TC Council Adopts 1967 Street Program

A street program costing an estimated \$6,000 was adopted Monday night for 1967 by the Tawas City Council.

Reginald Bublitz, superintendent of public works, said the council's street committee had reviewed the program and recommended construction on the following streets:

First Avenue, 200 feet south of North Street to M-55, prime and double seal, cost \$3,200; German Street, from M-55 to Oak Street, 1,600 feet, \$1,250; Beech Street,

US-23 to German Street, \$550. Birch Street, from US-23 to railroad tracks; North Street, US-23 to Court Street; River Street, US-23 to railroad tracks; Wheeler Street, US-23 to railroad tracks. All streets are approximately 300 feet in length and would cost about \$235 each.

A total of 5,900 feet of streets to receive prime and double seal applications were approved.

The committee's recommendation on street lighting improvements were also approved. Included was replacement of 12 street lights on US-23 from Mathews Street to Whittemore Street with nine new 35,000-lumen lights similar to two samples now installed. A 20,000-lumen light would be installed in front of the bowling alley. Three additional lights would be placed along M-55 to the Tawas Masonic Temple.

Total cost for providing the additional lights would be an additional \$57.71 per month.

Bublitz said this was first step in a long-range project. He said that one possible way to finance the remaining program would be to provide one-quarter mill for street lighting, which would raise \$1,250 per year.

Judge Orders Sanity Test for Putnam

As the result of examinations last week, Jonathan L. Putnam, being held here under a first degree murder warrant, is considered not to be of mental competence to stand trial and that further diagnostic studies by the Department of Mental Hygiene are needed because of his mental condition.

This was the report of Dr. Leslie Lambert, district health director, who was appointed last week by Judge Allan C. Miller to conduct the examination.

A hearing on findings of Dr. Lambert was held in Iosco Circuit Court Tuesday afternoon.

On order of Judge Miller, arrangements are to be made today (Wednesday) for Putnam to undergo further examination at the Center for Forensic Psychiatry, Ionia.

This action followed filing of a petition for psychiatric examination by Putnam's court-appointed defense counsel, Alf C. Watson.

The defendant's counsel believed that though it appeared Putnam had committed the strangulation-killing of Mrs. Viola Stern on April 14, he appears to have no knowledge of nor any recollection whatsoever regarding large and important segments of events immediately surrounding and during the course of the homicide.

Watson said his investigation had convinced him that the man was insane at the time of the occurrence, that he may still be insane, that adequate representation requires examination by practicing psychiatrists on the question of his sanity at the time of the homicide.

Bodies of Airmen Found in Lake

Bodies of two Wurtsmith Air Force Base airmen, missing since a canoe trip April 16, have been recovered in Lake Huron.

The body of Russell Blank, 24, was recovered Friday evening, 3 1/2 miles south of the AuSable River mouth. On Sunday morning, the body of Michael Bodi was discovered about one-half mile north of the river mouth.

The men had borrowed a canoe and put it in at VanEtan Lake. They were reported missing when Bodi's wife told police he had failed to report to work at the base.

The canoe was found washed near the river mouth on April 18.

ATTY. GEN. FRANK KELLY

Frank Kelly Speaks Here on Protection

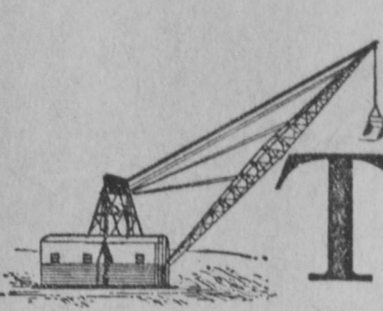

Atty. Gen. Frank Kelly will speak on "Consumers Protection" at the Holland Hotel Tuesday, May 23.

Kelly will outline a program which is presently functioning in 35 counties and provides such public protection service administered by the attorney general's office through the chamber of commerce office.

All interested Iosco County citizens are urged to attend.

The chamber of commerce has arranged to host Kelly's presentation at a joint meeting with the Tawas Kiwanis Club. Those wishing to lunch along with Mr. Kelly at the Kiwanis Club luncheon meeting prior to his talk are asked to make reservations with Mrs. T. M. O'Loughlin at the chamber of commerce office prior to Monday noon, May 22.

Anyone not interested in the luncheon is invited to attend Kelly's presentation at approximately 12:30 p. m.

Big Week-Long Observance Set

Fourteenth annual Michigan Week observance, May 21-27, opens Sunday with Spiritual Foundations Day. Churches of the Tawas are to lead citizens in paying tribute to the part that religion has played in the history and development of the state and its communities.

Principal program during Michigan Week will be the exchange of mayors next Monday. Both Tawas City and East Tawas are taking part in this year's program.

Tawas City is to host Elden Smith, mayor of DeWitt, along with Lawrence Keck, mayor pro tem, and their wives. To be met at the city hall at 9:30 a. m., the visitors will be entertained by Tawas Area School Pep Band and will then leave for a coffee hour at the Barnes Hotel.

A joint luncheon is being planned with East Tawas Monday noon at Vic and Zel's Restaurant. Mayor Smith and his party along with Mayor and Mrs. James DeHorn of Coopersville are to be guests of honor at a perch fry.

Afternoon program for Tawas City visitors will include a visit to Wurtsmith Air Force Base starting at 2 o'clock. That evening, the guests will be honored at a banquet to be held at the Barnes Hotel. Councillors, other city officials and their wives are to attend.

Activities at East Tawas for visitors include tours of area facilities. A banquet is to be held Monday evening at the Holland Hotel with councillors, city officials and their wives in attendance.

While no special events are planned for Our Heritage Day on Tuesday or Our Livelihood day on Wednesday, C. A. (Bill) Arlington, program chairman for the Tawas Chamber of Commerce, said that a Michigan State flag would be presented to Tawas City Elementary School on Our Education Day, Thursday. E. D. Jacques is to handle the presentation.

Friday is Our Hospitality Day and Martha Arlington and Agnes Kleekamp will be stationed at the East Tawas Community Building to welcome visitors and serve free coffee and doughnuts. Welcome signs will greet all travelers.

An out-of-town family is to be stopped while driving through Tawas, ticketed by local police and ordered to enjoy a free dinner at

a local restaurant. Saturday is Our Youth Day. Michigan Week posters are to appear in Tawas stores and place mats are being furnished to restaurants.

Forest Film Premiere Has Area Interest

Michigan premiere showing of the movie, "The Working Forest," recently released by the United States Department of Agriculture which was filmed here in the Tawas area will be shown at the East Tawas Elementary Unit May 24. The film will be shown starting at 7:30 p. m.

Many people in the Tawas area contributed their time and acting ability to the movie which was filmed here last spring and early summer. The film featured the AuSable Forest Association and the Tawas as a town called "Forestville" in the movie.

Loren Woerpel, Tawas District ranger, stated, "It is fitting that we should feature this film here during Michigan Week because through the cooperation of our local citizens, thousands of people throughout the nation will be encouraged by this movie to use forest cooperatives like the AuSable Forest Products Association and community action to improve their rural economies. This movie will be open free to all the public."

Clark Brindley Injured Saturday in Motorbike Crash

Clark Brindley, 25, Whittemore, was rushed to Telford Hospital, West Branch, following a crash Saturday afternoon on Keystone Road at Wilson Road.

Investigating state police officers said that Brindley apparently lost control of his motorbike. He was unconscious when rushed to the hospital and police have not been able to question him in regard to the crash.

The accident remains under investigation.

East Tawas Council Adopts New Budget

A budget of \$153,605.41 was adopted Monday night by the East Tawas Council for 1967-1968 city operation. The council adopted an appropriation ordinance raising 12 mills for operation, 2 1/2 mills higher than last year.

Total anticipated revenue for the year is \$157,316.51, which includes \$77,435.41 from local taxes. The additional 2 1/2 mills voted by the council was required to meet demands of the debt retirement fund for the city's new sewage disposal plant and the collection system.

Breakdown of the appropriation ordinance was as follows: Contingent, .8875 mills; debt retirement, .225 mills; streets, .20 mills; cemetery, .0125 mills; fire protection and police, .065 mills and revolving, .010 mills.

Budget expenditures under contingent includes \$24,138 for general fund, \$2,531 in maintenance of public buildings, \$6,650 for street lighting, \$10,625 for sanitary service, \$900 for recreation, \$450 for tree planting and \$9,000 for land acquisition.

Other expenditures include \$15,000 for debt retirement, \$50,977 for street department, \$1,908 for cemetery, \$1,000 for the revolving fund, \$8,444 for fire department and \$19,980 for the police department.

Anticipated revenue from other sources include \$23,000 from state sales tax, \$3,000 from state intangible tax, \$225 from permit fees, \$33,500 from motor vehicle funds, \$450 from gasoline tax refunds, \$2,500 from equipment rental, \$1,200 from the Baldwin Township fire agreement and \$16,006 revenue from the police department.

The latter includes \$5,500 from meter refund, \$6,000 in justice court fines, \$2,299 from Michigan Liquor Control Commission, \$194 from gas tax refunds, \$175 in miscellaneous revenues, \$1,613 from the department's share of property taxes and \$158 in delinquent property taxes.

In other business Monday night, City Atty. Michael N. Freel reported that his investigation had disclosed that cities were required to reapportion representation on the council by Michigan Public Act No. 182. This is a different act than that recently ruled unconstitutional by the state supreme court regarding county boards of supervisors. Reapportionment of the council on a one-man, one-vote concept is due by December 1.

Mayor James Campbell announced that John Bolen, veteran justice of the peace, has stated (See ET COUNCIL, page 6.)

