GRAB YOUR PARTNER and join the fun—Saturday night square dance parties have proven to be popular at Hale during the past winter and interest in old-time dancing has increased with the announcement that a special dancing program will be held during the Iosco County Fair. Members of the Western Square Dance Club are pictured here at the Plainfield Township Hall. Dances are held the second and fourth Saturdays of each month. Caller in the foreground is Russell Conner of Harrisville.—Tawas Herald Photo.

Preparations Made for Iosco Co. Fair Program

Program of county fair activities, scheduled July 26-29 at Hale, were announced this week by Gerald Bellon of Whittemore, president of the Iosco County Fair Society.

The program and premium list for this year's event is included as a special section in this week's Tawas Herald.

According to Thurman Scofield, secretary-manager, exhibits will be assembled from 9:00 a. m. to 4:00 p. m. Wednesday, July 26.

Thursday, July 27, activities will be devoted to judging exhibits from 9:00 a. m. to 1:00 p. m. Midway activities are scheduled to open at 4:00 p. m. Thursday and run through Saturday.

There will be three days of harness racing. A traditional part of any county fair, prize money for the 1961 events will total \$12,000. Saturday's program will include games and contests for all ages starting at 10:00 a. m.; a parade at 12:30 p. m. and a square dance from 9:00 to 12:00 p. m. sponsored by the Western Square Dance Club.

Annual C of C Banquet Next Monday Night

Final plans for the annual Tawas Chamber of Commerce banquet were announced at last Wednesday night's board of directors meeting.

The banquet is to be held Monday, May 22, at the Barnes Hotel, Tawas City. The event will be preceded by a cocktail hour at 6:30 p. m. and dinner will follow at 7:30.

Principal speaker will be Mort Neff of Michigan Outdoors television program.

Edward Nelkie, committee chairman, said that tickets are available from members of the board of directors or at the chamber of commerce office.

Governor Here

Michigan Governor John B. Swainson was an honored guest at a luncheon Monday noon at the Holland Hotel. He was here to attend the annual spring meeting of the Iosco-Arenac Unit of the Michigan Table Top Congress. About 75 persons attended.

Mayor Exchange Day Next Week

Mayor's Exchange Day will again feature Tawas' observance of Michigan Week, May 21-27.

Plans are now being prepared to entertain the two visiting mayors, James Gillmore Jr. of Kalamazoo, who will exchange with Mayor George Tuttle of Tawas City, and Mayor Gerald Nivinson of Clare, who will trade places with Mayor C. V. Miller of East Tawas.

As of Monday, Gillmore's visit here was still in question because of a busy schedule. In the event that he cannot attend, Paul Morrison, vice mayor, will act as his representative.

In a telephone conversation Monday morning with Tuttle, Gillmore said that he hoped that he could take part. "In any event, I still would like to visit Tawas City," he stated. He said that if he could not be here next week for the program, he would like a "rain check" and come later in the summer.

A full day of activities is being scheduled for the visitors. Tawas City's program is being handled by L. G. McKay Jr., representing the Tawas City Businessmen's Association, and Reginald Bulbitz, superintendent of public works.

will be used by the fair for the first time. The new facility will add greatly to the fair for exhibits and attractions.

Wm. T. Hatton Dead; Funeral Services Thurs.

William T. Hatton, retired Tawas City barber who was "Uncle Bill" to a generation of youngsters here, died Monday night at the Gaylord TB Sanatorium. He was 76.

Mr. Hatton had been ill for the past 2½ years and had been confined to the hospital during that time.

Born July 31, 1884, in Saginaw County, he married Miss Edith Grace Millard at Montrose March 13, 1906. In April 1917, Mr. Hatton purchased the Ray Smith barber shop in Tawas City. Prior to that, they had lived at Montrose, Burt and Tecumseh.

He was joined in the operation of the barber shop by his son, Howard, while the latter was still a high school student. Selling his interest in the business to Howard in 1945, he continued to barber for several years on a part-time basis.

For many years, Mr. Hatton was a baseball umpire for area high school and amateur teams. He had served several terms on the Tawas City Council and was at one time chairman of the Iosco County Board of Supervisors.

He was a member of Tawas City Lodge, F and AM, and Baldwin Lodge, IOOF.

Mrs. Hatton died February 7, 1953.

Survivors besides his son, include one grandson and a sister, Mrs. Miles Main of Goodrich.

Funeral services will be held Thursday afternoon, 2 o'clock, at the Tawas City Methodist Church. The Rev. Ralph Edwards will officiate. Burial will be in Tawas City Cemetery. The body is at Jacques Funeral Home.

Business places will be closed for the funeral.

At East Tawas, the program is being planned by Lewis F. Besancon, city hall office manager.

The two visiting mayors will make separate tours of the Tawas, including the usual visit to municipal facilities. Mayor Gillmore will also visit the United States Gypsum Company quarry at Alabaster.

The Kalamazoo mayor will be entertained at a perch fry Monday noon at Vic and Zel's Restaurant, while Mr. Nivinson will be entertained at a businessmen's luncheon at the Holland Hotel.

The two groups will merge later in the afternoon for a visit to Wurtsmith Air Force Base, Oscoda.

Activities in the evening will include dinner at the Holland Hotel for Mayor Nivinson and elected city officials starting at 6:30 o'clock.

The Tawas City group and visiting mayor will attend the Tawas Chamber of Commerce banquet at the Barnes Hotel.

Wives of the visiting mayors are to be entertained by wives of civic leaders and businessmen during the day.

Mayor Gillmore will be presented with a box of cleaned Tawas Bay perch by representatives of the businessmen's association.

Financing New Elementary Rooms Discussed Last Night

Financing the proposed addition of elementary classrooms, through a pay-as-you-go plan was discussed at a special meeting of the Tawas Area Board of Education Tuesday night.

The meeting, attended by members of a Parent-Teacher Association committee, civic and business leaders of the community, had been called by the board following last week's preliminary meeting.

At that meeting, a pay-as-you-go plan as outlined by the board of education was generally favored by those present. Plans were to be formulated for placing a tax millage proposal on the July 10 school election ballot.

Last week, recommendations of Brysselbout, Starke and Haeker, architects, hired by the school district, were announced to a group of about 25 persons.

Tawas Area is using all school facilities at the present time and will need one grade room each year for the next four years, to allow for four sections in each grade. Enrollment will necessitate four sections instead of three for grades three, four, five and six through 1970.

Enrollment in grades seven through 12 now is 691. The high school building was built to accommodate 625 pupils. The school is now two rooms short of the recommended number.

Recommendations for long-range planning include construction of 10 elementary rooms on the Tawas City unit grounds, erection of a general purpose room at the East Tawas unit and facilities for "isolating" seventh and eighth grades from high school grades.

Opposition was voiced to closing about 150 feet on Roberta Drive and approximately 200 feet on Victoria Lane.

The streets had been dedicated to the city when the plat was accepted. In the case of Roberta Drive, both Huron Gardens and North Park Acres Subdivision had dedicated a strip of land 33 feet wide for street use.

Huron Gardens' 33-foot street enters Fifth Avenue to the west. North Park Acres' street is about 150 feet long and connects with an easement over the Goldsmith Addition to Fifth Avenue. A ditch separates both streets at present.

It was stated that if that portion of Roberta Drive was vacated in Huron Gardens, it would leave a 33-foot street in the other subdivision. This street would have to be maintained and its use would be contrary to city ordinance which now calls for a minimum width of 70 feet.

It was pointed out by Mayor Tuttle and Supt. of Public Works Reginald Bulbitz that a 33-foot street is difficult to maintain in that there is no turn-around area for city snow plows.

"It is immaterial to the city what takes place in the alignment of lots in the subdivision, but it is our responsibility to maintain streets," said Bulbitz.

Tuttle emphasized that the city was concerned only with that portion of Roberta Drive where both

The architect has also arrived at the conclusion that the Alabaster unit should be eventually abandoned because the cost of adding two rooms, cost of renovation, size of the site, nearness to industrial building, cost and time lost in transporting pupils and distance from other units which makes maintenance more costly.

The general purpose room at East Tawas, described as the second phase of the expansion, would be started as soon as money is available. Construction of new junior high facilities would follow when funds become available.

According to a bulletin prepared by the board, considerable discussion has centered around the best method of financing the needed buildings.

"If the district chooses qualified," (See FINANCE, page 10.)

Council Makes Known Its Objections to Alteration

Discussion Monday night on the proposed alteration of a Tawas City subdivision plat saw the city council making its objection known concerning two street changes.

The council authorized City Attorney Jerry Cotter to correspond with the attorney for Mr. and Mrs. Victor A. Zaharias, subdivision owners, prior to a June 12 circuit court hearing.

The Zahariases have petitioned Iosco Circuit Court to vacate a portion of the subdivision plat which was accepted several years ago by the city.

Although stating that the proposed alteration would improve the subdivision by straightening two streets, several council members along with Mayor George Tuttle objected to the proposed vacating of parts of two other streets.

The streets had been dedicated to the city when the plat was accepted. In the case of Roberta Drive, both Huron Gardens and North Park Acres Subdivision had dedicated a strip of land 33 feet wide for street use.

Huron Gardens' 33-foot street enters Fifth Avenue to the west. North Park Acres' street is about 150 feet long and connects with an easement over the Goldsmith Addition to Fifth Avenue. A ditch separates both streets at present.

"It is immaterial to the city what takes place in the alignment of lots in the subdivision, but it is our responsibility to maintain streets," said Bulbitz.

Tuttle emphasized that the city was concerned only with that portion of Roberta Drive where both

subdivisions dedicated the street. "The city should object from a standpoint of street maintenance," said the mayor. "Whether vacating the plat would affect the other subdivision is a matter of opinion."

