Break Ground Sunday for **GL** Parsonage

Ground was broken Sunday noon for the new \$33,000 parsonage of Grace Lutheran Church, East Tawas.

Following regular Sunday morning worship service, members of the Grace Lutheran congregation were joined by members of other churches in witnessing the ceremony.

The Rev. William C. Lindholm pastor, presided at the ground breaking ceremony. Others taking part were W. D. Nunn, Ralph White, Charles Nash and Dr. H. H. Brinkman, all members of the church board.

Each of the participants turned over a spade-full of earth during the ceremony. Some 200 persons were in attendance.

The new parsonage will be constructed at 101 East Lincoln Street, directly across the street from the Federal Building and west of the church. This property was purchased by the congregation about 10 years ago and an old dwelling located on the property was demolished by 25 volunteers last week.

A helicopter from Wurtsmith Air Force Base was used in the lowing day. Also assisting in the search were patrol cars from the state police post at East Tawas. Adams' boat was spotted by Carl Grubaugh, 1109 South Huron

Along the auto routes on the north and south shores of the AuSable are many bridge crossing viewing sites of the racing canoes.

The communities of Grayling, Mio, Glennie and Oscoda are all planning special festivities for visitors during the week-end.

Included will be the participation of Carole Jean Van-Valin of Roscommon, Miss Michigan of 1962. She will be the official race starter for the pole position race on Lake Margrethe, near Grayling, to take place Friday, October 5.

Ramblers for 1963 Newly Styled

ZUBEK Motor Sales, M-55, Tawas City, will show the new Rambler Friday, October 5. On display, will be the following: Rambler four door sedan, American two door hardtop and an Ambassador four door sedan. The 1963 Ramblers look much longer with their all-new styling, but actually are more than an inch shorter than past models. Over-all height is reduced three inches without sacrifice of interior room and wheelbase is increased to 112 inches.

A new body construction technique is used on the '63 Ramblers for the first time. Curved side glass is standard on the 1963 Rambler, the only low-priced car to have this custom feature. Shown is the Rambler Classic 770 four door sedan. The Double Safety brake system and lifetime ceramic armored muffler and tailpipe are standard on all models. They go on sale October

Thirty-three million lunch-box toters lead the big food parade! What a parade! Men and women, boys and girls from East, West, North and South. The American worker whether doctor, lawyer, merchant or chief—all take pause from the days' occupation for a refreshing pickme-up. Luxuriant pears, juicy sweet, spicy fragrant and bouncing with vitamins and minerals satisfy that hidden hunger for something sweet. Fresh pears abound with levulose sugar thus supplying quick energy, yet, they are low in calories. Their "no peel" quality makes fresh pears always ready and easy as the best sweet tuck-in for the lunch box banquet.

Fresh pears find their way into many other popular menu items...refreshing salads, tasty meat accompaniments, delectable desserts, snack time munching. They are always popular for eating out-of-hand so keep a bowl full of golden ripe Pacific Mountain Bartlett Pears handy for snacking any time of day: Fresh pears are picked green at the proper stage of maturity and ripened off the tree. They are carefully stored, wrapped and packed for a pre-ripening cycle, then shipped to markets across packed for a pre-ripening cycle, then shipped to markets across the nation for your late autumn enjoyment.
