Medi-Care Facility Director Resigns

Douglas Webb, who has served the past year as director of the new Losco Medical Care Facility, announced his resignation last Thursday.

In a letter to the Losco Welfare Board, Webb announced that he had been offered the position of assistant to the director of Gratiot Community Hospital, Alma. His resignation here is effective January 15.

"Although this new position is a wonderful opportunity for me and one that I could not afford to pass by, I spent some difficult days in making my decision," said Webb in his letter of resignation. "I have become very much attached to the Losco Medical Care Facility and am very proud to have had a part in its development."

Webb said that his new position afforded him an excellent position for advancement as director of the Alma institution.

The 33-year-old director had been appointed to his position last December. Having served as purchasing agent for the Gratiot Community Hospital, he assumed partial duties here until February when he took over full time

responsibility for the medical care facility.

Webb had charge of purchasing approximately \$50,000 worth of equipment and supplies for the medical care facility prior to its opening August 1. He then had charge of overseeing the entire operation.

Losco Welfare Board met last Friday to accept the resignation. A successor to the \$9,500 a year position has not been named as yet.

New Chamber Directors Take Office Dec. 28

Seven new directors named in recent balloting by members of the Tawas Chamber of Commerce are to be installed at a noon luncheon December 28 at Tawas Golf and Country Club.

Elected to a two-year term were Wayne Freiberg, Lyle Mooney, James Campbell, E. D. Jacques, Norman Klenow, Gar Bassett and Edwin Habermehl.

The above men are to join 10 other directors who have one year remaining on their terms. They are Leonard Calabrese, Neal Miller, Richard Lee, John Austin, Gordon Dunham, Marlin Eaton, Bill McIntosh, Gene Klenow, Rual Tarter and Anthony DeFilippi.

Clarence King and Joseph Branham represent businessmen's associations of the two communities on the board of directors.

New officers are to be named at the December 28 luncheon. The chamber of commerce has had an excellent financial year with many successful activities. A complete report is to be made at the luncheon.

Weible Takes Post as Alabaster Supervisor

December meeting of the Losco Board of Supervisors saw the first of several changes in faces which will be taking place between now and next April.

John H. Weible, elected last November as Alabaster Township supervisor, attended his first session. A resident of Losco County for the past four years, Weible is an employee of Consumers Power Company.

The new Alabaster supervisor succeeds Henry Oates, who was not a candidate to succeed himself. He was appointed county equalization director.

At the conclusion of Wednesday's session, Harvey Odell, Reno Township supervisor, announced that this would be his final meeting. He was not a candidate in the November election. Taking over as supervisor from Reno will be James P. Mielock, one-time member of the board and former state representative, who was elected to the office November 7.

Other supervisors who take over next spring include Dennis Chryvia, Plainfield, and Henry Ray Mead, Wilber. Chryvia is to succeed George Webb, senior member of the board, who chose to retire. Mead defeated Abbott in the November election.

Move by Supervisors is Controversial—

Welfare Transfer Puts losco in 'Black' at Year's End

Transfer of \$12,000 from the social welfare fund to the county's general fund last Wednesday proved to be a controversial subject at the December meeting of the Losco Board of Supervisors.

The transfer, on recommendation of the board's finance committee, passed by a 12-6 roll call vote.

The move provided enough funds to insure that the county's general fund would be in the "black" at year's end. The general fund had \$11,977 as of December 1 and this amount was not sufficient to meet two payrolls and

to pay general operating expenses during the remainder of the month.

This was a repeat of the financial plight which hit the county last December when the general fund took a nosedive and ended 1965 \$6,000 in the red. Through a transfer of \$20,000 in earmarked funds from social welfare, the general fund had a year-end balance of \$14,410.

Several supervisors, including Chairman L. S. Little, were of the opinion Wednesday that transferring money from one department to the general operation fund was

not a realistic approach to solving the county's financial problems.

Little, along with County Clerk George Prescott, stated they believed that the general fund should have been allowed to end the year with a deficit, inasmuch as this was the true picture.

At its October session, the board transferred \$15,000 from the general fund to social welfare to help meet unanticipated expenses in operation of the new Losco Medical Care Facility.

However, this money was not a true transfer from the general fund, inasmuch as social welfare

had been appropriated \$42,000 for its 1966 operation but had not needed it until the October transfer.

This interesting situation came about through the efficient operation of the department under Director Edward Burgeson since its reorganization with the state welfare agency.

Because of expected changes in federal and state welfare aid programs, Burgeson is not certain at this time if the same rosy financial picture for his department will remain next year. He was of the opinion Friday that the \$12,000

would be transferred back to the social welfare fund in January. By that time, enough tax revenue would be received by the county general fund for its operation.

Approving the transfer were Supervisors Alton Abbott, Aubrey Belson, James Campbell, C. S. Everett, Edward Gerard, Percy Jocks, Richter Lixey, Earl McElheron, Walter Kasischke, John Weible, Charles Smith and George Webb. Opposing the transfer were John Hoshach, Little, Richard Moss, Harvey Odell, Charles Schreck and Clement Stephan.

Faced with increasing cost of providing county services, the board of supervisors last August proposed a special 1½-mill operational tax for one year. The proposal was turned down by voters. Last May, the county's share of the tax split from the allocation board was 4.85 mills for 1967 operation. This will leave the county's record \$388,496 budget to be raised by taxes next year about \$99,000 short.

A plan to equalize property assessments, described in another article in this newspaper, is expected to add tax revenue to reduce the above shortage.

Tawas' Bid Accepted by CB Group for Winter Week-end

Michigan Wolverine Radio Club, Incorporated, will combine its first annual winter jamboree with the fourth annual Perchville Festival, according to an announcement Monday by the Tawas Chamber of Commerce.

"We struck it lucky," stated Leonard Calabrese, president of the chamber of commerce. "Tawas' bid was accepted over four other Northeastern Michigan communities and it could mean \$50,000 or more in additional business for the area."

The annual Perchville Festival week-end is slated for February 17, 18 and 19. During preparation

of a program for this event, local officials were invited to enter a bid as a site for the jamboree to be held by Michigan citizens band radio operators.

Through a followup on this letter, Tawas' invitation was accepted and the two programs are to be combined.

Last year's Perchville event drew an estimated 10,000 persons on the ice of Tawas Bay over Saturday and Sunday. By including the CB jamboree, it is expected that an additional 5,000 persons will be in attendance.

"The community can expect those attending the jamboree to

spend the entire week-end in the Tawas," said Calabrese. The East Tawas City Park and Tawas Point State Park are to be open for campers.

The chamber president said that a letter is to be sent to all resort operators of the area asking them to have facilities available for the big week-end. The same invitation is to be extended to restaurant owners.

"We can expect a large crowd of people and must be prepared to handle it," said Calabrese. "It can mean a real financial boost."

In addition to CB radio operators, a large number of snowmobile owners will be coming for the week-end.

The Perchville program will be about the same as last year with fishing contests, sky diving exhibitions, helicopter rides, selection of a queen, polar bear exhibition and contests. Carnival rides are to be set up on the ice and a queen is to be selected.

Radio club members coming from Michigan, neighboring states and Canada will select a queen. There also will be snowmobile races.

Final arrangements were completed Saturday night with Larry Sneden, CB festival chairman, and Nels Savoix, president of the Michigan Wolverine Radio Club, who met with chamber of commerce representatives.

The state CB group held summer jamborees during the past two years. In 1965, the event attracted 8,000 persons and that number was doubled last summer. Tawas is also to bid on the 1968 summer jamboree.

Calabrese also announced that Howard Shelly of Michigan Outdoors television program had accepted an invitation to serve as king of the 1967 Perchville Festival.

Council Approves Assessment Roll

Another milestone was reached Monday night in establishment of a special assessment district in Tawas City to construct mains on both sides of US-23 south from the Mathews Street intersection to a point near the river bridge.

Following a hearing attended by 16 property owners, the city council confirmed a special assessment roll as prepared by a three-man board.

This section of the city was not included in the original construction of sewer mains about 30 years ago. Attempts had been made in past years to start the project but had been blocked due to the lack of necessary easements across private property on the lake side.

Renewed interest was shown last summer and easements were signed. The city then took steps to form a special assessment district.

Next step in the project, said Supt. of Public Works Reginald Bublitz, was to apply for permission from the municipal finance commission to obtain financing. The city engineer is to advertise for construction bids on the project and it is hoped that construction might start next spring.

While no actual objections were heard at the public hearing concerning construction of the sewer project, several persons questioned the method of assessing.

Appointed as special assessors

were C. S. Everett, Third Ward supervisor; Carl Schaaf, water board member, and Bublitz. Several methods had been studied and recommendations were accepted by the council at its November 7 meeting.

Cost of the project is to be financed by charging the following rates to property owners: Residential, \$1,000; vacant lots, \$250; restaurants, \$1,350; motels, \$1,500. There are three restaurants and three motels in the district.

In addition, the city has agreed to pay 10 percent of the estimated \$34,000 project. This is the first time the city has shared in a special assessment sewer district. It was pointed out that the city's share would pay the cost of expensive boring under US-23 to connect the two parallel lines.

Michael Coyle, speaking in behalf of his family, was of the opinion that there was not enough difference between residential and commercial assessments. He also felt that assessments to vacant lots were too low. Coyle said also that when the sewer was originally constructed in Tawas City in the 1930s, property owners there had been assured that the area would be serviced, at no additional cost, when construction became possible.

Mayor George Tuttle pointed out that the city had bonded for \$25,000 as its share of the entire project during WPA days. He said that because of advancing costs, no sewer projects had been constructed, unless on a participation basis, in the past 18 years. The Third Ward project south of the river bridge was paid entirely by property owners of that area.

