

# Sales Study Indicates Appraisal Too High

Possibility of a 10 percent reduction in Iosco County's agricultural land valuation was indicated last week by Henry Oates, county tax equalization director.

Oates reported to the board of supervisors that a sales study completed recently by the state indicated that valuations on agricultural property prepared by Gem Surveys were approximately 10 percent too high.

The tax director said that the sales study indicated that Gem appraisals in other categories were fair, but that a reduction was warranted in the agricultural category.

Last month, the board of supervisors adopted a figure of \$13,466,870 as the total amount of agricultural lands in this county. This was approximately one percent higher than the 1957 valuation.

On recommendation of L. S. Little, Grant Township supervisor, the board tabled action until March. The delay would give each supervisor time to check individual appraisals in each township.

In other business, the board authorized hiring of an additional deputy sheriff as part of an increased program of law enforcement and protection in Western Iosco.

Supervisors from Whittemore, Reno, Plainfield, Burreigh, Grant and Sherman Townships heard a

proposal from the sheriff's department whereby those units would turn over money received from liquor licenses to the county.

The sheriff's department would furnish one of its present officers for a new patrol in those townships while one additional officer would be hired at a cost of \$5,600 annually.

Discussion on turning over duties of the county drain commissioner to the road commission or to name a replacement for the former drain commissioner, Richard Miller, was tabled until the March meeting.

It appears that counties with a population of 12,000 or more are required to maintain a drain commissioner's office and that a replacement would be named by the prosecuting attorney, probate judge and county clerk.

The board's insurance committee met with a representative of the Michigan Municipal Employees Retiree System to study possible incorporation of a retirement plan here for county employees and elected officials. The board authorized an expenditure of \$200 to make the study. Private firms are to submit plans at the March meeting.

Iosco Social Welfare transferred \$41,750 surplus money remaining in its 1967 fund to the county general fund. This money was immediately transferred to the public improvement fund.

# Board Hears Report on Graduate Survey

A recent survey of college students indicates that Tawas Area School's educational program is on a par with other similar schools. Many of those answering the survey had recommendations for improving the school's curriculum.

The survey, conducted for Tawas Area Board of Education by John R. Forsten, retired mathematics teacher, was sent to 108 former Tawas Area students in the classes of 1960 to 1964, who graduated or are graduating this year from schools of higher education. Seventy-two percent of the students replied.

Some of the recommendations of students included expansion of theme and creative writing, instruction in note taking, more foreign languages.

Several students thought the high school should offer more of a challenge to college-bound students.

A complete report on the survey is to be made available to the school administration for possible changes in curriculum, several of which have already been accomplished.

Forsten is now conducting a survey of 1965 to 1967 Tawas Area graduates who are not enrolled in schools of higher learning.

In other board of education business Monday night, Robert H. Crawford, director of federal activities for the school, reported on methods to be used in cutting next summer's reading and mathematics improvement program to fit a reduced budget. Federal money for this program was cut by 24

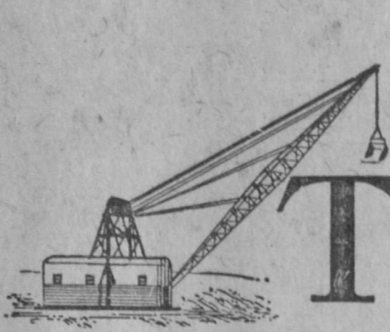

# Snowmobiles in Cross-State Trek Friday

A team of six area snowmobilers will attempt to establish an endurance record this Friday over the 240-mile Michigan Riding and Hiking Trail from the Tawas to Empire on Lake Michigan.

The group is to leave the Tawas City Park at approximately 6:00 a. m. Friday. It is expected that the snow machines will reach Empire before nightfall, but much depends upon snow conditions and actual operation of the machines.

Participating will be William Fuerst and Arden Charters of Whittemore, James Hardy of Luzerne, James Hearl, Floyd Schaaf and Robert Elliott of East Tawas. Others are expected to join the group.

Hearl said Tuesday that attempts are being made to secure sanction from the Michigan Snowmobile Association for an official time on this endurance run. Representatives of various sheriff's departments along the route are to act as official timers.

# Festival Enjoys Sunny Weather

Two days of perfect weather conditions saw approximately 15,000 persons crowding the ice of Tawas Bay for the annual Perchville Festival.

Committee officials were quick to note that the weather was a far cry from last year, when a severe northeast wind broke up most of the ice in Tawas Bay and left only a small area protected by the Michigan Waterways Commission Dock.

