## Indian Museum Changes Hands

Change in ownership of the Tawas Gallery of Historic Indians, located south of Tawas City on US-23, was announced this week by William Schetzen, former owner.

New owner of the museum, which was established here in 1958, is Allen Rhodes, 40, a Detroit newspaperman.

Rhodes and his wife, Genevieve, took over ownership a week ago. They have two children, Cheryl, 14, and Gary, nine.

A veteran of World War II, Rhodes served with the United States Navy in the Pacific theater. He had been employed with the Detroit Times since his discharge from service and went with the advertising department of The Detroit Free Press when the former newspaper discontinued publication.

The Tawas Gallery of Historic Indians contains a display of oil paintings depicting famous frontiersmen and American Indians, along with interesting exhibits of Indian artifacts and other displays.

Rhodes has been interested in Indian lore for many years and also has had an active part in Indian welfare in the United States. He is a member of a church council which directs work of missionaries among the Indians.

"I feel that by acquiring the museum, it presents a real opportunity to be able to work along the lines of this interest in Indian lore," said Rhodes.

Rhodes is devoting much time in seeking new exhibits to add to the museum collections. At present, he is doing research on possible additions to the museum.

For a short time, Schetzen will remain in close contact with the Rhodes in their new venture.

"The museum will continue to be operated along the same lines as before," said Rhodes. "We will do our utmost to continue the policy of authenticity for all displays and collections as established by Mr. Schetzen."

Starting April 15, the new owners extend an invitation to all school groups, boy and girl scout organizations and civic groups to visit the museum free of charge. This arrangement, started by the previous owner, will last until June 1. After that date, regular rates will go into effect.

Among the ideas which Rhodes hopes to incorporate in the operation is a live animal display and stage coach rides. The museum property consists of 36 acres of land, much of it wooded, which would allow room for this expansion.

Rhodes said he would remain at his present job at Detroit for another year. He will spend the week-ends here.

## Financial Matters Concerns Council

Handling of city financial matters for the new fiscal year concerned actions of the Tawas City Council at Monday night's regular meeting.

With March 10 being the closing day for fiscal 1960, the council set wages paid to city officers, approved an ordinance for the annual appropriation, set city tax millage and set wages for the election board.

Wages of city officials are to remain the same as last year. They are as follows: Mayor, \$100; clerk, \$600; treasurer, \$200 plus one percent collection fee; aldermen, \$3 per meeting; supervisors, \$150 to prepare tax rolls; city attorney, \$3 per meeting; fire chief, \$50.

Wages for the April 3 election board was set as follows: For regular board members, \$19, and for extra help, if needed, in counting ballots, \$6.50.

The council approved its annual appropriation ordinance. This calls for spreading 19 mills on a valuation of \$2,227,400, as set by the board of review.

The city's budget for fiscal 1961 is to be presented at the next council meeting.

The breakdown of millage remained the same as last year: Contingent fund, 12 mills; street fund, three mills; public debt fund, 3 1/2 mills; interest fund, one-half mill.

Last year, this millage raised \$28,028 for contingent, \$6,507 for street and \$7,591.50 for public debt.

## Tawas P-TA Names New Officers

Clyde Soper was elected father vice president at the Monday evening P-TA meeting at Tawas Area High School. Other officers elected were Mrs. C. B. Cox, mother vice president, and Vernon Hughes, treasurer.

Stanley VanLare, dean of Alpena Junior College, was the speaker of the evening with the theme, "What Can Parents Do To Help Their Children Get Ready For Higher Education." He discussed the need of young people to go on to college because 80 percent of the next generation will have to be skilled.

Mrs. D. A. Evans reported on the citizen's conference she had attended at Lansing.

The question of the executive committee by Mr. Hughes was "How should parents contact teachers?" Thomas Pinkowski was appointed as the answering chairman.

## Board of Review Sets Tax Base at \$2,227,400

Tawas City's 1961 tax base was set by the board of review at \$2,227,400 in assessable real and personal properties. The 1961 total represents an increase of \$58,400 over last year's figure.

The board made four changes during the four-day review of valuation originally assessed by the three supervisors, Clement Stephenson, First Ward; Fred Brabant, Second Ward; Clarence Everett, Third Ward.

All changes were in the Third Ward. One was an increase of \$400 and the other two were reductions, amounting to a total of \$2,200.

The board of review breakdown by wards:

First Ward: Real estate, \$526,500; personal, \$155,400. Total \$717,900, an increase of \$9,500 over 1960.

Second Ward: Real estate, \$419,900; personal, \$70,200. Total \$490,100, an increase of \$21,100 over 1960.

Third Ward: Real estate, \$884,200; personal, \$135,200. Total \$1,019,400, increase of \$27,800 over 1960.

Acting on the board of review were Mayor George Tuttle, Clerk Walter Nelson and the three supervisors.

## Report Shows Iosco RC Drive at \$703 Mark

According to a progress report Tuesday, \$703 had been collected towards Iosco County's 1961 goal of \$5,220 in the American Red Cross fund-raising campaign.

Mrs. George Rose, fund drive chairman, said that the campaign had shown fair progress to date.

A coffee meeting for campaign workers is scheduled for Thursday, March 23, 1:30 p. m., at the Holland Hotel.

Mrs. Rose stresses the importance of continuing support of the Red Cross in order that the blood bank established last year can be continued.

Annual operational cost of the blood bank is \$1,000. Blood is furnished to those persons who need it at no cost.

"We will have to be very diligent in this campaign in order to see that such a worthwhile project is continued," said Mrs. Rose. Since its inception last year, the blood bank has proved invaluable to those persons who require blood. It also means that Iosco residents are eligible to receive blood when needed while they are out of the county.

Other programs sponsored by the local chapter include water safety, home services and placing of first aid kits where needed.

Some 121 persons in last summer's water safety program were certified as beginning, intermediate and advanced swimmers, in addition to junior life saving courses and water safety aid proficiencies. These classes were conducted by three Red Cross-trained instructors.

A large phase of chapter work here is devoted to home services work, inasmuch as Wurtsmith Air Force Base is located in the county. A full time Red Cross field director now has an office at the air force installation here and this means that there will be an increase of national funds spent in Iosco County.

"You and I and all of us, whether permanent or summer residents, will want the chapter's program maintained and continued," said Mrs. Rose. "The program will be continued with your financial support during March."

## KIRK A. WENDT GETS CHEVY ENGINEERING APPOINTMENT

Kirk A. Wendt, son of Mr. and Mrs. Arthur Wendt, Tawas City, has been appointed to the cooperative engineering program by the Chevrolet Manufacturing Division, Flint. Wendt is to report to the institute October 30. He is a senior at Tawas Area High School.

## TAWAS COMMUNITY CHORUS PLANS SPRING CONCERT

At a recent meeting of the Tawas Community Chorus, detailed plans were made for the spring concert. This meeting took place at the Robert Richter home.

The April 23 concert will be held at the Tawas Area High School starting at 8:00 p. m. Religious, old favorites and cowboy songs will make up the program.

The 36-member chorus is under the direction of Paul Youngs.

## East Tawas Signs City Hall Contract With Bay City Firm

East Tawas Council authorized the clerk and mayor to sign a contract with Gregory Construction Company, Bay City, for construction of a new city hall at its meeting Monday night.

Supt. of Public Works Paul Roper was authorized to work in a liaison capacity between the council's building and grounds committee and the architect in construction of the new building.

The council authorized transfer of \$3,476.14 in sales tax diversion money to the new city hall fund. Mayor Elmer Werth is to negotiate a short term loan with Peoples State Bank in case further money is needed for construction of the building. It will be repaid from sales tax money.

In other business, two building applications were approved. One was submitted by Henry Oates, repair and remodel, and the other by Floyd Schaff Jr., remodel and construct garage.

City Assessor Deloise Durant reported that board of review figures indicated that East Tawas had an assessed valuation of \$2,700,950, or an increase of \$52,800 over last year. Real estate totaled \$2,291,150 and personal property was \$409,800.

Effective March 1, the annual salary of Clerk Fred B. Lomas was raised from \$480 to \$600.

## Exchange Student to Philippines

Carolyn Evans, daughter of Mr. and Mrs. D. A. Evans of East Tawas, has been chosen as an exchange student by the Methodist Church and will study for one year at the University of the Philippines near Manila.

Miss Evans, who is a sophomore at Albion College, will leave in June for the Philippines. She will return to the United States in April 1960.

She was valedictorian of the 1959 graduating class at Tawas Area High School. She was awarded the John Philip Sousa award by the high school band in her senior year.

