## Cooking School Tonight

### Prizes and Merchandise to be Given Away Free

Let the wonderful fragrances of baking bread and simmering sauces guide you to Tawas Area High School Auditorium where The Tawas Herald's free cooking school will be held Wednesday (today), 7:30 p. m., and Thursday, March 15, 1:30 p. m. Doors will be open one hour before each performance for the viewing of interesting displays set up by local merchants.

Appliances for the stage, which will be transformed into an up-to-date kitchen, will be furnished by Barkman Home Outfitting Company, Westinghouse Continental Range and DeLuxe Freezer; Consumers Power Company, Frigidaire FPI13B Frostproof Imperial Refrigerator; W. A. Evans Furniture Company, Speed Queen Washer and Dryer. Miss Lowe will use Dow Corning Ware, furnished by Cable Hardware, in preparing the food delicacies.

Everyone interested in preparing and serving foods with ease and imagination will find the information offered by food specialist, Miss Susan Lowe, invaluable. Lucky prize winners will take home such items as valuable coupons, cookbooks, bags of groceries, recipes and booklets, in addition to many door prizes. Three Tawas food markets, King's Palace Market, Tawas Kroger and Brugger's IGA, are contributing

food products for the bags of groceries. Assisting Miss Lowe will be Miss Margaret Mielock, Consumers Power Company home service representative. Miss Mielock is well known in this area through her many appearances at appliance stores, home shows, schools and other functions.

Valley Lea dairy products, compliments of Nelkie's Dairy, will be used exclusively by Miss Lowe during her many demonstrations on practical day-by-day cooking, with a touch of glamour. Tawas merchants have presented the following prizes to be awarded during the two-day event: Pfeiffer's Tawas Flower Shop, four corsages; Barkman Home Outfitting, brass magazine rack and end table; W. A. Evans Furniture Company, 24 stainless steel mixing bowls; Fuelgas Company, C&L portable Fuelgas cooking stove and Fuelgas bathroom heater; Bargaintown, two 32-inch Deena table lamps; Consumers Power Company, chrome laundry table and an electric clock; Sis's Dress Shop, two \$10 gift certificates; Marion's Dairy Bar, two one-half gallons of ice cream; McKay Sales Company, car wash and grease job each day; Sally's of Tawas City, two complete sets of jewelry. Other prizes are: Cable Hardware, two, one-quarter Corning Ware saucepans; Keiser's Drug Store, Max Factor Primitif gift set and Emeraude deCoty-Paris deCoty gift set; Whitfield's Department Store, two Ship 'N Shore blouse gift certificates; Hamilton's Tawas Bakery, two decorated cakes; C. V. Miller, Jeweler, glass decanter set and milk glass compote.

A special booth will be set up by Iosco County 4-H Clubs for the sale of baked goods. Proceeds from this project will help send members to summer camp. Performances will be highlighted by fashion shows presented by Sis's Dress Shop, East Tawas, and Sally's of Tawas City.

Miss Lowe is a well-known food lecturer who has recently spent some time studying latest methods in the Betty Crocker kitchen. These include the latest testing done on baking products ahead and freezing them and the new way to measure, the "dipping" technique with Gold Medal Flour.

## School Board Asks State to Assume Transportation Cost

Pointing to ever increasing costs of transporting pupils, Tawas Area Board of Education adopted a resolution Monday night asking the state to pay in full its transportation formula to reorganized school districts. Copies of the resolution were sent to State Sen. Harold B. Hughes of Gladwin and State Rep. James P. Mielock of Whittemore. For the past several years, the state has allocated \$12,000,000 as its share of pupil transportation costs. Today, this amounts to about

72 percent of the total cost of year, these state payments have decreased to a point now where the reorganized districts are facing financial difficulties. This has been brought on mainly by the increased cost of transportation, a larger number of pupils and the static lump sum of \$12,000,000. "Many districts reorganized because of encouragement received by the state. Now it is reneging on its original formula," said Supt. Reynold Mick. The state pays for transporting pupils on a mileage basis. It does not pay for those pupils who live

## Weather to Govern Start of Construction—

During a break in the winter weather last Thursday and Friday, work was started on unloading a carload of brick destined to be used in constructing the new Tawas City elementary unit.

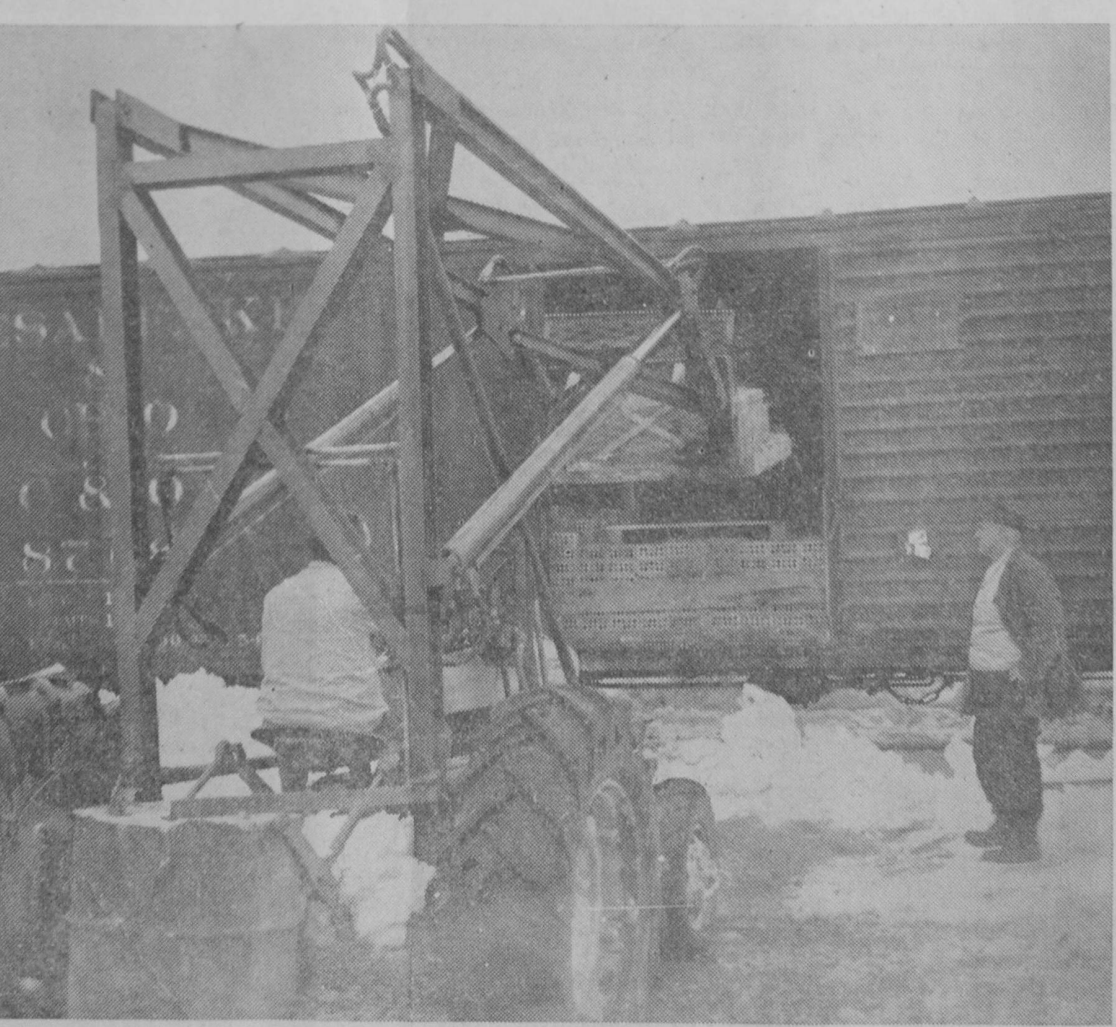

O. S. Rose, general contractor for the school project, said that construction was scheduled to start on the site as soon as weather permits. Some footings for the new \$205,642 school, to be connected to the present gymnasium and elementary unit, were poured last fall. Additional footings are to be started as soon as snow is off the ground.

The new unit is slated for completion in time for the 1962 fall term. This project, included in a five-year program of school construction here, was approved by voters last year.

In addition to 10 classrooms, the new unit would have a central heating plant, kitchen, administration office and toilet facilities. The school addition, designed by the Bay City architectural firm of Brysselbout, Starke and Hacker, would be of brick veneer construction.

Next step in the school construction program would be a new general purpose room and kitchen at the East Tawas unit. This phase is expected to be completed by 1963-64.

Final step in the program, being financed over a period of five years, would be to provide for construction of a junior high school unit and classroom addition at the high school on M-55.

## Brick Arrives for New School

Students of public and parochial schools of the Tawas area had a day off from their studies Monday, the sixth time this winter that adverse weather conditions have canceled classes. What started out to be a rain Sunday night turned into snow and more than four inches fell before 8:00 a. m. Monday. By afternoon, snow showers turned into rain again.

## Tawas Area Band in Concert Friday

Annual winter concert by junior and senior bands of Tawas Area School will be held Friday night at the high school auditorium. The program will be under the direction of Edward J. Rima. Six numbers of the junior band will start the evening's program. They will include: "The Star-Spangled Banner," Key-Smith; "Night Flight," K. L. King; "Allegro, Adagio and Alleluia," Howard E. Akers; "Miniature Chorale and Fugue," Charles Carter; "Blue Tango," Leroy Anderson.

A brass sextet will play the selection, "Soldiers' Chorus from Faust," by Gounod-gordan. The sextet includes William Ruckle and Michael Bischoff, cornets; Marge Nagy, horn; Thomas Merschel, trombone, and John Roach, bass. Heading selections by the senior band will be the "Trombone King March" by K. L. King. This number will be followed by "The Pearl Fishers Overture," Bizet-Caillet; "Pageant," Vincent Persichetti. A horn octet will present excerpts from the overture, "Der Freischutz," by Von Weber-Zamecnik. Included in the octet will be Richard White, Leland Moffatt, Barbara Edwards, Lyna Vance, Nancy Laidlaw, Connie Kindell, Marge Nagy and Barbara Binder. This will be followed by a descriptive novelty, "Night Beat," by Harold L. Walters. The flute sections of both junior and senior bands will be featured in "Beguine for Flutes," by Eric Osterling. Closing the program will be the traditional John Philip Sousa, "The Stars and Stripes Forever." Assisting Mr. Rima will be Stanley McKay, senior band student director, and Gary Binder, student director for the junior band.

