## To Decide Dec. 11 on Intervening Plaintiffs

According to a ruling Friday by Judge Allan C. Miller, all parties desiring to intervene in damage claim litigation against National Gypsum Company have until December 11 to file a copy of the bill of particulars of their alleged damages.

On that date, petitions will be considered by Judge Miller and objections heard. No intervention will be permitted after that date in this particular suit.

This action was taken during pre-trial of a suit already instituted against the gypsum company by seven plaintiffs who were involved in the original litigation.

Original plaintiffs asking judgment are Dr. Malvern F. Obrecht, \$69,700; the Rev. Fr. Robert Neuman, \$35,000; Arthur L. Johnson, \$104,130.

Damage claims were filed November 22 by Howard Davis, \$10,000; Newell Trask, \$14,000; Walter J. Hellenberg, \$22,000.

Latest to file was Elmer Slaven, who claims \$90,000 in damages.

Attorneys T. George Sternberg and John W. Richardson had made an appearance Friday for persons who claim to be in the involved case, but who were not named as parties plaintiff in this litigation.

This lawsuit involves damage claims against National Gypsum's "Port Gypsum" installation south of Tawas City. Plaintiffs claim that lake freighters using the facility cause water to become muddy and roily, that water is contaminated, that they have been unable to use waters in front of their property and that they have been deprived of the use of their property because of the installation.

National Gypsum Company quarries gypsum rock inland and transport it to a site south of Tawas City and over the water of Saginaw Bay to lake freighters. It was allowed to complete construction of its loading installation after a 1957 decree was issued in Iosco Circuit Court by Judge Herman Dehnke, who retired in 1959. Signing of the decree followed long months of litigation in circuit court here.

Plaintiffs base their present case on a supreme court appeal of Judge Dehnke's decree, which was decided September 16, 1960. The high court reversal subjected the gypsum company to payment of such damages as plaintiffs may be able to prove.

Trail has been set for February 20 and Judge Miller reserved the

remainder of the month for this hearing. He granted National Gypsum Company until December 31 to file answers to the petitions and bill of particulars.

Discovery in the litigation is to be completed during the month of December. (See COURT, page 12.)

## Council Tables Appointment of Alderman

Action on an appointment by Mayor C. V. Miller to fill a vacancy on the East Tawas Council was tabled by council members at the regular meeting Monday night.

Miller had entered the name of Joseph O'Connor, East Tawas businessman, to fill the unexpired term of Frank Wilkusi, veteran councilman who resigned two weeks ago.

Members of the council said they wished to talk to residents of the First Ward before any action was taken on appointing a new councilman. It was indicated that others may be interested in the post.

City Clerk Fred Lomas said that action on filling the vacancy had to be taken within 20 days from the date of Wilkusi's resignation.

Appointment of Donald Hozaboom to the city planning board was approved by the council. There had been a vacancy on the board for some time.

No objections were registered during two hearings called by the council. One was for establishment of a special assessment district to construct a sewer on Sawyer Street north of Franklin and the other was to add a clause to the zoning ordinance which provides a penalty against those who do not comply with the ordinance.

A hearing is to be held January 8 to air any objections toward proposed changing of street names, many of which are duplications or are similar.

Mayor Miller appointed James DeRosa, Wayne Pollard and Edward Seifert to a committee which will formulate a tree-planting program in the city.

Miss Edna Otis, chairman of the centennial committee, gave a report on the proposed 100th anniversary observance at East Tawas in 1962. She was asked to present monthly progress reports.

## Essays of TA Seniors Picked for Anthology

Four Tawas Area High School seniors have received notice that they have won certificates in the National Essay Association contest. "Young America Speaks," and their essays will be printed in a national anthology for high school students.

Certificates were awarded to Charles Miller, Roberta A. Brookbank, Fay Rice and Roger L. Clapp.

Mrs. Donald A. Evans, senior English instructor, said this was a high honor for the school, especially in having the essays of four students accepted.

Copies of the anthology will be available to students, teachers and school libraries.

## MIXED UP FROGS STILL 'SING' IN TOWNLINE ROAD POND

Even the frogs are not sure of themselves during the mild weather of late fall. Harry Rescoe of the Townline Road reports that about four dozen frogs were "singing" in a pond near his home Monday.

# MEDI-CARE FACILITY VOTE MONDAY

## Run-off for Senate Seat Also Set for Same Day

Two important elections will be held next Monday in Iosco County polling places. Voters will decide on a proposed medical care facility for the county and 28th Senatorial District voters will also name the successor to the late state senator, Charles T. Prescott, in a runoff between two party candidates.

Running for the senate seat are Harold B. Hughes, Clare Republican, and Hubert C. Evans, Gladwin Democrat. Both were successful party nominees in the recent special primary election called by Gov. John B. Swainson.

Iosco County voters will decide on a proposed \$550,000 45-bed medical care facility or convalescent home for the aged.

If the proposition receives a favorable vote, Iosco would sell \$300,000 worth of general obligation bonds over a 12-year period to finance its share of the construction.

The remainder would be furnished by a federal grant of \$250,000 which has been assured from Hill-Burton Funds. These are the same funds which assisted in constructing Tawas Hospital.

Construction of a medical care facility or nursing home has been a principal concern of the Iosco County Board of Supervisors for many months. A special committee consisting of Clarence Everett, Henry Oates and William White

was appointed in 1959 to investigate the possibility of constructing a county-owned facility.

After visiting other county-owned homes and discussing the problem with state officials, the committee recommended to the board of supervisors that a medical care facility should be built. The Office of Hospital Survey and Construction agreed that such a unit was badly needed in Iosco County and offered a grant of \$250,000 to help on construction costs.

The Michigan Department of Social Welfare pointed out that with such a facility, the county could be eligible to receive 90 percent of operation costs for those patients who are eligible for Medical Aid to the Aged, a program recently approved by congress and the state legislature.

The new facility would be operated by the Iosco County Board of Social Welfare. An administrator and a part-time medical director would have supervision.

Although stating that the American Medical Association is for voluntarism and objects to the present administration's efforts to tie-in medical aid with social security, Leonard W. Larson, M. D., president of the AMA, stated November 27:

"We vigorously support the Kerr-Mills Medical Aid for the Aged Act because it is tailored to help those who need help. Through federal grants-in-aid, the states are being assisted in developing medical care programs specifically designed to help needy older people."

Stating that his department recognizes the need for additional acute care facilities in Iosco County, as furnished by a general hospital, J. R. Homminga, director of hospital and medical facilities division for the Michigan Department of Health, said Saturday that the need is not as great as for the long-term care nursing home type of service.

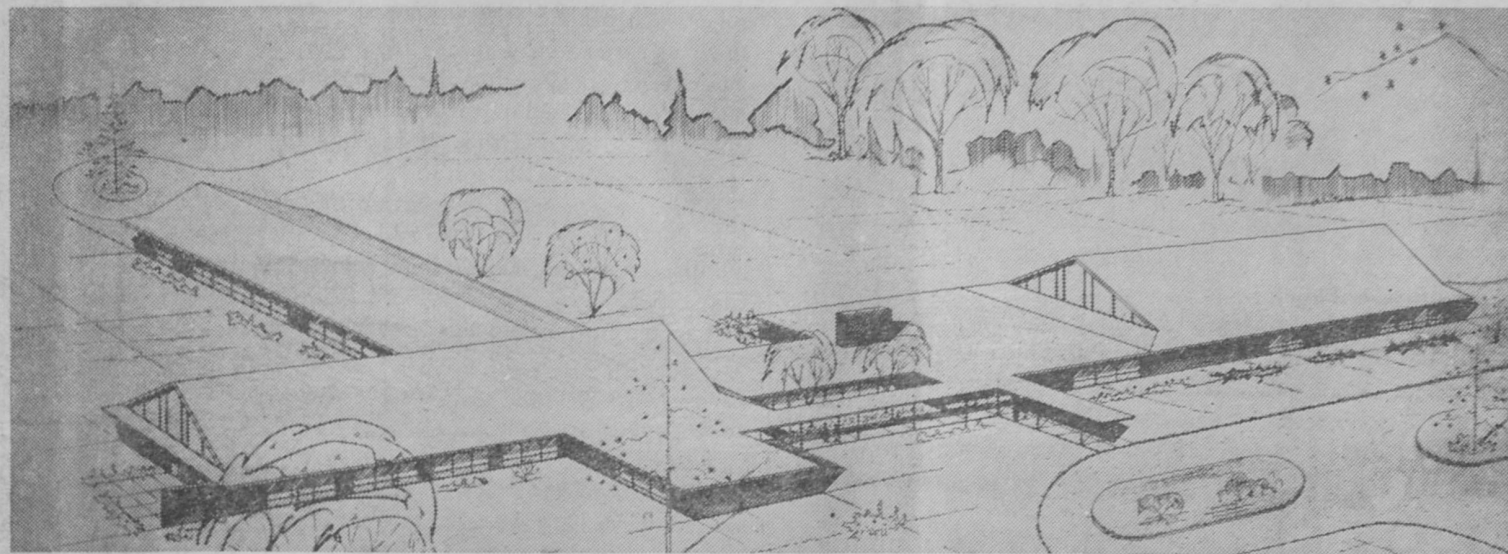

"At the present time, it is estimated that approximately 60 beds should be provided in the area," he stated. "The existing Tawas Hospital of 38 beds provides for about 60 percent of the acute care needs. Approximately 45 beds are needed for long-term care and at the present time, there are no existing suitable facilities of fire-resistant construction and with RN supervision of the nursing service. Therefore, the area has zero percent of its need met for long-term care facilities."

He said that limitation of the hospital site does not allow for the expansion of the hospital to provide for the long-term care and chronically ill patient.

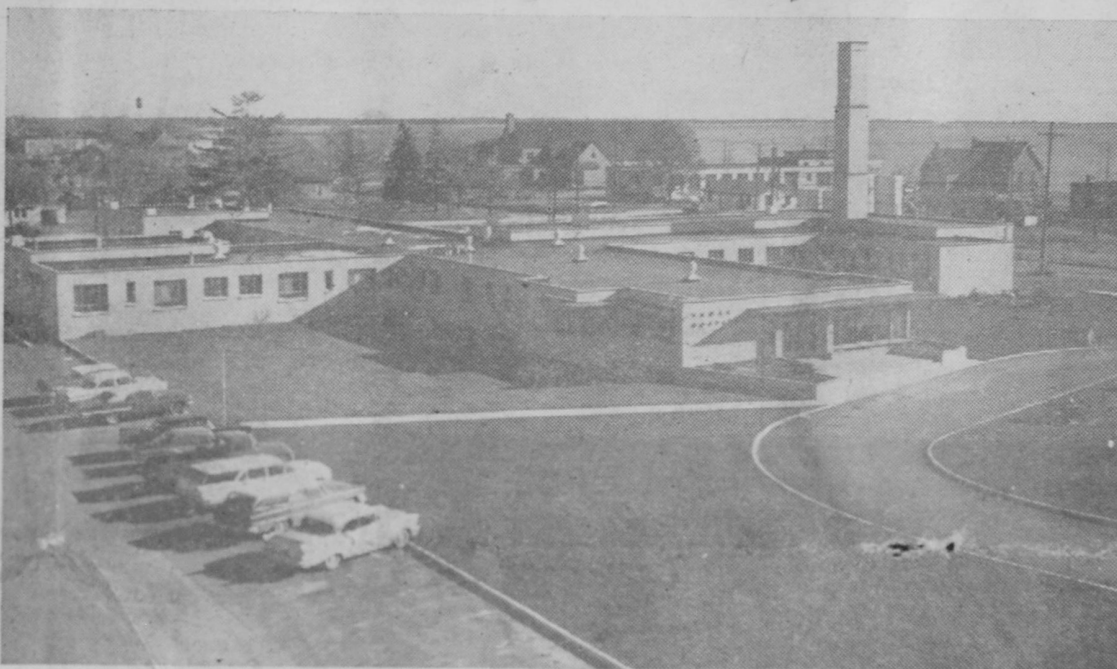

"This office is interested in expanding the general hospital and will provide financial assistance if the doctors or others in the community provide the local share or about 55 percent of the cost," said Homminga. "We believe that additional facilities should be made available for the high type of medical care provided in the general hospital, but facilities for an equally high standard of care to be provided by the physicians for the long-term chronically ill pa-

tients. (See VOTE MONDAY, page 12.)

★ ★ ★ ★ ★  
If Approved, Medical Care Facility Would be Located ...

