East Tawas Sells Stock in Centennial Association

Tentative agreement was reached last Wednesday night by the East Tawas Centennial Committee and Rogers Production Company for the latter to engineer a centennial observance there in 1962.

In addition to planning the observance, the Ohio firm would provide training, direction, supply costumes and staging for a historical pageant during the observance.

In order to determine how much local support can be expected, the committee is selling \$100 stock memberships in the centennial association.

"We expect to sell at least 50 of these memberships and as soon as the necessary capital is insured, the organization will be incorporated and a contract will be signed with Rogers," said Mayor C. V. Miller.

Miller said that stock in the corporation would be self-liquidating. "Purchase of the stock is not a donation," he emphasized. "But it is to be repaid to the purchaser from centennial proceeds at the conclusion of the observance."

It is expected that the association will show a substantial profit through staging a pageant. Miller said that he had received 100 percent cooperation from those persons he had already contacted for memberships.

The historical pageant would depict outstanding events in the history of East Tawas and Baldwin Township, ranging from the very beginning down to the present time and would even give a glimpse as to the future.

Any surplus funds resulting from the centennial observance would be used toward future planning of East Tawas and Baldwin Township.

General chairman for the centennial is Miss Edna Otis. Others taking an active part on the committee are Dale Butterfield, Robert LaVoy, John Pinter, W. D. Nunn and Mrs. Herbert Hertzler.

It was stated that a well-organized centennial observance would develop greater civic spirit and pride, uncover new civic leaders,

Iosco Residents Hear Discussion on New Facility

Tentative plans for a proposed Iosco County medical care facility were outlined at a general meeting of residents last Tuesday night. About 80 persons attended the meeting held at the Iosco County Building.

Sponsored by the Iosco County Board of Supervisors, the meeting was designed to acquaint people with the need for such a facility to care for the aged.

On December 11, Iosco will ask voters to approve a \$300,000 bond issue to finance its share in construction of a \$550,000 facility. The remainder would be furnished by a federal grant of \$250,000.

Board Chairman Glenn Long introduced C. S. Everett, William White and Henry Oates of the supervisors' welfare committee.

John Ganbotto, administrative assistant of the Michigan Department of Social Welfare, spoke on the need for such a facility here, emphasizing that the number of people 65 years and older continues to increase each year.

"With this trend comes a continually increasing number of people who need chronic medical care," he stated. Today, 34 Michigan counties are operating medical care facilities to meet this need.

Other speakers included Robert Gordano, state representative of welfare departments in 11 northern counties.

James Spence Jr. and Calvin Smith presented architectural sketches and explained preliminary plans as prepared by their Saginaw architectural firm.

teach a real lesson in Americanism, interest young people in civic affairs, help local projects and inspire cohesiveness.

A meeting is to be called by Mayor Miller as soon as sufficient support is assured.

445th FIS Brings Trophy to State

With 3,300 points, the 445th Fighter-Interceptor Squadron of Wurtsmith Air Force Base, Oscoda, won the championship of the F-101 Voodoo division of the air force's annual interceptor weapons meet held at Panama City, Florida.

Six days of supersonic air-to-air dueling with the air force's latest missiles and jet-drawn targets ended the "William Tell" worldwide meet Sunday at Tyndall Air Force Base.

The 13 top air defense teams present were to continue missile and rocket firings in additional training exercises this week.

Lt. Col. Sam Wilkerson fired the first shot for the 445th last Monday morning with Capt. Gerald Harris locking on target for a score of 425 out of a possible 425.

The Wurtsmith squadron had been selected to represent the 30th Air Division and bring in the William Tell trophy for the State of Michigan.

The 445th won top honors Saturday to take the trophy. Prior to Saturday morning's scramble, the Wurtsmith unit had been tied with the 83rd FIS from Hamilton Air Force Base, Novato, California. Both had held identical first place scores of 2,250 points until that time.

Piloted jet drone targets, Ryan Q2C Firebees, simulated enemy bombers for the interceptors in competition designed to display the ever-increasing effectiveness of air defense.

It was stated that a well-organized centennial observance would develop greater civic spirit and pride, uncover new civic leaders,

Tell Plans for Coming Winter Sports Season

Plans for coming winter sports activities here moved into high gear this week.

The Tawasites will again host the state barrel jumping championship and high point trophy banquet of the Michigan Skating Association, according to information received by the Tawas Chamber of Commerce.

William Grebe, who was instrumental in bringing two previous meets to the area, told chamber directors last Wednesday night that the January 13 meet here was set by association directors at their fall meeting.

Attending the Bay City meeting from here were Anthony DeFilippi, owner of the Barnes Hotel, and William Brown, a member of Grebe's committee last winter.

Following a general discussion on skating plans, chamber of commerce directors indicated that the organization would again furnish medals and trophies to winners of the skating meet.

Other information on winter sports activities included a report by L. G. McKay, chairman of the Silver Valley Winter Sports Committee.

McKay reported that his committee had three work bees recently at the winter sports park and that all was in readiness for the first snowfall.

Toboggan slides have been cleaned, ski slopes mowed and the skating rink cleared.

A new beginner hill has been completed, which includes its own tow. "This winter will mark the first time in history that the park has a beginner hill which is completely separate from other slopes," McKay said Monday. "It should encourage more people to use these facilities."

Silver Valley is sponsoring a booth at the ski convention to be held at Cobo Hall, Detroit, November 3, 4 and 5.

Gets Jail Term on Mail Charge

John Sibley, 53, of Reno Township was sentenced to serve 90 days in Iosco County Jail on charges of malicious annoyance through the mails.

He was arrested last week by Undersheriff Leon Putnam and Deputy Sheriff Alton Long at a rendezvous suggested by Sibley in a letter to a Hale woman.

The letter had been turned over to the sheriff's department the week previous.

City Prepares Two Streets for Blacktop

Work started Friday on preparing 1 1/4 miles of Tawas City streets for blacktopping next spring. Other streets will also be re-sealed at that time.

Old blacktop on Seventh Avenue between Whittemore and Second Streets has been scarified, low areas have been filled and the roadway has been widened to 25 feet.

Low areas on Ninth Avenue from the railroad tracks to Fourth Street are being filled and sod has been cut back to maintain a 25-foot road width. The street has also been scarified.

Supt. Reginald Bublitz said Tuesday morning that the railroad grade on Ninth Avenue would lose its "kicklebelly" when work is completed. The roadway north of the tracks is being raised for about 115 feet to reduce the sharp grade.

Next spring, Ninth Avenue will receive a double seal of blacktop from the railroad tracks to Fourth Street and Seventh Avenue will be double sealed from Whittemore to First Streets.

About 7,000 feet of roadway will be blacktopped in all. Grading work this fall is being done by A. J. Merrill and city crews are hauling sand and gravel where necessary.

Ninth Avenue had given the city considerable trouble during spring break-ups in past years. It is expected that raising the grade will solve much of the difficulty.

Pollard Attends Insurance School

Wayne A. Pollard of Tawas Bay Agency, East Tawas, recently completed a course at an insurance school conducted at the home office of the Aetna Insurance Company, Hartford, Connecticut.

