Record Vote in Iosco---

KENNEDY VICTOR

Iosco Goes Republican; Incumbents Re-elected

Senator John F. Kennedy was entrusted with guiding this nation through the next four years in yesterday's record shattering presidential election in which an estimated 67,000,000 voters went to the polls.

Although neither camp officially proclaimed victory or conceded defeat at 2:30 o'clock this morning, the senator from Massachusetts had a lead in popular votes of 24,000,000 to Vice President Richard Nixon's 22,000,000.

In the all-important electoral vote, Kennedy was leading in 22 states with 329 electoral votes while Nixon was leading in 27 states with 194 electoral votes.

With Kennedy leading in California and Michigan, it appears that he has been elected president of the United States.

Vice President Nixon was favored by Iosco County voters by a 3,489 to 2,054 majority at 2:30 o'clock this morning with 17 out of 20 precincts reporting.

A record number of voters went to the polls in Iosco County with more than 6,500 persons casting ballots, according to estimates by County Clerk George Prescott.

All Republican candidates at the state level received substantial majorities here, which was expected because of the county's traditional GOP vote.

Republican gubernatorial candidate, Paul Bagwell, fared better in Iosco County than he did in the state. He had received 3,416 votes at 2:30 o'clock as compared to his Democratic rival, John Swainson's, 1,974. Alvin Bentley held a 3,355 to 1,980 lead over Senator Patrick McNamara.

All Iosco County Republican candidates who had opposition in the general election held commanding leads at 1:30 o'clock this morning and were re-elected to office.

With 14 out of 20 precincts reporting, Sheriff Ivan O'Farrell led his Democratic opponent, Ken-

neth Frank, 3,196 to 1,467; Clerk George Prescott held a 3,065 lead over his Democratic opponent; Olen Herriman; Register of Deeds Albert H. Buch totaled 2,911 votes to Clarence Oates' 1,567; Bert Stickney, drain commissioner, maintained a 2,456 lead over Joseph Reinke, and W. D. Nunn, Republican incumbent for road commissioner, led his Democratic rival, Richard Killmaster, 2,511 to 1,369.

Tawas City recorded 844 votes out of a registration of 1,050. East Tawas had 1,249 ballots cast out of a possible 1,350 and Oscoda recorded 1,357 ballots out of a reg-

istration list of 1,500, to name a few of the precincts.

Tawas City voters approved a charter amendment which will equalize special assessment districts by a close 396 to 364 margin.

East Tawas voters passed a special ballot calling for a \$40,000 bond issue for construction of a new city hall. The vote on this proposition was 514 yes to 401 no. This was the second time in less than a year that voters had been asked to act on such a proposal, although an auditorium included in the original proposal was eliminated in this election.

Bus Zone Plan Receives OK at East Tawas

Approval of nine school bus stops in East Tawas was given by the city council Monday night. The board authorized the purchase of necessary warning signs for bus stops and the new system is to go into effect as soon as they are obtained.

Suitable locations for school bus stops were reviewed Monday afternoon by Mayor Elmer Werth, City Supt. Paul Ropert, Chief of Police Harry Pelton and Reynold Mick, superintendent of Tawas Area Schools.

East Tawas had objected to passing an ordinance which would require motorists to stop both ways when school buses unloaded and loaded passengers. It was felt that this was a dangerous situation for both the school youngsters and motorists, inasmuch as bus stop zones were not marked.

The plan, as formulated by the committee of civic and school officials, would establish definite locations for school bus stops. The areas so designated are to be marked with warning signs.

Mayor Werth said that when this plan goes into effect, the city police department will patrol bus stop areas and violators of posted speed zones, or drivers who do not stop for buses which are loading or unloading, will be prosecuted to the full extent of the law.

"With a little training on the part of motorists and the youngsters, themselves, we think this plan will work out fine," said Mayor Werth.

Proposed bus stops in East Tawas were reviewed by the Tawas Area Board of Education Monday night and full approval was given.

JUDGE O'KEEFE PRESIDES ON IOSCO BENCH

Judge Dennis J. O'Keefe of the 34th circuit, Standish, was assigned to the bench of Iosco County Circuit Court Monday, filling in for Judge Allan C. Miller, who is on a two-week assignment in Wayne County.

St. James Named to NEM All-Stars

BUD ST. JAMES, senior tackle of the Tawas Area Braves and an outstanding defensive player during the past season, was named to the Northeastern Michigan Conference's all-star grid team last night (Tuesday). By a vote of league coaches, St. James was selected as one of the tackles on the mythical all-star eleven. He had received honorable mention in the selections for the past two years. He lacked one vote from being a unanimous choice. Ed Collier and Herman Rollin, also of the Braves, received honorable mention in the selection.—Tawas Herald Photo.

McIntosh Heads TA Teachers Club

Bill McIntosh was recently elected president of the Tawas Area Teachers Club. Membership in the organization includes teachers from both the high school and elementary schools in the system.

Other officers are Mrs. I. A. Erickson, vice president, and Mrs. Richard Powers, secretary-treasurer.

Meetings are held once a month alternating between after school meetings and evening meetings at 7:30 o'clock.

The teachers club was organized to develop higher educational standards in Tawas Area School and to promote professional growth and standards of faculty.

STUDENTS of Tawas Area High School and other Iosco County schools had the jump on their parents in this year's general election, even if their ballots did not count. Trailer Ordinance Set for Approval of Council

A much discussed trailer ordinance received tentative approval of the Tawas City Council Monday night and is to receive final approval at the November 21 meeting.

The council made arrangements for printing the ordinance as a legal notice following its next meeting.

Under the new ordinance, maximum length of time that a trailer

er may be used for sleeping or living quarters in this city is one year.

The ordinance is designed to allow owners to live in a trailer while in the process of building a home. Property on which the trailer is located must be owned by the occupant.

Cost of the permit is \$20 for the first three months, allowing \$5 for inspection. The permit may be extended for three additional three-month periods at a cost of \$15 for each period.

Among other things, the new ordinance prohibits parking of trailers for overnight sleeping purposes. A trailer may not be enlarged by addition of porches, cabanas or other similar structures. All trailers must be connected with city water and sewer, where available.

Provisions of the new ordinance do not apply to those trailers already situated in the city which comply with existing ordinances.

Working with City Attorney Jerry Cotter in preparing the trailer regulations was the council's ordinance committee.

TA Senior Class to Present Annual Play Nov. 10-11

The senior class of Tawas Area High School will present its annual class play Thursday and Friday, November 10-11, at the high school auditorium.

Entitled "The Ghosts Go West" by Arthur Jearue, the play will be directed by Larry DeBeau, speech and forensics instructor.

Locale for the play is Tombstone, Arizona, where Caleb Jones, a tough, leathery, old cowboy-miner (played by Robert White), walks amid the faded markers of an abandoned cemetery and weighs an awful secret.

