Council Sets Dates for East Tawas Centennial

By a vote of the common council, the week of June 24-30, 1962, has been established as centennial week at East Tawas. These dates were suggested at Monday night's regular meeting and approved by councilmen.

Miss Edna Otis, general chairman for the observance of East Tawas' 100th birthday anniversary, told the council that people whom she has contacted have been responsive to the observance and have expressed a willingness to help.

"Everyone seems to think a home-grown celebration is just what we need," she stated.

At one time, the council had discussed possibilities of hiring an outside firm to stage a pageant during the celebration, but it appears that this movement has died out in favor of a strictly local function.

In her remarks, Miss Otis outlined some of the preliminary planning which she has in mind for the observance.

The centennial would start with sunrise services Sunday morning near the community building. "This would be only a stone's throw from where the first religious services were held in this community," she said.

She suggested a band concert at the park, a centennial museum with pictures dealing with early East Tawas history, prizes for the oldest person, the oldest married couple, the largest family and the couple traveling the greatest distance to attend the event.

Other comments included dinner meetings during the week, one of which would be for graduates of East Tawas High School; activities for children, including contests of all types; street dances, sail boat races and a home-grown pageant depicting early history.

She said that a fireman's ball was the principal social event of the community years ago and she has suggested to the volunteer fire department that one be held during centennial week. She said that she knew of an old-time orchestra "whose fingers were just itching to play at the dance."

Other features of the celebration would include a parade and fireworks display. It was also suggested that arrangements be made for train rides on the Detroit and Mackinac Railway. "Definite plans cannot be made this early and everything is subject to change," the general chairman stated.

City Will Open Sixth Street to Serve New Industrial Property

Possible development of property west of Ninth Avenue and north of the railroad tracks as an industrial site was announced at Monday night's meeting of the Tawas City Council.

This property has been purchased by Gordon Clute, who owns a large industrial building on the south side of the tracks. An old house, once owned by James Siegel, has been removed and the property is now being leveled.

The council authorized opening of Sixth Street from Ninth Avenue to Twelfth Avenue. The department of public works is to rough grade and gravel 1,000 feet of the street to serve the proposed industrial site. It will be ready by next summer.

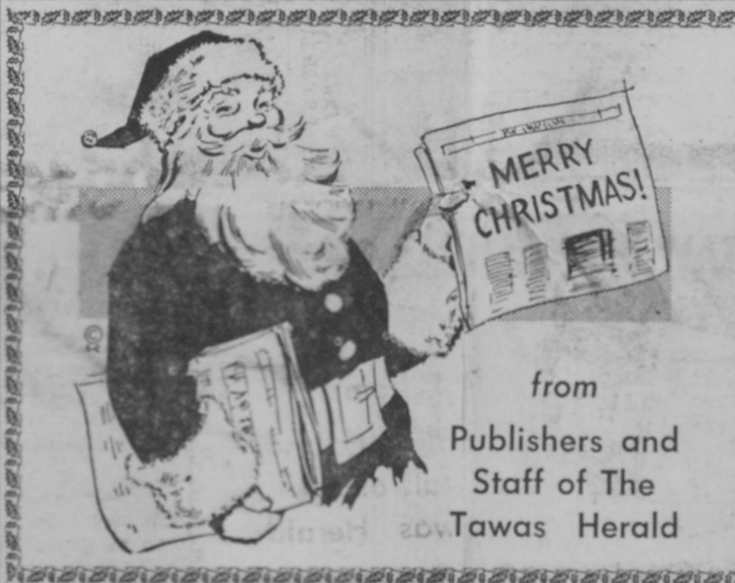

In other business, next regular meeting of the council had been scheduled for New Year's Day. This meeting is to be held one week later. A report is to be made that night on progress of the city's planning commission.

The commission has held three meetings since organized by ordinance. Plans will be discussed at the joint meeting toward hiring a firm to start work on a master plan for the city.

Two requests have been received for installation of street lights. Approved by the council was a light on Second Street near the Tawas City elementary unit and one at the corner of Naneette and Margo Streets in Elms Garden Subdivision. The lights are to be installed during the next survey.

Reginald Bublitz, superintendent of public works, told the council that John N. Brugger had requested the city to enlarge a pond being used as a skating rink north of the Tawas City baseball field.

Bublitz said that many children were using the pond for ice skating and that it could be enlarged with little work. The property is owned by Mr. and Mrs. Victor Zaharias and Bublitz is to ask their permission for such enlargement.

Trustee Sarki Explains Saving Under Present School Plan

Leonard Sarki, board of education member, presented a question and answer session on the plans and progress of the new classroom construction at the Tawas Area Parent-Teacher Association meeting Monday evening. He explained that the decision to build all 10 classrooms at one time, instead of six now and four later as originally planned, would result in a savings of over \$10,000 for the taxpayer.

Miss Ulla Matja Toivonen of Finland, Tawas Area exchange student, told of the way Christmas is celebrated in her country. Following her talk, the program was turned over to the Tawas Community Chorus. A variety of

PROTOTYPE of the 1962 model mobile home of Anderson Coach Company is pictured here in front of the Baldwin Township plant. Standing at left is

Donald Miller, sales manager, and seated on the tractor is Bert Shorkey.—Tawas Herald Photo.

Anderson Coach Introduces 'New Look' in 1962 Models

Anderson Coach Company of East Tawas has unveiled a "new look" in its 1962 models which will be shown to the public for the first time at the national show January 10 at Louisville, Kentucky.

Anderson designers have come up with a new treatment incorporating some vertical metal, with

a new trim design, resulting in lines that are distinctively new. "This is the look that will be much copied from now on... people who have seen it, like it," states Donald L. Miller, sales manager.

Prototype of the new mobile home rolled out of the company's Baldwin Township plant last week.

"With the major change on the exterior and knowing that the Anderson interior is basically 'right,' we plan little change for

the interior," said James Guest, company president. "The 'Anderson Look' attained by the tasteful combination of the same premium materials, will be retained with minor modifications and improvements. Floor plans will also remain basically unchanged."

Miller said that the company realized that some dealers had been working with retail customers over a period of months, "so we will accept orders for the old style exterior until around the middle of December."

Auto Plunges Into E. Branch; Fatal to Driver

A 44-year-old Grant Township woman died Sunday afternoon when her auto struck a bridge railing on Carpenter Road and then overturned into the East Branch of the AuGres River.

Jean Leona Kindell, whose husband, Verne, was killed August 9 in an accident on M-55, was pinned in her car and drowned. Her body had been in the water about 45 minutes.

The accident occurred near the home of the victim's son-in-law, Gordon Bettis. Bettis told investigating state police officers that he was in his garage when he heard noises that sounded like ice breaking up in the river.

He walked around the house and saw tail lights of a vehicle in the middle of the river. He and Dale Butzin, a brother-in-law of the victim, waded out into the river but were unable to remove Mrs. Kindell from the car.

The two men then drove a bulldozer out into the river and turned the vehicle upright. State police officers from East Tawas arrived when they were attempting to pull the car out of the river.

Officers said that the victim was traveling west on Carpenter Road and coming down a steep hill with the wheels of her car on the right shoulder. As the bridge is narrower than the road, tracks in the fresh snow indicated that she did not swing her car toward the center of the bridge and it struck the railing.

Police said that apparently she did not apply the brakes before impact and believed she fell asleep at the wheel.

Coroner E. John Moffatt ruled that drowning was the cause of death.

Her husband was killed a little over four months ago while attempting to remove his tractor from a ditch along M-55. He was pinned between the truck and a farm tractor when the latter was struck by an oncoming auto.

Survivors include her daughter, Mrs. Ruth Ann Bettis of Tawas City; mother, Mrs. Leona Blondin of Carrollton; two grandchildren; two brothers, Francis Blondin of Saginaw and Mercer Blondin of Carrollton; two sisters, Mrs. Eloise Smith of Carrollton and Mrs. Roslyn Butzin of Tawas City.

Funeral services will be conducted at Jacques Funeral Home, Tawas City, today (Wednesday) at 10 o'clock. Burial will be in Sand Lake Cemetery.

Supervisors to Continue Work of Committee

A unanimous vote of the Iosco County Board of Supervisors last week called for continuing the work of its special welfare committee with the aim of providing a home for the aged in Iosco County.

This action was taken following the unsuccessful election December 11 which asked voters to approve a bond issue for financing the county's share in the cost of a medical care facility.

"In spite of the fact that the bond issue failed, the county still faces the problem of caring for its aged and infirmed persons," stated C. S. Everett, who chaired the committee.

Although he believed that caring for county patients would cost more in a private home than in the medical care facility which was turned down by taxpayers,

Everett said that the board and its special committee was not adverse to hearing plans for a private home in the area.

"Anyone with ideas on the subject of a private nursing home is urged to contact members of the welfare committee or attend the January meeting of the board of supervisors," said Everett.

"If the county has to build one, I still think we have the right answer in the medical care facility," he stated.

Mayor C. V. Miller of East Tawas has recommended that the board hold meetings in the near future in order to obtain the thinking on this subject from interested residents.

In other business, the board has asked the Iosco-Arenac Regional Library to vacate its present quarters in the county building. A room is being used by the library for storage of books.

It was felt by members that the room could be better utilized as a meeting place for the board of supervisors or as a location for sessions of justice court.

It was stated that the present meeting room was in constant use by other agencies and that the circuit court room is not available for justice court sessions.

The board authorized hiring of a full-time janitor to work under the supervision of Lyman Willis, county building custodian. Effective date of employment was December 18.

The new janitor will assist the custodian in cleaning and maintenance. (See SUPERVISORS, page 12.)

Pulnam Named New Iosco CD Director

Undersheriff Leon Pulnam has been named director of civil defense for Iosco County.

