

Western, Pinkerton and Schreck on IDC Board

Three new directors were named at the annual meeting of the Tawas Area Industrial Development Corporation held Wednesday night at the Tawas Chamber of Commerce office.

Named to three-year terms were William Pinkerton, Ralph Western and Charles Schreck. They replace three former directors, Stuart White, Donald Watson and George Tuttle, whose terms expired.

The meeting was conducted by Henry Oates, president, who outlined activities of the IDC during the past year.

Besides the above named, members of the board include Gordon Huck, Cecil Lamb, Floyd Schaaf Jr., John Hoshbach, James Campbell, Leonard Calabrese and Melvin McCormick.

While the IDC was unsuccessful in obtaining new industry for the area during the year, it was evident from the annual report of officers that it was not their fault. More than 20 prospects were contacted during the year and, as Oates told attending shareholders, "we came close on several."

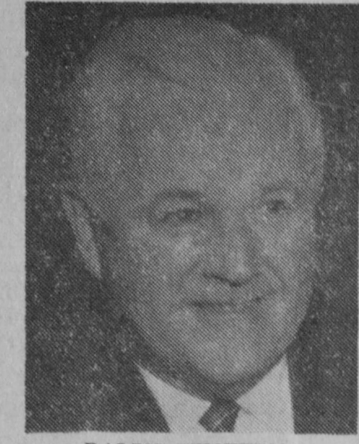

High tribute to the work of the president and members of the board of directors was paid by Corporation Counsel Alf C. Watson, who said that Oates had "been a wonderful asset to the group" and had never failed to do everything possible to further the IDC.

Watson said that the board of directors had learned a great deal about operation of such an organization which seeks to lure industry into an area. Because of the large number of communities seeking industry, competition is great, "but your board is in their pitching all the time."

The corporation counsel said the next year would be a very important one for efforts of the IDC. "We were told by experts when this group first organized that it would take at least four years to reap any benefits." He believed that 1966-1967 would see from one to three industries locating here through efforts of the IDC.

Oates said that they had not given up on one prospect which had been contacted during the past year. This was a firm which manufactured rough castings. "We have

had considerable competition from two other communities which had buildings to offer," said Oates.

IDC Membership Drive Opens May 2

By LEONARD CALABRESE

"Buy a share in your community's progress."

This is what hundreds of Tawas area residents will be asked to do during the Tawas Area Industrial Development Corporation's fundraising campaign May 2 through 14. During that time, the IDC will attempt to raise funds amounting to \$20,000.

Gordon Huck, chairman of the fund-raising committee, has appointed seven men to coordinate the drive in the community. These men will be responsible for house-to-house canvassing in their respective areas.

Alabaster Township, Henry Oates; Tawas Township, Edward Nelkie; Baldwin Township, Val Fallu; East Tawas, Robert LaVoy and Truman Barber; Tawas City, Calabrese and John Hoshbach.

These men in turn are to select several men to help them cover their areas.

No businessmen or industrialists will be contacted at their places of business, but will be approached at home. All Tawas area residents are to be contacted, not just businessmen.

It is the feeling of the IDC that each and every resident will benefit from improving the area's industrial environment, no matter what their business or employment.

Money collected will be used principally for purchase of ideal industrial sites for development of industrial parks and possible construction of buildings to house industries.

It has been painfully proven, more than once, that the lack of these facilities has resulted in loss of location of industry in this area.

Those investing in the IDC can participate as follows:

Purchase of one or more shares in the corporation at \$20 per share. Or, they may purchase stock-conversion certificates at \$5, \$10 or \$15, which can be converted into shares after purchasing a total of \$20 over a given period of time.

