

ALTHOUGH INCLEMENT WEATHER caused the cancellation of much of Saturday's Armed Forces Day observance at Wurtsmith Air Force Base, several thousand persons attended the event and got a first-hand look at some of the huge planes which will be

operating shortly out of this Northeastern Michigan base. In the picture at top left, spectators line up for an inspection trip through this KC-97 tanker. One of the huge jet engines on a KC-135 jet tanker holds the fascination of the young lady in the cen-

ter, who has thrust her arm in the opening. The picture at right shows an overall view of a KC-135 jet tanker, a plane which will soon become familiar to Northeastern Michigan residents when SAC B-52 bombers start operating out of Wurtsmith. Because of

the low ceiling and turbulent air, most of the fly-bys, landing and takeoff demonstrations of F-101 and F-102 jet interceptors were canceled. A concert by the Oscoda High School Band featured Saturday morning's program.—Tawas Herald Photos.

Amendment to City Charter Proposed

An amendment to the city charter which would equalize special assessment districts has been proposed by the Tawas City Water Board. At Monday night's monthly meeting, the board requested that the city council put the question before the people at the August 2 primary election.

Under Tawas City's fourth class charter, special assessment districts may be established in order to finance construction of sewer and water mains and other facilities.

However, under the city's home rule charter, property in such a special district can be assessed at only 50 percent of its assessed valuation.

"The main purpose of the charter amendment would be to assess all property owners equally," emphasizes Mayor George Tuttle.

As an example of possible unequal assessing in such a district as the charters stands now, Mayor Tuttle cited a case where home owners living along a street wished sewer service. In this case, there were two vacant pieces of property along the street and could be assessed at only 50 percent of the equalized valuation.

"The other property owners with homes would have to pay the full shot, in spite of the fact that after establishment of the special assessment district, the vacant property owners could turn right around and construct new homes. They would receive the full benefit of the new sewer main while the assessment on the former vacant property would remain the same," said Tuttle.

Mayor Tuttle and members of the water board point out the need for such a charter amendment. Tawas City has received a federal grant as assistance in constructing its new sewage disposal plant and

this money will be used to establish a revolving fund in order to finance new sewer construction.

"In order to set up such a fund, it is necessary that a plan be formulated whereby special assessment districts can be set up to repay the money," said Tuttle.

"It would be of much more benefit to use the grant in this manner, rather than to let the money remain idle in bonds. The revolving fund would enable the city to service many more homes with sewer or water."

Construction of sewer and water facilities through special assessment districts would be much easier on the taxpayer, according to the water board. At present, such facilities are not constructed until property owners pay the full cost of construction. By financing through special assessment and the revolving fund, repayment could be made over a period of three or four years.

Honors Assembly Friday Night at TA

Annual all-student honors assembly will be held Friday night at the Tawas Area High School Auditorium. The program is scheduled to start at 8 o'clock.

Senior awards to be presented include the valedictorian and salutatorian, plus the Parent-Teacher Association all-student honor awards.

Other awards will be made for scholarship, student council, senior all sports, debate, senior members of the National Honors Society, library assistants, Future Homemakers, language club, choir, band, cheerleaders.

Athletic awards will be presented for varsity football, basketball and track, along with junior varsity basketball.

The new student council and new members of the National Honors Society will be introduced.

Other activities this week include the junior-senior banquet at the school cafeteria Thursday night. Baccalaureate services will be held Sunday night, 8 o'clock, at the school auditorium.

CD First Aid Course Starts Tonight

The last series of first aid courses this season will start tonight (Wednesday) for the women's division of the Iosco County Civil Defense Unit. Five nights of instruction in all, the courses are under the supervision of Francis Block and are to be held at room 55, Tawas Area High School.

The women's division will receive police training at a meeting to be held Thursday night, 8 o'clock, at the Iosco County Building. This is the first session for the unit and it will be under the supervision of Deputy Sheriff Gene Ballinger and Roger Steffes.

Any women who are interested in joining the women's division, who were unable to do so at the last meeting, may do so by attending the Wednesday night meeting.

Veterans Organizations Plan—

Memorial Day Services . . .

Chaplain Hemkens is Tawas City Speaker

Chaplain, Capt. A. W. Hemkens of Wurtsmith Air Force Base will be the speaker at Memorial Day services Monday, May 30, at the Tawas City Cemetery. Services will be conducted under the auspices of Josse Hodder Post, American Legion.

Veterans and others in the parade to the cemetery will assemble at the Legion Hall at 8:00 a. m. Scheduled to start at 8:30 o'clock, the line of march will stop at the Mathews Street Bridge where those lost at sea will be saluted.

Services at the cemetery are to start at 9:30 o'clock. The Rev. Ralph Edwards will give the invocation and benediction.

Honorary officer of the day will be P. N. Thornton, in keeping with the tradition of appointing a World War I veteran to this position each year. Officer of the day will be James Dillon and John Brugger will have charge of the firing squad.

Tawas Area High School Band, under the direction of Edward

Rev. Jackson to Speak at Greenwood Cemetery

The Rev. Harrison Jackson Jr., pastor of the East Tawas Baptist Chapel, will be the principal speaker at Memorial Day services Monday at Greenwood Cemetery, East Tawas.

Held under the auspices of Audie Johnson Post, American Legion, Arthur Dillon will be officer of the day.

A parade will assemble at the Legion Hall and is scheduled to start down Newman Street at 10:30 a. m. A salute to the navy dead will be given at the Michigan Waterways Commission Dock. From there, those who participated in the parade will drive by automobile to the cemetery for services.

In the line of march will be a firing squad and veterans of the East Tawas American Legion post, a color guard from the United States Coast Guard station at Tawas Point, members of the Legion auxiliary, boy scouts, campfire girls and Bluebirds.

