'Red Carpet' Treatment Given Exchange Visitors

The Tawas gave traditional "red carpet" treatment to two visiting dignitaries during mayors' exchange day, part of the Michigan Week observance here.

Honored guests Monday were Rex Paxton, who was the official representative of the City of Kalamazoo, and Mayor Gerald Nevison of Clare.

Paxton substituted for Mayor James Gilmore, who was unable to attend because of a busy schedule.

Accompanying Paxton was his wife, Edna, and two grandchildren.

Mayor Nevison was accompanied here by Councilman Albert Haley. Their wives also attended.

The two men were taken on separate guided tours of the Tawas.

Accompanying Paxton were Reginald Bublitz, superintendent of public works, and Nelson E. Thornton, president of the Tawas City Businessmen's Association.

The group visited Tawas Area High School, Tawas Hospital, Iosco County Building and city hall.

They also viewed an ore carrier loading at the Port Gypsum dock of National Gypsum Company and the United States Gypsum Company quarry at Alabaster.

The itinerary for Mayor Nevison, whose guides were Mayor Pro-Tem Clarence McKenzie, Councilman Floyd Upton and Lewis Besancon, included a visit to the East Tawas water filtration plant, county building, the high school and Tawas Hospital.

Paxton was guest of honor at a noon luncheon of the Tawas City

Businessmen's Association while (See EXCHANGE, page 10.)

A squeal of brakes interrupted Rex Paxton during his speech at Monday's luncheon of the Tawas City Businessmen's Association, held at Vic and Zel's Restaurant. Just as he was about to deliver the punch line to a joke, a vehicle traveling along US-23 lost its front wheel. The story was "lost" as his audience was distracted for several minutes. The loose wheel narrowly missed hitting cars parked in front of the restaurant. The car came to a stop in the parking lot.

Ioscoans Attend Crime Confab

Five persons represented Iosco County at crime prevention conference Friday held at Lansing.

The program was sponsored by the state attorney general and staff.

Attending from here were Circuit Judge Allan C. Miller, prosecuting attorney William McCready, Probation Officer Richard Nelson, C. V. Miller, mayor of East Tawas, and East Tawas Chief of Police Harry Pelton.

The program concerned law enforcement, juvenile delinquency and crime prevention. Principal speaker was George Edwards, chief justice of the Michigan Supreme Court.

Gov. John B. Swainson addressed the group.

School Board Takes Official Action on Millage Proposal

Official action toward placing a three-mill tax proposal before voters of Tawas Area School District was taken at Monday night's meeting of the board of education.

The proposal, which would raise approximately \$390,000 in taxes over a period of five years, would be used to expand and enlarge elementary and junior high facilities of the school district.

According to a pay-as-you-go plan developed during two recent meetings of the board of education and a study group, the construction of new classrooms would be in three phases.

The first phase would include construction of six classrooms, a

kitchen and boiler room at the Tawas City unit as a part of an eventual 10-classroom structure. It would be constructed during 1962 and would be ready for use by September 1962.

The second phase would be construction of a general purpose room at the East Tawas unit and the remaining four classrooms at Tawas City. This would get under way as soon as money becomes available and could be completed in 1964.

The third phase would be construction of junior high rooms and the additions to the high school building. This would be started when funds are available, which

should allow construction in 1967-68.

Estimated cost of the 10-classrooms at the Tawas City unit is \$202,000. Supt. Reynold Mick stated that estimates on the other construction is expected from the architects, Brysselbout, Starke and Hacker, in the near future.

Mr. Mick said that members of the board of education were to meet with various civic groups in the community to outline the need for the classrooms.

First such discussion was held last Thursday noon at a meeting of the Tawas City Businessmen's Association. Mr. Mick and Trustee William Look are to attend this Wednesday night's meeting of the Tawas Chamber of Commerce.

'Let's Rebuild Iargo' is Invitation from Oscoda

"Let's rebuild Iargo Springs," to bring hammers, saws, power saws, chain saws, sledges, shovels and post hole diggers.

Iargo Springs is located 1 1/4 miles east of M-65 on Monument Road.

Once one of Iosco's most popular attractions, the stairway leading to the springs fell into disrepair during World War II and was never replaced.

A work bee will be held at the site of this once important tourist attraction Sunday, May 28, starting at 9:30 a. m.

"Necessary materials and some equipment will be on hand—all we need is the help from citizens who will volunteer their labor," stated a commission spokesman.

Oscoda will furnish between 50 and 75 volunteer-workers and it is hoped that other committees of the county will match this number.

It is expected that this project can be completed in one day.

Various civic and service organizations in the Tawas have been contacted for assistance.

Overall charge of the project will be handled by Howard Brubaker, owner of the AuSable River Queen. He asked volunteers

Seek Nurse Scholarship for Two TA Students

Name of this year's recipient of the Tawas Hospital Auxiliaries nursing scholarship is to be announced at Friday's honors assembly at Tawas Area High School.

Principal Ernest Jordan reports that three students qualified to receive the scholarship.

A spokesman for the hospital auxiliary said this week that it is hoped that some local organization or business will contribute nursing scholarships for the other two students.

Anyone interested in contributing such a scholarship may contact Sister M. Olivia, SSJ, hospital administrator, or Mr. Jordan for information.

SENIOR GOVERNMENT TRIP

Senior government class of Tawas Area High School spent Friday in the Detroit area where members visited Greenfield Village at Dearborn and the Cinerama Music Hall.

Faculty members accompanying the group were Principal Ernest Jordan, Thomas Pinkowski and William Tracy.

Allocation Board Calls Attention to Faulty Budgets

The fact that three township tax units had failed to prepare a complete budget was pointed out to the Iosco County Board of Supervisors last week by Arden Charters, chairman of the county allocation board.

Charters said that the allocation board had received three budgets which omitted various items. One township had omitted street lighting, another failed to show millage for police, fire and lights, while the third failed to include township hall and library.

The three townships were notified to send a representative at the final meeting of the allocation board Tuesday (yesterday).

Charters said that these omissions were of concern to the allocation board. Last year, the state tax commission checked the allocation board's final order and found that the county had exceeded its maximum rate.

As a result of this, county operation was slashed \$17,000 in November.

In other business during the session, a \$2,500 check from Ralph Meyers was accepted for purchasing the airport property.

Earlier, Mayor C. V. Miller pointed out that an error had been made in advertising the description of the property and questioned legality of the sale.

Prosecuting Attorney William McCready was asked for an opinion and he said that inasmuch as the advertisement clearly stated that the airport property was located in the City of East Tawas, (See SUPERVISORS, page 10.)

Fire Destroys Home

The home of Mr. and Mrs. Goyle Killey, 262 Fifth Avenue, was estimated as a total loss after a fire Tuesday afternoon.

Some furniture was saved. Killey told firemen that he smelled smoke about 2:30 p. m. The fire, evidently starting in a utility room, was beyond control when firemen arrived.

Seek Clues to Tavern B&Es

Breaking and entering of two Iosco County taverns last Tuesday is under investigation by Michigan State Police and Iosco Sheriff's Department.

Break-in of the Buckhorn Tavern on M-55 was discovered at 9:00 a. m. last Tuesday when Arthur Kepler opened for business.

Kepler, husband of the owner, Mrs. Helen Kepler, discovered that attempts had been made to break into coin boxes on shuffleboard, bumper pool and record machines.

Stolen was about \$22 worth of cigarettes and \$47 in liquor stock. Entry was made by forcing open the side door of the building facing Plank Road.

A burglar made off with about \$220 in currency the same morning from Pappy's Tavern on M-65, three miles south of Hale.

There was no sign of forced entry and police believe that the burglar used a key to enter the building and also an inner office where the money was stolen.

Marvon Morgan, owner, said that about seven cases of beer were missing.

Another break-in under investigation was at the home of Harold Gould on Tawas Beach Road. A boathouse was forced open and two lights and two tool kits were stolen. Entrance was gained by forcing a hasp from the door. The break-in was reported May 19.

State Extends Time for Dock Removal

Permission to allow an earth-filled pier to remain in Lake Huron for the remainder of the summer has been granted to the Oscoda Park Commission by the Michigan Department of Conservation.

Township officers, park commissioners and representatives of the conservation department inspected the shoreline near the dock and discussed littoral and erosion problems concerned with a solid fill structure of this nature.

The commission had been ordered to remove the structure last year after lengthy investigation by the department.

George Taack, director of the lands division, said that the structure could remain for a few months inasmuch as the commission planned to remove sand at the base of the dock. This would provide for the free-flow of water around the structure.

Earth is to be removed on the shore end in a circular area extending to a minimum of 50 feet on the west and north sides.

Taack said he would bring a conservation department engineer and a representative of the attorney general's office with him on a later trip this summer for further study of conditions that may develop after free-flow of water is provided.

The department representative cautioned members of the park commission that no further effort and no additional construction (See DOCK, page 10.)

