Anderson Unveils Unique New Bay Window Coach

Anderson Coach Company has announced recently the availability of its new swing-bay window, which adds two feet of effective width to the Anderson living room. According to James A. Guest, president of Anderson, these windows were thoroughly field tested in the northwest portion of the country and are now being announced as an optional feature.

Engineered around the principle of being hinged at the bottom and sealed in a new way, the Anderson Swing-Bay Windows not only provide more room and more light, but serve as window seats also. For highway travel, they are merely swung in, still hinged to the sidewall and are swung back out at destination.

Auction Sale Would Benefit Tawas Hospital

Tawas Kiwanis Club has made final plans for the first annual community auction sale, to be held November 12 at the community building, East Tawas.

School Buses are Important Service

Transportation of students to and from school is an important, but costly operation. Of the 1,535 students enrolled in Tawas Area School, some 1,142 are transported daily by buses.

Existing Trailers OK Under Proposed New Ordinance

If and when Tawas City passes its proposed new ordinance prohibiting occupancy of mobile homes within the city limits, the new law will have no effect on those trailers which are now in compliance with present city regulations.

City Attorney Jerry Cotter gave this opinion Monday night when two owners of mobile homes appeared before the city council. Two weeks ago, the council had announced that it planned to ban all trailer homes.

George Neumann and Robert Rollin asked the council for a clarification of city regulations regarding house trailers and wished to know what effect any new ordinance would have on those trailer homes already established.

Cotter explained that it would be illegal for the council to make any ordinance retroactive and the proposed new ordinance provides that mobile homes previously licensed and permitted under provisions of Ordinance No. 139 would be excepted.

At the last council meeting, Neumann was denied permission to construct an addition to his trailer.

Mayor George Tuttle emphasized that there should be a great deal of study on a proposed new trailer ordinance before the council takes any action.

He suggested establishment of a city planning board, which could study re-zoning of the city. Tuttle said that perhaps mobile homes should not be allowed in a residential A district, but perhaps could be considered in other residential zoning districts.

FRIENDLY FIDO DOESN'T BOTHER BURGLARS

Breaking and entering of two Turner business places is under investigation by Michigan State Police from East Tawas.

Burglars forced their way into the Turner Bar and the nearby Leonard service station sometime early Sunday morning. A small quantity of money was taken from each establishment.

Louis Kish, owner of the bar, told officers that he had left his dog in the building overnight. He added that it was "very friendly."

Iosco Parley Planned by Cong. Cederberg

Congressman Elford A. Cederberg is coming to Iosco County to discuss with citizens of the area any problems they may have in which the federal government is involved or to listen to their views on federal matters.

Congressman Cederberg has announced that he will be at the Iosco County Building, Tawas City, between 2:00 and 4:00 p. m. Monday, October 10.

Iosco Voters to Get Fist-Full of Ballots

Election boards of Iosco County will have their work cut out for them at the November 8 general election. Interest in national politics is expected to bring record numbers of voters to the polls, but voters will also receive a "fist-full" of other ballots.

County Clerk George A. Prescott reported Monday that most voters in the county will receive five ballots when they enter the polling booths. However, there will be special elections in three communities.

Voters of AuSable and Oscoda Townships, who reside within the limits of the proposed new municipality, will receive an additional ballot on this question.

Both Tawas City and East Tawas will have special propositions to place before voters. East Tawas voters will receive two additional ballots on the proposed new city hall, while Tawas City voters will receive one ballot on a proposed charter amendment to equalize special assessment districts.

Prescott said that the five separate ballots furnished by the county are being printed in lots of 6,500.

In addition to the regular general election ballot, which lists candidates of seven parties for national, state and county offices, voters will receive four ballots.

These additional ballots include one for proposed amendments to the state constitution; a non-partisan ballot, which elects members to the state supreme court, county probate judge and county circuit court commissioner; a county proposition ballot, which asks a one-mill increase on state equalized valuation for bridge maintenance, and a ballot for taxpayers only which will ask authorization to spread millage for bridge maintenance.

It's a small world— SAC General Former Mio CCC Commander

That it is a pretty small world was again demonstrated last week, according to Mayor Elmer Werth of East Tawas.

Werth accompanied a group of Michigan and Ohio civic leaders and businessmen to Offutt Air Force Base, Nebraska, where they toured SAC headquarters.

Among top air force officers who met them at Offutt was Lt. Gen. Francis H. Griswold, vice commander of SAC.

The Iosco men learned that General Griswold was commander of the CCC camp at Mio in the 1930s and, as a young army air corps pilot, had landed his plane many times at Camp Skeel, now Wurtsmith AFB, Oscoda.

"The general was pleased to meet someone from Northeastern Michigan after all these years and recalled many humorous incidents during his days as CCC commander at Mio," said Werth.

Women's Clubs Convene Here

O'Loughlin, East Tawas, general chairman for the convention; Mrs. Edward Gwizdala, Bay City, vice president, and Mrs. James Quinn, Rogers City, second vice president. Between 75 and 100 persons are attending.—Tawas Herald Photo.

Tawas Band Going to UofM Band Day

Tawas Area marching band will travel to Ann Arbor Saturday, October 8, to take part in the University of Michigan's 12th annual band day. Approximately 187 bands numbering 12,500 high school musicians will present the largest massed band show in the world during half-time of the Michigan-Duke game.

The band will be accompanied by Director Edward J. Rima, Mr. and Mrs. Raymond LeViere, Mr. and Mrs. John Pitts and Mr. and Mrs. John Proctor.

This event is one of the highlights of the band's activities. This year's trip will mark the seventh band day that Tawas bands have attended at Ann Arbor.

Land Purchase Under Study by City Council

On advisement of City Attorney Jerry Cotter, the city council is to make further study on a proposal to purchase private property as a public entrance to a parking area and a city behind several downtown business places.

Cotter told the council Monday night that he had met with Marvin Ransom, attorney for the businessmen who own the property, and details of the land purchase were discussed.

The city attorney recommended that the city delete two paragraphs in the proposed contract. One stipulated that the property would revert back to vendors or heirs of the present owners if the property was not used for parking.

Cotter said that the city should receive clear title to the property and it should be used for public parking and easement as long as it is deemed necessary.

Several years ago, a group of businessmen purchased property fronting US-23 for use as an entrance to a new parking lot behind the buildings. The city would pay \$3,500 to the businessmen, representing one-half the cost of the property.

Cotter said that the private parking area could be leased to the city for \$1.

In other business, a proposed street light development map from Consumers Power Company was presented by Supt. of Public Works, Reinald Bublitz. The map showed location of 36 new street lights to be placed in the city.

Building permits approved included one for Leo Hosbach, 302 Third Avenue, residence house, \$1,050; John Coyte, 115 Birch Street, construct eight by 12 rear porch, \$500.

Michigan Bell Has Directory Increase in Tawas-Oscoda

Michigan Bell Telephone Company will begin delivery of its 1960 telephone directory in three local communities Thursday, October 6, announced Thomas C. Maher, manager here for the company.

The communities receiving the new directory are East Tawas, Tawas City and Oscoda. More than 8,000 copies will be delivered.

This is an overall increase of 1,000 for the three communities.

Bentley, et al, Plan Campaign Stop in Iosco

The Republican side of national politics will be heard in Northeastern Michigan next Monday when Alvin M. Bentley, GOP candidate for the office of United States senator, swings through the area in a chartered bus.

Iosco County residents will have the opportunity to hear Bentley at a rally to be held at Whittemore-Prescott Area School October 10 at 8:00 p. m.

Bentley's travels through this area will start in Alpena. His bus and caravan, accompanied by state newsmen, will make stops at Harrisville, Lincoln, Oscoda and Tawas before his Monday night engagement at Whittemore.

Other speakers at the Iosco rally will include Congressman Elford O. Cederberg of Bay City.

In charge of the campaign for Bentley in Iosco County is Lewis F. Besancon of East Tawas.

MASQUERADE CONTEST PLANNED BY MERCHANTS

A masquerade contest is being planned Friday and Saturday, October 28-29, by Tawas City merchants. The contest will have two divisions, 12 years of age and younger, and 13 through adult.

Prizes will be awarded to costume winners, based on originality, costume theme and age of participant.

Youngsters may enter by appearing at participating stores with their parents. A special fall sale will be held in conjunction.

Members of the masquerade committee are James Dillon, Vernon Pugh and Nelson Thornton.

Contestants should appear at each store in order to get more votes.

Prizes will be awarded to the first three places in each division. There will be prizes and favors for each participant.

Go-Ahead Given on Sewer District

Go ahead on plans for a proposed special assessment district for sewer construction was given by the East Tawas Council at Monday night's meeting.

