Businessmen Want More Information on Parking

The proposed widening of US-23 in Tawas City, as announced two weeks ago by the state highway department, will not effect the business section. This was the word received last week from the department.

However, action of the Tawas City Businessmen's Association last Thursday is to ask further clarification on the US-23 expansion programing as concerning parking in the downtown area.

"Our present plans are to widen and resurface the existing 20-foot pavement to 24 feet from the south city limits to north of the Tawas River bridge," stated R. A. Trebilcock, program division director, in a letter to the city council.

"From the bridge to Mathews Street, we plan to widen and resurface the existing 20-foot and 40-foot pavement to 48 feet," said Trebilcock.

From Mathews Street to Whittemore Street, through the downtown business section, plans call for resurfacing the existing 52-foot slab, he stated.

The existing 48-foot pavement from Whittemore Street to M-55 will be resurfaced, as will be the existing 48-foot pavement from M-55 to the east city limits.

In announcing its intentions to communicate further with the highway department, the businessmen's association said that it was urgent to know the status of parking along US-23 from Mathews to Whittemore Street.

Although the department's letter stated that the proposed widening would not effect the business section, the association wishes to learn if this statement takes parking on US-23 into consideration, or if it refers to structural changes only.

Tawas Bandsmen Win 22 'I' Awards

A total of 22 first division medals were won by Tawas Area High School bandsmen in the state solo-ensemble festival held at Jackson Saturday. Some 32 members of the senior high band participated.

Three members passed the proficiency "I" examination, considered as being above a first division rating in the solo division. Highest level received by Tawas Area bandsmen were James Ruckle, senior, tenor saxophone; Marleen Myles, junior, clarinet; and Richard White, sophomore, French horn.

Marleen and Richard were among the top overall performers, with two first division awards each. Another winner of two first division awards was Jacquelyn Nelson, senior, clarinet.

Outstanding freshmen were Barbara Bonino, two first division awards, clarinet; Carol Nash, one first division award and two second division awards, clarinet; Nancy Laidlaw, one first division award, two second division awards, French horn.

First division winners in ensembles were as follows: Woodwind trio—Jacquelyn Nelson, clarinet; Barbara Bonino, clarinet; Christine Moehring, bassoon.

Clarinet quartet—Carol Nash, Pamela Keiser, Barbara Bonino, clarinets; Barbara Johnson, bass clarinet.

Clarinet quartet—Marleen Myles, (See BANDSMEN, page 10.)

Cattle Rustler Gets Prison Sentence

Two young men who entered pleas of guilty to a charge of livestock larceny were sentenced Monday by Circuit Judge Allan C. Miller.

Sentenced to serve one to five-year term at Southern Michigan Prison, Jackson, was Roy G. Newman Jr., Route 1, Hale.

Gary W. Potts, 17, of Detroit was placed on three years probation and ordered to pay restitution of \$75 and costs of \$50.

The two men admitted the February 19 theft of a Holstein heifer owned by James Sturtevant, Whittemore.

Placed on probation for a period of two years was Alexander C. Lloyd of Detroit. An Oscoda County case, Lloyd was convicted of negligent homicide as the result of an auto accident last August near Mio. A nine-year-old child, who was a passenger in the other car involved, was killed in the crash.

Lloyd was ordered to pay court costs of \$250. One charge was dismissed and another charge suspended against John E. Davis, who is presently serving a prison term at Jackson.

The case against Davis had been on Iosco's books since September 1957. Accused of uttering and publishing and insufficient funds, Davis' motion for a new trial had been granted by former circuit judge, Herman Dehnke. However, he is being held at prison on a charge from another county.

Davis entered a plea of not (See COURT, page 10.)

Spring Election Next Monday

Each Voter Will Receive Five Ballots; Many Races

Voters who go to the polls in next Monday's spring election will receive a first-of-its-kind ballot.

Each elector in the county will receive a total of five ballots—city or township, state, non-partisan (supreme court) and two propositions.

Although the spring election usually sees a light turnout of voters, this year's balloting is expected to draw large numbers because of the interest in local and state contests, as well as state-wide attention being given to the Con-Con proposal.

In spite of the two-party ballot last spring in Tawas City, only 398 persons went to the polls. This same lack of interest was in evidence at East Tawas where 191 votes were cast.

County Clerk George Prescott reported Monday that several townships will have sticker candidates in the election.

2-Party Ballot Set for Election in Tawas City

A two-party ballot will feature voting in Tawas City's annual spring election Monday, April 3.

Incumbent Mayor George Tuttle, Republican, is opposed by Donald Watson, Democrat.

Other races find Walter C. Nelson, clerk, and John Hoshbach, treasurer, Republican incumbents, being opposed by Mrs. Robert J. Peters and Roy Bergeron.

Charles L. McLean, two-year candidate for justice of the peace, is being opposed by Robert J. Peters, Democrat, while Emmitt Collins, Republican candidate for four-year term as justice of the peace, is being opposed by Joseph Homberg, Democrat.

Ward races are as follows: First Ward—Clement Stephan, incumbent Republican supervisor, is opposed by Joseph Palumbo; William G. Murray, Republican candidate for alderman, is opposed by Albert Duquette.

Second Ward—Fred Brabant, incumbent Republican supervisor, is opposed by William Roberts, Democrat; Earl Davis, incumbent Republican alderman, is opposed by Fred Oates.

Third Ward—Clarence Everett, incumbent Republican supervisor, is opposed by Wilbur C. Roach, Democrat; Cecil Cabbie, incumbent Republican alderman, is opposed by Edward Cowan, Democrat.

Former East Tawas Cage Coach Honored

C. H. Nickel, one-time basketball and baseball coach at East Tawas High School, was one of 12 Michigan coaches who were enshrined Saturday into the state hall of fame.

"Nick" came to this area as the coach at Alabaster High School, then moved to East Tawas where he enjoyed several successful seasons.

Leaving East Tawas in the early 1940s, he became head basketball coach at Lansing Sexton High School and later was named the school's athletic director.

Tawas - AuSable Area Attractions Group Organized; Plan Promotion

Promoting attractions in the Iosco County area is the objective of a new group organized Friday night at the Tawas Chamber of Commerce building.

Del Collier of Jerry's Fishing Resort on Coast Guard Road was elected president of the new Tawas-AuSable Area Attractions group.

Named to serve with Collier were W. A. DeGrow, secretary-treasurer, owner of the Miss East Tawas charter fishing cruiser, and Howard Brubaker, vice president, owner of the AuSable River Queen paddle boat.

Active in the organization of this group has been the Rev. O. James Crews, director and manager of the Chapel Lake Indian Ceremonials.

Crews has been appointed to a committee of the state tourist council for upgrading tourist attractions throughout Michigan.

