

Honor Graduates Named for 1964

BARBARA WHITE
Valedictorian

LINDA CONN
Salutatorian

Honor students of the graduating class of 1964 at Tawas Area High School are Barbara White, valedictorian, and Linda Conn, salutatorian, according to an announcement last week by Ernest W. Jordan, principal.

Miss White, daughter of Mr. and Mrs. Ralph White, has maintained a four-year scholastic average of 3.96 out of a possible 4.00. Miss Conn, daughter of Kenneth Conn of East Tawas and Mrs. George Bingner of Dexter, has a 3.93 scholastic average.

In high school, Barbara has majored in English, mathematics, science and social science. After graduation, she will attend Augustana College, Rock Island, Illinois.

She has been piano accompanist for the high school choir as well as being a member of the "Happy Wanderers" and participated in choral solo and ensemble. In her freshman year, she was a member of the band and, as a junior, took part in the classical play. She is a member of the National Honor Society.

She is also assistant organist for Grace Lutheran Church.

Miss Conn is majoring in English, science, social science and mathematics. She has participated in various band activities and is a member of the National Honor Society. She is also on the staff of the newly-organized school literary publication.

In the fall, Linda will attend the University of Michigan to study mathematics, English and foreign languages.

Use Caution When Playing Along River

Rotting ice on lakes and ponds and higher water levels in creeks and streams can jeopardize the safety of unsupervised curious youngsters in the spring, the Michigan State Police point out.

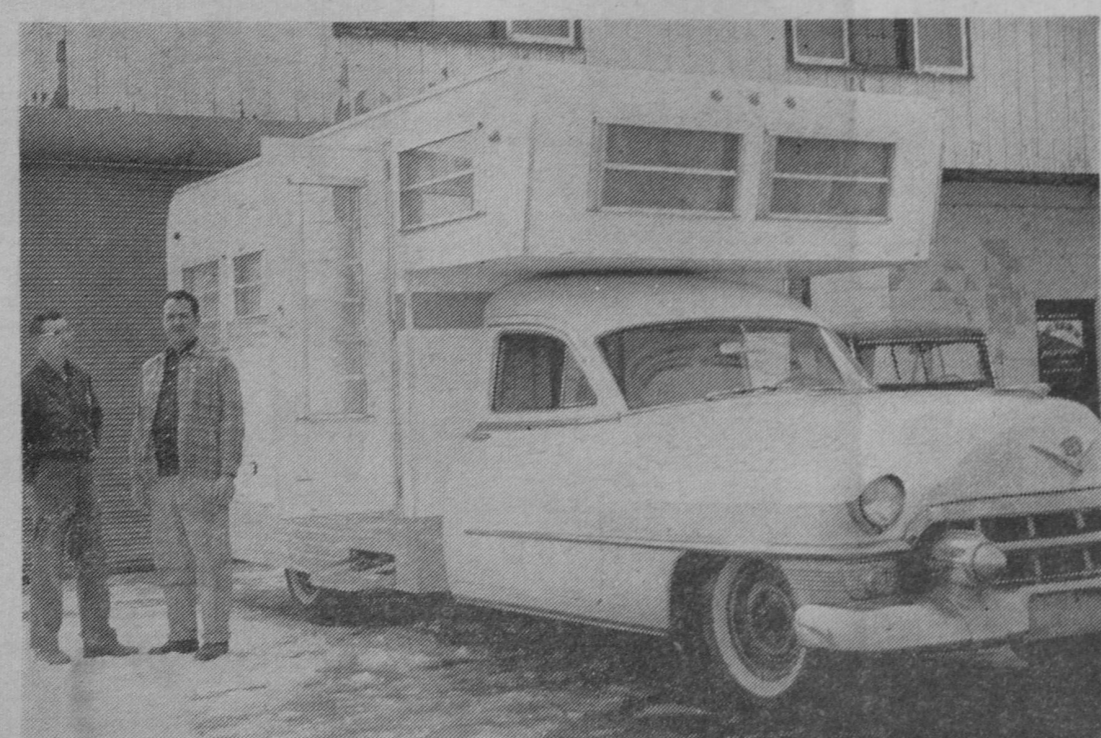

Parents are strongly urged to warn their children of the dangers of attempting to walk or cross lake and stream ice weakened by warming weather. Youngsters should also be cautioned against playing along rivers and creeks especially when water levels are high.

No ice on natural bodies of water should be considered safe this time of the year because thawing weather honeycombs it with air pockets, thus weakening it, the state police emphasize. A recent drowning death in the state was blamed in part on rotted ice through which a fisherman fell.

Keiser Re-elected Planning Chairman

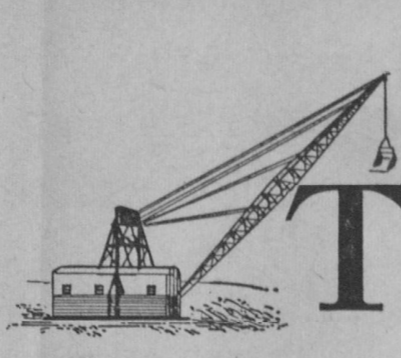

Officers of the Tawas City Planning Commission remain the same as last year, according to action taken at a recent meeting. Hugo Keiser was re-elected chairman, Paul Chevris was named vice chairman and Nelson Thornton, secretary.

Members are Steven Ezo, James Dillon, John St. James, Arthur Wendt, Delano Myles and Gordon Hatch.

TAWAS TRAILERS, INCORPORATED, completed work on a new type cab-over model last week. The East Tawas firm is building these units on chassis converted from funeral hearses. Clyde Montgomery and Floyd Harten of Tawas Trailers survey the completed product above.

The men report that in addition to constructing these units for an outside firm, prospects appear excellent this year for sales in their line of travel trailers. The company is also manufacturing outdoor vending equipment for a Grand Rapids firm.—Tawas Herald Photo.

NUMBER 12

Gas Company to Start Construction April 1

Michigan Consolidated Gas Company today announced that it will commence construction of its natural gas distribution systems to serve 44 cities, villages and townships in Northeastern Michigan on April 1.

James C. Preston, general manager of the utility's northern district, said all of the distribution systems, including service pipes to homes, are scheduled for completion by August 1, with an additional month required to install gas meters and commence gas service.

Preston said that clearing brush on the routes of the two pipelines which will serve the areas has begun, but heavy digging equipment will not begin work until spring. The company will divide the pipeline work between three contractors. Davis Construction Company of Cleveland, Oklahoma, was the successful bidder on the pipeline from Clare County to Tawas. Welded Construction Company of Rosebush will build the line north from Tawas to Alpena and Van-Ess Company of Comstock Park will install the pipeline from Sherman Township in Gladwin County north to Gaylord. All three projects are to be completed by July 1.

Van-Ess also bid low on four other contracts for distribution systems in AuSable-Oscoda, West Branch-Whittemore, Grayling and Gaylord. Three contracts for distribution system work were awarded to Coolsaet Construction Company of Detroit for northeast and southwest Alpena, South Oshtemo and Tawas City. Somerville Construction Company of Ada was awarded the contracts for distribution systems in central Alpena and East Tawas. Shaw Construction Company of Remus won the contract for Harrisville, Lincoln and Mikado. Contracts have not been awarded as yet for the Houghton Lake area, Roscommon and Frederic.

Preston said that initial con-

tracts call for construction of 230 miles of distribution mains. The company already has contracts to serve 6,600 customers, but anticipates an additional 1,300 will be signed before the system is complete, requiring an additional 45 miles of gas mains.

Lakeview Had Long Wait, But Finally Gains Its Revenge

Saturday night's meeting between a Tawas team and Lakeview was not a first, according to files of *The Tawas Herald*. On March 7, 1934, the East Tawas Indians defeated Lakeview in the regional semifinals at Mt. Pleasant.

Said the *Herald*: "Showing the same power and speed they displayed in their three-game march through the district tourney, the Indians romped to a 26-15 victory over Lakeview in the class C semifinals in the regional tourney Thursday night. "The teams fought on even terms during the first half, which ended in a tie, 10-10. In the third period, East Tawas shifted into high gear and, by the end of the game, had forged ahead to a sizeable margin."

Joe Lixey, with 12 points to his credit, was the big gun in the East Tawas offense. Matt Haglund and Ed Doak, with seven points apiece, accounted for the Indians' remaining points.

Other members of that East Tawas team were George Staudacher, Wilfred Bean and Neil McKay. Mt. Pleasant Sacred Heart defeated the Indians in the Saturday night finals 30 years ago, 16-15. Haglund and Doak were high with four points apiece.

Tawas City Firm Starts Busy Construction Year

Davison and Son Builders, Incorporated, Tawas City, was low bidder on the new Arenac County Courthouse. Its bid of \$344,440 was only \$200 below the bid of Charles Englehardt Construction Company, Bay City.

The Tawas City firm has total work for the summer of \$876,440 at Standish, having been low bidder on constructing a new hospital at a cost of \$332,000.

Total cost of the new courthouse is \$386,300, which includes architect's fees, legal fees, borings and resident inspection. Seventy-five percent of the original estimated cost of \$372,000 is to be furnished by the federal government.

HALE TO INSTALL NEW HONOR SOCIETY MEMBERS

Hale Chapter of the National Honor Society will install new members with a candlelight ceremony at 8:00 p. m., Sunday, March 22. Robert Blood of Tawas Area Schools will give a short address. Hale students to be installed are Michael Bielby, Kathleen Dorsey, James McMurray, George Maas and Diana Short, all sophomores. The public is invited to attend.

MAKE INITIAL PLANS FOR MEMORIAL DAY

Jesse C. Hodder Post, American Legion, will meet Friday night, 8 o'clock, at the Tawas City Legion Hall. This will be the first meeting to make plans for services on Memorial Day.

GEORGE G. BRIGGS

George G. Briggs New Commander of MSP Post

Cpl. George G. Briggs, Bay City, has been promoted to sergeant and assigned to command the Michigan State Police Post at East Tawas, succeeding Sgt. Frank Roti, who retires April 3.

