## **CHEC Program Deserves Support**

The Iosco County Sheriff Department's new CHEC Program deserves your wholehearted support and cooperation and every citizen is urged to assist this community-wide project by joining the "CITIZENS HELPING ELIMINATE CRIME EFFORT."

Sheriff Ivan O'Farrell explains the objective of the program is to impress upon the people that crime is a community problem and to combat it successfully requires total community effort.

Citizens are asked to support the sheriff when they see a crime is being committed, or about to be committed, or actions of people or vehicles of suspicious nature. They can do so anonymously.
