NUMBER 43

COLLECTIONS as of Tuesday afternoon totaled slightly more than 50 percent of the \$11,500 goal of the Tawas-Whittemore Area Community Chest, announces Ralph Western, campaign chairman, who is shown above painting the thermometer at the Tawas Chamber of Commerce office. A total of \$5,738.50 has been received. The board of directors voted Monday night to extend the campaign one week to allow door-to-door solicitors and businesses, which have not already picked up pledge cards, to report. The campaign had been due to conclude October 30.—Tawas Herald Photo.

Iosco County—

Study Committee Eyes Reorganization

Recommendations concerning a study of Iosco County Intermediate School System were discussed last night (Tuesday) by the county's School Reorganization Study Committee.

This committee, organized under Act No. 289 of 1964, has been studying possible formation of new school districts, the alteration of boundaries of established school districts and the dissolution or reorganization of established school districts, as directed by the act.

William Tracy, intermediate school superintendent, said that the committee is required to develop a reorganization plan by December 31, or face the possibility of reorganization by the state committee.

Iosco's plan would be approved or rejected by the state committee within 60 days after receipt.

Five possibilities have been suggested thus far according to recent meetings of the county committee: 1. No change in the four existing kindergarten through grade 12 schools; 2. Change of boundaries of districts to make sounder geographical districts and to cut down on overlapping bus routes; 3. Combine any two schools into one district; 4. Combine any three schools into one district; 5. Combine all schools of the county into one district.

A public hearing is to be held on the recommendations adopted Tuesday night. If the plan is approved by the state committee, an election would be called as provided by the act. If not approved by the state, a revised plan would have to be adopted within

90 days. If the revised plan is not accepted, the state committee is to submit a plan. The two plans would then be submitted to voters.

Certain principles have been established by the state committee. First in importance is quality and breadth of education programs. School districts should be organized, it was stated, around community centers or combinations of community centers; villages or neighborhood centers, when identifiable, should not be divided between two or more proposed units.

The plan is to consider utilization of good existing educational facilities now available or under construction. Boundaries of proposed school districts should make for geographical compactness and efficient bus transportation.

Wherever population density permits, the proposed district unit should have an early potential for a total K-12 public school minimum enrollment of 2,000 or more. The ability to finance a school program is also a consideration in planning the school district.

Members of the reorganization study committee are: Dale Brumfield, Hale; Arden Charters, Whittemore; Waldo Curry, Tawas Township; Steven Ezo, Tawas City; Gilbert Follette, Hale; Henry Hastty, Whittemore; Cecil Kennedy, Oscoda; Harold McNeill, Oscoda; Mrs. Patience Nash, East Tawas; Walter Niles, Tawas Township; Ira Scofield, Hale; Donald Schuster, National City.

Also attending the meeting, held at Tawas Area High School, were superintendents of the four county schools and members of the various boards of education.

TC Sunday School Children to Trick-or-Treat for UNICEF

Plans are completed for the Tawas City Methodist Sunday School children's Trick or Treat for UNICEF. The annual drive is jointly sponsored by the Sunday school and the Woman's Society of Christian Service. Trick or treaters forego their usual request for candies and ask instead for coins to help needy children around the world through the United Nations.

Children will meet at the church at 6 o'clock Halloween night. Chaperoned transportation is being arranged by the WSCS. Cars will cover as much of Tawas City as possible, starting from the church.

Children are encouraged to bring a friend. Refreshments will be served and prizes for best costumes presented after the children

return to the church. Residents are urged to cooperate with the children in this charitable venture and put their porch lights on as an aid to children and the drivers.

Private roads leading to a plat may be taken over by resolution by obtaining the right-of-way, either by deed or by circuit court action.

In a case where a local road is taken over and needs improvement, said Love, at least 50 percent of the funds to improve it

World's Children Need You!

Expect Fireworks Today at Conservation Hearing

Fireworks a plenty are expected this morning (Wednesday) at a joint hearing of Michigan Senate and House Conservation Committees in regard to perch fishing on Saginaw and Tawas Bays.

East Tawas Community Building is expected to be packed for the 10 o'clock meeting called by State Sen. Carl W. O'Brien, Pontiac, chairman of the senate conservation committee, and Rep. Joseph N. Snyder, St. Clair Shores, chairman of the house conservation and recreation committee.

Also attending will be State Sen. Robert Richardson of Saginaw and State Sen. Sanford Charon of Pinconning, who arranged the hearing.

The Michigan Department of Conservation recently announced that it would seek a change in regulations to allow commercial gill net fishermen to keep all perch taken in nets with a mesh of 2 1/2 inches, because of what they term a "waste of stunted perch."

Except for a recent court ruling here which allows Iosco fishermen to keep undersized fish, if it can be shown that they weigh at least 1 3/4 ounces in fillet form, Great Lakes commercial fishermen are prohibited from taking perch less than 8 1/2 inches in the round.

Iosco Sportsmen's Club was the first local organization to take issue with liberalization of commercial perch fishing regulations. Resolutions protesting such action by the conservation department have been passed by city councils of Tawas City and East Tawas, the Iosco Board of Supervisors, along with area bait dealers-boat operators and trap-net fishermen from the Point AuGres area.

Latest group to join the protest was the Tawas Chamber of Commerce, which late last week sent letters to members of the Michigan Conservation Commission with an appeal to withhold any action to remove present restrictions until further study is made.

Representing the chamber at this morning's hearing is C. A.

Addison, who appeared before the board of directors at its meeting two weeks ago. Addison is a former resident of the area and is a former president of the Flint Chamber of Commerce.

The chamber's letter said that certain recent incidents have resulted in misunderstanding and resentment that will be greatly aggravated should the commission, under the present circumstances, take any action that might be interpreted as partial to "exploitation of the waters of the Great Lakes by commercial gill net fishermen."

To be more specific, said the letter, "many residents in this area became deeply concerned when commercial gill net fishermen entered the vicinity of Tawas Bay and adjoining Lake Huron waters to remove a school of perch which had appeared."

"Gill nets were spread throughout the area until the nets consti-

tuted an inconvenience and hazard to small boat craft. Residents along the lake shore complained bitterly about the distribution of these nets. The lack of any defined lanes, pattern or control over the placement of many miles of gill nets resulted in confusion for the boat owners attempting to use these waters."

It was reported, stated the letter, that most of the nets were set by commercial fishermen from distant ports away from the Tawas area; in fact, it was reported that some of the boats were from ports outside the state. The nets of these fishermen were left in the Tawas Bay area until the school of perch was depleted to the point of no profit. The nets were then moved to areas of more profit.

"The methods used by these gill net fishermen also alerted many of our residents, normally not concerned with commercial fishing, to the destructive ability of this type of net when fish are caught by their gills and the nets and fish are unattended for hours on end."

"People were quick to compare this type of fishing to that of hook and line used in sport fishing. They are aware of the fact that line fishermen are limited to two lines and a maximum of two

REHABILITATION DIRECTOR NAMED TO 'WHO'S WHO'

Miss Anne Gray, director of Vocational Rehabilitation Office, Alpena, has been chosen to be named in "Who's Who of American Women." She visits the Iosco County Building once a month and presently attends 38 cases here.

Plainfield Township to Issue Bonds for \$48,000 Sanitary Sewer System

An ordinance establishing a sewer disposal system in the unincorporated Village of Hale, along with providing the sale of \$48,000 worth of revenue bonds to finance its construction, has been adopted by the Plainfield Township Board.

(Complete text of the ordinance is printed in the second section of this week's issue of The Tawas Herald.)

The ordinance establishing Sewage Disposal District No. 1 specifies certain lands located in Sections 14, 15, 22 and 23 in Town 23 North, Range 5 East, Plainfield Township, as being affected by the construction.

Supervisor George Webb reports that the system will utilize the lagoon method of sewage treatment, similar to the facilities being provided at Tawas Point State Park by the Michigan Department of Conservation. The system will include 810 feet of 12-inch interceptor sewer mains.

Edmunds Engineering, Incorporated, provided professional engineering service for the project.

Plans and specifications are on file with Township Clerk Shiria Vee Kesler.

Coupon bonds in the denomination of \$1,000 each are to be sold at a rate not exceeding an interest rate of 4 1/2 percent per annum, payable effective July 1, 1966, through 1968.

Any property in the sanitary sewage district is eligible for connection to the system within 60 days after the system has been deemed as completed.

Quarterly charges provided by ordinance are as follows: Residential \$10; commercial, \$12.50; bars, \$20; gas stations, restaurants, other facilities with washrooms, \$15; laundries and related facilities, \$80; schools, \$212.50.

Revenues from the bond issue are to be placed in a receiving fund and deposited with Farmers and Merchants State Bank. Money is to be transferred periodically into several separate and special funds to provide operation and maintenance, bond and interest redemption, replacement and improvement.

RAYMOND C. BOTKIN is the new children's social worker, for Iosco, Ogemaw and Alcona Counties. He is pictured at the county building.—Herald Photo.

Tawas Area School to Make Application for Federal Funds

Preparations are now being made by Tawas Area School to make application for "Title One" federal funds to be used for educationally deprived students.

Supt. Reynold Mick reported Monday night that he had learned from Iosco Intermediate School Supt. William Tracy that Tawas Area is eligible to receive an entitlement of approximately \$42,000.

The board designated John Alexander, member of the junior high faculty, as coordinator of the program. In order for the school to receive the funds, a plan would be prepared to show how the money is to be used.

Board President Leonard Sarki named Trustees Walter Niles and Clare Herriman to work with the administration in studying the program.

It was suggested that such funds could be used to finance administrative instruction in both the regular school program and summer period, guidance in junior high grades, director of physical education in the three units at times buildings are not in use, training of teachers to better fill positions being created by use of funds and materials to carry out the program.

No action was taken on a suggestion by Niles to distribute \$15,000 in excess operational funds as a Christmas bonus to teachers. The surplus represents additional money received this

(See FUNDS, page 8.)

Foster Home Need Emphasized Here

An appeal for additional foster homes to serve the needs of wayward children in the Iosco area was issued Monday by Raymond C. Botkin, new children's social worker with the Michigan Department of Social Welfare.

Botkin, 27, who succeeds Miss Carolyn Church as social worker serving Iosco, Ogemaw and Alcona Counties, said that new provisions of the state law would probably see the probate court committing more children into the care of his office.

"We need homes with strong family ties in which we may place these confused youngsters," said Botkin. "We are looking for parents, preferably in the 30-40 age bracket, who would be able to handle these children."

He also cited the need for foster homes to handle wards of the state. These may be abandoned or neglected children, or may well be children with no parent or relative to care for them.

Only a "handful" of licensed foster homes serve the county at present. "Monetary gain is not great for those participating, ranging from \$58.50 to \$75 per month depending upon the age of the child, plus medical and dental care for the child, but there can be a great sense of accomplishment gained by these adults who help to straighten out the lives of unfortunate children," said Botkin.

A native of Wayne County, Botkin graduated from Michigan State University with a bachelor of art degree in social sciences. He later served as a public assistance worker for the Wayne County Bureau of Social Aid.

He and Mrs. Botkin will make their home at Oscoda. They are the parents of three children.

Survey Completed in Four Townships

Field workers of Gem Surveys have completed preliminary surveys in Reno, Burleigh, Oscoda and AuSable Townships and have moved to new locations in the county, according to Edward Dusenbery, project supervisor for the survey firm.

Moving to different townships this week are Gene Reed, Wilber, Donald Arnold, Sherman; Gay Cunningham, Baldwin, and Dan Smith, Tawas.

The field men are measuring structures and gathering information from which computations will be made for a complete appraisal of property in Iosco County.

Gem Surveys has moved its headquarters temporarily into the supervisors' room of the county building.

Dusenbery said that survey work has been taking place mostly on farm, hunting and resort lands in the above townships.

"We were a little behind schedule on the two-year appraisal program, but indications are that work is proceeding at the expected rate," said the project supervisor.

New Titles on Display During Book Week --- Oct. 31-Nov. 6

Iosco-Arenac Regional Library branches in Oscoda, East Tawas, Tawas City, Hale, Whittemore, AuAuGres and Standish will display new books for juvenile and teenage readers during National Book Week, October 31 through November 6. Young patrons of the bookmobile will also find new titles on its shelves.

Mrs. Clarence McMullen, director of the regional library, said, "Children learn by reading or being read to and we are proud of the new fall books available for their learning and pleasure."

A wide range of interests has been covered. Fiction, biography, science, the space program, history and art. Preschool children have not been forgotten and there are many new titles for their enjoyment.

