### Veterans Day -- 1962

Veterans Day-November 11-in a very real sense, should be of great significance to all Americans. This day has been so designated by the Congress of the United States in honor of the millions of our sons and daughters who joined the ranks of our armed forces in defense of our liberty and our precious freedoms.

Hundreds of thousands of gallant Americans have made the supreme sacrifice that the American heritage might be preserved. Other countless thousands bear the marks of combat incurred while meeting the highest obligation of their citizenship. There can be no measure of gratitude which is due them-both the dead and the living-from this nation. Today, we are the world's greatest nation-the one and only hope of all men who wish to be free-because of the loyalty and sacrifice of those we honor on Veterans Day.

As we pause from our day-to-day routine to observe this significant holiday, let us think of how we, as Americans, can prove to our veterans-both the dead and the livingthat their sacrifices of the past have not been in vain. How can this be done? Simply by being Americans, true Americans-Americans who are alert-Americans who are not afraid to face the challenges of today-Americans who unafraid to face the challenges of today—Americans who un-derstand the gravity of the world situation and who are not Schaaf, Julius Benson, Thomas For ye were sometimes darkness, only willing and able, but also eager to do their part in this great world-wide struggle.

Today, as never before in the history of our country, we must show the world that we are a nation united in the cause of liberty and justice, the preservation of the dignity of the individual, and world peace with honor. As lofty as these goals maybe, nevertheless, they are in constant peril through the threatened aggression by a diametrically opposite philosophy-a godless ideology which seeks to dominate the world.

As we observe this Veterans Day 1962 let us be firm in our resolve to be more attentive to our obligations and responsibilities as American citizens; let our every thought, word and deed be a reflection of our unity of purpose. Let this Veterans Day be meaningful to each of us-a symbol of a united America, which will never succumb in the face of the attacks of those godless hordes which would consume us.

### WATCH THEM IMITATE THIS ONE!

This is the look of things to come in modern motor car styling.

It's the 1963 Cadillac-a motor car so beautiful and so tempting it is difficult to resist.

The new look in Cadillacs combines formality and youthfulness, majesty and vigor in a way that is predictably trend-setting.

And it belongs to Cadillac alone. You won't see any others with that sweeping expanse of hood and deck that gives the 1963 Cadillac its unique look of vitality and power.

And its discerning use of chrome and adornment welcomes a new purity of form in automotive design.

Of course, there's a great deal more than styling in this new Cadillac that is worthy of emulation.

There are Cadillac's beautiful and luxurious new interiors-and Cadillac's remarkable new performance-and Cadillac's unprecedented choice of personal appointments and accessories-and Cadillac's unrivaled dependability and value.

Cadillac is now more clearly than ever before the Standard of the World.

The thing to do is to see and drive one of the twelve brilliant new models and get the whole Cadillac story for 1963. And for a full year at the wheel, do it before another week goes by.

## **Undefeated Season for TA Braves**

Tawas Area Braves finished a perfect 1962 football season Friday night by shutting out the Sebewaing Indians, 47-0. Both schools had been undefeated going into the contest and both are conference champions.

The Indians, winner of the Thumb Class C Conference, found the Braves just too tough to han-Tawas Area's defenive unit, dle. led by Linebacker Randy De-Wyse, who doubles as a guard on offense, stopped Sebewaing with only four first downs and 105 yards rushing and passing.

Tawas, on the other hand, struck hard and scored two touchdowns in the first half, saw three drives bog down deep in Indian territory and then hit paydirt five times in the second half.

As has been the case all season, this win was strictly a team effort on the part of Coach Herb Escott's squad. Sharp blocking and tackling coupled with hard running has given Tawas its first undefeated record in school history and a team which ranks with the best ever, if not the tops, among Northern Michigan schools.

In their eight games, the Braves have rolled up 329 points and held their opponents to a mere 13, which gives some evidence of the caliber of this team. With 11 seniors on its roster, Tawas actually has not had a good test of its strength this season.

The test was not to come in the final game. The plucky Indians had as their longest gain a 20yard kickoff return by Halfback Ken Hessler to open the game. After picking up one first down, the Indians punted to Tawas' oneyard line. In eight plays, the Braves marched as far as Sebewaing's eight-yard line but the drive stopped there.

point was no good.

State forests are paying a big dividend to the people of Michigan ---an estimated \$67 million annually in wages, salaries, and business. Timber operations lead the march of these income dollars, accounting for some \$51 million. On its journey from stump to consumer, state forest timber yields about \$62 of new income within Michigan for every dollar it was worth before sut-ting. Conservative estimates indicate that sportsmen using state forests contribute \$10.5 million to the yearly sales of sport shops, gas stations, drug stores, etc. State forest deer hunters add some \$5.7 million to northern Michigan tills; fisher-men and small game hunters spend about \$61 million and \$700 men and small game hunters spend about \$4.1 million and \$700, 000, respectively. State forests offer a wealth of additional values which cannot be measured in dollars and cents. Call them esthetic values or whatever, they have real worth and are accounted for in the Conservation Department's multiple-use

### Hale Loses Final Game of Season to Oscoda JVs

Hale Area Eagles lost to the Oscoda JV last Saturday night and finished out their season with a record of three wins and five losses.

Hale took a 7-0 lead in the first quarter when Quarterback John Heilman went 45 yards on the first play from scrimmage and Barton Caverly went 40 yards for the touchdown. Heilman scored the PAT.

Oscoda scored a six-pointer in the first quarter and Heilman went 28 yards for a touchdown in the second. With Hale's try for extra point failing, Oscoda tied the game before halftime.

This ended the scoring for the Eagles and Oscoda went on to win, scoring two touchdowns in the second half.

Heilman led the team with 17 carries for 173 yards and completed three out of 11 passes. Three of his heaves were intercepted.

Caverly picked up 68 yards on eight carries as did Calvin Bell, who saw limited action at full- Mildred Walker of Plymouth will back. Dave Wood, sophomore be Thursday, November 8, 2:15 p. halfback, was the defensive stand- m., at Tawas City Cemetery. Mrs out.