The course dealt with the principles of fire, inland marine, casualty insurance, bonds and the application of these forms of protection to the requirements of individuals and business concerns. The information was developed through group discussion of actual cases and problems under the supervision of the school staff.

Cabin Blast Still Under Investigation by Police

Investigation continues this week into circumstances surrounding an explosion early last Wednesday morning which destroyed a cabin at Palace Resort and sent a Tawas City man to the hospital with serious burns.

Still confined to Tawas Hospital is Max Palace Jr., 32, who suffered second and third degree burns to the face, hands and legs.

Palace told officers from his hospital bed Wednesday that he had entered the cabin about 3:45 a. m. The cabin, owned by his father, had been closed for the winter.

He struck a match and it apparently ignited an accumulation of propane gas in the building. Palace was blown out the front door and the building immediately caught fire. The blast rattled windows in the entire neighborhood.

The Tawas City Volunteer Fire Department sent two units to the scene, but the fire was already beyond control. About two hours after the blaze had been contained and the firemen had returned trucks to the city hall, fire again flared in the debris and Chief Fred Musolf and several firemen returned to the scene.

Police were not notified of the blaze until 8 o'clock and learned that neighbors had seen an unidentified person stumbling away from the building shortly after the blast. Firemen were not

Seek Name for New Bookmobile

A contest to select a name for Iosco-Arenac Regional Library's new bookmobile was announced this week. Elementary students of Iosco and Arenac Counties are eligible to enter and the boy or girl who submits the winning name will be awarded a book during National Book Week in November.

The regional library's first bookmobile was called "George" by elementary school children. Then, in 1954 when a larger bookmobile went into service, the children named it "Big George."

This bookmobile, which was a gift of the Michigan State Library as part of the establishment grant to the regional library, has been retired. After more than seven years of carrying books, it has been replaced with a still larger, brand new library on wheels that carries 2,400 books.

No nickname, to date, has been attached to this vehicle. Judges will be named from the regional board, staff and patrons of the bookmobile. All entries must be in at library headquarters, Tawas City, no later than November 13. Judges' decision will be announced November 20.

Solve Mystery of Blue Hands

Undersheriff Leon Putnam believes that the mystery of the blue hands has been solved—at least partly.

Putnam and Mrs. Barbara Burch, office clerk, were at a loss Monday to explain the reason why their hands turned blue after handling cash at the jail.

The two finally reached the conclusion that someone had sprinkled a special powder in the petty cash drawer. When water comes in contact with the powder it develops into a powerful dye. It is almost impossible to remove the stains from hands.

Putnam attempted to wash the "invisible" powder from currency, but color of the bills immediately turned to a deep shade of blue.

Officers are at a loss to explain who sprinkled the powder on the currency. They await the return of Sheriff Ivan O'Farrell, who may be able to shed some light on the mystery. He has been out of town on business matters since Sunday.

Many Candidates May Seek Seat of Late Sen. Prescott

Gov. John B. Swainson is expected to announce soon the date of a special election to name the successor to State Sen. Charles T. Prescott, who was buried here Friday.

A large list of Republican candidates is expected to file for the primary. The governor's staff reportedly is considering a special primary election late in November, with a runoff before Christmas.

List of likely candidates reportedly includes one delegate to the Michigan Constitutional Convention now under way, Lewis T. Hubbs, Gladwin; and a nephew of the late Senator Prescott, George A. Prescott of Tawas City, who is Iosco County clerk.

Only local person to officially announce his candidacy has been George W. Myles, former Tawas City mayor. The late senator had indicated he would not be a candidate again for re-election and Myles, who lost by a slim margin to Hubbs for the constitutional convention seat, announced his candidacy for senator following that election.

Others from the area mentioned as possible candidates have been W. D. Nunn of East Tawas, chairman of the Iosco Road Commission, and Herbert J. Smith of Houghton Lake, former Roscommon County clerk.

According to an existing ruling (See SENATE SEAT, page 10.)

Funeral Services Held for Senator Prescott

Funeral services were held here Friday for State Sen. Charles T. Prescott, 77, who died Tuesday night, October 24, at University Hospital, Ann Arbor.

Death was caused by a heart attack. Senator Prescott had entered the hospital October 4 after fracturing a knee in falling.

The Rev. Clifford DeVore, Methodist minister of Prescott, officiated at services held from Jacques Funeral Home. Burial was in Tawas City Cemetery under auspices of Tawas City Masonic Lodge F&AM No. 302.

Heading the list of state officials attending funeral services was Gov. John B. Swainson, along with Senator Prescott's colleagues in the state senate and house of representatives. Others paying their last respects were state conservation department officials, representatives of the Michigan State Police and many friends from the Tawasites, Iosco County and Northeastern Michigan.

Senator Prescott had served in the upper house continuously since 1946 and was chairman of the Senate Conservation Committee.

Born October 1, 1884, in Tawas City, he was the son of Mr. and Mrs. George Allen Prescott Sr. He was educated in Tawas City and Bay City high schools and Western Reserve University, Cleveland, Ohio.

The senator's father and grandfather, the Rev. C. H. Prescott, were prominent lumbermen early in Tawas City's history. The Prescott mill was located east of the Tawas City Park.

The Prescott family pioneered beef cattle raising in Northeastern Michigan and own a 6,400-acre cattle ranch near Prescott in Ogemaw County.

His fondest interests, he told friends, were cattle breeding and politics. The Prescott ranch was famous for its herd of purebred Herefords, which once numbered 1,500.

A rugged six-footer, he had always shrugged off his advanced years. Until death, he had been in robust good health.

Bruce Myles is New Owner of Oscoda Agency

Sale of the Oscoda Insurance Agency to Bruce Myles of Tawas City was announced Monday by former owner, Otis Goodwin. The sale is effective Wednesday.

Oscoda Insurance Agency is a carry-over from a business established by the late Thomas B. Cook about 1900.

The agency was purchased in 1948 by Mr. Goodwin and a new building was erected in 1956 at 327 South State Street.

Mr. Goodwin had operated the business in addition to his business at Harrisville, where he resides.

Myles, a 1950 graduate of Tawas City High School, passed his state insurance examination that same year and joined his father in the Myles Insurance Agency. Later, his brother, Del, joined the firm.

Myles spent two years in the United States Army. He and his wife, the former Joyce Ketcherside, are the parents of four children.

He is president of the Tawas Chamber of Commerce, president of the Tri County Insurance Agents Association and a member of the Tawas Kiwanis Club.

Iosco Supervisors and Roadmen to Tour County

Members of Iosco County Board of Supervisors will be guests of the road commission Thursday on an all-day inspection tour of roads in the county.

Supervisors and road commissioners are to meet at the county garage in East Tawas at 8:30 a. m. There, the group will board a bus for the tour.

A noon luncheon has been planned at Whittemore.

Object of the tour is to acquaint members of the board of supervisors with work done by the road commission and to point out some of the problems which face the county in future road construction.

County Welfare Head Tells Need of Proposed Iosco Medical Care Facility

According to a report Monday by Welfare Director Edward Burgeson, Iosco County presently maintains more than 30 persons in private rest homes for the aged and in hospitals.

