

Marlin Eaton to Quit as Chamber President

Marlin Eaton, who was in his first year as president of the Tawas Chamber of Commerce, announces his resignation from that position effective immediately.

Power sales engineer for Consumers Power Company's Tawas division for the past four years, Eaton has been transferred to Bay City in a similar position.

In his letter of resignation, Eaton said a job half done is only one of his disappointments. "The satisfaction received from working with some dedicated community people will be deeply missed," he said.

Eaton had high praise for members of the chamber's board of directors. "There are no wonder-working 'little elves' that make the chamber's projects and promotions go. Just a lot of sweat,

hard work and many hours spent in the service of the community by some of the people with whom you work, play and go to church," he said.

"These men and women, contrary to a lot of thinking, are not all in business for themselves and consequently have nothing directly to gain except a feeling of pride as they see and sense the results of their efforts. That, alone, is their reward and it can be very satisfying."

Eaton urged residents not to turn their backs on chamber projects. "Lend a hand when asked. Or better yet, drop by and sit in on your chamber meetings held regularly on second and fourth Wednesdays. The fact that the chamber's efforts are financed by the majority of the merchants that you do business with does not mean that the ideas and ef-

Sail Regatta Starting Line at State Dock

Second annual memorial race of Mackinac class sailboats is scheduled to start on Tawas Bay Saturday afternoon at 3 o'clock. The starting line will be in front of the Michigan Waterways Commission Dock.

Between seven and eight boats are expected to take part in the event.

The course of approximately 100 miles extends out into Lake Huron, with boats rounding buoys at Point Au Barques, then back to AuSable Point, moving on a southwesterly course to Point Lookout and back to the finish line in Tawas Bay.

Carl "Butch" Babcock, race chairman, said that boats were expected to finish early Sunday morning.

Competing will be sailing craft in the 40-foot class, either sloop rigged or yawls.

Last year's event was won by John Sutton of East Tawas. The race was marred by heavy gales and rain.

Board Members are Re-elected

Two members of Isosco Intermediate School District Board of Education were re-elected to office last week by representatives of the county's four school districts.

Named to six-year terms were Ron Korthals, Tawas Area School District, and Cecil Kennedy, Oscoda Area School District.

Other members of the board are Dale Brumfield, Hale Area; Walter Niles, Tawas Area; Charles Harsch, Whittemore-Prescott Area.

Intermediate District Gets New Quarters

Isosco Intermediate School District moved into its new offices at East Tawas, formerly the office of Dr. Harvey Brinkman and Dr. Raymond Sutton.

Completing the move Friday from its former location on West State Street, Isosco Intermediate Supt. Ernest Jordan Jr. said Tuesday morning that the new quarters would provide adequate room for expansion of district services.

This was the second move for the intermediate superintendent's office since it vacated quarters in the Isosco County Building two years ago.

The brick building owned by Mr. and Mrs. George Gifford, located on US-23 near the Bay Street intersection, has three offices, a conference room, reception area, adequate storage facilities and improved parking.

Jordan said that private office

space provided was particularly appreciated.

In addition to regular services provided by the intermediate school office, the building will house offices of three speech correctionists and a diagnostician.

Speech correctionists hired for next fall include David Featheringill, a former Tawas resident; Mrs. Irene Goretzki, whose husband will join the faculty of Tawas Area High School, and Robert Kennedy, Robert Mattson is the diagnostician.

Jordan said that Featheringill will conduct speech correction classes at Tawas Area School, while Mrs. Goretzki and Kennedy would work with students at Hale Area School and Whittemore-Prescott Area School.

Other employees include Doreen Ledworth, secretary, and Mrs. Georgena Wilkinson, bookkeeper.

Peoples State Bank Marks 40th Anniversary Today

Today, Wednesday, June 14, banking commission granted a charter to establish the bank. During the succeeding years, Peoples State Bank of East Tawas. On this day in 1927, the state State has shown remarkable

growth, building new quarters at East Tawas on April 6, 1951, and 10 years later, established a branch office in Tawas City.

The guiding hand behind the bank for most its history has been L. G. McKay, who was its original organizer. While serving today as honorary chairman of the board, Mr. McKay had served as president for 34 years.

Born and raised in Tuscola County, Mr. McKay came to East Tawas in 1903 as a clerk in the Carson, Ealy and Company Bank. A man with many business interests over the years—including development of commercial and resort properties, along with pioneering the Chevrolet automobile dealership — Mr. McKay has been associated with Isosco banking for 64 years.

Another name long associated with the bank is that of G. N.

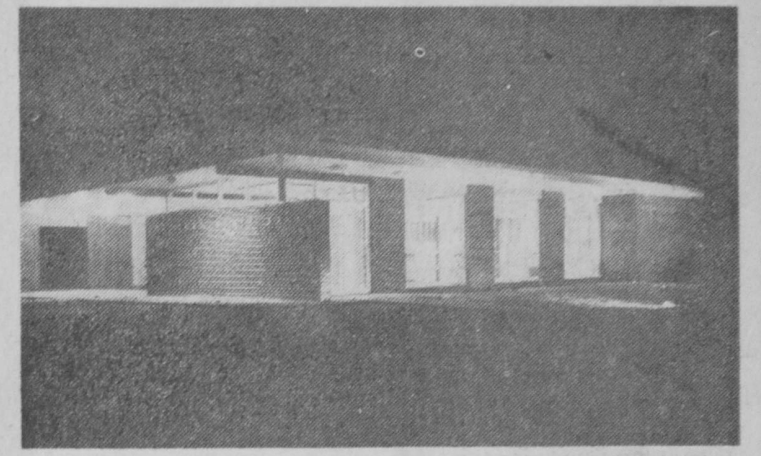

Shattuck, today's president, who came here shortly after its establishment. Mr. Shattuck had been associated with Mr. McKay since his graduation from Hale High School in 1912, when he went to work at the Hale branch of Ealy, McKay and Company. He came to East Tawas as cashier of Peoples State Bank on June 19, 1927.

The bank was begun with a capital of \$25,000 and \$5,000 surplus. This has grown today to a capital structure of \$775,000. Footings today have grown to more than \$12,190,013.23, as indicated by the most recent statement.

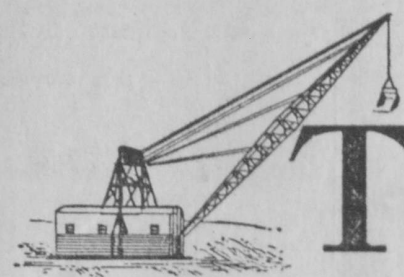

Officers of the bank today include, besides Mr. McKay and Mr. Shattuck, L. G. McKay Jr., chairman of the board; R. L. Harwood, executive vice president and cashier; J. E. Hoshbach, vice president; W. A. Pollard, vice presi-

dent; R. M. Lee, assistant vice president; Esther Look, assistant cashier; Dale Fisher, assistant cashier.

Directors besides Harwood, the McKays and Mr. Shattuck include Charles H. Schreck, John A. Mielock and William Look.

W-P Voters Approve \$170,000 Bond Issue

Whittemore-Prescott Area School voters approved a \$170,000 bond issue at the June 12 election. Money is to be used to complete three construction projects.

With a total vote east of 401, there were 204 ballots for the proposition and 161 against.

Supt. Ray Kesler said Tuesday morning that he and the board of education were elated with results. The next step, he said, was to contact the school architect and bonding attorney in order to commence preliminary work on the project.

The \$170,000 bond issue, which would not amount to an increase in taxes, will build two class-

rooms at the Prescott Elementary School, build a multipurpose room and cafeteria at the Whittemore Elementary School, build an addition to the shop, change the commercial room and correct the roof on the cafeteria and library at the high school.

In addition, it will provide money to pay the first year's interest on bonds, which may not be sold before the tax rolls are prepared in September.

Reserve in the high school bond retirement fund, along with a valuation increase since bonds were issued, allows the district to bond for the additional \$170,000 and pay off both the new and old issues at the current bond retirement rate of three mills. The new bond issue is designed to expire with the present high school bond issue.

All three projects were in the "emergency" category and must be completed in order to run the school properly.

Howe-McLean Win W-P Trustee Posts

Archie Howe and Keith McLean were elected trustees of the Whittemore-Prescott Area Board of Education at Monday's school election.

Howe was top vote getter with 168, while McLean had only one less vote, 167.

McLean was one of two incumbents seeking re-election. Howe is a Whittemore retiree and this was his first candidacy.

