

Wurtsmith Open House Set for Armed Forces Day

Wurtsmith Air Force Base will swing its gates wide to the public from 10:00 a. m. to 3:00 p. m. Saturday, May 16, to give visitors a chance to view and inspect the base's defense capabilities and military readiness. The open house event will be held in celebration of the 15th annual observance of Armed Forces Day.

From static displays of aircraft to judo demonstrations and fire truck rides for the children, a full schedule is planned for the entire family.

Beginning at 10:15 a. m., the base fire department will provide rides for the youngsters set on fire trucks. The fire department will also put on a fire fighting demonstration. Air force films will be shown from 11:00 a. m. to 1:00 p. m. Judo and physical fitness demonstrations will begin at 10:30 a. m. and end at 11:00 a. m.

Sentry dogs and their handlers from the 379th Combat Defense Squadron will perform for the public twice during Armed Forces Day with demonstrations at 11:30 a. m. and 2:00 p. m.

A special attraction of the day's events will be static displays of the various aircraft assigned to Strategic Air Command and Air Defense Command units at Wurtsmith. These will include the B-52H Stratofortress bomber, the KC-135 Stratotanker refueler, the F-101B Voodoo fighter-interceptor and the HH-43B helicopter.

Other displays set up for the day will include fire fighting equipment, personal and survival equipment used by SAC and ADC crew members and hospital equipment.

Wurtsmith will hold another open house September 19 in

observance of the United States Air Force's 17th anniversary and in conjunction with Kiwanis International-Air Force Kid's Day. Main attraction of the September 19 event will be the performance of the "Thunderbirds"—the USAF aerial demonstration team, flying the F-105 Thunderchiefs.

Exchange of Mayors to Feature Michigan Week

Here, as everywhere in Michigan these days, people are talking and living the glories of their state.

Next week is Michigan Week and, while the local program will be rather sparse this year the 11th annual state celebration is to focus attention on the greatness of Michigan and its individual communities.

The theme this year is "Michigan—Great in Resources and Opportunities."

Locally, Michigan Week will be observed next Monday, Government Day, with an exchange of mayors between Tawas City and Ovid. East Tawas and Whittemore are not taking part in the program this year.

Changing places with Tawas City Mayor George Tuttle will be Mayor Harvey Darling of the Clinton County community. Ovid is located west of Ososso on M-21 near the Shiawassee-Clinton line.

The visiting mayor and his party are to be entertained at the noon luncheon of the Tawas City Businessmen's Association to be held at the Barnes Hotel. That evening, a banquet will be held in honor of the visitors at the Barnes. Attending will be city officials and their wives.

(Regular meeting of the Tawas City Council will be held at 8:30 p. m., Monday, instead of the regular 7:30 starting time.)

The visitors are to tour the community Monday morning to inspect civic facilities and plans have been made for a visit to Wurtsmith Air Force Base in the afternoon.

In charge of the program are Supt. of Public Works Reginald Bulbitz, Councilman Cecil Cabbale and Chief of Police Frank Roti.

Every church is expected to observe Spiritual Foundations Day Sunday, May 17, with recognition of the early history of the church and the part which the faith it represents has played in the development of Michigan.

For the eighth year in succession, the Michigan State Police will hold their annual open house at each post Tuesday, May 19, Hospitality Day. Visiting hours at the

East Tawas post will be from 9:00 a. m. to 9:00 p. m., according to Sgt. George Briggs, commanding officer.

"Although visitors are always welcome at a state police post, open house offers an unusual opportunity to find out how a post operates," Sergeant Briggs said. "We are planning a special reception and hope to make this a very interesting occasion for those who call on us. We will be happy to see them."

The East Tawas post is located on US-23 east of the state park and is easily identified.

Fire Station Included in Appropriation

Construction totaling \$113,000 has been approved for Isosco County, according to an announcement from State Rep. James P. Mielock. About half of this amount is to come from the federal government and the remainder from state and local government.

Included is a \$25,000 equipment station and field office to serve fire needs in the east central part of the state for the department of conservation.

The state is appropriating \$12,500 as its share in constructing a standard equipment storage building and field office complete with water, heating and sanitation facilities.

According to Mielock's letter, the area to be served is presently too remote from the Mio station to receive effective fire control and a site in this vicinity has been donated to the state as a location for the proposed station.

At present, the conservation department is maintaining a field office in a garage owned by the United States Forestry Department at East Tawas.

The second project calls for construction at the Isosco County Airport at an estimated cost of \$88,000. Of this total, the federal government is to grant \$44,000, the state government is to appropriate \$22,000 and the County of Isosco is to match this with \$22,000.

It will include construction, lighting and marking a 3,500-foot runway with a 150-foot taxiway and 250-foot apron, plus turnarounds and security fence.

195 Descriptions Sold in Annual Tax Sale

County Treasurer Grace L. Miller reports that 195 descriptions were sold at the May 5 sale for 1961 and prior years' taxes. Total amount received was \$4,321.63. The annual tax sale was conducted last Tuesday by Mrs. Miller at the Isosco County Building.

Combined Choirs in Program Saturday

Combined choirs of Tawas Area School will present a program Saturday night, 8 o'clock, at the high school auditorium. Miss Judith Gillies will be director.

The program, entitled "A May Night," will include selections by the eighth grade chorus and senior high glee club.

Numbers by the eighth grade chorus will include: "Soft Music Enchanting," by Mozart; "I Hear a Thrush at Eve," Marti Long, soloist; "Cielito Lindo," Mexican folk song; "Lullaby Moon," trio, the Dreamettes; "In Silent Night," Brahms; "Still as the Night," Rhonda Hammitt, soloist; "Slumber Song," Haitian folk song.

Senior high glee club will sing "The Night Has A Thousand Eyes," Cain; "But The Lord is Mindful of His Own," Mendelssohn; "Scarlet Ribbons," Danzig; "How Lovely Are Thy Dwellings," Liddle; "Christopher Robin is Saying His Prayers," Simson; "May Night," Brahms.

Following intermission, Karen Tree will sing "Such a Lil Fellow;" Trudell Trio, "The Little Sandman;" Miss Tree and Barbara Clark, "Sleep My Lovely One;" Happy Wanderers, "In A Japanese Garden."

Combined choruses will sing "It's a Grand Night For Singing," Rodgers and Hammerstein; "Some Enchanted Evening," Rodgers and Hammerstein; "Goodnight My Someone," Wilson-Stickles.

MAKING PLANS for the home show to be held at the East Tawas Community Building Friday and Saturday, May 15-16, are Charles Schreck, left, owner of Schreck Lumber Company, sponsor of the event, and Walter Niles, an employee of the firm.—Tawas Herald Photo.

Home Show Set Friday-Saturday by Lumber Co.

A two-day home show sponsored by R. G. Schreck Lumber Company is to be held this Friday and Saturday at the East Tawas Community Building.

Show hours are to be from 8:00 to 10:00 p. m. on Friday and 12 o'clock noon to 10:00 p. m. on Saturday, according to Charles Schreck, owner of the lumber company.

Grand prize to be awarded will include \$100 toward material for a new home or cottage and other prizes of building materials. Free coffee and donuts are to be served.

There will be many displays of uses and different applications of materials in the building fields. Included will be a demonstration of load capacities of Sanford Trusses, a Lucite paint demonstration, film strips on erection of Cukler Company building.

Local builders and suppliers will be guides for visitors to the show. In addition, Consumers Power Company will have a demonstration and display. An Eureka electric broom will be awarded as a door prize.

"This program will be something entirely new to the Tawas area," states Mr. Schreck. "While several home shows have been held in the past, this is the first one in which local builders have been invited to participate."

Displays by manufacturers are as follows: Flint Sash and Door Company, Anderson Window Corporation, Masonite Corporation,

Armstrong Company, E. I. DuPont-Nemours Company, Cukler Steel Span Company, United States Plywood Corporation, Insulite Corporation.

Kemper Kitchen Cabinets, Marsh-Marlite, Genova Plastic Plumbing, Schlage Hardware, Berry Garage Doors and Operators, Frigidaire Appliances, Tappan Appliances and Morgan Doors.

Essexville Seeks Berth in NBC
Member schools of the Northern B Conference are to take action on a request for admission by Essexville High School at a meeting to be held May 20.

If approved, Essexville would become the seventh member of the conference effective with the 1966-1967 school year.