MONDAY'S SESSION of the Iosco Allocation Board looked like this as supervisors and school representatives discussed budgets with allocation board members, pictured in the background. Final allocation is due May 25.—Tawas Herald Photo.

'Lost Mill' Goes Back to Iosco in Preliminary Tax Allocation

Preliminary order of the Iosco Tax Allocation Board gave back to Iosco Board of Supervisors the "lost mill" for county operation in last year's shuffle and put schools back to the 1966 millage level, three lower than the expected state requirements for full state aid participation.

That the order was only preliminary was emphasized again and again during the day by Chairman Arden Charters, as allocators faced the impossible task of making a reasonable attempt to meet school and county operating budgets for 1967-1968 and still stay within the 15-mill limitation.

Adoption of one of two tax split plans given any serious consideration during the day passed by a three to two vote. The sixth man, William Werye, who represents boards of education, is vacationing in Europe, but will be present at the final hearing May 25. Other members are Russell A. Rollin Sr., L. S. Little, chairman of the supervisors' finance and apportionment committee, County Treas. Edward Nelkie and Intermediate School Supt. Ernest W. Jordan Jr.

The plan as tentatively adopted gave schools eight mills, the county 5.85 mills, intermediate school district .15 mills and townships submitting a request received the one mill guaranteed by state law. Only Tawas Township, with adequate population and high return from sales tax, did not submit a request.

In order to satisfy all budgets presented to the allocation board, 21 mills and more would have been needed. The county presented a budget which would have required 7.21 mills, while budgets submitted by schools ranged downward from 17 1/2 mills.

In any event, one member of the allocation board said Monday that he believed that the final allocation would be in fractional figures and he did not expect schools to receive a full nine mills as last year.

That no taxing unit was going to receive enough millage to meet budgets was a foregone conclusion. However, out of discussion prior to action by the allocation board came assurances from members of the board of supervisors that they would cooperate with schools in presenting proposals to voters seeking additional special millage to finance school operation.

It would appear that success of this cooperative millage venture would have much influence on the final allocation, although time is running short and proposals could not be submitted prior to the allocation deadline.

Presenting a possible solution to the problems faced by the board

was Charles Smith, chairman of the board of supervisors. At the close of discussion Monday morning between the allocation board, school representatives and supervisors, Smith urged that representatives of county government and schools sit down and reach some agreement on millage proposals for school operation.

Smith, who said that schools had more success in presenting millage proposals than the county, plans to turn the matter over to his finance committee during the May meeting Wednesday (today). Arrangements for meeting with school representatives would then be made.

It was brought out at the meet-

ing that Whittemore-Preseott Area School receives 9 1/2 mills under the pegged millage package adopted last year in Ogemaw County and is not under consideration here. Hale Area School District voted an additional four mills in 1966 and Tawas Area School District has one more year on its one mill for operation. Osoda's one mill special voted tax expires this year.

Following minor corrections to several township budgets submitted, James P. Mielock, Reno Township supervisor, addressed the group as spokesman for the board of supervisors.

Expressing concern that the county's portion of taxes be properly allocated, Mielock said that it was impossible for Iosco to operate on the allocation received last year. He said that the finance committee had checked its budget very closely and urged the allocation board to weigh the budget closely.

"It is impossible for the county to ask voters to approve any additional millage," said Mielock. He pointed out that a proposal last year failed and that similar millage requests for counties in other parts of the state had failed. He said that Iosco was operating on less millage than any other county in the state.

Mayor James Campbell of East Tawas pointed out that under the new budget county welfare costs had been cut. "We are faced with a \$90,000 deficit this year and we have cut our budget in every place that we can—we need this money."

Clarence Everett, Third Ward supervisor of Tawas City, said that the county had operated on a shoestring this year "and we need next year's budget to barely squeeze by." He said that the board had considered a retirement program for its employees last year, but there was no money available. "Practically every employee is underpaid and we have cut our budget to a point where we just cannot operate," he said.

Stating that Iosco's welfare costs had been gradually reduced since a high of \$52,000 in 1963, Everett pointed out that operation of the new medical care facility was not costing the county a cent today because of state and federal funds. In 1963, it was costing the county \$180 per patient in rest homes. Cost for operating the facility is now \$13.20 per patient day and this is funded by state and federal participation.

Because of a surplus in welfare funds last year, a transfer from social welfare last December put the county's general fund in the black for 1966. It is not expected that there will be any surplus this year.

Supt. Robert Richardson of Osoda Area School said that, as usual, the legislature was dragging its feet on adoption of a final state aid formula. He said he was confident that the new measure would require 11 mills for schools to receive full state aid participation. This has increased one mill each year for the past three years.

Richardson said he was faced with a militant group of employees and could not estimate what final salaries could be until negotiations are completed. He said the Michigan Education Association was recommending a pay schedule ranging from a base of \$7,500 to a top of \$11,000.

"There is no capital investment nor fringe benefits in our budget—it is pure and simple operation," said Richardson. He said he recognized the county's predicament, but his school was in a bind, too, because of expanding classrooms and labor problems.

Supt. Reynold Mick of Tawas Area School said problems of his school district were similar to Osoda's. He believed that his district's budget, which would require 14 mills to meet, was conservative and realistic, although he commented that he fully realized that the allocation board could not meet it.

Mick said that needs of the district were acute. While additional funds are sometimes received because of new children moving into the area, he did not expect that funds on hand would allow the school to carry on in the succeeding year should the state fail to pay its share on time. He believed that with last year's allocation of nine mills and the one additional voted mill, "we will be able to carry on."

Everett pointed out that the county was in the same position as schools and could not operate on last year's millage. He said that, in addition to providing county services, it also serves townships and schools through collection of taxes.

Little said that since organization of the board last month, two additional expenses had been incurred by the county which would cause a further deficit this year. He said that cost of conducting a trial or furnish psychiatric examination in a recent murder case would cost the county \$5,000 to \$6,000. Cost of state institutions has also increased, he said, through a recent sentence to the Detroit House of Corrections costing \$18 per day for maintaining a prisoner. "All of these things upset a budget in three weeks," he said.

Richter Lixey, supervisor of Baldwin Township, was of the

ROME BURNS AS FIDDLIN' CONTINUES

Pressing need for some sort of compromise on a reform measure to meet a financial crisis soon to be faced by state and local governments, along with schools, is apparently being ignored for the present by the state legislature through action and discussion on other 'important' matters.

One of the latest 'important' measures considered and adopted by the house of representatives was a bill sent to the senate which would guarantee that more three-day week-ends would show up on the calendar.

Passing the house by a 72-27 roll call was a bill providing that seven of the state's nonreligious holidays would always fall on Mondays. This, said the sponsor, would be a boost to the tourist industry and eliminate the school and job absenteeism that usually occurs on the day between a holiday and a week-end.

Now we do not believe that these holidays were designed to stimulate business or, necessarily, as a day to relieve toil. Rather, these special days were set aside to observe the anniversary of a particular event—Independence Day, Memorial Day, the birthdays of Washington and Lincoln, etc.

Our forebearers, for instance, certainly were not thinking about three-day holidays when they rang bells on July 4 to commemorate the signing of the Declaration of Independence. Changing the day of this observance would only cause further deterioration of its real significance.

TODAYS Meditation

Read Galatians 5:13-18 Quench not the Spirit. (I Thessalonians 5:19)

A lad found it difficult to waken in the morning. His mother gave him an alarm clock. This seemed to work well for a few days, but once more he began to oversleep.

'Johnny,' his mother asked, 'why don't you use the alarm?' 'Oh, I do,' he replied, 'but when it rings, I shut it off and go to sleep again. Sometimes I hardly hear it.'

The ear and mind can become so accustomed to sounds that they make no impact and the mind is not really aware of them.

If we disregard the call of the Holy Spirit, the 'ears' of the soul become dull and in time quite deaf. It is to our hurt if we quench the Holy Spirit in our lives. If we listen and obey, we become more and more receptive to His voice and direction. He will never force Himself upon anyone, but the person whose mind and heart are open to His call will receive His blessing.

PRAYER Dear Father we thank Thee for the gift of the Holy Spirit. We pray that we may have always an open mind and heart to receive His word and wisdom, grace to obey, and Thy guidance and blessing in all phases of our lives. Help us to manifest the fruits of the Spirit. For Jesus' sake. Amen.

THOUGHT FOR THE DAY The refining fire of the Holy Spirit consumes the dross in our lives. Mary M. Forman (Ontario).

After the gospel message and renewal of baptismal promises, the Rev. Fr. Fred Thomas, pastor of Sacred Heart Church, Osceola, and the Rev. Fr. Bela Torok, pastor of St. James Church, Whittemore, will assist Bishop Hickey in confirmation. This sacrament consists in the sign of holy oil and holy words signifying the favor of God, the Holy Spirit.

Following the church Liturgy, Bishop Hickey will visit with the 112 children and 12 adults in St. Joseph Social Center, 9:00 p. m.

Rachel Circle Met at Philpot Home

The East Tawas home of Mrs. George Philpot was the scene for the Thursday, May 11, meeting of Tawas City First Baptist Church Rachel Circle. Mrs. Philpot served a dessert luncheon consisting of strawberry angel food cake, coffee, tea, cookies, nuts and candy to her guests.

For the session attended by 11 members and three guests, Mrs. Donald Cheeseman, Mrs. Edward Baucus and Mrs. Ernest Ferguson, Mrs. Paul Sayles' devotion theme was entitled 'Priscilla.' Mrs. Jack Cundy conducted a Bible quiz.

A union meeting will be staged May 25 at the church. Mrs. A. A. Bigelow, Mrs. James Leslie and Mrs. Sherwin Smith are hostesses.

