfaces, over 400 degrees Fahrenheit, of the calciner it boils and bubbles like thick gumbo soup as the water content evaporates. When three-quarters of the moisture content has been cooked out of it, the heating mass becomes plaster of paris. At this point, the fine hot rock is let out of the calciner and conveyed to storage bins.

To finish into wall plaster, the powdery substance is further milled by tube mills and from there is pumped into mixing bins where some fibrous binding material and retarder to regulate the setting time are added. It is then bagged and ready for shipment.

To finish into wall board, the powdery substance is combined with water, binding material, retarder and other minor ingredients in a high speed mixer that beats them into a light foam. The fluid mixture is poured onto long sheets of heavy paper lying on a moving belt. A top sheet of paper is then added and the "plaster sandwich" passes through forming rolls and templates that guide and shape the board. It hardens during its movement on the 600-foot conveyor. At the end of the line, it is chopped off into desired lengths. These sections are shunted onto another belt and into a drying kiln. After drying, the board is neatly packaged and is ready for shipment to the market.

partition tile, to name but a few. Our neighboring counties with cement plants use great quantities of gypsum as retarder to control setting time in the manufacture of this important basic construction material.

But gypsum has at least a thousand other uses—industrial, agricultural, military and artistic. It is a base for toothpaste. It forms the molds for bathroom fixtures, table china and other ceramic products. It is the head of a match, classroom chalk and the mannequins in store displays. The dentist fashions bridgework out of gypsum and the doctor splints with gypsum orthopedic plaster.

Prospects

The short and long range prospect of the gypsum industry is for growth in Michigan and the Great Lakes area, accelerated by the opportunities afforded by completion of the St. Lawrence Seaway. There will also be steady demand for residential housing, city development, slum clearance and highway construction.

Iosco County is in a fortunate position to share in this expanding economy and seems assured of a sound future because of this versatile and humble rock—gypsum.

Six to be Confirmed at Grace Lutheran

A class of six will be confirmed at Grace Lutheran Church at the regular morning service Sunday, May 22, at 11:15.

REVIVAL SERVICES AT RENO BAPTIST CHURCH

Special revival services will be held May 22 through May 28 at Reno Baptist Church.

ATTEND SPECIAL EPISCOPAL CONVENTION AT DETROIT

The following members of Christ Episcopal Church recently attended a special convention at St. John's Episcopal Church, Detroit.

Rev. McKenzie's Ordination Held Last Thursday

The Rev. Russell McKenzie, assistant rector of Grace Episcopal Church, Port Huron, was ordained to the Order of Priesthood at a ceremony held last Thursday at that church.

The ordination rites were performed by Bishop Richard Emrich. The Rev. Paul Sutton of Christ Episcopal Church, East Tawas, assisted in the ceremony.

CHRISTIAN SCIENCE

Man's age-old longing for a clearer understanding of God and of his own identity is a central theme of the lesson-sermon to be read at Christian Science services Sunday.

Scriptural selections in the lesson-sermon on the subject, "Soul and Body," will include the following from Isaiah (55:6): "Seek ye the Lord while he may be found, call ye upon him while he is near."

One of the correlative citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states in part (428:3): "To divest thought of false trusts and material evidences in order that the spiritual facts of being may appear,—this is the great attainment by means of which we shall sweep away the false and give place to the true. Thus we may establish in truth the temple, or body, 'whose builder and maker is God.'"

The Golden Text is from Psalms (84:2): "My soul longeth, yea, even fainteth for the courts of the Lord: my heart and my flesh crieth out for the living God."

DR. STRAUSS SPEAKER AT YOUTH FOR CHRIST MEET

Dr. Lehman Strauss of Detroit will speak at Youth For Christ monthly meeting May 21 at Oscoda Methodist Church, 8:00 p. m. He is a noted Bible teacher, pastor, conference speaker and author of many books.

Attends Waterford ALCW Meet

Mrs. William C. Lindholm and Mrs. Edwin Anderson, representing Grace Lutheran Church, attended the district meeting of the Augustana Lutheran Churchwomen held at Waterford Tuesday, May 10.

ST. PAUL'S English Evangelical Lutheran Church, Hale, will observe its 25th anniversary with special services Sunday, May 22.—Tawas Herald Photo.

Hale Church Celebrates 25th Year

Services marking the 25th anniversary of the organization of St. Paul's English Evangelical Lutheran Church, Hale, will be held Sunday, May 22, at 10:30 a. m. The public is invited to attend.

The Rev. Charles F. Boeder, pastor of the congregation, will speak during the morning service. The Rev. Robert P. Mueller of Monroe will be the guest speaker at the evening service.

Although Lutheran services were held in various homes in the Hale area by the various pastors of Emanuel Lutheran Church of

Tawas City, perhaps as early as 1915, it was not until June 23, 1935, that a Lutheran congregation was actually organized in Hale.

The Rev. K. W. Vertz, now of Owosso, became the first resident pastor in February 1936. Services were held in the Plainfield Township Hall in Hale until a modest chapel had been built which was dedicated on May 9, 1937, at the present location of the church. In the same year, the ladies society of the congregation was organized.

In 1942, the congregation became incorporated under the laws of the State of Michigan. In 1947,

the present parsonage was built and dedicated and in 1956, the original chapel was moved, enlarged and re-dedicated.

The following pastors served the Hale congregation: The Rev. K. W. Vertz, 1936-1939; the Rev. Amos Schwerin, 1939-1943; the Rev. Willard Kehrberg, 1943-1945; the Rev. G. A. Schmelzer, 1945-1953; the Rev. Arthur Clement, 1953-1955; the Rev. A. Schultz, 1956-1958; Pastor Boeder, 1958 to the present.

The congregation included 13 families when it was organized. The membership now numbers 150 baptized children and adults.

GROUND BREAKING—Official ceremonies marking the start of work on the new addition to First Baptist Church, Tawas City, were held Sunday morning. The church building committee is shown watching the Rev. Charles E. Mercer and Chairman James Boomer with the first shovel-full of dirt.

METHODIST WSCS INSTALLS NEW OFFICERS

The Rev. Ralph Edwards installed officers of Tawas City and East Tawas Women's Society of Christian Service at the regular Sunday morning services of each church Sunday, May 15.

Officers of the Tawas City group are Mrs. George Liske, president; Mrs. Charles Anson, vice president; Mrs. Albert Conklin, secretary; Mrs. Geraldine Smith, treasurer; Mrs. C. L. McLean, secretary of promotion; Mrs. Doris Wetzel, secretary of missionary education and service; Mrs. Donald Deering, Christian social relations; Mrs. Howard Staebler, student work; Mrs. Waldo Leslie, children's work; Mrs. Reynold Mick, spiritual life; Mrs. Ira Horton, literature and publications; Mrs. William Galliker, supply work; and Mrs. Paul Koepke, local church activities.

East Tawas officers include Miss Ruby Evans, president; Mrs. Peter Lichtfusz, vice president; Mrs. Roy Burgess, recording secretary; Mrs. Frederic Lickteig, treasurer; Mrs. Clyde Baube, secretary of promotion; Mrs. Joseph Dibley, missionary education and service; Mrs. Louis Awall, Christian social relations; Mrs. Alfred Hewitt, student work; Mrs. Ralph Edwards, children's work; Mrs. Donald Eklund, literature and publications; Mrs. Vernon Pugh, spiritual life; Mrs. Glenn Hughes, supply work; Mrs. Edward Doak, chairman of local activities; Mrs. Horace Laderach, pianist; Mrs. Gerald Rapp and Mrs. Doak, circle chairmen.