THE "FRONT PARLOR GROCERY," once a familiar institution in rural areas, is fast disappearing from the American scene. One of these quaint little stores is still operating at AuSable. Mrs. Henrietta Thornton, 93, a frail but chipper little businesswoman, has operated her store at the same location for 33 years. She came to AuSable in 1881. She supports herself without any outside assistance through profits from the store. Her husband died 26 years ago. These pictures show Mrs. Thornton during a typical day. At top left, she catches up on her

reading in the "back parlor." Her store-home is pictured at top right. At center left, she has a good view of the front entrance while seated in her chair. The next two pictures show Mrs. Thornton waiting on a customer from remarkably well-stocked shelves. At lower left, she adds the customer's purchases and then has time for a friendly chat, lower right. "I like to feel that I am independent," she stated. "If I did not have something to do, I would not last long."—Tawas Herald Photos.

Rites-Parades Set for Memorial Day

Rev. Pieper Speaker at Tawas City

Tawas City will honor this nation's war dead next Tuesday during traditional Memorial Day services. The program will be under the auspices of the Jesse C. Hodder American Legion Post.

The Rev. Walter Pieper, pastor of Zion Lutheran Church, will be principal speaker during services at Tawas City Cemetery.

Veterans will assemble at the Legion Hall at 8:00 a. m., announces James Dillon, officer of the day.

Ernest Burtzloff, World War I veteran and past commander, has been named honorary officer of the day.

A parade of veterans, Tawas Area High School Band, boy scouts, girl scouts and brownies will travel along US-23 through Tawas City's business district. Turning down Mathews Street, the parade will stop at the river bridge where the naval dead will be saluted.

In charge of the American Legion firing squad will be John N. Brugger.

All veterans are urged to participate in the parade. Transportation will be furnished World War I veterans.

Wreaths are to be made at the Legion Hall Monday starting at 6:30 p. m.

Hale Program Starts With Salute to Dead

Memorial Day services at Hale, under the auspices of Glen Staley American Legion Post, will be held starting at 10:00 a. m. May 30.

The program will start with a salute to deceased veterans at the township memorial in front of the Plainfield Township Hall. This will be followed by a parade and services at Evergreen Cemetery.

Boy scouts, girl scouts and brownies will participate in the parade. There will be transportation provided for Gold Star Mothers and disabled veterans who cannot march, but who would like to be a part of the day's program. After the services, a pot-luck dinner will be held.

Junior Baseball Still Expanding

The ever-expanding junior baseball program in the Tawas is in need of one more manager and other adult assistance before the start of the schedule June 12.

Deloise (Dewey) Durant announced Tuesday that there are 51 new boys this year enrolled in the Knot Hole League and 41 new Pony Leaguers.

This increase will require two additional teams. The Knot Hole League presently has nine teams of 15 boys on each team, the Pony League has five teams with 14 boys on each and the nine-year-old league has two teams of 15 each.

MODEL HOME OPENING

Opening of a new ranch type model home will be held Saturday through Tuesday, May 27-30, it was announced today by H. J. Wainwright and Walter Wegner, builders. The home is located on M-55 across from Tawas Area High School.

More than 200 Hear Mort Neff at Banquet

More than 200 persons attended Monday night's annual spring banquet of the Tawas Chamber of Commerce, held at the Barnes Hotel.

Described as the most successful banquet ever staged by the chamber, the program featured Mort Neff, "Mr. Michigan Outdoors," of state-wide television fame.

Neff presented an outstanding program. His 30-minute color film, "Fishing Fun in Michigan," was greatly appreciated by his audience.

He predicted a tremendous increase in the number of persons who take advantage of Michigan's natural resources in the next 20 years, stating that deer hunters, alone would probably increase from today's 450,000 to more than 700,000 hunters.

"Hunters of the future will have to settle for the state's natural beauty rather than for a bountiful game supply," he stated.

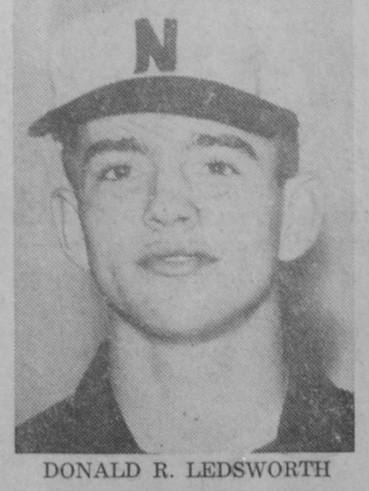

Neff also called attention to the fact that US-23 is a busy trunkline and predicted that boating activities would surpass hunting and fishing in Michigan in the next several years.

"Tawas is in a good position to reap much benefit, due to the (See BANQUET, page 10.)

DONALD R. LEDSWORTH

Funeral Services Thursday for 21-Year-Old Auto Crash Victim

Funeral services for Donald R. Ledsworth, 21, of Saginaw, formerly of Tawas City, will be held Thursday at Zion Lutheran Church, 2:00 p. m.

Ledsworth died Sunday night as the result of an auto accident in Saginaw County. Returning from a week-end trip to Tawas City, he was pinned in a roadside ditch after a two-car collision.

The son of Mr. and Mrs. Raymond Ledsworth of Tawas City, he suffered only minor injuries in the crash. Investigators said death was due to drowning.

Born November 15, 1939, at Detroit, he moved here with his family in 1946. He was a member of Zion Lutheran Church.

He was a 1957 graduate of Tawas Area High School and participated in football and other sports. He attended Northern Michigan College at Marquette for three years.

He had spent the last eight months training as an apprentice mortician at the Cederberg Funeral Home, Saginaw.

Survivors include, besides his parents, one brother, Pfc. Dennis Ledsworth, Fort Lewis, Washington; one sister, Doreen, at home; his grandparents; several aunts and uncles.

The body will be at Jacques Funeral Home, Tawas City, from 1:00 p. m. Wednesday until 12:00 noon Thursday. The body will lie in state at Zion Lutheran Church until the time of funeral services. The Rev. Walter Pieper will officiate at services. Burial will be in Tawas City Cemetery.

I pledge allegiance to the flag of the United States of America and to the republic for which it stands; one nation, under God, indivisible, with liberty and justice for all.

Rev. Grant Lapham Will be Installed Sunday, May 28

The Rev. Grant Lapham, 34, will be installed as the new pastor of Hemlock and Reno Baptist Churches Sunday, May 28.

The Rev. James Burgess of the Michigan Baptist Convention, Lansing, will bring the message for installation, which will be held at the Hemlock church, 2:30 p. m.

Mr. Lapham has been preaching here since the middle of April. He, his wife, Geraldine, and two daughters make their home at the Reno church parsonage.

A native of Detroit and a 1945 graduate of Mackenzie High School, he served in Germany for three years as a member of the United States Army.

After returning from military service, he enrolled in the Detroit Business Institute and graduated in 1949. Deciding on a ministerial career, he attended Columbia Bible College, South Carolina, where he received his bachelor degree in 1954.

Mr. Lapham received his bachelor of divinity degree from the Conservative Baptist Theological Seminary, Denver, Colorado, in 1957.

He then returned to Detroit where he became assistant pastor in his home church until May 1958. After working with the Sudar Interior Mission at New York City for two years, he returned to Detroit where he was employed by the Williams Business Service until coming here.

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room

Read II Corinthians 4:1-7

We have this treasure in earthen vessels, that the excellency of the power may be of God and not of us. (II Corinthians 4:7.)

In the little country church where I worship each Sunday morning is an old manually-powered pipe organ, no longer used in our services. To the right of this organ is a small door, just large enough for a person to squeeze through.

For years, the organ boy entered there to pump air into the bellows during the worship services. It was his duty to keep the bellows full of air so that the organist could produce the power and beauty of sacred music.

During the services, I find my thoughts wandering to that little door and to the organ boy. They remind me that if we are to live to the fullest, we must let the Holy Spirit enter our hearts to give us power, even as He gave it to the disciples on the Day of Pentecost when He came as a night's rushing wind. It is through Him that we find our faith renewed and guidance given to bring harmony to our needy world.

PRAYER

Our Father, we thank Thee that Thou hast taught us how to pray, alone, without repetition and in faith believing. We thank Thee that through Christ Thou hast given us the perfect prayer: "Our Father who art in heaven . . . Amen."

THOUGHT FOR THE DAY

The Holy Spirit makes possible the heavenly harmonies heard in a discordant world. Bertha S. Armstrong, social worker, New York.

CHRISTIAN SCIENCE—

How individual rights are defended through spiritual perception of God's complete power and wisdom will be brought out at Christian Science churches this Sunday.

Keynoting the lesson-sermon entitled "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" is the Golden Text from Proverbs (21): "There is no wisdom nor understanding nor counsel against the Lord."

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (pp. 234, 235): "Evil thoughts and aims reach no farther and do no more harm than one's belief permits. Evil thoughts, lusts and malicious purposes cannot go forth, like wandering pollen, from one human mind to another, finding unsuspected lodgment, if virtue and truth build a strong defence."

From the Bible will be read these verses from I Peter (5): "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: Whom resist steadfast in the faith, knowing that the same afflictions are accomplished in you brethren that are in the world."

Elementary French Course Offered to Children and Adults

A free elementary French course for children of grade four and up will be offered at Tawas Area High School starting June 16 and lasting until Labor Day. A course will also be offered to adults.

Mrs. Mischa Krumm, a graduate of Academic Ronsard and French Institute, will be the instructor.

Enrollment should be made before May 26 and a fee of \$1.50 for children and \$2.50 for adults should be deposited immediately for the cost of books that are to be ordered.