## Sportsmen Apply for Surplus Corn

Plans are now being made by the Iosco Sportsmen's Club to feed surplus corn to this area's wintering deer herd which is now on a starvation diet.

According to club president, Albert Duquette, 1,100 bushels of corn are now on order with the Commodity Credit Corporation which has made the grain available to the Michigan Department of Conservation.

Decision to furnish surplus grain to this area as a means of feeding deer threatened with serious loss by starvation, was reached after the Bureau of Sport Fisheries and Wildlife agreed that an emergency situation exists.

Application for the corn was approved in February by the department of conservation and is to be released from a Saginaw storage site. Duquette said that the sportsmen's club had not received notice yet as to the release date.

The corn is to be distributed to 22 individuals and clubs in this county which will handle the feeding program. Wintering deer in 27 sections of the county are to be fed. Area to be covered under the program amounts to approximately 17,200 acres.

Duquette said that the surplus corn was to supplement present emergency feeding measures now being undertaken by area sportsmen.

He said that many individuals were cutting browse for the deer, along with feeding bean straw, potatoes, concentrated pellets and other foods.

Of the grains, corn is probably the most satisfactory for feeding deer. However, when deer have been on a starvation diet suddenly have a chance to eat corn, they gorge themselves and die.

For this reason, corn is to be distributed in many small containers placed 10 feet or more apart. After they feed on corn for a time, the danger becomes negligible.

### Deer Survival Club Urges Participation

With Sunday's snowfall of three inches or more, Andy Dolak, president of the Iosco Deer Survival Club, again called upon sportsmen of this area to assist in the fight to stave off deer starvation.

"We have a serious problem facing our deer herd," said Dolak. "It has been hard-hit and with Sunday's storm, the situation has worsened."

Dolak said that all sportsmen can help the deer herd fight for survival by cutting browse, putting out apples, potatoes, hay, grain and other feeds.

He said this feed should not be placed in a pile, but should be spread out in order to give more deer a chance to eat.

The large build-up of snow in the wooded areas of Northeastern Michigan have caused a serious problem to the wintering deer herd.

Dolak said that only the complete cooperation of local citizens could avert a possible mass starvation of deer.

### Keep Dogs Under Control, Warns Sheriff

Sheriff Ivan O'Farrell again warned this week that dogs found running deer in Iosco County would be shot by members of his department.

O'Farrell and Conservation Officer Arthur G. Leitz toured the deer area Saturday and shot two dogs which were on the trail of a doe.

The sheriff said that owners should keep their dogs under control at all times and especially at this time of year when the deer herd is in a weakened condition.

## Tawas Band Wins Top Rating at Oscoda Festival

Tawas Area High School Band, under Director Edward J. Rima, received the highest rating given to class B bands participating in the day-long District Nine Band Festival at Oscoda Area High School last Saturday.

Among five class B schools entered, Tawas Area Senior Band was the only one to receive four straight first division or "T" ratings.

In addition, the Tawas Area Junior Band also received an overall first division rating on the basis of receiving two first division and a second division rating in concert, plus a second division rating in sight-reading.

Rosecommon High School Band was the only class C unit to receive four first division ratings. Bands were judged on the basis of tone, intonation, technique, general effect, interpretation, rhythm and sight-reading ability.

Each band performed one required and two selected concert numbers, in addition to two sight-reading selections. Each group was limited to a 25-minute concert performance.

Bands receiving first division ratings are eligible to participate in the state band festival in April. Although the Tawas Area Junior Band will participate in the junior

### Board of Review to Meet Again

After holding its initial session last Tuesday, Tawas City's board of review adjourned until March 28-29 to meet the public and discuss tax assessments on property.

Tax rolls of the city are open to observation to any taxpayer who might wish to compare his assessment with others in the city.

If, after a careful look, he believes his assessment is too high, he may meet with the board and ask them to review his case.

After studying the details of this property and others like it, the board can lower or keep the assessment at the same level.

Mayor George Tuttle reports that a number of taxpayers attended the first session of the board of review last week. Some adjustments were made.

Sitting on the board are the three supervisors, mayor and city clerk.

### Kiwansians Slate Visit to Bloodmobile Mar. 30

Each member of the Tawas Kiwanis Club is to give a pint of blood during the March 30 visit of the Red Cross Bloodmobile. If unable to do so, a member would find someone to take his place in line.

This plan developed Tuesday after Louis Awalt, chairman of the Iosco County Blood Bank, stated that this county would lose this important service if blood donors were lacking this month.

Speaking at the club's weekly luncheon meeting at the Barnes Hotel, Awalt stressed the need and importance of a blood bank and the necessity of volunteer contributors in the program.

## In House— Mielock Pushes Legislation for Bottom Lands

According to a report received here Monday, a showdown over proposed submerged land legislation is due to take place soon in the Michigan House of Representatives.

A bill which would enable National Gypsum Company to buy 15 acres of submerged land occupied by its Port Gypsum installation south of Tawas City was reported out of the state affairs committee, according to John Watkins, gypsum company attorney.

Chief sponsor of the bill is Rep. James P. Mielock, Republican of Whittemore.

At the present time, the multi-million dollar installation is allowed to occupy state-owned lands through a permit from the department of conservation. The company wishes legislation to enable the structure to become permanent on its own property.

At a meeting held at the capitol last Wednesday, property owners in the vicinity of the installation lodged protests against such legislation. They were backed by representatives of the state conservation department and the attorney general's office.

J. Richard Newman, East Tawas attorney, told the house state affairs committee that the bill "is nothing more than an attempt to get National Gypsum off the hook as to a damage suit in Iosco County."

Adjacent property owners have filed suits seeking approximately \$500,000 for damages allegedly caused to lake shore property by the dock, which is used to load ships with gypsum taken from a quarry inland.

Representative Mielock argued that "We should have 20 more installations like this one around the state. The bill would clarify the attitude of the legislature toward expansion of industry in Michigan—do we want more of it or don't we?"

Mielock said that "all this company wants is the same deal given Abitibi Paper Company of Alpena, Consumers Power Company of Bay City and Detroit Edison at Port Huron when they bought submerged land."

Dr. Malvern F. Obrecht, president of the Lake Huron Beach Property Owners Protective Association, asserted that the suits "have been stalled in the circuit court" for more than a year.

He said a bill introduced this year to set up state-wide regulations on construction of commercial docks and wharves on inland and Great Lakes waters should be passed before any sales are made to individual firms. Adoption of such a bill by the state legislature has been urged by the Iosco County Board of Supervisors, municipalities and various public groups in this area.

I pledge allegiance to the flag of the United States of America and to the republic for which it stands; one nation, under God, indivisible, with liberty and justice for all.

### Photos Tell Story—

## Car Inspection Law Is Urged

These cars were photographed on streets and roads in Michigan—not in a junkyard. And they point up the need for legislation requiring periodic inspection of motor vehicles, according to Byron J. Nichols, general manager of Chrysler Corporation's Dodge Car and Truck Division. Nichols, the first automobile executive to actively support required inspections, says: "Brakes that fail, headlights that won't work, tires that are badly worn—all these can cause accidents. Even without supporting statistics, common sense tells us this is true." In a recent survey conducted for Dodge, 74 per cent of the automobile clubs responding to an inquiry said they favored State-required motor-vehicle inspection. Such inspections are also supported by the National Safety Council, the Automobile Manufacturers Association and the Auto Industries Highway Safety Committee.

Read Psalms 116:1-9

Let the wicked forsake his way, and the unrighteous man his thoughts; and let him return unto the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon. (Isaiah 55:7)

Anxious that a photograph of her be good, a woman tried to impress the photographer with that idea. "You need not worry," he said. "My picture will do you justice." The woman answered, "But I don't want justice. I want mercy."

We all need mercy: For, as Paul says, "All have sinned, and come short of the glory of God." Simple justice is a phrase we used and in many areas it is good. But justice for the sinner would mean condemnation and punishment.

Even without Paul's assertion, our hearts tell us we have sinned. We are guilty of doing what we should not have done. What may be even worse, we are guilty of leaving undone what we should have done.

The law calls for justice, but Christianity stresses mercy for all who forsake their evil ways and thoughts and return unto God with sincere pleas for forgiveness.

### PRAYER

We confess our sins, O God, and turn to Thee for pardon. Have mercy upon us. Give us power this day to resist temptations to do evil. In Christ's name we pray. Amen.

## PICK A SIZE, PICK A PRICE

## PICK A DODGE!!!

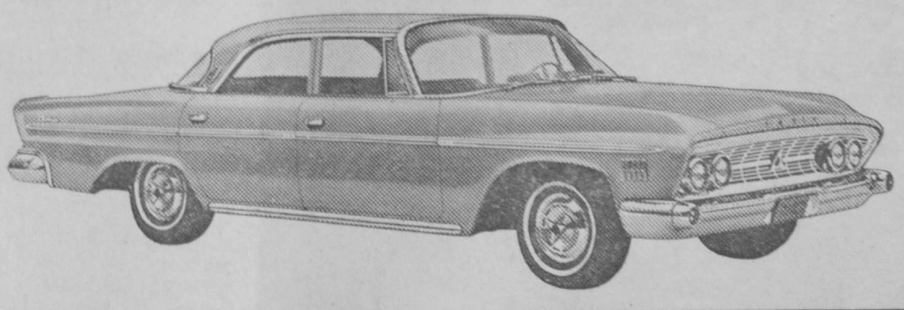

Now there's a Dodge in every size. Compact, new size, and big. Lancer is the compact; Dart is the new size; the Custom 880 is the big one. And it's plenty big. But these cars are different in more than just size. They differ in style, in room, in power and appointments and, of course, in price. You pick what you want in a car, and get it in Dodge. These automobiles are different, sure. But they have

a lot in common, too. Each has a rustproofed, unitized body. Each gives you low-friction steering and Torsion-Bar suspension—called best by the experts. Each has a high-speed starter for fast starts and a high-output alternator that keeps the battery charged up even at idle. Each car goes 32,000 miles between grease jobs. Drive Dodge. Any Dodge. You'll find that a Dodge car is your best pick in any size and at any price.