Service at Memorial to Start Hale Observance

Memorial Day services at Hale will be conducted Monday, May 30, by Glen Staley Post No. 422, American Legion. There will be a short service at the veterans' memorial, followed by a parade to the Hale cemetery. The procession will be led by Hale Area High School Band.

Speaker at the cemetery services will be the Rev. Earl Redman, pastor of Hale Baptist Church.

Boy scouts, girl scouts and veterans are urged to participate. Following the services, a potluck dinner will be held at the American Legion Hall.

Chapel Lake Indians Eye New Season

Indians of many nations will gather at Chapel Lake, in the Huron National Forest near the Tawas, at a giant "pow wow" on Memorial Day week-end, to begin preparation for the 1960 season of the Chapel Lake Indian Ceremonials, widely publicized as the greatest Indian show in America, which will be presented nightly except Mondays through the summer.

This year's presentation will have many new tribes and dances, including champion dancers from Oklahoma, New Mexico and elsewhere. The strange rites and ceremonies of the Woodlands Indians of Michigan will continue to be a highlight of the summer show.

A new feature this year will be comfortable reserved individual seats, an improved rain shelter and a more interesting tepee village and midway. As usual, there will be free lighted parking.

Conservation Dept. to Air Deer Policy

A letter from Gerald E. Eddy, director of the Michigan Department of Conservation, has suggested a meeting between the department and the Iosco County Board of Supervisors to "provide factual basis for the department's program of deer management."

At Wednesday's meeting of the board of supervisors, a letter was authorized to be sent to the department inviting a representative to meet with the board of supervisors at its June session.

"As you well know, the proper management of Michigan's deer herd is a matter of vital concern to a large segment of our people," said Mr. Eddy in his letter. "We have long been aware of the special interest of several of the county boards of supervisors, particularly in the main deer-hunting areas, in the continuing welfare of this important resource."

Mr. Eddy said that although field men are urged to maintain close contact with boards of supervisors (See DEER POLICY, page 10.)

No Home Here—Swifts Routed from Chimney

It took some doing, but Mrs. August Luedtke of Tawas City has finally cleared her premises of a family of chimney swifts, a streamlined little bird which favors a nice dark chimney for its nesting place.

Mrs. Luedtke decided last week that the pesky birds had to go when she found them eyeing her chimney as a good place to build their nests.

More than 400 chimney swifts were removed by A. Wayne Mark, Richard Look and Fred Luedtke. Four cardboard boxes were filled with birds when long poles were used to dislodge the nests from the chimney. About 100 birds escaped and quickly found refuge under the Luedtke house.

Mark said that it was the first time he had ever seen the birds this far north. "Evidently, they have a leader and when they decide to roost they fly into a chimney and build their nests down the inside using mud and clay."

KILLS RATTLESNAKE IN BACK YARD

Francis "Shorty" Yanna of Miner's Grove north of Tawas City killed a rattlesnake in his back yard last week. He said it was the first time he had ever seen one so close to town.

KROGER STORE INSTALLS BARBECUE KING OVEN

William Colling, manager of the Kroger Store in Tawas City, announced this week that a new Barbecue King Oven has been installed in the store.

Meat Department Manager Glen Bullock invites customers to try the delicious chickens, ribs and roasts that are prepared in the new oven. Advance orders are taken at the store.

Bullock, who recently came here from the Pontiac store, replaced Ivor Dungey, who is now at the Bay City store.

SEARCHERS ARE SHOWN probing the bottom of the Tawas River Saturday night for the body of Gary Kowalsky, four-year-old son of Mr. and Mrs. Dallas Kowalsky of Tawas City. His disappearance touched off a city-wide search Saturday evening and it was not until shortly before 10 o'clock that his body was found in about four feet of water behind the Fuelgas Company plant. His body was found directly below the bow of the sheriff's patrol boat in the background.—Tawas Herald Photo.

Tawas City Tot is Iosco's First Drowning Victim of '60

Gary Kowalsky, four-year-old son of Mr. and Mrs. Dallas Kowalsky of Tawas City, drowned Saturday in the Tawas River. His body was found in about four feet of water behind the Fuelgas Company plant.

A city-wide search was started for the youngest Saturday evening. First listed as missing, sheriff's department, city and state police combed several blocks for the missing boy. Assisting in the search were members of the women's division of the Iosco Civil Defense Unit.

The Tawas City boy was the county's first drowning victim in 1960.

Two search boats were pressed into service on the Tawas River

and a third boat was dispatched with a rescue crew from the Oscoda-AuSable Township Fire Department.

The boy's body was found shortly before 10 o'clock downriver a few feet from the mouth of Dead Creek.

Gary Michael Kowalsky was born August 17, 1955, at Tawas Hospital.

Stiff Jail Sentences—Fines Dealt to 10

Stiff fines and jail sentences were dealt to 10 adults on charges ranging from furnishing intoxicants to minors to contributing to the delinquency of minors after a crack-down by the Iosco County Sheriff's Department.

Three minors involved were turned over to probate court authorities for action.

The arrests came after two different drinking bouts, one Wednesday night and one Saturday night. In the latter case, complaints against six persons were signed by a parent whose teen-age daughter had been missing from Saturday afternoon until Monday morning.

Receiving fines and jail sentences up to \$100 and 20 days were: Jack Mitchell, 20; Donald Phales, 18; Ward Hall, 17; Norman Casey, 19, all Wednesday night, and Earl Colburn, 21; Ronald Colburn, 19; John Colvin, 20; Clare Birkenbach, 20; Jacqueline Long, 19; Blanche Spencer, 20, and a 17-year-old girl.

Sheriff Ivan O'Farrell said that investigation had been conducted by Deputy Sheriff Gene Ballinger. Warrants have been issued for two adults who live out of town and the department is to ask for 18 more warrants.