Other schools are Tawas Area, Pinconning, Gladwin, Standish, Sterling, Oscoda and West Branch.

Free Chick Day
Fluffy, live chicks will be given away free Saturday at Gingerich Feed and Implements, Tawas City. Owner Donald Gingerich reports that his free chick with feed purchase program will include free coffee and donuts, information to aid growers with feed problems and a film on a dairy program at 2:00 p. m. Turn to page 8 for information.

Tawas Cityan's Arrest Solves Wave of B&Es

Allen Steinhurst, 22, Tawas City, was convicted Monday on his plea of guilty to breaking and entering in the nighttime. Arraigned before Circuit Judge Allan C. Miller, he admitted burglaries at Rainbow Service, Tawas City; Fuerst and Charters Hardware, Whittemore, and three other buildings in that community.

Ruth Ann Bozik, 22, Whittemore, was convicted on her plea of guilty to possession of stolen property. Both are being held in lieu of bond at Isosco County Jail while awaiting presentence reports.

Steinhurst was arrested last Tuesday at East Tawas. The case had been under investigation by the Isosco Sheriff's Department, police departments of the Tawas and state police.

A parolee from Southern Michigan Prison, Jackson, Steinhurst admitted breaking into Rainbow Service on April 29 and stealing \$170 from a cigar box. He also admitted breaking into Fuerst and Charters Hardware the following night and stealing \$500 in cash.

Linwood Boy Died Thurs. When Canoe Capsized in Sag. Bay

A 17-year-old Linwood boy, Terrell E. Bourassa, drowned last Thursday afternoon in Saginaw Bay off Sims Township, Arenac County.

The victim and Thomas E. Pomerville, 18, Pinconning, were paddling a canoe about 100 yards off shore when the craft turned into the waves and capsized.

James Rivard and Robert Bertraume of Pinconning went out to assist the two, but Bourassa drowned.

The body was recovered during dragging operations by the United States Coast Guard from Tawas Point.

HENRY OATES of Alabaster Township, left, was named chairman of the newly-formed Tawas Area Development corporation last Thursday. Named vice chairman was Floyd Schaff Jr., right, East Tawas. Standing in back is Alf C. Watson, acting secretary-treasurer and corporation counsel. The organization is to meet this Thursday night at the Tawas Chamber of Commerce office to adopt new by-laws and select committees.—Tawas Herald Photo.

School to Seek Bids on Insurance 'Package'

A change in the method of purchasing insurance has been adopted by Tawas Area Board of Education and is to become effective when policies are to be renewed in October.

By unanimous vote of the board Monday night, bids are to be taken on a new "package policy" plan for all insurance needs of the district. Not included would be workmen's compensation insurance, which is presently written by Michigan State Accident Fund.

This action came about following a discussion on hiring the firm of Marshall and Stevens to make an insurance appraisal of buildings this year. Cost of the appraisal would have been \$80. Opinions were voiced that such an appraisal was a waste of money. It was felt that the high school, for instance, should be insured at the original construction cost with a depreciation program over the years. Equipment would also be inventoried and depreciated.

At present, insurance is furnished by three local agencies, Myles Insurance, Tawas Bay Agency and Isosco Insurance Agency, on a 40-40-20 percentage basis in that order.

Board President William Look and Trustee Leonard Sarki said they had received complaints concerning the present arrangement and felt that insurance should be placed on bids and under one package plan. This met the unanimous approval of the board.

In other business, Supt. Reynold Mick said the professional problems committee of the faculty had been studying teacher tenure contracts and would report its recommendations at the next board meeting. Policies of the Cheboygan School District, which has been operating under the teacher tenure program, are now being studied by the local board of education.

A discussion was held concerning the possible hiring of Mrs. Ellen Evans to head the English department. Jordan said that Mrs. Evans is interested in a "team teaching" program whereby the talents and specialties of each language teacher could be best utilized.

Election inspectors for the June 8 election are to be named this week by the board of education. Election board workers are paid a salary of \$14, plus \$2 for lunch allowance. Three persons are to be named in each of the four precincts.

Isosco Flying Club to Sponsor Dawn Patrol

Isosco Flying Club will sponsor a dawn patrol and fly-in Saturday, May 30, at the Isosco County Airport. In case of rain, the program will be held the following day.

A pancake breakfast will be served from dawn until 9:30 a. m. and a barbecue will start at 12 o'clock noon.

Featured in the program will be experimental, antique and new airplanes, sky diving, sailplanes. There will be free prizes.

Schools Approved for Collecting Tuition

The schools of Isosco County have been approved for the collection of tuition for nonresident pupils enrolled in grades nine through 12 for the year ending June 30, 1965.

This decision has been made as a result of a review of the available data on the total school program, states William F. Tracy, county superintendent of schools.

WILLIAM LOOK

School Board President to Retire; Three in Race

With the filing of nominating petitions by two new candidates, William Look, president of the Tawas Area Board of Education, has withdrawn his name from the June 8 school election.

Petitions had been filed for Mr. Look at the April 27 board meeting, but the 10-year board veteran said he wished to retire this year and would do so if someone else filed for the vacancy.

New candidates filing by the May 9 dead line were John Proctor, East Tawas heating and masonry contractor, and Clyde Soper, owner of a dairy products delivery business.

This is the first time that either of the men have been candidates for the board of education. Soper is a former president of the parent-teacher association.

The third candidate for one of two vacancies to be filled on the board is Mrs. Norman Payva, who was appointed to fill the unexpired term of Joseph Dimnick, who now makes his home in Arizona.

Mr. Look has been a member of the board since his election in July 1954. He has served as president since 1961.

SOME WON'T RECEIVE BALLOTS
An estimated 50 percent of the voters formerly registered by Tawas Area School District may be ineligible to receive a ballot at the June 8 school election, reports Board of Education Secretary Walter Niles. The same holds true for other school districts in the county.

According to the new state constitution, anyone who has not voted during the past two years must reregister with his respective township or city clerk. Names of those persons who have not complied are to be removed from poll books.

Prior to enactment of the new constitution, a person could vote every four years and still remain on the registration list. Dead line for registering for the June 8 election was Friday, May 8.

DRIVE WITH CARE
Conservation Officer A. G. Leitz reports that 50 deer have been killed on Isosco highways south of the AuSable River since January 1. He warns motorists to be on the alert at all times.

REAL SWINGING DOOR—Feather-Lite Manufacturing Company's Revers-a-door becomes the first Michigan product to win the international Hess Versatility in Design Citation. The Detroit-Tawas firm is the first in the building products industry to receive the award. Harry R. Hall, right, executive vice president of the Michigan State Chamber of Commerce, presented the citation to Arthur O. Weiss, Feather-Lite vice president. The new pre-hung, aluminum storm and screen door works without ordinary hinges, can be reversed to swing from the opposite side in less than three minutes.

THE BIBLE SPEAKS TO YOU

Christian Science Lesson-Sermon

Mortality is a dream from which we need to be awakened. This is the theme of the Bible lesson to be heard at Christian Science churches on Sunday. The subject will be "Mortals and Immortals," and the Golden Text is from Ephesians (5:14): "Awake thou that sleepest, and arise from the dead, and Christ shall give thee light."
 Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this: "Mortal existence is a dream; this: 'Mortal existence is a dream; tity, but saith 'It is I' Spirit is the Ego which never dreams, but understands all things; which never

errs, and is ever conscious; which never believes, but knows; which is never born and never dies" (p. 250).

PERSONS bitten by the "collecting bug" find themselves collecting anything, from bottle caps to precious ivory. Pitchers attracted Miss Kate Dease of East Tawas and she has assembled 513 since 1935. Her collection includes creamers in all shapes, sizes and materials. The smallest is only one-eighth of an inch high and was sent to her attached to a birthday card. She has one rare pitcher made

in 1829 and others have come from various parts of the world. Surrounded by all of these pitchers, once she accidentally poured cream in a sugar bowl and placed it on the table before guests. "I never lived that down—they wanted to take up a collection to buy 'Poor Kate' a cream pitcher," said Miss Dease. —Tawas Herald Photos.

CMU Offers Many Off-Campus Classes This Summer

There are many classes of on-campus and off-campus credit being offered this summer from the many colleges and universities in Michigan. Central Michigan University, for example, will offer approximately 300 classes during the regular summer session of six weeks. Most of the classes will be held between June 15 and August 28.