This action came last week after a ruling was received from the state attorney general's office which barred sheriffs from holding the directorship.

Sheriff Ivan L. O'Farrell immediately turned in his resignation as CD director to the board of supervisors.

Salary of the new director was set at \$300 annually by the board of supervisors.

National Honors Three 35-Year Employees

Three veteran employees of National Gypsum Company were honored Saturday afternoon at the company's annual Christmas party at Whittemore.

Receiving 35-year service pins were Paul Klenow and Clarence McKenzie of East Tawas and Orliv Westcott of Tawas City.

"The National City plant is probably the only one owned by the company which has three employees who wear 35-year service pins," said John Pitts, plant superintendent.

All three men started work at National City when buildings were under construction during the winter of 1926 and were then retained on the payroll after the plant started operations in March. National Gypsum Company was founded in 1926 and its first plant was located at Clarence Center, New York.

Klenow started with the company September 28 after working three weeks for the Detroit and Mackinac Railway during construction of its rail spur to National City. His first job was as a carpenter in constructing the plant. After the mill went into operation, he went to the loading department where he has since been employed.

McKenzie, who was hired October 1, first went to work unloading gravel from railroad cars. He moved to the board plant where he worked at all jobs on the line. He was promoted to foreman of the board line, moved into personnel and safety work and during the past nine years has been mill superintendent.

Westcott started work with the company December 26 as a laborer in constructing the plant. When production started in March, he moved to the board line where he spent six years. He then moved to the mechanical department, in-

THREE LONG-TIME EMPLOYEES of National Gypsum Company were honored last Saturday. Shown receiving 35-year service pins from John Pitts, left, plant superintendent, are Clarence McKenzie, Paul Klenow and Orliv Westcott, all from the Tawas area.—Tawas Herald Photo.

East Tawas' New Fire Truck Delivered; Cost \$22,632

Delivery was made last Saturday on East Tawas' new \$22,632 fire truck. Purchase was authorized more than three months ago by the city council.

The new truck, which measures 24 feet in length and 10 1/2 feet high, dwarfs the city's old fire apparatus which was purchased in 1939. The old truck is to be retained for emergency purposes.

General Motors chassis on the truck, purchased from William Look and Sons, cost \$5,200, and Howe Equipment Company furnished fire apparatus at \$17,432.72.

Some features of the new truck include a 500-gallon water tank, a 50-foot aerial ladder carried on a special rack on top of the truck, 750-gallon-per-minute pumper with high and low pressure.

Equipment purchased with the truck also includes a portable generator with flood lights, exhaust fan, three masks with air supply tanks (or similar to aqua lungs), three smoke masks, new boots and coats.

The fire department is presently selling Christmas trees in order to purchase resuscitator equipment for the department.

A representative of the fire apparatus company is spending four days here this week instructing volunteer firemen in use of the new equipment. "Addition of this new truck

gives East Tawas a first-class equipped fire department," states Chief Donald Hogaboam. "The truck is equal to many being used in metropolitan areas and the volunteer firemen are extremely proud of it."

The special rack on top of the truck to hold ladders was designed by Hogaboam. It allows for easier access to equipment carried on the truck. The Howe representative said that this idea has been studied by several fire departments for possible incorporation into new equipment being purchased.

TURNING OVER THE KEYS of East Tawas' new fire truck to Mayor C. V. Miller is William Look, right, whose firm furnished the chassis for the new apparatus. Watching the ceremony are Fire Chief Donald Hogaboam and members of the volunteer fire department. Turn to page 12 for additional pictures.—Tawas Herald Photo.

I pledge allegiance to the flag of the United States of America and to the republic for which it stands; one nation, under God, indivisible, with liberty and justice for all.

408 Lake Street Tawas City, Michigan Entered at the Tawas City Post Office July 12, 1884, as Second Class Matter, under Act of March 1, 1879.

P. N. THORNTON & SONS, PUBLISHERS

EDITORIAL—

Decision by the Tawas Area Board of Education to build the 10-classroom addition at the Tawas City unit in its entirety, instead of six rooms during the summer of 1962 and four more when money becomes available, will not mean increased cost of the project or a change in the five-year-pay-as-you-go time schedule.

To the contrary, the board has found that there would be a saving in the over-all cost of the project by accepting alternate proposals submitted by the contractors. The reason is rather obvious—it costs money for contractors to move on and off a building site and there would be a substantial saving in buying materials in larger quantities, to name but two of the savings.

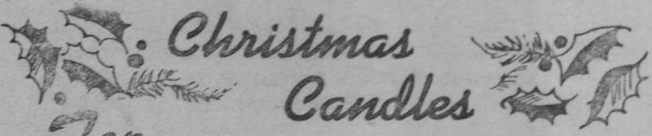

And, building these additional four rooms in the first phase will have no effect on the original time schedule for constructing the kitchen and multi-purpose room at the East Tawas unit, or the addition at the high school.

These rooms are needed and will be utilized in the school program as soon as they become available.

Just to set the record straight, building the entire 10-classroom unit in the first phase WAS discussed during preliminary meetings of the parent-teacher association's special committee prior to the election. To this end, much depended on whether or not bids would be favorable. These meetings were attended by persons who now oppose the board's thinking.

When bids were opened recently, it was found that they were lower than originally anticipated. It was estimated that interest costs of between \$4,000-\$5,000 on borrowing an additional \$70,000 for 18 months would be more than offset by the saving in constructing the entire unit now. In fact, the savings on constructing the entire unit next summer may be in the neighborhood of \$5.23 per square foot for the four additional rooms.

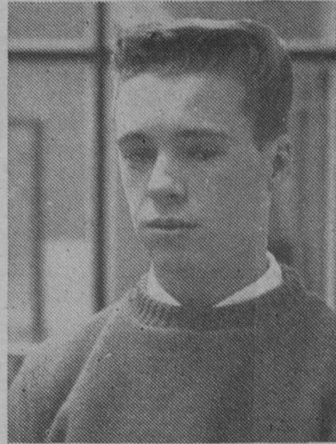

By a five to one vote, the board then decided to build the entire unit in order to take advantage of these savings. It would seem that if there is an opportunity to save tax money on this plan and still not change the time schedule for the other two phases of the program, the board of education had a moral obligation to take this step.

For many, many centuries — brightly burning candles have been an important part of the Christmas observance. And, in days of yore — the bayberry candle held a mystic significance — it was believed that if the candles burned bright and clear throughout the Christmas season, then the coming year was sure to be lucky and happy.

Branches from bayberry trees dipped in wax were used instead of candles in Colonial days, when animal fat for making the candles was in short supply. Even when tallow candles were more plentiful, the bayberry candle remained as a traditional part of the Christmas observance in early days.

Today's Teen

TODAY'S TEEN is Harvey Van-Patten, 17, a senior at Tawas Area High School. His studies this year include physics, trigonometry, English and United States government. He plans to attend Central Michigan University after graduation. He is a member of the pep club and track team. His hobbies include bowling, hunting and fishing.—Tawas Herald Photo.

The Tawas Herald Tawas City, Michigan

Mr. Richard K. Nelson sent me a copy of the December 13 edition of The Tawas Herald, which carried your feature on probation in the court of Judge Allan C. Miller. I was very well pleased with the tone and content of the article, and take this opportunity to congratulate you.

I know that the courts are making use of probation, both in terms of the presentence report and probation supervision. Judges have increasingly recognized that disposition of criminal cases cannot, in most instances, be properly achieved without comprehensive knowledge of the offenders personality make-up and background.

The increasing cost of penal service, the rising incidence of crime, together with other factors, makes necessary the increased use of probation service.

Judge Miller's substantial use of probation and his comments in your article are indicative of his awareness of the value of this tool of social and personal rehabilitation.

Very truly yours, Roy H. Nelson, Assistant Director in Charge of Probation, Michigan Department of Corrections

Christmas, Or JUL: Baked Cakes & Boar

In Scandinavian countries, the celebration of JUL, or Christmas, begins on Christmas Eve and continues for 13 days, ending with a "twelfth night party."

Baked delicacies and sweets are abundant during the 13 days and cakes are baked in the shape of a boar, recalling the ancient feasts of the Norsemen which always centered around roast boar. Scandinavian Christmas trees are decorated with bright gold and silver stars and long strips of gaily colored paper. A small figure of a goat constructed of straw serves as a reminder of the custom of saving the last sheaf of the harvest for the magic it was supposed to possess.

Presents are brought by the TOMTE, tiny, gnome-like figures dressed in Christmas outfits.

TA Honor Roll During Second Marking Period

Students at Tawas Area Junior and Senior High School who qualified for the honor roll during the second marking period are listed below:

Seventh Grade Wendy Defibaugh, Linda Dorey, Dane Edgerton, Cheryl Hayes, Joy Herriman, Carol Hosbach, Debra Katterman, Candace Katterman, Judy Luedtke, Debra Mark, Jean Mielke, Bonnie Miller, Norman Payea, Diana Schrieber, Barbara Sanford, Tiresa Walt.

Eighth Grade David Baker, Kathy Boldt, Thomas Bremor, John Brugger, David Coe, Margie Cross, Wayne Day, Lawrence Daley, Kay Ann Deckert, Alicia Dimmick, Dale Duff, Sandra Huddy, Connie Kindell, Judy Lemon, Cheryl Look, Danny Machulis, Janet Merschel, Raymond Rollin, Kenneth Tarnosky, Mary Wetzel, Ina Whitney, Gerald Wilkinson.