While studying at Albion, she has been a member of the college orchestra, which will go on tour after Easter.

## WINS SCHOOL BID

O. S. Rose, Builders, Incorporated, Tawas City, has been awarded a contract to construct a new high school building at Brimley in the Upper Peninsula. The local firm's bid of \$259,600 was accepted for the general contract. Total cost of the school is \$280,000, stated Mr. Rose.

## Barbara Durant-James Ruckle are Honor Grads

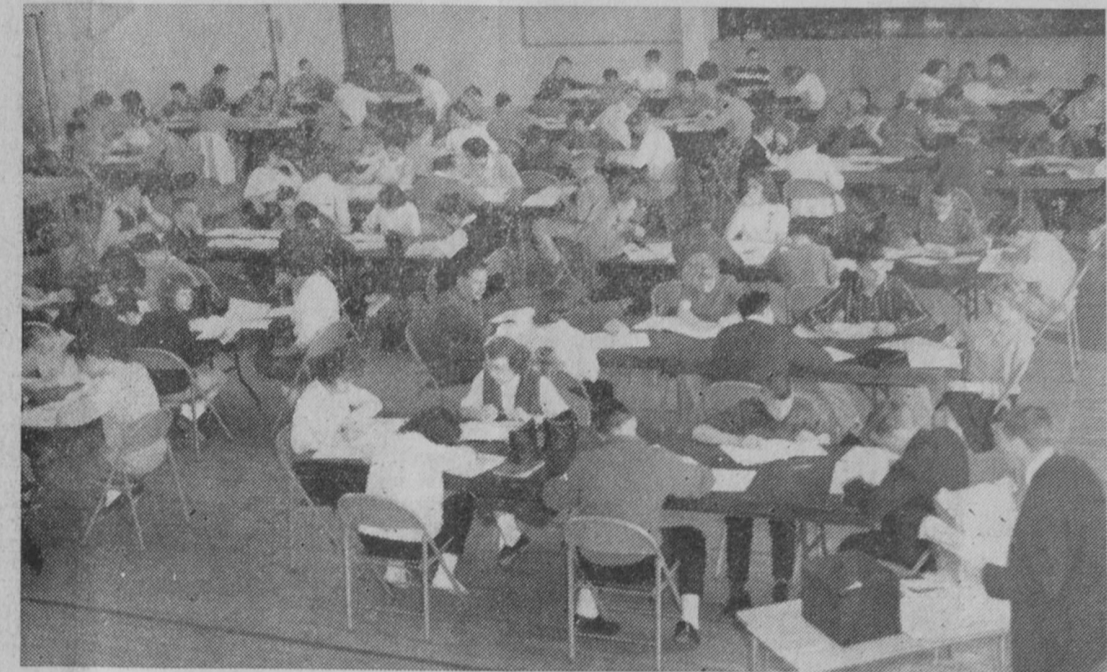

Barbara Durant and James Ruckle have been named valedictorian and salutatorian of the senior class of 1961 at Tawas Area High School, Principal Ernest W. Jordan Jr. announced today.

Barbara, the daughter of Mr. and Mrs. Deloise Durant of East Tawas, has maintained a 4.00 honor point rating throughout her high school years.

James, the son of Mr. and Mrs. Archie Ruckle of Tawas City, has maintained an honor point ratio of 3.93 during his high school years.

The valedictorian has been active in band, has taken part in solo-ensemble festivals, pep club, junior and senior plays, was class representative and a junior member of the American Legion Auxiliary.

TESTING PROGRAM—Some 120 10th grade students at Tawas Area High School are pictured here in the school auditorium last week as they participated in the Flanagan Aptitude Tests under the National Defense Education Act. Held under the supervision of Thomas Pinkowski, guidance counselor at Tawas Area, shown at lower right, the tests were given in three one-half day sessions requiring 10 1/2 hours for each youngster. "These tests were developed to help schools identify students who are gifted in various vocational fields and to help students establish future educational and vocational plans," said Pinkowski. The tests provide aptitude scores for 19 job tasks and may be used to identify each student's aptitudes for 37 occupational areas. Tests were partially financed by a federal grant under the NDEA.—Tawas Herald Photo.

## Open House for Branch Bank Planned April 6

G. N. Shattuck, vice president and cashier of Peoples State Bank of East Tawas, announced today that open house for the new Tawas City branch will be held Thursday, April 6.

This date coincides to the day 10 years ago when open house was held for the bank at East Tawas.

The new branch office will be open for banking business the following day, Friday, April 7.

Construction work on the new structure was started in late July by O. S. Rose Builders, Incorporated, Tawas City.

The new 69 by 42 modernistic structure is located on US-23 west of The Tawas Herald office. The building is faced with ebony colored brick.

The structure contains a 36 by 14-foot lobby, manager's office, large work area, a 13 by 10-foot vault, a room for safety deposit boxes, an eight by 10-foot office, two coupon booths, four teller windows, large utility room and two restrooms.

An 11 by 11-foot vestibule is located at the southwest corner of the building. A night depository is located at the east corner of the building.

A large parking lot is located at the rear of the building and drive-in teller facilities face the parking lot.

Mr. Shattuck said that plans for the grand opening had not been completed as yet, but probably would include the traditional ribbon-cutting by bank and civic officials.

## Look is Low Bidder on New School Buses

Bid of William Look and Sons, East Tawas, was accepted by the Tawas Area Board of Education Friday night for the purchase of three new school buses by the school district.

With three bids entered, Look's bid of \$21,390, or \$7,180 per unit, was low. The buses are to have 66-passenger Wayne bodies.

Other bids were received from McKay Sales Company and Otawa Equipment Company.

The board authorized securing two automobiles for use in the spring and summer driver training program. McKay Sales Company is to furnish a Chevrolet Corvair and William Look and Sons is to furnish a Pontiac sedan. The vehicles will be leased at no cost to the district.

In other business, the board authorized an educational trip for the high school government class to a place to be determined by the class at a later date.

## OWNERS MUST KEEP DOGS UNDER CONTROL

Keep your dog tied up and under control at all times was the warning issued this week by Conservation Officer Arthur G. Leitz. He said Monday that dogs were running deer in Baldwin and Alabaster Townships.

## State Inspector Says Night Man a Must at Jail

According to a letter from William H. Nestle, state jail inspector, operation of the Iosco County Jail is not in compliance with state regulations.

Nestle, who visited the jail March 3, stated in a letter to county officials last week that it will be necessary for a man to be on duty at the jail desk, "dressed and alert" 24 hours each day.

"This is required by state code," warned Nestle. "I found the jail receives excellent supervision by Sheriff O'Farrell, but there is no man at the desk from 12 midnight until morning."

"The sheriff is trying to do this job by himself by sleeping in an adjacent room. It is going to be necessary that we ask compliance with the state law," said Nestle.

The board of supervisors has invited the jail inspector to appear at its April meeting.

## FIREMEN WARN OF SPRING FIRE DANGER

"We are facing one of the worst fire hazards in 1961 that we have ever faced." This was the warning issued this week by the Plainfield Township Fire Department at Hale.

In years gone by, nearly every farm was worked and each farmer had cattle, sheep and horses to keep the grass down. Now, with so many farms in the soil bank, there is two and three years growth of weeds and hay on these farms.

The grass and weeds, growing so close to the barns and outbuildings, create a very real fire hazard.

There are some things that each family can do to help prevent a fire. Keep matches away from children. Be careful where you throw cigarette butts and matches. Do not burn trash unless the grass is wet.

Remember, too, that a fire permit is needed before you do any burning and be sure to read the fine printing on your permit.

Regardless of a permit to burn, under the law, the owner is responsible for fires on his premises. Violators will be prosecuted.

## BRANCH OFFICE CHANGE

Effective Tuesday, Michigan auto license tags will be sold at secretary of state's new branch office at G and M Market, Tawas City. Roy Bergeron is the new branch manager, succeeding George Prescott. Tags will no longer be sold at the county building.

## Tell Plans for Financing New \$150,000 Oscoda Golf Course

Steps are now being taken to finance construction of a new 18-hole championship golf course here by the AuSable River Golf Club, Incorporated.

## Membership Drive Nets \$950 to Date

According to a report from its membership committee, dues of \$950 have been received from 17 members since the start of the 1961 campaign of the Tawas Chamber of Commerce.

Membership Chairman C. V. Miller stated at the board of directors meeting Wednesday night that statements for dues to area businessmen would not be mailed until sometime in late spring or early summer.

Collection of dues is being carried out in a manner different than previous years. The membership has been divided into categories and three mailings of statements are to be made.