All of the patients, said Burgeson, were potential medical care cases and could be transferred to such an institution if one was provided here.

Some 25 patients are maintained in eight private rest homes, five are located in homes outside the county and two are confined at Tawas Hospital.

The county maintains most of these patients under state and federal funds received from Medical Aid to Aged and Old Age Assistance legislative acts.

"You cannot go by dollars and cents when figuring the worth of a medical care facility," said Burgeson. "You must consider the welfare of our older people."

In citing advantages of a medical care facility, other than for elderly patients, Burgeson said it would not be necessary to keep county charges in hospitals as long. They could be transferred to the facility until they are well enough to return home.

Others who could be placed in a medical care facility are now placed in a hospital due to the lack of this type of institution locally. The rate for such a facility would be less than half the average cost per day in a general hospital.

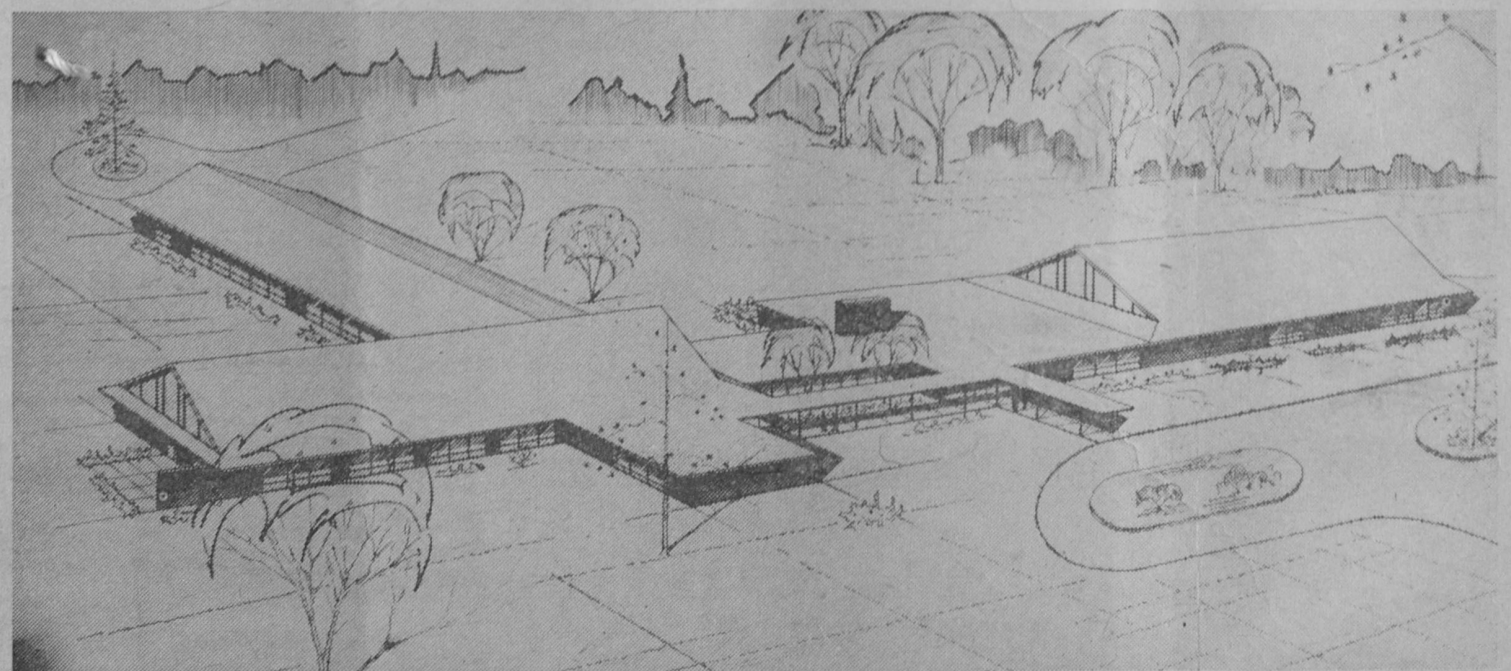

In certain cases, such a facility would replace the need for care in a general hospital. This would then reduce or delay the need for eventual addition on a general hospital at a higher cost.

"Experience gained in other counties in the state shows that because medical care facilities operate both physical and occupational therapy programs many of the people who otherwise continue to be bedridden, walk again, and others are returned home able to care for themselves," said Burgeson.

Present plans call for construction of a 45-bed facility near Tawas Hospital, should voters give their approval December 11. Private patients who are not eligible under MAA or OAA can receive care in such a facility at a cost much lower than in a hospital or private rest home.

The medical care facility would be operated by Iosco County according to state regulations. Operational costs to the county would be from \$5 to \$10 per patient, based on daily costs to other counties.

However, if the county builds such an institution, it would receive 90 percent of the cost from the state for maintaining patients.

'MUSIC FOR CHRISTMAS' TO BE PRESENTED IN COUNTY

"Music for Christmas" is the theme of a two-part program being presented by Wanda Cook, extension music specialist from Michigan State University, Wednesday, November 8. Part one will be staged at Whittemore-Prescott School, 2:00-3:30 p. m.; part one, 7:30-9:00 p. m., and part two, 9:00-10:30, at Grace Lutheran Church, East Tawas.

First is a presentation of Christmas music for greater family enjoyment and listening—an appreciation of the music associated with this season. She will make suggestions for gift-giving music, too.

A second part of the program will be most useful to choir directors, school or Sunday school teachers and anyone planning holiday musical programs. Included will be samples of scores and sources of materials.

"Men, women and young people—all enjoy and participate in Christmas music—all are invited to come to either or both parts of programs offered," explains Miss Dorothy Scott, county extension agent, who has made the local arrangements.

CHRISTIAN SCIENCE—

Today's need for spiritual discernment will be emphasized Sunday at Christian Science church services.

Scriptural readings in the lesson-sermon entitled "Adam and Fallen Man" will include these words of St. Paul (1 Cor. 2).

"Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God. Which things also we speak, not in the words which man's wisdom teacheth, but which the Holy Ghost teacheth; comparing spiritual things with spiritual. But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned."

This citation will be among those read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 203): "Spiritual perception brings out the possibilities of being, destroys reliance on aught but God, and so makes man the image of his Maker in deed and in truth."

FINANCIAL ASSISTANCE NEEDED BY GAME REFUGE

Reminders of the need of financial assistance for the Ogemaw Game Refuge were mailed recently to many of the business and professional people of West Branch and Northeastern Michigan by the 10 Lakes Sportsmen's Club.

Joseph Stephens, club president, said that the first two or three years promised to be the most expensive in their operations.

The club president has also asked for the donation of corn on the cob and good second cutting of alfalfa.

"Any food of this type that is donated to the program cuts down on our costs of operation just that much," he said.