Ninth Grade Mike Adrian, Dennis Blata, Gary Brown, Bob Busch, John Coyle, Holly Defibaugh, Diane Edgerton, Barbara Edwards, Leigh Evans, Donna Fisher, Mike Gilfix, Diana Haight, Herbert Humphrey, Donna Katterman, Duane Killingbeck, Bruce Kushion, Elizabeth Klenow, Patricia Kobs, Carolyn McKay, Martha Machulis, Janis Pollard, Caroline Rice, Jim Riley, Terry Ross, Bill Ruckle, Jeri Lu Ruppert, Kathleen Schlicker, Judy Short, Lorraine Spica, Karen Starling, Darrell Welch, Bryan Wemert, John Wetzel, Nannette White, Brian Wilkinson, Faith Wojahn.

Tenth Grade Diane Beyer, Barbara Binder, Mary Beth Busch, Linda Conn, Joan Elliott, Don Evans, Bill Ezo, Kathy Galliker, Janice Guilford, Pat Higgins, Tom Huck, Nancy Laidlaw, Don Lear, Patricia MacDonald, Jo Ann Phillips, Ronald Priebe, John Roach, Larry Rose, Sharon Schreiber, Sue Thunberg, Barbara White.

Eleventh Grade Don Binder, Nancy Borosch, Kay Bowman, Connie Clements, Janet Czaika, John Dimmick, Richard Doak, Eileen Hatch, Brian Helmer, Gerald Hosbach, Linda Lake, Claire Long, Ruth Musloff, Russell Nelkie, Barbara Olson, Jim Peters, Mary Pitts, Gary Schlicker, Bob Smith, Clarence Smith, Dan Ulrich, Sona Vance, Marianne White, Jerry Youngs.

Twelfth Grade Kay Bertsch, Roberta Brookbank, Pat Davenport, Paul LaPorte, Jim LeViere, Stan McKay, Allan Miller, Andrea Proctor, Fay Rice, Judy Rannels, John Solomon, Ulla Toivonen, Lewis Werth.

MANY OF YOU have asked why telephone directory listings sometimes are abbreviated. Abbreviation makes it possible to put most listings on one line. If abbreviations weren't used your directory would be much larger and more costly to produce. In addition, the paper in your directory has been carefully chosen for wearability, and the type style for readability. All this is designed to make your directory easy and convenient to use.

PHONELAND is a wonderful place—a storybook land of Christmas surprises for all the family! In Phoneland, new Home Interphone service lets you talk from room to room, or answer the door, or check on a sleeping baby—all by telephone. In Phoneland you can enjoy the security and protection of extension phones that save steps. You can choose wall or table models, or the lovely little Princess with the light-up dial, in a choice of cheerful colors. To order a Phoneland surprise for your family this Christmas, just call our business office. We'll arrange everything.

AND A MERRY CHRISTMAS to all of you from all of us at Michigan Bell. It's been a pleasure to serve you this year; we're looking forward to serving you in the New Year with, as ever, the finest in telephone service.

Mr. and Mrs. Arthur Wuggazer — Tawas City

Needlecraft News by Nancy Baxter

One thing about men's sweaters; they're not always changing around. I mean—you don't have the Eternity line one year and the Channel look the next. Sometimes I think men just have more sense than to stand for such goings-on. Look at their styles in almost anything. There are innovations every year, yes. But on the whole, most male fashions are standard: practical . . . and classic.

AND CLASSIC IS DEFINITELY THE WORD for this week's pattern. It's a masculine pullover that fits into almost any scene. Long-sleeved — or in its sleeveless variation — it can still be worn almost year round. One reason for this is that it's knitted in Coats & Clark's Red Heart Super Fingering for soft and fine texture that takes to season-changes particularly well. This isn't a beginner's sweater — you'll want a little practice before coming to it. But the fact remains . . . it's a very classic item — for that classic individual — your man! And Christmas is a lovely excuse for showing him how much you care — by making him a gift that will be uniquely his!

GET THE FREE DIRECTIONS NOW! Send your stamped and self-addressed envelope to the Needlecraft Department of this newspaper, to get the free leaflet for both sleeveless and long-sleeved pullovers. Be sure to ask, though, for No. B-169. And get started on it way ahead . . . pack it away as the most famous "classic" of them all—a surprise!

BUT UNDERNEATH the heavy coats and scarves, no woman wants to forget the feel of being feminine. It's fine to be warm-as-toast. But you also want to look soft-as-silk. For special evenings then—for the good velvet skirt—you need some winter topping that serves double-duty. And this week's design has it — in diamonds! The diamonds, if you look, are knitted right into the scoop-yoke of the sweater. And the yoke follows out into brief raglan sleeves that cover-up and show-off at the same time. Edges on sleeves, incidentally, can be curled-up for a decorative trim . . . and the easy rib stitch serves for sweater's bottom banding. We did the model in pink, though it would look as good in white—or even blazing orange. But be sure to use Coats & Clark three-ply Super Fingering for the silky surface that you want. (This is the perfect worsted texture for a feminine-kind of top.) Size 12 takes six skeins of Super Fingering; size 16 takes seven. And you'll need 24-inch circular knitting needles, No. 1 and No. 2.

SO GET ON TOP of the Winter situation—and make yourself this lacey over-knit. To get the free directions just send a stamped and self-addressed envelope and ask for Leaflet No. PK-1654.

VICTORIOUS Whittemore-Prescott Area Cardinals are shown here following Friday night's win over Tawas Area. Coach Ed Dudo has been hoisted to the shoulders of several boys while Keith Hasty, who dropped in the winning basket, holds the bus driver's trophy.—Tawas Herald Photo.

Cards Come from Behind to Edge Tawas Braves, 47-45, in Thriller

Whittemore - Prescott Cardinals came from behind Friday night to defeat the Tawas Area Braves, 47-45, in a NEM Conference cliff-hanger. It was the third straight victory for the visitors, while Tawas Area's record now stands at one and one.

Taking advantage of many Cardinal mistakes during the first half, the Braves of Coach Bill McIntosh held a 24-13 edge at the end of the first two low-scoring quarters and seemed to be well on their way to victory.

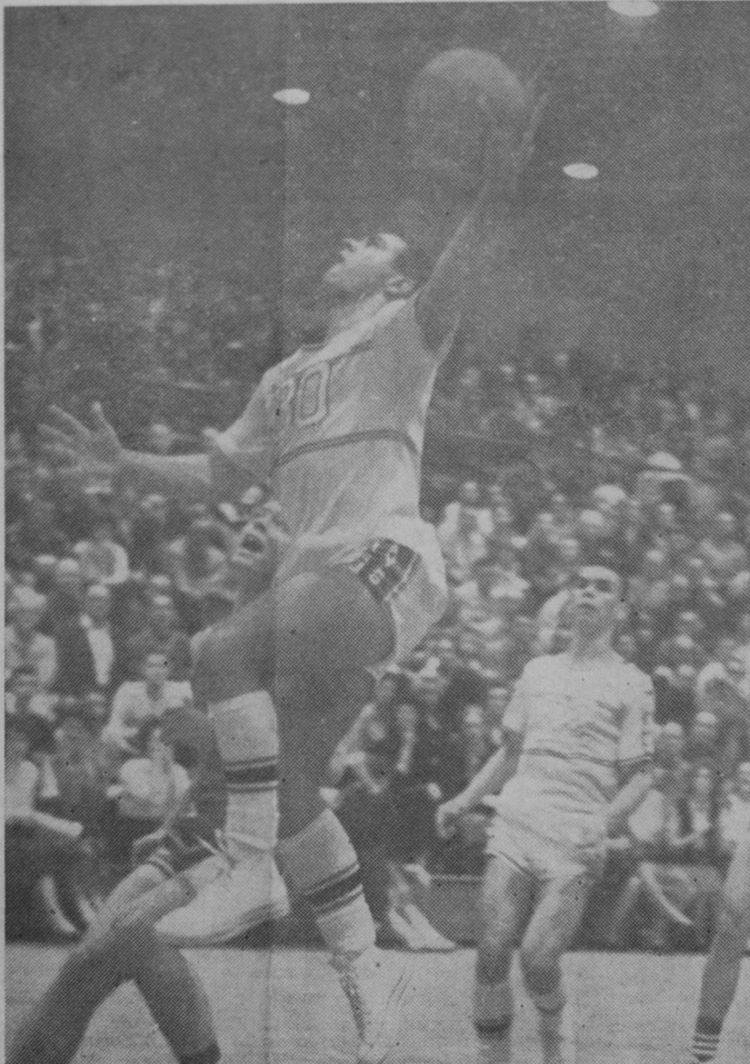

Some indication of the final result came in the third quarter when Ray Pagel and company caught fire to outscore the Braves, 16-12, and pared four points off Tawas Area's lead.

Ray and his twin brother, Roy, both towering above the six foot, five-inch mark, took command of

the backboards during the second half and that was it as far as Tawas' chances were concerned.

ONE OF THE principal reasons for the Cardinals' victory over Tawas Friday night was the outstanding play on the backboards by Ray and Roy Pagel. This picture shows Center Ken Murphy of Tawas losing a rebound to one of the Pagels.—Tawas Herald Photo.

A BRILLIANT defensive play by Herm Rollin late in the game, in which he stole the ball from a Whittemore-Prescott player, went for naught as he missed this lay-up pictured above. Tawas had several good chances to score late in the game but could not turn the trick.—Tawas Herald Photo.

meshed 16 of his 18 points during the second half while brother, Roy, dropped in nine. The cause of Coach Ed Dudo and his charges was also aided by the 10-point effort of Ron Armstead.

The defensive stand by Tawas Area during the first half proved very effective and, led by the scoring of Jim Mick, the Braves seemed to be in a comfortable position.

The axe was lowered on them in the second half, however, when the Pagel twins blocked the basket time after time, and the Braves were turned away without getting their shots away.

With about three minutes and 36 seconds to go, Whittemore-Prescott took over the lead, but this margin was erased when Mick dropped in a two-pointer to tie the score with one minute, 17 seconds remaining.