In business conducted Wednesday night, the board authorized the purchase of \$300 worth of fireworks for the July 4 observance. The chamber is to invite participation of the two city councils in assisting with finance.

Donald Watson, chairman of the board's airport committee, reported that plans were now being formulated for a program to mark the opening of the new Iosco County Airport, expected sometime this summer.

It was reported that the state Alcoholics Anonymous Association would hold its convention here Sunday, May 7. It is expected that more than 500 persons will attend the meeting.

Mort Neff of state television fame will be principal speaker at the chamber's annual banquet to be held at the Barnes Hotel the night of May 22. Chairman Edward Neelke reported that Roy McMurtree (See CHAMBER page 10.)

## Supervisors Hear Plans for Proposed Medi-Care Facility

Plans for a proposed new medical care facility in Iosco County were outlined last week at a meeting of the Iosco County Board of Supervisors.

According to Supervisor Henry Oates, chairman of the board's nursing home committee, the proposed new facility, if approved by voters, would be located in the vicinity of Tawas Hospital.

This 40-bed facility would cost in the neighborhood of \$250,000. It would be a nursing home for those persons over 60 years of age who are eligible to receive state medical care funds.

The board of supervisors passed a resolution necessary in obtaining possible federal aid for construction of this facility.

Oates reported that members of the nursing home committee had met several times with state health and welfare department officials during the past several months.

Members of the committee have studied plans of similar medical care facilities in other counties and plans for the Iosco nursing home are to be prepared before voters are asked to approve methods of financing such an installation.

## Remedial Reading Program Available Again Next Summer

A summer remedial reading program at Tawas Area School will again be available if enough students wish to enroll, it was announced today by Supt. Reynold Mick.

## Remedial Reading Program Available Again Next Summer

A summer remedial reading program at Tawas Area School will again be available if enough students wish to enroll, it was announced today by Supt. Reynold Mick.

Classes will start June 12 and continue for eight weeks. The classes will be one hour long.

Class size will remain small so that individual attention can be given to each student, explained Mr. Mick.

Each student will be asked to pay a fee of \$10 for the course. This will partially cover the cost of instruction.

The remedial courses will cover the area of weakness of the individual student. This area may be reading, arithmetic or spelling.

Miss Burnetta Miller will be instructor for the class.

Persons wishing to enroll students in the program may pick up enrollment forms from Mrs. Dan Cater in the office of the superintendent of schools at the high school building.

## Supervisors OK Finances for New County Airport

A new airport for Iosco County came one step closer to reality last week when the board of supervisors approved expenditures of \$6,000 for airport construction.

This money is to be matched with an equal amount by the state board of aeronautics.

According to airport committee chairman, Supervisor Henry Oates of Alabaster Township, the money is to finance construction of a building at the airport, to provide electrical and telephone service at the site, as well as for a gasoline tank and well.

In a report to the board last Wednesday, Oates asked the supervisors to appropriate \$1,500 from the county's general fund.

The county has \$4,500 of its \$6,000 share on hand and the \$1,500 made up the balance.

The airport committee asked the board to authorize sale of 40 acres of county-owned property at the old airport located in East Tawas. Oates said this property would be of no particular use to the county when the air-

port goes into operation and money received from its sale could be applied toward cost of the new facilities.

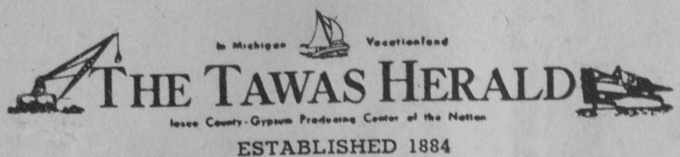

The board is to advertise for bids on this property, which are to be opened April 13.

The property to be sold does not include land turned over for airport use by the City of East Tawas. This is to revert back to the city, as shown on the deed, as soon as its use as an airport is discontinued.

Total cost of improvements at the airport is \$12,000, shared equally by the state and county. This figure includes \$6,300 for a building, \$2,950 for electrical service, \$1,600 for telephone service, \$900 for a gasoline tank and pump and \$250 for miscellaneous items, which includes a well.

Land has been cleared and an overall plan obtained for the new airport facility.

The new airport is located about a mile north of US-23 on the Baldwin Township dump road.

### Vote 'No' On Con-Con---

Mark April 3 on your calendar. That is the day that you are urged to express your freedom at the polls and vote "NO" on the Con-Con proposal.

Michigianians have heard the pro and con for calling a constitutional convention for quite some time. They have read about this in the newspapers and heard about it over radio and television.

Proponents of a convention have likened Michigan's constitution to a long-neglected field—"good soil, some hardy plants, but choked with useless weeds, dead roots and the leftovers of past plantings."

On the other hand, such organizations as the Michigan Township Association, Michigan Supervisors Association and Michigan Food Dealers Association, to name only three, call the Michigan Constitution a living document and can be amended. The present constitution is 53 years young—not old, they say, and 69 times the people have voted to change this document to conform to changing times and needs.

There are many arguments for and against the question—but publishers of this newspaper are of the opinion that the arguments against such a move far outweigh any reason to call a constitutional convention.

One of our main reasons for urging a "NO" vote is this—outstate Michigan will have little to say in writing a new constitution if voters give their approval April 3. The preponderance of power in writing such a document will be in the hands of delegates from three counties which will have 41 percent of the delegates.

How much would Con-Con cost the taxpayers of Michigan? Without taking into consideration the renting of space for sessions and committee rooms, plus other expenses, it is estimated that the total expense would be in excess of two million dollars.

Since the present constitution was adopted in 1908, only 69 out of 125 amendments proposed were adopted. Were the people right or wrong—at least they had the opportunity to express their opinion on each individual amendment.

As far as we are concerned, Michigan's constitutional difficulties can be solved by the amendment process.

### The Chamber Needs YOU---

The successful operation of the Tawas Chamber of Commerce depends on two things:

1. Enough membership funds to carry out necessary area advertising and promotions to bring people into the area.
2. An organization willing and able to perform the necessary work involved. This year it has the personnel and organization which will work and be effective.

Now the chamber needs membership funds. The membership and prospective membership list has been divided into various groups to type and source of income. The manufacturing, distributing and professional group will be contacted first as they are less effected by seasonal income. The store owners and tourist tradesmen will be contacted later in the year as business improves.

The chamber is more than pleased with the response it has received in support of its proposed program. It has already received over \$900 in voluntary payment of chamber dues. This support has greatly encouraged the directors to expand and improve area promotions.

Area folders and literature of the chamber bearing the names of businesses of members are made up right after January 1 each year and any member one year in arrears in dues is automatically cut off from all chamber of commerce listings for that year.

These folders go out to thousands of people and cooperative advertising through the chamber of commerce is your cheapest and most effective advertising. It goes to your prospective customers.

There are businesses in the area who, for years, have profited by the efforts of the chamber, yet are unwilling to contribute their share to its support.

### Today's MEDITATION

**The Upper Room**  
OF THE UPPER ROOM, NASHVILLE, TENNESSEE

Read Luke 9:18-22  
If any man will come after me, let him deny himself, and take up his cross daily, and follow me. (Luke 9:23)

Vesper Point, a Christian camp at Barbee, Indiana, overlooks two beautiful lakes. The seating arrangement among the green trees of the wooded ridge is one concrete block for each person.

The worship center is constructed of concrete blocks and a cross of rough tree limbs. It is a weather-beaten cross, a symbol of the one on which Jesus, the suffering servant, was crucified.

Once the cross was a frame used to crucify outcasts of earth. Now it towers over the world as a symbol of man's hope. The cross arm reaches out to all people—the crippled, the blind, the weak and the strong, the poor and the wealthy, the ignorant and the educated—to bring them to God. The cross also points upward inspiring us to come to Him.

By denying ourselves and faithfully bearing our cross we show forth our love and gratitude to our Redeemer, who suffered to save us from sin.

#### PRAYER

O Lord, we give Thee praise for the hope Thou hast given us through Jesus Christ. Prevent us from ignoring, neglecting or becoming indifferent to the cross. He would have each of us to carry. In His name. Amen.

#### THOUGHT FOR THE DAY

Self-denial and cross-bearing are required of every Christian. Thomas L. Henry, Indiana.

#### DORCAS SOCIETY WORKS ON WHITE CROSS PROJECT

Members of the Tawas City Baptist Dorcas Society worked on aprons for the church and the White Cross project during the March 14 meeting at the home of Mrs. Howard Freel.