The mayor also pointed out that the city's \$3,400 share in this new project amounted to more than the entire amount paid by the new special assessment district in past sewer taxes.

Several methods had been studied concerning assessments of property but the one adopted seemed to be most adequate. The area is now zoned commercial and, because of the lack of depth for parking, valuation is quite low. The project has been deemed a necessity due to the fact that septic tanks do not have adequate drainage fields.

Veteran's Counselor Cancels Dec. Visit

Stanley J. Burmeister, veteran's counselor, had scheduled a meeting here December 27 at the Losco County Building. This meeting has been canceled and he will be here sometime in January.

Contest Deadline

Deadline for entering the Tawas City Businessmen Association's Christmas decoration contest is December 23. An entry blank is printed on another page of this newspaper.

ET Council Approves 8 New Street Lights

East Tawas Council authorized installation of eight new street lights at its meeting Monday night.

New lights are to be installed by Consumers Power Company at the following intersections: Church Street and Lincoln, Lakewood and Owosso, State and Evans, Bay and Wilkinson, Wilkinson and Washington, Tawas and Lincoln, Tawas and Washington and Westover at Wadsworth.

The light at Bay and Wilkinson is to be the mercury vapor type. The remainder are the 6,000-lumen type.

In other business, a petition to clean and gravel a public easement to Tawas Lake was tabled by the council. Members said there were two existing easements in the vicinity of the one in question.

Approval was given to the purchase of Christmas turkeys for hourly-rated employees.

Supervisors Table Action on Inland Lake Water Ski Control

Losco Board of Supervisors tabled recommendations of the Michigan Department of Conservation concerning control of water skiing on inland lakes in Losco County.

Supervisors pointed out last Wednesday that the state's proposal made no mention of two Losco lakes which had the most conflict between water skiers and fishermen—Sand Lake and Van-Etlan Lake.

As a result, the board voted an amendment to include these two lakes in the control program. Further action is to be taken at its January 11 session.

In other business, the board appropriated \$1,500 as the county's share of marine enforcement for 1967.

Approval was given to renewing the county's 10-year lease with Consumers Power Company for operation of Old Orchard Park. The present agreement expires

next May.

The board is to write a letter to the Michigan Department of Corrections asking that it reconsider its refusal to allow Philip Gidley, local field agent for probation and parole, to act as Losco's veteran's counselor. The board had appointed Gidley to this position and felt his office was ideally situated without conflict with the corrections department.

The board approved transfer of \$2,000 from the county airport fund to the general fund.

Authorization was given Consumers Power Company to lay an underground cable along the airport runway to serve a hunting camp.

The board concurred with a resolution from Shiawassee County suggesting that the state legislature consider a tax reform program this year, shifting the burden from property taxes to an income tax.

A 15-cent per hour wage increase was granted to hourly workers at the water filtration plant. Salary of the water filtration plant operator is to remain according to contract as an annual wage increase is provided.

An annual audit of the city's books showed that receipts for the period October 1, 1965, to September 30, 1966, amounted to \$290,646, which included a balance from the previous year. Total disbursements amounted to \$214,353, leaving a balance of \$75,893 at the end of the year.

Disbursements included \$45,406 for capital outlay. Purchase of the former Anderson Coach property was included in this total. Other expenditures included \$55,091 for salaries and wages, \$11,028 for utilities, \$12,444 for material supplies and equipment repair.

Park Manager Joseph Badaluce reported that receipts at the city park for November amounted to \$332. This represented 166 camper days. Total receipts amounted to \$533.48, which included rental fees at the community building and storage of trailers. The park receiving fund has a balance of \$20,942.

Social

Kochenderfer Home Scene of Party

The East Tawas home of Mrs. Rex Kochenderfer was the scene of the annual Christmas party of Ladies Literary Club Wednesday, December 14. For the festive occasion, Mrs. Kochenderfer's home was decorated in silver and pink.

Mrs. Elsa Solomon entertained the group with two Finnish and two English Christmas songs. Mrs. William C. Lindholm displayed crismos, which were made by ladies of Grace Lutheran Church. She explained the meaning and symbolism of them. Patterns for the crismos were obtained from Danville, Virginia, where the crismos were originated and developed at the Lutheran Church of the Ascension.

Mrs. W. A. Evans and Mrs. B. E. Fisher poured from an attractively decorated tea table trimmed in red and white. Christmas cookies were served from silver plates.

Hostesses for the evening were Mrs. Grace Miller, Mrs. Victor Marzinski, Mrs. William H. Lingle, Mrs. Fisher and Mrs. Fred L. Pritchard.

Donald Souci Heads World War I Vets

At a recent election of Veterans of World War I of Osceola, Donald Souci was elected commander. Serving with him are G. Freund, senior commander; Elmer Wright, sergeant-at-arms; Jacob Stech, adjutant; Lee Campbell, chaplain; E. H. Krebs, quartermaster.

The veterans group and auxiliary voted to send \$50 to the Veterans Administration Hospital, Saginaw, as a Christmas gift. This donation is in addition to three television sets given to the Saginaw hospital last year. These gifts are mostly the result of support given to the annual veterans day held in Tawas City, East Tawas and Osceola.

Mrs. Coy Hosts ISC Auxiliary

A decorated Christmas tree and room ornaments adorned the Tawas Lake home of Mrs. Harry Coy for the Christmas party of Iosco Sportsmen's Club Auxiliary December 14.

Following a regular meeting, a party with gift exchange was enjoyed. Buffet luncheon was served. The serving table centerpiece consisted of a large white-frosted cake, centered with an inverted cone decorated as a tree and surrounded by styrofoam cubes which resembled gift packages.

The January 11 meeting will be at Mrs. LeRoy Christian's Tawas Lake residence.

TC Garden Club Held Christmas Dinner

The annual Christmas dinner-party of Tawas City Garden Club was staged at the home of Mrs. Donald MacDonald December 15. Turkey dinner with all the trimmings was served to 29. Mrs. MacDonald's home was decorated in keeping with the holiday season.

For the program, Mrs. T. J. Smith selected "Christmas Trees Old and New" for her topic and Mrs. Karl Bublitz told of oldtime Christmas baking and cooking. Roll call was answered with Christmas cooking. Group singing was enjoyed with Mrs. Walter Moeller at the piano and gifts exchanged.

Mrs. Charles VanHorn, Mrs. Kenneth Webster, Mrs. Ervin Ulman, Mrs. Byron Mark and Mrs. Smith, program committee, served refreshments.

The annual business meeting will be January 10 instead of January 3 at the home of Mrs. B. E. Fisher.

PUBLIC INSTALLATION of officers of Tawas City Lodge No. 302, F&AM, was held Monday night at Tawas Masonic Temple. Seated from left are Fred Brooks, senior warden; Horace Stafford, worshipful master; Harold Knight, junior warden. Standing from

left are Harry Rollin, tiler; Roy DePotty, chaplain; Byron Brooks, treasurer; John Alexander, senior deacon; John Forsten, secretary; John Weible, steward; Roger Earl, junior deacon; Harry Crawford, marshal.—Tawas Herald Photo.

PRESENTING doll clothing and toys to the Salvation Army for distribution at Christmas is Bud Fisher, left, president of Michigan Bell Telephone Company's Bay Club Pioneers. At right is Capt. James Robbins, Bay City Salvation Army Post.

Bell Pioneers Donate Dolls and Toys to Salvation Army for Area Children

Bud Fisher of M-55, Tawas City, president of the Michigan Bell Telephone Bay Club Pioneers, an organization dedicated chiefly to community services, recently headed up a drive for the Christmas season.

The project was entitled, "Dolls for Girls—Toys for Boys."

The Salvation Army Post in Bay City, under direction of Capt. and Mrs. James Robbins, donated six dozen dolls for the women to dress. Enthusiasm was so great among the women that many more dolls were requested. Some of these dolls now have three and four outfits in their wardrobe.

Men of the telephone company, primarily the Pioneers, dug right in and made sure that many boxes were filled for the boys.

Mr. Fisher stated that since the original dolls were donated by the Salvation Army in Bay City and that the latter is a fine clearing house in the area, all these gifts are to be donated to them for proper distribution to help insure that each girl and boy will have a better Christmas.

Fisher has been active in the Bell Telephone Pioneer organization for many years as is his wife, Violet, a former employee and now a Pioneer.

Religious Theme for Club Meeting

"The Birth of Christ" was the program title for the December 14 meeting of Twentieth Century Club. Members met at the colorfully-decorated home of Mrs. A. E. Giddings. The program was in the form of poetry and song. Mrs. Ira Horton read poetry and songs were sung by Mrs. Herbert Look and Marti Long. Mrs. George Leslie was program chairman.

Meditation was given by Mrs. Horton. Roll call was a Christmas verse and members enjoyed a gift exchange. The social committee is in charge of gifts for local shut-ins.

Refreshments of ice cream, cookies and nut bread were served.

ET Garden Club Met December 12

Mrs. Joseph Hennigar, Mrs. Fred Lomas and Mrs. Fred L. Pritchard were hostesses at the December 12 meeting of East Tawas Garden Club. Held at the East Tawas City Hall, the program featured a slide show on the Holy Land. The pictures were taken by the Rev. Fr. Leonard Wilkusi and shown by his mother, Mrs. Frank Wilkusi.

SMALL SCRAPS OF YARN AND THREAD PLUS LARGE AMOUNTS OF IMAGINATION, combine in a centuries-art medium, stitchery, that is as characteristic of the present age as it was of others. Added stimulus for stitchery today is the rich colors in yarns made possible by modern chemistry. Let yourself be motivated to create this or any other design you would like in your home.

