Parents Form Citizens' Committee Study Resubmission of Millage

Tawas Area Board of Education had good reason to take heart over Monday night's response by parents, but an important question remains—after two straight defeats, will district voters approve the millage necessary to reinstate cuts in the school's 1968-1969 program and, if not, what cuts would be least damaging to the over-all school program?

More than 100 parents and interested citizens attended Monday night's regular meeting to hear and participate in discussion on previously submitted cuts in expenditures which have been forced by defeat of two millage proposals. It was the largest attendance at any school board meeting since the days of the school site votes in the mid-1950s.

Answering the second part of the question raised in the lead paragraph, former high school principal, Ernest W. Jordan, now the county intermediate school superintendent, put his finger on the real question when he said the board of education faced a tremendous decision in any budget cuts and certain cuts would probably be wrong in someone's eyes.

Most encouraging to board members and school administrators was that nearly every person attending the meeting stated willingness to serve on a citizens' committee which would support another try at a millage proposal. Even students attending the meeting said they would assist in every way possible to convince voters of the need for additional millage.

Before the meeting closed, the audience nominated Neil Luedtke as temporary committee chairman, with Mrs. Rosemary Klenow as secretary and Clyde Soper, former board of education member, as vice chairman.

Luedtke pointed out that a citizens' committee could accomplish little until such time as information was received on the legal procedure for resubmitting a proposal. The school's attorney is to be contacted immediately, but it is believed that any undertaking by the committee could not be commenced until after the start of the fall school term.

The two millage defeats have meant that a proposal could not again be submitted until November or December. This means that even if successful, the board will probably have to go with the 1968-1969 budgets cuts announced last week—at least for the first semester.

While only 150 names on petitions would be required to resubmit a proposal, Leonard Sarki, board of education president, emphasized that signatures of at least 1,000 persons favoring the millage would be needed. With less names, it would probably mean defeat and waste of tax money to conduct another election.

In order to reinstate the program at the start of the second term, it would mean that up to six mills would have to be approved by voters. This would guarantee reinstatement of programs presently being cut from the budget and carrying on the same program in the 1969-1970 school term.

In an analysis of the recent vote by the board of education, it was found that 1,000 parents had failed to show at the polls for the last millage proposal which lost by 219 votes.

Proposal cuts in the school budget for 1968-1969 will hurt the school's present quality education for children, pointed out Luedtke. "We know what will happen next year if we do not get this millage—it will mean a mass exodus of teachers as 16 will have to be cut from the staff. If we do not want that kind of education for our children, we must get busy and contact the 1,000 parents who did not vote."

Supt. Reynold Mick said that if the millage proposal was successful, it would mean that money would be received a year from next January, allowing the board to borrow an anticipated revenue. This would mean that the board of education could reinstate the programs as rapidly as possible.

Even if the proposal is successful, it would probably mean that the school would have to go along

with transfer of key teachers into other positions, which was required when five were not replaced as a means of saving money. The five teachers would be hired as rapidly as possible for the start of the second semester, but the superintendent pointed out that some teachers would probably not be available to fill out some positions.

A general discussion between board members and persons attending the meeting brought out that there was probably poor communications between the school and the community.

President Sarki pointed out that the board of education holds two meetings a month and that few people ever attend a meeting. "No one ever shows up at a budget hearing and there are no questions until it is too late," he said. "Anyone wishing to appear before the board of education is welcome to do so. All that we ask is that he contact the secretary 48 hours prior to the meeting in order to be placed on the agenda." This rule has been waived in some instances, depending upon importance or timing.

Mrs. Klenow, president of the parent-teacher association, said she had conducted a poll and found that people know of no other way to protest increasing taxes other than to vote "no" on millage proposals.

She found that some people felt the board was being vindictive in its proposed cuts and did not believe those people would be willing to support a proposal because of it. "There is nothing like dissection to get out 'no' votes," she said.

She said there was a great deal of bitterness in the community over last year's curtailed sports program, that some people felt there were too many administrators and guidance counselors. She felt there was poor public relations between the school and the community, which was reflected by a poor attendance at parent-teacher association meetings.

Sarki pointed out that under new state tenure laws for teachers, it was now necessary for principals to maintain additional records and to spend more time visiting teachers in classrooms. He said it was for this reason that an assistant principal was hired. He also pointed out that the board of education felt that a curriculum coordinator was necessary in order to correlate instruction from elementary grades through senior high school.

He said that counseling, required in order to receive accreditation from the University of Michigan, had been sadly neglected prior to last year because the one counselor had to spend too much time with administrative duties. The second counselor hired last year will now have to return to teaching, in order to fill a vacancy.

Richard Harwood, who attended special informational meetings called prior to the last election,

said it was quite evident that the feelings of the community had been misjudged. "It was thought that voting on the proposal a second time would mean a 'shoo' in," he said. He believed that many

questions would now have to be answered before a favorable vote is received. Many of those attending the meeting questioned proposed cut of the beginner and cadet band

programs. Billy R. Wilder, high school principal, said that board members and administrators felt terrible about the proposed cuts, but if the money is not available, (See MEETING, page 6.)

Tawas A. School to Continue Football-Basketball This Year

Tawas Area School will live up to commitments with other NBC schools in scheduled participation in football and basketball this school term, according to action taken Monday night by the board of education.

The marching band will make its appearance at the four home football games, but it will probably mean curtailment of spring sports unless funds are forthcoming.

In a report to the board of education, Bill McIntosh, athletic director and assistant principal, said that basketball had actually sustained both that program and football.

