

FOUR MEN had a close call Sunday afternoon when this stripped-down foreign car rolled over on Wilber Road one-quarter mile south of Indian Creek. Kenneth M. Foor, 18, driver, and Duane Kamp, 24, both of Oscoda, escaped injury. Carleton Krozier, 26, Taylor, and Larry Smith, 25, Wurtsmith Air Force Base, were hospitalized. Foor lost control of the vehicle on a sharp, downhill curve. The men were thrown from the vehicle, which burst into flames causing a grass fire. Foor is shown walking past the vehicle with an investigating state police officer in the background.—Tawas Herald Photo.

## Tawas A. School Voters Okeh Millage Proposal

Tawas Area School District voters reversed their decision of last month and last Friday approved extension of a special three-mill tax levy for two years.

The proposal, winning 495-330, had substantial margins in three of the four voting precincts.

Precinct No. 1 (East Tawas, parts of Wilber and Baldwin Townships) approved the proposal, 218-137; Precinct No. 2 (Tawas City, parts of Baldwin and Wilber Townships) gave its approval, 165-96; Precinct No. 3 (Tawas, Grant and part of Sherman Township) gave the only negative vote, losing there, 75-68; Precinct No. 4 (Alabaster and part of Whitney Townships) approved the measure, 44-22.

Based on the district's state equalized valuation of \$27,327,979, the three mills will provide approximately \$82,000 annually.

## Tawas Bay to Host Lightning Sailors

Tawas Bay Yacht Club will host Michigan skippers in an invitational Lightning regatta Saturday and Sunday, August 6-7.

Between 10 and 15 boats are expected to participate in the races, billed as a warm-up for the North American Lightning championship to be held at Buffalo later in the month.

Charles Schreck is regatta chairman and L. G. (Ladd) McKay is race chairman. A barbecue for skippers and their families is to be held Saturday night at the yacht club.

Plans are progressing well for the North American Finn championship regatta to be held August 22-26 on Tawas Bay. Competitors are expected from Canada, Mexico, Bermuda and Puerto Rico, as well as various points in the United States.

Among those coming will be Pete Barnett, 1964 United States Olympic silver medal winner, Newport, California.

The one-man Olympic class sloops will hold eight races during the regatta.

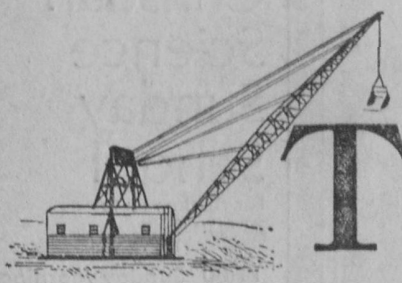

## Tawas City Man Charged With B&E

A warrant has been issued charging Donald Nelem, 41, Tawas City, with breaking and entering of Chum's Bar, East Tawas, early last Wednesday morning.

Employees of the Midway Bakery heard glass breaking in the nearby tavern and notified the Michigan State Police Post. East Tawas Police Chief Donald Docking was called and state police received a report a minute or so later stating that a man was walking west on Westover Street carrying two bottles, one under each arm.

Desk Officer Richard Depuydt and Docking raced to the scene, but the man disappeared.

William Klenow, tavern owner, reported that \$50 in cash was taken, along with \$15 in change and two bottles of liquor.

## County Millage Loses—

# Prescott Wins Nomination

George A. Prescott, veteran Isoco County clerk, won in his bid for Republican nomination as 102nd District state representative in Tuesday's primary election.

With two precincts still to report at 1:15 a. m. today in Isoco County, Prescott had a total of 2,997 votes in Arenac, Ogemaw, Bay and Isoco, as compared to 1,592 votes for Henry E. Smith.

The local candidate received 1,521 votes in Isoco with Plainfield and Baldwin still to report, 485 votes in Arenac, 548 in Ogemaw and 443 in Bay.

In his home county of Bay, Smith received 879 votes, but fell behind with 198 in Arenac, 172 in Ogemaw and 343 in Isoco.

Prescott will now meet Sanford B. Charron, in the November general election. He was unopposed for Tuesday's Democratic nomination for state representative.