Mrs. Gregory Honored May 8 at Mother-Daughter Banquet

Mrs. William Gregory received a centerpiece for being the eldest mother present at the May 8 Tawas City Methodist WSCS mother-daughter banquet. Other centerpieces were awarded to Mrs. Michael Heenan, youngest mother, and Mrs. Neil Savyers, mother with the most daughters, four.

Prior to the meal, 125 guests were entertained in the sanctuary with organ selections played by Mrs. Frank Walker. Mrs. Waldo Leslie, WSCS president, greeted and welcomed the guests. Mrs. C. M. VanHorn gave the invocation. A pot-luck, chicken dinner was planned and served by the local church activities committee with Mrs. Albert Conklin, chairman.

Table decorations were carried out in a spring motif with dainty mint cups. Mrs. George Liske served as program chairman. Mrs. Walker played piano accompaniment for group singing. Mrs. Raymond Biskner presented a toast to daughters and her daughter, Kim, gave the response. Mrs. Robert Erickson and the 'Happy Wanderers' were introduced and they entertained with several selections.

Patty Krish is accompanist for the group which includes Rhonda Hammitt, Carol Ulman and Linda Radford, sopranos; Carol Rempert, Marti Long and Pam Miller, second sopranos; Cindy Hackborn, Diane Miller, Barbara Shover and Kathy Shover, altos.

Miss Krish played a piano solo, 'Born Free;' vocal duets, 'Going to the Chapel' and 'Dominique,' were sung by the Misses Miller, who were accompanied by Miss Hammitt on the Autoharp; 'Feed the Birds' from 'Mary Poppins' and 'I Have Dreamed' from 'The King and I' were presented by

Miss Hammitt. The group sang 'Just a Wearin' For You' and a medley, 'Good Old Summer Time' and 'In the Shade of the Old Apple Tree.' For an encore, the girls sang 'Corento.'

'Happy Birthday' was sung to Mrs. Harry Goodale and she received a gift. Sonia Allevato and Hetty Ramirez, exchange students, were introduced and talked briefly.

Mrs. Leslie expressed her thanks to the various committees at the close of the evening.

Services Held for N. City Man

Funeral services were conducted Tuesday, May 16, for Charles G. (Carl) Frank of National City. He died Saturday at Saginaw Veterans Hospital.

Born August 7, 1891, in Keshville Township, he lived in Bay City most of his life and moved from there ten years ago. He was a World War I veteran.

STEALING a huge van loaded with furniture would not be the easiest thing to do but that is what happened Friday night at Oscoda. The van above was driven to Oscoda by Roy Whitaker, driver for John F. Ivory Storage Company, Detroit. He was accompanied by Robert Greene, an employee of three weeks. The men did not make connections and stayed at Oscoda. Whitaker awoke Saturday morning to find \$30 missing from his billfold and the van was missing from its parking space. Greene has been apprehended at London, Ontario, Canada, and it is believed he drove off with the unit. The truck and trailer were found Sunday morning on Grabow Road, Wilber Township, about two miles east of old US-23. The road dead-ends east of the Toska hunting camp and the truck could go no further. Shown claiming the vehicle are Fred Montcalm, left, and John Puhok, traffic manager for the Detroit firm. At right is Deputy Sheriff Jerry Kruse. Two local wreckers worked three hours to pull the truck out of the narrow road to a point where it could be turned around. The load was intact.—Tawas Herald Photo.

Consumers Finishes Mich. Movie Series

A third motion picture has been produced to complete a series of films on Michigan history, reports Gordon Huck, area manager of Consumers Power Company's Bay City Division. "Michigan in Motion" joins two other films which provide over 100 school systems in the state with a complete record of progress from the Ice Age through the Space Age. Michigan schools will thus become the only ones in the nation to have their state's complete history available in this form.

Premier of the film May 24, 12 o'clock, at the Barnes Hotel, Tawas City, is being held in observance of Michigan Week ceremonies, Mr. Huck said.

More than 500,000 youngsters and adults have viewed each of the first two films in which history comes alive through drawings, sketches, and other illustrations of the period. The final film uses old motion picture footage gleaned from historical files across the country. Mr. Huck said "Michigan in Motion" is available on loan to schools and other interested organizations in the Bay City Division upon request to his office at Tawas City.

New Harness Racing Track to Open May 21

Harness racing at the Whittemore Raceway, a new licensed track located on the Grabow farm at Whittemore, is scheduled to start Sunday, May 21. Post time is 2:00 p. m.

Racing programs are also scheduled for Sunday, June 4, and Sunday, July 9.

Superintendent of speed at the new raceway is G. B. Goupil. Officers of the association include George Grabow, president; Herbert Ostrander, vice president; Arden Charters, secretary, and Edward Graham Jr., treasurer.

Whittemore has long been noted for its stock and road car racing events during the summer season and harness racing will be an additional feature this year.

The track was constructed last year and improvements are being made this year.

Mrs. Reinholm Hosts Meeting of Extension

Thinkers and Doers Extension Club met at the East Tawas home of Mrs. Thomas Reinholm May 2. Mrs. Darwin Dubke was co-hostess.

A lesson on kitchen storage was given by Mrs. James Russo. She discussed how to plan a kitchen for the most effective and efficient use of storage space and presented many time-saving tips. Something that many homemakers could do to save energy and time is arrange their kitchens so that all utensils and foods are closest to the work area where they are most often used. A check list was used to help members see what they need to do to improve their storage space.

An announcement was made of the next council meeting, a Holland Tulip Festival tour and a Detroit trip to Hudson's and Saunders'. Anyone interested in obtaining further information concerning the tours can call the Cooperative Extension Office, Federal Building, East Tawas.

No meetings are scheduled until September.

Frank Smiths Observe 63rd Anniversary

Mr. and Mrs. Frank Smith of 10-21 Bay Drive, Tawas City, are celebrating their 63rd wedding anniversary May 19. Mr. and Mrs. Smith, who are 82 and 83 years of age, moved here May 17, 1953, from Detroit and started in cabin business, which they are still operating.

Last summer, one of the cabins burned and they replaced it with two large motel units on the beach.

Mrs. Smith, last surviving member of a family of 10 children, was born on a farm in Sebawaing. Mr. Smith has one brother and five sisters still living. He was born at Detroit.

They have one daughter at Detroit and a daughter, Mrs. Ralph Pion, and her husband reside at Tawas City.

Seven great grandchildren, two grandsons and four granddaughters will arrive from Detroit to help observe their anniversary. The day will also mark Mrs. Smith's birthday.

One hundred members and visitors heard David Sherwood, guest speaker, National Council of Senior Citizens, who explained advantages senior citizens would gain through their affiliation with a senior citizen group.

An invitation from the Tawas Bay Yacht Club was extended by Lewis Besancon to have a fun day at the club in July. Two \$5 gift certificates were presented by Tawas Chamber of Commerce to senior citizens for help at Perchville.

Prizes, which were won by Mrs. Queenie Wood and Mr. Besancon, were donated by Mrs. Mary Perry and Mrs. Gladys Ohst.

Fun day will be observed at the May 24, 12 o'clock meeting at the same location.

DePotty Home Site of Meeting for Past Noble Grands

Sixteen members of Irene Rebekah Past Noble Grands Club met May 8 at the home of Mrs. Roy DePotty of Tawas City. Mrs. William Hoopes and Mrs. Clarence Ashmore were co-hostesses for the pot-luck supper.

Mrs. Roy Grossmeyer, who has been living in Jefferson, Oregon, for several years, was a welcome visitor. Mrs. Eugene Hanson was honored with an attractive cake made by Mrs. Edmund Gagner and "Happy Birthday" was sung to her on the occasion of her 81st birthday.

Mrs. Grossmeyer won the mystery gift and games were enjoyed after the business meeting.

The next regular meeting will be June 8 at the East Tawas home of Mrs. George Davidson. A 6:30 p. m. pot-luck supper is planned.

Engaged

Mr. and Mrs. Kenneth Eshelman of Lincoln Park have revealed the engagement of their daughter, Mary Margaret, to John R. Henry, son of Mr. and Mrs. John L. Henry of East Tawas.

The bride-elect is a graduate of Taylor Center High School, Taylor. The future bride and her fiancé will graduate in January from Northern Michigan University, Marquette.

A June 24 wedding is being planned.

Mayor Proclaims Poppy Days

Mayor James Campbell of East Tawas has designated May 25-26-27 as poppy days in East Tawas. This is an opportunity to pay tribute to the brave men and women who still live as victims of war.

Funds collected by the American Legion Auxiliary are used to aid the many victims still in hospitals and to assist the fatherless children and widows of the war dead.

This last year, money was used at Christmas time for veterans at Saginaw Veterans Hospital, clothing and food were purchased for needy families in the area and recently the auxiliary and Audie Johnson Post purchased three hospital beds and two walkers for the loan closet. Wheel chairs and crutches are also available in the loan closet.

Former Tawas Man Earns Promotion

Larry Frank has been appointed manager of the Corunna Kroger Store, outside Flint. A 19-57 graduate of Tawas Area High School, he has been with the Kroger Company for eight years.

He is married to the former Carol Strauer, daughter of Mr. and Mrs. Orville Strauer of Tawas City. His parents are Mr. and Mrs. Wilmer Frank of East Tawas. The new manager and his wife have three children, Gregory, Colleen and Aimee.

Annual Reports Heard by TWL

Tawas Women's League met Thursday, May 11, with Mrs. Robert Miller and Mrs. Gary Dutcher serving as hostesses. Annual club reports were heard and an announcement was made that the league and Tawas Area Newcomers Club had planned a family picnic for Sunday, May 25, 1:30 p. m., at Silver Valley.