Devotions for the 11 members present were led by Mrs. Alfred Williams.

Lunch was served at the close of the evening by Mrs. Laurence Clements and Mrs. Williams.

The April 11 meeting will be held at the home of Mrs. Douglas Ferguson.

#### EMANUEL LADIES PLAN MOTHER-DAUGHTER BANQUET

A May 12 mother-daughter banquet was planned at the March 16 meeting of the Emanuel Lutheran Ladies Aid held at the Emanuel Lutheran School.

The club announced that the traveling baskets will start April 9.

Hostesses for the evening were Mrs. Bernard Look, chairman, with Miss Esther Look, Mrs. William Look Jr., Mrs. William Look Sr., Mrs. Glenn McLeod and Mrs. Martin Mroek as her committee.

#### ST. MARY'S GUILD LUNCHEON HELD WEDNESDAY

Regular meeting of St. Mary's Guild was held at the parish hall Wednesday, March 15. Hostesses for the luncheon were Mrs. Johanna Staudacher and Mrs. Genevieve Papis. The table was decorated in St. Patrick motif with a centerpiece of a large green hat filled with shamrock.

At each place were individual shamrocks. Mrs. Laura McMurray had charge of devotions with Scripture and prayer.

Mrs. Staudacher, president of the guild, led the business session.

#### HANNAH UNIT ALCW MET WITH MRS. WHITE

Hannah Unit of the ALCW of Grace Lutheran Church met at the home of Mrs. Ralph White Thursday afternoon, March 16, for a dessert luncheon.

Mrs. Ella Meyers conducted devotions and the study of the life of Dorcas. Several of the members assisted her with readings about Dorcas.

The afternoon was spent working on projects for missions and for the local church. The ALCW combined units will meet at the church Thursday evening, March 23, for program and business session.

#### CHRISTIAN SCIENCE

The ever-availability of spiritual enlightenment will be emphasized at Christian Science churches Sunday.

Scriptural selections to be read in the lesson-sermon entitled "Reality" will include this passage from Isaiah (9:2): "The people that walked in darkness have seen a great light: they that dwell in the land of the shadow of death, upon them hath the light shined."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this correlative passage will be read (546:24-26): "The great spiritual facts of being, like rays of light, shine in the darkness, though the darkness, comprehending them not, may deny their reality."

The golden text is from Psalms (97:11): "Light is shown for the righteous, and gladness for the upright in heart."

### 'THE MEANING OF LENT' WSCS MEETING THEME

The WSCS of the East Tawas Methodist Church met Tuesday evening, March 14, in the church parlors. Mrs. Peter Lichtfusz, vice president, was in charge of the meeting. Mrs. Joanne James led devotions which were in keeping with the Lenten season.

Mrs. Joseph Dibley was program chairman. Her theme was "The Meaning of Lent." Mrs. James sang the hymn, "Above the Hills of Time."

During the business session led by Mrs. Lichtfusz, plans were begun and committees appointed for the mother-daughter banquet to be held in June.

After the meeting, the following committee served refreshments, Mrs. Dibley, Mrs. Eugene Hanson, Mrs. Elizabeth Wiley and Mrs. Louis Awalt. The serving table was centered with an arrangement suggestive of St. Patrick's Day.

## Driving Often Dangerous During Spring Season

This is the season of melting snow banks in northern states and spring showers all over America. It causes street and highway muck splash on windshields and makes this pleasant time of year occasionally annoying or often dangerous for many drivers, traffic safety authorities declare.

Muddy or streaked windshields sharply reduce seeing ability, as witness findings of the National Safety Council. In a check on vision obstruction on vehicles involved in traffic accidents, the council reported that 50 percent of all such accidents involved visibility obscurments such as rain, snow, road splash, etc., on the windshield. The same deadly combination accounted for 39 percent of the deaths in such accidents.

Ineffective windshield wipers multiply the hazards drivers encounter in bad weather, according to the International Association of Chiefs of Police. Surveys by the highway visibility bureau show a majority of cars a year or more old have ineffective wiping equipment that merely smears or streaks the windshield, or often fails to wipe at all due to wind-lift. This adds to reduced visibility problems. While new-model cars are well-equipped with strong windshield wipers which quickly remove blinding obscurments, the problem for most drivers is how to tell if their old wipers can cope with the problem before they encounter an emergency.

Now—thanks to research by automotive safety engineers—this dangerous deficiency can be quickly discovered and corrected by one or two steps at a service station. As soon as blades start to streak or smear, drivers are advised to ask mechanics to eliminate this hazard. If your car is fairly new, you may simply need new blades. But it is more likely, according to surveys, that tension is gone out of the spring in your present wiper arms. The pressure they exert is so weak that even getting new blades may not be sufficient for a clean safe view of the road during rain, snow or "puddle-spray" weather.

To provide help on this problem many service stations now

## Gives Information On Delinquent Tax Sale Procedure

Otis M. Smith, auditor general, who is responsible for the sale of lands delinquent for taxes and the many technical operations in connection with such sales, has furnished the following little known information about the conduct of delinquent tax sales, purchase of taxes and the rights of property owners to redeem:

At the tax sale to be held May 2, the unpaid taxes of 1958 will be sold. The list of lands to be offered for sale in each county is advertised in a newspaper circulating in the county. The name of the newspaper for each county may be obtained at the office of the county treasurer. A complete list of newspapers for all 83 counties may be secured from the office of the auditor general, Lansing. Iosco County's tax sale is on page 4 of this week's issue of the Herald.

The owner may withhold from sale any description included in the advertised list by payment of taxes prior to the date of the sale.

The tax sale is not an outright sale of the properties offered, rather it is a sale of the lien for the unpaid taxes and charges.

The delinquent taxes are offered for sale at the office of the county treasurer in each county. The tax sale is a competitive sale. The tax lien covering the properties is sold to the person who will pay the accumulated taxes and charges and take the least undivided interest in the premises. The successful bidder at the tax sale receives from the county treasurer a certificate indicating his purchase of the delinquent tax lien.

If the sale of the tax lien is for interest less than the entire, and

the purchaser forecloses, he becomes a tenant in common with the owner to the extent of the undivided interest he purchased.

The owner has the right to redeem at any time prior to the next annual tax sale by paying the amount of the sale plus one percent per month. Redemption may be made at either the county treasurer's office in the county where the lands are located or at the office of the auditor general.

If the lands are redeemed by the owner, the holder of the tax certificate is notified of such redemption by the auditor general and upon surrender of the certificate of purchase, he will receive from the state the amount paid by the owner to redeem.

If the tax sale is not redeemed by the owner prior to the next annual tax sale, the purchaser must surrender his purchase certificate to the office of the auditor general and a tax deed will be issued.

The tax deed in itself does not convey absolute title to the premises. Redemption from the tax deed may be made by the owner, by payment of the purchase price, plus 50 percent, plus \$5 and the cost of the service of the sheriff's notice, if service has been made. This redemption may be made by payment to the purchaser himself or by depositing the amount in the county clerk's office.

Before the holder of the tax deed may acquire title to the premises, under the law he must cause a sheriff's notice to be served upon all owners of interest and occupants of the premises. This notice calls attention to the owners that their properties have been offered for sale and that the person making service does hold the tax deed covering the properties involved.

The owner has six months after service of notice to effect redemption by paying to the purchaser or by depositing in the county clerk's office a sufficient amount to effect redemption. If the redemption is not made within this period of six months, the tax deed holder has absolute title to the premises under our law.

Particular attention is called to the fact that the tax deed holder cannot take absolute possession of the properties purchased until he has served the notice as prescribed in the law.

## TAX NOTICE

The advertised delinquent tax list is for unpaid taxes of 1958 and prior years. If your 1958 taxes were not paid before October 1, 1960, they will probably appear in this tax list for sale in May.

If you pay the 1958 tax before May 1, the description and tax will not be offered in the May Tax Sale.

### Driving Often Dangerous During Spring Season

This is the season of melting snow banks in northern states and spring showers all over America. It causes street and highway muck splash on windshields and makes this pleasant time of year occasionally annoying or often dangerous for many drivers, traffic safety authorities declare.

Muddy or streaked windshields sharply reduce seeing ability, as witness findings of the National Safety Council. In a check on vision obstruction on vehicles involved in traffic accidents, the council reported that 50 percent of all such accidents involved visibility obstructions such as rain, snow, road splash, etc., on the windshield. The same deadly combination accounted for 39 percent of the deaths in such accidents.