With 14 of 19 precincts reporting early Tuesday morning, Isoco's special millage vote was losing, 1,069 to 804. Of the precincts reporting, only Tawas City's Second

Ward and Oscoda carried the millage.

In three interesting races for Republican nomination as township supervisor, A. Ray Mead defeated Wilber Township incumbent, Alton Abbott, 69-46, with the third candidate, Francis Block receiving 20 votes; Former State Rep. James Mielock won the Reno Township nomination, 48-25, over Will Waters; Charles Smith, Oscoda Township incumbent, defeated Bruce Myles, 301-263.

## Council Takes Initial Step on Sewer District

### Sixth Annual—

# ART SHOW AND SALE

Sixth annual Tawas Bay Waterfront Show and Sale for artists and craftsmen will be held this Saturday and Sunday at the Tawas City Park and Isoco County Building.

More than 50 entries have already been received by the Tawas Chamber of Commerce and show officials believe the list will reach 75 or more.

The show will be open to the public from 9:00 a. m. to 9:00 p. m. on Saturday and from 9:00 a. m. to 5:00 p. m. on Sunday.

Mrs. Herbert Hertzler, who is co-chairman with Mrs. Lute O'Loughlin, said this year's event will have several new features. There will be five different demonstrations during the show.

John W. McCormick and William Vincent, Flint, will demonstrate silk screen printing; Steven Verick, Plymouth, glass; Robert Nevin, Saginaw, pottery; Raymond Heimbach, Detroit, water colors; David Samson, Detroit, oil painting.

There will be a junior division, with exhibits both indoors and outdoors, for anyone under 21 years of age.

Door prizes are to be awarded and the public is to be given the opportunity to select winners among artists and craftsmen for popular prizes.

Committee chairmen include: Mrs. Joseph Allen, hostesses; Donald Darr, publicity. Hostesses are members of the Tawas Bay Artists and wives of councilmen of the Tawas.

Cecil Cagle, Gordon Dunham and James Campbell are members of the Tawas Chamber of Commerce art show committee.

First step in the creation of a special assessment district to finance costs of constructing sanitary sewer mains south from Mathews Street on both sides of US-23 was taken Monday night by the Tawas City Council.

The council directed City Attorney Alf C. Watson to prepare the first resolution on the proposed district. About 15 different steps are required before the district becomes a reality.

Supt. of Public Works Reginald Bublitz told interested property owners attending the meeting that easements had now been obtained from all property owners within the district and condemnation proceedings would not be required.

Because of special boring equipment needed and the actual size of this project, Bublitz said that the city would be incapable of constructing this sewer. The project would be contracted.

Before the project reaches the construction stage, however, several hearings would be required to determine if property owners wish to go ahead with the work.

Because of the fact that mains would be shallow, the state health department requested the council to prohibit construction of new homes with basements in that area, unless adequate facilities are provided by the property owner to pump basement drains into the new sewer line. Homes presently served by septic tanks would be able to connect directly with the proposed new system through gravity feed.

While adopting the resolution requested by the state in order to receive approval of its construction plans, the city pointed out that the area along US-23 to be served by the new sewer is commercial and that construction of homes there is not allowed under terms of city ordinance.

In other business, the council signed an agreement with the Isoco Road Commission for purchase of 250 cubic yards of crushed limestone from the county quarry.

The council authorized purchase of a new camera for the police department. The equipment is to be used for motor vehicle accident investigation and other police matters.

Because of the number of complaints being received from home owners in the vicinity of the Midway Drive-In Restaurant, owners have been asked to refrain from (See COUNCIL, page 8.)

## Plainfield Firemen to Sponsor Annual Picnic

Plainfield Township Fire Department will hold its annual barbecue Sunday, August 7, at the Hale Fairgrounds, 12 o'clock noon until 5:00 p. m.

Grand prize to be given away will be a 10 by 18-foot tent, plus other prizes. A firemen's barbecue queen will be selected during the festivities.

This event has been very popular over the years and stresses participation by families. Games and contests are planned for the children.

