

Flushing Couple Killed in M-65 Crash Saturday

A Flushing couple was killed and a Flint man injured late Saturday afternoon in a two-car crash 1 1/2 miles south of Whittemore.

Listed as the fifth and sixth traffic fatalities of 1965 in Iosco County were Wilbur B. Henry, 57, and his wife, Irene A., 55.

Marvin J. Boger, 32, is confined to Tawas Hospital with a fractured left leg, lacerated leg, ear, bumps and bruises.

Boger told investigating state police officers that he could not remember anything about the accident.

Witnesses to the crash, Mrs. Elizabeth Ott and Delmar Ott, told officers they were traveling south on M-65 when they were overtaken by Boger. They said the Flint man passed them on the left shoulder and then spun back onto

the highway into the path of the Henry vehicle.

The Henry vehicle struck the oncoming vehicle in the left door. Both vehicles were wrecked.

The Flushing couple was dead on arrival at Tawas Hospital.

Investigation continues to determine if criminal charges will be lodged against Boger.

AuSable Drowning Ruled Accidental

Accidental drowning has been ruled in the September 23 death of Robert Cox, 50, Flint, who disappeared after a 12-foot boat overturned in the backwaters of Cooke Dam on the AuSable River.

Cox's body was located last Thursday by James Wilson of East Tawas, who had aided police in the search. The body was found floating on the water about 1 1/2 miles upstream from the dam.

Iosco Sheriff's Department officers and Coroner E. John Moffatt investigated. Accidental drowning was pronounced following an autopsy.

Cox had been fishing with Charles C. Love, 55, also of Flint, who saved himself by holding on to the boat after it had capsized.

Police Investigate Window Damage

State police are investigating rifle fire damage to two windows in a Sherman Township cabin.

Owner Kenneth Hasty of Whittemore told officers he found two young men, apparently hunters, parked near his cabin Saturday.

He told them they were on private property and ordered them to leave. While the cabin was unoccupied later in the afternoon, two windows were shot out. Officers are trying to learn if the two men are responsible.

Golf Association Sets Annual Banquet Oct. 9

Tawas Golf Association will hold its annual banquet Saturday night, October 9, at Tawas Golf Club.

Full information is to be announced at a later date.

Highway Commissioner Cites Need of More Funds

Speaking before the Michigan Municipal League last week, Commissioner Wallace D. (Mike) Nunn of East Tawas gave fair warning that the state will not have sufficient funds in the future to meet highway needs.

A highway needs study completed in 1962 indicated that existing sources of revenue would fall three billion dollars shy of meeting highway needs between 1960 and 1980.

The commission has endorsed a Michigan Good Roads Federation four-part proposal for changes in the motor vehicle and motor fuel revenue laws.

These changes would increase the state gasoline tax from six to seven cents per gallon, hike auto license vehicle rates to a range of between \$14 and \$29 a car and would revise the distribution formula to provide greater benefits for cities and villages.

"That sounds like a lot of money," Nunn told the Michigan

Tawas City Council Views Television Signals Being Offered by Cable Firm

Official inspection of television signals being offered cable subscribers in this area, under terms of General Television of Michigan's franchise to operate here, was made Monday night by the Tawas City Council.

Announcing that his firm would begin connecting subscribers to the cable within 30 days, Bruce Freil, General Television president, Alpena, said he expected that the firm would be able to reach anyone who wishes the service here within 60 days.

General Television of Michigan is to offer four television signals—Channel Five, Bay City; Channel 12, Flint; Channel Nine, Cadillac; Channel 25, Saginaw—plus 12 FM stations. Depending upon FCC approval, the cable may offer an additional two television signals.

Freil requested that the council amend the present franchise lowering the connection fee from \$29 to \$19 and monthly service charge from \$4.95 to \$4.50. The monthly rental plan of \$5.50, with no service charge, would remain

unchanged under the franchise. In other matters, the council gave tentative approval to a new ordinance which would control outdoor burning within the fire zone extending along US-23 from Mathews Street to the east city limit. The new code is to take effect 20 days after the October 18 council meeting.

Under the new ordinance, the council may grant special permission for attended outdoor trash fires. Approved trash burners are to be required. Councilmen emphasized that residents living within the fire zone, as elsewhere in the city, may receive a free weekly trash pickup if materials are placed in approved garbage cans and set at the edge of the curb or street in front of their property. Materials placed in cardboard boxes or other containers will not be handled by the city's disposal contractor.

An amendment to the city's peddler ordinance, which received tentative approval at the last meeting, was adopted. The new (See CITY COUNCIL, page 8.)

Council Adopts Fish Resolution

Opposition to proposed lowering of commercial perch fishing restrictions on Saginaw and Tawas Bays was voiced Monday night by the Tawas City Council.

By unanimous vote of the council, City Attorney Alf C. Watson was instructed to prepare a resolution protesting the relaxing of present regulations allowing commercial fishermen to take eight-inch yellow perch, rather than enforcing the present 8 1/2-inch minimum length.

Through its action, the City of Tawas joins the Iosco Sportsmen's Club, local marina and bait dealers in opposing the conservation department's bid to lower commercial fishing regulations on perch.

In urging the adoption of this resolution, Alderman Howard Hatton declared that the yellow perch was one of the area's biggest natural assets.

"The industrial development corporation has been working hard to bring new industry into this area, but the conservation department's proposal ignores the area's largest industry—sport fishing and tourism," said Hatton. "This is the most shameful thing that has ever happened in the area."

Hatton said he had fished on Tawas Bay for 40 years and never before had seen as poor sport fishing for perch as during the past year.

The Third Ward alderman said that he had heard complaints about poor fishing all summer from visitors and local sport fishermen, alike, and declared that it was time some official group took a stand—"before it is too late."

"The conservation department does not realize how wrought up people are about this proposed change," said Hatton.

Alderman Russell A. Rollin Sr. stated that before the conservation department announced its intention to conduct a survey on the lake earlier this summer, gill nets had been strung completely across the mouth of Tawas Bay from Tawas Point to Townline Road, thus reducing the amount of fish which could enter the bay.

Although voting in favor of adopting the resolution, Alderman Cecil Cabbie believed that fish division experts of the conservation department were in a better position to know about population and habitat of Saginaw and Tawas Bay perch than local sport

fishermen. He drew a comparison between the proposed lowering of the legal length of perch to the arguments a few years ago over controlling the deer herd.

Hatton's motion, seconded by R. A. MacMullan, conservation department director, that public hearings are to be held on proposed lowering of commercial fish regulations, which would allow the taking of eight-inch perch.

It was stated that yellow perch were being wasted on Saginaw

East Tawas Boosts Pay of All City Employees

A new pay schedule granting increases to hourly and salaried employees was adopted Monday night by the East Tawas Council.

The schedule calls for a five-cent-an-hour pay boost for street department workers effective October 1.

Increases for salaried employees, also effective October 1, were as follows: City assessor, \$25 per year; superintendent of public works, \$25 per month; city foreman, \$15 per month; police chief, \$25 per month; patrolman, \$20 per month. The city clerk's salary was raised \$60 per year effective April 1, 1966.

In other matters, Supt. of Public Works Paul Ropert presented a proposed program for street improvements for the council's consideration. It would include \$21,713 for surface construction and \$3,354 for drains.

In reviewing expenditures of the street department for the past fiscal year, Ropert's report indicated that the budget was \$52,150 and expenditures amounted to \$52,714.