During the past three years, basketball receipts had totaled \$9,570.96. With expenditures of \$2,930.41 for this sport, a balance of \$6,640.55 remained.

Expenditures in football over the past three years amounted to \$8,374.22. With receipts of \$7,217.51, a deficit of \$1,156.71 remained.

In addition, the athletic department has built up a surplus of \$2,900 over the past 14 years, which included profits from last season's district tournament.

This term, the athletic department will be paying the entire shot for the football and basketball program. This will mean picking up coach's salaries of \$2,700 for the two sports—four in football and two in basketball, both junior varsity and varsity. Other expenses to be paid by the department would

include lighting the football field, care of field and gymnasium, officials, first aid supplies and transportation.

By picking up this additional expense of \$3,337, it will mean that the program cannot support spring sports, which have a minimal amount of gate receipts.

Also coming from the athletic department fund will be \$200 for the marching band, to finance cost of music and replacement of drum heads.

Registration Days Given by Principal

Registration for students in grades seven through 12 will be held at Tawas Area High School from August 20 through 28. Parents of any new elementary students in the area are urged to call Miss Clara Bolen, 362-3151, immediately. Any new junior and senior high school student is urged to immediately call Billy R. Wilder, high school principal, 362-2381.

Registration from August 20-28 includes assignment of lockers, receipt of student schedule, payment of all fees. Fees must be paid at the time of registration, arrangements made with the high school principal.

In addition, all past due bills must be handled before registration will be completed. Wilder said that students are asked to try to register on the dates indicated. However, if this is impossible, they may register at any time during this period.

Registration hours are 9:00 a. m. to 4:00 p. m. on the following days: Tuesday, August 20—seventh grade; Wednesday, August 21—eighth grade; Thursday, August 22—ninth grade; Friday, August 23—tenth grade; Monday, August 26—eleventh grade; Tuesday, August 27—twelfth grade; Wednesday, August 28—open to any student not having registered.

Fees to be paid during registration are as follows: Consumable materials, \$7.50; locker fee, 50 cents; assembly fee, 50 cents. The preceding fees pertain to all students. Other fees for specified classes are: Shop, \$7.50; art, \$8; office practice, \$5; chemistry breakage, \$1.50; drafting, \$4; band uniform deposit (refundable), \$5; band instrument rental, \$7.50 per semester. Band fees are to be paid to band instructor on first day of school.

Historical Society Meets Thursday

Plans for lending assistance to Plainfield Township in its forthcoming centennial observance and for a trip on the AuSable River Queen in September are to be discussed Thursday night, August 15, by the Iosco Historical Society.

The meeting is to be held at the Iosco County Building starting at 8:00 p. m. A business session of the board of directors is to precede the regular meeting.

In addition, the program includes a display of Civil War artifacts and a movie, "When Michigan Was Young," produced by Consumers Power Company.

The general public is invited to attend.

Barnes Hotel Sale Effective August 2

Sale of the Barnes Hotel, Tawas City, was announced this week by Anthony DeFilippi, who has owned and operated the Barnes Hotel for the past 15 years.

Effective August 2, Larry Renaud and Edward C. Lier became the new owners of the Barnes. Renaud is a former Flint resident while Lier comes here from Saginaw.

Champion Sells Sign Business

Announcement was made last week that Al Goodman and Kenneth Evans, formerly of Flint, had purchased Champion Sign Service, Tawas City, from Walter Champion. The transaction was completed August 1.

Goodman has been in the welding business for years at Flint while Evans has been a sign painter at Flint and Detroit.

The Goodmans have one son, Robert, 14, who will be a freshman at Tawas Area High School this fall.

Champion, who purchased the business 17 years ago from Albert Chaney, has enrolled at Central Michigan University where he will study to become an art teacher.

Renaud had owned the Lamp Lighter Lounge and resided at Flint most of his life. Lier had been in the construction business at Saginaw.

Renaud and his wife, Bette, are parents of three children. David, 22, is in military service and they have two other boys, Dennis, 19, and Timothy, 17. Lier and his wife, JoAnn, are parents of six children, Gloria, Allen, Edward, Joseph, Ralph and Larry.

Mr. and Mrs. DeFilippi purchased the business on May 1, 1953, from Kenneth Barnes of Clare. Barnes purchased the hotel early in 1941 and on May 2 of that year it was formally opened as the Barnes Hotel.

The original hotel building was constructed before the turn of the century and was known as the Conover House. It was later used as an office and residence by Dr. H. W. Case.

Later known as the Lakeside Tavern, the hotel was operated for several years by Mr. and Mrs. Merton H. Barnes.

On April 1, 1955, the original structure which had been remodeled many times was completely destroyed by fire. Within two weeks, DeFilippi announced plans for constructing a new hotel and the project was rushed to completion by September 2 of that year.

Editorial—

Response Gratifying

Monday night's response to a call for parents and interested citizens to attend the regular meeting of Tawas Area Board of Education was most gratifying. But, even more important was the expression of concern and the willingness to support the board of education and the school in maintaining an excellent school system.

It must be remembered, however, that these citizens should take a look at the over-all school program—not just a particular segment in which they or their children are interested. Cuts will have to be made at the start of the school term because of inadequate finances. The board of education, indeed, faces some tough decisions.

This is your school, your program and your children which have been affected by two successive millage proposal failures. If one stopped to analyze the last vote, he probably would find a hundred reasons for its defeat. But one of the most glaring was that 1,000 parents did not show at the polls.

