

Business Upturn in Next Few Months

Anderson Coach Company of officials who attended the National Mobile Home Show at Louisville, Kentucky, said today that they were well pleased with the reception accorded the new 1961 models.

Attending the show were James Guest, president; Orville Stiehl, vice president; Donald Miller, sales manager; Ronald Korthals, chief engineer, and Bert Shorkey, sales representative.

The show was held in the new Kentucky Exposition Center and lasted for a period of six days starting January 10. Dealers from almost every state in the union attended during the closed industry days and an estimated 15,000 people went through the exhibits during the one public day.

More than 200 mobile homes manufactured by NMHA members were displayed, many of them showing units that expand for additional floor space, the current trend in the industry.

Anderson exhibited two models, both 10 feet wide, one 50 feet long and the other 55 feet in length. Both models featured the new bay window front and one had a "Swing-Room" that adds four feet to the normal 10 feet width of the living room.

According to Mr. Guest, all of the changes and refinements were well received by dealers and the public, alike, and the actual sales to dealers for stock

was satisfactory, in view of prevailing conditions.

In spite of the depressed state of the mobile home industry, some dealers did show some signs of optimism. Although no drastic upward changes in demand are foreseen by the company during the first quarter of 1961, it anticipates that a gradual upturn should be apparent during the second quarter.

In the meantime, Anderson is consolidating its general offices, intensifying its selling efforts in the field and working toward increased efficiency, productivity and quality in an effort to improve its position during the period of limited demand and intense competition foreseen for the industry during the coming months.

Tawas Mothers to Join March Next Tuesday

The Golden Key of Hope—a new symbol for a new decade of medical progress against crippling diseases—is the badge volunteers will proudly wear in the 1961 Mothers' March climaxing the New March of Dimes campaign in Iosco County.

In Tawas, the Mothers' March will take place the evening of Tuesday, January 31. Volunteers identified by the golden key badge will call on neighbors for support in the campaign against diseases which affect one in every four American families.

Vernon Pugh, who heads the committee in charge of the Mothers' March in Tawas, states that the one-hour campaign will start at 7:00 p. m. Tuesday, January 31. Fire and police sirens will signify commencement of the drive.

Each of the households visited in the march will receive valuable health information cards including do's and don'ts for expectant mothers, arthritis warnings, and vaccination alerts for those still not protected against polio.

"The most effective ammunition any of us can supply for the fight to prevent crippling diseases is the dollars we give to the 1961 New March of Dimes," George W. Myles, Iosco County campaign director, said today.

The March of Dimes campaign in Iosco County will be featured Thursday, February 2, with a variety show to be held at Tawas Area High School Auditorium. Tickets may be purchased at the door and receipts will go toward the campaign fund.

Included on the program will be the school dance band under the direction of Edward Rima. Fifty pupils of the Betty Kubiac Dance Studio will present toe, tap, ballet, song and dance numbers.

PALAGHE TRANSFERS TO ALPENA KROGER STORE

Lyle Palaghe, co-manager of the Tawas Kroger Store, transferred to Alpena as of Monday. He will be co-manager there. He moved to Alpena Tuesday.

Palaghe has been at Tawas Kroger since shortly after the store opened as head grocery clerk.

Gordon Dunham, local manager, stated that Glenn Bullock, meat department manager, would assume part of the co-manager's duties.

Rising Welfare Costs Blamed for Iosco Deficit

Although Iosco County finished the past 12 months with a debit balance of \$1,480.73, County Treasurer Grace L. Miller said Friday that there was little cause for alarm.

"With disbursements totaling \$237,486.35, the county's finance and apportionment committee came very close to balancing its budget," said Mrs. Miller.

Rising costs of the county's welfare load was one reason the county's budget closed the year in the "red." During 1960, Iosco spent \$25,356.61 for direct relief and \$45,889.33 for social welfare.

The board of supervisors had to transfer \$12,500 from its general fund to the welfare fund during 1960 to meet these rising costs.

At the end of 1959, Iosco County finished out the year with a credit balance of \$605.61.

As of December 1960, \$76,000 was owed on outstanding general obligation bonds which, in 1962, financed construction of the new county building. The county retired \$785 worth of these bonds this month. It expects to call in \$14,000 of the bonds in April and an additional \$15,000 in October.

A total of \$19,000 worth of bonds, which financed construction of the county jail in 1954, are to be called in or retired this year. At present, the county owes \$52,000 on this \$125,000 GO bond issue.

Chamber Enthused With Response

"We are enthused with the response to our call for volunteers to serve on chamber committees," stated Bruce Myles, president of the Tawas Chamber of Commerce.

"We expect that the names of all volunteers will be in our hands by Wednesday night's (tonight) meeting."

Myles said that two new committees were to be formed, in addition to those announced last week. They include an Iosco Fair Committee, which is to assist officials at Hale in any way possible for betterment of this annual event, and an airport committee.

Prisoners to Keep Their Curly Locks

If you need a haircut, son, do not expect to get one by breaking the law in Iosco County.

Until last week, lawbreakers who were incarcerated in the county jail for 30 days or more got their "ears lowered" at the county's expense.

In a move to reduce county expenses, the board of supervisors has eliminated this "service" from the sheriff's budget.

Continuation of the prisoner haircut program was defended by Undersheriff Leon Putnam, who said today that the department of corrections recommended that all 30-day prisoners should have their heads trimmed—for sanitary reasons.

"On one or two occasions, a barber has been a 'guest' of the county and we put them right to work at their tonsorial trade—giving GI haircuts to prisoners," asserted Putnam.

"I don't know what we will say to the state jail inspector when he makes his rounds—I guess the inmates will have to take turns with the clippers."

Henry Heinrich Sr., veteran AuGres farmer, was very much in favor of the proposal telling of the many floods he had seen in the river valley.