No objection to such a special assessment district was heard at a public hearing. Construction of sewer main in this project would be on East Washington from Adams Street to approximately 75 feet east of Grant Street.

The project would be financed under a 10-year bond issue.

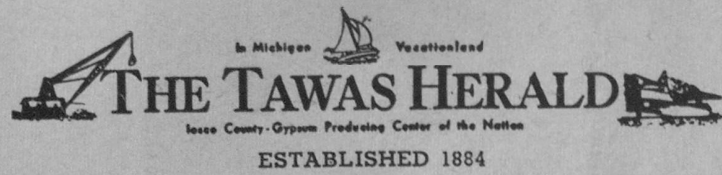

In other business, it was recommended that the salary and wage committee make a study of present wages paid to city employees and report back at the next meeting.

The survey is to determine if wage rates being paid by East Tawas are in line with other communities and if wages to city employees should be increased.

City Attorney Richard Newman was asked to investigate possibilities of a weed control ordinance for the city. Such an ordinance would allow the city to assess charges against offending property owners for weed control.

R. J. Cooke, land surveyor, was authorized to make a sketch of a proposed alley between Sawyer and Newman Streets behind Peoples State Bank.

One building application was approved. This was for John Brooks, to replace steps and repair roof of residence.

CHRISTIAN SCIENCE
How sickness as well as sin can be overcome through spiritual understanding of God will be set forth at Christian Science services Sunday.

Teachings of Christ Jesus are featured in the Bible selections which include his admonition concerning the "corrupt tree (which) bringeth forth evil fruit" (Matt. 7:17). The subject of the lesson-sermon is "Are Sin, Disease, and Death Real?"

This correlative passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will follow (343:14): "Jesus strips all disguise from error, when his teachings are fully understood. By parable and argument, he explains the impossibility of good producing evil; and he also scientifically demonstrates this great fact, proving by what are wrongly called miracles, that sin, sickness, and death are beliefs—illusory errors—which he could and did destroy."

Read John 10:11-18
That they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us. (John 17:21.)

On a YMCA building I once saw the inscription of John 17:21: "That they all may be one." Through its attitude and what it does, the YMCA seeks to give meaning to universal brotherhood in Jesus Christ.

Our unity is in Christ, our Shepherd. The fold is one, although there is a diversity of sheep. The pasture which nourishes these sheep is the Word of God.

To belong to one single flock and to follow one Shepherd is to conquer geography and enlist individual differences. It is the creating of a Christian brotherhood through our oneness in Christ.

Christian brotherhood transcends all barriers. It does not know groups, races, levels of society, nationalities or denominations. In the diversity of ideas, traditions and experiences, love bridges the differences and develops united participation and brotherhood.

PRAYER

Our Father, through the inspiration of Thy spirit, we pray for the reality of Christ's love in our lives. We pray there may be no contradiction between our saying and our doing. Show us the Shepherd, Jesus Christ, in whom and through whom, in the unity of faith, we join our hearts in prayer. Amen.

Revival Services Start October 9 at Baptist Chapel

REV. ROBERT WILSON

The East Tawas Baptist Chapel will hold a revival meeting beginning with the 11 o'clock worship service Sunday, October 9. The meeting will be held each night, Sunday through Friday, at 7:30 p. m. in the American Legion Hall, 318 Newman Street, East Tawas.

The Rev. Robert Wilson of Bay City will be preaching during this meeting. A native of Michigan, "Brother Bob," as he is affectionately called, was born in Flint and graduated from the Mt. Morris High School. He is a graduate of Bob Jones University and the Southern Baptist Theological Seminary.

He held a pastorate in Kentucky before returning to Michigan to start a mission chapel in Clio, now known as the First Baptist Church of Clio. He remained as pastor in Clio until he was called to be an area missionary for the Baptist State Convention of Michigan and the Home Mission Board of the Southern Baptist Convention. His present area covers all of Michigan from Flint to the borders of Canada, including the Upper Peninsula.

He also works closely with the churches in Genesee District Baptist Association of which the chapels in East Tawas and Oscoda are a part.

Everyone is invited to hear Brother Bob as he brings "the Word of God" and to enjoy the congregational singing.

SSGT LEWIS K. ROY, Crew Chief of the Month, and A2c Jack McKay, Maintenance Man of the Month, congratulate each other as Col. John H. Kunkel presents them with special letters of appreciation.

Top Crew Chief; Maint. Man Named for August

Two members of the 4026th Organizational Maintenance Squadron were honored last week for outstanding job performance by Col. John H. Kunkel Jr., 4026th Wing commander, at Wurtsmith Air Force Base, Oscoda.

SSgt Lewis K. Roy and A1c Jack N. McKay were named Crew Chief of the Month and Maintenance Man of the Month, respectively, for the month of August.

Both men arrived at Wurtsmith on July 12 of this year, being sent here from Carswell AFB, Texas, where they had been stationed for 2½ years.

While commending Sergeant Roy, Colonel Kunkel stated, "Your aircraft has never made a late take-off since arrival at this station, and your record reflects an absolute minimum of discrepancies.

"Your excellent attitude as a crew chief has contributed large-

ly to the pleasant and effective relationships which presently exist between maintenance and flight crew personnel," Colonel Kunkel went on to say.

Sergeant Roy has been in the air force six years.

Airman McKay, who received the Maintenance Man of the Month award, has a total of 6½ years of military service, four of which were spent as an aircraft mechanic with the United States Navy, before transferring to the air force.

When recommending Airman McKay for the maintenance man award, his commander pointed out that Airman McKay "has been instrumental in maintaining what is considered one of the best aircraft assigned to the 4026th Strategic Wing. His voluntary efforts on off-duty time and careful planning and management have resulted in his aircraft becoming an outstanding example of a well maintained aircraft."

Airman McKay is married and is presently living in the Oscoda area with his wife, Phyllis, and their one-year-old daughter.

The Crew Chief of the Month and Maintenance Man of the Month awards are given to the crew chief and maintenance man making the most outstanding contributions to their unit during the month.

Cadillac for 1961 Now on Display at McKay Sales Co.

The new Cadillac for 1961, which has been completely redesigned this year, is now on display at McKay Sales Company, Tawas City.

While unmistakably Cadillac in stature and in majesty, the new models represent a totally new concept in fine car design.

The Cadillac for 1961 has less over-all length and an increase in head room. A crisp, new sculptured design of front, rear and sides confers a degree of distinction that is entirely new to motoring.

The models feature a host of dramatic engineering advancements—an even finer, quieter and smoother-performing engine; an entirely new front suspension system; a lubrication-free chassis; improved steering and braking; greatly increased maneuverability and handling ease.

There are 11 individual body styles, each with wide selection of beautifully crafted and appointed interiors.

Announcing that coffee and doughnuts would be served Friday, October 7, L. G. McKay Jr. of McKay Sales Company said that the firm would be proud to introduce the public to the new 1961 Cadillac at any time. "We sincerely believe that you will find it an inspiration in motor car quality and goodness," he said.

What foods would be best for a two-week stay in a fallout shelter after nuclear attack? What would they cost? How much storage space and weight would they involve?

To find the answers to these questions, food specialists of the Office of Civil and Defense Mobilization asked a Battle Creek, Mich., housewife, Mrs. Norman C. Madsen, to shop a supermarket using guidelines which they furnished her.

She was told to shop for a two-weeks supply for two persons, allowing for personal preferences, but keeping her selection roughly within recom-

Other instructions were to select foods which could be eaten either hot or cold, that were the least odorous or thirst-producing, and that came in cans small enough so that leftovers could be avoided.

Mrs. Madsen chose the foods shown in the table. When they were later weighed and measured, it was found that the 118 pounds of food could be stored in a space 21 inches wide, 13½ inches high, and 24 inches from front to back.

Ellifritz Answers Important Retirement Question

"Why do I have to quit work to get social security benefits?" This is a question the people at the Bay City social security office hear every day. Many people wonder why social security does not make retirement payments regardless of work or earnings.

"The answer," says Paul M. Ellifritz, district manager, "is whether they retired or not, would cause a big increase in the cost of social security. The extra benefits would be going to people who were still working and generally speaking, these are the people who need it least.

Mr. Ellifritz pointed out that "social security is intended to

be a foundation on which retirement plans can be built." In making your retirement plans, be sure to visit the social security office.

A representative of the Social Security Administration will be in East Tawas at the Federal Building Thursday, October 13.

A NEW INSPIRATION FOR THE MOTORING WORLD

You are looking at the completely new Cadillac for 1961—a motor car that will inspire the automotive world for years to come.