DEPENDABILITY DOESN'T HAVE TO BE DULL

Any 1962 Dodge, full-size or compact, is proof of that. Every one has a rustproofed body. Every one has a quiet, new high-speed starter that puts less strain on the battery. Every one will go 32,000 miles between grease jobs. Dependable? There's never been a Dodge that wasn't. Dull? Drive one. They are swift automobiles. Our full-size Dodge Dart will accelerate 7% faster than last year's comparable model, do it on 5% less fuel. Our compact, Lancer GT, corners-flat, handles neat, leaves the weak sisters cold. Every 1962 Dodge has chair-high seats and good looking interiors. Drive **THE NEW LEAN BREED OF DODGE**

Supervisors' Proceedings

OCTOBER SESSION

October 9, 1961
The Iosco County Board of Supervisors was called to order statutory October session at 9:30 a. m. by the chairman who ordered roll call. The following supervisors were present: Ashton, Belleville, Blust, Brabant, Creamer, Everett, LaVoy, Little, Long, Miller, Oates, Seifert, Smith, Stephan, Webb, White, Wilkusi. Absent: Gerard, Upton.

Communications were read and referred to proper committees by the chairman.
Appointment of members to the County Canvassing Board was made a special order of business for 10:00 o'clock Tuesday morning.

Mr. Everett read the following report of the finance committee: Honorable Board of Supervisors Gentlemen:

Your finance committee to whom was referred the sale of Surplus Chart Case recommended that the offer of the City of Tawas of \$225.00 be accepted.

Signed:
C. S. Everett
L. S. Little
Edw. F. Seifert Jr.
T. Bellville
C. E. Smith

It was moved by Everett supported by Little that the report be accepted. The motion carried upon the following roll call: Ayes: Ashton, Belleville, Blust, Brabant, Creamer, Everett, LaVoy, Little, Long, Miller, Seifert, Smith, Webb, White, Wilkusi. Nays: None.

Upon motion supported and prevailing, the board recessed until 1:30 p. m.

AFTERNOON SESSION
Upon call to order at 1:30 p. m., roll call was ordered by chairman. The same supervisors were present as at the morning session.

Mr. Seifert read the following report of the building and grounds committee: Honorable Board of Supervisors Gentlemen:

Your building and grounds committee recommends that the board accept the bid of Tri City Office Machines for maintenance and service of 14 typewriters at \$210 and seven adding machines at \$157.50 for the terms 10-1-61 to 10-1-62.

Signed:
Edw. F. Seifert Jr.
C. V. Miller
Brabant

It was moved by Seifert supported by Brabant the report be accepted. The motion carried upon the following roll call: Ayes: Ashton, Belleville, Blust, Brabant, Creamer, Everett, LaVoy, Little, Long, Miller, Seifert, Smith, Webb, White, Wilkusi. Nays: None.

Committees were ordered to their respective duties balance of the board to be at ease subject to the call of the chair.

County Treasurer Grace Miller reported to the board on the present balances in the building funds for the courthouse and jail. Mrs. Miller said that she knew that the board would be pleased to learn that the \$250,000 courthouse bond issue has been paid down to a current balance of \$47,000 and that the \$125,000 jail bond issue has been paid down to \$33,000. Mrs. Miller informed the board that taking into account the accumulated reserves of money that had been set aside under the laws governing bond issues are in sufficient amount after the current spread for this year to retire the entire indebtedness on both bond issues. Mrs. Miller felt that this would come as a pleasant surprise to both supervisors and taxpayers of Iosco County.

Upon motion by Oates supported by Smith, the board recessed until 9:30 a. m. Tuesday.

October 10, 1961
The Iosco County Board of Supervisors was called to order in continued October session at 9:30 a. m. by the chairman who ordered roll call. The following supervisors were present: Ashton, Belleville, Blust, Brabant, Creamer, Everett, LaVoy, Little, Long, Miller, Oates, Seifert, Smith, Stephan, Webb, White, Wilkusi.

Communications were read and referred to proper committees by the chairman.
Mr. Blust introduced Herman Luhrs, public relations representative for National Gypsum Company.

Mr. Luhrs presented a proposed resolution which he asked this board to adopt which would assist National Gypsum in securing legislation which would enable them to operate their loading facilities in a more normal manner.

It was moved by Ashton supported by Stephan that the following resolution be adopted: Honorable Board of Supervisors Gentlemen:

Whereas, the Board of Supervisors of the County of Iosco, State of Michigan, being a legally constituted administrative body of the said County, and

Whereas, the said body is entirely familiar with the economic problems of the said County and its citizens and other residents, and

Whereas, the National Gypsum Company, one of the largest industries in said County, and a large employer of labor in said County and a sizeable taxpayer in this State, is restricted in its

normal manufacturing practices because of legal difficulties arising from a lack of legislation authorizing such practice, and

Whereas, this said body feels deep concern regarding the restrictions under which the said Company now is forced to operate its facilities in said County to the detriment of both the Company, the County and many of its residents.

Now Therefore Be It Resolved, by said Board at a session thereof held this 10th day of October, 1961, that the Legislature of this State, the Conservation Department, the Economic Development Commission, and the Tourist Council thereof, take such action as may be legal and proper to enable said National Gypsum Company to operate its facilities in said Iosco County in the manner and way normal for the operation of such facilities in other areas.

Respectfully submitted
Board of Supervisors,
Iosco County, Michigan

The resolution was unanimously adopted.

Mr. Smith suggested to the board the appointment of a steering committee for the purpose of answering governmental questions.

The chairman called for the special order of business.
It was moved by Everett supported by Brabant that C. L. McLean of Tawas City be reappointed to the County Canvassing Board for the year 1962. Carried unanimously.

It was moved by Blust supported by Stephan that George Grits of Tawas Township be reappointed to the County Canvassing Board for the year 1962. Carried unanimously.

Upon motion supported and prevailing, the board recessed until 1:30 p. m.

AFTERNOON SESSION
Upon call to order at 1:30 p. m., roll call was ordered by the chairman. The same supervisors were present as at the morning session.

Mr. Everett reported for the medical care facility. He stated that the committee had met Monday evening with a representative of Miller, Canfield, Paddock and Stone, attorneys, and that the number of alternative bond proposals were presented to this committee of the board. It is the opinion of the committee that the welfare committee should proceed as quickly as possible in calling an election to submit a 10-year bonding proposal for \$250,000 to the people of this county for the erection of a medical care facility. Mr. Everett reported that if this recommendation was adopted he would request the bonding attorneys to have a proposed resolution here this week for the consideration of the board.

Mr. Everett moved that the committee report be accepted. The motion was supported by Wilkusi and carried upon the following roll call: Ayes: Ashton, Belleville, Blust, Brabant, Creamer, Everett, LaVoy, Little, Long, Miller, Oates, Seifert, Smith, Stephan, Webb, White, Wilkusi. Nays: None.

Mr. Buch addressed the board and requested additional help for his office. Referred to the finance committee.

Committees were ordered to their respective duties balance of the board to be at ease subject to the call of the chair.

Upon call to order at 5:00 p. m., Mr. Little read for the finance committee the final budget for 1962 as revised.