CHOP-SUEY AND TURKEY DINNER PLANNED

Final plans for a parish chop-suey and hot turkey sandwich dinner were made at the May 11 meeting of Immaculate Heart of Mary Altar Society. About 20 members attended the meeting. The event will be held at Immaculate Heart of Mary school hall from 4:00 to 8:00 p. m. Saturday, May 28. Serving will begin at 12:00 noon Sunday, May 29, and continue, until all are served. The public is invited to attend.

The ladies also discussed plans for events to be held July 4 weekend.

ADDING MACHINE TAPE—2

9-32 inch; 3 inch; 3 7-16 inch. The Tawas Herald, 408 Lake Street, Tawas City. 48-ft.

Work Underway On New Oscoda Catholic Church

Work is underway on a new \$250,000 Sacred Heart Church on a 10-acre site between US-23 and Lake Huron in Oscoda.

Purchase of the church site was made in 1954 under the direction of the Rev. Fr. Henry DuRusel, pastor.

A parish hall was constructed that year and has served as a temporary church since the parish moved from downtown Oscoda. A convent was erected in 1957.

The new church is cruciform in plan with the sanctuary located at the crossing. The sanctuary will be flooded with natural light by means of a skylight. The nave will be in two areas, an auxiliary or summer nave with seating for about 300 people and a main or winter nave with seating for about 500 parishioners.

The center aisle of the main nave, which contains the baptistry, gradually tapers from the full width of the narthex to normal aisle width at the sanctuary. The narthex will be dominated by a glass facade stretching from floor to ceiling, overlooking the broad grass island and planting space separating the parking areas. Space for the choir and sacristies is provided in the transepts.

The interior finishes are face brick and lightweight block with wide overhang will harmonize with the adjacent buildings and surrounding landscape. The church is being built upon a broad terrace elevating it three feet above the surrounding ground.

The broad, low-pitched roof and wide overhang will harmonize with the adjacent buildings and surrounding landscape. The church is being built upon a broad terrace elevating it three feet above the surrounding ground.

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room

Read Romans 12:1-8

Having gifts that differ according to the grace given to us, let us use them. (Romans 12:6, RSV.) Ready to embark on his life-work, a young man asked himself: "Shall I devote my life to a church-related occupation, or shall I seek a career in business?" He loved the church and had been active in its program. He also had qualifications for a successful business career. The conflict of indecision raged within him for many weeks.

One day he went alone to the mountains to pray and ask for guidance. The answer came, as clearly as if the words had been audibly spoken, "Go into the business for which you are fitted. The coming of God's kingdom depends as much upon true Christian laymen as upon preachers, teachers and other workers in the church." He followed this guidance, and throughout his life there was never a question but that it was God's leading.

He believed that a Christian should put into his work just a little more than is expected. He faithfully continued his church activity and became a leader.

PRAYER

Our Father, help us to place our lives in Thy hands and to follow Thy leading wherever it may take us. Help us to show by our everyday living that we are doing our best to follow the teachings Thou hast given us through Thy Son. In His name we pray. Amen.

THOUGHT FOR THE DAY

The coming of God's kingdom depends upon consecrated persons, both ministers and laymen. A. Ray Neptune, advertising executive, California. World-wide Bible reading—Exodus 8:16-9:7.

Hats Off To Michigan!

Michigan Week—May 15-21—with its emphasis on all of the things for which this great state of ours is famous, is a good time to consider the vital importance of the motor truck.

Everything you eat, wear, or use travels all or part of the way to you by truck. Yes, trucks are as much a part of Michigan as its vast productive capacity, its beautiful scenery, its great educational facilities, its fine people.

# Has 50 Percent Population Increase

By GORDON HUCK

Preliminary figures from the National 18th Decennial Census shows that Iosco County population has increased more than 50 percent over 1950.

According to Dun and Bradstreet, Incorporated, the number of business places have increased 56 percent in Iosco County between 1947-1958.

All indications point to the fact that this remarkable growth will continue.

Let us take a look into the future:

### RESORTS

Primarily, this area is considered resort territory. Its location in relation to the metropolitan cities; such as, Detroit, Flint, Saginaw and Bay City, make it ideal for summer and winter vacationists. The area is attractive; plenty of hunting, fishing, boating, skiing and the like. Greater development of the area is a certainty; mainly, because the freeways and road improvement schedule for the state will make this area more accessible. This fact plus the shorter work-week

that will eventually come will certainly benefit Iosco County.

### RETIREEES

Over the past few years, a great number of retired people have made this area their home. This group will increase over the next few years and it is felt that Iosco County will get its share of these people.

### BUSINESS ESTABLISHMENTS

The number of new business places should increase considerably. The basis for this prediction is that within the next two years the population of Oscoda alone will increase by 10,000. As we all know, this is due to the conversion of Wurtsmith Air Force Base to the SAC base. It can be readily understood that more retail stores of every description will be required to care for the needs of these people.

### FARMING

The number of farms in Iosco and surrounding counties will decrease 20 to 25 percent in the next 10 years. Those remaining, however, will be larger in size and better managed. Less general farming will be done and the more specialized farms, like dairy and beef-raising, will prevail.

### INDUSTRY

It is not feasible that Iosco County can expect much new industry. This county is not alone, as the trend has been in the last year or two for industry to move nearer the marketing center.

Michigan was the first state in the United States to have fully-equipped roadside parks along its highways.

Michigan Week Feature—

## Women's Clubs Important in Iosco Community Life

By LUTIE O'LOUGHLIN

The day and age of the woman's place being solely in the home has gradually been superseded by her emerging to take her place as an active participant in community affairs. In the early days, her only outlets were teaching school and Sunday school classes. Gradually women began to organize for reasons of social and community betterment. About the earliest of these groups to be organized in Iosco County was the Ladies Literary Club of East Tawas in 1885. As women became freer from the drudgery of caring for the home, due to modern conveniences, organized groups became more prevalent to answer particular needs.

Since this was happening all over the country, the local groups became affiliated with national organizations. This is true of the various literary clubs of the county. Ladies Literary Club of East Tawas, Tawas Women's League, Twentieth Century Club, Rural Study Club, Whittemore Women's Club and Whittemore Junior League. The garden clubs of the county have greatly contributed to the beauty of the area. Quota Club of Iosco County and Tawas Hospital Auxiliary are women's service clubs.

Women also work through the auxiliaries of organizations; for example, American Legion and Veterans of Foreign Wars.

Fraternal groups in which women take an active part are Fraternal Order of Eagles auxiliaries, Order of Eastern Star chapters and Rebekahs.

Other county groups in which women work actively are American Cancer Society, American Red Cross, National Polio Foundation, the parent-teacher groups and political groups.

Many of the organizations sponsor youth groups, Girl Scouts of America, Campfire Girls and Order of the Rainbow for Girls. This is true also of churches. Several scholarships sponsored by women's organizations have been made available and used by the young women of the county.