It was said Monday night that a lack of communication between the school and the community was probably the basic reason for two successive millage defeats. Many questions need answering (some for a third time) before a third vote could ever be successful.

It is important for citizens to remember that these board of education members are our elected officials and they are carrying out their duties under our form of democratic government. The town forum proved impractical long ago and the people placed their faith in the elective form of government.

Now it is up to the people to keep the faith. If you have a question, it probably can be answered. But, for the sake of your school and your children, forget the back-biting or axe grinding—get involved in what is happening in your school. One way would be to take an active part in the parent-teacher association or even attend school board meetings to hear the problems first hand—take part, or at least lend your support.

Soil Sampling Day Set Thursday in Iosco

Iosco soil sampling day will be held Thursday, August 15, according to a joint announcement from the county ASCS office and Marvin Davenport, county extension natural resource agent.

During a recent tour of the Waldo Curry farm on M-55, Dr. Eugene Doll, Michigan State University soil scientist, stressed that soil sampling was important in order that area farmers spend dollars wisely for fertilizer.

An accurate sample tested at the MSU laboratory will give a farmer an accurate measure of his fertilizer needs and his expected potential crop yield.

On August 15, Doctor Doll will be on tour starting at 9:00 a. m. on the Earl Daugherty farm, located at the junction of M-55 and M-65.

The field to be studied is just south of the buildings along M-65. At 10:15 a. m., the tour host will be Donald Daniels, whose farm is located 2 1/4 miles west of the Whittemore-Preseott Road. A demonstration of actual sampling according to soil type is to be made there. The tour is to conclude at 11:30 a. m.

That evening, Charles Preston, vocational agriculture instructor, will be host at Whittemore-Preseott Area High School for a discussion on "Soil Sample Interpretations" and fertilizers, their application according to soil test.

The evening meeting starts at 8 o'clock in the vocational agriculture room of the high school. The program is to conclude at 9:30 o'clock.

Indies Lost to Mikado, 4-2, in Final

Tawas City Indies finished the 1968 baseball season by losing to Mikado, 4-2, in Sunday's NEM action.

Mikado scored one run in the opening inning and three in the fourth off Ron Leslie, losing pitcher.

Tawas City countered with single runs in the fourth and sixth innings, the first coming on a solo home run by Bill Groff, who had three of Tawas City's seven hits during the day.

Leslie was nipped for six hits by Mikado, but two walks and an infield error caused most of his trouble in the fifth inning.

Bears Take Roscommon, 10-5, Sunday

East Tawas Bears finished the regular season of NEM competition Sunday with a 10-5 victory over Roscommon.

After a scoreless first inning, East Tawas broke the game wide open with five runs on four hits. John, starting pitcher for Roscommon, walked two batters.

The winners added two runs in the fourth and three in the eighth. A home run by Duane Sanders featured the eighth inning attack.

Roscommon waited until the seventh inning to score. The first run came on a homer by Cousineau, while Johnson hit a round tripper in the eighth.

Sanders, winning pitcher, scattered three hits until the seventh inning. He struck out seven and walked one batter during the afternoon.

Sanders paced the attack with four hits, all for extra bases. Besides his homer, he had a triple and two doubles. Sventko, right fielder, had three singles in three trips.

Engaged

Mr. and Mrs. Vernon Ranger of Hale announce the forthcoming marriage of their daughter, Sandra Kay, to Lonnie J. Ryland. The prospective bridegroom is the son of Mr. and Mrs. James Ryland, also of Hale.

A September 14 wedding is being planned.

Thomas Beaubien Observed Birthday

The fourth birthday of Thomas Beaubien was observed Wednesday, August 7, at the Tawas City home of his parents, Mr. and Mrs. Vernon Beaubien. Games were enjoyed and he opened many nice gifts.

Attending were Chris and Nick Palumbo, Johnna and Tim McArdle, Claudia and Russell Carney, Dennis McCalmon, Brian Weber, Karen Nelkie and Dolly Bouchard. Mary and Ann Bouchard assisted Mrs. Beaubien in serving cupcakes and ice cream.

TC Garden Club Met at Home of Mrs. Glenn McLeod

The home of Mrs. Glenn McLeod was the scene of the August 6 meeting of Tawas City Garden Club, Mrs. Winnifred Parks and Mrs. H. Read Smith, hostesses, served a variety of cookies, coffee and tea.

Program was based on Isoco County Historical Society and papers were read by Miss Marion Jennings and Miss Edna Otis. An interesting fact about Isoco County was roll call response. Mrs. Donald MacDonald was program chairman.

NEW—Christmas card catalogues have arrived. Many styles from which to choose. Order while selections are plentiful. The Tawas Herald, 408 Lake Street, Tawas City.

conditions will play an important part in gate receipts," emphasized McIntosh. Last year, Tawas home games had near perfect weather and large gates resulted.

Also playing an important part in receipts of any sport is whether or not the school has a winning team. "We had an outstanding year in basketball in 1967-1968 and it meant that our home games had excellent crowds," said McIntosh, who steps down this season as basketball coach.

He also pointed out that participation by Tawas was also important to other conference schools.

"We can go with both varsity and junior varsity basketball and football this year at no cost to the general fund. But it can be done only one year as our fund balance will be completely eliminated," said the athletic director.

Billy R. Wilder, high school principal, said that nothing would be more demoralizing to the student body than to cut out sports and band activities. He also pointed out that such activities were important to the entire community.

Football Physicals

Head Football Coach Steve Sventko announced Monday night that football physical examinations would be given candidates for both varsity and junior varsity on Tuesday, August 20, 7:30 to 8:30 a. m., at the high school. Local physicians are donating their service.