WHEREAS, in the judgment of the Board of Supervisors of Iosco County, Michigan, it is deemed necessary for the general welfare and health of said County and its citizens to provide for the constructing and equipping of a medical care facility in the County and for the acquiring of a site therefor;

AND WHEREAS, the cost of said proposed County medical care facility has been estimated by James A. Spence Company of Saginaw, Michigan, the architects retained by the Board of Supervisors, to be Five Hundred Fifty Thousand (\$550,000) Dollars, which estimate of cost is hereby declared to be the estimated cost of said medical care facility.

AND WHEREAS, it will be necessary to borrow the sum of Three Hundred Thousand (\$300,000) Dollars and issue bonds of the County therefor, for the purpose of paying part of the cost of constructing and equipping said County medical care facility and acquiring a site therefor;

AND WHEREAS, the Board of Supervisors does hereby determine and declare that the estimated period of usefulness of said County medical care facility is not less than fifty (50) years;

AND WHEREAS, in order to meet the requirements of Section 21, Article X of the Constitution of Michigan and the statutes of the State of Michigan in such case made and provided, it is necessary also to submit to the qualified electors of said County the proposition of increasing the constitutional tax-rate limitation for a period of not to exceed fourteen (14) years, by an amount sufficient to provide funds for the payment of said bonds;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. A Special election shall be held in the County of Iosco on Monday, December 11, 1961, at which time the following propositions shall be submitted to the qualified electors of Iosco County, Michigan:

1. Bonding Proposition
Shall the County of Iosco, State of Michigan, borrow the sum of not to exceed Three Hundred Thousand (\$300,000) Dollars and issue and sell its bonds therefor, for the purpose of paying part of the cost of constructing and equipping a medical care facility and acquiring a site therefor in said County?

II. Tax-Rate Limitation Increase Proposition
Shall the limitation on the total amount of taxes which may be levied against all property in Iosco County, Michigan, for all purposes except payment of obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X of the Constitution of Michigan, by nine-tenths (.9) of one mill on each dollar (\$.90 on each \$1,000.00) of the assessed valuation as equalized, of all property in the County for a period of fourteen (14) years, from 1962 to 1975, both inclusive, the proceeds of the levy thereof to be used for the sole purpose of paying the principal and interest on bonds of said County in the aggregate principal sum of not to exceed Three Hundred Thousand (\$300,000) Dollars, to be issued for the purpose of paying part of the cost of constructing and equipping a medical care facility and acquiring a site therefor in said County?

2. The said proposition shall be stated on separate ballots to be prepared and distributed by the County Clerk in the manner required by law, or said propositions may be stated as separate propositions on voting machines, which ballots or voting machine propositions shall be in substantially the following form:

RESOLUTION DECLARED ADOPTED.
George A. Prescott
County Clerk

I hereby certify that the attached is a true and complete copy of a resolution adopted by the Board of Supervisors of the County of Iosco, Michigan at a Statutory Meeting held on October 13, 1961, the original of which has been duly recorded in the official proceedings of said Board of Supervisors.

George Prescott
County Clerk

Mr. Everett announced that a meeting was scheduled for October 24 at 7:30 p. m. at the courthouse for the purpose of making information available to the people of Iosco County about the new medical care facility. Mr. Everett asked each supervisor to bring at least four interested people to this meeting with them and all others who might like to ask questions about this project.

Upon motion supported and prevailing, the board recessed until 1:30 p. m.

AFTERNOON SESSION
Upon call to order at 1:30 p. m., roll call was ordered by the chairman. The same supervisors were present as at the morning session.

Sheriff O'Farrell addressed the board and requested an appropriation for a combination night deputy and assistant Civil Defense director. Referred to the finance committee.

Mr. Everett moved that the welfare committee be granted permission to have printed notices for insertion in all the December Tax statements which will inform taxpayers of the county that the millage spread on their statements for this year for retirement of the courthouse and jail bond issues will be the last such levy. There then will be sufficient money at hand to meet the rest of the retirement amortization schedule.

The motion was supported by Stephan and carried upon the following roll call: Ayes: Ashton, Belleville, Blust, Brabant, Creamer, Everett, LaVoy, Little, Long, Miller, Oates, Smith, Stephan, Webb, White, Wilkusi. Nays: None.

Committees were ordered to their respective duties balance of the board to be at ease subject to the call of the chair.

Upon call to order at 3:30 p. m., Mr. Smith addressed the board stating that the District Health Unit No. 2 as it concerns Iosco County had been revised upward in the amount of \$4,000.00.

After considerable discussion, it was moved by Smith supported by Belleville that the budget for this unit be increased by only \$820.00 representing Iosco County's 41 percent of an increase in the salary of Dr. Hasty, unit director.

Advice For Veterans

by Arthur M. Brokenshire, Jr., Service Officer

Dep't. of Michigan Marine Corps League

HOSPITALIZATION FOR WAR SERVICE

For veterans of any war or the Korean conflict.

Eligibility for hospitalization in a VA Hospital: Service during any war or the Korean conflict who was discharged or released under conditions other than dishonorable.

Admission priorities are as follows:

First, those needing hospitalization because of injuries or diseases incurred or aggravated in line of duty in active service during any war or the Korean conflict period have top priority for admission;

Second, those with service during any war or the Korean conflict period who were discharged for disability incurred in line of duty or who are receiving compensation for service-connected disabilities, but who need treatment for some ailment not connected with their service, will be admitted as beds are available;

Third, those with service during any war or the Korean conflict period who were not discharged for disability or who have no compensable service-connected disability may be admitted to VA hospitals if all three of the following conditions are met: (1) hospitalization is deemed necessary, (2) they state under oath they are financially unable to pay hospital charges elsewhere and (3) if beds are available.

Emergencies: Veterans requiring emergency medical treatment may be taken directly to the nearest VA hospital; but, if possible, the veteran, or the veteran's doctor, should communicate with the VA hospital by telephone or telegraph beforehand. In all other cases, the veteran, his nearest relative or his guardian or representative should file the proper application for hospital care. We have three VA hospitals in the lower part of Michigan, located at Sardinaw, Ann Arbor and Dearborn. Application should be filed at the hospital closest to the veteran's residence.

Transportation: Government transportation may be authorized to the nearest suitable hospital for a veteran needing treatment for a service-connected disability and upon completion of treatment, to his or her home. Transportation may be authorized for veterans who need hospitalization for treatment of non-service-connected disabilities if the applicant states under oath they are unable to pay for the transportation.

HOSPITALIZATION FOR PEACETIME SERVICE

For peacetime service and six-month enlistees. Eligibility: Veterans who served only during peacetime and six-month enlistees may be eligible for VA hospitalization if they were discharged for a disability incurred or aggravated in line of duty or are receiving compensation for a service-connected disability.

Further information concerning these benefits may be had by contacting Arthur Brokenshire, the first Tuesday of every month at Tawas City. He will be in the Iosco County school superintendent's office, Iosco County Building, from 10:00 a. m. to 4:00 p. m.

Iosco Chapter OES Installs Officers

"Love and Friendship" is the theme of Mrs. Beryl Lichtfusz, newly-installed worthy matron of Iosco Chapter No. 71. Aqua, white and silver were the worthy matron's colors used in decorating the chapter room for the Friday evening installation of Iosco Chapter officers.

