

SUMMER CAMP season in Isosco County opened last week when 65 area youngsters enjoyed facilities at Camp Nissokone on VanEtan Lake, owned by the Detroit YMCA. About two-thirds of the group attending were members of Isosco 4-H Clubs. Others included boy scouts and camp fire girls. This was the third year that the program was sponsored by the Isosco County Extension Service. In addition to County Agents Marvin Davenport and Dorothy Scott, three other adults and 12 junior counselors attended. Activities included swimming, canoeing, archery, arts and crafts. The youngsters, ranging in age from 10 to 14 years, also received instruction in mouth-to-mouth artificial respiration through a course given by Michigan State Police and made a wildlife survey with members of the department of conservation participating. These pictures show activities on the final day. At top, these four girls hike along one of the roads in the vast camp. At bottom, Counselor Donald Evans keeps a watchful eye on these youthful canoeists. As an example of hearty youthful appetites, the youngsters consumed 100 gallons of milk during their three days at camp.—Tawas Herald Photos.

Counselor Takes Night Off---City Has Problems

With little prospect of anything controversial arising, City Attorney Jerry Cotter was excused from attending Monday night's meeting of the Tawas City Council. The meeting proved to be far from dull, however. Three legal issues came before city fathers which required an opinion from the city attorney before action could be taken.

The questions, ranging from barking dogs to resort rate signs, were referred to Cotter, who is to make a report at the next meeting, July 3.

The first question concerned whether or not a city ordinance

If City Objects-- State Says It Will Not OK Plat Change

State Attorney General Paul L. Adams has notified Isosco County Circuit Court that the state will refuse to approve any order proposed in the cause to alter Huron Gardens Subdivision unless it meets with the approval of counsel for the City of Tawas City.

In a letter to Clerk of the Court George A. Prescott last week, Adams said that the city had filed objections to granting of an order requested in a petition by Victor A. and Doris M. Zaharias.

The city council has stated that its only objection in vacating the plat was in regard to closing 150 feet of Roberta Drive and vacating a portion of Victoria Lane. Vacating the plat would allow the owners to alter dimensions of several lots owned by them and would also change several streets. The city has not opposed replatting of the subdivision.

The city has maintained, however, that closing the 33-foot-wide portion of Roberta Drive in Huron Gardens Subdivision would leave a street only 33 feet wide in North Park Acres Subdivision, which adjoins to the north.

would cover the nuisance of dogs barking at night.

William Groff, who resides on Mathews Street, registered a formal complaint with the council over the barking of dogs in his neighborhood, stating he was losing sleep at night because of the dogs.

Mr. Groff said the dogs had been a problem for more than a year. He said that the animals were kept in a pen under his bedroom window and expressed the desire that the owner would move them closer to his own home.

"Perhaps he would understand my complaint if he were to do this," said Groff.

Should the city's nuisance ordinance fail to cover the question, Mr. Groff said he would consider civil action against the owner.

Inasmuch as legal advice would not be forthcoming for about two weeks, one citizen who attended the meeting suggested investigation into the possibility of using tranquilizer pills—for the dogs.

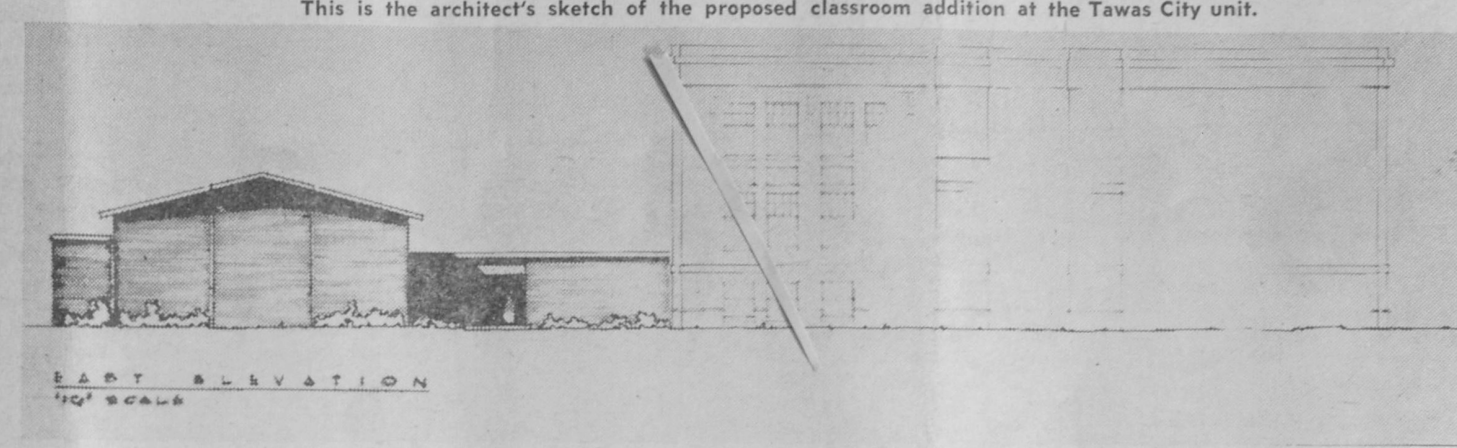

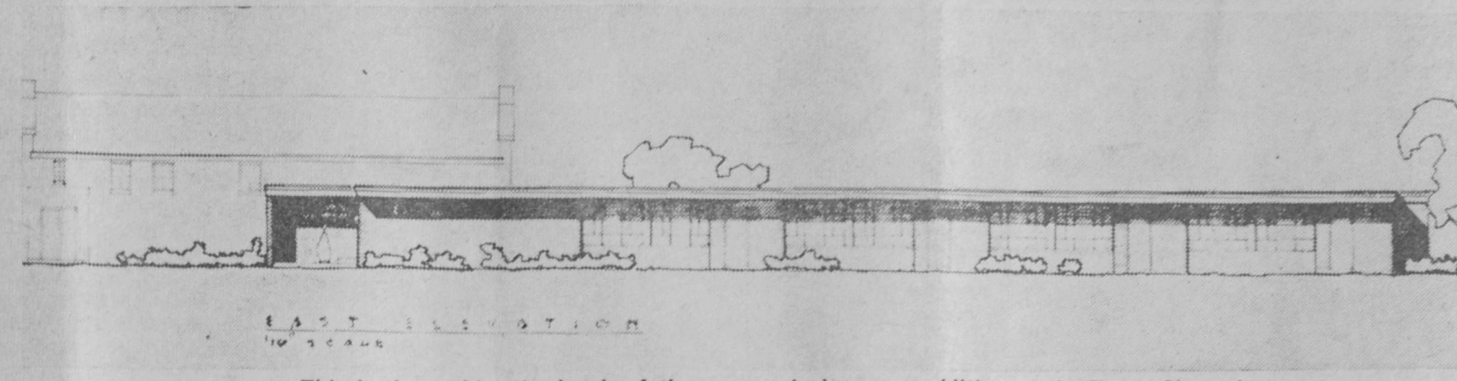

Another legal question brought before the council concerned the posting of resort rates on signs located along state highway right-of-way or on city property.