School children may contact Miss Clara Bolen, principal, at the elementary school in East Tawas. Adults may call Mrs. Krumm, F0rest 2-5355.

Mrs. Krumm is sponsored by the French Embassy from New York and Washington. The French Cultural Service is supplying magazines, books and newspapers, which will be available free to any adults interested in the course.

Hours for instruction will be Wednesday evenings, 7 to 8 o'clock and 8 to 9 o'clock; Thursday mornings, 9 to 10 o'clock and 10 to 11 o'clock.

Concert Association Conducting Annual Membership Drive

Alpena Community Concert Association will conduct its annual membership campaign May 22-27. The association is organized on a membership basis assuring concerts of high caliber without the risk of random ticket buying.

Membership entitles one to attend all four concerts during the

season without additional expense. This membership is obtainable only during the May 22-27 campaign and all are invited to join.

Already announced as attractions for next season, are the 20-member Chicago Little Symphony under the direction of Thor Johnson and Myra Kinch and company in a dance revue, "The Light Fantastic." The other two concerts will be selected immediately after the campaign closes.

Information and memberships may be obtained at campaign headquarters at Werner Appliance, 118 West Washington Avenue, Alpena, or through campaign workers. Among workers in the Tawas area are Mrs. Herbert Hertzler and Norman Salsbery, a member of the association board of directors.

Sixth High Scorer on CMU Track Team

Bill Grebe, a junior at Central Michigan University, is sixth high scorer on the Chip track team. In the four meets thus far in this spring, Grebe has totaled 23 points.

The one and two-mile distance runner is the son of Mr. and Mrs. William Grebe, South US-23.

CIVIL SERVICE COMMISSION ANNOUNCES JOB OPENINGS

Open competitive examinations for the state's mental hospitals, training schools for handicapped and for boys' supervisors and housemothers for the Boys Vocational School at Lansing have been announced by the Michigan Civil Service Commission.

Practical nurse positions are located at the School for the Blind at Lansing and mental hospitals throughout the state. There are 46 such positions in the state service with one current vacancy.

Minimum qualifications for applicants are six months of experience as a licensed practical nurse and possession of a license as a practical nurse in Michigan.

Applications must be received by the Michigan Civil Service Commission no later than June 5. Husband and wife teams are required of applicants for the boys supervisor and housemother positions in the Boys Vocational School at Lansing.

Minimum qualifications also require applicants to be 30 years of age but no more than 60 and desirable qualifications include graduation from high school. The examination will include a written test and oral interview for those successful on the written examination. Employees in these classes have joint charge of a group of boys in cottages at the school.

Application forms may be obtained from the Civil Service Commission, Lansing, or the Michigan Employment Security branch offices and should be mailed to the Michigan Civil Service Commission, Lansing.

100 Years Ago This Week...in THE CIVIL WAR

(Events exactly 100 years ago this week in the Civil War—told in the language and style of today.)

Col. Elmer Ellsworth Dies at Alexandria Famed Young Officer's Death Is First in Union Forces

ALEXANDRIA, Va.—May 24—Col. Elmer Ephraim Ellsworth, commanding the famed Fire Zouaves, was shot to death today after Union forces streamed into Alexandria.

Ellsworth was slain by a hotel keeper, James W. Jackson, owner of the Marshall House, after the colorful Union officer removed the Confederate flag from the roof of the building.

The death of Ellsworth, a protégé of President Lincoln, was the first of a Union officer since the beginning of hostilities.

His slayer was killed instantly by Corp. Frank Brownell, who was with Ellsworth when Jackson hurled himself at them in the stairway of the hotel.

Brownell said he shot Jackson at once.

According to Brownell, Jackson jumped out of nowhere, shotgun in hand, and emptied it into Ellsworth's breast.

Ironically, Ellsworth's death came after the city he was supposed to capture had been evacuated by Confederate troops.

Infantry, cavalry and engineer forces had crossed the Potomac to advance on Alexandria, as part of a move to defend the hills on the approaches to Washington.

Ellsworth's unit floated down by boat and landed—only to find the 500-man Confederate defense force had evacuated.

AS IF MIFFED by the absence of an enemy, Ellsworth spotted the Stars and Bars flying from the Marshall House rooftop, and went after it.

He had won the city, but lost his life for a flag.

Plans were being made to ship Ellsworth's body to Mechanicsburg, N.Y., the home of his parents, for burial.

ELLSWORTH was the most widely-known young officer in the Union Army.

He was a pet of former President Buchanan as well as of President Lincoln.

Dynamic, sharp-tongued, flashy and hard as nails, the young colonel had crowded decades of living into his 24 years.

His association with Mr. Lincoln began in Springfield, when Mr. Lincoln was practicing law there. At Mr. Lincoln's request, Ellsworth went to the Illinois capital from Chicago, where he had been working as an office clerk. He headquartered himself in the Lincoln-Herdon law office and, stumped the state for his patron.

WAFB Highlights . . .

News reprinted from the Wurtsmith Air Force Base, Oscoda, official newspaper, "THE AERIE."

LT. COL. M. C. MORPHEW JR., commander of the 445th Fighter Interceptor Squadron, congratulates TSgt Ronald C. Legstra, left, and SSgt Howell W. Samuels, right, after presenting them with their Management Suggestion Awards.

853rd Medics Take Over New Base Hospital

While the arrival and christening of the B-52H Stratofortress gathered in all of the limelight last week, members of the 853rd Medical Group were busy moving into Wurtsmith's new hospital which is now ready for use.

After programing, planning, designing and constructing for nearly four years, the new building, which provides over 50,000 square feet of additional facilities of permanent construction to the base, is operational. The new building, which cost slightly over \$1,811,000, was constructed by the Beacon Construction Company of Boston, Massachusetts, under the supervision of the Corps of Engineers, United States Army, represented on the site by Robert Frank, and the office of the Ohio River Region Civil Engineer, Cincinnati, Ohio.

The building is completely air-conditioned with emergency electric power generators in case of a power failure. The controls for the equipment which are very complex will be maintained by the Civil Engineering Squadron.

While known technically as a 50-bed hospital, there are other criteria which effect this rating. There are 54 hospital beds and cribs set up in the hospital at present. There is space and equipment which can increase this to 75 beds in an emergency.

Technically, the Air Force has requested that even though the building is occupied before July 1, that it not be classified as a hospital until July 1, 1961. This will not effect the medical service provided for the base community.

Despite the fact that the building is a hospital building, the objective of the USAF Medical Service remains to maintain the highest possible degree of combat readiness and effectiveness of the Air Force. This means that preventive medicine and treatment in the clinic rather than hospitalization is the objective.

The constructed space provides for 10 dental operating rooms and 50 hospital beds with full ancillary support such as X-ray, laboratory, pharmacy and food service.

The medical resources of Wurtsmith will continue to be under the control of the 853rd Medical Group under the command of Maj. Herbert A. Hibben. The Medical Group is authorized 34 officers including 10 physicians, seven dentists and nine nurses.

The group is allotted 21 civilian personnel and 103 airmen. It provides clinical medicine services through the AF Clinic, the nursing service, laboratory, X-ray and pharmacy. It also provides dental services and medical administrative services which include the operations of a medical supply account, the hospital food service, a business office and a housekeeping unit. The Aerospace Medicine Directorate provides aerospace medicine services in care of the flyer, veterinary medicine service, preventive medicine and health engineering services.

The present plans are that the clinic will continue to function under the appointment system. The obstetrical service will be organized on July 1 upon the arrival of Dr. Messer though it is not foreseen that deliveries will be probable before January 1, 1962.

445th Airmen are Standouts

Koppenall is Sq. 'Airman of Month'

A2c Richard A. Koppenall of the 445th Fighter Interceptor Squadron was selected as his squadron's "Airman of the Month" for April.

Koppenall is the main debriefer for the Communications-Navigation Section and his performance in this job has resulted in that section being able to quickly locate and correct malfunctions. The manner in which he picked up troubleshooting methods on the Time Division Data Link System demonstrated his outstanding ability to learn.

Koppenall has applied for Air Cadets and passed all the requirements. Presently he is enrolled in an ECI course on Electronics Fundamentals and is taking college trigonometry through Central Michigan University.

In a letter from his commander, Lt. Col. M. C. Morpew Jr., he was cited for his courtesy, military bearing, personal appearance, cooperative attitude on and off the job.

'Maintenance Man of the Month' for April.

As a GAR Missile and Weapons System Evaluator Missile checkout mechanic, he demonstrated a wide technical knowledge and outstanding ability to troubleshoot and repair.

In a most exacting of jobs, he has displayed a high caliber of skill in locating sources of failure even without seven-level supervision. Recently, he discovered a broken fuse connector plug retaining base which many other troubleshooters would have overlooked.

In a letter from his commander, Lt. Col. M. C. Morpew Jr., he was cited for his resourcefulness and energy in accomplishing his mission.

Base Upgrading Requirement Met

TSgt Norm Lehman, NCOIC of the base Individual Proficiency Training Section, announced that Wurtsmith attained its upgrading quota of 61 personnel for the month of April.

This is one-third of the quarterly requirement needed under the Management Control System. In order to reach a maximum score under the MCS for this quarter, this figure will have to be met again this month and in June.