More information and informative bulletins may be obtained from the office of William F. Tracy, Iosco County superintendent of schools. This office is open daily from 9:00 a. m. to 4:00 p. m. except Saturday.

Needlecraft News by Nancy Baxter

BEING A SUBTEENER is like being in an in-between, never-land where you're too young for most things and too old for everything else. I recently wrote to you about the difficulties that are part of these years, but no one column—or even two columns—can cover all there is to say about this subject.

WHAT YOU CAN DO

You, a mother or friend of the family of one of these girls, can help get a girl through this time. You can give her the confidence in herself that she so desperately needs. One way to feel confident of yourself is to know that you're wearing a pretty something that makes you look your best. Unfortunately, it is not always easy to buy just that pretty something in the stores. Subteeners, you see, are still ignored by many, many manufacturers. So the best—and often the only—thing to do is to make a subteener's clothes. Not only will it be fun and economical for you, but it will be absolutely marvelous for your subteener.

CROCHETED CAPELET

This capelet is an example of what subteeners like. With its pearl and velvet bow trim, it is sophisticated and grown-up looking without going to extremes. And it makes a wonderful addition to her wardrobe. For Springtime parties, it's just the thing to wear. The feeling this little wrap will give her will make her whole evening a success. For free directions for crocheting this capelet, just send a self-addressed, stamped envelope to the needlework editor of this newspaper. Ask for Leaflet No. PC 1061.

ONE THING GUARANTEED TO STRIKE FEAR into the heart of almost every adult is the idea of a child's birthday party. Just the thought of all those children in the house, the noise, the mess, the ruined tables. . . . But what can you do? Children do have birthdays, and they must have parties.

THE EASIEST WAY

Whatever little thing you can do to make these parties at all easier on yourself should definitely be done. For instance, plan—well in advance—exactly what the children will be doing to amuse themselves. Don't let them pick their own fun and games. You're the boss, and you must decide on the entertainment.

The kids will have just as much fun with an adult at the helm, and it will be much easier on you.

ANOTHER EASY TRICK

It would be nice, while you're doing your advance planning, to make these paper doll placemats and matching napkins for the party. There are several very good, solid reasons for making them. They're pretty enough to perk up any party table. Kids love them. Anybody can make them. And it saves your good tablecloths from melted ice cream and spilled soda stains. Stains on these placemats don't matter at all, because they're made of washing-machine-washable percale. You just pop them in the machine and they're as good as new. You can have free directions for sewing this set. Just send a stamped, self-addressed envelope to the Needlework Editor of this newspaper. Ask for Leaflet No. PPE 1201. Then, after you've made them, just take a deep breath and settle back and wait for the party.

People who live in Gas-heated houses think chilly is a country in South America.

You, too, can forget what it means to be chilly. You can also forget what it's like to shiver in drafts, shovel coal by the ton, sweat out fuel deliveries in stormy weather, fight a losing battle against soot and grime, and pay expensive fuel bills.

How?

Simply by remembering to sign up for natural Gas service now. That way you'll be certain to be among the first in your area to enjoy the cleanliness, reliability, speed, efficiency, convenience and economy of Gas heat. This fall. This winter. The rest of your life.

Contact your heating contractor today. You'll find a Gas unit installs in a matter of hours, pays for itself many times over in reduced fuel bills.

And for further information, advice or assistance, call us. As always, we'll be happy to be of service. Just call 362-4458; if yours is a toll call, call collect. (We'll be happy to tell you about the advantages of Gas water heaters, Gas ranges, Gas dryers, Gas incinerators and Gas air conditioners, too.)

Sign up TODAY! Be the first in your neighborhood to live modern . . . for less . . . with Gas.

RECEIVING a 20-year federal service pin at left is John O. Putnam, a native of Hale. Presenting the award is Air Force Col. Roger G. Kethleson, deputy commander of the Defense Electronics Supply Center, Dayton, Ohio.

Former Hale Resident Receives 20-Year Federal Service Pin at Dayton, Ohio

John O. Putnam, a native of Hale, has been presented with a 20-year federal service pin and certificate at the Defense Electronics Supply Center, Dayton, Ohio.

Putnam, a supply commodity management officer in the center's directorate of supply operations, entered federal civil service at Wright-Patterson Air Force Base, Dayton, in July 1947 and, in 1953, accepted a position with the center's predecessor, the Dayton Air Force Depot. His federal career includes military duty with

the United States Army Air Corps from October 1942 until January 1946.

Born October 20, 1922, Putnam lived at Hale until 1942 when he entered military service. He is a 1941 graduate of Whittemore High School.

Mr. and Mrs. Putnam reside with their children, Patricia, Jonelle, James, John, Constance, Thomas, David and Jennie, at 1244 Ashland Avenue, Kettering, Ohio.

He is a brother of Leon Putnam, undersheriff of Iosco County; Mrs. Elma Alderton, Miss Gertrude Putnam, both of Hale; Mrs. Dorothy Lehman, Whittemore; Mrs. Ida Webb, Charles Putnam, both of Sylvania, Ohio; Mrs. Betty Timmer of Grand Rapids, and Mrs. Lottie Eymor of Prescott.

Takes Part in Joint Service Assault On Hawaiian Island

Army PFC Donald R. Freel, son of Mrs. Elvace Freel, Whittemore, participated as a member of the assault forces in Exercise West Wind, a joint army-navy-marine corps amphibious operation, on the Hawaiian island of Molokai April 15-24.

More than 4,000 troops of the 25th infantry division were landed on the island's Papohaku Beach from helicopters and landing ships. After establishing a beachhead, the men moved inland to conduct jungle warfare and counter-insurgency operations against 2,000 of the division's men who took the part of guerrillas previously established on the island.

Freel is a member of troop C, third reconnaissance squadron of the division's fourth cavalry, regularly stationed at Schofield Barracks, Hawaii. He entered the army in May 1963 and received basic training at Fort Knox, Kentucky.

The 24-year-old soldier was graduated from Whittemore Area High School in 1957 and was employed by Paragon Feed Mills, Incorporated, before entering the army.

Ceremony Solemnized at St. Joseph Catholic Church

MR. AND MRS. THOMAS J. REDER

White snapdragons and yellow chrysanthemums decorated the altar of St. Joseph Catholic Church, East Tawas, Saturday, May 9, for the double ring ceremony in which Thomas J. Reder of Bay City claimed Veronica A. Pavlik of East Tawas as his bride. The Rev. Fr. Arthur Mulka read the 11 o'clock rites.

Parents of the couple are Mr. and Mrs. John V. Pavlik of Milwaukee, Wisconsin, and Mr. and Mrs. Alexander Reder of Bay City.

Miss Clara Bolen, vocalist, was accompanied by Mrs. Lucille Michaels, organist.

Given in marriage by her father, the bride wore a pure silk organza gown fashioned with elbow length sleeves, bateau neckline and fitted bodice. Her bell-shaped, floor length skirt, graced with organza appliques, was highlighted by a detachable chapel train. Her silk organza pillbox headpiece was secured to an imported silk illusion, bouffant veil and she carried a white prayer book topped with white orchids.

For her role as maid of honor, Miss Rita Pavlik of Milwaukee, sister of the bride, wore a floor length aqua gown styled with bell-shaped skirt. She carried an arrangement of yellow carnations with orchid center.

Attending the bridegroom as best man was John Christian of Bay City. Guests were seated by Melvin Lafevre of Bay City, brother-in-law of the bridegroom, and Vincent P. Pavlik of Milwaukee, brother of the bride.

For her daughter's wedding, Mrs. Pavlik chose a turquoise lace

dress with white accessories. Mrs. Reder was attired in a two-piece, turquoise and white dress. Their corsages were orchids.

An afternoon reception was held at Tawas Country Club for 200 guests from Milwaukee, Flint, Saginaw, Essexville, Munger and Lincoln. Following a two-week trip to Washington, D. C.; Virginia, and Maryland, the newlyweds will reside at Mt. Morris.

The bride attended Mercy School of Practical Nursing, Cadillac, and her husband attended Bay City Junior College.

Hostesses honoring the bride with pre-nuptial showers were Mrs. Cecil Nelkie of Tawas City; Mrs. Frank Care of Oscoda; Mrs. Alex Reder, Mrs. Melvin Lafevre and Mrs. John Christian, Bay City.