The Rev. Paul Sutton of Flint, worthy patron, called the meeting to order. Mrs. Dorothy Sutton, worthy matron, extended the welcome. Attendance cards were presented to members of the chapter.

Miss Helen Applin, installing officer, was assisted by Mrs. Marjorie Rose. Other installing officers included Mrs. Sutton, marshal; Mrs. C. Kate Evans, chaplain; Mrs. Lula Colby, organist; Mr. Sutton, soloist.

Installed during the ceremony were Mrs. Lichtfusz, worthy matron; Peter Lichtfusz, worthy patron; Mrs. Edna Pitts, associate matron; Carl Eckman, associate patron; Miss Applin, secretary; Miss Ruby Evans, treasurer; Mrs. Clarabelle Eckman, conductress; Mrs. Rosalie Schaff, associate conductress; Mrs. Vergil Butler, chaplain; Mrs. Lois Kienholz, marshal; Mrs. Marie Hennigar, Adah; Mrs. Jean Blake, Ruth; Mrs. Nina May, Esther; Mrs. Rose, Martha; Mrs. Blanche Carlson, Electa; Mrs. Amy Curtis, warder, and Ned Curtis, sentinel.

Following the installation, Mrs. Lichtfusz was escorted to the East by her grandson, George McKay Jr., and presented flowers by her granddaughter, Carol McKay. An arch of silver, aqua and white was formed by the Rainbow Girls.

The worthy patron was escorted to the East by his niece, Olivia Samuelsson, through a honor guard of master masons.

Mrs. Pitts, associate matron, was escorted to the West and presented flowers by her daughter, Miss Mary Pitts, through an arch of Rainbow Girls. Mrs. Eckman escorted her husband, the associate patron, to the West through a honor guard of master masons. Mrs. Mary Louise McKay, Mrs. Howard Gordon and Miss Helene Gordon, all of Battle Creek, were

To Observe Golden Wedding Anniversary

The Rev. and Mrs. F. D. Voller of 1503 East Drive, Flint 4, will observe their golden wedding anniversary Saturday, November 4, with an open house at Bethel Park Church, Fellowship Hall, 6026 Corunna Road, Flint, between the hours of 2 to 5 and 7 to 9 o'clock.

The couple was married at Reno Township October 31, 1911. Mr. Voller was then pastor at Siloam, Nester and Canfield.

Mrs. Voller, the former Ruth McDougald, was the eldest daughter of the late Mr. and Mrs. Archie McDougald of Reno Township.

Mr. Voller has served in the East Michigan Conference of Free Methodist Church for 21 years as a pastor and district superintendent.

They have three children, Merlin of Flint; Ellwood, president of Robert Wesleyan College, North Chili, New York; Mrs. Evelyn White of Rich Creek, Virginia, and nine grandchildren.

The Vollers reside at their farm home near Lachine during the summer and at Flint during the winter.

Her favorite hobby is ice skating.

but makes the skin crisp and hard. Rub the salt or salt mixture into the skin, repeat as needed until all the moisture disappears. Dry at around 70 degrees temperature, without application of heat. When the skin is cured, the feathers may be separated into color and design groups by snipping the skin carefully, being sure to leave the feathers attached. Storing them is simpler, too. Feathers removed from the skin may be sorted and stored in Pliofilm bags or jars. If wet-plucked, restore the fluffiness by placing in a cheese-cloth bag and steaming them.

It is possible to have feathers damaged from lice. To prevent this possibility, the feathers may be sprayed or otherwise cleaned.

For more information and assistance in the making of feather hats, contact Miss Dorothy Scott, county extension agent, Federal Building, East Tawas, phone 362-3449.

Braves Win With Ease Over Bucks

Tawas Area added to the woes of winless Roscommon Friday night when the Braves downed the Bucks, 45-0. The game was a non-conference affair and it marked the last meeting of the two schools on the gridiron.

Both teams were as cold as the nippy fall weather, in spite of the seven touchdowns pushed over by Tawas Area. A total of nine fumbles were committed by the two teams, six by the losers.

Coach Herb Escott ran in his entire second string throughout most of the second half, but the sophomore-studded Bucks simply could not stop them.

As a disciplinary measure, the Roscommon coaching staff had benched most of the senior members of the squad and now face a big rebuilding job.

Although it would be difficult to get any team "up" against a team which has failed to score this year, Escott and Assistant Coach Steve Sventko were unhappy with the blocking and tackling of their charges. They hope for a better showing against Whittemore-Prescott Area this Friday night and Oscoda next week.

Action in the first quarter may prove to be very costly to Tawas' chances in the final two games of the season. Guard Randy DeWys, in blocking a Roscommon punt, suffered a multiple fracture of the index finger on his right hand.

A blocked punt by Fullback Ed Collier in the first quarter led to Tawas Area's initial touchdown. Collier picked up the loose ball and raced 25 yards to paydirt. Center Bob Erickson kicked the placement.

Halfback Ernie Lixey scored the second TD of the first quarter, going 15 yards around end. Erick-

son's kick from placement was wide.

Collier scored his second TD of the night in the second quarter, going 12 yards up the middle. Quarterback Jim Mick's kick from placement was short.

In the second half, Halfback Jim Herriman scored the first of his three touchdowns when he went 55 yards off tackle. The try for PAT was missed.

Herriman's second TD came on a 26-yard run off tackle and Erickson's kick from placement was blocked.

Halfback Jim LeViere scored Tawas Area's third touchdown of the half when he went 65 yards around end in the fourth quarter. Halfback Brian Helmer converted the PAT on a plunge.

Herriman scored the final TD on a 45-yard punt return. Quarterback Don Humphrey went through

the center of the Roscommon line for the PAT.

Returning to the lineup for the first time since early this season was Halfback Dick Zaharias, who had injured his shoulder in practice.

Hale Eagles Roll After Slow Start

After a scoreless first period, Hale Area Eagles began to roll Saturday night and defeated Akron-Fairgrove JV, 30-0, to cap homecoming festivities for the winners.

Hale scored two TDs in the second quarter, added three in the second half and held the Akron-Fairgrove team scoreless.

The first touchdown came on a pass from Quarterback John Heilman to Halfback Ike Bielby which covered 30 yards. Shortly before the half, Heilman hit End Darwin Wagner with an aerial and he went 40 yards to score.

Scoring in the third quarter found Fullback Barton Caverly going 50 yards up the middle for the third touchdown of the night. Bielby followed with a 38-yard scamper and Caverly completed the scoring with a fourth quarter 60-yard run.

Defensive standouts for the winners were Wagner, End Calvin Bell, Tackle Paul Kyser and Halfback David Emmons. Co-captains Bielby and Roy

Bannister crowned Carol Alderton queen of homecoming festivities at halftime.

Sunday's old-timers' football game at Hale saw the Ancients defeating the Antiques, 26-6, in a game filled with fun for both participants and spectators. There were no injuries. Gate receipts will go toward projects sponsored by the Hale Athletic Booster Club.