Seek Quick Action at Tawas Point

A 13-man committee composed of local citizens and members of the Iosco County Board of Supervisors has been named to seek a commitment from the Michigan Department of Conservation toward the development of Tawas Point into a state-owned recreation area.

Following the passage of recent legislative action which provides additional funds for the department of conservation, \$29,250 was appropriated by the department for the purchase of 140 acres of federal surplus property at Tawas Point.

Purpose of organizing the local committee, appointed by Chairman Glenn Long during Wednesday's meeting of the board of supervisors, is to urge the rapid development of the property as a public recreation site.

Members of the committee are Elmer Werth, Carl Babcock, T. S. Dimmick, W. D. Nunn, A. Don Anderson, Harold Gould, John Hoshbach, Neil Thornton, Scott Schumann, Clarence Everett, Edward Burgeson, Henry Oates and Long.

Last February, both the department of conservation and the board of supervisors notified federal officials of the General Services Administration that they were interested in the tract of land formerly owned by the United States Coast Guard.

At a meeting of the two groups in Lansing, it was pointed out that both were eager to see the property developed into a public recreation site. Although Iosco County was unable to purchase the property because of the lack of funds, the department of conservation was able to do so after Governor Williams recently signed a bill which provides a \$10,000,000 bond

issue for park improvements and land acquisition.

Rapid recreation development of the property is a matter of prime concern of both the board of supervisors and the department of conservation. As a public park, Tawas Point would relieve mounting day-use pressure on nearby East Tawas state park which has been overcrowded in recent years.

Described recently by conservation department officials as one of the choicest sites in the state for public recreational use, Tawas Point has frontage on both Lake Huron and Tawas Bay. It has one of the finest bathing beaches on the Great Lakes.

Clerk Nelson Says—

Register to Vote NOW—It's Free!

It does not cost a cent to register as a voter.

You will not even have to stand in line. But City Clerk Walter C. Nelson wondered out loud this week why so few are taking advantage of the bargain.

Many people have not voted in years. They will need to be registered with the city clerk before voting in the annual school election in July, the August primary election and the general election this fall.

The city hall is open every week-day, except Wednesdays, for voter registration. Hours are from 9:00 a. m. to 1:00 p. m.

"Hurry up and register," states Mr. Nelson.

Hale Area Election Date Changes in Effect Next Year

In setting up the procedure for the millage question to be put before the Hale Area School voters, the school's attorney discovered the resolution to make the annual election a June election was passed on March 18. To be effective for this year, the resolution must have been passed by March 13 or three months in advance of the June 13 date.

The annual election will now have to be held on the second Monday in July (July 11) this year and go to the second Monday in June the following year.

The last day to register with the local clerks for this election will be 5:00 p. m. July 1. The last day to file a nomination petition will be by 4:00 p. m. June 11. The nomination petitions which the board has already received will be carried over for the July election.

It's a crazy, mixed-up place—Mystery Ridge, that is, the newest tourist attraction in the Tawas-Oscoda area.

Owned and operated by Douglas Ferguson and William Kitchen, Mystery Ridge is cleverly designed to portray certain natural phenomena.

Here, the law of gravity seems to have gone berserk and a person's sense of balance is entirely lost. He will see water running uphill, as shown in the picture at right, and many other interesting sights.

Although designed for entertainment, the principles demonstrated here are based on numerous scientific facts.

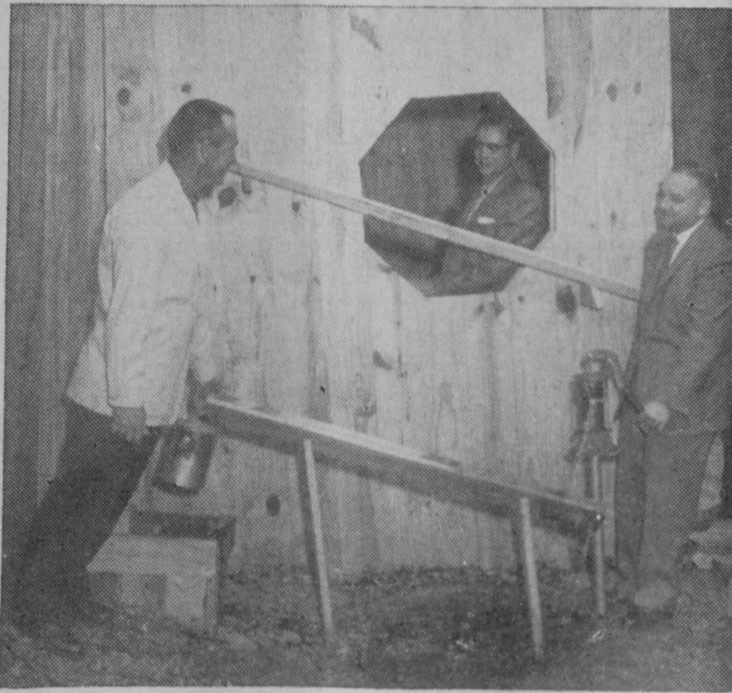

Located on US-23 nine miles north of East Tawas, construction of Mystery Ridge started the first week in April. Tours are conducted by courteous guides and last about 15 minutes.

Two of the first visitors Sunday were Carlton Merschel and Howard Draper, presidents of the Tawas and Oscoda Chambers of Commerce, respectively. They are shown in the top photo looking at the ticket office.

Merschel said that everyone who visits Mystery Ridge will find it puzzling if not downright educational. "It is one of several new tourist attractions for the area and it should prove to be very entertaining," said Merschel.

G. A. Prescott Candidate to Succeed Himself

George A. Prescott, Isosco County clerk, announced today that he would be a candidate to succeed himself in that office in the August 2 primary on the Republican ticket.