Ineffective windshield wipers multiply the hazards drivers encounter in bad weather, according to the International Association of Chiefs of Police. Surveys by the highway visibility bureau show a majority of cars a year or more old have ineffective wiping equipment that merely smears or streaks the windshield, or often fails to wipe at all due to wind lift. This adds to reduced visibility problems. While new-model cars are well-equipped with strong windshield wipers which quickly remove blinding obstructions, the problem for most drivers is how to tell if their old wipers can cope with the problem before they encounter an emergency.

Now—thanks to research by automotive safety engineers—this dangerous deficiency can be quickly discovered and corrected by one or two steps at a service station. As soon as blades start to streak or smear, drivers are advised to ask mechanics to eliminate this hazard. If your car is fairly new, you may simply need new blades. But it is more likely, according to surveys, that tension is gone out of the spring in your present wiper arms. The pressure they exert is so weak that even getting new blades may not be sufficient for a clean safe view of the road during rain, snow or "puddle-spray" weather.

To provide help on this problem many service stations now

### Gives Information On Delinquent Tax Sale Procedure

Otis M. Smith, auditor general, who is responsible for the sale of lands delinquent for taxes and the many technical operations in connection with such sales, has furnished the following little known information about the conduct of delinquent tax sales, purchase of taxes and the rights of property owners to redeem:

At the tax sale to be held May 2, the unpaid taxes of 1958 will be sold. The list of lands to be offered for sale in each county is advertised in a newspaper circulating in the county. The name of the newspaper for each county may be obtained at the office of the county treasurer. A complete list of newspapers for all 83 counties may be secured from the office of the auditor general, Lansing, Iosco County's tax sale is on page 4 of this week's issue of the Herald.

The owner may withhold from sale any description included in the advertised list by payment of taxes prior to the date of the sale.

The tax sale is not an outright sale of the properties offered, rather it is a sale of the lien for the unpaid taxes and charges.

The delinquent taxes are offered for sale at the office of the county treasurer in each county. The tax sale is a competitive sale. The tax lien covering the properties is sold to the person who will pay the accumulated taxes and charges and take the least undivided interest in the premises. The successful bidder at the tax sale receives from the county treasurer a certificate indicating his purchase of the delinquent tax lien.

If the sale of the tax lien is for interest less than the entire, and

the purchaser forecloses, he becomes a tenant in common with the owner to the extent of the undivided interest he purchased.

The owner has the right to redeem at any time prior to the next annual tax sale by paying the amount of the sale plus one percent per month. Redemption may be made at either the county treasurer's office in the county where the lands are located or at the office of the auditor general.

If the lands are redeemed by the owner, the holder of the tax certificate is notified of such redemption by the auditor general and upon surrender of the certificate of purchase, he will receive from the state the amount paid by the owner to redeem.

If the tax sale is not redeemed by the owner prior to the next annual tax sale, the purchaser must surrender his purchase certificate to the office of the auditor general and a tax deed will be issued.

This redemption may be made by payment to the purchaser himself or by depositing the amount in the county clerk's office.

Before the holder of the tax deed may acquire title to the

premises, under the law he must cause a sheriff's notice to be served upon all owners of interest and occupants of the premises. This notice calls attention to the owners that their properties have been offered for sale and that the person making service does hold the tax deed covering the properties involved.

The owner has six months after service of notice to effect redemption by paying to the purchaser or by depositing in the county clerk's office a sufficient amount to effect redemption. If the redemption is not made within this period of six months, the tax deed holder has absolute title to the premises under our law.

Particular attention is called to the fact that the tax deed holder cannot take absolute possession of the properties purchased until he has served the notice as prescribed in the law.

## TAX NOTICE

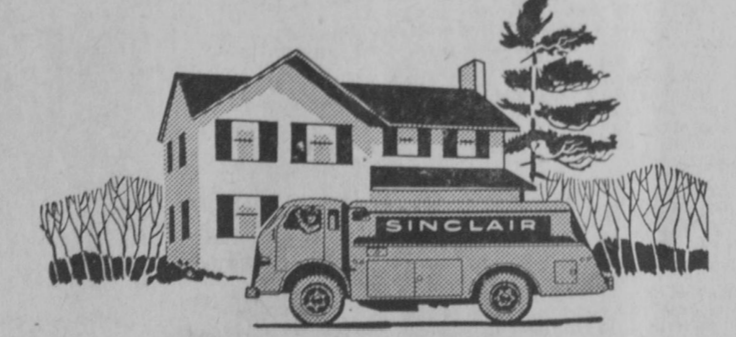

The advertised delinquent tax list is for unpaid taxes of 1958 and prior years. If your 1958 taxes were not paid before October 1, 1960, they will probably appear in this tax list for sale in May.

If you pay the 1958 tax before May 1, the description and tax will not be offered in the May Tax Sale.

# Whittemore News

**MRS. MILLER DELEGATE TO ALPENA CONVENTION**  
Whittemore Women's Club met at the Methodist parish house Wednesday evening, March 15.

Mrs. Marie Clegg was hostess. The president opened the meeting by repeating the club collect, the flag salute and club pledge. Mrs. Alfreda Lange read a message from the federation representative.

Band boosters came in to sell brooms. Mrs. Ida Miller had dish cloths to sell for the club. Mrs. Crystal Freeland read an article by Averill Harriman.

Mrs. Lelia Barrington, historian, is still working on the scrapbook. It was moved and supported that Mrs. Miller be delegated to the convention at Alpena, with Mrs. Helen Curtis, the alternate.

A number of Irish songs were sung by the group. Mrs. Curtis played the piano accompaniment.

Mrs. Lange read an article entitled "His Hands," written by the pastor of the Rockford Methodist Church.

One guest, Mrs. Williams of Saginaw, was present.

Refreshments were served by the hostesses, Mrs. Barrington, Mrs. Agnes Zemke and Mrs. Clegg.

Mr. and Mrs. Lester Cron left Monday for an extended vacation in Illinois and Kentucky.

# Hale Legion Honors Post Commanders And Presidents

Glen Staley Post No. 422, American Legion, of Hale held an outstanding program Friday evening, March 17.

The occasion had a three-fold purpose, to celebrate the 42nd anniversary of the founding of the American Legion, the 16th anniversary of Glen Staley Post and honor the past commanders and past presidents of the post and auxiliary.

Over 60 members and guests attended. Tables were beautifully decorated in patriotic colors, with the American Legion poppies used as floral pieces.

After dinner, Serge Thomson, master of ceremonies, introduced Commander Robert Pember, who in turn introduced the guests. They were Mr. and Mrs. Edward Gwizdala of Bay City (Mrs. Gwizdala is the 10th district president); Mrs. Alma Pake of Whittemore, former wife of Glen Staley, for whom the post is named; Mr. Broeker; Mr. and Mrs. Lloyd Murray, and Richard Getso of Hale.

Commander Pember introduced Mrs. Edwin Sharp, auxiliary president, who called on the past presidents of the unit to be recognized and receive a floral tribute from the post. Each lady gave a brief resume of her administration.

Past presidents attending were Mrs. Howard McKenzie, 1947-1948; Mrs. Stanley Hudzinski, 1950-52; Mrs. Donald Goodrow, 1953-54; Mrs. Florence Mann, 1954-55; Mrs. Ray Hendrickson, 1957-59. Those unable to attend were Leona Streeter, Luabell Zilliox, Evelyn Shellenbarger,

with their daughter and family at Drayton Plains.

Mr. and Mrs. Frank Gortner have returned to their home at Sages Lake after spending several weeks visiting friends and relatives in Ohio, Indiana and Michigan.

Mr. and Mrs. Herman Schanz, who have been at their cottage near South Branch since November, have returned to their home in Clinton.

Mrs. Clara Slosser has been admitted to Tawas Hospital.

Mrs. Bert Moore, Mrs. Robert Pember, Mrs. Glenn Paton and Howard McKenzie are reported to be nicely recovering from recent illnesses and surgery.

Mr. and Mrs. Deuell Pearsall have returned to their home in Hale after a sojourn in Florida.

Mr. and Mrs. John Morrison have returned home from a Florida vacation.

Mrs. John Skinner and children have returned to their home after several weeks vacation in Southern Michigan and Florida.

Ed Tottingham, who has been confined to his bed for some time at the West Branch convalescent home, is now at the Huron Convalescent Home on M-55.