Each church congregation has women's societies, another channel through which women contribute to the spiritual building up of our lives.

## Outdoors WITH EMERY

Latest group of fishermen from the Tawas leaving for a week of Canadian fishing enjoyment are Herbert Hertzler, Cecil Cabbie, Hugo Keiser, Edwin Habermehl, Dr. James E. Jacques and Irwin Ruppert.

Leaving by auto Saturday, they will drive to Sault Ste. Marie, Ontario, Canada. Upon reaching the Canadian Soo, they will board a Mitchell Air Service chartered airplane to head into the bush country. Their destination will be Saunders Lake, located in the Province of Ontario to fish for "speckled trout."

Earl C. Smith of Bay City, a member of the Kikapoo Hunting Club in Baldwin Township, reports beavers are again creating a problem by building dams and flooding the roads on the hunting property. Local conservation department officers dynamited one dam and apparently the beavers got busy and started constructing another dam further upstream.

With Our Servicemen—

## Takes Part in Amphibious Task Force Assault

Elmer H. Willhite, machinist's mate first class, USN, son of Mr. and Mrs. Hershel E. Willhite of Oscoda, serving aboard the dock landing ship, USS Gunston Hall, took part in an amphibious exercise on the beaches of Camp Pendleton, California, May 4-13.

The exercise, nicknamed "Operation Big Top," involved over 15,000 marine and navy personnel and was designed to test new equipment and tactics, as well as to train personnel in the many facets of amphibious warfare.

Highlight of the operation was a night amphibious assault by the 20 navy ships and 60 marine helicopters of "Big Top's" task force.

Dean A. Nightingale, fireman apprentice, United States Navy, son of Mr. and Mrs. Paul A. Nightingale of Rose Trailer Park, Oscoda, is serving aboard the destroyer, USS Twining, operating out of San Diego, California.

Represents Whittemore-Prescott P-TA at District Meeting  
Mrs. Lucian Hatfield represented the Whittemore P-TA at the district meeting in Mt. Pleasant Wednesday. Mrs. Laurel Colvin, Mrs. Henry Siegrist and Mrs. Nelson Ostrander accompanied her.

### MISS ROSE HARMON

Miss Rose Harmon died at Tawas Hospital Wednesday evening, May 11, after she had suffered a heart attack at noon. She had been a resident of East Tawas for 23 years, having served as a housekeeper for 12 years for a clergyman in Hemlock before coming here.

She was a member of St. Joseph Catholic Church and of its altar society.

A rosary service was held Friday evening at Jacques Funeral Home, Tawas City. Funeral services were held Saturday morning at St. Joseph Catholic Church with the Rev. Fr. Robert Neuman officiating.

The body was taken to the UH Funeral Home, Grand Rapids, where a rosary service was held Sunday afternoon. Burial was Monday morning at Grand Rapids.

Miss Harmon was born in Cascade November 11, 1880. She came to East Tawas from Muskegon in 1937. For many years, she had been housekeeper of the St. Joseph parish house.

### BURLEIGH NEWS

Mrs. James Brigham of Sherman Township was a caller here Thursday.

Clifford St. James and A. B. Schneider were at Standish on business Saturday.

Mrs. Margaret Bellor was at Oscoda Saturday.  
Peter Gay was at Turner and Standish on business Friday.  
Mr. and Mrs. Ernest Bellor were at West Branch Friday.  
Orville Bellor was at West Branch Monday.

## Lower Hemlock

### LAIDLAWVILLE CLUB ENTERTAINED TUESDAY

Mrs. Don Huey and Mrs. Walter Anschutz of Tawas City entertained the Laidlawville club Tuesday of last week at the Anschutz home. A pot-luck dinner at 1 o'clock was enjoyed after which a business meeting was held.

There were 14 members and one guest present. The June meeting will be at the home of Mrs. Andrew Klinger.

Mr. and Mrs. Victor Bouchard and Leonard Bouchard spent Mother's Day in Bay City with relatives.

The Billie Biggs family of Bay City spent Sunday at the George Biggs home.

Mr. and Mrs. Leslie Fraser of East Tawas and Mr. and Mrs. Glenn McLeod were Sunday guests at the Arthur Kobs home.

Mrs. Clayton Ulman and daughter, Judy, were Bay City visitors Wednesday.

Mrs. Rose Harris of Alpena, who is caring for her mother, Mrs. Frank Fisher of East Tawas, visited at the Clayton Ulman home during the week.

Mrs. Wilfred Youngs and sons spent Friday evening with Mr. and Mrs. Arthur Anschutz of Grant Township.

Mrs. Joseph DuBovsky and daughters of East Tawas and Mr. and Mrs. Floyd Lossing and son, Clarence, were Sunday dinner guests of Mr. and Mrs. Estle

Hartman and David Lorenz.

On Sunday, Mr. and Mrs. Howard Look entertained Mr. and Mrs. William Look Sr., Mr. and Mrs. William Look Jr. and daughter, all of East Tawas, Mr. and Mrs. Wilfred Youngs and sons, Paul Anschutz and the Donald Youngs family at a baptismal dinner.

Carolyn Wendt of Tawas City spent the week-end with her grandparents, Mr. and Mrs. John Katterman Sr.

Visitors of the Merlin Looks during the week were Robert Grabow of Upper M-55, Miss Johanne Snyder of Whittemore, Mrs. Lillian Tarnosky and children of East Tawas and Mrs. Betty Grabow and three children.

Mrs. May Laidlaw spent a couple of days with the Walter Laidlaws and returned to Saginaw to the home of her daughter, Mrs. Harry McLean.

Mr. and Mrs. John Katterman Sr. were Thursday evening visitors at the Otto Look home in Tawas City.

Carl Look of Port Hope called on relatives and friends on M-55 during the past week.

The Michigan State Highway Department places 4,019 picnic tables in shady spots along state highways. Of these, 2,384 are placed individually or in groups of two or three and remaining 1,635 are placed in 111 roadside parks.

## Miracle Sandwich Spread

# New! Regular-priced gasoline contains all the ingredients of a premium!

## New Sunoco Blend 200 X

with Sunoco's exclusive 3-way engine conditioner

Exhaustive tests prove Sunoco's new multi-additive engine conditioner can noticeably improve performance 3 ways after just two tankfuls! Cleans, powers-up the engine of any car designed to run on "regular"!

Now there's a regular-priced gasoline that gives you *really significant* increases in power, mileage and engine life! New Sunoco Blend 200X has proved its superiority beyond doubt in lab tests and road tests. That's because 200X contains a Sunoco-developed engine conditioner that protects the carburetor as premium gasolines do... keeps valves and cylinders free of power-robbing gum... prevents spark plug fouling and gas waste. And results improve with each tankful! Your Sunoco dealer has 200X today. Try a tankful and be thrilled!

### Fuelpower to fit your car's horsepower!

## GALEN E. WILSON PETROLEUM COMPANY

Distributor — Saginaw, Michigan

INTRODUCTION OF NEW BASIC BLEND 200X BOOSTS TO NEW HIGHS THE PERFORMANCE OF ALL 6 FUELS IN SUNOCO'S FAMOUS CUSTOM-BLENDING SYSTEM.