... Across from Tawas Hospital

TAWAS HOSPITAL, located on M-55, is pictured directly above. The medical care facility proposed by the Iosco Board of Supervisors would be located west of M-55, nearly directly across from the general hospital.—Tawas Herald Photo.

See Editorial and Letter to the Editor on Page 2.

## Tawas Bay Again to Host Lightning Fleet

Tawas Bay will again be the site of the Michigan District Lightning Championship regatta. At its winter meeting Sunday, the Lightning Class Association voted to hold the state meet here July 21, 22, 23 of next year.

This will be the fourth time that the Michigan district has held its regatta on Tawas Bay. Top winners compete in the international meet.

Representing Tawas Bay Yacht Club at the meeting were L. G. McKay Jr., Charles Schreck, Herbert Cox and Dr. Gerald Murphy.

The meeting was held at Bay View Yacht Club, Detroit.

## AIRMAN HELD

An 18-year-old airman from Wurtsmith Air Force Base, Walter Flowers, was arrested Monday by state police for larceny of an auto. He is charged with taking the auto from Rogers City and then driving to Wisconsin. He returned to Michigan with the car. He is being held for the Presque Isle County Sheriff's Department.

## Give Cost Analysis on MCF Proposal

Cost analysis of the proposed medical care facility shows a per square footage cost of \$20. Of the \$549,740, a total of \$437,440 would be spent for general construction. Site development would amount to \$25,000 and equipment \$40,000.

An area summary shows that there would be 21,872 square feet of floor space in the entire building. A breakdown is as follows:

Administrative department—844 square feet. Includes business office, administrative office, head nurses' office, lobby and waiting room, public toilets, public phone.

Medical department—1,097 square feet. Would include doctor and case worker office, examination room, toilet, laboratory, physical therapy room (407 square feet), physical therapy toilet, drug and central supply.

Recreation department—1,874 feet. Would include 700 square feet in recreation area, 350 square feet in occupational therapy, 600 square feet in dining room, 20 square feet in janitor closet.

The nursing department, largest area in the building, would total 6,908 square feet. It would include three rooms of four beds each, 13 rooms of two beds each and eight rooms of one bed each. Of the 46 beds, 475 square feet of floor area is devoted to each bed.

The service department would include 4,469 square feet, including facilities for kitchen, laundry, heating, employee facilities and storage.

According to estimates of the committee, the facility would probably employ about 30 persons. This would include three registered nurses, three practical nurses, 11 nurses aides, two orderlies, six kitchen employees, two laundry personnel and two in maintenance. This list is only an approximation and is based on figures furnished by the Charlevoix County Medical Care Facility.

According to cost figures taken from Charlevoix County, which operates a 65-bed unit, average daily total cost per patient is \$7.11. Net cost to the county for operation is \$1.81 per patient day. Based on these figures, operational costs of the medical care facility would be comparable to the cost of maintaining county patients

in private facilities. However, the county would be taking advantage of the federal government's Medical Aid to the Aged program and would be providing more adequate and improved facilities for the aging population.

## Shoreline Hearing Slated at Lansing

A public hearing on proposed legislation to clarify rights and control shoreline fills, dredgings and similar developments in Michigan's Great Lakes and inland waters will be held December 12 in the Capital Building, Lansing.

The hearing, scheduled to begin at 10:00 a. m., will be held by a joint legislative interim committee studying problems of Great Lakes submerged lands and inland water shorelines.

Representative Homer Arnett of Kalamazoo is chairman of the special committee.

Legislative proposals up for discussion at the hearing are aimed at solving some of the state's most pressing water-use problems which have arisen with Michigan's steady population growth.

This growth, mounting recreational use, and new shipping potentials offered by the St. Lawrence Seaway have spelled the need for new laws to clarify and protect public and private rights so that an orderly, long-range planning program can be worked out to account for Michigan's total water demands.

Proposed amendments to the Submerged Lands Act of 1955 call for (1) clarifying and defining limits of the title of shoreline owners and authorizing joint control over disposal areas in the Great Lakes by local, state and federal agencies; (2) allowing beach improvements under a permit system; (3) defining standards of improvement for future construction of wharves, docks and other such structures; (4) fixing responsibility for removal of abandoned man-

## Hilbert Applies for 'C' License; OK'd by Council

Tawas City Council approved a request for class C liquor license submitted Monday night by H. R. Hilbert, owner of the Tawas City Recreation.

Hilbert said that to his knowledge, a class C license was not available at this time, but wished to make application in advance if a license does become available.

Council approval is needed before submitting application to the state liquor commission.

The request received unanimous approval on motion of Arthur Wegner and supported by William Murray.

City Treasurer John Hosbach presented his monthly financial report. Chief of Police George Ruth presented his departmental report for November.

Minutes read from last week's water board meeting indicated that persons residing on German Street from Beech Street to M-55 were to be notified of the possibility of constructing a sewer main along German Street.

One building permit approved during the past week by the department of public works was submitted by Philip E. Ross, 629 Whittimore Street, aluminum siding, replace steps, repair roof, \$2,200.

made navigational hazards, and (5) spelling out more clearly conditions under which deeds, leases and agreements may be issued.

Also included in the proposed (See SHORELINE, page 12.)

## Combined Bands Concert Saturday

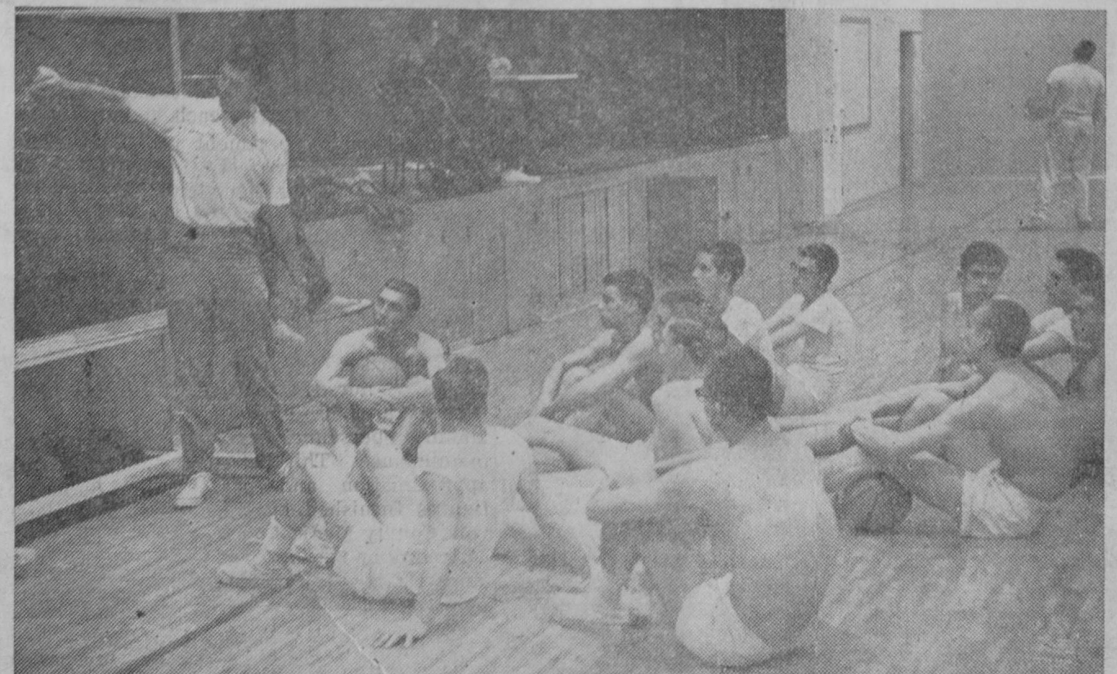

Tawas and Clare high schools will hold a combined bands concert Saturday, December 9, 7:30 p. m., at the Tawas Area Auditorium.

Clare High School Band will present three selections, under the direction of Lloyd Conley. Included will be "Troika," Prokofiev-Walters; "Two Pieces for Band With Muted Brass," Decker; "Shadow of a Fortress," Palange.

Tawas Area High School Band, under the direction of Edward J. Rima, will present: "Amarito Roca," Jaime Texidor-Winter; three chorale preludes, "Break Forth, O Beauteous Heavenly Light," "O Sacred Head Now Wounded," "Now Thank We All Our God," William P. Latham; "American Folk Rhapsody," Clare E. Grundman.

The combined bands will present: "Drake Relays," march, E. L. King; "Allerseelen," Richard Strauss-Davis; "Four Episodes for Band," consisting of march, evening song, waltz, samba, by John J. Morrissey; "National Emblem," march, E. E. Bagley.

This concert is to be repeated in Clare on Saturday, January 20.

TAWAS AREA BRAVES, who open the 1961 basketball season here Friday night against Whittemore-Prescott at Arenac Eastern. Beaverton, are shown here studying a play during pre-season practice. At the blackboard is

Coach Bill McIntosh. Other NEM games this week find Whittemore-Prescott at Arenac Eastern. Friday night will also be the season opener for the Cardinals of Coach Ed Dudo.—Herald Photo.

I pledge allegiance to the flag of the United States of America and to the republic for which it stands; one nation, under God, indivisible, with liberty and justice for all.

408 Lake Street Tawas City, Michigan  
Entered at the Tawas City Post Office July 12, 1884, as Second Class Matter, under Act of March 1, 1879.

P. N. THORNTON & SONS, PUBLISHERS

EDITORIAL—

**A 'Yes' Vote is Urged Next Monday**

All residents of Iosco County are urged to vote Monday, December 11, on the Iosco Medical Care Facility proposed by the board of supervisors. The time has come for the people to assert themselves.

A "yes" vote on both propositions, one to raise the debt limit and the other to authorize a \$300,000 general obligation bond issue for a period of 14 years, is urged by publishers of this newspaper.

In spite of the contradictory and confusing statements issued by the Tawas Medical Group, which may have been written to be un-understandable to the public, this medical care facility or convalescent home is needed now. And, it is not a duplication of facilities or services offered by Tawas Hospital, which is intended primarily for treatment of the acutely ill.

Many months of investigation have gone into this project by the board of supervisors and many meetings have been held throughout the area to acquaint taxpayers with their findings and recommendations. We are happy to see that one local physician has recognized the efforts of the board and its special committee and has commended their work. We are sure there are others who share the same feeling.

The proposed medical care facility is a term for nursing home or convalescent home in the social welfare act. It can provide skilled care—terminal care, convalescent care, rehabilitation—for the chronically ill and aged. It is expected that the facility would also serve the self-supporting citizen as well as the medically indigent and thus render a valuable community service. (It should be remembered that even the self-supporting person may be "forced to the wall" through long-term illness and may become eligible to enter the facility under the Medical Aid to the Aged Program.)

In accordance with the state plan for hospital and medical facilities, there are no suitable facilities in Iosco County for long-term care for this type of patient. Suitable facilities are those that are in fire-resistant structures and with RN supervision of the nursing service. The long-term care facilities in Iosco County include approximately 12 beds in one nursing home with a provisional license and approximately 23 beds in unlicensed homes. When the study was made about a year ago, it was indicated that there were 36 patients in nursing home facilities for whom payment for care was the responsibility of county, state and federal funds.

In accordance with the 1960 census, there were 1,750 people over age 65 in the county. This amounted to 10.6 percent of the population, whereas, the state average is about 7.5 percent. Since 85 percent of the long-term care is utilized by people in the older age group, the high percentage of population over age 65 indicates that there is a greater need here than in some other areas of the state.

Since there appears to be already 36 patients in long-term

care facilities for whom payment for care is the responsibility of the county welfare department and without considering the residents who are self-supporting that require long-term care, there appears to be sufficient need for the proposed facility.

The present philosophy of care in a medical care facility is away from the bedridden, storagehouse type of operation that exists in many facilities and in many areas of the state. With application of present-day medical knowledge and treatment, the patient is maintained as ambulatory as possible and to the maximum level of self-care. This type of program requires dining, day room and treatment areas and not just bed accommodations.

The cost of care in a county medical care facility will probably be comparable to the cost of care in a nursing home. Adequate physical facilities, however, will give the potential of a higher standard of care. Capital funds expended will be amortized over a 50-year period and cannot be considered as a cost of care except for depreciation. If a business purchases an automobile or acquires a new building, the disbursements for purchase are not charged as operating cost in the year disbursed.

The facility is designed to be expanded if necessary. In order that the physicians can conveniently serve the long-term care patient, the proposed plan to construct the medical care facility across from the hospital makes it convenient as possible for the doctors to provide medical supervision for the long-term care patient. Its location would also make available the life-saving and other special facilities of the general hospital.