Loyd T. Thompson Died Suddenly at Home

A retired electrician, Loyd T. Thompson, died suddenly Monday, August 12, at his Tawas Lake home. Funeral services will be held Thursday, August 15, at Moffatt Funeral Home with the Rev. Kenneth Tousley officiating. Burial will be in Greenwood Cemetery, East Tawas. Tawas City Lodge No. 302 will conduct Masonic services Wednesday evening, 7:30 o'clock.

Mr. Thompson was born August 4, 1901, at Boyne Falls.

Surviving are his wife, the former Gladys Lloyd; mother, Mrs. Gertrude Boersma, at the Masonic Home, Alma; a sister, Mrs. Vida Robinson of Caro.

Meeting

it will probably mean the end of the senior band next year.

Other questions were asked of the advisability of cutting out certain advanced subjects, even if only a few college-bound students were enrolled in the courses.

"We as board members do not know where to cut—but we have to cut within reason," stated Trustee Robert Elliott. "Our job is policy making—not to run the school and this is the reason for the chain of command between teachers, administrators and then the board. We cannot deficit finance without knowing that millage will be there."

"Don't expect any miracles—"

cuts will come through in our budget as proposed at the last meeting," said Sarki. "Please do not point your finger at the board all of the time—we can't have a good program without funds. I have five children and that is the reason why I am interested in the board of education—to improve education of our children."

Funeral Held for Victor Anderson; Former Supervisor

Funeral services for Victor John Anderson were held Sunday, August 11, at Moffatt Funeral Home, East Tawas. The Rev. Harold Sims officiated and burial was in Alabaster Township Cemetery. Mr. Anderson died Thursday morning, August 8, at his farm home in Alabaster Township.

A retired farmer and former Alabaster Township supervisor, he was born July 31, 1901, at East Tawas.

Survivors include one sister, Mrs. Amelia Oates of East Tawas, and one niece, Mrs. Virgina Frank of Walton Beach, Florida.

Sail Winner Finds Tawas Bay Course to His Liking

While wind conditions were not quite as expected over the weekend, Andy Schoettle, Minneapolis, Minnesota, found Tawas Bay to his liking and sailed to three firsts, a third and fourth to win the Midwest Finn Association's Olympic try-outs.

There were 24 boats and seven states represented in the meet, which will send seven sailors to San Diego, California, later this month for the final elimination to pick the United States' Finn sailing representative in the Olympic games at Mexico City.

Other top winners were Harry Levinson, Indianapolis, Indiana, second place; A. B. Mitchell, formerly of Wurtsmith Air Force Base, now of Pawaukee, New York.

Iosco's Primary Election Had New Record Turnout of 4,325

One of the hottest election campaigns in recent history went into local record books last week. A total of 4,325 voters went to the polls in the August 6 primary election, or 54.48 percent of Iosco County's voters.

Checking past records, County Clerk Keith Papas said this compared to about 2,700 voters in the primary election two years ago.

East Tawas had 792 voters out of a registration list of 1,273, while Tawas City had an even greater turnout of 613 voters out of a registration list of 854.

"The percentage would have been higher had Oscoda Township voters turned out in the same proportion as the rest of the county," said Papas. There, 660 voters of a registration list of 1,625 cast ballots.

Most interest in the primary election was generated in the race for the Republican nomination as sheriff Ivan O'Farrell, veteran incumbent, narrowly outdistanced two opponents with 2,165 votes. James Finley garnered 1,343 votes and Robert N. Rollin had 391.

George A. Prescott was successful in his bid for renomination as 102nd District state representative. Prescott had a total of 5,256 votes, as compared to Kit Carson's 2,127 and 1,389 for Sanford E. Charron. Prescott received 2,786 votes in Iosco County, while Carson had 528 and Charron tallied 351.

For county clerk, Papas outdistanced Robert Allen, 2,109 to 1,290. Papas had been appointed to fill the vacancy of Prescott when the latter was elected to the legislature.

E. D. Jacques and E. John Moffatt won the Republican nomination for coroners, the former receiving 2,165 votes and the latter, 2,062. Warren S. Bennett received 1,338 votes.

Unopposed Republican candidates were renominated as follows: Edward Nelkie, treasurer, 3,203; Albert H. Buch, register of deeds, 3,144; John Mielock, drain commissioner, 2,847.

The only state-wide issues in the balloting saw Michigan voters approving three constitutional amendments. Iosco's votes were as follows: Proposal No. 1 had 2,094 yes votes and 1,369 opposed; proposal No. 2 had 1,774 votes in favor and 1,661 against; proposal No. 3 had 1,868 yes votes and 1,600 were opposed.

The following candidates were nominated for the new supervisor positions:

District No. 1: William G. Weryley Jr., Republican (320); District No. 2: Jack W. Allen (189), Frank W. Parks (71), C. L. Wileken (83), all Republicans; District No. 3: Robert K. Foster (134), Roger J. Curley (48), both Republicans.

District No. 4: J. Berkeley Smith (180), Dale O'Farrell (115), both Republicans; District No. 5: Fred B. Lomas (279), A. Ray Mead (161), Peter Lichtfusz (125), Clarence R. McMullen (53), all Republicans; District No. 6: Carlton Merschel (364), Republican, and Earl McElheron (10), Democrat.