STITCHCRAFT
The ancient art of stitchery is used to create this lovely design which can be framed as a picture, mounted as a wall hanging or stuffed as a pillow. This charming design, which we have called "CITY PARK" is done with knitting worsted and Super Finishing in such shades as brown, black, orange, red, yellows, greens, and grays. A solid color, heavy fabric is suitable for the background. "CITY PARK" was worked on burlap in a deep gold. Allow approximately 1 inch around all edges for hem or seams. If stitchery is to be used as a wall hanging, allow additional width at top for casing for dowel. Before beginning work on your stitchery, overcast all raw edges of the fabric to keep it from ravelling.

USE YOUR IMAGINATION

Almost any appealing motif may serve as inspiration for stitchery: a favorite sketch done for an art project, a photograph of your home, school or pet, for example. Draw a design that you have created especially for stitchery, drawing directly on the background fabric or developing your own design in a small sketch and then enlarging and transferring it to the fabric. Free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PPE 1294.

I'M LATE, I'M LATE FOR A VERY IMPORTANT DATE and what can be more frustrating than not being on time for the opening of a new show, a luncheon with the ladies club or meeting your husband for dinner? How many times have you had to sew a hem or a button at the last minute and could not find a needle and thread? I am sure that it has happened at least half a dozen times!

SAVE TIME AND ENERGY...

searching for pins and needles by having a handy and compact pin cushion nearby. This clock pin cushion can easily be hung on the side of your sewing machine or put conveniently in one of the small drawers where it is accessible to all. Pretty enough to give as a gift or for that church bazaar, this little "time-saver" is made with pastel felt, ribbon, sequins, stuffing and mercerized sewing thread to match the felt. A perfect "first project" for a beginner, this little pin cushion can be made in different sizes and shapes, depending on the imagination of the sewer.

DON'T BE A LATE-COMER...

when you can be on time by having pins and needles at your fingertips. Take an hour or so to make this decorative clock pin cushion and you will save hours when it really counts. Free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PPE 849.

TRADITIONAL, ANTIQUE OR MODERN... WHATEVER YOUR DECOR... I believe this selection from our dolly collection will blend in perfectly. There is a certain charm in using well-placed contemporary dollies throughout your home and this is a particularly lovely one.

BEAUTY AND PRACTICALITY

Our design today is called Lucky Clover and I'm sure you will agree that it would be an elegant addition to your decorating accessories. It has so many possibilities... on your table as a delicate base for your best lamps, in the corner of your coffee table, under a plant or vase, on your vanity as a feminine background for perfumes or on your dining room table framing a floral centerpiece. The dolly measures a very generous 14 1/2 inches square, excluding the frilled ruffle.

SELECT A COLOR TO COMPLIMENT YOUR HOME

Mercerized crocheted cotton is used and you can select a striking white, a subdued ecru or an elegant cream to blend with your furnishings. ACCORDING TO ST. LUKE, VERSES 1 TO 22 - CHAPTER 2

And it came to pass in these days, that there went out a decree from Caesar Augustus, that all the world should be taxed. (And this taxing was first made when Cyrenius was Governor of Syria.)

And all went to be taxed, everyone into his own city. And Joseph also went up from Galilee, out of the city of Nazareth, into Judaea, unto the city of David, which is called Bethlehem; (because he was of the house and lineage of David); to be taxed with Mary his espoused wife, being great with child. And so it was, that, while they were there, the days were accomplished, that she should be delivered. And she brought forth her first born Son, and wrapped him in swaddling clothes, and laid Him in a manger; because there was no room for them in the inn.

And there were in the same country shepherds abiding in the field, keeping watch over their flock by night. And, to the angel of the Lord came upon them, and the glory of the Lord shone round about them. Fear not; for, behold, I bring you good tidings of great joy, which shall be to all people.

MRS. ALICE J. ULMAN

Funeral services for Mrs. Alice J. Ulman of Tawas City will be held Thursday, December 22, 2:00 p. m., at Reorganized Church of Jesus Christ of Latter-day Saints, Tawas City. Elder Marshall McGuire Jr. will officiate and burial will be in Tawas City Cemetery.

Mrs. Ulman died Monday, December 19, at Isosco Medical Care Facility after a lingering illness. Her husband, Walter, preceded her in death in 1948.

Born in Canada May 11, 1882, she came to the United States as a small child.

Among survivors are one son, Theodore of Detroit; four daughters, Helen Featheringill of Lapeer, Leona Long of Tawas City, Olive Hughes of Allen Park, Florence O'Neil of Detroit; 19 grandchildren; 45 great grandchildren. Mottatt Funeral Home, East Tawas, is in charge of arrangements.

ET Police Chief Urges Stop-Go Traffic Light at Busy Intersection

On recommendation of Police Chief Donald Docking, consideration is to be given to installation of a school crossing signal at the corner of Newman Street and Lincoln Street near the East Tawas Elementary Unit.

The light proposed by Docking, costing approximately \$500, would operate as a "stop-and-go" signal during periods when children

would be crossing the intersection. It would be operated by a time clock and would automatically change to flashing for other periods of the day.

He recommended that the present stop sign at the intersection be removed. When children were in school, the signal would flash amber both ways on Newman Street and red on Lincoln Street.

The proposal is to be presented at the next meeting of Tawas Area Board of Education.

Peoples State Bank Closed on Holidays

Peoples State Bank, East Tawas and Tawas City, will be closed Saturday, December 24; Monday, December 26; Saturday, December 31, and Monday, January 2. Regular hours will prevail during the week with the Tawas City bank open Friday evenings.

THOMAS J. SERGENT, 25, who was captured December 10 south of Oscoda, waived extradition in Flint federal court and was returned to Colorado to face a double murder charge.

THE YULE LOG

The yule log is an old and honored Christmas tradition. It has almost vanished from our holiday celebration. The Vikings introduced the yule log to Great Britain. They burned it to honor the God Thor. The custom was adopted by the English as part of the Christmas festivities. The very best log that could be found was brought into the house and placed in their large fireplace. The fire was lit and the servants of the house gathered with their master. The coming of Christmas was celebrated with much singing and celebrating. The custom of those days was to celebrate the holiday season twelve full days and the log burned the entire time. At the end of the twelve days any fragments of the log that remained were carefully collected to be used again the following year to kindle the new Yule log.

Gifts Not Tradition

In early times, even Christianity, pagan followers exchanged gifts at the New Year. At first the gifts were collected by priests and distributed to the poor. The exchange of Christmas presents is not a tradition of modern vintage. With Christianity, the exchange of gifts was changed to Christmas.

In Lithuania

Lithuanians cover their Christmas Eve dinner table with layers of straw in memory of the night in Bethlehem. An unconsecrated wafer, symbolizing the love, harmony, and good will of the season, is shared by all the members of the family.

Father's Message at Christmas

Have times changed? The following letter was written by the late John Tait of East Tawas and sent to his daughter, Mrs. Ben Cover, at Madison, Wisconsin, on December 29, 1923. It was furnished by Mrs. Temple Tait, daughter-in-law of Mr. Tait. Thirty years ago, I remember when eggs were three dozen for 25 cents; butter, 10 cents per pound; milk, five cents a quart; the butcher gave away liver and treated the kids with bologna; the hired girl received two dollars a week and did the washing; women did not powder or paint; (in public), smoke, vote, play poker or shake shimmy. Men wore whiskers and boots, chewed tobacco, spit on the sidewalk and cussed; beer was five cents and the lunch was free; laborers worked 10 hours a day and never went on strike; no tips were given to waiters and the hat check grafter was unknown; a

kerosene hanging lamp and a stereoscope in the parlor were luxuries; no one was ever operated on for appendicitis or unheard of; folks lived to a good old age and every year walked miles to wish their friends A Merry, Merry Christmas. Today, you know, everybody rides in automobiles, or flies, plays golf, shoots craps; plays the piano with their feet; goes to the movies nightly; smokes cigarettes; drinks rucus juice; blames the high cost of living on the Republicans; never goes to bed the same day they got up, and think they are having a wonderful time. These are days of suffragetteing, profiteering, excess taxes and prohibition. If you think life is worth living, I wish you a Happy New Year. Yours for another year of it, Father

CHRISTMAS GIFT

By Mike Bennett

Christmas was a wonderful time for a ten-year-old in the little town of Smithdale. Folks were filled with holiday enthusiasm and they paid extremely well for such small chores as clearing the sidewalks of snow, bringing in coal or chopping cordwood. Brother John, two years older but so nearly equal size that we were often mistaken for twins, was our "business manager." He lined up the jobs weeks in advance, keeping an accurate record of jobs completed and future appointments. John wasn't merely training for his future role as an accountant; he was making certain that we got the jobs before other kids in town beat us to them. John always made certain that we were assigned to any tasks around the Smythe mansion. We got these jobs so regularly a big snowfall automatically sent us to the Smythe grounds, shovels in hand. Mr. Smythe was perhaps the most respected man in Smithdale. His ancestors founded the town. I have wondered since why it wasn't Smythedale. May be it started out that way. But I prefer to believe Mr. Smythe's ancestors were as reasonable as he and gave the town a name it could know and live with.