Briggs enlisted in the state police October 1, 1946, and was assigned at Jackson, before being transferred September 1, 1947, to Clinton; August 22, 1955, to Alpena, and October 15, 1956, to Wayland.

He was promoted to corporal September 15, 1957, and assigned to Bay City. His promotion and transfer to command at East Tawas is effective April 5.

Briggs was born July 21, 1923, at Mt. Clemens, where he graduated from high school. He also attended Norwich University, Vermont, for six months. During World War II, he served in the army for 36 months, 16 of them overseas. He is married and has two children.

Tawas Bandsmen Head for State S&E Festival

More than 30 bandsmen from Tawas Area High School will participate in the solo and ensemble festival of Michigan School Band and Orchestra Association to be held Saturday at Grand Rapids.

An estimated 2,000 bandsmen from Michigan schools will compete in the festival. All won first division awards in district meets.

Accompanying the group will be Band Director Edward Rima, Vocal Music Director Judith Gillies and Mrs. Charles Nash, accompanist.

TOURNAMENT PLAY for the Tawas Area Braves ended a second or two before this picture was snapped Saturday night. The clock ran out with the score reading Lakeview 66, Tawas Area 59, and Head Coach Bill McIntosh said to Center Herb Humphrey, who was sitting on the bench with five fouls, "Let's go over and congratulate them." (Turn to page 7.)—Tawas Herald Photo.

Highway Dept. Says M-55 Signal Not Warranted

Michigan State Highway Department has determined that a flasher signal is not warranted at the intersection of M-55 and Fifth Avenue, according to a letter read at Monday night's meeting of the Tawas City Council.

In answer to the city's request for installation of such a flasher, Frederick L. Eggan, district traffic engineer, said that only two accidents had occurred at the intersection in 2 1/2 years.

"Both of the accidents occurred as a result of a failure of the driver on Fifth Avenue to stop for M-55 which is something a flasher could never eliminate," said Eggan. "The intersection is lighted at night by a street light so the hazard of darkness is not present."

Eggan said a speed control zone was in effect beginning at Fifth Avenue for eastbound traffic and is posted for advance notification of this speed control at the high school. "This is certainly adequate for a reduction in speed by the time the city limit is reached," said the traffic engineer. "If the posted speed limits are enforced by your police department, trunkline speed should be no problem," he added.

The district engineer said that since both of the reported accidents involved a driver not stopping for M-55, it is possible that the stop controls on Fifth Avenue approaches were inadequate. "To eliminate this possibility, we will erect 36-inch stop signs and 36-inch reflectorized stop ahead panels on each leg of Fifth Street and I am sure this will materially help this condition," said Eggan.

In other business, the council directed Supt. of Public Works Reginald Bublitz to notify Joseph Brooks to remove fishing equipment from city property on First Avenue.

Wilbert Treichel, who lives at the corner of First Street and First Avenue, thanked the council for its efforts urging the removal of the old Huron Rustic mill, which is now in the process of being dismantled. He requested action on cleaning First Avenue, stating that tanks, drums, anchors and other items in Brook's fishing operation were scattered about on the city street.

Bublitz is to mark out the street with stakes, which is improved only to the rear of Treichel's garage but runs several hundred feet southward to the river.

Chief Ruth Retires After Long Service

Chief of Police George Ruth, who has served Tawas City for the past 14 years, retires effective April 20. This is his second retirement from police work.

In his letter of resignation submitted at Monday night's council meeting Chief Ruth said, "I have greatly enjoyed those years and have deeply appreciated the privilege of working with you and with all of our fellow citizens."

On Ruth's recommendation, the council named Sgt. Frank Roti, who has announced his retirement from the Michigan State Police, as the new city police chief. Roti, present post commander at East Tawas, takes over his new position April 15.

"We are losing a good chief and getting a good one," said Mayor George Tuttle, after the council gave unanimous support to his appointment of Roti.

The new chief of police will receive the same \$350-month salary as paid to the retiring chief. Roti has been a member of the state police since 1937 and is 48 years old.

Ruth came here in 1948 and started as city police chief April 20, 1950. He had served 25 years as a member of the Detroit Police Department, starting August 6, 1923, and retiring August 6, 1948.

During nearly 40 years of police work, Ruth has had a variety of experiences — from being engaged in running gun battles with Prohibition Era hoodlums at Detroit to nabbing car thieves and fulfilling the comparatively quiet job of a small town policeman.

Ruth started out by walking a beat for the Detroit PD in 1923, graduated to patrolling in Model A Ford touring cars, became a

motorcycle patrolman in 1927 and then returned to patrol cars.

Most of his service was spent at the Seventh Precinct Chene Station, since consolidated with the Precinct Three Hunt Station. "I moved out to Palmer Woods once, but that was too dead for me and I was soon back at Chene," said Ruth.

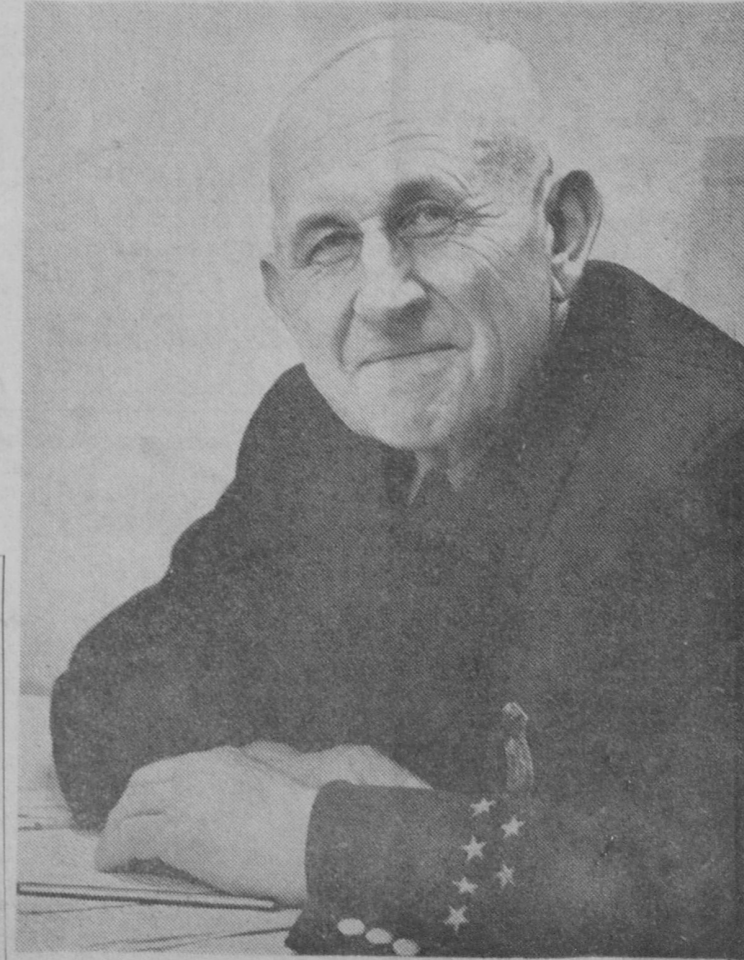

During his second retirement from police work, Ruth plans to spend his time fishing and hunting. Mr. and Mrs. Ruth make their home on Fourth Street.

Volunteer Firemen Going to School

East Tawas and Tawas City Volunteer Fire Departments will participate jointly in a fire-fighting school to be held here in late spring under sponsorship of the University of Michigan.

Meetings will be held once a week for six weeks starting in May.

Cost of the school is \$120 and will be shared equally by the two communities.

Burning Permit Required in TC

Tawas City Council warns this week that residents are required to obtain a burning permit before setting any grass fire. Because of the extremely dry weather, fires are hazardous.

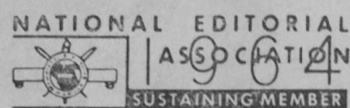

PERMITS may be obtained by contacting Fire Chief James Lansky. All violators will be prosecuted under state law.

(See TC Council, page 10.)

FLUORIDATION— And Who Endorses It

By E. A. HASTY, M. D. Director of Public Health District No. 2

When your children have dental trouble, who do you take them to for treatment? Probably to anyone of the fine dentists in the Tawas area. I know each of these men and they rate highly in their professional field. I also know that each of them endorses the fluoridation program in the Tawas. If you are in doubt about how you should vote on this matter, please call your dentist and ask his advice.

If there is anything wrong or dangerous with the program of fluoridation, I ask you, why would it be endorsed by such world-renowned characters as Dr. Paul Dudley White, Dr. Charles Mayo of Rochester, Minnesota, and Dr. Benjamin Spock. Dr. White, noted cardiologist who treated President Eisenhower, said, "elderly people with tired hearts' need have no fear of fluoridated water. It is safe for all." I would also like to draw to the attention of the people in East Tawas that the water supply at Wurtsmith Air Force Base, Oscoda, is fluoridated. This should assure all of us that the United States Air Force considers this an important and safe health measure. Luther L. Terry, M. D., surgeon general of the United States Public Health Service, states, "Every scientific service and other responsible institutions has reconfirmed the efficacy and safety of fluoridation."

LETTERS to the EDITOR

March 13, 1964

To the Editor:

Having grown up in the Tawas area, and as frequent visitors to the Tawas, we are sorry to note that artificial fluoridation of the public water supply is being considered; and we are amused by the letter of inane flattery of the citizens by Dr. Earl Hasty, public health doctor.

The persistent proponents of fluoridation, many of them professional promoters; and others like Dr. Hasty, whose job demands he promote the program are doing their utmost to suppress and conceal facts about the issue.

All claims of safety by the fluoridators notwithstanding, the following documented proof of harm speaks for itself; and is completely ignored by promoters: AMERICAN DENTAL ASSOCIATION JOURNAL, Nov. 1962, Vol. 65, p. 610; A. L. Russell, D. D. S. Reports dental fluorosis - mottling (first visible sign of fluoride poisoning) in 20 percent of white children and 40 percent of Negro children in Grand Rapids, due to fluoride.