Councilman Cecil Cabbie stated he was in favor of replating the subdivision, but said the city should stipulate that Victoria Lane should run unobstructed through the two subdivisions.

It was the consensus of opinion that the council had acted too hastily in accepting the subdivision plat several years ago. It was pointed out, however, that several of the proposed street changes had been suggested by the city before acceptance of the plat.

Cotter said that, although the hearing had been set for June 12, Judge Allan C. Miller had indicated he would disqualify himself from hearing the case. He served as city attorney when the subdivision was accepted.

Annual board of education election for Whittemore-Preescott Area Schools will be Monday, July 10. Whittemore-Preescott Area Schools is not a registration district. All United States citizens over 21 who maintain their permanent residence in the school district are eligible to vote whether registered or not.

There will be one trustee elected to the board of education this year for a four-year term. The term of Mrs. Celia Perrin is expiring. Mrs. Perrin has indicated she will be a candidate again.

The date set by law for an annual election is the second Monday in July. However, school districts may hold the election in June if the board of education decides to do so. Many districts have decided to move the election date to June, but for the present, Whittemore-Preescott will continue as in the past.

Petitions for candidates are available in the superintendent's office. They must be filled and returned by 4:00 p. m. Tuesday, June 20, in order to have the candidates name printed on the ballot.

Earl Weaver Hurt When Broken Glass Drops on Wrists

An East Tawas glazier was cut on both wrists in a freak accident Friday night when a piece of broken plate glass fell from a window sash.

Receiving 12 sutures in each wrist was Earl Weaver of Tawas Bay Glass Company. He was treated at Tawas Hospital.

Weaver was called to Tri-County Tire Sales after a car driven by Joseph Raishe of Flint crashed through the front window of the building.

The East Tawas man was in the process of removing the shattered window when a broken piece of glass at the top of the frame fell from a height of about 4½ feet.

Attendants at Tawas Hospital said that it was fortunate that Weaver's wrists were turned so as the sharp glass did not strike main arteries in the wrist.

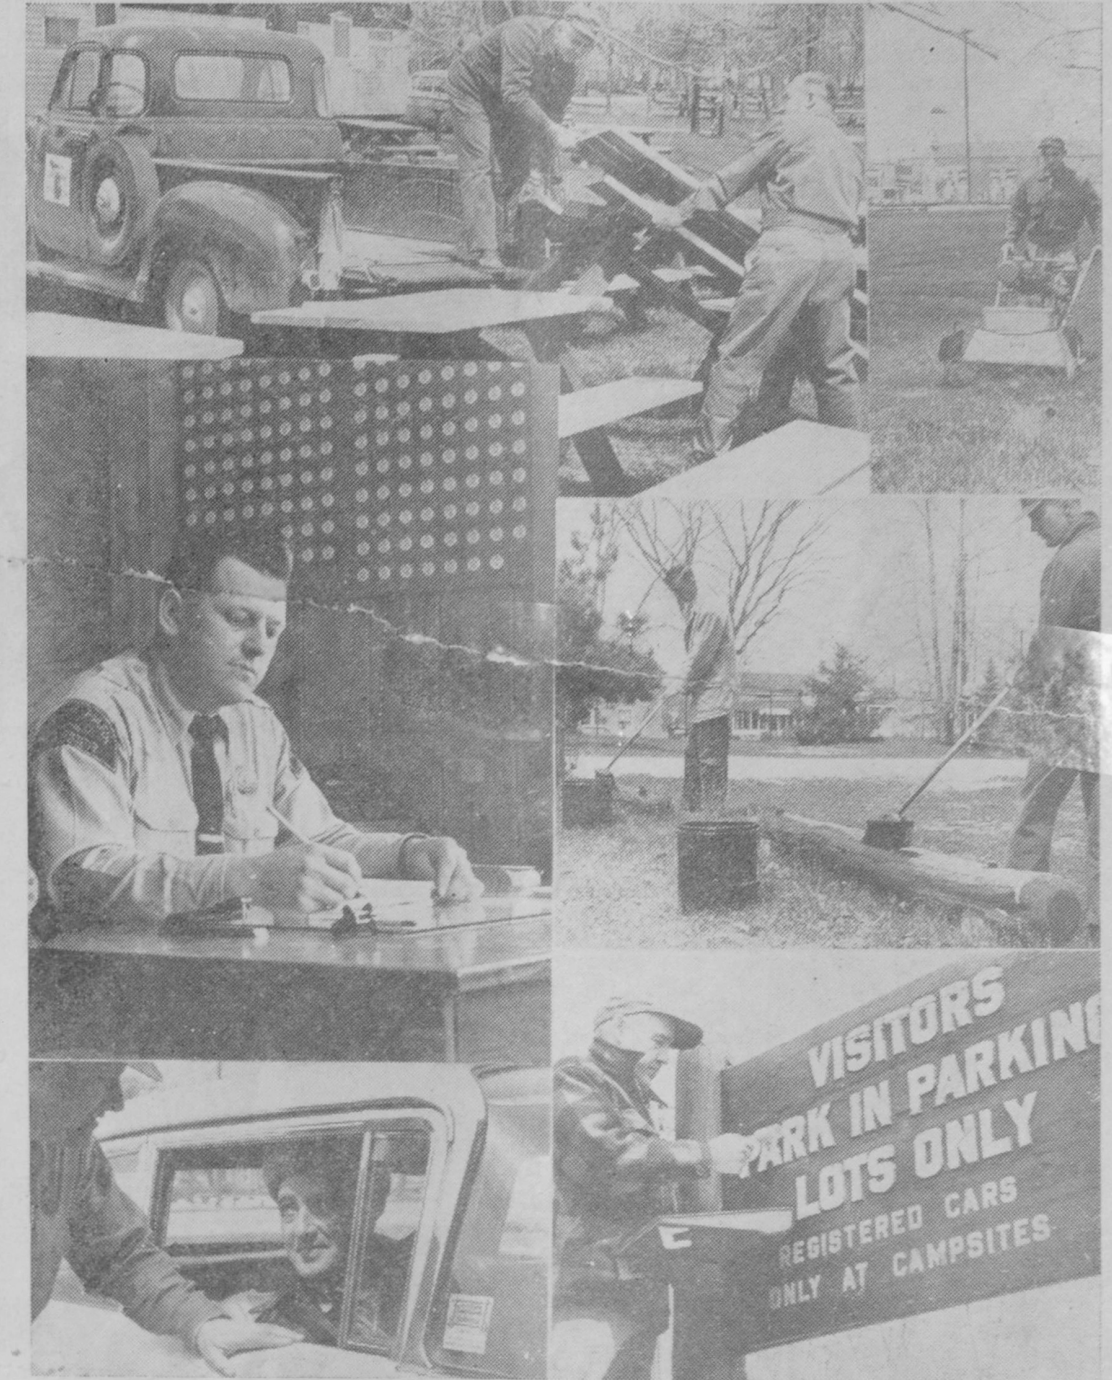

Raishe had pulled into the driveway and his brakes failed. The car was towing a loaded trailer.

Investigating the accident was Officer George Duff of the East Tawas Police Department.

OSCODA HAS A new tennis court, brought about through the cooperative efforts of a large number of citizens who volunteered time last Saturday to work on the project. A crew of 20 persons turned out at 6:30 a. m. to perform the work of pouring and finishing the concrete slab, pictured above. Another crew had made preparations the previous day by setting forms. The new court was built over an

old concrete slab which was not in use. New backstops were erected and the court was to have been ready for use this week. This is the second community project recently undertaken at the Oscoda Township Park. Three weeks ago, contractors donated time to leveling the beach area while other citizens performed a general clean-up.—Tawas Herald Photo.

EAST TAWAS STATE PARK is getting ready for another busy summer. Park Manager William Kusey reports that he and his seven-man crew have spent about a month in getting facilities in shape for the summer rush. A regular program of maintenance is carried on during the winter months when picnic tables are refinished and other major projects are undertaken. Last year, this park's attendance of 292,532 persons was rated 20th out of the 60 state parks. It was rated eighth in camp permits with 4,525. These pictures show some of the spring activities. At top left, Rangers Frank Gawne and Raymond Colvin are shown setting up picnic tables. At right, Ranger Emerson Frank mows grass in front of the community building. Park Manager Kusey is shown in his office in the center left picture. Rangers William McRae and Gary Smith apply "wood life" to guard rails in the picture at right. Kusey is shown at bottom left checking one of the new windshield sticker permits on a car. The picture at bottom right shows E. C. Auel, senior ranger, as he brightens one of the rustic signs with a new coat of paint. Two other employees are to be added to the staff soon. Douglas Evans will become the life guard and Mrs. Fern Brackenberry will perform janitorial work. With the exception of the park manager and senior ranger, all other employees are seasonal here. In addition to maintenance work here during the winter months, employees are assigned to jobs at other state parks.—Herald Photos.

Iargo Springs 'Bee' Planned May 28 by Oscoda Board

A target date of Sunday, May 28, has been set for the "rebirth" of Iargo Springs as one of Iosco County's principal tourist attractions.

Selection of this date for a work bee was announced last Wednesday by a representative of the Oscoda Park Commission, which is sponsoring the project.

J. E. Skimin, Oscoda hardware man and a member of the commission, urged members of the Tawas Chamber of Commerce to cooperate with the Oscoda group in rebuilding this attraction.

He stated that between 50 and 75 volunteer workers from the Oscoda area would be on hand to perform the work of rebuilding the stairway leading to the springs.

He urged that an equal number of volunteers from the Tawas be on hand to lend a hand.

Bruce Myles, chamber of commerce president, appointed John Skinner to head up a committee to contact various civic and service organizations in the Tawas and explain the need for volunteer workers.

Assisting Skinner will be Clarence King, who said that for years, Iargo Springs was one of the best picnic and scenic locations in Iosco County. He emphasized that it was an attraction for local residents as well as for tourists.

