

# 12th Annual Tawas River Canoe Race Slated Sunday

CANOE PADDLERS will be vying for the lead in this Sunday's 12th annual running of the Tawas River canoe race. Two spectators had a good vantage point from the river bank to watch this team while others followed the action from the M-55 river bridge.—Tawas Herald Photo.

SCHOOL'S OUT—Pupils of the Tawas City Elementary Unit are shown filling out of the building last Friday morning to mark the last day of school in the 1964-1965 term. Standing at left is Fred Hickman, building principal, a 35-year member of the teaching profession.—Tawas Herald Photo.

Cash prizes and trophies await winners in the 12th annual running of the Tawas River Canoe Race scheduled this Sunday afternoon with contests for both junior and senior divisions.

Applications are to be received until race time and the entry list in the senior division is expected to be at around 19 or 20 canoes.

Race course for the senior division is approximately seven miles long. It starts at Grove's landing on Tawas Lake and proceeds northerly to Cliff's Landing. There, canoists round a buoy and then proceed back down the lake to the Tawas River, paddling to the river mouth and into Tawas Bay. Finish line is

at the Tawas City Park. Three cash prizes will be awarded in the senior division as follows: First place, \$75; second place, \$25; third place, \$15. Trophies will also be awarded.

Post time for the senior division is 2:00 p. m., reports Chairman Hugo Wajahn.

The junior division race, open to boys and girls 15 years of age and under, is scheduled to start a few minutes ahead of the senior division at Grove's. Finish line for this division will be the Tawas River mouth. Trophies are to be awarded to the first three places.

The Tawas River canoe race was originated in 1954 as part of the Tawas City Centennial observance. Steve Kolonich and Larry Kindell

were winners that year and then repeated their performance in 1955, 1958, 1959 and 1960. While Larry was in service in 1957, Steve won the race while paddling with his son, Gary.

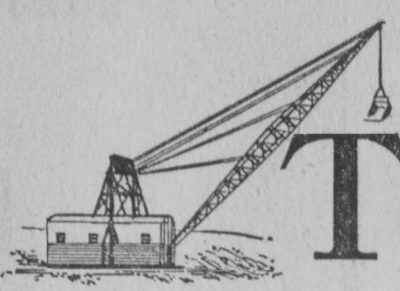

Another three-time winner, Ralph Sawyer of Oscoda, teamed up with Pat Widing of Holly to annex the crown last season. Sawyer teamed with Ed Wajahn to win in 1961 and Sawyer paddled with Tom Gildersleeve to win the 1956 crown.

Stan Hall and Jerry Lauwers of Oscoda and Tawas City, respectively, teamed to win the race in 1963 and 1962, so the 12-year history of the race has been dominated by three or four veteran paddle teams.

Largest entry list of any race was in 1958 when Kindell returned home from service. He and Kolonich finished ahead of 32 other teams. Next high was the 24-team entry list in 1960 and 23 teams entered in 1959 and 1956. The race attracted 19 teams in 1964 and 1963.

Entry blanks are available at the Tawas Chamber of Commerce office, sponsor of the event. Besides Wajahn, other committee members are Howard Silverthorn, Hugo Keiser, Cecil Cabbie, Kenneth Lee and Richard Lee.

Each contestant in the senior division must wear a life jacket and have a cover on each canoe as a safety measure while paddling in the bay.

### Tawas Bay Yacht Club Plans Sailing Program

Tawas Bay, which enjoys the reputation of being one of the finest bodies of water in the country for the sport of sailing, will be host to three important events during the coming summer.

"The next three months should prove to be one of the busiest periods ever logged by members of the Tawas Bay Yacht Club, comments Vern Bowling yacht club commodore.

Some 30 Finn class boats are expected to compete here July 24-25. This will be the first visit of these 15-foot, one-man boats of Olympic class and only one boat of this class is listed in the Tawas Bay fleet.

The lone Finn sailor, Stanley "Sandy" McKay, became interested in the class last year and attended a regatta last year at Chicago, Illinois. He extended an invitation to hold "the Great Lakes" Finn invitational regatta here this year.

Following this event will be the Michigan District Lightning Regatta July 29-30-31 and August 1. Tawas Bay has hosted this event several times and it has also been the site of the national regatta. Between 45 and 55 of the 19-foot boats are expected to attend.

The season's "big event" will be the world's championship regatta August 20-21-22 of the National One-Design Racing Association. Between 30 and 40 of these 17-foot boats are expected to compete.

Bowling said the local season would get under way June 26 with the Saginaw Bay Power Squadron's rendezvous. The yacht club will host between 100 and 150 sailors.

Carl "Butch" Babcock, rear

### Bloodmobile Visit Planned for losco June 21-22

East Tawas Community Building will be the site of the losco County Red Cross Bloodmobile Tuesday, June 22, 12 noon until 6:00 p. m., announces Louis Awalt, June 21, it will be at the Town Hall, Oscoda, from 2:00-8:00 p. m.

The high rate of accidents and consequent use of blood in the summer months has necessitated the collection of blood this summer. "The blood is free to summer residents and anyone treated at local hospitals," states Mrs. Allan Miller, Kiwanis Auxiliary sub-chairman, who is in charge of arrangements for this collection.

"We hope that summer residents will donate blood so that it will be available for their needs as well as everyone else," she added.

The many tornado and flood disasters this year have also required many pints of blood and the losco Chapter requests all able-bodied citizens to make an appointment by calling Mrs. George Tuttle, recruitment chairman, 362-2336, or Mrs. Miller, 362-2271.

### Road Work Approved by Twin City Councils

A \$7,000 road project for reconstructing First Street was approved Monday night by the Tawas City Council.

Appearing before the group was James Yockey of Yockey Brothers Construction Company, Alpena, who recommended use of the asphalt stabilization method on this project.

### Street Projects Outlined; E. Tawas Seeks Federal Aid

A \$12,128 street rehabilitation and construction program was approved Monday night by the East Tawas Council. Work is to start in two weeks by Yockey Brothers Construction Company, Alpena.

Supt. of Public Works Paul Ropert said that 88 of a mile of prime and double seal would be constructed on the following streets: East Bay, Emery, Westover, Cemetery Road, Rainbow Drive, from Tawas Lake Road, from Green Road to Warren; Lakewood Drive, from Green Road northerly. Total cost of this portion of the project is \$2,672.10.

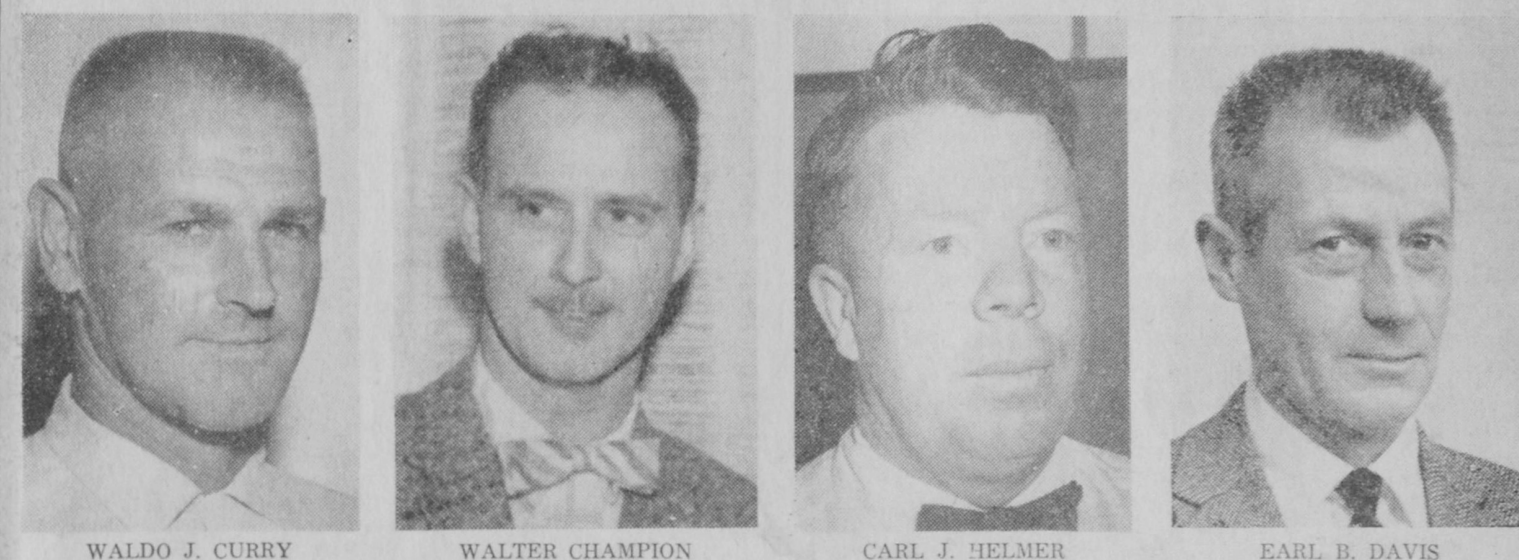

Five streets would be resealed. Five streets, with 5,290 feet, would be resurfaced as follows: Wadsworth Street, from Woodlawn to Airport Road; Huron Street, from State Street to Washington; West Lincoln Street, from Huron to Washington; Franklin Street, from Sawyer to Tawas; Main Street, from Washington to Franklin. Total cost of this portion would be \$1,575.30.

Newman Street would be completely rebuilt from Lincoln to Tawas Lake Road, amounting to 4,200 feet. Asphalt stabilization would be used with a single seal coat on surface after shaping. Total cost would be \$5,320.95.

Ropert said that the above program does not include work on curbs and gutters this summer.

In other business, the council authorized an application to the federal government for a public works planning loan of \$37,327. This would finance engineering for a proposed sewage treatment plant, pump station, laterals and trunkline sewers. Total cost of the project is \$1,575.30.

(See ET COUNCIL, page 8.)

### School Vote Monday Features 7 Candidates

Seven candidates will be seeking three positions on the Tawas Area Board of Education in the annual school election Monday, June 14.

This is the largest number of candidates ever listed on any school ballot in the history of Tawas Area Schools. A large turnout of voters is anticipated.

The four-year terms of Waldo J. Curry of Tawas Township and Walter Champion of Tawas City have expired this year and both have qualified to run for re-election.

Opposing them will be Earl B. Davis of Tawas City and Carl J. Helmer of East Tawas.

Three candidates have filed for the two-year term on the board of education. In addition to Donald Deering of Alabaster Township, who was appointed to fill out the vacancy of Harold Hammond, are Merton J. Killey and Clare V. Herriman.

Curry, 50, has been a member of the board since consolidation of Tawas Area Schools in 1952. He served as treasurer for eight years. A lifetime resident of Tawas Township, he was born and raised on the 305-acre dairy farm which he owns and operates. He graduated from East Tawas High School in 1932. His two sons both graduated from Tawas Area High School.

Champion, 43, is a native of Detroit and a resident of this school district for the past 15 years. A veteran of navy service during World War II, he came to Tawas City in 1950 where he became engaged in the neon sign business. Appointed to fill the unexpired term of Bruce Myles, who resigned, he was later elected to a four-year term on the board of education. He and his wife are parents of three children.

Helmer, 52, has been a resident of the district and an East Tawas businessman for the past six years. He had been a sales department representative of Standard Oil Company for 17 years prior to coming here. A native of Cheboygan County, he taught school there for 10 years. He and Mrs. Helmer are the parents of eight children.

Davis, 49, is a native of Tawas City and graduated from high school here in 1934. A veteran of air force service during World War II, he has been employed by the Detroit and Mackinac Railway since 1948 and presently serves as general claim agent. He served 10 years on the Tawas City Council. He and his wife are the parents of three children.

Deering, 37, was educated in the Alabaster and East Tawas school systems, graduating from the latter. During World War II, he served in the air force. He has been employed by United States Gypsum Company for the past 15 years and currently is quality superintendent at the Alabaster plant, Mr. and Mrs. Deering are parents of two daughters.

Herriman, 36, was born in Grant Township and graduated from Tawas City High School in 1946. He has been an employee of United States Gypsum Company for the past 16 years and presently serves as a quarry foreman at Alabaster. He and Mrs. Herriman are the parents of four children.

Killey, 42, is a native of Whittemore and graduated from high school there. He later attended Michigan State University. He is a veteran of army service during World War II. He and his family have been residents of East Tawas for the past 10 years and he presently serves in management and sales for Standard Oil Company. He is past deputy district governor of Lions Clubs and presently serves as chairman of the East Tawas Park Commission. He and his wife are the parents of two children.

MICHIGAN auto drivers applying for new operator's licenses now have their picture snapped in "living color" for identification purposes on the license. losco County's new machine was installed and first used last Thursday morning. Mrs. Barbara Burch, office clerk at the jail, is shown snapping the picture of Mrs. Clarence Billing of Oscoda. It takes but a matter of seconds to take the picture. The driver receives a temporary permit while his picture and original copy of the license are at Lansing for processing.—Tawas Herald Photo.

### Tawas City Park Site of Historymobile's Visit

A Museum-on-Wheels, the Michigan Historical Commission's new historymobile, will be coming to losco County for a brief visit July 3, 4, 5. It will be on display from 10:00 a. m. to 6:00 p. m. in Tawas City Park to remind citizens of their Michigan heritage.

The historymobile, which is valued at over \$50,000, has been developed entirely through the cooperation of numerous Michigan businesses and industries, who contributed all of the equipment and supplies. Fourteen of the state's finest museums cooperated in the preparation of the 19 chronologically arranged displays, which illustrate the colorful story of Michigan's development from prehistoric times to the present.

Although several other states presently operate similar traveling exhibits, the Michigan unit is the first in the country to feature such an extensive cooperative display, according to Solan Weeks, director of the Michigan Historical Commission Museum and coordinator of the project.

The historymobile is being sent to communities throughout Michigan, free of charge, as a service of Michigan Historical Commission. It is being brought to losco County through the cooperation of Tawas Chamber of Commerce, whose members will serve as the hosts and hostesses, assisting Charles C. Carter, historymobile operator. Local arrangements for the event are under the direction of Cecil W. Cabbie.