Soil Needs Inventory Completed by SCS

Michigan soil and water conservation needs inventory is now completed, according to an announcement by Allan J. Collins, state conservationist of the United States Soil Conservation Service.

The inventory, started in 1958, was a cooperative venture conducted by a number of federal and state groups. It includes data from all 83 counties of the state.

Richard Rose, county needs chairman, has detailed information for Iosco County which will be made available soon.

Cards Rack Eastern for Fourth Win

Whittemore - Prescott Cardinals racked up their fourth win of the season Friday night by defeating Arenac Eastern, 26-0, on the losers' home field. The game marked Whittemore - Prescott's annual homecoming.

The Cards took the opening kickoff and in 12 plays covered 73 yards to score. End Bruce Spitsen capped the drive with an end run. The try from placement was missed.

The two teams then fought on fairly even terms during the next two quarters, the Card defense stopping Arenac Eastern in one series on the W-P five-yard line.

Three touchdowns were scored by the Cards in the fourth quarter. Halfback Ron Armstead scored the first one on a 15-yard end run which culminated a 90-yard drive in 10 plays. Spitsen's kick converted the PAT.

Midway in the quarter, Halfback Roger Rasbury intercepted an Eastern pass and ran 20 yards to the A-E-25. In four plays, Spitsen went up the middle three yards for the touchdown. The placement kick was blocked.

With 3½ minutes to go in the game, the Cards took an Eastern punt and drove 56 yards in seven plays to score. Armstead bucked the middle of the line for one yard and his second TD of the night. Spitsen converted the placement.

Whittemore-Prescott dominated the game throughout, rolling up 374 yards and 19 first downs. Arenac Eastern had 180 yards and seven first downs.

School Closed Nov. 3 for Teacher's Institute

Tawas Area Schools will be closed Friday, November 3, for teacher's institute of Region 12 of the Michigan Education Association, announces Reynold Mick, superintendent of Tawas Area High School.

Oscoda Owls Roll to Seventh Win; Down Alpena High, 13-7

Oscoda High rolled to its seventh win of the season and extended its winning streak to 13 games over the past two seasons with a 13-7 victory over Alpena High Friday night.

The Owls, a class B member of the Huron Straits League, were in command all the way as they topped the class A wildcats.

Coach Larry Quellman's charges have already wrapped up league honors, but this was added frosting to the ever-growing cake of the Owls. The win also came over former Oscoda High mentor, Tom

Stalker, who is presently coach at Alpena.

John Kopp was the big gun in the Oscoda attack Friday night when he reeled off a two-yard touchdown plunge in the opening quarter and then came back late in the third stanza with a 29-yard TD dash off tackle.

Following the second score, Tony Richardson added the PAT on a placement.

Alpena threatened the Owls when they tallied a six-pointer and extra point early in the fourth period on Dennis Lute's seven-yard quarterback sneak.

860,000 Persons Now Receiving SS Payments

Approximately 860,000 disabled workers, their wives and their children are now receiving monthly social security payments, Paul M. Ellifritz, manager of the Bay City District Office of the Social Security Administration, stated today.

Many other disabled workers and their families, however, are not receiving payments because an application has not been filed with the social security office by the disabled person or by someone on his behalf.

Mr. Ellifritz pointed out that one possible reason for disabled persons not filing for cash payments is a lack of understanding of the social security law.

Before November 1960, a disabled worker and his family could not receive monthly benefits unless the worker was 50 years of age or older. Mr. Ellifritz hastened to add that the law was changed last year and that this re-

quirement for payments was removed from the law. Disabled workers under 50 years of age and their families have been receiving disability benefits since November 1960, under the new law.

Mr. Ellifritz also said that applications for benefits can only go back as far as 12 months from the month of filing.

A representative of the Social Security Administration will be at the Iosco County Building, Tawas City, Thursday, November 9, at 10:30 a. m.

GOING TO BUILD, REMODEL OR ADD A ROOM?

Get a line on ELECTRIC HEAT

If you are planning any type of home or business construction, improvement or addition, it will pay you to get the facts about electric heating. This relatively-new method of heating can be installed for as little as conventional heating systems. Many times it costs less, even including insulation. Operating cost depends on what part of the state you live in, but no matter where you live you'll get your money's worth in convenience and dependability. Send today for a free booklet that includes a handy chart for estimating operating cost based on size of house and location; information on types of electric heating units available; insulation required; and actual operating figures taken from typical homes now heated electrically.

ILLUSTRATED BELOW ARE 3 BASIC TYPES OF ELECTRIC HEATING

CEILING CABLE heat is invisible. Wires less than 1/4" thick are fastened to ceilings before plastering. Each room has its own thermostat.

BASEBOARD UNITS are available in both radiant and convection types. All surfaces are warmed evenly and control is by individual room thermostat.

WALL PANEL HEATERS are available in both the radiant and fan-forced convector types. Each room is thermostatically-controlled.

The Hale Area Schools is a consolidated school district serving only one primary district and drawing students from two fourth class elementary schools.

Our enrollment remains relatively stable; this year we have shown an increase in the elementary grades indicating the high school enrollment will increase in three or four years.

The main building is in good condition; we have had all wiring checked and brought up to code; we have had the ceilings painted with fire-proof paint in compliance with request made by the Fire Marshal's office in Lansing; and we are now in the process of having a new shop building constructed.

We have changed from seven to six periods a day to better meet our educational needs; are now teaching French in the third, fourth, fifth and sixth grades this year; have hired a Teacher Aide in the first grade to relieve the teacher of some of the non-teaching tasks—if this experiment proves satisfactory it is quite possible we may hire additional teacher aides to relieve the teachers who have large enrollments.

The financial situation of our school is good with an equalized tax valuation of \$8,653,784.00, or \$19,187.99 per student.

We owe no money for debt retirement and are only levying an operational millage this year. Samuel A. Gravitt 44-1b

REGULAR MEETING
 September 28, 1961 7:00 P. M.

The Board of the Iosco County Road Commissioners met at their office for their regular meeting. Meeting called to order by Chairman Curry and upon roll call present: Commissioners Nunn and Curry, Superintendent Henry, Engineer Meade, and Attorney Frank. Minutes of the previous meeting were read and approved.

Moved by Nunn seconded by Curry that the Superintendent be authorized to sign the lease with Richard Frank for a gravel stock pile site for the Townline Road. Yeas Nunn and Curry. Motion carried.

A petition signed for four freeholders for closing of Center Road and Woodland Roads lying between West Weir Road and Harrisville Road in Weir Pines No. 2 and Weir Woodland was received and referred to the Superintendent for his recommendations.

Superintendent Henry discussed the repair done and yet to be made on several of the bridges in the county. It was decided to put steel planking on the two Turtle Bridges.

Engineer Meade discussed the road base for the Townline Road with the Board and that he had obtained the site for the gravel stock pile.

The Con-Con Convention was also discussed by the Commission. Moved by Nunn seconded by Curry that our Liability Insurance be raised to \$250,000 for bodily injury and \$500,000 for property damage. Yeas Nunn and Curry. Motion carried.

Moved by Nunn seconded by Curry that bills and payroll in the amount of \$21,838.53 be allowed and warrants written for the same. Yeas Nunn and Curry. Motion carried.