JOURNAL OF DENTAL MEDICINE, Oct. 1961, by Reuben Pellman, D. D. S. Final report of 14-year study of fluoride in tablet form, equivalent of one part per million (ppm) of fluoride in the water, presents proof that at least one percent of the population is allergic to fluoride. FOLIA PHARMACOLOGY JAPONICA, 1958, Vol. 54, 225-229. A Japanese study shows goiter was frequent when water averaged even 0.3 ppm fluoride, and was negligible when it averaged 0.1 ppm.

CLINICAL PHYSIOLOGY, 1959 Summer Issue. This article "Is This The Answer to Birth Control?" is a study of sodium fluoride in Embryo Development, by Dr. James Ebert, president, American Institute of Biological Sciences.

BULLETIN OF NATIONAL ACADEMY OF MEDICINE IN FRANCE 1956, Vol. 140; 1959, Vol. 143; and 1961. Work by Dr. Ionel Rapaport at the University of Wisconsin, shows that mothers using water with fluoride have twice the incidence of mongoloid children as mothers using fluoride-free water. Fluoridators endeavored to suppress this information, and discredit Dr. Rapaport's work; so in 1959, a second study was made under the auspices of the United States Public Health Service (USPHS), which merely verified and substantiated his findings.

Dr. Rapaport's most recent study in 1961 indicates that fluorine causes a gene mutation in the laboratory fruit fly. Monogolism is caused by a gene mutation. MEDICAL TIMES, Feb. 1963, carried an article on the alarming increase in Mongolism in the last decade. Figures from fluoridated Milwaukee. ARCHIVES OF ENVIRONMENTAL HEALTH, A Journal of the American Medical Association, Feb. 1961, Vol. 2, 155-167; by G. L. Waldbott, M. D., vice president of American College of Allergists. Cites literature which indicates that fluoride accumulates in soft as well as bony tissues; starting at concentrations of 0.6 ppm.

ARCHIVES OF ENVIRONMENTAL HEALTH, May 1963, reports that 50 percent of the fluorine absorbed from the digestive tract builds up in the body; and that the long-range accumulation will injure a portion of the population. It is noted that fluorine has the propensity for robbing the body of much-needed calcium. BRITISH MEDICAL ASSOCIATION JOURNAL, Oct. 1963, work by English scientists, Dr. Roger Berry, Oxford University radio-biologist, and Wilfred Trillwood, director of Pharmaceutical Services, shows laboratory evidence that human cell growth is interfered with by sodium fluoride only 1-10th the strength of that used in fluoridated water.

Other warnings of danger in fluoridated water come from such respected, recognized scientists as the following: Dr. James B. Sumner, formerly director of Enzyme Chemistry, Cornell University; and Hugo Theorell of Sweden; both Nobel prize winners in Enzyme Chemistry. Dr. A. W. Laubengayer, with 30 years of fluoride chemistry research experience; Dr. Clive W. McCay, internationally recognized experimental nutritionist; Dr. Myron G. Fincher, veterinary medicine; all of Cornell University. Dr. Alfred C. Taylor, University of Texas, whose research demonstrated that the so-called "safe dose" of sodium fluoride shortened the life span of mice about 10 percent; as reported in DENTAL DIGEST of April 1954. These outstanding scientists, and many more, feel that very much more research over a very long period of time is necessary before valid and reliable claims of safety for fluoridation can be made.

Fluoride is an admitted enzyme poison, even in trace amounts. Enzyme disturbances are factors in chronic disease. Fluoride, more poisonous than arsenic, is stored

in the soft tissues of the body (kidneys, liver, heart, skin, bladder, prostate). Even a lay person can easily appreciate the potential danger of fluoride concentrations in these vital organs. Fluoridation simply adds to the existing list of ways by which unpredictable amounts of fluoride may enter the system and accumulate to a dangerously high level.

Sodium fluoride is much more soluble and toxic than the calcium fluoride which is usually found when fluoride occurs naturally in the water. Sodium fluoride, or similar fluoride used in artificial fluoridation, has a much faster rate of ionization which accounts for its higher reactivity and toxicity than that found in the waters which contain natural fluoride. This very important point is ignored completely by the promoters.

The fact which cannot be ignored is that no adequate long-range clinical investigation has ever been carried out by the American Dental Association, the United States Public Health Service, or any of their satellite organizations such as the National Institute of Dental Research, Food and Drug Administration, World Health Organization, etc; to determine the harmful effects of daily ingestion of trace amounts of the most potent inorganic poison ever taken into the human system with out medical supervision.

USPHS, which continues to wage its unrelenting campaign to force fluoridation on every community, reports death rates higher than average for the nation, from heart disease and cancer, in artificially fluoridated cities. It would seem that USPHS does not want to know whether fluoridation is in the best interest of good public health.

In San Francisco, California, fluoridated in 1952, the death rate is higher than that for the state or the nation, with heart disease the number one killer. Thyroid cancer has increased over 400 percent. (San Francisco Sunday Chronicle, 7-24-60)

In Newburgh, New York, after eight years of fluoridation, heart deaths were 73 percent higher than the national average. (Newburgh News, 1-29-54)

New Britain, Connecticut, fluoridated in 1950, showed an increase of 150 percent in still births in that city during the next three years. (Hartford Courant, 5-6-55)

Pittsburgh, Pennsylvania, was fluoridated in 1952. During the first six months of 1953, Pittsburgh's cancer deaths increased 12 percent and birth defects 24 percent, compared with the rate for that city during the first six months of 1952. (Pittsburgh Press, 8-2-53)

Grand Rapids fluoridated in 1945. By 1960, total deaths were 29.8 percent higher, on a population basis, than unfluoridated Flint. There were 84 percent more diabetic deaths, 125 percent more from anemia, 30 percent more from cancer, 36 percent more from strokes. (Michigan Health Statistics 1960)

Fluoridation may not be responsible, but no such condition existed in these cities prior to fluoridation! Does Dr. Hasty tell these things to the people, or the council, when he tells them how safe, how wonderful, fluoridation is?

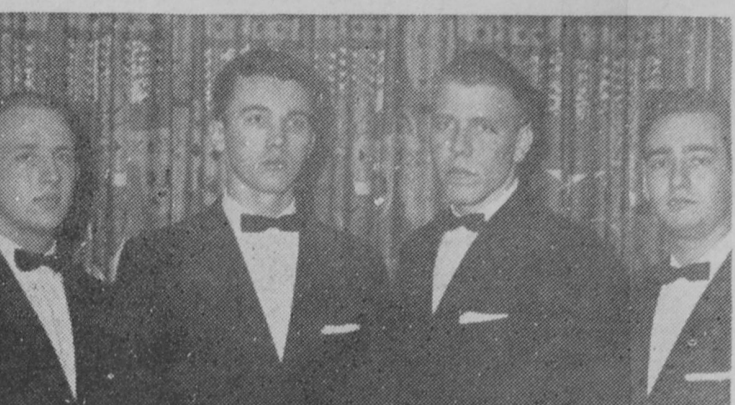

Has he explained that a USPHS release, 6-12-63, stated that heart patients are advised to reduce their sodium intake, but to increase their daily liquid intake, mainly water, to 7½ pints (almost four quarts)? Who will warn patients with heart disease, who drink fluoridated water, that they are daily ingesting several times the so-called "safe" dose of fluoride? Who will tell them that the safety of fluoridation is based on the assumption that an adult's daily water consumption will not exceed one quart; this amount to include all water used in cooking, as well as for drinking?

Does it seem logical, in view of these facts, to subject 100 percent of the population, in every state of health, and for a lifetime, to this unnecessary danger in order to provide dubious, uncontrolled, helter-skelter dosage to 15 percent?

Does it seem logical, or economical, to pay for fluoridating an entire water system when less than one-fourth of one percent of all water pumped reaches its target, the children up to 10? Unlike chlorine which is used to purify the water to prevent disease; fluoride, which is used to treat the body, does not evaporate upon standing or boiling. On the contrary, it becomes more concentrated with boiling, as the water vaporizes.

Why should this one medication, this alleged dental treatment, be compulsory? No other medication is, not even vaccination, which is used to prevent the spread of contagious disease.

NO MEDICAL EVIDENCE OR SCIENTIFIC ENDORSEMENT HAS EVER PROVED FLUORIDATION TO BE SAFE!
Yours very truly,
Alfred Patterson
Research Chemist
Rosamond M. Patterson
(Continued on page 8.)

THIS QUARTET will appear in the concert to be presented here March 31 by the Male Chorus of Northwestern College, Watertown, Wisconsin. The concert is open to the public and a general invitation is extended all to attend.

Northwestern College Male Chorus to Present Concert Tuesday, March 31

The Male Chorus of Northwestern College, Watertown, Wisconsin, will sing a concert in the Tawas Area High School Auditorium March 31, 8:00 p. m. The concert is open to the public and all are invited to attend.

The male chorus is under the direction of Arnold O. Lehmann, professor of music at Northwestern. Mr. Lehmann has been with the chorus for two years. Prior to his present position, he was assistant band director at the University of Wisconsin, conducted the choir and band at Concordia Junior College, Ft. Wayne, Indiana, and was in charge of choral activities at the Lutheran high schools, Cleveland, Ohio.

'63 Christmas Seal Program Remains \$30,000 Short of Goal

The 1963 Christmas Seal campaign in Michigan remains \$30,000 short of its goal but an accelerated pace by tardy contributors indicates the gap will be closed by March 31, it was reported today. Contributions from Iosco County have reached the sum of \$2,303 compared with \$2,582 at the same point in last year's campaign, MTRDA said.

Statewide, contributions have reached nearly \$1,100,000 compared with the goal of \$1,130,000 according to Lauren Elliott, Flint businessman and chairman of MTTA's campaign committee.

Elliott said, "Our fiscal year ends March 31 and thus there still is time for late contributors to help us develop for the forthcoming year vigorous activities needed to combat respiratory diseases, including those related to cigarette smoking. We wish to thank those who have contributed and assure that these funds will be put to work to improve the respiratory health of our people."

Lutheran Faith

The divorced person needs the church.

A divorce involves struggle, a struggle that leaves some badly scarred, some burdened with guilt; some come out of the struggle feeling proud or relieved.