The winning basket was dropped through the hoop by Keith Hasty and Armstead followed with another two points. Jerry Brown closed the gap with a two pointer, but the winning margin stood as the Cardinals controlled the ball for about the last 48 seconds of play.

Tawas missed several golden opportunities to score, lay ups in the last minutes of play, but it just was not in the books to turn out that way.

Both teams were off on shots from the free throw line, Tawas completing five out of 11 while the Cards made only five out of 17.

Mick led the Tawas scoring drive with 16 points and he was the lone player to hit in double figures. Doak, who plays behind Ken Murphy at the center slot, filled in capably with nine points.

Tawas Area won the preliminary game, 45-29, with Dennis Blata and Herb Humphrey hitting in double figures, 15 and 14 points, respectively.

The Junior Braves took to a 10-5 lead in the first quarter and led, 19-12, at intermission. They broke the game wide open in the second half with a 27-15 scoring margin.

Leading scorer for the Cardinal JV was Roger Rasbury with 14 points.

Next encounter for the Braves will find them traveling to Roscommon this Friday night.

Pick Tourney Site

Standish-Sterling Central will again host the Class B and D district basketball tournament serving the local region. It will be the second straight year the tourney has been slated for the new S-S gymnasium.

Whittemore-Prescott Area is the only area school that will not see action in the Central gym. The Cards, lone class C unit in the region, is scheduled for the Roscommon district with the winner moving to Bay City.

Six class B teams slated for Central are Tawas Area, Pinconning, Gladwin, West Branch, Oscoda and the host squad. The sextette will be in operation next year as the newly-organized, Northern B Conference.

The five squad D bracket includes AuGres, Arenac Eastern, Hale, Rose City and Pinconning St. Michael.

Class B schools will play two games Tuesday and Thursday nights. Two teams will draw byes opening night and automatically get into the semi-finals. There will be two games on tap each night with Central slated for one of the games Tuesday.

Schools in the D bracket will play Wednesday and Friday nights. Only one game is scheduled Wednesday at 8 o'clock with the other three schools drawing byes. Two games will be played in the semi-finals Friday.

'Parents and Purse Strings' Discussed

One of the goals a parent might wish to achieve in teaching his child to manage money is training him to make decisions wisely as stressed by Mrs. Richard Egli at the December 13 meeting of the Tawas Homemakers Extension Group. This point was stated in a discussion entitled "Parents and Purse Strings."

Christmas games and an exchange of gifts added a note of merriment to this Christmas party held at the home of Mrs. Joseph Falumbo in Tawas City. Mrs. Donald Gingerich assisted as co-hostess.

The January 17 meeting will be at the home of Mrs. William Tracy, East Tawas.

Christmas Program Presented Wednesday

A Christmas program was presented at the Twentieth Century Club Wednesday evening, featuring Christmas carols and stories.

Mrs. George Leslie narrated the origin of the carols. Marti Long sang carols, accompanied by Miss Arlene Leslie. Mrs. Dan Carter, accompanied by Miss Andrea Proctor, flutist, and Miss Janice Guilford, pianist, also sang several numbers. Mrs. George Liske sang "Ave Maria" and read stories and legends.

Meditation was presented by Mrs. A. J. Sevenser.

A \$50 check was received from Dr. Carl Schlecte of Rochester, a summer resident, to help the club defray the expense of library drapes and \$21.25 was collected from members as a Christmas donation for the same expense.

Further plans were made for guest night banquet to be served by Tawas City OES at the Masonic Temple January 10. Judge Herman Dehneke will be guest speaker.

Hostesses were Mrs. R. E. Mick, Mrs. A. E. Giddings, Miss Fernie Mark, Mrs. Douglas Ferguson, Mrs. Gordon Brigham and Mrs. H. Read Smith.

Santa Claus Cake Highlights Scout Party

A Santa Claus cake decorated the table for the Intermediate Girl Scout Troop No. 3 Christmas party Monday afternoon. A birthday anniversary of one of the members was also observed.

The girls enjoyed refreshments and a gift exchange.

Calendars may still be purchased from any of the girl scouts.

STUDENTS of Tawas Area High School held their annual senior prom last Saturday night. This picture shows the committee in charge of arrangements with "Mr. and Mrs. Santa Claus." Seated on front of the sleigh are Leland Moffatt and Andrea Proctor.—Tawas Herald Photo.

Samba Club Has Dinner Party at Lixey's

The annual Christmas party and dinner of the Samba Club began at Lixey's Restaurant recently. Following the dinner, members went to the home of Mrs. Elmer Freeland where they enjoyed playing samba. Mrs. Vergil Butler won the prize.

WHITE TISSUE BELLS—For reception and shower decorations. Sizes 11x9 1/2 and 14x13. The Tawas Herald, 408 Lake Street, Tawas City, phone F0RESt 2-3487.

Former Tawas City Girl Married in California

Marion Ruth Musolf, daughter of Mr. and Mrs. Martin Musolf of Bay City, former Tawas City resident, and Ralph D. Slocum of La-Mesa, California, were united in marriage December 2 at the First Unitarian Church, San Diego, California. The Rev. John R. Clark officiated.

The bridegroom is the son of Farish Slocum of Rochester and the late Mrs. Slocum.

The bride, who was given in marriage by her cousin, Richard Page of National City, California, chose a brocade sheath, jacket dress for her wedding. Her bouquet was a cascade arrangement of white carnations.

Attending as matron of honor was Mrs. Richard Page, who was attired in a navy shantung dress with pink accessories and carried pink carnations.

Warren Slocum, son of the bridegroom, served as best man. Following the dinner and reception at the home of the bridegroom's sister, the couple left on a trip to Palm Springs. They will reside at LaMesa.

Engagements Announced

The engagement of Miss Betty Lou Rempert to Edward A. Freel is announced by Miss Rempert's parents, Mr. and Mrs. Herbert Rempert of Tawas City. Mr. and Mrs. Burton Freel, also of Tawas City, are the parents of the bridegroom-elect. Wedding plans are indefinite.

Mr. and Mrs. Justus Ashmore of East Tawas announce the engagement of their daughter, Bonnie Lou, to Charles L. Byrd of Wurtsmith Air Force Base, Oscoda, son of Mr. and Mrs. Frank C. Byrd of Waynesville, North Carolina. Wedding plans are incomplete.

The Harold Hammond family visited over the week-end with Mr. and Mrs. Frank Hammond at Hillsdale.

ABOUT PEOPLE YOU KNOW

Tawas City

Mrs. James Tilton of Kansas is spending some time here with her daughter, Mrs. Orval Proper, and family.

Word was received late Monday of the sudden death of Fred L. Murphy of Lansing. He was the brother of Mrs. Ira Horton. Funeral details are incomplete.

The Robert Day family will spend Sunday at Clare for an Orvis family gathering to celebrate Christmas.

Mrs. Gladdis Jarvis of Flint will spend the Christmas week-end with her daughter, Mrs. Marvin Curry, and family.

Eugene Smith of Saginaw, a former resident of this community, visited friends in the Tawas last Thursday.

Mr. and Mrs. William Howlett and family of Flint will enjoy Christmas with Mrs. Harry Cross. The John Robacks left Monday for a month's vacation at Washington and South Carolina.

Mr. and Mrs. C. Fred Donahue will leave Saturday to spend Christmas with their daughter and family at Park Forest, Illinois.

Among the students home for the holidays are Miss Georgia Malton, Cleary Business College, Ypsilanti; Miss Mary Nagy, Eastern Michigan University, Ypsilanti; William Mick, Albion College, Albion; Miss Jacquelyn Nelson, Ottawus University, Ottawus, Kansas; Miss Barbara Schaff, Central Michigan University, Mt. Pleasant. Michael Ulman had the misfortune to break his arm.

Mr. and Mrs. Paul Gonshorowski of Warroad, Minnesota, are the guests of Mr. and Mrs. Richard Gonshorowski and the Roy E. Bergersons for several days.

Mrs. Claud Wilson spent a few days at Lansing last week, returning home Friday. Her granddaughter, Susan Wilson, accompanied her home for the holidays.

Mrs. Elizabeth Holland and sister, Miss Fernie Mark, are spending the Christmas holidays with the former's daughter, Mrs. Jack Willett, and family of Pleasant Ridge.

Mr. and Mrs. Clyde Montgomery and Karen spent the week-end at Clarkston with relatives.

Mr. and Mrs. Harry Goodale leave Thursday to spend Christmas with their daughter, Mrs. Fred Boughton, and family of Lansing.

Mr. and Mrs. A. A. Bigelow will spend a few days this week at Lansing with relatives before going to

Indiana where they will spend the holidays with their daughters at Lafayette and Rockford.
 Mr. and Mrs. Paul Beyer Jr. and family will enjoy Christmas with Mr. and Mrs. Frank Hatcher at AuGres.

East Tawas

The Buell Crocker family of Midland will spend the Christmas week-end with Mr. and Mrs. N. J. Crocker.

Mr. and Mrs. Floyd Upton left Tuesday morning for a four-month stay in Florida.

Andrew Christian, who was at the Huron Convalescent Home, is living with his daughter, Mrs. George Davidson.

Mrs. Agnes Thompson of Midland and the Donald Shepherd family of Marlette will spend Saturday with Misses Cora and Edith Davay.

Mr. and Mrs. William Barber will enjoy the holidays at Detroit with their children.

Mr. and Mrs. M. O. Chambers are planning to spend Christmas at Midland with the Norman Rathbun family.

Holiday guests at the Richard Look residence will be Miss Joan Look and William Thomas of Garden City.

Mr. and Mrs. Rex Kochenderfer will spend Christmas at Flint.