### BIG DODGE CUSTOM 880

This one is big, all right. Almost 18 feet long, 122" wheelbase. Seats are chair-high. A big 361 cu. in. V8 belts out 265 horsepower. Custom-made for the big car man. Manufacturer's suggested retail price, exclusive of destination charges, Super Spinner wheel covers, white walls: **\$2964**

### DODGE CUSTOM 880 4-DOOR SEDAN

### DODGE DART 2-DOOR SEDAN

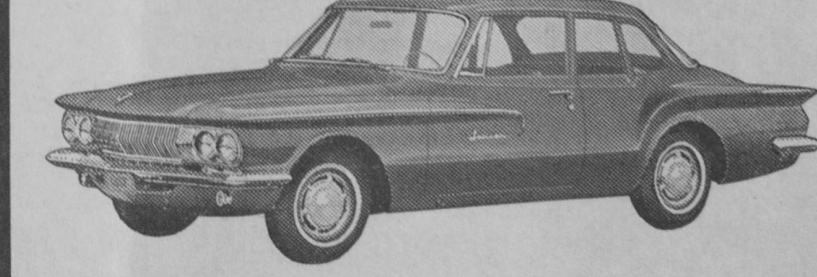

### NEW SIZE DODGE DART

Sized right in the middle of the big and little. Two feet shorter than America's longest car; two feet bigger than the smallest. The most powerful standard 6 engine in the business. The standard V8 beats anything near Dart's price. Manufacturer's suggested retail price, exclusive of wheel covers, destination charges, white walls, for Dart 6-cylinder, 2-door sedan: **\$2241**

### COMPACT DODGE LANCER Car Life calls Lancer America's best handling compact. You'll call it America's quickest when you try its zing. The standard 170 cu. in. 6 has the power you pay extra for in other compacts. Want to do more than just save gas? Lancer is your answer.

Manufacturer's suggested retail price, exclusive of destination charges, white walls and wheel covers: **\$1951**

## Hale Area News

**Hale Lions Directors Met Monday Evening**

Activity was in evidence among the 40 members of the Hale Lions Club this past week with the regular monthly directors meeting on Monday evening.

Again this year, the Lions are sponsoring a boy to Wolverine Boy's State at Lansing under the direction of the American Legion. The directors also voted to pay for the Christmas street lighting again this year.

Sight conservation is the job of all Lions Clubs and Hale Lions this week agreed to purchase glasses for three children and pay for the eye examinations of a family in need.

Chester Pawlaczky of AuGres, zone chairman, conducted his second required meeting of area Lions Clubs with the Eastern Star ladies serving dinner to 20 members and their wives. This was an event of March 4.

Gerald Wyatt, Lions deputy district governor, was at Houghton Lake to attend a cabinet meeting with other officers of District 11-E Sunday. He reported to the district governor that four residents of Hale plan to attend the Lions International convention at Nice, France, in June of this year and to include a 22-day tour of Europe. Those attending will be Lion President and Mrs. Earl Bielby and Past Lion President and Mrs. J. Morley Stevenson.

### Fire Dept Auxiliary Holds Successful Card Party

The South Branch Volunteer Fire Department Auxiliary held a successful card party at the 60 Lakes Club building February 28. Thirty-two guests attended and enjoyed games of euchre, pinocle and pedro.

Funds from this project and those to be held in the near future will go toward purchase of improved equipment for fire fighting and handling other emergencies. Mrs. John Harmon, president of the organization, has plans for activities during the coming months and wishes to thank all who have supported these efforts.

### Club Prexy Thanks Members for Support in Improvement Program

At the February 27 meeting of the 60 Lakes Club, Mrs. Edwin Sharp, president, thanked club members for their support in obtaining new storm windows, a new door and storm door for the club building, making much-needed improvements in the appearance of the building.

The calendar of events for the next few months includes a spring auction sale of all items that can be collected and contributed; such as, household goods, tools, dishes, jewelry, curtains, drapes, clothing

and any other articles anyone wishes to contribute. It is the sincere hope of club members that enough funds can be raised from this project so that early in the summer, a 20th birthday anniversary celebration can include burning of the building's mortgage.

Initial plans were also made for a mother-daughter banquet and a July 4 barbecue. The club is also cooperating with the South Branch Volunteer Firemen's Ladies Auxiliary in projects to raise money for new equipment for the fire department.

Every Thursday night, euchre parties are held at the club, 8:30 p. m., to which the public is cordially invited.

It goes all the way up to the roof. Only Rambler has Deep-Dip rustproofing—entire body immersed in primer paint right up to roof—plus 8 other body rustproofing steps.

**What's different about Rambler's brakes?**

They stop when other brakes can't. Double-Safety Brake System has tandem master cylinders. If front brakes fail, rear brakes still work and vice versa. Self-adjusting brakes standard, too.

**What's different about Rambler's headroom?**

It's greater than any other American car's. Rambler Classic 6 and Ambassador V-8 beat all other makes in front-seat headroom (even Cadillac)—can seat six 6-footers easily.

**What's different about Rambler's muffler and tailpipe?**

They won't rust out. Ceramic-Armored muffler, tailpipe guaranteed against defect as long as you own your new Rambler. If either rusts out, collision damage excepted, a Rambler dealer makes free replacement.

**What's different about Rambler's prices?**

They're America's lowest. Only Rambler brings you America's lowest suggested retail prices for convertible, 2-door and 4-door sedans and wagons—all quality-built with Rambler excellence.

# Cards Eliminated From Tourney by Roscommon

Whittemore-Prescott Area Cardinals' tourney trail was very short this year as Roscommon dropped them, 57-50, in the opening game at Roscommon last Tuesday night.

The Cards started things off right with a quick 10-4 lead, but Roscommon cut this down to a one-point edge at the end of the first quarter.

The lead changed hands with almost every basket until Cornett dropped in six straight points to give the Bucks a 28-24 lead.

The Cards trailed at intermission, 30-28, but Ray Pagel brought the Iosco team to within one point of the Bucks, 31-30, as the third quarter started. Cornett, the Bucks' sharpshooting center, made his 10th field goal in 10 attempts to give them a three-point edge.

Ray Pagel's shot from the corner cut the lead to one point again, but Johnson and Jansen scored six points for the Bucks to give them a seven-point lead. Ron

Armstead's lay-up as the fourth quarter started brought the Cards to within one point again.

A bad foul with six minutes to go gave the Bucks the break they needed as they scored four points, giving them a lead they protected well until the final whistle.

The Cards' lack of a playmaker on offense again caused their downfall. The Pagels controlled the boards well, but lacked the support out front on defense.

Cornett was the scoring star of the game with 25 points. Ray Pagel led the Cards with 20, followed by Ron Armstead with 19.

## MRS. JOHN FURST

Funeral services were conducted Monday at Grace Lutheran Church, East Tawas, for Mrs. John Furst of Alabaster Township, who died March 9 at the home of her daughter, Mrs. Melvin Brown of Whitney Township, following a long illness. The Rev. William Lindholm officiated. Bural was in Alabaster Cemetery.

Born at Pedore, Finland, in 1881, she was the former Hannah Wilhelmina Leif until her marriage in 1907 at Tawas City. She was a member of Grace Lutheran Church.

Survivors include her husband, John; two sons, Walter of Tawas City and Leonard of Alabaster; four daughters, Mrs. Lorena Klish of Tawas City, Mrs. Elna Brown, Mrs. Helen Argle of Saginaw and Mrs. Inez McCue of Wilson, New York; 10 grandchildren and four great grandchildren.

## Funeral Services Held for Bay City Electrical Contractor

Funeral services will be held today (Wednesday) at Zion Lutheran Church, Bay City, for Walter G. Priem, Bay City electrical contractor. Mr. Priem was well known in this area, as his firm had been contractor for electrical work at Tawas Area High School and other public buildings.

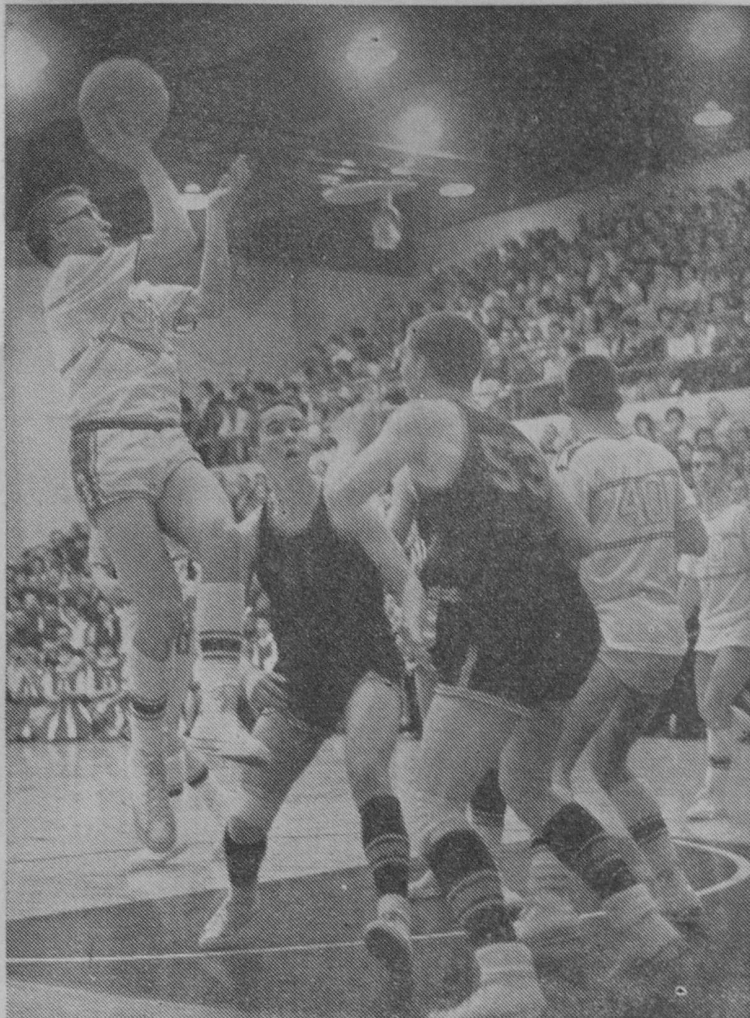

Mr. Priem died March 10 at his daughter's residence at Bay City. Born in Monitor Township January 2, 1893, he had lived all of his life in the Bay City area.