Mrs. Clayton Bellville, Mrs. William Wercley and Mrs. Dewey Hutchins.  
Mrs. Gwizdala presented the unit with a preparedness award citation for membership quota obtained by December 7, 1960.  
Commander Pember called on past commanders to be recognized and receive a floral tribute from the ladies. Those attending were James Sabin, who held the commander's post two different years being its first commander in 1945 and then again in 1951; Forrest Streeter, 1946; Edwin Kocher, 1947; Stanley Hudzinski, 1949; Arlon VanHouten, 1954; Donald Goodrow, 1955; Clayton Bellville, 1956; Allan Harrington, 1957; Raymond Hendrickson, 1958; Edwin Sharp, 1959.  
Those unable to attend were Jesse Horlanda, 1948; Charles Sabin, 1950; David Ormerod, 1952; and Jack Miller, 1953.  
Each past commander gave a short resume of his administration. Commander Pember gave an interesting story of the American Legion; its beginning and what it has meant to the veterans of the great wars. He also stressed the need for vigilance on the part of all persons of this United States that the American Legion, being the largest veterans organization in the world, can be and should be a first line of defense against this aggression.

# Leading The Upswing! RAMBLER MARCH SALES AT ALL-TIME RECORD HIGH!

Rambler News is good! March Sales are running at an all-time record rate. That's right! More people bought Ramblers in the first third of March than in any similar period in Rambler history!

Yes—Rambler leads the economic upswing as more car buyers discover that Rambler Excellence gives a bonus on every car dollar they invest.

### Now Is A Good Time To Buy!

Rambler means business! Right now, Rambler dealers are out after even more sales with the kind of fair-and-square liberal deals that car buyers can't afford to pass by. Used car prices have firmed. That means your present car is worth more in trade now on a new Rambler.

### Why Is Rambler Breaking Sales Records?

Compact cars are capturing an ever-growing share of the new car market. Why does Rambler continue to hit new sales heights? Because Rambler is better than the big cars and best of the compacts. Here are the reasons:

- ONLY RAMBLER** offers 3 distinct sizes of compact cars
- RAMBLER** is voted most trouble-free by owners
- RAMBLER OFFERS** America's lowest prices
- ALL RAMBLERS** HAVE such exclusive quality features as Deep-Dip rustproofing way up to the roof... rattle-free Single-Unit construction... Ceramic-Armored muffler and tailpipe designed to far outlast ordinary mufflers
- RAMBLER'S RECORD ECONOMY** proved by 11 years and 35 billion owner-driven miles
- ONLY RAMBLER** has a compact car for six 6-footers
- RAMBLER HAS** top resale value proved by official Used Car Guides

### Ask Your Neighbor About His Rambler

He'll tell you why Rambler dealers sell twice as many compact cars per dealer as most other dealer groups. And your Rambler dealer can give you a better deal on the best of the compacts. Drive Rambler—world standard of compact car excellence!

### ENTERTAINED ON ST. PATRICK'S DAY

On St. Patrick's Day, Mr. and Mrs. Ernest Nesbitt entertained at their home in Alabaster at a dinner in honor of Mrs. Marian Rose and Mrs. Bessie Erwin, who had March birthdays.

Tables were lighted with green candles and centered with green plants. Other Irish figures decorated the rooms. The ladies wore green ribbon bows and the men green ties.

The traditional birthday cake was part of the dinner menu and was made by Mrs. Freeland. "Happy Birthday" was sung for the honored guests and their pictures taken while cutting the cake.

Mrs. Nesbitt gave the invocation.

Guests present were Mr. and

Mrs. George Erwin and daughter, Miss Maria Erwin; Mr. and Mrs. Elmer Freeland; Mr. and Mrs. George Rose; Mrs. Nellie Lewis, and Miss Helen Applin.

The evening was spent with a social hour and the singing of Irish songs and listening to Irish melodies. Mrs. Nesbitt entertained with several Irish demonstrations.

Mrs. Rose and Mrs. Erwin were presented with several gifts and cards.

### SHARON TRUDELL SELECTED TO ATTEND GIRLS' STATE

Audie Johnson Unit, American Legion Auxiliary, sponsors the project every year of sending a girl from Tawas Area High School to Girls' State at Ann Arbor, in June. Girls from all over Michigan attend Girls' State and learn how Michigan government functions. The girls are selected from a list of the junior class, high in scholastic record.

All expenses for a week at Ann Arbor are paid by the local East Tawas Auxiliary. The girls bring back reports which are given at an auxiliary meeting and may be given elsewhere. Mrs. Grace Misener is chairman of Girls' State this year.

Elected to represent Audie Johnson Unit this year is Miss Sharon Trudell, daughter of Mr. and Mrs. Robert Trudell, with Miss Sue White, daughter of Mr. and Mrs. Stuart White, as alternate.

### BAILEYS CELEBRATED SILVER ANNIVERSARY

Mr. and Mrs. Lewis Bailey entertained last Saturday at their East Tawas home, the occasion being their silver wedding anniversary. The home was decorated with bouquets of red roses, chrysanthemums and baskets of assorted flowers.

A luncheon was served by the host and hostess which included a four tiered wedding cake, topped with white bells and silver number 25.

Approximately 75 guests attended the celebration Saturday evening and open house on Sunday. The couple received many cards and gifts.

Lewis Bailey and the former Miss Iola Stine were married at Clarksville March 18, 1936. They have two daughters, Mrs. Donald Ulman and Mrs. Charles Engle, both of East Tawas, and twin sons, John and Joseph at home.

Mr. Bailey is an employee of Consumers Power Company.

### MUSICAL PROGRAM GIVEN AT LITERARY CLUB MEETING

East Tawas Ladies Literary Club met Wednesday evening, March 15. Mrs. Cecil Cabbie, vice president, had charge of the business session.

Mrs. Peter Lichtfusz, program chairman, introduced the participants.

Musical selections were given by the clarinet quartet of Tawas Area School, Misses Marlene Myles, Carol Nash, Diane Meyers and Sharon Siller. A piano duet was played by Terry O'Loughlin and Judy Lemon.

Announcement was made of election of officers to be held April 19.

Mrs. Frank Wiskuski told of the organization, history and the work entailed by the Gray Ladies of Tawas Hospital.

Information on the American Red Cross campaign in the county was given by Mrs. George Rose.

### RECEIVE FIRST LESSON IN 'KNOW YOUR GOVERNMENT'

Whittemore is the smallest incorporated city in Michigan. This was one of the interesting facts brought out in the first lesson, "Know Your County, Township and City Government." The legislative and judicial divisions of the local government were studied at the March 15 meeting of Tawas Homemakers Extension Group.

Mrs. Alfred Wehrsdorfer was hostess for the meeting at her home. She was assisted with refreshments by co-hostess, Mrs. Richard Berth. Mrs. C. B. Cox was a guest of the group.

Part two of the government lesson will be given April 19 at the home of Mrs. Harold Hammond.

### STATE PRESIDENT SPEAKER AT FEO AUXILIARY MEETING

Auxiliary of the Fraternal Order of Eagles of Tawas Bay Aerie No. 2588 met at the East Tawas Eagles Hall Thursday evening, March 16. Mrs. Alice Fahselt, president, was in charge.

Guest speaker was Mrs. Imogene Zarecki of Flint, state president of the FEO Auxiliary. She gave instruction on the work of the auxiliary and suggestions for new interest in building up local auxiliaries. She also explained the new constitution and changes in the rituals of the order.

She stated that this year \$200,000 had been given by the FEO Auxiliary for research work to the muscular dystrophy fund. Other projects to which the local auxiliary and the auxiliaries of the state donate time and money are for the relief of patients at Fort Custer. Comfortable chairs for patients and clothing have been donated. They have also helped in building and furnishing a gymnasium for the Father Cassidy Home On The Range Project.

Mrs. Fahselt appointed the following membership and visitation committee: Mrs. Madeline Ruehle, Mrs. Marie Platte and Mrs. Mary Lixey.

Mrs. Elizabeth Dyer, junior past president of the FEO Auxiliary of Flint, was also a guest.

## Married 50 Years

MR. AND MRS. ORVILLE McDONALD

Mr. and Mrs. Orville McDonald were honored at a dinner and reception at the East Tawas Eagles Hall Saturday evening in celebration of their golden wedding anniversary. The dinner was served by the FEO Auxiliary.

The table was centered with a decorated wedding cake. Mrs. McDonald wore a corsage of red and white roses and Mr. McDonald, a boutonniere, gifts from their children. Their five children were present. They are Henry of Detroit, George and Mrs. Florence Torok of Dearborn, Mrs. Dorothy Harmon of East Tawas and Orville Jr. of Houston, Texas. About 50 guests signed the golden wedding guest book. Many

lovely gifts were opened by the couple.