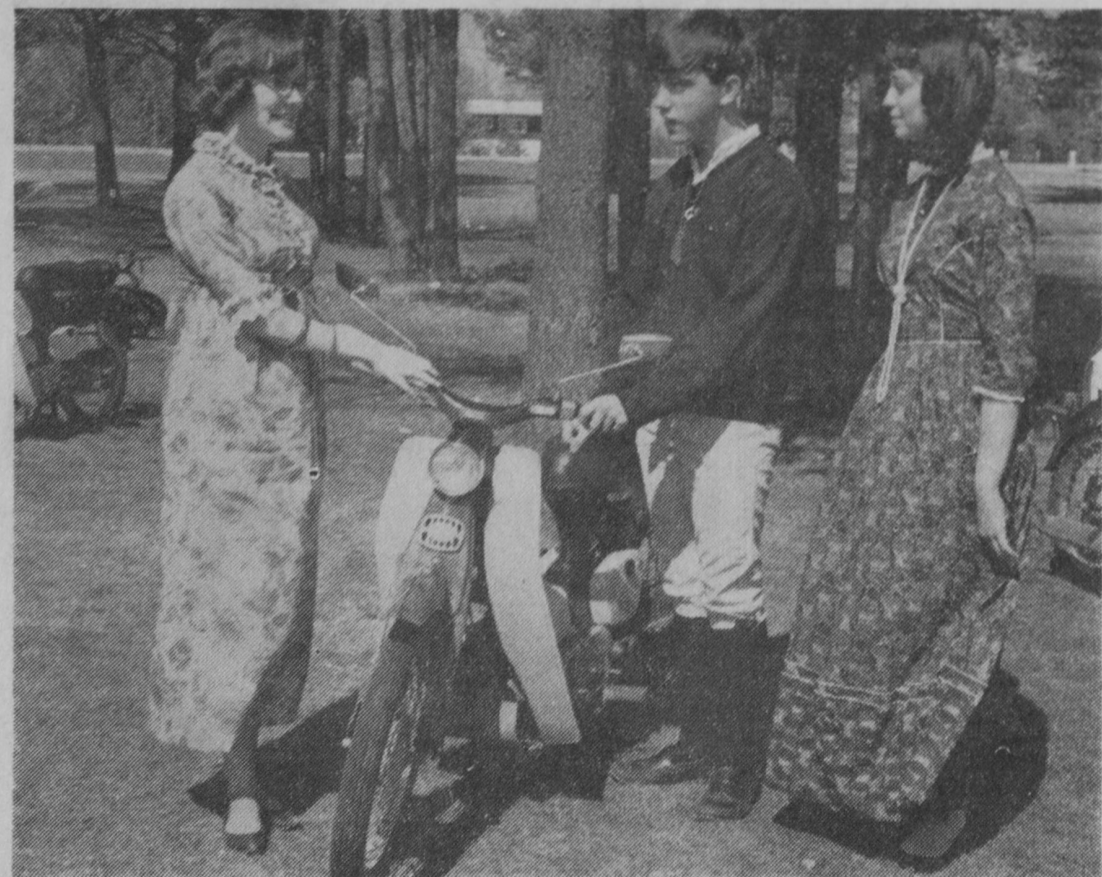

It is pointed out that whether one owns one or 10 shares of stock, they have only one vote in the proceedings of the corporation.

The majority of calls during the drive will be made during the evening hours in order that the solic-

itor may discuss the investment with all members of the family.

This is an opportunity for all residents to do something about improving industry in this area. A successful drive will most certainly lead to success for industrial development. One hundred percent participation is the IDC's goal.

If the area cannot support this all important drive, then the entire area will assuredly take a dangerous step backward in industrial development. Only those who benefit from acquiring new industry in the area will be asked to invest and that is why all will be invited to participate.

STUDENTS of Tawas Area High School had fun last week with the annual observance of "Twirp Week." Toni Miller, Rick Greenlee and Janet Oberlin model some of the costumes worn Friday on old fashioned clothes day. The two girls are wearing flowered print dresses with the long hem lines, stylish during grandma's day. Greenlee sports a pair of button knee pants which were popular in the 1890s. Just to show the modern day, they posed with this motorbike.

Wearing apparel showed tremendous contrast during the week. Monday was clash of colors day, Tuesday saw students wearing non-matching shoes and socks. Wednesday was original hat day and prizes were won for originality by Allen Cholger, Brenda Brugger and Libby Juhl. They received free tickets to a Sadie Hawkins dance Friday night. Thursday was school colors day and red and white were predominate in clothing. —Tawas Herald Photo.

Continue Building Program—

Seek Millage for Two Years

Official action is to be taken May 9 on a proposition to be placed before voters of Tawas Area School District asking continuance of a three-mill tax program.

Tentative plans for the June 13 vote were discussed at Monday night's meeting of the board of education. Formal resolutions on the election are to be adopted at a special meeting the second Monday in May.

Plans call for the board to ask voter approval of continuing the present three-mill special tax levy for another two years. Two mills would be used for constructing and equipping a new shop building at the high school and one mill would be used for operation.

Two propositions would be submitted to voters, one asking that the 15-mill tax limitation be removed and the second establishing a building and site fund. All voters would be eligible to receive the first ballot and only taxpayers would receive the second ballot.

With a state equalized valuation of \$27,500,000, the two mills would bring \$110,000 over the two year program. The one mill would raise \$54,000.

This special voted tax was first adopted in 1961 as a five-year pay-as-you-go building program. It provided funds for enlarging the Tawas City Elementary Unit, construction of a multipurpose room and offices at East Tawas and a new junior high school wing, now under construction at the high school building on M-55.

The Rev. Robert Morrison, member of a P.T.A. study committee which has spent about two months reviewing the proposal, said that the committee believed that the proposed shop facilities for vocational training were needed and urged continuance of the three-mill tax program.

In other business, the board took under advisement a request from the Tawas Chamber of Commerce for use of the East Tawas Elementary Unit playground as the site for a carnival midway during the Michigan Tourist Festival, July 14-17.

John Austin and Vernon Pugh, co-chairmen of the event, said that permission had been granted by the city for use of Newman Street between State and Lincoln as a site for carnival rides during the festival program. Between 10 and 14 rides would be placed on the pavement.

While board members expressed the opinion that the school once had a sad experience with a car-

val when grounds were left in disrepair, the two chamber representatives said that a contract and performance bond would insure that grounds would be left in order before departure of the carnival.

Official action is to be taken at the May 9 meeting.

Names of persons wishing to serve on election boards in the four precincts during the June 13 school vote are to be presented at the next meeting. With four ballots to be handed each voter, the board decided to have four election board members at each precinct.

The board approved continuance of past policy in charging fund-raising groups for use of school facilities at the rate of \$35 for the auditorium. Additional charge is made for the janitor and kitchen equipment. A request for using the school building has been submitted by Isoco County Republicans, who plan a fund-raising dinner.

Spicer Signs ET Engineering Pact

Spicer Engineering of Saginaw has signed a contract to handle engineering for the sanitary sewer expansion project at East Tawas. Clifford Spicer appeared before a meeting of the East Tawas Council last Tuesday night, at which time final arrangements were completed.

East Tawas last week received a federal grant of \$31,000 to assist with planning for its \$750,000 project.

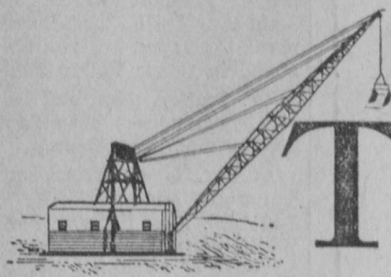

Isoco Schools Receive \$260,500

April payment of \$260,500 in state aid was divided as follows among Isoco County school districts: Osceola Area School, \$172,280; Hale Area School, \$500; Tawas Area School, \$55,420; Whittemore-Prescott Area School, \$32,240. The report was announced Tuesday by William F. Tracy, Isoco Intermediate School superintendent.

Spring Clean-Up Days in Tawas

This is spring clean-up week in the Tawas. Department of public works crews of both Tawas City and East Tawas will be picking up debris left at curbside starting today (Wednesday) and extending through Friday. Both Reginald Bublitz of East Tawas, superintendents of public works, request cooperation of homeowners in this campaign to beautify the two communities.