William Farro, the other incumbent, was fourth on the final tabulation of votes with 153. He followed Ray Thompson's 156.

Other candidates included James Belson, 69, and Leonard Barr, 66.

Small Turnout at TA Election

Leonard Sarki and Clare Herriman were re-elected to the Tawas Area Board of Education without opposition in Monday's annual school election.

With no races listed for seats on the board of education and no millage proposal, little interest was shown in the election by voters. Only 171 ballots were counted in the four precincts.

Herriman received a total of 156 votes, 56 from the first precinct at East Tawas, 53 from the second precinct at Tawas City, 18 at Alabaster and 29 at Tawas Township.

Sarki received 145 votes, with 51 at East Tawas, 48 at Tawas City, 18 at Alabaster and 28 at Tawas Township.

A small scattering of write-in votes gave five votes to Hugo Kesler; three votes to Henry Gage, one vote for Walter Niles, one vote for Reginald Bublitz, one vote for Leonard Hoshbach and one vote for Merton Killey.

Mrs. DiLoreto Wins Oscoda School Post

Josephine DiLoreto was successful in her bid for a seat on Oscoda Area Board of Education, defeating Kenneth C. Birdsey, incumbent, 244 to 179.

A total of 571 votes were cast in the election. Kenneth V. Cole, the third candidate, received 146 votes.

Only 53 ballots were cast in the election at Hale Area School, where Ronald C. Dane was running without opposition. He replaces Herman E. Maas, who chose not to be a candidate this year.

WINNERS in Sunday's Tawas River Canoe Race were Stan Hall, left, and Ralph Sawyer, who successfully defended their championship. They are shown in the bottom picture hitting the beach at the Tawas City Park, finish line for the

event. The Oscoda team set a new time record for the race. It was the 14th annual running of the race, sponsored by the Tawas Chamber of Commerce. (Turn to page 3 for story and pictures of other winners.)—Tawas Herald Photos.

'Fast Time' Arrives; Turn Clocks Ahead

"Fast time" came to Michigan early Wednesday morning following certification by the State Board of Canvassers of petitions from those seeking adoption of Eastern Daylight Time.

Clocks were to be moved ahead one hour effective at 12:01 a. m. today (Wednesday), unless there was intervening court action.

Standard time supporters apparently had won a victory after several months of controversy—starting first in the state legislature and finally ending in the supreme court.

Only Monday, State Atty. Gen. Frank J. Kelley had told the board of canvassers to reject 10,955 of the signatures which DST supporters had gathered to force a switch to fast time.

Action of the state board suspends a law signed by the governor on March 24 to exempt this state from operation of the Federal Uniform Time Act. As in the case of any other law challenged through referendum power granted by this state constitution, the suspension would continue until voters approved or disapproved of the law at the next general election.

Remedial Classes Start Monday at TC Elementary U.

Tawas Area School's remedial reading program is scheduled to start next Monday.

John Alexander, federal program coordinator for the school, announced Monday night that original planning had called for an enrollment of 150 students. He said this number had already been reached and between five and 10 additional students were expected.

Alexander said that more than 10 percent of all elementary students in the district were enrolled in this program, which includes parochial students.

Because of interest shown by parents, Alexander believes that within five or 10 years, summer school should be made available to all students.

At present, only those students scoring low on achievement tests or recommended by teachers are allowed to participate under the federally-financed program.

Proposed School Policy Aimed at Discouraging Teen Drinking

Although final action was tabled until the next meeting, Tawas Area Board of Education Monday night was apparently ready to support a program fostered by faculty members and student leaders aimed at discouraging students from attending beer parties.

Discussion on such a proposal was the result of recent arrests made by police at a teen-aged drinking party at Sand Lake. While 37 youngsters were arrested and paid fines, it was esti-

imated that between 157 and 190 had actually attended the party.

Speaking on behalf of the faculty at Monday night's meeting, Bill McIntosh said that his investigation had disclosed that a number of the youngsters apprehended chose not to run away from police, inasmuch as they had not been drinking. They were included in those paying fines.

In order to curb beer parties, faculty members and student leaders are proposing adoption of a

Kenneth Bronsons Honored Sunday

Mr. and Mrs. Kenneth Bronson were the honored guests last Sunday at their home at a surprise 25th wedding anniversary open house planned by their children.

It was a double surprise as their oldest son, AIC Kenneth Bronson Jr., who was stationed in Puerto Rico, arrived home from four years in service.

The honored couple received many beautiful gifts and money. A wedding cake centered the table on the lawn where refreshments were served. The cake was made by Mrs. Stanley Parto.

The Bronsons have one daughter and two sons. Over 100 relatives and friends attended the occasion.

Women's Club Met June 7

Whittemore Women's Club met Wednesday night at the home of Mrs. James Larzelere with Mrs. Sterling Cataline, assisting hostess. Eighteen members answered roll call. Helen Gallant had charge of the program on flags of the different states.

Two officers were present to be installed. The president, Mrs. Wood, and secretary, Mrs. Miller, were installed by Mrs. R. Charters.

The club was invited to hold a picnic in the yard of Mrs. Carlson June 21. Pot-luck dinner will be served at 1 o'clock. This is the last meeting until September.

Mrs. Brown gave a prayer and refreshments were served by the hostesses.

T-Sgt. Robert Bingle, who has been here on a furlough, left the past week for a year in Vietnam. His wife, the former Lillian Dorsey, and family will live here while he is gone.

AIC Jerome Drzewiecki arrived home from Adona, Turkey, the past week on a month's furlough. He will then go to Lowery Air Force Base, Denver, Colorado. Airman Drzewiecki was heard Monday on a broadcast over WIOS. He told of his radio work in Turkey.

Arden Charters, Gene Bowland of Higgins Lake, Art Damoceth of Clare and Lloyd Pontious of Coleman spent a few days the past week fishing in Canada. They returned Tuesday night and report good fishing.

Edward Dickey had the misfortune to fall while attending a

family reunion last Sunday near Jackson and fractured three ribs. He was in a hospital for treatment and is now with relatives in Jackson.

Several from here attended the Singing at the Prescott Methodist Church last Sunday evening.

Mrs. Martha Fournier, Lillian Walters and William Bellville of West Branch visited Mrs. Ethel Bellville here recently.

Mrs. Alma Pake was a caller in Prescott Friday forenoon.

Stanley Drzewiecki, Ray Dorsey, Nick Moriatas, John Vallent and Lawrence Jordan, members of a bowling team, left on the weekend for a week's fishing trip near Drummond Island.

Mr. and Mrs. Ronald Gawne and three sons of Saginaw spent the week-end here. Their son, Mark, remained with his grandparents, Mr. and Mrs. Arden Charters, for a week's visit.

Mrs. Roy Charters was in West Branch Monday afternoon.

Mr. and Mrs. Stanley Ostrander of Detroit spent Monday with his sister, Mrs. Ethel Bellville, and brother, Nelson Ostrander, and families.

Mrs. Thelma Chesser and husband of Detroit attended graduation here and open house at the Clarence Bellvilles and Dornace Bellvilles.

Mr. and Mrs. Harrison Snyder spent Tuesday in Bay City and Saginaw.

Mrs. Roy Charters left Sunday for a week's visit in Saginaw with relatives.

The Rev. Arthur Parkin has been attending conference the past week.

At the regular meeting of Whittemore Chapter, OES, Monday night, it was voted to have a vacation during July and August. There will be initiation at the September meeting. Lunch was served by a Prescott committee.

Mr. and Mrs. William Fuerst and family spent Sunday in East Lansing with Mr. and Mrs. Dennis Fuerst.

Charles Bailey attended conference in Adrian the past week.

TODAY'S Meditation

from The World's Most Widely Used Devotional Guide

Read Matthew 13:18-23
My son, attend to my words; incline thine ear unto my sayings. (Proverbs 4:20)

Whatever progress I have made in my thinking has been due initially to someone calling my attention to something. A college teacher called my attention to the idealism of the poets, Alfred Tennyson and Robert Browning; my father, to the joys of gardening; Henry Thoreau to the perennial wonders of nature and the common place, a minister friend to the infinite resources of worship.

The Bible calls attention to things that we dare not miss—God's dealings with men. In its pages we read of persons whose attention was called to something beyond themselves—Moses, by the burning bush; Nathaniel, by a word spoken by Jesus; two travelers, by the breaking of bread at Emmaus.