In dedicating the historymobile during Michigan Week, Gov. George Romney extended thanks "on behalf of all citizens to the manufacturers, businesses, museums and historical commission for making this unique historymobile available" and urged all citizens to avail themselves of this unusual opportunity to tour the traveling museum when it visits their community.

There is no charge for admission.

### Airman Hurt in US-23 Crash

Dean J. Deloria, 21, Wurtsmith Air Force Base, was treated at Tawas Hospital Thursday for injuries he received when his car rolled on US-23, two miles south of the Baldwin Resort Road. Officers said he fell asleep at the wheel.

Augusta DeMott, 67, received minor injuries Thursday when her car struck a light pole adjacent to River Road, Oscoda Township.

### Absent Voters Ballots Available at School

Absent voter applications for the June 14 school election are available at the high school office or from Walter Niles, secretary, board of education.

I pledge allegiance to the flag of the United States of America and to the republic for which it stands; one nation, under God, indivisible, with liberty and justice for all.

# A Real Problem...

Law enforcement officials of Iosco County are concerned with an apparent increase in the number of drinking complaints involving the 18-24-year age group. This is not just a local problem, but one facing communities across the state and nation.

The Memorial Day holiday saw numerous complaints here arising over the use of booze by underaged persons, along with misuse by several persons over the legal age who were jailed for offenses ranging from disorderly to drunk driving.

What bothers police officers is the general "to hell with the law" attitude of some individuals and they don't expect the situation to improve. Several weeks ago, veteran police officers were amazed at the abusive language to which they were subjected when a car-load of out-of-town youngsters, headed north "for a good time," at speeds upwards of 100-miles-an-hour, was finally stopped. Fortunately, there were enough officers present to handle what could have been a bad situation as the boys threatened them bodily harm.

Arrogance? You have not seen or heard anything until you spend a few hours visiting the county jail on a Saturday night and listen to some of the talk aimed at law enforcement officers by out and out thugs. Last Saturday night was no exception.

Then listen to some of the parents who complain that their "darlings" are being abused when they have to spend the week-end in jail. One "darling" was clocked at traveling over 100-miles-an-hour and he outran a patrol car until a blockade stopped him here. He admitted traveling over 90-miles-an-hour in the presence of one of his parents, who chose not to believe him and claimed officers were lying.

We do not pretend to have an answer to the problem, but increasing the number of patrols and adding an extra officer or two in the area could help with the immediate problem this summer.

One thing that all persons should remember is that law enforcement officers are hired to protect the public at large. It is too bad that a small minority is causing all the trouble. The job of a policeman is becoming increasingly difficult as restrictions are tightened on the handling and investigation of complaints.

You can be sure of one thing—policemen are getting tired of the taking verbal abuse from hoodlums.

# Get Out and Vote!

Annual school elections will be held next Monday, June 14, and all eligible voters are urged to make their voices heard at the polls. Contests are listed in all districts of the county for members of the board of education. Hale Area School District will vote on a millage proposal.

In the Tawas Area School District, seven candidates seek three vacancies on the board of education. This is the largest number of candidates in history.

The importance of good schools to a community cannot be stressed too much and it is important that qualified people sit on a board of education. Remember, they are responsible for the expenditure, locally, of more than one-half million dollars annually, have responsibility for establishment and maintaining school policies and operation.

If you wish representation, make your voice heard at the polls Monday, June 14.

## Christian Science

919 East Bay Street, East Tawas, Sunday Service, 11:00 a. m.; Sunday School, 11:00 a. m.; second Wednesday service, 8:00 p. m. September to July. The Reading Room, located in the church building, is open second Wednesday, 2:00-6:00 p. m., September to July.

Assurance of God's care for all is offered in the Bible lesson entitled "God the Preserver of Man" which will be heard at Christian Science churches this Sunday.

Bible readings include these verses from Psalms: "The Lord is

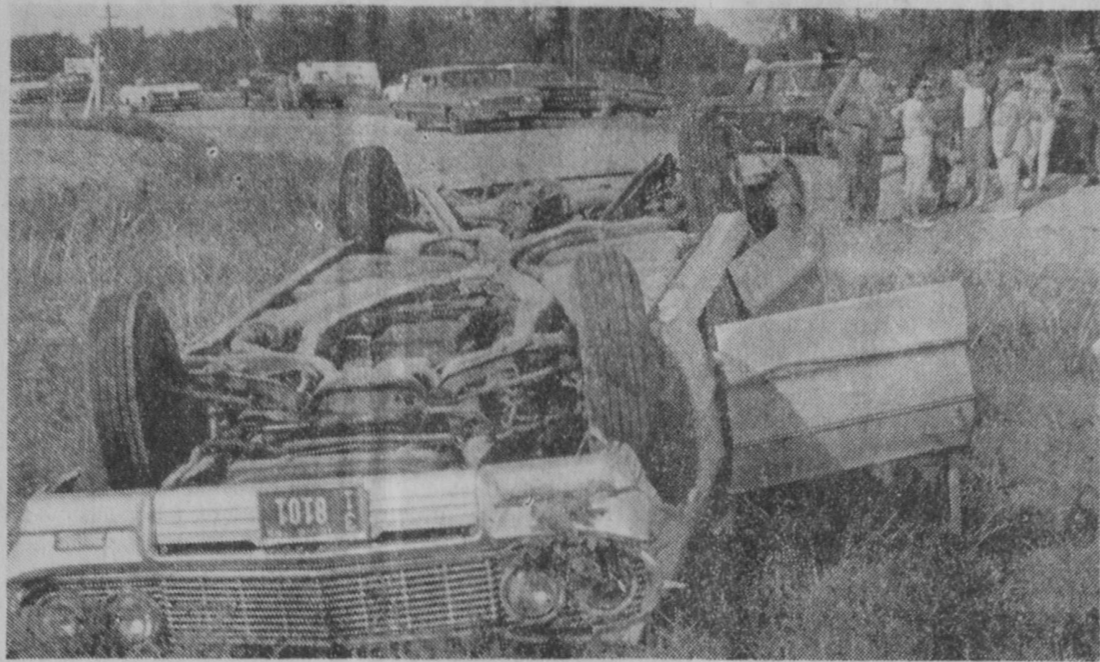

nigh unto all them that call upon him, to all that call upon him in truth... The Lord preserveth all them that love him."

A correlative passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be included: "Dost thou love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind? This command includes much, even the surrender of all merely material sensation, affection, and worship" (p. 9).

The Golden Text is from Proverbs (29:25): "Who so putteth his trust in the Lord shall be safe."

### Rev. Smith to Conduct Hale Revival Services

Revival services will be conducted at Hale Free Methodist Church June 14 through 20. The Rev. Otis Smith, evangelist, will deliver the 7:00 p. m. services each evening. The public is invited to attend.

DRIVER of this car received a severe leg laceration Sunday afternoon when her north-bound car spun out of control after crossing the railroad tracks on US-23 in Alabaster Township. Injured was Margaret Ann Hostetter, 26, whose husband is stationed at Wurtsmith Air Force Base. She was treated at Tawas Hospital and then transferred to the base hospital. Escaping serious injury was Nellie L. Chapman, 55, and the driver's one-year-old son, Paul K. Hostetter. —Tawas Herald Photo.

### LOOKING BACKWARD

Mrs. A. E. Wickert is spending the week with her son at Lansing.

Mrs. Arden Charters, Mrs. Edward Graham and Mrs. Henry Jackson are making a trip to Knoxville, Tennessee.

### TODAY'S Meditation

from The World's Most Widely Used Devotional Guide

© THE UPPER ROOM, NASHVILLE, TENNESSEE

Read John 20: 19-29

Christ breathed on them, and said unto them, Receive ye the Holy Ghost. John 20:22. Thomas was not with the other 10 disciples when Jesus appeared among them the first night following His resurrection. Therefore, when the disciples later told Thomas that Jesus was alive, he did not have the faith to believe without first seeing and touching the risen Lord.

The next Sunday, the disciples were again gathered together and this time Thomas was with them. Jesus appeared as before and confronted Thomas. Upon seeing the living Lord, Thomas cried out, "My Lord and my God."

This disciple has often been referred to as "doubting Thomas." However, he displayed no less faith than any person who fails to submit his life to the ruling presence of the Holy Spirit. This divine power which God sent to aid His children enables us to dispel fear and unbelief. When we are acquainted with the immeasurable grace and mercy of Christ, we humbly cry, "My Lord and my God, how great is Thy love!"

PRAYER  
Heavenly Father, we thank Thee for Thy loving and tender care and provision for our lives. We thank Thee for the Holy Spirit sent to guide and direct us. Bless us in all that we do. May we do it for Thy glory and for the Master's sake. Amen.

THOUGHT FOR THE DAY  
The counsel of the Holy Spirit is the beacon light for our lives. Claudia M. Higgins, credit union manager (California).

### Vacation Bible School Starts June 14 at ET

Vacation Bible school at East Tawas Baptist Church begins Monday, June 14, and continues through Friday, June 18. Sessions are from 9:00 to 11:30 a. m. daily. Enrollment is planned for Saturday, June 12, at 10:00 a. m. Classes for children ages three through 16 are planned.

### Tawas City WSCS Plans Bake Sale

Plans for a July 3 baked goods sale were discussed during the June 3 meeting of Tawas City Methodist WSCS. Twenty-three were present. Mrs. John Hatton was in charge of worship.

The society accepted an invitation from East Tawas Methodist WSCS to attend its June 8 tea. Reports on the May rummage and bake sale were read by Mrs. Walter Deering, general chairman. Mrs. T. J. Smith presented the

program entitled "We Would See Jesus."

Mrs. W. A. Gregory and Mrs. Etta Goupil served salad, wafers, coffee and dime cake. Mrs. Eric Reed's home will be the scene of the July 1 pot-luck picnic.

### Zion Confirmation Class Numbers 11

Tawas Hospital

BIRTHS—Born to Mr. and Mrs. Donald Gring, Oscoda, June 4, a boy, weight eight pounds, 11 1/2 ounces. Born to Mr. and Mrs. Duane Wright, Tawas City, June 3, a girl, weight six pounds, 3 1/2 ounces.

St. Joseph Church Scene of Trudell-Freel Wedding Ceremony

MR. AND MRS. RONALD G. TRUDELL

White gladioli and yellow chrysanthemums decorated the altar of St. Joseph Catholic Church, East Tawas, Saturday, June 5, for the double ring ceremony in which Ronald G. Trudell of Flint claimed Sharon L. Freeland of Tawas City as his bride. The Rev. Fr. Arthur Mulka read the 11 o'clock rites.

Parents of the couple are Mr. and Mrs. Burton Freeland of Tawas City and Mr. and Mrs. Theodore Trudell of East Tawas.

Escorted to the altar by her father, the bride wore a Chantilly lace and tulle, floor length gown styled with jeweled neckline, fitted Dior bodice and wristpoint sleeves. A double crystal's crown of pearls and crystals secured her English illusion veil. She carried a cascade bouquet of lily of the valley centered with a pink rosebud corsage.

Identically-styled gowns of yellow chiffon over nylon were selected by the bride's sisters, Mrs. Dale Wood of National City, matron of honor, and Miss Lois Freeland of Tawas City, bridesmaid. Their flowers were yellow roses and white carnations.

Mr. Trudell chose his brother, Edward Trudell of East Tawas, as best man and Jay Bronson of Tawas City, groomsman. Guests were seated by Edward Freeland of East Tawas and Theodore Trudell Jr. of Tawas City.

Three hundred guests from Flint, Detroit, Wayne, Lansing, Oscoda, Whittemore, Alpena, Saginaw, Hale, Harrisville, Bay City and California attended a reception at Melvor Union Hall.

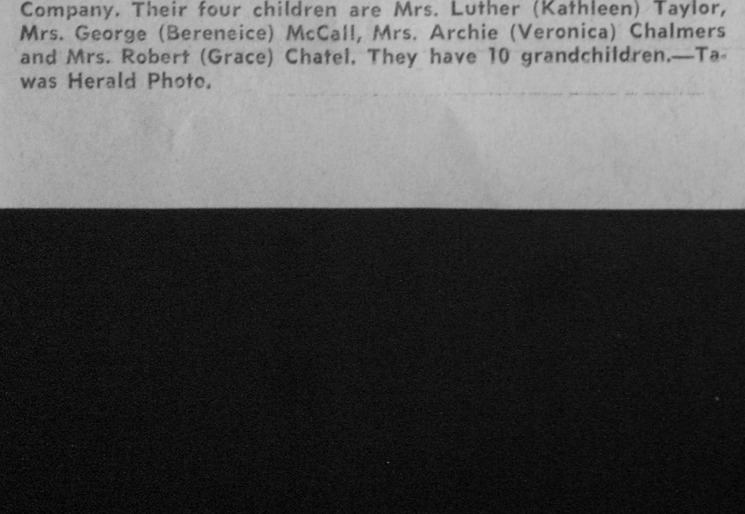

For the occasion, Mrs. Freeland chose a three-piece navy blue suit with white accessories. Mrs. Trudell's two-piece light blue and white dress was accented with white accessories. Their corsages were pink roses.

The newlyweds are residing at 1152 Sutton Street, Flint.

August Wedding Planned

Mr. and Mrs. Gerrit Meengs of Tawas City announce the engagement of their daughter, Florence R. Gould, to William Lingle of Flint. An August 14 wedding is planned.

Celebrate Golden Anniversary

OBSERVING their 50th wedding anniversary Sunday, June 27, will be Mr. and Mrs. Peter Baker of Alabaster Township. They will be honored at an open house to be held at the Veterans of Foreign Wars post home from 2:00 to 5:00 p. m. Baker and the former Grace McKiddle were married June 28, 1915, at St. Joseph Church, East Tawas. They are lifetime residents of Alabaster Township and Mr. Baker retired last year from United States Gypsum Company. Their four children are Mrs. Luther (Kathleen) Taylor, Mrs. George (Beronica) McCall, Mrs. Archie (Veronica) Chalmers and Mrs. Robert (Grace) Chatel. They have 10 grandchildren.—Tawas Herald Photo.