Anyone interested in helping with the project is urged to attend the work bee, which is scheduled to start at 9:00 a. m. It is expected that the project can be completed in one day.

Overall charge of the project will be handled by Howard Brubaker, owner of the AuSable River Queen. He said that tools needed for the work will include chain saws, bushman saws, hand saws, post hole diggers, hammers and axes.

Oscoda Park Commission has made arrangements to lease the property from Consumers Power Company and has contracted for the purchase of necessary materials. Although located in Oscoda

Township, the entire county would receive a great deal of benefit from again making the springs accessible to the public. The Iosco Board of Supervisors is to be contacted for possible financial help.

Located west of Lumbermen's Monument, the stairway leading to the springs fell into disrepair during World War II and was never replaced.

A popular tourist attraction during the 30s, according to popular legend, Iargo Springs was one of the stopping-off places for Michigan Indians during their journeys over the Saginaw to Mackinac Trail.

Iargo Springs, seven in number, gush out of the river's bank and help feed the mighty AuSable. Meaning of the name is "many waters."

The superintendent of public works was instructed to erect a sign at the city dump prohibiting the use of firearms there. This action was requested by Conservation Officer Arthur Leitz.

A request for changing parking along Newman Street and US-23 at the state park entrance was requested by the conservation department. This is to be studied by the street committee with assistance of the chief of police and city superintendent.

The cemetery committee reported that Arthur Dillon had agreed to act as cemetery superintendent without pay. Clarence Jackson was hired as caretaker from May 22 through August 22 at \$1 per hour. The committee asked for installation of water mains and road repair in the cemetery.

Orville Leslie and Sons was the low bidder for furnishing a new car for use by the city police department. The bid was accepted.

Specifications for purchase of a new fire truck are to be sent to bidders this week. Bids are to be opened June 5.

The city is to ask for bids for furnishing a new oil furnace and boiler at the community building.

ET Planning Board Eyes Six Improvement Projects

Six projects were turned over for study to the East Tawas Planning Board by the city council at its meeting Monday night.

Projects included a new city hall and location, fire department housing, purchase of property north of the athletic field, changing of street names, street improvement and street lighting.

The latter two are long-range projects over a five to 10-year period.

No headway was made on adopting a new city budget or appropriations ordinance for 1961. Discussion on this is to be resumed next Tuesday night, the deadline for such action.

Donald Phillips and Floyd Upton were appointed to the zoning board of appeals. The new members replace John Mielock, who had resigned.

It was reported that the zoning board of appeals had approved the building permit of William Lutzke for construction in the Tawas Lake area. This application had been denied by Supt. of Public Works Paul Ropert because construction was to be within four feet of an easement, instead of six feet as required by ordinance.

MISS HELEN APPLIN IS BANQUET SPEAKER
Tawas City WSCS held its annual mother-daughter banquet at the Tawas City Methodist Church memorial hall Friday evening, May 12. Tables were decorated in pastel colors with centerpieces of rose pink gladioli and white chrysanthemums. Favors were yellow corsages of paper. Rows of lighted yellow candles graced the tables.

Mistress of ceremonies was Mrs. Charles VanHorn, who gave the welcome address and selected poetry in tribute to mothers. Mrs. George Liske, president of the WSCS, gave a poem honoring grandmothers. Toast to mothers was given by Miss JoAnn Smith which was responded to with a toast to daughters by her mother, Mrs. Geraldine Smith.

Miss Helen Applin, guest speaker, opened with a tribute and story in honor of Mother's Day. In her talk, she took the children on an imaginary tour to visit their pets and a trip after lunch on modern conveyances. Arriving home, she closed with a child's version in rhyme as a tribute to grandmother and the meaning and significance of floral presentations to mother.

Miss Applin was presented with a white and yellow orchid corsage from the society and a gift of jewelry. Mrs. Jessie Spooner as the oldest mother present was presented with one of the beautiful centerpieces.

Mothers having the most daughters present were Mrs. Delano Myles, Mrs. Harry Cross and Mrs. Ralph Edwards, and they were presented with flowers.

MEN'S CLUB SERVES AT MOTHER-DAUGHTER BANQUET
May poles and candy corsages decorated the tables for the May 12 mother-daughter banquet given by Emanuel Lutheran Ladies Aid with the Men's Club serving the dinner. The affair was held at the church school. The Rev. Leonard Newman served as master of ceremonies. Mrs. Joseph Fox gave a toast to mothers and Mrs. Donald Sebald toasted the daughters.

A vocal selection, "Brown Bird Singing," was presented by Mrs. Herbert Look and Mrs. Bernard Look. Christina Newman and Suzanne Hosbach recited a poem, "More Than Our Share," and Victoria Groff presented "Young Mothers."

An original, humorous fashion show was presented by Miss Marie Spatule. Plants were won by Mrs. Otto Look, oldest mother; Mrs. Martin Ristow, youngest mother, and Mrs. Albert Cholger, mother with the most daughters present.

A four generation family was present: Mrs. Charles Groff, Mrs. Clarence Bariger, Mrs. Richard Yanna and daughter, Faye.

PLAY PRESENTED AT ALCW MEETING
Regular meeting of Augustana Lutheran Church Women was held Thursday evening, May 11, at Grace Lutheran Church, with Mrs. Dorothy Sarki, president, in charge.

Mrs. Alice White led devotions. Her theme was stars, appropriate for the space age. She gave a reading on stars and their meaning and significance in religion, closing with an appropriate prayer.

A play, "Watch Your Step," was presented. Mrs. Helen Nash, program chairman, was announcer, with Mrs. Patience Nash, Mrs. Rosemary Look, Mrs. Nettie Hester and Mrs. Florence Gould taking part. The scene was a hostess entertaining friends and serving coffee. The discussion was on home life, church and helping people with their problems.

Mrs. Edna Nunn and Mrs. Luella Anderson gave reports of the ALCW annual meeting held at Berkeley. Mrs. Patricia Lindholm and Mrs. Vivian Nash reported on the meeting of the Auxiliary of Women's Social Service of Michigan held recently at Saginaw.

Serving refreshments were Mrs. Leona Seifert, Mrs. Marian Kaiser, Mrs. Senia Phillips and Mrs. Pat Kaiser.

The table setting was pink and white with a center arrangement of a row of white tapers entwined with sprays of pink blossoms and green leaves. Trailing sprays also decorated the corners of the table.

ST. MARY'S GUILD HOLDS TUESDAY LUNCHEON
St. Mary's Guild of Christ Episcopal Church met at the parish hall Tuesday afternoon, May 9, for a luncheon and social time.

Table centerpiece for the luncheon was an arrangement of pink and white trailing arbutus. Mrs. George Gifford was in charge of the meeting preceded by devotions led by Mrs. Lewis Besancon.

Hostesses for the luncheon were Mrs. Ralph Western and Mrs. Milo Bolen.

FILM TO BE SHOWN AT YOUTH CONSERVATION MEET
A film, "Assassin of Youth," will be shown by Youth Conservation Crusade Wednesday, May 17, 7:30 p. m., at Tawas City First Baptist Church.

The public is invited to attend this meeting where the Rev. Robert Devine will tell of the killer drug, marijuana.

YOUTH FOR CHRIST MEETING AT OSCODA MAY 20
The Rev. Nels Stjernstrom of Bethel College Seminary, St. Paul, Minnesota, will be guest speaker at Oscoda Baptist's Youth For Christ meeting to be held at the church May 20, 8:00 p. m.

EAST TAWAS WSCS SPONSORS MOTHER-DAUGHTER BANQUET
Tuesday evening, May 9, East Tawas Methodist WSCS sponsored the annual mother-daughter banquet in the church parlors. Members of the church's Men's Club served the dinner and Mrs. Joseph Dibley was chairman of decorations. She arranged trimmed original ladies' hats as favors and centerpieces on the tables were hat racks holding colorful hats which were later taken to shut-ins.

Mrs. Clarence Stevenson was toastmistress and in charge of the program and style show. The invocation was given by Mrs. Dibley. A welcome was extended by Miss Ruby Evans, president of the society.

Toast to daughters was given by Mrs. Richard Powers with response given by her daughter, Miss Cherry Powers.

Mrs. Elsie Solomon entertained with several Finnish and Norwegian songs in a native costume of Finland. Her piano accompaniment was played by Mrs. Nyda Campbell Leslie.

A humorous style show was presented by Charity Circle of the WSCS depicting colonial costumes times, the gay nineties, the roaring 20s, the flapper period, etc. Participating were Beth Pugh, June Rapp, Lorene Awalt, Carol Stark, Dorothy Schanbeck, Marietta Kusey, Mary Beech, Kate Dease, Sally Klump Rosalie Schaaf, Dorothy Coleman, Dora Jean Hughes, Marilyn Spain, Irene Collins, Lois Schirmer, Inez Anderson and Helen Hewitt.

Program chairmen were Mrs. Stevenson, Mrs. Rapp, Mrs. Hewitt and Mrs. Awalt.

Flowering plants were presented to the oldest and youngest mothers and to the mother with the most daughters attending.

CHRISTIAN FAMILY LIFE IS DORCAS SOCIETY THEME
Christian family life was the theme for the combined meeting of Tawas City Baptist Dorcas and Missionary Societies Thursday, May 11, at the home of Mrs. Paul Sayles.

Devotions were led by Mrs. Amanda Farley. Films were shown to the 23 members present through the courtesy of Iosco-Arenac Regional Library.

A poem, "The Frilly Hat," was dramatized by Mrs. Alfred Miller. Hostesses for the evening included Mrs. Sayles, Mrs. Gordon Brigham and Mrs. Paul Beyer.