As a starter toward promoting attractions here, the group plans to purchase 100 signs and place them at strategic locations around the state. The organization has set May 1 as its goal for placement of these signs.

Besides those named above, other members of the new group include: Allen Rhodes, Tawas Gallery of Historic Indians; Melvin Brown, charter fishing cruiser; Henry Greenwood, Hank's Fishing Trips; Gordon MacAndrew, Capt. Mac fishing cruiser; Douglas Ferguson, Mystery Ridge.

Owners of other attractions in the Iosco area are to be contacted for possible participation in this new organization.

Mayor Race Adds Spice to Election at ET

A sticker candidate for the office of mayor will add spice to next Monday's non-partisan election at East Tawas.

C. V. Miller, who was a successful write-in candidate for mayor in last February's primary election, will be opposed by Frank Wilkusi.

Wilkusi, present First Ward alderman, announced his intentions to run for the office of mayor on stickers last week.

The race for mayor was thrown wide open after the February primary when Elmer Werth, incumbent, announced he would retire at the end of his term April 10. Miller garnered 348 votes to Werth's 203 in this election.

In other races, Mrs. Grace Klenow and R. E. McElheron will vie for the office of treasurer. The latter candidate filled out the unexpired term of Mrs. Georgena Bergeron, who retired last year.

Arthur J. Goulet, incumbent justice of the peace, will be opposed by Frank G. Berzhinski in the February primary, Berzhinski outdrew the incumbent, 345-275.

Rex Kochenderfer, incumbent First Ward alderman, is opposed by James DeRosa, who was a write-in candidate in the primary.

Unopposed on the ballot are Clerk Fred B. Lomas, Second Ward Alderman Wayne Pollard and Third Ward Alderman Clarence McKenzie.

Police Investigate New Rash of Iosco Cabin Break-Ins

Investigation of the recent breaking and entering of about 20 summer cabins at Sand, Big Island and Indian Lakes is under investigation by Michigan State Police.

All located in Grant Township, officers said that the cabins had been entered after the storm of two weeks ago as footprints were found in the snow.

It appeared that all cabins were entered about the same time and by the same persons. Cabins were left orderly and the doors were closed after leaving.

Although officers were unable to determine owners of several cabins, a considerable amount of small articles was stolen from one of the cabins.

Home for the Elderly Planned by Davison

Details of a proposed new 60-bed home for the elderly to be located on M-55 west of Tawas Area High School were announced this week.

Richard Harwood, who is handling negotiations for Edward Davison Sr. of East Tawas, owner, said today that the proposed new facility would cost in excess of \$500,000.

Mr. Davison is president of Davison and Son Builders, Incorporated, Tawas City construction firm.

At a meeting of the Tawas Township Board last night (Tuesday), property on which the structure is to be located was to have been rezoned to allow construction. A meeting was held to hear complaints, if any, concerning this location.

Being built by private capital, the new home for the elderly would be located on 10 acres of land in Timreck Cold Creek Subdivision. It would be built on the north side of M-55, directly across from the practice football field.

In explaining some features of the building, Harwood said it would be an apartment-type structure. Built in the form of an inverted "U," extending from the 215-foot-long main structure would be two wings, 211 feet long and 78 feet wide.

A court facing M-55 would contain a recreation area for patients. A covered walkway extends between the two wings which partially encloses the court, as shown in the architect's sketch.

To be of masonry and brick construction, units in the structure would range from a complete apartment to a four-bed ward in an infirmary. The structure would accommodate 60 patients.

In addition to apartment units, the structure would contain a dining room, kitchen, administration offices, recreation room, health and therapy rooms.

The facility would have a 10-bed infirmary, along with two four-bed wards and two single bed isolation wards.

Harwood said that approximately 30 persons would be employed in the operation of the home, including an administrator, registered nurses, dietitians and attendants.

The building was designed by J. Wesley Olds, Okemos architect. "This new facility should not be confused with the medical care facility being proposed by the board of supervisors," said Harwood. "This is to be a private institution."

The new facility is being built to the specifications of the state health department and state fire marshal.

Named President of Road Association

W. D. (Mike) Nunn of East Tawas was elected president of the County Road Association of Michigan at the organization's annual meeting March 21-23 at Grand Rapids.

Nunn, who takes office the last week in April, succeeds Henrick E. Stofseth. His selection marks the first time that anyone in this area has been president of the organization.

A past president of the Northern Michigan Road Association, Nunn was vice president of the County Road Association last year.

Nunn is a member of the Iosco County Road Commission.

1961-62 School Budget Shows \$12,526 Boost

Tawas Area Board of Education adopted an operational budget of \$499,911 for the 1961-62 school year at Monday night's regular meeting.

This budget calls for an allocation of \$213,785 in local taxes. Last year, the school had an operating budget of \$487,385 and requested \$216,060 from the county allocation board. It received \$205,291.28.

Addition of two new teachers at \$9,000 caused the budget increase. Debt service will require \$46,218.33 during 1961-62, as compared to \$47,013.75 last year.

In other business, the board authorized the band to purchase three Sousaphones at \$500 each.

Plans for replacing an electrical panel at the Alabaster unit were approved by the board. This work is to be let for bids when final plans are completed.

The board formally accepted contracts returned by 13 teachers. Remainder of the contracts are to be returned by April 3.

Chamber Starts Drive for Dues

Solicitation of dues from the manufacturing, distributing and professional group has been started by the Tawas Chamber of Commerce.

At its regular meeting last Wednesday night, C. V. Miller, membership chairman, said that statements had been mailed to potential members of this group.

Each director was given the names of one or two persons in this group in order to make personal contact for collection.

In other business, the board approved purchase of a new electric portable typewriter.

Gilbert Barrett, chairman of the advertising committee, reported that brochures were now being prepared for the coming season.

John Proctor reported on plans for assisting the annual Iosco County Fair at Hale by the Tawas Chamber of Commerce. He said that facilities at the fair grounds had been expanded last year and plans for this year include new lunch counter facilities.

Walter Champion was named chairman of a committee to handle the fireworks display for the July 4 observance. Councils of Tawas City and East Tawas have approved appropriations of \$75 each toward this expense.

Plans for mailing smelt and perch run cards were discussed. These cards are available at the chamber office and are to be filled out by visitors. The cards are mailed to the addresses of those who have made arrangements when fishing activity is at its peak. Other down-staters are notified of perch or smelt runs by collect telephone calls.

Hospital Auxiliary to Hold Annual Party

Eleventh annual card party of Tawas Hospital Auxiliary will be held Easter Monday, April 3, at the Barnes Hotel, Tawas City, beginning with a luncheon at 12:30 p. m. Mrs. Cecil Cable is chairman of the program.