Sunday visitors at the Merton Killey home were Mrs. Killey's brother, Robert Murray, and Mrs. Murray of Detroit.

Mr. and Mrs. Joseph Brubaker of Midland spent last week with Mrs. Brubaker's parents, Mr. and Mrs. George Hosbach.

Mr. and Mrs. H. J. Haley and family will enjoy Christmas at Saginaw with relatives.
 Miss Julie White, who attends

St. Mary's Junior College, Raleigh, North Carolina, will arrive this week to spend the holidays with her parents, Mr. and Mrs. Stuart White.

Dr. and Mrs. J. J. LaRue are leaving Friday to spend the holidays with her son, Arnie Olson, and family at Chamblee, Georgia. John Moffatt attended a funeral at Sheridan last week.

Mrs. Harold Morrison returned last week from a six-week tour of the country.

Mr. and Mrs. Alva Misener are spending some time at Sturgis with their daughter, Mrs. A. D. Cooke, and family.

Mrs. Herbert Hertzler attended the executive board meeting of Michigan Division of American Cancer Society at Grand Rapids Thursday.

The Marvin Gingerich family will enjoy the week-end and Christmas with Mrs. Gingerich's parents, Mr. and Mrs. Michael O'Farrell, at Bay City.

William Krueger returned Thursday to College Park, Georgia, after spending a few days with his parents, Mr. and Mrs. Clarence Krueger.

Mr. and Mrs. George Davidson are leaving Saturday to spend the holidays with their son, George Davidson, at Chicago, Illinois.

The John Srebnack family of Southgate will spend the week-end with Mrs. Srebnack's parents, Mr. and Mrs. Arthur Cole.

Tawas Area Christmas Vacation Starts Dec. 22

Tawas Area Schools will dismiss classes at 2:00 p. m. Friday, December 22, to begin the Christmas vacation. Classes will resume Tuesday, January 2, at the usual time.

Hale Area News

Hale Chapter of Michigan Health Council met Tuesday

The Hale Chapter of the Michigan Health Council met Tuesday

afternoon at the American Legion Building.

Three new representatives joined the group, Mrs. Alice Friebe and Mrs. Dorothy Ellerbeck from the Golden Agers and Mrs. Eunice Springsteen representing the extension group.

It was voted to revise the blood donor list to provide an up-to-date list ready for emergency call. Anyone between the age of 18 and 50 years of age, who can become a

blood donor, call Mrs. Royden Parkinson, RANDolph 8-2163; Mrs. John Dooley, RANDolph 8-2164, or any health council representative.

Mrs. Thurman Scofield has contributed drapes to be used in the loan closet building. It was reported that the outside of the building has been painted and the interior will be decorated at an early date.

Mrs. Springsteen and Mrs. Ellerbeck were appointed by chairman, Mrs. Dooley, to lay plans for a program to celebrate the 10th anniversary of the organization to be held after the holidays.

During the 10 years the council has been in existence, many families have received emergency aid in time of illness and distress. It has also been headquarters and distributor in the annual Easter Seal drive. Through these funds, many crippled children and adults have been aided. Beds, wheelchairs and recently a small-sized adult walker has been purchased. Other items have been contributed and are available to anyone who needs them in the area.

Anyone interested in the council or its activities is invited to attend the meetings held the second Tuesday of each month at the American Legion Building, 1:30 p. m.

I.L. DONALD WISSMAN of Wurtsmith Air Force Base was principal speaker at last week's banquet honoring 4-H Club leaders at the Barnes Hotel. Wissman, who spent six months in Australia, is shown at left demonstrating a boomerang which he brought back with him. He gave an interesting and informative talk on Australia, illustrated with color slides. Shown with him are Marimae Pember, Hale Happy Hustlers; William Wilson, also of Hale, and Roger Mott, Reno Topnotchers.—Tawas Herald Photo.

HONOR ROLL ANNOUNCED FOR 2ND MARKING PERIOD

Honor roll for the second six-week marking period has been announced by Principal Harold G. Bowden for Hale Area Schools.

A average: Tressa Bielby, ninth grade; Michael Crenshaw, 10th grade; Daryle Salisbury, 12th grade.

The following have B averages: Seventh grade: Randy Dorcey, Kathy Durham, Rickford Goodrow, Larry Kezele, Christine Lyle, Thomas Morgan, Karen Miller, Bobbette Pember, Brenda Short, Cynthia Webb.

Eighth grade: Michael Bielby, Connie Brooks, Eileen Clemens, Kathy Dorcey, George Mass, James McMurray, Diana Short, Neil Rosenquist.

Ninth grade: Francis Goodrow, Susan Holzheuer, Cheryl Lyke, Sandra Ranger, Virginia Smith, Margaret Webb.

Tenth grade: Marcia Clark, Deanna Holzheuer, Laura Thayer, Marimae Pember, Dianne Weaver, Linda Wyatt.

Eleventh grade: Ruth Ann Durham, Carole Goodrow, Jacklyn Kesler, Sandra Peters.

Twelfth grade: Joan Brindley, Gary French, Wilfred Holzheuer, Linda Stevenson, Wiley L. Streetler.

HALE EUCHRE TOURNAMENT UNDER WAY AT LEGION HALL

Beginning Monday evening, December 11, euchre players at the American Legion Building began a tournament which will end January 29. There are high and low prizes on each Monday and special prizes at the end of the tournament.

Mr. and Mrs. Edwin Sharp are hosts during the series.

BALDWIN

William Anderson returned to Detroit after spending the week-end with Mr. and Mrs. Edwin Anderson.

Clarence Pierson made a business trip to Bay City Saturday.

The Harold Cholger family visited Sunday with Mr. and Mrs. Andrew Anschutz.

The Donald Leitz family visited Sunday at the Arthur Leitz residence.

Mrs. William Wilkinson is home from Tawas Hospital.

Members of the Tawas Area Braves varsity football team and coaching staff were guests of Mr. and Mrs. Perry Crooker, owners of the Midway Drive-In, for a chicken dinner Tuesday night.

28 Boy Scouts Took Part in Christmas Party Last Wednesday

Hale Boy Scout Troop No. 90, under the leadership of Richard Parkinson and Robert Douglass, staged a Christmas party Wednesday evening with 28 boy scouts in attendance.

After an evening of games and a short meeting, the boys exchanged gifts. After quiet consideration, the boys voted to turn their gifts over to a local organization to be distributed to needy children to help make a brighter holiday.

The local troop is sponsored by the 60 Lakes Club of Long Lake.

60 Lakes Club Held Installation of Officers December 10

Members of the 60 Lakes Club held installation of officers at the club building, Long Lake, Sunday evening, December 10. Guests were members of the Hale Lions Club who acted as installing officers.

Lion members officiating were Earl Bielby, Harold Dorcey and William Wreley Jr.

Officers installed were Mrs. Edwin Sharp, president; Mrs. Frank Wells, vice president; Mrs. Donald Goodrow, secretary; Serge Thomson, treasurer; John Mortenson, trustee; Mrs. Joseph Anderson, social secretary; Mrs. John VanPatton, historian.

The club will hold its Christmas party Thursday, December 21, beginning with a pot-luck supper at 7:00 p. m., followed by the regular evening of euchre. Each one attending either the supper or the games will bring a small gift for Christmas gifts exchange to be held at the close of the games. Everyone is invited.

Gerald Bellen of Whittemore and well known in the Hale area, suffered severe injuries to his left hand when it caught in a corn picker at his farm Saturday, December 9. He was admitted to West Branch hospital for treatment and is now convalescing at home.

Word has been received here that Tom Hird, who resides on Kokingos Road and who left November 28 for Youngstown, Ohio, to spend the winter months with his son, has been stricken with a heart condition. He is confined to the hospital there.

Mrs. Helen Haas is reported to be convalescing nicely from injuries received in a recent auto accident.

Mrs. John Skinner and children, Patrick and Deborah, are spending some time with relatives at Colona.

Dale Malcho is spending a furlough with his parents, Mr. and Mrs. Michael Malcho, enroute to his new station in Texas. He has spent the last 1 1/2 years in Alaska.

Mr. and Mrs. Harry Mousseau have closed their grocery store west of town for the winter months.

The Spirit of the Season

THE SPIRIT OF CHRISTMAS is many things — it's the wondrous story of the Birth of Christ; it is the myths and legends that have lived through centuries of telling and retelling; it is the pleasure of giving, the joy of receiving. Best of all it is — "And on earth peace, good will toward men..."

'Living' Nativity Scene at Mikado Church Dec. 18-27

Local citizens as well as the multitudes of visitors may receive a new view of the real meaning of Christmas as members and the pastor of Calvary Baptist Church, Mikado, sponsor again this year a living Nativity scene in the church yard on Greenbush Road.

The Rev. Douglas Taipalus, who directs the entire program, reports that the pageant began Monday, December 18, and runs nightly until December 27 from 8 to 10 o'clock.

The cast includes 11 members a donkey, sheep and other live animals. The group is dressed in full Biblical costumes. A rustic manger depicts the days of Christ's birth and a musical background sets the mood for the program. People of all faiths have

come to enjoy this unusual presentation.
Spectators may remain in their automobiles to view this wonderful scene of the Nativity.

DORCAS AND MISSION SOCIETIES INSTALL OFFICERS
Mrs. Alfred Miller was installing officer at the combined installation of Dorcas and Women's Mission Societies of Tawas City Baptist Church December 12.

Those installed in the Mission Society were Mrs. Paul Beyer, president; Mrs. Douglas Ferguson, vice president; Mrs. Henry Frye, secretary, and Mrs. Fred Landon, treasurer. Mrs. Alfred Williams was installed president of the Dorcas Society along with Mrs. Laurence Clements, vice president; Mrs. Howard Freel, secretary, and Mrs. Paul Sayles, treasurer.
Hostesses were Mrs. Williams and Mrs. Clements.