District No. 5: Clement Stephan (258), Benjamin Brewer (181), Clarence Everett (125), all Republicans; District No. 8: Walter Miller (292) and James P. Mielock (232), both Republicans; District No. 9: Aubrey Belson (185), Dornace Bellville (63), George M. Strauer (116), all Republicans, and George Blust (39), Robert Oates (27), both Democrats.

Township trustees nominated were as follows: Alabaster—William Makinen (16), Democrat; AuSable—Donald L. LeCureux (192) and Richard E. McKnight (109), Republicans; Baldwin—Allen Anschuetz (134) and Lawrence DeBeau (112), Republicans; Plainfield—James Mann (25), Democrat.

Grant—Ona Lee Kindell (169), Republican; Oscoda—Frank Bissnette (420), Republican; Reno—James Robinson (71), Republican; Sherman—David A. Powlus (71), Republican; Tawas—Merlin Look (211), Republican; Wilber—John Newberry (2), Democrat; Doris Tomlinson (26), Republican.

Grant Twp. Pioneer Days in Full Swing

Grant Township "Pioneer Days" are in full swing at Sand Lake Wednesday afternoon at 4:30 o'clock, a beef barbecue is being served at the ball diamond.

Other activities on the schedule include midway fun booths, August 15-16.

Friday, August 16, Ruth's School of Dance, 7:30 p. m., ball park, followed by fireworks at dusk.

The program Saturday, August 17, will feature a canoe race on Sand Lake, amateurs only, with entries open until race time. A street dance is to be held that night from 9 to 12 o'clock.

The schedule Sunday, August 18, concludes the program with a pancake breakfast starting at 6:00 a. m., kids games at 1:00 p. m., a muzzle loader's exhibition shoot, 2:00 p. m., at the fire hall, and drawing for prizes at 3:00 p. m.

The event began Sunday, August 11, with dedication and cornerstone laying ceremonies for the township's new fire hall. This was followed by a horse show.

Monday's activities included a tug of war and water ball fight in the evening between Grant Township Fire Department and East Tawas Fire Department. Conservation movies featured Tuesday evening's program.

Today's barbecue at Sand Lake features home-grown Iosco County beef, coming from the Chamabi Ranch near Whittemore.

Last year, Grant Township observed its centennial and this program is a continuation of festivities.

New CO Takes Command at Wurtsmith AB

Col. Lawrence W. Steinkraus assumed command of the 379th Bombardment Wing August 8 as Col. Pat H. Earhart relinquished his position in ceremonies at 40th Air Division headquarters, Wurtsmith Air Force Base, Oscoda.

Colonel Earhart turned over his command to Col. Carlton L. Lee, new air division commander, who in turn gave it to Colonel Steinkraus. Colonel Lee became division commander Monday.

Colonel Steinkraus comes to Wurtsmith following a tour of duty as commander of the 319th Bombardment Wing, Grand Forks Air Force Base, North Dakota. A veteran of 25 years of service, he was an original member of the Strategic Air Command. He has flown every type of SAC bomber and over the years has accumulated approximately 6,000 flying hours.

In other assignments, Colonel Steinkraus has served with the operations directorate of the joint chiefs of staff, as deputy inspector general for Eighth Air Force and was deputy commander of operations for two different B-52 bomber units.

He was also commander of the special weapons command of the atomic research branch at Albuquerque, New Mexico. He commanded crews which made the last atomic and hydrogen bomb tests on Eniwetok in the Marshall Islands.

Colonel Lee, new 40th Air Division commander, was commander of the Seventh Bombardment Wing, Carswell Air Force Base, Texas, prior to coming to Wurtsmith.

Enlisting in the Army Air Corps as an aviation cadet in May 1941, the colonel is a command pilot with more than 4,500 hours flying time. A veteran of both World War II and the Korean War, he flew the B-29 on 36 combat missions totaling more than 470 combat hours.

Colonel Lee has held positions as Second Air Force director of safety, Barksdale Air Force Base, Louisiana, deputy chief and chief of the operations division, Offutt Air Force Base, Nebraska, and commander of the 3919th Combat Support Group, Fairford, England. He was also director of operations and deputy commander of the Seventh Air Division, High Wycombe Air Station, England.

Young Camper Drowned in AuSable Aug. 6

A 10-year-old camper at YMCA Camp Nissokone, Oscoda, drowned August 6 in the AuSable River east of Lumbermen's Monument while swimming with two companions.

The victim, John Roberts, Detroit, son of Mr. and Mrs. Will Roberts, went under water once and never came up according to witnesses, William Ehrlich, 16, Grosse Pointe, and Robert Yolles, 18, Birmingham.

Sheriff's department officers recovered the body about 8:00 p. m. by dragging. E. D. Jacques, Iosco County coroner, investigated.

State Asks Hearing

A show cause hearing was held August 12 in Iosco Circuit Court on a petition by the Michigan Department of State Highways vs. Carl A. Brownell, Oscoda.

Brownell constructed a 3 1/2-foot-high fence in front of Lot 88, Lake Huron Subdivision north of Oscoda, which the highway department claims is 50 feet within the state right-of-way.

PUTTING for his low gross trophy is Ben Dieleman of AuGres, who fired a par 37. At left is Spencer Welch and at right is Bill McIntosh, members of the winning low gross team. Missing at the time of the picture were Doyle McIntosh and Paul Beauparlant.—Tawas Herald Photo.

TA Schools Hire Creaser and Giddings

15 Years Ago—

August 14, 1953—Supt. Reynold E. Mick this week announced that C. J. Creaser and A. E. Giddings had been retained by Tawas Area Schools as assistant superintendents and directors of transportation. Ronald Butterfield is high school principal.