New 200X is the basic fuel in Sunoco's 6-fuel, 6-priced Custom-Blending System—the system that delivers "Fuelpower to fit your car's horsepower!" The five higher octane fuels in the system are top-quality premiums and therefore already contain premium ingredients. But since they are also the result of precise automatic blending—in Sunoco's miracle pump—of 200X and Sunoco Octane Concentrate, they all share a big performance boost!

### CAMP IROQUOIS IS TOPIC AT TWENTIETH CENTURY CLUB

Guest speakers at the year-end meeting of Twentieth Century Club were Bruce Leslie and Paul Grien, both of Bay City. They spoke on the YMCA summer camp, Camp Iroquois, at Sand Lake, Isosco County, of which Mr. Grien is director and Mr. Leslie, program director. Slides were shown of buildings and grounds, leaders and different activities at the camp.

Mr. Grien, who has directed the camp for the past five years, announced that the second period, July 11-23, is almost filled. There are still openings for the first period, June 27-July 9, and third period, July 25-August 6.

Mr. Leslie is the son of Mr. and Mrs. George Leslie of Tawas City.

A pot-luck dinner was served to 31 members and several guests preceding the program and business meeting, during which the group decided to present a subscription for the American Heritage magazine to the school library for next year. The budget committee was appointed with Mrs. Arnold Bronson, chairman. Musical selections were presented by Mrs. Dan Cater, accompanied by Miss Barbara Mercer and Mrs. Leslie.

### BAND BOOSTERS CLUB TO ELECT OFFICERS MAY 19

Tawas Band Boosters Club will hold its annual election of officers at the regular meeting Thursday, May 19, 7:30 p. m., at the high school library. A new president will be elected as Mrs. John Proctor, present head of the group, has served two years, the limit set by club by-laws. Parents of music department students who wish to participate as officers in the club, are urged to contact Mrs. Robert LaVoy, chairman of the nominating committee, or the Rev. Ralph Edwards.

Edward Rima, director of school bands, announced that orders are being taken for a long-playing record, composed of selections by Tawas Area High School band. It is to be released early in June. For further information, contact Mrs. Proctor or Mr. Rima.

Reuben Logan of Bay City visited friends in the Tawas last Sunday.

### RAINBOW GIRLS MET MAY 12 AT MASONIC TEMPLE

The M. Mark Sexton Assembly, Rainbow for Girls, met at the Masonic Temple Thursday evening, May 12. Presiding was Worthy Advisor Barbara Hester.

Honored guests presented in the East were Worthy Matron Marian Rose and Worthy Patron Elmer Freeland of Isosco Chapter, Order of Eastern Star, and Worshipful Master Robert Brookbank of Baldwin Lodge, F and AM.

Mrs. Edna Pitts, mother advisor, installed the following members of the advisory board who had not been previously installed: Mr. Freeland and Mr. Brookbank.

John Pitts talked on properties of the order and Mrs. Pitts explained the meaning of award bars which the girls may earn.

Miss Helen Appin, secretary of Audie Johnson Unit, American Legion Auxiliary, announced that it was voted at the auxiliary's last meeting to purchase a 50-star American flag for the M. Mark Sexton Assembly. These flags will be released in June.

As the next meeting conflicts with the date of the junior-senior banquet, it was voted to schedule the next meeting Thursday evening, June 9.

The girls are proud of the fact that their assembly has been named M. Mark Sexton Assembly after the founder of the Order of the Rainbow for Girls. It is the only assembly in Michigan so named.

### EAST TAWAS GARDEN CLUB MET MONDAY, MAY 9

The East Tawas Garden Club met at the Ladies Literary Club-rooms Monday evening, May 9.

After the business meeting, Mrs. L. F. Besancon had charge of the program. The theme, "Joys of Growing a Garden," was cleverly presented as a play in four acts, each act representing one season of the year. The joys to be had from gardening and nature for each season were brought out in Mrs. Besancon's discussion.

Mrs. N. J. Crocker and Mrs. George Rose served refreshments from a table lovely with spring colors and flowers. Hostesses for the evening were Mrs. John Watkins, Mrs. George Herman and Mrs. W. A. Evans.

## Mr. and Mrs. Alex Robinson Celebrate Golden Wedding

TAWAS HERALD PHOTO

Mr. and Mrs. Alex Robinson of Reno Township were honored by their children on their 50th wedding anniversary Sunday, May 15, with open house from 2:00 to 5:00 p. m. at their home.

Mrs. Robinson is the former Hattie Mae Johnston. They were married at the bride's home May 10, 1910.

Both were born in Canada and came to Isosco when infants with their parents, Mr. and Mrs. J. M.

Johnston and Mr. and Mrs. Mark Robinson.

In 1911, the Robinsons purchased the farm on which they are now living. They spend the winters at Plant City, Florida.

The Robinsons have two sons, Elwin, who farms with his father, and Carlton, who lives in Flint.

Out-of-town guests attended the open house from Lansing, Detroit, Northville, Flint, Montrose, Bay City, Sterling, the Tawas, Prescott, Whittemore and Hale.

### Plan Early Fall Wedding

### PRESENTS ALABASTER TWP. WITH AMERICAN FLAG

Mary Jane Goodale Tent No. 50 of the DUV presented the Township of Alabaster with an American flag at a dinner meeting Wednesday, May 11. Mrs. Leona Benson and Mrs. Hope Rescoe accepted the flag for the township.

Also attending the meeting were Mrs. Helen Pierce, department president of Michigan, and DUV members from Owosso, Bay City, Flint, Grandville, Lansing, Ann Arbor, the Tawas and Alabaster.

A pot-luck dinner and card party will be held at the home of Mrs. Netra Benson, 7:30 p. m., Saturday, May 21, for benefit of the DUV. Prizes will be awarded.

### SEND OLD CHRISTMAS CARDS TO CRIPPLED CHILDREN

A large box of old Christmas cards and cards for other occasions was shipped this week by Isosco Chapter, Order of Eastern Star, and Audie Johnson Unit, American Legion Auxiliary, to the mothers of crippled children at Round Lake Resort, Fennville. The crippled children will make albums of the cards to be sent to veterans in various hospitals.

This project of the auxiliary and OES was headed by Mrs. Dorothy Harmon, chairman for both organizations.

Mr. and Mrs. Harold Lindahl were called to Detroit Saturday by the death of their daughter-in-law, Mrs. Jack Lindahl.

Mr. and Mrs. Charles Puckett of West Branch, formerly of Warren, announce the engagement of their daughter, Dilla Janice Turner, to Daniel G. Miller of Whittemore, son of Mrs. Ida Miller of Whittemore and the late August Miller. An early fall wedding is planned.

Mr. and Mrs. A. A. Bigelow were business visitors at West Branch Friday.

## About PEOPLE YOU KNOW

### Tawas City

Miss Irma Kasischke of Muskegon visited over the week-end with her mother, Mrs. Olga Kasischke.

Mr. and Mrs. Walter Becker and sons visited relatives at Saginaw Saturday and Sunday.

Mr. and Mrs. Frank Trevillian and three children of Royal Oak were week-end guests of her parents, Dr. and Mrs. E. C. Silverthorn.

Mr. and Mrs. Byron Mark of Detroit spent the week-end with Miss Ferne Mark and Mrs. Elizabeth Holland and at their farm in Alabaster Township.