The second year, in response to my child-like question, the butler had discreetly shushed me and said, "It is a present Mr. Smythe presents to himself each year." You may well imagine what the thought of a rich man giving a present to himself stirred in the imagination of a child! Bags of money? A golden cloak? On the Christmas Eve of the great snowfall, we had spent the afternoon in a useless battle. (Snow buried the Smythe walks and driveways faster than two boys could remove it.) Mr. Smythe called us into the house and, as we stood before the crackling fire, water from melted snow dripping from our boots and clothing onto the plush carpeting, he gave each of us a shiny twenty-dollar gold piece. "The weather is so bad," he said. "My family will not be here until after Christmas. I am going to open my present. I want you to see what you have been so curious about." The ribbons fell aside and the wrappings were removed . . . to reveal — a big cardboard box, open at each end! Mr. Smythe turned to two astonished boys. "Have you ever seen a more beautiful package with something of so little value inside? Not now, but some day you boys will understand this gift I give myself. I have much. My world is a world of plenty. I remind myself that all this is not so important as what I am . . . what I do with wealth, and what wealth does to me. This is a good gift I give myself, much greater in value than the twenty-dollar piece you hold in your hands." This happened almost a lifetime ago. Each Christmas since I have given myself a present. The package is large, gaily wrapped in green. It contains nothing but a well-worn twenty-dollar gold piece . . . and the memory of a very wise old man.

Story of Wreaths And Advent Candles

A native Christian in New Guinea described Advent thus: "At advent we should try the key to our heart's door. It may have gathered rust. If so, this is the time to oil it, in order that the heart's door may open more easily when the Lord Jesus wants to enter at Christmas time." The four Sundays preceding Christmas are observed as Advent Sundays in many churches, with a special emphasis on the Advent, or coming, of the Lord. To remind people of this season several interesting and helpful devices have come into being. The Advent House, generally made of cardboard is so constructed as to make it possible to open a window each day of the Advent weeks and find back of it an appropriate Scripture Verse. Slightly more elaborate and proportionately more beautiful is the Advent wreath, which is hung at a convenient place and receives a red candle each Advent Sunday and a larger one on Christmas.

Christmas Gifts Are Meaningful

Gift giving at yuletide dates back to the Roman Saturnalia, when those people presented their friends "strenae" (fruits, pastries, and even jewelry). Also we remember the rich gifts that the Magi, or the Wise Men, brought to the Christ Child in the manger at Bethlehem. In recent years the custom has caused much discussion here in the United States; for it must be admitted that the exchange of presents can, at times, be a burden instead of a pleasure. We sometimes deplore the fact that Christmas, like other holidays, has become tinged with commercialism. To offset this phase, we should remember the fine spirit of friendliness that is shown through Christmas messages and gifts.

WHY THE TINSEL

It is a children's story about how little spiders helped trim the tree.

GLAD ANGEL . . . A charming, easy-to-make Christmas angel, made from a triangle of brightly colored cardboard covered with sandwhich wrap and secured on the back with transparent tape. Two smaller triangles, attached at the neck, become the sleeves. The head is a styrofoam ball attached with a popsicle stick. Sequins may be glued on for additional decoration.

LIGHT THE TREE

The decorating can take away or add to the appearance of the most beautifully shaped tree. Instead of guesswork on the number of lights to use — go by this formula: Height of tree (in feet) x width of tree at base (in feet) x 3. If your tree is 6 feet high and 4 1/2 feet wide at the base, the formula goes like this: 6 x 4 1/2 x 3 = equal 81 lights for a good lighting effect.

TREE PARTICULAR

When picking out a tree, choose a fresh one. Stand the tree in water from the time you buy it until you dispose of it. Do not rely on chemical preparations to "flame-proof" your tree. Set the tree away from radiators or fireplaces and never where it might block your escape in case of fire.

PETTICOAT TREE

Use a gay petticoat to replace the cotton at the base of your Christmas tree this year. The "petticoat" can be made quickly with felt and pinking shears. Cut a hole in the middle of the felt and slash from outer edge to fit around the tree. Scallop with pinking shears and decorate.

SAINT NICK GOOD OR BAD?

In December every year parents are faced with the problem of what to do or what to say about Santa Claus. Some of our educators say that the Santa theory is all wrong and some of today's "modern" parents seem to agree. Is the Saint Nick idea good or bad for children? We say it is good and that no child, average or brilliant, ever suffered from the grand illusion. Children know there is a Santa Claus and they accept the fact that he gradually changes from the Santa of fiction to the Santa of reality. Santa is good for small children, for children have imaginative minds. The fact they might see a Santa on every corner matters little. In their eyes Santa is a symbol, a mystery, and in his wondrous magic is apt to appear anywhere. It is not the end of the world when the time comes that some older child shatters the illusion by telling all. This is the perfect opportunity for the parent to explain that Santa is, after all, a spirit of Christmas. He represents the spirit of giving and the reason that we give at Christmas time is because this is the day on which Jesus was born. Jesus taught us love and faith and hope and Santa is a figurative being who helps us understand and use that teaching.

APPLE CENTERPIECE

Apples and evergreens from your own garden will make the perfect centerpiece for your holiday dinner table. Remove the stems of eight shiny red apples and scoop out holes large enough for 5-inch candles. If you want your centerpiece to last through the holidays, coat the apples with a clear lacquer to prevent shriveling. String the apples on a piece of heavy wire (14 gauge) about 38 inches long, spacing the apples evenly. Bend wire into a circle and secure both ends in one apple. You could, of course, just stand the apples in a circle. But the wire holds them securely, so that if something should bump into them they won't topple over. Fasten the candles with a few drops of melted wax. Cover wire with sprigs of evergreen or strands of pine. For the center, choose the largest apple you can find, scoop out the stem, and wedge a tall candle in the hole by using springs of evergreen. You can achieve a color scheme to suit your holiday decor by the kind of apples you choose — red or yellow, or even green; by the kind of evergreens you use; and by the color of candles you select. Use red apples with red or white (for both) candles and evergreens such as cryptomeria, white pine, balsam; use yellow apples and yellow or white candles with yellowish-green foliage; green apples and blue candles with bluish-green evergreens. If there is a flickering in your fireplace, toss in a few scraps of apple peel and some twigs of evergreen — they will give a lovely aroma!

Mr. Smythe had lived alone, except for several servants, since Mrs. Smythe passed away, which was about the time I was born. Two grown sons lived in the East, and each was president of a big business and wealthy in his own right. Each year, with their ever-increasing families, the sons returned to the Smythe mansion before Christmas and remained through the beginning of the New Year. Each year the tree was decorated, before the arrival of the younger generation, in a corner of the spacious living-room. For two Christmases, John and I had greatly admired this tree as we brought in logs for the open fireplace. We had also gazed in great wonder at a huge, green and gaily decorated package which was placed beneath the tree even before decoration was completed under the careful direction of Mr. Smythe.

And when they were departed, behold, the angel of the Lord appeareth to Joseph in a dream, saying, Arise, and take the young child and his mother, and flee into Egypt, and be thou there until I bring thee word: for Herod will seek the young child to destroy him. When he arose, he took the young child and his mother by night, and departed into Egypt: that it might be fulfilled which was spoken of the Lord by the prophet, saying, Out of Egypt have I called my son.

Braves Defeat Pinny

ACTION in last Friday night's game against Pinconning saw Dennis Krish (10) in the picture at left setting up a play for the Tawas Area Braves. The other Tawas player is Center Gary Haglund. In the picture at right, Ray Powers, who came off the bench to play guard for the Braves, drives in for a layup after beating two Pinconning players on a fast break. Tawas, with a perfect record in four NBC games, was scheduled to meet Gladwin Tuesday night in the last game before the Christmas vacation. Action resumes January 6 when the Braves travel to Standish-Sterling. The Panthers are also undefeated in conference play and are defending champions.—Tawas Herald Photos.

Christmas Basketball Tourney Dec. 27-30

Christmas basketball tournament action gets under way December 27 at Whittemore-Prescott Area High School Auditorium. Schools participating include Alcona Community, AuGres-Sims, Arenac Eastern, Hale Area, Bay City St. Joseph, Fairview, Whittemore-Prescott and Saginaw St. Joseph.

First night pairings on December 27 find Alcona tangling with AuGres while Arenac Eastern takes on Hale. The next night finds Bay City St. Joseph meeting Fairview while Whittemore-Prescott Area plays Saginaw St. Joseph.

Winners in the above games meet in semifinals December 28 while the championship game is slated December 30.

Losers in the first four games drop down into the consolation bracket, games to be held the afternoons of December 28 and 29. Trophies are to be awarded December 30.

Tawas Posts Fourth Victory

After opening the NBC season with two cliffhangers, Tawas Area Braves registered an easy 73-51 victory over Pinconning Friday night.

The first quarter had all appearances of games against West Branch and Essexville with the Braves and Spartans knotted in a 15-15 tie at the whistle. Tawas' offense began to click in the second stanza to settle the issue.

Tawas had a well balanced scoring attack with four players hitting in double figures. Forward Dale Koepke paced the Braves with 17 points on seven field goals and three foul shots.

Both teams showed ragged passing in the opening quarter but a height advantage paid off for the Braves, who controlled the boards. Center Gary Haglund led

the pointmakers with three buckets. Tawas had its best scoring threat in the second quarter, taking a 41-27 lead at intermission with a 26-point effort. Koepke topped the scoring with eight points, followed by six for Haglund and six for Ray Powers, who came off the bench to replace Dennis Krish.

The two teams were evenly matched in the nonspectacular second half. Tawas held an 18-14 margin in the third quarter and, with reserves of both teams playing the fourth quarter, Tawas took a 14-10 nod.

The Junior Braves looked like a sure winner in the opening quarter holding an 18-13 lead, but fell behind in second quarter action when the visitors held a 12-6 margin. Tawas missed many good

scoring opportunities in the second half and had to settle for a 10-10 tie with the Pinny JV. Action was furious in the fourth quarter as the Junior Braves almost pulled the game out of the fire in the last seconds of play. Pinny outscored Tawas, 13-12, to register a 48-46 victory. Tawas' final basket came after the buzzer and did not count.

Leading the scoring were Rieger, 17; Brown, 16; Brugger, six; Hearl, four; Look, two, and Yaneek, one.

Other basketball action last week saw the eighth grade team take a 27-24 victory over Standish-Sterling. Mike Sventko was the leading scorer with eight points.