There will be card games, door and table prizes.

Prizes for the card game will be donated by Oscoda and Tawas merchants. One large door prize will be donated by Consumers Power Company.

The assisting committee members are Mrs. James Jacques, Mrs. Hugo Keiser Jr., Mrs. John Pitts, Mrs. Norman Merschel, Mrs. Gordon Penman, Mrs. Gordon Huck, Mrs. Clarence Everett and Mrs. James Dillon.

The auxiliary has just finished furnishing the hospital with cubical curtains and is now working on the project for equipment for the hospital laboratory. Support of this project will be appreciated by the group.

Reservations for the card party and luncheon can be made by phoning Mrs. Floyd Upton, FOrest 2-2017, or Mrs. Chester Busch, FOrest 2-3656.

Those responsible for card tables are asked to bring cards.

Vote Next Monday!

As a good and conscientious citizen, of course, you plan to vote in the spring election next Monday, April 3.

This is to remind the conscientious voter that he does only half a job if he votes for only half of the offices or issues. In addition to the regular partisan ballot, there are two important proposals and the non-partisan slate for the state supreme court.

While voters sometimes show little interest in the spring election—thinking up all sorts of excuses to avoid the polls; such as, inclement weather or the lack of time—it is important that every qualified elector exercise his constitutional right to vote in this election.

Why is the spring election so important? First, city and township voters select officers to direct and handle local government for the next term; second, many important state offices are listed on the ballot; third, two justices of the state supreme court will be selected, and fourth, there are two proposals in the referendum section this year—both are important, especially the one dealing with calling a constitutional convention.

This is about as far as one can go in urging all voters to make their appearance at the polls Monday, April 3. The ballot is the best possible way of making your voice heard in the operation of YOUR government—by all means, exercise this right!

Vote "NO" on Con-Con

The publishers again take this opportunity to urge a "No" on the Con-Con question. From the start, we could not see any advantage to this section of the state in having a new constitution and we have not changed our minds.

As the Iosco Farm Bureau said this week, "Why elect a convention of inexperienced delegates at a cost of \$3,500,000 and, in a few months, expect them to do a better job than the state legislature, which handles the problems one at a time, as the need arises."

Newspapers of the larger cities of Michigan continue to harp that Detroit, Grand Rapids, Flint, etc., are being discriminated against because they do not have control of the state senate.

They now have nearly a majority of the state house and would like to be able to completely dictate what laws are to be passed.

We need a system of checks and balances in Michigan, just as much as the one that is needed in the United States. The senator from the 10th district may not represent as many people as the one from the first district, but, too, a senator from Nevada represents far fewer people than one from New York State.

This is not a political question—rather, an attempt by the heavily populated sections of the state to take over absolute control.

There is a lot of state outside of Wayne and the lower tier of counties and, unless we outstaters stick together, we are not going to have any voice at Lansing.

Organization Commended

This newspaper commends owners of area tourist attractions in their efforts to band together to promote business. This is good thinking on their part and should prove to be very beneficial to those concerned, as well as the entire area.

The new Tawas-AuSable Area Attractions group intends to work in close cooperation with the Tawas Chamber of Commerce and East Michigan Tourist Association. It will promote the Iosco area in particular.

It would be well for owners of other tourist attractions in this area to contact officers of this new group. Area promotion is important and, the more persons taking an active part, the better.

'Sounds in Lent' Theme at ALCW Special Program

A Lenten program was given at the regular meeting of the ALCW at Grace Lutheran Church Thursday evening, March 23. Mrs. W. D. Nunn was program chairman. The theme was "Sounds in Lent" and the program was given in the church proper.

Mrs. Charles Nash played hymns and gave appropriate organ selections during the readings. Mrs. Nunn gave an introductory reading about the program. Mrs. William Lindholm read explanatory Scripture passages before each reading. The following readings on "Sounds in Lent" were given: "Weeping" by Mrs. Emma Sloan; "The Clank of Coins," Miss Helen Applin; "Water in the Basin," Mrs. Raymond Rescoe; "Hymn in the Night," Mrs. Edwin Anderson; "A Lenten Litany," Mrs. Nunn, with responsive prayer by Mrs. Charles Nash. A missionary benediction was given by Mrs. Nunn.

After the program, the business session was held in the church basement with the president, Mrs. Leonard Sarki, leading. Several reports of committees were given.

An announcement was made of the program for the next ALCW meeting to be held April 13, 8:00 p. m. This program will be for all members of the church and the Oscoda ALCW and congregation are invited.

Mr. and Mrs. N. L. Melander, missionaries from Africa, will relate their experiences and show color slides of Africa.

After the business meeting, hostesses serving refreshments were Mrs. Earl Hester, Mrs. Jacob Montgomery, Mrs. Fred Look and Mrs. Oscar Christensen. The serving table was decorated with green candles, green hats and St. Patrick figures. Refreshments were also in keeping with the St. Patrick motif.

today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room THE UPPER ROOM, NASHVILLE, TENNESSEE

Read John 4:7-14

Jesus, knowing that all things were now accomplished, that the scripture might be fulfilled, saith, I thirst. (John 19:28.)

No physical suffering is more torturous than burning thirst. Men have been known to exchange gold gladly for a single cup of cold water. Thirst has driven men mad. Men have committed murder for a drink of water. We cannot live without it. It is the absolute essential for all living things.

Spoken from the cross, the Saviour's words, "I thirst," represents the cry of universal need. He, too, experienced burning thirst. In calling for water, the Son of God identified Himself with all mankind. He knew our greatest physical need.

Above and beyond our longing for refreshing water, there is a much greater need: Spiritual refreshment for dying souls. We so often live in moral and spiritual deserts. The hot, angry sun of sinful pride, selfishness, godlessness burns down upon us. Our souls are in danger of perishing. Christ Himself brings the cool soul-satisfying water which gives new life.

PRAYER

O God, our spirits are exhausted. Our souls are crying for that living water. May the eternal Christ come to us and give to us the life-restoring cup. May we receive from Him and, in the receiving, may we live. In our Saviour's name we ask. Amen.

Cabinet Votes Aid For Pickens, Strengthens Stand On Ft. Sumter

Supports Blair's 'Let's Move' Pitch

WASHINGTON, D.C.—March 29—Defense of Fort Pickens at Pensacola, Fla., was unanimously urged by President Abraham Lincoln's cabinet in an emergency meeting here today.

The six members attending the session—Simon Cameron, secretary of war, was absent—also strengthened their stand on defense of Fort Sumter at Charleston, S.C.

PRESIDENT Lincoln was said to have electrified the cabinet members with revelations that Gen. Winfield Scott, Army chief, had advised that both Pickens and Sumter might have to be abandoned.