George Wood Sr., Whittemore farmer, stated, "As we have too much land in production now, we should buy out farmers in the valley and turn it back to wild-life until we might need it again." He also asked how many acres were damaged by the floods. Up to 16,000 acres are flooded at times but no actual amount of acres damaged was given.

Michael Avram, Whittemore farmer, asked what would happen with the water when it got to Saginaw Bay. With the bay so shallow at the river mouth when it was full of ice, would the problem not be worse with all the water?

Wilford Pressler of AuGres opposed the plan stating he owned river frontage now that would be cut off by the new channel.

FIREMEN, police and bystanders helplessly watched as flames destroyed the Hubert P. Benson home in Alabaster Township last Thursday morning and killed four children who were trapped on the second floor of the frame dwelling. Four members of the family escaped with their lives, but three were burned seriously. (More pictures on page 6.)—Herald Photo.

Funeral Services Held Sunday for Victims of Tragic Blaze

A white mantle of snow now partially covers foundations of what was once a home in Alabaster Township—but the snow cannot hide the scars of a tragic fire which claimed the lives of four members of one family and left its mark on the survivors.

Funeral services were held Sunday afternoon for the four children of Mr. and Mrs. Hubert P. (Chuck) Benson, who lost their lives when a fire raged through their two-story home last Thursday morning.

Killed were Thelma Mae Benson, 13; her brother, Douglas Lee, 11; and sisters, Debra Ann, nine, and Christine Louise, eight.

Their 40-year-old father suffered extensive first and second degree burns over most of his body. He is in Tawas Hospital.

Also in the hospital are the two other children, Fred, 22 months old, and James, six. Fred suffered first and second degree burns of the face and James, first degree burns about the face.

Mrs. Gloria D. Benson, 32, was released from the hospital Saturday after treatment for burns.

Following services Sunday at Jacques Funeral Home, Tawas City, the four Benson children were buried in the East Tawas Cemetery. The Rev. Joseph Dibley officiated.

The four children who died in the blaze that broke out about 4:00 a. m. Thursday were asleep in a bedroom on the second floor. The Bensons and the two younger children were sleeping in a first floor bedroom.

Benson told state police of the East Tawas post he put wood into the home's wood heating stove about 3:00 a. m., went back to

sleep and awoke when his wife cried out about an hour later: "The house is burning."

Mrs. Benson scooped James from his bed and took him outside.

Benson was badly burned when he ran up the flaming stairway in an effort to rescue the other children. Flames blocked his way and he called out for them to jump out the window and then retraced his steps down the stairs.

Once outside, he learned from his wife that Fred was still in his crib and Benson ran back into the house to rescue the baby.

Mrs. Benson ran to a neighbor's Edward Smith Jr., who, with his son, Dale, rushed back to the Benson home. Dale climbed a pole adjacent to the house and

rescued the baby.

Peoples State Bank of East Tawas has been authorized to act as collection agency and depository for money collected to assist the Benson family. This announcement was made Monday by Richard Harwood.

Several organizations have already contributed to this fund. In addition, local school students have collected money to help the family.

Iosco Commission Tells of 7-Year Road Program

Outline of a seven-year road building program in Iosco County, which is expected to cost in the neighborhood of a million dollars, was announced today by the Iosco Road Commission.

Rodney Meade, commission engineer, said that some 39 miles of roads would be constructed in Iosco during the next seven years.

Commission Chairman Clarence Curry states that approximately

5½ miles of road are to be built per year during this program and costs would average about \$142,000 annually. Construction is to include continuation of the Indian Lake and Beck Roads from the end of the Plank Road west of Tawas City, around Sand and Indian Lakes and terminating at Iosco during the next seven years.

Also on the program is construction on the full length of the Townline Road from Sand Lake Road east to US-23 at the south limits of Tawas City. Two miles of this road have been brought to grade by National Gypsum Company.

"The remainder of the Townline Road is in rough shape and we expect to construct about one mile per year," said Meade.

To be included in the program is construction on Chain Lake, Jose Lake and Rollway Roads from South Branch Road north of Hale, past Thompson farm hill and over sections of the Bissonette Road. This construction is about eight miles in length.

Meade said that the road commission has a budget of \$511,400 for 1961, \$90,000 of which is to come from the state maintenance fund. Primary road construction during 1961 will amount to approximately \$178,000.

Tawas Lake Report to be Heard at February Meeting

A complete report on progress toward establishment of a proposed Tawas Lake assessment district, for construction of a water level control dam near the headwaters of Tawas River, is to be made at the February meeting of the Iosco County Board of Supervisors.

Making this report will be Prosecuting Attorney William McCready.

A group of Tawas Lake property owners stated their views before last week's meeting of the board of supervisors.

Floyd Upton, spokesman for the Tawas Lake Improvement Association, urged the board to take some action on petitions presented by the group nearly two years ago for establishing a special assessment district and subsequent construction of a dam.

Upton pointed out that the legal level of the lake had been established by former circuit judge, Herman Dehnke, in 1959.

When the proposed assessment district and dam ran into a snag because of laws governing costs of maintenance and expenses of such a structure, State Representative James Mielock of Whittemore introduced a bill into the Michigan Legislature to remedy the problem.

Out of this legislation came a law which gives a county board of supervisors the power to create a tax assessment district under a graduated method of tax assessing and the power to operate such a dam.

"We hope that the board of supervisors will take appropriate action in order that such a program might be commenced this spring," said Mr. Upton. "The water level of Tawas Lake has lowered rapidly during past years. We passed through the so-called seven-year water cycle last year, but the water level shrinks yearly."

Farmers - Merchants Bank Experienced Great Growth in '60

"The past year saw the greatest period of growth in the nearly nine years of existence of Farmers and Merchants State Bank," reports J. M. Stevenson, vice president and cashier.