Carl Nemeth, student at Michigan State University, Lansing, spent the week-end with his parents, Mr. and Mrs. John Swartz Sr., visited the Walter Moellers Sunday afternoon. They were enroute home to Bay City from Alpena where they had visited their daughter.

Leon Tower, Mel Storry and Loyal Tower, all of Ann Arbor, were week-end guests of Mr. and Mrs. Roy Shedenhelm. They enjoyed perch fishing.

Mrs. Don Huey was the guest of honor at a surprise party last Friday evening given by Mr. and Mrs. Walter Anshuetz. Eighteen guests were present to help Mrs. Huey celebrate her birthday anniversary. Pedro was played. She received many lovely gifts.

Mr. and Mrs. James H. Leslie returned home after spending the winter in California and St. Petersburg, Florida.

Mr. and Mrs. Jerry Johnson and family of Bay City were callers at the William Leslie home Sunday.

Mr. and Mrs. Julius Mussel and daughters of Saginaw were Sunday guests of Mr. and Mrs. C. L. McLean.

Mr. and Mrs. Clarence Benson received word that their son, Joseph R. Benson, left for overseas May 14 and has been promoted to seaman second class.

Mr. and Mrs. Roy Hutchinson and family of Alpena visited her father, Edward Pfeiffer, Saturday.

Mr. and Mrs. Edgar Greenwood received word Thursday of the death of their aunt, Mrs. Louis Greenwood of Manchester, New Hampshire. The funeral was held Saturday.

Miss Mayme LaCombe of Standish spent two days last week with Mr. and Mrs. Walter Schuhmacher and attended the funeral of Miss Rose Harmon.

A group of girl scouts from Tawas City Troop No. 3 went to Holland Saturday where they attended the tulip festival. They were accompanied by Mrs. Philip Ross, Mrs. Frank Ahonen, Mrs. Geraldine Smith, Mrs. Albert Conklin and Mr. and Mrs. Reginald Bulbitz.

Mr. and Mrs. Jack Partlo and Mrs. Helen Partlo of Saginaw were week-end guests at the Emery Sylvester home.

Mr. and Mrs. Roy Pfundt of Hickory, North Carolina, are parents of a six pound, 11 ounce son, Steven Roy, born Friday, May 13. Mrs. Pfundt is the former Miss Nancy Sanders, daughter of Mr. and Mrs. Arthur Wuggazer.

Mrs. Byron Wight and children, Kathleen and Richard, of Grayling spent the week-end with her parents, Mr. and Mrs. Charles Katterman.

Mr. and Mrs. John Katterman, Mr. and Mrs. Arnold Guilford and daughter, Janice, Mrs. Ernest Ross and the Arthur Wendt family were at Merritt Township Sunday evening where they attended the installation of the Rev. E. E. Bickel, former pastor of Zion Lutheran Church, Tawas City.

Mrs. Thorald Curry entertained 15 ladies at a shower in honor of her sister-in-law, Mrs. Thomas DeWitt of Bay City, Saturday evening.

Mr. and Mrs. A. Walter Long and daughters of Midland spent Saturday and Sunday with relatives here.

Mr. and Mrs. William DeLosh and daughter, Nancy, Mr. and Mrs. Arthur Walker and daughter, Kay, of Bay City spent the week-end at Cleveland, Ohio, with Mrs. Beatrice Runcney and family. The ladies are sisters.

Mr. and Mrs. John Rollin of Hammond, Indiana, and Mr. and Mrs. Kenneth Rollin and children of Hale visited with their parents, Mr. and Mrs. Russell Rollin, over the week-end.

Mr. and Mrs. Robert Gogaw of Florida were guests of Mr. and Mrs. Clarence Benson last Wednesday night. They attended the dinner and flag presentation at Alabaster Township Hall.

### East Tawas

Mr. and Mrs. R. A. Boyle arrived home Thursday after a six-month stay at St. Petersburg, Florida. Enroute home, they enjoyed a month's sight-seeing trip to Washington, D. C., Virginia and New York state. They spent two weeks with their nephew, Lt. Col. Arlund Bigelow, and Mrs. Bigelow, who are stationed at Fort Hamilton, New York.

Mr. and Mrs. Emil Sass and

daughter, Sharon, visited Mrs. Sass' sisters at Mansfield, Crestline and Bucyrus, Ohio, over the week-end.

Mr. and Mrs. P. H. Mulholland visited recently with their daughter at Garden City.

Mr. and Mrs. Roy Sims visited the Blythe Allen family at Bay City last Saturday.

Mr. and Mrs. Paul Harvey left last Friday for Tri-City Airport where they took a plane trip with a group to attend an orchid show in Europe. The Harveys will leave the group after the show to tour Europe. They will return home the last of June.

The date of the East Tawas Garden Club show has been set for July 9. It will be held at Tawas Area School cafeteria.

Mrs. Rose Christeson, who spent six months in Bradenton, Florida, has returned home for the summer.

Mrs. Alfred Swales has returned from a trip to Detroit where she visited her son and daughter and their families for a few weeks. Her daughter and husband, Mr. and Mrs. Jack Larscheid, accompanied her home last Friday to spend the week-end.

The annual Ladies Literary Club luncheon and installation of officers will be held at the Holland Hotel Wednesday, May 18, at 1:00 p. m.

Mr. and Mrs. Elmer Freeland left for Coldwater last Friday to visit with Mrs. Freeland's brother.

They will also visit at Horton, Saginaw and Bay City.

Mrs. Earl Wight was in Detroit last week to attend a meeting in connection with her work as Isosco County nurse.

Initiation will be held at a special meeting of Isosco Chapter, Order of Eastern Star, Friday evening, May 20.

Poppy days are May 19-21. American Legion Auxiliary members will be selling poppies on the streets.

Mrs. Ed LeClair and Mrs. Frank Yonkers of Sandusky, Ohio, visited for a few days last week with their brother and sister-in-law, Mr. and Mrs. Jay Platte.

Mr. and Mrs. William Ludwig returned recently from Florida where they spent the winter.

Mr. and Mrs. Robert Harmon and Mrs. Gertrude McGuire attended the 10th district meeting of the American Legion and auxiliary last Sunday at Morley.

Mr. and Mrs. Edwin Woods have moved to the Edward Spring home on West State Street. They will operate the apartment house.

Past Matrons Club of Isosco Chapter, Order of Eastern Star, will meet at the home of Mrs. Lois Kienholz on West Bay Street Thursday evening for a 6:30 pot-luck dinner and meeting following.

Miss Sharon Sass and Miss Marlene Maser of AuGres spent a few days at Fort Wayne Bible College, Fort Wayne, Indiana, recently.

Study Area Opportunities

By WILLIAM TRACY Michigan State University offered a college credit course at Tawas Area High School in June 1959. A committee of six teachers prepared a paper titled "Occupational Opportunities."

The committee members had individual interests and are using this job opportunities file in their specific area of instruction. The hope was that this index would provide resource people who would become part of the learning environment and aid the teacher and the student to understand the opportunities in their own locality.

ELEMENTARY P-TA HOLDS FINAL MEETING

The final meeting for the year of the Whittemore Elementary School P-TA was held in the high school auditorium Tuesday evening.