While unmistakably Cadillac in stature and in majesty, it represents a totally new concept in fine car design.

Its graceful silhouette reveals less over-all length and increased head room. Its delicately formed roof lines provide an almost uninterrupted panorama of vision—while a crisp, new

sculptured design of front, rear and sides confers a degree of distinction that is entirely new to motoring.

Beneath this visual elegance resides a host of dramatic engineering advancements—an even finer, quieter and smoother-performing engine... an entirely new front suspension system... a lubrication-free chassis... wonderfully improved steering and braking... and greatly increased maneuverability and handling ease.

This new world of motoring pleasure has been interpreted in eleven individual body styles—each with an exceptionally wide selection of beautifully crafted and appointed interiors... and an unusually generous choice of accessories, fabrics and colors.

Your dealer will be proud to introduce you to the entirely new 1961 Cadillac at any time. We sincerely believe that you will find it an inspiration in motor car quality and goodness.

Calendar:
Saturday, October 8—District homemakers' rally at Gladwin.

Saturday will be a wonderful day for those attending the rally... wonderful ride with fall leaves putting splendor on the trees... wonderful program... wonderful people to meet. Surely do hope you are with the Iosco delegation.

On Friday, October 7, Burleigh Gadabouts Extension Group will initiate the series of October holiday lesson meetings. Most groups plan to pool orders for supplies and have workshop meetings in November. The lesson includes ideas adaptable to Hallowe'en, Thanksgiving, Christmas, February holidays and Easter.

You should have been among the 29 Iosco homemakers at the Federal Building for the leaders training meeting September 26. Believe me, it looked like Santa Claus' workshop, with red, green and white felt, glitter, gold and silver braid, many beautifully colored sequins and Christmas greens. Many Christmas suggestions were on display—cuddly felt animals for small children—gifts for family and friends. Besides, beautifully decorated pieces for your own home. Why not get in touch with a member of an extension group and find

FRIDAY! THE GREATEST SIXTY-ONEDERFUL CHEVROLET

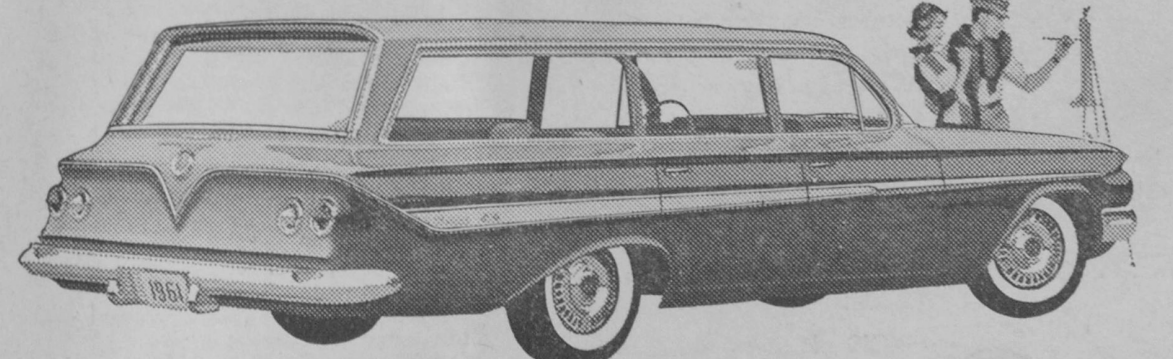

Here's the car that reads you loud and clear—the new-size, you-size '61 Chevrolet. We started out by trimming the outside size a bit (to give you extra inches of clearance for parking and maneuvering) but inside we left you a full measure of Chevy comfort. Door openings are as much as 6 inches wider to give feet, knees, and elbows the undisputed right of way. And the new easy-chair seats are as much as 14% higher—just right for seeing, just right for sitting.

Once you've settled inside you'll have high and wide praises for Chevrolet's spacious new dimensions (in the Sport Coupes, for example, head room has been upped as much as 2 inches, and there's more leg room, too—front and rear). Chevy's new trunk is something else that will please you hugely—what with its deep-well shape and bumper-level loading it holds things you've never been able to get in a trunk before.

Yet, generously endowed as this car is with spaciousness and clean-etched elegance, it holds steadfastly to all the thrifty, dependable virtues Chevrolet buyers have come to take for granted. Your dealer's the man to see for all the details.

IMPALA 4-DOOR SPORT SEDAN—one of five Impalas that bring you a new measure of elegance from the most elegant Chevies of all.

NOMAD 9-PASSENGER STATION WAGON. You have a choice of six Chevrolet wagons, each with a cave-sized cargo opening nearly 5 feet across.

BEL AIR 2-DOOR SEDAN, like all '61 Chevrolets, brings you Body by Fisher uniqueness—more front seat leg room.

Biscayne 4-Door Sedan

There's never been a trunk like it before! The floor's recessed more than half a foot and the loading height is as much as 10 1/2 inches lower.

INTRODUCING THE '61 CHEVY BISCAYNE 6
the lowest priced full-sized Chevy with big-car comfort at small-car prices!

Chevy's new '61 Biscaynes—6 or V8—give you a full measure of Chevrolet quality, roominess and proved performance—yet they're priced down with many cars that give you a lot less! Now you can have economy and comfort, too!

Braves Edged by Orioles in Thriller

After losing three consecutive games, Varsity Coach Herb Escoff can well wonder when the "worm will turn" for his Tawas Area Braves. He, along with Tawas Area fans, hopes it will be this Friday night when they play Standish-Sterling Central.

Making their own breaks with hard tackles, but failing to take full advantage of them, the Tawas team played on even terms with the West Branch Orioles Friday night, but were finally edged, 13-6.

West Branch, powerhouse of the NEM Conference this year, had routed Houghton Lake the previous week and appeared to be a bit over-confident in this game.

Before the final whistle sounded, the Braves again showed their mettle defensively for the second week in a row. Slick ball handling by the Branchers accounted for two touchdowns early in the game, but the Braves then settled down with a solid defense.

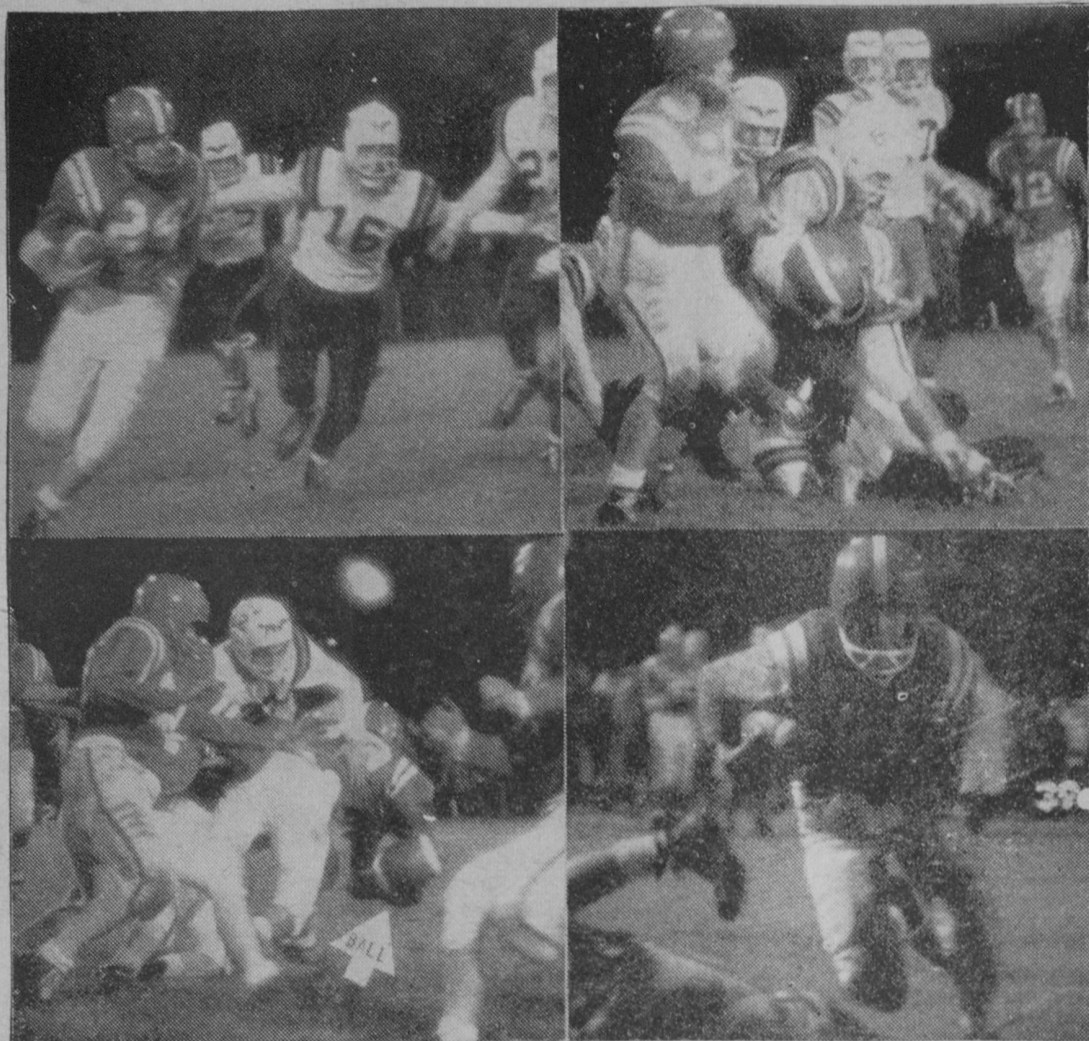

At the same time, Tawas Area's offense showed promise of better things to come. The Braves running attack, led by Halfbacks Herman Rollin and Jim Campbell, out-rushed West Branch 196 yards to 130. In passing, it was a different story, however, as the Branchers picked up 95 yards to Tawas' 19.