The New Testament directs us to Jesus and reveals the true source of authority and inspiration for daily living. Little wonder there is so much joy in the New Testament; there we find people who are attending to the highest and best.

PRAYER

Our Father, we would fix our attention on things that are above, not alone on things that pass away. Bless us with understanding of Thy Word that it may be a joy to our life, strength in our weakness, and pathway to life eternal. In Christ's name we pray. Amen.

Thank You for Your Confidence in N. F. O.

... Your Farm Organization

N. F. O. has been recognized as the chief spokesman for agriculture. Even critics of yesterday agree that NFO is on the right track. Consequently, collective bargaining for agriculture has gained new acceptance. Those who fought NFO a scant few weeks ago are now embracing collective bargaining for agriculture.

The great sacrifice made by dairy farmers focused the nation's attention upon agriculture and for the first time the general public realizes how low farm income really is—50 to 95% of parity and how unfairly the nation's producers of food are being treated.

Federal marketing order hearings were called as a result of NFO milk holding action. These resulted in a small increase in Federal order fluid milk prices, although other groups had tried to take credit for this increase.

Mr. farmer, support your true farm organization...

Join N. F. O. and Support the Effort for Your Cause!

THANK YOU

Sawyer-Hall Win Sunday's Canoe Race

After winning his fifth first place trophy in the Tawas River canoe race Sunday, Ralph Sawyer of Oscoda indicated that he was considering his retirement.

Sawyer and Stan Hall, who successfully defended their championship won last year, jumped off to a good lead at the Tawas Lake starting line and had little trouble in leading the field of 13 canoes to the finish line.

The winners completed the course to the Tawas City Park in 52 minutes, 18 seconds, bettering their winning time of last year by five minutes, three seconds. For their efforts, the champions won trophies and split \$75 in prize money.

Winning second place money of \$25 was the team of Jack Kolka and Jerry Kellogg, 53 minutes, 41 seconds, while third place and \$15 went to Al Widing and Cecil Lane, 54 minutes, 32 seconds.

Other finishers in order were E. Adams-R. Raynak, 55 minutes, three seconds; B. Kellogg-A. Near, 56 minutes, 52 seconds; K. Jorgenson-D. Massey, 57 minutes, 24 seconds; R. Digner-R. Loveless, 58 minutes, eight seconds; S. Tripp-T. Bacon, 58 minutes, 23 seconds;

JUNIOR CANOE RACE WINNERS—Dick Gillings and Kirby Clayton, shown at center, won their second junior title in a row Sunday afternoon on the Tawas River. Winning second place were Florin Widing and Randy DeWitt, left and second from left. Third place winners were Doug Lee and Craig McDougall, second from right and right. The first place team led the field throughout the course.—Tawas Herald Photo.

SECOND and third place finishing teams in Sunday's Tawas River canoe race are pictured above. Jack Kolka and Jerry Kellogg, left and second from left, won second place and prize money of \$25. Al Widing and Cecil Lane, second from right and right, won third place and prize money of \$15. There were 13 teams entered in the 14th annual event.—Tawas Herald Photo.

R. Balash-A. Tennant, 61 minutes, 50 seconds.

Also finishing were C. Swindell-F. Swindell, 62 minutes, 35 seconds; R. Lane-M. McDougall, 62 minutes, 55 seconds; M. Loveless-A. Hart, no time listed.

Dick Gillings and Kirby Clayton of Prescott won their second consecutive championship in the 15-year-old division. The boys completed the course to the Tawas River mouth in 47 minutes, 24 seconds. Finishing behind them were Florin Widing and Randy DeWitt, while Doug Lee and Craig McDougall finished third.

Other junior division racers were D. Tripp and M. Johnson, A. Widing Jr. and D. Sears, R. Allen and J. Walsh.

Weather conditions were not the best for racing events. Sunday's race went down on record as one of the few times in 14 years that rain proved to be a handicap. Shortly after the start, racers were drenched by a down-pour. In contrast to last year's rough water on Tawas Bay, racers

enjoyed comparatively smooth paddling to the city park dock, which was some compensation.

Prize money and trophies were awarded at the finish line by Marlin Eaton, president of the Tawas Chamber of Commerce, and Hugo Wojahn, veteran race chairman.

Clarence Benson Retires at USG

Clarence Benson, 63, a native of Alabaster, retired last week after

more than 25 years with the United States Gypsum Company. Benson's first record of employment at the Alabaster quarry was in 1933. He left the firm, returned in 1939, left again and then returned in 1943, from which date his seniority started.

He had served as trackman, driller, white rock picker and finally as a dragline operator.

Benson and his wife, Netra, are presently vacationing in Florida.

East Tawas Bears Mauled Mio, 19-5

East Tawas Bears romped over Mio, 19-5, in a Northeastern Michigan League game last Sunday. Most other league games were called off because of rain.

The winners scored three runs in the top of the third inning and then broke the game wide open in the fifth inning with seven runs. This total was duplicated in the sixth inning and East Tawas scored single runs in the seventh and ninth innings.

Bob Erickson, home on leave from service, pitched the first three innings before giving way to Grant Mousseau, who finished out the game.

The winners collected 19 hits off the combined slants of Wycoff and B. Greene, topped by three singles and a double by Jerry Grack, along with a single, two doubles and a triple by Gene Jordan.

Action this Sunday finds Barton City at East Tawas.

BASS FISHING OPENED JUNE 1 on Michigan waters and one of the best fishing spots in this area was Tawas Bay from the Tawas Chamber of Commerce office to a point behind McKay Sales Company. John McMurray, bait shop operator and a veteran fisherman, caught his limit with ease on opening day. Weather during the past week caused a downswing in fishing as water became muddy following heavy rains. McMurray said it takes clear water and a good eye to spot those "lunkers," like the one above.

Engagement Announced

Mr. and Mrs. Gerald Hayes of Tawas City announce the engagement of their daughter, Cheryl, to Michael Payne, son of Mr. and Mrs. Raymond E. Payne of Louisville, Kentucky.

The future bride is a 1967 graduate of Tawas Area High School and will enter Michigan State University, East Lansing, in the fall. Mr. Payne is presently stationed at Wurtsmith Air Force Base, Oscoda.

No date has been set for the wedding.

Visiting Families Welcomed by Tawas C of C

Out-of-town families visiting the Tawas area during the week-end were presented complimentary passes for a cruise on the Holiday and to the Family Theatre, East Tawas. William Arlington was stationed along US-23 and selected the lucky travelers. This practice will continue through June, courtesy of Tawas Chamber of Commerce.

Receiving the passes were Mr. Mrs. Oscar Collins of Mt. Morris, Fred Chamberlain and family of Lapeer, Mr. and Mrs. J. Werk of Jackson.

Carol Hosbach Honored June 8

Miss Carol Hosbach was honored guest at open house Thursday evening at the home of her parents, Mr. and Mrs. Leonard Hosbach, following commencement exercises at Tawas Area High School. Among the guests attending from Saginaw were Mr. and Mrs. G. H. Hosbach; Mr. and Mrs. Edward Berkobien and daughter, Carol; Mrs. Barbara Eekstorm and daughter, Toni; Mr. and Mrs. Glen Berkobien. The Rev. and Mrs. Raymond Moelter of Prescott were also present.

Following baccalaureate services June 4, 150 seniors, band members and faculty were entertained at the Hosbach home. An arrangement of blue-tipped carnations, the class flower, centered the serving table. Mrs. Reynold Mick presided at the punch bowl.

Engaged

Mr. and Mrs. William R. Perkins of Dearborn announce the engagement of their daughter, Priscilla Jo, to Duane Lester Killingbeck, son of Mr. and Mrs. Clifford G. Killingbeck of Tawas City.

Miss Perkins graduated from Fordson High School in 1966. Her fiancé attended Tawas Area High School, Henry Ford Community College and Ferris State College, Big Rapids, for three terms.

An August 26 wedding is planned.

MR. AND MRS. DALE F. ULMAN

Ulman-Look Vows Exchanged at Immaculate Heart of Mary

In 11 o'clock rites Saturday, June 10, at Immaculate Heart of Mary Catholic Church, Tawas City, the Rev. Fr. Vernon Sierminski of Harrisville officiated at the double ring service uniting Sandra Marie Look and Dale F. Ulman in marriage.

The bride is the daughter of Mr. and Mrs. Kenneth Look of East Tawas. Mrs. Frances Ulman of Tawas City and Norton Ulman of East Tawas are parents of the bridegroom, who is presently serving in the United States Army.