The secret involves the nearby ranch of his long dead friend, Big Joe Jude, a ranch recently inherited by Joe's granddaughter, venturesome Doreen Delaney (played by Nancy Frye).

Before the night is ended, old Caleb's concern is dramatically justified as he is struck down and left in the desert to die. The old ranch house is turned into a haven for ghosts of old-time killers and outlaws.

Others in the cast are Pat Bolen, Dennis Bennington, Mary Jane Jacques, Sharon Wesner, Al Moore, Ellen Klinger, John Sass, Mary Lou Stumo, Carol Miller, Jim Brooks, Lynda Wight, Sherrie Duvall, "Butch" Lov, Hanna Stirnemann, Marilyn Krebs and Donald Cabbie.

McCready Resigns as Justice of the Peace

William McCready, successful candidate for Iosco County prosecuting attorney in Tuesday's general election, submitted his resignation as justice of the peace at Monday night's meeting of the Tawas City Council.

McCready's resignation will be effective November 30. He had held that position since July 1959.

Mayor Tuttle said his successor would be appointed at the next meeting of the council, November 21.

Seek Architect to Help Plan Classroom Needs

Faced with the prospect of overcrowded conditions in the area too distant future, Tawas Area Board of Education took its first step Monday night toward making plans for adding classrooms in the Tawas Area School system in the future.

The board authorized Supt. Reynold Mick to secure a list of suitable architects in this area of Michigan. One firm is to be selected at a later date to work with the board of education on this project.

At its meeting two weeks ago, the board learned that 12 additional classrooms will be needed by 1970.

The school will have a need for one additional grade room each year for the next four years. A survey has shown that by 1965, two additional rooms will be needed by the seventh and eighth grades and 3 1/2 more rooms in grades nine through 12.

By 1969-70, 2 1/2 additional classrooms will be necessary for the high school grades.

Mr. Mick said that the board has decided to obtain the services of an architect immediately in order to make an intelligent decision on what steps are to be taken.

Council OK's Petition for Land Purchase

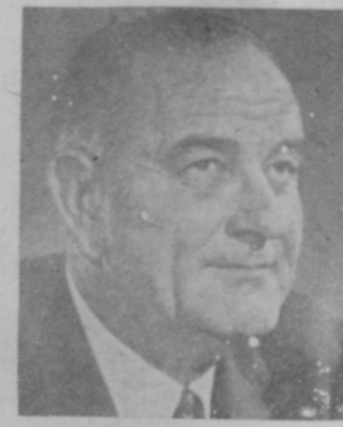

A petition signed by five Tawas City/lake shore property owners was approved Monday night for their application to the State of Michigan for purchase of filled-in lake bottom lands.

The petitioners were John Lansky, Arnold Bronson, H. J. Keiser, Howard Hutton and Ivan Castagnier, owners of lake shore property on the bay side of the business district.

City Attorney Jerry Cotter said it was necessary for the owners to apply with the city before land could be sold by the conservation department, under provisions of the state's submerged lands act.

Quota Stages Fashion Show; 150 Attend

A successful "Parade of Fashions" was staged by Quota Club of Iosco County Monday evening at the Holland Hotel, East Tawas. About 150 guests viewed almost 70 costumes from Sis's Dress Shop, Sally's of Tawas City, Stag and Doe Shop and Barrett's Youth Center. Sixteen models participated.

Narrations were by Miss Marie Nash, Mrs. Elwood Bronson, Mrs. Gilbert Barrett and Mrs. Nancy Hart. Music was provided by Leland Moffatt at the organ.

Mrs. Richard Killmaster, general chairman, was assisted by Mrs. R. G. Schreck, ticket chairman, and Mrs. George Myles, food chairman.

Quota Club will be visited by District Governor Vivien Ingram of Flint at its regular meeting Monday, November 14, at Barnes Hotel.

Students Like Nixon

Richard M. Nixon overpowered the Democratic candidate, John F. Kennedy, in the student election at Tawas Area High School last Friday. Mr. Nixon's votes came to a total of 203 while Mr. Kennedy received 151 votes.

Other statistics concerning the election were as follows: There were 123 straight Republican ballots and 71 straight Democratic ballots cast. Some 160 high school voters chose to split their tickets.

According to high school registration rolls, 90 percent of the students participated in the mock election. Some 354 students out of 393 who registered voted in the election.

The program was sponsored by the American government class with William Tracy as advisor and Mrs. Ruth Hess' journalism class.

Eight Building Permits OK'd

Eight building applications were approved during the past week by the Tawas City Department of Public Works. Two of the applications were for construction of new homes.

Building applications approved were as follows: John N. Brugger, 27 by 67 home and garage in Huron Gardens Subdivision, estimated cost \$14,000.

Elmer Burrell, 26 by 60 frame and brick home in North Park Acres Subdivision, \$12,000.

Herbert Wendt, 206 Eighth Avenue, remodel home with two windows, \$200.

Chester Busch, 522 Seventh Avenue, concrete block addition to industrial building, \$500.

Henry Neumann, 318 Eighth Avenue, 24 by 28 garage, \$1,200.

Edward Laskey, 1119 South US-23, move commercial building 15 feet toward back of lot and build roof over space between motel and garage, \$400.

A. S. Buku, 1013 Bay Drive, move home toward front of lot, \$400.

Ernest Wenk, 1029 Bay Drive, erect four cottages, move home, \$4,000.

Injured Hand in Freak Accident

A 60-year-old East Tawas man, whose hand was caught in a leaf sweeping machine Saturday, was treated for injuries at Tawas Hospital.

Roy Carman, working at the T. J. Riley residence, 1510 Media Drive, attempted to dislodge some leaves in the machine using his left hand.

Charles Bolton, a neighbor, heard the man's call for help. He turned off the machine, freed the victim's fingers from the machine and took him to the hospital.

VETERANS DAY

The Tawas City post office will be open 8:00 to 10:00 a. m. only Veterans Day, November 11. No rural delivery will be made on that day.

Seek Federal Help in--

Oscoda Net Controversy

The assistance of a number of federal agencies has been enlisted by Cong. Elford A. Cederberg to prohibit installation of commercial fishing nets in swimming areas along the Lake Huron shoreline next summer.

Representing groups of interested citizens, Mrs. John Kurk and Mrs. Herman Leopold, both of Oscoda, recently filed a complaint with Congressman Cederberg about the placing of these nets by what they call "tramp fishing

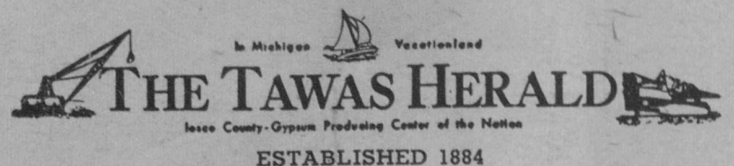

boats" from the Lake Michigan side of the state.