Twentieth Century Club Meets Wednesday Eve

For the last meeting of the current year, members of Twentieth Century Club will assemble May 13 for a 6:30 p. m. pot-luck dinner in Tawas Area High School home economics room. Hostesses will be Mrs. Russell Rollin, Mrs. Howard Silverthorn and Mrs. Ira Horton.

TC Chapter, OES, to Convene Next Tuesday

Tuesday, May 19, members of Tawas City Chapter No. 303, OES, will convene at the Masonic Temple for an 8:00 p. m. meeting. Officers will assemble at 7:00 p. m. for practice.

Selected to Participate In CMU Honors Program

Nancy Marie Borosch of Tawas City, Central Michigan University freshman, has been selected to participate in the university-wide honors program. The daughter of Mr. and Mrs. William Borosch, she is a 1963 graduate of Tawas Area High School and is studying social science and sociology.

'Color' Program Given at Extension Group Meet

Mrs. David Finley's Indian Lake home was the setting for the May 8 meeting of Grant-Tawas Extension Group meeting. A program on color was presented by Mrs. Arthur Robert. Members commenced work on individual projects using their own imagination in color schemes.

Mrs. Finley, assisted by Mrs. James Finley as co-hostess, served refreshments to seven members. Following a picnic in June, meetings will be postponed until September.

MEMBERS of Tawas City Garden Club are shown here planting a Crimson King maple tree at Tawas Area High School as part of the Arbor Day program last Tuesday. Mrs. Elizabeth Holland, chairman of the club's civic committee, is shown spading the ground at center.—Tawas Herald Photo.

Club Plants Arbor Day Tree

Arbor Day was observed by the Tawas City Garden Club Tuesday, May 5, by planting a Crimson King maple at Tawas Area High School. First part of the meeting was held at the home of Miss Ferne Mark and Mrs. Elizabeth Holland. The business session was conducted by Mrs. Donald Macdonald, vice president, in the absence of Mrs. Caryl Ives, president.

Roll call was Michigan trees.

History of Arbor Day and the life of John J. Audubon were presented by Mrs. Holland; a conservation report was given by Mrs. T. J. Smith, who also led a discussion on club work before the 22 members present left for the school.

At the school grounds where

the tree had been planted, the program was continued. Mrs. Glenn McLeod read "Nothing More Beautiful," "Life of Applesed John" was told by Mrs. William Leslie and the poem, "Arbor Day," was read by Mrs. Ervin Ulman. Supt. R. E. Mick accepted the tree on behalf of the school and thanked the organization for its interest.

Tawas City Opens Season With Win at Whittemore

OPENING PITCH in Sunday's NEM baseball opener between Tawas City and Whittemore is pictured above. Lefty Al Kaiser of the Tawas City team threw a strike past Manager Roger Hall of the visitors. The next four pitches were wide and Hall walked, but Kaiser pitched four-hit ball to win the game.—Tawas Herald Photo.

Tawas City Indies got off on the right foot in the Northeastern Michigan League baseball opener Sunday by defeating visiting Whittemore, 7-2.

Behind the four-hit pitching of Kaiser, the Indies of Manager Harold Rollin jumped off to a three-run lead in the first inning and were never headed.

Errors played a big part in runs scored in the first inning, which is understandable because of the lack of practice, but Tawas City batters cracked a total of 13 hits during the afternoon off the slants of Roger Hall, losing pitcher for Whittemore.

Kaiser seemed to be in mid-season form as he struck out 14 batters and walked only four. His only trouble came in the second and sixth innings when Whittemore scored single runs.

The locals scored three runs in the first, three runs in the third and a single run in the sixth inning.

D. Blust was the day's top hitter with three singles. Collecting two hits each were Larry "Doc" Anschuetz, Ken Blust and Kaiser, each with a double and a single. Olen Herriman had two singles.

A brief memorial service was held preceding the game for Fred Jones of Prescott, former NEM League president, who passed away last week.

Tawas City travels to Hale next Sunday for the season opener there.

VFW Buddy Poppy Sale to Begin May 21

Iosco County Post No. 5678 and Auxiliary, Veterans of Foreign Wars, will conduct the annual buddy poppy sale May 21, 22, 23, it was announced today by Ruth Hill, chairman for the ladies auxiliary.

VFW buddy poppies are made by disabled veterans only and are the organization's symbol to the world that "We Honor the Dead by Helping the Living," according to Mrs. Hill. The sale of poppies is the only direct appeal to the public for aid to the hospitalized and needy veterans. Contributions made by the public in good faith are used in the same good faith by being placed in the relief fund to be held in trust for specific purposes only.

Needy service men and women or their dependents are given assistance through this fund; hospitalized veterans are cared for, widows and orphans of disabled or deceased veterans, who reside at the VFW National Home in Eaton Rapids, are given aid through this fund.

By law of the organization, money in the relief fund cannot be used for general expenses, Mrs. Hill explained. Every dollar donated by the public in the annual sale of VFW buddy poppies is being used for the welfare of the veterans.

All buddy poppies sold in Michigan are made by disabled veterans who are residents of the Michigan Veterans Facility, Grand Rapids.

FROM IRON HORSE TO COMPUTER

For 50 years, rural and urban families alike have shared in "Better Living Through Learning" in programs of the Michigan Cooperative Extension Service. The off-campus arm of Michigan State University observes a golden anniversary on May 8.

Although its audience in the beginning was rural, the program now serves all segments of Michigan's population. Just as Land-Grant Colleges, such as MSU, developed and increased their responsibility in fields beyond agriculture and home economics, so has the Extension Service.

Demonstration trains were an early method of conducting Extension work. Farmers learned about better livestock in these sessions like the one pictured in Northern Michigan in 1918. Robert J. Baldwin, first director of the Michigan Extension Service, is shown at right in dark coat and hat.

By contrast, today quick answers to technical questions are as near as a telephone. Soil scientists now use electronic computers to provide rapid and accurate recommendations. Above, John Shickluna of the MSU Soil Science Department discusses some tests results with Ray Vasold, Agricultural Agent in Saginaw.

Nation's Bird in Trouble

More than a match for most wild foes, the majestic bald eagle appears headed on a one-way flight to oblivion throughout much of the United States because of people, progress, and pesticides. Its numbers have nosedived and today only 550 pairs of breeding birds remain in this country, not including Hawaii and Alaska. Michigan is one of the bald eagle's last strongholds, but here as elsewhere the forces of "civilization" are seriously working against our great national emblem. Studies are not conclusive, but there are indications that DDT poisoning is blasting the eagle's reproduction. There is also evidence that the birds pick up lethal doses of pesticides in the food they eat. Large numbers of bald eagles are illegally shot each year. Highways and resort developments have ousted these birds from their favorite haunts.

NATIONAL HOSPITAL WEEK is being observed from May 10 through 16. Pictured above is Tawas Hospital, which marks its 11th year of service to the local area next month. The building will be open to the public Thursday, 2:00 to 4:00 p. m.—Tawas Herald Photo.

Observing Hospital Week Across U. S.

Hospitals throughout the United States this week are marking National Hospital Week, an annual effort to develop greater public understanding of hospitals and their activities.

"The need for this understanding is obvious," asserts Sister M. Olivia, SSJ, administrator of Tawas Hospital. "The well-being of the hospital and community are inseparable."

She points out that the hospital could not maintain or continue to improve its health services without community support.

"And without a hospital," she emphasizes, "a community would suffer serious handicaps in health care."

The popular concept of a hospital is of an institution where a person goes for surgery or treatment and care for an illness or injury. One out of eight persons this year will receive care of such a nature in a hospital. Approximately 1 1/2 million persons on any given day are patients in American hospitals.

In 1963, there were 2,348 admissions to Tawas Hospital, of which 420 were new births. There was a total of 14,295 days of care administered.

Salaries to employees during the past year at Tawas Hospital amounted to more than \$257,000 and commodities bought in the area totaled more than \$18,000.

During the past year, school girl "candy-stripe" volunteers have given 787 hours of service to the

LOW WATER at the Tawas River mouth is shown in the above picture. Work was started Monday on dredging a channel 40 feet wide and about four feet deep to allow passage of small craft into Tawas Bay. A dragline is shown at top center cutting through a sandbar which blocked the river mouth. Contractor for the work was A. J. Merrill and the project was financed jointly by the City of Tawas City and local businessmen.—Tawas Herald Photo.