There remains a need for one—or all—of the following—forgiveness, acceptance, agreement, consolation, guidance, or just plain understanding.

It's at this point that the church can help.

The church is eager to help, not hurt, by declaring the forgiveness of Christ to the truly repentant.

Lutherans believe the church exists to love. She excludes no one from that love.

STATE OF MICHIGAN. TAXES OF 1961 AND PRIOR YEARS

In the Matter of the Complaint of BILLIE S. FARNUM, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

On reading and filing the complaint of the Auditor General of the State of Michigan praying for a judgment in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said complaint will be brought on for hearing and judgment at the March Term of this Court, to be held at Tawas City in the County of Iosco, State of Michigan, on the 1st day of March, A. D. 1964, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that default being made, the same will be taken as confessed and a judgment will be taken and entered as prayed for in the complaint.

Witness the Hon. ALLAN C. MILLER, Circuit Judge, and the seal of said Circuit Court of Iosco County this 15 day of January, A. D. 1964.

ALLAN C. MILLER, Circuit Judge.

Countersigned, GEORGE A. PRESCOTT, Clerk.

State of Michigan

IN THE CIRCUIT COURT FOR THE COUNTY OF IOSCO

In the Matter of the Complaint of BILLIE S. FARNUM, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Iosco:

BILLIE S. FARNUM, Auditor General of the State of Michigan, respectfully sheweth:

1. That he is the Auditor General of the State of Michigan and makes and files this complaint under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1933, as amended, and Act No. 126 of the Public Acts of 1933, as amended;

2. That Schedule A annexed hereto is the tax record returned by the person or persons mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed during the years mentioned therein, have remained unpaid for more than one year after the date of their respective assessments; and

3. That extended separately in said schedule against the description of each land therein contained are (a) the total amount of delinquent taxes upon said land, (b) the amount of interest and charges thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) \$1.50 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule against the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land described constitute a valid lien upon each of the said several parcels of land described in said schedule as therein and against which they are extended in favor of the people of the State of Michigan, the payment of which lien is hereby demanded as a preference to any first claim upon such lands by the sale thereof.

Wherefore your plaintiff prays:

a. That within the time provided by law this court may determine and adjudge that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final judgment in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses as computed and extended in said schedule against the several parcels of land therein contained;

c. That said judgment provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount adjudged against the same, shall severally be sold as the law provides;

d. That your plaintiff may have such other and further relief in the premises as to this court may seem just and equitable.

And your plaintiff will ever pray, etc.

Dated: January 8, 1964

BILLIE S. FARNUM

Auditor General of the State of Michigan, for and in behalf of said State.

WHITTEMORE-PRESCOTT AREA CARDINALS won the district championship at Roscommon and then fell before Glen Lake last Thursday night in the regionals. The Cardinals, with Coach Ed Dudo in front, are from left: Jim Redmond, Roger Britt, Cordell Ponak, Tom Wojcicki, Larry Pickett, Earl Bronson, Roger Rasbury, Paul Cherry, Harold Drenberg, Don Wallace and Garry VanSickle.

Looking Backward—

Suggested as Candidate for Secretary of State

March 18, 1964—Throughout the state, the Hon. George A. Prescott is being suggested for secretary of state on the Republican ticket. In an interview yesterday, Mr. Prescott stated that he was pleased with the confidence expressed but that he had made no decision on having his name placed before the state convention.

Miss Rose Kane of McVior is spending the week with her sister, Mrs. Collie Johnson.

Mrs. Joseph Halleck and sons, Philip and Leo, left Monday for a visit at Duluth, Minnesota.

Misses Victoria Sauve and Della Shaver of Hale are spending a few days in the city.

Will Perkins and Walter Cripp of Rose City have purchased the Frank Smith building at South Branch.

George Charters, Reno Township treasurer, is in the city this week.

Miss Minnie Marks returned Tuesday to Saginaw after a visit with her parents on the Towline Road.

Charles Brandt of Escanaba, former resident here, is spending a few days with friends in the city.

A shaft is being sunk for a new coal mine at Auburn near Bay City. The mine will have a capacity of 1,000 tons per day.

Ernest Crego of Reno Township is in the city this week on business.

Charles Corrigan of Whittemore was in the city Wednesday.

Mr. and Mrs. E. A. Goodwin of Cadillac are guests at the G. A. Pringle home in Sherman Township.

Miss Sarah Owen returned Tuesday from a business trip to Detroit.

Last Wednesday, John Phelps landed a 22-pound trout. It is one of the finest caught this season.

Miss Mercie Phelan, who has been at Watertown, New York, for the past three years, arrived home Tuesday for a visit with her parents.

New steel fixtures costing \$650 have been purchased for the new vault at the courthouse.

March 17, 1939—The people of the state are mourning the death of Gov. Frank D. Fitzgerald.

Mrs. Sarah Connor has returned from a visit with her son, Maj. Edmund Connor, at Milwaukee, Wisconsin.

Mr. and Mrs. R. M. Murray and son, Robert, are at Detroit this week.

William Groff and father, Wesley Groff, of Detroit are spending a few days in the city.

A. B. Schneider of Sherman Township has returned from a trip through the southern states.

IT DOESN'T HAPPEN OFTEN, but occasionally one of our customers will accidentally dial the wrong number when making a Long Distance call direct. If this should ever happen to you, be sure to ask the person who answers for the city and the number you have reached. Hang up for a moment, then dial your Long Distance Operator and report the city and the wrong number to her. This will keep the charge from appearing on your next telephone bill.

CAN'T FIND A BABY-SITTER FOR THE DAY?
Never mind. You can stay home with the children and still get your day's shopping done... by telephone, of course! Amazing how many errands your phone can run for you. Try it next time you are busy at home, or the weather's bad.

"NO CHARGE, MA'AM!"

Here's a repairman who never sends a bill. He's your Michigan Bell telephone man and his repairs are included in your service at no extra charge. But chances are you rarely need to call him. Today's telephones are that trouble-free! And they're improving all the time. Our goal is to bring you dependable service that remains low in cost while becoming ever more valuable and pleasant to use.

The Fred Pfahls, Mr. and Mrs. Austin Allen called at the Lester Biggs home Friday afternoon.

Mr. and Mrs. Gale Durant and children of Flint enjoyed last week-end with his parents, Mr. and Mrs. Alton Durant, and her parents, the Clayton Ulmans.

With Our Servicemen—

Participates in Exercises Off Coast of Nationalist China

Albert J. Williams, disbursing clerk second class, United States Navy, son of Mr. and Mrs. Alfred Williams of Tawas City, is participating aboard the destroyer, USS Perkins, in a coordinated United States-Nationalist Chinese amphibious exercise called "Operation Backpack" being conducted off the coast of Taiwan.

Backpack is an exercise to test the amphibious capabilities and readiness of the forces of the seventh fleet and the Nationalist Chinese Navy. The exercise, with over 40,000 men and 140 units participating, will culminate in an amphibious assault on beaches of southern Taiwan and will demonstrate the effectiveness of the United States Seventh Fleet to rapidly move a significant combat force to a troubled area in order to assist an ally.

Prior to the assault, aircraft of the seventh fleet will soften beach defenses. In addition, support ships will conduct anti-submarine warfare exercises and the area surrounding the beachhead will be cleared of any obstruction and mines.

"Backpack" is similar to those exercises conducted periodically by units of the seventh fleet with SEATO and other allied nations in the Far East to improve their proficiency in coordinated amphibious warfare operations and to maintain working relationships with allied nations.

Darrell Lomas, son of Mr. and Mrs. F. B. Lomas of East Tawas, commercial artist with Parker Advertising Agency, Saginaw, is now serving with the United States Marine Corps Reserve. His present address is:

Pvt. Darrell Lomas 203R354
TLT 122, D Co, First RTB, RTR, MCRD
Parris Island, South Carolina 29905

Capt. James F. Stech, son of Mr. and Mrs. Jacob A. Stech of Oscoda, and his fellow United States Air Force Air Commandos are causing eyes to turn in wonder as they fly their World War II B-26s in the Fort Bragg, North Carolina, area.

Captain Stech and other members of the exclusive all volunteer first air commando wing fly and maintain the seldom seen B-26s for special counterinsurgency work and training. They have brought the long outmoded aircraft back to a respected place in the air force bomber inventory because the B-26 has proven ideal for support of ground forces in counterinsurgency action.

The captain is a pilot assigned to Hurlbert Field, Florida, in the air commando country. His unit flies their B-26s to Fort Bragg at intervals to participate in joint air force-army special warfare training.

The captain, a graduate of Taft High School, Chicago, Illinois, attended Bradley University, Peoria, Illinois. He was commissioned through the aviation cadet program.

Marine Private Kenneth J. Wingrove, son of Mr. and Mrs. Vernon A. Wingrove of Tawas City; Marine PFC William A. Troia, son of Mr. and Mrs. Peter Troia of Oscoda, and Marine PFC David G. Smith, son of Mr. and Mrs. Francis E. Smith, Wurtsmith Air Force Base, participated in an extensive simulated desert warfare exercise called "Operation Winter Night" at the United States Marine Corps base, Twentynine Palms, California, February 29-March 9.

The exercise, a combined operation of the first marine division based at Camp Pendleton and the third marine aircraft wing at El Toro Marine Corps Air Station, involves all types of marine equipment and every phase of combat skill.

Emphasis was placed on counter-guerrilla operations, helicopter team troop movements and day and night air support.

Kenneth J. Thibault, engineman fireman, United States Navy, son of Mr. and Mrs. Kenneth A. Thibault of Tawas City, is serving aboard the destroyer, USS Stickell, operating out of Newport, Rhode Island.

Stickell has just completed nine months of extensive repair and modification at the Philadelphia Naval Shipyard. Her anti-submarine capability was increased by installation of latest submarine detection devices. Stickell's renovation also included modernization of living quarters.

Public Invited to Attend Agricultural Movie at W-P School

A movie, "How Minimum Tillage Works," will be presented by Marvin Davenport, Isoco County extension director, Thursday, March 19, at Whittemore-Prescott High School. For the 8:00-9:30 p. m. program, Marshall McGuire, vocational agriculture instructor, is acting host. The public is invited to attend.