A lifelong resident of the area, Prescott was appointed in May 1951 by former Circuit Judge Herman Dehnke to fill an unexpired term caused by the resignation of former Clerk Russell McKenzie. He was re-elected in 1952, 1954, 1956 and 1958.

During his tenure in office, Prescott said that two or three things impressed him most that are indicative of the growth of Isosco County.

"First," he stated, "this office, in conjunction with the treasurer's office, issued check vouchers and transfers in 1959 totaling nearly \$2,000,000. That includes road commission funds, library funds and state moneys. A lot of money to account for and for 1960," he added.

Prescott said another item of interest in his office is the influx of retired persons to the area to live. A great many were born in Isosco County, left to seek a livelihood and are coming back after he is 35 to 40 years. "It is remarkable," he stated, "how these folks have kept in touch with their county, returning for vacations and even keeping title to land and paying taxes. It is surprising the number of persons 65 years of age and older applying for birth records at the office.

"Also worthy of note," Prescott said, "is the projection of the Wurtsmith Air Force Base personnel into our vital statistics as to births, marriages and deaths. It really adds another community to our county," he said. "In January of this year, the division of Vital Statistics, Department of Health, Lansing, presented us with a projected population figure predicted on vital statistics reported to them by this office each month by law. Their projection," Prescott said, "was nearly the same as the new figure recently announced by the official census takers.

"I have enjoyed serving the people of Isosco County," Prescott concluded, "and would certainly like to continue doing so. The people are welcome to call at the office at any time for any assistance we are able to give them in the line of duty or otherwise. My pledge is a courteous and attentive service to everyone."

Prescott, 47, is an accounting graduate from Michigan State University, class of 1935, and the father of five sons and one daughter.

Oscoda School to Borrow Classrooms From Wurtsmith

School bells will be ringing at Wurtsmith Air Force Base in September, according to information received from Robert Richardson, superintendent of Oscoda Area Schools.

Initial construction delays of Oscoda's new high school, coupled with the expected influx of SAC families later this year, has made it necessary for the local school to "borrow" classroom space from Wurtsmith.

The base designated one of the old office buildings for school use and for the past few days, maintenance men from the school system have been busy converting the building into seven classrooms.

As of this time, Mr. Richardson does not know just which grades will be taught on the base. This, he said, will be determined after the summer enrollment has been completed in July and the age groups of the children residing on the base have been established.

It is expected that base personnel will be occupying some of the 618 Capehart housing units by September and Mr. Richardson wants to assure them that bus service will be provided for children attending classes on base, as well as in town.

He also said he was "well along" in the hiring of teachers to staff

the Wurtsmith annex and that all teachers would be of the highest professional caliber.

Construction of the new high school will be completed by the beginning of the 1961 school year

and the Wurtsmith annex will be closed.

New 200X boasts all 6 custom-blends! Blend 200X is the basic fuel in Sunoco's 6-fuel, 6-price Custom-Blending System—the system that delivers "Fuelpower to fit your car's horsepower!" The five higher octane fuels in the system are top-quality premiums and therefore already contain premium ingredients. But since they are also the result of precise automatic blending in Sunoco's miracle pump—of 200X and Sunoco Octane Concentrate they all share a big performance boost!

Tremendous advance in regular grade gasoline! It's new regular-priced Sunoco Blend 200X—proved in the laboratory and on the road to deliver remarkable improvements in power, mileage and engine life. Such performance is possible because 200X contains a special Sunoco-developed engine conditioner that protects the carburetor... keeps valves and cylinders free of power-robbing gum... prevents spark plug fouling and gas waste. This action becomes most effective after just the second tankful. Ask for Blend 200X at your Sunoco dealer's soon... and be prepared for a wonderful experience!

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room—THE UPPER ROOM, NASHVILLE, TENNESSEE

Read II Timothy 1:8-14

I know whom I have believed, and am persuaded that he is able to keep that which I have committed unto him. (II Timothy 1:12).

God has spoken to me in various ways and in many situations, but never so clearly as one morning in 1950. Jack, our only son, had left the day before for army training in preparation for overseas duty.

My devotional guide directed me to this verse: "I know whom I have believed, and am persuaded that he is able to keep that which I have committed unto him."

Quietly I let it speak directly to my deep need. As I fully committed Jack to God that day, there came to me a peace and an assurance such as I had never known. I can truthfully say that I was less anxious about him during those months of overseas duty than ever before.

I am reminded of Abraham Lincoln's statement that he had been driven to his knees many times because there was no other place to go. There is wisdom in making it a practice to turn always in faith to God, the one true source of strength and power for the living of these days.

PRAYER Our Father, we give Thee thanks for Thy ever-present, loving nearness. Grant us the faith to believe that in Thy strength we can face any situation and come out victoriously. In the name of our blessed Redeemer we pray Amen.

THOUGHT FOR THE DAY I shall take time today to listen to God. Iah Schepper, Illinois. World-wide Bible reading—Acts 1:1-14.

NOW LOOK WHAT CORVAIR'S GONE AND DONE! The same Corvair that tallied a thumping 27.03 miles per gallon* in the Mobilgas Economy Run... went right on to climb Pikes Peak earlier in the spring than any car has ever tried! We wanted to show you what the fabulous traction of Corvair's rear-engine design and the sure-footedness of four-wheel independent suspension really mean. So the identical Economy Run car went right on to 14,110-foot Pikes Peak—and right up to the top of that savage mountain, on April 15, still deep in winter's snow and ice. No other car—even specially equipped—had ever been able to conquer that nightmare alpine road so early in the spring. But Corvair (with United States Auto Club officials aboard to certify that not one nut or bolt was changed) purred right to the summit without chains or even snow tires! That just underscores the fact that Corvair is totally unique. But you'll find that out the first five minutes you're at the wheel! Try the remarkable Corvair at your local authorized Chevrolet dealer's MCKAY SALES COMPANY 325 LAKE STREET TAWAS CITY, MICH. Forest 2-3404

WITH EMERY

All the rainy weather is going to effect the pheasant nesting period within the Saginaw Valley area. An abundance of spring rainfall has left water lying in the fields and could cause many pheasant eggs to be ruined and the hens to abandon their nests due to the dampness.