Book week activity at regional headquarters will include the annual meeting of Huron Shores District SLAAM. High school student

librarians from Standish-Sterling, Arenac-Eastern, Oscoda, Tawas Area, Whittemore-Prescott, AuAuGres, Standish, Alcona and Mio are members. The regional library sponsors SLAAM to promote interest in library as a career and membership totals 80.

Miss Lela Osgerby, former teacher and librarian who initiated the Student Library Assistant Association in Michigan, will be guest speaker at the meeting. Frank Gardner, Alcona high school librarian, will teach a class in reference and regional library staff members will conduct classes in library techniques. Students will participate in these workshops.

Huron Shores District is an active, working organization. The executive council and officers meet twice a year at regional headquarters and also publish a newsletter which is sent to all members.

CATALOGUING new titles at Iosco-Arenac Regional Library Headquarters, Alabaster, are Mrs. Donald Deering and Mrs. Robert Short, staff members. The new books are to be featured at branch libraries during the observance of National Book Week.—Tawas Herald Photo.

POST AND AUXILIARY FIRST TO FILL QUOTAS

Glenn Staley Post No. 422 and Auxiliary met last Wednesday evening for their monthly meeting and pot-luck supper. At the auxiliary meeting, arrangements were made for the November 21 hunters supper and bake sale. Committee for the supper is Mrs. Robert Pember, Mrs. Ray Hendrickson, Mrs. Stanley Hudzinski, Mrs. Marge Smith and Mrs. Richard Parrish. They also made arrangements for Saginaw Veterans Hospital gift shop in December. The auxiliary will purchase 19 gifts and seven ladies will work on the project.

Hale post and auxiliary are again first in the 10th district to meet their membership quota.

Thank you cards were read from Richard Parrish, Al Harrington, Donald Goodrow and Mr. Kreger. October 31, 10th district will meet at Mt. Pleasant.

GAMES AND PRIZES ENJOYED BY 28 GOLDEN-AGERS

Golden-Agers met last Thursday for a pot-luck dinner with 28 members and one guest present. Mrs. Carl Slosser, Mrs. Alice

Hot Lunch Menus for TC Elementary Released

Hot lunch menus to be served at Tawas City elementary school are: Monday, November 1: Goulash, buttered corn, pineapple upside-down cake, bread, butter, milk.

Tuesday, November 2: Hot dog on bun, green beans, peaches, pickles, cheese, milk.

Wednesday, November 3: Chicken pie, applesauce, bread, butter, milk, cheese.

Thursday, November 4: Spaghetti casserole, buttered peas, pears, bread, butter, milk.

Friday, November 5: Fish sticks, mashed potatoes, carrots, cookie, bread, butter, milk.

THE BIBLE SPEAKS TO YOU

"Whom the Lord loveth he chasteneth" (Hebrews 12:6). The lesson-sermon in Christian Science churches this Sunday points out some of the ways this statement comes true in the lives of people today. The topic is "Everlasting Punishment."

One explanation of chastening is presented from the tenets of Christian Science, as stated in "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 497): "We acknowledge God's forgiveness of sin in the destruction of sin and the spiritual understanding that casts out evil as unreal. But the belief in sin is punished so long as the belief lasts."

TODAY'S Meditation

The Upper Room
 THE UPPER ROOM, NASHVILLE, TENNESSEE
 Read Matthew 25:14-23

Fear none of those things which thou shalt suffer: . . . ye shall have tribulation . . . be thou faithful unto death, and I will give thee a crown of life. (Revelation 2:10)

The church at Smyrna was faithful in spite of her trials and tribulations. Polycarp, probably a disciple of the apostle John, later became bishop of the church in Smyrna. Until his martyrdom, he was the mainstay of Christianity in Asia Minor.

The church was evidently poor in silver and gold but rich in spiritual and eternal values. All these things the Lord took into account.

There are many splendid and magnificent churches all over the world. Some of them are rich in name, some in building and property and some in money. The question is how rich are they in spiritual things? The silver and gold will some day perish; but the Word of God, the real riches of the church, will go on forever.

Is your church faithful? Is mine faithful? Let us not forget that the crown of life will be given only to those who remain faithful to Christ to the end.

Missionary Conference Begins at Whittemore

A round robin missionary conference will begin tonight (Wednesday), 7:30 p. m., at Whittemore Baptist Church. Speakers, Charles Roub, Phyllis Pepper, Ansel Mullins and Ronald Youngs, will present their work and the challenge of serving on the foreign field.

Meetings are slated through October 31 except Saturday. The Rev. Wayne Gassman, pastor of the church, invites the public to attend.

Evangelist to Speak at Church of Nazarene

The Rev. John R. Hieftje of First Church of the Nazarene, Bay City, will be evangelist at a series of revival meetings to be held at Church of the Nazarene, East Tawas. These special meetings began Tuesday, October 26, 7:30 p. m., and continue through Sunday, October 31.

Mr. Hieftje has been outstanding in his ministry and great progress has been made where he has pastored. The Rev. C. H. Symons, minister of the local church, extends a cordial invitation to the public to attend.

THE BIBLE SPEAKS TO YOU

"Whom the Lord loveth he chasteneth" (Hebrews 12:6). The lesson-sermon in Christian Science churches this Sunday points out some of the ways this statement comes true in the lives of people today. The topic is "Everlasting Punishment."

One explanation of chastening is presented from the tenets of Christian Science, as stated in "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 497): "We acknowledge God's forgiveness of sin in the destruction of sin and the spiritual understanding that casts out evil as unreal. But the belief in sin is punished so long as the belief lasts."

TODAY'S Meditation

The Upper Room
 THE UPPER ROOM, NASHVILLE, TENNESSEE
 Read Matthew 25:14-23

Fear none of those things which thou shalt suffer: . . . ye shall have tribulation . . . be thou faithful unto death, and I will give thee a crown of life. (Revelation 2:10)

The church at Smyrna was faithful in spite of her trials and tribulations. Polycarp, probably a disciple of the apostle John, later became bishop of the church in Smyrna. Until his martyrdom, he was the mainstay of Christianity in Asia Minor.

The church was evidently poor in silver and gold but rich in spiritual and eternal values. All these things the Lord took into account.

There are many splendid and magnificent churches all over the world. Some of them are rich in name, some in building and property and some in money. The question is how rich are they in spiritual things? The silver and gold will some day perish; but the Word of God, the real riches of the church, will go on forever.

Is your church faithful? Is mine faithful? Let us not forget that the crown of life will be given only to those who remain faithful to Christ to the end.

Missionary Conference Begins at Whittemore

A round robin missionary conference will begin tonight (Wednesday), 7:30 p. m., at Whittemore Baptist Church. Speakers, Charles Roub, Phyllis Pepper, Ansel Mullins and Ronald Youngs, will present their work and the challenge of serving on the foreign field.

Meetings are slated through October 31 except Saturday. The Rev. Wayne Gassman, pastor of the church, invites the public to attend.

Evangelist to Speak at Church of Nazarene

The Rev. John R. Hieftje of First Church of the Nazarene, Bay City, will be evangelist at a series of revival meetings to be held at Church of the Nazarene, East Tawas. These special meetings began Tuesday, October 26, 7:30 p. m., and continue through Sunday, October 31.

Mr. Hieftje has been outstanding in his ministry and great progress has been made where he has pastored. The Rev. C. H. Symons, minister of the local church, extends a cordial invitation to the public to attend.

Ladies Aid Hears Lutheran Home Report

At the Thursday evening meeting of Emanuel Lutheran Ladies Aid, Mrs. Fred Francis' portion of the program concerned Bethesda Lutheran Home, Watertown, Wisconsin. She explained its needs and plans are being made for a clothing drive to benefit the 660 retarded persons housed at the home.

The Rev. James Rockhoff opened the session with Scripture. A new member, Mrs. William Brown, was welcomed.

Serving on the social committee were Mrs. Robert Johnson, Mrs. William Look Jr., Mrs. Donald Sebald, Mrs. Edward Coyle and Mrs. Francis.

SUPER SPORT

396

New Chevelle SS 396 Sport Coupe—
 with clean-sculpted all-new Body by Fisher.

by Chevrolet

Two new Super Sport beauties for '66—a hardtop and convertible—propelled by nothing less than the new Turbo-Jet 396 V8.

This remarkably efficient power plant, with aircraft-type valves, deep-breathing ports and other design advances, develops 325 hp in the standard version. And you're welcome to order more—in a 360-lp version—if you're so inclined.

Both Chevelle SS 396 models ride on a special flat-cornering chassis. A fully synchronized 3-speed transmission with floor-mounted stick shift is standard. Or you can order a 4-speed or Powerglide—also Strato-bucket front seats, center console and full SS instrumentation.

Your Chevrolet dealer's is the place to see how all this feels from behind the wheel. He's a great believer in letting the customers handle the merchandise.

Mrs. Peter Lichtfusz Installed as OES WM

Mrs. Peter Lichtfusz was installed as worthy matron of Iosco Chapter No. 71, Order of the Eastern Star, during ceremonies held Friday evening, October 22, at the Masonic Temple. Acting as worthy patron is her husband, Peter.

Serving as associate matron is Mrs. Joseph Hennigar; Chris Weltcheff, associate patron; Miss Helen Applin, secretary; Miss Ruby Evans, treasurer; Mrs. John West, conductress; Mrs. Alva Parsons, associate conductress; Mrs. Ernest Nesbitt, chaplain; Mrs. Kenneth Blake, marshal.

Mrs. Robert Brookbank is organist; Mrs. Carl Bygden, Adah; Mrs. E. C. Silverthorn, Ruth; Mrs. Carl Eckman, Esther; Mrs. Russell Schaaf, Martha; Mrs. John Shaver, Electa; Mrs. William Wickert, warder, and Carl Eckman, sentinel.

Call to order was given by Elmer Freeland, retiring patron, and the welcome was extended by Mrs. George Rose, retiring matron. Installing officers were Miss Applin and Mrs. Rose; Mrs. Roy Westfall, installing marshal; Mrs. J. A. Carlson, installing chaplain; Mrs. Archie Colby, installing organist; Mrs. William Lyon, installing soloist.

Flag bearers were Mrs. Blake, American flag; Mrs. Fred Jennett, Christian flag; Mrs. Fred Breest, Eastern Star flag.

BE SURE—of having your Christmas cards early. Stop in today and look through our catalogues of name-imprinted cards. The Tawas Herald, 408 Lake Street, Tawas City.

Plan February Wedding

The engagement of Janice J. Skrocki of Saginaw to James J. Tarnoski of Saginaw has been revealed by her parents, Mr. and Mrs. John Skrocki of Sand Lake. The future bridegroom is the son of Mr. and Mrs. Bernard Tarnoski of East Tawas. A February 5 wedding is being planned.

The bride-elect is a 1962 graduate of Tawas Area High School. She attended Central Michigan University and Saginaw Business Institute and is presently employed at Michigan Bell Telephone Company. Her fiancé, a 1961 graduate of Tawas Area High School, is employed at Consumers Power Company after serving four years in the United States Navy.

An ad in the Tawas Herald Classifieds will get results.

Nuptial Vows Solemnized at Zion Lutheran Church

Mr. and Mrs. Robert Ridenour

The marriage of Miss Donna M. Katterman, daughter of Mr. and Mrs. John Katterman of Tawas City, and Robert Ridenour, son of Mr. and Mrs. Merle Ridenour of Tawas City, was solemnized Saturday, October 23, at Zion Lutheran Church, Tawas City.

The Rev. Raymond Moeller read the 7:30 p. m., double ring ceremony. Miss Ruth Ann Musolf served as organist.

The bride approached the altar wearing a gown of Chantilly lace featuring wristpoint sleeves and scalloped Sabrina neckline. Tiers of iridescent encrusted on Chantilly lace complemented the full, floor length skirt. Her silk illusion, bouffant veil was held by a pearl and crystal crown. She carried a cascade bouquet of yellow orchids and white stephanotis.

Bridal attendants were Debbie Katterman, maid of honor, and Ferol Selby, bridesmaid. They chose burgundy and moss green velvet and crepe dresses with bateau neckline, Empire bodice and modified sheath, floor length skirts. Matching bow bandeaus completed their attire. Crescent bouquets of fall-shaded chrysanthemums were carried by them.

Everett Ridenour of Dearborn was best man, assisted by Ronald Soules. Guests were seated by Donald Hester and Earl Shover.

For the wedding and reception following in the church parlours, Mrs. Katterman wore a green two-piece knit dress with beige accessories. Mrs. Ridenour's royal blue jersey dress was accented by blue accessories.

The couple will reside at Augsburg.

Out-of-town guests attended from Turner, Dearborn, Pontiac.

District Nurses Met at Barnes Hotel Thurs.

Twenty-five members and friends of Os-Ge-Na-Co District Nurses Association met at the Barnes Hotel Thursday evening. The occasion was a farewell dinner honoring Col. Lynne Christie, registered nurse of Wurtsmith Air Force Base, who is retiring from active service October 31.