KAY KILLEY of East Tawas, member of the Blatz bowling team in the Tuesday night major league at Tawas City Recreation, rolled the highest sanctioned score ever hit by a woman bowler on local lanes last week. Mrs. Killey started the game with three in a row, spared and then rolled eight in a row for a 276 total. With handicap, she had a 311 game and a three-game series of 625 actual. Any score, 275 or over, is considered "perfect" by the WIBC and she is to receive a century award and medal. In addition, she won \$100 in cash from the bowling establishment and a trophy.—Tawas Herald Photo.

Lower Hemlock

MRS. BOUCHARD'S HOME SCENE OF 59ERS CLUB MEET

Mrs. Victor Bouchard entertained the 59ers Club Tuesday, March 10, with 12 ladies attending. Mrs. Viola Hawley was a guest.

After the pot-luck, 1 o'clock dinner, a business meeting was conducted and games were enjoyed.

Mrs. Caryl Ives will host the April meeting.

Mr. and Mrs. Orville Revord and children returned home Saturday from a week's vacation in Florida.

The Victor Bouchards spent Sunday and Monday in Bay City with the Richard Reinke and Willard Bouchard families.

Mr. and Mrs. Alexander Flores of Wayne were week-end guests of the Alphonse Provencal family on the Townline Road.

The Russell Hadwins of Detroit were week-end houseguests of their aunt, Mrs. Kitty Ginsberg.

The Ernest Dankerts entertained the Ray Colbys of Saginaw last week-end.

Mrs. May Laidlaw is visiting the Harry McLeans of Saginaw for sometime.

The Leo Wallings of Detroit are spending two weeks at their home on Miller Road.

The Marshall Proper family of Prescott enjoyed the week-end with their mother, Mrs. Ray Wovahn.

Friends are sorry to know Mrs. Kenneth Fabselt is in Chicago, Illinois, where she is hospitalized.

Get-well wishes are extended to her.

Clifford Anschutz of Bay City and Clyde Anschutz went to Chicago, Illinois, Saturday returning Sunday with their mother, Mrs. Arnold Anschutz, who was with her daughter, Carol, after being at Mayo Brothers, Rochester, Minnesota, where she had surgery.

Miss Kathleen Brooks of Tawas City enjoyed the week-end with Terry Look.

The Gale Durants of Flint were last week-end visitors of the Clayton Ulmans and Alton Durants. Mrs. Janet Toms, who has spent sometime with the Durants, accompanied them to Tawas.

The Henry Schatz and Mrs. Clayton Ulman report seeing robins and killdeers the past week.

Mrs. Irene Rempert received minor injuries in a car accident last week. Fortunately, Mrs. Rempert was not badly hurt.

Mr. and Mrs. William Musolf and family of Bay City were Sunday guests of the Charles Kobs family.

Jerry Youngs, student at Mt. Pleasant, spent Saturday with the Wilfred Youngs family.

The Arthur Anschutz family of Grant Township; Mrs. Wilfred Youngs and son, Dale; Willard and Carol Rempert, and Miss Sonja Vance of East Tawas attended the basketball game at Mt. Pleasant Friday evening.

Mr. and Mrs. Carl Grabow and daughters, Jackie and Jerry, were in Saginaw Thursday.

BRIDGE COVERS—Petite border. China rose, pastel yellow and pink, 35c each. Also matching napkins. The Tawas Herald, 408 Lake Street, Tawas City 362-3487.

IT'S HERE!

Quick, easy way to own a new car!

New-car shopping used to be a chore—and mostly a bore. Read why it's no longer true...

We think you'll find it a real pleasure to visit our showroom during our Spring sale of '64 Comets—especially if you're agreeable to saving money, lots of it.

No. 1—Comet sales are up 131% in just a year.* It's easy to get the kind of deal that makes buying a car delightful (should we say "deal-ightful?") because in order to keep our sales volume on the up-and-up we're prepared to keep prices down, down, down!

No. 2—Comet shopping is quick. We give you an instant appraisal on your present car while you wait. The paper work is only a matter of minutes. Why we've even got our own finance facilities to provide you with the most attractive terms and low monthly payments!

No. 3—Comet shopping's the thing to do. Even at full list price it costs less to own Comet than 5 out of 6 models of competi-

tors. Yet Comet gives you so much that's new and making news. New wide stance. New power steering and brakes. New roomy interiors and choice fabrics. New bold look. New big-car ride with 114" wheelbase. Proved high resale to assure you a lion's share of your new-car money at trade-in time. Lot's more!

Be an early bird. Get Spring savings on your new Comet today!

Narrates 'The Easter Story' at Club Meeting

The Easter Story, narrated by Mrs. George Leslie, was enjoyed by members of Twentieth Century Club Wednesday evening, March 11. Vocal selections were presented by Mrs. George Liske, Mrs. Waldo Leslie and Miss Marti Long; three Negro spirituals, Alen Prescott; two piano numbers, "Findlandia" and "The Holy City." Miss Carolyn Wendt. Meditation was given by Mrs. Harry Cross.

Plans for the April 22 spring tea were discussed at the business session. Springtime will be the theme of the April 8 meeting.

Mrs. Walter Laidlaw, Mrs. Cross and Mrs. George Myles, hostesses, served fruit salad, cookies, mints, tea and coffee. The tables were attractively decorated with St. Patrick napkins and original place mats. Tiny elves and green plants carried out the St. Patrick's Day theme.

TA Band to Present Special Program at Mio

Tawas Area High School Band will present a special program Thursday at an all school assembly at the new Mio-Ausable High School. This will be the first concert ever staged in the school's new auditorium. Solo and ensemble numbers will be featured, according to Band Director Edward Rima.

Mrs. Gagner Installed Irene Rebekah NG

Mrs. Ida Gagner was installed as noble grand of Irene Rebekah Lodge No. 137 in ceremonies Wednesday, March 11, at Oddfellow Hall, East Tawas. Serving with Mrs. Gagner are Mrs. Erna Castagnier, vice grand; Miss Helen Applin, recording secretary; Miss Cora Davey, financial secretary; and Miss Edith Davey, treasurer.

Filling appointive offices are Mrs. Josephine Ashmore, outside guardian; Mrs. Clara Wilder, inside guardian; Mrs. Neva Moffatt, junior past noble grand; Mrs. Cora Bronson, panelist; Mrs. Cora Howlston, right supporter to noble grand; Mrs. Johanna Staudacher, left supporter to noble grand; Mrs. Lydia Nelkie, conductor; Mrs. Lois Kienholz, chaplain; Mrs. Muriel Davidson, right supporter to vice grand; Mrs. Martha DePotty, left supporter to vice grand.

Mrs. Bronson, past assembly president, and Mrs. Davidson, deputy president of district 16, acted as installing officers. The following formed an installing staff: Mrs. Nelkie, marshal; Mrs. Moffatt, recording secretary; Miss Applin, grand warden; Mrs. Howlston, financial secretary; Mrs. Davidson, treasurer; Clarence Ashmore, outside guardian; Mrs. Kienholz, chaplain.

For the buffet-style meal, tables were decorated with pink and green roses, delphiniums and pink and green cannelabras. Open-face sandwiches, cake, fruit and gelatin salads, tea and coffee were served.

Outgoing noble grand, vice grand and Mrs. Davidson received many beautiful gifts. Four visitors from Oscoda and 30 members were present. At the March 25 meeting, Mrs. Nellie Misener, a 50-year member, will be honored.

The district 16 meeting will be staged April 4 at the Oscoda Intermediate School gymnasium.

Presents Program on Home Decorating

At the March 9 meeting of Tawas Women's League, Mrs. Harold Klump and Mrs. William Clark prepared and presented a program based on home decorating.

Mrs. Clark and Mrs. Leonard Calabrese served pineapple cake to members and guests, Miss Karen Hunter and Mrs. George Dunn. A cake was won by Mrs. William Olsen.

Election of officers is on the agenda for the April 13, 8:00 p.m., meeting at the Barnes Hotel, Tawas City. Mrs. Olsen and Mrs. Rudolph Rossmann will be hostesses.

IOSCO COIN CLUB MAKES PLANS FOR APRIL DINNER

Plans for an April banquet to be held at the Park House Inn, Oscoda, were discussed at the March meeting of Iosco Coin Club. Food will be served family-style. Members are urged to send reservations to Mrs. McKnight as soon as possible.

Mint sets and educational material were also discussed. Action was taken for Coin Magazine to be placed in local public libraries.

sirable, but neither to be stressed at the price of proper education. He stated the desirable ratio of teachers to pupils is one to 20; Tawas Area's is one to 29.

He said the board needs everyone's help to authorize proper facilities and personnel and that it is everyone's business to upgrade education and the teaching profession in order to create the proper climate for adequate local education facilities.

Mrs. Mick closed with, "We have made great progress in recent years and that improvements in education cost money." He pointed out that future education in Tawas area will depend exactly upon what the people want.

Hostesses for the evening were Mrs. Edwin Habermehl, Mrs. Dewey Pavelock and Mrs. Richard Stock.

Mr. and Mrs. John T. West are enjoying a winter vacation and fishing at St. Petersburg, Florida.

Over the week-end, Mr. and Mrs. Charles Dunlay, son and daughter of Mt. Morris; Mr. and Mrs. William Pujak and son of Clio; Mr. and Mrs. Thomas Mills of Columbus, Ohio, were guests of Mr. and Mrs. Caryl Ives. While here, four generations celebrated March birthdays.

F. E. Kune is scheduled to enter Veterans Hospital, Ann Arbor, Thursday.

Attends Memorial Story Festival at Detroit

Saturday morning, March 7, Mrs. Stuart H. White of East Tawas attended a memorial story-telling festival at the main library, Detroit, for Miss Miriam Wessel, former children's librarian and instructor in children's literature, School of Library Science, University of Michigan. Mrs. White was a co-worker and friend of Miss Wessel, who died suddenly last August. Several years ago, Miss Wessel was speaker at one of Iosco County's book fairs. At that time, Miss Wessel was the houseguest of Mrs. White.