CHRISTIAN SCIENCE—Unchanging beauty is a theme of the lesson-sermon, "Soul and Body," to be read at all Christian Science churches Sunday. Included in the Bible selections will be these verses from Psalm 90: "Let thy work appear unto thy servants, and thy glory unto their children. And let the beauty of the Lord our God be upon us; and establish thou the work of our hands upon us; yea, the work of our hands establish thou it."

One of the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (p. 247, 248): "The recipe for beauty is to have less illusion and more Soul, to retreat from the belief of pain or pleasure in the body into the unchanging calm and glorious freedom of spiritual harmony."

MISSION FILM TO BE SHOWN AT LADIES AID MEETING
A movie entitled "Light to Darkest Africa" will be shown at Thursday evening, May 18, 7:30 p. m., meeting of Emanuel Lutheran Ladies Aid at the school.

Hostesses for the evening, under the direction of Mrs. Ray Ristow, are Mrs. Elsie Roach, Mrs. Arthur Ropert, Mrs. Henry Schatz, Mrs. Donald Sebald and Mrs. Julius Steinhurst.

COMPILING AN ENVIABLE record of no disabling injuries during 1960, the National City plant of National Gypsum Company has won the Gypsum Association's safety award. The local plant compiled a total of 461,744 man hours without a disabling injury. Presenting the award to the local plant last Wednesday was George E. Koch, right, Buffalo, New York, production manager for the company. Accepting the award on behalf of the employees was Melvin R. McCormick, center, president of Union Local 11-239, Oil, Chemical and Atomic Workers International, AFL-CIO. Representing management was John Pitts, left, plant manager. "We are proud of this fine record and the nation-wide recognition gained in receiving it," said Mr. Pitts. "It shows what can be done through a program of accident prevention between the employees and supervisors."—Tawas Herald Photo.

REPORT FROM LANSING

From the desk of James Mielock HOUSE OF REPRESENTATIVES

This week the house has been struggling with appropriation bills. None of the state agencies think they are getting enough money. Possibly you taxpayers are thinking differently.

The legislature has been accused of cutting appropriations—the inference being that we have cut from former appropriations,

particularly from higher education. Nothing could be farther from the truth. As they now stand, the recommendations of the house ways and means committee call for an increase in state spending of more than 45 million dollars over last year. Of this amount, more than 21 million dollars is for education.

Many of the members of the house are questioning the reasoning behind the assertions of the advocates of more spending for higher education when they threaten to cut off students who are seeking to enter college or to

curtail courses dealing with science and other related subjects which we have been told are essential to our existence in the space age.

Sometimes we wonder why they don't talk about curtailing such courses as basket-weaving, archery, golf, tennis and the many like courses they offer if cuts have to be made. We are also caused to wonder if such "soft" courses are necessary in order to keep the campuses full of students. Why is it that educators think first of essentials when they threaten to cut their courses but never mention the others.

There is a feeling among most of the Republicans in the legislature that appropriation requests were based primarily on expected revenues from the increase in the sales tax voted by the people last fall. While sales tax receipts have not been up to expectations, they also have failed to take into consideration that about 50 million dollars in nuisance taxes are due to expire June 30. As it now stands, the 45 million dollars appropriated above last year's budget is just about what is left of the increased revenues from the sales tax after deducting the loss in nuisance taxes.

We look at the figures which show that in the 10 years between 1950 and 1960, the population of the State of Michigan increased by 22 percent. Our appropriations for higher education have increased by 313 percent. Does that look to you like we have been unkind to the needs of the colleges and universities.

If we have been unrealistic in our approach to appropriations for education, I think you will agree with me that it has been to spend so large a part of your money in this field.

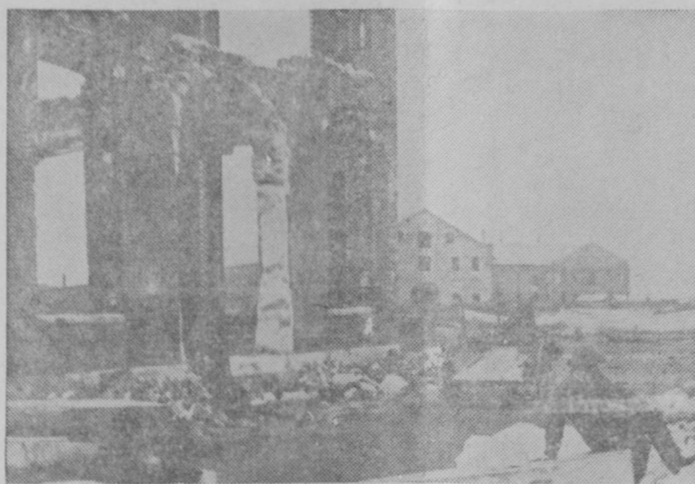

By the time you read this, the present session of the legislature will be coming to a close. It has been a very productive session. Many worthwhile pieces of legislation have been passed. Equally important is the fact that we did discard some legislation which I am sure was not in the best interest of our community and the rest of the state. There will be study committees to give careful attention to some of the problems that remain unsolved.

I believe that it is more important than even that each of the people in my district become more fully acquainted with problems of state government and that you let your representative know about your thinking on the matters that affect our mutual interests.

100 Years Ago This Week...in THE CIVIL WAR

(Events exactly 100 years ago this week in the Civil War—told in the language and style of today.)

Devastation

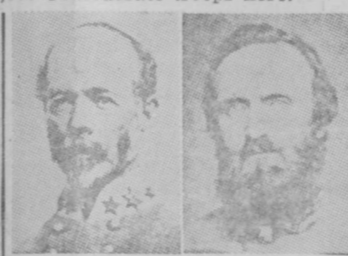

NORFOLK, Va.—May 21—Damage to the Union Navy yard here, destroyed by Union defenders April 20 in the face of a Confederate onslaught, has been officially estimated at \$30,000,000. Shown above is today's scene of the once-mighty, once-Union facility.

Johnston Takes Over At Harpers Ferry

HARPERS FERRY, Va.—May 23—Brig. Gen. Joseph E. Johnston today assumed command of the 8,000 Confederate troops here.

He relieved Col. Thomas J. Jackson and immediately assigned Jackson to command of all troops on the scene from Virginia. Jackson arrived here recently to shape up units that assembled after the South's victory a month ago in capturing the Union arsenal at Harpers Ferry.

"JOE" JOHNSTON was graduated from West Point in 1829—as Joseph Eggleston Johnston—and served with the Union army for eight years before resigning to become a civil engineer.

He rejoined the army to fight in the Mexican war, and only a year ago held the key post of quartermaster-general in the Union force. Jackson, a native of Clark-

burg, Va., was graduated from West Point in 1846. He resigned from the army in 1851 to accept a post teaching military science at the Virginia Military Institute. He was still on that job when he arrived here last month, in his Institute uniform, to take command.

Confederates Move to Richmond, Va.

MONTGOMERY, Ala.—May 21—The provisional Confederate government moved today. President Davis and his cabinet began the trek to Richmond, Va., which will be

the new capital of the South. The Confederacy has been headquartered here since Feb. 4, when leaders of six of the "slave states" met in a provisional Confederate Congress.

Hale Preschool Registration Set For Today

Superintendent Gravitt announces preschool registration for children who will be entering the Hale Area School next year will be held Wednesday, May 17.

Those who have reached the age of five years, or will have reached that age by December 1, are eligible for registration during the hours from 9:00 a. m. to noon.

While those who have reached the legal age of five years on or before December 1 are eligible to

be enrolled in school, it is recommended that children be five before entering classes.

Dr. Earl Hasty, director of District Health Unit No. 2, assisted by Mrs. Irene Wight, Iosco County nurse, will have charge of the clinic in conjunction with registration.

Superintendent Gravitt stresses that parents should bring both birth certificates and immunization records of the child with them to the registration and clinic.

11 County Resort Group to Meet at Higgins Lake

Resort, motel and restaurant operators of Northeastern Michigan and representatives of the Michigan Conservation Department will discuss mutual interests at a meeting at the Conservation School, Higgins Lake, May 18.

Management of fish, game, parks, forests, public lands and other conservation topics will be presented for general discussion during the get-together scheduled to begin at 9:30.

The area to be covered by the general subject matter of the program will include 11 counties, Alcona, Alpena, Cheboygan, Crawford, Iosco, Montmorency, Ogemaw, Oscoda, Otsego, Presque Isle and Roscommon. Invitations to attend are being extended to resort, motel and restaurant operators by the East Michigan Tourist Association.

Moderator for the session will be Robert Hayes, secretary-man-

ager of Crawford County Chamber of Commerce. A summary of the program will be presented by Kenneth C. Teysen of Mackinaw City, president of EMTA.

RECENT CHANGES ALLOW BROADER SOCIAL SECURITY COVERAGE

Recent changes in social security allow payments to many people previously denied. Anyone who has tried to get social security checks within the past six years but was turned down because of too little work credit, may now be eligible.

According to Paul M. Ellifritz, district manager of the Bay City Social Security Office, many retired workers may get social security checks because the work requirements are now easier to meet. Many workers born after 1888 and many survivors of workers who died since 1953 will be helped by this change in the work requirements.

A representative of the Social Security Administration will be at the Iosco County Building, Tawas City, Thursday, May 25, 10:30 a. m., to take claims or give information about social security.

VFW Poppy Days in Iosco Set for May 25-26-27

Commander Vernon Hill, Veterans of Foreign Wars Post No. 5678, today spelled out the exact channels into which all funds collected in the VFW's annual Buddy Poppy drive making the statement so that all citizens in Iosco County would know just where their money goes.

"The manner in which Buddy Poppy funds may be spent," the commander said, "is regulated by the national bylaws. Disbursements are strictly confined to the following purposes:

"For aid, relief and comfort of disabled and needy veterans, their dependents, widows and orphans.

"For maintenance or expansion of the VFW National Home for widows and orphans of veterans at Eaton Rapids.