Summer Day Foods - inside

Summer Day... SALADS

Looking for a way to bring the fresh air and sunshine of summer into your kitchen—try a salad. Toss fresh crisp greens and peak-of-the-season vegetables together as just the right thing to serve with a hot sizzling steak right off the grill. For the gals serve fresh fruit on your prettiest plates. Combine the summer season's full flavored fruit with your favorite cheese and have a perfect ending for any dinner.

There are a million ways to fix a salad. That's why you can be an expert in the salad

line. Salads can be appetizers, accompaniments, main dishes, desserts, or a whole meal. They may be made individually, or they may be big enough to serve the whole party. And they may be crisp and cool, molded, frozen, or even hot!

With all this variety, don't let yourself and your family get into a salad rut! Try one of these recipes for a touch of newness to any meal—Tuna Salad in Tomato Cups, Macaroni Tropical Salad, and Patio Salad. We're sure you'll be glad you did.

LOW-CALORIE LUNCHEON PLATE

Lettuce
Thin slices honeyball or honeydew melon
Lemon juice
Pink grapefruit sections
Orange sections
Grapes, halved and seeded
Unpared red apple, sliced thin or cut into wedges

Avocado, peeled and sliced thin
Fresh sweet cherries, pitted
Thin slices of sausage
Cottage cheese
Seasoning salt
Toasted thin biscuits or English muffins
Fruit Dressing

Arrange individual luncheon plates. Center melon slice in lettuce cup or on lettuce leaf. Sprinkle with lemon juice. Top with grapefruit and orange sections, grape halves, apple wedges, avocado slices and pitted cherries. Pass *Fruit Dressing* or drizzle over mound of fruit. Shape thin slices of sausage into cones (fasten together with toothpick) and fill with cottage cheese. Sprinkle cottage cheese with seasoning salt. Complete luncheon plate with slices of toasted thin biscuits or English muffins.

FRUIT DRESSING

Juice of 1 lemon
Juice of 1 orange
Pineapple juice

$\frac{1}{4}$ teaspoon salt
3 beaten eggs
1 teaspoon non-caloric sweetener (or about 3 teaspoons sugar)

Measure juice of lemon and orange into 1 cup measuring cup. Add pineapple juice to fill cup. Place in top of double boiler. Add salt, eggs, and non-caloric sweetener; blend well. Cook over simmering water until thickened, stirring constantly. Cool. Serve with any fruit plate or gelatin salad.

PATIO SALAD

1 can pork and beans with tomato sauce
 $\frac{1}{2}$ cup sliced cucumber
 $\frac{1}{2}$ cup chopped celery
1 $\frac{1}{2}$ teaspoons vinegar
 $\frac{1}{2}$ teaspoon salt
 $\frac{1}{2}$ cup chopped green pepper
Dash pepper

Lighly mix all ingredients together; chill. Serve on crisp greens. Makes 3 to 4 servings.

TUNA SALAD IN TOMATO CUPS

1 can tuna
 $\frac{1}{2}$ cup diced celery
 $\frac{1}{2}$ cup chopped cucumber
1 tablespoon minced onion
1-3 teaspoons lemon juice
Salt and pepper to taste
1 tablespoon sweet pickle relish
 $\frac{1}{4}$ cup mayonnaise
4 medium tomatoes

Mix tuna, celery, cucumber, onion, lemon juice, salt and pepper. Toss together. Add mayonnaise. Blend in sweet pickle relish and mix lightly. Cut tops off tomatoes and scoop out center. Fill with tuna salad and serve on crisp lettuce cups. Makes 4 servings (1 pint tuna salad).

MACARONI TROPICAL SALAD

1 7-ounce package elbow macaroni
2 cups diced oranges
2 cups diced, unpared apples
 $\frac{1}{4}$ cup nuts, chopped
 $\frac{1}{4}$ cup maraschino cherries, finely sliced

Cook the elbow macaroni as directed on the package. Drain and blanch under cold water. Chill. To chilled macaroni add oranges, apples, nuts and maraschino cherries. Fold in Fluffy Orange Dressing. Place in lettuce cup for individual serving. Garnish with cherries. Serves 10 to 12.

FLUFFY ORANGE DRESSING

2 3-ounce packages cream cheese
2 tablespoons sugar
 $\frac{1}{2}$ teaspoon salt
Grated rind of one orange
Juice of one orange
1 cup cream, whipped

Cream the cheese, sugar, salt and orange. Add orange juice. Fold in whipped cream.

Summer Day... PATIO DINING

"Aw, come on, Mom—let's eat OUTSIDE!" Roll out the barbecue and eat in the backyard, on the patio, porch or terrace. Use the old outdoor fireplace or bring out a charcoal grill for the cooking. Keep the food simple. Let every amateur chef have a hand in the fixin's. Make it a casual, carefree occasion that's easy on Mom and oceans of fun for Dad and the youngsters.

This summer add to your outdoor eating pleasure by making your electrical appliances a real part of your patio dining. Use the electric frypan for toasting sandwiches, fixing burgers, steaks and flapjacks, or cooking

the family's favorite casserole. Try warming buns, stew and potato-chip appetizers in the electric corn popper. The table-broiler/roisserie, if you have one, can serve a dual purpose—it broils steaks, chops and sandwiches and the spit cooks roasts and poultry to perfection. Keeping foods hot is a simple matter when you use your electric hot tray or small trivet. And by all means have "on-the-spot brewing" with your automatic coffee maker.

So, whatever menu you plan—be it plain or fancy—we think you'll find that suppers (lunches and breakfasts, too) are twice as good OUTDOORS.

BAKED BANANA SURPRISE

Select underripe or green-flecked bananas. Wash and with a paring knife slash the skin on the inside curve of the bananas; cut down into the banana and spread it apart. Insert miniature marshmallows and semi-sweet chocolate morsels. Pull the skin together, wrap each banana in foil, and about 10 minutes before dessert time place on electric table-broiler/roisserie unit or over charcoal grill. Turn once.

BARBECUED BEEF ROAST

1 small onion, chopped
1 cup mild vinegar
1/2 cup salad oil
1/4 cup molasses
1/2 teaspoon basil

1/2 teaspoon celery salt
1/4 teaspoon savory
1/4 teaspoon garlic salt
4 pounds beef round, rolled and tied

Combine onion, vinegar, salad oil and molasses in large bowl; mix well with fork. Blend in seasonings. Add beef and turn a few times to coat well with the mixture; refrigerate several hours, turning beef occasionally.

Preheat rotisserie as manufacturer directs (or preheat oven to 325 degrees F.). Remove meat from marinade. Put spit lengthwise through center of roast, lock with prongs, and slip spit into preheated rotisserie; roast about 1 1/4 hours to 1 1/2 hours, for medium-rare, basting often with marinade. Or, to roast in oven, place meat in shallow roasting pan on rack, roast approximately 1 1/2 to 2 hours, for medium-rare, basting often with marinade. Makes 8 to 10 servings.

BRAISED BEEF WITH MUSHROOMS

2 tablespoons butter or margarine
1 envelope onion soup mix
2 pounds round or chuck beef cut 1½ inches thick

1 tablespoon bottled steak sauce
¼ pound fresh mushrooms, sliced OR 1 6-ounce can sliced mushrooms

Place a large sheet (double thickness) of aluminum foil in electric skillet and place 1 tablespoon of the butter in the center. Combine the soup mix with ¼ cup water or, if canned mushrooms are used, the mushroom juice. Place half of this mixture on the foil and place the meat over it. Scatter the mushrooms around the meat. Top with remaining soup mixture and butter. Close the foil by overlapping it 3 inches on top of the meat. Close opposite ends by folding them up tightly. Place temperature control at approximately 220 degrees F. and cook for 2 hours or until meat reaches desired degree of tenderness. Serve right from the skillet, simply open the foil and spoon the wonderful sauce over each meat serving. Makes 8 servings.

**VEGETABLES HOT OFF THE GRILL****Plugged Potatoes:**

With an apple corer, cut a lengthwise plug in a baking potato—remove plug and cut off end, leaving ½ inch. Pour a spoonful or two evaporated milk into hole in potato; replace the ½-inch plug. Brush each potato with salad oil and wrap in aluminum foil. Grill-bake until tender—about 45 minutes to 1 hour.