Annual installation of incoming club officers will be held at a dinner June 6, 6:30 p. m., at Tawas Golf and Country Club. Officers to be installed are Mrs. Fred Rath, president; Mrs. Loren Woerpel, vice president; Mrs. Ronald Farah, recording secretary; Mrs. Murray Qualis, treasurer; Mrs. Thomas Reinholm, corresponding secretary.

In observance of Michigan Week, the program for the evening was the presentation of two movies, "The Michigan Elk Herd" and "Michigan Canteen Trails," presented by Gary Dutcher of the Michigan Department of Conservation.

Camp Wigwah Site of Girl Scout Event May 20

Camp Wigwah Trails near West Branch will be the site of a "Voyage to Adventure" for cadette scouts of the Mitten Bay Girl Scout Council, Saturday, May 20. One hundred forty-five cadettes and 61 adults will attend the event which is scheduled for 10:00 a. m. to 3:00 p. m.

Cadettes are girls who are seventh, eighth or ninth graders. The outing offers girls (56 troops in all) opportunity to share and learn experiences with girls from other communities, schools and grades. It is a means through which cadette troops plan on a broader scope thus helping them for senior scouting.

Wegners Observe Silver Anniversary

Mr. and Mrs. Eugene Wegner of Tawas City observed their silver wedding anniversary Saturday, May 13, at Melvor Union Hall. One hundred guests enjoyed the dinner which was followed by a reception attended by 150.

The event was hosted by their three children, Mrs. Ronald Szabo and Mrs. Dennis Szalla of Flint, and Michael Wegner, at home. An anniversary cake, a gift from the Wegners' son, centered the table. Pink and white streamers, bells and balloons graced the building.

Among the guests from Detroit, Flint, Bay City, Tawas City, East Tawas and National City were their attendants, Mrs. Virginia (Melvor) Biggers of Farmington and Richard Ziehl of Detroit. Mr. and Mrs. Wegner received many beautiful and useful gifts.

Mr. Wegner and the former Floy Belle Allen were married May 9, 1942, at Tawas City.

For the occasion, Mrs. Wegner wore a navy blue, two-piece silk suit with white accessories and white orchid corsage. Mrs. Biggers selected a black silk dress with orchid corsage.

Mrs. Freeland Guest of Honor

Mrs. Elmer Freeland was guest of honor at the Gold Star banquet of Audie Johnson Unit No. 211, American Legion Auxiliary, May 9 at Likey's Restaurant, East Tawas. Twenty-one were present.

Other Gold Star members in the area are Mrs. Forest Stump and Mrs. Jay Platte.

Mrs. Peterson Had 2 Paintings Shown in Exhibit

Mrs. Harold Peterson, local artist, has had two paintings exhibited in the current juried show at Studio 23, Bay City. All artists in the area were invited to compete but Mrs. Peterson was the only one from Tawas Bay Artists who entered. From 449 entries, 114 were chosen.

Mrs. Peterson has been active in Tawas Bay Artists and assisted each year in the annual Tawas Bay Arts and Crafts show as well as in the Top O' The Mitt Arts and Crafts Association. For over 20 years, she has studied with Mrs. Herbert Hertzler and with visiting artists, Edgar Yaeger and David Samson of Detroit.

Mr. and Mrs. Peterson, Mr. and Mrs. Hertzler attended the opening of the show Sunday afternoon at Bay City. It will close June 11 and is open to the public Friday, Saturday and Sunday afternoon.

Girl Scouts Win Thanks

At the May 11 meeting of Girl Scout Troop No. 223, a thank you note was received from Tawas Hospital for the favors the group had made for Hospital Week. The session closed with "Taps."

IN MEMORIAM

In loving memory of my dear mother, Daisy Peters, who passed away one year ago, May 16, 1966. How little I knew when I awoke that morn The sorrow that day would foretell, For it's hard to part with one you love Without a last farewell. So many things have happened. Since she was called away. So many things to share with her Had been left to stay. We cannot bring the old days back Her hand I cannot touch. But I still have precious memories. Of the one I love so much. God gave me the strength to bear it. The courage to take the blow. But what it meant to lose you Mother, No one will ever know. Sadly missed by daughter, Mrs. Katherine Weaver 20-1b

Needlecraft News

EVERYBODY LOVES A CLOWN because he makes people happy. Watch your little girl or boy's face light up when he sees this sock toy... and who'll get the credit for those smiles, why you will! Perfect for even your youngest to play with, there's nothing sharp to hurt him... and it washes. If there is more than one little one in your family, make several.

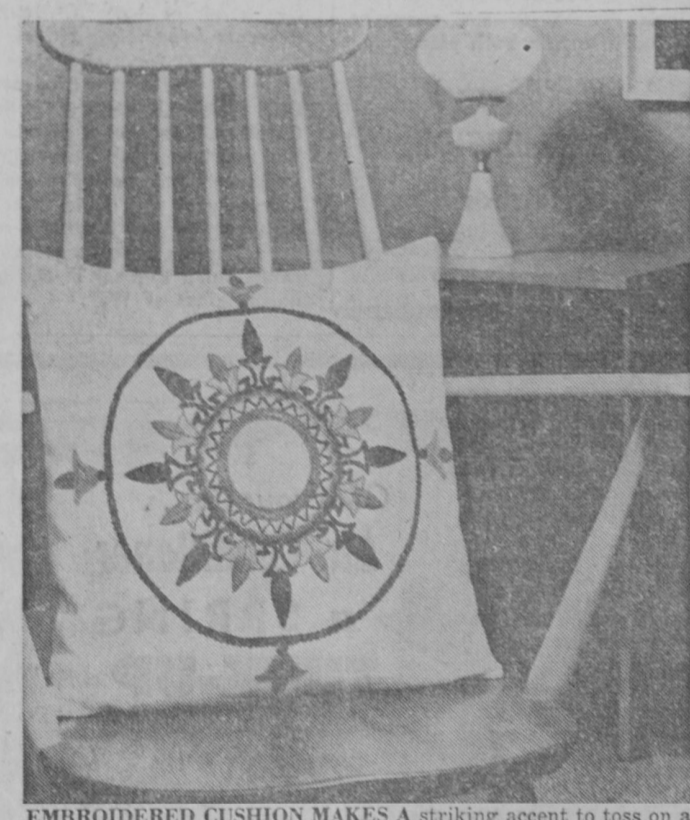

RECIPE FOR LEFTOVERS
Take one pair of men's socks, (the ones you have been meaning to mend)... one rubber ball... one terry cloth towel, brightly striped or the presently popular flowered print and "BOILTEX" in a color to match the suit. Add buttons and fabric scraps to taste, stuff with used nylon stockings and serve with lots of love. Anything goes for color, that's the advantage of "clowning", you can expect almost anything.

FUN TO MAKE
You'll enjoy an afternoon "clowning", and if your little girl is old enough, teach her to make one. They make wonderful gifts for nieces, nephews and your friend's children too. Free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PPE 848.

SHOWERS ARE A FAVORABLE WEATHER PREDICTION when you have an embroidered cover to turn your umbrella into a pretty fashion accessory. Floral design is worked in six strand floss on nylon fabric, with a 5-inch opening. Free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PE 4315.

EMBROIDERED CUSHION MAKES A striking accent to toss on a chair or couch. The bold flower design, inspired by traditional American motifs, is worked with sending yarn in strong colors. opinion that schools were in a better position to place a millage proposal before voters than the county. School superintendents said this was a common trend in thinking, but such proposals were difficult to put across to voters.

Henry Oates, tax equalization director, said a good increase in valuation was expected after adoption of the Gem Surveys re-appraisal of the county, but its effect was still two years away. Richardson said that valuation was not the problem facing schools, but it was rather a problem of receiving enough millage to meet state requirements for full state aid.

Rollin of the allocation board suggested that the board of supervisors establish an educational committee which could meet with school representatives from time to time during the year in order that some of the problems at tax allocation time could be alleviated.

"We do not want anyone to have the impression that any favoritism is being shown—the final allocation will be based upon facts," said Charters. "The handwriting is on the wall that there is not enough to go around."

Rollin pointed out that if anyone was dissatisfied with the final allocation, the matter could be placed in the hands of the state tax commission for disposition.

Dr. Hartsell Talks to Area Educators

Dr. Horace Hartsell, department chairman of instructional media at Michigan State University, recently addressed the Iosco County School Planning Committee at a meeting held in Roscommon. The topic of discussion was an instructional materials center and its implications for Iosco County school districts.

Hartsell, who is considered one of the top 10 experts in the instructional media concept, is one of a series of outstanding educators who are serving as consultants for the four school districts in Iosco County, and other school districts in a 10-county region in Northern Michigan. This project entitled Polaris-Apollo is a new concept in planning creative and innovative educational program which will serve school children in Iosco County. Ernest Jordan Jr., intermediate superintendent of Iosco County, and Robert D. Hodges, administrative assistant at Oscoda Area Schools, serve on the Polaris-Apollo executive committee.

Darrell W. Lomas Died at Detroit

Funeral services for Darrell Wade Lomas, 66, of Detroit will be conducted today (Wednesday), 1:00 p. m., at Schmalzreid Funeral Home, 16625 Grand River, Detroit. Burial will be in Woodlawn Cemetery. He died suddenly May 13.

He was born in Pinconning and married the former Edys Owen Somers.

Among survivors are his wife; two stepchildren, Nancy Somers of Detroit and Dr. John Somers of Columbia, Missouri; three brothers, Fred Lomas of East Tawas, George Lomas of San Antonio, Texas, and Arnold Lomas of Dearborn.