Donald Watson, representing the newly reorganized resort owner division of the Tawas Chamber of Commerce, said that the question had been discussed in detail among resort owners and that all but one operator had agreed to remove price signs from the highways.

Watson said that such signs gave the impression that resorts in the Tawas area were engaged in a price war and was poor advertising for the area.

He submitted petitions signed

A multipurpose room at the East Tawas unit would be included in the second phase of the program.

Voters to Decide on Millage Hike at Tawas School's Annual Election July 10

In addition to naming two trustees to the board of education at the annual election July 10, voters of Tawas Area School District will decide on a proposed three-mill tax levy for five years which would finance construction of additional classrooms needed by the school system.

A small crowd of electors of the school district attended an open meeting of the board of education held at the high school building Monday night.

The meeting was called to answer questions placed before the board by voters.

Decision to place this proposition before voters was reached following meetings between the board of education and representatives of various civic organizations, individuals and a committee of the Tawas Area Parent-Teacher Association.

According to a pay-as-you-go plan developed during the two meetings, the construction of new classrooms would be in three phases.

The first phase would include construction of six classrooms, a kitchen and boiler room at the Tawas City unit as part of an eventual 10-classroom structure. It would be constructed during 1962 and would be ready for use by September 1962.

The second phase would be construction of a general purpose room at the East Tawas unit and the remaining four classrooms at Tawas City. This would get under way as soon as money becomes available and could be completed in 1964.

The third phase would be construction of junior high rooms and additions to the high school building. This would be started when funds become available, which should allow construction in 1967-68.

Need for this expansion is emphasized by enrollment increases which have taken place during the past several years. Tawas Area is using all school facilities at the present time and will need one grade room each year for the next four years to allow for four sections in each grade. Enrollment will necessitate four sections instead of three in grades three, four, five and six through 1970.

Enrollment in grades seven through 12 now is 691. The high school building was built to accommodate 625 pupils and the high school is now two rooms short of the recommended number.

Projected enrollment for grades seven through 12 shows that there will be 949 pupils in these grades by 1969-70. There will be 683 pupils in grades nine through 12. Grades seven through eight will need eight rooms by 1966-67.

The existing high school, completed in 1957, will be two rooms short of meeting the minimum recommended needs of the upper four grades in 1970. Shop facilities must be expanded to meet increased enrollment.

The three-mill tax proposal would raise approximately \$390,000 over a period of five years.

Voters will receive two ballots July 10. Any registered elector in the district may vote on the question of raising the debt limitation while only taxpayers may vote on the question of establishing a sinking fund.

Two Face B&E Charge of Tawas City Stores

Two men charged with burglary of Cabbie Hardware and Whitfield Department Store in Tawas City early last Friday morning are being held at Isosco County Jail.

Demanding examination when arraigned before Justice of the Peace Emmitt L. Collins were Allen Steinhurst, 20, Route One, Tawas City, and Joseph E. Smith, 33, Detroit.

The two men were arrested at East Tawas last Friday morning by Undersheriff Leon Putnam and Conservation Officer Arthur Leitz after all patrol cars in the area were alerted by Michigan State Police at East Tawas.

Through investigation of Detective LeRoy McCluer of the East Tawas post and Chief of Police George Ruth, it was learned that several articles found at Steinhurst's home matched the description of articles stolen from the two stores.

Burglary of the hardware was discovered by the owner, Cecil Cabbie, when he opened for business at 8:00 a. m. A screen had been ripped off a side window and two frames were smashed out.

Stolen was a transistor radio, a pair of jersey gloves, several screw drivers and \$19.77 in change.

The burglars had used a wrecking bar to batter the combination of an office safe but entry was not gained. A desk and filing cabinet were also rifled.

Shortly afterward, it was discovered that the Whitfield store had been entered. George Whitfield, owner, reported that two sport shirts, a belt and about \$1.98 in pennies had been stolen.

Officer George Duff of East Tawas gave information to state police that he had given Steinhurst and Smith a ride to the corner of Lake and First Streets about 11:30 p. m. Thursday night.

Steinhurst is on probation for larceny from a building in Isosco County and also served time in Louisiana for burglary. Smith was discharged from Southern Michigan Prison at Jackson earlier this year.

McCluer and Chief Ruth checked at the home of Steinhurst's mother, Mrs. Lyle A. Long, who told officers that the men had come from Detroit by bus and arrived there about 3:00 a. m. They stayed there until about 11 o'clock that morning, saying that they were going to seek employment in Tawas City.

East Tawas Accepts Bid on New Fire Apparatus

East Tawas Council has accepted the bid of Howe Fire Apparatus Company, Anderson, Indiana, for furnishing a new fire truck.

At Monday night's business meeting, Howe's bid of \$17,432.73 was approved. William Look and Sons of East Tawas recently received the bid for furnishing the truck chassis. This bid was \$5,200.

Among features contained in the new truck is a 500-gallon water tank, two-stage pumping equipment, power retractable hoses, generator for emergency lights, a public address system and rescue equipment.

Delivery of the new truck is expected within 90 days.

The council's fire department committee is to meet with the Baldwin Township Board Friday to discuss a proposed joint fire protection contract.

In other business, a joint meeting has been scheduled with

Lixey's Market Sold to Hesters

Sale of Lixey's Market on US-23 at East Tawas to Earl Hester and sons was announced this week by Richter Lixey. The transaction was effective Thursday, June 15.

The store had been owned and operated by the Lixey family since 1931.

The new owners had operated Hester's Quality Market on Newman Street for the past 10 years. Prior to that, Mr. Hester had been associated with the A and P Store at East Tawas for 21 years.