The October 27 meeting of Os-Ge-Na-Co District Nurses Association will be held at the Standish Community Hospital, 8:00 p. m. Dr. J. R. Gehman of Standish will speak on "Newer Ideas of Intensive Care." All registered nurses in the area are invited to attend.

Christ Episcopal Church, East Tawas, was the scene of the double ring ceremony Saturday, October 23, uniting in marriage the former Carol Marsh and Michael Putnam, both of Tawas City.

The Rev. Robert Morrison officiated at the 7 o'clock rites which were followed by a reception for 100 guests in the church parlors.

The bride is the daughter of Mrs. Dale Smith of Holly and Jack Marsh of Ocean Beach, California, and her husband is the son of Mr. and Mrs. Leon Putnam of Tawas City.

Given in marriage by her father, the bride wore a satin and lace dress fashioned with scoop neckline and three-quarter length sleeves. A petal headpiece secured her fingertip, silk illusion veil and she carried a prayer book topped with pink roses and stephanotis.

Attending the bride was her sister, Cheryl Marsh of Holly. She selected a peach, Empire-style dress with scoop neckline and wristpoint sleeves. Matching accessories completed her attire. Her flowers were white and bronze chrysanthemums.

David O'Farrell of Big Rapids served as best man with Robert Timmer of Grand Rapids and Richard VanWormer of Pinconning, ushers.

For the occasion, Mrs. Smith chose a powder blue knit suit with matching accessories. Mrs. Putnam was attired in a loden green suit with which she wore corresponding accessories. Their corsages were yellow roses.

The newlyweds are residing at 415 Wilber Road, Tawas City. Guests were present from Vassar, Flint, Holly, Big Rapids, Pinconning, Ohio, and California.

Hostesses honoring the bride with a pre-nuptial shower were Mrs. Joseph Lixey and Mrs. Bernard Procnier.

Vows Exchanged in Colorado

Mr. and Mrs. William F. Davies are residing at 38 South Harrison, Denver, Colorado, following their marriage September 18. The couple exchanged vows in Messiah Lutheran Church, Denver. Bronze and gold chrysanthemums decorated the altar for the double ring ceremony.

Mrs. Davies is the former Carol L. Kyser of Denver, daughter of Mrs. Opal Kyser of East Tawas. Her husband is the son of Mr. and Mrs. William J. Davies of Spokane, Washington.

Escorted to the altar by her brother-in-law, Nicholas Kendall, the bride appeared in a floor length gown styled with chapel length train, lace and seed pearl-trimmed bodice and Sabrina neckline. Her bouffant veil was attached to a pillbox. White orchids, stephanotis and ivy made up her bouquet.

Ethel G. Johnson of Portsmouth, Virginia, maid of honor, and Mary Lou Olson of Denver, bridesmaid, were identically attired in beige and olive green, floor length dresses with matching headpieces and chapel length veils. They carried cascade style bouquets of bronze and yellow chrysanthemums.

Mr. Davies chose John F. Welch of Denver as his best man. Attendant and usher duties were carried out by Rolin E. Berger of Denver.

A reception was held at the home of the best man for 40 guests attending from Spokane; Liberty, Missouri; Portsmouth, and East Tawas.

For her daughter's wedding, Mrs. Kyser selected a black and white lace over taffeta dress with black accessories. A navy blue suit was Mrs. Davies' choice. Gold orchid corsages adorned their ensembles.

Five friends of the bride honored her with a personal shower at Denver. Gifts received at a miscellaneous shower given by Mrs. Kenneth Bublitz and Mrs. James Daley at East Tawas were forwarded to the bride.

About PEOPLE YOU KNOW

Tawas City

Mr. and Mrs. George Liske attended the wedding of their granddaughter in Detroit over the week-end.

Mrs. Ross Kitchen of Sterling and Mrs. Ira Horton are guests this week of their friend, Mrs. Laura Worden, at Fenwick.

Mrs. Ora Berube returned Sunday from a visit of a week in Grand Blanc, Flint and Detroit.

William Galliker and sister, Kathleen, of Detroit visited their mother, Mrs. Lydia Galliker, last Sunday. They made the trip here in the former's Cessna plane and landed at the Iosco County Airport.

Sunday, James Brigham, a senior at Central Michigan University, visited his parents, Mr. and Mrs. Gordon Brigham.

Mr. and Mrs. David L. Blair visited in Lincoln Monday.

Mr. and Mrs. Robert Werth were in Detroit last week.

Herbert Galliker is in St. Louis, Missouri, on business.

Last week-end, Mr. and Mrs. Fred Landon were guests of their son, Dale, and family at Fenton. They also visited Mrs. Landon's sister, Mrs. Clarence Gates, at New Providence Hospital, Detroit.

George Schroeder of Pontiac spent the week-end with his mother, Mrs. William Schroeder.

Mr. and Mrs. William DeLosh enjoyed the week-end at Detroit with their sons, Claude and William Jr. Enroute, they visited a sister, Mrs. Arthur Walker, at Bay City.

Mr. and Mrs. Andrew Anschuetz and the Allen Anschuetz family helped Mrs. Vera Cholger celebrate her birthday Sunday. The Keith Humbert family of Clarkston spent last week-end at the Andrew Anschuetz home and attended the Johnson-Olsen wedding.

Mrs. James Syze and Miss Clara Heyboer of Detroit were Thursday and Friday visitors at the William J. Leslie home. Mr. and Mrs. Wallace Leslie and Thomas of Capac enjoyed the week-end with their parents.

Mrs. Grant Bessey is visiting at the George M. Sherman and Dan A. Sherman homes in Flint. Mrs. Bessey's son, Darrel, who is employed there, visited her one day. The Norman Anschuetz family of South Bend, Indiana, enjoyed the week-end with the Walter Schumachers and the Neil Luedtke family.

East Tawas

Mr. and Mrs. Helmut A. Carlson are visiting friends at Flint. They will return the latter part of the week.

Mr. and Mrs. Dennis Potts and five sons of Flint spent the week-end with her parents, the Joseph Heenans. While here, Mr. Potts enjoyed hunting.

Mr. and Mrs. Warren Haddix will leave Tuesday, November 2, for Zephyrhills, Florida, for the winter months.

Mr. and Mrs. M. Morse Porter

CLAUD D. WILSON

Claud D. Wilson of Lansing, a former Tawas City resident, died Friday, October 22, at Sparrow Hospital, Lansing. Funeral services were conducted Monday at Jacques Funeral Home, Tawas City. The Rev. Donald Turbin officiated and burial was in Wilber Township Cemetery.

Mr. Wilson was born November 8, 1911, in Harrisville. He married Mabel Goodale May 20, 1937, at East Tawas. He was an employee of the Oldsmobile Division of General Motors for the past 12 years.

Among the survivors are his wife; four sons, Charles H. of Holt, William R. of Jackson, Frederick C. of Lansing and Harry G. at home; one daughter, Arlene J. at home; two grandchildren; his mother, Mrs. Jennie Wilson of Ann Arbor; a sister, Mrs. Dorothy White of Ann Arbor.

LOYD E. RITTENBERG

An East Tawas resident, Lloyd E. Rittenberg, died Friday, October 22, at his home. Born October 23, 1917, in Arenac County, he was a member of the Latter-day Saints Church, Twining.

Among survivors are four sons, Robert, Ronnie and James, all of Twining, and Jack, who is serving with the United States Marine Corps in Okinawa; his mother, Mrs. Mary Rittenberg of Twining; a sister, and two brothers.

Funeral arrangements were handled by Forshew Funeral Home, Twining.

STAPLES—Bostitch, one-half inch, three-eighths inch, one-quarter inch, No. SB8P for B8 stapler; Markwell, boxed 5,000; Markwell, boxed 1,000; Swingline No. 4. The Tawas Herald, 408 Lake Street, Tawas City.

nes Thompson. Friends may write Miss Davey at 610 Buttes, Midland.

Donald Humphrey, Charles Gould and Jodi Hess, students at Michigan State University, spent the week-end at their respective homes.

Married Saturday at Lake Orion Methodist Church

Grace Quattlebaum of East Tawas was united in marriage to John J. Huckob of Detroit Saturday, October 23, at First Methodist Church, Lake Orion. They will be at their cottage on Huron Shores for two weeks and will return to their Detroit home and to Florida for the winter.

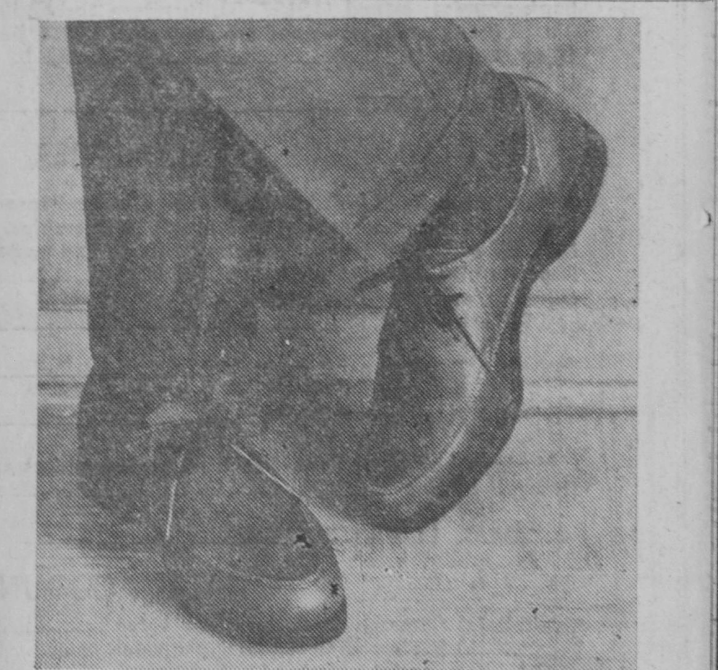

CP Home Economist Presents Club Program

"Christmas Cooking and Decorations for the Home" were used as the program for the October 20 meeting of Ladies Literary Club of East Tawas. Miss Marge Mielock of Consumers Power Company presented the program. She demonstrated baking in an electric fry pan and the advantages of using a blender in baking as well as in preparation of beverages.

Electric lighting using many sizes of bulbs and styrofoam for decorating proved to be practical and safe for home use. Hostesses for the evening were Mrs. George Sims and Mrs. Fred L. Pritchard.

A PERFECT GIFT FOR YOUR HOLIDAY HOSTESS is this lovely Star of Venice set. You need only 2 yards of linen... or a delicate organdy... to make 4 placemats and the apron. The graceful motifs are worked separately in mercerized crocheted cotton. Free instructions are available by sending a stamped, self-addressed envelope to the Needlework Editor of this newspaper along with your request for Leaflet S 908.

The new sidewalk-softeners are here!

Smooooth. That's the word for the new look in Hush Puppies casual shoes. Mellow-soft glove leather. But that's the only real difference. Like the Hush Puppies shoes you're used to, the new smooth styles sport a steel shank for support and soft crepe soles that make you feel like you're walking on air. Now you can have both kinds of Hush Puppies casuals. C'mon in and see the entire line today.

Whittemore News

Elmer C. Dillon Died Thursday After a Long Illness

Elmer C. Dillon of Saginaw died Thursday in Saginaw after several months illness. He was born March 30, 1876, in Pennsylvania and was a retired carpenter.

His wife, Nellie, died at Eastmanville in 1914 and he had made his home since her death in Niagara Falls, New York; Pittsburgh, Pennsylvania, and Grand Rapids until going to Saginaw. He had spent most of the summers in Whittemore and was well known here.

He is survived by two sons, Horace Dillon of Whittemore and Guy Dillon of Atlanta, Georgia; several grandchildren; one brother, William of Grand Rapids.

Penzien Funeral Home, Bay City, arranged services which were held Saturday morning. Burial was in the Whittemore LDS Cemetery with the Rev. Leland Penzien of Sterling Methodist Church officiating.

Norman Schuster of Saginaw was a caller in town last Saturday.

Mr. and Mrs. Alonzo Ralston of Cedar Lake were guests a few days last week at the home of her sister, Mrs. Ella Higgins; her brother and wife, Mr. and Mrs. Joseph Lomason.

Miss Phyllis Burkholder of Detroit spent the week-end here with her parents.

One day last week, Mrs. Charles Lail visited her daughter and husband, Mr. and Mrs. Elton Smith, at Standish.

Mrs. Donald Bell, Mr. and Mrs. Fred DeRemer of Bay City and Mrs. Joseph Flood of Pinconning visited Mrs. Elizabeth Fuerst here a day the past week.