TODAY'S TEEN is Gloria Stanley, a senior at Whittemore-Prescott Area High School. The daughter of Mr. and Mrs. Ed Stanley, Gloria plans to attend Bob Jones University in South Carolina. She was a member of the yearbook staff, participated in junior and senior plays, is secretary of the Bible Club and president of the Baptist Sunday School young people's group. She ranks third highest in the graduating class of 1967.

E. Goodman Named to TC Planning Group

Edward Goodman, vice president and general manager of the Detroit and Mackinac Railway, has been appointed to the Tawas City Planning Commission.

This action came Monday night as the council approved Mayor Russell A. Rollin's recommendation.

Goodman, who is to serve until 1970, fills the unexpired term of John St. James, who was appointed two weeks ago as the Second Ward alderman replacing Rollin.

In other business, the council tabled action on recommendations of Police Chief George Westcott concerning removal of traffic hazards on US-23.

Westcott recommended that parking be removed on the lake side of US-23 north from Fletcher to the city limits. He also recommended that parking be removed from the north city limits in the southbound lane as far as Wheeler Street.

Further discussion is to be held at the next meeting after investigation by the street committee.

Alvin Cholger was present at the meeting and protested the recent removal of one parking space in front of his station at the intersection of US-23 and Mathews Street. Mayor Rollin referred the matter to the street committee for study.

The council approved the annual maintenance contract with the state highway department. Cost of maintenance work on US-23 has been set at \$12,300.

Mayor Rollin reported that his study revealed that it would be impossible for the city to comply with a recent request from Immaculate Heart of Mary Church for an exchange of property with the city. Rollin said that the city had obtained property near the church from the state and, according to records, it would revert to the state should it not be used for park and playground purposes.

Tawas Area Bands Plan Spring Concert

Tawas Area High School instrumental music department will present its annual spring concert, "Music, Music, Everywhere," Saturday, May 20, 8:00 p. m., in the high school auditorium.

The cadet band, dance band and senior band will be featured. Each group has achieved a large measure of success this school year at district and state festivals, as well as many local performances.

Band awards, summer music camp scholarships and the Sousa Award will be presented by Mrs. James Roach, president of the Tawas Area Music Boosters.

Refreshments are to be served after the program and everyone is welcome to attend.

The program includes: Cadet band — "Holiday in Spain," "Were You There," "Caribbean Skies," "Pop! Goes the Weasel."

Stage band — "Somewhere, My Love," "Days of Wine and Roses," "Blue Velvet," "More."

Senior band — "William Tell Overture," "On the Trail," "The Worried Drummer," featuring Walter Clements, soloist, and "Man of LaMancha." A short ballet for awkward dancers includes four different selections, "March for Two Left Feet," "Waltz for People with Slipped Disks," "Twelve Tone Rag," "Four Footed Galop."

Charles E. Cowan Died May 10

The Rev. George Krish officiated at funeral services for Charles E. Cowan of East Tawas Saturday, May 13, at Moffatt Funeral Home. Burial was in Greenwood Cemetery, East Tawas. Mr. Cowan died May 10 at Veterans Hospital, Dearborn.

He was born July 13, 1923, in Chesaning and was a veteran of World War II. He served in the Rome-Arno Campaign where he was a machine gunner and received the European-African-Middle Eastern Theater ribbon, bronze campaign star, combat infantry badge, purple heart with oak leaf cluster and good conduct ribbon. He was an employee of the United States Forest Service.

Survivors include his wife, Barbara; his mother, Mrs. Mary Powers of Berkley; his father, W. E. Cowan of South Daytona Beach, Florida; one brother, Michael of Tawas City; one sister, Mrs. Arvilla Fairfield of East Tawas.

Former Tawas Man Died in California

Funeral services for J. Earl Webb were conducted May 15 from Case Funeral Chapel, Saginaw. He died in a veterans hospital near Santa Ana, California, May 8. Interment was in Rose-lawn Memorial Gardens with the Rev. Paul Collins officiating.

Mr. Webb was born December 5, 1893, at Tawas City. The son of the late Ephraim and Sarah Webb, he spent most of his life in Saginaw where he worked at Chevrolet Iron Foundry until his retirement a few years ago. Following retirement, he, his wife and daughter moved to Santa Ana. He was a World War I veteran and services were conducted at Santa Ana May 12.

Survivors include his wife, Olive; two daughters, Leona at home and Mrs. George Pearson of Saginaw; two sons, James of Wayne and Glen of Saginaw; one sister, Mrs. Frances Free of Tawas City.

Applications for conservation officers are being received by the Michigan Civil Service Commission until May 29, 5:00 p. m. Written tests are to be given July 1.

Applicants must be a high school graduate or have passed the GED test, at least 21 years of age and not more than 30.

Physical requirements include that the applicant be at least five feet, nine inches, nor more than six feet, four inches; weight not less than 150 pounds and no more than 230; vision not less than 20-50 in each eye and correctable to 20-20 with glasses.

Application blanks are available at the Iosco County clerk's office.

State Parks Open for Business

Come Memorial Day weekend, the big push will be on again at state parks in Michigan and scenes like this will be commonplace. With more fun-time facilities in the offing than ever before, state parks are ready for this season's surge of people who could well outnumber last year's 16 million-plus daily visitors and more than 300,000 camping families. Ready, too, to maintain order and good clean fun are conservation officers, park rangers, and others who have been specially trained to control rowdiness, vandalism, and other problems posed by trouble-makers. Conservation Department officials have vowed to "protect law-abiding park visitors with all of the manpower we can muster." —Mich. Dept. of Conservation

Supervisors Cited for Not Counting Dogs

Iosco supervisors, hounded by such important problems as seeking ways and means to meet a financial crisis in local government, have been cited for non-compliance with a state statute, according to the annual report of Allison Green, state treasurer.

"We found that township supervisors did not prepare a listing of dogs within their assessment districts as provided by law," said Green.

He pointed out that Section 287-276, Compiled Laws of 1948, provides as follows: "It shall be the duty of the supervisor of each township and assessor of every city of the State of Michigan, annually, on taking his assessments of property as required by law to make diligent inquiry as to the number of dogs

owned, harbored or kept by all persons in his assessing district; and said supervisor or assessor shall make annually on or before the first of June, 1925, and annually thereafter make a complete report to the county treasurer, for his county, on a blank form furnished by the commission of agriculture, setting forth the name of every owner, or keeper of any dog, or dogs, subject to license under this act, how many of each sex are owned by him and if a kennel license is maintained, such a fact shall also be stated."

Green recommended compliance with this statute hereafter. The state treasurer's report was submitted to the board under the requirements of the Uniform Accounting Act and is intended to be used as a guide to more uniform and improved accounting system and records.

The report recommended that a current appraisal be made of county property values for insurance purposes. Other subjects of audit comment was failure of the board of supervisors to officially approve the surety bond coverage on county officers. Several recommendations were made to correct minor accounting deficiencies in several county offices.

All audit exceptions, along with suggested changes, were referred to L. S. Little, chairman of the finance committee, and the various department heads involved, with a request for a report to Green on the action taken.

Mrs. DeGrow Died May 9

A former resident of East Tawas, Mrs. George DeGrow of Royal Oak, died unexpectedly Tuesday, May 9, at William Beaumont Hospital.

Building applications approved during the past two weeks included William Rapp, 614 Main Street, aluminum siding and carport, \$450; Alice J. Phillips, 412 West Westover, aluminum siding, \$350; Roy Applin, new roof and windows, \$600; William E. Wegner, 511 Sawyer, chain link fence, \$175; Frank Grove, 107 West Tawas Lake Road, frame addition, \$100.

Surviving besides her husband are a daughter, Mrs. Harry (Johanne) Bratton of Louisville, Kentucky; one grandchild; a brother, Herbert Phelps of East Tawas; four sisters, Mrs. Kenneth (Ann) Webster of Tawas City, Mrs. Florence Britton of Flint, Mrs. Karl (Agnes) Kurbitz of Glennie and Mrs. Jack (Winnie) Guttenaar of Harper Woods.

The Rev. Everett K. Seymour conducted funeral services Friday, May 12, at the Virgo E. Kinsey Funeral Home, Royal Oak. Interment was in White Chapel Memorial Cemetery.

AuSable Man on Probation

Roger Tebo, 43, AuSable, was placed on probation for one year and ordered to pay restitution of \$238 to Tawas Hospital and attending physician.

Arraigned before Circuit Judge Allan C. Miller, Tebo entered a plea of guilty to simple assault after an original charge was reduced.

Time to Plan Exhibits for Iosco Co. Fair

It is time to start planning those displays for the annual Iosco County Fair at Hale and the Iosco County Fair Society has included its annual premium list in this issue of The Tawas Herald.

Gerald Bellen, society president, announces that dates for the annual fair will be July 26, 27, 28 and 29. Richard M. Samson, Whittemore, is secretary-manager.

The premium list shows awards and entry fees for 11 different departments, including general rules and program for the 4-H Club Division.

This supplement includes the 1967 fair program plus information on harness racing events to be held during three days of the event.

"It is never too early to start planning exhibits to make this fair one of the most successful in our history," states Mr. Samson. "We would like to have the complete cooperation of all residents of Iosco County in reaching this goal."

Massacre Set for Re-enactment

Annual re-enactment of the Massacre at Fort Michilimackinac, Mackinaw City, again promises to be one of Michigan's outstanding attractions during a four-day festival May 27-30. More than 135 townspeople are actively rehearsing for the Memorial Day week-end event.