Whittemore Man Lost 2 Toes When Shotgun Discharged

Harvey Smith, 30, Whittemore, treated at Standish Hospital Saturday after a 12-gauge shotgun he was cleaning accidentally discharged into his left foot.

Investigating state police said that Smith did not realize the gun was loaded and, when he touched the trigger, a full charge of shot went through his foot. He lost the second and third toes on his foot.

Following the shooting, his wife rushed him to Standish for treatment. His car was involved in a minor property damage accident and police learned of the shooting through investigation of the collision.

CONTRACTORS MEET

Eastern Michigan Contractors Association will meet Wednesday, April 27, 7:30 p. m. at the Masonic Temple, US-23, Alpena.

Hale Man Dies in Crash; 2 Women Hospitalized

A 58-year-old Hale man was killed and two women were seriously injured in a two-car crash late Monday afternoon at the M-65-M-55 intersection in Reno Township.

Dead at the scene was Albert W. Allender, a heavy equipment operator, whose body was found pinned under his overturned automobile.

Injured seriously in the crash were Janet M. Hennessey, 24, whose husband, Edward, is stationed at Wurtsmith Air Force Base, and her mother, Mrs. Mary Jordan, 46, National City. The latter underwent surgery for head injuries at Tawas Hospital. Mrs. Hennessey was transferred to the air base hospital.

Investigating state police said that Mrs. Hennessey, traveling east on M-55, apparently ran a stop sign and her car struck the Allender vehicle, which was traveling north on M-65.

Mr. Hennessey, who was following his wife and mother-in-law in another vehicle and witnessed the crash at a distance of about 150 yards, said they were returning home after visiting a family about two miles west of the intersection.

Funeral services had been held that morning for James Jordan, father of Mrs. Hennessey and husband of the second accident victim.

Earl Daugharty, who lives at the southwest corner of the intersection, told police that he was in

Landscaping Project—

County Seeks Local Aid at Medical Care Facility

At the April meeting of Isoco Board of Supervisors, Clarence Everett, chairman of the board's welfare committee, reported that progress on the new medical care building was excellent and that, barring any unforeseen difficulties, the building would be completed on schedule by May 20.

Everett complimented the contractors, the architect, state health department and workmen for cooperation shown in this project. He also informed the board that there were some items not available for the beautification of grounds and others for the comfort and pleasure of patients, in that federal tax funds could not be utilized for such purposes.

Several civic groups and individuals have offered assistance with many projects. Members of the board of supervisors each donated \$10 to the committee for use in landscaping the grounds.

"Our most needed item is a piano and if anyone has one which could be donated to the facility it would be greatly appreciated," said Everett.

The board of supervisors expressed its appreciation for the interest being shown by people of the county in this much-needed facility.

Everett said that Douglas Webb, facility administrator, was progressing rapidly on his staffing and equipping the facility and that the

first carload of furniture had been received.

Any group wishing to help in the beautification project may contact Mr. Everett at 362-2346.

Range Demonstration at Consumers Power

"Artist in an Apron" is the title of a range demonstration to be presented by Marge Mielock, home economist, Thursday, April 28, 1:30 p. m., at the Tawas City office of Consumers Power Company. Refreshments will be served following the demonstration.

Miss Mielock has conducted a number of interesting cooking demonstrations in the Tawas area since entering the employ of Consumers Power Company nearly five years ago. The daughter of Mr. and Mrs. James P. Mielock of Whittemore, she attended Whittemore-Prescott Area High School and is a graduate of Michigan State University.

Orientation Next Week for Parents of Jr. High and Freshmen Students

An orientation program for parents of next year's ninth graders is to be held Tuesday, May 3, 7:30 p. m., in the cafeteria of Tawas Area High School.

A second meeting for parents of students presently in the sixth and seventh grades will be held the following night, Wednesday, 7:30 o'clock, at the same location.

"It is our hope that as many of the parents as possible will be able to attend," states Thomas Pinkowski, guidance counselor at the high school.

Topics to be discussed will include classes available, rules and regulations, a question and answer period and a tour of the building for those who desire to do so.

Ernest W. Jordan, principal, emphasized that parent participation in these meetings is most important.

Isoco Cancer Unit Kicked off 1966 Campaign Thursday

An enthusiastic group of volunteers met at the Holland Hotel last Thursday to open the 1966 cancer crusade for the Isoco County Unit, Michigan Division, of the American Cancer Society.

Mrs. Muriel Horton of Tawas City was given the top award pin by Maynard Reghi of the Michigan Division for over 18 years as service chairman. Only three such pins have been awarded in this unit and those were to Mrs. W. A. Evans, Mrs. Nathan Barkman and Mrs. Herbert Hertzler.

Dr. Harvey Brinkman, medical chairman, spoke on recent progress in cancer research. He stressed the eventual dangers of smoking over a pack of cigarettes a day. He also classified the 40 cases of cancer which entered Tawas Hospital during 1965.

Mr. Reghi outlined the program for the 1966 crusade and stressed the slogan, "A checkup and a check." He followed with two films.

Dessert and coffee were served and hostesses were Mrs. Gerald Rapp, Mrs. Lloyd Cooper, Mrs. William Lyon and Mrs. Clayton Wood.

Chairmen for this year are: Mrs. Joseph Sestak, Hale; Mrs. Henry Pake, Whittemore; Mrs. Raymond Rescoe, Alabaster; Mrs. Martin Strelecki, Tawas Lake; Mrs. Walter Nelson, Mrs. Frank Byrd and Mrs. Fred Landon, Tawas City; Mrs. William McCoy, Mrs. Joseph Hennigar and Mrs. Rapp, East Tawas; Mrs. Floyd Schaaf, Mrs. Lyon, Tawas Point; Mrs. Roy Milnes, Mrs. Fred Rhoad and Mrs. Thomas Howe, Baldwin.

The crusade closes on Memorial Day in Isoco. In the meantime, a neighbor will call on residents and leave information on cancer danger signals. So far, early diagnosis is the most effective weapon against cancer.

