\$360,000 Negligence Suit Opens Today

age suit involving the July 1966 suffering and pain while in the death of an East Tawas boy was hospital. scheduled to start Wednesday

morning in Iosco Circuit Court. Seeking the damages is William A. Smith Sr., whose son, William A. Smith Jr., died from injuries received in a motorbike - automobile collision at the corner of First Street and Fifth Avenue in Tawas

Named as defendants are Nelson N. Schlicker, the City of Tawas City, John Gutek and Gary Young of Suzuki Rental Systems, Incorporated.

Smith received fatal injuries when the rented motorbike he was operating was involved in a collision with a car driven by Schlicker. The boy died later at a Saginaw hospital.

In their original petition, attorneys for the Smith family claim that Schlicker drove in a careless. reckless and negligent manner when he failed to stop for a traffic control sign at the intersec-

It is also claimed that the city failed to place a stop sign in such a position that it could be clearly observed by motorists approaching the intersection and that the city had failed to trim branches on a tree located on the north side of the street about 90 feet east of the intersection.

Rental Systems, Incorporated, of the Michigan Blue Cross' exwere named in the suit for failure tended care facility relations comto provide proper safety equip- mittee. Orders Census to Meet Law

Tawas City Council has authorized an immediate census be taken for the purpose of aligning the city's three wards on a population basis to meet state and federal reapportionment requirements.

City Atty. Alf C. Watson disclosed Monday night that under a new state law, where cities do not elect officials at large, wards must be reapportioned on an equal population basis. He said this could be done by using the federal census of 1960 or by conducting a new census. Watson said that a plan must be

filed not later than December 1. After the plan is filed with the city clerk, any registered voter may is litton the circuit court to determine if the plan meets state and federal requirements. Watson said that the reappor-

tionment plan would go into effect at the next general election in the spring of 1968. The council authorized City

Supt. Reginald Bublitz to contact Mrs. Alton Long to determine if she would conduct the census. Mrs. Long has many years of experience as census enumerator for Tawas Area School. Similar action in reapportioning

East Tawas has been undertaken The first move was made several months ago when it was believed that the board of supervisors was subject to reapportionment. A census was taken of one ward at the time and the remainder of the city is to be completed.

Tawas Furniture Center to Close Downtown Store

Tawas Furniture Center, Tawas City, announced last week that it was closing its downtown store between Kroger's and McKay Sales Company. A going out of business sale started Friday, September 15.

Marshall Wood said that Tawas Furniture Center's store located just south of the city limits would remain. The firm is consolidating the two stores into its southtown location, where it will continue its home furnishings and appliance business.

Award Given Bishop Mueller

Harrisburg, Pa., — The Upper Room Citation for 1967 has been awarded to Bishop Rueben H. Mueller, president of the Board of Bishops of the Evangelical United Brethren Church. Shown is the Rev. Dr. Wilson O. Weldon (right), editor of The Upper Room, making the presentation.

The occasion was a dinner in the Bishop's honor held in the Grand Ballroom of the Scottish Rite Cathedral in Harrisburg attended by 500 special guests. The Upper Room is an interdendent of the Scottish Rite Cathedral in Some 120 countries. Its headquarters are in Nashville, Tennessee.

"Throughout his forty-six years as clergyman, teacher, and administrator," said Dr. Weldon, "Bishop Mueller has

and administrator," said Dr. Weldon, "Bishop Mueller has been a leader in furthering worldwide Christian fellowship, the basis on which The Upper Room award is made

Upper Room award is made each year."

The Rev. Bishop Noah W. Moore, Jr., presided at the event. Chaplain (Rear Adm.) James W. Kelly, Chief of Chaplains, U.S. Navy, brought greetings from the Armed Forces. Dr. Edward D. Grant of Baton Rouge, La., addressed the gathering. Others officiating in addition to the editor of The Upper Room were the Rev. Clarence Russell Funk, Nazareth, Pa., and the Rev. Raymond E. Fisher of Harrisburg.