Tawas Area School's site committee emphasized this week that it was not the committee's function to pick a site for the new school. The committee is to furnish information and facts regarding the people's choice of a building site, weigh proposed sites as to adequacy and present information to the board of education for final action. Six sites are presently under consideration.

While Michigan's commercial fishing industry has had a drop of 2,000,000 pounds in production during the past year, Saginaw Bay fishermen report that the 1943 season will be the best here for herring since 1939. Heavy tonnage of herring was produced during the spring season and the fall herring season promises to be good, states John Coyle, veteran fisherman. He said that the fluctuation in the production of herring has been laid directly to the tremendous amount of smelt in the water. Early pickering fishing in Lower Saginaw Bay was excellent. Saginaw Bay had a catch of 6,097,291 pounds in 1942.

Leader Dog School Graduated 165 Dogs and Their Masters

Leader Dogs for the Blind, located south of Rochester on M-150, graduated 165 leader dogs with their masters during the last 12-month period. To graduate 165 leader dogs, it was necessary to check nearly 1,000 family pets offered for the training program.

A leader dog must have certain qualities to be capable of serving as a leader. For instance, it must be a dog that will accept responsibility and be completely friendly to people. It usually helps if a dog has been raised in a family where there are children so it is used to being with people. A dog for leader dog work must be trainable and it must like to ride in automobiles. Tests show that a dog that is shy or timid, afraid of noise and confusion, reluctant to meet strangers will not pass the training program. People using leader dogs face all sorts of traffic conditions and confusing situations, therefore, it takes a stable dog to

qualify. The leader dog school is using German shepherds, Labrador and golden retrievers from one year to 30 months of age. They must be at least 22 inches in height at the shoulders but not more than 26 inches. They must be in good physical condition because the training program is a concentrated effort of four months duration (three months with the trainer and one month with the student) so there is no time to "build up" a dog. Students are accepted from all over the United States and Canada, as well as Mexico and several South American countries. There is no charge for the service. The school is supported by Michigan United Fund, Lions Clubs (founders of the school), other groups and individuals.

A leader dog lives a happy, contented life by the side of a person who really appreciates him. Anyone having a dog that might qual-

ify for leader dog training is asked to write Leader Dogs for the Blind, Rochester, Michigan.

Proceedings of Iosco Board of Supervisors

JULY SESSION
July 17, 1968

Pursuant to adjournment June 19, 1968, the Iosco County Board of Supervisors was called to order at 9:30 a. m. by Chairman Smith and roll call ordered. The following supervisors were present: Blust, Campello, Chrvia, Everett, Gerard, Jocks, Kasischke, Little, Lixey, McElheron, Mead, Mielock, Smith, Stephan. Absent: Belson and Weible.

Communications were read and referred to the proper committees by the chairman.

Discussion arose concerning the new Sunday liquor law and the matter was slated for action as a special order of business at 3:00 p. m. by the chairman.

County Agricultural Agent Davenport addressed the board concerning plans in process for development of several parks in the county, including the AuSable River, Plainfield Township park at Long Lake and a roadside park in Reno Township. He also discussed briefly the defoliation of oak trees in the area by insects.

A discussion arose concerning the new district lower court system and the many problems it will present to the county. The matter was referred to the judiciary committee for study and report at a subsequent session.

Mr. Mielock, vice president of the East Central Michigan Economic Development District Commission, reported on the activities of that body, indicating that they now have a full staff and have re-elected the same officers for the coming year. He also requested that clerk be instructed to forward to James Collison, director of the E. C. M. E. D., a list of the names and addresses of the persons appointed to the Iosco County Council at the June session.

Supervisors Little and Mielock reported on a recent meeting of the District Health Department No. 2, indicating that the main topics were hepatitis and dumping grounds for septic tank service businesses. Chairman Smith added his comments to those of Little and Mielock, and a general discussion followed.

Mr. Leonard Calabrese, local area operator of a restaurant and liquor establishment, appeared before the board to urge their adoption of resolution approving the sale of liquor in Iosco County on Sundays after 2:00 p. m., in accordance with Public Act 313 which became effective July 3, 1968.

Mr. Everett reported that the Iosco County Board of Supervisors will host the District 4 Supervisors Association meeting Thursday, August 8. He indicated that the meeting will be held at the East Tawas City Park, which will be followed by a boat trip on the AuSable River on Brubaker's boat, with lunch on the boat. All of the supervisors planning to attend are to notify the clerk, according to Everett.

At 10:45 a. m., committees were ordered to their respective duties, balance of the board to be at ease, subject to the call of the chair.

The board was called to order at 11:35 a. m., and after a brief discussion, it was moved by Blust, supported by Campbell, to recess until 1:30 p. m. Carried.

AFTERNOON SESSION

Upon call to order at 1:30 p. m., roll call was ordered by the chairman. The same supervisors were present as at the morning session with the addition of Mr. Weible who took his seat for the afternoon session.

Mr. Mielock of the cooperative extension committee reported on a trip to Lansing with Mr. Davenport where they observed research being conducted at Michigan State University in the field of insecticides and pesticides, and the many problems involved. A tour of the beef cattle yards revealed that the West Branch cattle were doing better than the others in an experimental feeding program, according to Mielock. Mr. Blust also added his comments relative to research and development being conducted in the packaging field, indicating that it was very interesting and instructive.

Communications were read and referred to the proper committees.