Marcotte Cited for Troubleshooting Skill

Two Sgts Awarded Cash for Military Suggestions

TSgt Ronald C. Legstra and S-Sgt Howell W. Samuels of the 445th Fighter Interceptor Squadron were two of nine 30th Air Division (ADC) personnel to receive checks for Military Suggestion Awards last week.

Sergeant Legstra was given a check for \$10 for his suggestion of wearing a safety belt while washing aircraft.

Sergeant Legstra entered the Air Force in 1947 and arrived at Wurtsmith in 1954. He is married with one child.

Sergeant Samuels received a check for \$40 for devising a bulb stage case for F-101 aircraft.

Arriving at Wurtsmith in February 1960, Sergeant Samuels entered the Air Force in 1952. He is married with two children.

The building is completely air-conditioned with emergency electric power generators in case of a power failure. The controls for the equipment which are very complex will be maintained by the Civil Engineering Squadron.

While known technically as a 50-bed hospital, there are other criteria which effect this rating. There are 54 hospital beds and cribs set up in the hospital at present. There is space and equipment which can increase this to 75 beds in an emergency.

Technically, the Air Force has requested that even though the building is occupied before July 1, that it not be classified as a hospital until July 1, 1961. This will not effect the medical service provided for the base community.

Despite the fact that the building is a hospital building, the objective of the USAF Medical Service remains to maintain the highest possible degree of combat readiness and effectiveness of the Air Force. This means that preventive medicine and treatment in the clinic rather than hospitalization is the objective.

The constructed space provides for 10 dental operating rooms and 50 hospital beds with full ancillary support such as X-ray, laboratory, pharmacy and food service.

The medical resources of Wurtsmith will continue to be under the control of the 853rd Medical Group under the command of Maj. Herbert A. Hibben. The Medical Group is authorized 34 officers including 10 physicians, seven dentists and nine nurses.

The group is allotted 21 civilian personnel and 103 airmen. It provides clinical medicine services through the AF Clinic, the nursing service, laboratory, X-ray and pharmacy. It also provides dental services and medical administrative services which include the operations of a medical supply account, the hospital food service, a business office and a housekeeping unit. The Aerospace Medicine Directorate provides aerospace medicine services in care of the flyer, veterinary medicine service, preventive medicine and health engineering services.

The present plans are that the clinic will continue to function under the appointment system. The obstetrical service will be organized on July 1 upon the arrival of Dr. Messer though it is not foreseen that deliveries will be probable before January 1, 1962.

Shell test drivers add a "fifth wheel" to their cars for precise distance measurement during mileage tests. It helps them record performance to a decimal point.

Shell reveals how to increase your mileage up to 30 extra miles per tankful

Here are some tips from Shell's experts on how to get maximum mileage from your car. If you practice these good driving habits—and if you use today's Super Shell, with 9 ingredients for top performance—you may well save a pretty penny on gasoline bills.

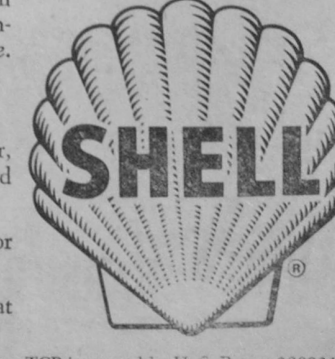

- 1. Don't race a cold engine.** When your engine is cold, it uses up more fuel. Today's Super Shell contains Pentane mix—for fast warm-up. (A properly operating thermostat helps.)
- 2. Use a light touch with the accelerator.** Topping down on the pedal is an expensive habit. Starting up, it holds your automatic transmission in a lower "gear" longer. This makes the engine turn faster, wasting fuel. Under way, uneven pedal pressure is costly, too. Instead, feed just enough fuel to maintain even speed.
- 3. Drive "ahead of your car."** Watch for slowing traffic and red lights as far ahead as you can see. You'll be able to coast up to the stopping cars, instead of braking heavily when you get there.
- 4. Don't let fuel costs creep up.** If your car "creeps" when idling

- with the automatic transmission engaged, have your engine idle speed adjusted. You may save plenty.
- 5. Don't indulge in jack rabbit starts.** Racing starts are fine on race tracks—but the drivers are lucky to get 6 miles per gallon. NOTE: One thing you can't do anything about is the weather. Yet it's interesting to know that air resistance at high car speed is the biggest single drain on power. It increases approximately as the cube of the vehicle speed. Even fog tails on aerials may cost you gasoline.
- 6. Check tire pressure—regularly.** Keep tires properly inflated. Under-inflated tires increase drag and friction and cut mileage. Not to mention extra tread wear. NOTE: Tire pressures build up during a long run. Don't let air

- out to bring the pressure down—it makes the tires run even hotter. Check cool tires only.
- 7. Check for dragging brakes.** Have your Shell dealer check for wheel drag next time you're in for a lubrication. If brakes drag, you pay for it every mile you drive.
- 8. Get these fuel-saving adjustments for top performance.** If spark timing is off, for example, you pay for it in wasted gasoline and possible engine damage. Have the compression checked—it can reveal power-wasting valve and ring conditions. Use Super Shell with TCP* to give spark plugs extra life. Replace worn plugs. Adjust carburetor for correct air-fuel mixture and proper idle speed. Have automatic choke checked for correct operation. Clean or replace filters for air,

- fuel, oil whenever manufacturer recommends. Have automatic transmission or clutch checked regularly.
- 9. Get regular oil changes and lubrication—including transmission and differential.** Your Shell dealer knows what to do. He has the finest equipment and lubricants to do it with. There's a good chance your car and your gasoline will last longer.
- 10. Show this advertisement to everyone who drives your car—especially if you pay their gasoline bills.** Insist that they stop for service at the sign of the Shell. While we can't guarantee 30 extra miles per tankful, the closer these suggestions are followed the better your mileage is likely to get. To start off right, fill up with today's Super Shell. Its nine ingredients mean top performance.

- #4** is Alkylate, noted for knock control in hot engines at high speeds.
- #5** is anti-knock mix for knock resistance.
- #6** is an "anti-icer" to check the cold-weather stalling that can occur even at 45° F.
- #7** is Pentane mix for fast warm-ups.
- #8** is gum preventive—to help keep carburetors clean inside.
- #9** is Platformate—to add the extra energy that shows up as extra mileage. Try Super Shell. You'll soon feel and hear the difference in the way your engine runs. That difference is top performance. A Bulletin from Shell Research—where 1,997 scientists are working to make your car go better and better.

Will Conduct New England Literary Travel Course

Central Michigan University will conduct two New England literature travel-study courses this summer, one from June 11 to 25 and the second from July 9 to 23.

Highlights of the course include a visit to Cape Cod; the "Old Man in the Mountain," now held together by steel cables because of deterioration; a lecture at the museum at Pittsfield; Sleepy Hollow Cemetery at Concord, and Thoreau's Forest and Walden Pond. Some of the historical monuments, many of which have already been destroyed by age, may perhaps be seen for the last time.

The course may be taken with or without credit. Requirements are that students be admitted to Central as regular or guest matriculants and that they do selected readings relative to authors who lived in and or wrote about the New England states. The cost, \$149, covers all college fees and tuition for three semester hours credit, transportation via the CMU bus, lodging, tips and gratuities. The only other cost will be meals and tourist bait.

Space is still available in both courses. To obtain enrollment materials and reading lists, interested persons should contact Field Services, Central Michigan University, Mt. Pleasant.

OES MEMBERS ATTEND SAGINAW CHAPTER MEETING

Eighteen members of Tawas City Chapter No. 303, Order of Eastern Star, attended a meeting and dinner at Salina Chapter No. 439, Saginaw, on Monday, May 15.

Mrs. Fred Blust of Tawas City, mother of Mrs. Dorothy Bankert of Saginaw, worthy matron, was honored as being the worthy matron's mother.

Marriage Announced

Mr. and Mrs. George McDonald of Dearborn announce the marriage of their daughter, Janet, to Nelson Ulman Jr., son of Mr. and Mrs. Nelson Ulman Sr. of Tawas City, on May 13 at the Tawas City Methodist Church with the Rev. Ralph Edwards officiating.

Mrs. JoAnn Price of Dearborn and Dwayne Ulman of Tawas City served as attendants.

A reception was held at the McIvor Union Hall.

PAST MATRONS GUESTS AT CHICKEN DINNER THURSDAY

At the Masonic Temple Thursday evening, past matrons of Iosco Chapter, OES, entertained Tawas City past matrons at a planned chicken dinner and program following. Table decorations were bouquets of forsythia and jonquils.

The invocation was given by Mrs. Kate Evans. After the dinner, Mrs. Jessie Miller, president of the East Tawas Past Matrons Club, gave a welcome address. The response was given by Mrs. Lois Giddings, president of Tawas City Past Matrons Club.

A community sing of old-fashioned songs was led by Mrs. Jean Blake with Mrs. Lula Colby at the piano. Miss Ruby Evans favored with two vocal selections, "O What a Beautiful Morning" and "An Irish Lullaby." Mrs. Jean Blake gave a humorous monologue depicting a woman's busy morning taken up with a telephone conversation.

The dinner committee of the hostess club was Mrs. Vergil Butler, Mrs. Ada Freeland and Mrs. Marian Rose. Committees on program and decorations were Mrs. Violet Small, Mrs. Marie Hennigar and Mrs. Jean Blake.