Whittemore Boy in Probate Court Custody

A 14-year-old Whittemore boy has been turned over to Isoco Probate Court authorities after admitting he was responsible for numerous breakings and enterings in the Whittemore area during the past two weeks.

Discovery of the latest breaking and entering came Sunday morning at Charters Store. Sheriff Ivan O'Farrell and Deputy Jerry Kruse found a plate glass had been broken out of the store's front door, where entry had been made. Missing was a quantity of change, a radio and soft drinks.

The sheriff's department had been investigating complaints at the Whittemore Elementary Unit, other business places and homes during the past week in the Whittemore area.

Following investigation, the boy admitted the break-ins and involved another youth in one.

Plan Now for Fair!

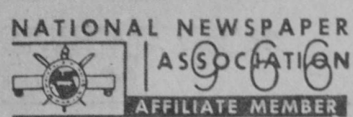

It is time to start planning for the 1966 Isoco County Fair at Hale and with this week's issue of the Herald is included the annual premium list and program for the event. Dates for the fair are July 27-30.

QUOTA, an international service club of business women, is 47 years old this week. A dinner was held Monday night at the Holland Hotel marking this anniversary along with the 12th birthday observance of Isoco Quota Club. Discussing the program were, from left, Mrs. A. J. Herryman, president of the Saginaw club; Mrs. George Tuttle, president of the Isoco club; Miss Vivian Ingram, second vice president, Quota International, Flint; Miss Lina Tyler, president of the Flint club, and Mrs. Jane Kloha, president of Bay City Quota Club.—Tawas Herald Photo.

THE BIBLE SPEAKS TO YOU

The spiritual basis for overcoming sin will be taken up at Christian Science church services this Sunday.

"Behold, what manner of love the Father hath bestowed upon us, that we should be called the sons of God: . . . Whosoever abideth in him sinneth not." These verses from I John will be included among the opening readings in the Bible lesson on "Everlasting Punishment."

Related passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read, including these lines: "What we most need is the prayer of fervent desire for growth in grace, expressed in patience, meekness, love, and good deeds . . . To hold yourself superior to sin, because God made you superior to it and governs man, is true wisdom."

The cloverland session of the Grand Representatives Club of the State of Michigan, Order of the Eastern Star, will be staged Thursday, May 5, at Lixey's Restaurant, East Tawas.

Grand representatives representing all states and countries in which Eastern Star organizations are found will be present for this meeting. Alberta, Manitoba, Nova Scotia, New Brunswick, Ontario, Quebec and British Columbia, Canada, will be among those represented.

The organization has three meetings a year, a winter session held January 22 in Birmingham; the cloverland session, East Tawas; a third meeting is held just prior to the Grand Chapter session in October at Grand Rapids.

Those attending the luncheon, which will be followed by a business meeting, include Mrs. Alice Vollink of Holly, worthy grand matron of Michigan; John J. Kaatz of Yale, worthy grand patron; Mrs. Bernice Hiller of St. Clair Shores, associate grand matron; Kenneth Wiseman of Flat Rock, associate grand patron; Miss Genevieve M. Nauman of West Branch, park secretary; Mrs. Evelyn Parks of Linden, grand treasurer; Mrs. Pearl Rowell of Kalamazoo, past grand matron of Grand Chapter of Michigan. Other grand elected and appointed officers will be present.

Mrs. George Rose of East Tawas is president of the Michigan Club; Mrs. Theodora Henschen of Mt. Clemens, vice president; Mrs. Elizabeth Martin of Schoolcraft, secretary-treasurer; Mrs. Evelyn Block of Montague, parliamentarian.

Mear-Lepard Wedding

—Russell Greene Photo

MR. AND MRS. WILLIAM MEAR

Immaculate Heart of Mary Catholic Church, Tawas City, was the scene of the 10:00 a. m. ceremony Saturday, April 23, in which Miss Louise Lepard of Tawas City became the bride of William Mear of Wurtsmith Air Force Base, Oscoda.

The Rev. Fr. John Kolevar officiated at the double ring rites uniting the daughter of Mrs. Arthur Lepard of Tawas City and the late Mr. Lepard and the son of Mr. and Mrs. Edward Mear of Rochelle, Illinois. Gladioli and white lilies decorated the altar.

Escorted to the altar by her brother, Arthur H. Lepard Jr. of Pontiac, the bride descended the aisle in a floor length, lace over taffeta gown fashioned with scalloped neckline and wristpoint sleeves. Her shoulder length veil was fastened to a wedding bell cluster. A Rosary was woven into her bouquet of yellow and white roses.

For her role as matron of honor, Mrs. James Elman of Oscoda wore a blue dress featuring Empire waist and A-line skirt. Wearing an identically-styled pink dress was Mrs. Norman Manley of Byron,

Illinois, bridesmaid. They carried daffodils.

Attending the bridegroom was Russell Lepard, brother of the bride, best man, Ronald Chumita and James Elman of Wurtsmith Air Force Base served as ushers. Christopher Lepard of Pontiac was ringbearer.

Mrs. Lepard greeted guests in a light blue suit with white accessories. Mrs. Mear chose a dark blue dress. Red rose corsages adorned their ensembles.

A reception was held at East Tawas Community Building for 300 guests attending from Saginaw, Detroit, Rose City, Mendota, Rochelle and Byron, Illinois.

After a three-week trip to Arizona, the newlyweds will return to Oscoda where the bridegroom is stationed.

The new Mrs. Mear is a graduate of Tawas Area High School and her husband graduated from Rochelle Township High School.

The bride was honored with pre-nuptial showers hosted by Mrs. Lepard, Mrs. William Mervyn, Mrs. Billie Myers of Tawas; Mrs. Howard Zanders and Mrs. Glen Woodward of Oscoda.

Will Reside at East Tawas After Eastern Wedding Trip

MR. AND MRS. JOHN E. JOHNSON

John E. Johnson of Tawas City and his bride, the former Joann Newberry of East Tawas, will reside at 711 West Lincoln Street, East Tawas, following their return from a trip to the Eastern States.