On the first play of the the visiting Bangor Bobcats. As one Brave put it after the game, "I did not realize they braves moved to the 20, but fumcould hit so hard," Tawas ran into bled on fourth down. one of the best defensive lines it | Tawas held Bangor on the next will see all season.

two second half letdowns, the capped by Shorkey's run. game should have been a 6-0 vic- The two teams played on equal tory for the visitors. Tawas had the ball for only 39 half and John Freel blocked running plays during the night, picking up 42 yards rushing, two Tawas was unable to pick up the first downs and 12 yards by pass- bouncing ball and run with it but

right halfback, started Bangor off on its third straight win over Tawas with a 39-yard touchdown thrust in the first

game, Tawas recovered a Bangor

series, took over the ball and pen-As expected, the Tawas defen. etrated as far as the 30 before its sive line also turned in an excel. offense again bogged down. This lent performance and, except for set up the touchdown series,

terms during the rest of the first ing. The visitors had a total of 196 offensive yards, including 188 With eight seconds to go, the on the ground and eight yards by Braves had time for two plays. The first running play was Roland Shorkey, hard-hitting stopped at the line of scrimmage

thrust in the first quarter. The Bobcats picked up 70 yards in seven plays in this series before

That ended Tawas' offensive threat. The Braves fumbled on the 27-yard line in the third quarters. scored from three yards out for

> The final score came in the fourth quarter after one of Krish's passes was intercepted. Shorkey scored his second TD of the night. a 47-yard run on the first play from scrimmage.

> The big difference during the game was that Bangor was able to capitalize on two Tawas mistakes and the Braves were unable to do anything with three or four

breaks tossed their way. With the exception of this inexperience, Tawas' defensive team played a whale of a ball game. Leaders in the line play were Freel, Howard Rollin, Jon Schirmer, Al Lickfelt, John Crisenbery and Fred Look. The line turned in an exceptional game in rushing the Bangor quarterback and the

visitors' passing attack was upset. One of the offensive highlights of the night was a great catch by Look in the second half. The Braves had four fumbles during the night and recovered two, one of which was Bangor's first quarter fumble. Bangor recovered three Tawas fumbles.

Despite the score, Tawas' play was not disappointing and the Braves can be expected to hit a little harder and quicker on offense this Friday night in the NBC opener here against West Branch

Rollin and Lickfelt were shaken up on plays during the night but both went the distance. They are expected to be ready for action against the Orioles.

United States Savings Bonds

Hale Eagles in 31-7 Win Over Mio HS

1967 football season with a big 31-7 victory over visiting Mio Friday afternoon

On the third play of the game, Quarterback Elite Shellenbarger scored Hale's first TD on a 20vard end sweep. Mark Brindley kicked the first of four successful conversions during the game and Hale held a 7-0 lead.

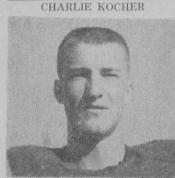

After bogging down slightly following that opening score, Hale scored its second TD in the second half when Charlie Kocher went six yards off tackle and Brindley

Third quarter action found Brindley's toe put to good use. Despite an injury which saw him only play one minute during the game, Brindley kicked a 29-yard field goal for a three-pointer. Plynn Shellenbarger scored on a four-yard quick opener play later n the quarter and Hale held a 24

The final score of the game

five yards on an end sweep and Brindley converted the PAT.

Kocher picked up 182 yards in 15 carries for the Eagles while Graves, a sophomore, gained 113 yards in 11 carries. Outstanding defensive player for Hale was

to Freeland A second quarter letdown on pass defense and penalties proved linebacker, was the leader for costly to the Whittemore-Prescott Whittemore-Prescott on defense.

Cardinals Friday night, losing to Freeland, 32-14. While apparently not quite ready in the season opener, the Freeland, 32-14.

Freeland scored a TD early in the first quarter but the Cards roared back with a touchdown The Bucks won their opening game 40.0 and are one of the and a conversion to take the lead. game, 40-0, and are one of the Tod Gillings went 75 yards on an powers in the Northeastern Michend around play and Phil Hupcik igan Conference.

Finding a flaw in the Card pass defense for its first quarter score, Freeland stayed in the air in the second quarter and cut the Card defense to ribbons with three touchdown pass plays.