Total expenditures for the three previous years were as follows:

JERRY MALOSH

Jerry Malosh Named District Youth Agent

Jerry Malosh is the new district 4-H youth extension agent serving Iosco, Arenac, Ogemaw and Oscoda Counties. He was assigned this four-county district effective October 1. His residence will be in West Branch, a central location for district work.

Last spring, boards of supervisors in the four counties approved the request to have a 4-H Club agent serve the area. Enrollments in Iosco County have increased from 194 members in 1963 to 560 in 1965. Malosh will have over 1,200 members in the four-county area. His offices serving Iosco County will be in the Federal Building as a part of the Cooperative Extension Service program.

Malosh, a 1950 graduate of Michigan State University, served as a district 4-H Club agent in Gladwin and Clare Counties for two years before going to Lapet County as a 4-H Club agent. He served there for 10 years before being assigned this four-county district.

Building Applications Totaled \$3,100 in TC

Building applications totaling \$3,100 were approved during the past two weeks by Supt. of Public Works Reginald Bublitz of Tawas City.

Largest single permit was issued to Tawas Plating Company, 510 Industrial Avenue, for repair to plant roof, \$1,500.

Other applications were: O. J. Westcott, 312 Seventh Avenue, repair present porch, \$250; Warner Pearson, 410 Fifth Avenue, new roof, \$600; Abram Frank, 600 Whittemore, six by 13-foot porch \$150; Zion Lutheran Church, construct 18 by 24-foot garage, \$600.

Return Two Men to Face Theft Charge

Two men are being returned to Iosco County to face charges of taking \$300 from a cash drawer at the Holland Hotel on September 22.

Waiving extradition at New London, Connecticut, were Dennis Goddard and Ronald Rall. Jerry Kruse and Andy Dolak of the Iosco Sheriff's Department left Sunday to pick up the prisoners being held by Connecticut authorities.

Bow Hunter Killed Wilber Farmer's Steer

Iosco Sheriff's Department and the Michigan Department of Conservation are investigating the shooting of a 600-pound Hereford steer owned by Robert Alda of Wilber Township.

The animal was found Saturday night with an arrow embedded in its body. Bow season on open ground opened Saturday morning.

Tawas Area High School—

Homecoming Set Friday-Saturday

Annual homecoming will be held this Friday and Saturday at Tawas Area High School.

Principal activities will include introduction and crowning of the homecoming queen during half-time of Friday night's game between the Braves and Pinconning Spartans.

The annual homecoming dance is to be held Saturday night from 8 to 11:30 o'clock. Music will be furnished at the high school auditorium by the Tempest dance combo of Saginaw.

Vying for the honor of being selected as 1965 homecoming queen are three senior girls, Mary Sassi, Connie Kindell and Janet Merschel.

Members of the queen's court, besides two of the above named girls, will be Jennie Charboneau

and Debbie Katterman, juniors; Margaret Champion and Colleen O'Neil, sophomores; Susan Sheldon and Diane Miller, freshmen.

Selection of the new queen is to be announced Friday following vote of the student body. She is to be crowned by her father during halftime.

The girls will circle the field while riding in open automobile and the ceremony is to take place in front of the Tawas bleachers.

The new queen will again be crowned during Saturday night dance by co-captains of the football team, Hugh Freil and Dick Grebe.

The student council is handling all arrangements for the program. Steve Sventko and Mrs. Ruth Hess, faculty members, are sponsors.

TODAYS Meditation from The World's Most Widely Used Devotional Guide

Read Ephesians 2:13-22
 You are . . . fellow-citizens with God's people, members of God's household. (Ephesians 2:19, NEB)

The Christian church stretches from shore to shore like a geological rock formation. I think of the local church as the visible portion of the underlying foundation rock and that foundation, as Paul declares, is Jesus Christ Himself. Where Christ is, there is His church.

All Christians have experienced forgiveness of sins and fellowship with God. Because of their personal commitment and trust in Christ as Savior and Lord, they have the hope of heaven.

When Christ is "all in all," then, as Charles Wesley wrote in one of his hymns: "Names, and sects, and parties fall." It was his brother, John Wesley, who wrote: "We give the right hand of fellowship to every lover of God." So whoever we are and wherever we are, if we love the Lord we are brothers and sisters in Christ.

Kick the dull driving habit. Step out in a lively Dodge Coronet.

Forget all you've seen and heard about '66 cars. Because Coronet is here . . . sharp, smart and sassy, the greatest thing from Dodge since Year One. Loaded with luxury the higher-priced cars haven't caught onto yet.

With a choice of five engines, Slant Six or V8, each one designed to make the walls of Dullsville come tumbling down.

And with a whole slew of standard equipment that used to cost extra. Like an outside rear view mirror, A padded dash for extra safety. Variable-speed electric windshield wipers and washers. Backup lights. Turn signals. Seat belts, two front and two rear.

Enough said to get you really tempted? Now let's get away from the look alike, drive-alike,

first-cousin cars with Coronet for 1966, a car with a lively personality all its own. The Dodge Rebellion wants you!

Are you paying more than 11½¢ a gallon for your residential heating oil?

If you are, you're paying too much.

If you are now using natural Gas (or plan to) for cooking, water heating, clothes drying or Gaslights and your use is equal to that of our average residential customer, you can get your Gas for heating under our special service rate at a cost equivalent to fuel oil priced at just 11½¢ a gallon. And the nice thing about our Gas rates is that the more you use, the less it costs per unit. That's a bargain in anybody's book.

(Can't pay for the cost of conversion right now? Here's good news: Whether you convert your present furnace, or even install a new Gas furnace, Michigan Consolidated will pay for it and its installation by a qualified heating contractor. And it won't cost you a penny until July 1, 1966!)

So why not make your present oil furnace more economical this winter? Have it converted to economical natural Gas. Then you can start putting your money in the bank for a change. Instead of in your furnace. For full details, call us or your heating contractor today.

Young America Bakes—

Walnut Cheese Loaves...

WALNUT CHEESE LOAVES (Makes 2 loaves)

- 3/4 cup milk
- 1/4 cup sugar
- 2 teaspoons salt
- 1/2 cup (1/2 stick) Fleischmann's Margarine
- 3/4 cup warm water (105°-115°F)
- 2 packages or cakes Fleischmann's Yeast, active dry or compressed
- 3 cups (3/4 pound) grated Cheddar cheese
- 1 1/2 cups coarsely chopped Planter's English Walnuts
- 4 1/2 cups unsifted flour (about)

Cheddar cheese and walnuts flavor these unusual yeast breads. Walnut Cheese Loaves make excellent snacks, tea sandwiches or luncheon breads.

Cheddar Bread Has A New Ingredient

Walnuts add to the appearance, flavor and texture of a variety of sweet breads. But walnuts and cheddar breads are a new combination!

Because of its strong flavoring power, Cheddar is a particularly favorite for yeast breads. In these intriguing Walnut Cheese Loaves, nippy Cheddar contrasts with the elusive sweetness of walnuts to make a tantalizing new twosome. Sharp Cheddar may be used for a highly flavored loaf, mild Cheddar will produce more subtle results.

Walnut Cheese Loaves are prepared from a basic kneaded yeast dough. The addition of cheese and walnuts gives the slices unusual texture and toasty color. Walnut Cheese Loaves need only the simplest spread to be served as snacks, tea-time treats, or accompaniments for soup or salad lunches. They may also be used for sandwiches with simple fillings such as lettuce and tomato or ham.

