# **Braves' Three Game Win** String Broken by Gladwin

son came to a grinding halt Friday night when the Flying Gs of Gladwin routed the Braves, 74-57.

The loss was bitter medicine for the McIntoshmen, who had won three games in a row against teams of equal caliber, but who now face a rugged schedule against the top three conference contenders - Pinconning, West Branch and Houghton Lake.

For Gladwin, it was one more step toward an amazing rebuilding program by Coach Gene Gilbert. The Braves defeated this same team twice last year.

The Braves now move to Pinconning Friday night where they take on the always troublesome

The visitors lost little time in showing which school was going to take charge on the hardwood Friday night. The Gladwin JV outdistanced the Junior Braves, 42-36, in the preliminary.

In the varsity contest, Gladwin jumped off to a 11-8 lead in the quarter and were never headed the rest of the way.

Gladwin's fast-break tactics early in the first quarter wore the cutting edge off Tawas' usually good defense and the Gs went on to outscore Tawas in all four quarters.

Led by Center Mike Redman, who missed only one shot at the buckets during the first three quarters and finally wound up with 30 points for the night, Gladwin won with ease by making good on 52 percent of its field goal attempts.

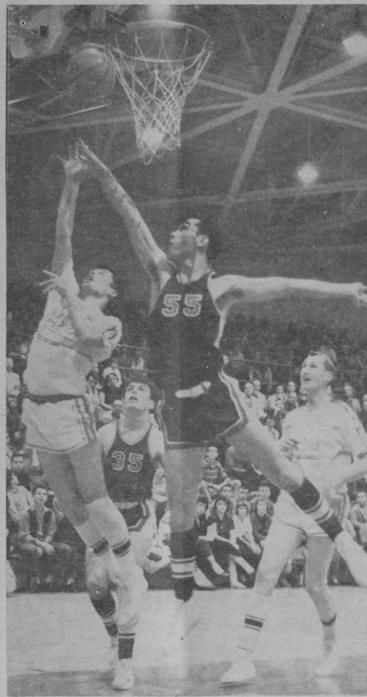

After trailing at intermission 31-21, Tawas came to life in the third period to score 20 points, but Gladwin countered with 24 points and bested the Braves in a basket-for-basket exchange.

At one time in the second half. Tawas came within seven points of tying the score but Gladwin's sharp-shooters soon put the game out of reach. Gladwin held a 19-16 scoring edge in the final

The winners had four players who hit in double figures, led by Redman's 30. Other top scorers were Ridley with 15, Jungman with 13 and H. Smith with 12.

Al Moore topped Tawas Area's scoring efforts with 17 points, followed by Don Humphrey's 15. In the preliminary, Gladwin's w JV racked up a 28-12 lead at halftime and then staved off a de-

termined bid Braves to win, 42-36. Tawas Area had a 15-6 scoring edge in the third quarter and a 9-8 margin in the fourth quarter, but Gladwin's first half scoring M bulge proved to be the differ-

A. Ebert. The two painters at bottom are SSgt

Edgar Buchanan and MSgt Herman T. Hulse.

HERE'S WHAT GIVES CHEVY ITS JET-SMOOTH RIDE-Full Coil suspension—Chevy's one of the few cars with a coil spring at every wheel. Precision-balanced wheels -For smoother rolling with less vibration. Sound-hushing insulation—Sheet metal is carefully insulated against drumming and vibration. 51 built-in "shock absorbers" -Cushion the chassis against shock and shake. Live rubber body mountings—Extra-large butyl rubber cushions that further isolate the ride from the road.

This is the Impala Sport Coupe - just one of 20 Jet-smooth Chevies! Better just circle your dealer's block the first time you try a Jet-smooth '61 Chevy. Get anywhere near an open

ghway and he's liable never to see you again. What we mean, Chevy's ride whets your yen to travel. Wins you over with its delightful coil-spring smoothness,

its hushed comfort and light steering. You find yourself feeling sorry for people who buy higher priced cars, thinking they have to pay premium prices for a luxury ride.

That may have been true at one time, but not any more. Chevrolet's ride, its roadability, just doesn't take second place to anybody's. Drive one soon and see.