TAWAS HOSPITAL SENDS THANKS TO CAROLERS
An expression of thanks was extended to church groups of the area which are presenting programs of Christmas carols at Tawas Hospital during the holiday season.
Sister M. Olivia, SSJ, hospital administrator, said Saturday that

the caroling is greatly appreciated by patients at the hospital.
Programs are held in the hospital lobby from 2:00 to 4:00 and 6:00 to 8:00 p. m. Other church groups interested in singing carols at the hospital are invited to contact Mrs. Joseph Homberg, Forest 2-2590, for scheduling.

'CHRISTMAS IN GERMANY' EXPLAINED AT AID MEET
How Christmas is celebrated in Germany was explained by Mrs. Allen Anschutz at the Emanuel Lutheran Ladies Aid Christmas party Thursday evening. Approximately 75 members and guests attended the pot-luck dinner and program which followed.
Mrs. Herbert Look sang a Christmas song for the group accompanied by Mrs. George Leslie. The entire organization joined in the singing of Christmas carols.

At 9:00 p. m. December 24, Holy Communion will be celebrated at St. John's Episcopal Church, Oscoda. The Rev. E. M. Kemp will officiate.

METHODIST CHURCHES OF THE TAWASES
Candlelight Holy Communion services will be conducted by the Rev. Ralph Edwards at the Tawas City Methodist Church December 24, 7:00 p. m., and at the East Tawas church, 8 o'clock.
A concert of Christmas music will be presented Christmas Day at the East Tawas church, 8:30 p. m. The Sacrament of Baptism will be at 4 o'clock, East Tawas.

ST. MARY'S GUILD ENJOYS CHRISTMAS PARTY - DINNER
Mrs. Catherine McMullen was Santa Claus at the Christmas party for members of St. Mary's Guild of Christ Episcopal Church. The affair was staged Tuesday afternoon at the parish hall. Twenty-four members enjoyed festivities which began with a chicken dinner.

The Rev. E. M. Kemp gave the invocation and showed slides of his home, Brantford, Ontario, Canada. Slides of London, England, and Edinburgh, Scotland, were also enjoyed by the group.

Miss Mary Gardner accompanied the ladies at the piano for the singing of Christmas carols.
Birthday anniversaries of Mrs. Alva Misener, Mrs. Nick Pappas and Mrs. N. J. Crocker were also celebrated. Decorations were in a Christmas motif.

The Upper Room

© THE UPPER ROOM, NASHVILLE, TENNESSEE
Read Ephesians 1:15-23
Let us now go even unto Bethlehem, and see this thing which is come to pass, which the Lord hath made known unto us. (Luke 2:15.)

Much as we would like to visit the places where our Lord lived His earthly life, for most of us the journey to Bethlehem will be in spirit, a journey of faith. Perhaps that is the most important manner in which to make this pilgrimage. It is one we should all make this Christmas season.

On our journey, we rediscover some basic elements in our faith. This is what Christmas should help us to do. We are reassured of God's love in that He came to earth in the form of a babe to redeem mankind. It is helpful for us to know that we are considered of such value in the sight of God that He would take action on our behalf.

We discover, too, that God is in his human situation—that we are not alone, nor entirely on our own. We are living in a friendly relation to God, who cares about what happens to us.

PRAYER
Almighty God, giver of all good gifts, we bless Thee for all Thy goodness and Thy love for us. May this anniversary of Thy Son's coming renew our hope, quicken our faith and deepen our love. In His name we pray and to Thy name be glory evermore. Amen.

THOUGHT FOR THE DAY
"God imparts to human hearts the blessings of His heaven."
Lorne James Henry, Ontario.

There are stars in the sky as well as thunder and lightning

There is goodwill in the hearts of men at Christmas. There's a warm welcome for the neighbor — a deep desire for friendship between nations — a determination to achieve lasting peace. ● Clouds scud along the horizon, sometimes building up to frightening thunderheads. Angry voices thunder without reason — and threats, like lightning, break and crash over people's heads. ● Yet the eternal stars are there — stars of Hope, of Faith, of Love — now dimmed or hidden by the clouds . . . now breaking through with a clarity and brilliance and strength that will not be denied.
● May these stars be seen and followed by the wise men of all nations.

May they light the path to peace.
That is the Christmas prayer of the people.

NOVEMBER AUTO SALES SET RECORD

Good News from Dodge!
Prices on all DODGE DART models are lower than last year

More new cars were sold this November than in any other November in automotive history. Industry sales are booming.
Before you buy any new car, check your Dodge Dealer. Check the new size Dodge Dart, actually priced up to \$71 less than last year's comparable model.

COMPARE DART'S NEW LOW PRICE	FORD FAIRLANE	\$2079
	MERCURY METEOR	\$2203
	THE NEW SIZE DODGE DART	\$2241
	CHEVY BISCAVINE	\$2324 <small>Price includes heater</small>
	FORD GALAXIE	\$2378

The 1962 Dart is a totally new kind of Dodge automobile. Two feet shorter than America's largest car. Two feet longer than the smallest. Dart is sized right in the middle of the big and little.

You get maneuverability without sacrifice of comfort or room. You get both gasoline economy

'62 DODGE DART!

and outstanding performance. The Dart standard six cylinder engine is the most powerful in the business. Its standard V8 develops more horsepower and torque than anything near its price.

Dart is comfortable. (Chair-high seats.) It is extremely easy to handle and park. (A new low-friction steering gear.) And like every Dodge before it, completely dependable. The body is rustproofed. The brakes adjust themselves. You go 32,000 miles between grease jobs.

The 1962 Dodge Dart is now, without question, the best buy on the market. See it. Drive it today.

EAST TAWAS

LOOKING over the loot recovered from a Tawas City service station break-in Wednesday night are, left, George Ruth, Tawas City police chief, and Troopers Donald Ulrey and William Ferguson. The troopers nabbed two escapees from an Oakland County juvenile home in a cabin south of Tawas City.—Tawas Herald Photo.

Juvenile Escapees Nabbed Here With Loot from B&E

Two teen-aged escapees from an Oakland County juvenile home were apprehended here at 2:30 o'clock Friday morning after they had earlier eluded a city-wide net of state, city and sheriff's department officers.

The two boys, one 14 and the other 15 years of age, were nabbed in a summer cottage south of Tawas City. Police said that after they gained entry into the cabin by breaking a window, the two boys had retired to bed with a loaded .22 caliber rifle under the blankets.

The two boys admitted breaking into a service station operated by James Sheehan near the Tawas River bridge and Genow's Fish Market, Linwood.

Stolen property recovered in the cabin included 24 cartons of cigarettes, candy, soft drinks and about \$50 in cash.

Sheehan reported the break-in Thursday morning when he opened for business. In addition to a large quantity of merchandise missing, \$100 in cash was stolen from the building.

About 5:30 o'clock Thursday afternoon, Detective LeRoy McCluer spotted a car traveling along US-23 with two young subjects in it. He radioed to state police headquarters at East Tawas for a file check on the license number.

Minutes later, it was learned that the car had been stolen earlier in the week from Pinconning.

All police agencies in the area were alerted and the car was found parked in front of King's Market. When the boys saw the police car turn around on US-23, they ran around to the back of the store and took off on foot.

State, city and sheriff's department officers converged on the area and searched for several hours but could not locate the youths. Through investigation and questioning of residents, police learned that a grandfather of one of the boys owns a cabin south of the National Gypsum Company loading installation.

The search ended when police found a window broken in the cabin and they were apprehended there by State Police Troopers William Ferguson and Donald Ulrey.

The boys, who had stolen an automobile at Pontiac, abandoned it and drove off in another car at Pinconning, had been living in the cabin for four days.

While conducting the search for the two lads, police notified residents of the area to remove keys from their car ignitions. This same announcement was made at Tawas City Recreation, where several bowlers rushed outside to comply. Officers also reminded owners that state law forbids leaving a key in the ignition of a standing auto.)

Iosco Probate Judge H. Read Smith ordered that the two boys be

held to await Oakland County authorities.

The past month has been a costly one for Sheehan. His alertness was responsible for nabbing a counterfeiter who left a trail of bogus bills from Bay City to Alpena on November 16, but he is still out \$20 and a tank full of gas in that deal. Police have returned \$50 of the money taken from his station Thursday night, along with 15 cartons of cigarettes and some clothing the boys purchased with the stolen cash. "I guess I was lucky to get that back, even though it amounted to about one-half of my loss," he stated.

NAVY ANNOUNCES PROGRAM TO BOLSTER NAVY STRENGTH

The United States Navy Recruiting Station today announced an emergency incentive program aimed at procuring volunteer enlistees to immediately bring the navy up to manpower strength. Robert Marx, chief quartermaster, announced that for the remainder of 1961 enlistees may request and will be granted Christmas leave, with pay, to expire at the United States Navy Recruiting Station, Detroit, January 3, 1962.

All interested men are encouraged to contact Chief Marx at the Federal Building, East Tawas, as soon as possible for further information.

Nicholas, Beloved Saint of Children And Christmas

The "Santa Claus" of so many children in Europe is Saint Nicholas.

Saint Nicholas, reputed to be the hardest working Saint of all — was born in Petras, city in Asia Minor. His history tells of many great miracles, great deeds to help the poor and the needy.

He is patron saint to bankers, pawn-brokers, unmarried girls, children, mariners, scholars, and even thieves. He is said to have lived in the Third Century after the birth of Christ.

Over 600 years later, Saint Nicholas was adopted as the patron saint of old Russia and later by the Laplanders and Samoyeds. (From whom he probably acquired his sleigh and reindeer.)