The festival is centered around a daily exciting historical drama at the accurately reconstructed fort near the south end of the Mackinac Bridge. The re-enactment includes depictions of French and British life at the outpost, the traders and missionaries and finally the infamous massacre of 1763, which was part of Chief Pontiac's plan to rout the British from all their forts around the Great Lakes.

Some of the best muzzleloading marksmen in the United States will be featured, along with Indian dance exhibitions and a flyover from United States Air Force Thunderjets from Kincheloe Air Force Base. There is no admission charge.

Grant Slates Millage Vote on Two Issues

Qualified voters of Grant Township are notified this week of a special township election to be held May 31 for the purpose of furnishing township fire protection and road improvements.

According to a notice printed on page 5 of this newspaper, Grant voters will be asked to approve a two-mill tax levy for five years, 1967 to 1971, for the purchase of fire fighting equipment, construction of a fire hall and maintenance of operating such a department.

In addition, two mills for one year, 1967, will be asked for roads and bridges improvement within the township.

Complete text of the election notice lists voter requirements, time and place of voting.

April DHIA Testing Program Results in Iosco Given

There were 15 dairy herds in Iosco County on the dairy testing program in April. Two of them use the official testing program that provides more detailed information than the owner-sampler program. In the owner-sampler program, the farmer collects his own samples. In the official DHIA program, the dairy tester is paid an additional fee for collecting the samples.
 In the official DHIA program, the farmer also receives a feed cost figure that tells him how much it costs to produce 100 pounds of milk. Average is based on cows in herd, milking and dry. Supervisor of the program is Duane Reinke.

Tawas C. Indies Bang 11 Hits in First Victory

Tawas City Indies banged 11 hits Sunday and defeated visiting Roscommon, 9-0.

On the mound for the locals and pitching five-hit ball was Bob Sieloff, who struck out 12 Roscommon batters. He did not walk a batter.

Curp pitched for Roscommon and struck out seven batters. He walked five and hit one batter.

Tawas City scored one run in the first inning without benefit of a hit and then pushed three runs over in the third on two hits. After that, it was Sieloff's game as he was in trouble only in the seventh inning.

Bielby topped Tawas City batters with three singles and a double. Link and Gingerich each had two singles to help pace the hitting attack. Sherwood had two hits for the visitors.

Tawas City plays at Barton City this Sunday.

Seven Errors Hurt as Bears Lost 7-6 Game

Seven fielding errors proved costly Sunday as East Tawas dropped a 7-6 decision to Barton City on the winners' home field.

It was an afternoon of frustration for the Bears. Leading 6-4 going into the seventh inning, two infield errors and two hits by Barton City saw the game tied at 6-6. Barton City then went on to score the winning run in the eighth inning on two infield errors and a single.

Grant Mousseau started for East Tawas and pitched three-hit ball for six innings. He was nicked for two runs in the third when Gary Somers belted a home run with a runner on base. A single, a double and an infield error accounted for two runs in the sixth.

Herman Rollin took over in the seventh inning after the leadoff runner was safe on an error and Somers singled. Hill greeted Rollin with a single to score one run and Hill scored later on an infield error.

East Tawas scored one run in the fourth on Blust's single and consecutive singles by Johnson and Pat Erickson. East Tawas pushed five over in the fifth. Jordan walked, Rollin was safe on a fielder's choice. Sanders singled, scoring one run. Mousseau struck out. Blust singled to score Rollin.

Gracik was safe on a fielder's choice. Johnson singled to score Sanders. Pat Erickson singled to score Blust. Sventko bunted and Gracik scored. Jordan was an infield out.

Johnson and Erickson had three hits each for East Tawas. Somers topped Barton City with three hits.

Mousseau struck out five and walked three. Rollin struck out two. Johnson, winning pitcher, relieved Buckner in the fifth inning. Burger started for Barton City. Johnson allowed but one hit in the final four innings.
 Action this Sunday finds East Tawas at Mikado.

Leslie Throws 2-Hitter; TA Tops Orioles

Tawas Area Braves took a 10-1 decision from West Branch last week behind the two-hit pitching of Ron Leslie.

West Branch scored one run in the opening inning to take the lead but Leslie closed the door during the remainder of the game.

Leslie and Duff were the hitting stars for Tawas with two hits each. One by Duff in the third inning was a double.

Wurtsmith Readies Armed Forces Day Open House Program

NEWEST RIFLE in the servicemen's inventory, the M-16, is fired on automatic by A1C Leonard L. Gaines, left, at the Wurtsmith rifle range while S-Sgt. Robert A. Herbertson checks the bolt on his M-16. This pair of small arms instructors will have the lightweight weapon on display during the Armed Forces Day open house.

"MORE OXYGEN, PLEASE" may be the request of A1C Gale N. Bradish, right, as he talks on a radio hookup to S-Sgt. Harvey A. Smith at the Wurtsmith AFB personal equipment section. The pair is preparing the equipment for the open house May 20.

A full program of demonstrations and displays is taking shape for the annual Armed Forces Day observance to be held at Wurtsmith Air Force Base Saturday, May 20, according to Lt. Col. Carroll H. Goynes, commander, 524th bombardment squadron, project officer for the affair.

During the open hours from 10:00 a. m. to 3:00 p. m., there will be six types of base aircraft on display as well as visiting aircraft from other units.

From Wurtsmith will be a B-52 bomber with "Hound Dog" missiles attached, a KC-135 "Stratotanker," T-33 and T-29 trainers, a C-47 transport and the F-101 "Voodoo" jet fighter-interceptor. Near the "Voodoo" will be a display of the "Falcon" and "Genie" missiles it carries.

Between 1:00 and 2:00 p. m., these type aircraft will salute the base and its visitors with flyovers. Just prior to the flyovers, between noon and 1:00 p. m., the Oscoda High School Band will give a concert at the ramp area; the

scene for most demonstrations and displays.

Sentry dog demonstrations will be scheduled for both morning and afternoon, and the new M-16 rifle currently in wide use in Vietnam will also be demonstrated.

The base's personal equipment section will exhibit and demonstrate flying and survival gear such as helmets, life rafts, parachutes and survival kits.

Souvenirs of World War II will be the theme of the Oscoda American Legion's display. Among the membership of this group are nearly 200 retired servicemen.

Base hospital equipment, including an ambulance and first aid materials, will be on hand for viewing. The Red Cross and base family services units also plan displays.

There will be an abundance of hot dogs, soft drinks and other snacks with four concession stands to be set up by youth groups that serve the base.

Dr. I. C. Sweet Dies at Sterling

Dr. Irwin C. Sweet, 61, family physician in the Sterling area for many years and director of the Tri-County Health Unit for 18 years, died at his home May 3.

Death followed a heart attack. He had suffered a heart attack in 1962, eased off on his duties for about six months, but had refused a slow-down schedule.

His outstanding accomplishments and devotion to public health earned him the Michigan

Health Officers Association distinguished service award in 1963.

Dr. Sweet was born in Saginaw August 22, 1905. He was married to the former Miss Hazel Hebert in Bay City November 9, 1929.

He received his bachelor degree from the University of Michigan and his medical degree from the University of Nebraska in 1932. After three years in the army, he moved to Sterling in 1936 where he has since resided.

He is survived by his wife, one son, one daughter, a foster daughter, nine grandchildren, two brothers and a sister.

SURVIVAL EQUIPMENT to be shown on Armed Forces Day at Wurtsmith AFB is readied for display by A1C James L. Gerrich, left, and A3C Verne D. Rider, personal equipment specialists. A radio for transmitting distress signals is held by Airman Gerrich while Airman Rider makes sure a one-man life raft's sea anchor is in proper condition. The parachutes in the background and B-52 seat survival kit in the foreground, which contains some 30 odd items including radio and deflated raft, will be included in the personal equipment exhibits.—Air Force Photos.

Fire Destroyed Standish Store Last Week

Fire destroyed Raymond Furniture and threatened an entire Standish business block early last Wednesday morning. Four fire departments, nine pieces of equipment and nearly 50 firemen battled the blaze.

Lawrence Raymond, owner, had held a grand opening of his new store only three weeks ago. It was located in the former Our Theatre Building. A large stock of furniture had been moved in just prior to the fire.

Social Security Benefits Encourage Young People to Continue Their Education

If you are a student between 18 and 22 and the son or daughter of a working parent who is retired, disabled or who has died, you may be eligible for a monthly benefit check from social security.

Paul M. Ellifritz, Social Security district manager in Bay City, explained that the 1965 amendments to the Social Security Act provided for student benefits in order

to encourage and aid young people in continuing their education. To qualify, the student must be in full time attendance at an accredited high school, vocational school, college, junior college or university.

Think you might qualify? Ellifritz urges you to visit the local office of social security and get the facts. Representatives there will discuss the requirements and help you complete an application

for the benefits.

The Bay City social security office is located at 1009 North Madison Avenue. The office hours are Mondays 8:45 a. m. to 7:45 p. m. and Tuesday through Friday 8:45 a. m. to 4:45 p. m. The phone number is TW 3-4579.

A social security representative for this area will be at the Iosco County Building, Tawas City, Thursday, May 25, from 10:30 a. m. to 2:30 p. m.

Will you pay the price of a Cadillac...and not get one?

Literally thousands of people are driving cars that cost as much as a Cadillac—yet provide far less in motoring satisfaction, distinction and lasting value. A few minutes with an authorized Cadillac dealer and a few miles at the wheel of a Cadillac can prevent you from making this unnecessary compromise. The fact is, if you're planning to buy in the medium-price range, an investigation could show that you are very close to a Cadillac in cost. And it is

generally acknowledged that a Cadillac holds its value so well that it actually costs less to own than many lower priced cars. Right now, your authorized dealer has a fine selection of models and colors—with all the advanced engineering, superb performance and many safety features that make a Cadillac a Cadillac. Every year you wait is costing you its price in personal pleasure and satisfaction. Why not see your Cadillac dealer before the week is out?