The only advantage of the heavy rainfalls to offset the possibility of a poor nesting season is that the farmers are having a rough time getting their crops in the field. This will result in a later than usual planting and many crops should be still standing unharvested and providing more cover for pheasant carry-over during the fall hunting season.

Richard Bertsch of Tawas City reports, while fishing on the East Branch of the AuGres River above M-55 last week, he caught four "steelhead trout" ranging from 16 to 21 inches. Trout fishing on the AuSable River with artificial flies has started to improve due to fly-hatches caused by several warm rains and warmer weather.

Taipalus Seeks Nomination to House

G. Douglas Taipalus of Mikado, Alcona County, has announced that he will seek nomination to the office of state representative of the Alpena District which comprises the Counties of Alpena, Iosco and Alcona.

Mr. Taipalus is 35 years old and a graduate of Calumet High School, Calumet, has an AB degree from Bob Jones University and an MA degree in education. He is married and has four children.

He served in the United States Air Force for three years during World War II, has taught school at Hale Area Schools and is now associated with Alcona Community Schools.

All the people who know "Doug," know of his sincerity of purpose and his tremendous capacity for work. At the present time, he is assisting two mission churches in Mikado and Greenwood. For the past two years, he has been chairman of the Red Cross drive, member of the board of Michigan Children's Aid Society, chairman of the Mikado Township Republicans and among other things is at the present time, president of the Oscoda Parent-Teacher Association.

If elected, Mr. Taipalus will endeavor to seek economy and great

er efficiency in state government. He believes in job security and will promote better tourist and industrial development for Northern Michigan.

Possibility of Rabies is Warning from Roti

After investigation of a raccoon bite complaint Thursday, State Police Sgt. Frank Roti of East Tawas warned area residents to be aware of the danger of becoming infected with rabies through such wild animals.

Mrs. Elizabeth A. Tunnell, 30, wife of a Wurtsmith Air Force Base captain, was bitten on the left ankle Thursday by a "tame" raccoon.

The animal was captured and is being held by a local veterinarian for a 10-day period to check for rabies.

"Such a bite can be very serious," warns Roti. "Alpena has had a serious outbreak of rabies among wild animals and such an outbreak is possible here. The best possible precaution is to stay clear of all wild animals, no matter if they 'tame' or not."

WORKSHOP PRE-ENROLLMENT THURSDAY NIGHT

Pre-enrollment for the summer community resources workshop will be held Thursday night at Tawas Area High School. Enrollment will start at 7:30 o'clock.

Tawas Braves Win Division Title; No Date Yet for Play-off

Tawas Area Braves finished out the regular baseball season with an undefeated record, downing Whittemore-Prescott Area last Wednesday night, 16-1, for their eighth consecutive win.

No date has been set as yet for the play-off between the two divisional champions in the Northeastern Michigan Conference. Houghton Lake and West Branch are to play a double header Wednesday (today). The winner is to meet Tawas Area to decide the trophy winner.

In Wednesday night's game, Tawas Area cracked out 16 hits to rack up another victory, but not before a scoreless first two innings. The winners pushed two runs over in the third and four in the fourth. Tawas scored 10 runs in the sixth inning.

SPECIAL OES MEETING HELD FRIDAY EVENING

A special meeting of Iosco Chapter, Order of Eastern Star, was held last Friday evening, May 20, at the Masonic Temple. Visitors were present from chapters at Omer, Farmington and Tawas City.

Those presented and welcomed were Mrs. Edna Pitts, mother advisor of the W. Mark Sexton Assembly, Rainbow for Girls; Mrs. Marian Wandoff of Farmington; Mrs. Jessie Miller of Grace chapter, and Tawas City visitors.

Miss Ruby Evans sang "My Wish" with Mrs. Helen Hertzler at the piano for the opening.

Initiated into Iosco chapter were Mrs. Neva Moffatt, Mrs. Elsie Masich and Mrs. Dorothy Masich. Miss Evans was soloist for the initiation ceremony.

At the close, Worthy Matron Marian Rose presented gifts to the new members from the chapter with appropriate remarks.

Miss Helen Applin, secretary, presented corsages in Star point colors to the candidates with poetry selections of their meaning.

Announcement was made that

Worthy Patron Elmer Freeland has been appointed grand guard to take part in Grand Chapter of Michigan at Grand Rapids next October. Mrs. Rose will be grand proxy for Grand Secretary Genevieve Nauman at the October session.

The meeting closed with a prayer for peace, composed by the grand secretary, presented by Mrs. Rose.

Serving refreshments were Mrs. Irene Ludwig, Mrs. Marie Simkins and Mrs. Georgena Johnson. The serving table was centered with a colorful floral arrangement.

KROGER VICE PRESIDENT ANNOUNCES 1959 SALES

C. Olaf Talla, vice president of the Detroit division of Kroger Company, announced last week that company sales during 1959 amounted to \$1,911,000,000, making it the nation's third largest food retailer.

In a report to the 40,000 full-time and 20,000 part time Kroger employees and their families, the report stated that the company contributed more than \$5,000,000 to its profit sharing plan with employees.

State Police Will Intensify Week-End Traffic Control

Intensified traffic patrols will be operated by the Michigan State Police over the 78-hour Memorial Day week-end.

There will be 104 National Guard members aiding the troopers, serving as second man on two-man patrols and on point control.

Patrol shifts will be increased to 10 hours from noon Friday, May 27, through midnight Monday, May 30, and pass days have been canceled.

Ninety-six guardsmen will assist 32 sheriff departments and one municipal police department.