A style show, A Girl Can Dream, was presented by home economics students under the direction of Miss Elaine Kirkpatrick. Jean Fuerst acted as narrator and Phyllis Burkholder as director. Other girls taking part were Carol Stroup, Pat Nagy, Peggy Hodge, Sandra Berry, Pat Leiber, Jean Sugden, Carol Brown, Lynn Waddell, Carol Morgan, Linda Burch, JoAnn Ponak, Darlene Rakestraw, Susan Worden, Pauline Mullinax, Pearl Forester, Sheryl Rakestraw, Dixie Hall, Judy Carpenter, Joyce Briggs, Judy Cain and Rose Hynal.

Mrs. Fred Meier, president of the Midland Mental Health Association, guest speaker of the evening, discussed "How to Deal with Tensions and Mental Health Problems in General."

Mrs. Charles Dorcey, installing officer, installed her daughter, Mrs. Dennis Hoffman, president of the Whittemore P-TA. Other officers installed were Mrs. Lucian Hatfield, vice president; Mrs. David Mills, secretary; Mrs. Laurel Colvin, treasurer.

A short business meeting was held with Mrs. Floyd Freel, president, presiding. The first grade work the picture the most times during the year and will keep it in its room.

Shop and mechanical drawing projects of the high school students were also on display. Refreshments were served in the cafeteria following the meeting.

BAND BOOSTERS CLUB ELECTS OFFICERS

Whittemore - Prescott Band Boosters Club held its final meeting of the year in the high school auditorium Monday evening. Ernest Tripp was in charge. Final band activities for the year were announced.

Officers elected to serve for the ensuing year are Kenneth St. John, president; Mrs. Dornace Bellville, vice president; Mrs. Henry Siegrist, secretary; Mrs. Joseph Wasilewski, treasurer; Mrs. Edward Papp, trustee.

A picnic basket with service for six was presented to Mr. and Mrs. Henry Verberkmoes in appreciation for the work done in the music department during the past two years. Refreshments were served in the cafeteria following the meeting.

GRANGE WILL SPONSOR PEDRO PARTY

Members of the Whittemore Grange held their regular meeting recently with Master John Cobb in charge. Plans were made to sponsor a Pedro party at the Grange Hall Friday evening, May 27. There will be a door prize and lunch.

The history of Mother's Day was given by Mrs. Blanche Cobb, lecturer. A short skit, "The American Mother Thru the Years," was presented with Mrs. Anna Thompson, pilgrim mother; Mrs. Charlotte Black, pioneer mother; Mrs. Ethel Bellville, Civil War mother; Mrs. Caroline Siegrist, flapper mother; and Mrs. Marie Bellville, dungaree mother.

Pot-luck lunch completed the evening. Mr. and Mrs. Fred Pfahl were weekend guests at the home of Mr. and Mrs. Adison Featheringill of Belleville.

Mr. and Mrs. Hazen Durant and children spent last weekend at their cottage at Sand Lake. John Burt Sr. has returned to his home on Sand Lake Road after spending the winter at Ann Arbor, Lincoln Park and Saginaw.

Mr. and Mrs. Jack Wehrman spent Friday afternoon at the Dale Strauer home in Sherman Township. Mrs. Alton Durant attended a shower at Bay City Sunday of last week.

The Raoul Hermann family and the Charles Miller family, all of Pontiac, visited at the Charles Brown and Russell Binder homes over the weekend. Mrs. Elmer Anschuetz and Mrs. Philip Watts were at Higgins Lake one day last week.

Friends of Arthur Rogers are pleased to hear he is much better. He is a patient at Tawas Hospital. Mr. and Mrs. Harry Flynn of Sand Lake returned home after spending the winter at Flint and Florida.

Visitors at the home of Mrs. Clara Smith and son, Harvey McIvor, last weekend were the Hazen Durant family of Flint, Mr. and Mrs. Dwayne Clark and daughter, Lois, all of Milford, Mr. and Mrs. Philip Watts, Mr. and Mrs. Carson Wilson, Mr. and Mrs. Floyd Denzer and Mr. and Mrs. Jack Wehrman.

The Hazen Durant family spent Saturday evening with Mr. and Mrs. Alton Durant and children.

EUGENE TACCOLINI, shop and mathematics teacher at AuGres-Sims High School, AuGres, appeared on the "Price is Right" television program last Wednesday night, which originates from New York City over a national network. Taccolini won some furniture valued at \$1,500. As senior class advisor, he accompanied AuGres-Sims graduating class to New York City for its annual class trip. This picture shows Taccolini shortly after he won his prize. It was snapped directly from the television screen.—Herald Photo.

Whittemore News

MRS. WALTER WEST DIES AT DETROIT

Mrs. William Wereley received word of the death of Mrs. Anna West of Detroit. She was the wife of the late Walter West, a former resident of Reno Township. She died May 2 of a heart attack.

Surviving are a daughter, Mrs. Mitzi Schulman, and a son, Whittey West, both of Detroit, and three sisters.

Burial took place at Detroit. the mother-daughter banquet at the Community Methodist Church, Standish, last Thursday evening.

Mr. and Mrs. Lionel Wesinick and family of Flint spent the weekend here with his parents, Mr. and Mrs. Herma Wesinick.

Mrs. Olive Davison has returned from a two-week visit in Waukegan, Illinois, with the Howard McKenzie family.

Mr. and Mrs. Lewis Miller of Flint were recent guests of her brother and wife, Mr. and Mrs. William Wereley.

Mr. and Mrs. William Ross spent Monday and Tuesday in Midland.

Orval Fuerst was at Mt. Pleasant last weekend.

Mr. and Mrs. Harry McCrum spent Thursday in Detroit.

Mrs. Betty Deloriam of Birmingham spent the weekend with her parents, Mr. and Mrs. John Higgins.

Mrs. Walter Bell and son of Mehta were callers in town Friday evening.

Harvey Schneider of Saginaw spent the weekend here with his parents, Mr. and Mrs. Earl Schneider.

Mr. and Mrs. Ronald Bishop and two daughters of Flint spent Mother's Day weekend with her parents, Mr. and Mrs. Floyd Killey.

Mrs. Emma McKenzie spent a few days the past week in Tawas Hospital for a medical check-up.

Mrs. Henry Provost has returned to her home here from Saginaw Osteopathic Hospital and is improving slowly from eye surgery.

Arden Charters, Edward Graham and Edward Dueng left Saturday on a 10-day fishing trip in Northern Canada.

Mr. and Mrs. Frank Funk of Detroit and Glennie visited at the Charles Schuster home Tuesday afternoon.

Mr. and Mrs. Fred Bell, superintendents of the OES Villa at Adrian, attended George Jackson's funeral here on Sunday.

George A. Jackson of Whittemore, retired Michigan State Highway Department employee and former teacher at Whittemore and other Michigan schools, died Thursday following a heart attack. He was being taken to a Bay City hospital when death occurred.

Born February 4, 1884, in London, England, he came to Michigan in 1896. He taught school for 16 years before entering the state highway department from which he retired in 1942. Mr. Jackson was a member of the Whittemore Masonic Lodge, a charter member of Eastern Star, and a past watchman of the Shepherds of Bethel Shrine, Lansing. He married the former Miss Frances Cataline on June 28, 1911, at Whittemore.