Mr. McDonald retired a few years ago after 43 1/2 years of service as a Detroit and Mackinac Railway Company employee. He is a member of the Fraternal Order of Eagles.

Mrs. McDonald is a member of Irene Rebekah Lodge and the FEO Auxiliary.

The McDonalds have 16 grandchildren and nine great grandchildren.

Orville McDonald and Della Farrand were married at the East Tawas Methodist Parsonage March 16, 1911, and have since been residents of this vicinity.

### Second Annual Wrestling Card Planned by Lions

East Tawas Lions Club will sponsor its second annual wrestling program Friday, April 21, at Tawas Area High School Auditorium, it was announced today by Herbert Escott, chairman.

A card of four matches has been arranged, again featuring Leaping Larry Chene, popular Detroit area mauler.

Chene will be pitted against Brute Bernard in the feature attraction of the evening.

Other bouts listed include Turkish Ali Bey vs. Bulldog Brower and a midget bout between Pancho Lopes and Farmer Pete.

Final bout of the evening will be a two out of three fall Australian tag match between the Chene-Bernard and Bey-Brower bout along with the two midgets.

Bey and Chene will appear one hour earlier to sign autographs for area wrestling enthusiasts.

Proceeds are to continue to improve the skating rink at East Tawas and the summer recreation program undertaken by the Lions Club last year.

Tickets will be available from all club members starting next week.

**NEW LEADERS IN TAWAS OPEN TOURNEY**

In the third week-end of action in the Tawas City Open Bowling Tournament at Tawas City Recreation, new leaders took over all positions. In the team event, SSK Engineering of AuGres leads with 3,133. The doubles are paced by William Borosch and Del Myles of Tawas City with 1,252. Clarence Rieger of Tawas heads the singles event with 683. The all-around leader is Richard Carey of Southfield with 1,935.

Action continues Saturday and Sunday, the fourth of eight week-ends in the tourney.

**ELIMINATION TOURNAMENT STARTED TUESDAY NIGHT**

First night in a single elimination tournament to determine the champion of the Tawas Church League started last night (Tuesday).

St. Joseph was scheduled to meet Alabaster and Grace Lutheran opposed Emanuel Lutheran.

Winners of these two games will meet tonight (Wednesday) at 8 o'clock. This game will be preceded at 7 o'clock by a contest between Methodist and Baptist quintets.

The winners of these two games will meet Thursday to decide the championship.

All games are to be played at the Tawas City unit gymnasium.

In action last week, St. Joseph defeated the Baptists, 44-31; Emanuel Lutheran downed Grace Lutheran, 39-29, and Methodists defeated Alabaster, 64-33.

Dr. J. J. LaRue attended the district meeting of the Michigan State Chiropractic Society at Saginaw Sunday, March 19.

## Cards Take Regional Honors

Whittemore-Prescott Cardinals won their second regional championship in seven years by defeating Saginaw St. Mary, 50-35, in the class C final Saturday night at Mt. Pleasant.

The Cards earned the right to their regional bid by defeating Kent City Friday night, 68-61.

Coach Ed Dudo's five will be pitted against Parma Western in the quarter-finals Wednesday night at Alma High School. Parma has a 20-1 record while the Cards record now stands at 13-7.

Two other NEM Conference teams went into state regional basketball finals Saturday night. Houghton Lake won a 59-58 squeaker over Traverse City St. Francis in class C at Petoskey. West Branch dropped a 58-45 nod to Alpena Catholic Central in class B at Mt. Pleasant.

To win the regional finals Saturday night, the Cards came up with one of their best defensive games of the season. Saginaw was unable to shake the W-P defenders and scored only one field goal in the first half.

On the other hand, the Cards elected to run the ball and were hot in the first three periods before slowing down in the final. This terrific pace set by the Cards

wore the Saginaw team to a frazzle.

Taking an 11-3 lead in the first period, W-P increased it by four points in the second quarter and by 13 in the third. The Cards coasted in to victory in the final quarter, although Saginaw out-scored them, 22-12.

Bernard Fegan, stellar guard for W-P, topped the scoring with 18 points on six and six, but it was his continued foul shooting success that helped. He made six free throws and now has 37 out of 39 attempts since tourney play started.

Whittemore-Prescott had an 11-0 lead in the first period before St. Mary could score. Bob Kurcak counting a bucket for one of the three points for the losers. That double dip was the only field goal for the Saginaw quintet in the first half. Kurcak wound up the leading scorer for the losers with 14 on seven fielders.

Behind Fegan for W-P were Rex Gibson, 14 on six and two, and Ron Armstead, 10 on five fielders.

**DISTRICT SCOUT MEETING AT WEST BRANCH FRIDAY**

Timberland District, Boy Scouts of America, first aid meet will be held Friday, March 24, 7:30 p. m., at the West Branch Community Center. Troops will be participating from Crawford, Roscommon, Ogemaw and Iosco Counties. Approximately 25 patrols are expected to take part.

Problems in first aid will be read to the entire assembly. Each patrol will have a problem leader who makes the decision as to what action should be taken and treatment given. A time limit is set for each problem. The Red Cross trained judge observes each patrol and scores them on their proficiency. There will be four problems for each patrol to complete during the course of the evening.

Burial was in the Emanuel Lutheran Cemetery.

**Senior Citizens Will Meet at Hale March 23**

Marvin Davenport, county extension director, was chairman at a meeting held Monday, March 13, at the American Legion Hall, Hale, to lay plans for a get-together of interested senior citizens who would like to form a senior citizens group, in this area.

"There are many people living in this area who have much to offer in the way of friendship, talent and the ability and understanding in helping others to help themselves and each other," said Davenport.

There will be an open meeting at the American Legion Building, Hale, March 23 from 1:00 p. m. until 3:00 p. m. All senior citizens and anyone interested in forming such a group in Hale are urged to attend.

The Cooperative Extension Service is making plans for a spring festival at the new Hale Community Building May 4. It will include displays of crafts and handwork and ideas that can help to encourage others to participate in hobbies and social gatherings.

Those attending the committee meeting were: Mrs. Marvin Davenport; Miss Dorothy Scott, county extension agent; Mrs. Harold Heine, economics council chairman; Mr. and Mrs. Roy Westfall of Harrisville; Robert Pember; Glenn Paton and Mrs. Edwin Sharp, all of Hale.

Surviving are his wife, the former Ferne Rollin; one son, James B.; one brother, Benjamin, and one sister, Mrs. Glenna Bartlett, both of Muncie, Indiana.

Funeral services were held Monday, March 6, at the Thornburg Funeral Home with burial in the Strong Cemetery, Albany, Indiana.

**100 Years Ago This Week...in THE CIVIL WAR**

(Events exactly 100 years ago this week that led to the Civil War—told in the language and style of today.)

**"NOT EXPEDIENT"**

**Lincoln Blocks Senate Move To Get Ft. Sumter Letters**

WASHINGTON, D.C.—March 25—President Abraham Lincoln today refused—"respectfully," but flatly—to release to the Senate recent dispatches from Maj. Robert Anderson, commander at shaky Fort Sumter, Charleston, S.C.

The chief executive notified the Senate he had "come to the conclusion that at the present moment the publication . . . would be inexpedient."

Request by the Senate for the data came as concern over the pivotal fortress in Charleston Harbor rose to fever pitch.

Reports received this week are that the garrison's food supply will run out April 15 and that local provisioning has become virtually impossible.

Anderson's force of 65 soldiers and a seven-man brass band watch from their story seat in the bay as a Rebel force numbering in the thousands is building up at Charleston under Confederate Army General Pierre G. T. Beauregard.

AS THE NATION'S eyes have turned to Sumter, Anderson has attained the status of a national hero—a role heightened by an account being told here this week.

It is the story of how Anderson, a Regular Army officer from Kentucky, outfitted the entire Confederate force last Christmas to move his tiny unit to Fort Sumter.

When he took command at Charleston last Nov. 21, Anderson found his two companies stationed at Fort Moultrie, another part of the harbor defenses.

Aged, crumbling Moultrie is on Sullivan's Island, not too far from a plush summer hotel and—Anderson saw with dismay—within easy rifle range of nearby rooftops.

Sand had piled up against its low walls to the height that cows could mount the sandy hills and moo contentedly over the fort's ramparts.

Anderson had a sentimental attachment for Moultrie—his father had commanded it during the Revolutionary War—but he saw at once it was virtually indefensible.

SUMTER, three miles out in the harbor, was an incomplete structure but more suitable as a defense position, Anderson saw; but Confederate picket boats prevented any open troop movements.