Mrs. Almena Ruckle Hosted Women's Club Last Wednesday

Whittemore Women's Club met at Mrs. Almena Ruckle's home Wednesday night with Mrs. Merlin McLean and Mrs. Bruce Goupil assisting. Seventeen members and three guests were present.

Mrs. Roy Charters, president, thanked all who had worked during the October 5-6 convention. Roll call response was an impression of the northeastern district convention.

Mrs. Duncan Valley, secretary, gave a report of the convention. An invitation was read to meet November 3, 7:00 p. m., with the county convention of clubs at Tawas Golf Club.

Guests present were Mrs. Julia Ralston of Cedar Lake, Mrs. Eva St. James and Mrs. Margaret Belor.

Friends were sorry to hear of the illness of Clifford Burkholder, who has been confined to Samaritan Hospital, Bay City, for three weeks.

Mr. and Mrs. Archie Graham, the Duncan Valleys, Mr. and Mrs. Leon King and the Ross Butlers of Sand Lake were guests of Mrs. Earl Hasty at West Branch Sunday before the Butlers left for Florida for the winter.

Anna Dunham of Flint spent Sunday afternoon with Mrs. Charles Lail and at the John O'Farrell home.

Tuesday, Mrs. Ella Higgins and Mrs. Elizabeth Fuerst visited Mrs. Frances Jackson and relatives at Tawas City.

Mr. and Mrs. Nelson Lavelly of Warren spent the week-end with her mother, Mrs. Elva Lee Freil, and other relatives.

Robert Jordan of Otter Lake enjoyed the week-end with Mr. and Mrs. Bert Fortune.

Edward Ellsworth and son, Richard, of Pontiac spent the week-end with his parents, the Ray Ellsworths.

Mr. and Mrs. Duncan Valley, Mr. and Mrs. Harry Hollenbeck of Tawas returned last Thursday from a two-week circle tour around Lake Superior. They visited at different points of interest and returned by Duluth, Minnesota, and a southern route.

Mr. and Mrs. Stanley Partlo left Monday for a week's visit in Virginia with their niece and family.

Mr. and Mrs. Dennis Fuerst of East Lansing spent the week-end here with their parents.

Leon King underwent a major operation Tuesday morning at Tolve Hospital, West Branch, and is improving.

A few days last week, Mr. and Mrs. George Fry of Chicago, Illinois, were guests of Mr. and Mrs. John Ori and the Joseph Oris.

Mr. and Mrs. Duncan Valley spent last week-end in Bay City and took care of their grandson while the parents, Mr. and Mrs. William Hasty, attended a football game in Ann Arbor.

Monday, Mrs. Walter Wood of Marlette visited her parents, Mr. and Mrs. Ray Ellsworth.

Mrs. Janet Sykes of Detroit spent the past two weeks with Mrs. Phoebe Scott.

Mr. and Mrs. Bruce Goupil spent the week-end in Grand Rapids.

Mr. and Mrs. Kenneth Bronson came home Sunday and report their son, Ralph, who is a patient in Hurley Hospital recovering from an auto accident, a little improved. Mrs. Bronson returned to Flint Tuesday.

WILLIAM COOPER

William Cooper, 78, who died October 16 at Huron Convalescent Home, Tawas City, was buried October 18 at Saints Cemetery, Whittemore. Elder Guy U. Yager officiated at services held from Mofatt Funeral Home, East Tawas. He was born January 18, 1887, in Canada. He is survived by one brother, Andrew, a patient at Huron Convalescent Home.

Reno News

Mr. Samson attended the retirement party for Lester Pingle Wednesday evening. They also visited his former employer, the Flint Police Department, and returned home Thursday noon.

Last week, Mrs. Sam Lanham and son, Larry, of Battle Creek spent several days with her mother, Mrs. Lester Robinson. Friday, Mrs. Lanham and Mrs. Robinson called on Mrs. Ida Mason, Mr. and Mrs. Charles Mason at Alpena.

Sympathy is extended to the Paul Kaiser family in the loss of their infant daughter, who passed away early Thursday morning.

Mrs. Margaret Charters and son, Byron of Mt. Pleasant, spent the week-end visiting their daughter and sister, Mrs. Richard Avery, at Three Oaks.

Word was received Sunday of the death of Mrs. Robert Babcock of Clare. Mrs. Babcock was the former Bertha Charters.

Tuesday, Mrs. Eugene Wood and Mrs. Richard Samson attended the West Branch district kick-off at Hale.

TA Scores First Lose, 27-18, To W. Branch

For the third time this season, Tawas Area Braves scored a touchdown in the opening minutes of play, only to lose before the night was over. Turning the trick Friday night were the West Branch Orioles, 27-18.

West Branch kicked off to Tawas and, 13 plays later, Halfback

Dennis Harten scored on a dive play. The try for PAT was blocked and the Braves held a 6-0 lead throughout the first quarter.

The Orioles scored the equalizer in the second quarter when John Janisch went into the endzone. He also ran the PAT and West Branch held a 7-6 margin at intermission.

West Branch took the second half opening kickoff and Quarterback Chris Schieber scored on a sneak. Revard ran the PAT.

Tawas fumbled on its own 45 to set up the second West Branch touchdown of the third quarter. Revard ran 38 yards to score.

The Braves clicked for two TDs in the final quarter. Quarterback Dick Grebe hitting Cain with a pass for the first. Halfback Ray Powers scored the final TD on a dive. No points after touchdowns were converted by Tawas during the night.

West Branch's final touchdown came when Janisch scored and then converted the PAT.

Tawas gained 243 yards on the ground and 33 in the air for yardage of 276. West Branch had 229 total yardage on the ground and tried no passes.

Dave Thunberg turned in a good job as defensive halfback, while Harten and Powers also turned in good defensive work. Hugh Freil and Powers led the Braves with seven tackles apiece.

Action this week finds Tawas playing host to Oscoda.

PICKING UP good yardage in one of Hale's drives Saturday was Larry Drenberg (21), shown here with the ball as he moved toward the sideline. On the ground is Quarterback Dan Maas and Edward Wright (73) moves up at center. The Posen player is Patrick Kowalski.—Tawas Herald Photo.

She is a cheerleader, a member of the Keyettes and pep club. Her hobby is skiing. She is the daughter of Mr. and Mrs. Mark Defibaugh.—Tawas Herald Photo.

Hemlock News

LITTLES REPRESENT COUNTY AT EMTA ANNUAL MEETING

Thursday, Mr. and Mrs. Lloyd Little were at Bay City where they represented Isoco County at the annual meeting and banquet of East Michigan Tourist Association. Mrs. Little attended the women's luncheon and style show, while Mr. Little attended the men's luncheon and business meeting.

In the evening, they were present at a banquet served at the Wenonah Hotel and heard some interesting speakers.

Miss Nancy Brown and friend, David Dalton, of Detroit called on her aunt, Mrs. Clara Smith, Sunday afternoon of last week.

Dr. and Mrs. Boyd Knowlton of Birmingham spent the week-end with their mother, Mrs. Minnie Yager, at Sand Lake. Mrs. Yager returned home with them for the winter months.

Hemlock Baptist Missionary Society met Wednesday, October 20, with a nice crowd attending in spite of the rain. Mrs. Lyle Long presented the program and devotions were led by Mrs. Allen Heron. Lunch was served by Mrs. Herriman and Mrs. Bernice Herriman.

Mr. and Mrs. Fred Pfahj are visiting their daughter, Mrs. Donald Webb, and family at Garden City.

One afternoon last week, Mr. and Mrs. John Corley and Mrs. Minnie Yager of Sand Lake were guests at the Victor Herriman home.

Mr. and Mrs. Melvin Thompson of Royal Oak spent the week-end at their Sand Lake cottage.

The Donald Herriman family of Utica enjoyed the week-end with his mother, Mrs. Bernice Herriman.

Mr. and Mrs. Robert Umphrey of North Sand Lake Road entertained their niece and nephew,

Mr. and Mrs. Thomas Robinson of Pontiac, and friends, the Gilbert Dunsmores of Flint and the Victor Verbeams of Beaverton.

Tuesday of last week, Mrs. Beatrice Hudson, Mrs. Vera Robertson and Mrs. Doris Howe of Sand Lake were at West Branch.

Mrs. Nelson Ulman of Tawas City was a recent supper guest of the Russell Binders.

Hazen Warner of Sand Lake is improving after his leg injury.

Mr. and Mrs. Clarence Herriman, Mr. and Mrs. Arthur Herriman and sister, Mrs. Eugene Morrison, at Utica, New York.

Callers at Mrs. Clara Smith's home the past week were Mrs. Beatrice Hudson, Mrs. Vera Robertson, Mrs. Minnie Yager, Mrs. Lydia Sied and Mrs. Alice Umphrey.

Tawas Area High Lists Hot Lunch Menus

Monday, November 1: Goulash, lettuce salad, cheese sticks, pineapple upside-down cake, bread, butter, milk.

Tuesday, November 2: Hamburger on a bun, hash brown potatoes, buttered corn, applesauce, cookies.

Wednesday, November 3: Creamed potatoes and ham, buttered green beans, dried pears, chocolate cake, bread, butter, milk.

Thursday, November 4: Hot dog on a bun, hash brown potatoes, buttered peas, cherry cobbler.

Friday, November 5: Macaroni and cheese, cabbage, pineapple and marshmallow salad, apple spice cake, bread, butter, milk.

Vets' Service Officer Here Fourth Tuesdays

Chalmers LaFray, field service officer for Disabled American Veterans, will now be in the county building on the fourth Tuesday of each month. His next visitation will be Tuesday, November 23, from 10:00 a. m. to 3:00 p. m.

Hale Defeated by Posen, 18-7, in Sat. Homecoming

Hale Area's homecoming event was spoiled Saturday afternoon when Posen administered an 18-7 defeat to the Eagles.

Posen scored two touchdowns in the opening quarter and Hale was never able to close the gap. The Eagles' lone TD came on a run by Mark Brindley in the third quarter. Posen added its final TD in the fourth quarter.

Charles Koehler was Hale's outstanding defensive player.

The Eagles of Hale will clash this Friday night with AuGres at the Arenac-Eastern football field.

HOMECOMING ROYALTY at Hale Area High School is pictured here during halftime ceremonies Saturday afternoon. Miss Cheryl Heuss, center, senior homecoming queen, is flanked on the left by Cindy Webb and Connie Koehler. The two girls on the right are Chris Lyke and Brenda Short.—Tawas Herald Photo.

LEGAL NOTICE

COUNCIL PROCEEDINGS
Minutes of the meeting of the Tawas City council held October 4, 1965.
Meeting called to order by Mayor George Tuttle.
Roll call: Cabbie, Evril, Hatton, Rollin, Tanner, Ulrich and Atty. Alf Watson.
Minutes of the previous meeting were read and approved.
The following bills were presented for approval:
Tawas Bay TV Sales 2.45
James Quarters 20.00
Isco Co. News 1.00
Linwood The Co. 65.25
Cable Hdwe. Co. 125.25
Tawas Herald 65.65
Ausable Forest Products ... 30.00
Fuelgas Co. 1.50
C&D Stone Co. 404.00
Midland Chemical Co. 54.16
Myles Insurance Co. 229.21
Bublitz Oil Co. 193.12
Huron Builder Supply 41.41
Motion by Hatton and seconded by Ulrich that bills be approved for payment.
Roll call: Ayes, Cabbie, Evril, Hatton, Rollin, Tanner and Ulrich.
The following building permits were read to the council by Supt. Reginald Bublitz: Zion Lutheran Church, 210 Second Avenue, building 18x24, \$600.00; Warner Pearson, 410 Fifth Avenue, re-roof home, \$600.00; Tawas Plating Company, 510 Industrial Avenue, new roof and remodel, \$1,500.00; Abram Frank, 601 Whittemore, 6x13 frame building, \$150.00; Orlive Westcott, 312 Seventh Avenue, repair porch and entrance, \$250.00.
Approval of permits made by Superintendent Bublitz.
Minutes of the meeting of the water department were read by Superintendent Bublitz. Disbursements of water department, \$1,565.17; disbursements of sewer department, \$494.24.
Motion by Evril and seconded by Tanner that the minutes be accepted as read.
Roll call: Ayes, Cabbie, Evril, Hatton, Rollin, Tanner and Ulrich.
Motion by Tanner and seconded by Rollin that Ordinance No. 150-A be approved. This ordinance pertains to the licensing of canvassers-peddlers in the City of Tawas City.
Roll call: Ayes, Cabbie, Evril, Hatton, Rollin, Tanner and Ulrich.
Ruth Albertson was present and gave the report of the treasurer for the month of September. The treasurer also presented the report for the quarter as of September 30.
Motion made by Cabbie and seconded by Tanner that the report of the treasurer be accepted as read.
Roll call: Ayes, Cabbie, Evril, Hatton, Rollin, Tanner and Ulrich.
Mr. Freel of the Cable Television Company was present and asked the council to change the former price of cable hookup to \$19.00 for the connection and \$4.50 per month for the use of the TV cable program. An invitation to go out to the station and see the television program was made by Mr. Freel and several of the council went out to the station.
Frank Roti gave the report of the police department for the month of September. Motion by Tanner and seconded by Evril that report be accepted as read.
Roll call: Ayes, Cabbie, Evril, Hatton, Rollin, Tanner and Ulrich.
No other business, meeting adjourned.