## During Sunday's Dedication—

# Everett Receives Praise

FLAG RAISING ceremonies during Sunday's dedication of the Isoco Medical Care Facility is pictured at top. Clarence Everett, second from right, is shown receiving a plaque to be installed in his honor at the facility. From left are Circuit Judge Allan C. Miller, Former Circuit Judge Herman Dehne, Lloyd S. Little, Everett and Douglas Webb, medical care facility administrator.—Tawas Herald Photo.

"One person does not accomplish any job of this size by himself. It took the combined efforts of many people and I cannot recall that anyone ever refused to work on this project when called upon."

So stated Supervisor Clarence Everett during Sunday's dedication of the new Isoco Medical Care Facility. More than 400 persons attended the ceremony. The building, costing nearly \$600,000 in federal and local funds, is located on Plank Road just west of the city limits of Tawas City.

Everett, hard-working chairman of the Isoco Board of Supervisors' welfare committee, received praise from every speaker who addressed the crowd. As a tribute to conceiving the idea for a medical care facility, for his work in planning and promoting it, one room has been named in his honor.

L. S. Little, chairman of the board of supervisors, presented a sketch for a plaque inscribed with Everett's name which is to be affixed to the door of the general purpose room.

With spectators seated on chairs set up on the lawn or in the shade of a beautiful grove of pine trees east of the facility, the dedication program started with raising a flag presented by members of the Veterans of Foreign Wars Auxiliary.

Circuit Judge Allan C. Miller, master of ceremonies, called upon Chairman Little as one of the first speakers. Little said the new facility would relieve the county of worrying about what could happen to people living in Huron Convalescent Home had a fire struck there. "Such a facility is not just brick, mortar and stone, but it goes back to the ideas, dreams of many years and a lot of hard work," he said.

James A. Spence Jr., Spence and Smith, architects, reported that the building had been constructed for a figure far below the budgeted figure, which allowed purchase of additional equipment. He complimented L. A. Trapp Construction Company, general contractor, and all subcontractors for their fine work.

In receiving keys to the facility, County Welfare Board Chairman John Henry remarked that with construction of this facility, people will not have to say they are "going over the hill to the poor farm—I hope this facility is operated for what it was originally intended—to take care of our older people," said Henry.

John Gumbatto, administrative assistant of the State Department of Social Services, was reminded by Mr. Henry's remarks that in 1935, 81 of the 84 counties of Michigan had poor houses. Today, only 18 remain and he was thankful.

Through physical treatment provided by medical care facilities, Gumbatto said that many aged people could return to their own homes—"It is not just a place to keep sick, old people. Instead of dedicating this building to the principle of adding years to life, it should be dedicated to adding life to years," he said.

In his dedicatory address, Herman Dehne, retired circuit judge, recalled some of the words which he used 15 years ago in dedicating Tawas Hospital. He said that "We (See DEDICATION, page 8.)

## ET Mayor Names Three to Fill Park Vacancies

Written resignation of three park commission members was accepted Monday night by the East Tawas Council and the vacancies were filled by three appointments of Mayor James Campbell.

Quitting the board were Chairman M. F. Killey, Ralph A. Meyers and Lewis Besancon. Named to succeed them were Wayne Vaughn, James Martin and James Bolen.

William Look Sr. was named two weeks ago to succeed James LaBerge. Only member remaining on the commission is Wayne Polard, whose term expires in 1971.

Resignation of the last three members came as a result of the council action earlier this summer which overruled the commission allowing teen dances along the beach. Mr. LaBerge resigned last month because of business interests.

A park commission meeting is to be held this Thursday night to elect a new chairman.

In other business, the council authorized Russell Small to obtain estimates on improving 80-100 lots at Greenwood Cemetery. Small said that the lack of lots to sell was becoming critical. Platted lots between the gate and Veteran's Cemetery are to be improved and sold.

On recommendation of its finance committee, the council approved a \$50 monthly salary increase for Police Chief Donald Docking.

Central Paving Company of West Branch was allowed to use city property at the old fairgrounds for its blacktop plant at a rental fee of \$100 per month.

The council authorized purchase of a new siren for the police car.

### US-23 Project

Work started Monday on blacktopping US-23 through Tawas City from the Townline Road to the city limits at East Tawas. Central Paving Company, West Branch, is contractor for the state highway department. Construction of curbing and concrete base was completed last month by T. A. Forsberg Company.