# TC Defeats Hale in Golf .. Wild Hitting Game

Tawas City won a wild, hard-hitting game Sunday over defending NEM divisional champion, Hale, to run the Indians' record to three wins and one loss.

With a stiff breeze favoring batters, the game featured five home runs. A total of 20 hits were belted by both teams, eight of which went for extra bases.

The veteran Jerry Grackl started on the mound for Tawas City and also touched off the home run parade in the first inning by belting one of Grant Mousseau's pitches over the right field fence. Tawas City scored two more runs after two were out in the inning and were headed for what looked like a rather routine win.

Grackl, who reports to a hospital Thursday for surgery, mowed down Hale batters with ease until the top of the fourth inning. Humphrey hit a long homer over the left field fence and Romanick followed with a double. F. Romanick singled to score his brother. After Johnson fled to the outfield, Mousseau belted Hale into the lead with a two-run homer over the left field fence. That was all for Grackl and Doak took over to retire the side.

Tawas City jumped back into the lead in the fifth inning when Grackl, now in the outfield, started things off with a single. Clare Herriman, doubled him home and scored later on Blust's single.

Hale really broke loose in the seventh inning when Ryland walked and Hewitt singled. Bielby was an infield out, Ryland scoring. Humphrey walked and, after Romanick fled to center, F. Romanick hit one of Doak's offerings for a three-run homer. Wayne Kramer, Tawas City left fielder, went back to the fence and had the ball in his glove, but hit his head on a steel post in the process and was knocked unconscious for several minutes. Before the ball could be recovered, all runners scored.

Tawas City battled back in the seventh inning when Grackl again singled to lead off. Clare Herriman then belted a long blast over the centerfield fence to put Tawas City within one run of tying the score at 8-7.

Jerry Potts took over pitching chores for Tawas City in the seventh inning and finished the game, as Doak pulled a muscle in his hip. Potts led off the eighth inning with a single and in an almost unbelievable play, he stole second base as Ryland, second pitcher for Hale, was in the process of winding up. Jim Herriman walked and Chum Lorenz's bunt was missed at third, Potts scoring the tying run. After Grackl grounded out, Clare Herriman went out third to first, Jim Herriman scoring the winning run.

Potts was the winning pitcher and Ryland, the loser. Potts and Grackl each struck out two batters while Doak fanned four. Mousseau struck out four, walked three, while Ryland walked two. Each team had eight earned runs.

This Sunday's action finds Tawas City playing at Barton City and Comins plays at Hale.

## ET Wallops Barton City in 10-0 Victory

East Tawas Bear Track broke up a tight pitching duel between Larry Burger, Barton City's hard-throwing right-hander, and Duane Sanders with some heavy hitting in the eighth and ninth innings to win, 10-0.

Sanders pitched six and two-thirds innings of relief to get the win after starter, Pete Bolen, had to leave the mound with an injury.

East Tawas scored a run in the first inning when Don Lear walked, stole second base and continued on in to score on the catcher's overthrow. Another run was picked up in the fourth on an error allowing Bolen to reach base. Jordan walked and John Erickson singled.

In the eighth inning, Long was safe on an error. Pat Erickson singled, J. Bethard bunted the runners along and Bolen singled to score two runs. Bolen later scored on Sanders' single.

In the five-run ninth inning, Berry walked, J. Erickson singled, Lear doubled to score two runs. Francis Jordan singled to bring in Lear and Bolen then belted a long home run to ring in the final two runs of the game.

East Tawas will face Mikado on the local diamond this Sunday.

## Junior Baseball Program to Continue For Six Weeks

Junior baseball program opened in the Tawas Monday and will continue through six weeks for nine-year-olds and eight weeks for pony and little leaguers.

The nine-year-old program is to be held Monday and Wednesday mornings at East Tawas and Tuesday and Thursday mornings at Tawas City.

According to Richard Fairless, program director, registrations were made Monday to determine the number to be enrolled this year. This program ends July 19.

Three pony and two little league games Monday evening opened action in those two divisions. Program for these two leagues is to extend until July 29.

Mrs. Charles Lemon will again have a program for girls in grades four through eight. Starting June 7, the program is for four weeks.

The program for girls will stress physical fitness. An evening program is to be held each Wednesday at the East Tawas field for youngsters of high school age and young adults.

# Whittemore News

## TRAGIC ACCIDENT CLAIMS LIFE OF FORMER RESIDENT

Friends here were saddened by the tragic death of Mrs. Grace Gingrich of Freeland Monday evening. She was the daughter of Mr. and Mrs. Ezra Wice of Whittemore.

Grace Wice, 26 years of age, was born in Whittemore June 13, 1938, and attended Whittemore school. She was married to Edwin Gingrich at the Whittemore Baptist Church June 18, 1955, by the Rev. Robert Hill and had since resided on a farm, 9215 Webster Road, Freeland.

She was assisting her husband with the milking and a cow that required hobbles on its hind legs to keep it from kicking apparently lost its balance and fell onto her. Mrs. Gingrich suffocated before her husband, who had gone to the house for another milk container, returned.

She was a member of the Zion Lutheran Church, Freeland.

Surviving besides her husband and parents are one son, Daniel, four years old; a daughter, Dorothy Ann, four months old; two brothers, Albert of Whittemore and Harold of Vassar; two sisters, Mrs. Dorothy Neer of Whittemore and Mrs. Evalyn Erickson of Flint.

Funeral services were held Thursday at the Zion Lutheran Church, Freeland, with the Rev. G. W. Wourinen officiating. Burial took place in Memorial Gardens, Midland.

The many friends of the Wice family extend deepest sympathy.

## NEW OFFICERS INSTALLED AT WOMEN'S CLUB MEETING

Whittemore Women's Club met at the home of Mrs. Gene Wood Wednesday night with 16 members and three guests present. Assisting hostess was Mrs. Charles

Brooks. Guests were Mrs. Fogarty of Detroit, Mrs. William Leslie and Mrs. James Leslie of Tawas City.

The business session was conducted by Mrs. Almerna Ruckle, president. Plans were made for the club picnic Wednesday, June 16, to be held on the lawn of the August Lange residence near Hale.

An interesting book review entitled "The Road to Bithynia" was given by Mrs. Brooks. The new officers were installed by Mrs. Ruckle as follows: Mrs. Roy Charters, president; Mrs. Henry Pake, vice president; Mrs. Duncan Valley, secretary; Mrs. Harvey Odell, treasurer.

Sweet rolls, assorted cakes, ice cream, tea and coffee were served.

## SHOWER HONORS JUNE BRIDE-ELECT MAY 29

Miss Carole Bellville, June bride-elect, was honored at a shower May 29 at the home of Mrs. Louise Carrick. During the evening, games were enjoyed and prizes awarded. Miss Bellville opened many lovely and useful gifts.

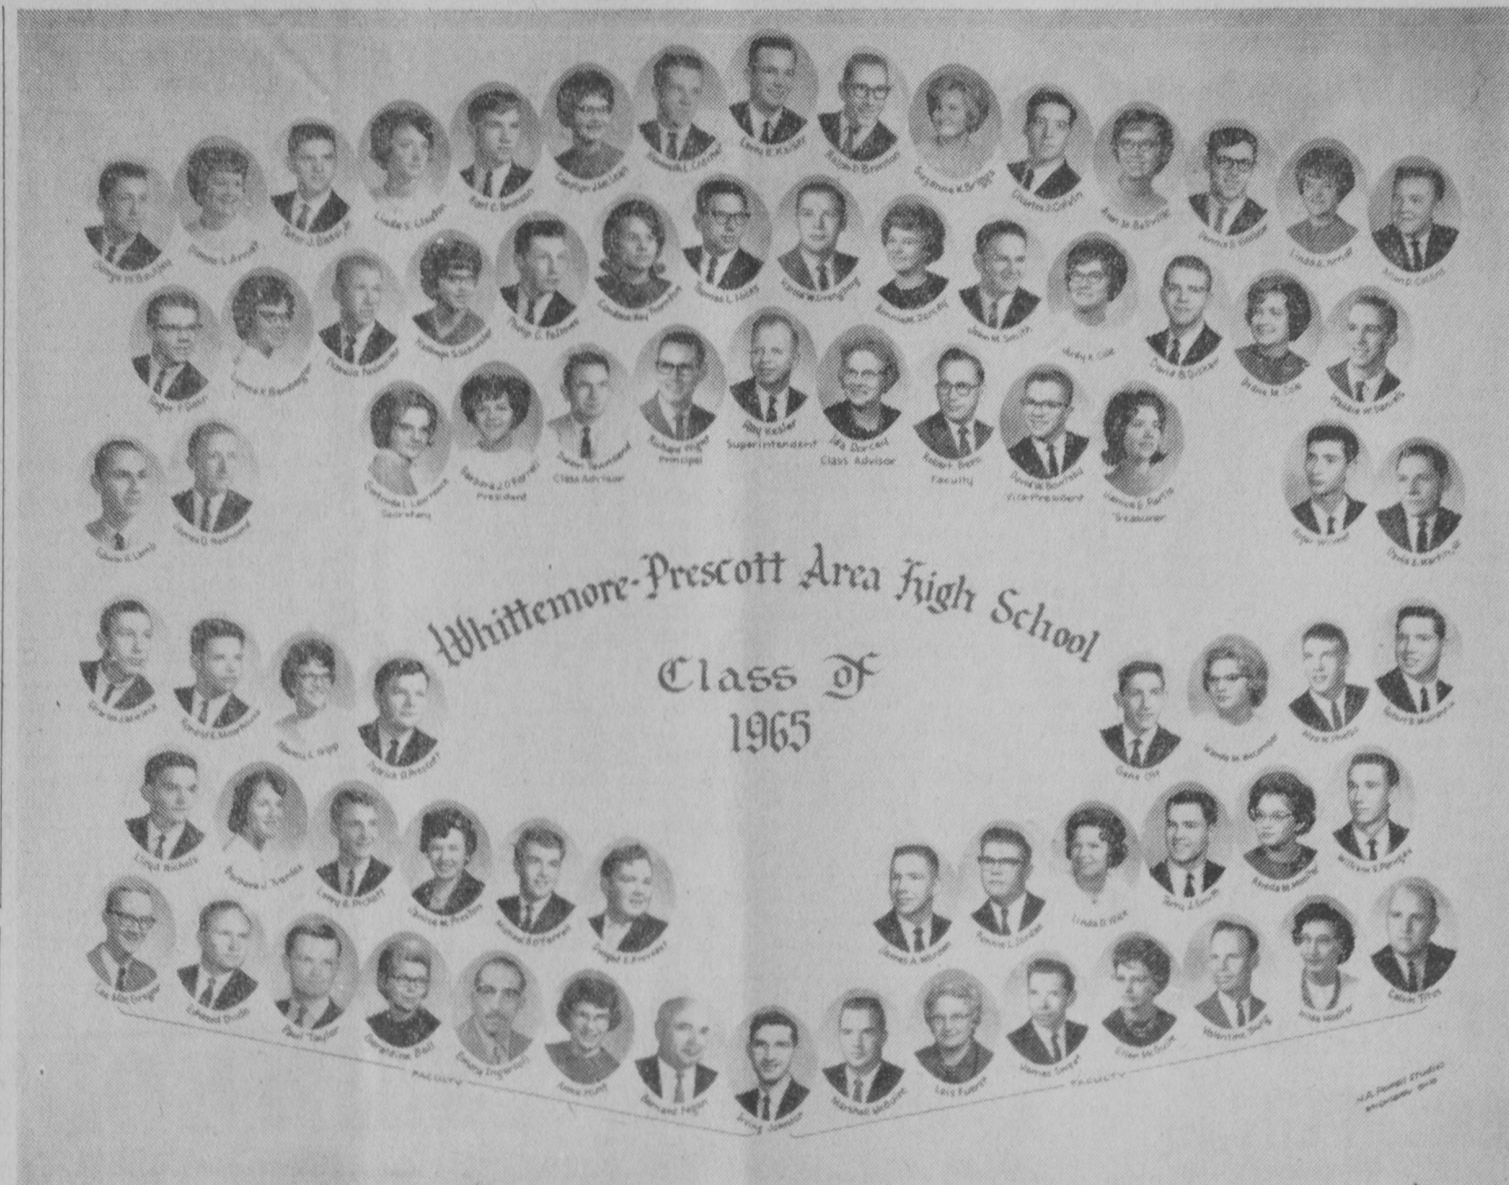

Ice cream, cake, coffee and tea were served by Mrs. Carrick, assisted by Mrs. John Verlaac and Mrs. Lois Wice.

The RLDS Church Department of Women met with Mrs. Maude Munroe Tuesday night with a good attendance.

Saturday afternoon, Rick Fuerst attended a birthday party honoring his cousin, David Kasischke, in Tawas City.

Rodney Simons, son of Mr. and Mrs. George Simons, had his face lacerated Friday when his dog jumped on him while playing. Several stitches were required.

Mrs. Joann Snyder and children of Goldsboro, North Carolina, came Monday for a two-week visit with her mother, Mrs. Ella Higgins,

before leaving for Germany. Her husband, Maj. William Snyder, is in Germany.

Lt. and Mrs. James Smith and baby of New Jersey visited his parents, Mr. and Mrs. Marshall Smith, the past week and attended the graduation of his brother, John Smith, Thursday night.

Mr. and Mrs. Owen Matheson and family of Flint spent Saturday with Mr. and Mrs. Bruce Goupil and Mrs. Alice Goupil.

Mrs. Angus Dunham, her daughter and husband, Mr. and Mrs. William Black, of Flint were here Saturday.

Mrs. Eunice Burch of Prescott was a caller in town Friday. Mr. and Mrs. Henry Stiehl and family of Flushing visited Mr. and Mrs. Ernest Edwards over the week-end.

Mr. and Mrs. Dennis Fuerst and Arvin Mueller of Lansing spent the Memorial Day week-end here.