25 Years Ago—

May 15, 1942—With a shortage of approximately 31,000 farm workers during the month of April in the state, Michigan Council of Defense estimates that at least 25,000 students could be used during the coming season. Demands for high school labor will be especially heavy during the fruit harvest periods. "Here is a war job for the young people of Michigan and I know they will respond—they cannot afford to fail," said Gov. Murray D. VanWagoner.

Eighth grade graduation exercises were held for Iosco County schools at Whittemore High School. Pros. Atty. T. George Sternberg gave the principal address, "The Democracy We Fight For." Supt. Wayne Grimm of the Whittemore Schools gave a short talk on special school work.

The home of Fred Hurford, having been built in 1880 by Robert Martin and was the oldest standing home in Whittemore, burned to the ground Monday afternoon.

Closer knitting of relations between Latin America and the United States was seen in the visit of Pres. Manuel Prado to this country. When he arrived by clipper plane, it marked the first official visit in history of a South American president to the United States.

Deputy Sheriff Ivan O'Farrell arrested a 21-year-old Tawas man Saturday night on charges of stealing a purse from a National City woman.

35 Years Ago—

May 13, 1932—John A. Myles announces that he will be a candidate for Iosco County treasurer on the Republican ticket at the primary election to be held September 13.

Gov. Wilbur M. Brucker, in a

telegram to George A. Prescott Jr., announced authorization of the immediate construction of the Shore Road to Tawas, ninety-seven miles of road construction in various parts of the state was authorized and it is hoped that work will be pushed on the road to Oscoda.

Five schools of Sherman Township closed Monday with a picnic at the National City school.

Alfred Boomer was elected mayor pro tem of the Tawas City Council.

R. D. Brown was named manager of the Hale independent baseball team. A. E. Greve is secretary and Edward Teall is treasurer.

Fred Lincoln, son of N. R. Lincoln of Tawas City, has passed the entrance examination to the United States Naval Academy.

Jay Platt of East Tawas was presented with an American Legion plaque for meritorious service and leadership by Audie Johnson Post.

The East Tawas independent baseball club was recently organized with A. J. Noel as manager; G. N. Shattuck, treasurer, and O. Cunningham, captain.

They're Looking For You . . .

If you have a handmade product for sale, that is.

Men, women or youth with a saleable item that could be produced in quantity to keep up with the possible sales are invited to consider selling at the Arts and Crafts Store in West Branch this spring and summer.

An association has been formed and anyone may join the group by sending dues to their treasurer, which will permit you to help make decisions and enter your items for sale. Write Mrs. Maurice Hennen, West Branch, for information.

The group has remodeled a building and plans to open soon. They want a wide variety and selection of handmade items and are anxious to have some made with materials found locally.

The purpose of the association is to provide an outlet for people to sell which will provide a source of extra income, as well as a satisfaction in producing articles using their creative ability.

Gift Time

It is that time of the year when you are buying graduation gifts, shower and wedding gifts. Many of the gift items you are considering have been of the type you, yourself, have used. Consequently, you select one with the features you think the receiver will like. You have thought about the actual use of the item, where it will be stored and the care necessary for it to function well.

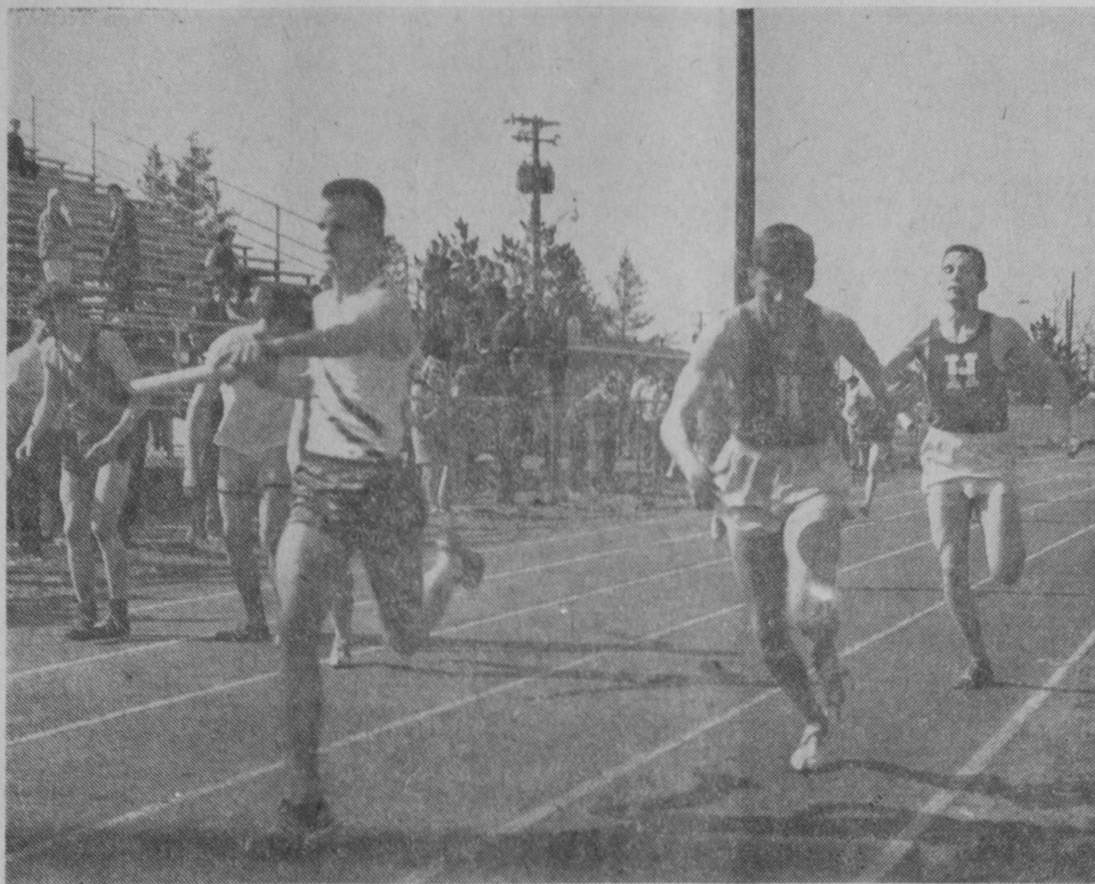

A carving or slicing knife may be an appliance you have never used but are considering buying. Look for a handle that will be easy to grip and hold in the cutting position. It should be comfortable for the person who will be using it most often.

Consider the ease of attaching the blades. How comfortable is it to hold the controls in the "on" position for slicing? Is the "off" position locked securely for safety?

A cordless model should be your choice if you plan to use it in several locations where electricity is not available or would require a long extension cord.

Will the storage rack or recharging rack fit conveniently in the kitchen? The blade edge must be protected while being stored, too.

Pay for little extras with money you get by selling "Don't Wants" through Herald Want Ads. Make a sale through this responsive reading audience.

AN EXCITING moment in the class D mile relay at Saturday's track meet came when Hale Area High School came up with a winning time of three minutes, 43 seconds. In this photo, Way-

Cancer Claims Lives of 14,000 US Women

(This is the first of a series of six articles by the American Cancer Society on the six most common sites of cancer — uterus, colon, rectum, breast, oral cavity, lung and skin.)

Death still snatches the lives of some 14,000 women annually who die of uterine cancer in the United States. This is especially tragic as uterine cancer is one of the most curable forms of cancer today. It can now be detected and treated before symptoms appear.

Some progress has been made, however, during the past year. One of the society's five-year educational achievement goals is the routine use of Pap smears for hospitalized women. A number of hospitals now routinely provide Pap smears for adult women admitted, according to Dr. Harvey Brinkman of the American Cancer Society, Iosco County Unit.

"Detection of uterine cancer (in the cervix or neck of the uterus) can be made with the Pap test or smear developed by the late Dr. George N. Papanicolaou in the 1920s.

"This test, one of the great medical discoveries of this century, is based on the study of cast-off cells which are shed normally by living tissue. In a checkup, a physician can take a uterine sampling simply, quickly and painlessly.

"The society's goal is to have at least 75 percent of all women over 21 years of age go for their

annual Pap test and pelvic check-up.

"If detected in a very early stage, cancer of the uterus can nearly always be cured," Doctor Brinkman remarked.

United Fund Heads Attend Meeting

Ralph Western of East Tawas and Mrs. George Prescott of Tawas City attended an annual budget conference for the Michigan United Fund May 23 at Kellogg Center, Michigan State University, East Lansing. They represented the local group, Tawas-Whittemore Area Community Chest.

Mrs. Prescott served on panels for the Michigan Welfare League and Michigan Heart Association. Mr. Western's panels were Children's Aid Society and Michigan League for Nursing.

Mrs. Howard Died May 8

An Iosco County resident for the past 16 years, Nellie May Howard of Plainfield Township, died Monday, May 8, in Long Lake Hospital. Funeral services were held May 11 at Steuermol Funeral Home, Rose City. Burial was in Lupton Heights Cemetery.

She was born August 31, 1907, in Crawford County and formerly resided at Saginaw. She was a member of South Branch Baptist Church.

Survivors include her husband, William, and one brother.

Civil Service Has Openings for Messengers

Interagency Board of the United States Civil Service Examiners for Michigan has announced that applications are being accepted for career positions as messengers. These positions are restricted by law to persons entitled to veteran preference. However, others may apply and will be considered if no qualified veterans are available.