They say the nets are a menace to children and inexperienced swimmers. They also complain that since the location of the nets is unmarked, they constitute a danger to small boats with outboard motors.

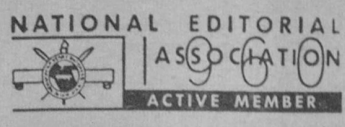

United States Fish and Wildlife Service, the coast guard, the corps of engineers and the bureau of commercial fisheries have all been asked to investigate.

Since regulation of nets comes under jurisdiction of the corps of engineers, that agency is already looking into the matter.

Congressman Cederberg says that local fishermen had entered into a "gentlemen's agreement" with the Oscoda committee to the effect that they will not locate their nets near the shore in swimming areas. Outside commercial fishermen have refused to participate in this arrangement, it is said.

P. N. THORNTON and SONS, PUBLISHERS

LETTERS to the EDITOR

Dear Editor: I would be pleased to have you print this letter which I received from the Iosco County prosecutor which answers my questions in regard to filing the budget, which I presume could be, school, county and etc.

As I have stated to some before, probing into these questions is not a popular position, but I find the answer of the attorney general's opinion, quite clear on these matters.

I have been criticized by some; in fact, in front of a recent school board meeting which I was called to attend. Both of the local newspapers were present and heard this statement made, blaming me for not discussing these issues in private.

I might say that this was called to the attention of people who should have been concerned, without success.

It would be much easier to take the road to least resistance and turn my back as many do, when these problems were submitted. It seems to me the taxpayer is quite defenseless in view of the laws governing collections of taxes.

Thank you for this space in your paper. Very truly yours, Elmer R. Werth

October 21, 1960 Mr. Elmer Werth, Supervisor, Tawas City, Michigan. Subject: 1960 Iosco County Allocation Board Proceeding

Dear Mr. Werth: You have requested my opinion with respect to the regularity and legality of the 1960 allocation board proceeding.

I have checked the minutes of this proceeding and find that the first meeting was held on April 18, 1960, which complies with the statutory requirements, and that on May 2 and May 9, 1960, additional meetings were held at which time several of the school districts presented supplemental requests for funds by way of amended budgets or letter or oral requests.

The statute governing allocation board proceeding provides that the local units shall file their budgets with the allocation board on or before the third Monday of April in each year.

Clippings from the paper were sent as far away as the State of Washington.

Thanks again, I remain, Yours truly, Chester Densted, Tawas City

Dear Editor: I wish to thank you for the splendid write up on my life. Also, the picture was very good. Many folks have talked with me about it.

One lady called me on the phone and told me she knew my "wonderful friend," Cecil McGirr, when he was a boy and that when Cecil's mother died, they wanted to adopt him and put him through school and college.

Spencer Clark of Hale was a business visitor in the city Wednesday.

in the current allocation board proceeding, inasmuch as the final order adopted covered amendments to budgets submitted after the deadline date.

The irregularity, however, is not one which can be attacked at the present time for the reason that the statute governing the allocation board proceeding provides that appeal from the final order of the tax allocation board shall be taken within 15 days after notice of the entry of this order.

No appeal having been taken, the tax allocation board order will stand.

Respectfully submitted, Paul Harvey

Dear Editor: The public must be awakened to the fact that a theatre is a community asset and that the continued existence of the theatre is a community responsibility.

Just visualize what happens when the marquee lights are turned off for the last time: The entire commercial area becomes blighted; activity is replaced by apathy, business stagnates. Vacant stores invariably surround closed theatres.

The supervised "teen" movie date on Friday nights becomes a party in a secluded lovers' lane. On the long Saturday afternoon, children seek mischief in the streets and alleys because there is no kiddie matinee to attract them.

On Sundays, one more means of family activity has disappeared; one more tie of family unity has been broken.

A closed theatre is a community tragedy; a stark symbol of a disintegrating society.

The first step in halting the deterioration which has beset many smaller towns and older communities will be taken when civic minded individuals recognize their responsibility to preserve their theatre as a community asset.

Today's MEDITATION

The dayspring from on high hath visited us, to give light to them that sit in darkness and in the shadow of death, to guide our feet into the way of peace. (Luke 1:78,79.)

While marking pupils' compositions one day, I was thrilled to see that a little girl had written: "If all the people in all the countries of the world loved the Lord Jesus, there would be peace."

If our hearts are filled with love for our crucified and risen Saviour and with gratitude for redeeming us, there is no room for hatred or hurt feelings.

At one of our seaside services a man fiercely abused my husband for preaching, but we prayed frequently for him with Christian love. Day after day he stood just within sound of the gospel. He listened sullenly at first, but finally gave his heart to God.

Christians may meet with persecution, especially when trying to spread the gospel, but nothing can really disturb the peace of God garrisoned in their hearts.

Heavenly Father, we thank Thee for giving us peace through Thy dear Son's redeeming love. May His peace be so manifest that it may spread to all we meet. In His holy name we pray. Amen.

Our Saviour's peace in our hearts will guide others to Him. Mabel E. Palmer, England.

HALE BROWNIES ENJOY HALLOWEEN PARTY

After school October 31, the American Legion Hall, Hale, was the scene of a colorful Halloween party when two brownie groups and their leaders had an enjoyable afternoon.

Troop II, under Mrs. Runyan and Mrs. Bissonette, presented a program with the girls in costume. Seasonal refreshments were served.

Troop I, under the leadership of Mrs. Marie Pember and Mrs. Lucille Ormerod, put on an original style show, plus an impressive ceremony of presenting world pins to the girls and honorary miniature pins to Serge Thomsson, Mrs. Edwin Sharp and Mrs. Donald Goodrow.

On behalf of Glen Staley Unit, American Legion Auxiliary, Mrs. Sharp accepted the troop charter. The auxiliary is sponsor of both brownie groups as well as the girl scouts.

The hall was beautifully decorated in fall colors in Halloween motif.

come permanent residents of Hale area.

Mrs. Frank Wells has been ill at her Long Lake home. She has gone to Detroit for medical treatment.

Mr. and Mrs. Elmer Henderson left for Florida November 8. They will return in the spring to their Long Lake residence.

Mr. and Mrs. Edwin Sharp, Mr. and Mrs. Donald Goodrow and Mr. and Mrs. Robert Pember attended the 10th district American Legion conference at Bay City Sunday, October 30.

Commander Robert Pember and Arlon VanHouten of Glen Staley Post No. 422, American Legion; Mrs. Edwin Sharp, president, and Mrs. Arlon VanHouten, child welfare and rehabilitation chairman, representing the ladies auxiliary, attended the fall conference of the American Legion at Traverse City November 4-6.

Several ladies of Glen Staley Unit, American Legion Auxiliary, met at the Legion Hall recently and made bed pads for the Hale Chapter of the Michigan Health Council.