## Council Proposes Motorbike Rental Agency Control

Control of motorbike rental operations, along with a proposed ordinance requiring safety helmets for riders, again came under discussion at Monday night's meeting of the East Tawas Council.

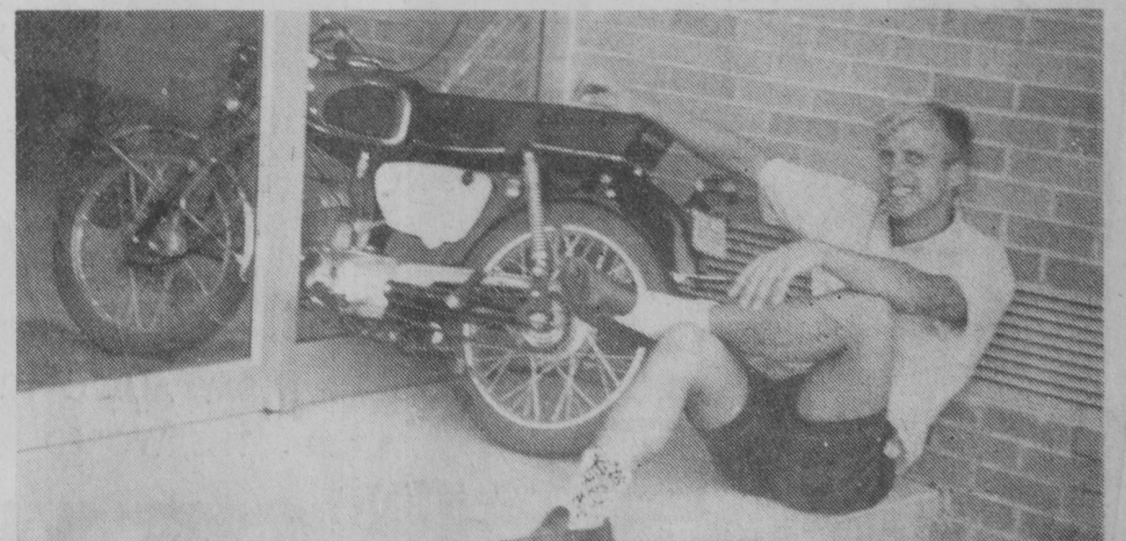

The city is awaiting receipt of sample ordinances from the Michigan Municipal League concerning helmets for riders. Two different amendments to the state motor vehicle code have been adopted, one requiring a helmet for operators and the other specifying that motorbikes be operated in single file on a highway.

The amendments will not take effect until 90 days after adjournment of the legislature and the city is now considering a move to adopt the measures as a local ordinance to allow immediate enforcement.

Chief Docking said that such controls were needed, pointing to the number of accidents here this summer involving motorbikes. He also thought that licensing of regular bicycles was necessary.

The council is to enforce Ordinance No. 175 which provides for licensing of itinerant merchants. East Tawas has three motorbike rental agencies which would come under provisions of the ordinance. Cost of the license is \$10 a day, \$35 a month or \$150 a year.

The police chief said that one agency had been ticketed for renting a motorbike to an unlicensed driver.

RAYMOND F. KOWALSKI, 22 Taylor, offers a weak smile after being involved in a motorbike accident Saturday afternoon. Kowalski had just rented a motorbike from a Newman Street dealer and was about to make a U turn in front of the elementary unit. Driving out in front of a southbound car, he evidently panicked and turned the handlebar accelerator in the wrong direction. The motorbike shot across the street, jumped the curb and crashed through the glass entrance of the school superintendent's office. Kowalski received only minor cuts, being saved from serious accident by safety glass windows of the school. Damage to the motorbike was extensive and replacement of the windows will cost \$100 or more.—Tawas Herald Photo.

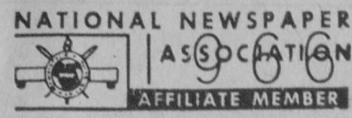

THE ABOVE SCENE will be repeated this Saturday and Sunday during the sixth annual Tawas Bay Waterfront Show and Sale for artists and craftsmen. The picture shows an exhibit during last year's show at the Tawas City Park.—Tawas Herald Photo.