Coach Jerry Hoffman adjusted is what your Advertising the defense at halftime but the damage was done. The two teams were scoreless in the third quarter and each team scored touchdown in the final. The Card score came when Hupcik made several good runs and then went the final four yards to hit paydirt.

He also ran the PAT.

Despite an impressive forward wall which averaged 215 pounds, Whittemore-Prescott ground out 297 yards against the Freeland squad. Penalties during the night proved costly to the Cards. Six 15-yarders were marched off against the losers, along with six

five-yard infractions. Doug Bergquist, junior middle

ran the PAT to put the W-P 11 in Cards face the league's three top

TAWAS RANGER DISTRICT | ed. The roads will serve as access

By Stuart Bailey, Forester enable fire fighters to control a The grass and ferns are finally fire. turning brown. Or, should I say are already turning brown. Either way, it indicates two paramount happenings are about to take happenings are about to take the young trees do not become inplace on the district. One is the fected, these unusable trees are arrival of our fall fire season. We woke up to this fact quickly when Observation

Interest the fall planting season. The planting crew of Frank Wilkuski, Wes Belcher, Walt Redman and Don Stitt are going to be very busy planting over 200,000 seedlings. These trees will be planted using a tractor and planting machine.

Investigation of the area prior to planting helped us to insure that the land would be managed for the resources that best meets the needs of the people of Iosco County.

Livestigation of the area prior to planting helped us to insure that the land would be managed for the resources that best meets the needs of the people of Iosco County.

Completing the 24-week program and receiving a certificate from this area was Shirley C. Stone of Hale. a tractor and planting machine. Two men using this equipment are able to plant between 5,000 and 7,000 trees per day.'

This fall, the areas to be planted will be indicative of future plantings on the district. These areas are where mature jack pine trees have been harvested for pulpwood. There are very few trees that will grow into usable material left on the area. In order to keep this land in production, we will be planting 700 red pine trees per acre.

Before we start planting, the following items must be investi-

1. The capability of the soil to produce usable material in the future and what kind of trees will grow best. 2. The needs that will be re-

quired to protect the plantings from fire, insects and disease. 3. The needs of the wildlife that use the area in and around the

plantings. To be more specific, I will summarize the needs for our first planting area this fall. The soil is capable of producing red pine sawtimber

Therefore, if we plant red pine now, in 30 years the plantation can be thinned for pulpwood. Then at 10 to 15-year intervals, it can be rethinned for pulpwood and other products such as posts and sawlogs until it is 120 years old. At this age, the remaining tree will be mature and can be cut and a new plantation started. To assist in protection from fire, a strip 100 feet wide, along existing roads, will not be plant-

Prehistoric Bones Found at Standish

Six Standish youngsters, who have been persistent in digging long the bed of the Pine River in that community, have unearthed bones from prehistoric animals dating back 8,000 to 10, 000 years.

University of Michigan experts have identified a tooth from a pre-historic bison found on property owned by Mr. and Mrs. Ben But-

The Buttricks' three boys, along with neighboring children, have unearthed many bones from the Buttrick backyard. Not all the bones were prehistoric, but enough were to hold the interest of the children for the past three summers and all are awaiting next summer for continued explora-

Dramatic! Distinctive! Daringly new!

Chevrolet Impala

'68s Top Secrets are here

The 1968 Chevrolets are the very essence of modern design. Every line, every curve is in close harmony. It's a smooth, uncluttered look with roof lines compatible with body lines, grilles and bumpers that blend gracefully into long, rounded fenders. Clean, flowing, beautiful in their simplicity, these '68 Chevrolets are rich and advanced in styling beyond any you've ever seen.

A MORE SILENT RIDE And for 1968, we've gone to every length to give you more peace and quiet inside. The most sophisticated

computers have been used to strategically place body mounts and successfully isolate noise and vibration. Shock absorbers have been improved. The wheel stance on many models is wider for greater smoothness. Exhaust systems have been redesigned to make them whisper-quiet. Even the clocks tick more softly. A sound car is a silent car. The '68 Chevrolets are the most silent, highest quality cars we've ever built.