The daughter of Mr. and Mrs. John Newberry of East Tawas and the son of Mr. and Mrs. Victor Johnson Sr. of Tawas City exchanged nuptial vows Saturday, April 23, in Wilber Methodist Church. Mrs. Keith Borgstrom of Flint served as organist for the 4:00 p. m. ceremony.

For the double ring rites read by the Rev. Stephen Meeks, the bride wore a floor length, white brocade dress with A-line skirt. A pearl-decorated rose headpiece secured her fingertip veil and she carried an arrangement of white carnations centered with a pink rose corsage.

Approaching the altar in a street length, bronze dress with matching accessories was Mrs. Nell Abbott Sr. of Tawas City,

cousin of the bride. Her flowers were yellow daffodils.

Victor Johnson Jr. of Union Lake, brother of the bridegroom, served as best man. Guests were seated by Lyle Newberry of Flint, brother of the bride, and David Johnson of Union Lake, nephew of the bridegroom.

For her daughter's wedding, Mrs. Newberry chose a dark green crepe dress. Her corsage was fashioned of yellow roses.

For the reception, white wedding bells, pink and white flowers decorated the church parlors. Guests were present from Bay City, Flint, Pontiac, Grand Rapids, Detroit, Union Lake and St. Clair Shores.

Hostesses honoring the bride with pre-nuptial showers were four fellow employees of General Motors Institute, Flint, kitchen and dish shower; Mrs. Ray Cross, Mrs. Abbott and Mrs. Hershall Hyzer, miscellaneous.

Marriage Rites Solemnized at St. John's Church, Davison

MRS. ROBERT L. JORDAN

Baskets of white carnations, chrysanthemums and roses decorated the altar of St. John's Church, Davison, Saturday, April 16, for the double ring ceremony in which Robert L. Jordan of Otter Lake claimed Dorothy M. Lazzeri of Otter Lake as his bride. The Rev. Fr. Bernard C. Beahan officiated.

The bride is the daughter of Mr. and Mrs. Paul Lazzeri of Otter Lake. The bridegroom is the son of Mrs. Marie Wellington of Otter Lake and the late Merlin Jordan. The Jordans are former National City residents.

Given in marriage by her father, the bride selected a white tulle over lace dress. Her silk illusion veil was held by a pearl crown. Orchids, white and yellow roses made up her bouquet.

Identically-styled, floor length gowns of yellow and olive green were worn by Ann Evans, maid of honor; Sharon Strong and Judy Woodward, bridesmaids; Denise Jordan and Paula Bradanini, junior bridesmaids, and Cindy St. James, flower girl. Fingertip veils were held in place with matching flowers. They carried baskets of yellow roses and daisies.

Mr. Jordan chose Robert Underwood as his best man with Paul Lazzeri, attendant. David Ross and Alfred Jordan seated the guests,

Robbie Underwood carried the rings.

For the wedding and reception in American Legion Hall, Lapeer, the bride's mother selected a pink lace dress with matching accessories and pink and white orchid corsage. Mrs. Wellington was attired in an off-white metallic gown with white accessories. A yellow and white orchid corsage complemented her ensemble.

Out-of-town guests attended from the Tawas, National City, Flint, Detroit, Whittemore, Columbiaville, Otter Lake and Texas.

Following a two-week trip to Niagara Falls, the couple will reside at 5845 Genesee Avenue, Otter Lake.

The bride attended Lakeville High School and Flint Beauty College and presently operates a beauty salon. Her husband attended Tawas Area High School and is employed at Buick Motor Division, General Motors Corporation, Flint.

TA Trackmen Won 12 Essexville Events

Tawas Area High School trackmen won 12 of 13 events Wednesday over Essexville. Taking a 92-17 decision, the Braves swept six events by winning first, second and third in each.

Dale MacLean, senior, set his third school record this spring by winning the 100-yard dash in 10.25 seconds. The previous record was 10.3 seconds. MacLean set records in the long jump and 220-yard dash a week ago.

MacLean won a total of three firsts during the day and ran on the winning 880-yard relay team.

Dick Grebe annexed three firsts during the day in high and low hurdles and the high jump. He was also on the 880-relay team.

Other firsts by Tawas were as follows: Bill Deckett, half mile, two minutes, 10.8 seconds; John Bailey, mile, four minutes, 57 seconds; Ed Cain, quarter mile, 55.8 seconds; 880-yard relay team.

Grebe, MacLean, Lixey, Thunberg, one minute, 36.8 seconds, only 1.3 seconds off the Tawas school record; mile relay, John and Joe Bailey, Greg Reinke and Cain, three minutes, 51 seconds.

West Branch hosts a triangular meet today (Wednesday), 4:30 p. m., with the Braves and Pinconning Spartans going against the Orioles.

Continuation of Jr. Baseball Program Assured After Meet

Continuation of the junior baseball program has been assured in the Tawas area.

"We were most gratified with the response of parents to our appeal for managers last week," said Raymond "Pete" Rescoe, president of the junior baseball program. "We signed up all but two Pony League managers at our meeting last Friday night and we even had a couple of moms in attendance, who would have been willing to help us out."