Whether it was the breaks of the game or just plain over-anxiousness, Tawas Area again had a touchdown play nullified Friday night as the result of offensive holding. This was also the case a week ago when Tawas Area's tying touchdown was called back on a similar play.

The winners scored first in the initial period on a forward lateral pass play from Quarterback Steurnol to Halfback Chuck Johnson to End Jim Thompson, who crossed into the end zone. The play covered a distance of 70 yards and when the Orioles missed the conversion, they enjoyed a 6-0 early lead.

Tawas fans were brought to their feet shortly after West Branch kicked off. Fullback Ed Collier returned the ball to the Tawas 36. On the first play from scrimmage, a pitch-out from Quarterback Don Humphrey to Campbell lost seven yards.

With second down and 17 to go, Rollin sliced through the right side of the Oriole line, spun away from several tacklers,

FOOTBALL FLASHES—At top left, Halfback Jim Campbell (24) sweeps around right end in this play as he is being pursued by Jack Winter (16) of West Branch. In the photo at top right, Halfback Herm Rollin is tackled by a host of West Branch players, led by Winter in center. Watching the play at left is Tackle Bob Curry of Tawas. In the bottom left photo, a

jarring tackle by Rollin causes Chuck Johnson of West Branch to fumble the ball. The ball was recovered by the Braves. turned the corner to pick up some blockers and then raced 75 yards along the right sideline for a touchdown. The PAT attempt was blocked and the two teams were in a 6-6 tie.

West Branch then opened with its big guns and some razzle-dazzle ball handling by Quarterback Elwyn Steurnol. After taking Tawas Area's weak kick-off on the Oriole 43, Johnson, Dunbar and Benjamin roared through the Braves' defense in 12 plays and Dunbar scored. The PAT was converted and West Branch held a 13-6 lead.

After a fake fourth-down punt by Tawas went sour on the West Branch 49, the Orioles again started to roll, but this time, they faltered on the TA four-yard line. Johnson, with one yard to go for a first down, was hit hard and the ball squirted out of his hands and was recovered by Tawas.

With their backs to the wall, the Braves were unable to take advantage of the break. Each team had possession of the ball two more times before the half ended, but both defensive lines held.

Action at the start of the second half found neither team being able to move. Tawas had the ball for five plays and West Branch had four plays. On the fourth play by West Branch, Collier broke through to block an Oriole punt and Humphrey picked up the ball and ran it to the West Branch five before being tackled.

This series proved to be a heart-breaker for Tawas, however. Halfback Dick Zaharias picked up one yard on the first play and Rollin carried to the one-yard line on the second play. Zaharias then sliced through the right side to score, but the TD was nullified by a holding penalty against Tawas. This moved the ball back to the 15 and, on third down, a pass from Humphrey to Herriman was incomplete. The threat ended when a pass from Humphrey to Rollin lost four yards and the Orioles took over.

In three plays, West Branch picked up a first down to its own 39-yard-line. The Tawas line held on three plays and the Orioles were forced to punt. They received a break when a "roughing" penalty was called against the Braves. With the ball moved to the Tawas 49 and a first down, the third quarter ended when West Branch reached the 41.

The start of the final quarter found the Orioles punting on fourth down. Tawas was unable to move and Collier punted to the West Branch 42.

The Orioles picked up two first downs and reached the Tawas 29, where the drive stalled.

Tawas then began its longest sustained drive of the night, moving from its own 24 to the West Branch 15-yard-line in 14 plays. Campbell picked up most of the yards in this drive, but he was finally stopped by the West Branch defense as the game ended.

Strong line play by both elevens featured the battle with Tackle Jim Ally of the winners and Tackle Bud St. James of the losers taking the limelight.

Statistically, West Branch fumbled four times during the night and three were recovered by the Braves. Tawas had no fumbles. West Branch had eight first downs, compared to Tawas Area's seven. West Branch had 225 net yards, 130 rushing and 95 passing. Tawas Area had 217 yards, 198 rushing and 19 passing. West Branch completed three out of eight passes and Tawas completed two out of five. The Orioles had four penalties with 30 yards marked off against them, while the Braves were penalized four times for 50 yards.

Rollin was the leading ground-gainer of the night with 110 yards. Johnson topped the Oriole offense with 96 yards. Campbell had 64 yards for Tawas.

second with Halfback Gunnard Johnson notching the three touchdowns.

The first touchdown was set up by a punt return by Quarterback Gerry McCutcheon with Johnson going the final three yards into the end zone. The second score, a 35-yard dash through the middle, followed by Halfback Jim Brown's conversion, gave the winners a 14-0 lead.

Johnson picked up his third score on a pass interception and a run of 60 yards. Brown again converted, on an off-tackle smash.

Fumbles marked the play in the second half, stopping both outfits from crossing the goal line.

FIRE PREVENTION WEEK is coming up—from October 9 through October 15. That's the time to check your home, your office, your car and garage for possible fire hazards. And be sure, too, that every member of your family knows the number of your fire department. You'll find it in the front of your telephone directory.

FIXING UP FOR FALL? A lot of people find that this is a good time for getting things done around the house. And it's a good time to think about getting the extra convenience of an extension phone in your bedroom. It's particularly nice in the winter. If the phone rings at night, you don't have to hop out of a warm bed to take the call. Our new Princess phone fits nicely on any bed table—and its built-in night light is an added convenience. To order a bedside extension phone today, just call your telephone Business Office.

ONE OF THE LATEST improvements in home building is free Built-in-Wall telephone wiring—throughout the house. Special wiring, designed to provide for all future telephone needs, is concealed in the walls of your home during construction. When you move in and order telephone service, the installer locates the hidden wires with an electronic detector and connects your phones. Built-in-Wall wiring assures neat, attractive telephone installations in a wide choice of locations throughout your home and permits you to change locations readily at a later date. If you're thinking of buying or building a new home, be sure to call us at Michigan Bell. We'll be happy to install Built-in-Wall telephone wiring . . . at no cost to you or your builder.

Marriage Vows Exchanged at St. Joseph Catholic Church

MR. AND MRS. GERALD L. JORDAN

In a double ring ceremony Saturday, October 1, Miss Joan Mary Anschuetz of Tawas City became the bride of Gerald L. Jordan of National City. The altar of St. Joseph Catholic Church, East Tawas, was decorated with bouquets of pink gladioli and white chrysanthemums for the 11 o'clock service, performed by the Rev. Fr. Henry Eickholt. Mrs. Rex Kochenderfer was vocalist and organist.

Parents of the couple are Mr. and Mrs. Theodore Anschuetz of Tawas City and Mr. and Mrs. John Jordan of National City.

The bride selected a floor length gown of white Chantilly lace, fashioned with a scalloped neckline, wristpoint sleeves and a tiered bouffant skirt which flowed into a chapel length train. Her waist length veil was secured by a seed pearl headpiece and she carried a bouquet of white orchids, stephanotis and ivy with white satin streamers.

Miss Mary Lou Anschuetz of Tawas City was maid of honor for her sister and Miss Veronica Pavlik of East Tawas was bridesmaid. Their dresses were styled of rose pink chiffon with ballerina length skirts and Sabrina necklines. They carried bouquets of pink roses.

Attending the bridegroom was his brother, Larry Jordan of National City. Ushers were Orville Revord of Tawas City and Lyle Jordan of Flint, brother of the bridegroom.