"For hospital or individual assistance, entertainment and for needy veterans or service patients and their dependents.

"For rehabilitation, welfare and service work, including liaison service with the Veterans Administration.

"For acquisition, improvement and maintenance of burial plots and decoration of graves of veterans and servicemen.

"In each VFW community," Commander Hill said, "more than one-half of the total Buddy Poppy receipts are used for local veteran welfare work. We are primarily an organization dedicated to serving our disabled and needy comrades, no matter in what way they may have fought or whether or not they are VFW members. The requisites needed to receive VFW benefits are that they must have served our country honorably and that their claims for aid must be worthy.

"Buddy Poppy days have been set in Iosco County for May 25, 26, and 27. It is expected that all patriotic citizens of our great community will help those who helped us during time of need," the commander concluded.

State Police Hold Open House During Michigan Week

As has been the custom the last several years, the state police will observe Michigan Week with open house Hospitality Day, Tuesday, May 23, at all posts, according to Sgt. Frank Roti, commanding officer of the East Tawas post.

Visiting hours at the East Tawas post will be from 8:00 a. m. to 6:00 p. m. and everyone is extended a special welcome to examine the equipment and facilities and ask questions regarding the operations of the department. Officers will escort the visitors.

"While visitors are always welcome at the post, Hospitality Day offers a special opportunity to look us over and in past years many have done so," said Sergeant Roti. "Those who call on us will learn about the services

GOING TO BUILD, REMODEL OR ADD A ROOM?

Get a line on ELECTRIC HEAT

If you are planning any type of home or business construction, improvement or addition, it will pay you to get the facts about electric heating. This relatively-new method of heating can be installed for as little as conventional heating systems. Many times it costs less, even including insulation. Operating cost depends on what part of the state you live in, but no matter where you live you'll get your money's worth in convenience and dependability. Send today for a free booklet that includes a handy chart for estimating operating cost based on size of house and location; information on types of electric heating units available; insulation required; and actual operating figures taken from typical homes now heated electrically.

CEILING CABLE heat is invisible. Wires less than 1/4" thick are fastened to ceilings before plastering. Each room has its own thermostat.

BASEBOARD UNITS are available in both the radiant and convector types. All surfaces are smooth, evenly and control is by individual room thermostat.

WALL PANEL HEATERS are available in both the radiant and fan-forced convector types. Each room is thermostatically-controlled.

BOMBER CREWS at Wurtsmith Air Force Base settled down last week to the grim business of keeping the Western World free. As headquarters base for the 40th Air Division of the Strategic Air Command, the first B-52H was officially placed into service during elaborate ceremonies at the base. Generals, congressmen, state officials, business and civic leaders were on hand when the first B-52H was christened "The State of Michigan." Everything was spit and polish for the big show—two flights of airmen stood at attention, the Second Air Force Band played and red, white and blue bunting fluttered briskly on the reviewing stand. Some 100 dignitaries were present. Another 300 off-duty air force personnel and their families also watched. The top picture shows the reviewing

stand with the new B-52H and its crew in the background. The small inset at right shows Brig. Gen. Harold E. Humfeld, 40th Air Division commander, as he addressed the crowd. Other speakers included Congressman Elford A. Cederberg, who is pictured at left. Also in the picture is Lt. Gen. J. P. McConnell, commander of the Second Air Force, with Congressman Gerald R. Ford. Donna Jean Shepard of Dowagiac, Miss Michigan and Miss America of 1960, is shown at right as she swung a champagne bottle against the nose of the ship to officially christen it. She swung twice without breaking the bottle and State Treasurer Sanford Brown, who escorted her to the stand, gave her a hand.—Tawas Herald Photos.

AIR MAIL ENVELOPES ARE DESIGNED FOR SPECIFIC USE

"Air mail envelopes should never be used unless the sender desires air mail service. While the use of air mail envelopes for first-class surface mail is fortunately not widespread, usage is frequent enough to merit special attention." So says Postmaster Martin Kasischeke of Tawas City.

The colorful red and blue bordered envelopes are restricted to mail intended for transportation by air. If this restriction is not observed, there is potential trouble and embarrassment for everyone concerned. Air mail envelopes which do not bear sufficient postage (seven cents per ounce up to eight ounces) are handled as air mail and postage due is collected from the addressee. In the process, the post offices involved are compelled to give the item in question special and expensive attention. The person to whom the envelope is delivered is certainly not pleased when he is requested to pay for special service that neither he nor the sender had in mind.

The position of the postal service can better be understood when it is pointed out that air mail envelopes were purposely created with their distinctive markings to identify air mail immediately and to make certain that it receives priority handling on the way from deposit to destination. It would therefore be illogical to permit use of such envelopes for ordinary purposes, as post office personnel would then never be sure about what the mailer had in mind.

When time is a significant factor, air mail should be used. But the mail so sent should always be properly identified. Then the postal service will know at a glance what the mailer wants and the recipient will not be asked to share the cost of the transaction.

East Tawas Wins Opener

East Tawas greeted the NEM baseball season opener Sunday with a 13-hit barrage off two Melita pitchers to win, 13-8.

On the mound for East Tawas was Pete Bolen, who received credit for the win. He was replaced on the mound in the sixth inning by Duane Sanders, but after the latter walked two batters, Bolen again resumed his pitching duties.

The visiting nine drew first blood in the game, scoring one run in the initial inning. East Tawas broke the game wide open in the second, scoring four runs and then added five in the third after Melita picked up two.

Scoring a lone run in the fifth, East Tawas coasted along on a 10-3 margin until the top of the sixth

when Melita scored two runs and then added three in the top of the seventh.

East Tawas put the game on ice in the eighth with three runs.

Leading the attack for the winners was Manager L. Bethard with three singles and a double in four trips to the plate. Not to be outdone, however, was the veteran second baseman, John Erickson, who poled a three-run homer in the third and had a double and a single to round out a busy afternoon.

Bolen gave up a total of five hits, issued 10 walks and struck out six. Grattopp started for Melita and was nipped for 13 hits. Shepard took over in the sixth and allowed three hits.

RAINBOW FOR GIRLS ELECTS OFFICERS

Election of officers for the ensuing term was held at a meeting of W. Mark Sexson Assembly, Rainbow For Girls, at the Masonic Temple Thursday evening. Presiding was Miss Mary Pitts, worthy advisor.

Officers elected were Miss Mary Lou Stump, worthy advisor; Miss Roberta Brookbank, associate worthy advisor; Miss Lynda Wight, charity; Miss Elaine Erickson, faith. Installation of elected and appointed officers will be held Thursday evening, May 25.

A group of girls is planning to attend the Grand Assembly, Rainbow For Girls, at Michigan State University June 29, 30 and July 1, 2. Mrs. John Pitts, mother advisor, will accompany them.

FLOWER ARRANGEMENTS SHOWN BY JUNIOR MEMBERS

Mrs. Roy Sims, president of the East Tawas Garden Club, presided at the May 8 meeting held at the Ladies Literary Clubrooms.

Mrs. Lewis Besancon, Junior Garden Club chairman, presented nine junior members who showed arrangements of flowers and branches they had made and explained the construction.

Invitations were received from Bay City Garden Club to attend its May 17 meeting and from the Saginaw Garden Club to attend its annual session May 22, 23 and 24. The club voted to send Mrs. Sims as representative.

Mrs. Harold Clark, conservation chairman, discussed the importance of eliminating billboards which destroy the beauty of highways. Representative James Mielock was to be contacted on this matter.

Program of the evening was supervised by Mrs. F. E. Klunze. Members had brought arrangements of flowers and branches to be judged. Mrs. J. A. Valentine won first prize for her arrangement and Mrs. Frank Wilkusi placed second.

Hostesses for the evening were Mrs. E. T. Pierson, Mrs. Thomas McMahon and Mrs. George Hoshbach. The serving table was graced with a yellow floral centerpiece.

Next meeting of the club will be held at the home of Mrs. R. J. Cooke with a program of the latest news on roses conducted by Mrs. Russell Klenow.

"WONDERS OF MAY" was the theme for Tawas City Garden Club's annual flower show Saturday at Tawas Area High School. Because of the late spring this year, the show was really a "wonder" as the exhibit hall had a large display of cut flowers, plants and blossoms. Co-chairmen for the show, Mrs. T. J. Smith and Mrs. Caryl D. Ives, are pictured at left in the top picture with tables of flowers and plants in the background. At bottom left, members of the Tawas City Boy Scout Troop are shown making trellises, which they gave to visitors free of charge. Winner of the Lemke Trophy was Mrs. Laurel Lave of Whittemore, left, who is shown receiving the trophy from Mrs. Charles VanHorn, club president. The sweepstakes trophy is awarded each year to the member of the local club who compiles the most points in competition. Mrs. Lave had 53 points.—Tawas Herald Photos.

Mrs. Anita Stone came from Brown City for a recent visit with her sister, Mrs. Stanley Flis. Mrs. Stone entered General Hospital, Saginaw, the first of this week for surgery.

Andrew Christian, father of Mrs. George Davidson, has been seriously ill the past week at Huron Convalescent Home.

Mr. and Mrs. Moroni Sherman of Mt. Morris spent the week-end with Mrs. Catherine McMullen. Mrs. Sherman is the former Achey June Scully of East Tawas.

Needlecraft News by Nancy Baxter

Have you ever noticed how fashions just-like-mother's (or dad's) are all the rage? Teenage fads to the contrary, almost every youngster wants to dress like the adults he most admires. It's natural imitation—natural respect. And it's never too soon to start the trend in your own family.