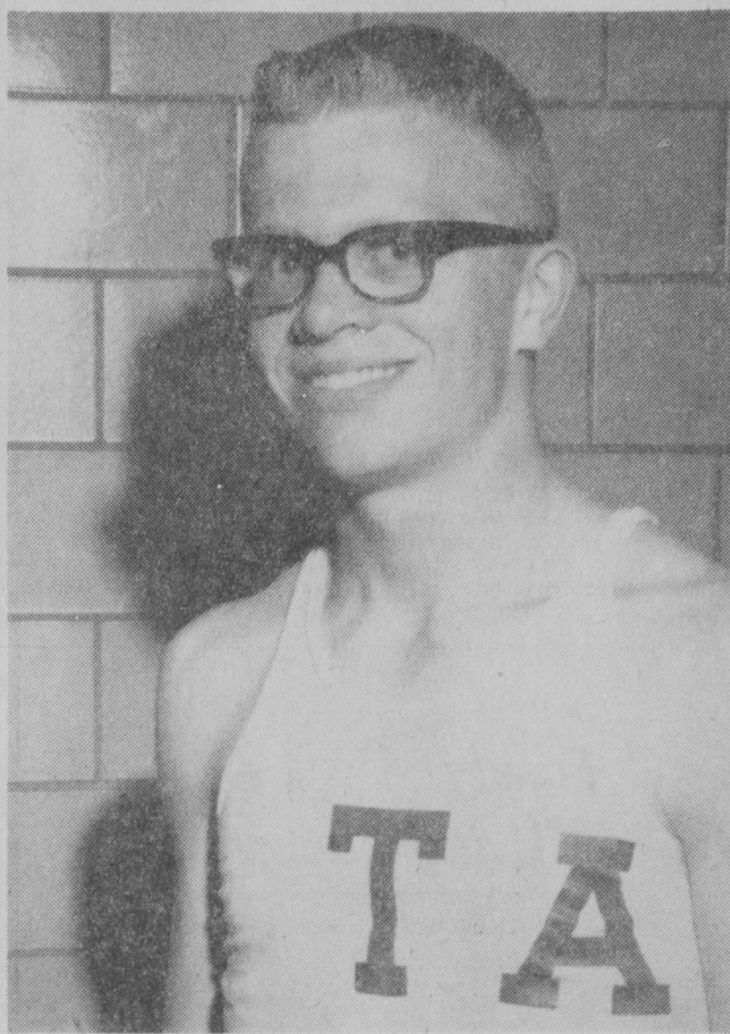

About 400 youngsters from the Tawas area are involved each summer in this eight-week program. Possible curtailment of participation would have been the result had not 13 or 14 vacancies in team managers been filled.

Ernest Mousseau, head football coach at Tawas Area High School, was hired as the summer athletic director. The program now seeks a director for the four-week program for girls' athletics.

The program for both boys and girls is sponsored and financed jointly by city councils of East Tawas and Tawas City, the Tawas Area Board of Education and township boards of Tawas, Grant, Alabaster and Baldwin.

A meeting is to be held this Friday night, 7:30 o'clock, at the American Legion Hall, East Tawas. Rules of play and the organization's constitution are to be explained to new managers.

The baseball program is scheduled to start shortly after the close of the school term and is to extend to July 31.

AuSable River Golf Course Approved For Class C Resort Liquor License

AuSable River Golf Club, which recently underwent a reorganization, has been approved for a class C resort license by the Michigan Liquor Control Commission.

Meeting state requirements, the application was approved April 20 and will be effective from April 1 through New Year's Eve. It was made available through a special act of the legislature which allows issuance of 12 licenses per year in the state.

Originally, an application for a license had been filed by officers of the golf club in 1964. Following a reorganization earlier this year, Davison and Son Builders,

Incorporated, Tawas City, assumed controlling interest through purchase of 65 percent of the stock.

AuSable River Golf Club represents an investment of \$247,000. The 18-hole course includes a clubhouse and 139 acres of land. An additional 80 acres of land are leased from Consumers Power Company.

Braves Down Orioles in Home Opener Fri.

Behind the two-hit pitching of Senior Bob Sieloff, the Tawas Area Braves rolled to a 10-2 win over West Branch under the lights here Friday night.

Sieloff breezed through four scoreless innings before allowing West Branch two runs in the fifth inning on a walk and four infield errors. He struck out nine and walked five in the seven-inning game.

Tawas Area jumped into the lead in the second inning when Koepke was safe at first on a fielder's choice. He then went all the way around on a stolen base and two passed balls.

The Braves pushed three runs over in the third on walks to Duff and Wilkinson. A single by Fairfield scored one run and a single by Leslie scored another.

Tawas scored four in the fourth when Schirmer reached first base on an error. Duff was an infield out and Wilkinson walked. Fairfield then tripled to score two runs and scored later on Dale Frank's single.

The final two runs came when Frank singled and Koepke tripled in the sixth inning. Koepke then scored on a passed ball.

Besides long triples by Fairfield and Koepke, Howard Rollin had a ringing double in Tawas' eight-hit attack.

need an auto loan?

borrow from yourself and save money . . .

. . . at your C.U.

When you borrow money to buy a car, are you confused by interest rates? Do you know for sure how much your loan costs you?

Remember this: Most people who lend money are in business to make a profit. But a credit union is in business to help its members. It is owned by its members. That's why a loan from a credit union usually costs less.

There's no point in charging yourself high interest rates. In fact, many credit unions give borrowers an interest rebate at the end of the year. And they're the only ones who do.

Credit unions offer advantages you find nowhere else. For example, loans to all qualified members are insured as an extra benefit at no extra cost. If you die or are totally and permanently disabled, your loan is paid up in full.

So buy your car the low-cost way. Visit your credit union office before you walk into the dealer's showroom. You'll probably save money. Borrow from yourself!

If you're not now a credit union member, contact the CU where you work, or the one in your parish or neighborhood. Or write Michigan Credit Union League, 13235 Woodrow Wilson, Detroit, Michigan 48238.

It pays to save or borrow at your credit union

Special fiber developments in nylon have brought new upholstery fabrics. One is antronylon, featured in an upholstery cloth with a pile surface in which both the face and backing is of the same material.

Work is going on with a blend of nylon, Orlon and Dacron polyester. Already, caprolan nylon appears in a corduroy textured fabric giving a new effect to furniture. The same fiber is in a brocade fabric.

New in the upholstery fabric field is one being developed from polypropylene (blankets, shoe fabrics, jacket pile liners are in the making, too).

Those fluorozider finishes (water and oil-borne stain resistant), such as Scotchgard and zepel, often appear on upholstery fabrics. They made a quick clean-up without staining possible... might be a problem in shampooing because it is necessary to rinse away all traces of detergent to keep the finish effective.