Each of the six quickly rejected this possibility as it applied to Fort Pickens.

And the stand taken at a cabinet meeting March 15 by Postmaster General Montgomery Blair, who flatly urged immediate reinforcement of Sumter, was strengthened by the qualified concurrence of Attorney General Edward Bates and Navy Secretary Gideon Welles.

As of today, Fort Sumter, Fort Pickens and two other Florida forts—Taylor and Jefferson—are the only installations in the South still in Federal hands.

Pickens, major of the three Florida outposts, is on sunny Santa Rosa Island in Pensacola Bay. It is manned by two artillery companies, one of which arrived just seven weeks ago.

ITS MEN have remained on station while all other Federal installations around them fell into Confederate hands.

The big Navy Yard at Pensacola struck its flag Jan. 12, two days after Florida voted to leave the Union.

The initial force of 81 men, including 30 seamen, was moved to Pickens from another harbor installation, Fort Barrancas, on the day of secession.

Two days earlier, on Jan. 8, a

General Scott Is No Stranger To Army Fireworks

WASHINGTON, D.C.—March 31—General Winfield Scott's key role in the raging Fort Sumter controversy comes as the colorful old warrior enters the twilight of a long and valorous Army career.

Born in Virginia 75 years ago—a scant few years after the birth of the Republic which he has served—Scott first saw action at Niagara Falls in the War of 1812, being wounded twice. He served with distinction also at Chapultepec, Vera Cruz and Cerro Gordo in the Mexican War.

A huge man—six feet five, some 300 pounds in weight—Scott built a reputation during his military career as a stern disciplinarian and a stickler for books. He was dubbed "Old Fuss and Feathers" years ago. He is author of several training manuals.

He was the Whig candidate for president in 1852.

Now, as one of the biggest challenges in all military history approaches, Scott appears even to his staunchest admirers not to be up to it. Aging and ill, he spends most of his hours in his Winder's Building headquarters opposite the War Department resting on a couch—waiting for the war that he's too old to fight.

Rev. Cornell at Alabaster Church

The Rev. Dave Cornell will participate in special services at the Alabaster Community Church, starting Easter Sunday, April 2, through April 9. Services Sunday begin at 11:00 a. m. and 8:00 p. m. Nightly services throughout the week begin at 8 o'clock.

Mr. Cornell has served in the World-Wide Evangelization Crusade for 17 years. Prior to that time, he pastored a church in California. As director of the extension department, he has traveled extensively throughout the United States in missionary conferences and evangelistic work. Three years ago, he began to take a more active participation in the foreign program and now has been appointed foreign secretary.

"We welcome everyone regardless of denomination to attend these services. Let us not pass up this marvelous opportunity," said the Rev. C. H. Symons, pastor of the Alabaster church in announcing the missionary's appearance here.

Tawas Area Included in Bell System's New Direct Dialing

Plans for the introduction of nationwide direct distance dialing service in the Saginaw Valley area, taking in 38 communities, were described by the Michigan Bell Telephone Company at a luncheon held recently at the Bancroft Hotel, Saginaw.

The company reported its progress toward bringing the new service to the East Tawas-Tawas City area, Oscoda and 36 other communities surrounding Saginaw, a service improvement project that will cost nearly three million dollars.

In the number of communities involved, the area covered, and because the changeover will be made in all places simultaneously, it is one of the largest service "cutovers" to DDD the company has made to date.

The new service, which will enable users to dial most of their own station calls direct to about 45 million telephones in the United States and Canada, will be introduced also in the following Michigan Bell communities: Akron, Auburn, Bad Axe, Bay City, Bay Port, Beaverton, Birch Run, Clare, Coleman, Fairgrove, Farwell, Frankemuth, Freeland, Gageton, Gladwin, Harrison, Linwood, Mayville, Midland, Owendale, Reese, Rosebush, Saginaw, Standish, St. Charles, Ubly, Unionville and Vassar.

In addition to these, the following communities served by non-Bell connecting companies will be able to make direct long distance calls through the new equipment: AuGres, Brant, Harbor Beach, Hemlock, Merrill, Omer, Pigeon and Twining.

After the hour of 2:01 a. m. June 4, users in these exchanges will be able to dial most of their own station calls direct to the millions of United States and Canadian telephones and reach them about as quickly as calling their next-door neighbors.

Just before the service is in effect, Michigan Bell customers will receive a direct distance dialing booklet which will contain a list of the most frequently-called cities across the nation, their area code numbers and complete instructions on dialing a long distance call.

WAFB Highlights . . .

News reprinted from the Wurtsmith Air Force Base, Oscoda, official newspaper, "THE AERIE."

Contractors are adding finishing touches and installing medical facilities in the new hospital.

50-Bed Base Hospital Slated for May Opening

Wurtsmith's new hospital is tentatively scheduled to open in May announced Capt. Valentin P. Potloff, administrative officer for the 853rd Medical Group.

When SAC assumed command of Wurtsmith, the Base Dispensary had only three medical doctors assigned to meet the needs of approximately 1,000 military personnel. Since that time, the base population has more than tripled while only two additional doctors have been assigned to the 853rd Medical Group.

This influx of military personnel brought on a heavy workload for the five Wurtsmith doctors, Maj. Herbert A. Hibben, 853rd Medical Group commander; Capt. James M. Labraico; Capt. Robert S. Porcella; Capt. Thomas F. Lowry is also assigned to the unit, but he is TDY at the present time.

The increase in the base population, necessitated the replacement of the present medical facility with a new 50-bed hospital. The construction of this \$1,783,502 building is now completed and the installation of the utilities, valued at \$35,573.50, should be finished in time for a May opening, according to Capt. Valentin P. Potloff, administrative officer for the 853rd Medical Group.

Although the hospital may be ready for use in May, it will not be officially designated as a USAF Hospital until July 1, 1961.

At present, there are 91 airmen and 19 officers assigned to the Group, but the planned manning for the new hospital is 103 airmen and 34 officers.

The 34 officers will include nine doctors and 22 nurses. The present nursing staff, headed by Maj. Martha Carle, consists of four military and three civilian nurses.

Included in the hospital will be a 10 chair Dental Services section headed by Lt. Col. Carl E. Weber, director of Dental Services. At present there are four dental officers.

Captain Potloff stated that "although the hospital is planned to be opened in May the Group will not be completely manned until late July or early August. It is hoped that by that time the complete staff of nine doctors and 22 nurses will have been assigned."

CMSgt Rowland Wins Air Force Commendation

Chief Master Sergeant George C. Rowland was recently awarded the Air Force Commendation Medal for meritorious service with the Maintenance Training Division of the 310th Bombardment Wing at Schilling AFB, Kansas.