About 250 guests attended the reception, held at Union Hall, McIvor, in the evening. Bouquets of purple chrysanthemums and

pink and white streamers decorated the hall. For the occasion, Mrs. Anschuetz wore a gray and black print dress with black accessories. Mrs. Jordan chose a beige satin and chiffon dress with brown accessories. They each wore an orchid corsage.

Following the reception, the couple left for a trip in Southern Michigan.

The newlyweds are graduates of Tawas Area High School.

Miss JoAnn Jordan, Mrs. David Parent and Miss Joyce Pierson were hostesses at a pre-nuptial shower honoring the bride.

Out-of-town guests attended from Detroit, Flint, Bay City, Alpena, Pontiac, Ypsilanti, Standish, Twining and Owosso.

Mrs. Gary Blalock of Chicago, Illinois, is visiting her parents, Mr. and Mrs. Robert Harmon.

Tri-County Eastern Star Met at Hale

The AIA Association of the Order of Eastern Star held its 40th session last Thursday afternoon and evening at the Hale Masonic Hall as guests of Hale Chapter No. 482, OES.

Mrs. Erma Atkinson of Hale, president of the AIA, was in charge of the meetings. Mrs. Charlotte Ashton of Oscoda, junior past president, opened the session. The officers of the association were escorted in a ceremony by the past matrons of the Hale Chapter, attired in old-fashioned costumes. Impressive musical selections were given in the entrance ceremony.

Presentation of the American, Christian and Eastern Star flags was given by Tawas City Chapter and the Bible presentation with candlelight ceremony was by Whittemore Chapter.

Mrs. Atkinson gave the president's greeting and Mrs. Lucille Davis, worthy matron of Hale Chapter, gave the address of welcome, responded to by Mrs. Helen Burrows, worthy matron of Standish Chapter.

The vice president's greeting was given by Marvin Davenport of Tawas City Chapter.

Honored guests presented were: James F. Mark, past grand patron; Mrs. Lois Fuerst, past grand warder; Mrs. Leone Townsend, past grand Esther; Miss Ruby Evans, past grand Martha; Mrs. Blanche Carlson, grand representative of Minnesota; Lina Reed of Rose City, grand representative of South Dakota; Mrs. Edna Pitts of East Tawas and Mrs. Ashton of Oscoda, advisors of Rainbow Girls Assemblies.

The past presidents of the association and the worthy matrons and patrons were presented with gifts. Mrs. Sarah Graves, first president of the association, and Arthur Ellwell, first vice president, were honored and gave short talks.

Musical duet selections were given by Mrs. Fuerst and Geraldine Hasty of Whittemore Chapter. Other musical numbers were given by a quartette from the Prescott Methodist Church and Perry Shellenbarger of Hale, Iosco Chapter was represented with duets by Mary Lou Stump and Roberta Brookbank, with Lynda Wight as accompanist.

An impressive memorial service was given by Grace Chapter of Omer.

Organists for the sessions were Mrs. Lula Colby and Mrs. Betty Brookbank.

Frankenmuth Church Scene of Wojahn-Kern Wedding

MR. AND MRS. EDWARD WOJAHN

St. Lorenz Lutheran Church, Frankenmuth, was the scene of a double ring ceremony Saturday, October 1, in which Miss Mary Ann Kern of Frankenmuth and Edward Wojahn of Tawas City exchanged wedding vows.

The Rev. Philip Janz performed the 5 o'clock, candlelight service. Soloist Richard Schluckbier of Frankenmuth was accompanied by E. N. Eggen, organist.

The bride is the daughter of Mr. and Mrs. Erwin Kern of Frankenmuth and the bridegroom is the son of Mr. and Mrs. Hugo Wojahn of Tawas City. The bride's gown was fashioned of satin face brocade with a fitted bodice and scalloped neckline, accented with pearls and

bracelet sleeves. A crushed cummerbund at the waistline formed an obi bow at the back. The full sweeping skirt with scissor pleats fell into a chapel length train. The bridal bouquet was of white chrysanthemums, stephanotis and ivy.

Matron of honor was Mrs. Gerald Hensler of Saginaw, sister of the bride. Her sisters, Mrs. Harold Worden and Miss Charlotte Kern, both of Frankenmuth, and Miss Mary Ulman of Davison, cousin of the bridegroom, were bridesmaids. They wore identical dresses of taffeta with bell shaped skirts and scoop necklines. Matching hats and bouquets of light bronze and yellow chrysanthemums completed their ensembles. Flower girl was Karen Lee of East Tawas, cousin of the bridegroom.

Attending the bridegroom were Gary Kolonich of National City, who served as best man; Kenneth Wojahn of Detroit, James Biebertz of Richville and James Cramer of Flint, groomsmen. Brian Kern of Frankenmuth was ring bearer.

A dinner and reception, attended by 325 guests, was held at Frankenmuth American Legion Hall following the ceremony.

After a two-week trip to Florida, the couple will reside at 106 Main Street, East Tawas.

Donal R. Ledsworth, son of Mr. and Mrs. Raymond Ledsworth, left October 1 for Cederberg Funeral Home, Saginaw, where he will serve one year of apprenticeship before entering mortuary school. He recently completed three years of schooling at Northern Michigan College, Marquette, and is a 1957 graduate of Tawas Area High School.

Bowlsby-Burke Nuptials

MR. AND MRS. JOHN E. BOWLSBY

Miss Dorothy Burke of Mt. Clemens, daughter of Mr. and Mrs. Edward Burke of Mt. Clemens, and John E. Bowlsby of East Tawas were united in marriage Saturday, October 1. Elder Marshall McGuire of Mikado performed the 7 o'clock, double ring ceremony at Reorganized Church of Jesus Christ of Latter Day Saints, Tawas City. Mrs. George Leslie of Tawas City, pianist, accompanied Mrs. Alton Long and Miss Louise Bond, vocalists.

The bridegroom is the son of

Mr. and Mrs. Edward Bowlsby of East Tawas.

Given in marriage by her father, the bride chose a floor length gown of taffeta and Chantilly lace with a fitted bodice and bouffant skirt. A crown of seed pearls secured her fingertip veil. The bridal bouquet was composed of pink roses and white carnations.

Maid of honor was Miss Karen Pickens of Skidway Lake. Miss Shirley Mueller of Tawas City was bridesmaid. They wore pink satin dresses and carried bouquets of pink carnations and white chrysanthemums. The bride's sister, Patsy Burke of Mt. Clemens, was flower girl.

Robert Waechter of Oscoda was best man and Ronald Cartwright of Tawas City was groomsmen. Artie Furtax of Oscoda and Jerry Kahn of Mikado seated the guests. Ring bearer was Roland McGuire of Mikado.

For her daughter's wedding, Mrs. Burke wore a turquoise silk dress, complemented by a corsage of pink carnations. Mrs. Bowlsby was attired in a pale blue wool dress with a pink carnation corsage.

The newlyweds will reside at 201 Sixth Avenue, Tawas City, following a short trip in the Upper Peninsula.

Out-of-town guests were present from Detroit, Oscoda and Mikado.

The bride was honored at a pre-nuptial shower given by Miss Pickens, Miss Gloria Knatt and Miss Pamela McDonald, all of Skidway Lake.

THE '61 PONTIAC IS OUT OCT. 6!

It's All Pontiac! on a new Wide-Track!

New track-to-body proportion! The track is the width between the wheels. Pontiac is the only Wide-Track car. Body width is reduced, shaving side overhang, balancing more weight between the wheels. Best relationship of body width to wheel width ever tailored. Lean and sway are ancient history.

Announcing the new Pontiac Trophy V-8 Engine! We've improved the engine the experts said was perfect. New fuel induction system saves gas by using more air in the gasoline mixture. This makes the engine breathe more efficiently, giving you better acceleration. Eleven versions to choose from. Horsepowers range from 215 to 348. For best economy, specify the Trophy Economy V-8. Its lower compression ratio lets you use regular gas.

More headroom, legroom, footroom for greater comfort! You'll take great comfort in the extra roominess we've built into the '61 Pontiac. Seats are higher, yet there's more clearance beneath the steering wheel and more hatroom over your head. There is more legroom, more footroom. Doors are wider and designed to swing open farther. The more highway you put behind you (Pontiac specializes in this) the more you'll appreciate the new room that's all around you in this sleek new '61.