The ninth grade team was smothered by Standish-Sterling, 70-35. Tawas met Gladwin Tuesday night for two games to end competition during 1966. The Braves resume the schedule January 6 when they travel to Standish-Sterling Central.

Hale Eagles Lose Fourth Straight; Posen Wins, 74-39

Hale Area Eagles are having a rough time in North Star League play. The defending champions lost their fourth straight game Friday night, 74-39, to Posen.

After a low scoring first quarter, the end of which saw Posen leading, 12-9, the winners poured in 26 points to take over a commanding lead. Hale was able to score only five points during the quarter and trailed, 38-14, at intermission.

Posen outscored Hale, 13-12, in the third quarter and then meshed 23 points to Hale's 13 in the final. Larry Drenberg topped the Eagles with 24 points on seven field goals and 10 foul shots. Chalupnickzak topped the winners with 18 points.

Conference play reopens January 6 with Hale playing at Rose City.

Cards Lead at Half but Lose, 53-42, to Harrison Hornets

Whittemore-Prescott Area lost its second straight Northeastern Michigan Conference game Friday night, bowing to Harrison, 53-42. Harrison is presently at the top of the standings.

The Cards jumped off to a 11-10 first period lead and upped its margin to 24-20 at the half. Harrison's Hornets then came back strong in the third frame with a 21-6 scoring advantage to take the lead. Both teams scored 12 points in the final quarter.

Ron Dorcey had 14 points on five and four and Mike Smith had 10 points to lead the Cards. Tom Ulieki topped Harrison with 14 points.

Harrison won the junior varsity game, 49-35.

TODAY'S TEEN is Dave Dorcey, 16-year-old senior at Whittemore-Prescott Area High School. Dave's subjects include English Literature, physics, speech, advanced mathematics and United States Government. A member of the varsity club, he participated in football. East Tawas WSCS Held Christmas Tea Tuesday, Dec. 13

Colors and emblems of the Christmas season created an attractive setting for the annual Christmas tea sponsored by the Woman's Society of Christian Service of the East Tawas Methodist Church Tuesday evening, December 13. Tables were decorated by the hostesses.

Guests were welcomed and wished the joys of the season by Mrs. Ralph Burt, president of the WSCS. Mrs. Gerald Rapp, a member of Esther Circle, was program chairman. Group singing of Christmas carols was led by Mrs. Lee Cater. The program followed with Mrs. Richard Powers taking the part of the mother who thinks, feels and hears Christmas.

Miss Linda Webb, Mrs. Vernon Pugh, Mrs. Douglas Webb and Mrs. Alden Phelps were Christmas carolers. Miss Gladys Klassen narrated the Christmas Bible story with Mrs. Webb as soloist and Mrs. Phelps, accompanist. The program closed with the singing of Christmas carols.

Fruit salad, crackers and Christmas cookies were enjoyed.

Ruth Circle was in charge of decorating and Mrs. Roy Burgis, chairman, was assisted by Mrs. Mathew Kienholz. Refreshments were handled by Mary Martha Circle with Mrs. Donald Turbin, chairman, aided by Mrs. Joseph Dibley.

IHM Altar Society Has Christmas Dinner-Party
Immaculate Heart of Mary Altar Society entertained 21 members at the annual Christmas party December 13. Following dinner at Lixey's Restaurant, a social hour

was held at the school cafeteria. Gifts were exchanged, group singing and games were enjoyed.

The Rev. Fr. John Kolevar, a special guest, was presented with a Christmas gift. Presentation of an engraved pendant watch to Mrs. Tillie Stepanski highlighted the evening. The watch was given in appreciation for Mrs. Stepanski's many years of service to the church and society.

Sharing hostess duties were Mrs. Virginia Coyle and Mrs. Shirley Deering.

THE BIBLE
SPEAKS
TO YOU

"God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ."

This passage from II Corinthians will be the Golden Text for the lesson-sermon titled, "Christian Science," to be read in all Christian Science churches this Sunday, Christmas Day.

Scriptural passages include the story of the birth of Jesus and the adoration of the Magi as well as

many references to Jesus' healing ministry.

One of the related selections from the denominational text-book, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will be this: "Christ's Christianity is the chain of scientific being reappearing in all ages, maintaining its obvious correspondence with the Scriptures and uniting all periods in the design of God."

Church Groups Go Caroling in Tawas

Youth groups of Christ Episcopal Church and First Methodist Church, East Tawas and Tawas City, joined Sunday evening to present Christmas carols at Tawas Hospital and the Isoco Medical Care Facility.

134 Newman Street EAST TAWAS

If you are willing to forget what you have done for others and to remember what other people have done for you; to ignore what the world owes you, and to think what you owe the world; to put your rights in the background, and your duties in the middle distance, and your chances to do a little more in the foreground; to close your book of complaints against the universe, and look for a place to sow seeds of happiness—if you are willing to do these things even for a day, then you can keep Christmas.

Believe that the needs and desires of little children are to be considered; and remember the weakness and loneliness of people who are growing old; bear in mind the things that other people have to bear in their hearts. Believe that love is the strongest thing in the world—stronger than hate, stronger than evil and stronger than death. You will be Keeping Christmas.

Have a safe holiday—drive with care.

Holiday Patrols Set by Mich. State Police

Michigan State Police holiday patrols will be operated during the Christmas and New Year week-ends in special efforts to reduce accidents, Col. Fredrick E. Davids, department director, reported.

Emphasizing that the state is headed toward a new annual high in traffic deaths, Colonel Davids urged motorists to exercise greater care in following safety rules and practices.

"The holiday season should be an inspiration to every driver and pedestrian to do whatever he can to reduce the risk of an accident," he said.

Extra hours of darkness, frequently bad weather and road conditions and the drinking associated with holiday celebrations are factors which add hazards at this time of the year, he noted.

State police patrols will provide maximum coverage from 3:00 to at least 9:00 p. m. each day of the holiday periods, with special attention to highway sections with bad accident experience. Department planes will assist in the patrols during daylight hours, weather permitting.

Christmas week-end traffic deaths numbered 37 last year and 38 the year before. New Year period fatalities totaled 33 a year ago and 22 in 1964-65.

The highest Christmas traffic death toll occurred in 1955 when 50 were killed. The record for a New Year week-end was 39 in 1938.

Iosco Schools Receive \$331,180 in State Aid Money

December apportionment of state aid to Iosco schools totaled \$331,180, according to Ernest W. Jordan Jr., Iosco Intermediate School District superintendent.

Appropriations were as follows: Oscoda Area School, \$213,100; Hale Area School, \$17,200; Tawas Area School, \$62,600; Whittemore-Prescott Area School, \$36,100; Iosco County special education program, \$2,180.

In addition to the above, Iosco Intermediate School District received \$2,100.

Nephew of TC Couple Fighting Different War in Vietnam

Navy Lt. Cmdr. Thomas Byrd of Kershaw, South Carolina, is fighting a different kind of war in Vietnam. One way is to kill. His is a war to save lives.

Byrd is head of the preventative medicine unit at a Da Nang hospital. The unit cares mostly for troops but helps as many civilians as possible.

A graduate of the Medical College of Charleston in 1961, Byrd is investigating communicable diseases. The country has them in abundance.

"Malaria is a major problem," Byrd said in an account published recently in the Columbia (South Carolina) Record. "Of course, there is also plague—bubonic and pneumonic—rabies and encephalitis, among many."

Rabies is the current problem among dogs. Snakes are also a problem as there are many varieties, some poisonous, some not.

Apparently luck has been with the Americans, who have had generally good health.

Byrd is the nephew of Mr. and Mrs. Frank Byrd of Tawas City.

Turkey is Choice With Americans

Almost every nation has its own special Christmas dish. Since Americans represent people from all parts of the world, it is not surprising that one finds different holiday menus in the various parts of the country. Two thoroughly American pedigrees, however, are turkey and cranberries.

Indians ate wild turkey, cranberries and pumpkin before the first European colonists arrived. The turkey today is a domesticated variety of the native wild turkey.

NOMINATING PETITION

I hereby nominate _____ as the outstanding citizen of the Tawas area for the year 1966. I have enclosed a brief summary listing reasons why I have placed my candidate in nomination.

Signed: _____

(This ballot must be returned to the Tawas Chamber of Commerce office on or before January 1, 1967.)

Airman Cook Picked for Special Equipment Training

Airman James F. Cook, son of Mr. and Mrs. Warren G. Cook of Oscoda, has been selected for training at United States Naval Station, Port Hueneme, California, as an air force construction equipment operator. The airman, a 1963 graduate of Rome (New York) Catholic High School, recently completed basic training at Lackland Air Force Base, Texas.

Oscoda Seaman Completes Training

Seaman Apprentice Thomas S. Wojciechowski, USCG, son of Mr. and Mrs. Stanley Wojciechowski of Oscoda, has completed eight weeks of intensive recruit training at Cape May, New Jersey, which gave him the skills he will need as a coast guardsman. Under the able leadership of veteran petty officers, he received

Seaman Carl A. Nash Completes Basic

Seaman Recruit Carl A. Nash, 19, United States Navy, son of Mr. and Mrs. Clair A. Nash, East Tawas, has been graduated from nine weeks of navy basic training at Great Lakes, Illinois.

In the first weeks of his naval service, he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

In making the transition from civilian life to naval service, he received instruction under veteran navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

Seaman Recruit Robert A. Race, 18, United States Naval Reserve, son of Mr. and Mrs. James B. Race of East Tawas, also recently completed this nine-week basic training course.