The medal was presented by Col. William Crampton, acting Wing commander, during a brief ceremony in his office.

Sergeant Rowland is now assigned to the 379th Bombardment Wing Training Division.

The citation that accompanied his award stated that he established a sound and comprehensive training program for the entire 310th Maintenance organization.

In addition, he developed procedures for the single-point fueling of B-47 and KC-97 type aircraft which was adopted by all units possessing these aircraft.

The devotion to duty, technical and supervisory proficiency displayed by Sergeant Rowland has reflected great credit upon the Air Force and himself.

This veteran of 16 years military service arrived here for duty in January and is presently residing in the Oscoda area with his wife, Hazel, and their two sons.

THE NEW EXCHANGE CAFETERIA was officially opened last Monday when Col. John H. Hudson, base commander, cut the traditional grand opening ribbon. During the morning, nearly 400 patrons visited the new facility and consumed 800 doughnuts and 400 cups of free coffee. Present for the opening were (L to R) Maj. Bill Hall, base deputy commander for Services; Colonel Hudson; W. E. Cook, Base Exchange manager, and Steven Tarbell, Selfridge Exchange officer. The cafeteria will accommodate 200 persons.

Hot piston test reveals the ash-free secret of Shell X-100 Premium. A simulated piston is heated and a few drops of conventional multi-grade motor oil dropped on it. As the picture on left shows, this oil leaves a deposit of additive ash. When the test is repeated, as at right, with Shell X-100 Premium, all the oil vaporizes. It leaves no additive ash.

BREAKTHROUGH!

Suddenly Shell makes every other motor oil obsolete —with a revolutionary new formula which fights the five internal troubles that can shorten engine life

Shell's research reveals five common internal troubles that can shorten the life of your car. All five work silently and unseen.

These troubles are additive ash, crankcase dirt, temperature changes, engine acid and cooling system leaks.

Read how new Shell X-100_o Premium fights all five internal troubles.

New Shell X-100 Premium.

TODAY, every Shell dealer in America has new Shell X-100 Premium Motor Oil ready for your Spring oil change.

New Shell X-100 Premium is a genuine breakthrough because it is the only motor oil available that protects your car simultaneously against these five internal troubles that can shorten engine life.

Trouble #1—additive ash

Up to now, even the best premium motor oils were powerless to guard against additive ash—because they actually created it. While endeavoring to keep your crankcase slipshane, some of the ingredients in these oils contributed to the hard crust of ash inside your combustion chamber.

All other premium motor oils still have the same snag.

The trouble stems from the metallic additives used to prevent scuffing, dirt deposits, oxidation and so forth. These additives do what's expected of them, but with each stroke of the piston, they can leave a tiny amount of metallic salts in the combustion chamber where they burn and form additive ash.

This crusty ash, when allowed to build up, can affect your car's performance—can make it knock and run roughly.

New Shell X-100 Premium doesn't add to this problem—because it doesn't contain a single metallic additive.

Trouble #2—crankcase dirt

All engines accumulate crankcase dirt no matter how well they are protected by filters. The problem is to stop this dirt from getting together and forming sticky sludge which can clog your engine.

Most premium oils use a detergent additive to do the job. And they perform well. But like other additives, most detergents are metallic and cause that old devil—ash.

Shell's solution is to replace detergent with a remarkable new ingredient known as a dispersant, called Alkaldine.[®]

The Alkaldine in new Shell X-100 Premium helps keep your engine clean by holding dirt particles apart. Thus they don't form sticky sludge. Some particles can be trapped by the oil filter; most are drained out when you change your oil.

the oil resists thinning.

Thus, new Shell X-100 Premium eliminates trouble from sudden temperature changes. It lubricates just as efficiently in June as it does in January.

Trouble #4—engine acid

All automobile engines manufacture acid. This acid can do far more damage than friction. It can eat away at engine parts in much the way stomach acid can cause ulcers. Then you're really in trouble.

One way to combat engine acid is to make the oil alkaline. Many oils use this method. But here's what happens.

The neutralizing effect of alkaline oil inevitably gets weaker and weaker as engine acid eats up the alkalinity—till it eventually stops working completely. Then your oil no longer gives you anti-acid protection.

Shell tackles this troublesome acid problem in a new way.

Shell X-100 Premium actually alkalizes all engine surfaces with a thin chemical film. The metal literally absorbs some of Shell X-100 Premium's protective qualities. Chemists call this phenomenon "chemisorption."

"Chemisorption" offers a longer-lasting protection against acid attack than any other method yet invented.

Trouble #5—cooling system leaks

Tiny leaks of permanent anti-freeze can play nasty tricks with many motor oils.

These oils can react chemically with permanent anti-freeze and form a horrible sludge which can actually bring an otherwise healthy engine to a standstill.

Then you're on the way to a major repair bill.

New Shell X-100 Premium sets all such fears at rest. It resists reaction with any sort of anti-freeze. It shrugs it off.

The additives in Shell X-100 Premium resist washing out with water, too. In some oils, additives can be lost to water leaks. In Shell X-100 Premium, they stay.

How much does Shell X-100 Premium cost?

If you drive the national average of 10,000 miles per year, the switch to Shell X-100 Premium (with regular oil changes) will cost you only \$3.60 more than ordinary oil—give or take a nickel. And probably nothing extra if you already use a premium grade.

Drive to your Shell service station and ask the dealer to change your oil while the engine is still hot. Be sure to ask for Shell X-100 Premium in the white can. It protects your engine from all five internal troubles listed above.

HEALTH COUNCIL REVIEWS BY-LAWS

Hale Chapter of the Michigan Health Council held its regular meeting Tuesday, March 21, at the American Legion Hall, Hale. This meeting was a week later than usual due to the bad weather.

The constitution and by-laws of the council was reviewed and a committee made up of the executive board was asked to study this document and make recommendations for amendments to same and present them at the April meeting.

Mrs. Lloyd Guest reported that the loan closet building has been completed on the inside and is ready to house the loan closet equipment.

Mrs. Guest also reported that nearly all of last year's Easter Seal funds had been used in the care of crippled children and adults and for the purchase of a child's fracture-type wheelchair. She stated that the funds from the 1961 Easter seal drive are beginning to arrive.

Again the group wishes to stress the fact that one-half of the money received from Easter Seals is used in Iosco County care of crippled children and adults, the balance going to the national foundation for research and extensive care of those needing its service.

The council voted to turn the new used clothing project entirely into the hands of Mrs. Guest, who has done an outstanding job with this project. She is free to call on any of the council members if she needs assistance but it will be a separate department and no longer a council project.

The council will devote its efforts toward raising the health standards of the area and studying its needs and supplying sick-room equipment, seeking dental service and more adequate medical services for the area.