He is survived by his wife, Edna M.; four sons; one daughter; nine grandchildren; one sister, and one brother.

He was a member of the Lutheran Layman's League, Lutheran Fraternities of America and of the Bay County Electrical Contractor's Association. He had been engaged in the electrical business 40 years. The body is at Gephart Funeral Home, Bay City. Burial will be in Floral Gardens Mausoleum.

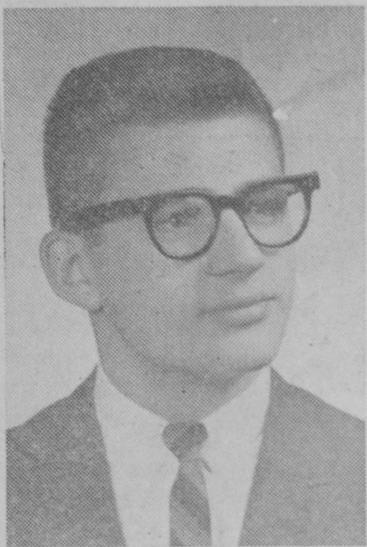

A NEW redemption center for Top Value Stamps was opened March 5 at the Tawas Kroger Store. Saver books are now redeemed by mail order when the customer brings his books to the store. An order is made out and mailed direct to the Top Value Company at Dayton, Ohio. No charge is made for postage or handling. Items are mailed directly to the customer within seven to 10 days. Some 51 premiums are displayed at the store and the customer may make his selection from Top Value Catalog.—Tawas Herald Photo.

## Former TA Student Leading Scorer in Saginaw Valley

Leading scorer in the 24-school class C-D Saginaw Valley Basketball League was Charles Mercer, son of the Rev. and Mrs. C. E. Mercer of Mayville.

Charles, who attended Tawas Area High School until his junior year, totaled 403 points in 17 games during the recent season for a 23.7 per game average. Scoring 40 points in a game March 2 against Reese, Mercer broke the Mayville High School scoring record which had been established in 1957. His 403 points in 17 games also broke the school's record of 399 points compiled during 22 games in 1949.

Mercer had a field goal percentage of 46 percent and was successful in 73 percent of his free throws. The Mayville High School team finished the season with a record of 13 wins and four losses.

## Tawas Braves Lose to WB Orioles in Tourney

Tawas Area Braves came to the end of the 1961-62 basketball trail Thursday night when they dropped a 69-63 decision to West Branch in the class B district tournament at Standish-Sterling.

The Orioles and Braves battled on even terms throughout the game, Tawas holding a 34-30 bulge at halftime.

West Branch took the upper hand in the second half, however, as Center Larry Forney came to life under the basket and scored 23 points.

The Orioles held a 50-49 edge at the end of the third quarter, but Tawas bounded back to go ahead in the fourth quarter. The Branchers finally put the game on ice with a 19-14 scoring bulge in the final stanza.

West Branch had three players in double figures, led by Forney's 23 points. Following him were Wayne Keith with 19 and Glen Johnson with 12.

Leading the Braves were Herm Rollin and Louis Werth, each hitting 16 points.

Standish-Sterling Panthers won the class B district Saturday night, defeating the Orioles in a thriller, 47-46.

COUNCIL PROCEEDINGS

Meeting of the council held at the Tawas City Hall February 19, 1962.

Meeting was called to order by Mayor George Tuttle.

Roll call: Cabbie, Davis, Evril, Hutton, Murray, Wegner and Attorney Cotter.

Minutes of the previous meeting were read and approved.

The following building permit was read to the council by Supt. Reginald Bublitz: Dr. James E. Jacques, 27x24 building, at 1162 Bay Drive, convert garage to living room and add a second story to the garage, estimated cost, \$7,400.00.

Permit of approval made by Superintendent Bublitz.

Steve Ezo presented a complaint before the council on the parking of trucks in front of their home causing undue noise from the running motors which disturbed their rest at night. Perry and Mrs. Crooker were present and mentioned that the trucks parked there for a short time while the men got a lunch. Some of the trucks are able to stop their motors but the diesels could not. It was agreed between Mr. Ezo and the Crookers that they would mention the problem to the men and see if it would be possible that they would park further down the street.

Minutes of the planning commission meeting which has held February 1, 1962, were read by Superintendent Bublitz. A report of the business of the board was explained. Motion by Davis and seconded by Murray that the report of the planning commission be accepted as read.

Roll call: Ayes, Cabbie, Davis, Evril, Hutton, Murray and Wegner.

A meeting of the finance committee was scheduled for February 27 for the purpose of discussing salaries for the employees of Tawas City.

Meeting adjourned.

### Tawas Hospital Memorial Cards Now Available

It was announced at the March 6 meeting of Tawas Hospital Auxiliary that memorial cards are available at funeral homes, hospital and chamber of commerce office. Anyone desiring further information concerning the cards is asked to call Mrs. Frank Wilkusi, president of the auxiliary.

Through various projects during 1961, the auxiliary was able to furnish the remainder of the cubical rods and curtains for the patient's rooms, a piece of laboratory equipment, nurse's scholarship and a bottle warmer for the nursery.

Plans are under way for the annual Easter Monday Card Party.

## Herm Rollin and Ray Pagel Named to NEM All Conference Team

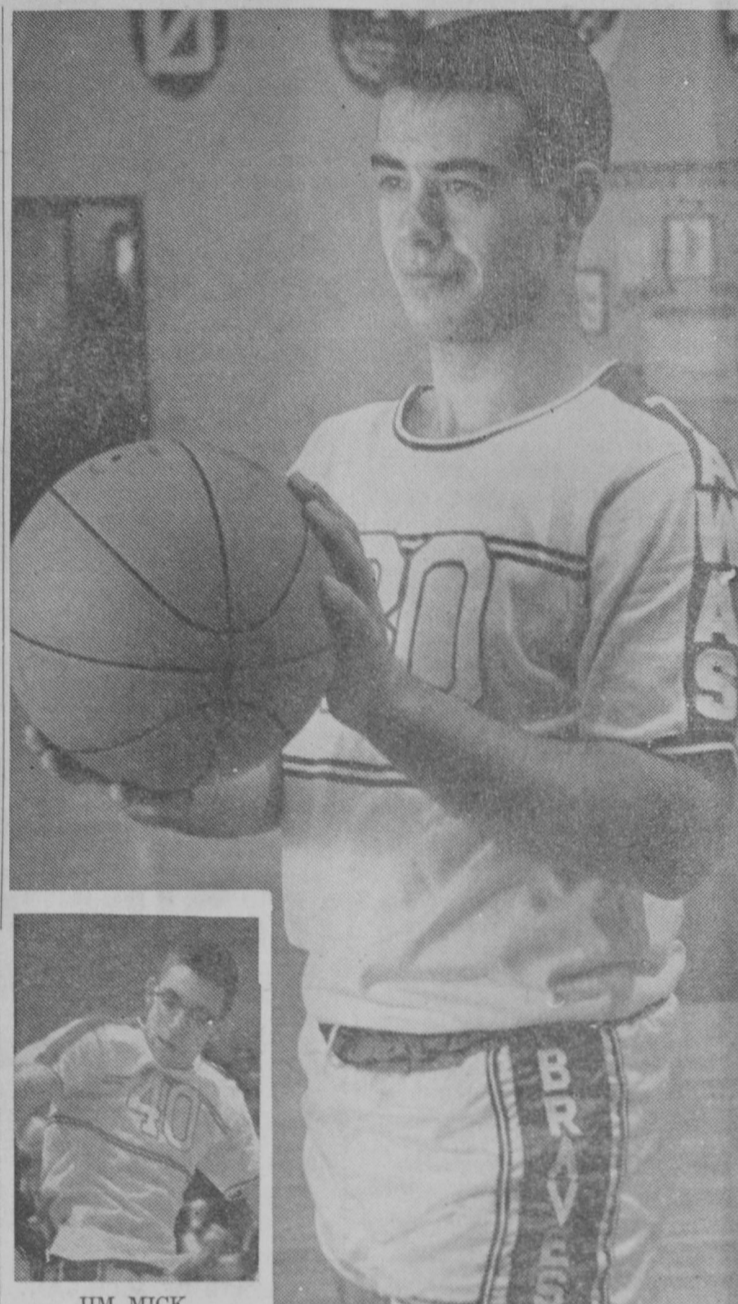

Herm Rollin of the Tawas Area Braves and Ray Pagel of the Whittemore-Prescott Area Cardinals were Iosco County's two selections to the Northeastern Michigan All-Conference basketball squad.

Selections were made Monday night by conference coaches. Rollin, a stand-out guard of three seasons for the Braves, is in his senior year. Pagel is a junior center for the second place Cardinals.

Others named to the first team were Wayne Keith, West Branch junior; Gunnar Johnson, Roscommon senior; Pat O'Keefe, Standish-Sterling junior.