WITH THE IOSCO 4-H Clubs

By DOROTHY SCOTT County Agent

Captain Muddy's television show appearance and visit was the highlight of October's community 4-H Club activities for Peace Valley 4-H Club members. They also went on a hayride party at Fletcher's toward the end of the month.

Projects in canning, weaving, crafts and photography were selected with Jack Dodson, Gladys Miller, Muriel and Sheila Dodson as leaders and junior leader.

"We want to do a foods project but we cannot find a leader," says the reporter.

Carol Jean Scott, one of the members, is ill. Her 4-H Club friends wish for her a fast and complete recovery.

Nineteen members, five parents and leaders attended the November 1 community club meeting. Next meeting will be held on December 6 at Beauparlant's.

How about this? Will there be someone who can help our 4-H girls and boys with a foods project?

If one of our readers wants to know more about the foods project and how to be a leader for the young people, please get in touch with me. We will visit together about it.

POST AND AUXILIARY PLAN COMING EVENTS

Glen Staley Post, American Legion, and its auxiliary held a special meeting Wednesday evening, November 2, to make final plans for coming events.

Wednesday evening, November 9, 7:00 p. m., there will be a father and son banquet with Department Commander Wilson Morrison as main speaker.

Friday, November 11, a special service for Veterans Day will begin at 10:00 a. m. followed by a pot-luck dinner. All veterans are invited.

Saturday, November 19, the ladies auxiliary is having a hunters' supper, serving roast beef, beginning at 5:00 p. m.

Mrs. Lillian Finney and Mrs. Gola Hendrickson are in charge of dinner arrangements for the father and son banquet; Mrs. Maxine McKenzie and Mrs. Lillie Wells are in charge of arrangements for the hunters' supper.

HALE BOYS SCOUTS CONDUCT SUCCESSFUL FUND DRIVE

Hale Boy Scout Troop realized \$297 from its recent fund raising campaign for Paul Bunyan Council, Northland District, Boy Scouts of America.

Members of the committee, Earl Bielby, J. Morley Stevenson and Serge Thomsson, expressed their thanks to residents of Hale for their interest in the boy scouts.

Mr. and Mrs. George Shreve of North Dease Lake are spending some time in Flint. They have a home there and are in the process of disposing of it. They will be

Crew Chief, Maintenance Man Selected for Sept.

SSgt Leroy T. Hanner and SSgt Jerome C. Johnston were recently named Maintenance Man of the Month and Crew Chief of the Month, respectively, for the month of September at Wurtsmith Air Force Base, Oscoda.

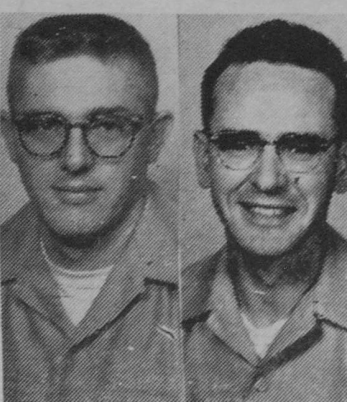

Sergeant Hanner of the 4026th Armament and Electronic Maintenance Squadron arrived at Wurtsmith in June of this year. He came here from Kindley AFB, Bermuda, where he served two years maintaining the electronic navigational equipment of the 303rd Air Refueling Squadron.

Having six years of military service to his credit, Sergeant Hanner is 24 years old and calls Garden City his hometown.

The Crew Chief of the Month award winner, Sergeant Johnston, is assigned to the 4026th

Organizational Maintenance Squadron. At Wurtsmith, Johnston is crew chief of the same KC-135 he had while at Carswell AFB, Texas, his previous station.

Sergeant Johnston, 24 years old, has been in the Air Force for

seven years. His hometown is Mankato, Minnesota.

He is currently living in Ausable with his wife, Marjess, and their two children, Michael, age 15 months, and Shawn, age three months.

The Crew Chief of the Month and Maintenance Man of the Month programs are conducted on a continuing basis. They are designed to bring recognition to the crew chief and maintenance man making the most outstanding contributions to their unit during the month.

SEE! THE GREATEST SHOW ON WORTH!

MEASURABLY NEW, IMMEASURABLY NICE! '61 CHEVY

Open the door to a whole new measure of your money's worth! There's more entrance space in this '61 to make getting in and out easier. More rear foot room for the man in the middle. Seats that are as much as 14% higher—just right for sitting, just right for seeing. A tremendously spacious new kind of deep-well trunk that opens at bumper level for easy, short-lift loading. But look—there's actually less outer space, leaving extra inches of clearance for parking and maneuvering! Neat trick? Bless our ingenious designers and engineers. They've shaped spacious dimensions, proved performance, thrift and dependability into the most sensationally sensible car you could buy. It's waiting for you at your Chevrolet dealer's right now.

The NEW Dodge Compact

The name, Lancer: One hardtop; one 2-door sedan; two 4-door sedans; two station wagons. What kind of cars are they? This kind: Two feet shorter; many pounds leaner; a couple of hundred dollars less in cost than usual automobiles. Lancer welcomes a cost of six lavishly. Has plenty of trunk. Its fully-unitized body is very quiet, very tough. Lancer is also mannerly. It corners decisively, takes a well scarred road with aplomb. Parks obediently. More reasons to buy? Read on. The interiors are rich, but simple. Shed soil, wear well, feel good. The engine is highly spirited, but extremely light on regular gasoline. One more thing, Lancer is built by Dodge. Our name is on it. This means Lancer will stay nice and shiny. How so? The body is rustproofed by an exclusive Chrysler Corporation process.

Needlecraft News by Nancy Baxter

The problem of mental health is one which is of increasing concern to intelligent Americans. For we are constantly reminded, through personal contacts, newspapers, radio, and TV, of the unhappiness and tragedy which result from emotional disturbances.

Awareness of the problem is a step in the right direction. No longer do informed men and women drop their voices to a whisper when they discuss mental illness. But awareness is not enough.

AN OUNCE OF PREVENTION...

All of us should take seriously our own responsibility for preventing mental illness from striking us and those we love. And one of the very best ways to do just this is by making certain that we find time, each day, for activities that offer relaxation from the physical and mental tensions of modern life.

Certainly there is no hobby more tranquilizing after a hectic day than needlework, long applauded by leaders in the mental health field for its therapeutic value. The combination of busy fingers and alert minds directed towards a pleasant goal is a healthy one which fosters our own important sense of individuality and accomplishment, yet adds no additional pressures to our lives.

STICK TO YOUR KNITTING

Today's pattern, for example, can be fashioned oh-so-easily, yet your sense of accomplishment will be great when you complete this handsome pullover, a marvelous gift for the young man of the family. So why not send a stamped, self-addressed envelope to the Needlework Department of this newspaper and ask for your free copy of Leaflet No. B-128.

Safeguard your mental health while you stick to your knitting!