The following report by Tax Equalization Director Oates to the equalization committee was read to the board by the clerk:

REPORT TO EQUALIZATION COMMITTEE June 19-July 17 STATE TAX COMMISSION

Two commission appraisers were in the county the last week of June to check four appeals, one each from Alabaster, Sherman, Plainfield and Osceda. This office assisted them during the four days they were here. They stated they believed there would be about four more appeals in addition to the one from Consumers Power Company. Mr. Kelly from the Personal Property Section of the Tax Commission was in the office July 10, with copies of the study which they made on personal property

last summer. Individual reports for each unit will be passed to the supervisors today. A master report was left with this office, and a copy to the clerk's office.

ADDRESSOGRAPH OFFICE

Mrs. Vance is on vacation this week. Mrs. Bart has been assisting the register of deeds office part-time except while Mrs. Vance is off.

DESCRIPTIONS

Hundreds of descriptions have been checked in the last two months, so that they could be corrected, condensed and combined. All appraisal cards on which Gen had notes questioning the descriptions, have been investigated and corrected if possible.

APPRAISAL CARDS

Mrs. Kennedy is continuing the job of transcribing assessments to the cards. All units have been completed except Whittemore and Aeno. All cards having assessments of less than 45 percent or more than 55 percent of the appraisal are tagged, and the assessment discussed with the supervisor or assessor to see if there is something wrong with the appraisal. Also all properties selling for 10 percent more or less than the appraisal are being tagged and will be checked out by the supervisors. Sales information is being compiled to determine whether inland lake appraisals are proper. This work will probably be completed by the August session.

AERIAL PHOTOS

One hundred photos ordered from the forest service arrived July 16. The order for 104 photos from the ASCS is expected this week. We plan to set up an index system soon, so that we can quickly locate the proper photo for any particular section.

Only one bid was received for roll paper and tax statements. Forty-two hundred sheets of roll paper have been ordered from the Iosco County News at a cost of \$145. Last year's order for 5,000 cost \$250. Tax statements will cost \$51.50 per thousand, but will not be ordered until all necessary information is at hand.

Mr. McNally of the Michigan Department of Treasury, Local Audit Division, recently inspected the County Property Inventory Record System, and stated that he was well satisfied with our set-up.

Signed:
Henry Oates
Tax Equalization Director

A discussion arose concerning a request by the register of deeds for extra help in his office. Mr. Oates advised that one of the girls in the Addressograph Department could assist part time in the register of deeds office, and it was decided to try this arrangement.

Mr. Oates reported with respect to the real estate transfer tax, that it will no longer be necessary to forward a copy of the affidavit to the State Tax Commission. He also advised of a change in the requirement that the stamps be affixed prior to recording.

Signed:
Sheriff Ivan O'Farrell and Undersheriff Leon Putnam addressed the board concerning the dog control problem and proposed the formation of a separate county department with a dog warden, divorcing it completely from law enforcement agencies. They indicated that under the present arrangement they cannot provide satisfactory service on dog complaints and still maintain proper law enforcement; and also, that their vehicles are not properly equipped for both the handling of dogs and their regular duties. Dog control by a separate department has proven successful in other areas, Alpena among them, according to O'Farrell and Putnam, who also stated that it was their opinion that dog license revenues could probably be doubled by a conscientious dog warden who has ample time for the job. They advised that the department has the station wagon that was turned in by Whittemore which could be equipped for the job.

Signed:
Sheriff O'Farrell and Undersheriff Putnam concluded that in their opinion the public interest would be best served by the formation of a separate county department, as it would provide much more efficient control and faster service on dog complaints, and would permit the law enforcement agencies to devote more time to the problems of law enforcement.

After a period of discussion on the dog control problem, a three-man committee comprised of Supervisors Little, Campbell and Smith was named by Chairman Smith to study the problem and investigate Alpena's plan with the authorities of that county.

At 2:30 p. m., committees were ordered to their respective duties, balance of the board to be at ease, subject to the call of the chair.

Upon call to order at 3:00 p. m., the chairman announced they would proceed with the business of the new Sunday liquor law which was scheduled earlier in the day.

Accordingly, several area liquor establishment operators addressed

the board to urge the adoption of a resolution approving the sale of spirits for consumption on the premises after 2:00 p. m. on Sundays as provided in Public Act 313 of the Public Acts of 1968.

After a period of questions and discussion, Supervisor Higgins read the following resolution and moved that it be adopted:

HONORABLE BOARD OF SUPERVISORS

We, your judiciary committee, recommend approval of the sale of liquor by the glass after 2:00 p. m. on Sundays pursuant to the Public Act 313 and submit the following resolution accordingly:

RESOLUTION

RESOLVED, that pursuant to the provisions of Sec. 19e of Act No. 8 of the Public Acts of the Extra Session of 1933, as amended, the sale of spirits for consumption on the premises on Sunday after 2 P. Mr. Everett introduced the following firearms resolution from the floor and moved that it be adopted and signed by all members of the board.

HONORABLE BOARD OF SUPERVISORS

Members of IOSCO COUNTY BOARD OF SUPERVISORS

RESOLUTION

July 17, 1968

WHEREAS: Firearms control bills introduced into the National Congress have provisions requiring registration and licensing of all firearms in the United States with no exceptions; Specifically, Senate Bill 3604 (Dodd) and Senate Bill 364 (Tydings);

AND WHEREAS: The above bills require a license of ownership or transfer of any firearm or ammunition, and that application for owner's license must include a photo and fingerprints of the applicant;

AND WHEREAS: Terms of Senate Bill 3604 (Dodd) would require the registration of all firearms in the nation under a system to be established by the Secretary of the Treasury and that said registration would commence 90 days after enactment during a six-month registration period.