While only a small proportion of older patients can be made self-supporting, a considerable percentage can be rehabilitated to self-care which releases bed space and staff time. It enables persons to be discharged home without imposing an intolerable burden of care upon their families. Where discharge home is not possible, rehabilitation to self-care permits patients to be cared for, with considerable savings in staff, on an ambulatory basis within the institution.

A minimum program of rehabilitation services is an essential ingredient in adequate care for the chronically ill and convalescent patient. In the past, there has been a tendency to assume that once an older person becomes bed-fast, or senile, or otherwise handicapped, that he will remain in that condition for the rest of his life. While this may be true of some, it is not a valid generalization—and need not be true for all.

Medical care facilities in other areas of the state have proven the feasibility of this philosophy in caring and rehabilitation of the older person. Members of the board's special welfare committee visited several of these facilities in order to make plans for Iosco County and saw firsthand examples of this type of care.

It is not the intention to provide a comprehensive rehabilitation center in Iosco County which, due to specialized equipment and personnel needs, can only be provided at urban centers; such as, Detroit, Ann Arbor, Lansing, Grand Rapids, but basic treatment areas, programs and staff should be provided and with proper patient and medical evaluation.

In a telephone conversation Saturday, J. R. Homminga, director of hospital and medical facilities division for the Michigan Department of Health, told the Herald: "It is difficult to put into words the resultant benefits to the chronically ill and disabled if an activity area, physical therapy and occupational therapy area is provided and utilized. Doctors are the key. They must be interested in the program."

This newspaper certainly has no axe to grind with anyone. Every person has the right to express an opinion, but many of these questions could have been brought up when meetings were held for this purpose weeks ago—not in newspaper ads and letters only days before the election.

We sincerely hope that the electorate of Iosco County will recognize the need for the medical care facility and vote "yes" December 11.

**LETTERS to the EDITOR**

December 2, 1961  
The Tawas Herald  
Tawas City, Michigan  
Gentlemen:

Recent letters and box advertisements signed by "The Tawas Medical Group" are somewhat confusing the issue of the very important proposed bond issue being offered to the electorate December 11.

I would like you and your readers to know that not all the doctors of medicine in the area are opposed to the proposed Medical Care Facility and that therefore "The Tawas Medical Group" speaks not for all of us. In fact, it would seem more fair if the authors of these adverse letters and ads would sign their names as individuals rather than include the total—the doctors in opposition to the facility are well aware that the "anti" feeling was not unanimous.

In regard to the American Medical Association's stand on Federal Aid to the Aged—the F. A. A. (Federal Aid for Aged) moneys now available, and which the facility plans on using, are the direct result of the efforts by the A. M. A. a year ago. The only opposition voiced by the organization was in regards to the present administration's efforts to tie-in medical aid with social security. To this proposal organized medicine is unalterably opposed and I think most everyone can understand the reasoning.

But, by and large, most doctors realize that with life expectancy constantly on the rise, the old people and their care are society's moral obligation. Whether or not all are in agreement as to the exact method or the number of square feet allotted to each segment of this care is strictly beside the point.

Our Board of Supervisors and its special committee are sincere, straight-thinking individuals as much opposed to needless and unnecessary taxation as the rest of us. I submit that they have been doing an excellent job so far, and that a "yes" vote on the 11th of December is very much in order.

Sincerely,  
L. A. LaPorte, M. D.

**WILL CONDUCT ANNUAL BAZAAR DECEMBER 9**

Beginning at 10:00 a. m. December 9, the Zion Ladies Aid members will conduct their annual bazaar in the school.

Mrs. Arthur Wendt, general chairman, announces some of the booths that will be exhibited, such as: Lunch counter, needlework, woven rugs, stuffed animals, smoking toss pillows, bake sale featuring Christmas cookies, used clothing, white elephant, mystery package, Christmas cards and napkins, doll clothing, to mention a few.

Proceeds from the bazaar will be used to help furnish the kitchen in the new school.

**ORDER OF EASTERN STAR SCRAPBOOKS**

White with emblem stamped in gold. On display at The Tawas Herald, 408 Lake Street, Tawas City. Phone

**Biblical Star Still Mystery To Scientists**

Even in this advanced age — with satellites in orbit, sputniks and rockets — men of science still find mystery in the Biblical Star of Bethlehem that shone so brightly when He was born.

Some scholars believe it may have been a supernova, or exploding star. Others think it might have been a comet or perhaps a conjunction of the bright planets Jupiter and Saturn.

If it was a supernova in the Milky Way, astronomers say it would have unquestionably filled ancient stargazers with awe and the feeling that a great event might be taking place.

A "nova" implies a new star, but actually is not. It is rather an old star that suddenly flares up in a display 20,000 to 50,000 times brighter than the sun. A supernova is about 100 million times more brilliant than the sun.

Astronomers do not know what causes a supernova. One theory is that the star's supply of hydrogen becomes exhausted. As the star contracts, the core temperature rises to 110 million degrees centigrade. The incredible temperature sets off helium-fusion processes, and the star becomes a huge nuclear fusion reactor which eventually flies to pieces.

**HOW CHRISTMAS WAS NAMED**

The name "Christmas" to designate the celebration of the birth of Christ is used only in English-speaking countries. It comes from an old English phrase — "Christes Masse," meaning Christ's Mass which emphasizes the religious meaning of the holiday.

**BOOK REVIEW SLATED FOR TAWAS CITY WSCS MEETING**

"Night Christ Was Born" will be the book reviewed by Mrs. Reynolds Mick at the Tawas City Methodist WSCS meeting December 7, 8:00 p. m., at the memorial hall.

Mrs. Paul Koepke will lead devotions. Mrs. James Ewer, Mrs. Harry Crawford and Mrs. Emmil Collins will be hostesses for the evening.

**ZION LADIES INVITED TO CHRISTMAS PARTY**

Ladies of the Zion Lutheran congregation are invited to the ladies aid Christmas party December 7 at the school.

A pot-luck dinner with an exchange of gifts following will begin at 6:30 p. m.

**Baptist Women's Groups To Hold Combined Installation**

Combined installation of Dorcas and Woman's Mission Societies' officers will be conducted December 12 at Tawas City Baptist Church. The affair will begin at 8:00 p. m.

**CHRISTIAN SCIENCE—**

The comforting and assuring message of the Beatitudes (Matt. 5) will be featured at Christian Science services Sunday.

The lesson-sermon on the subject, "God the Preserver of Man," will consist of Scriptural texts and correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

The Golden Text is from Numbers (6): "The Lord bless thee, and keep thee: the Lord make his face shine upon thee, and be gracious unto thee: the Lord lift up his countenance upon thee, and give thee peace."

The concluding passage states: "Divine Love always has met and always will meet every human need. It is not well to imagine that Jesus demonstrated the divine power to heal only for a select number or for a limited period of time, since to all mankind and in every hour, divine Love supplies all good" (Science and Health p. 494).

Read 11 Peter 1:1-8

I will instruct thee and teach thee in the way which thou shalt go; I will guide thee with mine eye. (Psalm 32:8.)

To young and old alike, guidance is necessary. Thus a mother's hand will guide her little child when he is learning to walk. The good example of others or perhaps a timely word of warning from a faithful friend, can guide us.

God guides by His counsel and by His Holy Word. He also guides us, as our text says, with His eye.

To think of God's eye as a guide may seem strange. But why should it? The eye can express joy or grief, approval or dislike. A look from a person may restrain his child from doing wrong. When Peter denied his Lord, Jesus "looked upon Peter" and "Peter went out, and wept bitterly."

Today's text assures us of God's guidance. It is also worded this way: "I will counsel thee, mine eye shall be upon thee." In other words, God will give us His counsel and then look to see if we are taking it. Therefore, let us keep looking in God's direction.

**PRAYER**

We thank Thee, O God, for this promise that Thou wilt guide us with Thine eye. Help us, dear Lord, always to remember that Thine eye is not only leading us but also guiding us, at every step into Thy way. In Jesus' name we pray. Amen.

### Advice For Veterans

by Arthur M. Brokenshire, Jr., Service Officer

Dep't. of Michigan  Marine Corps League

#### GI BILL EDUCATION AND TRAINING

For veterans of the Korean Conflict period.

Eligibility: Veterans of the Korean Conflict period may be eligible for Korean GI bill education and training at government expense if: (A) they had active service at any time between June 27, 1950, and January 31, 1955; (B) they served at least 90 days unless discharged sooner for a disability incurred in active service; (C) they were discharged or separated under other than dishonorable conditions. All three conditions must be met.

Deadlines: Eligible veterans must begin Korean GI bill education or training within three years after their separation or discharge date from service.

For veterans discharged on or before January 31, 1955, training must come to an end no later than January 31, 1963. For veterans discharged or separated after January 31, 1955, the deadline for finishing training is January 31, 1965, or eight years from the date of discharge or separation, or whichever comes first.

Length of training: Eligible veterans may receive a course of education or training not to exceed 36 months, computed at the rate of 1 1/2 times the length of active service between June 27, 1950, and January 31, 1955. Servicemen in the armed forces on January 31, 1955, will continue to build up entitlement to training after that date, up to the time of their first discharge or separation from active duty.

Type of training: Eligible veterans may choose their own course of training in any school or establishment approved by an appropriate state approving agency that meets other qualifications of the law. Veterans may enroll in schools or colleges; take on-the-job training; enroll in institutional or farm training or other programs which combine school and

job training, or select correspondence school courses. Note: No more than one change of program is allowed.

Training allowances: Eligible veterans will receive an education and training and living costs. Tuition, fees, books, supplies and equipment will not be paid by the government. Instead, they will have to be paid by the veterans with the help of the monthly allowance they receive from the government.

The rate of payment for veterans without dependents who are in full time training in schools and colleges is \$110 a month; for those with one dependent, \$135, and for those with more than one dependent, \$160. Veterans in training less than full time will receive proportionately lower monthly rates.

For on-the-job trainees without dependents, the top monthly payments are \$70; those with one dependent, \$85, and for those with more than one dependent, \$105.

For veterans in institutional or farm training, which combines classroom instruction with practical on farm work, the top monthly payment for those without dependents is \$95; those with one dependent, \$110, and for those with more than one dependent, \$130. The law requires that on-the-job rates of payment be reduced at four-month intervals, as the training progresses. Maximum on farm rates will be paid the first year of training, after which they, too, will be reduced at four-month intervals. The law also requires that veterans taking on-the-job training and institutional or farm training must devote full time to their programs.

The Korean GI Bill places a \$310 a-month ceiling on job training alone, regardless of dependency status. Should a veteran's training allowance, plus his earnings as a trainee, exceed this amount, VA will reduce its allowance to the veteran accordingly. However, there is no ceiling on what the veteran may earn. Moreover, the \$310 a-month limit does not apply to veterans in school. Regardless of how much they earn outside of class, their allowances will not be reduced. A veteran in training will get his monthly allowance some time after the end of each month of training completed.

Before VA can pay the allowance for any month, the law requires a certification signed by both the veteran and a representative of his school, stating that he was enrolled in and pursuing his course during that period.

For Veterans of World War II: Eligibility: The only World War

II veterans still eligible for education or training at government expense under the World War II GI bill are those who enlisted or re-enlisted under Armed Forces Voluntary Recruitment Act of 1945 between October 6, 1945, and October 5, 1946. This law allows the four years from the end of their enlistment period under that act in which to begin GI bill training and nine years in which to complete it.

For all other World War II veterans, GI bill education and training ended July 25, 1956.

Length of training: Eligible World War II veterans may receive a course of GI bill education or training up to a maximum of four years, computed at the rate of one year plus a period equal to their enlistment period under the Armed Forces Voluntary Recruitment Act.

Subsistence allowances: World War II veterans in any type of training, (except correspondence school instruction) may be eligible to receive subsistence allowances. Maximum monthly allowances for veterans studying full time in schools and colleges are \$75 without dependents, \$105 with one dependent and \$120 with more than one dependent. Rates for job trainees are \$65 without dependents and \$90 with more than one dependent.