Mr. and Mrs. Frank McEakern of Orlando, Florida, were recent visitors of Mrs. Celia Smith.

Mrs. Joann Snyder and daughter, Cindy, and mother, Mrs. Ella Higgins, spent Friday at Cedar Lake with Mrs. Higgins' sister and husband, Mr. and Mrs. Lon Ralston.

Mr. and Mrs. Norman Schuster and daughter, Sue Ann, of Saginaw enjoyed Sunday afternoon here with her mother, Mrs. Roy Charters, and visited their aunt, Mrs. Jane Crorey, at the Sterling rest home.

Mr. and Mrs. Clyde Reak and family of Columbus, Ohio, were week-end guests of her grandparents, Mr. and Mrs. Ernest Edwards.

Kenneth Hasty is a patient in Tolfree Hospital, West Branch.

Mr. and Mrs. Kenneth Bronson entertained their daughter and family, Mr. and Mrs. Stoner and son of Detroit, the past week. They attended the graduation of Mrs. Stoner's brother, Ralph Bronson.

Mrs. Maude Burpee spent the Memorial Day week-end at Rose City and attended services at a cemetery near Luzerne.

A daughter, Julie Ann, was recently born to Mr. and Mrs. William Dorsey of Flint.

Mr. and Mrs. Ledston Armstead will attend the graduation of their niece, Mary Davis, at Central Michigan University, Mt. Pleasant, Wednesday.

Mrs. Martin Kasischke and sons, David and Dale, of Tawas City spent Sunday afternoon with her mother, Mrs. Roy Charters, and attended the Memorial Day services at the cemetery.

Mr. and Mrs. James Thompson and son of Bay City were Memorial Day week-end guests of Mr. and Mrs. John Dickey.

Oramel O'Farrell and son, Timothy, of Farmington spent the week-end with his parents, Mr. and Mrs. John O'Farrell.

The Arlington Edwards, the Gerald Edwards and the M. Pruett families, all of Flint, spent Memorial Day week-end with their parents, Mr. and Mrs. Ernest Edwards.

Mr. and Mrs. Franklin Gawne of Wickenburg, Arizona, were here to visit their mother, Mrs. Beyrue, who makes her home with Celia Smith, and to attend commencement exercises in Tawas City. Their son was one of the graduates.

Bruce Goupil spent Monday in Marquette.

Mrs. Esther Schultz and daughter of Lansing spent the week-end with her parents, Mr. and Mrs. Octave St. James.

Mr. and Mrs. Schuyler Davis of Twining were Tuesday callers of Mr. and Mrs. Ernest Edwards.

Theodore Bellville, who has been a patient in Samaritan Hospital, Bay City, returned home Wednesday and is gaining nicely.

Mrs. Donald O'Farrell and children, Barbara and James, spent Wednesday in Bay City.

Mr. and Mrs. Stanley Andrews left Tuesday for a week's vacation in Ridgeway, Iowa, with their daughter, Mrs. Arnold (Sally) Ludeking and family.

Mr. and Mrs. William Black and Mr. and Mrs. David Erwin, all of Flint, spent Thursday evening in the community and attended the graduation exercises.

Mrs. Barney Grezeszak spent Friday in West Branch.

Ann Bellville was honored at a reception at her home following graduation Thursday. Out-of-town guests included Mr. and Mrs. Robert Schoenheit, Mr. and Mrs. Robert Schwartz of Saginaw, the Ernest Tripp and Percy Osborne families of Prescott, Miss Mary Shaw and William Miller of Lincoln.

BRIDGE COVERS—petite border. China rose, pastel yellow and pink, 35c each. Also matching napkins. The Tawas Herald, 408 Lake Street, Tawas City 362-3487.

## LEGAL NOTICE

**To the Owner or Owners of any and all interest in or Liens upon the Lands herein described:**  
TAKE NOTICE, that sale has been lawfully made of the following described land for unpaid taxes thereon, and that the undersigned has title thereto under tax deed or deeds issued therefor, and that you are entitled to a reconveyance thereof, at any time within six months after return of service of this notice, upon payment to the undersigned or to the Register in Chancery of the County in which the lands lie of all sums paid upon such purchase together with fifty per centum additional thereto, and the fees of the Sheriff for the service or cost of publication of this notice, which fee shall be the same as provided by law for service of subpoenas or for orders of publication or the cost of such service by registered mail, and the further sum of five dollars for each description, without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the years 1938, 1939 and 1940 the sum stated in such notice as a condition of reconveyance shall only be all sums paid as a condition of the tax title purchase, together with ten per centum additional thereto. If payment as aforesaid is not made, the undersigned will institute proceedings for possession of the land.

DESCRIPTION OF LAND  
State of Michigan, County of Isocoe  
Part of S 1/2 of SW 1/4, comm 670.5 feet west and 420 feet south from the Northeast corner thereof, th. east 200 feet, th. south 60 feet, th. west 200 feet, th. north 60 feet to point of beginning.  
Section 23, Town 24N, Range 5E.  
Amount paid \$16.85.  
Tax for year 1958.  
Amount necessary to redeem \$30.28 plus the fees of the Sheriff.

### Divide Red Cross Swimming Program Into Two Courses

Two complete and separate course sessions will be held this summer for the Tawas' American Red Cross swimming program. Two four-week periods will be conducted for the beginner, advanced beginners, intermediate and swimmer classes, ages seven and up, beginning June 21.

The second session will commence July 19 and finish August 14. Those working for junior and senior life saving and advanced swimmers will begin at the start of the whole program and continue until the respective course is completed. These will be evening classes.

This split program will hopefully facilitate several matters. This will give the swimmers a chance to better coordinate their summer schedules such as little league, camps and family trips. To the in-

structor, the most important factor of this plan will be that it should diminish the size of classes somewhat, giving more opportunity for individual attention.

Classes for both periods will be 7:00 through 11:00 a. m., Monday, Tuesday and Wednesday in Tawas City, with East Tawas classes Thursday, Friday and Saturday. Individual class times will be announced on registration day.

Registration for all classes and both sessions will be from 9:00 to 11:00 a. m. at the respective city parks, Tawas City, June 14, and East Tawas, June 15.

All participants must present either the signed permission of a doctor to take part in the program or a medical waiver agreed to by the parents. Medical waiver forms will be provided at the beginning of classes.

Water safety aides will again be needed for the summer classes. Those 14 years of age or older who would like to help for one or both sessions should contact Don Evans as soon as possible for information on their instruction.

### Report Need for Amending City's Zoning Ordinance

Possibility of the need for amending Tawas City's new zoning ordinance was reported at Monday night's council meeting by City Attorney Alf C. Watson.

Watson said that a few "bugs" were turning up that could be corrected by council action. He said the ordinance was a large and comprehensive undertaking and would be enforced to the best of the city's ability.

He recommended that Supt. of Public Works Reginald Bublitz, who was appointed zoning administrator, be appointed building inspector to solve one oversight in the original drafting.

Watson also believed that fees should be established for issuing a building permit, final inspection and certificate of occupancy.

During discussion of the ordinance, it was stated that operation of a used car and trailer lot at the corner of US-23 and Whitmore Street was in violation of the ordinance.

City Attorney Watson pointed out that it had been legal for the owner, Carl Peters, to conduct such sales at his former location next to the Iosco Hotel, but it was not permissible to move a non-conforming use from one site to another.

According to the ordinance, automotive sales and outdoor lots are not permissible in that section of the city. He had been in business prior to adoption of the ordinance and was allowed to continue as a legal nonconforming use. Such nonconforming use cannot be moved, however.

OPERATOR of this large road construction machine escaped serious injury last week when it plunged over a guard rail and through a retainer fence at the National Gypsum Company installation south of Tawas City.—Tawas Herald Photo.

### Escapes Death when Dirt-Mover Crashes Over Embankment

The operator of a dirt-mover for Harris Equipment Company narrowly escaped death Thursday morning at the National Gypsum loading installation south of Tawas City.

The operator, Karl Jund, Centerville, Ohio, was working on the US-23 construction project when he lost control of his "D-roader," it veered off the highway into a guard rail, through a fence and then head-first over a 12-foot concrete wall.

In landing on top of National Gypsum's conveyor that goes under US-23 at that point, the machine missed a 4,200-volt power line by inches. The operator was shaken up but luckily escaped injury.

It took workmen over three hours to pull the dirt-mover back onto the highway. State police were called to direct traffic past the scene from 10:00 a. m. until 1:00 p. m.

National Gypsum officials inspected the conveyor Thursday afternoon to determine damages to the system, which is used to load gypsum onto lake freighters at the dock.

### MRS. ANNA M. HALSTEAD

The Rev. James Rockhoff officiated at funeral services for Mrs. Anna M. Halstead of Tawas City Monday, June 7, at Emanuel Lutheran Church, Flint. Burial was in Grace Lawn Cemetery.

Mrs. Halstead died June 4 at Flint Osteopathic Hospital following a month's illness. Born Anna Kohn February 20, 1885, in Sherman Township, she was a member of Emanuel Lutheran Church, Tawas City, and the Ladies Aid Society. She had resided at Flint for 55 years and at Tawas City for the past three years.

Survivors include two sons, Donald and Ellsworth of Flint; one brother, George Kohn of National City, and a sister, Mrs. Louise B. Buchtel of Detroit.

### Turner and Pontiac Drivers Win Auto Races

Karl Edmonds of Turner and Ron Schroeder of Pontiac were top money winners in Saturday night's racing events at Whittemore Speedway.

In the road car division, Edmonds won the first heat, Australian pursuit and 20-lap feature. Other heat winners were Gale Hanover of Bay City and Don Lutz of Turner.

Schroeder won the first heat and 20-lap feature race in stock cars. Archie Flanagan won the second heat and Roger Hall won the Australian pursuit.

### Four Persons Receive Circuit Court Sentences

Four persons were sentenced in Iosco Circuit Court Monday by Judge Allan C. Miller.

Two men, Gerald Sullivan, 25, and Lockard Ervin, 24, Fowler-ville, received prison sentences. Sullivan received a term of 2½ to 10 years while Ervin was sentenced to spend from one to 10 years.

Both were involved with Emerson Bowlsby, 38, Howell, who received a six to 10-year term for breaking and entering.

Also sentenced was Willard Dorsey, 20, Oscoda, who is to spend 90 days in the county jail for felonious assault. He was fined \$100.

A 20-day jail term and two years probation was meted to Randy Roach, Tawas City, for entering without permission.

### ERICH ROPERT

Erich Ropert, 57, a former East Tawas resident, died Sunday morning at Fort Pierce, Florida. Death was caused by a heart attack.

Born in Germany, he came to this country with his family in 1910 and graduated from East Tawas High School in 1925.

He enlisted in the army service in 1926 and retired as chief warrant officer in 1959 after 33 years of service. He and his family have made their home in Florida since 1962.

He is survived by his wife, Vivian; one son, Gary, at home; two brothers, Paul Ropert of East Tawas and Arthur Ropert of Tawas City; two sisters, Mrs. Emma Schaefer, Garden City, and Mrs. Betty Clardy, Lincoln Park.

Funeral services are to be held Wednesday (today) at Fort Pierce with burial at Arlington National Cemetery.

### ET Council

(Continued from page 1.) project has been estimated at three-quarters of a million dollars.

The council approved an allocation of \$300 as the city's share of financing the summer recreation program.

Alderman Edward Higgins reported he had found 23 outside toilets in the Tawas Lake area, contrary to city ordinance. He said that a more thorough inspection would probably reveal at least 50 outside toilets.

Chief of Police Donald Docking was authorized to attend the four-day convention, June 27-30, of the Michigan Association of Chiefs of Police at Cadillac.

At the request of City Assessor Deloise Durant, the council authorized replatting of Forest Glen Subdivision. Durant said that some property was not shown on the plat and believed it should be included before the property is reappraised by Gem Surveys.

Russell Small was named as the cemetery superintendent.

### No Objections to German Street Sewer at Hearing

On recommendation of the Tawas City Water Board, Tawas City Council has authorized continuance of the \$2,520 German Street sewer project.

Three property owners affected by the proposed special assessment district to finance this project were present at a public hearing Monday night. No objections were voiced.

There are about 10 parcels of land in the district with six homes. Cost to each will be approximately \$280.

Mayor George Tuttle reported that under the city's revolving fund for special assessments, money could be made available in order that the tax could be carried on the rolls for 10 years at five percent interest on the unpaid balance. If property owners wish to do so, they have one year to make payment at no interest.

One unoccupied parcel of property is owned by Tawas Hospital. Tuttle said that the property was non-taxable and that the city would pay its share. When a sewer connection is made, the \$280 would be assessed against it.

Three more steps remain before legal work is completed on the assessment district. Construction is expected to be completed this summer.

### St. Clair Shores Men Injured in Accident On M-65 in Burleigh

Two St. Clair Shores men sustained head injuries May 28 in an accident on M-65 south of Johnson Creek, Burleigh Township.

A truck being driven by Merritt F. Oakes, 21, lost a wheel and rolled over several times before finally coming to rest in the ditch.

Oakes and a passenger, Thomas Sylvester Jr., 20, were both treated at Tawas Hospital.

The truck wheel rolled down M-65 and stopped in the middle of the highway. A northbound car driven by Thurland D. Wagner, Flint, struck the wheel. The driver nearly lost control of the vehicle when two tires on his car were slashed by the runaway wheel.

### Dies When Car Slips Off Jack in Repair Effort

Thomas R. Savage, 18, Essexville, died of asphyxiation the evening of June 1 as the result of a crushed chest sustained when an automobile under which he was working slipped off a jack.

According to investigating officers, Savage and David Havercamp, also of Essexville, came to Sand Lake to tow a car back to Essexville. The auto had a flat tire and a drive shaft had to be disconnected in order that it could be towed.

While Savage was working underneath the car, Havercamp took a tire to a Sand Lake garage for repairs. He returned five minutes later and found Savage pinned under the car.