The bank, with headquarters at Hale and branches at Whittemore and Rose City, has assets of \$2,518,995.10. Its capital consists of \$1,000,000 with a total par value of \$750,000.

At a meeting of stockholders last week, it was voted to sell an additional \$50,000 worth of stock at \$50 per share.

"This move is being made to keep pace with the times and growth of our deposits," states Mr. Stevenson.

At the annual election of officers, Duell Pearsall was re-elected president, Carl Adams, vice president, and Mr. Stevenson, vice president and cashier.

Arnold H. Beyerlein, who manages the Rose City branch, was promoted to assistant vice president in addition to his branch manager duties. Richard Parkinson was appointed assistant cashier at the Hale office.

Fire Destroyed Potato Warehouse

Fire Monday night destroyed a potato storage warehouse about 15 miles south of Tawas City on US-23 in Arenac County. Owned by Mrs. R. C. Baxter, the structure contained about 7,000 bushels of potatoes. A flat rack truck was also lost in the blaze.

Firemen from AuGres were called to the scene but the 65 by 40 frame structure with aluminum siding was burned to the ground.

The fire was discovered by Mrs. Darwin Minard, who spotted the flames from her home near the Whitney Drain bridge, and notified state police at East Tawas.

Police said that Mrs. Baxter was visiting in Detroit and estimated fire loss could not be given.

Carl E. Bygden is New Metropolitan Agent

Metropolitan Life Insurance Company announces the appointment of Carl E. Bygden to the Tawas area agency.

Bygden will specialize in writing life, accident and health, and hospitalization coverage.

A native of Baldwin Township, Bygden and his family reside at 122 M-55, Tawas City.

A veteran of World War II, he is a member of the Veterans of Foreign Wars.

He is a graduate of East Tawas High School and attended Central Michigan University and Michigan State University.

He returned recently from a two-week Metropolitan representative course at Chicago and met the requirements of life insurance underwriters.

Haul Snow to SV; Caravan Here Sunday

With one eye on weather forecasts, winter sports officials here began hauling snow out to Silver Valley Tuesday in an effort to have facilities at the park ready for Sunday's visit of the East Detroit Lutheran Caravan.

Crews of men began scooping up snow around the Tawas and loading it on trucks. From here, the trucks hauled the snow to Huron National Forest where it was used to pack around toboggan slides.

Some 40 busloads of Detroit youngsters, numbering nearly 2,000 persons, are expected to arrive here early Sunday morning. The group is led by Bert Leidecker, who has had charge of the caravan since its inception nearly 15 years ago.

While five to seven inches of snow fell in the Tawas last Thursday, only about one inch fell at the winter sports park. Snow is needed to bank around toboggan slides and it is also used as a base for ice in the twin steel runs.

Slopes in the ski area are barren of snow in spots and, unless the area gets a good snowfall this week, ski conditions will be very poor.

Straw was used last week-end to patch the bare spots and the ski area was able to operate on a reduced scale.

To reduce maintenance expenses, volunteers from the committee, along with townfolk who wish to help, will work on icing the toboggan slides Thursday night.

Plans are nearly completed for the 24th annual winter sports carnival to be held here February 3, 4 and 5. The carnival will start with the annual fish fry at the Holland Hotel Friday, February 3.

Guests of the Tawas during the winter carnival will be Bob Reynolds and Reginald Merriwell of WJR-Radio, Detroit, and Virgil O'Dell, WJEM-Television sports announcer. Reynolds' nightly sports shows will originate from here February 3-4.

Robert Donley reported that all was in readiness for the queen's contest and coronation ball to be held February 4 at Tawas Area High School.

Iosco - Ogemaw Members Vote Against Flood Control

By DORNACE BELLVILLE

Plans for a flood control project for the AuGres River area were defeated by a 4-4 tie vote in a meeting of the AuGres River Water Management Commission held Wednesday, January 18, at the Reno Township Hall.

Talks on the proposed 2¼ million dollar plus project have been going on for some time with Arenac County farmers divided on the merits of the plan and Ogemaw and Iosco residents solidly against it.

Herbert Heinrich, Arenac representative of the Arenac-Ogemaw-Iosco Soil Conservation District Commission, proposed a vote on whether the plan was practical and necessary. He was supported by Archie McCready, Arenac County drain commissioner. Edgar Hasty, Arenac County super-

visors' representative, and Stanley Quackenbush, Michigan deputy director of agriculture in charge of inter-county drains, also voted in favor of it.

The four "no" votes were E. H. Stuckney, Iosco County drain commissioner; Edward Burgeson, Iosco County supervisors' representative; Fred Sheppard, Ogemaw County drain commissioner, and Chester Burch, Ogemaw County supervisors' representative. This vote kills any further work on this project for at least one year.

Two hours were spent discussing the merits of the program although the taxpayers of the three counties have no direct vote for or against the plan.

Wilford Pressler of AuGres opposed the plan stating he owned river frontage now that would be cut off by the new channel.

Henry Heinrich Sr., veteran AuGres farmer, was very much in favor of the proposal telling of the many floods he had seen in the river valley.

George Wood Sr., Whittemore farmer, stated, "As we have too much land in production now, we should buy out farmers in the valley and turn it back to wild-life until we might need it again." He also asked how many acres were damaged by the floods. Up to 16,000 acres are flooded at times but no actual amount of acres damaged was given.

Michael Avram, Whittemore farmer, asked what would happen with the water when it got to Saginaw Bay. With the bay so shallow at the river mouth when it was full of ice, would the problem not be worse with all the water?

Tawas Area School Bands to Present Concert Saturday

Junior and senior bands of Tawas Area High School will present their annual mid-winter concert Saturday night, January 28, at the high school auditorium.

The 1½-hour program will be under the direction of Edward Rima.

Selections by the 67-member junior band will start the program. Included will be "The Star-Spangled Banner," Francis Scott Key; "Military Escort," a march by Harold Bennett; "Appalachian Suite," by John Kinyon, which includes "Barbara Allen," "Lolly Toodum" and "Green Sleeves."