The next meeting will be held Tuesday, April 11, at 1:30 p. m. in the American Legion Hall

The Hale post and auxiliary received citations for membership achievements, the post reaching an all-time record.

Mr. and Mrs. Clarence Schultz of Flint, Mrs. Fern Smith of Montrose and Hjalmar Erickson of Flint were callers at the home of Mr. and Mrs. Edwin Sharp of Long Lake Monday, March 20.

Mr. and Mrs. Ralph Rehil and family of Warren were recent visitors at the home of Mrs. Rehil's parents, Mr. and Mrs. Homer Brainard of Long Lake.

Lion Zone Chairman Gerald Wyatt and Mrs. Wyatt were in Mio Sunday, March 12, where Mr. Wyatt conducted the zone meeting. Other dignitaries present were District Governor C. Dale Bannan of Ludington, Deputy District Governor Howard Gowling of Rose City, International Counselor E. C. Eddy of Mio and presidents and secretaries of six northern Lions Clubs.

Mr. and Mrs. Frank Wells and Mrs. Clarence Lowe left Saturday, March 18, for Detroit. Mr. and Mrs. Wells are visiting their children there. Mrs. Lowe flew to Cleveland to visit relatives.

Perry Shellenbarger has re-

turned home from a two-week course in auctioneering at Iowa.

Mr. and Mrs. Clyde Staley of Saginaw spent Monday and Tuesday with Mr. Staley's sister and brother-in-law, Mr. and Mrs. Richard Getso. They also visited his sister, Mrs. Clara Slosser, who is in Tawas Hospital. Mr. Staley recently underwent eye surgery in a Saginaw hospital and is recovering nicely.

Mr. and Mrs. John Dooley spent Sunday evening, March 19, at the home of Mr. and Mrs. Arnold Bronson. Films taken by the Bronsons' son who is stationed in Germany with the United States Army were shown during the evening.

Mr. and Mrs. Leo Kocher spent Sunday, March 19, in Fairgrove as guests of Mr. and Mrs. Dale Bush and family. They also attended the Akron-Fairgrove School science fair.

Mr. and Mrs. N. Getso were in Waterford Saturday and Sunday, March 18-19, visiting friends and Mrs. Getso attended an OES friends night meeting at Clarkston Saturday evening.

HALE SENIOR CITIZENS PLAN FUTURE MEETINGS

Thirty interested elder citizens of the Hale area met at the American Legion Hall, Hale, Thursday to hear plans and discuss some of the problems facing the elder citizens of today and those of the future.

Robert Pember, who is a member of the county committee of the conference on aging, reported on latest developments in medical care for elder citizens and suggested that a group be formed to meet at regular intervals to receive information and bring problems to be discussed.

The group voted to form for such study and to take part in a plan to encourage informal exchanges to make the golden years more enjoyable. There will be a contest carried on to give the group a name. This was suggested by Marvin Davenport, county extension director. A screening committee was chosen to find the winner of this contest. Committee members are: Ed Rehil, Glenwood Streeter, John Webb, Mrs. Arlon VanHouten and Mrs. Florence Mann. The contest closes April 20. The winner will be named May 4 and an award made.

On May 4, the Iosco County extension department will hold its spring carnival at the new community building in Hale. The Hale group of elder citizens has been invited to use this opportunity to display their hobbies and crafts.

There will be a speaker during the day's session whose topic, "Acting the Modern Way," is very timely.

At the April 20 meeting, a steering committee will be chosen to aid in planning future activities and setting up a program suited to all.

Anyone wanting more information regarding this program may contact any of the following individuals: Mr. and Mrs. Arlon VanHouten, Mr. and Mrs. Frank Doing, Mr. and Mrs. Richard Parish, Mr. and Mrs. M. Murphy, Mr. and Mrs. Glenn Paton, Mr. and Mrs. Ed Rehil, John Webb; Henry Brinkman, Mr. and Mrs. George Webb, Clarence Lowe, Mrs. Mann, Mr. Streeter, Mr. and Mrs. Edwin Sharp, Mr. Davenport, Dorothy Scott and Mr. Pember.

Tourney Trail Ends for W-Pin Quarter Finals

The Whittemore-Prescott Cards came to the end of the basketball trail Wednesday night when they dropped a tough decision to Parma Western, 60-53, in the state quarter finals at Alma.

The Cards jumped off to a quick lead over the Panthers and held at least a three-point lead all during the first half. Several times they pulled ahead by seven or eight points only to have Parma cut it down to three points again. The Cards were leading, 34-32 early in the third quarter when two passes went wrong with Parma taking quick advantage of them to go out in front for the first time 36-34.

The lead changed hands with almost every basket until early in the fourth quarter when another bad pass turned into a basket for Parma to put them ahead 46-44. The Cards trailed the rest of the game, usually losing the ball just as they appeared able to catch the sharpshooting Panthers.

Rex Gibson led the scoring with 25 points on 10 and five. He was the only Card in double figures. Bernard Fegan missed his first free shot to break his consecutive record at 33. He made the next four to chalk up the amazing mark of 41 of 44 free shots in the five tournament games. Parma had four players

WINNER of the Tawas Church League basketball tournament was the Emanuel Lutheran team pictured above. This team defeated the Methodist five in the final game Thursday night, 65-56. Pictured from left to right are Bill Rempert, Ken Bublitz, Larry Frank, Art Anschutz, Larry (Doc) Anschutz, Jake Anschutz

and Harold Anschutz. The Emanuel and Methodist quintets are to meet again to decide the regular season championships. As it stands now, the Methodist five tops the loop, but should Emanuel win, there would be a two-way tie for first place.—Tawas Herald Photo.

scoring in double figures with Moss leading with 15.

After having a mediocre season and finishing the regular schedule just over the 500 mark with nine wins and seven losses, the Cards showed they could play good tournament ball as they came within one game of the mark

set by Whittemore's 1956 team of Pagel and Company. Parma went on to the state finals before losing to Grosse Pointe St. Paul Saturday afternoon.

HENRY H. BROWN
Funeral services for Henry H. Brown of Tawas City were held Sunday afternoon at the Jacques Funeral Home. The Rev. Alfred Miller of the Tawas City Baptist Church officiated. Mr. Brown died Thursday afternoon, March 23, at Tawas Hospital following a lingering illness.

Born January 25, 1897, he was the son of James and Nellie Brown, well-known residents of Tawas City.

A former commercial fisherman here, for a number of years he had operated the Marine Lunch and Brown's Fish Market. Ill health forced him to retire several years ago.