CHESTER C. BUSCH, president of Bopp-Busch Manufacturing Company, is shown here holding a progressive stamping which was produced at AuGres from a die fabricated at the Tawas City tool and die shop.—Tawas Herald Photos.

## Busy Days (and Nights) at Die Plant

From a two-man operation started in 1951 in one room of the Case Building, Bopp-Busch Manufacturing Company's tool and die division today employs 16 men in a modern plant on Industrial Avenue, Tawas City. The shop provides and maintains dies for the main stamping plant at AuGres.

Bopp-Busch Manufacturing Company provides nearly 300 different parts in the automotive field, which represents considerable growth from the first window channel it stamped for the Budd Corporation back in 1948.

"The die shop has been working six days a week in two daily shifts since 1960 in order to keep up with the work necessary to provide tooling for the AuGres stamping plant," stated Robert Bolen, die shop manager. "There has been only one 40-hour week in the past three and one-half years, which should give some idea on how busy we have been."

Many of the dies produced at the Tawas City shop are complicated pieces of work. As an example, one die pictured below required 1,200 man-hours of work, or seven months labor of several men. This progressive die, valued at about \$15,000, weighs one ton and has about 150 different details with its maze of lifters and punches. Constructed of high carbon tool steel and then heat treated, the die will make millions of precision parts for automobiles.

The AuGres stamping plant employs some 60 men and Chester C. Busch, president, announced Friday that two new presses were to be added at the main plant this year and a new milling machine would be installed at the die plant.

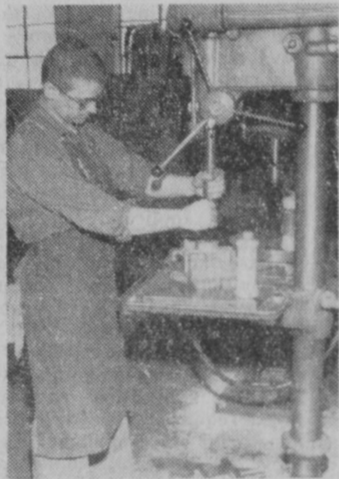

Busch said that while the local die plant jobs some work for other manufacturing firms, its main function was to prepare dies for the AuGres plant.

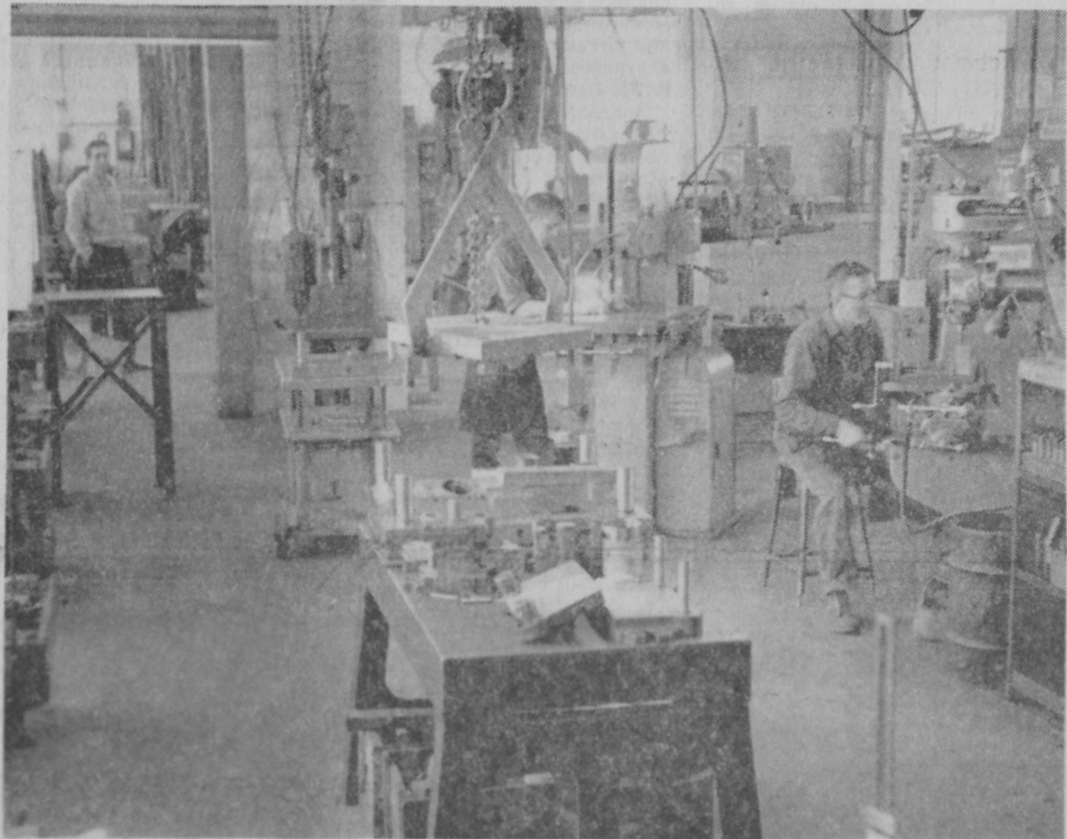

THE FOUR PICTURES show different operations in the plant. At top left, Bernard Freehling operates a cut-off saw, while at top right, Jacob Dittenber sets a diamond on a radius dresser. William Creamer operates a shaper at lower left and Frank Creamer watches stock in a surface grinder at right.

ROBERT BOLEN, die shop manager, is shown at the drafting board designing a die, one of about 150 produced here each year.

ALL employees of the Tawas City shop have been trained locally. James Brooks, operating this drill press, recently graduated from apprentice training.

Over-all interior view of the Bopp-Busch Tool and Die Division

JAMES ROACH is the senior member of the Tawas City shop, having started as an apprentice in 1951 when the operation was located in the Case Building. He is shown studying a design print in the manufacture of a new die.

HAROLD CHOLGER is shown here working on one section of a mammoth one-ton die recently constructed at the Tawas City shop. It contains about 150 different operations as it progresses

through to the finished product. This die, valued at approximately \$15,000, will be used at AuGres to stamp millions of automobile parts.

GREAT LAKES SHIPPING had a late start this year due to heavy ice conditions in Lake Huron. The season was in full swing here when the Ben Calvin was snapped in this night picture taking on a load of ore at National Gypsum's port installation south of Tawas City. It was the seventh ship to clear port here as of May 22.

As of June 1, a strike closed the installation. United States Gypsum Company's shipping installation at Alabaster has also been busy during recent weeks. With water level of the Great Lakes slightly higher than last season's record low, conditions are expected to improve for lake carrier transportation.—Tawas Herald Photo.

PUBLIC NOTICE

At a special meeting of the Alabaster Township Board held at the Township Hall on May 27, 1965, a resolution was carried to adopt the following amendments to the Alabaster Township Zoning Ordinance.

ARTICLE III RESIDENTIAL DISTRICTS, R-1

The following provisions shall apply to all Residential Districts, R-1:

Section 3.01 PURPOSE

The purpose of creating Residential Districts, R-1 is to provide areas primarily dedicated to residential use, with each dwelling located on an individual lot or premises adequate in size to provide safe water and sewage disposal facilities and limit spread of fire, and set back from the highway or other public thoroughfare to provide safe exit from and entrance to the premises.

The requirements are intended to protect and stabilize the basic qualities of each Residential District, and to provide suitable and safe conditions for family living. Each district is established in conformity with existing developments including areas in which it appears desirable that such developments presently take place. Since certain other property uses are generally accepted as compatible with residential developments, if prudently integrated, the inclusion of such uses is also provided by Special Approval.

Section 3.02 PROPERTY USES

No land shall hereafter be used, and no building or structure erected and used for other than one or more of the following purposes:

3.02.A Primary Uses

- 1. One-family and two-family dwellings.
2. Publicly-owned parks and playgrounds.
3.
4.

3.02.B Uses by Special Approval, as provided by Section 6.04

- 1. Churches, parish houses, and other buildings of a religious nature.
2. Schools, and other educational buildings.
3. Libraries, museums.
4. Public buildings.
5.
6.
7.

3.02.C Accessory Uses

- 1. Accessory buildings, structures and uses customarily incidental to any primary or approved use which do not alter the primary character of the district but not including for dwelling purposes, either temporarily or otherwise.
2. A detached garage not exceeding a capacity for three (3) passenger automobiles when located not less than forty (40) feet from the front lot line or highway right-of-way line.
3. The storage of not more than one (1) occupied trailer coach. Provided, that said coach is completely enclosed in a structure located not less than forty (40) feet from the front lot line, no less than seven and one-half (7 1/2) feet from the side lot line, or is parked in a rear yard not less than seven and one-half (7 1/2) feet from any lot line.
4. A sign not over sixteen (16) square feet in area advertising the sale, rental or lease of the premises. A sign not over sixteen (16) square feet in area identifying an enterprise or activity permitted on the premises when mounted flat on the building so utilized.
5. With the exception of common household pets and not exceeding four (4) in number, no domestic animals, livestock, fowl or other animals shall be permitted in this District.

Section 3.03 MINIMUM LOT AREA: DWELLINGS

3.03.A One-family dwellings

Every one-family dwelling hereafter erected shall be located on a lot not less than ten thousand (10,000) square feet in area, and not less than sixty-six (66) feet in width for a depth of one hundred (100) feet from the front lot line or right-of-way line. (Cf. par. 6.03.E)

3.03.B Two-family dwellings

Every two-family dwelling hereafter erected shall be located on a lot not less than fifteen thousand (15,000) square feet in area, and not less than ninety (90) feet in width for a depth of one hundred (100) feet from the front lot line or right-of-way line. (Cf. par. 6.03.E)

Section 3.04 YARDS

3.04.A Front Yards

Every building hereafter erected shall be set back not less than forty (40) feet from the front lot line or highway right-of-way line. Where premises have more than one frontage, the same setback shall be provided on both thoroughfares.

3.04.B Side Yards

1. Dwellings. Every one-family dwelling hereafter erected shall have side yards not less than seven and one-half (7 1/2) feet on each side.
2. Buildings Other Than Dwellings. Every building other than a dwelling hereafter erect-

ed shall have a rear yard not less than seven and one-half (7 1/2) feet in depth.

Section 3.05 MINIMUM FLOOR AREA: DWELLINGS

1. One-Family Dwellings: Every one-family dwelling hereafter erected shall contain not less than five hundred seventy-six (576) square feet of floor area at the first floor level exclusive of any area in an included or attached garage, open porch or other attached structure.

2. Two-Family Dwellings: Every two-family dwelling hereafter erected shall contain not less than one thousand, one hundred fifty-two (1152) square feet of floor area per family exclusive of any area in basement, attic, included or attached garage, open porch or other attached structure.

ARTICLE IV AGRICULTURAL AND RESIDENTIAL DISTRICTS, A-R

The following provisions shall apply to all Agricultural-Residential Districts, A-R:

Section 4.01 PURPOSE

While land uses in the Agricultural-Residential Districts, A-R are primarily agricultural in character, the provisions of this Ordinance recognize the increasing expansion of residential developments in these districts, and the desirability of providing good standards to guide future uses of such developments. The use of property for other purposes generally considered compatible with agricultural and rural residential uses is provided for by Special Approval under appropriate limitations.

Section 4.02 PROPERTY USES

No land shall hereafter be used, and no building or structure erected and used for other than one or more of the following purposes, except as may hereafter be permitted by amendment:

4.02.A Primary Uses

- 1. One and two-family dwellings.
2. Farming, including truck, fruit, dairy, poultry, domestic livestock, (but not fur-bearing, except rabbits), pasture and tree farming.
3. Nurseries and greenhouses.
4. All farming buildings and structures customarily utilized in farming operations, including storage of farm products.
5. Roadside stands for the sale of products produced on the premises. Provided, the facilities for parking, entry and exit from the public road be approved in writing by the County Road Commission as safe and adequate.
6. Boarding, lodging and tourist homes.
7. Churches, parish houses and other buildings of a religious nature.
8. Schools and other educational buildings.
9. Libraries, museums.
10. Public buildings and structures, including parks and playgrounds.
11.
12.

4.02.B Uses by Special Approval, as provided by Section 6.04

- 1. Private clubs and other fraternal organizations.
2. Institutions of a philanthropic and eleemosynary nature.
3. Hospitals, clinics, sanitarium, convalescent homes and similar buildings for human care, but not for the care of the feeble-minded, insane or delinquents.
4. Veterinary services and hospitals including kennels.
5. Landing fields.
6. Golf courses.
7. Motels.
8. Bowling alleys, including taverns.
9. Dance halls.
10. Drive-in food service.
11. Drive-in theaters.
12. Used-car lots.
13. Agencies for sale of farm machinery, fertilizers, and other farm supplies, including repair shops and facilities.
14. Trailer coach parks.
15. Animal sale yards.
16. Sawmills, temporary and permanent.
17. Taverns.
18. Raising of fur-bearing animals.
19. Cemeteries.
20. Commercial sand and gravel extraction, including processing, storage and sale.
21. Junkyards.
22. The residential development of areas not less than five (5) acres, subject to the provisions of ARTICLE III, and provided, further, that the owner thereof submit written plans for the use and development thereof to the Township Board for approval in addition to meeting the requirements of Section 6.04.

4.02.C Accessory Uses.

Accessory buildings, structures and uses customarily incidental to any of the above permitted or approved uses.

Section 4.03 MINIMUM LOT AREA

Every dwelling hereafter erected shall comply with the requirements of Section 3.03.

Section 4.04 YARDS

4.04.A Front Yards

Every building hereafter erected shall be set back not less than forty (40) feet from the front lot line, or highway right-of-way line. Where premises have more than one frontage, the same setback shall be provided on both thoroughfares.

4.04.B Side Yards

1. Dwellings. Every one-family dwelling hereafter erected shall have side yards not less than seven and five-tenths (7.5) feet on each side and each two-family dwelling not less than seven and one-half (7 1/2) feet.

2. Buildings Other Than Dwellings. Every building other than a dwelling hereafter erected shall have side yards not less than seven and one-half (7 1/2) feet on each side.