Escorted to the altar by her father, the bride descended the aisle in an Empire gown of rayon organza over taffeta featuring long sleeves and scooped neckline encircled with re-embroidered Alencon lace in a rose pattern of pearls, which also detailed the sheath skirt and detachable chapel train. A pearl teardrop secured her bouffant veil. She carried an arrangement of white shattered carnations and lilies of the valley centered with a pink orchid corsage.

Attending the bride were Mrs. Danny Colburn of East Tawas, matron of honor; Mrs. Reginald Look of East Tawas, sister-in-law of the bride, and Miss Bonnie Libka of Tawas City, bridesmaids. The matron of honor wore a romance blue, tissue taffeta floor length ensemble. A band of white beading encircled the Empire waistline. The bridesmaids were gowned in floor length, baby blue, tissue taffeta styled in an Empire fashion with floating panel from shoulder to hemline. Their flow-

ers were white and blue carnations.

Dean and Ann Perry, children of Mr. and Mrs. Robert Perry, served as ring bearer and flower girl, respectively.

Mr. Ulman chose his brother, Ronald, as his best man with Reginald Look and Willard Watts, groomsmen. Guests were seated by Michael Ulman, brother of the bridegroom; Norman Look, brother of the bride, and Duane Look, cousin of the bride.

For the wedding and reception held at the East Tawas Community Building, Mrs. Look selected a mint green lace over taffeta dress. A powder blue dress was Mrs. Ulman's choice. Yellow orchids made up their corsages.

The newlyweds are touring the Upper Peninsula for two weeks.

Out-of-town guests attended from Detroit, Saginaw, Bay City, Marine City, Flint, Lansing, Oscoda, Ypsilanti, Ann Arbor, Crystal Falls, Bay City and New York.

MR. AND MRS. CRAIG JANTSCH

Mr. and Mrs. Craig Jantsch are Now Residing at Oscoda

Mr. and Mrs. Craig V. Jantsch will reside at 6980 Loud Drive, Oscoda, following their wedding trip to Illinois and Wisconsin.

The couple exchanged vows Saturday, June 10, at Christ Episcopal Church, East Tawas, before the Rev. Robert Morrison. Mrs. Daniel Cater of East Tawas served as vocalist for the 1 o'clock, double ring ceremony. Paul Youngs was organist. White gladioli and chrysanthemums graced the altar.

Mrs. Jantsch is the former Cathy L. Clayton, daughter of Mr. and Mrs. Charles N. Clayton of East Tawas. The bridegroom is the son of Mr. and Mrs. Hugo Jantsch of Northbrook, Illinois.

Given in marriage by her father, the bride wore a bouffant silhouette of veiled organza over taffeta and imported French Chantilly lace. Lace framed the natural Dior bodice which was complemented with a scalloped neckline. Pearls and sequins enhanced the wristpoint sleeves and charmed the full skirt fashioned in redingote effect over a cascade of ruffles and Watteau detachable train. A jeweled coronet held in place the butterfly veil of English mist bridal illusion and she carried a crescent bouquet of yellow roses and lily of the valley centered with a corsage of white orchids.

Wearing Empire-styled, A-line silk georgette skimmers were Mrs. Cheryl Osborn, matron of honor; Miss Mary Schriber and Miss Maureen Dimmick, bridesmaids. Matching headpieces with bubble veils completed their attire. The honor attendant carried a bouquet of yellow carnations and the bridesmaid's flowers were pink and green carnations.

Attending the bridegroom was David Emerson of Skokie, Illinois. Clyde Hughes of Tawas City and Mark J. McCarty of Wurtsmith Air Force Base, Oscoda, seated the guests.

Relatives gathered at the Clayton residence following the ceremony and a reception was held at the K of C Hall, Oscoda, for 150 guests.

For her daughter's wedding, Mrs. Clayton selected a pink sheath with matching jacket and white accessories. Mrs. Jantsch was attired in a mint green tent dress with which she wore beige accessories. Their corsages were pink and green roses, respectively.

Hostesses honoring the bride at pre-nuptial showers were Sherrie VanOstrand of Wurtsmith and Miss Schriber at East Tawas.

29 Enjoyed TC Garden Club's Pot-Luck Dinner

Twenty-nine members and guests of Tawas City Garden Club enjoyed a pot-luck dinner Tuesday, June 6, at the Big Island Lake home of Mrs. T. J. Smith.

The afternoon program was based on birds and my special bird was roll call response. Many birds were named and it was learned that some members have blue birds nesting on their grounds. Mrs. William Gregory related "Birds of the Bible" and illustrated it with pictures. Now is the time was given by Mrs. Fred Buch. She told of dividing plants and bulbs and the special care required in replanting.

Serving as hostesses were Mrs. Paul Koepke, Mrs. Marvin Flurry and Mrs. Frank Walker.

A white elephant sale will be featured at the July 11 meeting. A noon pot-luck meal will be served at the garden house of Misses Marion Jennings and Cleopatra Shelp.

SS Recipients Under 65 to Receive Medicare Ins. Notice

If you are receiving social security benefits and are not yet 65, you will receive a notice about signing up for medical insurance under medicare in the three months before your 65th birthday, according to Paul M. Ellifritz, district manager for the Social Security Administration in Bay City.

Medical insurance is the part of medicare that covers doctor bills and other out-of-hospital medical expenses.

The notice will be in the form of a postcard on which you will simply check "yes" or "no" as to your decision. Sign the card and return it in the envelope provided. This card should be returned no later than the month before you reach 65 for your protection to begin with the month you become 65, Ellifritz added.

After you have signed the card electing the medical insurance, the \$3 monthly premium will be deducted from your social security checks.

Mr. Ellifritz encouraged all persons nearing age 65, whether social security beneficiaries or not, to get in touch with their social security office two or three months before they reach 65 to avoid losing any protection under the medicare program.

A social security representative from this area will be at the Isco County Building, Tawas City, Thursday, June 22, from 10:30 a. m. to 2:30 p. m.

The Bay City social security office is located at 1009 North Madison Avenue. The office hours are Mondays, 8:45 a. m. to 7:45 p. m., and Tuesdays through Fridays, 8:45 a. m. to 4:45 p. m. The telephone number is TW 3-9579.

TA Graduate Honored Sunday by Parents

Sunday, June 11, Mr. and Mrs. Vernon Beaubien of Tawas City entertained in honor of their daughter, Maryfrances, a 1967 graduate of Tawas Area High School. A pot-luck meal was enjoyed by the 50 relatives and friends attending.

Present were Mr. and Mrs. Harold Nichols and children of Fenton; the Charles Davis family, Midland; the Norman Wright family, Au Gres; Kenneth Schmid family, Warren; Mr. and Mrs. Richard Roemer, Mr. and Mrs. Ray Beaubien, Kathy Elson, Sue Sandusky, Mr. and Mrs. Joseph Bouchard, Phyllis and Joseph, Mr. and Mrs. Russell Carney, the Rev. Fr. John Kolevar, all of Tawas City; the John Alda family and Mrs. Laurie Frank, East Tawas.

Attending from Troy were Mr. and Mrs. Thomas Gentle and son and Mrs. Leona Blank; Joseph Schmidt of Saginaw; and the Cecil Hurd family of Oscoda.

Funeral Rites to be Held Today for Mrs. Allen

Funeral services for Maude Allen of Hale will be conducted today (Wednesday), 2:00 p. m., at Forshee Funeral Chapel, Hale. Burial will be in Evergreen Cemetery. Mrs. Allen died Sunday, June 11, at her home.

She was born September 7, 1896, in Gratiot County.

Survivors included her husband, David; two sons, Andrew Foote of Gladwin and Charles Allen of Flint; two daughters, Mrs. Mary Isaacson of Flint and Mrs. Shirley Kerr of Flushing; 15 grandchildren; 18 great grandchildren; three brothers, and two sisters.

Trotters Race At 400 Fairs

Crowds attending programs at the nation's more than 400 county fair harness tracks are furnishing ample proof that the long-time lure of good horses can compete successfully with modern motors in the affections of America's public.

From Maine to California and from Minnesota to Louisiana harness racing is called "America's Fastest Growing Sport" and the fairs continue to be the backbone of the sulky sport.

Willingness to accept new ideas has keynoted the progress of county fair racing and post-war years have seen many changes which have met the fans' approval.

The appearance of the mobile starting gate, an automobile-mounted device which assures prompt, well-aligned starts, and the establishment of circuits with from four to 10 fairs banding together to offer a series of races for two and 3-year-olds have been largely responsible for increased interest in county fair racing.