Upon motion supported and prevailing, the Board adjourned.

FORMER HALE RESIDENT BURIED AT LINDEN

Mrs. Eva Frappier, a resident of the Hale area many years ago, died October 23 and was buried in the Linden Cemetery October 26.

Mrs. Frappier was born July 4, 1874, in Argentine Township, Genesee County, and was the daughter of Mr. and Mrs. Lewis Case. She married Chester Scully, also of Argentine Township, and in 1901, they moved to a farm north of Hale, Mr. and Mrs. Scully had seven children, four of whom attended Hale school. They are Helen, Marion, Orval and Lewis. In 1919, the Scullys moved to Durand where Mr. Scully established a shoe repair business. He died in 1933. Mrs. Scully married John Frappier of Linden in 1939. He passed away in 1949.

Mrs. Frappier is survived by two daughters, Mrs. Sidney Gage of Fife Lake and Mrs. Helen Kayramo of Hancock; two sons, Lewis Scully of Flint and Hugh Scully of Linden; 16 grandchildren, 42 great grandchildren; two great-great grandchildren; a sister, Miss Elizabeth Case of Mt. Morris; a brother, Edward Case of Mt. Morris; two step sons, and two step daughters.

Mr. and Mrs. Arthur Peters spent the first two days of pheasant season in Hemlock. Mr. Peters states that there are many deer in that area this year.

Deuell Pearsall is a patient at Tolfree Memorial Hospital suffering from pneumonia. His many friends and neighbors wish him a speedy recovery.

David Wood, son of Mrs. Frank Doine, is a patient at Decker Munson Hospital, Traverse City, where he had ear surgery Wednesday, October 25. Friends wish him a speedy convalescence.

Recent visitors at the home of Mr. and Mrs. Norman Finnie were Mrs. Finnie's daughter, Mrs. Ray Helwig and granddaughter, Lillian Helwig of Drayton Plains; Mrs. John Partich of Waterford; Mr. and Mrs. Joseph Wilcox and daughter, Mrs. Marge Kern and daughter, all of Livonia. Miss Helwig escorted her grandmother to her station of worthy matron at the installation of officers of Hale Chapter, OES, Saturday, October 21.

The Don Daly family spent the first week-end of pheasant season in the Flint area where Mrs. Daly and the children visited relatives while Mr. Daly enjoyed hunting.

Mrs. Edwin Sharp was at Flint and Linden Thursday of last

FINAL TAXES will be spread this year to repay bonds which financed construction of the Iosco County Building and Jail, pictured here. When 1961 taxes are paid, the county building and jail will be free of debt. The county building was constructed in 1952 at a cost of \$250,000. The jail was constructed in 1954 at a cost of \$125,000.—Tawas Herald Photo.

Electrical Standards Topic of Meeting

Consumers Power Company will hold a joint meeting with electrical contractors and inspectors Wednesday, November 8, at the East Tawas service building.

The main theme is to establish standards by which all should work. A panel of four men from local inspectors and Consumers Power Company personnel will discuss various problems and answer any questions from the floor. Types of services, commercial and residential, water heater rates and wiring plus wiring for safety will be but a few of the subjects.

The aim of this meeting is to make all parties in the Northeastern Michigan area better able to meet the increasing demands for electricity.

The meeting is informal with coffee and doughnuts to follow. All persons in the building trade are invited to attend.

Highway Dept. Makes Distribution of Vehicle Funds

The state highway department has started distributing third quarter Motor Vehicle Highway Fund collections to Michigan counties and incorporated cities and villages.

Receipts of the highway fund during July, August and September amounted to \$42,189,319, a decrease of \$65,736 over the same period of 1960.

All state gasoline and diesel fuel taxes, license plate fees and a small amount of miscellaneous fees are deposited in the fund. After deductions, the money is distributed under provisions of state laws.

Iosco County's share amounts to \$82,159. Distributions to cities include \$3,753 for Tawas City, \$5,433 for East Tawas and \$1,041 to Whittemore.

Lane Wins First in Jack-o'-Lantern Sports Car Rally

Stanley Lane Jr. of Tawas City won first place in the Huron Sports Car Club's jack-o'-lantern rally held at Oscoda last Saturday night. The 57-mile course included back trails in Iosco and Alcona Counties.

Second place went to G. Gaudet of Oscoda, while S-Sgt. John Hiles of Tawas City won third.

Event chairmen were Donald Young of Oscoda and Robert Donley of East Tawas.

Next event scheduled by the club is an auto-cross, off the road timed driving test, to be held November 5, 2:00 p. m., at the William Morris residence, two miles north of Hale on M-65.

The meet is open to all cars, domestic or foreign. Morris is event chairman.

Next meeting of the club will be held Tuesday November 7, 8:00 p. m., at the Wabun. The business meeting will cover nominations for election of 1962 officers. Entertainment will be color slides on English racing and sports car events, supplied by Hiles. All are welcome.

MORE THAN ONE WAY TO 'CATCH' A FISH

Howard George of Lantana, Florida, sends the following story from a recent issue of the Miami Herald, which proves there is more than one method to catch a fish.

Two young nephews of Miami Joseph C. Cravitt demonstrated recently that fish prizes go to those who grab their opportunities.

Nine-year-old Charles Hoskins and his brother, James, eight, were just about to call to an end to their fishing excursion on Sand Lake west of Tawas when they spotted a pike swimming near the surface. James picked up an oar and bashed the fish on the head.

"It slowed down," he said, "so I hit it again."

Charles then fashioned a lariat out of fishing line and lassoed the eight-pound pike, western style.

Tawas Debaters Participate in Ferris Practice Meet

Tawas Area High School debate teams made a good showing in a practice meet Saturday at Ferris Institute, Big Rapids. Competing against class A schools from the Grand Rapids area, Tawas Area won four out of eight debates.

Schools from many sections of the state sent teams to the practice meet. Teams were paired so as not to compete against those which they will meet during regular competition.

The four Tawas teams were as follows: Terry Tuttle and William Hutton, Nancy Laidlaw and John Dimmick, Janice Guilford and Elaine Erickson, Nancy Borosch and James Boldt.

The last two teams won two debates apiece.

First regularly scheduled meets for Tawas Area will be held between November 15 and 30 against Saginaw St. Mary and Alpena High School. Alpena will be here November 29.

Debate coach, Larry DeBeau, said he hopes local debaters will continue to do as well during regular competition.

Senate Seal

(Continued from page 1.)

by the state attorney general, a county clerk may run for the legislature and need not resign as clerk until after the primary.

Hubbs, an unsuccessful primary candidate against Prescott last November, might face some difficulty if he campaigned at length through the large district for the vacant senate seat.

Rules of the constitutional convention provide that delegates absent without leave will be recorded in the journal. In convention discussion of the rules, it was noted that the \$1,000 a month salary for a delegate could be halted in case of a lengthy "AWOL."

If Hubbs ran and won the seat, his Con-Con seat would be filled by appointment of the Democratic governor.

Nomination as Republican candidate in the primary election is considered tantamount to election in the district.