Scald milk; stir in sugar, salt and Fleischmann's Margarine. Cool to lukewarm. Measure warm water into large warm bowl. Sprinkle or crumble in Fleischmann's Yeast; stir until dissolved. Stir in lukewarm milk mixture, cheese, nuts, and half the flour; beat until smooth. Stir in enough additional flour to make a soft dough. Turn out on lightly floured board. Knead until smooth and elastic, about 10 minutes. Place in greased bowl, turning to grease top. Cover; let rise in warm place, free from draft, until doubled in bulk, about 1 hour. Punch down. Turn out on lightly floured board. Divide dough in half; shape each half into a loaf. Place each in a greased 9 x 5 x 3 inch loaf pan. Cover; let rise in warm place, free from draft, until doubled in bulk, about 45 minutes. Bake in moderate oven (375°F.) 30 minutes, or until done.

Hosts English Cousins While Visiting Sister

Miss Lela E. Osgerby returned home last Wednesday from Cincinnati, Ohio, the home of her sister, Mrs. S. G. (Esther) Lakatos. Miss Osgerby and the Lakatos family entertained their cousins, the Rev. and Mrs. LeCato Edwards of Epworth, England, who are now on a speaking tour in the United States.

The Edwards, who were missionaries in India for 31 years, later took over the reconstruction of the "Old Rectory," the home of John and Charles Wesley in Epworth, England, in 1951. Since then, they have acted as hosts for the shrine of Methodism.

Missionary Edwards had close contact with the great leaders of that country whose influence on western thought has been greatly felt and this sounds the keynote of his lectures while here in the United States.

Neal-Young Nuptials

Mrs. Thomas P. Neal

Mr. and Mrs. Thomas P. Neal are residing at B and B Mobil Court, Essexville, following their wedding at St. John Church, Essexville, and reception at Rex Steak House Saturday, September 11.

The Rev. Fr. Robert B. Reppen performed the noon, Nuptial Mass for Lou Ann Young, daughter of Mr. and Mrs. Francis W. Young of Essexville and the son of Mr. and Mrs. B. L. Neal of Bay City.

Highlighting the bride's peau de soie gown was a detachable Watteau chapel length train. A queen's crown of seed pearls and crystals secured her fingertip veil and she carried a cascade arrangement of yellow roses and white chrysanthemums.

Identically-styled, maize floor length gowns were worn by Mrs. Kenneth R. Dardas of Essexville, matron of honor, and Miss Nancy Jean Young of Essexville, brides-

maid, Pearl and crystal crowns complemented their attire. Cascades of gold, bronze and russet pompons accented with wheat and grapes were carried by the attendants.

Mr. Dardas served as best man, assisted by James A. Neal. Seating guests were Arney J. Schmidt and Charles R. Weller.

The new Mrs. Neal is the granddaughter of Mrs. C. E. Tanner of Tawas City.

W-P Won 7-0 From Harrison In NEM Play

Passing of Quarterback Rod Gillings and outstanding defensive play of Harvey Mier and Roger Siegrist proved to be important factors in Whittemore-Prescott Area Cardinals' 7-0 win over Harrison Friday night.

Running against a tough Harrison team, which boasted a line averaging 202 pounds per man, Gillings opened up with a splendid passing attack, hitting on six out of 11 passes to End John Ridgway.

The Gillings-Ridgway combination accounted for the game's only touchdown. With second down and goal to go late in the third quarter, the Cards lost the ball on fumble and Harrison took over on its own two-yard line. Moving the ball to the 11, the visitors lost control of the pigskin

when Siegrist broke through the line, tackled the ball carrier and then recovered the fumble.

A penalty appeared to have hurt the Cards' chances of scoring but on third down, a jump pass from Gillings to Ridgway went 15 yards for a touchdown. Doug Thompson ran the PAT.

Harrison, hurt in the first quarter when Quarterback Bill Jesse sustained a fractured leg, pulled a sleeper pass play late in the game but Don Dorsey caught the ball carrier from behind to end the game.

Coach Val Young was happy about the defensive work of Middle Linebacker Mier and Siegrist, both playing their first games of the season. The 190-pound Thompson was also outstanding on defense, as were Terry Erickson, who blocked one punt, Bob Mastro and Bruce Sheets.

Harrison picked up 209 yards on the ground as compared to 138 yards by the Cardinals.

Action this week finds the Cardinals traveling to Beaverton, who lost to Rosecommon, 7-6, Friday night. Whittemore-Prescott will unveil its expanded football program when it matches its elementary team against Beaverton

during halftime. Both schools have touch football in elementary grades and junior high.

TA Junior Varsity Win 12-6 Over S-S

After losing, 19-0, to the class A junior varsity team of Alpena High School two weeks ago, Tawas Area Junior Braves bounced back with a 12-6 win Thursday night over Standish-Sterling JV.

The Little Panthers scored in the second quarter on a four-yard pass play, but Tawas bounced back with its first six-pointer in the third quarter. Halfback Tim Butzin scored from five yards out on an off-tackle play, which was set up when S-S fumbled a snap from center. The ball was recovered by Fred Look.

Stan Pardoll scored the winning TD on a 25-yard reverse play in the fourth quarter.

Standish threatened to score late in the game, but Tawas staved off the attempt.

Look, Dale Rieger and John Freel were standouts on defense. The Junior Braves play at Pinconning Thursday night.

Hale Downs R. City, 13-7, For First Win

Hale Area Eagles jumped into the win circle last Friday afternoon by downing Rose City, 13-7.

The Eagles of Coach Vern Reed scored early in the second quarter when Halfback Mike Bielby went over on a six-yard dive play. Mark Brindley kicked the PAT.

Rose City bounced back with its lone touchdown of the game and the two teams were tied, 7-7, at intermission.

Hale scored the winning touchdown in the third quarter when Quarterback Dan Maas hit his brother, George Maas, with an aerial which covered 40 yards. The

try for point after touchdown was missed.

The Eagles rang up 232 yards on the ground and 104 yards in the air for offensive yardage of 336. Rose City had 160 yards on the ground and 71 in the air.

Maas and Mike Scofield alternated at the quarterback slot, Scofield directing the first TD.

George Maas, co-captain, caught five passes for 86 yards. Bielby picked up 129 yards in 17 carries and Duane Gruber had 89 yards in 15 carries.

Ralph Fabera, Jim Smith and Jim McClumray were defensive standouts.

The Eagles play host this Friday afternoon to the tough Atlanta team, which has been averaging 50 points a game.

TA Lost Third Straight in NBC Action Friday

Tawas Area Braves dropped their third straight game Friday night, 14-6, losing for the first time in four seasons to the Standish-Sterling Panthers.

It was a night of frustration for the Braves, who jumped into a 6-0 lead early in the game and, seemingly, were headed to a good offensive showing.

After the initial touchdown, the Panthers' defense stiffened and their sharp tackling stalled three Tawas scoring threats deep in Standish-Sterling territory.

On paper, Tawas "won" the contest, but statistics meant little

Friday night. The Braves ground out 171 yards on the ground and 62 yards in aerials for a total of 233 offensive yards. Standish-Sterling had 150 yards on the ground, with two big plays for 91 yards. The two break away runs meant the difference.

There were just too many mistakes—penalties for off-sides, illegal procedure, offensive holding and clipping—for Tawas to score on a sustained drive. The Braves also suffered a relapse in the second and third quarters, both offensively and defensively, and that just about wrapped up the game.

Tawas took the opening kick and six plays later, Ed Cain scored on a nine-yard plunge. The all-important try for point after touchdown was missed.

The Braves dominated first quarter action, moving the ball to within 18 yards of paydirt in 18 plays, but a 15-yard penalty and two five-yarders ended the threat. The Panthers came to life in the

second quarter and Rod McTaggart raced 44 yards on a delay through the line to set up the S-S touchdown. With the ball on Tawas' 10, a five-yard penalty put the ball on the five and McTaggart cracked through to score. The kick from placement was good and the Panthers took the lead.