School Board Sees Visual Aids Used by First Graders

Board of education members agreed that first grade classes are a lot more interesting and no doubt more educational than they were only a few years ago.

This was the consensus Monday night following a report by Mrs. Ray Cross, first grade teacher at the East Tawas Elementary Unit, who spoke on "What We Do in First Grade at Tawas Area Schools."

With an armload of new teaching tools, which she demonstrated for board of education members, Mrs. Cross explained new methods being used to teach the "three Rs" in first grade. The program is a continuing series of talks by faculty members to acquaint board members with teaching methods being used in the school.

While the old "hop-hop-hop" stories of the three rabbits disappeared long ago with chart classes, similar, but more sophisticated teaching aids are now used to supplement modern textbooks.

Mrs. Cross displayed a variety of these visual education aids—ranging from "My Weekly Reader," which offers newsworthy items of interest to first graders, to the roaming reader dice game and link letters. Flash cards are still an important teaching tool and have been modernized.

"We have been accused by parents that schools are not teaching children phonetics, but this is just not so," said Mrs. Cross. She displayed one set of cards which demonstrated her point. A word was printed on each card along with a drawing of a face showing how the mouth should look when the word is pronounced.

She explained that the listen, speak and write series was used in the instruction in order that children may learn to express themselves. Workbooks are part of the writing program and she said that it takes "some doing" on the child's part to achieve coordination in writing with a pencil.

One of the important tools used in teaching arithmetic is the abacus, probably one of the oldest calculating contrivances in civilization. "We have enough of these bead frames for each child in the grade and they are really useful," she said.

While textbooks utilize "modern math," children still learn the value of numbers through the use of flash cards. They learn to group numbers beyond 10, learn simple fractions and learn to count change with play money. "You would be surprised to learn how many children have never had the opportunity to make change," she said.

"We try to keep science instruction in keeping with the times and a discussion on rockets was the main topic Monday. We also study seasonal changes, the importance of people who work in our community and basic health facts."

Explaining that she had given only a "bird's eye view" of first grade instruction, Mrs. Cross said that she really enjoyed her job and she thought the school provided very fine equipment for teaching aids.

Grand Blanc Man Found Dead in Long Lake Cabin

James A. Goodwin, 40, Grand Blanc, father of five children, was found dead near Hale Sunday.

Reported as missing Sunday evening from his summer home at Long Lake, Isoco Sheriff's Department Deputies Joseph Bannister and Dennis Chivria investigated and found Goodwin's body in a neighboring cottage.

Goodwin, his wife, Elaine, and their children had come to Long Lake to winterize their cottage, along with that of a neighbor. He was last seen removing a television antenna from the neighbor's cottage.

Police were notified shortly after 8:00 p. m. when Goodwin failed to return. Following investigation, Coroner E. John Moffatt ruled that the man had taken his own life.

Goodwin worked with his grandfather in a tire business at Grand Blanc.

Besides his wife, he is survived by four sons, James, 18, Bruce, 17, Thomas 16, and David, six; one daughter, Kathy, age 10. James is in the air force and stationed in Montana.

Hurt Last Week in Collision With Truck

Arthur Ziehl, Tawas City businessman, returned home Friday from Tolfree Hospital, West Branch, where he had been rushed October 19 following a collision.

Ziehl sustained a fractured rib, collar bone dislocation and bruises when his pick-up truck collided with a tractor-trailer unit at the intersection of M-65 and M-55 in Reno Township.

TA Honor Roll Announced Monday

The following students received 90 percent or above in all subjects during the first marking period at Tawas Area High School.

Twelfth grade: John Brugger, Linda Fallu, Joanne Juhl, Kay Kasischke, Daniel Machulis, Janet Merschel, Bob Sieloff.

Eleventh grade: Judy Luedtke, Debbie Mark, Diane Schreiber.

Tenth grade: Sheryl Bublitz.

Ninth grade: Lynn Czaika, Cynthia Hemphill, Pam Jenkins and Russell Sayles.

Other students named to the honor roll are:

Twelfth grade: Darlene Albertson, David Baker, Jan Beauparlant, Micki Bennington, Linda Bishop, Tim Blake, Sandy Blust, Kathy Boldt, Sandra Brown, Dennis Buchanan, Sandy Clayton, Margie Cross, Jean Decker, Kay Ann Deekett, Jim Dodson, Dale Duff, Joyce Fisher, Nancy Frank, Kathie Gallagher, Nancy Gottlieb, Micki Greenlee, Sandy Huddy, Gayle Killey, Connie Kindell, Judy Lemon, Ken Makinen, Nancy Palumbo, Karen Proudfoot, Jim LaBlance, Cheryl Look, Dale MacLean, Gary Nelkie, Mike Phillips, Cheryl Reekman, Linda Repshinska, Geri Sass, Mary Sass, Ben Schanbeck, Dan Soules, Ken Tarnoski, Bonnie Washburn, Mary Wetzell, Terry Whitford, Gerald Wilkinson, Kay Winchell, Lloyd Nelkie, Floyd Skiver.

Eleventh grade: Mike Anderson, Mary Beaubien, Wendy Defibaugh, Linda Dorey, Diane Dubovsky, Rick Greenlee, Linda Hackborn, Joy Herriman, Carol Hosbach, Debbie Katterman, Barb Kendall, Gloria Killey, Patty Krish, Debbie LaLonde, Ron Leslie, Larry Link, John McArdle, Jean Mielke, Toni Miller, Robert O'Neil, Norm Payea, Carol Rempert, Linda Schlicker, Jean Schroeder, Bill Smith, Margaret Soper, Helen Uiman.

Tenth grade: Bill Baker, Kathy Blake, Margaret Champion, Karl Cross, Bonnie Deering, Maureen

fishermen that they wanted restrictions placed on them removed," stated the letter.

The chamber said that rules applying to sport fishermen were inconsistent with rules that regulate gill net fishermen. "Not only were tons of legal sized perch taken, but enormous amounts of under-sized perch were destroyed. It is very difficult for layman to rationalize that this will improve the fish crop for either the line fishermen, or the commercial fishermen," stated the chamber of commerce letter.

The chamber said it was cognizant of the fact that many factors enter into depletion of desirable food fish from lake waters. "There are natural predatory factors that decrease certain fish life. However, in the rapid decrease of our valued food fish, we cannot ignore the desirability of these fish for market sales as not being a factor in their disappearance.

"With the loss of lake trout and white fish, commercial fishermen have devoted more effort to some species of lesser value, particularly the yellow perch. Lake Huron production of perch has been less than normal, according to reports, except in 1964 and 1965 when a favorable market encouraged an intense fishery, particularly in the Tawas area. We are greatly concerned, therefore, that our perch may disappear the same as the trout and white fish," stated the letter.

Eighth grade: Vicki Anderson, Kenneth Baker, Joseph Blust, Joy Dupuydt, Kim Edwards, Ruth Erickson, Penny Ewer, Randy Foc, Lynn Froelich, Mike Glancy, Nicki Groff, Mike Gross, Janice Haglund, Dorothy Hayes, Connie Healey, Donna Herriman, Verna Herriman, Janet Kasischke, Dean Kusey, Norm Look, Karen MacMurray, Donald Mick, Van Miller, Rebecca Minard, Rick Payea, Blinda Pintkowski, Kenneth Reinke, Becky Ross, Diane Schiell, Veronica Shedenhelm, Mary Tomlinson, Pam Weible.

remaining in the scoreboard fund to purchase an eight millimeter movie camera and projector for the athletic department. Total cost would be \$400 and the Key Club has offered to raise the remainder as one of its projects.

Trustees Waldo Curry and Niles were appointed to remain as the board's representatives on a parent-teacher association committee which will study the possibility of encouraging taxpayers to retain the present three-mill, pay-as-you-go building program which expires next year.

Explain

(Continued from page 1.)

must come from either township funds or private funds and 50 percent may come from weight and gas tax funds.

In all cases, a road must be taken over by proper resolution and certified by the Michigan State Highway Department before weight and gas tax money may be spent on it.

It was explained last week by Love that, by law, the county road commission can authorize work only on roads under its control. Therefore, it may not enter into contracts for the construction, improvement, repair, maintenance or removal of snow from private roads.

CLIFFORD FRED RENO

Funeral services will be held Friday morning at Immaculate Heart of Mary Church for Clifford Fred Reno, 49, who died October 26 at the state hospital, Traverse City.

Born May 16, 1916, at Turner, he was a veteran of World War II. He is survived by one brother, Armond J. Reno, Mt. Morris.

The Rev. Fr. John R. Kolevar will officiate at the service. Burial will be in IHM Cemetery. A Rosary service will be held Thursday, 8:00 p. m., at Jacques Funeral Home.

Funds

Home Extension Meet Held October 19 at Hale

Cookbook Presented as Memorial

Mr. and Mrs. William Tracy and Mr. and Mrs. Dan Cater presented the Iosco-Arenac Regional Library with a copy of the Culinary Arts Cookbook as a memorial to Mrs. Bertha Korthals with whom they had been associated for many years at Tawas Area High School.

The book has been added to the collection in the East Tawas Branch Library at the donors' request.

A fall get-together of home economics extension members from the nine-county West Branch Extension District was held Tuesday, October 19, at Plainfield Township Hall, Hale.

Attending were 140 members from Iosco, Arenac, Ogemaw, Oscoda, Alcona, Clare, Gladwin, Roscommon and Crawford Counties. Iosco's representation of 32 members was the largest individual county attendance.

Women's extension groups from Iosco made pre-arrangement of facilities, baked cookies, prepared name tags and furnished hostesses, who served refreshments at registration time. The luncheon was served by ladies of the Hale American Legion Auxiliary.

Mrs. Loa Whitfield, assistant director of home economics extension at Michigan State University, was featured speaker of the program. Her topic was important changes in the extension service.

Citizens Radio Service Promotes Local Understanding

Working under the Citizens Radio Service to promote an understanding of the value of the service, licensed persons from Alcona, Arenac, Iosco, Ogemaw and Oscoda Counties have organized emergency teams to help the public in time of need. Various teams of the organization are in radio contact with the local and state law enforcements, United States Forest Service, conservation departments and all local fire departments.

Interested licensed persons are invited to attend the November 11, 7:30 p. m. meeting at the Hale Fire Department building. Meetings are held on the second Thursday of the month.

BE SURE—Of having your Christmas cards early. Stop in today and look through our catalogues of name-imprinted cards. The Tawas Herald, 408 Lake Street, Tawas City. 34-tfb

ROSIE DAHN, 17, Whittemore-Prescott Area Schools, 1965 homecoming queen, waves to spectators as she rides by in an open car during Friday night's festivities. The colorful coronation took place during halftime of the Cardinal-Houghton Lake Bobcat football game.—Tawas Herald Photo.

Fall Fashion Show Planned by Quota Club

"Parade of Fashions by Quota," an annual fall event, will take place Monday evening, November 1, at Oscoda.

Quota Club of Iosco County is a women's service club. "Sponsoring the annual showing of some 60 fashions (including some for the tiny tots) available in Tawas and Oscoda shops combines a gala evening and our major fund raising project," comments Mrs. Helen Tuttle, Quota president.

Up to now, each show has been held at East Tawas. This year will be different.

The "Parade of Fashions" is to be held in the new Knights of Columbus Hall on M-171 north of Oscoda, across from Wurtsmith Air Force Base. This hall has excellent facilities for staging a fashion show. Everyone is invited to attend.

The showing will begin at 8:00 p. m. Light refreshments are to be served and Quota members will provide gifts for drawings made throughout the evening.

Tickets are available from Quotarians in Oscoda, East Tawas and Tawas City; at the Welcome Hotel, Oscoda; from the cooperating shops: Maggie's, Belyn's, Gayle's, Stag and Doe, all at Oscoda; Sis's in East Tawas and Sally's of Tawas City.

NEW LOCATION

Graham "Butch" Freel, Tawas City barber, announces that he has purchased the Dockter Building next to the Tawas City post office. He has remodeled the former credit union location into a new barber shop and he will move there from his present location at 519 Lake Street on November 1.