Tomatoes with Onion:

Select medium firm tomatoes (one to a person). Cut each tomato in half crosswise, sprinkle cut surfaces with salt and pepper, then put together again with a thin slice of onion between. Use a toothpick to hold the reassembled tomato intact. Wrap each tomato in a 6-inch square of heavy aluminum foil, and "bake" at edge of hot grill 15 to 20 min.

Frozen Vegetables:

Place block of frozen vegetable on big square of aluminum foil. Season with salt and pepper. Top with pat or two of butter or margarine. Bring edges of foil up and, leaving a little space for expansion of steam, seal tightly with double fold. Place this package on the grill or right in the hot coals about 10 to 15 minutes. Turn occasionally.

SAUSAGE BREAKFAST FOR A SUMMER DAY

Fresh crisp chilled blueberries
1 package refrigerator biscuits
Butter
Coffee or milk

Commercial sour cream
Ground nutmeg OR brown sugar
1 package brown and serve sausages
Jelly

Start breakfast with a bowl of fresh blueberries topped with thick commercial sour cream sprinkled with ground nutmeg or brown sugar. Meanwhile heat an electric skillet to 380 degrees F. (or hot if a regular heavy frying pan is used). Arrange the packaged refrigerator biscuits in the ungreased skillet. Cover tightly for 5 minutes. Remove the cover and with a spatula turn each biscuit to brown the other side. Replace the cover and bake 5 minutes more. The biscuits will be crispy and golden brown on each side when baked. Push the biscuits to one side and put the sausages in the skillet, turning to brown evenly. Allow about 3 minutes for browning the sausages; if they came from the freezer, add 2 or 3 minutes more.

FRENCH-TOASTED TUNA FISH SANDWICHES

1 cup flaked tuna fish
½ cup minced celery
¼ cup chopped sweet pickle
Dash of pepper
¼ cup mayonnaise
12 thin slices white bread

3 eggs, beaten
½ cup milk
1 teaspoon sugar
¼ teaspoon salt
Butter or margarine

Combine tuna, celery, pickle, pepper and mayonnaise; mix well. Make up 6 sandwiches with bread and set aside. Mix eggs, milk, sugar and salt in a pie pan. Dip each sandwich into egg mixture, being sure to coat each side completely. Sauté sandwiches slowly in butter on electric griddle until filling is thoroughly heated and sandwiches are golden brown.

French-Toasted Chicken Sandwiches: Use recipe for French-Toasted Tuna Fish Sandwiches, substituting 1 cup finely chopped cooked or canned chicken for the tuna fish. Add 1 teaspoon salt to the filling mixture.

French-Toasted Ham and Cheese Sandwiches: Use recipe for French-Toasted Tuna Fish Sandwiches, substituting 6 thin slices of ham and 6 thin slices of cheese for tuna fish filling.

Delicious Pillsbury Bake-Off prize winner: Macaroonies!

Want to wind up with a winner? Then start with a winner! Every time, use Nestlé's® Semi-Sweet Chocolate Morsels. That's what Judith Carlson of Amery, Wisconsin, did in her "Macaroonies" recipe, adapted for you by Ann Pillsbury. Fabulous—the way Nestlé's Morsels stay neatly whole in baking, then melt lusciously in your mouth. Famous—the glorious, rich flavor they give. Fantastic—what they do for cookies. Anything other than the plump goodness of Nestlé's Morsels, and Macaroonies just wouldn't be Macaroonies. And that's a guarantee...because Nestlé's makes the very best chocolate.

Macaroonies

Adapted by Ann Pillsbury

2 eggs
¼ teaspoon salt
¾ cup sugar
½ cup Pillsbury's BEST All Purpose Flour
1 tablespoon Land O'Lakes Butter, melted

2 cups flaked coconut
1 6-oz. pkg. (1 cup) Nestlé's Semi-Sweet Chocolate Morsels
1 teaspoon grated lemon rind
1 teaspoon Burnett's Pure Vanilla

Crisp macaroonies with morsels of chocolate.
BAKE at 325° for 12 to 15 minutes.
MAKES about 3 dozen cookies.
Beat eggs and salt until foamy. Gradually add sugar; continue beating until thick and—ivory colored, 5 to 7 minutes. Fold in flour and butter.

Stir in coconut, chocolate morsels, lemon rind and vanilla. Drop dough by rounded teaspoonfuls onto lightly greased and floured cookie sheets.
Bake at 325° for 12 to 15 minutes until delicately browned. Cool 1 minute; remove from cookie sheet.

Summer Day... TEEN COOKERY

SUBMARINE SANDWICHES

Split a long loaf of French or Italian bread, but don't cut quite through. Cut a length to match your appetite or start with miniature brown-and-serve loaf. (If you like, scoop out some of the center to make room for more filling!)

Spread generously with mustard, whipped garlic butter and/or mayonnaise with curry powder. Or sprinkle bread with plain oil-vinegar French dressing.

A traditional Sub starts with salami—you take it from there. A few possibilities are: boiled ham, prosciutto, bologna, sliced tongue, beef, chicken, dry sausage, tuna, pickled herring, lobster, crab; American cheese, Swiss, provolone, ricotta; lettuce, green-pepper strips, slices of tomato, onion, cucumber, pickles—from gherkins to artichoke hearts to tiny red peppers; ripe and green olives.

Some specialists moisten the layers of "stuffing" with olive or salad oil, sprinkle with capers, sage, oregano, or other favorite herbs. Away with food inhibitions!

30-MINUTE BAKED BEANS

1 cup sliced onion	1 tablespoon prepared mustard
2 tablespoons fat	1/4 teaspoon salt
2 No. 2 cans (5 cups) pork and beans	2 tomatoes, peeled and sliced, or 1 cup well-drained canned tomatoes
1 4 1/2-ounce can deviled ham	
2 tablespoons molasses	

Cook onion in hot fat till tender but not brown. Combine remaining ingredients except tomatoes and onion. Alternate layers of bean mixture and onion and tomato slices in greased 1 1/2-quart casserole. Bake in moderate oven (350 degrees F.) for 30 minutes. Makes 6 to 8 servings.

CHOCOLATE BARBECUE BOATS

For each "boat" prepare an aluminum foil container 5 to 6 inches long with 1-inch sides. Pinch ends together. Stack 5 vanilla wafers spreading each layer with your favorite jam. Place on side in foil container. Separate wafers and sprinkle jam layers with miniature marshmallows and semi-sweet chocolate morsels. Place foil "boats" over low heat on the grill and heat until marshmallows and chocolate are softened, approximately 10 minutes.

Let teen-agers cater their own summertime snack sessions! Snacks after a hootenanny at home, refreshments following a swim or baseball game, or tidbits while lazing about—teen-agers like good hearty food. And they can fix it themselves. The old reliables—pizza, franks and hamburgers—are fine anytime, and especially when they are "dressed up" a bit to impress the guests.

Mom, you can encourage this "do-it-yourself" kitchen activity by stocking the pantry snack shelf with convenience foods earmarked for teen-age cookery. Canned tuna, cold meats, ice cream toppings, pork

and beans, a variety of crackers and slice and bake cookies are some suggestions. Beginning teen-age cooks will probably be too impatient to cope with the technicalities of a standard cookbook so the quick and easy foods will be a good introduction to the wonderful world of cooking. And a few hints from Mom, tactfully given, help smooth over problems that will inevitably arise.

Teen-age cooks can also make a start on the backyard barbecue. Everyone can get in the act when hamburgers, hot dogs, or skewer sandwiches are the fare. And don't forget the icebox—be prepared, Mom, for frequent raiding.

BABY PIZZAS

6 English muffins or 6 sandwich buns	6 tablespoons (1/2 of a 6-ounce can) tomato paste
1/2 pound package brown-and-serve sausage	Oregano
	1 cup shredded sharp cheddar cheese

Split muffins or sandwich buns and toast the cut side. Spread with tomato paste. Cut each sausage link in fourths and place polka-dot fashion over muffins. Sprinkle with oregano and cheese. Bake in 450 degrees F. oven for 5 to 7 minutes. (Or broil 4 inches from heat until hot through, about 2 to 3 minutes.)