MOTHERS REGISTER FOR U of M GUIDANCE COURSE

Twenty-four mothers registered May 18 for the University of Michigan extension course, "Understanding Our Normal Children," taught by Belle Farley Murray. The course runs for four weeks, 1:00-3:00 p. m. Wednesdays, at the Federal Building, East Tawas. A nursery at the Methodist Church is being supplied by PTA for children of mothers taking the class. The registration fee for all mothers is \$3. The first class gave basic information.

Mrs. Murray talked on what makes children act the way they do and discussed how children grow. "The purpose of the course," she said, "is better understanding so that we can live happily with our children and enjoy each stage of growth." Her illustrations were drawn from life and added humor and insight to the problems discussed. She asked for specific questions the mothers would like answered. These she will classify and discuss in the next three weeks.

There is room for a few more mothers. Anyone interested may call Mrs. D. A. Evans immediately.

Standing in back are Mrs. Raymond LeViere, secretary; Mrs. Charles Schreck, treasurer, and Mrs. Proctor. About 40 persons attended the luncheon.—Tawas Herald Photo.

Literary Club Holds Annual Spring Luncheon

Ladies Literary Club of East Tawas held the annual spring luncheon at the Holland Hotel Wednesday, May 17.

Hostesses were Mrs. Victor Marzinski and Mrs. Roy Sims.

Thirty-three members and five guests were present with Mrs. Robert Richter, club president, presiding. Table decorations were in the club colors of pink and white. Floral centerpiece was an arrangement of pink chrysanthemums and white gladioli. Pink candles were also used.

Officers wore corsages of pink carnations.

Mrs. Rex Kochenderfer, music chairman, presented vocal selections by Mrs. Donna Martin, accompanied by Mrs. Kochenderfer, and piano selections by Miss Lynda Wight.

New officers were installed by Mrs. Richter, assisted by Mrs. C. S. Everett, past president and president of the Past Presidents Club.

Honored With Testimonial Dinner

A testimonial dinner was held at the Holland Hotel last Saturday night in honor of Mrs. Dorothy Harmon, fourth zone vice president of the Department of Michigan, American Legion Auxiliary. Visitors were present from the ninth, 10th and lower 11th districts.

Tables were decorated with bouquets of red and white carnations, large decorated wooden shoes filled with red tulips and candelabra holding blue and white tapers.

A reception and registration of guests preceded the banquet with Mrs. Grace Miller of Tawas City unit and Mrs. Maude Westcott of the East Tawas unit presiding over the guest book and registration.

Master of ceremonies was Roy McMurray. The national anthem led by Thomas King of Oscoda was sung followed by invocation by Ron Smith of Midland, 10th district chaplain.

After the dinner, Miss Helen Applin, general chairman, introduced the master of ceremonies.

A greeting was given by C. V. Miller, mayor of East Tawas. He pointed out the many advantages and program of the year's activities and scenic beauty of East Tawas in his address.

Mrs. Ada Freeland, local unit president of the American Legion Auxiliary, gave a welcome. Gerald Spencer, representing the local post as vice commander, gave greetings from the post.

Mr. McMurray introduced the following guests of the American Legion: Jennings LaMarr of Alpena, fourth zone vice commander; Louis Eager, alternate committeeman of the 10th district chaplain, and Ed Smith of St. Helen, candidate for fourth zone vice commander.

Miss Applin introduced guests of the American Legion Auxiliary: Mrs. Harmon, who introduced her family; 10th district president, Mrs. Marcella Gwizdala of Bay City, and Mrs. T. M. O'Loughlin, who helped her at department meetings.

Miss Applin introduced Mrs. Jennings LaMaar of Alpena, past zone vice president, and Mrs. Theresa Calkins and daughter, representing the ninth district from Cadillac. She also introduced Mrs. Caroline Schlamb of Oscoda, who gave several readings of interest to the American Legion.

Committees on arrangements were Miss Applin, program chairman; Mrs. Nell King and Mrs. Marian Rose, arrangements and decorations; Mrs. Miller and Mrs. Westcott, registration.

Dancing followed the evening's program.

THREE TAWAS P-TA MEMBERS ATTEND BAY CITY MEETING

Three members of Tawas Area P-TA attended District XII P-TA meeting at Bay City May 17. Mrs. C. B. Cox and Mrs. John Pitts attended the afternoon workshop and dinner discussions. Mrs. D. A. Evans joined them for the evening symposium on television classrooms.

Both the advantages and disadvantages of television teaching were pointed out and discussed. Buzz groups presented questions from the floor.

WOMAN'S BOWLING ASSOC. HOLDS ANNUAL MEETING

Tawas Area Woman's Bowling Association will hold its annual meeting Thursday, May 25, 8:00 p. m., at the Barnes Hotel.

CLYDE SOPER NEW TA P-TA PRESIDENT

Preceding the May Tawas Area P-TA meeting, at the executive board session, Mrs. D. A. Evans reported she would not be able to serve the second year as president and Clyde Soper, father vice president, was elected to fill the vacancy for 1961-62.

Mrs. Richard Harwood reported a balance on hand of \$186.16. Mrs. Charles Fairfield's membership report showed 417 members, 11 with perfect attendance, 20 missing only one meeting, 24 missing two. Over one-third of the membership is men.

Mrs. John Pitts reported that working with civil defense and VFW, identification tags were sold through the school.

Mrs. Raymond LeViere reported the executive board recommendation that letters of thanks be sent from the P-TA to the local newspapers for their cooperation throughout the year, also to committee chairmen and others who helped. It was voted by the membership that this be done.

The Rev. Ralph Edwards gave an admonition to parents following the tribute to teachers from the P-TA Magazine.

Mrs. Charles Lemon briefed the parents on the recreational facilities available in this area for their children during the summer months.

William Shumate reported from the P-TA architect's committee and Leonard Sarki from the Tawas Area Board of Education.

Installed by Mrs. Evans were the newly-elected mother vice president, Mrs. C. B. Cox, and treasurer, Vernon Hughes.

The program, introduced by Mrs. George Prescott, was on IQ, talent and testing. It was handled by Miss Clara Bolen, assisted by Thomas Pinkowski. Audio-visual material was used with a correlated pamphlet. Questions were asked by the parents and discussed.

IOSCO CHAPTER, OES HOLDS SPECIAL MEETING

A special meeting was held at Iosco Chapter, Order of Eastern Star, at the Masonic Temple Friday evening with Mrs. Dorothy Sutton, worthy matron, in charge. Visitors representing the following chapters were present: Whittemore, Pine Tree of Oscoda, Electa of Holly, Grace of Omer, Tawas City, Martha Washington of Saginaw.

Honored guests present were Nyda Bronson, grand counselor; Elmer Freeland, vice president of the AIA; Ruby Evans, past grand; Martha; Roy Badger, worthy patron of Pine Tree Chapter, Oscoda.

Initiation of two candidates took place with Miss Evans singing a solo, "Song of the Sower." Accompanist was Mrs. Helen Hertzler. Special parts were taken by Mrs. Edna Pitts and Mr. Freeland. Presented to new members were bouquets of carnations in Star point colors, gifts from their husbands and the chapter.

Mrs. Jessie Miller was presented with an honorary membership certificate from Iosco Chapter.

Announcements were made of Rainbow for Girls installation, May 25; friends night at Rose City, June 9; friends night at Lincoln, June 7, and guest night at Whittemore, June 1.

Refreshments were served after the meeting by the following committee: Mrs. Sylvia Barth, Mrs. Florence Roseberry, Mrs. Esther Sherbine, Mrs. Mary Blake, Mrs. Ada Freeland and Mrs. Neva Moffatt.

The table setting was in yellow and blue with a centerpiece of yellow daffodils, yellow and orange tulips and forsythia interspersed with pussy willows. Four blue candles surrounded the centerpiece.

GIRL SCOUT CARD PARTY TO BE STAGED TONIGHT

A magazine rack door prize will feature the May 24 card party sponsored by Tawas City Junior High Girl Scout Troop No. 1. This party will begin at 8:00 p. m. at the Tawas City VFW Hall.

Third Win Posted by Tawas Area JV; Defeat AuGres, 11-7

Tawas Area Junior Varsity baseball team won its third game of the season last Wednesday by defeating the AuGres Varsity, 11-7.

Dick Doak, winning pitcher, allowed eight hits and struck out eight.

Randy DeWyse was the top hitter for Tawas, banging out three hits in four trips. Tyler Cholger had a bases-loaded double.

Only loss suffered by the team was to the Hale Varsity a week ago, 4-2.

BOB'S GOSSIP COLUMN

Did you hear about Marge Muckracker? She stopped at Bargaintown the other day. Just looking she said, but she found a chair that was so comfy she fell asleep in it. Poor Marge, she's so over-worked—at what I don't know as Harry, that's her hubby, got her a new RCA Whirlpool Washer-Dryer, Bambi vacuum and dishwasher, all of them on Bargaintown's low easy monthly payments and no money down.

I stopped at Bargaintown the other day, myself, and I think Stan has FLIPPED his lid! He is selling long-play STEREO records for a dollar ninety-nine and they're new. Well, it's time for sign off as the Bargaintown truck is pulling in to the drive to deliver our new sectional—it's that wild white one.

