Give Thanks

Is Thanksgiving only a holiday from work, only a family gathering, only a dinner of roasted turkey? We don't think so. Join with us in giving thanks for peace, for security, for a free enterprise-democracy and all the other wonderful things which are a part of our American way of life. We give thanks for the thousands of neighbors and friends whom it is a privilege to serve in a variety of ways.

Convert your home or business to economical **Natural Gas heat today** and pay nothing until July 1, 1966.

ort Sqdn., Box 712 3rd. Msl. Bn., 517th Arty. APO San Francisco, Calif. 96263 Selfridge AB, Mich. 48046

EASY-TO-MAKE CHEERY DECORATION for front door. Use coneshaped base for bells, spray with bright red paint. Tape two coat hanger dowels together to measure 30 inches in length. Make two sets. Attach silver-sprayed styrofoam balls to end of dowels and insert into ball. Trim with huge bow of plastic ribbon and evergreen boughs.

Make Pretty Outdoor Bell

Heralding a holiday welcome is | fect as a striking door decoration a gay outdoor bell decoration for or attached to the door or brick the home, expensive looking in facing on the front of the home. the best handmade tradition, yet Materials:

costing under four dollars to make, including all materials.

A holiday creation of the arts and crafts department of the O'Brien paint people, the decoration, adorned with ribbon and evergreen boughs, can be made in about an hour and by yearly adding fresh evergreen will last for many seasons. One model is spray painted a bright red . . . per- Glue and straight pins

2 styrofoam rose cone covers (winter rose bush covers avail-

able at florist, nursery or variety stores.) 2 styrofoam balls Spray paint 4 cardboard coat hanger dowels Outdoor plastic ribbon Evergreen boughs

Convert now to Gas heat and Michigan Consolidated Gas Company will buy your unused oil or coal-even remove your oil tank-all at no cost to you. What's more, whether you convert your present furnace, or even install a new Gas furnace, we'll pay the bill. And all you pay us, between now and next July, is for the Gas you'll use to make this your most comfortable winter ever. Here's how this special limited-time offer works:

1. If you're now heating with oil, we'll buy what's left in your storage tank-at the price you paid for it. What's more, we'll remove your tank from your home or business and even haul it away if you want. All at no cost to you.

2. If you're now heating with coal, we'll take what coal you have on hand, off your hands. And pay you whatever it cost you originally.

3. Whether you convert your present furnace, or even install a new Gas furnace, we'll pay for it and its installation by a qualified heating contractor, and it won't cost you a penny until next July. You can pay for the unit and its installation on July 1, 1966 with no carrying charge whatsoever. Or if you prefer you can

make equal monthly payments including carrying charges on your Gas bill over a period of up to three years after July 1, 1966. Either way, there are no carrying charges between now and next July, and you need make no payments between now and next July. If you live in the areas we serve in the counties listed below, you're entitled to take advantage of this special limited-time offer. So act now. Call your heating contractor or Michigan Consolidated Gas Company office today for details. Your local Michigan Consolidated office number is 362-4458 in Tawas.