The 1968 event was blessed with a pair of sunny days with temperatures in the mid-30s. Chamber of commerce officials called the event the best in history and expressed thanks to individuals who helped make it a success.

The perch cooperated, too, according to John Wajahn, who has charge of shanties at Perchville. Fishermen had good success in the early morning and late evening hours. And the perch were of record size.

Largest perch entered in the senior division competition was a 14-inch weighing two pounds caught by Ted Dankert, Saginaw. Edward Haglund, East Tawas, was champion fisherman in the junior division with his 12½-inch perch which weighed one pound, three ounces. He also won a prize for catching the most perch, 22.

Sylvia Barker of East Tawas won the grand prize Sunday afternoon, a sail boat. The contest was sponsored by Tawas Chamber of Commerce and local merchants. Many other prizes were awarded.

The festival was not without its problems, according to Gar Bassett, chamber of commerce president. "At one time Sunday, we had too many cars on the ice and an announcement had to be made to the effect that if they were not removed, the program would be canceled. We just could not chance a serious accident."

"We also had to prohibit a number of very young children from entering the polar bear swim, despite the fact that they had signed releases from their parents. It was just too dangerous for these children to go into the water."

As it turned out, the polar bear swims on Saturday and Sunday were among the most spectacular events of the festival. About a dozen persons participated each day. A pool was cut in the ice just east of the dock.

Festivities opened Friday night with a stag fish fry at the Holland Hotel. J. P. McCarthy, Detroit radio station disc jockey, was guest of honor. He crowned Mrs. Madeline Young, 23, Warren, as Perchville queen at the annual banquet held Saturday night at the Barnes Hotel.

# Tawas Area HS to Host District Band Festival

Tawas Area High School will host the District IX Band and Orchestra Festival Saturday, March 2. Bands from Whittemore-Prescott, AuGres-Sims, Arenac Eastern, Hale Area, Atlanta, Hillman, Pinconning, Gerrish-Higgins, Clare, Oscoda, Gladwin, Houghton Lake, West Branch-Rose City Area, Standish-Sterling and Tawas Area High Schools will participate in the day's performances.

Purpose of the festival is to stimulate interest in the study of band and orchestra instruments, to develop a desire for good music, and to promote the recognition and status of instrumental music as a curricular subject.

Bands will perform three prepared selections for three adjudicators. These judges will rate the band from I to V. The bands will then sight read two selections for a fourth judge and be rated according to their performance. The two ratings, concert and sight reading, are then combined for the final mark. An I rating qualifies the band for the state band and orchestra festival to be held at Battle Creek April 27.

Adjudicators for the festival will be Dr. William Rivard, Central Michigan University; C. Howard Hornung, Ludington High School; Edward J. Rima, Taylor Center High School, formerly of Tawas Area High School, and Clarence Odmark, Charlevoix High School.

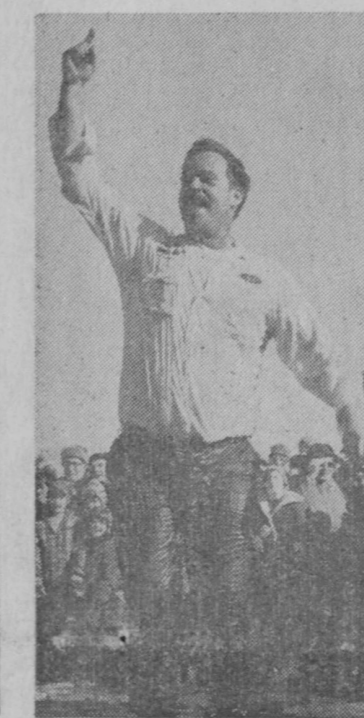

The public is encouraged to attend a full day of concerts. This will be an excellent opportunity to hear many different bands perform.

The schedule for the day's events will be:

**CLASS D BANDS**  
8:25—AuGres-Sims High School Band; 8:50—Arenac-Eastern High School Band; 9:15—Judges conference; 9:30—Hale Area High School Band; 9:55—Atlanta High School Band; 10:20—Hillman High School Band.

**CLASS B BANDS**  
10:45—Pinconning High School Symphonic Band; 11:15—Gerrish-Higgins High School Band; 11:45—Clare High School Symphonic Band; 12:15—Judges conference.  
12:30-1:30—Lunch.  
1:30—Tawas Area High School Band; 2:00—Oscoda Area High School Band; 2:30—Gladwin High School Band.