Completes Advance Artillery Training

Pvt. Marvin W. Hart, 20, son of Mrs. Evelyn A. Hart of Oscoda and Harry W. Hart of Greenbush, completed eight weeks of advanced artillery training December 15 at the Army Artillery and Missile School, Fort Sill, Oklahoma.

His training included maintenance and firing of artillery guns, howitzers and heavy machine-guns. Instruction was also given in ammunition handling and communications.

During his last week of training, he participated in day and night firing exercises.

Tawas City Seaman Serving Aboard Altair

Gunner's Mate Seaman Glen A. Kendall, United States Navy, son of Mr. and Mrs. Alvin R. Kendall of Tawas City, is a crewmember aboard the stores issue ship, USS Altair, now in operation with the sixth fleet in the Mediterranean.

The Altair has relieved the newer USS Sylvania for a two-month inventory period and will be supplying fuel, ammunition, frozen food and general stores to maintain an independent Mediterranean naval force.

Homeported in Norfolk, Virginia, the Altair will be returning to the United States this month after visits to Naples, Italy, and Malaga, Spain.

Iosco Seaman Aboard Carrier Enterprise

Electronics Technician 3C Samuel E. Shapley, United States Navy, son of Mr. and Mrs. Elwood E. Shapley of Oscoda, is one of more than 3,000 crewmen helping to celebrate the fifth birthday of the nuclear-powered aircraft carrier, USS Enterprise, the world's largest warship, during a port visit to Hawaii.

The 90,000-ton attack carrier departed her homeport at the Alameda, California, Naval Air Station in mid-November and has been undergoing operational readiness exercises in the vicinity of the Hawaiian Islands.

Operations at sea included fire fighting, navigation, flight operations, weapons handling and seamanship drills designed to keep the crew in a state of combat readiness. After intensive at-sea training visits were made to Pearl Harbor, giving crewmen a chance to see the Honolulu area.

The company is engaged in search and destroy missions against the enemy and a determined effort to win the people to the side of the legitimate government of South Vietnam.

At the same time through a constant effort, the Marines provide medical aid for the people and teach them to help themselves through better sanitation and health programs along with other projects designed to raise the living standards of the Vietnamese.

Takes Part in German Field Training Exercise

Army Pvt. Ronald E. Heinz, son of Mr. and Mrs. Frank O. Heinz, Oscoda, participated in a four-week field training exercise conducted by the third armored division near Hohenfels, Germany.

During the exercise, which ended December 5, he took part in weapons firing and tactical maneuvers as part of an army program to maintain the combat proficiency of his unit.

Private Heinz is a grenadier in company B, first battalion of the division's 48th infantry near Gelnhausen.

MANY HOMES in the Tawas have been decorated with colored lights for the Christmas season. This picture shows the residence of Mr. and Mrs. Cecil Lamb, Whittemore Street, Tawas City, who wound colored tape around support

columns on the front of their home. Over the entrance is a lighted Santa Claus. Residents should spend at least one evening touring streets of the two communities to inspect the decorative talents of others.—Tawas Herald Photo.

Golden-Agers Enjoyed Turkey Dinner Last Thursday

Thirty-seven Golden-Agers met last Thursday for a turkey dinner. Mrs. Arlon VanHouten substituted as chairman for Mrs. Eugene Strickler, who was in Detroit. After dinner, Mrs. VanHouten read a Christmas greeting. Leon Brunson and Robert Pember presented holiday readings.

Hosts were the VanHoutens, Mr. and Mrs. Albert Buck were awarded door prizes. There was also an exchange of Christmas gifts.

Santa Claus will be at the Plainfield Township Fire Hall Saturday, December 24, at 2:00 p. m.

Mr. and Mrs. Richard Parrish were in Flushing to visit their son and family, the Thomas Parrishes, last Monday.

Sunshine Circle of Hale Methodist Church met last Wednesday to have a brief meeting and to pack homemade cookies, fruits and candy for older members and shut-ins. A guest, Mrs. Henry Smith, received an apron by writing a cute verse on the patched apron.

Last Tuesday evening, there was a family night at Hale Methodist Church. A pot-luck supper and program were enjoyed by 50.

Mr. and Mrs. Wilford Bunk and family of Midland spent last Sunday visiting relatives in Hale. Charles Bills returned home last Monday from the hospital and is convalescing nicely.

Thomas Kesler, son of Mr. and Mrs. Jack Kesler, had surgery on his back last Wednesday at St. Luke's Hospital, Saginaw.

The Past Matrons of the OES had their Christmas party last Sunday afternoon. Twenty were present including a few husbands and children to enjoy a chicken

dinner. After an exchange of gifts, Christmas carols were sung. Mrs. Christine Emmons and Mrs. Howard Atkinson were the hostesses.

Lyle Adams, son of Mr. and Mrs. Carl Adams who is stationed in Italy, visited Hans Siekman, an exchange student here 14 years ago.

Albert Gardner, Mr. and Mrs. Glenwood Streeter were last Sunday dinner guests of Mr. and Mrs. Emil Wagner.

Bible Fellowship Group of the Baptist Church met last Tuesday at the church annex. A dinner and reception honored the new minister and his wife, the Rev. and Mrs. Raymond Bruce, who were presented a gift. Lloyd Williams entertained with pictures of his trip in Canada, Wisconsin, Kentucky and Virginia. There were 37 present.

Mr. and Mrs. Glenwood Streeter left last Thursday for Indiana to be with their daughter and family for the holidays.

Hale Baptist Missionary Society met last Wednesday afternoon at Mrs. Herbert Durham's home. The hostess served dessert and a business meeting followed. Bags were filled with candy for the Christmas program Sunday, December 18. Thirteen attended the society meeting.

New Community Service Agency Formed Thursday

A new community service agency was formed Thursday night at a meeting held at Christ Episcopal Church, East Tawas. The new group would act as a clearing house for services available in the area of guidance.

Guidelines for the new agency are to be established by a steering committee composed of Robert Marsh, Philip Gidley and John Breece. A second meeting is to be held in January and persons interested in helping with formation of the agency are invited to attend.

Last week's meeting was attended by area attorneys, physicians, clergymen and teachers.

Measles Should Not Be a Part of a Child's Life

Old-fashioned thinking to the contrary, measles should not be a part of growing up.

This is the word from Dr. L. A. Lambert, district health director, who announces that a free vaccination clinic will be held December 27, 1:30 to 4:00 p. m., in the district health office, Iosco County Building.

To assure that measles are not a part of growing up, children will receive an injection of vaccine to protect them against the disease. If the child has not already been exposed to measles, it is expected that this live, attenuated vaccine will provide protection—probably for life.

The vaccine is effective against seven-day measles (Rubella), not three-day measles (Rubella). Vaccinated children are not infectious to other persons.

The clinic is open to all children of Iosco County between the ages of nine months and seven years. While vaccination is also dispensed free on other days, it was felt that the Christmas vacation would offer an excellent opportunity to treat the children.

Mrs. Sandra Lange, Iosco County nurse, said that, in the old days, parents often intentionally exposed their children to neighboring children who were infected with measles. "The thought was that the children would contract the disease sooner or later and it would be best to have it at an early age," she said.

Mrs. Lange pointed out that measles could be very harmful and that complications often resulted in deafness or injury to eyesight.

This vaccine has been shown to be 99 percent effective in trials with thousands of children. Most will experience no reaction to the vaccine.

Dr. Lambert said the vaccine was also being made available to local family physicians.

"There really is no need for your child to have measles—it is not a part of growing up," emphasized Dr. Lambert.

NAMING CHRISTMAS

Christmas means both prayerful worship and festive merry-making. The holy meaning of the day is expressed in its name.

The Latin name for Christmas translates as the Feast or Birthday of Our Lord. The English Christmas means the Mass of Christ, a meaning which is closely paralleled by the Dutch "Kermis". In Germany it's "Weihnacht", or sacred night.

AREA COOPERATIVE EXTENSION AGENTS are sharing training with other agents. As an example, Harold Ferris, Ogemaw Extension agent, is shown in the above photos conferring with two Losco farmers concerning barns. At left, Russell Nelkie explains feed handling equipment in his new barn. At right, he confers with Waldo Curry on the remodeling of a barn for the Curry dairy herd. Ferris has done much for Ogemaw dairymen in helping them keep up with new dairy regulations. He is furnishing the leader-

ship in dairy programs for Losco, Arenac and Ogemaw. Marvin Davenport, Losco extension agent, will be furnishing leadership in programming for the same three counties in the development of natural resources, marketing and animal husbandry. Jack Post, Arenac County, will assume the program development for the three-county area in soils and crops. Mrs. Clemma Lenehan is home economist for the three counties while Jerry Malosh is the area's 4-H youth agent.—Cooperative Extension Service Photos.

Iosco Supervisors Adopt New Assessment Schedule for 1967

Prepared by Equalization Director

An interim appraisal schedule for use in tax assessments during 1967 was adopted last Wednesday by the Losco Board of Supervisors.

Extent of the boost will not be known until assessor's reports are received next April, reported Oates. Supervisors hope the move will provide enough additional funds to meet budgets next spring.

Recommended by the county's equalization committee after presentation by Equalization Director Henry Oates, the new schedule is expected to boost this county's state equalized valuation—presently at \$59,715,540.

Oates pointed out that farmers are required to file a report on farm personal property in order to receive exemptions. Special forms are to be available in his office.

The following new state equalized valuation schedule was adopted:

Lake Huron frontage—Present assessments range from \$6 to \$46 per foot. The new schedule will call for a range of \$30 to \$50 per foot; inland lake frontage—present values range from \$3.50 to \$12.75 per foot while the new schedule will range from \$15 to \$35 per foot; back lots on lakes—presently \$3.50 to \$8 and the new schedule will be \$5 to \$10 per foot.