I pledge allegiance to the flag of the United States of America and to the republic for which it stands; one nation, under God, indivisible, with liberty and justice for all.

### Reno News

Neighbors of the John Pepple family gathered at the Earl Daugharty home Tuesday for a farewell gathering honoring the Pepples, who are moving to Bay City where they have purchased a home.

Clarence Nickells was treated at the West Branch clinic last Saturday for a back injury. He was able to return to work Tuesday.

Mr. and Mrs. Harry Sugden and family of Hinkley, Ohio, spent the past week with his parents, the William Sugdens.

The Stanley Cottell family and Miss Judy Dickerson of Midland were Saturday afternoon visitors at the William Waters home.

Sunday afternoon, Mr. and Mrs. Leo Dulak and daughter, Debra, of Pontiac visited her sister, Mrs. Margaret E. Charters.

Mr. and Mrs. William Waters' granddaughter, Nora Zeagler, and Miss Iva Latter enjoyed a picnic at the Byron Latter cottage on Long Lake one day last week.

Mr. and Mrs. John Bentley and family of Orlando, Florida, have been vacationing with their mother, Mrs. Margaret Bentley, for the past week. They enjoyed a picnic supper with Mrs. Bentley, the John Sullivan family, Jesse and Norman Sibley Friday evening.

The annual Reno School reunion was held at the Reno Township Hall last Sunday afternoon with about 45 former pupils and teachers in attendance.

TODAY'S Meditation from The World's Most Widely Used Devotional Guide The Upper Room

Read Luke 24:28-35 "Did not our hearts burn within us while he talked to us on the road?" (Luke 24:32, RSV)

We read in the Old Testament that as Moses kept the flock of Jethro, the angel of the Lord appeared to him. We read also that as Ezekiel sat among the captives he saw visions of God. These incidents are vivid reminders that, if we are prepared, we can meet God in the commonplace duties of everyday living.

One of the greatest illustrations of this comes from the New Testament. While fishing on the Sea of Galilee, Peter saw the risen Lord, not in a blaze of glory, but as the man on the shore who had lighted a fire and cooked a breakfast for his friends.

When the psalmist looked back on his life, he could see that God was with him, not only in the green pastures and beside the still waters, but in the valley of the shadow and in the very presence of his enemies. God's goodness and mercy followed him all the days of his life.

It is wise not only to seek God in the holy places of public and private devotion, but to be ready to meet Him in the whole of living.

PRAYER Teach us, O God, that wherever we seek Thee, we may find Thee, and therefore every place can be hallowed ground. Enrich our lives this day by Thy presence. We pray in Jesus' name. Amen.

THOUGHT FOR THE DAY When we live close to God, we sense His presence wherever we are. Maldwyn Edwards (Wales)

**Cold Facts About Freezing**  
It costs you about \$100 a year to own and operate your food freezer. This cost includes such items as depreciation, interest on the investment, repairs and electricity. In other words, if your family eats 400 pounds of frozen food out of the freezer in a year, each pound costs you 24 cents more than the price you paid for the food itself. If, however, your family eats 1,000 pounds of frozen food a year from your freezer, the cost of owning the freezer is spread over more food and amounts to only 10 cents per pound. It pays to keep food moving into and out of your freezer.

**Check Light and Color**  
Keep in mind the kind of lighting you intend to use when you select colors for your home. You cannot separate light and color. Light affects colors differently, the same color may appear quite different in daylight and in artificial light. The light color relationship is confusing and complicated. Artificial light can be of two types—incandescent and fluorescent. Fluorescent units come in several types. A daylight fluorescent unit gives a bluish look to colors. It makes rosy colors look violet, yellows appear greenish and orange tones look greyer. White and soft-white fluorescent units give off what is called "warm" light. It makes color appear more reddish, so you should avoid using these two with greens, blues and yellows. Always examine colors you might want under the same light that you are going to use with them. You may find that what you thought was a perfect choice in the store is not what you want when you get it home.

**Storing Eggs**  
Why should eggs be stored with the large end up? It is because the air cell inside the egg is at the large end. When eggs are placed large end down, the weight of the egg may press on the air cell, causing it to break. Egg shells have between six and eight thousand pores permitting odors to pass through into the egg. For this reason, store eggs in a tightly covered container away from strong flavored foods.