Other numbers by the junior band will include "The Victorious," an overture by Carl Frangkiser and "The Show Boy," a march by William Huff.

Following intermission, a woodwind quintet will present "Ballet Egyptian No. One," by A. Luigini-Holmes. Members of the quintet are Mary Ellen McMullen, flute; Nancy Borosch, oboe; Marleen Myles, clarinet; Christine Moehring, bassoon, and Richard White, French horn.

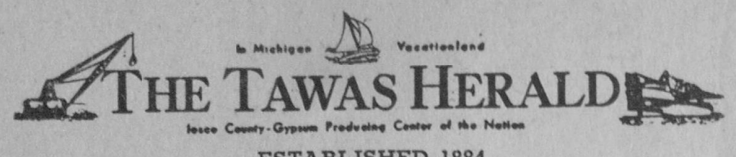

"Barnum and Bailey's Favorite," a march by K. L. King, will start the program for the 76-member senior band.

This will be followed by the "Second American Folk Rhapsody" by Clara Grundman. Numbers include "Billy Boy," "Skip to My Lou" and "Shenandoah."

TAWAS AREA HIGH SCHOOL BANDS will present their annual mid-winter concert Saturday night, January 28, at the high school auditorium. These candid shots were snapped during a rehearsal last Friday and show some of the bandsmen in action. Tawas is considered to have one of the finest high school bands in this

section of the state and its January concert is the highlight of the band program here during the year. Also to appear during the concert will be the junior band. Both organizations are under the direction of Edward Rima, shown in the second picture from right in the bottom row.—Tawas Herald Photos.

Noted Evangelist Holds Services at East Tawas Church

Evangelist and Mrs. J. W. Beam will come into the Tawas area with an unusual ministry and a miraculous testimony which the public will want to hear. Mr. Beam received an outstanding preaching ministry with so unusual a grasp of the Scriptures, that he is often referred to as the "walking Bible." This generates faith in his listeners and leads many into a spirit filled life.

Mr. Beam was given up to die when tuberculosis, gangrene and hemorrhaging caused a hole larger than two inches to appear on an X-ray taken in the London, Ontario, hospital. His weight dropped below 100 pounds. There seemed to be no hope for him. After requesting prayer, the Rev. R. E. McAlister and Evangelist Beatrice Sims anointed him with oil and prayed according to James 5:14. He rapidly gained strength and weight. Further X-rays showed no traces of any damage in his lungs. He weighs over 200 pounds and travels extensively in gospel work.

Services, which began January 24, will continue through February 5 and are nightly at 7:30 p. m. except Monday. The Sunday evening service begins at 7:00 p. m.

The Rev. George Krish, pastor of East Tawas Assembly of God Church, invites the public to attend these services.

ZION MISSIONARY LEAGUE HELD QUARTERLY MEETING

Lutheran Woman's Missionary League of Zion Lutheran Church met Thursday for its quarterly meeting. The Rev. Walter C. Pieper led devotions. After the Mite boxes, dedication and ingathering, the business of the evening was discussed, with Mrs. Arnold Guilford presiding. The group plans to have a workshop on February 16 at which time the ladies will wrap, pack and mail layettes and other used clothing for Lutheran World Relief.

The group is also collecting stamps, commemoratives in all denominations, for missions and Betty Crocker coupons for the premiums offered to furnish missionary furlough homes.

The topic, "The Path of Worship," an explanation of the Lutheran order of worship, was presented by Mrs. Guilford and Pastor Pieper.

The next regular meeting is scheduled for April 20.

CHRISTIAN SCIENCE

Continuous benefits are available to all through a fuller comprehension of God as Love. This idea will be enlarged upon at Christian Science services Sunday in the lesson-sermon entitled "Love."

Readings from the Bible will include this selection from I John (4:9): "In this was manifested the love of God toward us, because that God sent his only begotten Son into the world, that we might live through him." The closing citation to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (6:17-18): "God is Love! More than this we cannot ask, higher we cannot look, farther we cannot go."

The Golden Text is from Jeremiah (9:24): "Let him that glorieth glory in this, that he understandeth and knoweth me, that I am the Lord which exercise loving kindness, judgment, and righteousness, in the earth."

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room

Read Colossians 3:12-17

Let this mind be in you, which was also in Christ Jesus. (Philippians 2:5)

One sunny spring morning, I was a guest in a rural home in Minnesota. While I was sitting in the living room reading a book, my hostess came in. As we talked briefly, she went to the window and turned some flower pots. I asked her why she disturbed the lovely plants. She replied, "Plants grow toward the light; and if they are not turned occasionally, they do not grow straight."

After she left the room, I pondered what she had said. Growing toward the light became a searching test for me. I thought of Jesus' words, "I am the light of the world." Across the centuries, I heard Him say again, "Learn of me." "Follow me."

The Christian life is not static, but expansive. There are always deeper insights to gain and loftier heights to scale. Even Paul confessed that he had not arrived, but still reached out for the goal. It is we who fix the limits of divine blessings we receive. It is not a question of God's willingness to give, but of our capacity and willingness to receive.

PRAYER

Help us, dear Father, to look unto Jesus, our Saviour and Master, and learn of Him: learn to trust Thee as He did, to obey as He obeyed, to love as He loved, to walk as He walked, and to serve with His compassion. In His name. Amen.

THOUGHT FOR THE DAY

In the school of Christ, we always have deeper insights to gain and loftier heights to scale. Theodore W. Anderson, Illinois.

REV. DIBLEY WILL BE AT OSCODA CHURCH SUNDAY

In the absence of the Rev. Frank Davenport of the Methodist Church, Oscoda, the Rev. Joseph Dibley of East Tawas will preach in his place Sunday, January 29. His theme will be "Jesus Christ is Lord."