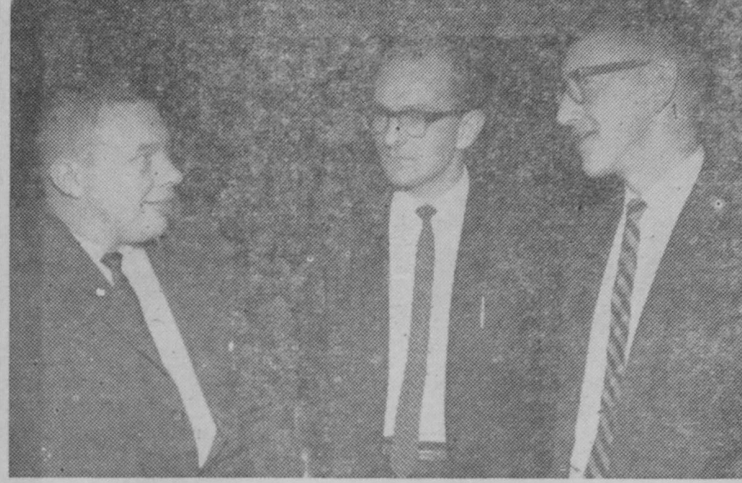

Rates for veterans enrolled in combination types of training may be somewhat higher than the job training rates. The foregoing amounts are reduced for part-time courses and also may be affected by the extent of a veteran's earnings.

World War II and Korean Service:

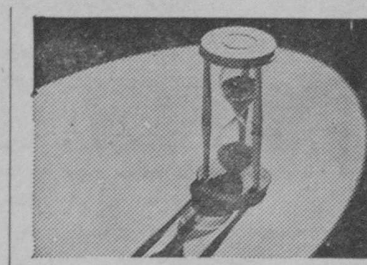

Veterans with both World War II and Korean service, who have previously trained under earlier laws, (PL 16 or PL 894) may compute their entitlement to Korean GI bill training by subtracting their earlier training time from 48 months. The difference, however, may not exceed the period of training to which they would be entitled under the Korean GI bill as a veteran of the Korean Conflict period.

Further information concerning these benefits may be had by contacting Arthur Brokenshire the first Tuesday of every month at Tawas City. He will be in the Iosco County school superintendent's office, Iosco County Building, from 10:00 a. m. to 4:00 p. m.

NAPKINS and TABLE COVERS—In wedding designs, gold and silver decor. The Tawas Herald, 408 Lake Street, Tawas City, phone Forest 2-3487. 40-tfb

FIRST ANNUAL football bust of the Tawas Area Braves was held last Thursday night at Lixey's Restaurant. Among players honored was James Herriman, who was named as the most improved player during 1961. He is shown at top with Head Football Coach Herb Escott. Three captains named for next season were Brian Helmer, Bill Western and Randy DeWyse, who are shown left to right in the second picture with Assistant Coach Steve Sventko. DeWyse also received the "oil can" award. The bottom picture shows Coach Larry Quellman, left, of Oscoda, main speaker during the banquet, with Ron Wiltse, Tawas Area athletic director, and William Tracy, toastmaster. Some 54 varsity players and their dads attended the event.—Tawas Herald Photos.

100 Years Ago This Week...in  
**THE CIVIL WAR**  
*(Events exactly 100 years ago this week in the Civil War—told in the language and style of today.)*  
**Giant Sentry**

WASHINGTON, Nov. 30—As the North's arms buildup picks up strength, huge weapons such as the one above are becoming more common around this busy capital. Several hundred of these giant mortars are being delivered to Union artillery units.

#### Secy. Cameron Report Urges North to Arm its Slaves

WASHINGTON, Nov. 31—Secretary of War Simon Cameron has dropped a political bombshell in the White House—a report urging the arming of slaves for use as combat troops. Cameron broadcast his message far and wide before learning of President Lincoln's horrified reaction to it. The Pennsylvania politician, war secretary since the Lincoln administration took office March 4, sent copies to several newspapermen and to postmasters throughout the nation.

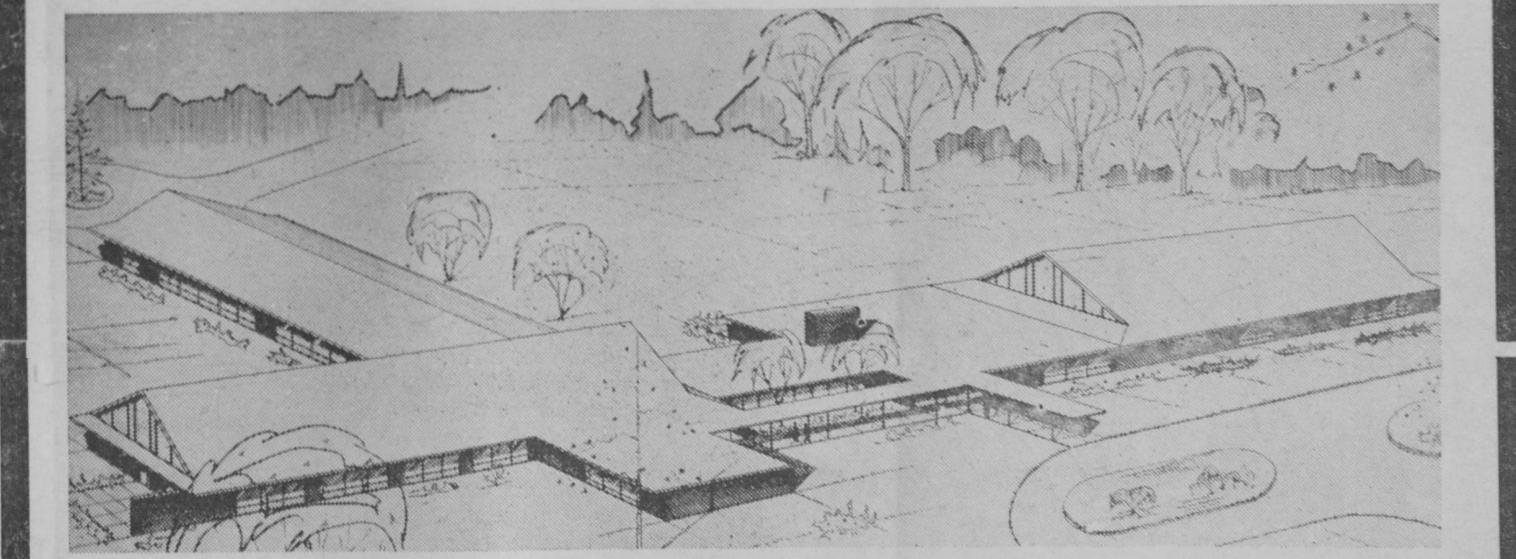

"It is clearly a right of the government to arm slaves, when it may become necessary," the report stated. "If it should be found that slaves are capable of bearing arms and performing efficient military services, it is the right, and may become the duty, of the government to arm and equip them, and employ their services against the rebels, under proper military regulations, discipline and command."

MR. LINCOLN has been on record as believing that any talk of abolition of slavery at this time—even a partial abolition such as Cameron suggested—would torpedo efforts to keep the border states loyal to the North's cause. The chief executive proclaimed last month, in censuring Maj. Gen. John Charles Fremont in Missouri, that abolition was not, and could not be, a key issue at this time.

Rather, in Mr. Lincoln's view, northern and border states alike should concentrate on the preservation of the Union, with the slavery question being deferred until military operations become more decisive. Aides quoted Mr. Lincoln as saying about the Cameron report: "This will never do. He must take no such responsibility. This is a question which belongs exclusively to me." However, Cameron reportedly has told intimates that he will stick with his recommendation, no matter what the President's reaction.

## Christmas Card Custom

Person to person greetings at Christmas time have been exchanged for many centuries in every Christian community around the world.

The custom of exchanging greetings at Christmas via printed and illustrated cards is, however, a little over a century old.

According to existing records in 1843, an Englishman named Henry Cole introduced the "Christmas card".

Two months prior to Christmas, Mr. Cole, an educator and patron of the arts, had commissioned a British Royal Academy artist, John Calcott Horsley, to design a card depicting a typical family of that era gathered at a holiday feast.

The design was executed and the phrase, "A Merry Christmas and A Happy New Year" was added. A thousand copies of this were lithographed and then hand-colored.

Cole addressed and mailed a group of the cards to his friends.

He then offered the remainder of them for sale in a London stationer's shop, where they sold quite quickly and thereby started what since has become a traditional part of our Christmas observances.

Christmas seemed to have a lot of significance in the 1840's in England. It was at this time, too, that Dickens' "A Christmas Carol" was published, and Prince Albert, Queen Victoria's German-born consort, was reported to have introduced the first decorated Christmas Tree, into English life!

Christmas cards appeared in the United States shortly thereafter. No one knows exactly who introduced the idea in the States. However, credit is given to an Albany, New York dry goods merchant by the name of R. J. Pease.

It is said that he designed, printed and mailed one of the first examples of American Christmas cards as a special greeting and advertisement for his store.

Since then — the exchange of Christmas cards has become a traditional part of the American scene.

Greeting card manufacturers produce millions upon millions of assorted greetings — humorous, gay, religious and reverent.

Many of the world's leading artists are called upon to design special motifs, and great writers, too, contribute their ideas on Christmas in prose and poetry.

THIS PHOTO MONTAGE shows 13 candidates for the 12-man squad which will be carried by Coach Bill McIntosh this season. In the top row from left are Lewis Werth, Don Humphrey, Ken Murphy, Jim Mick and Herm Rollin. In the second row are Randy

DeWyse, Jim Brigham, Steve Ferguson and Dick Doak. In the bottom row are Jerry Brown, Charles Miller, Jim LeViere and Jim Boldt. The Braves open Friday night here against Beaverton. One player is to be cut from the squad before then.—Herald Photos.

## TA Braves Open Cage Season Friday

Tawas Area Braves will open their 1961-62 basketball season Friday night by playing host to the Beavers of Beaverton High School.

Fresh from their best season ever in football, the Braves will have nine returning letter winners from last year and pre-season dope has Tawas as one of the

teams to watch in the Northeastern Michigan Conference title race.

With only fair height again this year, Coach Bill McIntosh has patterned his offense around speed and good ball handling.

Among the returning letter winners are Herm Rollin, an outstanding guard of a year ago; Jim Mick, a dependable forward; Lewis Werth, Don Humphrey, Dick Doak and Jerry Brown, who all saw plenty of action a year ago.

One of the key players for the Braves will be Ken Murphy, six-foot, five-inch center. Lacking experience last year, Murphy showed signs of becoming a good rebounder in several games. Coach McIntosh is counting on him to come through on the boards in this, his senior year.

Rounding out the varsity will be Jim LeViere, Steve Ferguson, Jim Boldt, Chuck Miller and Jim Brigham.

Beaverton, which was the door mat of the league last year, will present a five of experienced players and after their football record will have the spark to improve greatly on their basketball record.

Don Lehman was the most valuable man lost with Jim Newman, Larry Gerrow, Hugh Calhoun and Jerry Vallender coming back to make up the nucleus of the squad. The varsity five will average six feet and will be a speedy bunch of performers.

Coach Ron Witte will field a Junior Brave team with plenty of talent in Friday night's preliminary game.

Back from last year's JV for more seasoning are Fred Wilson and Charles Anschuetz.

Moving up from the undefeated freshman squad of last year are Jim Roti, Terry Bublitz, Larry Killey, Jim Sass, Don Lear, Casimir Cybula and Don Evans. Another

sophomore is Joe LaBlance, a transfer from Alcona Community School and an outstanding trackman.

Four freshmen will be carried on this year's 14-man squad. They are Herb Humphrey, Darrell Welch, Jim Herman and Dennis Blata. All show plenty of promise and should see considerable action this season.

## Candles Glow at Christmas

It would be astonishing, indeed, if no candles appeared in homes throughout the nation on Christmas Eve. The legend which surrounds the custom is believed to have started in Ireland.

There on Christmas Eve a large candle was burned which could be snuffed out only by one named Mary. As the Irish put it: "Who knows, on some Christmas Eve, Jesus and Mary and Joseph may come again, not to Palestine, but to the Holy Isle on the farthest edge of Europe?"

The first use of candles for Christmas is not recorded anywhere. But according to an old legend, the "Christ Child Candle" was burned in windows to light His way if He made an earthly visitation. It was also lighted in atonement for the night of His birth when there was no room for Him.

### MICHIGAN IS MANAGEMENT KNOW-HOW

Michigan offers to industry management know-how in a degree that is unmatched anywhere.

Here in Michigan, management headquarters of mass production, we have more management skills than anywhere in the world. That includes—Pittsburgh, Chicago, Essen — everywhere.

Our management know-how is not limited to mass production industries, although the world looks to Michigan's leadership in that area. Michigan's management know-how excels in production of drugs and the many other products of our State. It is outstanding in the world of finance.

With management headquarters of the Big Three automobile manufacturers located in Michigan, this management leadership extends to supplier companies, management know-how is necessary to industrial development.

With our diversity of industrial skills, natural resources, transportation, markets and management know-how, Michigan is a great place for industry.