May DHIA Testing Program Results in Iosco Given

There were 14 dairy herds in Iosco County on the dairy testing program in May. Two of them use the official testing program that provides more detailed information than the owner-sampler program. In the owner-sampler program, the farmer collects his own samples. In the official DHIA program, the dairy tester is paid an additional fee for collecting the samples.

In the official DHIA program, the farmer also receives a feed cost figure that tells him how much it costs to produce 100 pounds of milk. Average is based on cows in herd, milking and dry. Supervisor of the program is Duane Reinke.

Submit Letter of Intent—

Tawas Board States Interest in Polaris Apollo Data Center

Tawas Area Board of Education is to submit a letter of intent stating this district is interested in proposals being prepared by the 10-county Polaris Apollo Study of North Central Michigan.

Speaking before Monday night's board meeting was Dr. Calvin Bones, director of Polaris Apollo, who said that application for a federal grant was to be made June 15.

The board's letter of intent, said Dr. Bones, would mean that this district was interested in the program, although no monetary support would be required at this time. The district could withdraw at any time.

In August 1966, Alcona, Iosco, Oscoda, Ogemaw, Clare, Missaukee and Wexford received a grant of \$68,350 from the United States Office of Education to study the completeness of educational experiences for pupils in their schools.

Dr. Bones said that out of this study, need was shown for a regional center to keep local administrators abreast of changing facets of education and to help teachers do a better job in classrooms.

Establishment of such a center would not supplant existing programs but would provide beneficial consultative services greatly

needed in the 10-county area.

One of the goals of this project would be establishment of a central facility and staff to bring advantages of data processing technology to the region and to implement applications in pupil personnel services, business office services, research and curriculum.

Cost of the project would be borne by federal funds during the first year. Local districts and intermediate districts would help support the project during the second year through direct funding with state help.

The region seeks a \$500,000 grant for the three-year program.

"No, I'm not taking down every word—just the ones that make sense."

(Continued from page 1.)
 Eaton had been elected to a one-year term as president last January.
 "Every little bit does count because it means that one more citizen is interested in seeing his or her home or adopted area continue to stand out above its neighbors," he said.

Bill McIntosh, vice president of the chamber of commerce, is expected to be named president at tonight's meeting of the board of directors.

This Week—

2nd Fiscal Reform Vote Before House

State Rep. George A. Prescott, Tawas City, reported that the second fiscal reform vote of the session is coming up in the house this week. Amendments which considerably altered the senate-passed tax package were approved on close votes last week. The final vote on the house version of the package is expected to be equally close.

The most important new aspect of the house version is that it is actually a dual tax reform program. If enacted, one program would take effect sometime in October and operate until June 30, 1969. In the November 1968 election, the people would vote on an identical package and, if they gave approval, the program would be continued.

House amendments leave the personal and corporate taxation levels at two and one-half and five percent, respectively, just as in the senate plan. Other unchanged provisions in the house plan are the repeal of the business activities tax, increased exemptions under the intangibles tax and a \$600

exemption under the personal income tax.

The house changed other features of the package to bring it more in line with the original plan put forth by house Republicans earlier in the session. Returned in the house version is the seven percent tax on financial institutions. The senate replaced the tax on bank income with a proposal to double the intangibles tax on bank deposits. Also reinstated in the house plan is an additional three cent per pack tax on cigarettes, raising the total cigarette tax to 10 cents per pack.

The major alteration came in the area of property tax relief. The house amendments replace the senate sliding scale property tax relief and \$265 maximum credit with the earlier house proposal of 14 percent across the board relief in school and county property tax.

Another feature dropped from the senate package was the provision for a \$15 per person sales tax credit.
 The total estimated full-year net

yield of the house program is \$304,000,000, compared with an expected net yield of \$239 from the senate program.

school rule that would suspend from extra curricular activities for one year any student arrested for drinking.

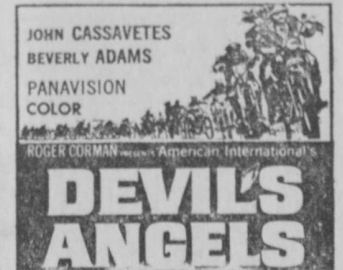

In addition, any student attending such a party, but not arrested for drinking alcoholic beverages, would be warned that a second offense would result in suspension from such activities as athletics, band, debate, participation in school clubs.

The faculty representative said he realized that this was not the final answer to the problem, but teachers believed it would tend to discourage participation by those students who would have a lot to lose.

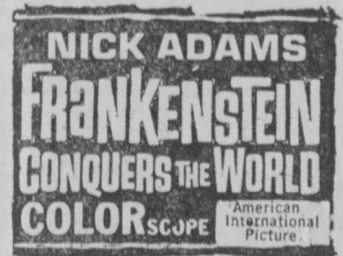

Further discussion and final action is to be taken at the next meeting.

**Quarter Horse Farm Near Hale
 Has 35 Head of Registered Stock**

YEARLINGS and two-year-old fillies owned by the Circle S Farm near Hale are pictured here. This is one of the largest quarter

horse breeding operations in Michigan and was established only two years ago.—Tawas Herald Photo.

A 120-acre farm four miles west and one-half mile north of Hale is fast becoming recognized as the site of one of Michigan's top quarter horse breeding operations.

Owned by Stephen J. Shovoly, Detroit businessman, his Circle S Quarter Horse Farms has expanded rapidly during the past two years and has reached a point where it now has five American Quarter Horse Association champions and three more horses will be so recognized before the end of the year.

Our goal is to have 25 AQHA champion mares and three or four AQHA champion and AAA stallions," commented O. B. Loyd, Circle S manager, during the Herald's visit last week.

The Circle S, located on County Line Road, presently has 35 head of registered stock, including six yearlings, six two-year-old fillies, a yearling stud, a five-year-old stud and an eight-year-old stud. The remaining stock are brood mares.

Since organization of the American Quarter Horse Association in 1940, these splendid animals have become favorites at horse shows throughout the nation. While recognition of the organization goes back 27 years, the quarter horse was developed many years before that for working on western cattle ranches.

Developed through cross breeding thoroughbred stock with Morgan and Arabian strains, the quarter horse is noted for its tremendous burst of speed in the quarter mile—hence its name. The quarter horse is quiet mannered and very active.

To develop an AQHA champion requires considerable training—about four years in all—and many hours of work on the part of the trainer.

Loyd starts weanlings out on a rigid training schedule which would put training programs for top human athletes to shame—and, judging from the muscle structure of these animals after two years, they are athletes in every sense of the word.

The young horses go to their first showings as yearlings, after which they are halter broken, learn to stand properly and learn how to ride in trailers, a most important part of their education as it will require approximately two years of traveling to reach the required number of 30 points as an AQHA champion.

This year, a Circle S yearling, "Double Boomer," is leading the state in halter points with 10 first places, two seconds and two grand championships in 12 shows. This is a highly unusual performance for a yearling, although not too surprising as its sire was "Double Thistle," the 1955 national

halter champion.

Loyd, an area resident for the past three years who has a lifetime of experience with horses and cattle in Arizona and Oklahoma, said the Circle S is presently showing 10 head of horses at various shows. The season opened April 15 and shows have been attended at Bay City, Ann Arbor, Grand Rapids, Kalamazoo, Jackson, Buchanan, Lowell, Muskegon, Cedar Springs. The schedule will run through October. There are 45 approved AQHA shows in Michigan.

After training by Loyd, the potential AQHA champions go to Eddie and Carol McMurtrie, Plainwell, well-known performance horse trainers, who show them throughout the state. Loyd's responsibilities do not end here, however, as he is the one who transports the horses around the state in a special four-in-line horse trailer.

Judges at these shows look for smoothness in the horse's gait and conformation. The horse must be quiet and collected during the show and must perform different gaits in a smooth and quiet manner. Two-year-olds are broken to ride, shown at halter and under limited performance.

Since purchase of the former Roy Short farm, Mr. Shovoly has constructed a new 80 by 150-foot horse barn, complete with 29 box

stalls and indoor training arena. A mechanical exerciser is included in the equipment.

Like all athletic training programs, strict attention is paid to the diet of these young horses. For instance, "Double Boomer" consumes 16 quarts or 12 pounds of grain a day, along with eight to 10 pounds of hay. Expansion of the farm has offered a ready market for hay and grain to producers in that area.