Weather permitting, state police planes will be used to report on traffic conditions.

"Thus far this month, there has been a substantial saving in lives as compared with May a year ago," said Commissioner Joseph A. Childs. "We hope the good work continues over the week-end and it can be drivers cooperating in following the rules of the road. Take it easy."

In the last five years, Memorial holiday deaths have averaged one every 4½ hours. Last year the 54-hour toll was 12 lives, in 1958 the longer 78-hour period claimed 13. The highest Memorial toll in the past decade was 23 in the 78-hour period in 1952 while the low was four in 30 hours in 1950. The worst toll of any holiday period in the state was the 58 killed in the 102-hour Memorial week-end in 1941.

More Than 100 Children Take Hearing Tests

Individual hearing tests for more than 100 children who showed hearing variations in the group screening recently completed in Iosco County schools were held last Thursday and Friday at the Iosco County Building.

Nestor A. Wickman, regional audiologist for the Michigan Department of Health, Sault Ste. Marie, conducted the individual testing.

Using a clinical audiometer, the hearing consultant made an audiogram or graph of each child's ability to hear throughout the range of human hearing. The audiogram discloses even the slightest hearing variation.

Those children whose hearing variations were significant were referred to Dr. R. H. Criswell, otologist of Bay City, for a medical ear, nose and throat examination. These examinations were conducted at the local hearing examination center in the county building.

The individual hearing tests are the second phase of the hearing conservation program which is being sponsored by District Health Department No. 2, physicians, schools and Iosco County.

"Over 70 percent of the hearing losses found in school children are due to conditions that are in need of medical attention and that can be corrected by medical attention," according to Dr. Earl Hast, director of District Health Department No. 2.

He explained that about three percent of school children have hearing losses. Discovery of the conditions enables corrective measures to be secured before permanent damage is done to the child's hearing.

Youngsters in kindergarten through eighth grades of Iosco County schools were given screening tests. Mrs. George Tuttle of Tawas City, who studied at Wayne State University in order to qualify as a hearing technician, conducted these first tests. Later, children who showed questionable hearing in the group screening were re-tested under the supervision of Mr. Wickman.

The final step in the program is to arrange for medical follow-ups so that the condition causing the hearing loss may be corrected. If the hearing loss is permanent and cannot be corrected, follow-ups will be directed toward adjusting the educational environment of the child.

The local health department's share of the cost for this program is financed through an allocation by the Iosco County Board of Supervisors.

Assisting at the hearing examination center was Mrs. Earl Wight, Iosco County nurse.

HALE AREA REGISTRATION AND CLINIC MAY 26

Industries Are Cooperating in Iosco Cancer Fund Drive

Norman Salsbery and Earl McElheron, co-chairmen of the Iosco County cancer drive, announced they have contacted all local industries and have received almost total cooperation. Those contributing to date are United States Gypsum Company, Detroit and Mackinac Railway, Mackinac Truck Lines, Anderson Coach Company, Bopp-Busch Manufacturing Company, People State Bank, Tawas Industries, Straits Aggregate and Equipment Corporation, Michigan Bell Telephone Company, Mulvena Truck Lines, Jefferson Trucking, Ottawa Equipment Company, Consumers Power Company and Feather-Lite Manufacturing Company.

During the past year, the many calls for loans, nurses, scholarships, equipment, dressings and the six-week uterine cancer survey have left the Iosco Chapter funds at a new low. Free uterine cancer tests were given to 1,175 women in Iosco and Alcona Counties last fall.

MISENERS TO OBSERVE 63rd WEDDING ANNIVERSARY

Mr. and Mrs. Joseph Misener of East Tawas will observe their 63rd wedding anniversary Friday, May 26. They have lived at East Tawas most of their lives. Mrs. Misener was born at East Tawas and Mr. Misener came here from Canada in 1881.

Mrs. Misener's sister, Mrs. Mary Stanton Collins of Portland, Oregon, and his brother, Alva Misener of East Tawas, attended them at their wedding.

The Miseners have one daughter, Mrs. Fedora Nelem of East Tawas; eight grandchildren, and five great grandchildren. A son, Ivan Misener, is deceased.

Speedway Opens Season Saturday at Whittemore

Whittemore Speedway opens its 1960 racing season Saturday night, May 28, under the lights. Much time and effort has been granted toward the field and quarter-mile oval track to produce greater and even more thrilling races for the coming season.

Veteran drivers, mechanics and cars will participate along with new-comers from various parts of Northeastern Michigan.

Many new speed records for time trials, along with regular racing results, were set last year. These same records will be challenged once again. The track has been oil treated with an asphalt base for dust removal which will benefit both cars and fans.

'THE GALLANT HOURS' COMING TO FAMILY THEATRE MAY 29-31

"The Gallant Hours," the story of Admiral "Bull" Halsey, will be playing at the Family Theatre, East Tawas, May 29-31. Three United States Navy officers will be present at the theatre during the running of the film.

Endorsed by the navy, the picture portrays the life of Admiral Halsey during World War II. The part of Halsey is played by James Cagney.

The picture is highly recommended for all age groups and is considered as the best naval war picture ever shown at this theatre, according to Harold Knight, manager. This is the first showing of the film in this area.

MAKE FINAL PLANS FOR EUROPEAN EXCHANGE TRIP

Miss Barbara Mercer, Miss Julie White and Kenneth Davenport, who will participate in a student exchange program this summer, attended a 1 o'clock luncheon Sunday at Ann Arbor. Final arrangements were made for the young people to spend two months in Europe and they expect to leave in June by plane.

They were accompanied to Ann Arbor by Mrs. C. E. Mercer, Mr. and Mrs. Stewart White and Mrs. Marvin Davenport.