RETIREES—As he departed service of the United States Army Combat Developments Command Experimentation Center at Fort Ord, California, SFC Wesley R. Larkins, right, was presented with an army commendation medal by Col. Vernon G. Gilbert, deputy commander, who congratulated Larkins on his high standard of service. Larkins, who had served as detachment sergeant at field headquarters in the field laboratory at Hunter Liggett Military Reservation, is returning to Michigan, where he will live in retirement at 1200 Tawas Beach Road, East Tawas. The Larkins have three children.

Child Guidance Clinic Meeting Set for October 28

The annual meeting of Northeast Michigan Child Guidance Clinic Corporation is scheduled for Thursday, October 28, 7:45 p. m. The session will be held in room 101 of Besser Technical Building, Alpena Community College, Johnson Street, Alpena.

According to the corporation's constitution, 25 members must be present to constitute a quorum. Persons interested in the work of the Child Guidance Clinic and would like to become members are urged to attend.

Howard F. Lamb of Marquette will be speaker. He is coordinator of mental health services for the region which comprises the entire Upper Peninsula and 11 counties of the Northeastern Lower Peninsula.

SEWAGE DISPOSAL ORDINANCE

TOWNSHIP OF PLAINFIELD COUNTY OF JOSCO ORDINANCE NO. 2

AN ORDINANCE TO PROVIDE FOR ESTABLISHING SEWAGE DISPOSAL DISTRICT NO. 1 IN THE TOWNSHIP OF PLAINFIELD; TO PROVIDE FOR A SEWAGE DISPOSAL SYSTEM TO SERVE SAID DISTRICT; TO PROVIDE FOR THE ISSUANCE AND SALE OF REVENUE BONDS TO DEFRAY A PART OF THE COST OF SAID SYSTEM; TO PROVIDE FOR THE RETIREMENT AND SECURITY OF SAID BONDS; AND TO PROVIDE FOR OTHER MATTERS RELATIVE TO SAID SYSTEM AND SAID BONDS.

THE TOWNSHIP OF PLAINFIELD (JOSCO COUNTY, MICHIGAN) ORDAINS:

Section 1. Whenever used in this ordinance or in the bonds to be issued hereunder, except when otherwise indicated by the context:

(a) The term "township" shall be construed to mean the Township of Plainfield.

(b) The term "Township Board" shall be construed to mean the Township Board of said Township of Plainfield, the legislative and governing body thereof.

(c) The term "project" shall be construed to mean the improvements, enlargements, extensions and repairs to be made pursuant to this ordinance.

(d) The term "acquired" shall be construed to include acquisition by purchase, construction or by any other method.

(e) The term "sewage disposal system" or "system," unless otherwise indicated, shall be construed to mean sewage disposal system No. 1 established by this ordinance, as said system shall from time to time exist.

(f) The term "revenues" and "net revenues" shall be construed as defined in Section 3 of Act No. 94, Michigan Public Acts of 1933, as now amended.

Section 2. The Township Board does hereby establish Sewage Disposal District No. 1 to consist of lands in said Township bounded as follows:

Lands in Town 23 North, Range 5 East, Plainfield Township, described as:

(a) Section 15

West 1,250 feet of East 1,650 feet of South 330 feet

East 400 feet of South 750 feet

(b) Section 14

West 270 feet of South 750 feet

East 1,060 feet of West 1,330 feet of South 430 feet

(c) Section 22

East 1,650 feet of North 180 feet

South 360 feet of North 510 feet of East 400 feet

West 600 feet of East 1,000 feet of South 390 feet of North 570 feet

(Lots 1 through 9 inclusive and 24 through 32 inclusive of Brinkman's Addition)

(d) Section 23

West 700 feet of North 233 feet

West 380 feet of South 267 feet of North 500 feet

East 630 feet of West 1,330 feet of North 133 feet

The Township Board does also hereby establish "Sewage Disposal System No. 1" to consist of all sanitary sewers, combined sanitary and storm sewers, plants, works, instrumentalities and properties as the same from time to time exist, used or useful in connection with the collection, treatment and/or disposal of sewage by the Township for the aforesaid Sewage Disposal District No. 1.

Section 3. The Township Board hereby determines it to be advisable and necessary to acquire for said Sewage Disposal District No. 1 and said Sewage Disposal System No. 1 the following:

Sewage Treatment Lagoon, including outlet sewer

810 feet 12 inch interceptor sewer

all substantially in accordance with maps, plans and specifications prepared by Edmans Engineering, Inc., registered professional engineers, which maps, plans and specifications are now on file with the Township Clerk and are hereby approved and adopted.

The Township Board does hereby adopt the said engineers estimate of 40 years and upwards as the period of usefulness of said project and also the said engineers estimate of Forty-eight Thousand Dollars (\$48,000) as the cost of said project including six months capitalized interest upon the bonds herein authorized therefore, both of which estimates are on file with the Township Clerk.

Section 4. There are hereby authorized to be issued and sold pursuant to the provisions of Act No. 94, Michigan Public Acts of 1933, as amended, revenue bonds in the aggregate principal sum of Forty-eight Thousand Dollars (\$48,000), for the purpose of paying a part of the cost of the project. Said bonds shall be known as

"Sewage Disposal System No. 1 Revenue Bonds, Series 1965"; shall be dated as of January 1, 1966; shall be numbered consecutively in the direct order of their maturities from 1 to 48, both inclusive; shall be coupon bonds in the denomination of \$1,000 each; shall be registrable as to principal only, in the manner hereinafter set forth in the bond form; shall bear interest at a rate or rates to be hereafter determined not exceeding 4 1/2% per annum, payable on July 1, 1966, and thereafter semi-annually on the first days of January and July in each year; and shall mature on January 1, in each year as follows:

1969	\$1,000	1984	\$2,000
1970	1,000	1985	2,000
1971	1,000	1986	2,000
1972	1,000	1987	2,000
1973	1,000	1988	2,000
1974	1,000	1989	2,000
1975	1,000	1990	2,000
1976	1,000	1991	2,000
1977	1,000	1992	2,000
1978	1,000	1993	2,000
1979	1,000	1994	2,000
1980	1,000	1995	2,000
1981	2,000	1996	2,000
1982	2,000	1997	2,000
1983	2,000	1998	2,000

Bonds maturing prior to the year 1988 shall not be subject to redemption prior to maturity.

Bonds maturing on and after January 1, 1988 shall be subject to redemption by the Township prior to maturity, in inverse numerical order on any one or more interest payment dates on and after said January 1, 1975, at the par value thereof and accrued interest, plus a premium on each bond in accordance with the following schedule:

\$40 if called to be redeemed on or after January 1, 1975, but prior to January 1, 1979

\$35 if called to be redeemed on or after January 1, 1979, but prior to January 1, 1982

\$30 if called to be redeemed on or after January 1, 1982, but prior to January 1, 1985

\$25 if called to be redeemed on or after January 1, 1985, but prior to January 1, 1988

\$20 if called to be redeemed on or after January 1, 1988, but prior to January 1, 1991

\$15 if called to be redeemed on or after January 1, 1991, but prior to January 1, 1994

\$10 if called to be redeemed on or after January 1, 1994, but prior to January 1, 1997

Notice of redemption shall be given to the holders of the bonds to be redeemed by publication of such notice not less than thirty (30) days prior to the date fixed for redemption at least once in a newspaper or publication circulated in the City of Detroit, Michigan, which carries as a part of its regular service, notices of the sale of municipal bonds; provided, that where any bond shall be registered, then notice of the redemption thereof shall be given by registered United States mail addressed to the registered holder thereof at the address shown on the Paying Agent's registration books, which notice shall be mailed not less than thirty (30) days prior to the date fixed for redemption. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem the same.

The principal of said bonds and the interest thereon shall be payable in lawful money of the United States of America at such bank or trust company as shall be designated by the original purchaser of the bonds, which paying agent qualifies as such under the statutes of the State of Michigan or of the Federal Government, upon presentation and surrender of said bonds and attached coupons as they severally mature.

Section 5. The Supervisor and the Township Clerk shall execute said bonds for and on behalf of the Township and the Township Clerk shall affix the seal of the Township thereto. The Supervisor and the Township Clerk shall execute the interest coupons to be attached to said bonds by causing to be affixed thereto their facsimile signatures. The Treasurer of the Township shall deliver said bonds and attached coupons to the purchaser thereof as hereafter determined by the Township Board, upon receipt of the purchase price therefor.

Section 6. The bonds herein authorized shall be sold in the manner provided in Section 12 of Act No. 94, Michigan Public Acts of 1933, as amended.

Section 7. Said bonds and attached coupons shall not be a general obligation of the Township and shall not be an indebtedness of the Township within any state constitutional provision or statutory limitation. The principal of and interest on said bonds shall be payable solely from the net revenues derived from the operation of said Sewage Disposal System No. 1, including future improvements, enlargements and extensions thereof. To secure the payment of the principal of and interest of the bonds issued hereunder and on any additional bonds of equal standing issued as hereinafter provided, there is hereby created in favor of the holders of

said bonds and the interest coupons pertaining thereto, and each of such holders, a first lien (by said Act No. 94, Michigan Public Acts of 1933, as amended, made a statutory lien) upon the net revenues from the said system, including future improvements, enlargements and extensions thereof. The net revenues so pledged shall be and remain subject to the said lien until the payment in full of the principal of and interest on said bonds.

Section 8. The holder or holders of any of the bonds or interest coupons herein authorized to be issued, shall have all the rights and remedies given by law and particularly by said Act No. 94, Michigan Public Acts of 1933, as amended, for the collection and enforcement of said bonds and coupons and the security therefor, including the right to have a receiver appointed for the system in event of default on the part of the Township in the performance of the terms of the bond contract.

Section 9. The system shall be operated upon the basis of a fiscal year beginning January 1 of each year and ending on December 31st of that year.

Section 10. The operation, maintenance and management of the system shall be under the immediate supervision and control of the Township Board or of such officer or board as shall be designated or created by the Council and subject to its control. Each officer or employee of the Township having custody of funds of the system shall be bonded at all times in an amount at least equal to the maximum amount of such funds in his custody at any one time.

Section 11. Any property in Sewage Disposal District No. 1 from which sanitary sewage emanates shall be connected to the system within sixty days after a sanitary sewage collection facility of the said system is available. Available when located in a right of way, easement, highway, street or public way which covers, adjoins, or abuts upon the property.

Charges for sanitary sewage disposal services to each premises within said Sewage Disposal District No. 1 connected with the system, for each quarterly (3 month) period, shall be on a flat rate as follows:

Residential \$10.00 per quarter

Commercial \$12.50 per quarter

Bars \$20.00 per quarter

Gas Stations, Restaurant and other facilities with wash-rooms \$15.00 per quarter

Laundries and related facilities \$80.00 per quarter

Schools \$212.50 per quarter

If the character of sewage from any manufacturing or industrial plant, or from any building or premises, is such that it imposes an unreasonable additional burden upon the system, then an additional charge shall be made over and above the regular rate or it may be required that such sewage be treated by the person, firm or corporation responsible therefor before being emptied into the system, or the right to so empty said sewage may be denied, if necessary for the protection of the system or the public health or safety.

The cost of sewer connections from the sewers or lateral sewers to private premises shall not be paid from the proceeds of the bond issue or from the revenues of the system.

Section 12. No free service shall be furnished by the system to the Township or to any person, firm or corporation, public or private or to any public agency or instrumentality. Charges for services furnished by the system shall be billed and collected quarterly or oftener, as shall be determined by the Township Board, and such charges shall become due at such time, not exceeding twenty (20) days after the bill is rendered, as shall be established by resolution of the Township Board. If such charges are not paid on or before such due date, then a penalty of 10% shall be added thereto. In the event that the charges for any such services furnished to any premises shall not be paid within sixty (60) days after the due date thereof, then all services furnished by the system to such premises shall be discontinued. Services so discontinued shall not be restored until all sums then due and owing, including penalties, shall be paid.

Section 13. Charges for services furnished by the system to any premises shall be a lien thereon, and on September 1 of each year the person or agency charged with the management of said system, shall certify any such charges which have been delinquent six (6) months or more, to the Supervisor, who shall enter the same upon the next tax roll against the premises to which such services have been rendered, and said charges shall be collected and said lien shall be enforced in the same manner as provided in respect to taxes assessed upon such roll; provided, that when a tenant is responsible for the payment of any such charge against any premises, and the Township Board is so notified in writing, with a true copy of the lease of the affected premises (if there be one) attached, then no such charge

shall become a lien against such premises from and after the date of such notice. However, in event of the filing of such notice, no further service shall be rendered by the system to such premises until a cash deposit equal to three (3) times the average quarterly charge to such premises shall have been made as security for the payment of charges thereon.