Help carry Michigan's message to the nation. Clip this ad and mail it to someone in another state with your comment. Let's talk up Michigan and its advantages for industry. Together we can assure a greater future for all of us.

MICHIGAN IS EVERYTHING FOR INDUSTRY

### Michigan Christmas Seal Sales Above Last Year's Level

Iosco County Christmas Seal contributions, as in nearly every county in the state, are soaring substantially above the 1960 level, it was reported today.

Receipts from this area for the first two weeks of the campaign, which opened November 13, totaled \$347 compared with \$279 for the like period last year. J. Irvin Nichols, executive director of the Michigan Tuberculosis and Respiratory Disease Association reported.

The increased contributions, Nichols said, reflect a widespread desire to eradicate tuberculosis as a major public health problem in the next decade—a goal set by leaders in the TB field.

"We are indeed encouraged by this response of the people of Michigan," Nichols said. "It signals TB association workers throughout the state that our people want the fight against TB carried to a successful conclusion."

Slogan of the Christmas Seal campaign this year is "Protect the Family Circle." Nichols urged those who have not yet mailed their contributions to do so soon.

Assisting Mott in the feeding program was Daniel Miller, Paragon Feed Mill, Whittemore.—Marvin Davenport Photo.

## Whittemore News

**COLORED LIGHTS HERALD CHRISTMAS SEASON**  
Whittemore is attractively decorated for the Christmas season with colored lights along Main Street and a high lighted tree in the center of town.

**MRS. THEODORE BELLVILLE ENTERTAINS CLUBWOMEN**  
The Woman's Society of Christian Service met at the home of Mrs. Theodore Bellville Monday night with 16 members present. Mrs. Dornace Bellville was the assisting hostess.

Mrs. Donald Armstead, president, presided over the meeting and led the devotions. The lesson was given by Mrs. William Fuerst. Refreshments were served by the hostesses.

**P-TA TO STAGE BAZAAR-AUCTION DECEMBER 12**  
The P-TA bazaar-auction will be held at the Whittemore Elementary School Tuesday evening, December 12.

Gerald Anschuetz, who was called into the armed forces, left Wednesday for training. His wife is the former Miss Diann Heilman of Whittemore.

Mr. and Mrs. Octave St. James and daughter, Mrs. Jack Fay attended the recent wedding of Barbara Pilat and Thomas St. James at Standish. They also attended the evening reception at Deep River Hall.

Mrs. F. Powers is ill here at her home. Her daughter, Mrs. Carl Cavette of Gaines, and a daughter who resides at Otter Lake are here caring for her.

Norman Schuster of Saginaw visited his mother and other relatives here Sunday afternoon. Mr. and Mrs. Leslie Ellsworth of Loran were dinner guests of Mr. and Mrs. Edward Bowlsby Sunday.

Mrs. Roy Charters was at Tawas City Friday forenoon.

Mr. and Mrs. William Leslie and Mr. and Mrs. Charles McLean of Tawas City attended the funeral of Lanson Beardslee here Sunday afternoon.

Mrs. Olive Davison is visiting her daughter, Mrs. Howard McKenzie, and family at Waukegan, Illinois, for several days.

Mrs. Henry Pake spent Wednesday at East Tawas.

Mrs. Jack Fay and children of Battle Creek spent the past week here with her parents, Mr. and Mrs. Octave St. James. Her husband spent Sunday here and she returned home with him.

Gene Burnside, who enlisted in the air force, left the past week for training.

John O'Farrell was at Tawas City Friday afternoon.

Mrs. Earl Stone of Ventura, California, formerly of Whittemore, was a caller at the Octave St. James home Thursday.

William Austin spent Thanksgiving week-end in Davison with Mr. and Mrs. Edward Duengel.

Mrs. Octave St. James, her daughter and family were at Standish last Tuesday.

Mr. and Mrs. Edward Bowlsby spent Thanksgiving Day with his daughter, Mrs. Joseph Caverly of Hale, and family.

Mrs. John Barrington and Mrs. Henry Pake were at Standish Tuesday forenoon.

Orval Fuerst spent last week-end at Midland and Mt. Pleasant.

Mr. and Mrs. Henry Jackson of West Branch spent Sunday afternoon at the Arden Charters home. The C. Bissonette family of Bay City spent Sunday with Mrs. Reuben Edie.

Mrs. Earl Stone of Ventura, California, who was called to Flint the past week due to the death of her father, visited at the home of Mr. and Mrs. Frank Pierce Wednesday. Her husband is the son of Mrs. Pierce and a graduate of Whittemore-Prescott Area High School. While at the Pierce home, she put a telephone call through to California and Mrs. Pierce visited with her son.

Mr. and Mrs. Sterling Cataline attended the funeral of their nephew, Ivan Paradise, at Standish Wednesday.

Mrs. Elizabeth Fuerst has returned to her home here from Midland.

Mrs. Earl Cousino of Royal Oak spent Sunday and Monday with her parents, Mr. and Mrs. Theodore Bellville, and family.

## OLD SANTA STILL SPRY

Santa Claus—the "Grand Old Man" of Christmas hits his stride at a near century this year — and the old gentleman never looked better.

For it was back in 1863 that Cartoonist Thomas Nast first created — on his drawing board — the image of Santa Claus as we know him — full grown to his white whiskers.

During the early '60's, Nast was commissioned to illustrate Clement Clark Moore's poem "A Visit From St. Nicholas" ("The Night Before Christmas"). The drawings he submitted showed Santa Claus pretty much as he looks today.

Nast had previously achieved fame through his famous political cartoons that helped to smash Boss Tweed's infamous "Tweed Ring" in New York City.

So through the years — and in spite of 98 hard-working Christmas seasons — Santa Claus keeps "young" for the youngsters and the young in heart.

## Zion Lutheran Church Scene of Bischoff-Wilson Wedding

TAWAS HERALD PHOTO  
MRS. HOWARD EDWARD BISCHOFF

Miss Karen Louise Wilson became the bride of Howard Edward Bischoff December 2 before the Rev. Walter C. Pieper in Zion Lutheran Church. Red poinsettias and white chrysanthemums decorated the church for the 7 o'clock, double ring rites.

The bride is the daughter of Mr. and Mrs. Benjamin L. Wilson of Tawas City. Mr. and Mrs. Waldemar Bischoff, also of Tawas City, are the bridegroom's parents.

A gown of imported Chantilly lace and satin complemented by a sweeping chapel train was selected by the bride. Her fingertip veil was fastened to a lacy queen's crown of pearls and iridescents. She carried a bouquet of red roses.

Bridal attendants were Mrs. Mi-

chael C. Wilson, matron of honor, Mrs. Earl Bischoff and Mrs. Leo Nelkie. They selected red velvet gowns in ballerina length and bouquets of red and white variegated carnations.

Donald Bischoff was best man for his brother while Michael Wilson, bride's brother, and Earl Bischoff, brother of the bridegroom, were groomsmen. Guests were seated by Wayne Bischoff and Frank Bischoff.

For her daughter's wedding, Mrs. Wilson chose a champagne sheath with geranium pink accessories. Mrs. Bischoff wore an autumn print dress. Corsages of carnations completed their ensembles.

After greeting guests at a reception in the Eagle Hall, the couple left for a trip to Northern Mich-

## New Books Discussed at Club Meeting

Several recently published books were discussed and displayed by Mrs. Archie Ruckle at the Wednesday evening meeting of the Twentieth Century Club. Her selection of new books and comments made everyone realize that each should be read. She discussed Ann Landers', "Since You Ask Me," "I Met a Lady," "Living Free," a story of an African lion, "A Zoo in My Luggage," "My Son, My Son," and "Good Friday Night in '63."

Plans were made for the Christmas party on December 13 with gifts for the shut-ins to be distributed.

A report on the library drapes was given by Miss Leonora Hass.

Guest night will be observed January 10 with a 7:30 banquet served by the Tawas City OES at the Masonic Temple. The program will feature a well-known speaker.

Meditation was given by Mrs. Harry Rollin. Hostesses were Mrs. William Groff, Miss Fernie Mark and Mrs. Annie Metcalf.

## Legion and Auxiliary to Enjoy Christmas Party

A Christmas party for Jessie C. Hodder Post and Auxiliary members and their families will be held at the Immaculate Heart of Mary School basement Sunday, December 10, 5:00 p. m.

A pot-luck dinner is being planned and members are reminded to bring their own table service and gifts for their children.

In replacing the usual tradition of adult exchange, an one dollar gift from each member will be sent to the orphanage at Otter Lake. Anyone who wishes to contribute a gift to the children at the orphanage may do so by taking a gift, for boy or girl, to the home of Mrs. John Dodson or Mrs. George Westcott. The gift is not to be gift wrapped.

These gifts will be packed for Otter Lake at the auxiliary's December 11 meeting at the home of Mrs. Dodson, 8:00 p. m.

## New Idea for Christmas Theme of Club Meeting

Each member of the East Tawas Garden Club is to bring a new idea in Christmas decoration to the December 11 meeting at the Ladies Literary Clubrooms, 8:00 p. m.

Mrs. W. A. Evans will give the legend of the Christmas Rose and Mrs. Dan Cater will entertain the group with Christmas music.

Hostesses for the evening are Mrs. Joseph Hennigar, Mrs. George Herman and Miss Emma Whipple.

Following their trip, they will reside on Bischoff Road, Tawas City.

The senior Waldemar Bischoffs entertained the wedding party at their home for the rehearsal dinner.

## Marriage Solemnized in Double Ring Ceremony

RUSSELL GREENE PHOTO  
MR. AND MRS. GARY L. BRACKENBURY

Red and white chrysanthemums created the setting for the December 2 marriage of Miss Sherry Ann Castagner and Gary L. Brackenbury at the East Tawas Methodist Church. The Rev. Ralph A. Edwards performed the double ring ceremony for the daughter of Mr. and Mrs. Rodolphe Castagner of Tawas City and the son of Mr. and Mrs. John Brackenbury of East Tawas.

Mrs. Dan Cater, vocalist, was accompanied by Richard Ferguson.

For the rites, the bride selected a gown of imported Chantilly lace which fell into a chapel train. Her double queen's crown of crystals secured a silk illusion bouffant veil. A cascade bouquet of red roses and white stephanotis centered with hurricane globe and lighted candle completed her attire.

Wearing dresses of Christmas red, blue de soie with full floor length skirts accented at the back with Bianchi roses were Mrs. Edward Jordan of East Tawas, matron of honor; Miss Roberta Engle of Frankenthum, Miss Dawn Roles of Tuscola and Miss Bonnie Ashmore of East Tawas, bridesmaids. Matching crowns and circle veils enhanced their ensembles. They carried white muffs graced with red and white feathered carnations and English ivy.

Flower girls for the couple were Lori Castagner, who was gowned in a white peat de soie dress, and Gail Merrill, sister of the bridegroom, who wore a white lace dress. They carried baskets of red and white carnations.

Edward Jordan was chosen for best man. Attendants were Jerry Heinlein of Frankenthum, Dwayne Ulman of Tawas City and Kenneth Thornton of National City. Ring bearers were Layne Castagner and Edward Castagner, cousins of the bride.

For the wedding and reception following at the Masonic Temple, the bride's mother wore a candle-light brocaded dress with a hybrid rose corsage. Mrs. Brackenbury selected a green brocaded dress with yellow roses as her corsage.

Guests attended from Millington, Oscoda, St. Clair, St. Louis, Mayville, Bloomfield Hills, Bridgeport, Glennie, Hale, Canada, New York, Au Gres, Saginaw, Flint, Swartz Creek, Frankenthum, Vassar, Tuscola, Bay City, Lexington, Croswell, Port Huron, Detroit, Birch Run and Alpena.

Following a two-week wedding trip to Coral Gables, Florida, the couple will reside at East Tawas.

## Mrs. Evril Celebrates Birthday Anniversary

The birthday anniversary of Mrs. Leah Evril was celebrated Sunday at the home of her son, Clyde Evril of Tawas City, with whom she resides.

Mr. and Mrs. S. G. Siglin and Mr. and Mrs. Matthew Kienholz of East Tawas joined in the celebration.

## Iosco Chapter, OES, Enjoys Dinner Party

Iosco Chapter No. 71, Order of Eastern Star, members conducted their Christmas party Friday evening at the Masonic Temple. A family pot-luck dinner began the party followed by a business meeting, exchange of gifts, revealing of secret pals and Christmas singing with Mrs. Helen Hertzler and the Rev. Paul Sutton in charge.