He is survived by four sons, Leonard, Eugene and Kenneth of Detroit, Henry Jr. of East Tawas; 13 grandchildren; two brothers, Earl of Tawas City and James of Logan, Utah, and six sisters, Mrs. Blanche D'Arcy and Mrs. Sarah St. Martin of Detroit, Mrs. Mable Schenkel of Loveland, Colorado, Mrs. Gladys Beard, Mrs. Helen Schumacher and Mrs. Katherine Zalewski of Tawas City.

Interment was in Tawas City Cemetery. The pallbearers were George Philpot, Robert Rollin, Matthew Pfeiffer, Joseph Schmidt, Roy Clark and Guy Lickfelt.

'CHILDREN SHOULD AVOID STRANGERS' SAYS SGT. ROTI

Because warmer weather always brings an increase in child molestation cases, Sgt. Frank Roti of the East Tawas State Police Post has issued a timely reminder to parents to warn their children now against talking, walking or going anywhere with strangers.

"The best rule for children is to avoid strangers completely," Sergeant Roti emphasized. "Caution them often to beware of strangers while outdoors at play, or on the way to or from school. Tell them to report any strangers who make offers or promises of candy or gifts for going for a walk or a ride with them."

Child molestation cases investigated by the state police last year totaled 581, an increase of 15, or 2.6 percent, compared to 1959.

The offenses reach a peak in the summer. The high month for 1960 was August with 84 while July was second with 80 and June third with 67. The peak month in 1959 also was August with 76, June was next with 73 and July third with 61.

The cases usually increase beginning in April and taper off in September and October. Of last year's 581 cases, 431 occurred in the April-October period. The danger is prevalent to some degree the year around and in 1960 no month had less than 23 cases.

To help eradicate the menace, parents should notify police immediately of all incidents, no matter how minor they may seem, reported by their children. The failure or reluctance of parents to do so makes it difficult for police to cope with the problem and gives the child molester the chance to strike again. No publicity is given to names of the children or the parents.

Supervisors' Proceedings

MARCH SESSION

MARCH 15, 1961

Pursuant to February adjournment, the Iosco County Board of Supervisors was called to order in March session at 9:30 a. m. by the chairman who ordered roll call. The following supervisors were present: Ashton, Bellville, Blust, Brabant, Burgess, Everett, Gerard, Little, Long, Oates, Rodman, Smith, Stephan, Pollard, Webb, Werth, White, Kochenderfer. Absent: McKenzie.

Communications were read and referred to the proper committees by the chairman.

Mr. Borosh addressed the board and suggested that the group might be interested in purchasing the property adjacent to the courthouse for future expansion and parking purposes. The matter was referred to the finance committee.

Mr. Davenport and Miss Scott introduced a group of visiting ladies interested in watching the board of supervisors in session.

The clerk requested an appropriation on the statement of dues in the amount of \$130.00 for the education division of the State Association of Supervisors now merged with the Michigan Institute of Local Government. The matter was referred to the finance committee.

The clerk requested an appropriation of \$209.00 for extra clerical help and severance pay due to the retirement from the office of Mrs. Werth, vital statistics clerk. The matter was referred to the finance committee.

It was moved by Smith supported by Stephan that the February proceedings of this board be approved as published. The motion carried unanimously.

Committees were ordered to their respective duties, balance of the board to be at ease, subject to the call of the chair.

Upon call to order at 12:00 noon, the board recessed until 1:30 p. m.

AFTERNOON SESSION

Upon call to order at 1:30 p. m., roll call was ordered by the chairman. The same supervisors were present as at the morning session.

Mr. Werth for the welfare committee reported that because of the increased costs and responsibilities in the welfare department, the hiring of a male director would be in order. Mr. Werth moved that the board of supervisors recommend to the Iosco County Welfare Board that a male director be hired. The motion was supported by Stephan and carried upon the following roll call: Ayes: Blust, Brabant, Burgess, Everett, Gerard, Little, Long, Rodman, Stephan, Pollard, Werth, White, Kochenderfer. Nays: Bellville, Oates, Smith, Mr. Ashton and Mr. Webb abstained.

Mr. Ashton read the following report of the judiciary committee. Honorable Board of Supervisors Gentlemen:

We, your judiciary committee, wish to recommend that this board of supervisors go on record as being opposed to Senate Bill No. 1005, introduced by Senator Nichols, and that copies of this resolution be sent at once to our senator and representative from this district and that copies be also sent to Chairman Feenstra of the committee on municipalities and Members Green,

Prescott, Geerlings, Lane and Ryan.

Signed: C. J. Stephan B. Ashton C. E. Smith Elmer Werth

Upon motion by Ashton supported by Smith, the resolution was unanimously accepted and adopted.

A communication from Honorable Allan C. Miller, circuit judge, relative to sound proofing the jury room was placed on file until the April session upon motion by Little and supported by Bellville.

It was moved by Little supported by Brabant that the communication from Honorable Allan C. Miller, circuit judge, regarding the law library fund be filed in the clerk's office. The motion carried unanimously.

Mr. Blust read the following report of the committee on claims and accounts No. 2. Honorable Board of Supervisors Gentlemen:

Your committee on claims and accounts No. 2 recommends that the clerk be instructed to write a letter to the Department of Corrections requesting that W. H. Nestle attend the April session and meet with the committee to further discuss a full time man on duty at the desk.

Signed: G. Blust W. A. Pollard W. White C. E. Smith

It was moved by Blust supported by Pollard that the report be accepted. Carried unanimously.

Supervisors Smith, Werth, White and Bellville all addressed the board in regard to equalization, stating generally that the system has many faults from the state level right down to the committee level of the board appointed for that purpose.

Committees were ordered to their respective duties, balance of the board to be at ease, subject to the call of the chair.

Upon call to order at 4:00 p. m., Mr. Little read the following report of the finance committee. Honorable Board of Supervisors Gentlemen:

The finance committee recommends that Iosco County Board of Supervisors make an offer of \$14,000 for Lot 7, Block A of Original Plat of Tawas City (adjacent to county jail) and authorize the clerk to make a \$1,000 deposit from funds of Old Orchard Park on a down payment of \$5,000.

Signed: Little Oates Bellville Burgess Everett Werth

It was moved by Little supported by Everett that the report be accepted. The motion carried upon the following roll call: Ayes: Ashton, Bellville, Blust, Brabant, Burgess, Everett, Gerard, Little, Long, Oates, Rodman, Stephan, Pollard, Webb, Werth, White, Kochenderfer. Nays: None.

Mr. Oates read the following report of the aeronautics committee. Honorable Board of Supervisors Gentlemen:

The aeronautics committee recommends that the County of Iosco advertise for bids to be opened April 13 for the sale of SE¼ of SE¼ of Sec. 17, T22N R5E, (said property being part of the existing county airport) with reservation by the county for use of said property until April 1, 1962, proceeds of such sale to go to general fund.