Picked to the second team were Jim Mick, Tawas Area junior; Pat Card, Gladwin senior; Dave Hertzburg, Standish-Sterling junior; Ron Armstead, Whittemore-Prescott junior; J. O. Johnson, West Branch junior, and Walt Cornet, Roscommon junior.

Receiving honorable mention were Tim Flynn, Al Charbonneau and Ken Kuroski, all of Pinconning; Don Humphrey of Tawas Area and Larry Forney of West Branch.

### Social Security Account Explained

If a person is self-employed, he is responsible for the correctness of his own social security account, explained Paul M. Ellifritz, district manager of the Bay City office of the Social Security Administration. Filing complete and correct tax returns will assure you of receiving correct social security benefits.

Mr. Ellifritz emphasized four easy steps for a self-employed individual to take in order to keep his social security account straight: Make sure one's social security number is shown in item four of Form SE (attachment to Schedule C or Schedule F), file tax returns on time, keep accurate records of business income and expenses, check social security account once every three years.

A representative of the Social Security Administration will be in Tawas City at the Iosco County Building, Thursday, March 22, 10:30 a. m.

A meeting of area boards of education is to be held at Pinconning High School Friday night, 8 o'clock, to discuss this problem with members of the legislature. Interested citizens are invited to attend.

In other business Monday night, the board of education authorized the leasing of a nine-passenger station wagon from William Look and Sons for the school driver training program.

Authorization was given to purchase 10 new band uniforms in cooperation with the Tawas Area Band Booster Club.

Contracts have been issued to members of the school faculty. Deadline for returns is April 1.

## Legislators to Talk Over State Aid Formula Friday

Five or six members of the state legislature will meet with the School Board Association of Reorganized Schools at Pinconning Friday night to discuss proposed changes in the state aid formula and learn more about the problems of reorganized school districts.

Member boards officially formed their organization last January, hoping to get more attention from state educational leaders and legislators by speaking as a group rather than as individuals. All local area schools are members of the organization.

All representatives and senators included in the area served by the nine member schools will be there along with Rep. Raymond C. Wurzel, who has sponsored the school aid bill given the best chance of passing both houses of the legislature this year.

With the assistance of Alfred LaPorte, Arenac County Republican Committee chairman, the group has confirmation from Rep. Walter Nakkula, Gladwin; Rep. Lester Begick, Bay City; Rep. James Mielock, Whittemore; Sen. Harold Hughes, Clare, and Sen. Lynn Francis, Midland, in addition to Representative Wurzel.

All school board members of the area, parent-teacher association officers, county officials and interested citizens are urged to attend this open meeting to be held in the Central Elementary School at Pinconning. The meeting starts at 8:00 p. m.

Schools included in the organization insist that neither transportation payments nor state aid assistance has followed the pattern

promised years ago when the state was encouraging schools to consolidate in order to operate more efficiently and offer better educational opportunities to the students.

Flat increases in the state aid formula have tended to widen the gap between the "rich" valuation districts and the "poor" ones. School administrators pointed out

at the group's organization meeting that deductible millage factor had not been increased fast enough to allow state aid to do the job for which it was originally intended... to equalize the financial ability of rich and poor districts and thus furnish an equal education to all students in the state.

## FRENCH BREAD

1 pkg. Fleischmann's Active Dry Yeast  
1 1/4 cups very warm water  
3 tablespoons soft shortening  
1 1/2 teaspoon salt  
4 cups Gold Medal Flour

In mixing bowl, dissolve yeast in very warm water. Stir in shortening, salt. Mix in flour in two additions, with spoon, then hand, until easy to handle. Turn onto lightly floured board; cover. Let rest 10 minutes. Knead until smooth and elastic. Round up, place in greased bowl; cover with cloth. Let rise in warm place (85 degrees) until double, 1 1/2 to two hours. Punch down; let rise again until double, 45 minutes. Punch down; cover; let rest 15 minutes. Roll into an oblong, 15 by 10 inches. Roll up tightly, seal edge.

With hands, roll to taper ends. Place on lightly greased baking sheet. Make slashes two inches apart on top. Let rise uncovered about one hour. Put pan of water in oven on top shelf 30 minutes before baking. Brush bread with water and bake 20 minutes in 375 degree oven. Then brush with mixture of one egg white and two tablespoons water. Return to oven and bake 25 minutes longer.

## To Make Salty Bread Sticks . . .

Make French Bread (above) except shape into 20 eight-inch pencil lengths. Place on lightly greased, corn meal-coated baking sheet. Brush with one egg white mixed with two tablespoons of water. Sprinkle with salt and caraway seeds. Let rise, about 30 minutes. Bake 20 to 25 minutes in 425 degree oven.

## APPETIZING YEAST BREADS

Country Casse-rolls are just about the most appetizing yeast breads ever to come hot from the

oven. Tiny, round balls of dough are placed side by side in casserole or pie pan and rise up to become airy, flavorful rolls.

Perfect for serving at the table, they cling together like a round loaf of bread—you simply pull them off one by one! And "cas-

se-rolls" can be baked in any 1 1/2 quart baking dish, 2 3/4 inches deep, or any nine-inch pie pan. Dipping rather than sifting flour means faster preparation, yet the same assured baking success, and these rolls are perfect for baking ahead and freezing. Since one recipe makes two batches, pop one in the freezer ready to go on the table on short notice with the same freshly-baked, yeast bread flavor.

Here is the recipe:

## COUNTRY CASSE-ROLLS

1/4 cup warm water (not hot—110 to 115 degrees)  
1 pkg. active dry yeast  
3/4 cup lukewarm milk, scalded then cooled

1/4 cup sugar  
1 tsp. salt  
1 egg  
1/4 cup shortening  
3 1/2 to 3 3/4 cups unsifted\* Gold Medal Flour

\*To measure flour, dip nested dry measuring cups into flour, level off with straight-edged spatula.

In mixing bowl, dissolve yeast in warm water. Stir in milk, sugar and salt. Add egg, shortening and half of flour; mix with spoon. Add rest of flour; mix with hand. Turn onto lightly floured board. Knead until smooth and blistered, about five minutes. Round up in greased bowl; bring greased side up. Cover. Let rise in warm place (85 degrees) until almost double in bulk, 1 1/2 to two hours. (If kitchen is

cool, place dough on rack over a bowl of hot water and cover completely with a towel.) Punch down, round up; let rise again in warm place (85 degrees) until almost double, 30 to 45 minutes. Divide dough in half. Put one-half back in bowl and cover until ready to shape. Cut the other dough in 32 small pieces. Form each piece into a small ball and place very close together in an 1 1/2-quart baking dish, 2 3/4 inches deep. Shape the other half in the same way. Place in another baking dish or 9-inch pie pan. Let rise in warm place (85 degrees) until double, about one hour.

Heat oven to 375 degrees (quick moderate). Bake 20 to 25 minutes, until nicely browned.

"I use electric kitchen appliances in my demonstrations just as I do at home," says Susan. "You'll see why I have an all-electric kitchen when you come to my cooking school this Wednesday and Thursday . . . and right now I can tell you electric cooking is cleaner and more accurate than any other method!"

MARGARET MIELOCK, Consumers Power Company Home Service Representative, will assist Susan Lowe with her preparations and demonstrations. Margaret is well known in this area through her many appearances at appliance stores, home shows, schools and other functions.

## Here are Taste Treats for Your School Lunches

Looking for something new to pack in school lunches? You will find this easy nut bread just the thing to perk the scholar's appetite and glamorize a morning coffee session, too!

If you are a banana bread fan, you will cheer for this quick-to-fix recipe, based on handy biscuit mix. And just substituting orange juice and rind creates an orange nut loaf that is delectable.

Here is the versatile recipe:

### NUT BREAD

1/2 cup sugar  
1 egg  
1 1/4 cups milk  
3 cups Bisquick  
1 1/2 cups chopped walnuts  
Mix sugar, egg, milk and biscuit mix. Then beat vigorously for 30 seconds. Batter may still be slightly lumpy. Stir in walnuts. Pour into well greased loaf pan, 9 x 5 x 3 inches. Bake 45 to 50 minutes at 350 degrees, until toothpick stuck into center comes out clean. Crack in top is typical.

### BANANA NUT BREADS

Follow nut bread recipe—except use 3/4 cup sugar and only 1/2 cup milk. Use only 3/4 cup chopped nuts and add 1 cup mashed bananas (two or three bananas).

### ORANGE NUT BREAD

Follow nut bread recipe—except use 3/4 cup sugar and instead of milk use orange juice plus one tablespoon grated orange rind. Use only three-fourths cup chopped nuts. Bake 50 to 55 minutes.

## Everyone Will Love You for These Rolls

### DOUBLE-QUICK ROLLS

1 pkg. Fleischmann's Active Dry Yeast  
1 cup very warm water  
2 tablespoons sugar  
2 1/4 cups Gold Medal Flour  
1 teaspoon salt  
1 egg  
2 tablespoons soft shortening  
In mixing bowl, dissolve yeast in very warm water. Stir in sugar, half of flour, salt. Beat until smooth. Add egg, shortening. Beat in rest of flour until smooth. Scrape down sides; cover. Let rise in warm place (85 degrees) about 30 minutes. Stir down batter. Spoon into 12 greased large muffin cups, filling half full. Let rise in warm place until dough reaches tops, 20 to 30 minutes. Bake 15 to 20 minutes in 400 degree oven. Makes 12 rolls. Sprinkle with poppy or sesame seeds to vary.

## When March Winds Blow, It's Time to Start Baking Bread

By SUSAN LOWE  
Cooking School Demonstrator

When the March winds blow, then is the time when it is most fun to bake—bread especially. Some of you may remember how your mothers set bread the night before, letting it rise on the back of the old iron cookstove overnight. And oh, how good that bread smelled and tasted as you bounced in from school and the men came in from doing chores!

Times have changed, we grant, for we have new appliances with which to accomplish wonders, and now we have the advantage of modern yeast in active dry or compressed form, either of which steps up and simplifies our bread making process, but homemade bread still tastes just as good as it ever did.