Deer Policy

(Continued from page 1)

visors in order to provide a factual basis for the department's program of deer management, "there is often a lack of liaison between the district game supervisor or game biologist and the county board of supervisors.

"Perhaps a more systematic effort on our part to arrange a suitable time to discuss possible deer regulations would be of mutual benefit," said Mr. Eddy.

In other business taken up during Wednesday's session, Supervisor Charles Smith of Oscoda Township was appointed to the board of directors of the Northwestern Michigan Child Guidance Clinic.

A letter was ordered sent to the state association of boards of supervisors demanding to know whether that body had been organized for the purposes of good government or whether it was organized for political reasons. The Iosco board objected to a recent letter mailed by the state association which endorsed a political candidate for governor.

ATTEND DISTRICT MEETING

Commander and Mrs. Edwin Sharp, Adjutant and Mrs. Donald Goodrow of Glen Suley Post No. 422, American Legion, Hale, attended the 10th district meeting at Morley Sunday, May 15. The next district meeting will be held at Oscoda June 26.

Wally Byam Caravan Visited State Park Over Week-End

A caravan of nearly 125 Air-stream trailers, the owners being members of the Wally Byam Caravan Club, Michigan unit, spent three days at the state park in East Tawas over the week-end. This was the second annual visit of the club, 65 trailers having visited here last year.

The blue-bereted caravaners enjoyed a week-end of perch fishing at the Michigan Waterways Commission Dock, as well as visiting points of interest in the area. A square dance was held Saturday night at the East Tawas Community Building.

An extremely friendly group of people, the caravaners started to arrive here Friday morning. Friday night, the east end of the park had filled and overflowed into the main area. The caravaners travel as individuals, rather than in a parade, in order that they will have no effect on traffic.

Charles Kiefer, national president, who accompanied the group, said that the national organization represents a good cross-section of America. They are mostly retired people from all walks of life.

Many members have traveled extensively throughout the world. Traveling strictly for pleasure, they have visited many foreign countries and find caravanning the best way to see, know and understand their neighbors.

GIRLS TOWN MEETING TEMPORARILY CANCELED

The Girls Town meeting planned for Wednesday evening, May 25, at Tawas Area High School has been temporarily canceled because the film scheduled to be shown is not available. Mrs. L. Neil Dalby of Lakeview, chairman of Girls Town board, will be here the latter part of June to show the film.

Old and New Were Contrasted in Stores During Mich. Week

The old and the new stood side-by-side in the Michigan Week displays of East Tawas merchants.

Quality Market showed a 150-year-old tea caddy and modern packages of tea and tea bags, while in the A and P, there was an old fashioned coffee grinder with freshly ground coffee, vacuum packed and instant coffees.

Hamilton's Bakery had cast iron muffin pans from the Stella French home contrasted with modern aluminum pans with paper cup inserts.

Klenow's Men's Furnishings displayed white embroidered men's waistcoats worn before the turn of the century. Barrett's Youth Center had a fine old wool embroidered baby blanket and delicate modern ones. Hennigar's contrasted very old crazy-quilts and log cabin pieced blankets with modern ones and heavy black silk and lace hose of former years with filmy nylons.

Sis's Dress Shop showed an 1898 bride's dress and beautiful old beaded bags along with modern dress purses. The Singer Sewing Company used an old adjustable dress form and their modern one as well as the Singer machine on iron legs and the new style desk.

Loeffler's placed a 1908 talking machine with its morning glory horn beside a portable phonograph. Weaver's had three cylinder records and a modern 45 rpm. Myer's Plumbing used the china wash basin, soap dish, small and large water pitchers of the early days, as well as one of the early master plumbers licenses of the area.

Klinger's Shoe Shop centered attention on ladies high-topped black pointed shoes. Nash's showed a high button pair of tiny baby shoes, 74 years old, and a set of button hooks, one of sterling silver to be carried in a purse.

Merschel Hardware displayed a rifle more than 100 years old and a hand-made cabbage cutter. Nunn's used a hand plane owned by Duncan McKenzie, who built the original Holland Hotel. Mill End contrasted the kerosene lantern and modern flashlight.

Ben Franklin Store had a display board showing a halved silver spoon used for measuring, contrasted with a modern set of measuring spoons and a variety of bone hair pins, hair ornaments and combs, old and new. With these was a picture of Mr. Mooney's parents 55 years ago.

Mathews had a collection of very old articles and matching modern items.

Other stores which had displays included Gould's Drug Store, Miller's Jewelry, Dimmick's Cut Rate, Dale's Jewelry, Evans Furniture Store, Merschel Cleaners, Pfeiffer's Flower Shop, William Look and Sons.

The Iosco-Arenac Regional Library displayed books on Michigan history in Merschel Cleaners' window. Displayed in the Peoples State Bank was an 1883 publication, "History of the Huron Shore," with fascinating details of the area's early history. Here, also, was an ornately framed picture of the 1888 AuSable volunteer firemen.

These displays dramatized the change and advance since early days in Michigan.

GAMES RAINED OUT; PLAY MEMORIAL DAY

All games were rained out in the Northeastern Michigan League Sunday. East Tawas was to have gone against Melita at the school athletic field, which was in fairly good condition, but only three members of the Melita team made an appearance.

Manager Clare Herriman said that Tawas City's game at Skidway Lake, which was rained out Sunday, will be played there Memorial Day.