Respectfully submitted, Oates Everett Edward A. Gerard

Upon motion by Oates supported by Blust, the report carried upon the following roll call: Ayes: Ashton, Bellville, Blust, Brabant, Burgess, Everett, Gerard, Little, Long, Oates, Rodman, Smith, Stephan, Pollard, Webb, Werth, White, Kochenderfer. Nays: None.

Mr. Oates read the following report of the aeronautics committee. Honorable Board of Supervisors Gentlemen:

Your airport committee recommends the adoption of the following plan of improvements for the Iosco County Airport for the year of 1961.

Terminal Bldg., est. cost	\$6,300
Electric Service, est. cost	2,950
Telephone Service, est. cost	1,600
Gas Tanks & Pumps, est. cost	900
Misc. costs, including well	250
Total	\$12,000

It is recommended that the above program be paid for in the following manner: Request the State Department of Aeronautics to finance 50 percent or \$6,000—and appropriate \$1,500 to go with \$2,500 now on deposit with the State Department of Aeronautics, and the \$2,000 appropriation in the 1961 budget.

Respectfully submitted, Oates Everett Edward A. Gerard

Upon motion by Oates supported by Everett, the report was accepted upon the following roll call: Ayes: Ashton, Bellville, Blust, Brabant, Burgess, Everett, Gerard, Little, Long, Oates, Rodman, Smith, Stephan, Pollard, Webb, Werth, White, Kochenderfer. Nays: None.

It was moved by Werth supported by Kochenderfer that it be read into the record that that part of the county airport property donated by the City of East Tawas revert to that city upon cessation of use by the county for airport purposes as presently shown on the deed in the register of deeds office. The motion carried upon the following roll call: Ayes: Ashton, Bellville, Blust, Brabant, Burgess, Everett, Little, Long, Oates, Rodman, Smith, Stephan, Pollard, Webb, Werth, White, Kochenderfer. Nays: None.

It was moved by Werth supported by Brabant that the clerk be granted \$110.00 for extra clerk hire in his office. The motion carried upon the following roll call: Ayes: Ashton, Bellville, Blust, Brabant, Burgess, Everett, Gerard, Little, Long, Oates, Rodman, Smith, Stephan, Pollard, Webb, Werth, White, Kochenderfer. Nays: None.

Mr. Oates read the following report of the nursing home committee. Honorable Board of Supervisors Gentlemen:

Your nursing home committee recommends the adoption of the following resolution.

Resolved that the County of Iosco in the operation of any medical-care facility which may be built in the future, make every effort to operate the facility in a manner which will provide a community service for self-supporting citizens as well as indigents and that space in the facility will be made available whenever possible to private-pay patients whose medical aid treatment needs can best be met by the care provided in the county facility, and further,

That the facility will operate without discrimination as to race, creed or color and

That each of the provisions of this policy memorandum will be included in the planning for the operation of the facility at a point in time which will enable these plans to become operative when the unit opens.

Respectfully submitted, Oates Everett White

It was moved by Oates supported by White that the recommendation be adopted. The motion carried unanimously.

Mr. Blust read the following report of the committee on claims and accounts No. 2. Honorable Board of Supervisors Gentlemen:

Treat All Elections With Importance

Dear Friends and Neighbors, May I take just a moment of your time to discuss the coming Spring Election?

First, let us consider the im-

portance of a Spring Election. Many people do not feel that a Spring Election is very important. However, you and I should not be among those who think along these lines. Any and every election is to be treated with equal importance. The outcome of all elections affect your daily life. Therefore, I feel it is your bound duty to vote. On April 3, you will have the privilege to elect those whom you feel will be best suited to serve you and your neighbors.

Secondly, may I strongly recommend that you consider the Democratic Candidates and elect them to office. Give them a chance and you will see that they will do a real good job for you, because Democrats do things for PEOPLE. Why? Because they are people just like you and me, our friends and our neighbors. This is a people's government. Recall to mind your Early American History and see if you remember how The Preamble of The Constitution starts: "We, the People of the United States, in order to form a more perfect Union, Etc. . . ." It is Vox Pop, the voice of the people, that has placed Gov. Swainson in office and the same voice has placed in office our great new President, John F. Kennedy. I am reminded of some of the remarks of Pres. Kennedy's Inaugural Address when he said, quote: "And so, my fellow Americans; ask not what your country can do for you—ask what you can do for your country." unquote. This applies to everyone of us. Let us work together for a better community, not only for ourselves, but to provide for a better future for our children. Your first step should be in the direction of the polls on April 3 to cast your vote for competent government. Vote Democratic.

DONALD E. WATSON
Chairman, Iosco Co.,
Democratic Committee

WILL DISCUSS FIRE PROTECTION CONTRACT

The proposed fire protection contract between Tawas City, Alabaster and Tawas Townships is to be discussed at the annual meeting of the Alabaster Township Board April 1. Supervisor Henry Oates invites all residents of the township to attend the meeting and take part in the discussion.

With Our Servicemen—

Larry L. Lorenz Participates in Army Field Exercise

Army Recruit Larry L. Lorenz, son of Mr. and Mrs. Edward A. Lorenz, Tawas City, is participating with other personnel from the Third Armored Division's 32nd Armor in a six-week field training exercise in Grafenwohr, Germany. The unit's phase of the training is scheduled to end March 31.

The exercise is designed to provide training under cold weather conditions during day and night maneuvers. The Grafenwohr training area is the largest training site available to NATO forces in Europe. The third is one of five United States divisions in NATO's "Pyramid of Power."

A tank crewman in the armor's Company A in Friedberg, Lorenz entered the army in June 1959, completed basic training at Fort Leonard Wood, Missouri, and arrived overseas in November 1959.

The 19-year-old soldier attended Tawas Area High School. Before entering the army, he was employed at Nelkie's Dairy.

Army 2Lt. Dennis J. Durant, son of Mr. and Mrs. Howard J. Durant of East Tawas, recently completed the officer orientation course at The Engineer School, Fort Belvoir, Virginia.

The course familiarized Lieutenant Durant with the duties and responsibilities of a newly-commissioned engineer corps officer.

The 22-year-old lieutenant is a 1956 graduate of Tawas Area High School and a 1960 graduate of Michigan College of Mining and Technology.

Fredrick E. Caverly, son of Mr. and Mrs. Joe T. Caverly, Hale, recently was promoted to specialist four in Germany, where he is a member of the Fourth Armored Division.

Caverly, a repairman in company A of the division's 126th Ordnance Battalion in New Ulm, entered the army in September 1959 and completed basic training at Fort Leonard Wood, Missouri.

The 21-year-old soldier attended Hale High School.

VERNON HILL ELECTED VFW COMMANDER