Such handling is paying off for "Double Boomer," as reserve champion stood behind "What-A-Bonanza," a Wisconsin horse leading the nation in halter, and "Chicago Chick," another top horse owned by Grafton Moore Farms, Holly.

Loyd said that Mr. Shovoly expects to continue his expansion at the Circle S and has already reached the point where some of his colts are being offered for sale.

Plans are now being made to show several horses, non-competitively, at the Iosco County Fair in late July. This could well be one of the fair's top attractions.

A cooperative AQHA recognized show is being planned at Hale next year, to be sponsored in cooperation with the Hale Lions Club. This show, along with the fair exhibit this year, should be of particular interest to all area horse fanciers.

Hale Area News

Hale Chapter, OES, held its regular meeting Wednesday night as past matrons and past patrons were honored. Three visitors were in attendance.

Mr. and Mrs. Earl Slosser, Carl Slosser and Mrs. Flora Slosser attended the funeral of their uncle and brother, Robert Healy, in Flint Friday morning.

United in marriage June 4 at United Presbyterian Church, Davison, were Loy Brand of Livonia and Phoebe Robinson of Reno Township. A reception followed the ceremony at the Edward Robinson Jr. home and was attended by their children, grandchildren and friends. The Brands left for a two-week trip in Florida, Arkansas and Alabama. Upon their return, they will reside for the summer in Reno Township.

Due to the lack of attendance, the regular meeting of Hale Health Council, set for June 8, was canceled.

The afternoon 500 Club met at Marge McClellan's home for a luncheon after which seven games were played. Prizes went to Mrs. William Wereley, Mrs. Dale Humphrey and Mrs. Harold Adams.

Dale Humphrey was in West Branch Wednesday night to attend a pony league meeting. First

game is Tuesday, June 20, with Roscommon.

Mr. and Mrs. Dewey Hutchins attended the open house for their nephew, Raymond Kinyon, in Linden Sunday.

Leo Thayer, Herman Drengberg and Don Goodrow have gone into Canada on a week's fishing trip. Vida Bannister, Cindy Mann and Ruth Guest were in Standish last week.

Auction Bridge Club was held at Mrs. Jack Johnson's home Tuesday night with prizes going to Mrs. Jack Kessler, Mrs. Howard Atkinson and Mrs. Deuell Pearsall, third and honor prize. The hostess served a nice lunch.

Jill Armstead, daughter of Mr. and Mrs. Orval Armstead, underwent a tonsillectomy Monday morning at West Branch hospital.

Lloyd Murray and grandchildren, Kari and Jeff, and Edwin Kocher visited his mother, Mrs. Robert McCormiskey, at East Tawas. Mrs. McCormiskey, who has been in the hospital, is home now.

Vicki Pickett was honored with a bridal shower at Love Hall last Saturday given by Wendy Johnson and Mrs. Dewey Johnson. Twenty-one relatives and friends played several games after which the honoree opened her gifts. The hostess served lunch. Miss Pickett will become the bride of Larry Johnson.

Mrs. Florence Mann, Mr. and Mrs. James Mann attended the graduation of their niece and granddaughter, Sandy Hall, in

Saginaw Tuesday evening. Mrs. Mann remained at the home of her daughter, Mrs. Leward Hall.

Mrs. Dale Humphrey and daughters and Mrs. Marge McClellan were in Bay City Thursday.

The Evening 500 Club met at the home of Mrs. William Wereley Thursday with prizes going to Mrs. Wereley, Mrs. Wayne Wilson and Mrs. Orval Armstead.

Mr. and Mrs. Gerald Slosser of Saginaw visited his parents, Mr. and Mrs. Earl Slosser, over the week-end.

Mr. and Mrs. Harold Bannister and sons of Zilwaukee spent the week-end at their trailer here and visited the Joseph Bannisters and Mrs. Neva Nunn.

Lawrence Thayer and family of Sydney, Ohio, were recent visitors of his mother, Mrs. Doris Thayer. While here, Mr. Thayer was special speaker at Hale Baptist Church.

The son of Mr. and Mrs. Richard Pfahl, Todd Richard, is the first male child born into the Pfahl family since his father was born 27 years ago to Mr. and Mrs. Fred C. Pfahl of Tawas City. Mrs. Pfahl is the former Judy Freel, daughter of Mr. and Mrs. Norton Freel of Tawas City.

Mr. and Mrs. Carl Travis have returned from Tampa and New Port Richey, Florida, where they spent the winter. They will return to Florida in November and visit relatives and friends at Kentucky enroute.

Mr. and Mrs. Alton Buck will leave around September 1 for Sudan Interior Mission, Africa. The Bucks were in charge of the June 4 services at Hale Baptist Church and told of their plans for their work at the mission.

Randy Travis was a Tuesday guest of his grandparents, Mr. and Mrs. Carl Travis.

Long Lake residents welcome Mr. and Mrs. George Burt home from New Port Richey, Florida.

The Carl Traveses were recent afternoon guests of his son, Al Travis, and family.

A new road is under construction in the Long Lake area.

Five Receive Scholarships

Hale Area Schools Class of 1967 contained five students receiving college scholarships. The Michigan Competitive Scholarship Board announced that four members, Larry Kezele, Betsy Pember, Rick Goodrow and Wayland Funk, qualified and received scholarships based upon state-wide competition. The size of the awards varied, but usually covered the complete cost of tuition.

It was announced at graduation that winner of the local Lions Club scholarship was Cynthia Webb. Miss Webb will be attending Northern Michigan University, Marquette, from which she also received an educational grant of \$200.

Kezele, valedictorian of the class, is planning to attend the University of Michigan where he will study aeronautical engineering.

Miss Pember, in addition to her competitive scholarship, has received an educational grant from Ferris State College where she will be studying to become a teacher. She was salutatorian of her class.

Goodrow will be attending Alma College in the fall and Funk will be attending Central Michigan University.

Only Six Weeks to Fair Opening

You had better get that canned food, sewing and knitting underway, plan for baking and polish up the antiques. The Iosco County Fair is only six weeks away and will be held at Hale Fairgrounds July 26-29.

If you missed seeing the premium list when it was published last month, contact Mrs. Ila Katterman, Hale, for a copy.

Young people in your family will find classes just for them and will be interested if you help them understand how to read a premium list, classes and their categories. One complete section is designed for 4-H Club projects. Many a fair premium check is a youngster's very first check and a real thrill to endorse and cash it.

Residents of Alcona, Oscoda, Ogemaw and Arenac Counties may enter exhibits as well as Iosco residents.

Ice Cream Ideas For Summer

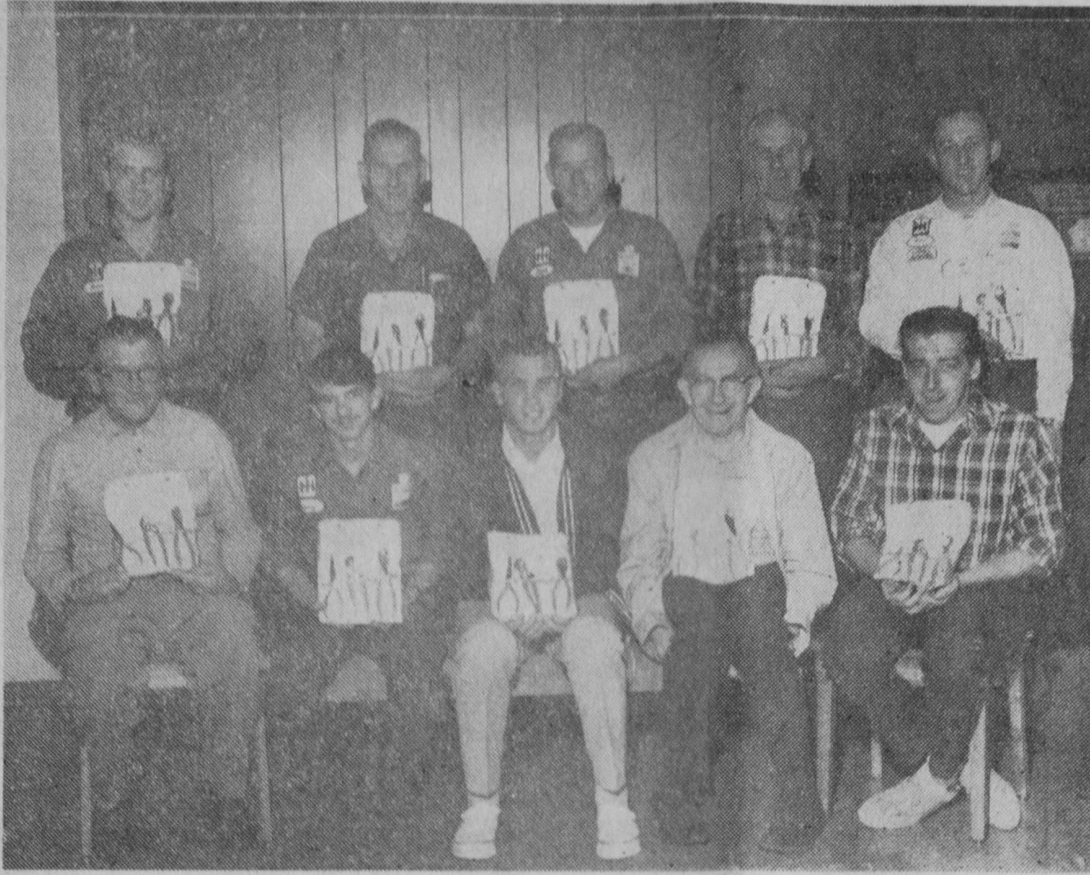

Keeping cool in summer often means relaxing with a tall, cold glass of milk.