Mrs. White was also the week-end guest of her daughter, Julie Anne, at Kappa Alpha Theta sorority house, Ann Arbor, for mothers week-end. In the evening after dinner at the Women's City Club, mothers and daughters attended a one-hour Broadway showing of the "Child Buyer" from John Hersey's novel by the same name. Mrs. White also had the opportunity to see Fielding's "Tom Jones," an English movie.

Haldon Charters, Mrs. Alice Bowers and daughters, Becky and Debbie, were week-end guests at the James Charters home.

Mr. and Mrs. Roy Spainhower and family of East Tawas had Sunday dinner with the Lawrence Fiverits. The two families enjoyed a ride to Bay City where they watched the burning of the clubhouse at the golf course.

Mr. and Mrs. Harvey O'Dell and daughter, Leila, called on the Lawrence Everitts on Wednesday evening.

Mr. and Mrs. Jack Brown and family of Hale have moved into the house on the Gene Kaiser farm.

Thursday, Mr. and Mrs. Lester Robinson, Mr. and Mrs. Leonard Robinson, Mr. and Mrs. William Waters attended a cooperative elevator meeting at West Branch.

On Monday afternoon, Misses Florence and Iva Latter, Mr. and Mrs. Victor Herriman with a cake in honor of her birthday.

Miss Wanda and Byron Charters of Central Michigan University spent the week-end visiting their family, the James Charters.

Miss Janet Clemens returned home from West Branch hospital Thursday, after being confined for 10 days.

Today's Teen

TODAY'S TEEN is Gary Binder, 16, a junior at Tawas Area High School. Son of Mr. and Mrs. Beryl Binder, Gary is maintaining a B-minus scholastic average. His subjects this year include algebra II, United States History, English III, mechanical drawing and band. He is a member of the junior play cast.

BALDWIN

Mr. and Mrs. Herman Timreck, the Willard Timreck family visited at the Melvin Timreck home Sunday.

Sunday, Mr. and Mrs. Arnold Drumm enjoyed a dinner party with Mr. and Mrs. Larry Whitford. The occasion was the birthday of Mr. Whitford and Cindy Drumm.

Mr. and Mrs. Kenneth Alstrom were Monday Bay City visitors.

Mrs. Edwin Anderson attended an area Sunday school teachers meeting at Bay City Tuesday evening.

Mrs. Frank Smith was a substitute teacher at the Whittemore Elementary School last Friday and Monday.

Friday and Saturday, the George Smiths were callers in Midland and Flint.

The Harvey Smiths spent Saturday in Bay City.

Robert Kavanaugh of Bay City enjoyed the week-end at his home here.

Saturday, the Frank Smiths were callers at the Clarence Curry home on M-55.

Mr. and Mrs. Fred Roberts returned home Thursday after spending two weeks at Mayo Clinic, Rochester, Minnesota.

Ted Lichota entertained friends from Detroit over the week-end.

The Adam Birkenbachs were Saturday callers in Bay City.

Mrs. Henry Chapman is working at Heierman's store, Whittemore, while the Heiermans are vacationing.

Tawas Hospital

WILBER NEWS

Steven Hyzer was honored at a birthday party March 9. Attending were Jerry and Karen Cholger, Terry and Tracy O'Brien, Donald Alda and Janet Alverson.

Mrs. Elizabeth Simmons of Tawas City is ill at the home of her sister, Mrs. Bertram Harris Sr.

Mrs. Albert Kern of Reese is visiting her daughter, Mrs. Harry Krueger, and family.

Mrs. Bertram Harris Sr. entertained Mr. and Mrs. John Newberry and the Hershal Hyzers on the occasion of Steven Hyzer's birthday March 10.

The Rev. and Mrs. Stephen Meeks were Sunday luncheon guests at the Lynden Lee home. The Meeks then accompanied several MYF members to Mio to a sub-district rally.

Joan Newberry of Flint enjoyed the week-end with her parents.

Janet Lee was a recent houseguest of Pam Jones at Oscoda.

Richard Abbott of Flint spent the week-end at his home.

Over the week-end, Mr. and Mrs. Richard Dorff visited Mrs. Elizabeth Simmons.

The last Lenten supper will be held Thursday evening. Pot-luck meal will be served at 6:30 with worship service at 8 o'clock. March 28 is Holy Communion.

Mr. and Mrs. Owen Benjamin and baby of Bay City called at the Bertram Harris Sr. home Sunday.

Sunday, the Orville Revord family of Tawas visited in town.

Mrs. Frank Smith was a substitute teacher at the Whittemore Elementary School last Friday and Monday.

Friday and Saturday, the George Smiths were callers in Midland and Flint.

The Harvey Smiths spent Saturday in Bay City.

Robert Kavanaugh of Bay City enjoyed the week-end at his home here.

Saturday, the Frank Smiths were callers at the Clarence Curry home on M-55.

Mr. and Mrs. Fred Roberts returned home Thursday after spending two weeks at Mayo Clinic, Rochester, Minnesota.

Ted Lichota entertained friends from Detroit over the week-end.

The Adam Birkenbachs were Saturday callers in Bay City.

Mrs. Henry Chapman is working at Heierman's store, Whittemore, while the Heiermans are vacationing.

Mr. and Mrs. Burton Partlo and family of Whittemore spent Saturday night with the Harvey Smiths.

Mr. and Mrs. Sam Boger were Sunday callers of Mr. and Mrs. Floyd Shaffer and family.

Saturday, Mrs. Violet Zahara visited at the Joseph Chmura home in Twining.

MABLE R. SIMS

The Rev. Joseph Ablett of Oscoda officiated at funeral services for Mrs. Mable R. Sims Monday, March 16, at Evans Funeral Home, East Tawas. Burial was in Greenwood Cemetery.

Born June 5, 1877, to Thomas and Brenda Corner in Canada, she came to this area as a child. April 25, 1904, she married Allan Sims at Bay City. They resided at East Tawas for a number of years, moving to St. Paul, Minnesota, and later to Wisconsin. Mr. Sims died April 25, 1910. June 12, 1920, she married John Wesley Sims, who died October 20, 1942. She was a member of the Methodist Church and Order of the Eastern Star, Spooner, Wisconsin.

She is survived by a son, Lisle Sims of Inkster; one daughter, Mrs. M. Or Johnston, Milltown, Wisconsin; seven grandchildren, and seven great grandchildren.

MRS. ALICE BAMBERGER

Funeral services for Mrs. Alice Bamberger of Saginaw were conducted Tuesday at Moffatt Funeral Home, East Tawas. The Rev. Robert T. Garrett of Saginaw officiated with burial in Grant Township Cemetery.

Mrs. Bamberger, who was born May 23, 1905, at Tawas City, was a former Grand Township resident. She died Friday, March 13, at St. Luke's Hospital, Saginaw.

Her husband, Charles Bamberger, preceded her in death in 1960.

Surviving are two daughters, Mrs. M. J. Rowley of Clio and Mrs. Kenneth Sawyer of Saginaw; six sons, Harold and Charles Jr. of Saginaw, George of Freeland, William and Dewey of Flint, James of Wurtsmith Air Force Base.

JOSEPH H. NOEL

An East Tawas painter and interior decorator, Joseph H. Noel died Saturday, March 14, at his residence following a lingering illness. Born September 3, 1907, at East Tawas, he spent his entire life there.

Surviving are his wife, Leona; two daughters, Mrs. Patricia Harris, Bay City, and Mrs. Donna Alford, Flint; a son, Charles, who is serving with the United States Navy; three grandchildren; mother, Mrs. Jessie Noel, East Tawas; two sisters, Mrs. Grace Smith, Essexville, and Mrs. Nina Bunn of Bay City.

Funeral services will be conducted Wednesday at St. Joseph Catholic Church, East Tawas, with the Rev. Fr. Arthur Mulka officiating. Burial will be in East Tawas.

LOUIS M. KEHOE

Louis M. Kehoe, who was born July 30, 1886, at East Tawas and left the community in 1909, died recently.

A meat cutter by trade, Mr. Kehoe established one of the first super markets in Lapeer where he was active in civic affairs. He had served as Kiwanis Club president and a two-year presidency of the Michigan Horseman's Association.

Surviving are his wife, Helen; one son; two daughters; one brother, Dr. L. J. Kehoe of East Tawas.

Braves Drop Sparta, Lose to Lakeview in Regional

Tawas Area's trek along the tournament trail terminated at Mt. Pleasant Saturday night. The NBC champions lost to Lakeview in the regional finals, 66-59, at Central Michigan University's fieldhouse.

After nosing out Sparta the previous night, 70-64, the Braves found themselves in a position they usually reserve for their opponents—the McIntoshmen were down at the end of a disastrous first quarter.

Guard Darrell Welch started the game off by showing the same form which helped Tawas to defeat Sparta. The little five-foot, six-inch play-maker popped the game's first shot from the corner and Tawas had a two point lead. Except for two foul shots, Tawas drew a complete blank during the remainder of the eight-minute period and Lakeview held a 16-4 margin.