Standish-Sterling took the kick to open the second half and scored four plays later when Jerry Gulvas raced for 47 yards and a touchdown. The kick from placement was good.

Running and passing of Quarterback Dick Grebe was Tawas' main offensive threat after the first quarter. The senior play-caller completed seven out of 16 aerials, six of them being caught by Dan Phillips. Howard Rollin and Jim LaBlance snared the other two completions. Sophomore Quarterback Kushion completed his lone pass of the game in the fourth quarter.

Grebe carried the ball 10 times in the fourth quarter and the team gained six first downs. Tawas also blocked a Panther punt and recovered a fumble, but Standish-Sterling was not to be denied a victory.

Hugh Freel again led in tackling with seven, while Makinen played an outstanding game, both on offense and defense.

Tawas had 11 penalties for 89 yards and Standish-Sterling had seven penalties for 60 yards.

Action this week finds Tawas playing host to Pinconning in another NBC contest. It will be homecoming week-end for the Braves.

and Tawas Bays under present rules.

Two weeks ago, an attorney for commercial fishermen pointed out a "loophole" in the present law which establishes an 8 1/2-inch limit on perch. Because of questionable wording of an amendment to the 1927 act, Iosco Circuit Judge Allan C. Miller issued an order temporarily restraining the conservation department from seizing perch fillets which weigh 1 3/4 ounces each.

The judge was of the opinion that the entire law should be rewritten by the state legislature.

Editorial—

The importance of an adequate water supply to the ever-expanding population of Midwestern and Northeastern United States emphasizes the urgent need for safeguarding and conserving the vast amount of fresh water in our Great Lakes.

During the past two decades, we have sublimely talked of such a need for conservation, but our actions have not lived up to those lofty ideals.

Industries and cities, large and small, have been dumping wastes into the Great Lakes at such a rate that future generations may be faced with cleaning up one huge cesspool. Such an undertaking would be increasingly difficult with the passage of years.

Today, Lake Huron is a far cry from the "pure water" days of not too many years ago. The condition of Lake Erie is a national disgrace, yet little is being done to correct the situation.

Citizens of all communities, large and small, must take a long hard look at waste disposal systems and then demand that proper action be taken. Industry should be required to purify water before returning it to its source.

State and federal agencies should study present methods of waste disposal and then investigate means of developing more modern systems. Perhaps, a more efficient and less expensive method of disposal could be found.

Lofty ideals, perhaps, but action must be taken immediately, before it is too late.

Choose Chairmen at H&S Association Meet

Committee chairmen and room mothers were chosen at the Monday evening meeting of St. Joseph Home and School Association. An invitation was extended to all parents having children at St. Joseph and Immaculate Heart of Mary Catholic Schools to attend the monthly sessions.

The Rev. Fr. Arthur Mulka addressed the group and spoke of the duties of Pope Paul and his trip to the United States. He also demonstrated the Scriptural Rosary.

The jack pot was won by Ardith

Lenczowski and refreshment were served by Mrs. Lawrence Rich, Mrs. Gerald Klenow, M. Donald Mooney and Mrs. James Stotenbur.

Christmas trees are ready for cutting in Western Iosco County

Iosco Co. Growers Prepare for Rush

Western Iosco County Christmas tree growers are now preparing for their annual rush of business. Cutting is to start in October and the next several weeks probably will be hectic as the product of several years' work is rushed to market.

F. B. English, Southgate, who, with Daniel Thayer of Hale, owns 70 acres of six-year-old Scotch pine trees five miles north and 1½ miles east of Hale, reports that he expects to sell many of his trees this fall in the Southwestern United States, as well as in Detroit, Chicago and Toledo.

The English-Thayer Tree Farm is a beautiful sight right now with row upon row of Highlander trees. English estimates that he will cut approximately 20,000 of his field of 100,000 trees.

This is the second crop of trees to be grown on this site after clearing operations were started there about 15 years ago. After the field is cut off, stumps will be removed with bulldozers and the field cultivated for a year to eliminate any possible contamination by disease.

Growing Christmas trees is a continuing process and a lot of work goes into the business. After seedlings are planted, they must be sprayed every spring. Linseed oil is added to the spray solution in order that it is not washed off from the trees by rain.

The trees are cultivated every year for two years and a weed killer is applied during the next two years to remove weeds. Pruning and shaping requires considerable time each year.

English, who has been dealing in Christmas trees since 1926, said that it would take eight to 10 men about two weeks to harvest this year's crop. Estimated value of the entire field is \$65,000.

"Our field has been state inspected for nursery stock and the state man told us we had one of the prettiest fields of trees in the state," said English.

After cutting, the trees are to remain in the field about a month before shipment to market.

Among other tree growers is William Elder of East Tawas, who has a field of 56,000 French blue trees located on Kobs Road. English pruned the field for Mr. Elder this year.

Other large tree growers in Western Iosco County are George Holzheuer and Mrs. Earl Bielby, both of Hale. A number of other growers with smaller fields are located in that vicinity.

Michigan Bell Retirees Met Here Sept. 23

The Bay Club of Michigan Bell Telephone Company held its fall luncheon-meeting September 23 at Tawas Golf Club. This affair is held semi-annually and covers such areas as the Alpena-Oscoda-Tawas region, the Mio-St. Helen-West Branch area and the Pinconning-Standish-Bay City surroundings, as well as the northern Thumb district.

These retirees, now known as life members of the Bay Club, formerly worked for Michigan Bell throughout the nation. Many now live permanently in these areas or just for the summer months. For many, the home address changes "to the South" for the winter months.

William Bovee, life member chairman, Bay City, headed the working group for this luncheon. Bud Fisher, exchange repair foreman at East Tawas, was toastmaster. A movie entitled "The Alaskan Earthquake" was shown through the courtesy of the Michigan State Police.

Fisher introduced each of the life members and their guests. Pioneer officials attending were Leo Thompson, Wolverine Chapter president; Albert Turner, Central Council president; Ford Harris, vice president; Harold Lemon, council member at large; Rhea Bayley, council secretary; Mrs. Elizabeth Hitchcock, former council president; Raymond MacDonald, Bay City president.

MRS. JANE J. TAYLOR

A National City resident, Mrs. Jane J. Taylor, 79, died Monday, September 27, at Jodanan Nursing Home, West Branch, after a four-week illness. Funeral services were conducted Wednesday at Steurol Chapel, West Branch. Surviving are one daughter, Mrs. William Inglis of National City; one son, Kenneth of Saginaw, and three grandchildren.

The New 1966 Mercury

New 1966 Mercurys on Display at Inglis

The 1966 Mercury moves forward again as a premium car in the medium-price field with tasteful styling changes, a new two-door hardtop roofline, new engines, a sporty S-55 series and an extended list of luxury options. The new Mercury went on sale October 1, at Inglis Ford Sales, Tawas City.

"Mercury is gaining a reputation in the medium-priced field similar to that established in the luxury field by the Lincoln Continental," said William Inglis, local dealer. "This is reflected not only in sales increases, but in improved owner loyalty, greater conquest sales and outstanding owner satisfaction."

"For 1966, we are continuing Mercury in the Lincoln Continental tradition with evolutionary styling changes, plus luxury car standards of top quality design and assembly, superiority in comfort and performance, and a wide choice of options for the custom touches demanded by owners in this premium car market."