The store has been renamed Hester's IGA, joining the Independent Grocers Alliance, largest independent home-owned chain in the country.

Hester's former location was closed as of Saturday night.

"This move will enable us to carry a larger selection of groceries plus a large meat department," said the new owners. The fish department will be owned and operated by Ralph Lixey, as has been the case in the past.

In Tawas River Canoe Race-- Sawyer-Wojahn Place First

Ralph Sawyer of Oscoda and Ed Wojahn of Tawas City continued their domination over state canoe racing Sunday by taking first place in the Tawas River Canoe Race.

The Sawyer-Wojahn duo completed the approximately nine-mile course in 58 minutes, 26 seconds, thus ending the amazing winning record of veteran paddler, Steve Kolonich of Tawas City, in this race.

Kolonich, who has been a member of the six first place teams in the eight-year history of the Tawas race, teamed up with his son, Gary, and crossed the finish line in third place.

The Kolonich team was nosed out for second place honors by Jerry Lauwers of National City and Stanley Hall of Oscoda, who completed the course in 59 minutes, 56 seconds, some 20 seconds ahead of the Tawas City team.

To the winners, who have annexed first place in all five races they have entered this year, went top prize money of \$75 and trophies. Second place paid \$25 and third place \$15, plus trophies.

In addition, trophies were presented to the other top seven teams along with merchandise prizes furnished by local business places.

Winners of the junior division race were David Funk and Frank Alstrom of Ossineke. Ken and Burrell Kolonich nailed down sec-

TC OK's License for M-55 Fruit Stand

After much discussion Monday night, the Tawas City Council gave its approval to a license application submitted by James Compo for operation of a fruit stand on M-55 near the US-23 intersection.

Such an operation is allowed and controlled under the city's peddler ordinance. Among other requirements, the licensee must post a \$1,000 bond.

Although such an application does not require council action, Chief of Police George Ruth requested the members to voice their opinion.

Alderman Cecil Cabbie questioned if the council was giving due consideration to year around business places and taxpayers when it allowed a fruit stand to locate in the city "and take the gray for two months."

He said he would rather see

Funeral Held for Ex-Tawas Man

Funeral services for Charles A. Schaldenbrand, former president of Anderson Coach Company at East Tawas, were held Saturday afternoon at Sommers Funeral Home, Detroit. Interment was in White Chapel.

Mr. and Mrs. Schaldenbrand, who resided at Holmes Beach, Florida, had started north last week to vacation in the Tawas area and at Wenona.

Stopping at Dingmans Ferry, Pennsylvania, to visit close friends, Mr. Schaldenbrand suffered a heart attack there and died early Wednesday morning.

He had been in ill health since suffering a heart attack last fall.

Born at Mt. Clemens in 1901, he and Mrs. Schaldenbrand had moved to Anna Maria Island, Florida, in 1953.

He is survived by one brother, Joseph Schaldenbrand of Detroit.

Several Tawas residents attended funeral services at Detroit.

Lucky Winner Eyes Dead Creek 'Race'

Lucky winner of the new racing canoe given away by the Tawas Chamber of Commerce Sunday was Neil Thornton of Tawas City. Held following the annual running of the Tawas River Canoe Race, the Herald photographer's winning number was 2,085.

The fiber glass craft was manufactured by the AuSable Canoe Company, Oscoda, owned by Ralph Sawyer, world champion canoeist.

When questioned as to his possible entry in future events, Thornton said he would confine his "racing" to Dead Creek . . . where the water depth suits him best.

Workshop Proves Interesting at Tawas

An interesting week of touring business, industry and governmental agencies was recorded by Northeastern Michigan Community Resources Workshop, a course sponsored by Michigan State University. Last week was the first of the four-week course under the directorship of William Tracy of Tawas Area School faculty. Mrs. Freda Barr of Midland is assistant director.

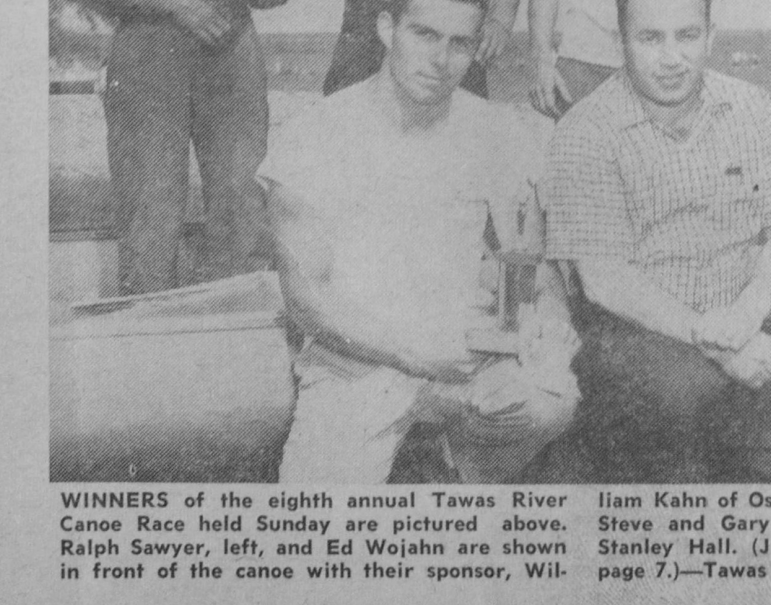

Thirty-two persons are enrolled in the course. Highlights of the week included a talk by Bruce Myles, president of Tawas Chamber of Commerce; tour of the Isosco County Building and Jail

Miss Otis Heads ET Centennial Committee

Miss Edna A. Otis has been appointed by Mayor C. V. Miller and the East Tawas Council to chair a committee for planning the city's centennial observance next year.

Mayor Miller said Tuesday that a committee of businessmen is to be formed to work with the chairman on the project.

Miss Otis was general chairman of the Isosco County Centennial Committee in 1958.

WINNERS of the eighth annual Tawas River Canoe Race held Sunday are pictured above. Ralph Sawyer, left, and Ed Wojahn are shown in front of the canoe with their sponsor, William Kahn of Oscoda. Standing left to right are Steve and Gary Kolonich, Jerry Lauwers and Stanley Hall. (Junior winners are pictured on page 7.)—Tawas Herald Photo.