Orville Leslie is preparing to build a modern garage and salesroom on the Peter E. Shien property.

Mr. and Mrs. Carl Adams of Hale have moved into their modern new farm home.

January 26, 1951—Edwin A. Goodwin, former Detroit Free Press editor and resident of this county, died Saturday at Lansing. Mr. Goodwin was publisher of the Michigan State Digest at the time of death.

Miss Dorothy Quarters is spending a few days at Mt. Clemens.

Scotty Catto and Al Weillman, well-known pro ski instructors, will have charge of activities at the AuSable Ski Bowl this season.

Arthur Dillon Jr., USNR, arrived home on leave from Norfolk, Virginia.

Miss Clarissa Dorsey of Lansing is spending several days at her home in Whittemore.

Mr. and Mrs. John Dickey of Whittemore are spending a few days in Bay City.

Mrs. Elmer Graves of Hale is visiting in Saginaw.

"And some apples and... oh, yes, who owns the electric company?" "Howzzat?"

He's not the only one who's puzzled. A lot of our customers don't know the right answer. Your electric company is not owned by the city or by the state. It's an independent business owned by thousands of people—people like you. They invest their savings in the company... and this helps it to grow and serve you better. That's a big reason why you can be sure of getting plenty of electricity at bargain prices.

GRADUATES FROM RECRUIT TRAINING AT GREAT LAKES

Richard F. Schafer, son of Mr. and Mrs. Godfred Schafer, Hale, was graduated from recruit training January 14 at the Naval Training Center, Great Lakes, Illinois.

The graduation exercises, marking the end of nine weeks of "boot camp," included a full dress parade and review before military officials and civilian dignitaries.

In nine weeks of instruction, the "raw recruit" is developed into a navy bluejacket, ready for duty with the fleet.

JUDGE ALLAN MILLER ADDRESSES LEGION GROUPS

Glenn Staley Post No. 422, American Legion, and its ladies auxiliary paid tribute to the young people who have done so much for scouting activities in the Hale area. The program was held January 18 at the Hale Legion Hall.

The evening began with a delicious dinner served by the ladies auxiliary after which Mrs. Edwin Sharp, auxiliary president, was introduced by Serge Thomsen, master of ceremonies. She introduced and saluted the leaders of the Girl Scout and Brownie Troops, Mrs. Ronald Dane and Mrs. Louis Bissonette. Mrs. Robert Pember and Mrs. Allen Freund are leaders but were unable to attend.

Mr. Thomson, who is also a boy scout executive and has been greatly instrumental in keeping the scout movement an active one in Hale, introduced leaders of Boy Scout Troop No. 90, Richard Parkinson, Leo Kocher, Ronald Dane and Richard Pfahl. Mrs. Donald Goodrow was also honored for past work as den mother for cub scouts in past years.

Glenn Staley Post Commander Robert Pember was introduced and gave words of praise and welcome to these leaders and a pledge of full support and cooperation from the post and auxiliary. He then introduced the speaker of the evening, Circuit Judge Al-

lan C. Miller.

Judge Miller gave an inspiring review of the history of scouting, which began at the time of the Boer War. He cited the fact that in all major events, disasters or any emergency the boy scouts were always doing a good job assisting whenever or wherever needed. He also stated a boy who has had the advantage of scouting is one who stays out of trouble. He did say, however, that although the Boy and Girl Scouts of America are our greatest youth groups and have been of so much benefit to so many, the talent and patience in training youth in this field.

After the dinner, the post and auxiliary held separate business sessions.

Commander Pember announced that there will be a two-hour movie shown at the American Legion Hall, Hale, on the evening of January 26. This is a navy action film and should be of interest to all. The public is invited. There is no admission charge.

LOCAL SCOUTS ATTEND KLONDIKE DERBY

Twelve boy scouts from Hale attended the annual Klondike Derby at the Two Lakes property located 7 1/2 miles north of Rose City on M-33.

Games were played with prizes being awarded to Mrs. Rhea Matthews, Mrs. John Matthews, Mrs. George Westcott and Miss Sheila Dodson.

A delicious lunch was served after Miss Dodson opened many lovely gifts.

GIVES REPORT ON MUSIC BOOSTER CALENDAR SALE

Wilbur Roach reported on the sales of the community calendars at the Tawas Area Music Booster Club meeting held Thursday evening at Tawas Area High School.

Mrs. Kenneth Conn, president, appointed a committee to serve refreshments to the band members after the January 28 concert.

Mrs. John Proctor was ap-

pointed chairman, with Mrs. Paul Beyer and Mrs. John Moffatt as her committee.

Mrs. Elsie Solomon presented a program which she will give for the benefit of the boosters club. The tentative date is February 26. Mrs. Conn also appointed two committees for this program. Mr. and Mrs. Paul Beyer and Richard Ferguson will make up the program committee and Mrs. Proctor, the publicity.

'CHECKER OF YEAR' CONTEST AT KROGER STORES

Check-out girls at Tawas Kroger Store are entered in the "checker of the year" contest by Super Market Institute and National Cash Register Company. National prize winners will receive a two-week vacation in Hawaii, a mink stole, 10 day Hollywood, Florida, plus luggage and jewelry and other prizes.

Kroger store winner in this area will go to Flint for a banquet in February. Each store winner is entered in an area contest. Winners from there move up to division contests and finally national competition.

Gordon Dunham, Kroger manager here, urges customers to help local check-out girls win a vacation trip by voting at the special display at the door. All voting in the contest is done by customer ballots.

Go Down in Third Defeat

Unable to capitalize on an "off-night" by their opponents, the Tawas Area Braves went down to their third straight defeat Friday night, losing to West Branch, 40-23.

For West Branch, the victory had a rather dull ring as the Orioles were definitely not up to par. Considered as the team most likely to win the NEM toga this year, the Birds had a dismal shooting average of 18 out of 60 attempts from the floor.