Whittemore Junior League Host to Women's Clubs

Whittemore Junior League was host to Federated Women's Clubs of Iosco County November 1. The meeting was held in the Methodist parish house with Mrs. Raymond Dorcey, president of the Whittemore Junior League, presiding.

Mrs. John Halbert, vice president of the host club, welcomed guests from the six federated county clubs. Clubs represented were Rural Women's Study Club, Whittemore Women's Club, Tawas Women's League, Ladies Literary Club, Twentieth Century Club and Whittemore Junior League.

A varied and enjoyable program was presented.

Nineteen hundred sixty represents 20 years since the first meeting of the county clubs was held. Roll call found 19 past presidents in attendance.

Mrs. John Proctor, president of Northeastern District of Michigan Federation of Women's Clubs, was introduced and gave remarks about the fall district meeting.

District officers and chairmen introduced were Mrs. John Pitts, news and information chairman; Mrs. August Lange Sr., Indian affairs and scholarship chairman; Mrs. William Gregory, garden chairman; Mrs. William Krumm Jr., international negotiations; Mrs. T. M. O'Loughlin, history, scrapbook and press book chairman; Mrs. Floyd Upton, district treasurer pro-tem; Mrs. Proctor, state nominating committee.

The following officers were elected for the ensuing year: Mrs. Fred Pfahl, president, Rural Women's Study Club; Mrs. Krumm, Tawas Women's League, first vice president; Mrs. Charles Dorcey, Whittemore Women's Club, second vice president; Mrs. Clarence Everett, Ladies Literary Club of East Tawas, secretary.

Next year's meeting will be hosted by Rural Women's Study Club.

IOSCO CHAPTER PRESENTS LIFE MEMBERSHIP

Regular meeting of Iosco Chapter, Order of Eastern Star, was held at the Masonic Temple with Worthy Matron Dorothy Sutton presiding.

Memorials were held for Past Grand Patron Harry W. Lott and Mrs. Rae Cramer, Grand Chapter officers.

A life membership certificate and gold life membership pin was presented to Mrs. Emma Misener by Mrs. Marian Rose, junior past matron. An honorary membership certificate was given to Mrs. Florence Roseberry of Martha Washington Chapter, Saginaw. During the business session, plans were made to hold a hunters dinner the evening of November 12 at the temple.

Donations were given to the Wayne County Fraternal Home and the American Tuberculosis Association Christmas Seal Fund.

Mrs. Helen Hertzler was installed as organist by Miss Helen Applin, installing officer, and Mrs. Edna Pitts, installing marshal.

A fine report of the Grand Chapter session held recently in Grand Rapids was given by the outgoing worthy matron, Mrs. Rose, first delegate at the session.

This was obligation night and Worthy Patron Paul Sutton led the chapter in the obligation ceremony. He read a beautiful Thanksgiving message from the Grand Chapter grand matron and patron.

After the meeting, refreshments of assorted doughnuts, coffee, candies and nuts were served by the following committee: Mrs. Grace Miller, chairman; Mrs. Laura McMurray; Mrs. Emma McCall, and Mrs. Mildred Parsons.

MRS. HERRIMAN HOSTESS TO RURAL WOMEN'S CLUB

Mrs. Clarence Herriman was hostess to Rural Women's Study Club at her home November 2. Twelve members were present and Mrs. Walter Otis of Sand Lake was welcomed as a new member.

After a lunch, served by Mrs. Herriman and Mrs. Lawrence Ball, Walter Otis of Sand Lake was introduced by the program chairman. He gave an interesting report of a trip he and Mrs. Otis made to Europe last year.

Mrs. Mary Snyder, president, had charge of the business. It was decided to bring Christmas gifts for girls at Loc-Rio and patients at Traverse City State Hospital to the next meeting, which will be the annual Christmas party at Grant Township Hall. Husbands of members will be guests.

BROWNIE TROOP MET WITH MRS. JAMES ROACH

Brownie Lone Troop No. 2, Tawas City, met at the home of Mrs. James Roach Tuesday evening, November 1. The girls finished their project, the making of brownie plaques bearing the pledge.

A Halloween party was enjoyed by all. Masks were made by each girl. Cupcakes and cider were served by Kathleen Bublitz, hostess.

The troop met for its weekly meeting at the home of Mrs. Philip Ross last night (Tuesday).

Engagement Announced

Mr. and Mrs. Herman H. Heierman of Whittemore announce the engagement of their daughter, Diann Jeannean, to Gerald Anschuetz, son of Mr. and Mrs. Arthur Anschuetz Sr. of Tawas City. A summer wedding is being planned.

Mrs. Sally Szymanski and Serge Thomsson, both of Hale, were married Friday, November 4, at Osoda. Justice Lester Weis performed the double ring ceremony at 4 o'clock.

Mr. and Mrs. Frank Schmelzer of Lupton were their attendants.

CHRISTMAS DECORATIONS GARDEN CLUB SUBJECT

Making Christmas decorations will be the subject to be studied by members of the Tawas City Garden Club at the workshop meeting planned for Monday, December 12. All kinds of decorations, some patterns, wreaths and swags are being planned. An all-day meeting will be held, beginning at 10 o'clock in the Tawas City Hall. A box lunch has been planned for noon.

The theme, "Looking Beyond our Garden Gate" was used for the Tuesday meeting at the county building with 20 members and one guest attending. A trip I enjoyed in Michigan was the roll call answer.

Two papers, "Roadside Development" by Mrs. P. N. Thornton and "The Lure of Dunes" by Miss Ferne Mark, were given.

The Christmas party will be held at the Mark-Holland home December 6 with an exchange of gifts.

A display of Christmas bells made from can tops and clever decorations from foil plates were shown by Mrs. T. M. Smith.

FARM BUREAU WOMEN NAME COMMITTEE CHAIRMEN

Committee chairmen were named at the November 3 meeting of Iosco Farm Bureau Women's Committee, held at the home of Mrs. August Lorenz. Chairmen include Mrs. Lloyd Little, legislative; Mrs. John Cobb, citizenship; Mrs. Kenneth Pringle, information.

Following the business meeting, a film showing construction of the Mackinac Bridge was viewed by the ladies.

The annual pot-luck Christmas party has been planned for December 6, 12:30 p. m., at Grant Township Hall. Each member is asked to bring a 50-cent gift for exchange within the group and a 50-cent gift for patients at Huron Convalescent Home. Members are to provide individual entertainment for the party. A door prize will be awarded.

Mrs. Lorenz and Mrs. Pringle were hostesses at the November meeting.

Mrs. Emmelle Mark, past matron, was installing officer with James F. Mark, past grand patron, assistant installing officer. Other installing officers were Muriel Horton, marshal; Lillian Leslie, chaplain; Arlene Leslie, organist; Mrs. Simons and Mrs. Williams were soloists.

In the opening ceremony, the Past Presidents Club presented a 50-star American flag to the chapter, Mrs. Elizabeth Tuttle, president, making the presentation.