Over 1,670 Get Social Security Benefits in Iosco

By the end of 1960, more than 1,670 people in Iosco County were receiving old-age, survivors and disability insurance benefits. The total benefits paid to these people for December 1960 was \$109,573, according to Paul M. Ellfriz, manager of the Bay City social security district office. "This is an increase in the number of people receiving benefits by about 11 1/2 percent over the same month last year," he said.

Nationally, almost 15 million people were receiving about a billion dollars a month in old-age, survivors and disability insurance benefits at the close of 1960. Many of these people were made eligible for benefits by the changes in law made in 1960, such as the reduction in the amount of work required to qualify for benefits and the removal of the age 50 requirement for disability benefits.

Payments to a retired worker with no dependents receiving benefits averaged \$70 in December 1960; to a retired couple both receiving benefits, the average payment was \$124. The average for an aged widow was about \$58.

Nineteen hundred sixty was the 20th year that social security benefits were payable, and the 25th anniversary of the Social Security Act, which became law in 1935. Changes in the law since 1935 have brought more than nine out of every 10 people in the United States protection by old-age, survivors and disability insurance, protection paid for by taxes on employees, their employers and the self-employed. Earnings will be reported to the social security accounts of more than 75 million workers during 1961.

Today's MEDITATION
from The World's Most Widely Used Devotional Guide

The Upper Room
THE UPPER ROOM, NASHVILLE, TENNESSEE

Read Psalm 91:11-16

What time I am afraid, I will trust in thee. (Psalm 56:3)

Many years ago, I was impressed by the story of a miner's son whose daily task it was to carry his father's lunch to him at noon. In order to reach him, the little fellow had to pass through a dimly lighted and, to him, a frightening area. Other workers regularly heard him repeating over and over: "What time I am afraid, I will trust in thee."

When we become adults, fears of some physical dangers generally leave us but others replace them. We fear personal failures and wrong decisions. We fear that we may fail in directing our children properly toward the straight and narrow path or that they will succumb to temptations they face on every hand.

Oh, the strength-depleting fears and anxieties we could avoid if only we would exercise the simple faith of the miner's son! May we never lose touch with the sustaining, protecting power of our loving Father in heaven.

PRAYER

Our Father, give us, we pray, such a close walk with Thee that our fears may be replaced by the comfort and joy of Thy holy presence. In Jesus' holy name we pray. Amen.

THOUGHT FOR THE DAY

The perfect love of the Father can cast out fear in His children. Kate L. Sharp, homemaker, Georgia.

AUGUST 17 TEA PLANNED BY EMANUEL LADIES AID

An August 17 tea was discussed at Emanuel Lutheran Ladies Aid meeting Thursday, June 15.

Refreshments were served at the close of the meeting by Mrs. Charles Timreck II, chairman, and Mrs. John Ulman, Mrs. Marvin Ulman, Mrs. Albert Wojahn, Mrs. Wilfred Yoachans and Mrs. Nelmer Zellmer, co-chairmen.

ST. PAUL SEMINARY TO BE DEDICATED JUNE 29

Twelve midwestern Catholic bishops will attend the dedication of the new St. Paul Seminary, Saginaw, Thursday, June 29.

Heading the list will be the Most Rev. John F. Dearden, archbishop of Detroit, who will conduct the rite of dedication at 4:00 p. m. at the seminary buildings and grounds at 2555 Wieneke Road, Saginaw Township.

Following the dedication service, the bishop of Saginaw and founder of the seminary, the Most Rev. Stephen S. Woznicki, will officiate at a pontifical high Mass in the seminary gymnasium. Upwards of 1,100 clergy and laity are expected to attend the ceremonies.

CHRISTIAN SCIENCE

The need to follow Christ Jesus' example of healing the sick compassionately through prayer will be stressed at Christian Science churches Sunday.

Scriptural readings in the lesson-sermon on "Christian Science" will include (Matthew 9): "And Jesus went about in the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing every sickness and every disease among the people. But when he saw the multitudes, he was moved with compassion on them, because they fainted, and were scattered abroad, as sheep having no shepherd."

A correlative selection to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (p. 37): "It is possible,—yea, it is the duty and privilege of every child, man and woman,—to follow in some degree the example of the Master by the demonstration of Truth and Life, of health and holiness."

The Golden Text is from Revelation 12: "Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ."

Kubiak Studio to Present Benefit Dance Revue

Students of the Betty Kubiak Dance Studio will present "Going Places," a song and dance revue at the Tawas City Unit Gymnasium Friday, June 23, at 8:00 p. m. The program is given as a benefit for the Benson family and in memory of their children who died in a fire last January.

The theme of the show is what the title states "Going Places," each setting taking place in a different locality, Paris, Broadway, Ireland, the Deep South, etc.

The opening number is staged at a New Jersey bathing beauty contest with 14 tiny bathing beauties and a judge who renders "You Must Have Been a Beautiful Baby" and "Baby Face." Then the sailorettes tell why "We Joined the Navy."

Jumping off to Alaska, "Button up Your Overcoat" is suggested by the northern lights ballet, or a peppy tap by the outdoor girls, and "Let It Snow," as it is fine for the "Skater's Waltz."

The hula honeys present the next stop, Hawaii. From there, it's Chinatown with the China dolls. "When Irish Eyes Are Smiling" proclaims the audience's arrival in Ireland.

Cowboys and Indians are portrayed in a dude ranch setting. "Hey, Look Me Over" and "Five Foot Two" depict Broadway.

"Swinging on a Star," the colorful grand finale closes the program in age from three to 18 years from Tawas City, East Tawas and Wurtsmith Air Force Base will participate.

Miss Lynda Wight will be accompanist for the group.

'Ancient Tracks' Presented to Smithsonian by Shell

A recently discovered rock slab containing more than 90 well-preserved tracks of ancient mammals was presented recently to the Smithsonian Institution.

The presentation was made during the opening ceremonies of the institution's newly completed tertiary mammal hall. The rock slab, known as the strawberry slab, will be housed in the new hall.

Dr. Leonard Carmichael, secretary of the Smithsonian Institution, accepted the gift from Samuel F. Bowlby, exploration and production vice president of Shell Oil Company's Pacific Coast area.

The strawberry slab was found by two Shell geologists, H. D. Curry and D. A. Preston, in Strawberry Canyon in the western part of Utah, Sunita Basin. Curry attended today's ceremonies.

"We are able to present the slab because of Mr. Curry's alertness and his sense of responsibility for helping to increase scientific knowledge. A less perceptive old geologist might have left the slab on the side of Strawberry Canyon," Mr. Bowlby said.