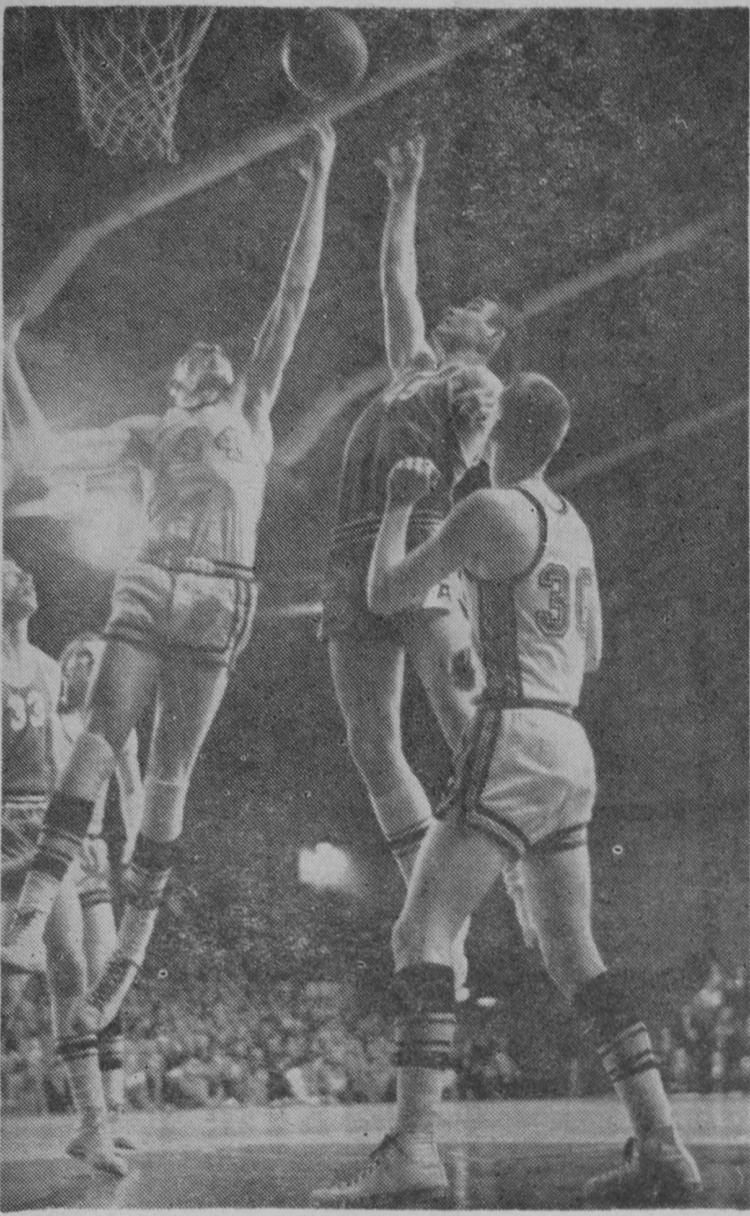

Everything seemed to go wrong for Coach Bill McIntosh and his lads after the opening whistle. Three field goals were nullified when referees detected Tawas players shuffling their feet when shooting and the Braves lost the ball on three other occasions on the same rule infraction.

A lot of credit must be given to the Lakeview defense of Guards Chapin and Johnson, who stopped Tawas' offense cold with their fast-moving tactics. The Lakers out-hustled the Braves in the first quarter, stopped passes intended for Herb Humphrey in the slot and pulled in the important rebounds.

Solving the Laker defense, the Braves came to life in the second quarter and it is to their credit that they came so close to tying Lakeview late in the game. Tawas out-scored the winners, 17-13, in the second quarter and held its own after changing baskets. Lakeview meshed 19 points to Tawas' 16 in the third quarter.

Despite being down, 37-48, to start the final quarter, Tawas was still not out of the game. Playing without the services of Humphrey, who fouled out with two minutes to go in the third quarter, the poise of Forward Chuck Anschuetz seemed to inspire his teammates and the Braves closed the gap to only four points with about three minutes to go. At this point, Dennis Radford, filling in for Humphrey, made a great rebound attempt but was unable to get the ball away. When Radford stepped out-of-bounds, the Lakers took over and quickly drove to another two-pointer. This gave the regional champs enough of an edge to play keep-away during the remainder of the game and Anschuetz and Sass fouled out in the late stages.

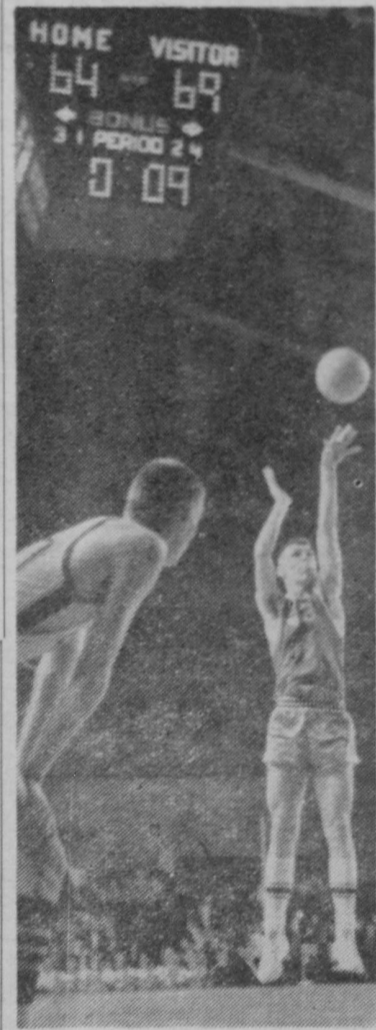

Tawas completed 39 percent of its shots from the floor as compared to Lakeview's 35 percent and had four players who hit in double figures. None could come up to Lakeview's Bob Langdon, who counted the top total of 28 points on 10 and eight. Tawas' closest approach was Anschuetz, who totaled 15 on five and five. He was followed by Don Lear's 13 on four and five and a 12 count by Sass and Humphrey on three and six and five and two, respectively. Things were different the previous night when the Braves turned in an impressive 70-64 win over Sparta. Tawas got away to a 22-16 lead in the opening period as Humphrey took charge and Welch found the range with outside shooting to give the Braves some running room. By halftime, Tawas was still very much in command, 37-30, although tied late in the second period at 28-all.

FORWARD CHUCK ANSCHUETZ battles for this rebound in last Saturday night's regional final at Mt. Pleasant. No. 44 is Kos, Lakeview center, Forward Bob Langdon, who scored 28 points for the winner, is No. 30. Forward Jim Sass is at far left.—Tawas Herald Photo.

Killey	1	0	2

Then Sparta, which bombed Whitehall Wednesday night, 96-82, with a smooth-working fast break, put on a press and twice moved ahead in the last three minutes at 58-57 and 60-59. Key baskets by Anschuetz, Humphrey and Welch put Tawas in front at 66-60, but Sparta still was not ready to quit. Doug Fairchild hit a couple of baskets as trailer on the break to make it 66-64 and Sparta had a chance to tie with another good shot that went astray. The Braves finished off with four points to make it 70-64 at the final horn. Welch and Humphrey had 18 points each, the former with shots from 20 feet out, on eight and two and seven and four combinations, respectively. Anschuetz added 16 on five and six. Fairchild took individual honors with 29 points on 11 and seven.

THE SCOREBOARD at Mt. Pleasant in this picture tells a far different story than the front page picture. This was snapped with nine seconds to go Friday night as Herb Humphrey flipped in a charity toss to make the final score Tawas 70, Sparta 64.—Tawas Herald Photo.

Cards Stopped by Glen Lake

By DORNACE BELLVILLE

The Whittemore-Prescott Cardinals had their wings clipped in their quest for another regional championship by Glen Lake at Petoskey Thursday night, 74-62.

Glen Lake had defeated their next door neighbor, Leelanau, on Tuesday night for the right to meet the Cards. Gaylord walloped the Lakers Saturday night, 73-45, for the championship.

Earl Bronson started the Cards off right with the first bucket, but the Lakers quickly tied it up and went ahead, 5-2. The Lakers' all court press bothered the Cards as they pulled further ahead, 13-6. The Cards' fast break started working with Roger Rasbury scoring three straight field goals to come within one point, 13-12.

The Lakers scored again, but Paul Cherry drove in and got that one back and Larry Pickett put the Cards ahead 16-15, at the end of the first quarter. The lead changed hands several times in the second quarter and the Cards took over the lead midway in the period. Two consecutive baskets on fast breaks by Chip Drenberg helped the Cards to a 37-32 lead at intermission.

Rasbury and Bronson each had four fouls as the last half got underway and were on the bench when the Lakers put together three fielders and four charity losses to take a 44-39 lead. The Cards started coming back again in the fourth quarter and were within two points of the Lakers, 54-52, when Rasbury picked up his fifth personal with over five minutes left to go.

Cherry and Tom Wojcicki teamed up for five straight points to bring the Cards within one point, 60-59, and it looked like the Cards were going to come from behind again as they did in the Rosecommon district, but the Lakers' sharpshooters started finding the range with six straight on a fielder and four charity tosses to take a good seven-point lead with less than two minutes to go. The Cards started pressing, but only succeeded in picking up fouls and the Lakers hit well on charity tosses to win going away.

Cherry led the Cards with 18 points. Wojcicki and Rasbury also scored in double figures with 14 and 11. Hohnke led the winners with 22.

Lone Area Player Named NEM All-Conference

Chet Barber, high-scoring Eagle from Arenac Eastern, was the lone player from area schools named to the Northeastern Michigan Conference's all conference team.

Others among the first five were Gary Somers, senior, Alcona; Rick Doherty and Mike Soderman, both Houghton Lake seniors; Bob Jansen, senior, Roscommon.

Named to the all-conference second team were Paul Cherry and Roger Rasbury, Whittemore-Prescott Area seniors; Bruce Haines, senior, Roscommon; Dick Govitz, sophomore, Beaverton; Dean Cobb, senior, Beaverton; Bob Boucher, senior, Alcona.

LETTERS TO THE EDITOR

(Continued from page 2.)
March 9, 1964

Dear Editor:
As a registered voter of the City of East Tawas, I was very interested in Mr. Denstedt's theory (letter which appeared March 4) of the effect of the fluoridation of drinking water on the resident death rate of Grand Rapids. I would like to demonstrate why, even though I presume his statistics are valid, they are not proof of his theory.

Mr. Denstedt, in trying to prove his point, has chosen only two cities to compare. In doing this, he has assumed that there is only one difference between the two cities, i.e., fluoridation of the drinking water. He does not consider the fact that there may be other factors present that may affect the death rate.

He has chosen the year of 1960 in which he says that there were 2,007 deaths in Grand Rapids with a population of 177,312. This is a death rate of 11.3 residents per 1,000. Flint at the same time, using Mr. Denstedt's figures, had a death rate of 8.7 residents per 1,000.

As he pointed out, Michigan health statistics are available to anyone. This led me to do a little research of my own. I chose to look at the same two cities in the year 1940. This is five years before Grand Rapids started fluoridation of their drinking water.