Saint Nicholas is also revered in Germany, France, Switzerland, Holland and Luxembourg — and it is in these countries that he appears traditionally riding his white horse, carrying gifts for good children and whipping rods for the bad ones. His gifts are bestowed on December 6th.

When the Dutch settled in the American colonies, they brought with them the tradition of Saint Nicholas or "Santeklas," as he was affectionately called.

From the tall, lean and spiritual looking character in long robes, he was gradually transformed into the image we know now.

EX-NAVY MEN TO GET 30 DAYS LEAVE UPON RE-ENLISTMENT

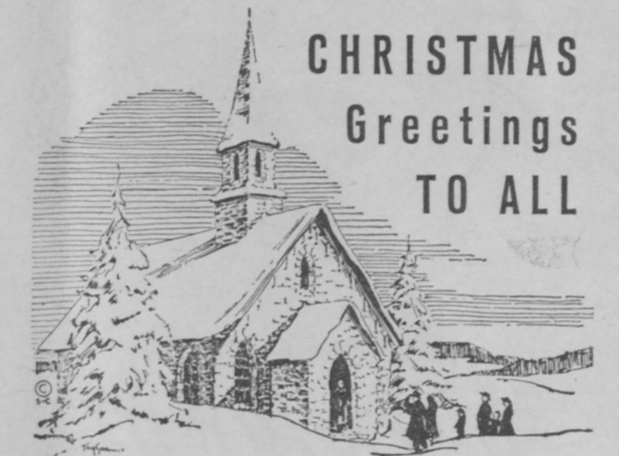

Robert Marx, chief quartermaster, at the local navy recruiting station today announced that he has been authorized to grant all ex-navy men up to 30 days ad-

vance leave upon re-enlistment. Chief Marx urges all ex-navy men who have been delaying re-enlistment because of the holidays to see him immediately at the Federal Building, East Tawas.

Observance Was Once Against Law

At one time it was illegal to observe Christmas in this country.

In 1659 the Massachusetts Bay Colony's general court passed the following resolution: "Whosoever shall be found observing any such day as Christmas or the like, either by forbearing labor, feasting, or any other way, as a festival, shall be fined five shillings."

It is believed that the first "legal" observance in this country was in 1687 when Governor Andros conducted services in Boston's town hall. However, it was not until 1856 that the Massachusetts State Legislature passed laws making Christmas a legal holiday.

Our wish to you is that of St. Nick's --

"HAPPY CHRISTMAS TO ALL,
AND TO ALL A GOOD NIGHT!"

North Hale Group Has Christmas Party

The sound of Christmas music greeted members of North Hale Extension Group when they met at the home of Mrs. Irwin Langenbahn for their Christmas party and gift exchange.

that every member, who had enrolled for the first aid course, should attend the lesson. Items to be made this winter for the country store at the fair were also discussed. The proceeds of the store will be used to help pay for a 4-H exhibit building.

Liquid embroidery will be the lesson presented by Mrs. Frank Abbinante at the January 16 meeting. Mrs. Clyde Randall will be hostess.

For A Very Merry Christmas

The Three Wise Men

IN the wonderful story of Christmas appear the Magi — the Three Wise Men, yet the Scriptures tell us very little about them.

We are told they were kings from the East who brought gifts of gold, frankincense and myrrh to the Christ Child.

The Magi were members of a priestly caste — their religion was fundamentally that of Zoroaster, an ancient philosopher. This particular group was recognized to be physicians, versed in the use of herbs and were credited with remarkable healing powers.

They were, no doubt, astronomers as well as geographers. Their studies of the heavens led them to recognize the advent of a new star in the system of Jupiter and Saturn.

And, their journey from Persia, which is believed to have been their starting point, to Bethlehem was a trip of over 1,000 miles. Traveling by camel, the trip could have taken anywhere from three months to a full year.

Kings, scientists, seers — the Magi were all of these — they were the Three Wise Men of the Christmas Story.

'Buying a Living with Money' ... Club Topic

"Buying a living with money instead of making it with our hands" was the topic of discussion at the Wilber E-Z-Do-It Extension meeting December 12. Children's attitudes toward money was also discussed by Mrs. Lynden Lee, Mrs. John Henry and Mrs. Lewis Rodman, leaders.

A cookie exchange served as roll call followed by an exchange of gifts. Mrs. Henry won the centerpiece made by Mrs. Hershall Hyzer, hostess.

Mrs. Arthur Leitz was welcomed as a new member. The January 9 meeting will deal with tax figures.

UNIQUE DECORATION

Christmas isn't exactly the season for moth balls, but they can be used to make a unique Yuletide decoration.

Use modeling clay to anchor a tall red or green candle in an apothecary jar. Put in a handful of moth balls and then a quarter cup of vinegar plus a teaspoon of soda for every glass of water needed to fill the jar.

The results may surprise you. The moth balls will dance merrily around the candle for an hour or so. When they stop, another dash of vinegar and soda will start them dancing again.

Pilgrims Gather In Jerusalem

Today, as through the centuries — every Christmas morning, thousands of pilgrims gather in the open fields south of Jerusalem to listen to the distant bells from Bethlehem.

In the mists of dawn, these devout gather to sing, pray and meditate in the very area where Christ Himself was born.

Though Bethlehem is now owned by Jordan, pilgrims may travel there upon application and consent of both Jordan and Israeli governments.

On the Israeli side and the Jordanian side of the Holy Land, many special services are held to commemorate His Day.

206 Whittemore Residents Blood-Typed At Thursday Evening Meeting

The blood typing program conducted at the high school Thursday evening was a success. Two hundred six children and adults in the community were typed by three technicians from Toifree Memorial Hospital. Mrs. Dornace Bellville, chairman, expressed thanks to workers, Mrs. August Lange Jr., Mrs. Robert Leslie, Mrs. Dennis Hoffman, Mrs. Arthur Aulerich, Mrs. George Blust, Mrs. Gerald Anschuetz, John Dickey, Mrs. Gerald Bellen, Mrs. John Cobb, Herbert Hall and everyone who helped make the program a suc-

cess. Mrs. Bellville announced that arrangements have been made with Norman Sanders, Toifree Memorial Hospital administrator, to set up a similar blood typing program in January to handle all those who were not typed at the December 7 meeting.

The program is sponsored by the Whittemore Elementary P-TA and the Whittemore Grange.

HALE GUERNSEY COMPLETES DHIR PRODUCTION RECORD

A registered Guernsey cow, Plainfield Lea Lola, owned by Henry and Carl Luitje, Hale, has completed an official DHIR production record, according to the American Guernsey Cattle Club, Petersborough, New Hampshire. This record was for 11,610 pounds of milk and 549 pounds of fat. "Lola" was a junior four-year-old and was milked two times daily for 305 days while on test. This official production record was supervised by Michigan State University.

About Holly

Superstitious Britons considered it unlucky to bring holly into the house before Christmas Eve. Even today, the superstition persists that if the leaves of holly brought into a home at Christmas are smooth (rather than rough) the wife will "rule" the household during the following year.

does your coverage provide **limited cash or hospital care without limit?**

Typical care and typical costs say nothing about your needs. You're an individual, not a statistic. Blue Cross-Blue Shield comprehensive coverage doesn't tell you how expensive an illness you can have, or what treatments can be used. For services covered in a comprehensive Blue Cross-Blue Shield contract, you get not limited dollars, but care without cash limit. New medicines and techniques are added to your Blue Cross-Blue Shield comprehensive coverage automatically. You get them when you need them. For instance, there is no set maximum per year for radiation and X-ray therapy for cancer. Protection based on individual need is the unique value of Blue Cross-Blue Shield. Don't settle for less! Call the enrollment specialist in your area. He'll answer your questions, tell you how to join.

CURTIS DISTRIBUTING COMPANY

West Branch, Michigan

Roy McMurray is New Prexy of Tawas C of C

Roy McMurray, Tawas City bait shop owner, was elected president of the Tawas Chamber of Commerce at a meeting of the board of directors last Wednesday night. He succeeds Bruce Myles, 1961 president.

Other officers elected were Edward Nelkie, vice president; Carl Thunberg, secretary, and Emmitt Collins, treasurer.

Members of the board of directors for 1962 include Richard Egli, Arthur Wuggazer, Carl Helmer, Del Myles, Vernon Pugh, Anthony DeFilippi, Gordon Dunham, C. V. Miller, Joseph Branham, Clarence King, Donald Watson, John Skinner, Gilbert Barrett.

Additional members include the president of the Tawas City Businessmen's Association, chairman of the Silver Valley Committee and president of the Tawas Junior Chamber of Commerce.

Outgoing members include O. E. Ostrander, John Pinter, Jerry Cotter, Fred Look, James Martin, Emmett Cecil and Neil Thornton.

The treasurer's report indicated that 146 members have paid dues of \$4.621.

HIRAM SIMS

Hiram Sims, 71, a native of East Tawas, died December 10 at his home at Walled Lake. He was a retired oil company bulk agent.

Born February 12, 1890, he was the son of the late Hiram and Mary Sims.

He is survived by his wife, Florence of Walled Lake; one son, Richard, also of Walled Lake; two brothers, Bartel Sims, Jackson, and Herbert Sims, Grand Rapids; one sister, Mrs. Roy Christian, Waberville.

Funeral services were held December 13 at the Richardson-Bird Funeral Home, Walled Lake. Officiating was the Rev. Lawrence Kinne of St. Mathews Lutheran Church. Burial was in Woodland Cemetery, Jackson.

Fire Truck Won't Fit in City Garage; To Remodel Building

East Tawas Council is to accept bids for rebuilding the front of the city garage at a special meeting December 27.

When delivery on the city's new fire truck was made last week, it was found that front doors of the building were too low to permit entry of the vehicle.

