## **Old-Timers** to **Take Field in Game Sunday**

Annual old-timers' baseball game will be held Sunday, September 2, at the Tawas City Athletic Field. All former Northeastern Michigan League players are invited to attend.

Registration and batting practice starts immediately after 12 o'clock noon. A game will be held starting at 1:30 p.m. between two squads of the older old-timers.

A second game is scheduled at 3 o'clock between younger oldtimers and a team composed of Pony Leaguers from the area.

According to Harold Rollin manager of the Tawas City Indies, sponsoring organization, there will be special awards and a display of old-time pictures. In addition, a get-together will be held at the Tawas City American Legion Hall Saturday night,

WATER SKIING

Perhaps one of the most enjoyed, recent, water sports is that of water skiing. Larger motors and faster boats have added to the thrill which has such an attraction to both young and old alike.

Our last desire is to become a wet blanket in the face of this enthusiasm, nevertheless we who are interested in water safety cannot overlook the possibility of accidental drowning or injury through careless operation of the towing boat or lack of proper communications between the skier and the boat.

Recognizing this, many states 170x150. Terms \$1,000. are legislating regulations requir-INDIAN LAKE-Four beding the towing boat to have two room, lakefront home. as a safety precaution. Then, there are the too-frequent cases of where the skier is so sure of his ability to ski and swim that the thought of wearing a life vest, jacket or belt seems repugnant. Or maybe it is "chicken" to wear any safety device. We had the experience not long ago of picking up a very exhausted skier who had flipped in Ray Simons family and Debbie deep water without knowledge of

> A practice that seems to evade suitable explanation is that of boats towing skiers through groups of bathers or swimmers or anchored fishing boats. Such feats of "derring-do" may create great satisfaction to the boat operator or the skier, but how positive can they be that they will not run down a surfacing swimmer. Last summer, we saw the result of such an accident. It was