Although at a definite disadvantage because of the lack of height, the Braves had many scoring opportunities. They could not come through with the key baskets, however, completing only seven out of 50 shots from the floor.

West Branch controlled the backboards and the Braves were unable to hit from a distance.

Tawas Area did come up with a good man-for-man defense which prevented the Branchers from turning the game into a rout. Forward Tony Ehinger and Center Raymond of the Orioles, both well over the six-foot mark, were bottled effectively during the first half.

For Coach Bill McIntosh and the Braves, it is just one of those years. One consistent scorer added to this good defensive unit would mean a big difference in games won and lost.

As it was, Tawas held its own during the first half, trailing 10-7 at the end of the first quarter and 18-13 at intermission.

The third quarter proved to be the Braves' undoing as Forward Lewis Werth's lone bucket was the only two-pointer scored by Tawas in that quarter. West Branch taking a 28-15 lead.

The Branchers outscored Tawas in the final stanza, 12-3. Ehinger was the top scorer for both teams with 12 points. Tawas cagers were paced by Guard Herm Rollin, who meshed nine.

The preliminary game also went to West Branch, the Oriole JV outgunning the Junior Braves, 51-38. At one time in the second period, West Branch sported a 20-5 lead, but the Junior Braves bounced back to narrow the margin to 38-36 with only two minutes to go. West Branch then broke away to win easily.

Durant and Doak led Tawas with 14 and 10 points, while Forney topped West Branch with 15 points.

Cardinals Lose to Standish-Sterling in Overtime Game

Whittemore - Prescott Cardinals split two games with Standish-Sterling Friday night. The varsity dropped a cliff hanger, 50-49, in overtime while the JV squad easily won its fifth game against one defeat, 58-43.

The Cards trailed 28-22 at half-time but quickly closed the gap as the second half opened with Rex Gibson putting the Cards ahead 31-30 only to have Davis give Standish-Sterling the lead again 32-31.

The lead continued to change hands on almost every basket until midway in the last quarter when bad passes by Coach Dudo's boys gave Standish-Sterling the breaks to go five points in front 45-40. Gibson's three buckets and Fegan's one put the Cards ahead again 47-45 with seconds to go.

O'Keefe's shot tied the score with time running out and Fegan's long shot from center court was short as the whistle sounded to send it into overtime.

In the overtime period, O'Keefe was fouled while shooting and missed the first shot but sank the next to give Standish-Sterling a one point lead. Rex Gibson put the Cards ahead 49-48 with his jumper from the lane but O'Keefe again was fouled and sank both tosses to give Standish-Sterling a 50-49 win.

Gibson topped the scoring with

19 on nine and one for the Cards; O'Keefe of Standish-Sterling followed with 14 on three and eight. The Cards' Fegan and Standish-Sterling's Davis also scored in double figures with 12 and 11 respectively.

Coach Fegan's Card JV jumped off to a 20-12 first quarter lead and held a good margin all the rest of the way with Partlo and Cherry tallying 16-15 points. Standish-Sterling also had two players in double figures, Kohn with 13 and Weishuhn with 11.

Scenes at Thursday's Tragedy

SEARCH FOR BODIES—Fire Chief Fred Musolf of Tawas City points into ruins of the two-story frame home in Alabaster Township where rescuers found the bodies of the four children who lost their lives early last Thursday morning.—Tawas Herald Photos.

HOME AFLAME—Flames leap skyward shortly after fire broke out at the Hubert P. Benson home. The Tawas City Fire Department got the first call at 4:10 a. m. and was on the scene in short order. Flames and smoke prevented them from rescuing the four children trapped on the second floor.

FUTILE EFFORT—Sheriff Ivan O'Farrell, who, along with Michigan State Police investigated the worst fire tragedy in the history of Iosco County, throws a pail of water at the blazing inferno that destroyed an Alabaster Township home and took the lives of four children.

Plainfield Cows Complete DHIR Production Tests

Henry and Karl Luitje of Harts and Weather are the owners of five registered Guernseys that have recently completed official DHIR production records, according to the American Guernsey Cattle Club at Peterborough, New Hampshire.

Plainfield D Grace, a six-year-old, produced 10,680 pounds of milk and 519 pounds of fat in 305 days. She was milked two times daily.

Plainfield Lea Lola, a junior three-year-old, produced 11,070 pounds of milk and 525 pounds of fat in 305 days. She was milked two times daily.

Plainfield Le Arvella, a junior two-year-old, produced 9,350 pounds of milk and 486 pounds of fat in 305 days. She was milked two times daily.

Plainfield Le Anita, a junior two-year-old, produced 10,430 pounds of milk and 459 pounds of fat in 305 days. She was milked two times daily.

Plainfield Le Lillian, a junior two-year-old, produced 11,790 pounds of milk and 491 pounds of fat in 305 days. She was milked two times daily.

telephone lines

By CHET MAHER, Manager

"NUMBER, PLEASE?" . . . According to our best information, this famous phrase originated in Chicago, way back in 1895. Before this, telephone operators responded with such phrases as: "What do you want?", "Hello", "Number?", and "What number?". The whole Bell System adopted the words in 1904—so you can see that our present operators are following a long tradition of courteous service.

SOMETHING NEW ON THE DIAL of most telephones being installed these days is an Area Code. The Area Code is part of your telephone "address," indicating your section of the country. Printed on the dial, it's easy to give your Area Code to persons in other parts of the country who call you. If they use the Area Code when calling you, their calls will go through faster, whether dialed direct or put through by an operator. Your Area Code is used only for calls from distant places—never on local calls, or calls to phones with the same Area Code.

AREA CODE 313

A NEW VOICE aid has been developed by Bell Telephone Laboratories for those who have lost the use of their vocal cords. Weighing only seven ounces, this artificial larynx is battery-operated. It comes in two types: one unit simulates a man's voice, one a woman's. It is being made available on a non-profit basis. For more information, just call your Michigan Bell business office.