Front of the building is to be redesigned with three, larger doors.

In other business, the council authorized the purchase of certificates of deposit in the amount of \$36,500 from surplus money. This is to establish a public building fund.

Attending his first meeting as alderman was James Campbell, who was appointed to fill the vacancy caused by the resignation of Frank Wilkusi.

Tawas Lake Group Objects to Dam Tax

Objections over methods of assessing engineering costs for the proposed Tawas Lake dam have been voiced by property owners in that special assessment district located in East Tawas and Baldwin Township.

Tax statements received by property owners of the district this month reflected a \$5 per lot charge to defray cost of preparing plans for the dam by Scott Engineering Company of Alpena.

At Wednesday's meeting of Iosco County Board of Supervisors, a delegation of property owners objected to this particular levy because of what they termed inequitable assessment.

Orville Moore, spokesman for the group, said that property owners had been led to believe when petitions were signed requesting engineering on the proposed dam that cost of this work would be based on a graduated scale.

He said, however, that all lots in the special assessment district, regardless of their proximity to the lake, were assessed at a flat rate of \$5 per parcel.

This, he said, was unfair to those owners whose property does not have water frontage.

Supervisor Floyd C. Upton of East Tawas, one of the original backers of the proposed dam and a property owner in the special assessment district, said that he had assumed that riparian owners would pay a higher assessment than those located further inland and believed there was some misunderstanding in the method of assessment.

Plans for the proposed dam, which is intended to raise Tawas Lake to the level established by Iosco County Circuit Court, have been submitted to the board of supervisors by Scott Engineering. Cost of the project was \$2,800.

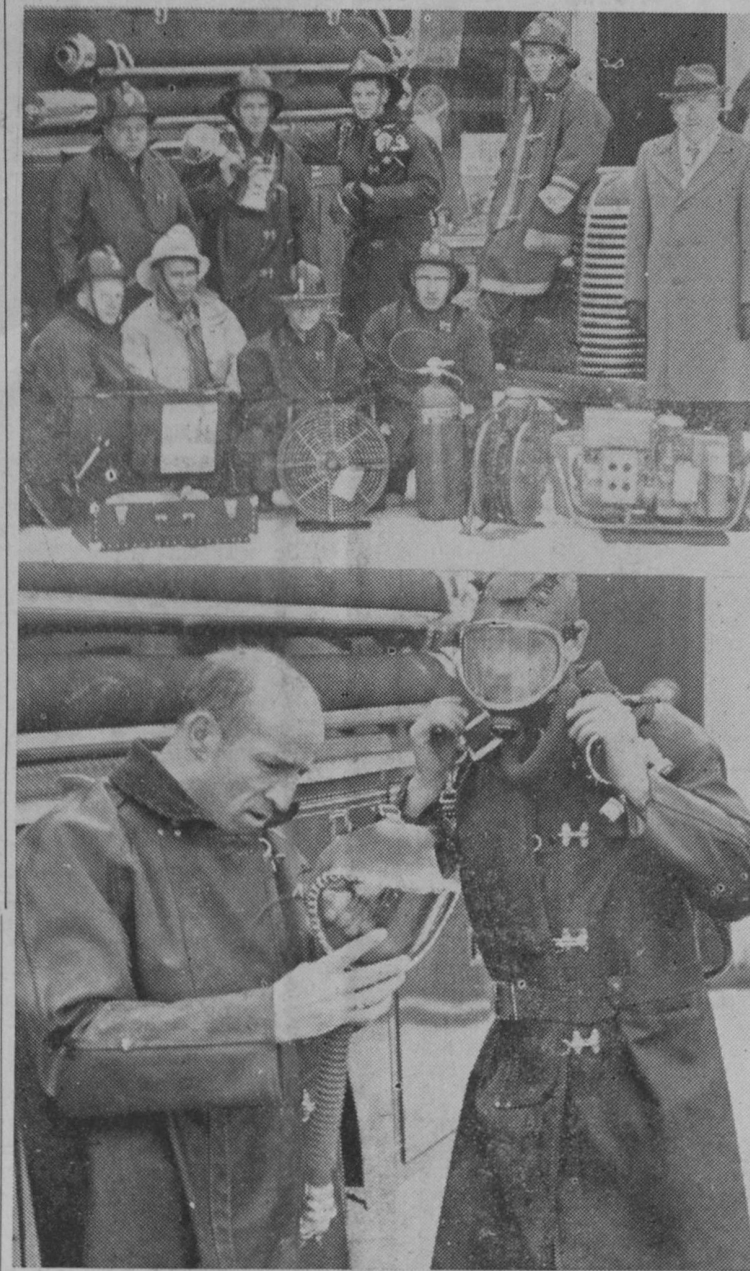

Prosecuting Attorney William McCready reported to the board that the method of assessing engineering costs in such a district was strictly up to the county drain commissioner and that he could levy as he sees fit.

Action on the matter was tabled by the board until further study can be made. E. H. (Bert) Stickeney, county drain commissioner, has been hospitalized for some time.

SOUTH SHERMAN SEWING CIRCLE HELD PARTY

On December 14, South Sherman Sewing Circle members enjoyed their annual Christmas party at the home of Mrs. Dorothy Koehn. The event also served as a surprise housewarming for Mrs. Koehn, who has recently completed remodeling her home.

Mrs. Koehn was honored with a "This is Your Life" program. Mrs. Dorothy Alexander was master of ceremonies. Mrs. Koehn was the recipient of many gifts.

Officers Installed by Tawas City Lodge Saturday Night

Clare Herriman, who was re-elected worshipful master of Tawas City Lodge No. 302, F and AM, was installed in open ceremonies last Saturday night at Tawas Masonic Temple.

Installing officer was Roy Westfall of Harrisville, a past master of the Tawas City lodge.

Others installed included: Marvin Davenport, senior warden; Walter Champion, junior warden; Charles McLean, treasurer; John R. Forsten, secretary; Harold Hammond, chaplain; William Wickert, senior deacon; R. Harry Crawford, junior deacon.

Paul J. Beyer, Vernon Blust, Gene Ballinger and Bill McIntosh, stewards; A. Don Anderson, marshal, and Cecil W. Cabbie, tiler.

Three vocal selections were presented by Miss Ruby Evans, accompanied by Mrs. Archie Colby at the piano.

35-Year Men

(Continued from page 1.) The chill out of the brick and steel building.

Although several additions have since been made to the original structures, one of the biggest changes has been in the quarrying operation with development of the company's new quarry and lake shore loading installation.

The National City plant also has an "alumnus" who is a 35-year man. He is Al Kohorst, production engineer at Buffalo, New York, who recognizes this area as his residence.

Retirement Plan Submitted to Iosco Board

A retirement system for county officers and employees which was submitted Wednesday to the Iosco County Board of Supervisors has been referred to its finance committee for study.

Based on Michigan laws which established the Municipal Employees Retirement System, the plan was submitted by Mrs. Grace Miller, county treasurer.

According to this plan, cost to employees would be three percent of the first \$4,200 of their annual salary and five percent of that portion of the salary in excess of that figure.

Each participating municipality finances its own pension obligations and the cost is based upon salaries, ages and years of service of its employees.

The only way the cost could be determined for Iosco County would be on the basis of an actual survey.

Some 95 municipalities in the state have a similar pension plan, along with six counties and 23 road commissions.

Supervisors

(Continued from page 1.)

ance duties and will be paid at the rate of \$1.25 per hour for an eight-hour day.

Hiring of the janitor was put in the hands of Edward Burgeson, county welfare director.

It was also ordered that the practice of furnishing mail service to county offices by the custodian or janitor be discontinued.

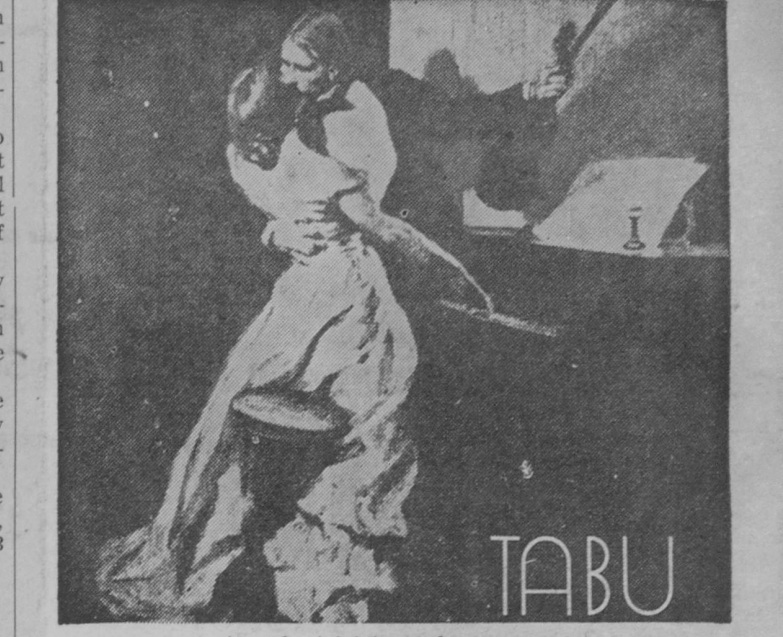

Bid of William Look and Sons, East Tawas, was accepted for furnishing a new car for the sheriff's department. Price of the vehicle was \$1,500 plus trade-in.

On motion of L. S. Little, the board voted to allow no more bills for cost of autopsies without an at-

tached explanation by the county coroner of why they were ordered.

A request from Albert H. Buch for hiring a full-time clerk in the register of deeds office was tabled.

The board voted to increase the county's liability coverage because of a recent ruling of the Michigan Supreme Court which denied exemption to a municipality in a damage suit.