HERE, LOOK THEM OVER . . .

this charming couple with the look-alike jackets. Both jackets are done in shell stitch and tied with blue satin ribbon. Both are so soft and warm you couldn't imagine anything more comfortable. And both are quick and easy to crochet. Scalloped edge at collar and sleeve add that delicate and feminine touch. Just between us girls, these are the most divine outfits ever! To get the comfortable thickness you'll want, use one strand each of Baby Wool and Rayon Crochet and a No. 6 Crochet Hook. Brush up on your increase and decrease techniques; remember your treble and slip stitches—and you have both jackets practically done. We did these models in maize, with the blue satin accent. But you can let your color choices roam; yellow is bright and fresh looking . . . pink is for little girls . . . green is full of the smell of Spring . . . and turquoise is both rich and cool. So take your pick of these colors and more.

MAKE MARVELOUS GIFTS!

By the time you finish one set, you'll know how easy and how rewarding this pattern is . . . and you'll think about making other sets as gifts. For, after all, what could be better as a present for a baby shower? Look-alike fashions from the very start . . . So send a stamped and self-addressed envelope to the Needlecraft Dept. of this newspaper and ask for free directions for MOTHER and BABY BED JACKETS, Leaflet No. C-164.

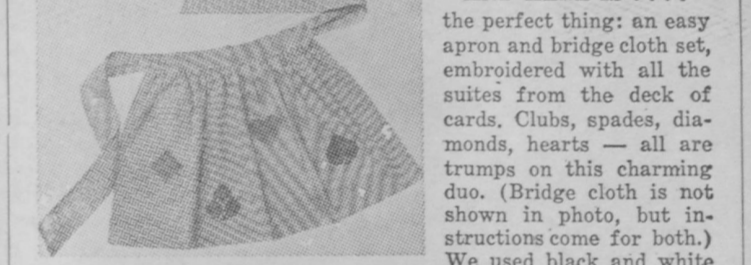

Last week we promised more designs in the quick and easy cross stitch. This time we asked our designer to work out some unique item for the house that could be cross stitched in minutes for an endless round of compliments.

AND HERE IS . . .

the perfect thing: an easy apron and bridge cloth set, embroidered with all the suits from the deck of cards. Clubs, spades, diamonds, hearts — all are trumps on this charming duo. (Bridge cloth is not shown in photo, but instructions come for both.) We used black and white checked gingham for both cloth and apron, and stitched the emblems in combinations of red and black—to keep our bridge fans happy. But you can vary the colors for entertaining and come up with any combination. You'll want to make several of these sets—they're so quick, so simple. And what excellent gifts they make . . . something you'd pick up in a Boutique somewhere at a non-too-pleasing price, most probably. But you can make your set for pennies . . .

SO PUT A BID IN NOW—

for free directions. Send a stamped, self-addressed envelope to the Needlecraft Department of this newspaper. Ask for EMBROIDERED GINGHAM BRIDGE SET Leaflet No. PE-1663. And for other exciting embroidery ideas, look for the new booklet called "Embroidery, Including Transfers," available at the notions counters of most department stores.

MICHIGAN IS AGRICULTURE

Michigan is rich in food stuffs. In fact, no state is richer and this is another reason Michigan ranks high in industrial opportunities.

Where foods are produced, foods are processed. Michigan has many food processing industries and offers opportunities for many more.

By the variety and volume of its agricultural production, Michigan fills the family table and the pantry shelves more completely than any other state. Michigan is among the first 10 states in 30 agricultural commodities, and of course stands first in several of these.

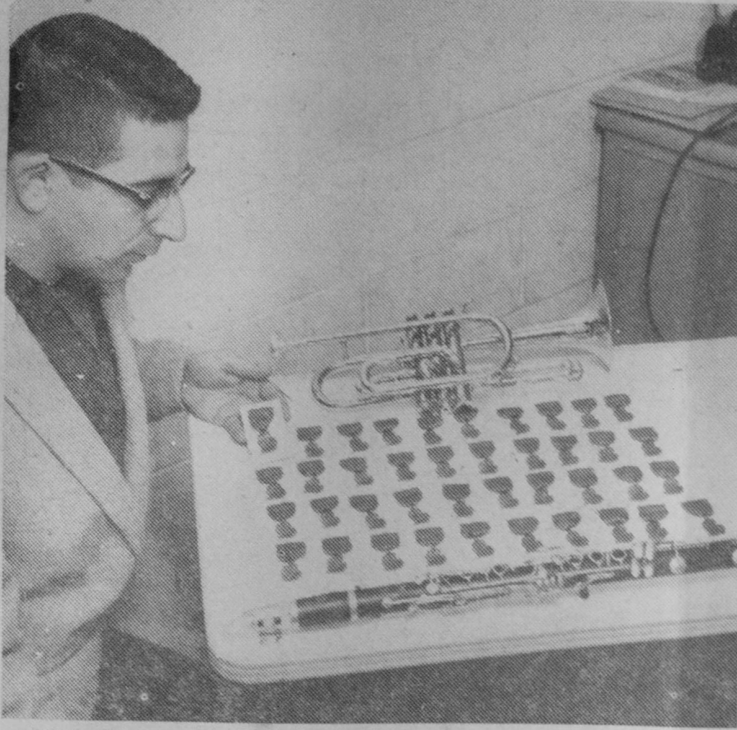

A state which is built on such a sturdy and steady agricultural foundation is a good place in which to live and work and do business. That's Michigan.

Michigan is a rapidly advancing leader in food research — an ideal location for the research laboratories of nearly all food processors.

Help carry Michigan's message to the nation. Clip this ad and mail it to someone in another state with your own comment. Let's talk up Michigan and its advantages for industry. Together, we can assure a greater future for all of us.

MICHIGAN IS EVERYTHING FOR INDUSTRY

This ad is one of a series published as a public service by this newspaper in cooperation with the Michigan Press Association and the Michigan Economic Development Department.

TAWAS AREA BANDSMEN will soon be wearing the medals which Director Edward Rima displays in the above picture. The medals, 20 first and 20 second division awards, were won by bandmen during the state solo-ensemble festival held March 25 at Jackson. They will be worn at Saturday night's spring concert at the high school auditorium.—Tawas Herald Photo.

Tawas Area's Spring Concert Saturday Night

Final concert of the school year will be held Saturday night at Tawas Area High School Auditorium when the school glee club and choir join junior and senior high bands for the annual spring program.

Three numbers by the junior high girls glee club will start the program. Included will be "Our Theme Song," "Daisies are Showing" and "All Things Bright and Beautiful."

Next on the program will be the junior high band. "Hall of Fame" will start this portion of the program, followed by "Song of Jupiter," "Carnival of Roses" and "The World is Waiting for the Sunrise."

Following a 10-minute intermission, the senior high choir will present six numbers. Included will be "Let There be Music," "Christopher Robin," "When Love is Kind," "In Silent Night," "May Day Carol," Eloise Engle, soloist, and "Moonlight and Roses."

Three chorale preludes, "Break Forth, O Beauteous Heavenly Light," "O Sacred Head Now Wounded," "Now Thank We All Our God," will commence the senior high band program.

This will be followed by "Beautiful Colorado," a tenor saxophone solo by James Ruckle, with band accompaniment. Also included in the program will be "El Dorado," "Voodoo," "Emblem of Unity."

The program will conclude with two numbers by combined choirs and bands, "Adoremus Te" and "America the Beautiful."

The program will be under the direction of Richard H. Ferguson, vocal, and Edward J. Rima, band.

Forsyths Honored Monday Night by Episcopal Church

More than 100 parishioners and friends attended a dinner Monday evening in honor of Canon and Mrs. Warner L. Forsyth of Oscoda, on the occasion of his retirement as vicar of St. John's Episcopal Church, AuSable. The dinner was held in the parish hall of Christ Church, East Tawas, where Canon Forsyth served as rector from 1949 to 1955.

Canon Forsyth formerly served as rector of St. James Church, Birmingham, and St. James Church, Grosse Ile, before coming north in 1949 to become canon missionary in Northern Michigan.

He established mission churches at Hale, Harrisville, Gaylord, Grayling and other northern communities.

At the testimonial dinner, brief talks were given by Senior Warden William DeGrow, Dr. Arthur Bloesing of Midland, Gordon Everett of Gaylord, Norman Merschel, Mrs. George Gifford, Mrs. L. G. McKay Jr., Mrs. James LaBerge, and Canon and Mrs. Forsyth.

Clarence Everett presented the Forsyths with a gift on behalf of his former parishioners at Christ Church. L. G. McKay Jr. served as toastmaster. Musical program was handled by Mrs. Herbert Hertzler, Mrs. Cecil Cable and Mrs. Mark Defibaugh.

East Tawas Church Offers Free Spring Training Course

East Tawas Assembly of God Church is offering a free spring training course May 22-25 from 7:00 to 9:00 p. m. The Rev. Orie Robinson, elected district official, former pastor and well-known teacher training instructor, will be guest speaker. He will also speak at Sunday morning and evening services.

The training book is entitled "Ways of Understanding God's Word." Chapters deal with its source, values, times, unity, literature, books, language, stories, helps and study.

Credit toward an Evangelical Teacher Training Association diploma can be earned and a certificate will be given after the examination on Thursday.

The Rev. George Krish, local pastor, feels this is an outstanding opportunity to gain an education in Bible background. The public is cordially invited to attend.

HOUSEHOLD ARTISTS STUDY SKIN CARE

Skin care presented by Mrs. Marvin Davenport was the highlight of the May 10 meeting of Westside Household Artists Group at the home of Mrs. Lyman Willis.

Five members were present to discuss the June cookout, which will be the last meeting for the summer.

The group's achievement day displays, which were shown at Hale, will be displayed at the Cooperative Extension Office during May. These displays include towels, pillows, aprons, etc.

Two Tawas Area High School trackmen qualified for entry in the state finals at Ann Arbor next Saturday. They were Herb Galliker and Steve Ferguson.

In the regional meet Saturday at Mt. Pleasant, Galliker won two seconds in high and low hurdles. His times, 16.4 seconds in high and 21.7 in low, broke old Tawas Area School records.