Section 14. The rates hereinafter established are estimated to be sufficient to provide for the payment of the expenses of administration and operation of the system and such expenses for the maintenance thereof as may be necessary to preserve the same in good repair and working order; to provide for the payment of the interest upon and the principal of all bonds payable therefrom, as and when the same shall become due and payable, and for the creation of a reserve for the payment of principal and interest as required in this ordinance; and to provide for such other expenditures and funds for the system as are required by this ordinance. Rates shall be fixed and revised from time to time by the Township Board so as to produce the foregoing amounts, and the Township Board covenants and agrees to maintain at all times such rates for services furnished by the system as shall be sufficient to provide for the foregoing.

Section 15. The revenues of the system are hereby pledged for the purpose of the following funds, and as collected shall be set aside into a fund to be known as the "Receiving Fund" of the system, and shall be transferred therefrom periodically into separate and special funds, as follows:

1. Operation and Maintenance Fund. Out of the revenues in the Receiving Fund, there shall be first set aside in each quarter a fund to be designated "Operation and Maintenance Fund", a sum sufficient to provide for the payment for the next quarter of all current expenses of administration and operation of the system and such current expenses for the maintenance thereof as may be necessary to preserve the system in good repair and working order. The Township Board at the beginning of operation of the system for the remainder of the fiscal year and thereafter at the beginning of such fiscal year, shall adopt a budget covering the foregoing expenses for such year, and such expenses shall not exceed the amount specified in said budget except by a vote of 2-3rds of the members of the Township Board declaring the necessity thereof.

2. Bond and Interest Redemption Fund. Out of the remaining revenues in the Receiving Fund, there shall be next set aside periodically into a fund to be designated "Bond and Interest Redemption Fund", a sum proportionately sufficient to provide for the payment as the same become due of the next maturing principal and interest on each issue of bonds then payable from the revenues of the system; provided, that the amount so set aside for interest on the bonds herein authorized, in each quarter during the first six (6) months of each fiscal year, shall not be less than one-half (1/2) of the total amount of interest (not capitalized) maturing on the following July 1, and during the last six (6) months not less than one-half (1/2) of the total amount of interest not capitalized maturing on the following January 1, and the amount so set aside for principal on the bonds herein authorized, in each quarter during each fiscal year, shall not be less than one-quarter (1/4) of the amount of principal maturing on the January first immediately following such quarter year, and if there shall be any deficiency in the amount previously set aside, then the amount of such deficiency shall be added to the current requirement. In addition thereto, there shall also be set aside in quarterly installments and for the purpose of creating a reserve in said Bond and Interest Redemption Fund, for the bonds herein authorized, moneys during each of the fiscal years beginning January 1, 1966, January 1, 1967 and January 1, 1968, in sufficient amounts to create a total fund of \$3,600 in said reserve by December 1, 1968 and if at any time thereafter said reserve shall be less than \$3,600, then there shall be set aside in said reserve quarterly a sum sufficient to restore said reserve to \$3,600 at the earliest possible time. If any additional bonds of equal standing shall be issued, the authorizing ordinance shall provide for a comparable reserve therefor. Moneys in said Bond and Interest Redemption Fund may be used for the redemption of bonds; provided, that except in case of refunding no bonds less than all the outstanding bonds of said issue shall be called for redemption unless the Township shall have on hand in said fund sufficient moneys therefor not otherwise appropriated or pledged, in excess of the amount of interest and principal maturing within the next eighteen (18) months from the redemption date, and for the purpose of determining the amount on hand, moneys in the reserve shall not be consid-

ered as appropriated or pledged. When the principal amount owing upon any bonds shall be reduced to the amount of the reserve therefor, then the principal of such bonds shall be paid from such reserve. In respect to the allocation and use of moneys in said Bond and Interest Redemption Fund, the recognition shall be given as to priority rights, if any, between different issues or series of outstanding bonds.

3. Replacement Fund. Out of the remaining revenues in the Receiving Fund, there shall be next set aside in equal quarterly installments in a fund to be designated "Replacement Fund", a sum not less than \$200 per year commencing with the fiscal year beginning January 1, 1968, until such fund shall reach at least \$1,000, to build up a reserve for any replacements to the system which may become necessary from time to time. Whenever moneys shall be used from said fund to make such replacements, said fund shall be restored to the sum of \$1,000 as soon as possible thereafter.

4. Improvement Fund. Out of the remaining revenues in the Receiving Fund, there may be set aside in any quarter, after meeting the requirements for the foregoing funds for such quarter, in a fund to be designated "Improvement Fund", such sum as the Township Board deems advisable, to be used for improvements, enlargements, extensions and repairs to the system.

5. Surplus Fund. Revenues remaining in said Receiving Fund at the end of any fiscal year after all periodical transfers have been made therefrom as above required, shall be deemed to be surplus and may be left in the Receiving Fund or may be transferred to a fund to be designated "Surplus Fund". Moneys in said Surplus Fund from time to time may be transferred to one or more of the foregoing funds or may be used to redeem outstanding bonds pursuant to the redemption provisions herein or for any expenditures in connection with the system, including but not limited to the improving or restoring of any existing portions of the system and/or the construction of extensions and improvements thereto; provided, however, that if at any time there shall exist any default in making any periodical transfer to any of the above mentioned funds, then such default shall be rectified so far as possible by the transfer of moneys from said Surplus Fund. If any such default shall exist at any one time, then such transfers shall be made in the order in which such funds are listed above.

No disbursements shall be made from said Receiving Fund except to the special funds as above provided.

Section 16. In the event that moneys in the Receiving Fund are insufficient to provide for the current requirements of the Operation and Maintenance Fund or the Bond and Interest Redemption Fund, any moneys and/or securities in other funds of the system shall be transferred, first, to the Operation and Maintenance Fund, and second, to the Bond and Interest Redemption Fund, to the extent of any deficits therein. Any amounts so transferred from the Replacement Fund shall be replaced as soon as possible.

Section 17. All moneys in the several funds of the system except those in the Bond and Interest Redemption Fund, shall be deposited with the Farmers and Merchants State Bank, of Hale, Michigan, all moneys from time to time in the Bond and Interest Redemption Fund (including reserve moneys) shall be kept on hand with the bank or trust company at which the principal and interest on the herein authorized bonds are currently payable. The moneys in the Receiving Fund, in the Operation and Maintenance Fund, shall each be kept in a separate depository account. Moneys in the Bond and Interest Redemption Fund, over and above those being accumulated for the payment of the next maturing principal and interest, and moneys in any other fund except the Receiving Fund and the Operation and Maintenance Fund, may be invested in United States Government obligations. In the event of any such investment, the securities representing the same shall be kept on deposit with the bank or trust company having the deposit of the fund from which such purchase was made and the income therefrom shall become a part of such fund.

Section 18. The Township hereby covenants and agrees with the holder or holders, from time to time, of the bonds herein proposed to be issued that it will punctually perform all duties with reference to the system and said bonds required by the constitution and laws of the State of Michigan and by this ordinance; that it will construct the project herein provided for in substantial accordance with the maps, plans and specifications hereinafter referred to, and will have the same in operation at the earliest possible time, that it will not sell, lease, mortgage or in any manner dispose of the system or any substantial part thereof, until all

bonds payable from the revenues thereof shall have been paid in full; and that it will not permit any person, firm or corporation to compete with it in the furnishing of sewage collection and treatment service to premises within said Sewage Disposal District No. 1. Said Township further covenants and agrees with the holders of said bonds that it will maintain said system in good condition and operate the same in an efficient manner and at a reasonable cost, so long as any of the said bonds are outstanding; that it will maintain insurance on the system for the benefit of the holders of said bonds in an amount which usually would be carried by private companies engaged in a similar type of business; that it will prepare, keep and file such records, statements and accounts as may be required by Act No. 94, Michigan Public Acts of 1933, as now or hereafter amended; that it will promptly file with the original purchasers of said bonds a copy of each annual statement which it is required to file with the Municipal Finance Commission and will also file with such purchasers a copy of the annual audit of the system certified to by a certified public accountant, within ninety (90) days after the close of each fiscal year; and that it will furnish a copy of the foregoing statement and audit to any bondholder upon payment of the actual cost of such copy. Any such audit shall be in such reasonable detail as will present the full financial conditions and record of operation of the system to the holders of bonds and shall include auditor's comments on the manner in which the system's management has complied with the provisions of this ordinance in respect to the several funds of the system.

Section 19. While any of the bonds herein authorized to be issued shall be outstanding, no additional bonds payable from the revenues of the system shall be issued which shall have a prior or equal standing therewith, except as hereinafter provided. The Township shall have the right to issue additional bonds payable from the net revenues of the system for the purpose of improving, enlarging and/or extending the system, which bonds when issued shall have equal standing with the bonds herein authorized; provided, that no such additional bonds of equal standing shall be issued unless: (a) the average net revenues for the then last two (2) preceding fiscal years or the net revenues for the then last preceding fiscal year, whichever shall be the larger, plus (b) the average estimated additional net revenues to be derived from the project to be financed by such additional bonds, in any fiscal year beginning with the second full fiscal year following the estimated time of the completion of such project, shall be equal to at least 150% of the largest amount of principal and interest thereafter maturing in any fiscal year on any bonds then outstanding payable from the revenues of the system and on such additional bonds then being issued.

No such additional bonds shall be issued if the Township shall then be in default in making any payments to the Operation and Maintenance Fund or the Bond and Interest Redemption Fund. Permission by the Municipal Finance Commission of the State of Michigan (or such other state commission or agency as shall have jurisdiction over the issuance of municipal bonds) to issue such additional bonds shall constitute a conclusive presumption of the existence of conditions permitting the issuance thereof.

Section 20. The bonds and attached coupons herein authorized to be issued, shall be substantially in the following form, to-wit:

UNITED STATES OF AMERICA
STATE OF MICHIGAN
COUNTY OF JOSCO
TOWNSHIP OF PLAINFIELD
Number \$1,000
SEWAGE DISPOSAL SYSTEM
NO. 1 REVENUE BOND,
SERIES 1965
KNOW ALL MEN BY THESE PRESENTS, that the Township of Plainfield, Iosco County, Michigan, hereby acknowledges that it is indebted and for value received hereof (or if this bond be registered) the sum of

ONE THOUSAND DOLLARS
on the first day of January, A. D., 19....., and to pay interest thereon at the rate of (.....) per centum per annum, from the date hereof until paid, said interest being payable on July 1, 1966, and thereafter semi-annually on the first days of January and July in each year, which principal and interest are to be paid solely out of the revenues hereinafter specified. Both principal and interest are payable in lawful money of the United States of America at, in the, of, Michigan, upon presentation and surrender of this bond and the coupons hereto attached as they severally mature.

This bond is one of a series of bonds of like date and tenor except as to maturity, numbered consecutively in the direct order of their maturities from 1 to 48, both inclusive, aggregating the principal sum of Forty Eight Thousand Dollars (\$48,000) issued by said Township of Plainfield under and pursuant to and in full conformity with the constitution and statutes of the State of Michigan (especially Act No. 94 of the Michigan Public Acts of 1933, as amended), and Ordinance No. 2 duly adopted by the Township Board of said Township on the 29th day of September, 1965, for the purpose of defraying a part of the cost of acquiring a sewage disposal system in Sewage Disposal District No. 1 established by said ordinance.

This bond is a self-liquidating revenue bond, is not a general obligation of said Township, and does not constitute an indebtedness of the said Township within any constitutional or statutory limitation. The principal of and interest on the bonds of this series are payable solely from the revenues of said Sewage Disposal System No. 1 (including future improvements, enlargements and extensions thereof) remaining after deducting the reasonable expenses of the administration, operation and maintenance of said system, and the payment of both principal and of interest on said bonds, and on any additional bonds of equal standing which may be issued pursuant to the terms of said ordinance, is secured by a statutory first lien on such net revenues.

The bonds of this series maturing in the years 1969 thru 1998 are subject to redemption prior to maturity in whole or in part, at the option of the Township in inverse numerical order, on any one or more interest payment dates on and after January 1, 1975. Each bond called for redemption shall be redeemed at the par value thereof and accrued interest plus a premium on each bond in accordance with the following schedule:

\$40 if called to be redeemed on or after January 1, 1975, but prior to January 1, 1979

\$35 if called to be redeemed on or after January 1, 1979, but prior to January 1, 1982

\$30 if called to be redeemed on or after January 1, 1982, but prior to January 1, 1985

\$25 if called to be redeemed on or after January 1, 1985, but prior to January 1, 1988

\$20 if called to be redeemed on or after January 1, 1988, but prior to January 1, 1991

\$15 if called to be redeemed on or after January 1, 1991, but prior to January 1, 1994

\$10 if called to be redeemed on or after January 1, 1994, but prior to January 1, 1997

Notice of redemption shall be given to the holders of bonds called to be redeemed, by publication of such notice not less than thirty (30) days prior to the date fixed for redemption, at least once in a newspaper or publication circulated in the City of Detroit, Michigan, which carries as a

part of its regular service, notice of the sale of municipal bonds provided, that where any bond shall be registered, then notice of the redemption thereof shall be given by registered mail addressed to the registered holder thereof at the address shown on the bond registration books of the paying agent, which notice shall be mailed not less than thirty (30) days prior to the date fixed for redemption. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem the same.