**Marshall McGuire Attended Vocational Agriculture Contab**  
Marshall McGuire, Whittemore-Preseott vocational agriculture teacher, was challenged to "prepare for the future in agriculture and agricultural education." Speaking was Edwin W. St. John, chief of agricultural education for the Michigan Department of Education. Addressing the 47th annual conference for teachers of vocational agriculture, July 25-29, at Michigan State University, he said agricultural education should keep up with the farmer by making changes, just as the farmer has had to make them.

LOOKING BACKWARD—

**Tawas Lake Raid Nets Nine Gallons of Moonshine**

35 Years Ago—  
August 14, 1931—In a raid Friday by Sheriff Charles Miller and his duplies, W. F. Taylor, John Moran and Temple Tait, nine gallons of moonshine were confiscated at Tawas Lake.

Mrs. Charles Conklin, W. L. McDonald and Arthur Dillon were judges for the flower show sponsored at the city hall by the Twentieth Century Club. There were 112 exhibits.

Pearsall and Williamson of Hale are shipping out their season's purchase of wool this week.

A move to extend the school year from nine months to 9½ months was defeated by a 13-6 vote at the annual school meeting of District No. 2, Fractional, of Burleigh Township and the City of Whittemore. Henry Bronson, Richard Fuerst and B. R. Hall were elected as trustees.

The Alabaster School will begin its fall term on Monday, August 31. Comprising the staff of teachers for the ensuing year are the following: E. R. Erickson, superintendent; Clara Bolen, principal; Grace Anderson, grammar grades; Burnetta Miller, intermediate grades; Victoria Klsh, primary. Interior of the building has been completely redecorated during the past few months.

Alfred Zink, 28-year-old son of Mr. and Mrs. Charles Zink, was instantly killed Monday noon by electrocution when he pushed the button on a motor starting switch box at the Trudell Fisheries building. A workman at the fishery had called for someone to start the motor which was attached to the ice crusher. Alfred, standing nearby, stepped to the box and pushed the switch button.

25 Years Ago—

August 8, 1941—Ard Richardson's "Irene" won the merchants trophy for class A craft at the Tawas Bay Regatta which was concluded last Saturday. Fine wind and beautiful weather prevailed during the entire three days, making it one of the most enjoyable events held in years. Trophies were awarded by Merrill Pollard, commodore, at the conclusion of races Saturday evening at the state park dock.

Seven Isoco members and County Agent W. L. Finley attended the 16th annual Northern Michigan 4-H Club camp, Gay-Gug-Lun, at Gaylord. Isoco delegates were Agnes Blust, Anschuetz School; Leona Slosser, Kees School; Betty Putnam and Alice Johnson, Hale; Margaret Anschuetz, Laidlawville School; Audrey Partlo, Whittemore; Norman Harris, Wilber School; Eddie Robinson, Taft School.

The Plainfield Township Board of Education will sell to the highest bidder, to be sealed bids opened August 15, the school building known as the Bieby School north of Hale.

The aluminum drive in Tawas

TAWAS GOLF AND COUNTRY CLUB is the scene today (Wednesday) of the eighth annual stag day sponsored by the East Tawas Lions Club. More than \$300 in merchandise prizes and trophies are to be awarded winners. Shown holding some of the prizes in the above photo, are from left, Marlin Eaton, Richard Harris, Theodore Moe and Wayne Pollard.—Herald Photo.

HARRY C. WALMSLEY, Detroit and Mackinac Railway freight conductor, retired last Thursday after 22 years service. He is shown above on the way car of a freight during switching operations in the Tawas yard. A resident of Alpena, Walmsley was born at Bay City July 23, 1901, and moved to Alpena 32 years ago. He started as a brakeman for the D&M on June 19, 1944, and was promoted to conductor on July 25, 1957. He and his wife, Margaret, live at 501 Sheridan Road, Alpena.—Tawas Herald Photo.

ONCE IN A MILLION—The Trudell triplets, Jane, June and Jean, East Tawas, are shown here with triplet heifer calves born recently at the Robert Ruckle farm, Plainfield Township. Occurrence of triplet heifer calves is about once in a million, according to Marvin Davenport, who snapped this picture.