Furthermore, we have found we can obtain new and interesting results not only by adding raisins and nuts, but by using bananas, pineapple, cranberries and even cheese. This applies not only to yeast bread in loaf form and to rolls, but also to quick breads.

### RAISIN CARAWAY CASSEROLE BREAD

- 2/3 cup hot water
- 1/2 cup sugar
- 1 1/2 teaspoon salt
- 1/4 cup shortening
- 1/2 cup warm, not hot, water (lukewarm for compressed yeast)
- 2 packages or cakes yeast, active dry or compressed
- 1 egg, beaten
- 3 1/4 cups sifted flour
- 1 cup seedless raisins
- 1 teaspoon caraway seeds (optional)

Mix together hot water, sugar, salt and shortening. Cool to lukewarm. Measure one-half cup water into mixing bowl (warm, not hot, water for active dry yeast; lukewarm water for compressed yeast). Sprinkle or crumble in yeast. Stir until dissolved. Stir in lukewarm water mixture. Add egg, flour, raisins and caraway seeds. Stir until well blended, about two minutes. Let rise in warm place, free from draft, about 50 minutes or until more than doubled in bulk. Stir down. Beat vigorously about one-half minute. Turn into greased 1 1/2-quart casserole. Bake uncovered in hot oven at 400 degrees Fahrenheit about 45 minutes.

### BANANA NUT QUICK BREAD

- 1 3/4 cups sifted flour
- 2 3/4 teaspoons double-action baking powder
- 1/2 teaspoon salt
- 1/2 cup chopped nuts
- 1/2 cup shortening
- 2/3 cup sugar
- 2 slightly beaten eggs
- 1 cup mashed ripe bananas\* (3 to 4)

\*Use fully ripe bananas... yellow peel flecked with brown. Sift together flour, baking powder, salt. Add nuts; blend. Place shortening in mixing bowl and beat until creamy and glossy, 300 strokes by hand or two minutes at medium speed on electric mixer. Gradually add sugar to shortening, beating until light and fluffy after each addition. Add eggs and beat until thick and pale lemon in color. Add flour mixture and bananas alternately, blending thoroughly after each addition. Grease bottom only (not sides) of a loaf pan (approximately 4 1/2 x 8 1/2 x 3 inches). Turn batter into pan. Bake in a moderate oven (350 degrees Fahrenheit) 60 to 70 minutes or until bread is done. Let bread partially cool in pan (20-30 min-

utes) before turning out onto rack. Cool thoroughly before wrapping for storage. Makes one loaf.

### BRAN PINEAPPLE BISCUITS

- 1/2 cup ready-to-eat bran
- 2/3 cup milk
- 1 1/2 cups sifted flour
- 3 teaspoons baking powder
- 1 teaspoon salt
- 1/4 cup shortening
- 1/2 cup crushed pineapple, well drained
- 1/4 cup sugar
- 1 teaspoon cinnamon

Soak bran in milk. Sift flour, baking powder and salt together. Cut in shortening until mixture is like coarse cornmeal. Add soaked bran, stir until dough follows fork around bowl. Turn out on floured board and knead lightly a few seconds; roll into a rectangle eight by 11 inches and one-fourth inch thick. Brush lightly with melted butter and sprinkle with mixture of sugar, cinnamon and pineapple. Roll up like jelly roll and cut in slices. Place cut sides down in greased muffin pans and bake in preheated hot oven (450 degrees Fahrenheit) for about 18 minutes. Yield: 12 biscuits.

### Muffins—

## A New Way to Bake an Old Favorite

### CHEESE NUT MUFFINS

- 2 cups sifted flour
  - 3 teaspoons baking powder
  - 1/2 teaspoon salt
  - 3 tablespoons sugar
  - 1/4 cup chopped nuts
  - 1 cup grated sharp cheese
  - 1 egg
  - 1 cup milk
  - 3 tablespoons melted shortening or salad oil
- Sift dry ingredients together. Mix in nuts and grated cheese. Combine liquid ingredients; add to dry ingredients, mixing only until all flour is moistened. Fill greased muffin cups 2-3 full. Bake in hot oven (450 degrees) 18-20 minutes. Serve warm. Yield 12 muffins.

# -- Sewing Ideas from Nancy Baxter (Write to The Tawas Herald) for Free Instructions --

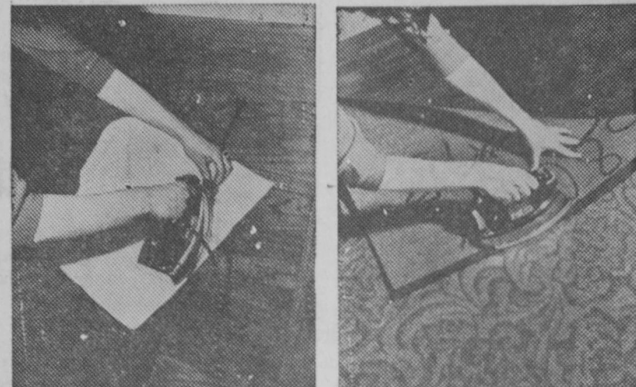

HERE'S GOOD NEWS . . . for you homemakers who want to give a rug a second life . . . It's much simpler than you think to cut down a rug to fit new, smaller quarters . . . to make the large living room to smaller bedroom switch . . . to make little rugs from the best pieces of a rug or carpet that's wearing.

It's simple because the re-binding, which seems such a chore if you have to sew it on, can now be done with a long-lasting, hard-wearing hot iron tape! Bondex comes in a variety of decorator colors. A strip 1 3/8" wide, it's available in a roll or by the yard. Your left over lengths can be used for heavy duty mending of slipcovers, draperies, auto seat covers, hammock and beach chairs, tents, and other heavy cotton and canvas fabrics.

1. First, trim worn edges of rug to make them straight and even. To bind thick, hooked, or axminster rugs, fold the tape in half, and crease, adhesive in. For thinner rugs, fold over one edge of the tape at least one-half inch.

2. Next, fit the edge of the rug tightly into the fold. The narrow side of the tape should be on the nap, or top, side of a thinner rug.

3. Set your iron at cotton heat (350°-400° F.). Place thin pressing cloth over tape and rug to prevent scorching and iron shine. Apply tape to the nap side of the rug by ironing slowly and firmly. Allow the rug to cool for a few minutes before moving.

4. Turn rug over and iron tape in the same way. Pressing cloth is not necessary on the under side. Lastly, turn the rug back over, place it in the spot you've selected, and take pride in the time and money you've just saved yourself.

## Needlecraft News by Nancy Baxter

In any discussion of home decorating, several basic principles come immediately to mind, and, as any experienced interior decorator will tell you, there's one that's by far the most important. This is—every home must bear the impress of its owners own personality.

In our time, the trend is increasingly away from this type of individuality. Many tasks in which the individual could formerly take pride have been mechanized and automated. This trend has pervaded the home, and, in cooking, for example, it's now possible to produce complicated dishes from ready-made, packaged products. When it comes to home decorating, though, it's a different story. It's impossible to produce a ready-made home from a package or from a specific set of directions. You can buy all the expensive, beautiful decorator items you want. No matter how beautiful the individual components are, however, the cement necessary to weld them together into a "home" may still be lacking. The vital ingredient is one individuality, or the stamp of ones personality. When this is blended, a special charm emerges that'll be immediately evident to inhabitants and visitors alike.

**THEORY INTO PRACTICE**  
How do you do this? you ask. How do you capture this extra ingredient, blend it to achieve the desired effect and still remain within the limits of overall good taste? One of the best answers I can think of is through your selection of little decorator items to garnish your household. They're simple and inexpensive to make and since they're of your own choosing, I know they'll be in perfect taste for your home.

**PERFECT EXAMPLE**  
Today's design—an elegant filet dolly is a perfect example of just such an item—one whose delicate design would provide just the individualizing fillip any home needs. Don't wait to start working on it—directions are free. Just send a stamped, self addressed envelope to the Needlework department of this newspaper and ask for Leaflet No. PC-9619. And—you can find other similar and equally exciting designs in the new Booklet entitled "Filet Crochet" available at most variety and novelty counters.

**VERY SPECIAL PRICES**  
Finally, I decided to look into the possibility of making some of these "specialties" myself. Maybe they wouldn't be as difficult as they looked, I reasoned. Maybe, if I sat down and disciplined myself, I could turn out something that looked just as "special." After some experimentation, I discovered that one of the easiest—as well as one of the most attractive—of the "specialties" was Swedish Weaving. For this boils down to a matter of pulling the tapestry needle through the natural loops of a piece of huck toweling. (Designs will always tell you which side of the toweling to use as guide.) Once you get into the rhythm, you'll find that what emerges as an intricate piece of work—requires little more than threading and "steering" a needle.

You know, it's never easy for a brother or sister to grow up in the shadow of one who is just "a little" older. Prizes, Too—

## Helpful Food Hints, Displays Feature School

Entertaining and helpful food demonstrations and the awarding of valuable prizes will highlight The Tawas Herald free cooking school to be held today, March 14, 7:30 p. m., and Thursday, March 15, 1:30 p. m. Men as well as women are urged to attend and view the display booths of local merchants which will be set up at Tawas Area High School Auditorium.

There will be displays of the newest appliance and furniture items available in this area at the auditorium, which will be open one hour before each performance to enable residents of the area to inspect this new merchandise and equipment. Men and women, alike, will enjoy these exhibits and the gift-studded program presented by Miss Lowe.

The school stage will be transformed into the most up-to-date kitchen, with special mirror and lighting to enable everyone attending to see food specialist Susan Lowe demonstrate modern food methods.

Planning interesting exhibits are the following local firms: Consumers Power Company; McKay Sales Company; Cabbie Hardware; Bargaintown; W. A. Evans Furniture Company; C. V. Miller, Jeweler; Fuelgas Company, Incorporated; Barkman Home Outfitters. These businessmen and many others in the community are contributing valuable door prizes. Bags of groceries will also be awarded. Brugger's IGA Market, King's Palace Market and Tawas Kroger are contributing food stuffs to fill these bags.