Guests presented in the East were Caroline Schlamb, worthy matron of Osceola; Mr. and Mrs. Teets, worthy matron and patron of Atlanta; the Rev. and Mrs. Paul Sutton, worthy matron and patron of East Tawas. AIA officers attending were Lurissa Forsten of Tawas City, third vice president, and Julia Oliver of Osceola, marshal.

Following the installation, Mr. and Mrs. DePotty gave remarks and introduced their family. Members of the family attending included their two daughters, Mrs. Simons and Mrs. Arthur (Maxine) Applin, Mr. Applin and their two children, Sheryl and Pamela. Sheryl gave two dance numbers in brilliant costume.

Mrs. Westfall was presented with the past matron's jewel by Mrs. Horton and received a gift from her officers. The past patron's jewel was presented to Mr. Westfall by Mr. Mark.

Refreshments were served from a table centered with yellow chrysanthemums and yellow candles. The hall was decorated with bouquets of chrysanthemums in pastel colors.

Hostesses were Inez Conklin, Luella Blust, Nora Silverthorn, Marian Hoag and Ellen Gauthier.

The DePottys opened many gifts from members and friends.

ET Legion and Auxiliary Hold Joint Banquet

East Tawas American Legion and Auxiliary held a joint banquet Monday evening celebrating the birthday of the auxiliary and Veterans Day. Toastmaster and program chairman was Miss Helen Applin. Invocation was by Mrs. Lois Kienholz, unit chaplain. Honored guests presented were Mrs. Naomi Bennett, auxiliary president, and Commander Charles Hunt, who in turn introduced past commanders of Hale and Osceola. Mrs. Dorothy Harmon, fourth zone vice president; Mrs. Marcella Gwidala of Bay City, 10th district president; Mrs. Nell King of Osceola, district first vice president; Mrs. Gertrude McGuire of East Tawas, treasurer and chapeau of 8-40; Mrs. Edith Goodrow of Hale, district historian; Mrs. Velma Sharp of Hale, finance chairman, were introduced.

Speaker of the evening was Miss Pirkko Hyvarinen, Finnish exchange student, who gave an interesting talk on her home, the customs of the people, their seasons, entertainment and schools.

A musical program was given with Mrs. Nyda Bronson at the piano. Patriotic and Legionnaire songs were used, pep songs for Nixon and Kennedy and "Finlandia," in honor of the speaker.

The president presented Mrs. Harmon with a gift from the unit and stated the dinner was in her honor. Mrs. Bennett also cut the decorated birthday cake presented by the post.

Meetings by post and auxiliary followed.

At the auxiliary meeting, a report of the fall conference held at Traverse City last week-end was given by Mrs. Evelyn Price, delegate.

Reports were also given by chairmen of committees, Mrs. Kienholz, Mrs. Gertrude Kunze, Mrs. Mary P. Blake, Mrs. Ada Freeland. Donations were made veterans hospitals and the post for flooring.

A Christmas party with exchange of gifts and a 6:30 pot-luck dinner are planned for the December meeting.

Meat Man Honored

Walter E. Fitzgibbon, veteran Kroger meat man, has received the first annual Retailer Recognition Award given by the American Meat Institute for outstanding achievement in the retail food industry.

The Institute, national trade, research and educational association of the meat packing and processing industry, established the award to place greater emphasis on the relationship between members of the packing and processing industry and food retailers and wholesalers.

"Mr. Fitz," as he is known throughout the meat industry, retired recently as senior meat consultant for the Kroger Co., a position he had held for the past two years. He previously served for 13 years as director of meat merchandising for Kroger. He joined the retail food firm in 1931 following several years experience both in the packing and retailing side of the meat industry.

55 TA STUDENTS TOOK PART IN COLLEGE NIGHT MONDAY

Some 55 seniors from Tawas Area High School participated in the annual "college night" program held Monday night at Stan-dish-Sterling High School. The group was accompanied by Principal Ernest Jordan and Student Counselor Thomas Pinkowski.

Seven colleges and one nurses school were represented at the meeting, including Michigan State University, University of Michigan, Central Michigan University, Ferris Institute, Delta College, Northeastern Michigan School of Commerce, Alma College and Saginaw General Hospital School of Nursing.

Students discussed admissions, scholarships, programs and tuitions with representatives of the various colleges.

Win Over Whittemore; Ends Season

After shutting out the Whittemore-Prescott Area Cardinals, 18-0, Friday night, Coach Herb Escott and his Tawas Area Braves burned an old football shoe under the goal posts to signify the end of the 1960 football season.

Besides intermittent snow showers during the game, the annual dad's night program and announcement that it was the final appearance of Tawas Area's marching band for the season, area football fans needed little else to remind them that high school sports activities will now move indoors.

Over the season, the Braves had a rather unimpressive two win, five loss record. But, taking the seven games individually, Tawas Area had a much better team than the record indicates.

Losses against Gladwin, West Branch and Pinconning were decided by only one touchdown margins and the games could have gone either way. Tawas lost to Standish Sterling and Houghton Lake by two touchdown margins.

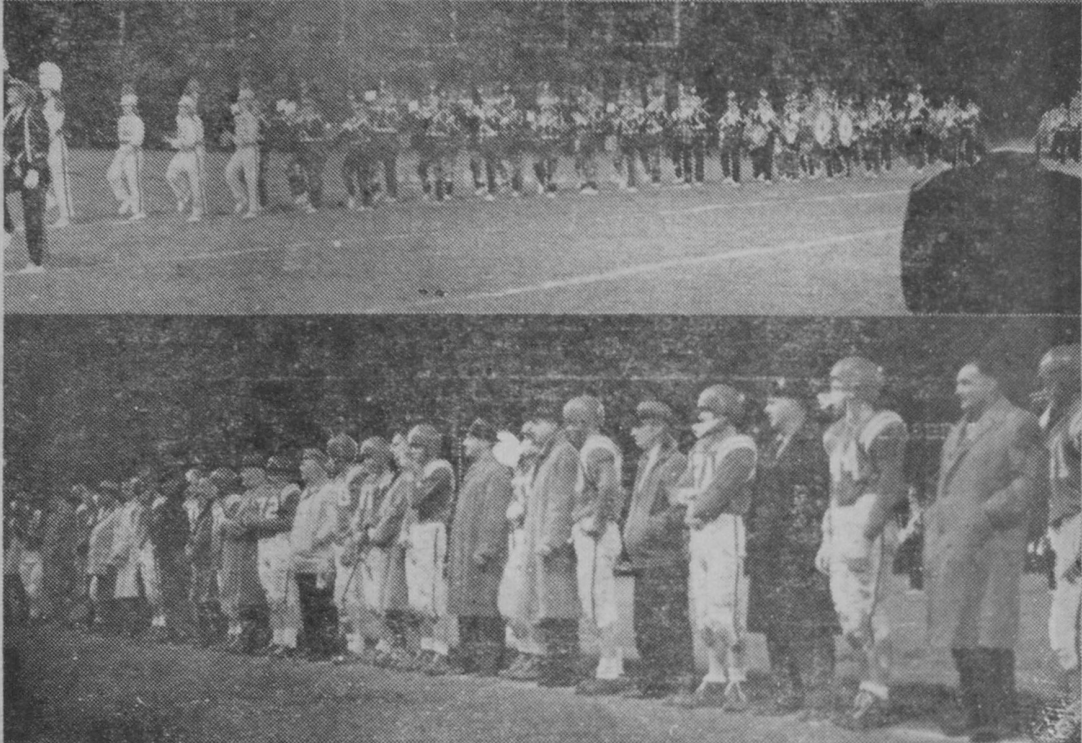

In the season's finale, the Braves had little trouble in downing the Cardinals, although the visitors were never "out" of the contest until late in the third quarter.