Grand Rapids in this year had 1,861 deaths and a population of 164,292. This figures out to be the same death rate of 11.3 residents per 1,000. At the same time, Flint had 1,252 deaths and a population of 151,543. This is a death rate of 8.27 per 1,000.

This proves only two things. First, that the death rate in Grand Rapids was the same in 1960 and in 1940 and the death rate in Flint was slightly higher in 1960 than in 1940. Secondly, that I can pick a year before Grand Rapids started fluoridation in which the death rates for the two cities were practically the

ACCEPTING THE Northern B Conference's 1964 basketball trophy on behalf of the Tawas Area Braves are Co-Captains Herb Humphrey and Don Lear. Hollis Miner, principal at West Branch High School and league president, made the presentation during an assembly here Friday.—Tawas Herald Photo.

same as in 1960. What was the cause of the higher death rate in Grand Rapids than in Flint in the year 1940?

In short, the statistics as presented by Mr. Denstedt prove only one thing, Grand Rapids had a higher death rate in 1960 than did Flint. For these reasons, I cannot accept those statistics as evidence "that fluoridation is killing people in Grand Rapids."

Very truly yours,
Frank H. Clark
125 West Shaw
Michigan State University
East Lansing, Michigan

March 6, 1964

Dear Editor:
More than 100 cities in the United States have already banished fluoridation. Is this not enough evidence to show that this dangerous experiment is impractical?

Yet, dentists in their discussion of the subject never mention that a single city has ever abandoned it. Is this honest? Is this not pulling the wool over the people's eyes?

Here are a few quotes from letters received from the following cities:

From the City of Reading, Massachusetts, the following letter written by Rudolf Sussman, secretary of the board of selectmen.

It would seem that fluoridation was rushed through a town meeting in Reading without a full study of all the aspects involved. The fluoridation machinery was in talked and operation commenced; after a few months the machinery broke down. By then a group of citizens asked to have the case for and against fluoridation reviewed and the matter referred to a referendum.

The selectmen then set a date for the referendum, allowing several months for various individuals and groups to present the pros and cons through the medium of the newspapers, public meetings, etc. The referendum was held and fluoridation lost by quite a margin.

Chief arguments against:
(1) Not conclusive proof that cavities in children's teeth would become fewer by use of this method.

(2) Pipes in town were apparently affected by use of fluorides.

(3) Some people felt that since only a small portion of the population might possibly benefit by fluorine in water, the larger portion of the people in town might suffer from an accumulation of fluorine in their systems.

In other words, after all new and old evidence was examined by the people of Reading on the basis of circulated literature, group meetings and information available from other sources, the people voted to take out fluoridation.

R. H. Hays, water superintendent of Tyler, Texas, writes:
The City of Tyler had fluoridation a little over two years and was adding 0.8 p. p. m. to our natural content of 0.2 p. p. m., making a total of 1.0 p. p. m.

A great number of citizens were opposed to fluoridation, some claiming it as forced medication; others claiming it was injurious to their kidneys and other parts of their bodies; others claimed it broke them out in a rash and many other similar cases. Therefore, it was put to a vote of the people.

The referendum carried approximately four to one to discontinue its use, which was done immediately.

Lake Geneva, Wisconsin, voted some time ago to discontinue fluoridation, after three years, because of the dirty condition of the water as a result of the fluoride program. It seems that, according to the superintendent of water supplies, the fluoride was releasing and loosening mineral deposits formed on the pipes. He asked the city commission to discontinue fluoridation, which it did.

Yours truly,
Chester Denstedt
Tawas City, Michigan

Predicts that 41 Will Visit SS Contact Station March 26

"I predict . . ." said Paul M. Ellifritz, district manager of the Social Security Office, Bay City, . . . that 41 people will visit our contact station in Tawas City at the county building on Thursday, March 26. They will be interviewed by our field representative and at least one of those 41 people will be in to say that his earnings in 1963 were higher than he had anticipated and that consequently he was overpaid."

Mr. Ellifritz went on to explain that all social security beneficiaries are asked, at the time they file an application, how much they expect to earn for the year. Benefit payments are then scheduled to begin either in terms of that estimate or with the first month of retirement. In addition, each beneficiary is given a post card form that can be used to revise an estimate of earnings any time during the year. Therefore, Mr. Ellifritz added, the great majority of overpayment cases—overpayments that must be refunded—need not have occurred.

If you want to learn more about how earnings affect social security benefits, drop a line to this newspaper and ask for the Social Security Booklet No. OASI-23. The editor will be glad to hear from you and will see that your request is promptly answered. Any dubious citizen is invited to check on the remarkable presence of Mr. Ellifritz by calling at the Bay City office next day.

"Doctor, how soon do you think I'll be well enough to eat things that don't agree with me?"

Mich. Bell Paid Isoco Workers \$339,829 in Wages in 1963

Michigan Bell Telephone Company today reported that it paid wages of \$339,829 to its 48 employees who worked in Isoco County during 1963. This includes \$155,073 to 22 employees in Oscoda and \$184,756 to 26 in East Tawas.

Thomas C. Maher, manager here, said the company's entire wage bill of \$146,616,779 for its 21,692 employees throughout the state set an all-time record.

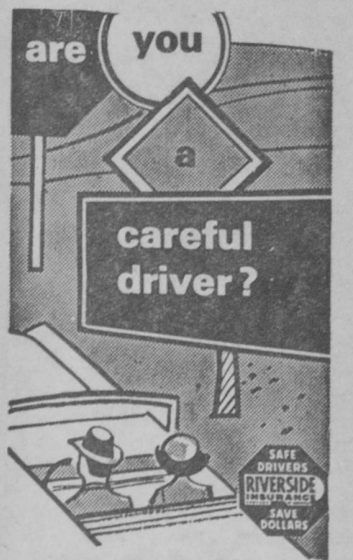

In addition to Michigan Bell's payroll, the Western Electric Company, manufacturing and supply arm of the Bell system, paid

8.8 million dollars to its 1,300 employees who worked in Michigan, and AT&T's long lines department paid 3.4 million dollars to its 520 employees in the state.

The men and women of Michigan Bell, the state's fourth largest non-governmental employer, and of the other two Bell system units who live in more than 400 Michigan communities, received total wages of 158.8 million dollars.

Areas in which Michigan Bell's 1963 payroll topped the \$5,000,000 mark include Detroit, Flint, Grand Rapids, Saginaw and Southfield.

Areas which passed the \$1,000,000 mark were Ann Arbor, Battle Creek, Bay City, Benton Harbor, Jackson, Kalamazoo, Lansing, Livonia, Mt. Clemens, Plymouth, Pontiac, Port Huron, Roseville, Royal Oak, Traverse City, Wayne and Wyandotte.

LEGAL NOTICE

STATE OF MICHIGAN
The Probate Court for the County of Iosco
In the Matter of the Estate of Ruth F. Dye, Deceased.
At a session of said Court, held on March 9, 1964
Present, Honorable Kenneth E. Ralph, Judge of Probate.
Notice is hereby given, that all creditors of said deceased are required to present their claims in writing and under oath, to said Court, and to serve a copy thereof upon Charles Frederic Dye, Jr. of Birmingham, Michigan, fiduciary of said estate, and that such claims will be heard by said Court on May 19, 1964, at 10 A. M.
It is Ordered, That notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in The Tawas Herald, and that the fiduciary cause of a copy of this notice to be served upon each known party in interest at his last known address by registered, certified or ordinary mail (with proof of mailing), or by personal service at least fourteen (14) days prior to such hearing.

LEGAL NOTICE

NOTICE OF MORTGAGE SALE
Defaults having been made in the conditions of a certain mortgage made by STATE BUILDERS, INC., a Michigan corporation, of the City of Midland, Midland County, Michigan, to GEORGE O. FETTERS AND COMPANY, a Michigan corporation, doing business at Saginaw, Michigan, dated March 1, 1963, and recorded March 8, 1963, in the Office of the Register of Deeds for Iosco County, Michigan, in Liber 54 of Mortgages on page 451, and said mortgage having elected under the terms of said mortgage to declare the entire principal and accrued interest thereon due, which election it does hereby exercise, pursuant to which there is claimed to be due and unpaid on said mortgage on the date of this notice the principal, interest, insurance and taxes the sum of \$10,704.53, and no suit or proceeding at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof.

Now therefore, by virtue of the power of sale contained in said mortgage and pursuant to the statutes of the State of Michigan in such case made and provided, notice is hereby given that on Monday, the 4th day of May, A. D., 1964, at eleven o'clock in the forenoon, Eastern Standard Time, at the front entrance of the Court House in the City of Tawas City, Iosco County, Michigan, that being the place of holding Circuit Court in said County, said mortgage will be foreclosed by a sale at public auction to the highest bidder of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due as aforesaid, and all other sums paid by the undersigned, with interest thereon, pursuant to law and to the terms of said mortgage, and all legal costs, charges and expenses including an attorney's fee, which premises are situated in the Township of Osceola, Iosco County, Michigan, and described as follows:

Lot 76, Hull Island Subdivision No. 2, according to the plat thereof recorded in Liber 10 of Plats on pages 46 and 47, Iosco County Records.
DATED: February 3, 1964.

GEORGE O. FETTERS AND COMPANY, a Michigan corporation.

At a session of said Court, held on March 3, 1964.
Present: Hon. Kenneth E. Ralph, Judge of Probate.
Notice is hereby given, That all creditors of said deceased are required to present their claims in writing and under oath, to said Court, and to serve a copy thereof upon Herbert Hertzler, of Tawas City, Michigan, fiduciary of said estate, and that such claims will be heard by said Court at the Probate Office on Tuesday, May 5, 1964, at 10:00 A. M.
It is Ordered, That notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in The Tawas Herald, and that the fiduciary cause of a copy of this notice to be served upon each known party in interest at his last known address by certified mail, return receipt demanded, at least fourteen (14) days prior to such hearing, or by personal service at least five (5) days prior to such hearing.
KENNETH E. RALPH
Judge of Probate 11-3b