HOT DOGS IN OLIVE-CHEESE BUNS

1 cup ripe olives	1 teaspoon Worcestershire sauce
1 tablespoon instant minced onion	1 1/2 cups grated American cheese
3 tablespoons undrained sweet pickle relish	8 frankfurter buns
3 tablespoons tomato catsup	Aluminum foil
1 teaspoon prepared mustard	8 frankfurters

Cut olives in large wedges. Combine onion, pickle relish, tomato catsup, mustard and Worcestershire sauce. Add cheese and olives; mix well. Slit buns and hollow slightly. Fill with cheese-olive mixture, and wrap in aluminum foil. To heat, place over low heat on barbecue grill (or heat in 350 degrees F. oven about 20 minutes). Grill frankfurters until browned and sizzling; place one in each cheese-filled bun just before serving. Makes 8 servings.

Summer Day... DRINKS

Hot summer weather calls for plenty of tall, frosty refreshments. When the thermometer soars stock the freezer, refrigerator or pantry shelf with the makings of several. You can then quickly serve a milk fizzle to starved teen-agers who come in from a game of tennis or a swim; whip up a cool fruit punch for Dad after he's been working in the yard; and serve the calorie conscious member of the family a glamorous iced tea drink.

These summer drinks are even more fun to serve when given a special treatment. To frost the rims of chilled glasses, dip into lime or lemon juice and then into sugar. Make decorated ice cubes with a bright red berry, lemon or orange slice or sprigs of mint. Arrange them in each section of refrigerator tray, fill with water and freeze as usual. Or for flavored ice cubes freeze fruit juices or sparkling beverages in the ice cube trays. Serve in cold fruit drinks or sparkling beverages of contrasting flavors and as the cubes melt they add flavor to the drinks rather than dilute them.

PINEAPPLE TEA COOLER

- 1/4 cup cold tap water
- 2 tablespoons pineapple syrup**
- 2 to 3 ice cubes
- 1 slice canned pineapple, cut in half
- 1 teaspoon instant tea

Combine cold tap water, pineapple syrup and instant tea in 8-ounce glass. Stir briskly. Add ice cubes and pineapple slice. Makes 1 serving. **Use syrup from canned pineapple.

APRICOT APPLE SUMMER PUNCH

- 1 quart apple juice, chilled
- 1 cup apricot nectar, chilled
- 1 pint lemon sherbet
- Lemon slices
- Maraschino cherries

Combine chilled juices; pour into punch bowl. Using small ice cream scoop, float scoops of sherbet on top. Garnish with lemon slices and maraschino cherries. Makes 7 8-ounce servings.

TEA FRUIT SHRUB

- 8 teaspoons instant tea
- 6 1/2 cups cold water
- 1 10-ounce package frozen strawberries, thawed
- 1 6-ounce can frozen limeade, thawed

Combine instant tea and cold water in 2 1/2-quart container. Stir briskly. Stir in frozen strawberries and frozen limeade which have been thawed. Serve at once. Makes 10 to 12 servings.

PARTNERS FOR DRINKS OR SALADS

Looking for something extra good to serve with your cool refreshing drinks? Offer your family and guests one of these tasty, easy-to-make breads, rolls or desserts. Date Brownies, Peanut Bars and Spicy-Sugared Walnuts are just as yummy with a crisp salad. (See salad and drink recipes elsewhere in this issue.) So, serve them often!

VIENNESE COOKIES

1 cup soft butter	3 eggs
1 tablespoon grated lemon rind	2 cups flour
1 teaspoon salt	1 6-ounce package (1 cup) semi-sweet chocolate morsels
½ teaspoon cinnamon	1 cup pecans, finely chopped
½ teaspoon cloves	
1 cup firmly packed brown sugar	

Combine butter, grated lemon rind, salt, cinnamon and cloves together; beat till creamy. Gradually beat in brown sugar. Add eggs, one at a time, beating till light after each. Gradually stir in sifted flour. Add chocolate morsels and nuts; mix well. Drop by well-rounded teaspoonfuls on ungreased cookie sheet. Bake at 400 degrees F. for 6 to 8 minutes. Store in tightly covered container. Makes approximately 6 dozen cookies.

SPICY-SUGARED WALNUTS

1 cup sugar	½ teaspoon cloves
1 teaspoon salt	½ cup water
2 teaspoons cinnamon	2 cups walnuts, halves or pieces
½ teaspoon nutmeg	

Boil together, stirring often, sugar, salt, cinnamon, nutmeg, cloves and water, to 236 degrees F. (soft ball stage). Remove from heat and add walnuts. Stir until creamy. Turn out on waxed paper; separate walnuts.

DATE-BROWNIES

2 eggs	½ teaspoon vanilla
¾ cup brown sugar	1 7½-ounce package (1½ cups) chopped dates
½ cup flour	½ cup chopped walnuts
22 graham crackers, finely rolled (about 1½ cups crumbs)	

Beat eggs until light. Combine sugar, flour and graham cracker crumbs. Add to eggs, mixing well. Stir in vanilla, chopped dates and walnuts. Spread mixture evenly in a greased 8-inch square pan. Bake in 350 degrees F. oven for 25 to 30 minutes. Cut while warm. Makes 20 bars.

PEANUT BARS

2½ cups flour	¾ cup shortening
1½ cups sugar	1 cup milk
4½ teaspoons baking powder	3 eggs
1 teaspoon salt	1½ teaspoons vanilla

Sift dry ingredients together in a bowl. Add shortening and milk. Beat 2 minutes with electric mixer or by hand (150 strokes per minute). Add eggs and vanilla; beat 2 more minutes. Pour into greased and floured 9 x 13-inch oblong pan. Bake at 375 degrees F. for 35 to 40 minutes. Cool in pan. Cut into 1 x 3-inch oblongs. Dip each into *Frosting* (recipe below). Then roll in ground salted peanuts. Makes 36 Peanut Bars.

Frosting:

3 cups sifted confectioners' sugar	½ teaspoon vanilla
½ cup soft butter	3 cups ground salted peanuts
½ cup milk	

Combine all ingredients, except peanuts. Beat until smooth. Dip each oblong into Frosting and then roll in ground salted peanuts.

Something New in Cookies... easy to make the Robin Hood 'No-sift' Way!

Honey Walnut Drops

(A Robin Hood Pre-sifted Flour recipe)

1 cup sugar	3¾ cups ROBIN HOOD All-Purpose Flour	1 cup commercial sour cream
1 cup honey	1 tsp. soda*	1 cup chopped walnuts
¾ cup shortening	1 tsp. salt*	¾ cup flake coconut
3 eggs		1 tsp. vanilla

CREAM... sugar, honey, shortening and eggs.

SPOON... flour (not sifted) into dry measuring cup. Level off and pour measured flour onto waxed paper.

ADD... soda and salt to flour (not sifted) and stir to blend.

ADD... blended dry ingredients, alternately with sour cream, to creamed mixture.

STIR IN... walnuts, coconut and vanilla.

DROP... by teaspoonfuls onto greased baking sheet. Top each cookie with a walnut half or coconut.

BAKE... at 375° for 10-12 minutes.

YIELD... 7-8 dozen cookies.

*If you use pre-sifted Robin Hood Self-Rising Flour omit soda and salt.

Baking is easier when you don't have to sift! And when you bake with Robin Hood Pre-sifted Flour, you'll get perfect results every time. GRASSROOTS GLEANINGS

by Bill Stokes

The Traer (Iowa) Star-Clipper reports that many a man has lost his shirt by putting too much on the cuff.

Of course you could lose your trousers by the same method and maybe this is why they're making men's pants without cuffs these days.

The tradition of leap year, says The Marshall (Minn.) Messenger, was legalized in Italy before Columbus sailed for America. That's probably the reason he sailed.

Legal books in England in 1600, reports The Pierce County Tribune, Rugby, N. D., defined the leap year privilege in this manner, "ye ladies have of making love to ye men, which they doe either by wordes or lookes, as to them seemeth proper."

They define it now in first grade. It goes, "See Jane run. See Dick run. Run, Dick, run."

A feature in The Chronicle-Herald, Macon, Mo., quotes a movie star as saying that if a girl can't get a man during the other three years, she should forget it.

Run, Dick, run—just in case.

"Where but in the good old USA," asks The Morris (Minn.) Tribune, "do people get in their late model cars and drive down to pick up their unemployment checks?"

