"Doing Time" in the Oven?

Before you do another "stretch" in the oven, see your electric appliance dealer and meet the range with the self-cleaning oven. We'll wager the next time your oven needs cleaning, you'll be "pardoned"-electrically! No more getting on your knees to scrub and scrape. Just close the oven door, set a couple of controls and turn the oven "on."

That abolishes the dirtiest job in the kitchen. Now consider such features as a rotisserie, flexible heat controls, automatic meat thermometer . . . all good reasons for "doing time" at your electric appliance dealer's for a new electric range!