There is nothing better to refresh you after work or play on a warm June day. The American Dairy Association suggests these ice cream drinks for special treats.

Mix up a frosty orange chocolate float. It has everything, milk, ice cream, orange juice, chocolate flavor. To make a large, 14-ounce serving, mix in the bottom of a tall glass, three tablespoons frozen concentrated, thawed orange juice, one scoop vanilla ice cream and a few drops of red food coloring. Fill the glass with one cup milk, stir until blended. Top with a second scoop of vanilla ice cream and a scoop of chocolate ice cream.

Teen-agers will love stirring up their own variations of this soda fountain special. For lemon-strawberry milk shake, mix three tablespoons frozen concentrated lemonade, vanilla ice cream, yellow food coloring, milk and strawberry ice cream to top it off. Mix as for the frosty orange chocolate float.

For lime milk shake, use three tablespoons frozen concentrated limeade, vanilla ice cream, green food coloring, milk and mint ice cream.

this day and age. One partial solution is the attachment for marine toilets that pulverizes the solids, treats them with chlorine and then expels them into the water. It isn't likely that this method will be considered a real cure. The water is still being polluted by foreign matter plus chlorine. The ideal method is a storage tank aboard which is pumped ashore at the marina with such receiving facilities. Then the local disposal plant takes over.

In the cruising area near the cities of the Great Lakes, there are thousands of toilet-equipped boats under way on week-ends.

Whatever the number may be, 1,000 or 50,000, they make the same amount of water pollution as a city of an equal number of homes dumping its raw sewage into the adjacent water.

There are many marinas now that require boaters to use the toilet facilities ashore while moored in such marinas. This is not usually fully enforced but the idea is a good one and can be helpful. Some of the marinas, on the lakes where no shore toilet facilities are provided, are positively foul from small-boat pollution.

We just cannot go on dumping raw sewage into our waters. We

have no choice if we expect to continue to use our water. Every boat owner is obliged to take water pollution seriously. Let's hope that it isn't too late.

Forest Chats

By DAN NAPIER
Forester

A sawyer with an axe and saw, a river driver with a peavey and a timber cruiser with a compass have been standing on the high banks of the AuSable since 1932. They came there to perpetuate the memory of the Michigan lumbermen—and they have done their job well.

The Lumbermen's Monument is known far and wide and many people return to visit it year after year. The bronze figures have weathered the millions of human gazes and the maulings of the elements. The site, itself, is not holding up as well. Deep gashes in the slopes are the telling evidence of people scrambling up and down the scenic banks. The processes of natural erosion are normally slow, but crowds of people have accelerated these natural processes to an alarming rate.

Visitors returning to the monument this year are in for a surprise—a pleasant one at that. The Tawas crew has done some face lifting and emergency erosion control work. The most visible improvements are an observation rail and gravel walk. These provide protection and dressing for the bank edge. The most difficult task was building log erosion control dams and leveling them off with 200 cubic yards of sand. These dams were necessary to

halt a wash out that was eating its way toward the comfort station at the rate of 10 feet a summer.

In the past, mixed ownership of the land had complicated maintenance procedures. During this last year, the forest service became sole owner of the area and was, therefore, able to begin this rehabilitation work. We still have a lot of work to do out there, but a lot has been accomplished this spring. When funds become available we will finish the job. With the slope securely fixed in place and protected from thousands of pounding feet, the monument will continue to be a tribute to a color-

ful era from American history. Why not take the scenic drive out to the monument, yourself, the next chance you get. I think you will like what you will see.

Scouts Prepare for Expedition

Final preparations for the 17-day expedition to Philmont Scout Ranch, New Mexico, are being completed by 35 area scouts and four adult crew leaders. Their departure date is Thursday, June 29.

Attending from crew 701-B3 are William Coleman, East Tawas; Michael Gross, Tawas City; Lester Perkins, Whittemore; Alan Maas, James Rollin and Bruce Wilson, Hale.

In crew 701-B4 are Michael Sheridan and Mark Lee, Wurtsmith Air Force Base, Oscoda, and James French of East Tawas.

Sgt. J. L. Lee of Wurtsmith Air Force Base has command of crew 701-B4.

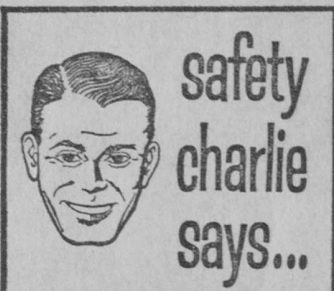

SEA GULLS USE LANDING STRIP, TOO—United States Fish and Wildlife Service specialist, David Wetzell, and County Agent Marvin Davenport were called on to help rid the Iosco County Airport and one of the Wurtsmith Air Force Base taxiing strips of sea gulls. Wetzell suggested several remedies, short of destroying the birds, to reduce the hazard: "An aircraft hitting one of these birds in flight could spell tragedy," said Davenport. Every precaution should be taken to protect human life and property. "I hope the sea gulls get the message spelled out by Mr. Wetzell," said Davenport.—Courtesy Cooperative Extension Service.

LETTERS to the EDITOR

The Tawas Herald
Dear Editor:

This letter, from a yachtman, is a protest against the stand taken by so many yachtmen who maintain that water pollution by boaters is not of enough importance to require state or federal regulation. That is a ridiculous attitude. Water pollution is everyone's problem and is especially a problem of those who cause it, no matter how small their contribution may be. The moment anyone claims that it is the other fellow's problem, the water pollution tragedy will never be solved.

Probably it will take federal regulation to bring pollution, caused by boaters, under control. Right now there should be legislation to prevent the sale of boats, of any size, that are equipped with typical marine heads that discharge raw sewage directly into the water. This is such a senseless and unnecessary practice in

In driving rain or heavy fog, it is better to stay at home or to stop driving if you are caught on the road. Unless you have clear vision ahead, you may drive off the road, crash into a car ahead of you, or collide head-on with an oncoming car. Reduce speed so that you can stop within the distance you can see.

JAMES R. HUGHES is shown here with the beautiful grandfather's clock which he recently crafted by hand. He spent about 40 hours on the project.—Tawas Herald Photo.

Retired Auto Exec. is Skilled Craftsman

James R. Hughes, 1149 Bay Drive, Tawas City recently completed work on constructing a 8½-foot tall grandfather's clock. Originally a tool and die man, Hughes spent 52 years with General Motors Corporation, the last 12 years as general superintendent of the Oldsmobile Division at Lansing.

"My son-in-law sent the plans for this clock several years ago and I finally got around to working on it," said Hughes.

The Hughes living room contains numerous articles—end tables, chests and racks—which he has fashioned in his home shop.

Two Educational Courses Offered at West Branch

Central Michigan University Off Campus Education is offering two education courses for teachers preparing for remedial reading certificates. The classes will be held in the West Branch high school and are scheduled for June 19 through July 28.

The courses are Education 531, diagnosis and treatment of reading difficulties, and Education 532, clinical practice in reading.

Each offers three semester hours' credit. They are to be taken concurrently unless the student has already received credit in Education 531.

Dr. J. Allen Figurel, known for his study and research in the field of remedial reading, will teach the Education 531 class. Paul Oberle of the CMU school of education, will teach Education 532.