LOOK WHAT DODGE HAS DONE FOR COMPACTS

The name, Lancer: one hardtop; one 2-door sedan; two 4-door sedans; two wagons. What kind of cars are they? This kind: two feet shorter; many pounds leaner; a couple of hundred dollars less in cost than usual automobiles. Lancer welcomes a family of six lavishly. Has plenty of trunk. Its fully-unitized body is very quiet, very tough. Lancer is also mannerly. It corners decisively, takes a well scarred road with aplomb. Parks obediently. More reasons to buy? Read on. The interiors are rich, but simple: Shed soil, wear well, feel good. The engine is highly spirited, but extremely light on regular gasoline. One more thing, Lancer is built by Dodge. Our name is on it. This means Lancer will stay nice and shiny. How so? The body is rustproofed by an exclusive Chrysler Corporation process. Enough talk. Meet Lancer at your Dodge Dealer. Now.

JUNIOR LEAGUE HOLDS OPENING MEETING

Mrs. John Hunt presided at the opening meeting of the Whittemore Junior League which was held at Hall's Restaurant Thursday, September 22. Mrs. Hunt is the new president for 1960-61.

The members elected Mrs. Leah O'Farrell to serve as treasurer, due to the resignation of Mrs. Kenneth Tidey, who has moved from Whittemore.

Application for membership in the club was made for Mrs. Richard Wright.

The members received an invitation to attend the Fall State Junior Convention to be held October 8 at Redford and the North-eastern District Convention of Federated Women's Clubs to be held October 4-5 at East Tawas. Plans for the forthcoming county federation meeting were discussed. Whittemore Junior League will be the hostess club for the meeting this fall. Mrs. Raymond Dorsey, a member of the Whittemore Junior League, is president of the county federation. Mrs. Arden Charters has been appointed the general chairman for the event.

Fall flower arrangements were presented by Mrs. John Barrington. She also explained the use of accessories and gave various useful hints on different combinations of material and containers that could be used.

Refreshments were served after the program.

The club meets twice a month on the second and fourth Thursdays.

Supervisors' Proceedings

September 21, 1960

Pursuant to August adjournment, the Iosco County Board of Supervisors was called to order in September session at 9:30 a. m. by the chairman who ordered roll call. The following supervisors were present: Ashton, Bellville, Blust, Brabant, Burgeson, Everett, Gerard, Little, Long, Oates, Rodman, Smith, Stephan, Pollard, Webb, Werth, White, Kochenderfer. Absent: McKenzie.

Communications were read and referred to the proper committees by the chair.

Mr. Little called the board's attention to two raises granted by the legislature which must be paid from the county general fund. Mr. Little stated that these acts of the legislature in which the salary of the probate judge in this county is set at \$6,000 commencing January 1, 1961, and that of the circuit court stenographer at \$6,500 beginning August 27, 1960, are not very helpful to the county when budgets have already been planned and voted and this group trying to keep taxes for Iosco County as low as possible.

Mr. Werth stated that other complaints had been made to the legislature and that the situation would be watched in the future.

Mrs. Miller addressed the board stating that she wished very much that the county would come completely under the addressograph system for the tax rolls. With two of the largest townships still not making the addressograph system and the county treasurer's office available to their townships, much additional work is necessary in the treasurer's office in preparing statements for delinquent taxes, etc. The request was referred to the finance committee.

It was moved by White supported by Little that the minutes of the August session be approved as published.

Committees were ordered to their respective duties, balance of the board to be in case, subject to the call of the chair.

Upon call to order at 12:00 noon, the board recessed until 1:30 p. m. on motion supported and prevailing.

AFTERNOON SESSION

Upon call to order at 1:30 p. m., roll call was ordered by the chairman. The same supervisors were present as at the morning session.

At the request of the board George May, a representative of the Michigan Historical Commission, addressed the group and answered questions about the costs of erecting historical markers in the county and also the manner in which historical places of interest are selected.

Judge Allan C. Miller addressed the board asking the supervisors if they would be a little more selective in their choice of jurors as to matters of health, availability and hardship cases within their knowledge as supervisors of their areas. Judge Miller stated that during the time the prospective jurors names are selected from the tax rolls during March by the supervisors and boards of review for transmission to the clerk, many names are repeated from year to year and that it is later discovered that some are past the age where they have to serve, some are hard of hearing and others in the case of housewives at home with young children which would entail expense of supervision should these mothers be called for jury duty.

Mr. Rodman for the roads and bridges committee read the following two propositions that committee recommended for placement on the November 8 ballot.

Questions for November 8, 1960 election. (To be placed on separate ballots).

PROPOSITION I
(To be submitted to all electors)
Shall the limitation on the assessed amount of taxes which may be levied against all property in the County of Iosco, State of Michigan, for all purposes except payment of obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X, of the Constitution of Michigan, by one mill on each dollar of the assessed valuation as equalized, of all property in said County for a period of five years, from 1961 through 1965, both inclusive, the proceeds of said levy to be used for the sole purpose of providing funds with which to build bridges on the road system of Iosco County?

YES
 NO

PROPOSITION II
(To be submitted to electors having property assessed for taxes within Iosco County and to their lawful husbands and wives.)
Shall the County of Iosco, State of Michigan, levy a tax against all property in the said County equal to one mill per year on each dollar of the assessed valuation thereof, as equalized, for a period of five years from 1961 through 1965, both inclusive, the proceeds of said levy to be used for the sole purpose of providing funds with which to build bridges, on the road system of Iosco County?

YES
 NO

It was moved by Rodman supported by Burgeson that the above propositions be approved and placed on ballots for distribution at the November 8, 1960, general election.

Mr. Werth stated that the propositions as read seemed to exclude bridges within city limits.

Mr. Burgeson stated that this board had a duty to perform in maintaining the roads and bridges of Iosco County.

Upon roll call, the motion carried by the following vote: Ayes: Ashton, Bellville, Blust, Brabant, Burgeson, Gerard, Little, Long, Oates, Rodman, Smith, Stephan, Pollard, Webb, Werth, White, Kochenderfer. Nays: None.

Mr. Oates reported for the aeronautics committee that he had at hand the various copies of the grant agreement which should be signed by the chairman of the board and the prosecuting attorney and forwarded, upon execution to the Michigan Aeronautics Commission, Lansing, Michigan.

Mr. Oates moved that the following resolution be adopted. Honorable Board of Supervisors Gentlemen:

BE IT RESOLVED by the members of the Board of Supervisors of Iosco County, Michigan:

Section I. That the County of Iosco shall enter into a grant agreement for the purpose of obtaining federal aid for the development of the Iosco County Airport and that such grant agreement shall be set forth hereinbelow.

Section II. That the chairman of the board of supervisors is hereby authorized and directed to execute said grant agreement in five copies on behalf of the County of Iosco and the county clerk is hereby authorized and directed to impress the official seal of the County of Iosco and to attest said execution.

Section III. That the grant agreement referred to hereinabove shall be as follows: (Copy on file.)
The motion was supported by Everett and carried upon the following roll call: Ayes: Ashton, Bellville, Blust, Brabant, Burgeson, Everett, Gerard, Little, Long, Oates, Rodman, Smith, Stephan, Pollard, Webb, Werth, White, Kochenderfer. Nays: None.

Upon motion by Blust supported by Pollard, the report was accepted upon the following roll call: Ayes: Ashton, Bellville, Blust, Brabant, Burgeson, Everett, Gerard, Little, Long, Oates, Rodman, Smith, Stephan, Pollard, Webb, Werth, White, Kochenderfer. Nays: None.

Mr. White moved that the referals made to the conservation committee be held until the November session. Supported by Burgeson and carried unanimously.

It was moved by Everett, supported by Kochenderfer that a Willys Jeep be purchased for use by Mr. Becker at Old Orchard Park in the amount of \$3,000 from Lakeside Motors, Tawas City.

Mr. Werth inquired if bids should be sought.

Mr. White stated that the Willys Jeep appeared to be the most convenient for the purpose needed and that there was only one dealer in Iosco County.

The motion carried upon the following roll call: Ayes: Ashton, Bellville, Blust, Brabant, Burgeson, Everett, Gerard, Little, Long, Oates, Rodman, Smith, Stephan, Pollard, Webb, Werth, White, Kochenderfer. Nays: None.

Mr. Kochenderfer for the insurance committee moved that the county purchase proper insurance coverage for the Jeep from the Prescott Insurance

Agency. The motion was supported by Oates and carried upon the following roll call: Ayes: Ashton, Bellville, Blust, Brabant, Burgeson, Everett, Gerard, Little, Long, Oates, Rodman, Smith, Stephan, Pollard, Webb, Werth, White, Kochenderfer. Nays: None.

Mr. Ashten for the drains and ditches committee reported that the drain commissioner had engaged engineering services for the Floyd Lake level control project and moved that the letter from the conservation department regarding this be placed on file.