Ferguson gained a tie for third place in high jump and was qualified for the state meet.

The school's mile relay team did not qualify for state competition, even though it broke this school's old record of 3:48.8. It gained fifth place.

Although not qualifying, Bob Curry broke the TA record in shot put with a heave of 40 feet, 7½ inches. The old record was 40 feet, six inches.

State Agriculture Important Industry

Michigan is an important agricultural state. This is a distinction too frequently relegated to the background because of our preeminence as an industrial state.

A sound, progressive agriculture is important to industry. Michigan's agricultural products have meant, and should mean even more, processing plants which have come to be an important part of our industrial development.

Agriculture can be the deciding factor in the establishment or expansion of an industrial plant.

In our Michigan agriculture, we have a great advantage. The entire nation should know this. Unfortunately, everyone does not know that Michigan is among the first 10 states in the production of some 30 farm products and that we are self-sufficient in agricultural products for table use.

The Tawas Herald today presents another in a series of industrial development advertisements in which the importance of agriculture to industrial development is emphasized. Clip this advertisement and send it to someone outside the state.

GIRL SCOUTS WILL SPONSOR CARD PARTY

Other coaches introduced were Ron Wilfse and Lyle Berry. Miss Marilyn Westrich introduced cheerleaders.—Tawas Herald Photos.

Tawas City in 19-11 Win Over Skidway Lake

After losing the season opener to West Branch last week, the Tawas City Indians bounced back Sunday to defeat Skidway Lake, 19-11, in a free-swinging contest. The locals pounded B. Bergquist, SL starter, for 17 hits, only one of which was for extra bases. This was a near repeat performance of last week's debacle at West Branch, but this time the Grack nine came out on the long end of the score.

After breezing along on the strength of a 4-2 lead gained in the initial frame, Gerald Potts, starting pitcher for Tawas City, had to be lifted at the start of the fifth inning.

The fourth inning saw the lakers break loose with three runs on two hits and come within one run of tying the score, 6-5. Tawas City had pushed two runs across the plate in the second inning.

Clare Herriman took over on the mound and he was nipped for one run in the bottom of the fifth, but Tawas City still remained in front on a lone run scored in its half.

Tawas City broke the game wide open in the seventh, sending 11 batters to the plate and scoring six times. The locals added five more runs in the ninth and Skidway Lake scored five times in the last of the ninth.

Pitching the last two innings for the winners was Kaiser.

Top batters of the day were John Rescoe with four hits in five trips to the plate and Herriman with three out of six.

May 15, 1936—Mrs. Eugene Bing, newly appointed postmaster at Tawas City, starts her duties in an official capacity Saturday.

Tawas City and East Tawas businessmen enjoyed a fish dinner at Hiram's as guests of the owner of the new restaurant, C. E. Pierce. Fifty business and professional men were in attendance.

Miles Main is having the State Theatre remodeled for the coming season.

Mrs. A. A. Bigelow is attending the Federation of Women's Clubs convention at Midland.

Mr. and Mrs. George Gifford of New York are here on business.

Mr. and Mrs. Jack Blackman of Detroit are spending the week at the Cowan home.

Mr. and Mrs. Forrest Streeter of Hale were business visitors in Bay City last week.

Mr. and Mrs. Harold Karr of Lincoln were week-end visitors at Whittemore.

Mr. and Mrs. Byron Latter of Lansing spent the week-end with Reno Township relatives.

Fred Head and son, John, of Sherman Township are visiting Saginaw relatives.

Mrs. William Dunham has returned to Saginaw after a visit at the Cecil Ruckle home at Whittemore.

Traverse Ousterhout of Remus called on Alabaster and Tawas friends over the week-end.

Mr. and Mrs. William Parks of Lansing spent the week-end with Mr. and Mrs. Martin Long of Tawas Township.

May 18, 1951—Hale will celebrate its 75th anniversary with a program of speaking, music and pictures.

Plans for the new Tawas Hospital are complete and bids will be opened July 1 for its construction.

Vernon M. Davis of Detroit is

visiting his mother, Mrs. Lydia Bing.

Mr. and Mrs. William Murray of Mt. Pleasant were week-end visitors here.

Mr. and Mrs. Alva Misener have returned from a visit with their daughter, Mrs. Arthur Cooke, at Zanesville, Ohio.

Mrs. William Phelps of Wilber Township is visiting at Lansing.

Mr. and Mrs. Lawrence Daley are attending the tulip festival at Holland.

Clarence Snyder of Big Rapids spent the week-end on the Townline Road.

Miss Charlotte Lehman of Chicago is visiting her parents at Whittemore.

Lower Hemlock

Mr. and Mrs. Ernest Dankert spent from Tuesday until Friday in Chesaning where they visited his mother, who is seriously ill.

Mr. and Mrs. Harold Friebe of Bay City were here May 7 to attend the 40th wedding anniversary celebration of the Charles Koepke's. They visited Mr. and Mrs. Andrew Anschutz and the Glenn McLeods while here.

Edward Anschutz had the misfortune to break his wrist while cranking a tractor.

Friends of Mrs. Roy Atkinson are sorry to hear she is in the hospital, having suffered a heart attack.

Mr. and Mrs. Clarence Fowler Sr. of Bay City were Wednesday overnight guests of the George Biggs.

Mrs. Waldo Curry was a Tuesday Bay City visitor.

Mr. and Mrs. Arthur Dettemer of Saginaw spent the week-end at their cabin on the Plank Road.

The Walter Kasischeke family

spent the week-end at Flat Rock. Mrs. Kasischeke's mother, Mrs. Witte, suffered a stroke during the week.

Fourteen ladies attended a club meeting at the home of Mrs. Victor Bouchard Tuesday, May 9. Pot-luck dinner was served after which there was a business meeting. Quilt blocks were cut out by the group for making a quilt.

Mrs. Charles Koepke will entertain the group for the next meeting Tuesday, June 13.

Mr. and Mrs. Glenn McLeod were Tuesday Bay City visitors.

Mr. and Mrs. Clair Ulman and four children of Bay City were recent Sunday visitors of the Clayton Ulmans.

Tawas Braves Move Into Invitational Semifinals

On the strength of a double win last Friday, the Tawas Area Braves move into the semifinals of the Mt. Pleasant invitational baseball tournament this Saturday.

The McIntoshmen ran their winning streak to seven straight when they defeated Arenac Central in an extra-inning game, 7-6, and then went on to clobber the West Branch Orioles, 13-3, in five innings. All three teams are members of the NEM-Confederate.

Riding on the strong left arm of Southpaw Herman Rollin, who pitched the entire 13 innings and was winning pitcher in both games, Tawas Area grabbed an early lead against Central, but then lost it and had to come from behind.

The bats of two senior outfielders were hot during the day, coming up with a total of 11 of the 20 hits belted by Tawas batsman during the two games.

Leftfielder Jim Campbell had three hits in the first game and three in the second, one of which was a two-run homer in the first inning against West Branch. He also had a double against Central.

Centerfielder John Sass boomed a three-run homer against West Branch in the night cap and had three doubles and a single to

round out a busy afternoon.

Catcher Jack Pasch also got into the heavy hitting department by belting four hits during the twin bill, including two doubles.

Tawas scored twice in the first inning on one hit. Two walks, a hit batsman and an error accounted for the scoring.

Central bounced back with one run in the first on a single, a base on balls and an outfield error but Tawas made it 3-1 in the third on a single and an error.

A single and three Tawas errors accounted for Central's second run, but the Braves came back with their fourth run in the fifth on two bases on balls and a single.

Central broke loose with four runs in the fifth to take the lead. After two men were out, the Panther batters solved Rollin's slants for three doubles and a single.

Tawas pecked away in the sixth inning to tie the game when Campbell, Sass and Pasch belted doubles to score two runs.

The extra inning saw Tawas score the winning run after two were out. Rollin, Sass and Pasch hit back-to-back singles and the game was all but over, as Rollin fanned the side in Central's half.

Scoring four times in the first inning of the second game, the Braves held a 7-3 edge over West Branch going into the fifth inning on four hits.

In his 13 innings on the mound, Rollin struck out 11 of the opposing batters, walked two and hit one.

Central batters out-hit Tawas, nine to eight, but except for the fifth inning, were unable to take advantage of them. Tawas had six fielding errors in the first game,

 The Board of Iosco County Road Commissioners met at their office for their regular meeting. Meeting called to order by Chairman Curry and upon roll call present: Commissioners Nunn, Aulerich and Curry also Supt. Henry, Engr. Meade and Attorney Harvey. Minutes of the previous meeting read.
 Mr. Gerard, Sherman Township Supervisor, talked with the Board as to work on the Sand Lake Road from Melvor south. The approximate distance of two miles. It was decided that we would grade and gravel approximately one half mile on the south end this year and will program the north end (approximately 1 1/2 miles) as our next construction force account after our 1961 program is completed.
 James Scott and Bert Stickney were in relative to construction of a drain in Crescent Beach Subdivision. It was decided that no part of the drain is to be within the right-of-way except where it crosses the road to gain access to the lake.
 A delegation of the hourly employed persons of the Road Commission came before the Board to request a 15c hourly raise. This will be discussed and the Board will give them a decision May 25th.
 Moved by Nunn seconded by Aulerich that the bills and pay rolls in the amount of \$30,957.73 be allowed and warrants written for the same. Yeas Nunn, Aulerich and Curry. Motion carried.
 Moved by Aulerich seconded by Nunn that we sign the Consumers Power Company permit for pole transmission line and tree trimming on the Whittemore road in Sherman township. Yeas Nunn, Aulerich and Curry. Motion carried.
 Moved by Nunn seconded by Aulerich that we advertise for one four door sedan and three two door sedans. Bids to be in by 7:00 P. M. May 11, 1961. Yeas Nunn, Aulerich and Curry. Motion carried.
 Due to legal consultation we find that it will be impossible to construct the entire programmed Townline road. Approximately one half mile from the D & M Railway tracks east to U. S. 23 is to be deleted from the construction indefinitely.