New career opportunities are also available for inspection specialists. Located at federal installations in Detroit and many other cities throughout Michigan, the positions involve a wide range of inspection duties in many commodity and equipment areas.

The board has announced that new federal job opportunities are available to veterans with minimum training or education under a new examination for guard. Applications will be accepted from nonveterans but will be considered only in the absence of available qualified veterans.

Information, applications and instructions for filing for the above positions may be obtained from most large post offices or from the Interagency Board Job Information Center, 144 West Lafayette Street, Detroit, Michigan 48226.

State Police Open House at Local Post

A reminder that open house will be held at the East Tawas Post of the Michigan State Police Wednesday, May 24, has been given by Sgt. George Briggs, commander.

This will be the 11th annual open house and is of special significance because this year the state police are observing their 50th anniversary. Annual open house is held in connection with Michigan Week, which extends from May 21-27.

Visiting hours at the post will be from 10:00 a. m. to 9:00 p. m. and everyone is invited.

"We hope there will be a good turnout," Sergeant Briggs said. "This is a special opportunity to see how a post operates and the services performed. Officers will act as guides."

The post is located at East Tawas. In addition to the reception, there will be an exhibit.

Similar programs are being held at all other posts.

Tryouts Set for Summer Baseball

Knobole League and Pony League tryouts are to be held May 17, 18 and 19, according to an announcement this week by Ernest Mousseau, summer athletic director.

Boys 10 years old on or before June 1 and have not reached 13 years of age by that date are to meet at the Tawas City Elementary School, 6:00 p. m., each day. Boys participating last year are not required for the tryouts.

Pony League candidates 13 years and up, are to meet at the East Tawas Athletic field the same days starting at 6:00 p. m.

safety charlie says...
In driving rain or heavy fog, it is better to stay at home or to stop driving if you are caught on the road. Unless you have clear vision ahead, you may drive off the road, crash into a car ahead of you, or collide head-on with an oncoming car. Reduce speed so that you can stop within the distance you can see.

YOU DON'T "CATCH" ME HELPING WITH SPRING HOUSECLEANING SINCE WE GOT

CLEAN ELECTRIC HEATING!

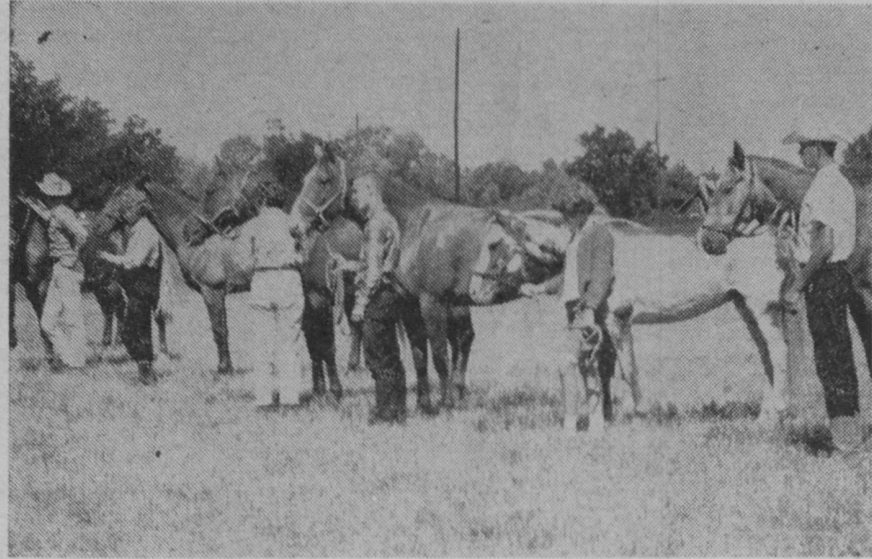

What an ache in the back spring housecleaning always was. Rather than go fishing with a guilty feeling, I stayed home and helped. You know the routine . . . washing walls, cleaning carpets and upholstery, redecorating. Then we installed electric heating. Today, the clean comfort of electric heat has practically eliminated housecleaning. Best of all, comes spring, I can do the "catching."

4-H LIVESTOCK JUDGING

IOSCO COUNTY FAIR EDITION

May 17, 1967

THERE'S FUN for everyone at the Iosco County Fair — The midway, harness racing, games and contests, parade, etc.; but, more importantly, the fair offers an opportunity for Iosco farmers and 4-H Club members to exhibit livestock and other farm products, showing the value of agriculture to the area. All Iosco farmers are urged to participate, either by entering exhibits or through active support of the program.

STATE OF MICHIGAN DEPARTMENT OF AGRICULTURE BUREAU OF ANIMAL INDUSTRY LANSING, MICHIGAN

Department of Agriculture Regulation No. 133 Regulation Relating to the Public Exhibition of Poultry

By virtue of the authority provided by Act 181, Public Acts

of 1919, as amended, the following rules and regulations are hereby established:

- 1. Feed and water containers provided for exhibition coops shall be new or properly cleaned.
2. Feed or water containers from which birds have eaten or drunk must be refilled so as not to contaminate the common supply of feed and water. Feed or water containers may not be removed from exhibition coops except for the purpose of cleaning.
3. Exhibition coops must be constructed and placed as to provide adequate light for proper inspection of poultry for evidence of transmissible diseases.
4. Litter for exhibition coops must be of clean material and renewed daily or oftener as needed.
5. Shipping crates used in shipment of birds by common carrier may not be used as exhibition coop. Shipping crates shall be cleaned and disinfected after birds have been removed for exhibition and before being used again.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the Department of Agriculture this 3rd day of May, 1967.

MICHIGAN DEPARTMENT OF AGRICULTURE by B. DALE BALL, Director

—Rules—

Exhibitors are requested to read carefully rules and regulations covering exhibition of poultry. All exhibits shall be (a) purebred (b) cross bred from purebred parents.

All birds showing any general disqualifications according to the Standard of Perfection shall receive no award.

Provided the birds are typical of the breeds which they represent, the placing of awards shall depend upon the following:

- A. Pullets:
1. Rapidity of growth.
2. Depth of pigment.
3. Uniformity of shape and size.
4. Promise of egg production.
5. Absence of defects and disqualifications.
B. Mature Birds (Hens):
1. Degree of bleaching.
2. Condition of abdomen (spread and pliability).
3. Absence of new primary wing feathers.
4. Alertness of head and eyes.
5. Body weight, conformation and fitness.
6. Absence of defects and disqualifications.

It is suggested, especially for fairs held late in September and October, that all birds exhibited go directly from the Fair to market for slaughter so that none of them will be taken back to the farm. The reason for this precaution is that the birds may take back some disease to the farmer and injure his egg production of his farm flock, if such disease is infectious and of the type which will lower his egg production.

A pen entry shall consist of two females and one male. (Classifications: Cock, Cockerel, Hen, Pullet.)

HEALTH REQUIREMENTS

for Livestock Exhibited in Michigan 1967

GENERAL

Requirements provided in Michigan Department of Agriculture Regulations No. 116 and 117.

- Livestock affected with a communicable disease must not be exhibited at nor brought to fairs.
- At least seven days before an exhibition of livestock, the buildings and yards shall be thoroughly cleaned of all manure, litter and unused hay and straw. Following such cleaning, all structures shall be thoroughly sprayed with an approved disinfectant. After cleaning and disinfection, no livestock shall be placed in such pens until admitted for exhibition.
- All exhibitors must furnish their own feed bucket, water buckets and other equipment. Common water tanks are not permitted.

CATTLE

Requirements provided in Michigan Department of Regulations No. 117 and 126 and Act No. 181 of the Public Acts of 1919, as amended.

All cattle for exhibition must be free from infections and contagious disease. (a) Cattle from Michigan:

- Tuberculin test not required unless from herd under quarantine for tuberculosis.
- Passed blood test for Brucellosis (Bang's disease) from official laboratory as follows:
 - (a) Male or female cattle over twelve months of age (except as provided in paragraph 3 below) must be accompanied by official passed blood test chart showing test made within 90 days of exhibition; OR

SECTION XI—PILLOWCASES</

TO THE VISITORS AND OFFICIALS OF THE FAIR:

It is my privilege to extend an official welcome to you for the 1964 Fair. Michigan citizens are fortunate, indeed. Our good fortune is nowhere more effectively displayed than at fairs such as this.

Michigan is a dynamic state. The variety, abundance, and excellence of our agricultural and industrial output reached new heights during 1963, and I predict it will set new records during 1964. Our two beautiful peninsulas, richly endowed by our creator with water, forests, and wildlife, give every citizen an unequalled opportunity for recreation. They are, as well, the basis for an ever-expanding tourist industry.

While fairs provide a showcase for Michigan's industry and agriculture, the competition they stimulate generates continually higher standards of excellence. This continuing drive for improvement is the spirit that has sustained Michigan's national leadership in dynamic progress.

Sincerely,
George Romney
George Romney
Governor

TO FAIR VISITORS AND FAIR SPONSORS:

Michigan's agricultural fairs have always been an inspiration for the improvement of our great variety of agricultural products. This has come about through the keen competition stimulated when growers, livestock producers, 4-H and FFA youth, homewives, and others use fairs as a showcase of Michigan farm products. Thus, fairs have contributed greatly to the development of Michigan's modern agri-business.

It is my hope that in the future fairs may be of even greater service to Michigan farmers through increased activity in marketing. It is vitally important that Michigan agriculture become as efficient and effective in marketing as it has become in production. Fairs can help accomplish this goal.

May I congratulate the many citizens responsible for Michigan's fairs for their excellent exhibitions. I also want to extend the best wishes of the Commission of Agriculture and all members of the Department staff for an outstanding fair season.

Sincerely,
W. Dale Ball