Hunting land—Present valuations range from \$400 to \$1,395 per 40 acres while the new schedule will range from \$600 to \$1,400 per 40 acres.

Vacant farm land: Pasture—presently assessed from \$400 to \$960 per 40 acres and will now range from \$800 to \$1,200 per 40 acres; tillable land—presently assessed from \$1,088 to \$2,070 per 40 acres and will now become \$1,300 to \$2,000.

According to the tax guide, the state equalized value for tax assessment purposes is to be 50 percent of the actual cash value.

The above temporary schedule was prepared by Oates following a study of present assessment rolls. Also used in its preparation were recent land sales obtained from area realtors.

According to new legislation this year, farm personal property is not to be taxed starting in 1967. This, coupled with exemption this

Finger Style Food

Foods for nibbling are welcome at holiday festivities. Try this quick and easy spread for toast rounds or crackers. Combine 1 can (12 oz.) luncheon meat, ground with 1/2 cup sour cream, 1/8 teaspoon garlic salt, and 1 teaspoon dry instant onion, reconstituted. Mix thoroughly.

Bologna Kabobs are good finger eatin' too, and easy. On skewers or on wooden picks thread: bologna cubes, green pepper squares, and small spiced beets; or 2 bologna cubes and pickled cherry pepper; or 3 bologna cubes, pimento squares, green tomato pickles and gherkins.

Christmas Time Reminders

As gifts are opened at your house this week-end, be sure instruction books and warranty cards are rescued from the wrappings. Then, be sure they are read before the person uses that gift for the first time.

A quick glaze for rolls or cookies that can be applied before baking: Brush with a thin layer of one egg white diluted with one tablespoon water, or brush with milk or cream, or an egg yolk mixed with a tablespoon water.

Tired of nut shells in all the chairs and on the tables? Put the nut bowl inside a larger bowl which can hold the shells and nut cracker.

Shelled nuts will keep fresh in a tightly closed container and rancid-free if stored in the refrigerator. For longer storage, pack in usable amounts and freeze. Nuts turn rancid under continued exposure to air, heat and moisture. Unshelled nuts keep fairly well at room temperature for several months.

Take time to read and sing with the children in the family. Something may have to go undone, but a child happy and spending some time with him will be more important than some housekeeping jobs. Can you remember your excitement and wonder and a few concerns about the hustle and mysteries of a childhood Christmas?

Holly at your house? Rumor has it that its foliage will shrivel and drop more quickly if used near apples, pears or bananas. These fruits give off ethylene gas which affects holly leaves.

For those of you who made homemade candies, this item from

Griswald's "Experimental Study of Foods" will be of interest in this hard-water area. "Since the effective concentration of acid is decreased if it is neutralized by alkaline cooking water, distilled water is used for most experiments on fondant. The amount of acid must be increased when alkaline water is used."

If you make plum pudding and would like to shorten up the three or four hour steaming period, use your pressure sauce pan or pressure cooker. Set the pudding on a rack, leave the petcock open for the first 30 minutes to allow the pudding to rise. Complete with the petcock closed and cook at 10 pounds pressure for about a third the time for regular steaming. This may ease the load on the range during the busy days between now and Christmas. (Reheat the pudding for Christmas dinner.) A flaming pudding can be inexpensively and easily done without altering flavor by dipping sugar cubes in lemon or orange extract and placing around or on the pudding just before serving. Light with a match just before placing the pudding on the table to serve.

Keep the strings of lights filled on your Christmas tree. An empty socket is an invitation for a youngster to stick his finger in and a container for the tree decorations to get into. Keep an eye on the hot bulbs so they do not slip off branches and rest on needles or on the carpeting.

Season's best to you!

Go Italian With Frozen Fries

There's really no reason to save frozen French fries for snack and hamburgers when you could be making Potatoes Italia. The frozen fries are layered and baked in a well-seasoned onion-cheese custard that's velvety-smooth with the exciting flavor of Cheddar and shredded Parmesan. The casserole is excellent served as the main entrée with a fruit and greens salad, crisp relishes and steaming bowls of soup. You'll find it goes well with meat balls, too, or plump Italian sausages.

Potatoes Italia

- 3 large onions, thinly sliced
- 1/2 cup butter
- 8 eggs
- 1 1/2 cups grated sharp Cheddar cheese
- 1/2 cup milk
- 1/4 cup chopped parsley
- 1 teaspoon basil flakes
- 1/2 teaspoon garlic salt
- Dash pepper
- 1 1-pound or 1 1/4 pound package frozen French fried potatoes
- 1/4 cup shredded Parmesan cheese

Cook onions in butter until soft, but not brown. Beat eggs slightly and combine with cheese, milk, parsley, basil, garlic salt and pepper. Arrange potatoes in a 9x9x2-inch baking pan; top with onions and butter. Pour egg mixture over all; sprinkle with Parmesan cheese. Bake at 350 degrees for 50 minutes, or until set. Makes 6 to 8 servings.

IN STYLE . . . Holiday dresses, fashioned after the styles worn by their favorite dolls can delight a young girl's heart. The coin-dot shirt-maker at left is of Combed Sateen, and has a doll-carrying pocket. Ribbon print is at right. It has pendant bow that tops the piped cowl collar and tucks through corded and gathered waistline.

AMERICAN CAROLS

Three lovely carols were written by Americans. In 1899, Edmund H. Sears composed "It Came Upon A Midnight Clear". In 1859 John Henry Hopkins Jr. composed "We Three Kings of Orient Are". Phillip Brooks wrote "O Little Town of Bethlehem in 1868.

JALOPY . . . Pulltoys are a happy-go-lucky gift for the very young. This circus clown in his roadster rolls along with a wobbling motion and the engine makes a putt-putt sound. The jolly clown's head is spring-mounted so it flops around and around as he rides.

FOR THE FAMILY . . . Singer Andy Williams and actress Claudine Longet, like the rest of us, are concerned with what gift to give family and friends this Christmas.

MERRY CHRISTMAS

Hope you have a sportin' holiday!

SPREAD THE HOLIDAY JAM

And enjoy it!

Christmas is a time for tradition. One tradition is calling family and friends Long Distance on Christmas Eve and Christmas Day. Always exciting but sometimes frustrating—when you experience delays because almost everybody calls at the same time.

This Christmas, you've got two extra days to call Long Distance . . . all day Saturday and all day Monday when low evening rates apply. No need to wait for the peak holiday Long Distance jam.

On Sunday (Christmas Day), the lowest night rates apply all day so there's no need to wait until evening.

Pass the jam and have a Merry Christmas. (Lower rates do not apply on person-to-person calls within Michigan.)

Tempting PLUM PUDDING

Plum pudding is as much a part of Christmas as holly and the tree. This is one that you will enjoy making: You will enjoy eating it too.

1 pound seeded raisins — 1/2 pound minced orange peel — 5 eggs — 1/2 pound brown sugar — 1 pound suet chopped fine — 1 teaspoon nutmeg — 1/2 teaspoon cloves — 1/2 teaspoon mace — 1 cup Cognac brandy — 1 pound currants — 1/4 pound flour — 1 pound stale bread crumbs — 1 teaspoon cinnamon — 1 teaspoon allspice — 1 teaspoon baking soda — pinch of salt & grated rind of 1 lemon.

Wash the dry currants, add raisins and mix well. All dry ingredients should be mixed together. Beat the eggs and add to them the Brandy, then pour this liquid to the dry mixture and add fruit.

Pack into greased pudding mold and steam for 6 hours. Steam for another 6 hours when ready to use. Serve with Cognac or hard sauce. This will keep for weeks if kept in a cool, dry place.

Company Casserole

Rice Council Photo

When you get a last minute phone call announcing guests for luncheon you'll be glad you clipped this recipe for Asparagus-Rice Luncheon Casserole.

Made almost entirely of cupboard and refrigerator staples, the savory and attractive casserole doesn't indicate its ease of preparation. While the rice and eggs cook, the cheese can be sliced and the soups and milk blended so that they can be arranged in a casserole ready for baking in a matter of minutes. A little more than half an hour of baking turns it into a hot and bubbly main course, ideal for a guest luncheon.

Accompany Asparagus-Rice Luncheon Casserole with crisp greens salad and for dessert serve chilled cling peaches topped with toasted coconut.

Use any kind of American-grown rice — brown, regular milled white, parboiled, or precooked for this recipe. Simply follow the package directions for cooking and be assured of tender, fluffy rice.

Asparagus-Rice Luncheon Casserole

- | | |
|--|---|
| 3 cups cooked rice | 1 can (10 1/2 ozs.) mushroom soup |
| 1 can (14 1/2 ozs.) cut asparagus spears | 1 can (10 1/2 ozs.) cream of chicken soup |
| 6 hard cooked eggs, quartered | 1 1/4 cups milk |
| 1 cup diced cooked ham | 1 1/4 cups paprika |
| 1/2 pound processed cheese, sliced | |

Place rice in bottom of a greased shallow 2 quart casserole. Top with layers of asparagus, eggs, ham, and cheese. Blend soups and milk; pour over all. Sprinkle with paprika. Bake at 350 degrees for 35 minutes or until hot and bubbly. Makes 8 servings.

DHIA Lists Report for 16 Dairy Herds

According to the November 1966 DHIA report, submitted by Duane Reinke, supervisor, there are 16 dairy herds in Iosco County on the dairy testing program. Three of them use the official testing program that provides more detailed information than the owner-sampler program. In the owner-sampler program, the farmer collects his own samples. In the official DHIA program, the dairy tester is paid an additional fee for collecting the samples.

In the official DHIA program, the farmer also receives a feed cost figure that tells him how much it costs to produce 100 pounds of milk.