I know of a fellow who rides a horse down to pick his up. It's a \$1,000 purebred Arabian stallion.

A person can stand a toothache just so long—then it drives him to extraction, says The Wayne County Press, Fairfield, Ill.

It drives some of us to extinction, since we'd rather die than go to the dentist.

"There is nothing wrong with a good political joke," claims The Lacon (Ill.) Home Journal, "unless it gets elected."

A story in the Madison (S. D.) Daily Leader reported that Russia is interested in sending a challenger against heavyweight boxing champion Cassius Clay.

How about Khrushchev?

Since both he and Clay are "the greatest" it should make an interesting bout.

America is the country where it takes more brains to figure out the income tax than it does to make the income, claims The Toluca (Ill.) Star Herald.

The most serious impediment to marriage these days is the difficulty of supporting both a wife and the government on one income, says The Clay City (Ind.) News.

VERDICT!

Thousands of washer purchasers, everywhere, are being guided by the dependable service they see and experience in Speed Queen Coin Laundries. After the guarantee period expires, a washer is on its own. And that's when Speed Queen dependability really pays off!

Summer Fever

by
Eric Wahleen

Summer brings to some the urge to sit in the warm sun and let the rest of the world go by. To contemplate lazily—to philosophize vaguely and relax contentedly. After all (yawn) will our small efforts really affect the course of history? Ho-hum—

But our reveries are not undisturbed for long. The soft breezes of summer are agitated by a chorus of shrill cries, the patter of many feet, the pounding noises of unbounded energy being expended by—
Kids!—

Bursting from their winter bonds with great gusto, the neighborhood small fry blossom forth in a beehive of activity. In their world apart they manifest the urge to build, to explore, to reach for the stars via a tree-top penthouse. Digging for "treasure", seeking adventure on the "high seas", dreaming fanciful dreams of a trip to the moon—the kids are playing out a yearly drama that erupts every spring.

Will it soon end—that we may snooze in our complacency undisturbed? Not quite, nor ever completely. These kids will one day explore the planets.

A tree-house—first step to the stars. It brings a wistful longing to all on the ground. They want to be where they aren't!—

Safe in their hill-top fortress, the kids have a strong urge to see what lies over the next ridge. Which is—

Home-loving girls find that boys get tired of home-life, like to up-stakes and take off on the adventure trail. It's inevitable, girls!

Orbiting in a circle, the sea-explorers make a shake-down cruise before exploring the lake.

Digging a hole to China with visions of treasure in between prompts lots of energetic activity. Protective cap keeps flying dirt (and mother's voice) out of his ears. GOING TO THE WORLD'S FAIR?

The New York World's Fair is now open for its first of two summer seasons. Do your summer vacation plans call for a trip to the Fair? If they do, here are a few of the exposition edifices you'll want to be certain you see.

This is the Vatican Pavilion for 1964-65 New York World's Fair. The structure, which will cost approximately \$2 million, is 100 feet tall and is topped by a lantern and a cross.

The Unisphere, 140-foot-high stainless steel structure representing the world, is the centerpiece and symbol of the 1964-65 New York World's Fair.

Mushrooms and angular shapes of all sorts rise like geometric forms in this view of part of the model of the New York World's Fair. In the center is the Promenade of Industry, from the Pool of Industry Dancing Waters fountains (lower center) to the stainless steel Unisphere. This representation of the globe will set the fair's theme, "Peace Through Understanding."

The two most trusted words in meat. Our 109th year.

there's years ahead planning in this new cattle setup

New techniques for saving labor and increasing production have gone into the new American Breeders Service farm at De Forest, Wisconsin. Perhaps there are some ideas here for your operation.

Kill Canada thistle with one spray application—and without sterilizing soil. Use Weedazol herbicide.

Spray on Weedazol when thistle is in bud to bloom state. Kills weed plant, and when applied before seed maturity stops production of viable seed. Economical. Even a quarter's worth of Weedazol kills a lot of thistle—in fact, a couple of hundred square feet of solid stand. Weedazol is a soluble powder—dissolves into a true solution. After mixing, no agitation required in the tank. Non-flammable, non-volatile, will not sterilize soil or affect succeeding crops. Non-toxic to humans and to animals when used at recommended rates. Follow label directions.

WEEDAZOL®
CANADA THISTLE KILLER

NOW IS THE TIME to "clean house" on your farm—get rid of Canada thistle. Call your dealer for Weedazol herbicide. If you prefer a liquid concentrate—Amitrol-T will give you the same herbicidal action at the same price per gallon of finished spray.

AMCHEM PRODUCTS, INC., Ambler, Pennsylvania * 50th Anniversary Year *

A new \$300,000 barn for handling some 64 dairy bulls has just been completed by American Breeders Service. It's true you wouldn't duplicate this barn as it stands because part of it is for the collection of semen and laboratory work. It is also constructed to handle mature bulls, which you are not likely to have. But it would be worth any cattleman's time to visit this new setup to see its many practical features . . . some of which may be adaptable to your operation.

The barn is constructed of pre-stressed concrete, completely insulated including thermopane windows along both sides. It's 72 feet wide by 280 feet long.

Inside, the 33 Holstein, 9 Jersey, 7 Guernsey, 2 Ayrshire, 3 Brown Swiss and 2 Milking Short-horn bulls will never be exposed to temperatures of less than 55 degrees, nor more than about 80 degrees. This is because the barn has a forced air gas furnace, as well as central air conditioning (all through the same duct work).

Bulls are put on an automatic exerciser every evening which runs around the perimeter of the barn. A scale is at one end which allows the bulls to be easily weighed.

\$300,000 went into this ultra modern bull barn near De Forest, Wisconsin. It includes some of the best labor saving features available anywhere.

Experience has shown that bulls will produce more semen under these conditions . . . dairy cows will produce more milk and beef cattle will gain more, too.

The bulls are kept in stalls on 1/2 inch rubber mats that have electrical coils underneath for added warmth. On the sides of each stall are water jets that can be turned on for cleaning purposes.

Even though there is no bedding used, the stalls don't get very dirty. This is because the manure is either deposited or washed into grille covered gutters, moved by a shuttle stroke barn cleaner into a 30,000-gallon holding tank. (The tank has a three-week holding capacity which is then spread on the crop ground at the convenience of the farm hands.) An exhaust fan carries vapors from the gutters which leaves the barn practically odor free.

Automatic waterers provide ample clean drinking water at all times. Feed is delivered by special carts from the sealed storage units to the specially designed feeding bunks.

Another unusual, yet practical feature of the barn, is the exerciser. This is a motor driven chain running around the perimeter of the barn. It is the plan that every evening the bulls will be hooked onto the chain by way of another small chain that hooks into the nose ring. They will be walked automatically for about one mile before returning to their stalls.

Also, at one end of the barn is a scales which is so situated that the bulls can be weighed as they are on the exercise run if need be.

Other features include speakers along the wall that allow two-way conversation between buildings or rooms, and a veterinary room with special equipment for handling the huge animals when necessary. The whole barn is well lighted, too, with some 416 fluorescent bulbs.

BEEF OPERATION UNIQUE, TOO

On another part of the farm where beef bulls (and some dairy bulls) are awaiting the completion of their progeny tests, there are some features worth noting, also. For one thing the feedlot is located on a slope of 3/4 inch per foot

which runs to the roof of the pens. At this point, there is a dock and drop off which allows the operator to scrape the pens right into a spreader in the winter, or in warm weather into a specially designed manure pit that leads by way of an eight-inch gravity flow tile duct to two 1 1/2 acre lagoons. Incidentally, it is the plan to irrigate the farm from these two nutrient-rich lagoons via a sprinkler system.

Still another unique feature of this operation is the handling of bedding. Pulverized wood chips are augered from a concrete silo into each pen at the press of a button. This saves a lot of labor since they use some 12 carloads of shavings (175 tons) per year. In case you are wondering, the operators feel the shavings are about the best bedding yet tried. It is easy to handle and it soaks up the manure and fluid better than 'most anything. The cost runs about \$13.50 per ton in carload lots.

Next time you are in the area of Madison, Wisconsin, why not plan to spend an hour or so at this impressive farm. We understand the welcome mat will always be out.

A unique feature of the beef lot is a push button control for augering from a concrete silo to each pen.

Two 1 1/2-acre nutrient rich lagoons (in distance) will be used to irrigate the crop ground in the area.