Refreshments were served by Mrs. Vergil Butler, Mrs. Anna Hanson, Mrs. Georgena Johnson, Mr. and Mrs. Ned Curtis and Peter Lichtfus.

## Wedding Plans Announced

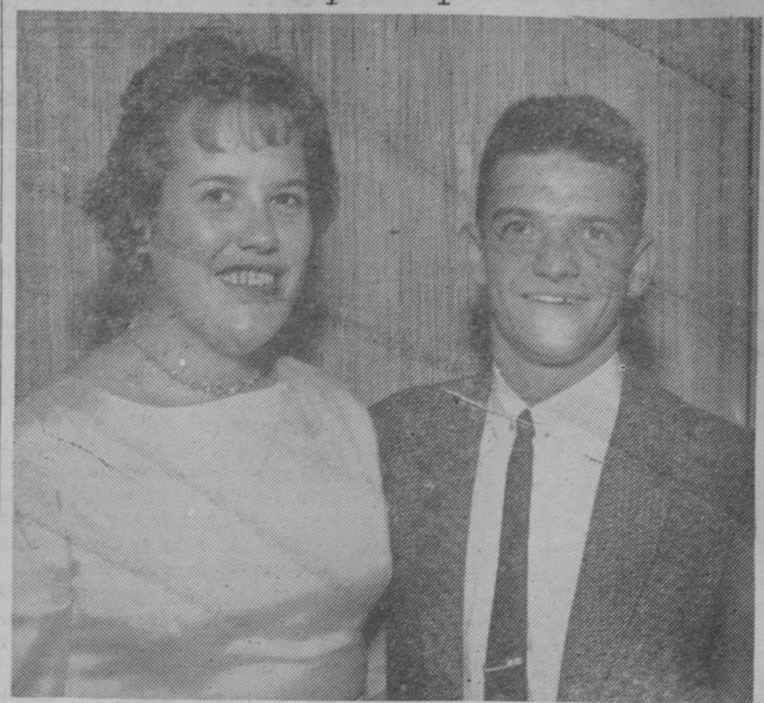

Mr. and Mrs. Richard Anderson announce the forthcoming marriage of their daughter, Barbara Jean Bowen, and Gary H. Ulman Saturday, December 9. The 7:30 candlelight ceremony will take place at the Emanuel Lutheran Church, Tawas City.

## Mrs. Deffrain Won First Prize

Mrs. Louis Deffrain won first prize and house prize at the St. Joseph Canasta Circle held at the home of Mrs. William Barber. Mrs. Helen Dotter won low prize.

Twelve members attended last Wednesday's circle.

## Vows Exchanged Saturday at Tawas City Baptist Church

TAWAS HERALD PHOTO  
MR. AND MRS. GLEN VAN SICKLE

Mr. and Mrs. Glen VanSickle are residing at Bradford, Pennsylvania, following their December 2 wedding at Tawas City Baptist Church. The Rev. Alfred Miller officiated.

Mrs. VanSickle, the former Ruth Ann Philpot, is the daughter of Mr. and Mrs. George Philpot of Tawas City. Her husband is the son of Mrs. Glen VanSickle and

the late Mr. VanSickle of Bradford.

For the wedding and reception following at the home of the bride's parents, the bride selected a winter white faille sheath. She carried a Bible during the 7:30 o'clock ceremony.

Mr. and Mrs. Kenneth Rollin of Hale were the couple's attendants.

## Shower Given in Honor of Bride-Elect Sunday

Miss Barbara Spica, December 20 bride-elect of C. Dennis Bennington, was honored with a shower Sunday at her home.

Fifteen guests enjoyed card games and the opening of gifts by Miss Spica.

A subscription to The Tawas Herald is a pleasing gift.

Mrs. Elmer Kunze left Monday for Boston, Massachusetts, where she will visit for two weeks with friends and relatives.

### ET Legion Sends Gifts to Saginaw Vet. Hospital

Eighteen Christmas gifts were sent to Veterans Hospital, Saginaw, by Audie Johnson Unit, American Legion Auxiliary. This was announced at the auxiliary Christmas party Monday evening held at the Legion Hall. Other business on the agenda included the discussion of Christmas shut-in rose project.

A pot-luck dinner preceded the business meeting. Gifts were exchanged by the members following the meeting.

Decorations were in a Christmas motif. Hostesses for the evening were Mrs. Fred Look, Mrs. Deloise Durant, Mrs. Celia Anderson and Mrs. Stanley Misener.

### Celebrates 94th Birthday Anniversary

The 94th birthday anniversary of Melvin C. Sherman was celebrated November 25 at the home of his daughter, Mrs. Grant Bessey, Tawas City.

Eight of Mr. Sherman's nine children joined in the celebration along with several grandchildren and great grandchildren.

Guests from Tawas, Oscoda, Central Lake, Flint, Pontiac, Davison, Jackson and Walden, New York, attended the dinner and gift opening by Mr. Sherman.

### Bell Employees Enjoy Saturday Dinner-Dance

The annual dinner-dance of Michigan Bell Telephone Company employees was enjoyed Saturday evening at Lixey's Restaurant, East Tawas, by 76 guests from Standish, West Branch, Oscoda and the Tawas Area.

After a family style dinner, a film was shown on the Strategic Air Command. An evening of dancing followed the film.

Mrs. Harold Lindahl, Mrs. Julia Darrah and Mrs. Neil Kemppi of Tawas City spent Tuesday at Saginaw where Mr. Lindahl is in critical condition at Veterans Hospital. Cards may be sent in care of room 419-A.

Mrs. Elizabeth Tuttle of Tawas City and Mrs. Grace Miller were week-end guests of Mrs. Elmer Burrell at Midland.

# To All Registered Voters

The undersigned, members of the Tawas Hospital Board, urge a vote of "YES" on the bond issue for

## County Medical Care Facility

for the following reasons:

1. The additional beds thus made available are for those who do not need acute hospital care but do need nursing care.
2. The care needed for these patients, in most cases, does not require the continual professional services of a registered physician.
3. Ask yourself - Why do some physicians oppose the project?
4. What are you now paying for hospital and medical care for the aged? Who benefits financially?

The undersigned have already proved their interest in the welfare of the county by enabling the construction, furnishing and operation of a 38 bed hospital. What other group has done as much?

Vote "YES" on December 11, 1961, and help provide better and more humane care for Iosco County's chronically ill—the aged and infirm—help to keep them out of sub-standard facilities and within Iosco County.

# Hale Area News

## WINTERIZING OF CLUBHOUSE PROGRESSING STEADILY

Sixty Lakes Club held its regular monthly meeting Tuesday evening, November 28, at the Long Lake clubhouse. A pot-luck dinner was enjoyed preceding the evening's business session with 20 members in attendance.

During the business session, it was voted to defray part of the expenses for sending two delegates, namely, Robert Douglass and Richard Parkinson, to the university of scouting to be held at Higgins Lake. This is to promote extended knowledge of scout leadership.

Serge Thomsson expressed the gratitude of the boy scouts for support given them by this organization and the community.

Plans were announced and a committee appointed to clean the building and complete the winterizing program to make it a welcome spot for winter recreation plans.

Ten of the club members donated storm windows and a storm door for the building and other

members are to concentrate on the interior project.

New officers were elected for the coming year and those chosen were: Mrs. Edwin Sharp, president; Mrs. Frank Wells, vice president; Mrs. Donald Goodrow, secretary; Mr. Thomsson, treasurer; Mrs. John VanPatten, historian; Mrs. Joseph Anderson, social secretary; John Mortenson, trustee.

Installation of officers will be held Sunday, December 10, at 6:00 p. m., beginning with a pot-luck supper to which the public is invited to participate. The Hale Lions Club has been invited to install the new officers.

## SUCCESSFUL PROMOTION STAGED BY HALE LIONS

Once again the people of Hale and surrounding communities have responded generously to a worthy cause. Earl Bielby, president of the Hale Lions Club, reports over \$700 was cleared in the recent Lions community auction and promotion. Lion Bielby expresses his appreciation to the community for the generous help.

It was noted by Lion Secretary Gerald Wyatt that to date the club had purchased glasses for six local people who were unable to provide their own. A donation to the Leader Dog School at Rochester in the amount of \$100 was approved by the directors as well as a \$10 gift to Welcome Home for the Blind.

Plans are under way for the decoration of town this week for the holiday season with the Christmas scene being placed at the main corner instead of south of town as in other years. A gala ladies night is also planned for December 18 which will be the annual Lions Christmas party.

Mr. and Mrs. Donald Goodrow attended the banquet at the Holland Hotel, East Tawas, this past week, sponsored by the Farm Bureau petroleum group.

Local girl scouts are proud of their results from their sale of baked goods, Christmas corsages and handwork, which was conducted November 15 during the American Legion Auxiliary's hunters supper.

Glen Staley Unit No. 422, American Legion Auxiliary, extends thanks to all who helped make this year's hunters supper one of the best held in a long time. This includes the committee, hunters and local supporters.

Mrs. Richard Parish, Glen Staley American Legion Auxiliary rehabilitation chairman, and Mrs. Donald Goodrow, committee member, were at Saginaw Veterans Hospital Tuesday, November 28, to deliver the gifts that were the unit's contribution to the annual gift shop sponsored for the patients at Veterans Hospital.

Mrs. Neil Bell has returned to her home and is convalescing nicely after being hospitalized at Tawas Hospital for several days.

Mr. and Mrs. James Hicks spent Friday evening at the home of Mr. and Mrs. Edwin Sharp. The Hicks are leaving for Florida early next week.

Mr. and Mrs. Frank Schloss have closed their home on Long Lake for the winter and returned to Detroit.

Say Merry Christmas with a gift subscription to The Tawas Herald.

## SHERMAN

Jaqueline Jordan has employment at Tawas Hospital.

Mrs. Ruth Miller has been a patient at Tawas Hospital.

Mrs. Calvin Billings came home from Saginaw recently after fracturing her arm and shoulder blade in a fall at the Lee Roush home. Her daughter, Mrs. Walter Batzloff, is taking care of her.

Mr. and Mrs. Victor St. James of Whittemore spent Sunday at the William Bamberger home.

## State-wide service program for used car buyers

# of Guaranteed Warranty

**15% discount on all parts AND 15% discount on all labor for one full year on any Guaranteed Warranty used car**

We have joined with hundreds of other members of the MICHIGAN Automobile Dealers Association to provide the used car buyer with a state-wide discount program on parts and labor. To receive and use this discount privilege, buy your next used car from us. We belong to the Guaranteed Warranty Program.

- Buy a warranted used car from any one of the dealers listed in this announcement. With your car, you will receive a Guaranteed Warranty certificate and a listing of all dealers throughout MICHIGAN who are members of the program. Automatically, you have a 15% repair discount privilege on that car in the garage of any member dealer in any part of MICHIGAN for one full year after purchase.
- If your car needs any repairs at all during the year, except as a result of accident, take it to the dealer from whom it was purchased or, when traveling, to any GW dealer shown in your MICHIGAN listing or to any GW Dealer in the United States or Canada. Have your car repaired, then show the dealer your Guaranteed Warranty Certificate. He will then discount 15% from your total bill for all replacement parts and labor.

The Guaranteed Warranty discount program is the first and only state-wide used car warranty plan approved by the MICHIGAN Automobile Dealers Association.

### Tours S. America With Thunderbirds

T-Sgt. Jack L. Achenbach, husband of the former Mildred M. Dawes of East Tawas, is in South America participating in a month long goodwill aerial tour of eight countries with the United States Air Force's famed F-100 jet flying demonstration team, the Thunderbirds.

Sergeant Achenbach, a jet aircraft crew chief, is one of a specially selected group of support personnel chosen to make the tour. The group will perform maintenance and administrative duties necessary to keep both the jets piloted by the Thunderbird team and the aircraft to be exhibited in ground displays in top shape.

Sergeant Achenbach will visit cities in Brazil, Paraguay, Argentina, Chile, Bolivia, Peru, Uruguay and Columbia.

## Children Everywhere Welcome Christmas

Ask any youngster in any Christian country what his favorite holiday is — the answer — CHRISTMAS!

Although the date may vary, and observances may be a little bit different, in every Christmas celebration, this particular holiday means gifts for the children and extra festivities in the home.

In Spain for example, The Three Kings — Gaspar, Melchior and Balthazar — bring the kiddies sweets and treats on the eve of Epiphany.

In preparation for the arrival of the Kings, the children stuff their shoes with straw and leave them outside for the Wise Men. In the morning, the children find that the Wise Men's horses have eaten the straw, and in its stead are gifts of all kinds.