4.04.C Rear Yards

1. Dwellings. Every dwelling hereafter erected shall have a rear yard of not less than seven and one-half (7 1/2) feet in depth.

2. Buildings Other Than Dwellings. Every building other than a dwelling hereafter erected shall have a rear yard not less than seven and one-half (7 1/2) feet in depth.

Section 4.05 MINIMUM FLOOR AREA: DWELLINGS

1. One-Family Dwellings. Every one-family dwelling hereafter erected shall contain not less than five hundred seventy-six (576) square feet of floor area at the first floor level exclusive of any area in an included or attached garage, open porch or other attached structure.

2. Two-Family Dwellings. Every two-family dwelling hereafter erected shall contain not less than one thousand, one hundred fifty-two (1152) square feet of floor area per family, exclusive of any area in basement, attic, included or attached garage, open porch or other attached structure.

ARTICLE V COMMERCIAL DISTRICTS, C-1

The following provisions shall apply to all Commercial Districts, C-1:

Section 5.01 PURPOSE

The primary purpose of establishing Commercial Districts, C-1 is to provide areas suitable for a variety of commercial and service establishments including personal, professional and other services commonly associated with local commercial and business centers. As in other Districts, provision is also made for enterprises and property uses that may present special problems by Special Approval.

Section 5.02 PROPERTY USES

No land shall hereafter be used, and no building or structure erected and used for other than one or more of the following purposes:

5.02.A Primary Uses

- 1. Retail stores and shops offering chiefly new merchandise, but not excluding antique shops.
2. Business and professional offices and personal service shops, such as barber shops and beauty parlors.
3. Banks, studios, sales and show rooms.
4. Food service and bakeries, but not including drive-ins.
5. Service shops, such as radio and TV repair and dry-cleaning.
6.

5.02.B Uses by Special Approval, subject to the provisions of Section 6.04.

- 1. Public assembly buildings.
2. Dance halls and other recreational buildings, including bowling alleys and taverns.
3. Animal hospitals, kennels.
4. Drive-in food, drink and other drive-in services.
5. Automobile service stations.
6. Servicing and repair of machinery, boats, trailers, and vehicles other than automobiles.
7. Motels.
8. Parking lots.
9. Trailer coach parks.
10. Laundries, including self-service.
11. Mortuaries.
12. Wholesale commercial establishments.
13. Used car lots.
14. Light manufacturing not resulting in the emission of objectionable odor, noise, smoke, dust, vibration, glare, flashing light, or constituting a health or safety hazard.
15.

Section 5.03 YARDS

5.03.A Front Yards

Every building hereafter erected shall be set back not less than twenty (20) feet from the front lot line or highway right-of-way line.

5.03.B Side Yards

Every building hereafter erected shall have side yards not less than ten (10) feet on each side.

5.03.C Rear Yards

Every building hereafter erected shall have a rear yard not less than ten (10) feet in depth which shall remain open and accessible to fire-fighting facilities at all times.

ARTICLE VI GENERAL (SUPPLEMENTARY) PROVISIONS

Section 6.01 SCOPE OF ORDINANCE

Except as otherwise provided, no land or existing building and no new building or structure, or part thereof, shall hereafter be located, erected, used or altered other than

in conformity with the provisions of this Ordinance.

Section 6.02 NONCONFORMING USES AND BUILDINGS

6.02.A Extension of Nonconforming Uses

Extension of any nonconforming use throughout a building, or additions to any aforesaid building for the purposes of extending a nonconforming use, or the extension of any nonconforming use into or throughout a parcel of land not fully occupied by such nonconforming use may be granted by the Board of Appeals on written application filed with the Township Clerk. Said Board may hold a public hearing upon such application. If it shall appear that the proposed extension will not be in accord with any provision of Section 1.02, then such application shall be denied.

6.02.B Abandonment of Nonconforming Uses

Any nonconforming use of land, premises, building or structure which is discontinued for a period of one (1) year or more shall be construed as abandoned, following which the use thereof shall conform to the provisions of this Ordinance.

6.02.C Abandonment of Nonconforming Buildings

Any nonconforming building, the use of which is discontinued for a period of one (1) year or more shall be construed as abandoned, following which no further use shall be permitted unless such building is brought into conformity with the provisions of this Ordinance.

6.02.D Change of Nonconforming Use

The nonconforming use of any building, structure or land shall not be changed to any other nonconforming use. Whenever the nonconforming use of any building, structure, or land is changed in whole or in part to a conforming use, such use shall not thereafter be reverted to any nonconforming use.

6.02.E Damage and Repair of Nonconforming Buildings

1. Repair. Nothing in this Ordinance shall prevent the repair of a nonconforming building existing on the date of enactment of this Ordinance as may be necessary to insure a reasonable continued advantageous use thereof during the remainder of its natural life.

Section 6.03 GENERAL LAND AND YARD LIMITATIONS

6.03.A Area Limitations

In conforming to land and yard requirements no area shall be counted as accessory to more than one (1) building.

6.03.B Dwellings

Every dwelling hereafter erected or altered shall be located on a lot or premises the description of the boundaries of which shall be on record at the Register of Deeds office or in case of a land contract, shall be on record with the Zoning Administrator and satisfactory as adequately descriptive. No more than one (1) dwelling shall be erected on any such lot or premises.

6.03.C Accessory Buildings and Structures

All accessory buildings and structures attached to the main building, including breezeways and carports, shall be considered a part of the main building in determining yard requirements, except for unenclosed porches, chimneys, pilasters, sills, belt courses, cornices, eaves and gutters which may project not more than twenty-four (24) inches into any open yard.

6.03.D Use of Yard or Open Space

No yard or open space encompassing a dwelling shall hereafter be used for the open-air parking, disposition, storage, wrecking, dismantling, accumulation, or abandonment, either temporarily or permanently, of discarded or dismantled vehicles, machinery, implements, articles or otherwise, of disused, apparatus, furniture, appliances, junk, or similar property.

6.03.E Lots on Public Record

In the event a lot on record at the Register of Deeds office on the effective date of this Ordinance has an area and/or width less than required by the District wherein located, such lot may be used for the erection of a one-family dwelling in Districts R-1 or A-R, and each side yard reduced to not less than ten (10%) percent of the width of the lot.

Section 6.04 USE BY SPECIAL APPROVAL

6.04.A General Requirements

Uses by Special Approval, where provided, shall be subject to the provisions of the Zoning Districts wherein located in addition to the provisions of this Section in order to prevent conflict with or impairment of the primary uses of the District. Each such use shall be deemed as an individual case.

6.04.B Specific Requirements

1. Application. Written application for approval shall be made to Zoning Board through the office of the Zoning Administrator, and shall include the following:
(a) Description of proposed use, including parking facilities if required, and any exceptional traffic situation that the use may occasion.
(b) Sketch drawn to approxi-

mate scale showing size of premises, building or structure and location on premises.

(c) Sewage disposal and water supply facilities, existent or proposed.

(d) Use of premises on adjacent properties, including premises on opposite side of public thoroughfare.

(e) A statement of property owner appraising the effect of the proposed use on adjacent property and development of the neighborhood.

2. Determination. The Zoning Administrator shall file his recommendation with the Zoning Board which may hold a public hearing on the application, cost of the public notice of which shall be borne by the applicant. In reaching its determination, the Zoning Board shall consider the following:

(a) Whether the sewage disposal facilities and water supply will be safe.

(b) Whether the use will create an important traffic problem or hazard.

(c) Whether the use will be more objectionable to adjacent premises or the neighborhood than the operation of the primary uses of the District by reason of noise, vibration, dust, fumes, smoke, odor, fire hazard, glare, flashing lights or disposal of waste or sewage.

(d) Whether the use will overburden available public services.

(e) Whether the use will disrupt, hinder, or discourage the orderly and appropriate development and use of adjacent properties and the neighborhood, or defeat the purpose and intent of this Ordinance.

Section 6.05 OCCUPIED TRAILER COACHES

Except as hereinafter provided, every occupied trailer coach shall be located in a trailer coach park operated under the jurisdiction of the Michigan Department of Health. Violation of the terms of a permit shall constitute automatic cancellation.

6.05.A Home Builder's Exception

A temporary permit at a cost of \$5.00 not exceeding six months may be obtained for the location of a house trailer on an owner's premises for use as a dwelling while erecting his dwelling on said premises following issuance of a Certificate of Approval for such construction. A six months renewal may be issued by special approval of the Zoning Board at an additional cost of \$5.00.

6.05.B Visitor's Exception

The owner of any premises may permit the location of one (1) occupied trailer coach of a guest or visitor on the premises for a period not exceeding twenty (20) days in the case of any one party in any calendar year, but not exceeding a total of forty (40) days within any calendar year in the case of all guests or visitors.

6.05.C Trailer Coach Parks

Application for Special Approval for erection and use of a trailer coach park as provided by Section 6.04 shall be accompanied by written approval of all owners of premises contiguous with the premises.

Section 6.06 WATER SUPPLY AND SEWAGE DISPOSAL FACILITIES

Every building or structure hereafter erected or moved on any premises and used in whole or in part for human occupancy or frequency shall be provided with a safe and sanitary water supply, and a method or system of sewage disposal erected and maintained in accordance with the standards of material and installation recommended by the Michigan Department of Health. Where soil conditions are inadequate to serve a safe septic-tank sewage system, a special means of disposal shall be provided to safeguard health conditions. No Certificate of Approval for the erection and use of any building or structure intended for human occupancy shall be issued except upon written approval of the means of disposal by Health officer, which shall be filed with the application for such Certificate.

Section 6.07 EXCEPTION OF ACCESSORY FARM BUILDINGS AND STRUCTURES

The provisions of this Ordinance shall not apply to accessory farm buildings and structures hereafter erected and used for customary farming operations in the township. Provided, however, that all such buildings and structures, except open fences through which there is clear vision, shall be set back not less than forty (40) feet from the highway right-of-way line, and not less than seven and one-half (7 1/2) feet from any interior property line.

Section 6.08 ROAD AND HIGHWAY INTERSECTIONS

No trees, shrubs or other plant material, building or structure, except open fences through which there is clear vision, shall be planted, erected or maintained less than forty (40) feet from the intersection of rights-of-way of any intersection of any streets, roads or highways.

Section 6.09 PUBLIC UTILITY FACILITIES

The erection, alteration and maintenance of public utility facilities, but not including buildings, and of power, communication, disposal distribution and similar public utility facilities, including accessories therewith, as authorized and regulated by law, shall be permitted in every district, it being the intent hereof to exempt such structures and facilities from the application of this Ordinance.

ARTICLE VII ADMINISTRATION AND ENFORCEMENT

Section 7.01 ZONING ADMINISTRATOR

The provisions of this Ordinance shall be administered and enforced by a Township Zoning Administrator appointed by the Township Board for such term and subject to such conditions as the Board deems desirable to carry out the terms of this Ordinance. He shall hold office at the pleasure of the Board and shall receive such compensation as shall be determined by the Board. For the purpose of this Ordinance he shall have the power of a police officer.

Section 7.02 APPLICATION FOR CERTIFICATE OF APPROVAL

7.02.A Application

1. Before proceeding with the erection, reconstruction, moving or use of any building or structure or the use of any premises subject to the provisions of this Ordinance, the owner thereof shall first obtain a Certificate of Approval from the Zoning Administrator.

2. Application shall be made in triplicate upon forms provided by the Township and filed not less than seven (7) days prior to the intended initiation of any work on the premises.

3. The application shall be accompanied by a blueprint or pen-and-ink sketch to scale in duplicate showing the location and dimensions of the premises, the kind and location on the premises of the building or structure including accessory buildings or structures under consideration, and the kind and location of the sewage disposal and water supply facilities.

4. The application shall be signed by the owner of the premises or his agent, and shall certify that all provisions of this Ordinance and other applicable laws are to be complied with.

7.02.B Issuance of Certificate

1. If the Zoning Administrator finds the application conforms to the requirements of this Ordinance and other applicable law, he shall mark all copies approved over his signature with date. One copy of the application shall be filed with the Township Clerk, and one delivered to the applicant within seven (7) days of date of application together with a Certificate of Approval and a card signed by the Zoning Administrator stating the terms of the Permit, which card shall be displayed on the construction during the performance of the work authorized.

2. Where any action of the Board of Appeals is required in any case, the Zoning Administrator shall issue such Certificate of Approval within three (3) days of date of such action.

3. In any case where a Certificate of Approval is refused, the cause shall be stated in writing to the applicant.

4. Any Certificate of Approval under which no work is done within six (6) months from date of issue shall expire by limitation; but shall be renewable upon re-application and on payment of the original fee, subject, however, to the provisions of all applicable ordinances then in effect.

5. The Zoning Administrator shall have the power to revoke or cancel any Certificate of Approval in case of failure or neglect to comply with the provisions of this Ordinance, or, in the case of false statement or misrepresentation made in the application. The owner of the premises shall be notified in writing of such revocation. (cf. Section 10.02)

6. For each Certificate of Approval issued, a fee shall be paid upon application to the Zoning Administrator for deposit with the Township Clerk in a separate fund to be known as the Alabaster Township Zoning Ordinance fund, which fund shall be used solely for the administration of the Ordinance as directed by the Township Board. All fees required shall be set annually by the Township Board. No Certificate shall be valid until the required fees have been paid. No separate fee shall be required for accessory buildings or structures when applied for at the same time as the principal building on the premises.

7. It shall be the duty of all contractors and other persons having charge of use, erection or movement to determine that proper Certificate has been issued before undertaking any work.