Surviving are his wife and several nieces and nephews. Funeral services were held Sunday afternoon at the Whittemore Methodist Church. The Rev. Dwight Lawson officiated. Interment was in the Saints Cemetery, Whittemore.

Mrs. August Miller attended.

Political Announcement. I, Grace L. Miller, wish to announce that I am a candidate for the Office of Isco County Treasurer on the Republican Ticket for nomination at the August 2nd Primary. If nominated and elected I will give the same faithful service as I have in the past. MRS. GRACE L. MILLER —Paid Political Advertisement.

BALDWIN NEWS

Mrs. Will Coleman of East Tawas and the Ray Coleman family were at Bay City one day last week.

Clarence Pierson and Wallace Boldt of East Tawas visited relatives at Bay City and Saginaw last week-end.

Mr. and Mrs. John Gackstetter of Graytown, Ohio, visited at the Edwin Anderson home last Wednesday. Week-end guests at the Anderson home were William Anderson of Mt. Pleasant and the Edwin R. Anderson family of Riverview.

Mrs. Allen Anschuetz, Mrs. Melvin Timreck and Mrs. Andrew Anschuetz attended a shower honoring Miss Joann Timreck Saturday evening.

Mrs. Edwin Zaharias, Mrs. Lowell McArdle and Mrs. Melvin Timreck spent Saturday at Bay City.

Edward Pfeiffer of Tawas City was a Sunday guest at the Lowell McArdle home.

Louis Michalski of Detroit visited at the home of Mr. and Mrs. Arthur Letz last week-end.

Rudolph Anderson, Mrs. Andrew Anschuetz and Mrs. Allen Anschuetz and daughter were at Bay City Thursday.

HALE SENIORS WILL TAKE GREAT LAKES BOAT TRIP. Graduation week exercises at Hale Area School will begin with baccalaureate service Sunday, May 22, 3:00 p. m., at the school auditorium. Commencement program for the class of 1960 is planned for Saturday evening, May 28, at 8 o'clock. This will also be held at the school auditorium.

On May 23, members of the senior class will go by bus to Chicago, Illinois, where they will board the SS South America for a four-day trip on the Great Lakes. They will visit Sault Ste. Marie, St. Ignace, Mackinac City and Detroit and return to Hale May 27.

MICHIGAN BELL PAYS \$13,919,359 TAX BILL. Michigan Bell Telephone Company announced its payment to the state primary school fund in 1959 was the largest in the company's history.

Amounting to a record \$13,919,359, an increase of nearly \$1,500,000 over 1958, the payment again placed Michigan Bell as the top contributor to the fund.

Thomas C. Maher, manager here for the company, reported that \$13,722 of the total tax payment was allocated to the consolidated public school system of the Tawas.

Schools throughout Isco County received from Michigan Bell's payment a total of \$34,212. Payments were based on the county school census of 5,061 and the local school census of 2,030.

The tax payment amounted to \$6.76 for each of the 2,058,028 youngsters in the state between the ages of five and 19 who were on the census rolls for the 1958-59 school year.

The state primary school fund receives payments not only from Michigan Bell but also from the railroads, Railway Express, Pullman, telegraph and other telephone companies.

Faith Circle Meets Tuesday. Faith Circle of East Tawas WSSC will meet Tuesday, May 24, for a 1:30 p. m. dessert luncheon and meeting at the home of Mrs. Harry Sherbine.

GEORGE A. JACKSON. George A. Jackson of Whittemore, retired Michigan State Highway Department employee and former teacher at Whittemore and other Michigan schools, died Thursday following a heart attack.

He was being taken to a Bay City hospital when death occurred.

Born February 4, 1884, in London, England, he came to Michigan in 1896. He taught school for 16 years before entering the state highway department from which he retired in 1942.

Mr. Jackson was a member of the Whittemore Masonic Lodge, a charter member of Eastern Star, and a past watchman of the Shepherds of Bethel Shrine, Lansing. He married the former Miss Frances Cataline on June 28, 1911, at Whittemore.

Surviving are his wife and several nieces and nephews. Funeral services were held Sunday afternoon at the Whittemore Methodist Church. The Rev. Dwight Lawson officiated. Interment was in the Saints Cemetery, Whittemore.

Mrs. August Miller attended.

ANGUS A. DUNHAM. Angus A. Dunham, 89, formerly of Whittemore, died May 9 at his Flint home of a heart ailment. A retired farmer, he was born July 15, 1870, in Canada. He moved to Whittemore when he was 15 years old. Mr. Dunham was married July 4, 1898, in Prescott. Surviving besides his wife are a daughter, Mrs. Elizabeth Black, Flint; four grandchildren; a brother, Wesley of Saginaw; two sisters, Mrs. Liza Upton, Standish, and Mrs. Isabella Earhart, Whittemore. Services were held Thursday at the Forshee Funeral Home, Twinning, with the Rev. Kenneth Brand officiating. Burial was in Tucker cemetery, Whittemore. Openings are available for this week-end with the tournament closing on Sunday, May 22. Mary Hilbert is the tournament manager.

Michigan Week Feature—

# Wurtsmith Important in Iosco's Economy

By HAMILTON L. McNICOL

Wurtsmith Air Force Base, with a projected population of nearly 4,000 men plus dependents, sprawls over 16,000 acres of Iosco County. In terms of men, money or real estate, Wurtsmith is one of the largest industries in the northern part of Michigan. And it provides one of America's most important products—national defense.

A huge investment of time, manpower and money is required to provide adequate defenses in today's uneasy world against po-

tential enemy aggressors. Up to the present time, the air force has poured some \$93,000,000 into the Air Defense Command facilities at Wurtsmith.

Strategic Air Command, which took over the base April 1, will more than double ADC's investment. Fifty million dollars is being devoted to the new ground facilities and the jet bombers and tankers will account for another \$125,000,000. This does not include the more than doubled annual military and civilian payroll.

Just what does all this mean to Iosco County? At present \$3,500,000 of the annual \$5,400,000 payroll at Wurtsmith ends up in cash registers or banks within the local area. The anticipated annual payroll under SAC is \$13,608,000.

If the present proportion between the base payroll and the amount spent locally remains the same, \$8,100,000 a year will be going into local tills after the full complement of SAC families arrive.

Wurtsmith's projected population of 4,000 men plus dependents will equal the total population of the Tawas, Oscoda Township, Harrisville and all other communities within a 20-mile radius of the base.

Howard Draper, Oscoda Chamber of Commerce president, expects the build-up of Wurtsmith to have a tremendous impact on the area's economy. There is talk of a new shopping center, resort owners are converting to year-round use and the chamber of commerce is getting organized for the busiest period in its history.

In an article in the Bay City Times last year, Al Peloquin quoted Representative Elford A. Cederberg (R-Bay City) as saying, "The advent of SAC to Wurtsmith and the Michigan area will bring a tremendous amount of new economic force into that area, in addition to placing the area in the forefront of the retaliatory effort of the United States."

Local area business people have always felt a sincere interest in the affairs of our military neigh-

bors. All interests are enthusiastic with recent expansion and development.

Ever since the great fire of 1911, the principal source of income in this area has been the tourist trade. The lumber industry never recovered from the fire, and Oscoda and AuSable retained only a small fraction of their pre-fire population.