In Italy, youngsters also receive their gifts on Epiphany. However, the bearer is a little woman who is named "La Befana." She carries gifts for the good little children and leaves charcoal for the bad ones.

According to the legend, it is said that when the Wise Men first set out to seek the Christ Child, they asked La Befana to go with them. She refused because she was too busy. She later decided to go to Bethlehem herself, but got lost along the way. So now as then, "La Befana" still seeks the Infant Jesus.

In Switzerland, the Christ Child Himself delivers gifts to the children. He comes on Christmas Eve in a sleigh drawn by six reindeer. The gifts He carries are toys, nuts, sweets and cakes.

Then, after carols are sung, and the story of the Nativity told by father, the children open their gifts. Later, groups of boys and girls go about singing, yodeling and tinkling cowbells. As they go from house to house, they are given gifts by friendly neighbors.

In many provinces of France, shoes are set by the fireplace by the young children of the family in anticipation of the Christ Child's arrival on Christmas Eve. He fills their shoes with toys and sweets.

In other parts of France and Lorraine, boys and girls hang their stockings by the fireplace on the Eve of St. Nicholas and pray the good Saint will remember them.

St. Nicholas is the giver of gifts for Dutch children, too. They believe that the Saint comes riding through the air on a white horse and jumps from rooftop to rooftop. As he slips down each chimney, he fills shoes and baskets with all sorts of goodies to delight the youngsters.

Children of Sweden get their gifts at Christmas time from the Yulbock or Yule goat, who is supposed to throw their gifts to them through their front doors.

The gifts are always wrapped in plain paper and bear bright red wax seals with a humorous verse attached to it.

In the Latin-American countries, many of the Spanish customs prevail. And, they take on added color from North American customs of English and German origin.

In Indian areas, however, Christmas has blended with more primitive customs.

In Germany, St. Nicholas, or Nikolaus brings candies and nuts to the children on December 6th, while toys and more personal gifts are distributed to the kiddies on Christmas Eve by the Kristkindl.

In England, children hang their stockings in front of the fireplace on Christmas Eve for Father Christmas to fill, and enjoy almost all of the same joyous customs that the young fry in the United States do.

Since the Christmas holiday is one that is a reverent observance of a Child's birth, then the joy and happiness of children around the world at Christmastime is the most fitting tribute to Him.

### No Reason for Delay in Applying for Social Security

There is no longer reason for many working people 65 and older to delay making application for their social security benefits, according to Paul M. Ellifritz, district manager of the Bay City Social Security Office.

Under recent changes in the law, persons eligible for social security benefits can earn more and still collect some benefits in addition to their earnings, Mr. Ellifritz said.

He pointed out, for example, that under the old law, a worker eligible for a monthly benefit of \$90 could not collect any social security checks if his earnings for the year amounted to more than \$2,060. Under the new law, this worker can earn up to \$2,530 a year and still collect some of his payments.

The law now considers both a person's earnings and his benefit rate in determining whether he can be paid some social security benefits. Mr. Ellifritz suggested that working people 65 or over who have not applied for their social security benefits should check now to find out whether it is to their advantage to file an application.

The Herald is printing the coupon below to make it easy for older working people to do this. Fill out and mail the coupon to your social security office at the address shown on the coupon, if you are still working at 64 or older and have not yet applied for your social security benefits.

The Bay City Social Security Office will send to social security record-keeping headquarters in Baltimore, Maryland, for the official record of your social security account and benefit rate. When that record is received, the social security office will get in touch with you.

### Patients at State Hospital Look for Merry Christmas

Patients at Traverse City State Hospital are looking forward to a Merry Christmas. It simply cannot happen for many of the patients unless the citizens of the Traverse City State Hospital's committing area, through their generosity, provide gifts. It is not necessary that gifts be expensive. They must, however, be new. Used items cannot be presented to patients as Christmas gifts. Such items as costume jewelry; cosmetics for both men and women; smoking materials such as cigarettes, cigars, pipes and tobacco; games; puzzles; books; candy; fruit and nuts, and inexpensive items of clothing are always most welcome.

Items should not be wrapped but should be accompanied with a sufficient amount of wrapping material.

Christmas gifts should be mailed to the Community Relations Office, Traverse City State Hospital. Gifts will be received until December 20.

Civic groups, churches, schools, youth groups and individuals are urged to take part in this extremely worthwhile program so that the forgotten patients at Traverse City State Hospital will have a very Merry Christmas this year.

### BE AN ALERT SHOPPER WHEN BUYING YARD GOODS

One of the many ideas expressed to members of Westside Household Artists members by Miss Dorothy Scott, county extension agent, was being an alert shopper when buying yard goods. Individuals should watch for off grain prints on fabrics. Matching thread is essential.

Mrs. Fred Bublitz hosted this November 29 meeting at her home.

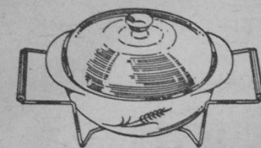

A pot-luck dinner will highlight the December 13 Christmas party of the group at Mrs. Marvin Davcnport's home, 1:00 p. m.

FB WOMEN'S COMMITTEE TO HOLD CHRISTMAS PARTY — Farm Bureau Women's Committee will hold a Christmas party December 6, 12:30 p. m., at Tawas Township Hall.

A pot-luck luncheon will be enjoyed and gifts will be exchanged. Members are to bring a gift for the Huron Convalescent Home.

**Needlecraft News**  
by Nancy Baxter

Have you ever run across old prints in book stores—or in art books, maybe—that show winter skating parties? There they are—whirling around the snow-framed rink, balancing muffs and ear-warmers, pantaloons, all kinds of woolen protection. Yet bundled-up as they are, they look incredibly graceful. And brisk as the very strokes of their skates. But that's Currier & Ives, or somebody else from those far-away days, you decide—and that kind of atmosphere just isn't around anymore.

**BUT THAT'S NOT REALLY THE CASE!**

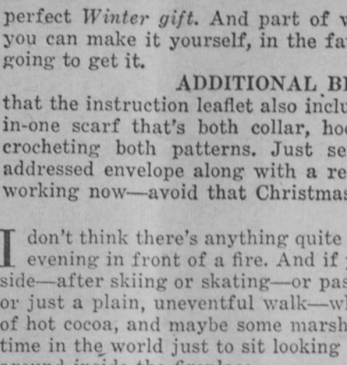

For here's "that kind" of atmosphere—updated, true; and topped by a pretty 1961 face—but it's that kind of atmosphere, just the same. For it's a thick, crocheted muffler with perky tassel ends... and the matching hat (part stove-pipe, part Russian Cossack) is as pertinent now as its counterpart was in 1861. It's crocheted in combinations of Periwinkle, White and Scarlet—bright winter colors that can't help both flattering the wearer... and catching the eye of even the casual observer... the perfect Winter gift. And part of what makes it perfect is that you can make it yourself, in the favorite colors of the one who's going to get it.

**ADDITIONAL BENEFIT IS** that the instruction leaflet also includes another pattern: a three-in-one scarf that's both collar, hood, and muffler. You'll enjoy crocheting both patterns. Just send your stamped, and self-addressed envelope along with a request for PC-1066. And start working now—avoid that Christmas rush!

I don't think there's anything quite so pleasant as a warm winter evening in front of a fire. And if you've just come in from outside—after skiing or skating—or passing near a snow ball fight—or just a plain, uneventful walk—what could be so nice as a cup of hot cocoa, and maybe some marshmallows to roast, and all the time in the world just to sit looking into the gray patterns curling around inside the fireplace.

**YOU WANT EVERYTHING TO BE WARM THEN,** including the tips of your toes. And today's design is intended to warm those very things... it's a pair of After Ski Socks... easily knitted on two needles. Soles are reinforced with felt to make paddling around the house more comfortable. But the nicest thing of all about them is their color—Pink and Spanish Purple. They'll look brilliant emerging from a package on Christmas morning. And they're so quick and easy to make perhaps you've thought of it already: a pair for everybody in the family... you'll be twins, quadruplets, quintets—whatever—in Pink and Spanish Purple knitted comfort.

**DON'T GET LAST-MINUTE GIFTS** not when you can get free instructions for these socks, and knit them up way ahead of time. Send a stamped and self-addressed envelope to the Needlework Department of this newspaper, along with your request for Leaflet No. B-159. You'll have fun getting ahead of your calendar.

**'A Christmas Carol'**

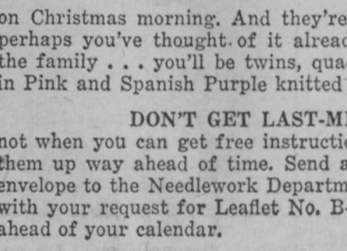

Few stories so completely express the true Spirit of Christmas as does the classic tale of "A Christmas Carol" by Charles Dickens.

Dickens wrote the "Carol" in 1843 and it was first published in London shortly before Christmas.

Its reception was spontaneous and great; soon its fame spread around the world and it was printed in many languages.

None of the other Christmas essays that Dickens wrote caught the public's fancy as did this one of Old Scrooge and Tiny Tim whose wish to all was—"God Bless Us Every One."

Not only is this story read at Christmas time within family groups, in school rooms and at religious gatherings, but Dickens' "A Christmas Carol" has been recorded by famous actors; the "Carol" has also become an annual presentation on radio and television.

**TREE-TRIMMING** by Consumers Power Company has speeded up considerably in the Bay City division with the acquisition of a new Hi-Ranger truck. This unit is equipped with a hydraulically-operated, collapsible boom which can extend to a height of 55 feet. Operators are William Wheeler and Fritz Taylor of Bay City. In the picture at left, Wheeler is shown in the bucket as he trims branches from a tree on Court Street. Watching from below are Clayton Wood, left, and William McCoy, right, of the Tawas division. The picture at top right shows the unit with boom in position for traveling along the highway. Wood and Wheeler are shown in the bottom picture as they discuss the next site for work in the Tawas area. The firm has used this equipment for about three months and has found it very efficient. This method is much safer for the men and it beats climbing in trees or using ladders. The boom is formed of fiberglass, which eliminates much of the danger while working around "hot" lines. Cost of the unit was \$18,000. It was in use for several days here last week.—Tawas Herald Photos.

**NEW CHEVY II**

Never before such a team of totally new cars! Sedans, hardtop, station wagons, even a convertible... you name it, Chevy II has it. Nine models in all now in production. They're easy on the eyes, easy on the road and easy on your pocketbook. Two spunky engines, a four and a six (your choice in most models), purr along merrily on regular gas—and darn little of it, too. Thanks to Mono-Plate rear springs, the ride reminds you of the big Chevrolet—and you know how smooth that is. The space and cushy comfort inside put you in mind of big cars, too. But Chevy II parts company from anything else around when it comes to offering all these fine features—at a sensible low price. Check your Chevrolet dealer and see for yourself.

**CHEVY II 300 4-DOOR 3-SEAT STATION WAGON.** Packs a whopping 76.2 cu. ft. of cargo.

**CHEVY II NOVA 400 CONVERTIBLE.** It's Chevrolet's newest and lowest priced convertible.

**CHEVY II 300 4-DOOR SEDAN.** Chevy II's saving ways in a practical 6-passenger family model.

Now... look 'em over and try one out!

**CHEVY II NOVA 400 SPORT COUPE.** Handsome hardtop with top-of-the-line go and glamor—at a pleasin' kind of price.

A NEW WORLD OF WORTH—Chevrolet • Chevy II • Corvair • Corvette at your local authorized Chevrolet dealer's

**STATE OF MICHIGAN**  
 In the Circuit Court for the County of Iosco

**IN CHANCERY**  
 Leo H. Lukowski and Anna B. Lukowski, his wife  
 Plaintiffs,  
 vs.  
 Nellie P. Lovell and R. D. Robinson, their unknown heirs, devisees, legatees and assigns,  
 Defendants.

**ORDER FOR PUBLICATION**  
 At a session of said court held at the court house in the City of Tawas City, in said county on the 27th day of October, A. D. 1961.  
 Present: Honorable Allan C. Miller, Circuit Judge.

On reading and filing the bill of complaint in said cause and the affidavit of H. Read Smith attached thereto, from which it satisfactorily appears to the court that the defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause, and;

It further appearing that after diligent search and inquiry it can not be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, can not be ascertained after diligent search and inquiry.

On motion of H. Read Smith, attorney for plaintiffs, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said bill of complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.