OH, YES, why don't you stop in at Bargaintown. They're only 20 short miles south of WAFB.

Braves Lose in Tourney; Meet Lakers Today

Tawas Area's nine-game winning streak finally came to an end Saturday and the Braves were eliminated in the Mt. Pleasant Invitational baseball tournament.

Actually sporting a 28-game streak compiled over the last three years, the Braves were defeated by Grand Blanc, 4-3. The winners went on to become tournament champions by defeating Big Rapids, 11-7.

After posting his second no-hitter of the season against Pinconning last Tuesday, Heron Rollin of Tawas was again in good form on the mound, allowing only two hits. He struck out eight and walked two.

Six errors by Tawas figured in the scoring by Grand Blanc and proved to be the Braves' downfall.

Tawas batters collected a total of six hits off three opposing pitchers, but failed to connect in the key run-scoring situations.

Grand Blanc took a two-run lead in the second inning when, after the lead-off man grounded out, Starnes was safe at first on an infield error. Merrill walked and Makee struck out. Hampton singled to score both runs.

Tawas bounced back in its half of the third by scoring three runs. Werth led off with a single. LeViere walked. Campbell hit a long drive to center which was pulled in for the first out. Rollin tripled, Werth and LeViere scoring ahead of him. When the ball was overthrown home plate, Rollin scored. John Sass' long drive to center was turned into the second out. Pasch singled and Eppert was an infield out.

Grand Blanc scored the winning run in the third inning without getting the ball out of the infield. Foran reached first safely when Rollin deflected his tap back to the mound and when Lear's throw was wide at first, Foran moved to second. Ray bunted the runner to third. Hall bounced back to Rollin and Foran scored when the ball was fumbled. Gillespie walked. Starnes struck out. Merrill hit a ground ball to LeViere which went for an error and Hall scored the winning run. Makee struck out.

Tawas left eight men on base during the game and had scoring opportunities in the fifth, sixth and seventh innings.

Tawas is scheduled to meet Houghton Lake Wednesday afternoon (today) to decide the Northeastern Michigan Conference. Both teams are divisional winners. The game is to be played at West Branch starting at 4 o'clock.

STATE POLICE INCREASE MEMORIAL DAY PATROLS

With motorists converging on Michigan highways during the extended Memorial Day period, the first major holiday of the warm weather season, the state police have scheduled increased traffic patrols from noon Friday, May 26, to midnight Tuesday, May 30.

They will be assisted by 106 National Guardsmen from 1:00 p. m. to 11:00 p. m. on Monday and Tuesday, May 29 and 30, as second men on two-man patrols and on point control. Another 98 guardsmen will aid sheriff departments.

State police detectives will be used on desk assignments to relieve officers for additional patrols and pass days are canceled for Monday and Tuesday.

Patrol shifts will be lengthened from eight to 10 hours and assigned generally to the state trunkline system with special attention to high accident areas.

Weather permitting, radar speed meters will be in service from 8:00 a. m. to 5:00 p. m. in high accident areas and department planes will aid in directing motorists to accident sites or to highway sections with unusual congestion.

The Memorial week-end last year claimed 21 lives in 17 fatal accidents, an average of one death every three hours and 43 minutes. The rate was much worse than that of the average of one fatality each four hours and 16 minutes for the Memorial holiday periods in the seven years of 1953-59.

Buddy Poppies Give Aid to Disabled and Needy Veterans

"Immediate aid to disabled and needy veterans and their dependents is just one of the many uses to be made of proceeds from the annual sale of Buddy Poppies to be sponsored May 25 through 27 by Veterans of Foreign Wars Post No. 5678," Commander Vernon Hill said today.

"Another important use of Buddy Poppy funds is the VFW Rehabilitation Service, through which VFW service officers assist veterans in adjudication of claims for compensation, pension and other benefits from the Veterans Administration," Commander Hill pointed out.

"Millions of Buddy Poppies sold throughout the nation this year will help solve the problem of rehabilitation and useful citizenship for those who sacrificed the most to preserve our country.

"Our service officers are familiar with government benefits for veterans and their dependents. They furnish expert advice and counsel free of charge when given power of attorney. Unsmiling of insurance claims, helping survivors obtain terminal leave pay when the veteran dies and all other cases of veterans rights have increased tremendously since World War II and the Korean conflict.

"We feel that every loyal American will want to do his part to make life easier for those who gave so much. They will have that chance on May 25-27 when Buddy Poppies go on sale here in Iosco County," Commander Hill declared.

Big 7th Gives Tawas City 5-1 Win Sunday

A four-run outburst in the seventh inning spelled the margin of victory Sunday for Tawas City as the Indies defeated Comins, 5-1.

Going into that inning, the locals had trailed Comins, 1-0, on the strength of the latter's only run of the game which came in the first inning.

Tawas City had scoring opportunities in every inning except the fourth but were never able to score until the seventh.

Jerry Potts, winning pitcher for Tawas City, retired Comins in order in four of the remaining eight innings and had little trouble in the others, registering four strike outs and walking only two batters. He allowed four hits over the nine innings.

Tawas City batters collected eight hits off L. Smith, Comins pitcher. Three batters, Larry Frank, Jerry Grack and Orville Revord, connected for two hits.

Only two Tawas players hit for extra bases, but both came in the same inning. Frank and Lee Herriman connected for two-baggers in the seventh.

This Sunday, Tawas City plays at Prescott.

MEDALS PRESENTED TO ESSAY CONTEST WINNERS

Members and friends of Glen Staley Post, American Legion, and its ladies auxiliary enjoyed a pot-luck supper Wednesday evening, May 17, at the American Legion Hall, Hale. The evening had a three-fold program.

Medals were presented to the three winners of the American Legion Auxiliary Americanism essay contest held at the Hale Area High School. They were Linda Wyatt, Linda Chrvia and Patricia Smith, who were accompanied by their mothers. Mr. Chrvia was also present.

Two birthday cakes were added to the festive occasion, honoring the birthdays of Past Commander Edwin Sharp and Mrs. Arlon VanHouten, unit treasurer.

Following introduction of guests and a short social time, regular business meetings of the post and auxiliary were called to order.

The organization completed plans for the annual Memorial Day ceremonies.

William Morris, a teacher at the Hale Area School, spoke to auxiliary members on "What you can do to provide activities for teenagers." Mr. Morris cited many ways that this group or any civic-minded group could help in setting up a program of creative entertainment giving good leadership and aiding these young people in developing their many talents. He stated that the greatest need is not so much fun entertainment as it is in finding leadership and outlets for creative and useful activities.

Plans were completed for the Poppy Day sales. All members who are physically able to do so volunteered to help on this worthwhile effort. The American Legion poppy is made by hospitalized veterans. They are paid a small amount for each poppy which aids them in a financial way and is good therapy. The money contributed by the generous public also helps to care for the welfare and rehabilitation of the veterans and their families who live in your own community. Poppy distributors will be on the streets and canvassing the area beginning early on Thursday morning, May 25.

The ladies auxiliary voted to send a contribution to the American Cancer Society.

Mrs. Robert Pember reported on activities of the two Brownie Scout Troops and asked for assistance in leadership. Mrs. Donald Goodrow reported on girl scout activities and also requested more assistance from adult leaders. Mrs. Ray Hendrickson, Mrs. Frank Wells, Mrs. Frank Doing, Mrs. Neil Bell and Mrs. Edwin Sharp volunteered to assist the scout and brownie leaders in their work.

This group of girls has increased in number greatly since formation and has accomplished a great deal in the field of scouting. The scouts are sponsored by Glen Staley Unit No. 422, American Legion Auxiliary.

MRS. GRACE MILLER SPEAKS AT 'GOLDEN AGERS' MEETING

About 25 members of the "Golden Agers" group met at the American Legion Building, Hale, Thursday, May 18. Robert Pember read the latest report on legislative matters pertaining to problems of the aging and then introduced Mrs. Grace Miller, Iosco County treasurer, who gave a comprehensive picture on the workings of the county treasurer's office and the story of tax levy and collection. Miss Brown, who is court stenographer, was also introduced.

An informal discussion was held on the program to be set up for the next meeting. It was decided to have a pot-luck dinner at noon June 16. At that time, anyone having copies of old songs or games, books and patterns to exchange, etc., is asked to bring them along to make the afternoon one of good fellowship and fun. Anyone interested is cordially invited to attend the meeting at the American Legion Building.

County Options Land for Proposed Medi-Care Facility

Iosco County has taken an option to purchase six acres of land west of M-55 in Tawas City as a site for the proposed county medicare facility.

The property, located in the Porterfield Addition, is owned by Joseph Barkman and E. Irwin Gauthier.

This action to secure a six-month option came by a unanimous vote of members of the board of supervisors during the one-day session last Wednesday.

Only question before a final vote on the subject was raised by Supervisor Charles Smith of Oscoda. He questioned selling the county airport site consisting of 40 acres for \$2,500 and then purchasing six acres of land for \$10,000.

Supervisor Clarence Everett pointed out that the proposed medical care site had sewer and water available and was located on M-55, which would make the property of more value than the airport site.

The board hired James A. Spence of Saginaw to prepare preliminary plans for the new facility. Cost of these plans was not to exceed \$750. Spence designed the Tawas City office of Peoples State Bank.