Mr. Everett requested permission of the board for the building and grounds committee to meet with the social security people in regard to their request for meeting space in the courthouse on the first and fourth Thursdays of each month. The social security people are seeking a place where the older members of Iosco County will not have to climb stairs.

Upon motion supported and prevailing, the building and grounds committee was authorized to make whatever arrangements they believed best.

FOR 1961, Comet continues the styling which has made it one of the most sought-after compacts on the market. The new Comet for 1961 is now on display at Orville Leslie & Sons, Incorporated, Tawas City. A new grille and modest ornamental changes identify the 1961 models of

the two and four-door sedans and the two and four-door station wagons. In addition to the standard 85-horsepower economy engine, the 1961 Comet offers an optional 101-horsepower six.

Grand Knight Names Committee Heads

Six-point program chairmen were named recently by Grand Knight Robert Toska of Tawas Council No. 2709. Paul Ropert, general program chairman, will head the group for the coming year.

Serving with Ropert are Robert Deloria, Catholic activity; Jack Herrick, council activity; E. D. Jacques, fraternal activity; Frank Blust, membership-insurance; Edward Nelkie, public relations; Raymond Klinger, youth activity; Maurice Lorenz, blood donors group.

Once again, Tawas council was among the first councils in Michigan to meet its quota 100 percent for the support of Boyville at Mason. One of the most prized projects of the Michigan knights is its participation in the support of Boyville.

In observance of Columbus Day, members and their wives are holding a banquet at Lixey's Restaurant Monday, October 17.

LETTERS to the EDITOR

Dear Editor:

At a recent meeting of Whitney Farm Bureau Group, various issues to come before voters in November were discussed. It was felt that an effort should be made to urge voters in the area to vote "no" on the Con-Con proposal. It was suggested that our local paper could reach many people and I was asked to present our views.

First, the proposal you will be voting on is not for the purpose of calling a constitutional convention. It is to pave the way for a vote on that issue next April and to allow such a convention to be called by a simple majority of the votes cast upon the question itself. The last time it came before the people, it was defeated because it did not receive a majority of votes of all the people who went to the polls. So the possibility of its passing because of the failure of some to vote on the question will be greater.

It also provides that the basis for electing delegates to rewrite the constitution should be changed to one delegate for each senator and each representative, instead of three delegates for each senatorial district. Since senators are not elected on a strictly population basis, but representatives are, it means that if it is carried most of the delegates would be from the southern or industrial counties. If this should happen, the probabilities are that they would favor reapportionment of both houses on a population basis. Our United States constitution prevents this from happening by providing that

each state shall have two senators, regardless of population.

Even if a constitutional convention were called, the new constitution would have to be submitted to the people and might not be passed. If it fails to pass, the people of Michigan would still have to pay the cost of the convention, which is estimated to be in the neighborhood of two million dollars. Since our state is already running in the red, it seems that the better way would be to submit any proposed amendments to the voters for individual consideration.

The reason why some favor a new constitution rather than changes by amendment may be found in a question Justice Eugene Black asked a Detroit audience: "Can you imagine this legislature submitting to the people a proposal to cut the number of lawmakers from 144 to possibly 60?"

Another change being considered by those who favor a constitutional convention is abolishment of township and county government with more central-

ized state control. Will that be good for our small towns and rural districts? Do you think the office of justice of the peace should be abolished.

We urge you to give thought to this question before you go to the polls in November and do not just fail to vote on it because you do not know what it is all about, as so many did when the question came up last time. If we do not vote, we cannot complain if the changes made are not to our liking.

Calendar:
October 13-15—Council conference at Michigan State University.

Saturday, October 15—Outdoor cookery and forestry field trip.

Last week's forestry field trip was made most interesting by Gordon Hatch, Abitibi Corporation forester. He taught us to identify as many as 17 different species of trees growing in the Lumberman's Monument area, told us unusual or less well known facts about them.

When we have the next field trip, which will be the last for this fall, on October 15, we shall have an opportunity to see how many of the trees studied can be identified correctly.

Our noon outdoor meal will be a kind of contest, too. 4-H Club members will work together in groups of four to build a cooking fire, prepare and serve a meal.

These activities will credit the young people with their exhibit and report, thus completing the projects, if they have attended the local project meetings, too.

Reporter Christine Lyke tells us about their community 4-H Club meeting on September 13. New officers elected for Hale Happy Hustlers are: Marlene Pember, president; Marlene Wilson, vice president; Kathy Dorcey, secretary; Cheryl Lyke, treasurer; Christine Lyke, reporter.

New 4-H Club members welcomed were David Wood, Steve Dorcey, Patty Moore and Danny Maas.

Game leaders are David Wood and Steve Dorcey and songs will be led by Randy Dorcey and Danny Maas.

Next meeting is to be at Kathy Dorcey's home on October 11, 7:30 p. m.

Diana Lyke, project leader, wrote us about the outdoor cookery project meeting on September 23, attended by 11 members.

Discussed were sack lunches. For this meal, chili was cooked over an open fire. Several homemade "buddy burners" were tried with some working to perfection while others did not.

"Our wood fire was too big and we knew it, but we had excellent luck with soaping the kettle. We had hot coals, not fire," comments Mrs. Lyke.

Members present were: Marlene and Darlene Wilson, Cheryl and Christine Lyke, George and Danny Maas, Margaret Pilat, James Ranger, Tressa Bielby, Rickie Runyan, Sandra Ranger and their leader.

The only compact with fine-car styling. A spirited sense of proportion gives Comet the most successful styling in the compact-car field. New rustproof aluminum grille, exquisite new interior fabrics, new fine-car appointments everywhere.

The first family-size compact. Comet's 114" wheelbase (longer than any other compact's) provides spacious comfort other compacts sacrifice. There's generous room in a Comet, even for six grownups. And there's trunk space for a family-size load of luggage besides . . . over 28 cubic feet.

Big-car ride—small-car handling. The refined suspension (plus the 114" wheelbase) makes Comet's ride steadier and smoother than many standard cars. And you'll find that Comet turns, parks and handles almost as easily as a baby carriage.

Priced with or below the other compacts. For all its new fine-car flair, family-size comfort, big-car ride and extra-value features, Comet is priced with or below the other compacts.

New Thrift-Power 170 engine for '61. Comet now offers two economy engines—the standard Thrift-Power Six plus the new optional Thrift-Power 170, for 11% faster highway passing, 22% better acceleration on hills.

One-year or 12,000-mile warranty. Your Comet dealer is extending his warranty on 1961 Comets to 12,000 miles or one full year, whichever comes first. See him to obtain full information. He will be glad to show you a copy of his new warranty.

GIRL SCOUTS ENTERTAIN BROWNIE TROOP

Hale Girl Scouts entertained Hale Brownie Troop at a meeting Wednesday afternoon at the Hale American Legion Hall. After the business, Bobette Pember gave a report on the recent trip to Wurtsmith Air Force Base and Stanley Fout of Arizona entertained the group by showing and explaining a large rock collection that he has gathered from throughout the world. He presented each guest with a polished stone called "apache tears" after telling the legend connected with them.

Present at the meeting were Mrs. Edwin Sharp, auxiliary president; Mrs. Frank Wells, vice president; Post Commander Robert Pember, and Mrs. Clarence Lowe.

MRS. GETSO HOSTESS TO LEGION CARD PARTY

Mrs. N. Getso, hostess for the American Legion weekly card parties during October, welcomed a large crowd at the American

Legion Hall Monday evening. Prizes were awarded to Mrs. William Krueger, Mrs. Edwin Sharp, Mrs. Elmer Henderson, Ed Kocher, William Krueger and N. Getso. Door prize was won by Mrs. Sharp.

Mrs. Getso served a delicious lunch at the close of the evening. Card parties are held each Monday evening at 8:30 p. m.

60 LAKES CLUB WILL HOLD BOX SOCIAL

Sixty Lakes Club held its regular business meeting Tuesday evening at the club building at Long Lake.

A pot-luck supper was enjoyed before the business meeting with a large crowd attending.

Mrs. Frank Gortner, president, opened the session. The club reports progress in clearing the building debt.

Serge Thomsson and Mrs. Sally Szymanski gave interesting reports on the "Kids Day" program at Wurtsmith Air Force Base. The Boy Scouts, Girl Scouts and Brownie troops from Hale were among the guests at the base. Sixty Lakes Club sponsors the boy scouts at Hale.

Mr. Thomsson stated that the scout financial campaign would soon be under way and hoped that the community would continue to support the youth movement in this area.

Following this report, plans were made to hold a box social and social get together Friday, October 28, beginning at 8:00 p. m. There will be dancing, games and entertainment for all.