The new Mercury features a completely fresh front end appearance with the new hood,

fenders, bumper, grille and lights. Rear appearance is changed with new taillamp assemblies and rear bumper arms which increase the over-all length by two inches to 220 inches. Two-door hardtops have a new roofline with a concave fastback blending smoothly into the rear deck.

Other new styling features are revised side ornamentation, new instrument cluster facing and trim styles. The wastegate on the front fender can be replaced with an optional cornering light. The over-all result of these styling changes is an even longer, well-proportioned silhouette.

Mercury's big change for 1966 under the hood includes an exclusive new 410-cubic-inch engine, a new optional 428-cubic-inch engine, two improved and more powerful 390-cubic-inch engines.

Mercury also has an exciting new product offering in the S-55 two-door hardtop or convertible, sporty performance models with bucket seats and console, special S-55 ornamentation, and the new 428-cubic-inch engine with dual exhausts.

Future Homemakers Plan UNICEF Drive and Other Projects

An UNICEF drive, a babysitting service and a cookie sale were among the projects planned by the Future Homemakers of America at its first seasonal meeting, September 20. In former years, the group has sold cookbooks. This year, only the books on hand will be sold. Meat cookbooks will be available in December.

Elsie Osborne, president, and Jenny Dutcher, vice president, reported on their summer trip to the state convention held at Albion. They learned how to improve one's appearance and brought back many new and interesting ideas for projects.

It was decided to schedule meetings for the first and third Monday of each month.

Two New Chevrolet Coupes Style Leaders

1966 Caprice and Chevelle Coupes

1966 Chevelle Super Sport 396 Coupe

New Chevrolet models for 1966 will go on display October 7 at McKay Sales Company, Tawas City.

Two of Chevrolet's newest additions for 1966 are the luxurious Caprice Custom Coupe and the stylish Chevelle Super Sport 396 Coupe. The Caprice Coupe is destined to be the style leader

among regular size cars and the Chevelle Super Sport is distinguished by a new roof line with recessed rear window and a 396 SS identification in grille and rear cove area.

Caprice models feature distinctive wraparound rear lamps.

Newest member of the stylish 1966 Chevelle models is the Super Sport 396 Coupe with its distinctive roof treatment featuring a recessed rear window. A new radiator grille, simulated hood scoops and the SS-396 identification on grille and rear cove area distinguish this model and the Super Sport 396 Convertible from 10 other Chevelle models for 1966.

Strato bucket seats are standard equipment for the SS 396's. Reflecting smart new lines for 1966 is the Chevy II Nova Super Coupe. New body panels combined with a new extruded aluminum grille and redesigned front and rear lamp treatments complete

ment the sparkle of the new interiors and instrument panel. New sedan and coupe roof lines with restyled windows and six new colors point up the styling surge made by the 1966 Chevy II.

Along with the above models, Chevrolet will offer 48 other models for 1966.

help you make the best salad ever, follow these pointers:

1. Use chilled and crisped salad greens. (Soak in ice water 10-30 minutes before serving.)
2. Drain canned fruits and vegetables thoroughly—chill, too.
3. Combine or arrange salads on chilled serving dish just before serving.
4. Use your imagination! If you are a real salad lover, try this:

CAESAR SALAD

- 6 servings
- 2 cups croutons*
 - 1/2 cup salad oil
 - 1/2 cup lemon juice
 - 1/2 cup Roquefort cheese, crumbled
 - 1/4 cup grated Parmesan cheese
 - 6 chopped anchovy
 - 1 raw egg
 - 1 clove garlic, halved
 - 1 tablespoon Worcestershire sauce
 - 1/2 teaspoon salt
 - 1/4 teaspoon pepper

1 quart shredded romaine lettuce (3 bunches)

*You can buy croutons already prepared.

1. For croutons, cut 5 slices bread into 1/2 inch cubes, place in oven at 325° F., about 15 minutes or until crisp and brown.
 2. Combine all ingredients except lettuce and croutons in a quart jar.
 3. Cover jar tightly and store in refrigerator several hours.
 4. Before using, remove garlic buds.
 5. Tear romaine into bite-size pieces.
 6. Add about 3/4 cup dressing and toss lightly.
 7. Add croutons, toss again and serve at once.
- Everything used in the preparation or serving of food must be kept hygienically clean. This is especially important in regard to

wooden ware, which you will probably use for most salads. Because wooden ware is usually porous it tends to "hold" food particles, bacteria and odor.

Hardwood salad bowls can be briefly immersed in the dishpan or sink for thorough washing. After you sud and rinse them quickly, wipe with a towel and then let them dry in an airy place. Never put wooden ware away until you are sure it is completely dry.

If you have salad bowls made of soft wood with a glossy finish, you will find that they are best cleaned by wiping inside and out, using a cloth or sponge wrung out of warm suds. Next, rinse with a cloth dipped into clean water and then wipe and air dry. If you always wash salad bowls soon after use, while food and oily dressings are moist, you will find they are easy to clean.

For a ladies luncheon, arrange this colorful salad with hot rolls and radish roses or carrot lilies.

TUNA STUFFED TOMATOES

- 6 servings
- 1 6-oz. can tuna
 - 2 teaspoons lemon juice
 - 1 cup diced celery
 - 2 tablespoons diced green pepper
 - 2 tablespoons diced sweet pickle
 - 1 hard cooked egg, diced
 - 1/2 cup mayonnaise
 - 6 tomatoes, chilled

1. Flake tuna; sprinkle with lemon juice. Add celery, green pepper,

pickle and egg. Fold in mayonnaise. Chill.

2. Peel and remove core from tomatoes. Cut tomatoes from top almost to bottom in 6 or 8 places—petal fashion. Spread the wedges apart; sprinkle with salt.

3. Place each tomato on leaf of lettuce or bed of endive. Pile salad in center of each.

Supervisors' Proceedings

SEPTEMBER SESSION
September 15, 1965

The Isco County Board of Supervisors was called to order in September session at 9:30 a. m. by the chairman who ordered roll call. The following supervisors were present: Abbott, Belson, Blust, Bolen, Campbell, Everett, Gerard, Higgins, Hosbach, Jocks, Little, Lixey, Nelkie, Oates, O'Dell, Smith, Stephan, Webb. Absent: McKenzie.

A communication was read from the Burleigh Township board setting forth the appointment of Mr. Aubrey Belson as township supervisor to fill a vacancy caused by the resignation of Mr. Theodore Bellville.

It was moved by O'Dell supported by Higgins that Mr. Belson be seated on this board. Carried unanimously.

Communications were read and referred to the proper committees by the chairman.

Mr. Gerard reported on his attendance at a regional library board meeting.

Mr. Higgins reported for activities of the civil defense director.

Mr. Davenport presented a report of the Cooperative Extension Service.

Mr. John DeGroot addressed the board requesting its help in securing a quitclaim deed to some of his property in Osceola Township that had been filled in by the State of Michigan with his permission.

Mr. Smith reported on his attendance at a recent tax assessors conference. He also discussed some of the ramifications and benefits of the new Veteran's Exemption Law.

Mr. Hosbach presented the following resolution:

Honorable Board of Supervisors Gentlemen:

Your drain and ditches committee recommends:

Resolved that the Isco County Board of Supervisors guarantee the correct amount of spillage from the Tawas Lake dam be reg-

ulated for the minimum level of water in the Tawas River as set by the State Board of Health for proper and adequate disposition of affluent from sanitary sewer systems of East Tawas and Tawas City.