The animal tracks date back about 40 million years to the Eocene Age. The slab weighs more than 1,000 pounds and is over eight feet long.

The discovery is of major importance to scientists trying to unravel the mysteries of the Eocene Age and to trace the beginning of higher animal life. Relatively few findings of fossil mammal tracks have been reported and virtually none rival those on the Utah slab in number or age.

Among the 90 separate and clearly distinguishable tracks on the slab are at least four different types of three-toed mammals. Other tracks include those of a dog-like animal, a smaller cat-like animal with distinct claws and tracks of birds.

Bolen Wins Pitching Duel-

NEM League Leaders in 5-1 Win Over Tawas City

East Tawas Indies extended their win streak to six consecutive games in the NEM League Sunday with a 5-1 decision over their cross-town rival, Tawas City.

Pete Bolen, hard-throwing right hander for the winners, bested his one time high school teammate, Southpaw Herman Rollin of Tawas City, in a good mounded duel.

Tawas City rapped seven hits off the slants of Bolen but the big difference in the score was the result of his pressure pitching with men on base and equally fine support from his mates.

Rollin gave up eight hits and one was of the scratch variety. Four of the hits, however, came in East Tawas' third inning to score two runs and two hits produced a run in the fifth.

Although only three errors are shown in the scorebook, two by Tawas City and one by East Tawas, the latter came up with the best defense. Both of Tawas City's errors figured in the scoring, one in the sixth and one in the ninth and single runs were scored in each of the innings without benefit of a hit.

Of particular note was the fielding of Duane Sanders, East Tawas first baseman. "Sandy" cut short one Tawas City threat in the fourth inning with a great play on a hot drive off the bat of Ken DeLage, second baseman for the losers.

Two runners were on base and two were out when Sanders raced to the foul line to scoop a drive behind first and then won the race to the bag to retire the side.

Ten East Tawas batters were strike out victims of Rollin while Bolen fanned nine. Rollin walked one and Bolen gave up two bases on balls.

Rollin retired the side in order until the top of the third when East Tawas scored twice after two men were out. East Tawas then added single runs in the fifth, sixth and ninth innings.

Tawas City had men on base in every inning except the third, seventh and ninth and scored its lone run in the fifth. Poor base running also figured in Tawas City's defeat, particularly in the fifth when unnecessary chances killed a good rally.

Both teams had two batters who connected for two hits during the game. For Tawas City, Ken Blust had a double and a single while Bill DeLosh had two singles. Top batters for East Tawas were John Erickson with a double and a single and Jordan with two singles.

This Sunday's action in the NEM will be an open date to play rained out games. East Tawas has

In 1960, Michigan motorists injured 13,280 children in traffic! Of these, 200 died!

Of all persons injured in Michigan traffic last year 57.3 per cent were children under 15 years of age—3,500 youngsters!

More than 34 per cent of all persons killed in Michigan traffic were children!

The most common accidents injuring or killing children were:

(1) Crossing the street or road not at an intersection and from behind parked cars.

(2) Playing in the roadway.

Eight out of 10 fatalities to children occurred in broad day light. The worst hours for child accidents are from 3 to 8 p.m.

More than 50 per cent of all child accidents occur on residential streets — a few blocks from home.

Receives Honors as Graduate from Florida University

Judith Ann Brown, who received her early education in the Saginaw school system, is a dean's honor student and graduated cum laude June 12 with a bachelor of arts and science degree in art history and philosophy from the University of Miami, Miami, Florida.

Judy was nominated for membership in the highest honor recognized by the university, the Honor Society of Phi Kappa Phi. The nomination was based upon her high academic record and good character, according to the regulations of the National Society.

The nomination was accepted and Judy was elected student vice president in the Greater Miami area. Because students usually do not become members until the end of their college careers, the officers of Phi Kappa Phi, except the student vice president, are elected from the faculty and administration of the University.

Judy also earned the Kappa Pi award for attaining the highest academic award of any art student in the graduating class of 1961.

Judy is the daughter of Mr. and Mrs. George A. Brown of Miami, Florida, the granddaughter of Mrs. Sara J. Graves and the late Risdon Deneen Brown, formerly of Hale. She is also the granddaughter of Mr. and Mrs. Ray B. Stevens of Bay City and Lakeland, Florida.

Needlecraft News by Nancy Baxter

By the time June hits city and country alike, one thing you can be sure of—people are heading to beaches and rivers and swimming pools with unerring aim. For there's nothing better during these hot summer months than cooling off with a dash of water—a long dash of it—whether it's ocean, inland river, or man-made pool.

AND THE ONE SURE THING

both weather and water demand is the perfect bathing suit. . . the prettiest one that will allow the most comfort—and the most action. Well, we think this is it: our elegant knit suit in Skipper Blue worsted with its striped trim in red and white. (Yes, it's red-white-and-blue—the real "water colors.") And here's an idea: for more complete tanning, you can even make the little dickey trim detachable. Now, for materials, you'll need: eight to twelve skeins of yarn, a pair of No. 2 knitting needles, a No. 4 crochet hook (to finish edges), Boilte bias fold tape, and a ten inch neck zipper. As for skills: you'll need to know how to knit and purl, increase and decrease, master the slip stitch, shape darts, and put in a zipper. Essentially simple work for such an elegant-looking piece, no?

THE SUIT IS "MADE FOR YOU"

Here's your answer to those ready-made suits that are too long in the waist, too short in the back, or too tight across the front. This one—is made directly to your form. So get your free directions for our "beach bonanza" now—by sending your request in with a stamped and self-addressed envelope. Be sure to ask for BATHING SUIT Leaflet No. PK-9791.

How many times have you planned a special entertainment—either a formal dinner, or an informal buffet—only to find that you don't have the kind of covering you need for your table? If your experience is anything like mine, this has happened quite often. You take great pains with planning the menu. . . then the service. . . and suddenly, you remember: the tablecloth! For the table covering is one of the most important parts of entertaining at home. It sets off the food—the china—it shows the sparkling wood underneath. You could almost say it sets the mood of the evening. So just any cloth won't do. Not ever.