Section 7.03 CERTIFICATE OF COMPLIANCE

No building or structure subject to the provisions of this Ordinance shall be occupied or used until the Zoning Administrator shall have issued a Certificate of Compliance to the owner or his agent. Such Certificate shall be applied for coincidental with the application for a Certificate of Approval. The owner shall notify the Zoning Administrator in writing that the building or structure is ready for final inspection. Within seven (7) days of such notification, the Zoning Administrator shall make inspection, and if found to be in conformity with the provisions of this Ordinance, shall forthwith issue the owner a Certificate of Compliance. The record of his action shall be duly recorded, including the date on the copy of the application retained on file as a record. No separate fee shall be required for a Certificate of Compliance.

issued a Certificate of Compliance to the owner or his agent. Such Certificate shall be applied for coincidental with the application for a Certificate of Approval. The owner shall notify the Zoning Administrator in writing that the building or structure is ready for final inspection. Within seven (7) days of such notification, the Zoning Administrator shall make inspection, and if found to be in conformity with the provisions of this Ordinance, shall forthwith issue the owner a Certificate of Compliance. The record of his action shall be duly recorded, including the date on the copy of the application retained on file as a record. No separate fee shall be required for a Certificate of Compliance.

ARTICLE VIII BOARD OF APPEALS

Section 8.01 ESTABLISHMENT

There is hereby established a Zoning Board of Appeals which shall perform its duties and exercise its powers as prescribed by law.

Section 8.02 MEMBERSHIP

The Board of Appeals shall consist of three (3) members. The first member shall be the chairman of the Zoning Board for his term of office; the second member shall be a member of the Township Board appointed by the Township Board for the term of his office; and the third member shall be selected and appointed by the first two members from among the electors residing in the unincorporated area of the Township for a term of four (4) years.

Section 8.03 POWERS

The duties and powers of the Board of Appeals shall include the following:

8.03.A Review: Hear, review and decide upon appeals from any determination made by the Zoning Administrator or other administrative agent of the Township.

8.03.B Interpret: Hear and decide upon requests for interpretation of any provisions of this Ordinance.

8.03.C Variances: Grant variances on appeal respecting any provisions of this Ordinance or decisions of the Zoning Administrator or other administrative agent if the same cause practical difficulties or undue hardship in carrying out the strict letter of the Ordinance, to the end that the spirit of the Ordinance is observed, equity achieved, and substantial justice rendered.

Section 8.04 FEES FOR APPEAL

A fee for appeals shall be established by the Township Board, payable to the Township Clerk at the time of filing application with the Board of Appeals, for the purpose of defraying any necessary costs of advertising and investigation incurred by the Board of Appeals.

Section 8.04 LIMITATIONS

All appeals shall be made to the Board of Appeals within thirty (30) days after the date of any decision constituting the basis for appeal, and the Board of Appeals shall return a decision within ten (10) days after a request or appeal has been filed with the Board unless additional time is agreed upon by all parties concerned.

ARTICLE IX AMENDMENTS

Amendments or supplements to this Ordinance may be adopted from time to time in the same manner as provided by law for the enactment of the original ordinance.

Section 9.01 PROCEDURES

9.01.A Initiation

Proposals for amendment or supplements may originate with the Township Board, the Zoning Board, or by written petition signed by no less than three (3) owners of property in the township. Petition by property owners shall show the address of each signer and the location of his property in the township including the Zoning District wherein located.

9.01.B Action of Zoning Board

All amendments or supplements shall be referred to the Zoning Board for study, recommendation and such action as provided by Section 7 to 11 inclusive, and Section 14 of the Township Zoning Act. Provided, that only the Township Board shall have power to amend or supplement any provisions of the Ordinance.

# Iosco County Supervisors' Proceedings

MAY SESSION  
May 19, 1965

The Iosco County Board of Supervisors was called to order in May session at 9:30 a. m. by the chairman who ordered roll call. The following supervisors were present: Abbott, Blust, Bolen, Campbell, Everett, Gerard, Higgins, Hosbach, Jocks, Little, Lixey, McKenzie, Odell, Smith, Stephan, Webb. Absent: Belleville, Oates.

There were no communications. Leonard Calabrese, representing the Tawas Chamber of Commerce, addressed the board requesting an appropriation to help defray the expense of a highway sign, which will be located near the chamber of commerce building on US-23. The request was referred to the finance committee.

It was moved by Smith supported by Blust that Percy Jocks be granted a seat on the board caused by the resignation of Dr. Savage for the Township of AuSable. The motion carried unanimously.

Mr. Smith reported briefly on his attendance at a district health committee meeting, Orchard Park Committee meeting and the North-east Child Guidance Clinic meeting at Alpena.

Mr. Campbell reported for the Aeronautics Committee that the airport project was well under way.

Mr. Everett reported for the Welfare Committee that the Medical Care Facility plans were progressing well and that the project would soon be let for bids.

Mr. Higgins read a report from the civil defense director and asked it be placed on file in the county clerk's office.

Committees were ordered to their respective duties, balance of the board to be at ease subject to the call of the chair.

Upon call to order at 12 o'clock noon, upon motion supporting and prevailing, the board recessed until 1:30 p. m.

**AFTERNOON SESSION**  
Upon call to order at 1:30 p. m., the roll call was ordered by the chairman. The same supervisors were present as at the morning session and Mr. Oates took his seat.

Mr. Brubaker of Oscoda addressed the board requesting an appropriation of funds for the repair of Largo Springs Park. The amount requested was \$475. The matter was referred to the finance committee.

Mr. Jacobs from the fish department of the Michigan State Conservation Department addressed the board and gave a brief report on the proposed Tawas Lake Dam. Mr. Jacobs stated that the dam would help the fish life of the lake and that from his standpoint, speaking for the conservation department, the dam from Tawas River would be a great benefit.

Mr. McKenzie read the following report of the Judiciary Committee. Honorable Board of Supervisors, Gentlemen:

We, the undersigned Judiciary Committee, do not concur with the resolutions received from Grand Traverse County, Midland County and Mackinac County concerning the removal of the Mackinac Bridge tolls.

Signed: McKenzie, Hosbach, Campbell

Upon motion by McKenzie supported by Campbell, the report was unanimously accepted.

Mr. McKenzie read the following report of the Judiciary Committee. Honorable Board of Supervisors, Gentlemen:

The undersigned Judiciary Committee does not concur with the resolution received from Bay County Board of Supervisors concerning the regulation of slaughter houses.

Signed: McKenzie, Hosbach, Campbell

It was moved by McKenzie supported by Campbell that the report be accepted and adopted. The motion failed to carry upon the following roll call. Ayes: Abbott, Campbell, Gerard, Hosbach, McKenzie, Oates, Webb. Nays: Blust, Bolen, Everett, Higgins, Jocks, Little, Lixey, Nelkie, Odell, Smith, Stephan.

Mr. McKenzie read the following report of the Judiciary Committee. Honorable Board of Supervisors, Gentlemen:

We, the undersigned Judiciary Committee, recommend that the letter received from California Board of Supervisors concerning reapportionment be tabled.

Signed: McKenzie, Hosbach, Campbell

Upon motion by McKenzie supported by Blust the report was unanimously accepted.

from the Hillsdale County Board of Supervisors concerning the opposition to the Bill No. 2494 as an attempt to take from the people the election of their supervisor or assessor.

Signed: McKenzie, Hosbach, Campbell

Upon motion by McKenzie supported by Campbell the report was unanimously accepted and adopted.

Mr. McKenzie read the following report of the Judiciary Committee. Honorable Board of Supervisors, Gentlemen:

The undersigned Judiciary Committee does not concur with the resolution received from the Arenac and Sanilac County Board of Supervisors concerning the general property tax act.

Signed: McKenzie, Hosbach, Campbell

Upon motion by McKenzie supported by Blust the report was unanimously accepted and adopted.

Mr. McKenzie read the following report of the Judiciary Committee. Honorable Board of Supervisors, Gentlemen:

We, the undersigned Judiciary Committee, concur with the resolution received from Traverse City concerning the reappointment of Charles A. Brown as a member of the board of trustees of the Michigan Veterans Trust Fund.

Signed: McKenzie, Hosbach

Upon motion by McKenzie supported by Abbott the report was unanimously accepted and adopted.

Mr. McKenzie read the following report of the Judiciary Committee. Honorable Board of Supervisors, Gentlemen:

Regarding the resolution received from Hillsdale County Board of Supervisors concerning the transfer of authority of the director of health, we, the undersigned Judiciary Committee, concur with the above resolution and suggest that the clerk be advised to send our decision to the governor and other state officers.

Signed: McKenzie, Hosbach, Campbell

Upon motion by McKenzie supported by Campbell the report was unanimously accepted.

It was moved by Higgins supported by Stephan that the clerk be instructed to send the copy of the resolution appointing Lawrence Everett, civil defense director of Iosco County, to the state headquarters at Lansing. The motion carried unanimously.

Committees were ordered to their respective duties, balance of the board to be at ease subject to the call of the chair.

Upon call to order at 4:00 p. m., Mr. Campbell read the following report of the Aeronautics Committee. Honorable Board of Supervisors, Gentlemen:

We, the Aeronautics Committee, recommend the salary of the airport manager be increased to \$2,000 for the balance of 1965, effective May 20, 1965.

Signed: Campbell, Everett, Stephan, Nelkie

Upon motion by Campbell supported by Stephan, the report was accepted upon the following roll call. Ayes: Abbott, Blust, Bolen, Campbell, Everett, Gerard, Higgins, Hosbach, Jocks, Little, Lixey, McKenzie, Odell, Smith, Stephan, Webb. Nays: None.

Mr. Oates read the following report of the Finance Committee. Honorable Board of Supervisors, Gentlemen:

Regarding the request of the Oscoda and Tawas Area Chamber of Commerce units, we, the undersigned Finance Committee, recommend that each area be given \$500.

Signed: McKenzie, Hosbach, Campbell

It was moved by McKenzie supported by Campbell that the report be accepted and adopted. The motion failed to carry upon the following roll call. Ayes: Abbott, Campbell, Gerard, Hosbach, McKenzie, Oates, Webb. Nays: Blust, Bolen, Everett, Higgins, Jocks, Little, Lixey, Nelkie, Odell, Smith, Stephan.

Mr. McKenzie read the following report of the Judiciary Committee. Honorable Board of Supervisors, Gentlemen:

We, the undersigned Judiciary Committee, recommend that the letter received from California Board of Supervisors concerning reapportionment be tabled.

Signed: McKenzie, Hosbach, Campbell

Upon motion by McKenzie supported by Blust the report was unanimously accepted.

Mr. McKenzie read the following report of the Judiciary Committee. Honorable Board of Supervisors, Gentlemen:

We, the undersigned Judiciary Committee, concur with the resolution

was unanimously accepted upon the following roll call. Ayes: Abbott, Blust, Bolen, Campbell, Everett, Gerard, Higgins, Hosbach, Jocks, Little, Lixey, McKenzie, Oates, Odell, Smith, Stephan, Webb. Nays: None.

Mr. Oates read the following report of the Finance Committee. Honorable Board of Supervisors, Gentlemen:

Regarding the letter received from the Northeast Michigan Child Guidance Clinic asking for our appropriation for the Year 1965, we the undersigned recommend that the amount of \$1,000 be paid to above clinic.

Signed: Oates, Smith, Nelkie, McKenzie, Webb

Upon motion by Oates supported by Smith, the report was unanimously accepted upon the following roll call. Ayes: Abbott, Blust, Bolen, Campbell, Everett, Gerard, Higgins, Hosbach, Jocks, Little, Lixey, McKenzie, Oates, Odell, Smith, Stephan, Webb. Nays: None.

Mr. Oates read the following report of the Finance Committee. Honorable Board of Supervisors, Gentlemen:

We, the undersigned Finance Committee, recommend that the county reimburse Tawas City the amount of \$6,940 for its prorated share to cover cost of the Gem Survey appraisal. Payment to be made within one year from this date.

Signed: Oates, McKenzie, Webb, Smith, Nelkie

Upon motion by Oates supported by Smith, the report was unanimously accepted upon the following roll call. Ayes: Abbott, Blust, Bolen, Campbell, Everett, Gerard, Higgins, Hosbach, Jocks, Lixey, McKenzie, Oates, Odell, Smith, Stephan, Webb. Nays: Little.

Mr. Oates read the following report of the Finance Committee. Honorable Board of Supervisors, Gentlemen:

Regarding the contract read to the board members from the Gem Survey Corp., we, the Finance Committee, recommend that the contract be approved as read and signed by the chairman of the board along with the clerk's signature.

Signed: Oates, McKenzie, Webb, Smith

Upon motion by Oates supported by Abbott, the report was unanimously accepted upon the following roll call. Ayes: Abbott, Blust, Bolen, Campbell, Everett, Gerard, Higgins, Hosbach, Jocks, Lixey, McKenzie, Oates, Odell, Smith, Stephan, Webb. Nays: Little.

Mr. Everett read the following report of the Building and Grounds Committee. Honorable Board of Supervisors, Gentlemen:

Your Building and Grounds Committee recommends the purchase of one Addressograph R5 Multi-Faced Platen for use in the Addressograph Department at the cost of \$96.50.

Signed: Everett, Stephan, McKenzie

Upon motion by Everett supported by Stephan, the report was unanimously accepted upon the following roll call. Ayes: Abbott, Blust, Bolen, Campbell, Everett, Gerard, Higgins, Hosbach, Jocks, Little, Lixey, McKenzie, Oates, Odell, Smith, Stephan, Webb. Nays: None.

Mr. Blust read the following report of the Committee on Claims and Accounts No. 2. Honorable Board of Supervisors, Gentlemen:

Signed: Blust, Odell, Higgins, Lixey.

Upon motion by Blust supported by Odell, the report was accepted upon the following roll call. Ayes: Abbott, Blust, Bolen, Campbell, Everett, Gerard, Higgins, Hosbach, Jocks, Little, Lixey, McKenzie, Oates, Odell, Smith, Stephan, Webb. Nays: None.

to take any action it considers necessary to protect the aerial approaches of the airport against obstruction, together with the right to prevent Air-Serve from erecting or permitting to be erected, any building or other structure on the airport which, in the opinion of

the county, would limit the usefulness of the airport or constitute a hazard to aircraft.

(g) Air-Serve, in the operation and use of the airport will not on the grounds of race, color, or national origin discriminate or permit discrimination against any person or group of persons in any manner prohibited by Part 15 of the Federal Aviation Regulations; the county reserves the right to take such action as the government may direct to enforce this covenant.