DEVOTEES of the art of fly fishing can well appreciate this picture—it shows John Lansky of Tawas City with a rare catch of three nice German brown trout. "Jack" caught the fish Sunday afternoon on the main stream of the AuSable River. The browns measured 21, 19 and 16 inches in length. He used his own hand-tied brown squirrel streamer, patterned after the famous wet fly originated by the late W. C. (Roxey) Roach. A fly fishing veteran of 22 years on the AuSable, the last time Lansky had a catch like this was eight years ago . . . needless to say, he was proud. Browns were plentiful before and during the mid-1940s, but heavily-fished AuSable River of today rarely yields as nice a catch as this for fly fishermen.—Tawas Herald Photo.

Cooke Dam Pond to be Lowered for Maintenance Work

Essential maintenance work will require a four-foot drop in the level of the Cooke Dam pond on the AuSable River between May 9 and June 30, according to Charles R. Bilby, region superintendent of Consumers Power Company.

The water will be brought down gradually to permit repair of damaged concrete in the tail race of Five Channels Dam, just upstream from Cooke Dam. The pond will be back to normal by July 4.

"The time schedule for this work was chosen after consultation with the Michigan Conservation Department," Mr. Bilby said. "There will be no exposure of spawning beds and we are assured that fingerlings and larger fish will accommodate themselves to the gradually changing water levels."

"Inconvenience to fishermen will be held to a minimum. Vacationers usually arrive in numbers about July 4 and by that time, the work will have been completed and normal water levels restored."

Cooke and Five Channels are two of six Consumers Power Company hydroelectric developments on the AuSable.

Three Building Permits OK'd; Study New Ordinance

Building permits approved by the department of public works were read at Monday night's council meeting by Supt. of Public Works Reginald Bublitz.

Applications approved included: Mrs. William Startman, 229 Fourth Avenue, six by nine addition, \$200; Mrs. William DeLosh, remodel home, 218 Wheeler, \$900; Frank Byrd, 219 Second Avenue, erect 12 by 16 tool shed, \$200.

In other business, Alderman Arthur Wegner read a letter from Ronald Korthals stating that he would be willing to accept the position of electrical inspector should the city approve its proposed ordinance.

Discussion on the new electrical ordinance is to take place at the next meeting. Korthals has been invited to attend.

Councilman Howard Hatton stated that minutes of the last meeting should indicate that the bid of Cowan Motor Sales for a new police car should be minus the excise tax. This would amount to more than \$100. The council had accepted Cowan's bid of \$1,447.

Mayor George Tuttle, Bublitz and several councilmen are to attend a regional meeting of the Michigan Municipal League June 1 at Alpena.

Valuation of the school district will be approximately \$26,000,000 in 1961.

A three-mill levy on the valuation of the district, using 1961 valuations, would yield the following amounts of money: One year, \$48,000; two years, \$156,000; three years, \$234,000; four years, \$306,000; five years, \$390,000; six years, \$468,000.

Total county and school taxes levied in the Tawas Area School District during 1960 amounted to \$17.66 per \$1,000 valuation. A breakdown of this shows the following levy per \$1,000 valuation: School operation, \$8; county operation, \$4.08; county building, \$2.50; county jail, \$1.25; school debt, \$1.83.

If the three-mill tax increase is approved, an additional \$3 per thousand would be added giving a total levy of \$20.66.

A comparison of enrollments in grades kindergarten through 12 shows that there has been an increase from 1,078 in 1952-53 to 1,545 in 1960-61. By 1969-70, the enrollment will reach 1,873, as indicated by the number of students presently in the elementary grades.

terest would amount to about 63 percent more than the money needed to pay off the bonds," it was stated.

By transferring this added interest money into classrooms, the district could have 13 additional rooms at the same cost to the district by a pay-as-you-go plan.

MRS. EDNA YAWGER

Funeral services for Mrs. Edna E. Yawger were held Friday, May 5, at the Hale Methodist Church. The Rev. Joseph Dibley and the Rev. Cleon Abbott officiated. Interment was in the Evergreen Cemetery, Hale.

Mrs. Yawger died Tuesday, May 2, at Tawas Hospital following a short illness.

The former Edna Esther Shattuck was born May 28, 1888, at Sylvania, Ohio, and came to Plainfield Township with her parents in 1901. She married Stacy B. Yawger in 1933. He preceded her in death August 17, 1950.

Surviving are two brothers, Grant N. Shattuck of East Tawas and Bruce Shattuck of Gaylord, and a sister, Mrs. Alice Young of San Francisco, California.

MARION V. JACKSON

Marion V. Jackson, 68, of East Tawas died Saturday at Tawas Hospital after a short illness.

A Detroit auto salesman for 25 years, Mr. Jackson had owned the East Tawas Recreation since 1954. He purchased the business from Scott E. Shuman, who died May 2.

He was a member of the Grosse Ile Country Club, the Elks and a 32nd degree Mason.

Mr. Jackson is survived by his wife, Norma; a son, Paul; three grandchildren; his mother, Mrs. Margaret Jackson, and a brother, Ralph.

Services were held at the William Vasu Funeral Home, Royal Oak, Tuesday. A private graveside service was held at Woodlawn Cemetery.

REUBEN V. EDIE

Services were held Tuesday morning at St. James Catholic Church, Whittemore, for Reuben V. Edie, who died Sunday morning at his home after suffering a heart attack. The Rev. Bela Torok officiated with burial in the church cemetery.

Mr. Edie was born in New Philadelphia, Ohio, on September 13, 1898, and married the former Miss Anna Dupius in 1937 at Standish.

The couple operated a farm at Whittemore, moving there from Sterling in 1947.

Surviving are his wife, Anna; a son, Paul Joseph at home; four brothers, Harry, Ivan, Walter and Raymond, all of Ohio.

He was a member of St. James Church and a former member of Tawas Knights of Columbus.

Canoeists Need Not be Concerned Over State Eligibility Rules

High school students may participate in canoe racing without regard to athletic eligibility, according to word from Charles Forsyth, state high school athletic director.

In a letter received by the Tawas Chamber of Commerce, Forsyth said that students may take part in canoe race events and receive awards without reference to high school rules concerning acceptance of specific items.

He said that it makes no difference whether the award would be money, merchandise or some type of trophy.

"The MHSAA has enumerated the specific sports in which a high school student may become ineligible if he violates the awards or amateur rules, but canoe racing is not one of them," said Forsyth.

Tawas City Finishes Conversion of Fire Truck Into Tanker

Conversion of the old Tawas City fire truck has been completed by Clute Sheet Metal. A 525-gallon water tank has been installed on the chassis.

The old truck was stripped of about 1,400 feet of 2 1/2 and 1 1/2-inch hose and the old water tank was removed. Also dismantled were two reels holding rubber hose.

The truck's three-stage pumping equipment was left intact.

Addition of the larger tank gives the fire department a water reserve of 1,025 gallons in its two trucks. Water from the tanker may be transferred to the high pressure pumper.

When Tawas City's new truck arrives, expected sometime this summer, the department will have 1,525 gallons of water in its three trucks.

"This conversion is a real addition to the fire department," said Mayor George Tuttle.

AUTHORIZE LETTERS TO FCC

East Tawas and Tawas City councils authorized the two city clerks to communicate with the FCC urging that air waves remain open for WIOS-Radio.

BIKE RIDERS SHOULD EXERT EXTRA PRECAUTION

The deaths of three teenage bicyclists in separate car-bike mishaps on a recent Friday, an unprecedented one-day toll in Michigan, has brought a warning from the state police that bike riders, parents and motorists should exert extra effort to prevent such accidents as the season for excursions to them reaches a peak in the warm weather months ahead.

The 31 deaths, 1,859 injured and 2,307 car-bike accidents in 1960, were the highest totals for the state in the last 10 years. The fatalities increased seven, or 29 percent, more than the 24 in 1959.

Records show June, July and August are the worst months for car-bike accidents in the period of increased bicycling which normally begins in April and extends through October.

To help prevent accidents, the state police emphasize:

That all bicyclists are required to obey the traffic laws, signs and signals, just as motorists must do.

That parents restrict bicycle use when their children violate any laws regulating bicycling.

That motorists take extra precautions in the vicinity of bicyclists to be on guard for the unpredictable actions of some young riders.

FELLOW CRAFT DEGREE TO BE CONFERRED BY MASONS

Detroit Wolverine Lodge No. 484, fellow craft team, will confer the fellow craft degree on members of Tawas City Lodge No. 302 on Saturday evening, May 20.

Behind the four-hit pitching of Grant Mousseau, Hale defeated Prescott Sunday, 7-0. This was Hale's second win in NEM League competition.

Mousseau, with veteran catcher Edwin "Pete" Peterson behind the plate, fanned 11 and walked two. Fegan, losing pitcher, struck out 12 and walked five.

Hale collected nine hits, led by Lee Bielby's three hits. Mousseau had two doubles, Peterson two singles and Perry Shellenbarger belted a home run.

TC Postal Employee Observes 25th Year in Federal Service

Monday was more than just another day of work for Leonard Hosbach of Tawas City. He observed his 25th year of federal service at the United States Post Office.

It was 25 years ago May 16, 1936, when Hosbach first started as a clerk in the post office, then located in the Moeller Building.

Mrs. Lydia Bing took over as postmaster the same day he started, succeeding the former postmaster, Martin Musolf.

With four years out for military service during World War II, Leonard has since been on the job. Besides Mrs. Bing, he has worked under Acting Postmaster John Coyle and Martin Kasischke, present postmaster.