The Township of Plainfield hereby covenants and agrees that at all times while any of the bonds of this issue shall be outstanding, it will maintain such rates or services furnished by said Sewage Disposal System No. 1 as shall be sufficient to provide for the payment of the expenses of administration and operation of said system and such expenses for the maintenance thereof as may be necessary to preserve the same in good repair and working order; to provide for the payment of the interest upon and the principal of all bonds payable therefrom, as and when the same become due and payable, and for the creation of reserves as required in said ordinance; and to provide for such other expenditures and funds for said system as are required by said ordinance. Rates shall be fixed and revised from time to time by the Township Board so as to produce the foregoing amounts.

This bond may be registered as to principal only in the name of the holder on the books of the paying agent, and such registration noted on the back hereof by said paying agent, and thereafter no transfer shall be valid unless made upon the said books and likewise noted on the back hereof. Transferability by delivery may be restored by registration to the bearer. Negotiability of the interest coupons shall not be affected by registration.

It is hereby certified, recited and declared that all acts, conditions and things required to exist, happen and be performed, precedent to and in the issuance of the bonds of this series, existed, have happened and have been performed in due time, form and manner as required by law.

IN WITNESS WHEREOF, the Township of Plainfield, Iosco County, Michigan, by its Township Board, has caused this bond to be signed in its name by its Supervisor and Township Clerk, and its corporate seal to be affixed hereto, and has caused the annexed interest coupons to be executed with the facsimile signatures of said Supervisor and Township Clerk, all as of the first day of January, A. D., 1966.

Study Blueprints and Model for Clear Span Pole Building During Class

Robert N. Curry, son of Mr. and Mrs. Waldo J. Curry, Tawas City, and James S. Boyd, Michigan State University professor of agricultural engineering, examine blueprints and model of a clear span pole building in a farm building construction class.

In this class, students are taught arrangements of farmsteads and

construction of farm buildings. Students also learn to evaluate the strength and limitations of structural materials.

Boyd said most of the students are preparing to be vocational agriculture teachers.

Curry is a senior majoring in agricultural education at MSU.

Army Announces Need of 500 More Registered Nurses

According to an announcement made recently by Maj. James G. Boykin, commanding officer, United States Army Recruiting Main Station, 6303 West Jefferson Avenue, Detroit, the army has immediate need for 500 more registered nurses to care for the increased number of men who have entered the service since the build-up of forces. The major emphasized the urgency saying "we need them now!"

This appeal for volunteers is given the name "Project 500" in

United States Army fifth recruiting district, which comprises 13 states including Michigan. To meet the requirement of this project, Major Boykin said that every possible means is being used to get information to male and female registered nurses. In addition, recruiters stand ready at all recruiting stations to give more details and answer questions upon request.

"Nurses have traditionally been among the first to respond to our country's call when their help was needed," Major Boykin stated and he added that he believes this time will be no exception.

Sewage Disposal Ordinance

(Continued from page 2.)

nicipal Finance Commission, and any remaining balance shall be paid immediately into the Bond and Interest Redemption Fund and the same shall be used for the retirement of said bonds. Any bonds so acquired by retirement shall be canceled and shall not be reissued.

Section 24. This ordinance shall be recorded in the minutes of the meeting of the Township Board at which it was adopted, as soon as practicable after its passage, which record shall be authenticated by the signatures of the Super-

visor and Township Clerk, and shall be published once in The Tawas Herald, a newspaper of general circulation within the said Township. This ordinance shall become effective immediately upon its adoption.

Section 25. If any section, paragraph, sentence, clause or phrase of this ordinance shall be held invalid, the same shall not affect any other part of this ordinance.

Section 26. All ordinances and resolutions and parts thereof, insofar as the same may be in conflict with, are hereby repealed.

Convert your home or business to economical Natural Gas heat today and pay nothing until July 1, 1966.

Convert now to Gas heat and Michigan Consolidated Gas Company will buy your unused oil or coal—even remove your oil tank—all at no cost to you. What's more, whether you convert your present furnace, or even install a new Gas furnace, we'll pay the bill. And all you pay us, between now and next July, is for the Gas you'll use to make this your most comfortable winter ever. Here's how this special limited-time offer works:

1. If you're now heating with oil, we'll buy what's left in your storage tank—at the price you paid for it. What's more, we'll remove your tank from your home or business and even haul it away if you want. All at no cost to you.
2. If you're now heating with coal, we'll take what coal you have on hand, off your hands. And pay you whatever it cost you originally.
3. Whether you convert your present furnace, or even install a new Gas furnace, we'll pay for it and its installation by a qualified heating contractor, and it won't cost you a penny until next July. You can pay for the unit and its installation on July 1, 1966 with no carrying charge whatsoever. Or if you prefer you can

make equal monthly payments including carrying charges on your Gas bill over a period of up to three years after July 1, 1966. Either way, there are no carrying charges between now and next July, and you need make no payments between now and next July. If you live in the areas we serve in the counties listed below, you're entitled to take advantage of this special limited-time offer. So act now. Call your heating contractor or Michigan Consolidated Gas Company office today for details. Your local Michigan Consolidated office number is 362-4458 in Tawas.

'SNOW USE' Putting Off Winter PROTECTION

Don't wait until the little woman gets you up at midnight to close out those cold winter drafts. Fix yourself some low-cost storm windows out of Warp's FLEX-O-GLASS. It's easy! Just cut with shears... tack over screens or frames. Warp's genuine, crystal-clear FLEX-O-GLASS holds IN heat—keeps OUT cold... saves up to 40% on fuels costs. Lasts for years at a fraction the cost of glass. Only 90¢ a square yard at your local hardware or lumber dealer.

Michigan Auto Owners Urged to Get Licenses Early

Secretary of State James M. Hare has urged "responsible insured Michigan drivers to get in line early for 1966 license plates to get away from last-minute rush which could be bigger than ever because of the new Motor Vehicle Accident Claims Act.

"It is going to take longer to process applications for plates this year because of collections to the fund," Hare said. "Since this is the fund's first year, we are bound to have some confusion and delay on collections."

He said this is the reason he is appealing to persons who have liability insurance, have insurance proof, such as, an insurance certificate policy or other affidavit, to "get into secretary of state branch offices early in November to obtain 1966 plates."

Hare said he expected that most of the "buy early" people will be those who will be paying only \$1 into the new fund.

"Uninsured vehicle owners who will be paying the increased fee of \$35 into the fund will probably be among those in the last-minute rush for plates before the deadline of February 28," Hare said.

"And this \$35 does not buy them a cent's worth of insurance protection," Hare said. "These drivers remain uninsured . . . subject to Michigan's financial responsibility laws . . . subject to repaying the fund in full in the event a claim is made against the

fund for an accident in which they were negligent."

Although collections begin with the November 1 start of 1966 license plate sales at the more than 200 branch offices of the secretary of state, only accidents which occur on or after January 1, 1966, will be honored by claims, Hare said.

A small staff headed by Robert E. Hall, Lansing attorney and insurance claims man, has been set up to administer the fund. Staffing pattern is expected to grow as the volume of claims gets heavier, Hare indicated.

"It is difficult to predict how many claims will be filed against the fund," Hare said. "We are geared to handle 1,000 the first month and expect heavier volumes

as we go along."

Michigan has more than two-and-one-half the number of vehicles that Ontario has and "we expect to process about three times the number of claims that Ontario does, and perhaps more," Hare stated.

"Because of the newness of the fund and its complete difference from anything in existence in any other state, we will just play it by ear and hope for the best," Hare concluded.

HINTS FOR TEENAGERS

...From your Sewing Editor

SLEEK . . . CHIC . . . AND THE PEAK OF FALL FASHION! A most important part of a fine wardrobe is a suit collection. Plush wide wale corduroy SUITS for weekends or informal dates. . . subtly printed silk SUITS for dress-up afternoons . . . cotton poplin or denim SUITS for country drives . . . lace SUITS for your most feminine look . . . velvet SUITS for the theatre . . . and wonderful woolen SUITS for now!

Here is a tailored yet feminine masterpiece, beautifully seamed and happily figure-flattering. A Simplicity Designer pattern (6178), it can be fashioned into the smooth A-line shown here or a softly shirred slim-skirt version. Either design would be perfect for heavy tweeds, smooth flannels or silk and worsted evening blends.

THE SECRET OF SUCCESS

. . . in proper shaping is the mastery of the use of the various new interfacings, backings and linings now available for home sewing. Stiffeners *not* give exaggerated shaping, be uncomfortable or restrict body movement. With our modern "shapers" of today, one can easily find fabrics that are pre-shrunk, washable or dry cleanable AND that add body and gentle shape to designs without detracting from their style.

ABOUT INTERFACINGS

An interfacing is used to reinforce an area . . . and just as the name would lead you to believe . . . it is placed between the facing and the outer fabric to give body and shape. In the case of the jacket of our designer suit, interfacing would be essential in the well-shaped collar and fly front closing. Generally, the type used will depend upon the outer fabric, the design of the garment and the care it will receive when worn. To retain a soft, natural look, interfacing fabrics should *never* be heavier than the outer fabric.

A pattern envelope will almost always call for interfacings and provide special pattern pieces for them, however, it will rarely tell you the exact kind to buy. It is then, as you see, important to become familiar with the types sold, how they clean or launder and *exactly* how they act.

SUIT YOUR SKIRT

. . . with the right backing! Should you decide on doing this pattern, as we did, in a soft wool . . . a fairly *stiff* backing (such as crisp Veriform) would be required so that its shape will keep the "A" look and not sink down into a wilted "I!"

As I mentioned, the pattern can also be fashioned with a slim and currently popular dirndl style. For this, one might select a very light weight woolen such as crepe and use a backing of China silk, rayon sheath lining or an organza.

MOST HELPFUL

. . . and geared to help you get your sewing "into better shape," is a detailed report (complete with charts and brand names) on INTERFACINGS. I'll be happy to send a copy along to you if you send a stamped, self-addressed envelope to me along with your request.

A FASHIONABLE SKIRT, a sleeveless pullover, and a Chanel Jacket make three delightful articles that can be worn separately or together as a stunning looking suit. Directions for all three articles come in sizes 12 to 50! For your free copy, send a self-addressed, stamped, envelope to the Needlework Editor of this newspaper along with your request for Leaflet PK 3472.

Hunters With Ailing Heart Beware

Going hunting?

Then ask yourself this question: Do I have the heart and body to stand the strain? It is not sentiment or ethics here, but just the simple question of physical fitness, especially for persons over 40.

The Michigan Heart Association says deer hunting often demands a level of energy output which may quadruple the level at which most sport hunters live during the rest of the year. Extremes of weather, change of altitude, rough terrain and the stress of the chase can levy a heavy tax on the heart's capacity.

In a series of unique experiments, the Minnesota Heart Association recently measured the heart stress on a deer hunter, who killed a deer and dragged it out alone. The exertion was too much for 11 percent of a prescreened group of men over 40 who had no evidence of heart trouble. The men who underwent the tests had previously been examined and found to have apparently normal hearts. It is obvious, therefore,

that the hazards of an unexamined cross-section of hunters over 40 would be higher.

Therefore, the heart association, a Michigan United Fund agency, says:

Don't drag the bag! When you have downed your deer, let it lie until you can get help. And if you have a heart condition, get friends to do this job without you. Make your contribution to the hunt in a less strenuous way.

If you have a heart condition, tell at least one member of your party what medicine you take, how it is given and the symptoms which indicate the need for medication. He should know which pocket you keep it in and the container should carry clearly typed instructions.

The heart may be a lonely hunter, but you should not be. Never hunt alone.

Get a good rest—preferably a full night's sleep—before you set out to hunt.

Rest as often and as long as you have to, before you get too tired;

take your stand near camp and let the others flush.

Other things to remember: Condition yourself in advance with an increasing schedule of exercise; choose lightweight, warm clothing; know simple first-aid rules; be moderate in eating and drinking; observe the standard safety rules of handling firearms.

Remember: The best part of the game is getting back in good shape. If you take as good care of yourself as you do of your gear, you can enjoy hunting for many seasons to come.