CLARE C. McGUIRE Graveside services for Clare C. McGuire, who died May 17, were held Saturday morning at the East Tawas Cemetery under the auspices of Audie Johnson Post, American Legion.

Mr. McGuire was found dead at his home when he failed to report for work.

Born July 26, 1897, at Owosso, the son of the late James S. and Elizabeth McGuire, he came to East Tawas with his family 50 years ago.

He had been employed by Consumers Power Company for the past 20 years.

He was a veteran of both World War I and World War II. He was a member of Audie Johnson Post, American Legion, East Tawas.

Survivors include two brothers, Austin A. McGuire, East Tawas, and James McGuire, Detroit; one sister, Mrs. Margaret Lansky, Tawas City.

Memorial Day (Continued from page 1.)

Guard Station at Tawas Point, servicemen from Wurtsmith Air Force Base, boy scouts and campfire girls.

The parade will proceed to the Michigan Waterways Commission Dock where the navy dead will be honored with a tribute and salute from the firing squad. The marchers will then proceed to the Michigan State Police Post where cars will be boarded for Greenwood Cemetery.

Program at the cemetery will commence with playing of "The Star-Spangled Banner" by the high school band. Charles Hunt, commander, and John Mielock, chaplain of Audie Johnson Post, will place a wreath on a monument honoring the nation's war dead.

Following Mr. McCreedy's address, the military dead will be honored with a salute from the firing squad and taps.

The Rev. George Krish, pastor of the Assembly of God Church, will deliver the invocation and benediction. Arthur Dillon will be parade marshal and Fred Lepard will command the firing squad.

Exchange (Continued from page 1.)

The visitors from Clare were feted at a luncheon held at the Holland Hotel.

In the afternoon, the two groups joined together to visit Wurtsmith Air Force Base, Oscoda.

Monday evening's festivities saw Mr. Paxton being a guest at the Tawas Chamber of Commerce banquet while the Clare visitors were honored at a banquet at the Holland Hotel. Attending the latter were elected city officials and employees.

Besanon, who is office manager at the East Tawas City Hall, handled arrangements for the program in that community while Buhlitz and L. G. McKay Jr. had charge of Tawas City's program.

Paxton was presented with an engraved trophy which he will present to Mayor Gilmore on his return to Kalamazoo. He also took along with him a box of cleaned Tawas Bay perch.

Legion Auxiliary Designates May 25 as Poppy Day

Jesse C. Hodder Post Unit No. 189, American Legion Auxiliary, has designated May 25 as Poppy Day. The American Legion and the American Legion Auxiliary adopted the poppy as its memorial flower. Here are some important facts about the poppy:

The Poppy Day contributions go 100 percent to welfare relief for servicemen, servicewomen and their families; the memorial poppies are made of red crepe paper, by hand, by disabled veterans in hospitals and poppy workrooms in 40 states; the workers receive pay for each poppy made, the material being furnished free by the auxiliary department in the state in which the hospital is located; the more than 25,000,000 poppies made by disabled veterans are distributed on the streets under supervision of the American Legion Auxiliary on Poppy Day, by approximately 125,000 volunteer workers who receive no compensation.

The public is given an opportunity each year to help the great work of the American Legion and American Legion Auxiliary, as well as an opportunity to pay tribute to all who died in service, by wearing a poppy on Poppy Day.

Supervisors (Continued from page 1.)

he could see no reason for confusion on the part of prospective buyers. The legal description of the land placed the property in Reno Township.

The board's drains and ditches committee met with representatives of the Iosco County Road Commission to discuss the Twining drain. Paul Harvey, who represents the commission, had recommended abandonment of the upper portion of the drain to allow for widening of the road.

This drain has been a sore spot for the county since it was constructed some years ago. Numerous circuit court hearings have been held concerning the ditch. It was stated by Harvey that it is located on the highway right-of-way.

The board approved an appropriation of \$300 to the Oscoda Park Commission to assist with work on Largo Springs. The board set aside \$125 of this money to erect a historical marker at the site.

The board expressed its appreciation to Howard Becker for his operation of Old Orchard Park, along with the board's conservation committee.

Dock (Continued from page 1.)

work on this dock will be permitted.

"This dock should never have been constructed," said Taack. He said further that "a dock of this type should never be built any place in Lake Huron."

Supervisor Charles Smith explained that the park commission most certainly could not pay the cost of removing the dock at the present time.

The township park commission has a \$4,000 budget for this year and all funds are already allocated.

Smith stated that the township would consider removing it at some future date when money is available.

On the basis of this explanation, Taack agreed that providing for the free flow of water along the shore would satisfy the department for the remainder of the year.

Representing the township at the meeting, besides Supervisor Smith, were Township Treasurer George Graham and Township Clerk Edward Tate.

LETTERS to the EDITOR

Dear Editor: We would like to alert the taxpayers of Tawas City to the following:

The city accepted a ditch 150 feet long, 16 feet wide, four feet deep with a four-foot bottom as a ditch, not knowing it was a ditch.

The Zahariases are asking the court to have part of their subdivision (Huron Gardens) vacated, including the street they platted along side of said ditch not knowing the street was in the ditch.

This change in Huron Gardens Subdivision can save the Zahariases several thousand dollars in their sewer system and save the city money in road building.

After admitting accepting the ditch as a street was an error, the city is now willing to contest in court (with the taxpayers money) and hold the ditch as a street and prevent the owners of Huron Gardens Subdivision from vacating that part of their subdivision.

The Zahariases were given specific instructions to follow in preparing their streets and followed them.

Does the city have two plans for preparing streets for subdivisions—one for the Haves and one for the Have-Nots?

QUOTA CLUB OF IOSCO OBSERVES 7th ANNIVERSARY

Quota Club of Iosco County observed its seventh anniversary banquet Monday evening, May 22, at East Tawas. Fifty-seven members and guests were present to celebrate the anniversary and also the birthday anniversary of the club's president, Miss Leonora Hass.

Mrs. Nita Grear of Tawas City, Miss Dorothy Scott and Miss Edna Otis of East Tawas, past club presidents, were also present.

Mrs. Sarah Everett, Mrs. Margaret Prescott and Miss Bessie Brown were initiated as new members.

Speaker of the evening was Mrs. Yoshika Brown, a native of Osaka, the second largest city in Japan. Mrs. Brown gave a lesson on flower arrangements and presented to the group her hobby of making Japanese dolls.

KIWANIS CLUB TO SPONSOR VEHICLE SAFETY CHECK

Tawas Kiwanis Club is sponsoring a vehicle safety check program in the Tawas area. May 21 through June 2. Vehicles will be inspected at Ottawa Equipment Company and McKay Sales Company.

A part of a nationwide program, all safety equipment on automobiles will be inspected by qualified mechanics. This will include brakes, windshield wipers, lights and other equipment in a 10-point program.

Cooperating with the Kiwanis Club in promoting the safety check is the Tawas Area Key Club.

Gene Spica and L. G. McKay Jr. are co-chairmen for the safety check program. They emphasized that it is not compulsory to check vehicles. However, many automobile accidents are caused by defective equipment and they urge all local motorists to participate.

Those automobiles which receive a successful inspection will receive a windshield sticker.

IOSCO DUO WINS MID-AMERICA CANOE RACE

Ralph Sawyer and Ed Wojahn of Oscoda and Tawas City won the first annual Mid-American Canoe Race held Sunday in Illinois. The Iosco duo completed the 22-mile course about three-quarters of an hour ahead of the second canoe.

Topic of the address will be "From the Shoulders of Giants."

Dr. Riethmiller was affiliated with Highland Park Public Schools before going to Olivet. A member of many organizations, he holds a membership in Phi Delta Kappa (national honorary educational fraternity) and is listed in "Who's Who in American Education."

In announcing the graduation week program at Tawas Area High School, Principal Ernest Jordan said that baccalaureate services would be held Sunday, June 4, at the high school auditorium. The Rev. Paul Sutton will be speaker.

An honors assembly is scheduled to be held Friday, May 26.

Masonic Fish Dinner on Memorial Day is 40th Annual Event

The annual Masonic Memorial Day fish dinner will be held at the Tawas Masonic Temple on M-55 from 11 o'clock until all are served. That usually means until 8 o'clock in the evening.

Since 1921, when the Masonic activities were moved from the Myles Building to the building in which the Barkman Outfitting is now located, the Tawas Masonic Memorial Day fish dinner has been an annual event. No matter what day of the week, people especially from Detroit and Flint have been counted among those present.

Telephone inquiries have been received as to "You aren't going to stop the feature this year because it's on Tuesday, are you?" This popular dinner will be held as usual on Memorial Day.

President of Olivet to be Speaker at TA Commencement

Dr. Gorton Riethmiller, president of Olivet College, will deliver the principal address at commencement exercises for the class of 1961 at Tawas Area High School June 8.

Topic of the address will be "From the Shoulders of Giants."

Dr. Riethmiller was affiliated with Highland Park Public Schools before going to Olivet. A member of many organizations, he holds a membership in Phi Delta Kappa (national honorary educational fraternity) and is listed in "Who's Who in American Education."