Whichever size you go for, you'll go better in a Dodge

Some people like full-size cars. Others prefer compacts. Either way, it's OK by us. We make both. Our standard-size car is the Dodge Dart. It is priced model for model with Ford and Chevrolet. However, Dart has features its major competitors can't match: A unitized, rust-proofed body. Torsion-bar front suspension. And a new device called an alternator-generator that charges at idle, makes a battery last far longer than usual. There are 23 Dart models with Economy Slant Six or one of five V8 engines. Try the full-size Dodge Dart at your dependable Dodge Dealer.

(A full-size Dodge priced model for model with Ford and Chevrolet)

On the right, Lancer, the new Dodge compact. It comes in six models: sedans, hardtop, wagons. With two engine choices: 101 and 145 h.p. Dodge Lancer is priced right down the line with Comet, Corvair and Falcon. It has a battery saving alternator-generator. A fully unitized, rust-proofed body. Want to know more? Amendment Would Give Citizens of D. C. Right to Vote

Tawas Area Jaycees went on record last week in support of a joint resolution which provides for amendment of the constitution of Columbia to grant citizens of the District of Columbia the right to vote for electors in presidential elections, according to William Roberts, president of the local Jaycee chapter. The proposed constitutional amendment, which was adopted by congress June 16, 1960, to be effective, must be ratified by three-fourths of the states within seven years after the submission to the states.

Shortly after the Michigan Legislature convenes in January of this year, the Michigan Jaycees will seek to have an appropriate measure introduced in the Michigan Legislature so that Michigan can be among the first states acting to correct this situation.

Roberts added, "It is a shame that hundreds of thousands of United States citizens are today denied the right of voting in national elections for presidents and vice presidents of the United States simply because they are residents of Washington, D. C."

Now that congress has presented a proposal to the states to correct this situation, the Tawas

Area Jaycees are requesting that all residents prevail upon their respective state legislatures to ratify this constitutional amendment.

Individual citizens can help to insure the success by advising their representatives in the Michigan Legislature that they favor this action to extend the constitutional right of voting to citizens of the District of Columbia.

SEVERAL organizations of the county received flags from the Iosco VFW Auxiliary. Pictured from left to right are Mrs. Geraldine Smith, Brenda Brugger, Ann Bellville, David Smith, Mrs. Dornace Bellville, Sallian Roach, Mrs. James Roach, Mrs. Florence Couture, Mrs. Clara Wilder, president of the auxiliary, and Mrs. Gladys Ohst, Americanism chairman of the organization.

VFW Auxiliary Presents Flags to Several Groups

New American flags were presented to four area groups by Iosco County VFW Auxiliary at its meeting Monday evening at the post home. Receiving flags from Mrs. Gladys Ohst, auxiliary Americanism chairman, were World War I Auxiliary, Barracks No. 2088; Tawas City Brownie Troop No. 2; Whittemore Juvenile Grange No. 244, and Tawas City Girl Scout Troop No. 3.

VETERANS WARNED TO RETURN QUESTIONNAIRE

Veterans who receive pensions were warned this week that the questionnaire mailed to them recently must be returned to the Veterans Administration not later than January 31. Pensions of those veterans who do not return the cards will be stopped immediately, the VA declared.

New Record Features Former Tawas Man and Wife

A new record, "Who's That Knocking?" by the Sonars, now one of the best-selling discs in Central Florida, features a former Tawas citizen and his wife.

Lead vocalist and rhythm guitarist of the group is Thomas Morley, a 1954 graduate of Tawas Area High School. His wife, Iris, is another member of the Sonars, along with Ken Holmes and Karen McPherson.

Morley is the son of Mr. and Mrs. Harry Morley, former Tawas residents who now live at East LeRoy. "Tom" lived with his family here for 18 years.

The Sonars will have two more records released in the near future and anyone in the Tawas area who would like the present record may purchase it at Lucky's Record Store, Bay City, or send to Vulco Records, Cocoa 3182, Five Points Station, Cocoa, Florida.

MOTION MADE TO QUASH KIDNAPPING CHARGE

A motion to quash kidnapping charges against Mathew Buder and John N. Bogart was denied Thursday afternoon by Justice of the Peace A. J. Goulet.

Justice court hearing for the two men was set for January 26-27 at the Iosco County Building. Charges against the two men were filed here last August after they allegedly attempted to perform a "citizens arrest" on Jerome F. O'Rourke, former Genesee County prosecutor, at his cabin north of East Tawas.

Robert C. Goussy, assistant attorney general, has been appointed to represent the State of Michigan in the case, on motion of Iosco Prosecutor William McCready.

DEMS TO HOLD COUNTY CONVENTION JANUARY 25

County Democratic Chairman Donald Watson announced Monday that the County Democratic Convention will be held at the Iosco County Building January 25, 8:00 p. m. Delegates chosen will attend the state convention in the spring.

Tawas Lake

(Continued from page 1.) ing attorney and now counsel for the property owners association, said that the rights of many people were involved and that the matter was properly in the hands of the circuit court.

He emphasized the fact that the board of supervisors does not act as a board of determination for lake level. "It is a public proceeding and handled through the courts," he said. "If the board finds reasons why such a district should not be established, it should present its reasons to the court."

Counter petitions protesting creation of such an assessment district are on file in the county clerk's office. They were presented to the board in January, 1960 by Supervisor Edward Burgeson of Baldwin Township, who owns property on the north side of the lake. Adjacent property owners of Mr. Burgeson were co-signers.

AuSable River Trip Will be Televised

The AuSable River Queen, side-wheel paddle excursion boat operated during the summer months by Howard Brubaker of Oscoda, will soon receive statewide publicity, according to Dennis Glen Cooper, travel and adventure photographer.