But the towns continue to grow slowly as a resort area, and Wurtsmith, aside from the money funneled directly into the surrounding communities by its military personnel, helps draw even more revenue into the area by being a popular tourist attraction. Every summer tens of thousands of tourists visit Wurtsmith during open house days to get a first hand view of the planes, equipment and facilities that help make up the air arm of America's military strength.

When Wurtsmith had its inauspicious beginning in 1924 as 40-acre Camp Skeel, much of the money used to erect its meager facilities was raised by popular subscription from the residents of Oscoda-AuSable. Now, 36 years later, Wurtsmith is paying huge dividends on this original unselfish investment of bringing undreamed-of purchasing power to the area.

Persons receiving social security benefits can save themselves a great deal of inconvenience if they report promptly when they change their address, according to Paul M. Ellifritz, manager of the Bay City Social Security office.

Our country is on the move; the latest figures show that one out of every five families will relocate at some time each year. Many of these are folks who are getting social security benefits.

If you are getting benefits, you can assure prompt delivery of your monthly checks by reporting a change of address as soon as you move. Pre-addressed post card forms are furnished to each social security applicant. This card may be completed to make the change. If you have misplaced the card, a signed note or a post card to the nearest social security office, showing your name, social security number and your new address will do.

The Social Security Administration is especially interested in addresses of those who are getting benefits—so if you are not getting monthly checks, do not send a notice of change of address.

A representative of the Social Security Administration will be in East Tawas at the Federal Building, Thursday, May 26, at 10:30 a. m.

## Ellifritz Says Give Prompt Report of Address Change

Tawas City Garden Club

# Spring Flower Show May 21

"It's Spring Again," second annual flower show of Tawas City Garden Club, will be open to the public from 2:30 to 9:00 p. m. Saturday, May 21, at Tawas Area High School cafeteria. Entries will be accepted until 11:30 a. m.

Ribbon awards in each class are first place, blue ribbon; second place, red ribbon, and third place, yellow ribbon.

To be awarded for the first time is the "Mrs. Edward Lemke Award, Tawas City Garden Club Sweepstakes," donated by Mrs. Lemke's son, Howard Lemke of Allen Park. The trophy, a perpetual award, will be presented to the member of the Tawas City Garden Club who receives the most blue ribbons at this year's show. It will be competed for each year and the practice of perpetuating a three-time winner to claim the trophy as permanent possession shall not apply.

Mr. Lemke stated, "This trophy is presented in honor of my mother as a gesture to acknowledge her deep interest in horticulture and club activities, with the hope that it and others like it will help develop the aims of all garden clubs."

## Robert Deloria to Attend Insurance Leaders' Conference

Robert J. Deloria, who resides at East Tawas, will attend the Prudential Insurance Company's 1960 leaders' conference May 18-21 at Hotel Roosevelt in New Orleans, Louisiana.

Deloria, an agent in the company's Traverse City agency, will attend the business conference on the basis of his outstanding sales accomplishments and service to policyholders during 1959. He will join more than 300 leading Prudential representatives from Michigan who will attend the conference in New Orleans.

**THIEVES BREAK INTO SINGING BRIDGE GROCERY**  
Michigan State Police are investigating a breaking and entering of the Singing Bridge Grocery

south of Tawas City which took place sometime Sunday night or early Monday morning. Owners Cecil and Darwin Minard told officers that \$25 had been stolen from the cash register. A quantity of food and soft drinks were also taken.

## Elementary Pupils Give Excellent Music Program

An excellent performance was given by elementary pupils of Tawas Area School at the annual elementary music program held Thursday night at the school auditorium. The performance was a fine tribute to the ability of Mrs. John Coyle, elementary music teacher.

Included in the program were six selections in a "Salute to Spring" by the third grades of Tawas City and East Tawas units.

Six selections with a theme, "Here and There Around the World," were presented by fourth graders from the East Tawas unit.

Five numbers were presented by the fifth grade and six by the sixth grade from the Alabaster unit.

Several selections were presented by the junior elementary chorus, composed of the fourth grade, and the Alabaster chorus, grades five and six.

The program concluded with "I Know What God Is" by the combined junior and Alabaster choruses. Mrs. Robert Brookbank was accompanist.

Mr. and Mrs. Clyde Ashley of Battle Creek visited their son, Robert Harmon, and Mrs. Harmon last week-end.

## MRS. FRED ULMAN

Funeral services for Mrs. Fred Ulman of East Tawas will be held at 2:30 p. m. Friday, May 20, at Moffatt Funeral Home, East Tawas. The Rev. Ralph Edwards of the Methodist Churches of the Tawas will officiate. Burial will be in Tawas City Cemetery. Mrs. Ulman died of a heart condition at Tawas Hospital Tuesday morning following a short illness.

Decima Elizabeth Ulman was born October 16, 1885, in Tawas Township, the daughter of the late James and Helen Barnes. She married Mr. Ulman May 21, 1913, at Tawas City. She was a member of the Methodist Church and a Gold Star mother of East Tawas American Legion Auxiliary.

Surviving are her husband; two daughters, Mrs. Isabelle A. Kendall and Mrs. Irene E. Kendall, both of Tawas City; two sons, Norton of Tawas City and Edward of East Tawas; 20 grandchildren; two sisters, Mrs. Walter J. Ulman of Tawas City and Mrs. Richard Ulman of Independence, Missouri.

## Tourist Associations List Accommodations in Guide Book

More than 2,000 Michigan tourist accommodations and restaurants are listed in a new official guide published by the state's four regional tourist associations.

The most complete directory of its kind published in Michigan, the 103-page free guide contains no advertising and fits compactly into an automobile glove compartment.

Accommodations and eating places are recommended by the regional associations. Listings are given for Lower Peninsula and Upper Peninsula establishments and are printed alphabetically by city. An added feature quickly identifies those places which are open year-round.

Information includes name and location, specialty of the house in units of restaurants; number of units and features of hotels, motels and resorts along with information on reservations.

The guide is available on request from any of the four regional associations: East Michigan Tourist Association, Bay City; West Michigan Tourist and Resort Association, Grand Rapids; Upper Michigan Tourist Association, Marquette, and Southeastern Michigan Tourist and Publicity Association, Detroit.

John Paul Jones' ship, the Bon Homme Richard, was named in honor of Benjamin Franklin's fictional philosopher.

## ATTEND DISTRICT P-TA MEETING AT MT. PLEASANT

Attending the district meeting of Parent-Teacher Association at Mt. Pleasant last week were the following officers of Tawas Area P-TA: Mrs. D. A. Evans, president; Mrs. John Proctor, parliamentarian; Mrs. Raymond LeViere, secretary; Mrs. John Roiter, chairman of room mothers, and Mrs. Marvin Davenport, chairman of hospitality.

## Athletic Field

(Continued from page 1.) The proposed ice skating rink is a very important move, because of the fact that ice conditions on Tawas Bay are undependable during the winter months.

Cost of the improvements are to be financed by a one-half mill levy on city taxes, recently approved by the council. This would net about \$1,400 annually and the entire amount would be earmarked for recreation.

In addition, receipts from the professional wrestling match sponsored by the Lions Club recently will be used for recreational purposes. The club, which is devoting most of its public service activities to furthering a youth recreational program, also plans other money-raising campaigns during the summer months.