4. Air-Serve shall be permitted to paint or erect signs or other insignia on the premises as may be deemed necessary to enhance the business of the airport, subject to the approval of the county, provided that such erection shall be without damage to any building, and when removed, the premises shall be placed in like condition as when received.

5. Air-Serve agrees to carry comprehensive insurance covering all public liability and property damage which may directly or indirectly result through its activities as fixed base operator in an amount satisfactory to the county; Air-Serve further agrees to include the county as an insured under said comprehensive insurance policy; Air-Serve further agrees to indemnify and hold harmless the county from all claims of any nature whatsoever arising directly or indirectly through its activities as fixed base operator.

6. Air-Serve agrees:

(a) That it will operate an aviation petroleum service.

(b) That it will provide full ramp service during daylight hours and services on call at night seven days per week.

(c) That it will operate a federal aviation agency certified repair and maintenance service.

(d) That it will operate airport and runway lights seven nights per week as may be directed by the county.

(e) That it will operate a certified, state approved flight school, including ground school.

(f) That it will operate a charter service, aircraft rental service and miscellaneous other services including aerial advertising, crop-dusting, radio and instrument repair and tie-downs, and hangar rental service.

(g) That it will operate various soft drink machines, coffee machines, cigarette machines, candy machines and the like and that it will maintain a public lounge and rest rooms.

7. The county and Air-Serve agree that all income from the various activities to be conducted by Air-Serve as fixed base operator, shall accrue to Air-Serve except the following:

(a) Air-Serve shall pay to the county the sum of two cents (2c) per gallon of gasoline sold.

(b) Air-Serve shall pay to the county the sum of one percent (1%) of annual gross profit resulting from all activities performed under this agreement (excluding sale of gasoline).

(c) Hangar rental rates shall be fixed by the county and all hangar rentals shall be paid to the county.

Air-Serve will furnish to the county a monthly statement of gasoline sales and hangar rentals. Air-Serve further agrees to maintain complete books and records reflecting every phase of their activities as fixed base operator, which shall be subject to inspection or audit by the county or its agent at any time.

8. Air-Serve shall provide the county with a list of all prices and fees to be charged, and shall notify the county of any changes of prices or fees prior to the making of such changes.

9. Air-Serve agrees that it will observe all federal, state and local laws, including regulations of the state fire marshal in the operation of said premises; further, that its personnel shall have proper federal and state certification as to their respective duties; further, that it at all times will fully comply with the minimum standards for fixed base operators at the Iosco County Airport as established by the county.

10. Air-Serve agrees that the Iosco County Airport manager shall perform the duties of general manager of Air-Serve, Incorporated, in addition to his duties as airport manager, in consideration of which Air-Serve agrees to pay the said airport manager a sum equal to the salary paid said airport manager by the county, but not to exceed three thousand dollars (\$3,000) per year. The airport manager will be responsible to the county for all duties performed as airport manager, and will be responsible to Air-Serve for all duties performed in the capacity of general manager of Air-Serve, Incorporated. Air-Serve agrees to indemnify and hold harmless the county from all claims of any nature whatsoever arising directly or indirectly from any action by the airport manager, performed in his capacity as general manager of Air-Serve, Incorporated.

It is further understood and agreed that the county shall have the right to unrestricted access to any and all portions of the premises during the terms of this agreement for inspection purposes.

This agreement is not subject to assignment without the written consent of the county.

It is further understood and agreed that should either party fail to carry out the terms and conditions as stated above, either party may terminate said agreement by a thirty (30) day notice in writing of its intention to do so, stating therein the reasons for such termination.

Witness the hand and seals of the parties the day and year first above written.

Signed: Donald E. Watson, Vice President, Air-Serve; James G. Campbell, Chairman, Aeronautics Committee; Lloyd S. Little, Chairman of Supervisors

Upon motion by Campbell supported by Stephan the agreement was adopted upon the following roll call. Ayes: Abbott, Blust, Bolen, Campbell, Everett, Gerard, Higgins, Jocks, Little, Lixey, McKenzie, Oates, Odell, Stephan, Webb. Nays: Smith.

Signed: Stephan, Webb, Gerard

Upon motion by Stephan supported by Gerard, the report was accepted upon the following roll call. Ayes: Abbott, Blust, Bolen, Campbell, Everett, Gerard, Higgins, Hosbach, Jocks, Little, Lixey, Nelkie, Oates, Odell, Smith, Stephan, Webb. Nays: None.

It was moved by Bolen supported by Smith that the minutes of the April meeting be approved as previously published. The motion carried unanimously.

Mr. Everett read the following communication. Honorable Board of Supervisors, Gentlemen:

I request permission of the Board of Supervisors to attend a medical care meeting on May 29 with per diem and expenses allowed, at Lansing.

I request permission to attend a meeting with the health department at Kellogg Center on May 27 and 28 with per diem and expenses paid.

I request permission to spend three days at a date to be set later as an appointment can be made to consult with several medical care directors on the purchase of furniture and supplies for our facility with per diem and

expenses allowed. C. S. Everett

It was moved by Campbell supported by Stephan that permission be granted on Mr. Everett's request. The motion carried upon the following roll call. Ayes: Abbott, Blust, Bolen, Campbell, Everett, Gerard, Higgins, Hosbach, Jocks, Little, Lixey, McKenzie, Nelkie, Oates, Odell, Smith, Stephan, Webb. Nays: None.

**ROBERT S. HUDDY**, East Tawas post, Michigan State Police, was one of seven troopers receiving honorable mention recognition recently for meritorious service from Commissioner Joseph A. Childs. Huddy's investigation of a breaking and entering of a service station at Glennie in February resulted in the apprehension of three subjects with subsequent implication of two others in another break in.

### AuGres Centennial Plans Beginning to Shape Up

Plans are now beginning to shape up for AuGres' centennial celebration July 26-August 1.

Among the features will be a 70-page history of the AuGres Valley, being made available to the public about July 1. Several hundred thousand words from histories, directories, verbal accounts, old records and pictures have been condensed into the book.

The centennial program will also feature a free historical museum which will depict the geology and life in the AuGres Valley from bygone ages to the present. The AuGres-Sims High School has offered space for this educational display.

Harting's Addition to Tawas City, Saginaw Savings and Loan Association to Roy M. Benaway and wife, Part of Lot 8 and Part of Lot 7 of Map of P. Hazen's Addition to Tawas City.

Nina J. Allen, et al, to Lloyd Senglaub and wife, Lots 2, Block 3 of Huron Heights Subdivision.

Ira Seofield and wife to Stella Konevich, Lots 33 and 34 of "The Palisades."

Leslie E. Edmonds and wife to K. Berkeley Smith and wife, Lot 8, Block 3 of Joseph Dimmick's Addition to City of East Tawas.

Alvin L. Dorecy to James A. Sheehan and wife, Part of SW¼ of SW¼ of Section 19, T22N R8E.

Emma A. Amby to William Huggard and wife, N½ of Lot 12, Block 21 of Original Plat of Osoda.

Henry Flodquist to Myrtle Flodquist, et al, Lots 1 and 2, Block 1 of Pleasant View Subdivision.

Myrtle Flodquist to Henry Flodquist, Part of Government Lot 3 of Section 17, T22N R8E and Lot 1, Block 1 of Hunter's Cove Subdivision.

Carl A. Brownell, Jr. and wife to Dan L. Johnston and wife, Lot 831 of Lake Huron Sand Beach Subdivision No. 6.

William Borosch and wife to George T. Sermon and wife, NW¼ of SE¼ of Section 30, T23N R7E.

Mae Shuman to Meryl R. Amo and wife, Lot 9 of Shuman's M&S Shores.

### Needlecraft News

by Nancy Baxter

**DESIGNED ESPECIALLY FOR YOU... A LACY SHAWL FOR SPRING INTO SUMMER GLAMOUR!** No matter how the weather sizzles, once evening comes, there is very often a chill in the air that requires a light cover-up. I have found a design that is not only lovely, easy to make but is also in the very current triangular shape.

#### MANY LIVES

This delicate design will look as perfect with sleeveless linen sheaths or scooped-low cottons as it will with the most formal, bouffant evening dress. It is knitted of soft Super Finer yarn which comes in a wide color range. I think it would be a wonderful idea to make this open work triangle in a pretty pastel to exactly match one of your favorite Summer dresses... it's sure to create an expensive looking ensemble that will be one of your favorites. Of course, by using black, you couldn't help but feel feminine and glamorous!

#### ONE... TWO

... three, or more! This is such a quick accessory to complete and would be so useful that you might want to do more than one. Free instructions for the shawl are available by sending a stamped, self-addressed envelope to the Needlework Editor of this newspaper along with your request for Leaflet PK 2891-B.

**THIS APRON OF ORGANDY MAKES THE TASK OF HOSTESSING AS LIGHT AND BREEZY AS A CLOUD!** For entertaining at your most important dinners, for brightening a quiet everyday meal with the family or, for helping out at the coming church tea—in every case it will be a charming addition to the occasion.

#### PERFECT FOR GIFT-GIVING OR FOR YOU

If you decide to make some hostess-friend happy with a gift of today's design you might want to use white organdy with a matching delicate white border. I'm sure she'll be delighted with this bubbling froth of a gift! Making one for yourself is even more fun because you can do the color combinations you love best. Pale pink organdy with an edging of beauty rose, pale blue with robinette—do one to suit every mood or to blend or match your dining linens.

#### ADD TO YOUR EDGING COLLECTION

I know that many of you will find other uses for this beautifully detailed trim. Made from merized crochets, it measures a lavish 2½ inches wide. Free instructions are available by sending a stamped, self-addressed envelope to the Needlework Editor of this newspaper along with your request for Leaflet PC 3398.

**AN OBLIGING OCTOPUS**, stretched out on a delightful beach towel will brighten your coming days at the sea shore. As you know, beautifully trimmed "people-sized" towels are quite expensive and you will be able to have one of the most outstanding by spending very little time or money.

#### TRICKY TENTACLES

... are made with nothing more dangerous than "BOILTEX" rick rack and his big blue eyes are scraps of felt. You will need 2 yards of terry cloth in a soft beige to match the sand in a brilliant color to match your best bathing suit. Half a yard of white terry cloth will make Mr. Octopus who is fastened to the towel by sewing through a border of bias seam binding in a contrasting color. If you really want to be an outstanding mermaid, make your beach towel in a splashy flowered print terry with an octopus done in a solid shade picking up one of the print tones.

#### FINISHED WITH FRINGE

Something of a lavish touch is added by cotton rug yarn tassels drawn through the towel ends. Free instructions, including diagram, are available by sending a stamped, self-addressed envelope to the Needlework Editor of this newspaper along with your request for Leaflet PPE 820.

### Bavarian Festival—One of Michigan's Gayest Events

One of Michigan's gayest festivals, the seventh annual Frankenthum Bavarian Festival, will get under way June 13-19 at Frankenthum. Fun lovers from all over the country will pour into Frankenthum during festival week to partake of the city's traditional hospitality, good music and German food.

Visitors will find three of the city's famous products much in evidence during the festival. Tons of barbecued chicken and roast ox will also be consumed during the week. Bratwurst (smoked pork sausage) on a warm sesame bun covered with hot sauce will be served up and down Main Street.

The civic events council will herald the beginning of the festival with a huge parade Sunday, June 13, featuring the theme "Bavarian Legends."

Highlighting the 1965 Bavarian Festival, will be the premiere performances of "The Spirit of Frankenthum," a colorful panorama of pioneer beginnings in Frankenthum. This historical drama was specially written and produced for the festival by the Rev. B. W. Clauson, noted Chicago author. Depicting the founding and progress of the heritage in Frankenthum and Michigan, the drama shows promise of becoming a cultural and inspirational feature of the festival in future years.

Other attractions offered by the civic events council will be: Farm tours, tours of the two sausage plants, industrial tours, a water show by water ski acrobats, city tours of historical points of interest in the City of Frankenthum, historical and antique exhibits.

Also for the first time this year, a Bavarian river boat, only one of its kind in America and capable of carrying 60 passengers, will give tours on the beautiful Cass River.

### Annual Iris Show Sunday, June 13

Mio Irisarians will stage its 21st annual iris show Sunday, June 13, 2:00 p. m. until 6:00 p. m., at Fairview Town Hall. The event is sponsored by the American Iris Society. Michigan's original iris show will be attended by Anthony Willott of Cleveland, Ohio, regional vice president of American Iris Society in official capacity, and other accredited judges.

Interested persons may enter their specimen stalks in the horticultural section. A flower arrangement section is an outstanding feature of the show. Admission will be charged and a door prize awarded.

### 'Freeways Are a Boon to Business'

Interstate freeway interchanges near cities and towns are proving to be a boon to business.

Land at the interchanges has been sold at premium rates and business success recorded by service stations, motels and shopping centers demonstrates that investments have been justified.

The conclusions are part of an intensive survey by the right-of-way division of the Michigan State Highway Department of interchange development along I-94 between Ann Arbor and the Indiana State line.

The survey covered 66 interchanges along 180 miles of I-94. It was made 3½ years after the opening of the freeway and deals primarily with 52 full interchanges.

Said Roger H. Ashley, economic survey officer for the state highway department:

"The limited access freeway has broken the mold of the old highway commercial pattern.

"It concentrates development and consequently allows investment in more lavish improvements.

"It has given a permanency to

investments that never existed before in the history of highways."

"Excessive competition" has not yet become a problem for either service stations or motels along the route, Ashley found, and he predicts that with the number of vehicles using the freeway more than doubling in the next 10 years, the future is bright.

While major interchanges at the larger cities provide the most lucrative spots for businesses—especially service stations and motels—development in rural areas has been relatively slow, Ashley said.

At the eight major interchanges at larger cities, 78.1 percent was developed for commercial purposes with the remaining available land being held at prices which reflected sharp commercial demand. Small town interchanges have shown similar increases in value and development, the survey showed, with least development at rural area interchanges.

At 18 full interchanges in rural areas, nearly one-half (48.7 percent) of the quadrants remained vacant and 25 percent were developed for commercial or industrial use at the time of the survey.