Signed:
John E. Hosbach
Edward Gerard

Mr. Hosbach moved adoption of the resolution. The motion was supported by Stephan and failed to carry upon the following roll call. Ayes: Campbell, Everett, Hosbach, Nelkie, Stephan, Nays: Abbott, Belson, Blust, Bolen, Gerard, Higgins, Jocks, Little, Lixey, Oates, O'Dell, Smith, Webb. Committees were ordered to their respective duties balance of the board to be at ease subject to the call of the chair.

Upon call to order at 11:30, Mr. Everett presented the following resolution of the building and grounds committee:

Honorable Board of Supervisors Gentlemen:

Your building and grounds committee recommends that because of shortage of space in which to house our county officers, the director of Intermediate School District be asked to vacate the offices now occupied by them and that the probation officer be moved into these offices.

Signed:
Everett
C. J. Stephan

Upon motion by Everett supported by Stephan, the report was unanimously accepted.

Upon motion supported and prevailing, the board recessed until 1:30 p. m.

AFTERNOON SESSION

Upon call to order at 1:30 p. m., roll call was ordered by the chairman. The same supervisors were present as at the morning session.

Undersheriff Putnam addressed the board in regard to a lease for operation of the dog pound.

Committees were ordered to their respective duties balance of the board to be at ease subject to the call of the chair.

Upon call to order at 3:30 p. m., Mr. Blust read the following report of the committee on claims and accounts No. 2:

AMERICAN MOTORS CORPORATION will unveil its new 1966 line of Ramblers October 7. Locally, the new cars go on display at Zubeck Motor Sales, M-55, Tawas City, and this is one of the models which await public inspection.—Tawas Herald Photo.

American Motors Unveil New Line

Four new lines of 1966 cars have been introduced by American Motors, which go on display locally October 7 at Zubeck Motor Sales, M-55, Tawas City.

Included in the four new lines are Rogue, Rebel, Marlin and Ambassador DPL.

The new razzle-dazzle Rambler Rogue features a big new engine; the Rebel has new roomy interiors which do not cramp the driver's style, his legs or family; the Marlin is a full-size family sports fastback which seats six in comfort; the Ambassador DPL offers luxury appointments, with coil-spring seats and double-safety brakes.

Now is the time to join a 4-H Club for the coming year. Interested individuals are requested to contact Dorothy Scott, county extension agent, Federal Building, East Tawas, phone 362-3449.

A new kind of quiet quality is built in as standard equipment on every car in the line. This is the American Motors credo—quality that is built in, not added on.

VICTOR PLETZKE
Victor Pletzke, 55, well-known Bay City salesman for Dudley Paper Company, died last Wednesday at Mercy Hospital. He had been ill about two weeks.

A veteran of World War II, Pletzke was a member of the Kiwanis Club, a member of St. Joseph Church, its Holy Name Society, Athletic Association and Ushers Club. He was past commander of United Commercial Travelers, Past Commander of the American Legion and Past Exalted Ruler of BPOE No. 88, a member of Knights of Columbus Council No. 414.

He is survived by his wife, three sisters and two brothers.

Funeral services were held Saturday morning at W. A. Trahan Funeral Chapel and at St. Joseph Church. Burial was in Elm Lawn Cemetery.

As a paper salesman since his return from World War II, Pletzke's territory included the Tawas area.

Recognition Banquet Held During National 4-H Club Week

In keeping with National 4-H Club Week, September 25-October 2, a recognition banquet was held for 4-H Club leaders at Whittemore-Prescott High School Saturday, October 2.

During the week, 4-H members staged their 1964-65 roundup. They were presented certificates of achievement, calendar year pin, fair premium check and special county award medals to members nominated for outstanding accomplishments.

Named for the medals were Kay Siegrist of Whittemore, achievement; Darlene Burkholder and Beth Sturtevant, Whittemore, clothing; Faye Durant, Tawas City, and Grant Davenport, East Tawas, conservation; Mary Bielby, Hale, and Blinda Pintkowski, East Tawas, food and nutrition; Bruce Davenport, East Tawas, leadership; Pat Youngberg, Whittemore, swine; Sandra Smith, Turner, knitting; Kenneth Crainer, Prescott, horse and pony; Cheryl Hayes, Tawas City, and Bobbette Pember, Hale.

Winning award trips for the year were Bruce Davenport, conservation camp and state show assistant; Grant Davenport, state gun safety show and 4-H Club Week; Gerry Survant, conservation camp and state show horse

The Giant-Killer Rides Again!

ROGUE: new razzle-dazzle Rambler. Outperforms every other car in its class (with standard engine). "Do Rogues really come with rally stripes?" "No, but with the big new engine they drive that way." '66 Rambler American Rogue here October 7th.

REBEL: new roomy, zoomy Rambler. Doesn't cramp your style, or your legs, or your family, or your pocketbook. Think you know a Rambler when you see one? Think again, look again. See the '66 Rambler Classic Rebel at your friendly Giant-Killer's, October 7th.

MARLIN '66 by American Motors. Full-size, family-size sports fastback seats 6—in comfort. (Even with bucket seats.) Flip down the front and rear armrests and turn your Marlin into a 2+2. Don't miss it at your friendly Giant-Killer's on October 7th.

American Motors Challenges the "Big 3" of Detroit—With 4 New Lines of '66 Cars that Give the Public What it Wants.

Last time it was size. This time? Quality! Quality that's built in—not added on. The promise: more built-in quality features at no extra price.

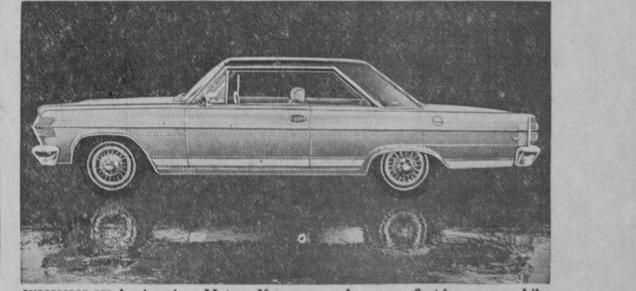

Remember when American Motors came out with the trim little Rambler and knocked the Detroit "Giants" on their collective ear? Overnight, big fins and fat land yachts went out of style. American Motors came along with the right cars at the right time and caught the competition napping. This year, almost half the automobiles sold are Rambler-size cars.

Round one to the "Giant-Killer." What next? For '66, American Motors again gets the jump on the big boys with a new rallying cry: Quality! A new kind of quiet quality that is built in as standard equipment on every car in the line.

This is the American Motors credo. Quality that's built in—not added on. First, determine what has to go into a car to make it stronger, safer, more dependable, more luxurious. Then put it there. Regardless of cost. Build it in.

Ready to be convinced? Ready to be surprised? Check this page for a preview of the 4 sleek challengers. New cars. New names. Then admire the styling of these exciting new cars. When you have finished, please get on your horse and go to the friendly Giant-Killer in your town, your American Motors/Rambler Dealer.

TV PREMIERE THURSDAY NIGHT! See the new American Motors '66 cars on "The Andy Griffith, Don Knotts, Jim Nabors Special," CBS-TV, October 7th

AMBASSADOR DPL by American Motors. Now you can have your first luxury car while you're still young enough to enjoy it. Coil-spring seats like Cadillac. Double-Safety brakes like Cadillac. Price? Like Impala, Fury, Galaxie. Be sure to see it October 7th.

Mich. Meat Week To Emphasize Red Meat Animals Use

Plans to observe a third annual Michigan Meat Week, October 11-17, were approved by the executive committee of the Livestock Improvement Association of Michigan at a meeting recently at MSU's Kellogg Center. Blaque Knirk, president of the LIAM, said that plans this year will be directed to place equal promotional emphasis on consumption and production of red meat animals in Michigan.