Miss Lowe has been consulting with the Betty Crocker kitchens on recent extensive testing of baking and freezing products made with Gold Medal Flour. She will give tips on whether to freeze a food before or after baking, wrapping and marking, and how to freshen baked products in the oven before serving.

Subjects to be discussed in the school will provide answers to questions frequently asked by homemakers. The use of the home freezer, for example, has changed from the time of filling the space with sides of beef. Today's entertaining is made more glamorous with bakings prepared ahead and frozen. Yeast breads, muffins, fruit breads, waffles and pancakes, cookies, cakes and main dishes can be prepared when time permits and then frozen quickly to be served later at the fanciest party!

Everyone will want to see the whys and wherefores of the new Betty Crocker "dipping" method of measuring flour. A handy recipe folder of favorite Gold Medal recipes will be given to everyone attending the cooking schools.

How many times have you gone into a lovely little gift shop to look around?—To let your "mental mouth water"? Before I learned some tricks with a needle and thread I used to do this all the time. I'd walk among the counters, looking at displays. I'd pick up a decorated evening sweater . . . a beautifully worked place mat . . . a hankie edged so delicately, it was hard to imagine the hands that had done it. And then I'd look at the price tags on these delicious items . . . and I'd have to shake my head. For it seemed that special-looking items all had

# - Adventure in Your Own Kitchen, If You Use Ingenuity -

## Dishes That Are Different . . .

Perhaps we can't all sail the seven seas in search of adventure but there is adventure awaiting us right in our own kitchens if we will but use our ingenuity and whip up some dishes that are different.

Take Cellini Pie as a start, which incidentally is a main dish, not a dessert, and you will find it one of the most unusual pies you ever flirted with for into that pie goes Swiss cheese, minced onion, garlic, tomatoes, anchovies and un-whipped whipping cream, not to mention the sugar and a bit of lemon juice that go into the pastry. You can bake it in a casserole, but it is more fun made into individual pies.

It is even more fun to seek adventure in the realm of desserts. Try your hand at a Blitz Torte and you have a dessert just out of this world. It's easy—just use your own recipe for a yellow cake—or a yellow cake mix—but use four egg yolks in the batter in place of two whole eggs so that you will have the whites left over for your meringue.

## CELLINI PIE

Pastry for four four-inch pies  
1 small clove garlic, minced  
1 medium onion, minced  
4 slices processed Swiss cheese  
4 small tomatoes, sliced  
12 anchovies, minced  
1 cup whipping cream (un-whipped)

Heat oven to 400 degrees (moderately hot). Mix garlic and onion and spread over pastry in pans. Cover with one slice of cheese on each pie. Dip tomato slices in flour and place on cheese slices (use about three slices for each pie). Top with anchovies. Pour one-fourth cup whipping cream over each pie. Bake 25 to 30 minutes. Do not bake on tray or baking sheet as this retards browning.

## BLITZ TORTE

Heat oven to 350 degrees (moderate). Grease and flour two nine-inch and one eight-inch, round layer pans. Use your own favorite four-egg recipe for a yellow cake. Pour one-half batter into eight-inch layer pan, bake as directed. Divide rest of batter between nine-inch layer pans. Cover batter with meringue (recipe listed).

Sprinkle one-half cup slivered blanched almonds over meringue, then a mixture of one tablespoon sugar and one-half teaspoon cinnamon. Bake about 30 minutes or until toothpick stuck into center comes out clean. Cool. Put cooled layers together, meringue side up, with Custard Cream Filling (re-

cipe below) between. Makes six to eight servings.  
Meringue: Beat until frothy four egg whites and one-half teaspoon cream of tartar. Beat in gradually one cup sugar. Beat until stiff and glossy.

**Custard Cream Filling:**  
1/2 cup sugar  
1/2 cup enriched flour  
1/4 teaspoon salt  
1 1/4 cups milk  
1 egg or 2 egg yolks, slightly beaten  
1 1/2 tablespoon butter  
1 teaspoon vanilla  
1/4 teaspoon almond extract, if desired

Mix sugar, flour and salt in saucepan. Stir in milk. Cool over low heat, stirring until it boils. Boil one minute. Remove from heat. Slowly stir half of the hot mixture into egg. Blend into hot mixture in saucepan. Bring to boil. Stir in rest of ingredients. Chill.

## CAKES WE CAN CREATE—

Though we cannot all sail on the Queen Elizabeth for a course in Parisian cooking, we can enroll in a class of cooking right in our own kitchens and learn to create foods that are new and interesting. For a beginning, we might turn our attention to some new cakes.

Our men all love chocolate so it might be policy to begin with one for their special benefit. It could be Chocolate Symphony, an interesting chocolate cake with layers split and spread with almond-flavored cream filling, then frosted with lush fudge frosting and sprinkled with blanched, slivered, toasted almonds.

Among cakes that are rather special, there is Butter Crunch Cream Torte with butter crunch candy going both into the batter itself and into a custardy filling between layers. Then a thick meringue covers the entire cake!

This is the time of the year when good old-fashioned Apple-sauce Cake comes into its own. You probably have a recipe handed down from your grandmother. Try adding half dates and half raisins along with your broken nutmeats in the batter . . . Ba-

nana Cake is good made with sour milk or buttermilk . . . and for a lift to any white cake, or even an angel food cake, try adding one-half cup maraschino cherries and one-half cup walnuts or pecans.

For a final suggestion, try a Pink Marble Cake, using your favorite white cake recipe for a two-layer cake, coloring one-third of the batter pink with red fruit coloring. Put batter into pans by spoonful, alternating pink and white, then with spatula swirl colors about pans.

Alfred Lunt may sail for Paris to attend cooking classes to perfect his art of cooking, but he certainly cannot have more fun than we do trying out our own ideas right in our own homes.

## A FRANKLY FANCY DESSERT

Riviera Delight is a frankly fancy dessert you will want to add to that "try soon" list. The cake is an intriguing lemon-custard angel food; the frosting a scrumptious homemade blend of orange, whipped cream and toasted nuts or coconut.

A new angel food cake mix method further shortens your already streamlined angel food bakings, leaving more time for creating fanciful fillings and frostings.

Here is the recipe for this perfect party dessert:

## RIVIERA DELIGHT

1 pkg. Betty Crocker Lemon-custard angel food cake mix  
3 or 4 egg yolks  
1/2 cup sugar  
1/3 to 1/2 cup orange juice (1 large orange)

1 tablespoon grated orange rind  
1 cup whipping cream, whipped stiff  
1/2 cup toasted chopped blanched almonds or coconut

Bake cake in tube pan as directed on package. Split into three layers. Put layers together and frost with icing.  
For icing, mix egg yolks, sugar and orange juice in top of double boiler. Cook over hot water, stirring constantly, until it thickens, about 15 minutes. Stir in rind and cool. When cool, fold in whipped cream and almonds.

## For Those Brisk Spring Days, Try Tasty Baked Beans

### BAKED BEANS

2 cups pea beans  
1/2 pound salt pork, sliced  
2 teaspoons salt  
1 teaspoon mustard  
1/2 cup Karo Blue Label Syrup  
1 tablespoon chopped onion

Wash beans and soak eight hours or overnight in water to cover. Simmer gently in water in which they were soaked. Add more water if necessary to keep beans just covered. Cook 1 1/2 to two hours, or until beans are tender but not soft or mushy. Drain; reserve liquid. Place beans in casserole or bean pot. Combine pork, salt, mustard, Karo Syrup and onion with two cups of liquid from beans. Pour over beans. Cover and bake six-eight hours in 275 degree slow oven. Add more of the liquid if necessary during hour of baking. Remove cover for last hour of baking.

To add extra flavor to canned, baked beans, stir two tablespoons Karo Blue Label Syrup into the contents of one one-pound, four-ounce can.

## A Beautiful Glaze That Stays On Ham

Easy as pouring—beautiful glaze that stays on the ham, doesn't get hard or break off.

### GLAZED HAM AND SWEET POTATOES

About half an hour before end of baking time, remove ham from oven, score fat, stud with cloves. Pour Karo Syrup over ham. Return to slow oven, 325 degrees. Bake, basting two or three times with syrup, adding more if needed, until ham is well glazed. Glaze sweet potatoes in the same oven. Pour Karo Syrup over cooked, sliced sweets in a shallow baking dish. Bake about 45 minutes, basting several times, until potatoes are well glazed.

## Perk Up Company Dinners

Here's a guest-pleasing idea to perk up company dinners . . . individual herb batter breads. Each person cuts from his own small loaf, served on a bread plate or miniature bread board. You can be sure these breads will be the hit of the meal! And any uneaten portion can be sent along home with the guest.

The batter bread method means quick mixing with the electric mixer, rather than kneading. No

more sifting saves time and mess, too.

These herb-flavored crusty brown loaves can be made before-hand and frozen; then warmed in the oven just before dinner. Small tea sandwiches made from the dainty slices (cream cheese and chives—Umm!) can be made ahead, too, and frozen. They will thaw quickly when unexpected friends drop by. Here's the recipe:

### MINIATURE HERB BATTER BREADS

1 1/4 cups warm water (not hot—110 to 115 degrees)  
1 pkg. active dry yeast  
2 tablespoons soft shortening  
2 teaspoons salt  
2 tablespoons sugar  
3 cups unsifted\* Gold Medal Flour  
1/2 teaspoon nutmeg  
1 teaspoon sage  
2 teaspoons caraway seeds

\*To measure flour, dip nested dry measuring cups into flour, level off with straight-edged spatula.

In mixer bowl, dissolve yeast in warm water. Add shortening, salt,

sugar and half the flour. Beat two minutes, medium speed on mixer or 300 vigorous strokes by hand. Scrape sides and bottom of bowl frequently. All remaining flour, nutmeg, sage, caraway seeds and blend in with spoon until smooth. Scrape batter from sides of bowl. Cover with cloth and let rise in warm place (85 degrees) until double. (If kitchen is cool, place dough on a rack over a bowl of hot water and cover completely with towel).