So the wily Kentucky officer chartered three schooners, loaded the garrison's women, children and supplies on board, and dispatched them to Fort Johnson, on the opposite shore.

Crews were instructed to tell Southern picket troops that the families were being sent to the North.

With bulk of the supplies out of the way, Anderson's men, on Dec. 26, eased their way out of Moultrie and went by longboat to Sumter, quieting pro-South construction workers there with the threat of bayonets.

As they arrived a signal gun was fired and the three schooners with the families and six months' provisions sailed from Fort Johnson to Sumter. Rear guard units at Moultrie spiked that fort's guns and burned the gun-carriages.

THUS, an astounded and angry City of Charleston awoke to find the Federal forces in a far stronger position out on Sumter.

It is the supplies carried to Sumter during Anderson's operation that has kept the units alive since. The only attempt to restock the fort failed when the merchantman "Star of the West" was scared away by Confederate gunfire last Jan. 9.

**Army Pullout Figure Mounting**

WASHINGTON, D.C.—March 24—At least 250 of the 1,108 regular officers on the rolls of the U.S. Army are expected to resign to join Confederate forces, a War Department spokesman said today.

**Film Makes History Here With Long Run**

"Ben-Hur," which has been making theatrical and literary history for 80 years all around the world, again took the news spotlight recently when top film executives signed contracts for the first local showing of Metro-Goldwyn-Mayer's Academy Award-winning production of the Gen. Lew Wallace classic.

The deal involving this booking sets another record for "Ben-Hur" and brought the long-anticipated picture to the Family Theatre.

Most acclaimed motion picture ever made, the William Wyler presentation of "Ben-Hur" won 11 Academy Awards, including the "Oscar" for Best Picture of the Year. This is the greatest number of awards ever received by a picture in the history of the Academy of Motion Picture Arts and Sciences. "Ben-Hur" also won the British "Oscar," was named Best Film of the Year by the New York Film Critics, Best Produced Film of the Year by the Screen Producers Guild and has been given a long list of additional awards and citations.

The agreement between Metro-Goldwyn-Mayer and the Family Theatre was signed recently. It is said to involve more money, longer playing time and greater long-range preparation than any similar deal ever made in local amusement history.

"Ben-Hur" began making literary history back in 1880, when the book was published and became a world-wide best-seller.

For years, the author had refused to permit any stage version of his novel. Finally, the old theatrical firm of Klaw and Erlanger induced Wallace to permit use of his book for a play. Wallace was paid four and two-thirds percent royalty (huge in those days) and the contract was referred to as a million-dollar deal. This developed into an understatement. The word "millions" became attached to anything concerning "Ben-Hur." Late in 1899, "Ben-Hur" opened in New York City. It was a sensation.

Never has any single entertainment enterprise excited as much interest as this film. The Family Theatre will set up a special "Ben-Hur" information bureau to handle inquiries about theatre parties and other reservations. Special morning shows and matinees for students and other groups will be arranged.

telephone lines

By CHET MAHER, Manager

WHAT'S "ALL NUMBER CALLING"? It's the latest development in telephone numbering. Now, in many communities throughout the country, you dial seven numerals to make a local call—no letters. For example, KL 5-2368 becomes 555-2368—a true telephone "number." Why was this done? Simply because we're running out of usable letter-number combinations. If we're to continue to grow and provide good service, we need to use the more flexible "all numerals" system. Some Michigan communities already have it. More will begin to use it soon. You'll find this new system more accurate and we think you'll like it.

MICHIGAN'S NATURALLY the motor center of the world. We've got drive-up banks and mail boxes, drive-in restaurants and movies . . . even a place where you can drive up to return a library book. Well, the telephone company is right up-to-date, too. We're installing new drive-up telephone booths! Small, handy, well-lit, these drive-up phones are a welcome aid to the motorist who wants to make a call in a hurry. They supplement the regular roadside telephone booths that are already a familiar sight along many of our highways.

A SLIMMER, LIGHTER yet stronger spring telephone cord has been developed by Bell Telephone Laboratories and Western Electric. One secret of its new, sleek strength is the use of nylon. Instead of cotton, thread. Slimming a cord seems like a small change—until you realize that it will save more than half a million dollars annually in cord costs! It's another instance of your telephone company's constant search for new ways to improve the equipment you use, while keeping the cost of your service low.

**HOW TO TELL A DODGE FROM A DODGE**

Identifying a Dodge has become a problem. Because now there are two. Compact Dodge Lancer. Full-size Dodge Dart. There is an obvious difference. Size, inside and out. Dart, the lower picture, is the larger. But otherwise they are very much alike. Both have a unitized, rust-proofed body. A superb ride called Torsion-Aire. A battery-saving alternator. And both have optional three-speed push-button automatic transmissions. Another difference is price. Dart, the full-size Dodge, is priced model for model with Ford and Chevrolet. The compact Dodge Lancer costs about the same as Comet, Falcon and Corvair. Get to know them better. At your Dodge Dealer's, of course.

### City Attorney Cotter Upholds Action of City Supt. Bublitz

In a report to the Tawas City Council Monday night, City Attorney Jerry Cotter said that Supt. of Public Works Reginald Bublitz had acted properly in denying a building application two weeks ago.

front property line and six feet from the side lines.

However, Cotter said that the principal reason for denying the application was that the present use of the property did not conform to class A residential zoning.

He pointed out that the ordinance stipulates that the lawful use of the property at the time of passage may be continued, although not in conformance. It prohibits structural changes on the property.

Mayor George Tuttle asked why the proposed structure could not be considered as a private garage. Cotter said that a 40 by 60 structure does not come within the definition of a private garage as set forth by the ordinance.

Cotter said that the applicant could appeal the council's decision. If so, the council would meet as an appeal board.

In other business, the council amended a resolution passed February 14, 1960, concerning the filling of a ditch in Huron Gardens subdivision. On motion of Councilman Earl Davis, the resolution was changed to read, "if a ditch on Roberta Drive is filled by the city, it will be tiled."

Earlier in the meeting, Councilman John N. Brugger had requested that the council withdraw its resolution passed more than a year ago. He said that the city should not take action on filling the ditch until there was a settlement of a property line dispute between the owners of Huron Gardens and North Park Acres Subdivisions.

**DAVID ZELLMER AWARDED FOR ACADEMIC ACHIEVEMENT**  
David L. Zellmer, son of Mr. and Mrs. Nelmer Zellmer, Tawas City, is one of 259 University of Michigan freshmen who will receive the William J. Branstrom prize for academic achievement.

Award winners are to receive their selections in a special convocation May 12, 2:00 p. m., in the Union Ballroom. Parents are invited.

**TAKE PART IN TELEGRAPHIC BOWLING TOURNAMENT**  
In a recent telegraphic bowling tournament, Tawas Area High School was one of the 24 schools of the state to take part.

In the individual single game, Kathy Nelkie placed 14 with a 169 and sixth in the game series with a 461.

The team of Tawas Area, Kathy Nelkie, Cheryl Babcock and Virginia Clute, placed 16 with a score of 1,193.

### Welfare Director Change is Board Recommendation

Iosco County Board of Supervisors has recommended to the county welfare department that it hire a male director to handle its office at the county building.

At last Wednesday's session of the board of supervisors, Elmer Werth presented a resolution to this effect, recommending that Mrs. Nyda Bronson, present director, be replaced.

There were 13 yes votes, three no votes and two members abstained from voting on Werth's resolution.

Voting yes were George Blust, Fred Brabant, Edward Burgeson, C. S. Everett, Edward Gerard, L. S. Little, Glenn Long, Lewis Rodman, Clement Stephan, Wayne Pollard, Werth, William White and Rex Kochenderfer.

No votes were cast by Theodore Bellville, Henry Oates and Charles Smith. Not voting were Burdge Ashton and George Webb.

In other business, the board authorized a deposit of \$1,000 to be paid toward purchase of land adjacent to the county building at its west boundary. The board authorized its building and grounds committee to enter into negotiations with Mr. and Mrs. Robert Short for purchase of the property.

By a unanimous vote, the board of supervisors went on record as urging voters to oppose the proposed constitutional convention at the April 3 election.

### GIRL SCOUTS TO PRESENT PROGRAM AT CLUB MEETING

An April 5 program to be presented at a meeting of the Twentieth Century Club by members of the Junior High Girl Scout Troop No. 3 was practiced at the Monday afternoon scout meeting. Twentieth Century Club is sponsor of the troop.

The girls worked on sewing projects, how to darn a sock and sew on a machine.

Refreshments for the afternoon were served by Doreen Ledworth.