STATE OF MICHIGAN
DEPARTMENT OF AGRICULTURE
BUREAU OF ANIMAL INDUSTRY
LANSING, MICHIGAN

Department of Agriculture Regulation No. 133
Regulation Relating to the Public Exhibition of Poultry
By virtue of the authority provided by Act 181, Public Acts of 1919, as amended, the following rules and regulations are hereby established:

1. Feed and water containers provided for exhibition coops shall be new or properly cleaned.
2. Feed or water containers from which birds have eaten or drunk must be refilled so as not to contaminate the common supply of feed or water. Feed or water containers may not be removed from exhibition coops except for the purpose of cleaning.
3. Exhibition coops must be constructed and placed as to provide adequate light for proper and inspection of poultry for evidence of transmissible diseases.
4. Litter for exhibition coops must be of clean material and renewed daily or oftener as needed.
5. Shipping crates used in shipment of birds by common carrier may not be used as exhibition coop. Shipping crates shall be cleaned and disinfected after birds have been removed for exhibition and before being used again.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the Department of Agriculture this 3rd day of May, 1949.

MICHIGAN DEPARTMENT OF AGRICULTURE
by:
G. S. McINTYRE, DIRECTOR

—RULES—

Exhibitors are requested to read carefully rules and regulations covering exhibition of poultry.

All exhibits shall be (a) purebred (b) cross bred from purebred parents.

All birds showing any general disqualifications according to the Standard of Perfection shall receive no award.

Provided the birds are typical of the breeds which they represent, the placing of awards shall depend upon the following:

- A. Pullets:
 1. Rapidity of growth.
 2. Depth of pigment.
 3. Uniformity of shape and size.
 4. Promise of egg production.
 5. Absence of defects and disqualifications.
- B. Mature Birds (Hens):
 1. Degree of bleaching.
 2. Condition of abdomen (spread and pliability).
 3. Absence of new primary wing feathers.
 4. Alertness of head and eyes.
 5. Body weight, conformation and fitness.
 6. Absence of defects and disqualifications.

It is suggested, especially for fairs held late in September and October, that all birds exhibited go directly from the fair to market for slaughter so that none of them will be taken back to the farm. The reason for this precaution is that the birds may take back some disease to the farmer and injure his egg production of his farm flock, if such disease is infectious and of the type which will lower his egg production.

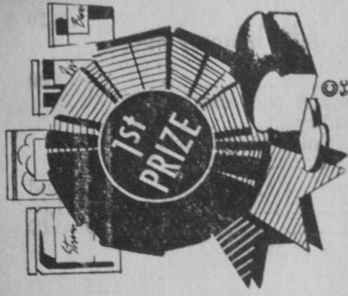

A pen entry shall consist of two females and one male.

STATE OF MICHIGAN
OFFICE OF THE GOVERNOR
LANSING

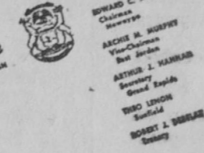

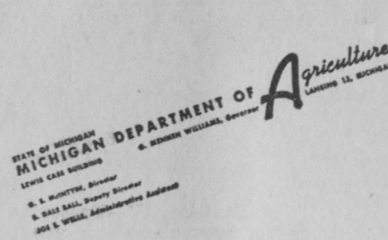

TO THE OFFICIALS AND PATRONS OF COUNTY FAIRS:

One of the most colorful traditions and important segments of American life is the county fair. For generations, Americans have come to love and to look forward eagerly to this annual event. County fairs serve an important educational function. They provide a competitive spur to farmers, young and old, to homemakers, exhibitors and visitors. Exhibits of produce, livestock, equipment and machinery offer encouragement to those seeking to improve farm products. The fair provides valuable competition which will encourage our agriculturalists to do their best to raise the quality of food preparation and handwork. The fair provides a measure of entertainment to our already excellent farm products, and it adds a measure of entertainment to our lives.

Each year the county fair gains greater interest among our city dwellers. Our growing population and expanding cities have provided a larger market for Michigan farm products. The county fair provides a meeting place for city dwellers and farmers and has brought to each a better understanding of the other's problems.

To all fair visitors, officials and exhibitors, I extend personal good wishes. This year of 1960, I am sure, will be the best ever for Michigan's County fairs.

Sincerely,
G. Mennen Williams
Governor

TO PATRONS, MEMBERS AND ATTENDANTS OF COUNTY FAIRS:

Congratulations on your 1960 event, disclosing as it does progress at the conclusion of the first decade in the last half of the Twentieth Century.

Never before in human history has the march of progress become so rapid or the development so revolutionary as during the lifetime of those now living.

Exhibits at this year's events in all fields are so advanced as to surpass the imaginations of our forefathers like all they were to see what we see today. Agriculture like all branches of industry has made vast strides, and the living conditions of today's farm family reflect the modernization that so characterizes the era.

The displays of Agricultural articles, the home arts and the accomplishments of youth disclose in a graphic way the vast strides being made.

May this year's event be the best yet held.
Yours very truly,
G. S. McIntyre, Director

Michigan State Fair Special

Michigan State Fair will award a special gold ribbon in each of the classes listed below. The winner of each ribbon is especially invited to exhibit the article on which the award is made, or in the case of perishable products, a comparable article, at the 1960 State Fair.

The ribbon will designate the exhibit as a special State Fair display entitling the winner to free entry of the exhibit and a complimentary pass to the 1960 State Fair.

ALL COUNTY FAIR EXHIBITORS, as well as the gold ribbon winners, are invited to enter their handwork at the State Fair. Write to the Home Arts Department, Michigan State Fair, Detroit 3, Michigan, for your copy of the premium book and entry blank.

NEEDLEWORK

- Best bedspread or tablecloth.
- Best crocheted article other than bedspread or tablecloth.
- Best knitted article other than bedspread or tablecloth.
- Best quilt.
- Best rug.

CANNING

- Best display of fruit—4 jars.
- Best display of vegetables—4 jars.
- Best display of meat—3 jars.
- Best display of jelly—5 jars.

BAKING

- Best loaf white bread.
- Best cake.

All special County Fair exhibits will be judged before the opening of the Michigan State Fair, September 2 through September 11, 1960. If your fair immediately precedes or comes after the State Fair, gold ribbon winners may make their entries at the 1961 State Fair.
ENTRY—10 cents.