Stir down batter by beating about 25 strokes. Divide batter into six miniature, greased loaf pans, 4 1/4 x 2 1/2 x 1 1/2 inches. Smooth out tops of loaves by flouring hand and patting into shape. Let rise in warm place (85 degrees) until batter just reaches tops of pans.

Heat oven to 375 degrees (quick moderate) and bake 30 to 35 minutes or until brown. To test loaves, tap top crusts; they should sound hollow. Immediately remove from pan. Place on cooling rack or across bread pans. Brush top with soft shortening. Do not place in direct draft. Cool before cutting.

SUSAN LOWE SAYS—

# ENJOY LIGHT, BRIGHT MENUS WITH fresh dairy foods

Dairy foods not only have a way of circling the clock from breakfast through the late evening snack, but they also fit into every course in a meal from appetizer to dessert. You can start the day off with a flourish with dairy dishes—take Cheese-Baked Eggs, for example. For lunch or dinner, dishes made with blue cheese prove a sensation—among the new ideas for a main dish is a soufflé ring of macaroni and blue cheese! And though it is not new, nothing creates such magic as sour cream does with Swedish meat balls.

Cottage cheese is one of the most versatile of dairy products—an aroma reminiscent of bread baking in the old-fashioned kitchen spreads through the house when Cottage Cheese Pinwheel Rolls are baked—Cottage Cheese Apricot Salad leads a double life for it can be served in the traditional salad spot on the menu or it may come along as a dessert.

Actually, there are glamorous desserts without end made primarily with dairy products that fall within the category of "Des-

serts that Call for Company." Angel Surprise Cake is one . . . a quick easy frozen Orange Pie that struts cereal and whipped cream another.

### CHEESE-BAKED EGGS

For each serving allow two eggs, two tablespoons rich milk or cream, one tablespoon butter, three to four tablespoons shredded American cheddar cheese, natural or process, seasonings as desired. Into well-buttered individual baking dishes or a large baking platter, pour the milk or cream. Carefully break in the eggs. Sprinkle with salt, pepper and paprika, dot with butter and top with shredded cheese. (You may like to add a bit of Worcestershire sauce and a drop or two of Tabasco sauce to the milk or cream.)

Note: If you want to make them extra hearty, first arrange in the bottom of each dish a layer of corned beef hash, a thin slice of or some chopped ham or luncheon meat, leftover creamed chicken (Cool to lukewarm for compressed yeast.) Sprinkle or crumble in yeast. Stir until dissolved. Sift flour, sugar and salt together in-

to a mixing bowl. Cut in butter until the mixture resembles fine meal. Add cottage cheese, egg and dissolved yeast and mix well. (If necessary add more flour to make a dough that can be handled.) Roll out on a lightly floured board to a 14-inch square. Combine all of the filling ingredients and spread on the dough. Roll up like a jelly roll and cut into 18 slices. Place on a greased baking sheet and let rise for 1½ hours or until doubled in bulk. Bake in a 375 degree preheated oven for 20-25 minutes.

### COTTAGE CHEESE PINWHEEL ROLLS

375 degree preheated oven 20-25 minutes  
1½ dozen rolls  
1 package of cake yeast (active or compressed)  
¼ cup warm, not hot, water  
2½ cups sifted flour  
¼ cup sugar  
1 teaspoon salt  
½ cup butter  
1 12-oz. carton cream style cottage cheese  
1 egg, beaten  
Filling:  
3 tablespoons melted butter  
¾ cup firmly packed brown sugar  
½ teaspoon vanilla  
½ teaspoon almond extract  
2-3 cup chopped nuts  
Measure water into mixing bowl. (Cool to lukewarm for compressed yeast.) Sprinkle or crumble in yeast. Stir until dissolved. Sift flour, sugar and salt together in-

### COTTAGE CHEESE APRICOT SALAD

8 servings 1½-quart mold  
1 package lemon gelatin  
1 cup boiling water  
1 cup apricot juice  
1 12-oz. carton creamed cottage cheese  
1 cup whipping cream, whipped  
½ cup coarsely chopped walnuts  
½ cup maraschino cherries, quartered  
1 cup sliced canned apricots  
Dissolve gelatin in boiling water. Add apricot juice and mix well. Chill until of a jelly-like consistency. Fold in cottage cheese, whipped cream, walnuts, cherries and apricots. Pour into a lightly oiled 1½-quart mold and chill until set. Garnish with apricot slices if desired.

### WHIPPED CREAM TORTE

2 8-inch layer cake pans 8-10 servings  
300 degree preheated oven, 45 minutes  
4 egg whites  
½ cup sugar  
½ teaspoon vanilla  
1½ tablespoons grated lemon rind  
1 tablespoon lemon juice  
¼ cup flour  
1 teaspoon baking powder  
½ cup farina  
1½ cups whipping cream

Beat egg whites until stiff. Gradually add sugar and continue to beat. Beat egg yolks until thick and lemon colored. Add vanilla, lemon juice and lemon rind. Add beaten egg yolks, flour, baking powder and farina to egg whites, folding in gently. Pour into two round eight-inch layer cake pans which have been greased, lined with waxed paper, and generously buttered over the paper.

Be sure to butter the sides of the pans well. Bake in a preheated 300-degree oven for 45 minutes. Remove from pans immediately and cool on cake racks. When cool, whip cream and sweeten to taste. Spread between the two layers and on top of the cake. Top with chopped nuts and strawberries if desired. Cut in wedges to serve.

## Here are Desserts to Please

### ANGEL SURPRISE CAKE

1 baked 10-inch tube angel food cake  
1 package strawberry-flavored gelatin  
1 cup hot water  
1 cup cold water  
½ cup cream, whipped  
1 cup heavy cream  
3 tablespoons sugar  
Dash of salt  
¼ teaspoon vanilla

Cut a three-quarter inch horizontal slice from the top of the cake. Carefully remove center of cake, leaving an one-half inch shell. Place cake on serving plate. Dissolve gelatin in hot water. Add cold water. Chill until slightly thickened. Place in bowl of ice and water and whip with rotary egg beater until fluffy and thick like whipped cream. Then fold in the whipped cream. Turn into cake shell and cover with the top slice of cake. Wrap in waxed paper and chill six to eight hours or overnight. Before serving cake, combine cream, sugar, salt and vanilla. Whip until light and fluffy. Spread over top and sides of cake. Serve at once. Makes 12 to 14 servings.

### FROZEN ORANGE PIE

9-inch pie plate 6-8 servings  
3 eggs, separated  
½ cup sugar  
1 tablespoon lemon juice  
3 tablespoons grated orange rind  
¼ cup orange juice  
¼ cup whipping cream, whipped  
1 cup crisp rice cereal, crushed  
½ cup whipping cream for garnish  
Beat egg whites until fluffy. Add sugar gradually and beat until stiff. Add egg yolks and beat in thoroughly. Stir in lemon juice, grated orange rind and orange juice. Fold in the whipped cream. Pour into a nine-inch pie plate and top with crushed rice cereal. Freeze until firm. Remove from the freezer compartment five-10 minutes before serving and top with the one-half cup whipped cream sweetened to taste.

No cooking required . . . frosting mounds and swirls beautifully and stays soft . . .

### NO-COOK MARSHMALLOW FROSTING

¼ teaspoon salt  
2 egg whites  
¼ cup sugar  
¾ cup Karo Red Label Syrup  
1½ teaspoons vanilla

Add salt to egg whites and beat with electric or rotary beater until mixture forms soft peaks. Gradually add sugar, about 1 tablespoon at

a time, beating until smooth and glossy. Continue beating and add Karo Syrup, a little at a time, beating thoroughly after each addition, until frosting peaks. Fold in vanilla. Makes enough to frost top and sides of two nine-inch layers.

For Coffee Frosting—Omit vanilla; add one tablespoon instant Nescafe with Karo Syrup.

For Lemon or Orange Frosting—Omit vanilla; fold in two teaspoons grated lemon or orange rind.

### NO-COOK FONDANT

1/2 cup softened shortening  
 1/2 cup Karo Red Label Syrup  
 1/2 teaspoon salt  
 1 teaspoon vanilla  
 1 pound confectioners' sugar, sifted

Blend shortening, Karo Syrup, salt and vanilla in large mixing bowl. Add sifted confectioners' sugar all at once. Mix all together, first with a spoon, then with

hands. Turn onto board and continue kneading until mixture is well blended and smooth. Prepare desired variation (below). Store in a cool place. Makes 1 1/2 pounds.

**No-Cook Fondant Variations—**  
 Mint Patties: Substitute one teaspoon peppermint or wintergreen flavoring for vanilla. Tint desired color with red or green food coloring. Shape into balls and flatten or roll thin and cut into any shape desired.

Orange or Lemon Creams: Substitute two teaspoons orange extract or one teaspoon lemon extract for vanilla. Tint to a delicate orange or yellow using food coloring. Shape as above.

Peanut Squares: Add three-fourths cup coarsely chopped unsalted peanuts. Roll out or pat to a thickness of one-half inch. Cut into squares.

Almond Diamonds: Substitute one teaspoon almond extract for

vanilla. Add one-half cup coarsely chopped blanched and toasted almonds. Roll out or pat to a thickness of one-half inch. Cut into diamonds.

Candied Fruit Squares: If desired, rum or rum extract may be substituted for vanilla. Add one-half cup finely chopped mixed candied fruit. Roll out to a thickness of one-half inch. Cut into squares.

Mocha Logs: Add two teaspoons instant coffee powder. Shape into small rolls about one-half inch in diameter and two inches long. Roll in chocolate candy cake decorations.

Nut Creams: Shape into small balls about one-half inch in diameter. Press between two walnut or pecan halves.

Stuffed Dates: Form into very small finger-shaped rolls and fill pitted dates. Roll in granulated sugar. Makes enough to fill about

1 1/4 pounds dates.

Chocolate Patties: Add one-fourth cup cocoa to confectioners sugar before sifting. Shape into balls; or roll thin and cut into any shape desired.