It is Further Ordered that within twenty days plaintiffs cause a copy of this order to be published in The Tawas Herald, a newspaper printed and circulated in said county, such publication to be continued therein once in each week for six weeks in succession. And that a copy hereof be mailed to the named defendants herein at their last known address by registered or certified mail, return receipt requested, within twenty days from the date hereof.

ALLAN C. MILLER  
 Circuit Judge  
 Countersigned:  
 George A. Prescott  
 Clerk of the Circuit Court.

Take notice, that this suit, in which the foregoing was duly made, involves and is brought to quiet title to the following described piece or parcel of land situate and being in the Township of Wilber, County of Iosco and State of Michigan, described as follows:

"That part of the Southeast quarter of the Northeast quarter of Section 29, Township 23 North, of Range 7 East, lying Southwest of Monument Road, except the recorded plat of Silver Heights Subdivision as recorded, and also lots numbered eleven (11), Twelve (12) and Thirteen (13) of Silver Heights Subdivision.

### ELECTION NOTICE

**COUNTY OF IOSCO STATE OF MICHIGAN ELECTION NOTICE**

**TO THE QUALIFIED ELECTORS OF THE COUNTY OF IOSCO, STATE OF MICHIGAN:**

NOTICE IS HEREBY GIVEN that at a Special Election to be held in the regular voting place in each election precinct in each City and Township in the County of Iosco, State of Michigan, on Monday, the 11th day of December, 1961, between the hours of 7:00 o'clock a. m. and 8:00 o'clock p. m., Eastern Standard Time, the following propositions will be submitted to the electors of said County:

**I. Bonding Proposition**  
 Shall the County of Iosco, State of Michigan, borrow the sum of not to exceed Three Hundred Thousand (\$300,000.00) Dollars and issue and sell its bonds therefor, for the purpose of paying part of the cost of constructing and equipping a medical care facility and acquiring a site therefor in said County?

**II. Tax Rate Limitation Increase Proposition**  
 Shall the limitation on the total amount of taxes which may be levied against all property in Iosco County, Michigan, for all purposes except payment of obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X of the Constitution of Michigan, by nine-tenths (.9) of one mill on each dollar (\$90 on each \$1,000.00) of the assessed valuation, as equalized, of all property in the County for a period of fourteen (14) years, from 1962 to 1975, both inclusive, the proceeds of the levy thereof to be used for the sole purpose of paying the principal and interest on bonds of said County in the aggregate principal sum of not to exceed Three Hundred Thousand (\$300,000.00) Dollars, to be issued for the purpose of paying part of the cost of constructing and equipping a medical care facility and acquiring a site therefor in said County?

Only properly registered electors who have property assessed for taxes within Iosco County, or the lawful husband or wife of such owners, are entitled to vote on the bonding proposition.

All properly registered electors may vote on the tax rate limitation increase proposition.

These propositions are being submitted in accordance with the following resolution adopted by the Board of Supervisors of said County on the 13th day of October, 1961.

**COUNTY OF IOSCO STATE OF MICHIGAN**

WHEREAS, in the judgment of the Board of Supervisors of Iosco County, Michigan, it is deemed necessary for the general welfare and health of said County and its citizens to provide for the constructing and equipping of a medical care facility in the County and for the acquiring of a site therefor;

AND WHEREAS, the cost of said proposed County medical care facility has been estimated by James A. Spence Company of Saginaw, Michigan, the architects retained by the Board of Supervisors, to be Five Hundred Fifty Thousand (\$550,000.00) Dollars, which estimate of cost is hereby declared to be the estimated cost of said medical care facility.

AND WHEREAS, it will be necessary to borrow the sum of Three Hundred Thousand (\$300,000.00) Dollars and issue bonds of the County therefor, for the purpose of paying part of the cost of constructing and equipping said County medical care facility and acquiring a site therefor;

AND WHEREAS, the Board of Supervisors does hereby determine and declare that the estimated period of usefulness of said County medical care facility is not less than fifty (50) years;

AND WHEREAS, in order to meet the requirements of Section 21, Article X of the Constitution of Michigan and the statutes of the State of Michigan in such case made and provided, it is necessary also to submit to the qualified electors of said County the proposition of increasing the constitutional tax rate limitation for a period of not to exceed fourteen (14) years, by an amount sufficient to provide funds for the payment of said bonds;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. A special election shall be held in the County of Iosco on Monday, December 11, 1961, at which time the following propositions shall be submitted to the qualified electors of Iosco County, Michigan:

II. Tax Rate Limitation Increase Proposition  
 Shall the limitation on the to-

### SPECIAL ELECTION NOTICE

To the Qualified Electors of Township of Plainfield County of Iosco, Michigan.</

### Vote Monday

(Continued from page 1.)  
tients are equally or more important, since no suitable facilities exist."

Homminga said that it was true that state policy recommends that a consulting orthopedist and a consulting psychiatrist or psychologist be available for a medical care facility. But he said that his department realizes that such specialists are not available in every area, but services can be obtained when the need arises, just as in the case of the small general hospital.

He said that policies of the local facility would be up to the judgment of local administrators.

Homminga also said that nurses aides have been trained in many facilities in the field of physical and occupational-recreational therapy at no cost to the county. He said that an excellent example of this type of program was at the Huron Community Health Center, Bad Axe.

Thirty-three counties in Michigan now have medical care facilities. One of the latest to start construction was Manistee County, directly west from Iosco County on the Lake Michigan shore.

**Attending 'University of Scouting' December 1-2**

Attending the "university of scouting" held at the Higgins Lake Conservation Training School December 1 and 2 were Richard Powers, cub commissioner; Vernon Pugh, cubmaster; Mrs. Gene Alexander, Mrs. Glen Smith, den mothers; John Austin, neighborhood commissioner.

Classes in all phases of scouting were held under the direction of Frank E. Preston, assistant national director of volunteer training.

### Monday Saw Busy Calendar in Iosco Circuit Court

Trail was set for two persons and six persons were sentenced Monday by Judge Allan C. Miller in Iosco County Circuit Court.

Joseph Wilson, who stood mute and a plea of not guilty was entered, was ordered to stand trial December 21, 9:30 a. m. He is charged with embezzlement of funds from Dobson Cartage and Storage Company, Oscoda. Preliminary examination was held November 14 before Justice of the Peace Emmitt Collins.

Jury trial was set for December 19, 1:30 a. m., to hear charges of uttering and publishing a forged check against Mrs. Irene Overby. H. Read Smith was appointed as her legal counsel by the court.

Michael Boylen, who entered a plea of guilty to uttering and publishing, was placed on one year probation and ordered to serve five week-ends in jail. He was fined \$50 and ordered to pay costs of \$50. He was also ordered to pay restitution of \$100 to John Pinter, East Tawas businessman.

Leonard Wasilewski was placed on probation for two years on a charge of uttering and publishing with insufficient funds and sentenced to serve 30 days in the county jail. He was ordered to pay \$277.68 restitution and costs of \$50.

Michael Miller was placed on 2½ years probation and ordered to serve a maximum of 12 months at Camp Pugsley. He was convicted of stealing a jacket from a locker room at Tawas Area High School.

Donna Tedhams, convicted of forgery, was placed on probation for one year and fined \$50 and ordered to pay costs of \$50.

Manley R. Williams, who entered a plea of guilty to gross indecency, was placed on probation for three years, fined \$50 and ordered to pay \$100 costs.

Sterling T. Olsen was fined \$50 and ordered to pay costs of \$50 for breaking and entering in the daytime.

Convicted Tuesday during a bench trial before Judge Miller was Floyd E. Horrell, 36, Alpena. He was charged with issuing a no-account check. His case was referred to Richard K. Nelson, probation officer for the department of corrections, for pre-sentence report.

### Tawas Township Farmer Hurt in Tractor-Car Crash

A 51-year-old Tawas Township farmer was treated at Tawas Hospital Saturday after his farm tractor was involved in a crash about 5:45 p. m. on M-55, 1.4 mile west of the Plank Road intersection.

Injured was Russell J. Nelkie, who sustained lacerations to the head, dislocated finger on his left hand and bruises to most of the body.

Also injured was Clarence H. Brindley, 50, Hale, who received minor cuts and bruises.

Brindley told investigating officers that lights of an approaching automobile obscured his vision and he did not see the tractor until too late to avoid a collision.

Impact of the vehicles drove the tractor 60 feet ahead and into the ditch.

Richard C. Belanger, 24, Wurtsmith Air Force Base, was arrested Saturday night by Arenac County officers on charges of leaving the scene of a property damage accident at Oscoda. Belanger is alleged to have sideswiped a car driven by Samuel P. Ballew, 37, also of Wurtsmith.

Three servicemen were treated at Wurtsmith Air Force Base Hospital Sunday afternoon after an accident on US-23 in Baldwin Township. Charles N. Heard, 20, driver of the car, ran off the roadway after passing another car. He lost control when he attempted to pull back on the highway. The car skidded across US-23 and into a ditch where it rolled over and struck a tree.

### WILLIAM H. SIMS

Funeral services were held Saturday for William H. Sims, 80, who died November 30 at his home in East Tawas. He had suffered a stroke several years ago and had been in ill health since that time.

Survivors include one brother, David Sims of Tawas City; three sisters, Miss Essie Sims, East Tawas; Mrs. Myrtle Westcott, Detroit; Mrs. Mary Ellis, Los Angeles, California.

Burial was in Greenwood Cemetery. The Rev. Ralph Edwards officiated.

### SHORELINE

(Continued from page 1.)  
changes is a new provision which would allow the state to waive its mineral rights in Great Lakes submerged lands sales under certain conditions.

Clear-cut controls are recommended for fills, dredgings and commercial developments in connecting waters of the Great Lakes and inland lakes and streams. Such measures would, among other things, safeguard recreational and wildlife interests and allow for orderly industrial development.

NAPKINS and TABLE COVERS—In wedding designs, gold and silver decor. The Tawas Herald, 408 Lake Street, Tawas City, phone FOrest 2-3487. 40-ftb

### Today's Teen

TODAY'S TEEN is Jay Wetzel, 17, a senior at Tawas Area High School. Jay came to the Tawas area with his family in his sophomore year. His father, Eber, manages Whitney Gardens, a 1,000-acre farm south of Alabaster, and his mother is a member of the Tawas Area School faculty. He has two brothers and two sisters. His subjects this year are physics, English, United States Government and speech. He hopes to attend college after graduation and expects to major in agriculture. He has a C-plus average. His hobbies are hunting and fishing. — Tawas Herald Photo.

### ROY ATKINSON SR.

Roy Atkinson Sr. of Tawas City died Tuesday, December 5, at the home of his daughter, Mrs. Victor Dene, Detroit, with whom he had resided since September of this year.

Mr. Atkinson, who moved to Tawas City in 1947, married his wife, Grace, June 8, 1910.

Survivors include his wife; two daughters, Mrs. Dene and Mrs. June Doney of Detroit; two sons, Arthur and Roy Jr. of Tawas City; 14 grandchildren; five great grandchildren; a sister, Mrs. Mildred Secrist of Dearborn, and a brother, Guy of Hillman.

Funeral services will be conducted Thursday, 2:30 p. m., at Wilkie Funeral Home, Detroit. Burial will be in Detroit.

### WILLIAM H. SIMS

Funeral services were held Saturday for William H. Sims, 80, who died November 30 at his home in East Tawas. He had suffered a stroke several years ago and had been in ill health since that time.

Survivors include one brother, David Sims of Tawas City; three sisters, Miss Essie Sims, East Tawas; Mrs. Myrtle Westcott, Detroit; Mrs. Mary Ellis, Los Angeles, California.

Burial was in Greenwood Cemetery. The Rev. Ralph Edwards officiated.

### Court

(Continued from page 1.)  
January. This would include allowing National Gypsum's real estate experts access to the properties of plaintiffs for the purpose of appraisal and inspection.

This would also include allowing the defendant to take depositions of the plaintiffs and the plaintiffs were given permission to take deposition of John Pitts, manager and superintendent of National Gypsum Company's installation here.

All indications are that the February hearing will be lengthy. Attorneys for the plaintiffs stated they would have expert testimony on commercial values, soil erosion and pollution contamination. National Gypsum Company has six or seven experts, including two on real estate values, erosion, contamination, littoral drift and wind conditions, an accountant and a physician.

Attorneys making appearances were James K. Brooker, Bay City, for Obrecht and others; J. Richard Newman, East Tawas, for Johnson and Neuman; Gilbert G. Otto, Saginaw, for Slaven; John R. Watkins, East Tawas, and William L. Rieth, Buffalo, New York, attorneys for National Gypsum Company, along with Sternberg and Richardson, who represent plaintiffs desiring to intervene.