After a scoreless first quarter, in which both teams had fumbles to unsettle scoring chances, Fullback Ed Collier sliced over the goal line from one yard out to score Tawas Area's first touchdown of the night. Coming shortly after the two teams had traded ends of the field, the Tawas touchdown came on nine plays from scrimmage with Halfback Dick Zaharias and Collier doing most of the running. Quarterback Jim Mick's extra point kick was no good and Tawas had a 6-0 lead.

Shortly before the end of the first half the Braves struck again, this time the touchdown coming on an 11-yard pass from Mick to Collier. The PAT was short and Tawas led 12-0 at intermission.

Tawas Area's final score in the fourth quarter came on a pass from Don Humphrey to Zaharias, the play covering about eight yards. The PAT was missed and the final score read 18-0 in favor of the Braves.

Five seniors played their last game for the Braves. They were Halfback Jim Campbell, Guard Bob Frank, Guard Bob Curry, Tackle Bud St. James and End John Saxe.

FOOTBALL SEASON ENDS—Halfback Brian Helmer of the Tawas Area Braves is shown picking up yardage in the picture at top in Friday night's game against the Whittemore-Prescott Cardinals. In the second picture, Edward Rima, right, band director at Tawas Area, watches the marching band in its final appearance of the season. Fathers of varsity football players were honored during halftime. The bottom picture shows the dads and their sons during the ceremony.—Tawas Herald Photos.

Team Selected for Donkey Basketball Game

Team members have been selected from Tawas Area High School faculty for Tawas Area Parent-Teacher Association donkey basketball game November 15, according to Bill McIntosh, P-TA finance chairman.

Representing the faculty will be Thomas Pinkowski, John Alex-

ander, Donald Wallace, Ernest Jordan, Ronald Wiltse, Robert McDonald, Robert Crawford, Steven Sventko, Herbert Escott and Mr. McIntosh.

The team representing the fathers is yet to be organized.

Though appearing to be pitted against each other, both teams

will actually be going against the donkeys and working together toward a gain in the P-TA treasury and an evening of entertainment. The only fund raising project planned by the organization this year, it will be held at Tawas City unit gymnasium at 8:00 p. m. Tuesday, November 15.

Oscoda High 14, Flint Dye 13 In Season Final

Oscoda High School ended its season on a high note Friday by downing Flint Dye, 14-13. The Owls were paced by Halfback John LaFear and Fullback John Kopp.

LaFear scored in the first period on a four-yard slant, and End Tony Richardson's extra point attempt split the uprights. In the second period, Flint bounced back and took the lead with two quick touchdowns on a four-yard run and a 38-yard pass play. The Dye eleven was only able to convert one of its two PATS.

In the final stanza, Fullback Kopp plunged into the end zone from three yards out, climaxing an 80-yard drive. Richardson came on and calmly kicked the winning point. Tony "The Toe" converted his 16th PAT of the season.

Oscoda, after two defeats in its first two starts, closed the season with straight victories and a share of the Huron Straits Conference championship. The Owls tied with St. Ignace for the title with a 4-1 record.

Schools Complete Hunting Training Safety Program

Conservation Officer A. G. Leitz reports that the first hunters safety training program, sponsored by the Michigan Department of Conservation, has been completed in area schools. This program is to encourage safer hunting for the new hunter.

Officer Leitz selected qualified instructors for the four-hour training program. William Fuerst, instructor at Whittemore-Prescott Area School, had 125 boys and girls complete the program; Gene Ballinger, instructor at Tawas Area Schools, 248 boys and girls; C. J. Pierce instructed 54 girls and boys at the Hale Area School.

Fact Finding for 1961 Deer Season Michigan's November firearm deer season is the starting point for year-round Conservation Department studies which shape next season's regulations. The traffic survey (top) provides a quick and accurate summary of fall kill and is used later in weighing results of the Department's hunter postcard poll, the major source for basing the final take figure. Deer are studied for antler development, age, weight conditions, and other data at roadside biological checking stations (bottom) to give game men an insight to the general physical condition of the herd and trouble areas in its range. Other checks are made at locker plants, special study areas, Department headquarters, and hunting camps.

Natural Long Range Fluctuation Cause of Lake High Water, Says Col. Wilson

Recently circulated reports that the higher level of Lake Huron is due to the opening of a lock at the Soo, are without foundation, the United States Corps of Engineers has advised Cong. Elford A. Cederberg, who requested a report on the matter after receiving complaints.

Col. W. W. Wilson has advised Congressman Cederberg that the current higher level of the Great Lakes is the result of natural seasonal long range fluctuations. The report indicates that in July the level of Lake Huron was 1.94 feet higher than during the same month a year ago, but 1.87 feet less than the peak level in 1952.

In the report to Cederberg, Colonel Wilson said: "I believe that this rumor may have developed as the result of the publicity concerning the scheduled replacement of the old Poe Lock at Sault Ste. Marie. "A new lock will be constructed on the site of the existing lock beginning early in 1961. "However, cofferdams will be constructed so as to prevent any flow through the area from Lake Superior to Lake Huron."

MRS. CLARK ATTENDED TEACHERS' CONFERENCE

Mrs. Dorothy J. Clark, home-making teacher at Tawas Area High School, attended the state home-making teachers' conference at Kellogg Center, Michigan State University, November 3-5.

The theme of the conference was "Constants, Challenges and Changes." The main objective of the meeting was to evaluate the Michigan curriculum for home-making and family living in order that it will meet the challenges created by the rapid changes in the world of today. And to establish constant values as guides to teaching home-making for the family of today and tomorrow.

E-Z-DO-IT GROUP MET WITH MRS. CHARLES WILSON

Ten members and one guest, Mrs. Carmen Pyne of Brockton, Massachusetts, attended the November 7 meeting of Wilber E-Z-Do-It Extension Group at the home of Mrs. Charles Wilson. It was decided to place the group meeting dates on the community calendar. Names were drawn for the Christmas party December 13 at the home of Mrs. John Henry. Mrs. Robert Pyne displayed a Christmas tree she had made of styrofoam balls and toothpicks, as part of the previous month's lesson. Mrs. Wilson entertained the group with humorous stories and accordion music, after which the ladies enjoyed group singing.