THIS IS POPULAR QUEEN ANNE'S LACE

Take a closer look at it. For it's the epitome of daintiness and elegance. The very cloth you want—for special Sunday dinners to a private wedding supper. For any occasion—this tablecloth fits in beautifully. And the best thing of all: you don't have to spend a small fortune at a specialty shop to get it. You can crochet it yourself; it's not difficult. Each one of the motifs measures about 4 and 3/4 inches in diameter, and the completed tablecloth measures about 60 by 80 inches. If you want to increase the size, you can do it by adding motif strips. Really, if you like to crochet at all—this is for you!

IT'S A REAL CONVERSATION-PIECE

You can be sure that part of the conversation floating over the table will be about your lovely cloth. The one you made yourself. So get your free directions right away. Ask for QUEEN ANNE'S LACE Leaflet No. 7070.

Mr. and Mrs. Leo Hoshbach Will Observe 50th Wedding Anniversary

MR. AND MRS. LEO HOSBACH

Mr. and Mrs. Leo Hoshbach, 302 Third Avenue, Tawas City, will observe their 50th wedding anniversary Sunday, June 25, with open house at their home from 3:00 to 5:00 p. m.

100 Years Ago This Week...in THE CIVIL WAR

(Events exactly 100 years ago this week in the Civil War—told in the language and style of today.)

Union Troops Arrest Baltimore Marshal

Capture Causes Constitutional Controversy

BALTIMORE, June 27—Federal authorities early today seized Baltimore city police marshal George P. Kane, an outspoken pro-secessionist, and hustled him off to Fort McHenry.

The four police commissioners met at once and disbanded the entire force.

Kane's arrest apparently was an outgrowth of his vehement objections to seizure by Federal troops of 40 wagonloads of muskets earlier in the month.

Government officials charged the arms were destined for Southern forces.

The new development capped a series of activities in and around this Maryland city that has resulted in a running controversy between Chief Justice Roger B. Taney of the U.S. Supreme court and President Lincoln.

THE DISPUTE was touched off May 25 when soldiers under orders of Gen. George Cadwalader, commander of Fort McHenry, seized John Merryman of Hayfields on charges of "treason."

Merryman was locked up at Fort McHenry.

Later in the day, his lawyers asked the chief justice, who lives here, for a writ of habeas corpus to force Merryman's appearance in court.

The writ was issued at once. But instead of bringing Merryman to court, Cadwalader sent a statement via an aide, to the effect that Merryman, as a known lieutenant in a pro-South military unit, was charged with "treason."

CADWALADER also informed the court that President Lincoln had suspended the writ of habeas corpus when public safety so indicated.

He asked for a continuance pending receipt of further orders from Mr. Lincoln.

Chief Justice Taney ordered a contempt attachment served on Gen. Cadwalader. U.S. Marshal Washington Bonifant was barred from Fort McHenry when he tried to serve the attachment.

The court ruled that the marshal's force was no match for the McHenry soldiers, then urged the president, in a long, written opinion, to "perform... the constitu-

CHIEF JUSTICE TANEY... tional duty to enforce the laws." Mr. Lincoln reportedly still is drafting his reply.

Confederates Get Capitol As a Gift

RICHMOND, Va.—June 25—The picturesque state capitol has been turned over to the provisional Confederate government, which is moving here from Montgomery, Ala.

The unusual building is a replica of the famed Maison Carree of Nimes, France.

It impressed Thomas Jefferson so much that he had the duplicate built for his native state.

President Jefferson Davis of the provisional Confederate government and his wife, the former Varina Howell of Natchez, already have arrived here. They settled in the ample Brockenbrough mansion at Clay and 12th sts. after a short stay in the Spottswood hotel.

ABOUT 40 persons attended the two-day workshop session of the county and regional section of Michigan Library Association held last Tuesday and Wednesday in the Tawas. Two sessions were staged at Emanuel Lutheran School, pictured at top. Two luncheons were served at the Barnes Hotel and a dinner meeting was held at the Holland Hotel. In the bottom picture, Miss Leonora Hass, left, director of the Iosco-Arenac Regional Library and Fred Brabant, chairman, welcome Herbert Mutschler, Wayne County Library, who is chairman of the county and regional section of the Michigan Library Association. WCSA HOLDS SUCCESSFUL RUMMAGE SALE

Hale WCSA held a successful rummage sale last Friday and Saturday. Many antique items were on display and purchased. The purpose of this sale was to raise funds to purchase needed equipment for the new church quarters.

Sunshine Circle elected the following officers last Thursday: Mrs. Henry Wells, chairman; Mrs. Roy Curtis, vice chairman; Mrs. John VanPatten, secretary-treasurer.

Friendship Circle of the WCSA met at the home of Mrs. Ira Scofield recently and enjoyed a candy program conducted by Mrs. Dale Humphrey.

A fine spirit of cooperation and Christian endeavor has been shown during all recent events and progress is being steadily made in completing the new church addition.

HALE SUNDAY SCHOOL CONDUCTS CANDY SALE

Several classes of the Methodist Sunday School conducted a candy sale recently. Proceeds are to be used in the church building fund.

ATTEND 40th ANNIVERSARY OF ROSE CITY OES CHAPTER

Members of Hale Chapter, OES, who attended Rose City Chapter's 40th birthday anniversary were: Mrs. Bud Emmons, worthy matron; Lloyd Murray, worthy patron; Mrs. Norman Finney; Mr. and Mrs. Clarence Lowe; Mrs. D. Pearsall; Mrs. Joseph Bannister; Mrs. Lloyd Murray, and Mrs. Sherman Peters.

Visitors from Whittemore and Clare Chapters attended Hale Chapter's June 7 meeting. The next regular meeting will be in September.

45 ATTEND 'GOLDEN AGERS' DINNER

The "Golden Agers" group of Hale gathered at the American Legion Building Thursday noon for a pot-luck dinner. About 45 members and friends attended. Following the dinner, various games were enjoyed and plans are being made for a picnic in July.

Robert Pember read a poem donated by Mrs. Ab Sauer and also read items from the minutes of "The Conference on Aging" held in Washington, D. C., in January. He announced the five-member steering committee would meet soon to formulate plans for future meetings. Anyone having ideas they wish carried out may contact Glenn Paton, Richard Parish, Mrs. Arlon VanHouten, Glenwood Streeter or Robert Pember. Everyone interested is invited. Anyone who does not receive a special notice and would like to have his name on the list should notify Mrs. VanHouten, Hale, secretary, and she will send information.

Stanley J. Fout, Wickenburg, Arizona, displayed his interesting hobby of collecting rocks which he makes into beautiful jewelry.