Results for the three officially tested herds are as follows: Harvey O'Dell, 89 percent of the cows milking, 961 pounds milk, 35 pounds butterfat; George and Robert Waters, 89 percent of the cows milking, 901 pounds milk, 32 pounds butterfat; Waldo Curry, 75 percent of cows milking, 1,177 pounds milk, 38 pounds butterfat.

Farmer sampled herds tabulated the following results: Herman Drenberg, 92 percent of cows milking, 971 pounds milk, 36 pounds butterfat; Bellville and Sons, 91 percent of cows milking, 888 pounds milk, 34 pounds butterfat; Nelson Ostrander, 91 percent of cows milking, 852 pounds milk, 32 pounds butterfat; James Dobson, 88 percent of cows milking, 1,193 pounds milk, 45 pounds butterfat; Siegrist Brothers, 84 percent of cows milking, 868 pounds milk, 40 pounds butterfat; Eugene Kaiser, 80 percent of cows milking, 1,012 pounds milk, 38 pounds butterfat; Charles Sullivan, 80 percent of cows milking, 1,033 pounds milk, 38 pounds butterfat; Carl Lange Jr., 79 percent of cows milking, 826 pounds milk, 39 pounds butterfat; Ronald Timreck, 78 percent of cows milking, 902 pounds milk, 35 pounds butterfat; Elwood Ruckle, 76 percent of cows milking, 908 pounds milk, 33 pounds butterfat; L. and L. Robinson, 71 percent of cows milking, 1,074 pounds milk, 39 pounds butterfat; Hope Creek Ranch, 69 percent of cows milking, 884 pounds milk, 32 pounds butterfat; Tom Nelkie, 68 percent of cows milking, 1,136 pounds milk, 39 pounds butterfat.

THE WAITS

An important part of early English Christmas was the group known as the "waits". At first they were minstrels who sang and played at the court; afterward, watchmen, used to guard the streets. Finally the word was applied to the people who went from home to home singing Christmas carols; for their efforts they received small gifts or their suppers.

THE CHRISTMAS STORY
ACCORDING TO ST. MATTHEW, VERSES 1-12, OF CHAPTER 2

NOW WHEN JESUS WAS BORN IN BETHLEHEM OF JUDEA IN THE DAYS OF HEROD THE KING, BEHOLD, THERE CAME WISE MEN FROM THE EAST TO JERUSALEM, SAYING, Where is He that is born King of the Jews? For we have seen His star in the East, and are come to worship Him. When Herod the king had heard these things, he was troubled, and all Jerusalem with him. And when he had gathered all the chief priests and scribes of the people together, he demanded of them where Christ should be born. And they said unto him, In Bethlehem of Judaea: For thus it is written by the prophet, and thou Bethlehem, in the land of Juda, art not the least among the princes of Juda: for out of thee shall come a Governor, that shall rule my people of Israel. Then Herod, when he had privily called the wise men, enquired of them diligently what time the star appeared. And he sent them to Bethlehem, and said, Go and search diligently for the young Child; and when ye have found Him, bring me word again, that I may come and worship Him also. When they had heard the King, they departed; and, lo, the star, which they saw in the east, went before them, till it came and stood over where the young Child was. When they saw the star, they rejoiced with exceeding great joy. And when they were come into the house, they saw the young Child with Mary and His mother, and fell down, and worshipped Him: and when they had opened their treasures, they presented unto Him gifts; gold, and frankincense, and myrrh. And being warned of God in a dream that they should not return to Herod, they departed into their country another way.

"NACIMENTOS"

In Spain the Nativity scene is so popular that vendors set up stands before the holiday. They offer colorful clay, wood and cardboard figures which are arranged into Nativity scenes, known locally as "Belenes" or "Nacimientos".

In some villages it is custom to award a prize for the best arrangement of a Belenes.

A small carved figure of the Madonna and Child is the proud possession of the Benedictine Monastery of Montserrat near Barcelona. It is believed that it was carved by St. Luke and brought to Spain by St. Peter in 30 A. D.

IN GERMANY

The children in Germany begin the Christmas season with the hanging of a calendar. The calendar shows a painted house. Doors and windows of the house often hide pieces of candy.

KISSING RINGS

Kissing Rings are a delightful Christmas custom. These are embroidery hoops covered with red ribbons and sprigged with holly and mistletoe. Ribbon can be glued to or wound around the rings.

Popcorn Balls

Make a big batch so there'll be some to eat and some to hang on the tree.

- First have five quarts of popped corn . . . then
- | | |
|--------------------------|--------------------|
| 2 cups sugar | 1 teaspoon vinegar |
| 1 1/2 cups water | 1 teaspoon vanilla |
| 1/2 teaspoon salt | Candy red dyes |
| 1/2 cup light corn syrup | |

Keep popcorn hot and crisp in a slow oven. Combine the five ingredients, cook to hard ball stage (250°). Remove from heat and add vanilla. Slowly pour syrup over hot popped corn, mixing well to coat every kernel. If you wish, stir in some candy red dyes for color. Butter your hands lightly before pressing popcorn mixture into balls.

YULETIDE OPERA . . . Among television highlights of the Christmas season is presentation of Gian Carlo Menotti's Yuletide opera, "Amahl and the Night Visitors." Singers in the classic presentation of the two past holiday seasons include, left to right, Kurt Yaghjian as Amahl, Martha King as the mother, and John McCollum, Richard Cross and Willis Patterson as the Three Kings.

Holiday Greenery

Evergreens, symbolic of eternal life, have long been used for decorating at Yuletide. Teutonic peoples believed that certain greens would frighten certain evil spirits away. The Saxons hung holly, ivy, rosemary, or laurel in their homes and churches. In the great manor houses, walls, pillars, and windows were adorned with branches of greens. A bunch of mistletoe hung from the door or ceiling. Each time a man stole a kiss under it he had to pluck a berry from the bough.

It is said that early Roman enemies made up their quarrels when they met under the mistletoe; this is believed to be the origin of kissing under the green. This plant was not used in churches (because of its association with the pagan Druid ceremonies). There was one exception to this — at York Minster — where a bunch was laid on the high altar "with a benediction for peace and good will".

As early as 1444, greenery was used on the streets of London as Christmas decorations, and the custom grew through the years. Holly has long been a favorite holiday green. There are several legends connected with it. One is that Christ's crown of thorns was made of holly. Some say that the idea of making holly wreaths came from His Crown, as the berries resembled drops of blood. Today holly wreaths, with their glistening green leaves and contrasting berries, are among our most distinctive holiday decorations.

Receives Probation and Jail Sentence

Ronald P. Langlois, 18, who resides at the Muskegon YMCA, was sentenced to serve three years on probation when arraigned last Tuesday before Circuit Judge Alan C. Miller.

Convicted of breaking and entering the Barber Service Station at the intersection of M-65 and US-23 on November 20, he was ordered to pay restitution of \$103. He is also to serve 30 days in the Muskegon County Jail, being released during the day to continue training at the Muskegon Area Skilled Training Center. Judge Miller also ordered that his driving license be rescinded.

The Gay Nineties Festive Times

During the Gay Nineties, hostesses often announced in the newspapers the hours they would receive guests on New Year's. People arrived in their best finery — men in silk hats, with chamois skin gloves, and ladies in "stiff bombazine with sealskin tippets".

Callers left their cards on trays in the reception hall, greeted the host and hostess, then went to the dining room, where tables held such substantial foods as roast beef, turkey, ham, relishes, along with all kinds of fancy pastries. Of course, punch and the traditional eggnog were dispensed in large quantities. After their guests had departed, the host and hostess often made a round of calls on their friends. As a result, the affair became a calling marathon.

At times, undesirable managed to crash the parties; also guests who had imbibed too much at different homes sometimes caused hostesses embarrassment.

MAKE YOUR OWN SNOW

An economical way to dress up your holiday decorations is to make homemade "snow".

Put lots of soap chips or flakes in a little water. Beat lightly with a wire mesh spoon, long enough to get a thick foam. Smear on needles and stems of Evergreen branches, allow to dry, and you have a winter snow effect.

AT GREENFIELD VILLAGE

"Crafts At Christmas"

DEARBORN, Mich.—Christmas gifts and decorations made at home were things to treasure years ago. Greenfield Village brings history back to life with its special holiday exhibit of the "Crafts at Christmas" now through Dec. 31. The Yule log, boxwood greens and other colorful home decorations of the type that have been used during the past 300 years in America can be found in many of the historic Village buildings during the holiday season.

A group of 10 craftsmen is at work each day, except Christmas, in the Henry Ford Museum producing delicate ornaments of glass, pottery, candle holders, hand-carved toys, bayberry candles, hand-sewn dolls and other items, recalling Christmas of the past.

An old-fashioned printing press turns out copies of an early Christmas picture that the youngsters can take home

to remember their visit. A special family film program will be presented twice daily in the Museum theater from Dec. 26 through Jan. 2.

In adjoining Greenfield Village visitors can see many of the homes decorated in the spirit of the holiday season. Candles, wreaths, ornaments, festive table settings, lighting and other decorations relating to the period help to tell a visual story of each building and the famous Americans who once worked or lived in them. A tour of the Village is climaxed by a stop at century-old Clinton Inn, where visitors are served a hot cup of old-fashioned cider.

The Henry Ford Museum and Greenfield Village are open seven days a week from 9 a.m. to 5 p.m. on weekdays and from 9 a.m. to 6 p.m. Saturdays and Sundays. On Christmas Day and New Year's Day both the Museum and Village will be closed.

Tawas Seniors Plan Christmas Dance

Senior class of Tawas Area High School will present its annual Christmas dance December 23, 8:00-11:30 p.m., in the high school cafeteria. Theme of this year's program is candlelight and mistletoe. Prizes are to be awarded winners in a dance contest. There will be a mystery guest.