Cooper was here last summer and made the trip on the AuSable River. Films of this trip are to be shown on George Perrot's adventure series over television sometime in May.

"I will certainly urge people who are traveling in your part of the state to take the trip," wrote Cooper. "I think it is very worthwhile—your operation is well conducted and you put a lot of human interest in your boat trip."

DELEGATES NAMED TO REPUBLICAN CONVENTION

Representing Iosco Republicans at the state convention February 3-4 at Cobo Hall, Detroit, will be County Republican Chairman Elmer Werth, Miss Edna Otis, Vernon Hughes and William Hart.

Alternates selected were George Myles, William Fuerst, Albert H. Buch and James Mielock.

WATSON ATTENDS IBM DINNER AT DETROIT

Donald Watson attended a dinner at Detroit Saturday night in honor of Hugh Garman, who completed 40 years with International Business Machine Corporation. Watson had worked with that firm for nearly 10 years before coming to Tawas City.

Flood

(Continued from page 1.) ter getting there in a rush, unless a channel was dredged out into the bay.

Martin Eckstein, Sherman Township farmer living on the river, said he thought a ditch from the AuGres River to the Whitney Drain would cost much less as there would be only about two bridges to be built compared to six or eight on the other route including the replacing of the US-23 bridge in AuGres and a new bridge just completed last year by Arenac County and the federal government east of Turner.

Edgar Shaffer, Arenac County supervisor from Turner, stated a majority of the people in his area were not in favor of the project, many residents living on a fixed income and would not be able to pay the extra taxes.

Ernest Bellen, Burleigh Township farmer, asked if the people living along the river and benefiting most from the project would donate the right of way for the 100 to 200-foot channel or would they expect pay for it.

When asked about payment for the project, Mr. Quackenbush said this was not the question at this meeting but when pressed further, stated the water management commission had the authority to set rates of payment for the various townships and cities.

Mr. Burgeson, Iosco supervisor, stated the people in Iosco County had not been properly informed of the proceedings.

Traditional closing for the concert will be "The Stars and Stripes Forever."
The program starts at 8 o'clock and tickets will be on sale at the door.

WILBER NEWS

Clarence Dorey and daughter, Hlene, of Birmingham were weekend visitors at the Francis Dorey home.

Mrs. Alfred Boomer returned to Largo, Florida, Monday after visiting relatives here and in the Tawas area for several days.

Members of Wilber Methodist Youth Fellowship enjoyed a skating party Saturday evening at the John Henry farm.

Mrs. Louis Alverson will be hostess to Wilber Methodist WSCS Wednesday afternoon for a work meeting.

Mr. and Mrs. Robert Alda spent Sunday at the Keith McLean home in Burleigh Township.

March

(Continued from page 1.) by a duet composed of Roberta Brookbank and Mary Lou Stump, solos by Georgia Mallon and Mrs. Viola Cater, accompanied by Miss Brookbank at the piano and Andrea Proctor on the flute. Violin selections will be offered by John C. Solomon.

Robert White, Richard Bernhardt and Keith Proulx will team up to form a rock-and-roll trio called the "Offenders." Also, the 30-member Tawas Area Community Chorus, directed by Paul R. Youngs and accompanied by Mrs. Alden Phelps, will present vocal selections.

The Betty Kubiak dancers, who range in age from three years to teenagers, have danced at many benefit shows in the past. They will be colorfully costumed and will be accompanied at the piano by Lynda Wight.

Fire

(Continued from page 1.) called out to the children trapped on the second floor but received no answer.
The Tawas City Fire Department was called at 4:10 a. m., but

because of fire and smoke, were unable to reach the children on the second floor. East Tawas Fire Department was on the scene to lend assistance, as was the Oscoda-AuSable Fire Department.

Bodies of the four children were recovered Thursday morning by firemen, state police, sheriff's officers and volunteers, who searched the wreckage.

Surviving the Benson children, besides their father, mother and two brothers, are their two grandmothers, Mrs. Flossie Benson of Pontiac and Mrs. Thelma McGuire of East Tawas.

Pallbearers for the funeral services were junior high students at Tawas Area School, where Thelma was an eighth grader.

WHITTEMORE MAN INJURED WHEN CAR LEAVES ROAD

A 20-year-old Whittemore man was injured Saturday when his car left M-55 about one mile south of M-65 and crashed into the ditch.

Injured and treated at Tawas Hospital was Elgin C. Sherman. He sustained cuts about the head and was knocked unconscious.

Sherman told investigating officers he did not remember what happened.

THOUGHT CHANNEL MARKERS DRIFTING FISH SHANTY

Investigation Sunday of what a Tawas City resident thought was a fish shanty and men drifting out on a Tawas Bay ice floe turned out to be channel markers for Port Gypsum.

After receiving a phone call from the Tawas City, state police at East Tawas notified the United States Coast Guard at Tawas Point, which dispatched a rescue boat.

A helicopter from Wurtsmith Air Force Base joined the search. Pilot of the craft identified the "objects," located about two miles off shore, as channel markers.

EMTA DEFERS SELECTION OF PERMANENT SECRETARY

Directors of East Michigan Tourist Association deferred selection of a permanent secretary-

manager until their summer meeting. Joseph R. McDermott, acting administrator of the tourist promotion organization since the death in November of H. Frank Davis, will continue in that capacity, according to Kenneth C. Teysen of Mackinaw City, EMTA president.

Directors, meeting at the Wenonah Hotel last week, received recommendations on selection of a secretary-manager from the EMTA office advisory committee.

A special screening committee was named by Teysen to review applications to make final recommendations at the summer meeting. Named to the committee were Frank Catto, Lansing; Harold L. Gould, East Tawas; Ted Benton, Houghton Lake; Louis A. Vaupre and H. A. Giesel, Bay City, and T. C. Maher, Midland.