Some 25 fabrics for the home sewer appear in one line this spring, protected with zepel. Identification will be marked on the selvage. Look for the statement. The collection includes prints,

plains, yarn-dyed wovens, voiles, jacquards, checks, homespuns and luxury-look fabrics made from blends of synthetics and natural fibers. DuPont's quality control program will assure one of the continuing high quality finish.

Would you like an ironing board cover that is a joy forever? Nomex nylon makes up into a cover that can "take it" for five years, according to one guarantee. This fiber began as a fabric in the outer layers of space suits for the astronauts.

A cooler ironing surface, no sticking and resistance to the hottest iron heat setting are features of this cover. It out-performs other materials six to one at ordinary settings, 20 to one at highest settings, initially but it lasts and lasts. Less expensive but perhaps an improvement over what you have are various kinds of covers with teflon for smoother, easier ironing.

William H. White, Former Supervisor, Died at West Branch

William H. White, former Reno Township supervisor, died April 19 at Tolfree Hospital, West Branch, after a brief illness.

Funeral services were held Friday at Forshee Chapel, Hale, with burial in Reno Township Cemetery.

He was born April 23, 1895, in Canada. In addition to serving his township many years on the board of supervisors, Mr. White had served on the township board in various capacities over the years.

He was a member of Glenn Stanley Post, American Legion, Hale; Hale Lodge No. 518, F&AM, and Whittemore Chapter No. 426, Order of Eastern Star. He was a lifetime member of the Gleaners. He had also served on the township school board.

Surviving are his wife, Violet; one daughter, Mrs. Verneta Steadman, Alpena; one brother and five sisters.

Convert your home or business to economical Natural Gas heat today and pay nothing until October 1, 1966.

Convert now to Gas heat and Michigan Consolidated Gas Company will buy your unused oil or coal—even remove your oil tank—all at no cost to you. What's more, whether you convert your present furnace, or even install a new Gas furnace, we'll pay the bill. And all you pay us, between now and next October, is for the Gas you'll use to make this your most comfortable winter ever. Here's how this special limited-time offer works:

1. If you're now heating with oil, we'll buy what's left in your storage tank—at the price you paid for it. What's more, we'll remove your tank from your home or business and even haul it away if you want. All at no cost to you.
2. If you're now heating with coal, we'll take what coal you have on hand, off your hands. And pay you whatever it cost you originally.
3. Whether you convert your present furnace, or even install a new Gas furnace, we'll pay for it and its installation by a qualified heating contractor, and it won't cost you a penny until next October. You can pay for the unit and its installation on October 1, 1966 with no carrying charge whatsoever. Or if you prefer,

you can make equal monthly payments, including carrying charges on your Gas bill, over a period of up to three years after October 1, 1966. Either way, there are no carrying charges between now and next October, and you need make no payments between now and next October. If you live in the areas we serve in the counties listed below, you're entitled to take advantage of this special limited-time offer. So act now. Call your heating contractor or Michigan Consolidated Gas Company office today for details. Your local Michigan Consolidated office number is 362-4458 in Tawas.

Iosco County Fair at Hale-July 27-28-29-30

One of last year's 4-H Club livestock exhibit winners.

IOSCO COUNTY FAIR SECTION

April 27, 1966

THERE'S FUN for everyone at the Iosco County Fair — The midway, harness racing, games and contests, parade, etc.; but, more importantly, the fair offers an opportunity for Iosco farmers and 4-H Club members to exhibit livestock and other farm products, showing the value of agriculture to the area. All Iosco farmers are urged to participate, either by entering exhibits or through active support of the program.

STATE OF MICHIGAN
DEPARTMENT OF AGRICULTURE
BUREAU OF ANIMAL INDUSTRY
LANSING, MICHIGAN
Department of Agriculture Regulation No. 133
Regulation Relating to the Public Exhibition of Poultry
By virtue of the authority provided by Act 181, Public Acts

of 1919, as amended, the following rules and regulations are hereby established:

- 1. Feed and water containers provided for exhibition coops shall be new or properly cleaned.
2. Feed or water containers from which birds have eaten or drunk must be refilled so as not to contaminate the common supply of feed and water. Feed or water containers may not be removed from exhibition coops except for the purpose of cleaning.
3. Exhibition coops must be constructed and placed as to provide adequate light for proper inspection of poultry for evidence of transmissible diseases.
4. Litter for exhibition coops must be of clean material and renewed daily or oftener as needed.
5. Shipping crates used in shipment of birds by common carrier may not be used as exhibition coop. Shipping crates shall be cleaned and disinfected after birds have been removed for exhibition and before being used again.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the Department of Agriculture this 3rd day of May, 1949.

MICHIGAN DEPARTMENT OF AGRICULTURE
by: G. S. McINTYRE, Director

- Rules—Exhibitors are requested to read carefully rules and regulations covering exhibition of poultry. All exhibits shall be (a) purebred (b) cross bred from purebred parents. All birds showing any general disqualifications according to the Standard of Perfection shall receive no award. Provided the birds are typical of the breeds which they represent, the placing of awards shall depend upon the following:

- A. Pullets:
1. Rapidity of growth.
2. Depth of pigment.
3. Uniformity of shape and size.
4. Promise of egg production.
5. Absence of defects and disqualifications.
B. Mature Birds (Hens):
1. Degree of bleaching.
2. Condition of abdomen (spread and pliability).
3. Absence of new primary wing feathers.
4. Alertness of head and eyes.
5. Body weight, conformation and fitness.
6. Absence of defects and disqualifications.
It is suggested, especially for fairs held late in September and October, that all birds exhibited go directly from the Fair to market for slaughter so that none of them will be taken back to the farm. The reason for this precaution is that the birds may take back some disease to the farmer and injure his egg production of his farm flock, if such disease is infectious and of the type which will lower his egg production.
A pen entry shall consist of two females and one male. (Classifications: Cock, Cockerel, Hen, Pullet.)