## Whittemore News Iosco Fair National Needlework Contest Winners Announced

Women's Society of Christian Service met at the parish house Monday night and completed all the plans for serving meals at the Hale fair.

Mrs. Melvin McDonald of near Prescott spent Thursday with her mother, Mrs. John Allen.

Mrs. Bert Fortune and son, Robert, and her mother, Mrs. Ray Ellsworth, spent Wednesday in Ann Arbor.

Mr. and Mrs. Gerald (Bud) Smith of Otisville spent a few days the past week with Mr. and Mrs. Donald Armstead.

Mr. and Mrs. Norman Chipps of Detroit spent a few days here the past week working on their farm home.

Mr. and Mrs. Wayne Higgins and family of Pontiac spent Sunday with his mother, Mrs. Ella Higgins.

Miss Fern Williams and friend of Oscoda spent the week-end with her parents, Mr. and Mrs. Russell Williams.

Friends were sorry to hear of the illness of Clayton Pipes, a patient in Standish Hospital following a heart attack.

The following members of the election board for the August 2 primary election attended a school of instruction in Tawas Thursday night: Mrs. Bert Fortune, Mrs. Stanley Partlo, Mrs. Octave St. James and Mrs. Roy Charters.

Mr. and Mrs. Norman Schuster of Saginaw called on the latter's mother, Mrs. Roy Charters, Friday evening enroute to their Sand Lake cottage.

Mr. and Mrs. Russell Binder of

Hemlock Road were guests of Mr. and Mrs. Kenneth Bronson Saturday evening.

Sunday, Mr. and Mrs. George O'Farrell of Rose City visited Mr. and Mrs. John O'Farrell.

Mr. and Mrs. George Simons and family of Flint were in town Wednesday.

Mr. and Mrs. Stanley Partlo have returned from a week's vacation at points in Southern Michigan.

Mrs. Kenneth St. John is home from Toifree Hospital, West Branch, after undergoing a major operation three weeks ago.

Mrs. A. Williams of Saginaw spent the week-end with her daughter, Mrs. August Lange, and family.

Harry Hill of Lansing was in town Saturday.

Mr. and Mrs. Robert Erickson of Midland came Saturday and took her mother, Mrs. George Freely, back to Midland for a few weeks. Mrs. Freely has been in poor health for several weeks.

Winners of the local judging for the 1966 National Wool Needlework Contest which was held at the Iosco County Fair were announced today by the fair.

First prize blue ribbon winners one for each of the six categories in the contest, which included three each for knitting and crocheting, are now eligible to compete for national honors against blue ribbon winners from other fairs throughout the country in the national judging taking place at contest headquarters in New York in December.

Cosponsored by the National Hand Knitting Yarn Association and the American Wool Council and conducted for any numerous nonprofessional knitters and crocheters, the contest held locally at the fair attracted entries from which four blue ribbon winners were selected. Categories for both knitting and crocheting included afghans, sweaters and three-piece baby sets. After official notification to the National Hand Knitting Yarn Association of the winners'

names by the fair, all the blue ribbon winners will be supplied by the association with complete information and official forms for entering their designs in the national finals. These entries must be submitted no later than November 14.

First place blue ribbon winners are: Knitting—Afghans, Mrs. John Jordan, National City; sweaters, Mrs. L. J. Trinklein, Tawas City; three-piece baby sets, Beatrice Abbott, Tawas City.

Crocheting—Afghans, Mrs. John Zima, Tawas City. Judges also presented a special engraved trophy to Mrs. Trinklein whose winning design in the National Wool Needlework Contest in addition to winning a blue ribbon in one of the eligible categories was adjudged "Best of Fair." The trophy, like the ribbons was awarded by the two cosponsors of the contest.

At the national judging which will be conducted at contest headquarters in New York by a panel

of professional art needlework and fashion experts, a grand national winner and other national winners will be chosen. The grand national champion will receive a free trip to New York, a three-day stay for two and \$1,000 in cash as well as a national engraved trophy. Other national winners will also receive cash prizes and appropriate ribbon awards within each of the six categories.