AND WHEREAS: The Iosco County Board of Supervisors believes that any national or state legislation aimed at crime should be against the criminal; and further, that there is no proof that gun registration would prevent a crime of any kind, and registration would require expenditures of large sums of money for enforcement at the federal, state and local level;

AND WHEREAS: A 1966 report from J. Edgar Hoover stated that over two-thirds of the gunmen killing police had received leniency in sentencing, and that one-third were on parole at the time;

AND WHEREAS: Such registration would be the first step toward confiscation of all firearms, depriving sportsmen the right of wholesome activity and the citizen of his historic constitutional right for protecting his family and home under the Second Amendment of the Bill of Rights;

THEREFORE BE IT RESOLVED that the Iosco County (Michigan) Board of Supervisors hereby goes on record as opposing federal firearms registration or any such bill which may be introduced into the Michigan Legislature.

ADOPTED THE SEVENTEEN DAY OF JULY, NINETEEN HUNDRED AND SIXTY-EIGHT.

Copies of the above resolution to be sent to U. S. Senator Robert P. Griffin, U. S. Senator Philip Hart, Cong. Elford A. Cederberg, Gov. George Romney, State Senator Robert Richardson and State Representative George A. Prescott.

Resolution introduced by Supervisor Everett, supported by Supervisor Brewer and carried unanimously.

Mr. Weible extended an invitation to all the board members to attend a meeting of the county historical society at the courthouse on July 18, to hear Mr. Ralph Stroebel of Saginaw who will be the guest speaker.

At 4:00 p. m. committees were ordered to their respective duties, balance of the board to be at ease, subject to the call of the chair.

Upon call to order at 4:30 p. m., it was moved by Weible, supported by Moss, that copies of the firearms resolution be sent to all other county boards of supervisors in the State of Michigan. Carried unanimously.

Mr. Jocks read the following resolution for the conservation committee, moving that it be adopted and a copy forwarded to the E. M. T. A.

HONORABLE BOARD OF SUPERVISORS

We, the conservation committee, in the realization that Iosco County is strategically situated with respect to benefits to be derived from lamprey control and coho introduction in Lake Huron waters, recommend that Iosco pledge the sum of \$1,000 to supplement conservation funds in lamprey control in Lake Huron.

Mr. Jocks reporting for the conservation committee advised that the sealed bids received for the tractor and accessories to be purchased for Old Orchard Park were as follows:

Thompson Sales & Service, Incorporated, of Spruce, Michigan, \$4,687.00; B. J. Senke & Sons of Standish, Michigan, \$4,675.00.

Senke being the low bidder, the order was entered with them, according to Jocks.

Upon motion by Campbell, supported by Weible and carried, the minutes of the May and June sessions were approved as published.

The matter of the regional juvenile detention and diagnostic facility which was discussed in February and March and for which the board pledged the county's interest and support, was raised by Chairman Smith who reiterated the need for such a facility in our area.

A brief discussion followed, after which Mr. Campbell proposed that the clerk be instructed to notify the persons who were named to the Iosco County Building Authority, in action by the board last fall, of their appointment, and to request them to attend the next session of the board August 21st at 11:00 a. m. The clerk was so instructed.

The supervisors mileage and per diem report was read by Mr. Brewer who moved that it be accepted and an affirmative roll call attached.

CHRISTINE LaMONT is a "high flier" in the big top. She is an aerialist and trapeze star with the King Brothers three-ring circus coming to East Tawas Sunday, August 25, afternoon only at 2 o'clock, under sponsorship of the Tawas Chamber of Commerce at the Bridge Street show grounds. While attending to her correspondence, Earl Roberts, a fun maker, is trying to get an "eye full."

"A WOMAN'S WORLD" WITH Lee Murray

Be a creative cook with fresh herbs from the garden and spices from the shelf. Good results come in small pinches: Say good morning with a sprig of fresh garden mint in the orange juice. Add two teaspoons of poppy seed to the dry ingredients of a one-crust pastry shell. Add three-fourth teaspoon nutmeg to one cup of pancake or waffle mix. For a zesty dip, mix 2 1/2 teaspoons of chili powder with one-half cup mayonnaise and one-half cup sour cream. Serve with crisp raw vegetables, crackers or potato chips. Sprinkle ground cardamom lightly over sliced honeydew melon. Add a touch of ground sage to the eggs while whipping up a cheese soufflé. Add finely crumbled rosemary leaves about five or 10 minutes before the lamb stew is ready to serve.

FRENCH FRIED PEPPER RINGS Green peppers have such a distinctive flavor that they are most frequently used to add color texture and flavor to other dishes, but they deserve recognition in their own right. French fried pepper rings are delicious with steaks, hamburgers, chops and fish. Cut peppers into rings one-eighth inch thick. Dip in dry crumbs seasoned with salt, pepper and grated parmesan cheese. Dip in beaten egg diluted with a little water or milk. Dip again in bread crumb mixture. Chill about an hour (this makes the dipping cling during frying.) Fry in deep fat at 375 degrees Fahrenheit until golden brown. Drain on paper toweling. Serve hot.

VIENNESE COFFEE Even friends who "never take dessert" will be pleased with this elegant way to round off a festive meal. Serve extra-strong coffee, sweetened to taste, in tiny demitasse cups topped with whipped cream and a dash of nutmeg. For a sophisticated chilled version, fill demitasse cups with coffee flavored gelatin. Chill until firm and serve as "after-dinner coffee" topped with whipped cream and nutmeg.