BETTER PERFORMANCE There are new engines, a bigger energy absorbing steering column, standard Six and V8. There's a new folding front seat back latches, dual

250-hp V8 you can order that runs on regular fuel. Many new engine components increase dependability and master cylinder brake system with warning light, plus many more new features. Among them: energy absorbkeep your new Chevrolet running stronger. There's a new rear axle ratio you can add for greater economy. On most engines equipped with automatic transmissions, there's a special heater for the carburetor which gives you more efficient performance in cold weather. And with every engine, you get the new GM exhaust emission control.

UNIQUE ASTRO VENTILATION There's a whole new idea in ventila-

tion, called Astro Ventilation, for Camaro, Corvette and the elegant Caprice Coupe. It's also available on many other models. By opening two new vent-ports on the instrument panel, you bring in outside air that can be directed where you want it. This way, you can leave your windows rolled up and add still more to your peace and quiet.

PROVED SAFETY FEATURES You get the proved GM-developed

warning light, plus many more new features. Among them: energy absorbing front seat backs, and safety armrests that shield the door handles.

MUCH MORE THAT'S NEW

There are new roof lines, some formal and graceful, others sporty and quick. There are new instrument panels, richly designed and all controls within easy reach. There are new interiors, new vinyls, new fabrics, new colors. There are models with Hide-A-Way windshield wipers and headlights that disappear behind grilles. There are new side marker lamps, new recessed taillights. There's even a new ignition alarm buzzer that reminds you not to walk away and leave your keys in the

These are the newest, the most different, the most dramatically changed Chevrolets ever. And they're at your Chevrolet dealer's now. You'll thoroughly enjoy slipping behind the wheel, experiencing the smooth new handling and library-quiet ride and, more than anything, seeing and feeling the even greater quality built into every new Chevrolet for 1968.

Be smart! Be sure! Buy now at your Chevrolet dealer's.

There's more quality and value built into Chevrolets than ever before, making every new 1968 model an even better buy!

Urge Organizations to Attend Meetings

Hale Health Council met Thursday afternoon at the fire hall with 11 present. All organizations are urged to have council delegates attend meetings. Election of three officers, chairman, treasurer and historian, is slated for next month's meeting.

The council is ordering three new walkers. The Easter Seal report was given by Mrs. Carl Adams. Contributions from Iosco

SMART, FASHION-CONSCIOUS WOMEN ARE BEGINNING to plan their fall clothes now To A-line, the belted dress and the three-piece suits are never outdated and should be included among this year's modes. If you are preparing to travel during the winter months, clothes that are easy to

pack should also be considered in your plans.

COMPANIONS

"Suitable" for travel, this three-piece Chanel suit doesn't wrinkle when packed or even after long hours of sitting. It's smart and bound to fit the bill for most anything on your schedule. Made with knitting worsted, the jacket is a combination oxford and white with 34 sleeves and slit pockets. Both jacket and sleeveless blouse are worked in the stockinette stitch and the skirt on circular needles in a knit and purl pattern.

SELECT A COLOR OR TWO

Heather tones such as feather blue, cranberry, old jade and grape make handsome suits and are color-right for fallwinter 1967. Free instructions are available by sending a selfaddressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PK 3472.

A PRETTY SWEATER is as important as fresh books and new pencils on the first day of school. This knit cardigan with a collar and raglan sleeves is for little girls, sizes 2-10. The vine pattern on the yoke adds a gentle touch. Free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PK 2617.

ALL UNDER ONE ROOF

What are the three things most important to your family's financial welfare?

SAVING . . . BORROWING . . . INSURING . . . and you can do all three under one roof, all at one time, in the friendly, understanding atmosphere of your credit union. SAVE where your money earns generous dividends . . . and where ALL dividends go back to the credit union owner-members.

BORROW where your loan usually costs less . . . because a credit union is owned by its members, and there is no point in charging yourself high interest rates.

INSURE where qualified members get life insurance with their sayings - and life insurance with their loans - as an extra dividend at no extra cost. Join the 11/3 million people in Michigan who now make a credit union their family

Contact the C.U. where you work, or the one in your parish or neighborhood, or write Michigan Credit Union League, 1600 North Michigan, Saginaw, Michigan 48602.