The club also holds card parties each Thursday evening throughout the year. Games start at 8:30 p. m. There are game awards and lunch at the close of the evening. The public is invited to attend.

The next business meeting will be October 25 with pot-luck supper at 7:00 p. m. and business at 8:00 p. m.

GIRL SCOUTS VISITED AIR FORCE BASE

Mrs. Ronald Dane and Mrs. Sally Szymanski accompanied Hale girl scouts to Wurtsmith Air Force Base to the "Kids Day" event.

Interest in what was available for the country's defense and its meaning to all was very satisfying. The girls showed great interest in the art of home making when they were invited to visit Mrs. Szymanski's home after the outing at Oscoda.

Glen Staley American Legion Auxiliary is sponsor of the girl scouts and brownies.

HALE AREA SCHOOL WILL OFFER ADULT EDUCATION

Hale Area School will offer an adult education class in American history, United States government and economics for high school credit.

Government-economics class is offered on television from 8:30 to 9:00 a. m. on channel 12; American history is offered from 9:30 to 10:00 a. m. on channel five; once a week there will be a one-and-one-half hour seminar for follow-up and discussion for each class (three hours for both classes).

Anyone interested may take these courses even though they are not from the Hale district.

Miracle Sandwich Spread

The first meeting will be at 7:30 p. m. Wednesday, October 5, at Hale High School. Interested persons should start watching the classes over television and attend the organizational meeting. The class fee will be discussed at that time.

Mr. and Mrs. Varyl Taylor of Flushing and Mr. and Mrs. Harley Rice of Magadore, Ohio, are spending the week at Kokosing Resort, Long Lake.

Mr. and Mrs. W. Wise of Lupton and Long Lake are on their way to Florida for the winter. They will spend some time visiting relatives in Ohio on their trip south.

Mr. and Mrs. Frank Wells were callers at the home of Mr. and Mrs. Donald Goodrow Tuesday.

Bruce Goodrow, who has been confined to his home with a virus infection, has returned to school.

Mr. and Mrs. William Krueger, formerly of Flint, have brought a home east of Hale and plan to be permanent residents.

Mr. and Mrs. Frank Knapp of Flint are at their cottage on Long Lake.

Mrs. Helen Furnolo of St. Clair Shores has returned home after spending the summer at her cottage on Long Lake.

Mr. and Mrs. Elmer Henderson returned recently from a visit to Detroit.

Mr. and Mrs. Charles Grimes of Warren spent the past week at their cottage at Long Lake. Stanley Fout of Arizona is a guest of Mr. and Mrs. Robert Pember.

Buick Unveils New Models at W. Look & Sons

The American public, long anticipating the entry of Buick Division's entry in the compact field, will have the opportunity to see the division's economy class car this week at William Look and Sons, East Tawas.

Along with the new, trimmer full-size models, Buick will unveil the new Buick Special.

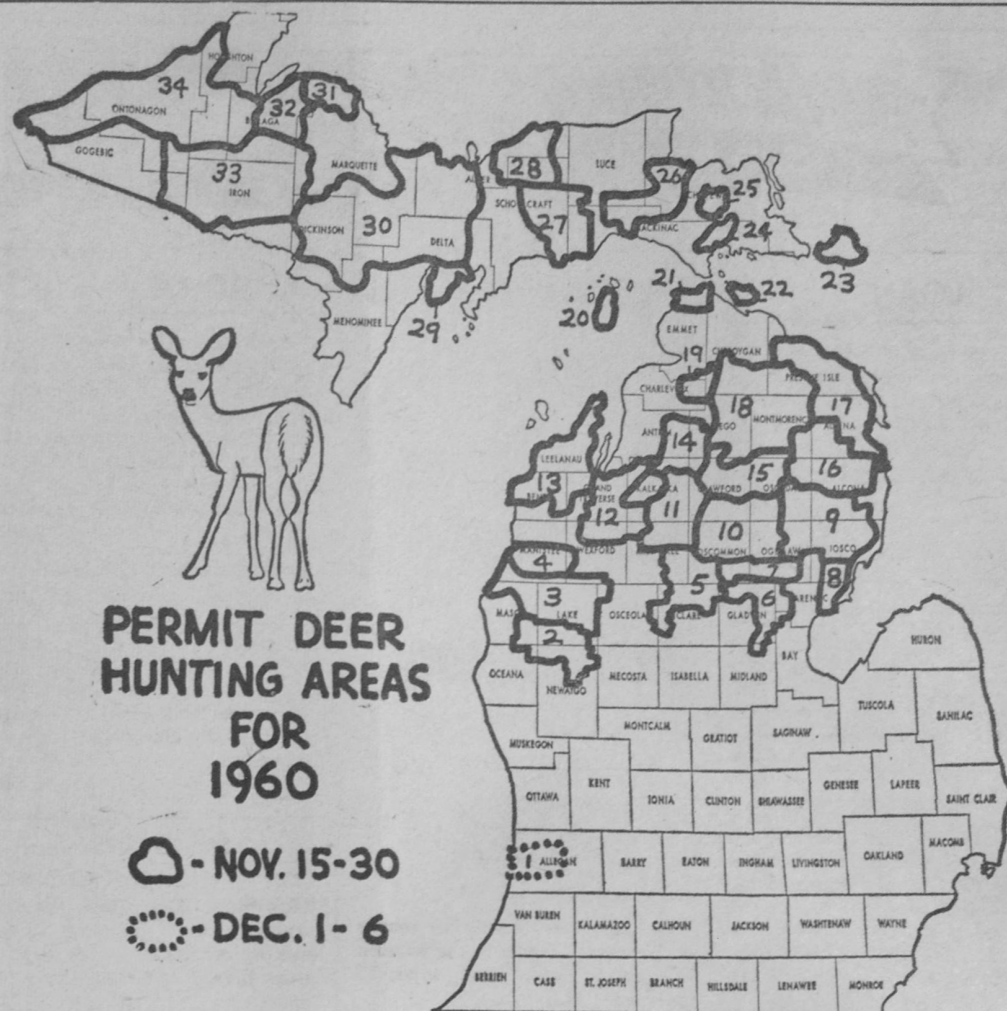

Combining savings and ease with Buick comfort and luxury, the Special features more total head, leg and hip room than in the compacts. It is smaller than the "big" car and bigger than the "small" car.

The Special has the same kind of control arm suspension as the full-size 1961 Buicks. Its new aluminum V-8 and aluminum Dual-Path Turbine Drive (optional at extra cost) gives twice the power per pound of most compacts and more than many full-size cars.

Price of the Special is only slightly above the compacts.

The full-size Buick is new clear through, from its big comfort zone right down to the ground. Doors are wider and the dog legs smoothed away. A new hide-away driveshaft gives far more flat floor space.

A new safety-X frame lowers the door sills. New control arm suspension smooths the bumps. Its new Wildcat V-8 has been more go on less gas.

PERMIT DEER HUNTING AREAS FOR 1960

NOV. 15-30

DEC. 1-6

Hunters planning to apply for special permits should note several changes made in Michigan's "any deer" areas since they took to the woods last fall. Thirty-five areas will be open to "any deer" hunting as compared with 39 which came under special seasons in 1959. About 1,300 square miles have been added above the Straits—chiefly in eastern Baraga and Iron counties where the herd's range has been hard hit by over-browsing. Nearly 1,000 square miles have dropped in the northern lower peninsula in parts of Newaygo, Manistee, Benzie, Antrim, Arenac, Ogemaw, and Presque Isle counties where previous seasons curbed the herd's damage to farm crops, orchards, and its winter range. Hunters are reminded they must apply for permits by these numbered areas rather than by counties. Permit applications will be in the hands of license dealers sometime early in September.

ENTRANCE STICKERS FOR MICHIGAN STATE PARKS

Entrance stickers and vending machines were ordered last week for Michigan's 1961 parks season by the conservation department.

The order calls for 500,000 annual \$2 stickers, 1,000,000 daily 50-cent stickers and 80 vending machines. December 10 is the delivery date.

Beginning January 1, 1961, park users will need stickers on windshields of their vehicles to enter 54 of Michigan's 61 state parks.

Annual stickers will be available through hunting and fishing license dealers, according to present plans. Daily stickers will be sold from vending machines in parks where they are required.

Moneys collected from sticker sales will be earmarked to retire a bond issue which will finance a proposed \$3,000,000 improvement and land acquisition program during the current fiscal year. The program, spelling out \$1,000,000 for new parks lands and \$2,000,000 for construction work, awaits final action by the

state legislature when it meets early in 1961.

Plans covering the sale and enforcement of stickers will be discussed at length next week during the department's annual parks managers' meeting at the Higgins Lake conservation school.