SOCIAL SECURITY AGENT TO BE AT COUNTY BUILDING

Effective November 10, the Social Security Administration representative that visits the Tawas twice monthly will have his contact office located in the Iosco County Building, Tawas City. The office has been located in the Federal Building, East Tawas.

The visit dates for the remainder of the year are as follows and are from 10:30 a. m. until 2:00 p. m.: November 10, November 25, December 15 and December 29.

UNICEF Drive Nets Over \$150 in the Tawas

UNICEF collections in Tawas City Halloween night totaled \$70.02, according to Mrs. Reynold Mick, president of the Twentieth Century Club. About 114 children participated in the drive and attended the party at Tawas City unit gymnasium. The total amount of funds collected will be sent to UNICEF.

Costume prizes were awarded to Vicki Groff and Keri McDonald at the Methodist Church; Steven Kowalsky and Barbara Shover, Immaculate Heart of Mary; Laurie Ezo and Charles Blust, Baptist; John Krueger and Gary Libka, Zion Lutheran.

Twenty-one children received door prizes at the community party at the gymnasium, sponsored by Twentieth Century Club and Tawas City Businessmen's Association.

The 10th annual "Trick or Treat for UNICEF" in East Tawas was a complete success.

More than 100 children and 45 adults met last Monday night at local churches and went out to collect for UNICEF, the United Nations Children's Fund. In spite of rain, a total of \$81.61 is being sent from East Tawas residents to help children in 107 countries.

This collection represents the vaccine necessary to protect 8,161 children from tuberculosis or 40,815 glasses of milk.

Through their fun of an evening, boys and girls raised the equivalent of 1,632 shots of penicillin, each one enough to cure a child of yaws. The coins could mean the sulfone tablets to treat successfully 81 young leprosy victims for three years or could mean 32,644 vitamin capsules for children suffering from malnutrition.

Youngsters were treated with refreshments, prizes, games, movies and a lot of fun at their churches after the collection.

Six from Tawas Attend Meeting

Among the more than 1,500 Michigan parents attending a parents' institute at Ann Arbor November 2 were six members of Tawas Area Parent-Teacher Association. The institute was sponsored by University of Michigan and Michigan Parent-Teacher Congress.

The local representatives included Mr. and Mrs. D. A. Evans, Mrs. Milton Barkman, Mrs. John Roiter, Mrs. Ralph White and Mrs. Hugo Keiser Jr. They heard various outstanding speakers, a panel discussion and attended a luncheon at Michigan Union Ballroom.

Ideas and facts learned at the institute will be used in future local P-TA meetings.

CELEBRATES 6th BIRTHDAY

The sixth birthday of John Hughes was celebrated Sunday, November 6, with a party at the home of his parents, Mr. and Mrs. Vernon Hughes. Six guests enjoyed games and cartoon movies during the afternoon.

speed combined with other factors can add up to real danger.

It should not be difficult for a driver with average intelligence to learn that conditions of weather, road, congestion, his vehicle and his own physical and mental state should determine the speed at which he drives.

What may be a safe speed on a straight, well paved, uncrowded highway may well become a dangerous speed on a heavily traveled street, an unpaved, narrow or

winding road. Similarly, rain, fog, sleet, snow or other inclement weather conditions call for a SLOW DOWN action.

It is reasonable to suppose that if a driver is in a pleasant, relaxed mood and in good health, he will be able to drive safely at a higher speed than he would if he were nervous, worried, fatigued or otherwise under par.

If his car is in good condition, mechanically, it too, is in better shape to withstand the rigors of

faster speed. Worn brakes, tires or any other mechanical fault must be compensated for by a lowered rate of speed.

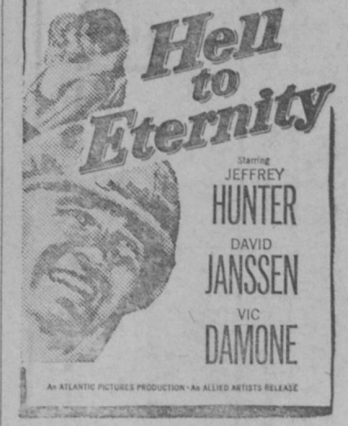

Excessive speed is a problem throughout the country and all states have enacted laws to cope with it. However, many drivers show little respect for such laws and as a result they get into trouble. To avoid getting into trouble, BACK THE ATTACK ON TRAFFIC ACCIDENTS, SLOW DOWN AND LIVE!

One little girl, and one big complicated scientific machine. What do they have in common? The little girl has muscular dystrophy, a disease that defies analysis; the big machine is an electron microscope, capable of magnifying muscle tissue 160,000 times.

The microscope is installed at the Institute for Muscle Disease, New York City, the modern research center built at a cost of more than \$5,000,000 by Muscular Dystrophy Associations of America, Inc., with funds raised in the annual March for Muscular Dystrophy.

Robin Balnis, MDA's 1960 National Poster Child, asked, while

on a recent wheel chair tour of the Institute, "Will that machine help me walk?"

In time it may, because it enables scientists to explore the mysterious processes by which normal and diseased muscle develops and functions—or, as in Robin's case, ceases to function.

In time. In time for Robin? In time for the thousands of other children suffering from muscular dystrophy? Their only hope for recovery lies in the kind of research being done at the Institute, and in nearly one hundred scientific institutions across the world under MDA's grant-in-aid program.

ARTHUR B. CRITCHFIELD

Arthur B. Critchfield, resident of Tawas City for the past three months, died Tuesday, November 8, at Tawas Hospital. Funeral services will be conducted at 2:00 p. m. Thursday, November 10, at Jacques Funeral Home, Tawas City. Burial will be in Tawas City Cemetery. The Rev. Joseph Dibley of East Tawas will officiate.

Born March 14, 1898, at Lima, Ohio, he was a retired crane operator. He had been employed at Detroit Edison Company for 17 years and was a sergeant in the United States armed forces during World War I. He and his wife Nezzie, whom he married November 10, 1920, at Petersburg, Virginia, moved to Tawas City August 26.

Besides his wife, he is survived by two brothers, J. O. Critchfield of Lima, Ohio, and Everett Critchfield of Lakeview, Ohio; one sister, Mrs. Lottie Shider of Lakeview, and two nephews.

SLOW DOWN-AND LIVE!

We pride ourselves on our common sense. We like to think that we take a realistic view of things. But nothing could be less realistic than our attitude toward driving speed.

Too many of us are inclined to think of speed in an isolated sense. We do not consider it in its relationship to other factors. But, since we do not operate our cars in a vacuum, there are always other factors present. And