Prerequisites for the courses are Education 340, 417 or 427. However, the prerequisites will be waived for teachers who have had at least five years teaching experience in grades six or below. All students are required to have

approval for admission to graduate school to participate. Early application is recommended through the Off Campus Education Office, Central Michigan University.

Study First Aid Technique June 16

Camp staff of Camp Iroquois, Sand Lake, National City, will meet June 16, 10:00 a. m., to study the new first aid technique of closed chest cardiac resuscitation (CCCR). The two-hour session will be taught by Donald James, eastern regional director of the Michigan Heart Association, and will include showing of an instructional movie and actual practice in the technique.

This program has been arranged through the Flint Genesee County Heart Unit of the Michigan Heart Association, a United Red Feather Crusade Agency.

IT IS OFFICIAL! NEWSPAPERS AND MAGAZINES HAVE CONFIRMED REPORTS THAT FLOWER TRIMMED HATS ARE THE FASHION FOR SPRING '67. A floral hat is colorful, fashionable and right for any occasion—a day in town, visiting friends and relatives or attending a club luncheon.

FLOWERS THAT LIVE FOREVER
 Guaranteed against wilting, this floral trimmed hat will look as gay and appealing as freshly cut flowers. The choice of color and flower is entirely personal. Plastic flowers are preferred, but fabric flowers that are heavy starched, may be substituted. The base of the hat is crocheted with "Knit-Cro-Sheen." Colors such as watermelon, mid-rose, canary yellow and parakeet are ideal for Spring and Summer. If desired, sew a pearl or sequin to center of each flower.

PERFECT TOPPER
 Easy to make, this little flower trimmed hat is a perfect "topper" for any Spring outfit. Free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PC 2530.

A CHAIN OF FLOWERS sets off a chain reaction—of compliments. Crochet these in bright flower colors, maybe a bright canary Knit-Cro-Sheen on a pale yellow linen—each motif measures 1 1/2 inch in full bloom. This is a perfect trim idea for the presently popular empire waistline dresses, repeat the detail on the sleeve for good measure. Free instructions are available by sending a self-addressed stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PC 4301.

LOOKING BACKWARD—

School Bond Proposal Set in Burleigh

15 Years Ago—

June 12, 1952—Burleigh Township Agricultural School District will vote on a \$90,000 bond issue Monday for the purpose of constructing a new elementary school building. Bonds are to be retired by 1965 at a rate of 18 mills of taxes.

The largest boat ever constructed in the Tawas area was launched last week at the Tawas River bridge by Gordon MacAndrew. The 65-foot-long "Captain Mac" is constructed of welded steel and will carry 65 passengers.

The new Tawas Drive-In Theatre, located north of East Tawas on US-23, is nearing completion with the tentative opening set for June 30. William Kitchen is manager.

Next week is courtesy week in business places of the Tawas. This program, which encourages local residents to be helpful and friendly when visitors ask directions, is sponsored by Tawas Chamber of Commerce.

Mary Ann Rempert is to receive her bachelor of art degree from Central Michigan College on June 14. She is a 1948 graduate of Tawas City High School.

Huron Rustic Lumber Company, Tawas City, asks parents to warn children of the danger involved in playing at the firm's mill yard. "At this time of year, we have a large volume of cedar piled in the yard. Serious injury could be the result if a pile of cedar suddenly rolled down on a child," said Frank J. Wilkusi, owner.

25 Years Ago—

June 12, 1942—The Tawas will soon have a second plant helping in the defense industry. Detroit and Mackinac Railway shop has been producing material for the Dafeo Boat Works for some time and, this week, Rowley Assembly Company leased a portion of the ground floor of Orville Leslie Ford Sales building for a gas mask assembly area. From 75 to 100 girls and women are to be required for this work.

Operators of small boats in the Saginaw Bay area have been warned to be on the lookout for practice gunfire from naval vessels firing approximately six miles south of the Tawas Point light. Although fall of shot will be within sight of the firing vessels, the

coast guard warning urged all ships to be on the lookout while in that vicinity.

Naturalists from all sections of the state meet here next Saturday when the Michigan Audubon Society holds its 10th annual camp-out. The event is being held at the Kunze Hunting Camp.

Lt. James Dillon of Texas is enjoying a week's leave with his mother, Mrs. John Dillon, and sister, Mrs. H. J. Keiser.

Consumers Power Company announces that in order to conserve materials and manpower, electric meters are to be read every two months instead of monthly.

O. J. Westcott was elected a member of the Tawas City Board of Education at the annual school meeting. He succeeds C. L. McLean, who had been a member for seven years and declined another term.

35 Years Ago—

June 10, 1932—A meeting to discuss Canada's "dry law" is to be held Sunday night at Hale Methodist Church. There will also be a talk on the Eighteenth Amendment and its possibilities. "Since prohibition had not yet been tried, it might be well to study a means by which it might be made infallible rather than to cast it aside and thus retard the progress of civilization many decades," said a spokesman.

Tawas City's attorney has been directed to draft an ordinance pertaining to the construction of buildings in the city.

Otto W. Rahl has been engaged as principal of Plainfield Township Schools. The Love School is to be moved to the Hale School grounds to accommodate the primary department. This change was made on the advice of the state department of education to fill requirements for an agricultural high school.

Dornace, the 15-year-old son of Mr. and Mrs. Theodore Bellville of Burleigh Township, had the misfortune of breaking his ankle in two places last week. While dragging a field, the horses became frightened when a pheasant flew up in front of them, pulling Dornace into the drags. He was treated at Tolfree Hospital, West Branch.

Graduating from Isosco County Normal this week are Marie Alstrom, Maori Bronson, Josephine Burger, Iva M. Carroll, Mrs. Mary Cordes, Inez Christenson, Dorene Dafeo, Melvin Dorecey, Sophia Drzewiecki, William Dunham, Charles Fuerst, Olive Greve, Ada Harris, Margaret Lomason, Marcella Low, Margaret Meyer, Lula Ruekle and Edna Miller.

ATTENDING 4-H Club Week at East Lansing this week are these Isosco delegates, sponsored by Peopoles State Bank. Shown receiving a check from Wayne Pollard, bank vice president, are, from left: Mrs. Richard Samson, Whittemore; Mrs. Irene Mott, Hale; Carol Pember, Hale; Mrs. Robert Pember, Hale; Kathy Wilson, Hale; Sue Michaels, East Tawas; Linda Barr, Whittemore; Carol Klenow, East Tawas.—Herald Photo.

Low Death Rate, but Oral Cancer is Deadly

(This is the fourth in a series of six articles by the American Cancer Society on the six most common sites of cancer—uterus, colon and rectum, breast, oral cavity, lung and skin.)

During the first year of the American Cancer Society's five-year minimum achievement goal, many hundreds of dentists and physicians attended educational meetings designed to persuade them to include detection of oral cancer as a part of their examination.

The five-year program calls for the use of oral cancer detection programs by 50 percent of the medical and dental professions.

"Cancers of the mouth area afflict some 15,000 Americans annually. So many deaths arising from an area so easily accessible and observable stress the urgent need to educate the public, as well as the dental and medical professions.

"Dental and medical professions should work together to prevent these needless and tragic deaths. In the absence of therapy, 80 percent of patients are dead within 18 months after diagnosis.

"The oral region, the tongue and the lining of the throat are highly sensitive. Abnormalities can be detected at an early stage. These consist of unusual sensation, swelling or bleeding, sore and white spots. Since dentists, in the course of their profession, have the opportunity to examine the oral cavities of millions, they can and should be alert to signs of cancer or precancerous lesions," states Doctor Brinkman.

Ex-Servicemen May Retain Rank in US Air Force

The United States Air Force and Sgt. Herbert Joyner, local air force recruiter, announced recently that a new program has opened to prior servicemen. The new program affords the former servicemen the opportunity to retain their rank in the air force even though they may have been out of the service for a period of up to two years.

The new program also affords those veterans an equitable rank if they have been discharged for as long as four years. Previously, the limit was three years. Prior servicemen from any branch of the service are eligible, they have a base of choice or area, provided a vacancy exists. Prior servicemen may also enlist and immediately go on a 30-day paid vacation prior to reporting to their new duty station.

Sergeant Joyner stated that this program will be in effect until July 30. Current needs of the air force make it necessary to call upon those people who have experience and training of certain skills. Complete details on joining the air force may be obtained from the local air force recruiter. In Bay City, he is located at 313 Federal Building or telephone him at TW3-7148.