"In Michigan, our people consume 22 pounds of red meat per person more than the national average of 172 pounds, yet we are producing only 40 percent of our own red meat needs," Knirk said.

"We import more than 100,000 feeder calves each year from other states, yet Michigan retailers are virtually screaming for large quantities of uniform quality beef, veal, pork and lamb," he said. "With a situation like this, the Livestock Improvement Association's task is to do all in its power to encourage quality red meat production in our state."

He pointed out that cash receipts from livestock and product marketings in 1964 increased \$5 million dollars over 1963 and that cash dollar value of Michigan's slaughtered and processed meat in 1963 was \$386,124,000.

"Meat products shipped in 1963 had a retail value of \$517,498,000, and the livestock industry accounted for 19 percent, or \$143,476,960, of Michigan's \$755,142,000 cash farm marketing receipts in 1964," Knirk said. "This means livestock production is big business and it means there is plenty of demand for increased production. We hope that our third annual Michigan Meat Week will help call attention to the opportunities in this industry."

Judge Miller Attends Conference on Crime At Lansing Sept. 28

Circuit Judge Allan C. Miller of Tawas was one of 10 circuit judges invited by Gov. George Romney to attend the conference on crime Tuesday, September 28, at Lansing.

Principal result of the conference was the resolution to purchase electronic equipment to speed crime information to arresting officer. Other recommendations involved establishment of state standards for law officers and subsidized in-service training.

It was the consensus of those present that advanced scientific methods and better in-service training are the answer now that the confession is to play a smaller part in criminal prosecutions, said Judge Miller.

Governor Proclaims 1966-'Year of the Bible in Michigan'

Gov. George Romney has proclaimed 1966 as "The Year of the Bible" for Michigan. This executive action is in recognition of the American Bible Society's 150th anniversary. The society is the largest nonprofit organization in the United States responsible for translating, publishing and distributing the Bible at home and overseas.

State, regional and local Bible societies were instrumental in founding the American Bible Society in 1816. It was formed during a period of irreligion to provide Scriptures for churches and the growing population moving

westward. Previously, a few Bible societies printed and distributed the Bible to the earliest settlers in America.

The proclamation notes that the missionary activities of the American Bible Society contributed significantly to the cultural development and moral strength of citizenry and adds that many historic old Bibles are prized possessions of the state's archives and hundreds of families.

'66 Plymouth Line Draws Many to New Car Showing

"The 1966 Plymouth, now on display at Ottawa Equipment Company, Tawas City, has drawn a large number of viewers during the first few days of the new car showing," stated Arnold Bronson, sales manager, Tuesday afternoon.

The line featuring Fury, Belvedere, Valiant, Barracuda and the totally new VIP are all being shown at the local agency.

"Something for everyone" describes the Plymouth line with the many new innovations and complete new styling.

Mr. Bronson invites all who have not viewed the 1966 line as yet to stop in soon.

Cause of Leaves' Fall Colors Explained by WSU Biologist

Every county of Michigan has a breath-taking color display in autumn.

DETROIT—"Many people believe that the first heavy frost gives rise to the brilliant colors of leaves in autumn," says Prof. Jack Valdivinos of the Wayne State University Biology Department.

"Actually, the change in color is due to the ending of chlorophyll pigment manufacture along with the breakdown of existing chlorophyll in the cells of each leaf," he points out.

Once the green mask of the chlorophyll pigment is gone, says Dr. Valdivinos, the bright orange, yellow and red colors of the carotene and xanthophyll pigments already present in the leaves burst forth.

"The changes in the pigmentation of leaves are controlled by growth-regulating substances," he continues. "The shortening of days as we approach winter is the critical factor in controlling the production of these substances, although temperature changes may also influence the reactions to a minor extent."

These changes in the level of the vital growth-regulating substances make possible the beautiful autumn colors which occur before the leaves fall.

Autumn color is a tourist attraction in Michigan. The State has over 85 different species of soft and hardwood trees, more types than in all of Europe.

Before 1900 the situation was different.

Michigan was covered with vast white pine forests. Lumbering and forest fires diminished the evergreens, making it possible for leafy trees to grow in their place.

Loosen around the edge with the tip of a knife. Place serving plate, greens, too, on top of mold. Hold the mold and plate tightly together and turn upside down. Shake mold gently and remove.

2. Special molds are available in fancy shapes. But almost anything can be used to mold your salad. For example, ice cube trays, cake pans, coffee cans, even paper cups make good molds.

3. To keep fruit at the top of an inverted mold, arrange it in a shallow amount of gelatin and chill. After this portion of the salad is solid, add the remaining gelatin and fruit. When this salad is unmolded, you will find the fruit right where you want it!

4. To set firmly, gelatin requires

from 2 to 4 hours. For a quick chill, place gelatin mixture in freezer compartment for 10 minutes, place in a bowl of ice water and stir until it starts to thicken or substitute ice cubes for the cold water needed. Individual molds chill faster than one large one.

UNLUCKY BABIES ARE SOMETIMES FOUND in baskets, but the luckier ones will find themselves promenading in their carriage, all cozy and warm under this crocheted basket-weave carriage cover! Carriages that are topped off with a blanket like this will certainly create "oh's" and "ah's" from all of your friends, and from older brothers and sisters too.

BASKET WEAVE STITCH

As you may already know, the basket weave stitch is very interesting to work in, because it goes so quickly, and yet is so effective. It's bound with a three inch wide ribbon, which gives a very finished, elegant look. This crocheting project is just the thing to relax with during the leisurely summer hours—and when the cooler months come along, your baby's "trousseau" will be all ready and waiting to go. When finished, the cover measures 33 x 42 inches, which is more than ample for both warmth and beauty. As you know, a carriage cover also makes a very personal and very much appreciated gift for the mother of a new baby.

BABY PINK OR BLUE

Here's your chance to work with a lovely pastel shade of yarn—baby pink or blue, or how about trying Nile green or maize? In fact, this carriage cover is so delicate in feeling that it might be most effective in white. Free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet C 329.

COOLER WEATHER IS GOING TO BE COMING ALONG any day now, and wouldn't it be fun to have an exciting new present on hand for a little girl in your family? As Alice in Wonderland would say—it's an "un-birthday" present, which sometimes makes it even more treasured because it doesn't come on your birthday, and so it's a complete surprise.

FLATTERING STYLE FOR YOUNGSTERS

The hat is a very flattering style for any youngster, and the large ear flaps which end in a bow under the chin will also keep rather longish hair from blowing all around. The bag is certain to give her a very "grown-up" feeling, and it's large enough to hold all of the things that children like to carry around with them, even though the contents generally surprise adults! With these two new items, she'll be all dressed up with everywhere to go.

GLAMOROUS RICK RACK TRIM

The tremendous choice of colors will enable you to coordinate this set with your child's coat, and will perhaps be a beginning lesson for her in fashion ideas. Crocheted in the simplest of stitches, the glamorous rick rack trim gives a very special dressy effect. Detailed instructions for both the bag and the hat are available by sending a stamped, self-addressed envelope to the Needlework Editor of this newspaper along with your request for Leaflet PC 1562.

SCATTER RUGS, ANYONE? What a wonderful way to add a bright spot of color to each and every room in your home! Teen-agers will love them—they're just perfect for sitting on while watching television, listening to records, or just having a snack.