ROGERS CITY COUPLE WINS BOWLING TOURNEY

The last week-end of the second annual mixed doubles tournament held at Tawas City Recreation saw a Rogers City couple take over first place. The winners of \$125 and trophies were Roland Oliver and Theresa Heinzl with 1276 (hdep. 132).

Second place was taken over by Bud Streeter and Rita Johnson of East Tawas with 1264 (hdep. 207). Moved down into third place were the previous leaders, Tony Nelkie and Dolores Sieloff of Tawas City with 1253 (hdep. 153). Low in the money will be 1206.

Checks will be mailed as soon as averages are verified, Mary Hilbert, tournament secretary, announced.

JAYCEES TO PRESENT HOME SHOW JUNE 24

Tawas Junior Chamber of Commerce will present its home show, "Everything for Modern Living—1961," at the East Tawas Community Building June 2, 3 and 4.

A list of displays will be announced next week. A 25-cent admission will be charged adults. Free passes are to be available at participating business places.

VFW ESSAY AWARDS TO BE PRESENTED

Seven members were honored as having May birthdays at the Iosco County VFW Auxiliary No. 5678 meeting Monday evening.

Mrs. Opal Kyser, essay chairman, announced that contest prizes will be awarded at Tawas

Area High School awards program May 28. Citizenship awards will also be given at this time.

Decorations and memorial services will be held Sunday, May 28, at the cemeteries. Members who plan to attend are to meet at the post home at 2:00 p. m.

STATE OF MICHIGAN
DEPARTMENT OF AGRICULTURE
BUREAU OF ANIMAL INDUSTRY
LANSING, MICHIGAN

Department of Agriculture Regulation No. 133
Regulation Relating to the Public Exhibition of Poultry

By virtue of the authority provided by Act 181, Public Acts of 1919, as amended, the following rules and regulations are hereby established:

1. Feed and water containers provided for exhibition coops shall be new or properly cleaned.
2. Feed or water containers from which birds have eaten or drunk must be refilled so as not to contaminate the common supply of feed or water. Feed or water containers may not be removed from exhibition coops except for the purpose of cleaning.
3. Exhibition coops must be constructed and placed as to provide adequate light for proper and inspection of poultry for evidence of transmissible diseases.
5. Litter for exhibition coops must be of clean material and renewed daily or oftener as needed.
6. Shipping crates used in shipment of birds by common carrier may not be used as exhibition coop. Shipping crates shall be cleaned and disinfected after birds have been removed for exhibition and before being used again.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the Department of Agriculture this 3rd day of May, 1949.

MICHIGAN DEPARTMENT OF AGRICULTURE
by:
G. S. McINTYRE, DIRECTOR

—Rules—

Exhibitors are requested to read carefully rules and regulations covering exhibition of poultry.

All exhibits shall be (a) purebred (b) cross bred from purebred parents.

All birds showing any general disqualifications according to the Standard of Perfection shall receive no award.

Provided the birds are typical of the breeds which they represent, the placing of awards shall depend upon the following:

- A. Pullets:
1. Rapidity of growth.
 2. Depth of pigment.
 3. Uniformity of shape and size.
 4. Promise of egg production.
 5. Absence of defects and disqualifications.

- B. Mature Birds (Hens):
1. Degree of bleaching.
 2. Condition of abdomen (spread and pliability).
 3. Absence of new primary wing feathers.
 4. Alertness of head and eyes.
 5. Body weight, conformation and fitness.
 6. Absence of defects and disqualifications.

It is suggested, especially for fairs held late in September and October, that all birds exhibited go directly from the Fair to market for slaughter so that none of them will be taken back to the farm. The reason for this precaution is that the birds may take back some disease to the farmer and injure his egg production of his farm flock, if such disease is infectious and of the type which will lower his egg production.

A pen entry shall consist of two females and one male.
(Classifications: Cock, Cockerel, Hen, Pullet.)

HEALTH REQUIREMENTS for Livestock Exhibited in Michigan 1961

GENERAL

Requirements provided in Michigan Department of Agriculture Regulations No. 116 and 117.

1. Livestock affected with a communicable disease must not be exhibited at nor brought to fairs.
2. At least seven days before an exhibition of livestock, the buildings and yards shall be thoroughly cleaned of all manure, litter and unused hay and straw. Following such cleaning, all structures shall be thoroughly sprayed with an approved disinfectant. After cleaning and disinfection, no livestock shall be placed in such pens until admitted for exhibition.
3. All exhibitors must furnish their own feed bucket, water buckets and other equipment. Common water tanks are not permitted.

CATTLE

Requirements provided in Michigan Department of Regulations No. 117 and 128 and Act No. 181 of the Public Acts of 1919, as amended.

All cattle for exhibition must be free from infectious and contagious disease. (a) Cattle from Michigan:

1. Tuberculin test not required unless from herd under quarantine for tuberculosis.
2. Passed blood test for Brucellosis (Bang's disease) from official laboratory as follows:
 - (a) Male or female cattle over twelve months of age (except as provided in paragraph 3 below) must be accompanied by official passed blood test chart showing test made within 90 days of exhibition; OR
 - (b) Evidence of origin from fully accredited (Bang's disease free) herd; OR
 - (c) Evidence of origin from herd in process of accreditation which has had two clean herd tests within one year.
3. Vaccinated young stock exempt from blood test requirements for one year after vaccinations if all the following requirements are met.

TO THE OFFICIALS AND PATRONS OF COUNTY FAIRS:

Each year brings a renewal of one of the most colorful traditions and an important segment of American life. This is the county fair which, for generations, our people have come to love and look forward to eagerly.

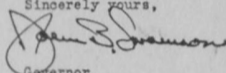

Although they hold great entertainment, our county fairs are far more than an outing. They provide a competitive spur to our farmers, young and older, to homemakers, exhibitors and visitors. For those actively interested in agriculture, county fairs offer encouragement through exhibits of produce, livestock, equipment and machinery. Exhibits of food preparations and handicrafts hold interest for all fair visitors. County fairs provide valuable competition which will encourage our agriculturists to do their best to raise the quality of our already excellent farm products. For those not actively engaged in agriculture, the exhibits are a measure of the progress made in the raising of farm produce in Michigan.

Our growing population has meant larger cities and expanding markets for Michigan farm products. The county fair is the common meeting ground for farmers and city dwellers and brings about a better understanding of each other's problems.

To all fair visitors, officials and exhibitors, I extend my warmest personal and official greetings. This year of 1961, I am sure, will be the best ever for Michigan's county fairs.

With sincere best wishes,

Sincerely yours,

To The Fair's Attendants and Patrons:

During the current season the gates will open at more than 90 fairs throughout the state. This is preserving a fine tradition of many generations in Michigan.

Undoubtedly the institution of the local fair has had great impact on our people, and may account in part for the progress our state has consistently achieved in so many lines.

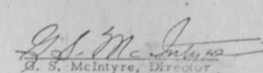

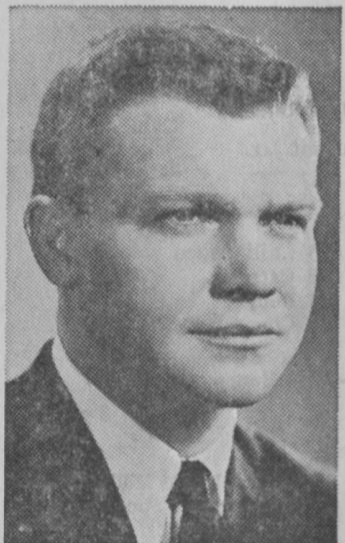

Originally the fair was almost exclusively agricultural. This was in a period when the greater part of our population was directly connected with pursuits of the land. But today agriculture has progressed to a point where only a small percent of our citizens are so engaged. Production is at an all time high with fewer areas involved.

While fairs of the present time emphasize agriculture there also are many other features of interest to the fairgoer. Today there are more exhibits than ever before devoted to those arts centering around the home since there is accent on better living.

Youth exhibits pinpoint the fine work being done by boys and girls in such activities as 4-H, FFA and FHA movements which build for good citizenship.

I would congratulate those public spirited citizens who worked so hard to give to the fair the stature in the community it enjoys. May the 1961 event be the most successful yet held.

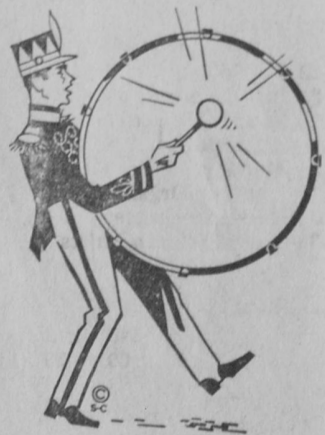

Yours very truly,

JOHN B. SWAINSON
Governor of the State
of Michigan

Michigan State Fair Special

Michigan State Fair will award a special gold ribbon in each of the classes listed below. The winner of each ribbon is especially invited to exhibit the article on which the award is made or in the case of perishable products, a comparable article, at the 1961 State Fair.

The ribbon will designate the exhibit as a special State Fair display entitling the winner to free entry of the exhibit and a complimentary pass to the 1961 State Fair.

ALL COUNTY FAIR EXHIBITORS, as well as the gold ribbon winners, are invited to enter their handicraft at the State Fair. Write to the Home Arts Department, Michigan State Fair, Detroit 3, Michigan, for your copy of the premium book and entry blank.