FIREMEN'S LADIES AUXILIARY MET AT SOUTH BRANCH HALL

The South Branch Firemen's Ladies Auxiliary met Wednesday, June 14, at the South Branch Fire Hall.

Irwin Lepper spoke to the ladies about plans for improvement in facilities for the hall. A new water system is being installed and a letter was received from Mr. and Mrs. Les Scofield stating that they are contributing tile to cover the floor. Notice was received that 125 chickens are being donated for the Labor Day annual dinner by Mrs. Joyce Brewer.

Mr. Lepper demonstrated the use of the two-way radio communication system and will instruct all who are interested in its operation to relay emergency messages when needed.

The ladies are holding a rummage and bake sale Saturday, June 24, at the fire hall to raise funds for community service.

The next meeting will be held June 28 at which time there will be a "Tupper Ware" demonstration and a percentage on sales will go to the auxiliary.

Frank McAley and son, Robert, spent the past week-end with Mr. McAley's mother, Mrs. Joseph Anderson, and Mr. Anderson. Robert remained for the balance of the week.

Mr. and Mrs. Frank Doing and son, David, enjoyed last week in Cleveland, Ohio, visiting family and friends.

Charles Sharp and Gordon Diffin of Clio, Leland H. Carter and son, Leland L., were visitors recently at the home of Mr. and Mrs. Edwin Sharp.

Mr. and Mrs. Joseph Anderson and grandson, Robert, were at West Branch Thursday on business.

Mrs. Anna Kelly is a patient at Tawas Hospital.

Charles Sabin, son of Mr. and Mrs. James Sabin, is reported recovering from major surgery at Hurley Hospital, Flint.

Howard Atkinson has returned to his home after a week of treatment and tests at Ann Arbor. He will return in July for a check-up.

Mr. and Mrs. Clarence Love were in West Branch Sunday, June 11, visiting Mr. and Mrs. William Newman.

Mrs. John Skinner, Mrs. Vera Kocher, Mrs. Gene Kocher and Mrs. Millie Krueze spent Monday, June 12, at Bay City.

Mr. and Mrs. James Neff and daughter are living at Long Lake while Mr. Neff is employed at Wurtsmith Air Force Base, Oscoda.

Mrs. Hugh Slosser suffered a severe heart attack recently and is confined to Tawas Hospital.

ASC Office is Now Accepting Wheat Applications for '62

The ASC county office is accepting wheat allotment applications for certain farms. A producer who intends to seed wheat for 1962 on a farm for which a 1959, 1960 and 1961 allotment was not established, irrespective of whether or not wheat was seeded for harvest as grain in those years, and who desires to be considered for an allotment, must make application for an allotment according to Burton A. Partlo, chairman of the Agricultural Stabilization and Conservation Committee. Application forms are available in the ASC county office for use in filing a request for an allotment. The producer must apply in writing before July 1, 1961.

55 Million Acres Allotted for '62 Wheat

In line with current legislation Secretary of Agriculture Orville L. Freeman has proclaimed marketing quotas and a national acreage allotment of 55 million acres for the 1962 wheat crop.

In proclaiming the quotas, Secretary Freeman said, "The action taken today does not by any means preclude the possibility of an improved program for wheat growers this next year. In view of this, we are not now announcing a date for the referendum in which farmers would vote on marketing quotas under the present law."

To be effective, marketing quotas must be approved by two-thirds of the wheat producers voting in a referendum. Under quotas, producers who comply with their allotments may market with their wheat they produce. Producers who exceed their acreage allotments are subject to marketing quota penalties on their "excess" production if they have more than 15 acres of wheat for harvest.

BUILDING? MODERNIZING? CONSIDER ULTRA-MODERN ELECTRIC HEAT!

If you are planning any type of home or business construction, improvement or addition, it will pay you to get the facts about electric heating. This relatively-new method of heating can be installed for as little as conventional heating systems. Many times it costs less, even including insulation. Operating cost depends on what part of the state you live in, but no matter where you live you'll get your money's worth in convenience and dependability. Send today for a free booklet that includes a handy chart for estimating operating cost based on size of house and location; information on types of electric heating units available; insulation required; and actual operating figures taken from typical homes now heated electrically.

In other business, Gordon Clute asked the council to vacate Hale Street in John W. King's Second Addition.

The council gave its approval to recent recommendations of the street committee for construction work on city streets.

In addition to work on those streets announced last week, Court Street between First Street and the county building is to be graded and graveled.

Former Exchange Student Thanks TC Businessmen

A former exchange student here sent a letter of thanks to the Tawas City Businessmen's Association this week in appreciation for its action in sending a subscription to The Tawas Herald since her return to Europe.

Tineke A. Feddema, who graduated with the class of 1960 at Tawas Area High School, said she had not forgotten the Tawas and "reading about everybody and everything brings back many fond memories."

She writes from a little town in Italy where she is spending three months with an American psychologist and his family before their return to the United States.

Miss Feddema will return to the Netherlands in August where she will continue her studies. In her letter, she said that Italy is truly beautiful.

Hale Downs Melita, 11-5, in Heavy-Hitting Contest

Hale defeated Melita Sunday, 11-5, in a game which saw 22 hits sprayed off the slants of three pitchers.

Grant Mousseau was the winner for Hale, giving up 12 hits to Melita while striking out 15 and walking five. Basil Shepherd, losing pitcher, was nicked for 10 hits, struck out six and walked nine.

Hale had to come from behind in the seventh inning when it trailed, 4-1. The Western Iosco County team advanced on the visitors for four runs in that inning and added four more in the eighth.

Home runs were belted by Mousseau and Shellenbarger for Hale.

Funeral Services Held for Louis J. Pfeiffer

Funeral services for Louis John Pfeiffer, 68, of Tawas City, who died Thursday night at Tawas Hospital, after a six-week illness, were held Monday morning, June 19, at Immaculate Heart of Mary Catholic Church, Tawas City, with the Rev. Fr. John Kolevar officiating. Burial was in the church cemetery.

A retired yard foreman at the Detroit and Mackinac Railway Company, he was born April 24, 1892, at Tawas City.

He and his wife, Lillian, were married June 4, 1923, in East Tawas.

Mr. Pfeiffer was a member of Jesse C. Hodder American Legion Post, Tawas City.