SECTION I—CHICKENS

Division I—American table with columns for Class, 1st, 2nd, 3rd prizes.

GEORGE ROMNEY, Governor
MICHIGAN DEPARTMENT OF AGRICULTURE
MICHIGAN STATE BUILDING
LANSING, MICHIGAN 48226

COMMISSIONER
B. DALE BALL
LANSING, MICHIGAN 48226

TO THE VISITORS AND OFFICIALS OF THE FAIR:

It is my privilege to extend an official welcome to you for the 1967 Fair. Michigan citizens are fortunate indeed. Our good fortune is nowhere more effectively displayed than at fairs such as this.

Michigan is a dynamic state. The variety, abundance, and excellence of our agricultural and industrial output reached new heights during 1965, and I predict it will set new records during 1967. Our two beautiful peninsulas, richly endowed by our creator with water, forests, and wildlife, give every citizen an unexcelled opportunity for recreation. They are, as well, the basis for an ever-expanding tourist industry.

While fairs provide a showcase for Michigan's industry and agriculture, the competition they stimulate generates continually higher standards of excellence. This continuous drive for improvement is the spirit that has sustained Michigan's national leadership in dynamic progress.

Sincerely,
George Romney
Governor of Michigan

TO FAIR VISITORS AND FAIR SPONSORS:

Michigan's agricultural fairs have always been an inspiration for the improvement of our great variety of agricultural products. This has come about through the keen competition stimulated when growers, livestock producers, 4-H and FFA youth, home-selves, and others use fairs as a showcase of Michigan farm products. Thus, fairs have contributed greatly to the development of Michigan's modern agri-business.

It is my hope that in the future fairs may be of even greater service to Michigan farmers through increased activity in marketing. It is vitally important that Michigan agriculture become as efficient and effective in marketing as it has become in production. Fairs can help accomplish this goal.

May I congratulate the many citizens responsible for Michigan's fairs for their excellent exhibitions. I also want to extend the best wishes of the Commission of Agriculture and all members of the Department staff for an outstanding fair season in 1967.

Sincerely,
B. Dale Ball

- 9:00 P. M.—Saturday, July 30—Release of exhibits.

General Rules

- Club members are to fit, show and take care of their own exhibits.
- All State sanitary and health regulations MUST be met.
- Showmanship classes
 - A 4-H Club showmanship class member may not enter more than one class.
 - The member must personally own, fit and show his or her animal.
 - Basis of Award: (1) Showmanship by owner; (2) Fitting of animal; (3) Training of animal.
 - Showmanship classes shall be divided (1) Showmanship contestants, 10-13 years of age (as of July 1) (2) Showmanship contestants, 14-18 years of age (as of July 1).
- All Livestock exhibits and the area occupied by them must be kept in good order by the exhibitor as directed by the Superintendent in charge.

Each 4-H Club is responsible for their own clean-up equipment such as rakes, forks, shovels, etc.

- All vegetables and flowers exhibited must be raised by 4-H members.
- Michigan 4-H Projects Guide provides exhibit information except as indicated in Premium List class descriptions.
- All food exhibits must be packaged in clear polyethylene bags, secured with a rubber band or wire twist. Such bags may also be used as protectors for Knitting exhibits.

Health Requirements for Livestock Exhibited

Requirements provided in Michigan Department of Agriculture Regulations No. 110, 116, 117, 133 and Section 10 and 21b of Act 181, Public Acts of 1919, as amended.

- Livestock affected with a communicable disease must not be exhibited at nor brought to the fair.
- At least seven days before an exhibition of livestock, the buildings and yards shall be thoroughly cleaned of all manure, litter and unused hay and straw. Following such cleaning, all structures shall be thoroughly sprayed with an approved disinfectant. After cleaning and disinfection, no livestock shall be placed in such pens until admitted for exhibition.

CATTLE

Cattle may not be exhibited from a quarantined premise or a quarantined area except upon permit from the Director of Agriculture or his authorized agent.

ALL CATTLE MUST BE IDENTIFIED BY EAR TAG, TATTOO, OR REGISTRATION NUMBER

All native Michigan cattle must be accompanied by a certificate of record (form 275) certifying to the brucellosis and tuberculosis status except the following:

- Officially vaccinated under 30 months of age.
- Native steers.

- Spayed heifers.
- Free martins.
- Calves under 12 months of age.

Free martins and spayed heifers must be accompanied by a letter of certification from a veterinarian.
A Form 275 will be issued by the Michigan Department of Agriculture upon request provided the following requirements are met:

TUBERCULOSIS

No cattle may be exhibited from a tuberculosis quarantined herd.

- Cattle identified as not under quarantine and located in a modified accredited tuberculosis free area are not required to be tested for tuberculosis; or
- Cattle identified as originating from herds not under quarantine and located in counties not designated modified accredited tuberculosis free areas shall be required to pass a test for tuberculosis within 90 days of the opening day of the fair or exhibition.

BRUCELLOSIS

No cattle may be exhibited from a brucellosis quarantined herd except upon a permit.

- Cattle under 30 months of age may be exhibited if accompanied by an official certificate of calthood vaccination for brucellosis issued by the Director of Agriculture. Form 275 will not be required for such officially vaccinated animals; or
- Cattle not officially vaccinated and over 12 months of age and officially vaccinated cattle over 30 months of age must pass a blood test for brucellosis within 90 days of opening day of fair or exhibition. Form 275 must accompany animal; or
- Cattle identified as originating from a certified brucellosis free herd blood tested within a year may be issued certificates of record (Form 275) upon request; based upon the certified herd status. Form 275 must accompany animal; or
- Cattle identified as originating from herds not under quarantine located in a modified certified brucellosis area (county), the herd having passed a complete herd blood test for brucellosis within one year of the opening days of the fair or exhibition may be issued certificates of record (form 275) upon request, based on herd status. Form 275 must accompany animal.

DOGS

It is recommended that all dogs have distemper shots and be free from disease and blemishes.

HORSES