SO EASY TO MAKE

If you've never made a rug before, you'll be delighted when you discover how simple it is to do. The individual pompoms are made by winding four ply knitting worsted around a piece of cardboard, stitching the individual pompoms to a felt background, and then simply removing the cardboard. A little judicious snipping here and there with a scissors and before you know it, all the pieces are in place and the rug is finished. The color possibilities are endless. We've done ours in dark rust, tile, and yellow—but you might want to try shades of blue or green. Better still, you can carry out the color scheme of your drapes, wall paper, or any other feature of your room.

CUT A RUG

During the summer months when so many students are home on vacation, wouldn't this make a perfect project for a group of girls to undertake? When the crowd gets together, why not have some fun and cut a rug! An easy-to-follow pattern is enclosed along with the free directions which may be obtained by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PH 3316.

Assigned to Guided Missile Training Group in Texas

Army SP4 Albert D. Haney, 25, son of Mr. and Mrs. Albert A. Haney, Oscoda, was assigned to the first air defense guided missile training group at Fort Bliss, Texas, September 3.

Haney, a generator specialist in the first group's battery B at Fort Bliss, entered the army in November 1963.

He graduated in 1959 from Oscoda Area High School.

A1C Richard M. Moore of Wurtsmith Air Force Base will be part of the F-101 Voodoo team as top fighter pilots compete in William Tell, the United States Air Force fighter weapons meet at Tyndall Air Force Base, Florida, October 1-9.

Airman Moore is an autopilot repairman and his team is representing the Air Defense Command (ADC) in the biennial competition.

His wife, Janice, is the daughter of Mrs. Maxine Bessey and Edward Ulman, both of Tawas City.

Chorus Rehearsals Now Under Way

Tawas Community Chorus rehearsals are under way for the new season. Rehearsals, which began September 21, are held at the multipurpose room of the East Tawas Elementary Unit.

There are openings for voices in every section of the chorus and an invitation is extended to join for participation in the winter concert under the direction of Lt. Wayne Hostetter.

Assoc. for Retarded Children Say 'Thanks'

At the September 27 meeting of the Iosco County Association for Retarded Children, conducted at the East Tawas Methodist Sunday School room, the \$1,000 donation from the Feather-Lite Manufacturing Company's employees coffee fund was brought to the members' attention. They expressed thanks to Feather-Lite employees for this donation.

MOLDED GARDEN SALAD WITH CHEESE BALLS

6-8 servings

- 1 package lemon flavored gelatin
- 1 cup boiling water
- 1 cup cold water
- 2 tablespoons lemon juice
- 1 teaspoon salt
- ¼ cup each of thinly sliced radishes, celery, raw cauliflower and diced cucumber
- ¼ cup finely sliced green onions
- 1 3-ounce package cream cheese
- ½ cup grated Swiss cheese (2 ounces)

1. Dissolve gelatin in boiling water. Add cold water. Stir in lemon juice and salt. Chill over ice water until mixture begins to thicken.

2. Add vegetables and pour into an 8 inch ring mold or 6 to 8 individual molds. Chill in refrigerator until firm.

3. Unmold on crisp lettuce, endive and water cress.

4. Form cream cheese into 12 balls then roll in grated Swiss cheese. Use to garnish salad.

Molded salads can be easy and fun if you remember these "tricks."

1. Do not unmold gelatin salad until almost ready to serve. To unmold, dip mold in warm water just to the depth of the gelatin.

1966 Comet Features Major Design Change

Comet—Completely restyled for 1966

1966 Lincoln Continental

Mercury Comet, world's durability champion, for 1966 is the most completely changed car since its initial introduction six years ago. The new Comet went on sale at Inglis Ford Sales, Tawas City, October 1.

The 1966 Comet features a new,

larger body with an entirely different sleek appearance inside and out. The wheelbase is lengthened for the first time and a wide selection of new big car options are introduced, including two 390-cubic-inch Mercury V-8 engines.

A new Capri series and a Voyager station wagon join the Comet line, while the sporty Cyclone series adds a convertible model and a special high performance "GT."

The larger, more elegant 196 Comet is a response to the pub-

lic demand for premium automobiles in every segment of the market," said William Inglis, local dealer.

"While moving this beautiful new Comet upwards on the product ladder, we retain one series at traditional Comet length for our customers who want a premium car value at no appreciable size increase."

The 1966 Comet offers customers a choice of two lengths, 196 inches for the "202" series and 203 inches—an increase of almost eight inches over 1965—for the upper series Capri, Caliente and Cyclone. Wheelbase is 116 inches, up two inches.

The new Comets are more spacious, luggage capacity is increased in all models and styling is highlighted by a skillful combination of crisp and soft lines for a fleet and powerful appearance.

New '66 Lincoln Retains Traditional Classic Flavor

The 1966 Lincoln Continental is a totally different car from prior models yet retains its traditional classic flavor. The new model went on sale October 1 at Inglis Ford Sales, Tawas City.

A two-door hardtop coupe is added to the line and a new, larger body and new 462-cubic-inch engine are featured.

The new continental is nearly five inches longer than before, but retains its 126-inch wheelbase and beautiful proportions.

Red Cross Committee to Elect 2 Chairmen

At the annual meeting of the Iosco County Chapter of the American Red Cross Wednesday, October 13, chapter chairman and blood bank chairman will be elected. All contributors to the Wurtsmith-Oscoda and Tawas-Whitmore Community Chests are entitled to vote at this 8:00 p. m. meeting in the Iosco County Building.

During the session, annual reports will be heard and plans will be made for the October 25-26 bloodmobile visit. The public is invited to attend.

'Read Car Policy,' Advises Sec. of State

Have you taken a look at your automobile insurance policy lately... a real close look?

Most persons who have insurance on their cars have both collision and liability insurance. But there are some motorists who think they have liability coverage and do not.

To be on the safe side, Secretary of State James M. Hare is urging Michigan's four-million motor vehicle owners to get their policies out and check them thoroughly if they are not absolutely sure.

"Unless persons have the liability coverage... public liability and property damage (PL and PD)... They may have to pay the long shot of \$25 when they buy license plates," Hare said.

"And unless they extend their coverage, they will have to be considered uninsured insofar as the motor vehicle accident claims fund goes.

"On the other hand, insured vehicle owners pay only \$1 into the fund," said Hare.

How does an insured owner qualify for the low \$1 fee?

Most companies will be furnishing their liability insurers with a certificate of insurance, which serves as proof that he does have liability insurance coverage. This holds for all Michigan based companies, says Hare.

"There are some out-of-state insurance carriers that we are not exactly sure of," Hare said, "We're hopeful they will be able to furnish their customers with certificates."

"However, some persons may have to bring in their policies or other valid proof that they paid their insurance," Hare said.

According to Hare, the insurance companies which will be issuing certificates will have them out in time for the November 1 opening of license plate sales.

He suggests that all insured motorists who do not receive a certificate contact their agents or salesmen to see if they can get it or some other proof that they are insured.

What about persons who make false claims of insurance?

"This is a misdemeanor," Hare said, "subject to both fine, possible prison sentence and the loss of driving privilege. There will be the cheaters, I am sure, but we are going to throw the book at anybody who makes a fraudulent claim. We are going to try to discourage this right off the bat."

"I do not think too many persons—if they would give it some thought—would jeopardize their futures and face other punitive action for \$24," he concluded.

GRANT TOWNSHIP 4-H Club has started a new horse project in this year's program. These two pictures show several of the members with their mounts. Gerald Hayes is leader of the group and Cheryl Hayes is junior leader. Other members are Faye Durant, Kaye Durant, Terri Whitford, Diana Roberts, Kenneth Warner and Geraldine Hayes.