Surviving besides his wife are a daughter, Mrs. Lillian Davis of Tawas City; three sons, Cpl. Peter E. Pfeiffer of Port Campbell, Kentucky; Donald D. Pfeiffer of Swartz Creek and Louis R. Pfeiffer of Tawas City; a sister, Mrs. Cora McArdle of Tawas City; four brothers, Joseph, Matthew and Edward, all of Tawas City, and Frank of Flint; eight grandchildren.

Three Persons Make Unexpected Stop on Charity Island

An intensive land and sea search for three missing Point Lookout residents ended Monday afternoon when they returned home safely in their outboard motor boat.

Irving Weed, 40; George W. Snead, 54, and his wife, Laura May, set out from Point Lookout Sunday evening in their 14 1/2-foot plywood boat.

On Monday morning, it was discovered that they had never returned and their car was still parked at a Point Lookout boat livery.

An immediate search was started by state police from East Tawas, Bay City and Bad Axe, the Arenac County Sheriff's Department and the United States Coast Guard at Tawas Point.

At 2:30 p. m. Monday, the three returned to their Point Lookout dock. They had experienced motor trouble and landed on Charity Island. Spending the night there, they repaired the motor and returned home the next day.

William Laidlaw Graduated from MSU June 11

Michigan State University has graduated a spring class of 2,211 students. The total includes 1,820 who received baccalaureate degrees and 391 who received advanced degrees.

Gen. Douglas MacArthur was speaker at the 101st commencement ceremonies held June 11 in Spartan Stadium.

Walter William Laidlaw, son of Mr. and Mrs. W. J. Laidlaw of Tawas City, graduated with a bachelor of science degree in zoology.

Two other men graduated from Iosco County: Robert Harris Blood of Hale, bachelor of arts degree in history education, and Neil Geordie Poland of Oscoda, bachelor of science degree in mathematics.

Services Held June 12 for Joseph J. Ahearne

Funeral services for Joseph J. Ahearne, 92, former Flint resident, who had been staying with his son, Philip of East Tawas, were held June 12 at St. Michael Catholic Church, Flint. Burial was in New Calvary Cemetery.

Mr. Ahearne, a native of the Marlette area, lived through one of Michigan's worst disasters, a fire that swept through Huron, Sanilac, Tuscola and Lapeer Counties in 1881.

The blaze, which caused damage of more than \$2,000,000 in the four counties, narrowly missed his father's farm near Marlette.

Mr. Ahearne was a lumberjack at Oscoda and in the Upper Peninsula before the turn of the century. From 1900 to 1908, he was a construction worker and helped dredge the first 50 miles of the Cass River channel near Marlette.

He went to work for Buick at Flint in 1908 and three years later moved to the Mason Motor Company, forerunner of Chevrolet. He stayed at Chevrolet until 1945 when he retired.

Besides his son, Philip, he is survived by another son, Joseph of Flint; one sister, Mary Agnes Ahearne, Flint; 11 grandchildren and one great grandchild.

Ordinance

(Continued from page 1.) by 50 persons asking the city to take action toward passing an ordinance prohibiting display of such signs.

Tawas City had discussed a sign ordinance recently, but the matter of displaying resort rates was never considered. The ordinance mainly concerned the appearance of signs.

Alderman Cecil Cabbie said it would be difficult to regulate such signs and stay within the constitutional rights of individuals. Although a resort owner himself and stating that he did not approve of such signs, Cabbie said it was difficult to differentiate between the posting "Free TV" and rates on signs. He said there was also the matter of other price signs, including gasoline stations and other businesses, which might be affected.

One resort owner reported that a state highway official ordered removal of one resort price sign on the south side of US-23 but apparently did not question such signs on the opposite side of the right-of-way.

Alderman Howard Hatton pointed out that numerous signs lining US-23 between the business district and the river bridge were an eyesore, but he did not know of any proposed ordinance that would control resort pricing.

This matter will again be considered at the next meeting. In the meantime, City Attorney Cotter is to investigate ordinances and make a report.

The third legal question concerned moving a wooden structure into a fire zone. William Borosch requested permission to move a 12 by 14 frame building to property near his office on US-23. The building would be used for storage of signs.

This property is in the fire zone and Cotter is to check the zoning ordinance and make a ruling on locating an accessory building in such a zone.

POLICE CARS and fire department rescue vehicles rushed through Oscoda Friday night after receiving a report that two airmen from Wurtsmith were missing on VanEttan Lake. This amphibious vehicle had just entered the water when police were notified the men were safe—they were in their barracks back at the base and were not missing, after all. They had failed to report their return from the lake.—Tawas Herald Photo.

Canoe Race

(Continued from page 1.) starting line at Groves Landing at Tawas Lake for the senior division.

From there, canoe teams proceeded to Cliff's Landing where they rounded a buoy and then headed back down Tawas Lake and Tawas River to the US-23 bridge.

After leaving the river mouth, canoes headed out into Tawas Bay and paddled to the city park dock. There, the teams were met by a large crowd of spectators on hand for the finish.

The paddlers were followed from the river mouth to the park dock by a contingent of power craft, which would have offered assistance if needed. Despite a choppy sea, there were no over-turns.

The race, sponsored by the Tawas Chamber of Commerce and Tawas City Businessmen's Association, was held under the direction of Chairman Arthur Wug-

School Vote

(Continued from page 1.) According to a tax table prepared by the board of education, if a property owner paid \$25 in taxes in 1960 his increase under the three-mill levy would be \$4.25; taxes of \$50 would be increased \$8.50; a tax of \$75 would be increased by \$12.75; \$100 taxes would have an increase of \$17; \$200 tax would be increased by \$34 and if a taxpayer had a 1960 tax of \$300 his increase would be \$51.

It was stated that considerable discussion has centered around the best method of financing the needed buildings. If the district chose qualified bonds over a 25-year period and if these bonds could be sold for 4.25 percent in-

terest, the interest would amount to about 63 percent more than the needed money to pay off the bonds.

Transferring this added interest money into classrooms, the school could have 13 additional classrooms at the same cost to the district by a pay-as-you-go method, it was stated.

Workshop

(Continued from page 1.) where Prosecuting Attorney William McCreedy and Probate Judge H. Read Smith addressed the group; visit to Wurtsmith Air Force Base.

On Friday, the group evaluated the week's activities and worked in committee. Objectives of the course are to acquaint its members with community resources, business, industry and government; to see how their findings may be used in classroom teaching, and promote better understanding between education and community.