**CLASS C BANDS**  
3:00—Pinconning High School Band; 3:25—Clare High School Reserve Band; 3:50—Houghton Lake High School Band; 4:15—Judges conference; 4:30—West Branch, Rose City Area High School Band; 4:55—Standish-Sterling High School Band; 5:20—Whittemore-Prescott High School Band.

WINTER HIGH JINKS—The temperature soared to the mid-30s during the Perchville Festival and these swimmers thought it would be a good time to take a dip in Tawas Bay. About a dozen "polar bears," many from the local area, took to the water to cool off.—Tawas Herald Photos.

# Iosco Picked for Juvenile Detention Site

Plans for possible construction of a juvenile detention diagnostic center near Iosco Medical Care Facility to serve a nine-county region were heard last week by the Iosco Board of Supervisors.

William M. McMillan, director of regional detention facilities for the State of Michigan, told supervisors he had recommended location of a center in this county and that action could be expected within two to three years.

McMillan said that a 1966 public act had authorized the Department of Social Services to expand care for children under supervision of probate judges. Such expansion included new training schools and halfway houses.

The new regional detention facility would be used to examine and detain children while probation officers and probate judges are making final recommendations to handle individual cases.

McMillan said that the state plans to construct eight such centers in the state. Iosco County was selected because it appeared to be in the population center of the nine-county region which it is to serve.

The state representative said that the \$200,000 facility would have 20 beds and would employ approximately 23 persons.

Approximately 10 to 15 acres of land would be required for the facility and the board of supervisors authorized an immediate study of available land in the vicinity of the medical care facility.

McMillan said he had been met with a positive reception from Iosco officials in regard to the location here.

# Promoted by Xerox Corporation

Archie R. McCardell, 41, son of Mr. and Mrs. Archie McCardell of Hazel Park and nephew of Mrs. Rose Gackstetter of Tawas City, has been promoted to executive vice president of the Xerox Corporation of Rochester, New York. He will have over-all responsibility for three of Xerox's four major operating units, business products and systems, information systems and electro-optical system, incorporated.

Mr. McCardell, his wife and three children reside at Honey Falls, New York.

# Braves to Meet Orioles in Tournament Opener

Tournament fever, that malady which hits state basketball fans every March, gets into full swing next week.

Tawas Area High School hosts Michigan District Tournament No. 100 for the first time in eight years and official drawings were held at the school Tuesday morning.

Tawas Area Braves, champion of the Northern B Conference, will go against the West Branch Orioles, a traditional rival in conference and tournament games, on Monday, March 4, 8:00 p. m.

Standish-Sterling Panthers and Oscoda Owls each drew a bye for the opening night and are to meet Wednesday, March 6, 8:00 p. m.

Gladwin's Flying Gs drew a bye for the first night and are to meet the winner of the Tawas Area-West Branch contest Thursday, March 7, 8:00 p. m.

District finals are to be held Saturday, March 9, and the winner is to play in the regional tournament at Mt. Pleasant.

The luck of the draw should assure a packed house for each night during the tournament. Coach Ben Summers of Oscoda said Tuesday it was the first time since he has been coaching the Owls that he was lucky enough to draw a bye the first night. The Panther-Owl game Wednesday is expected to be one of the feature attractions of the tournament.

Bill McIntosh, athletic director at Tawas Area and closing out a 12-year career as mentor of the Braves, said Tuesday that pairings were perfect, although he admitted that anything could happen at tournament time.

Game officials include Larry Scott and John Welter, who are to handle Monday and Thursday night games, while Paul Grein and John Spencer will officiate at

Wednesday and Saturday night games. Doors open at 6:30 p. m. and there are no reserved seats.

# State Historical Commission to Take Old Record Books

The newly-formed Iosco County Historical Society apparently has lost the final round in its efforts to retain eight old manuscript record books claimed by the Michigan Historical Commission.

Appearing before the Iosco Board of Supervisors last Wednesday was Steven Zamara, assistant state archivist, who told supervisors that the eight record books transferred recently from Iosco-Arenac Regional Library to a vault at the county building were state property.

An additional 30 days was given this county to make photo copies of any information contained in the books before they are turned over to the state.

During construction of the county building in 1952, permission was asked from the state to destroy a number of old tax records which were stored in a basement vault at the old court house. Because of limited vault space in the old building, other record books from the county clerk's office were stored in the same basement vault.

Eight manuscript record books found in the basement vault were turned over to the then county library, which was located in the new building, rather than returning them to the clerk's office. When the regional library was organized in 1953, the books became a part of that collection and were entered on an inventory to the state.

Under terms of state laws governing disposal of public records, the Michigan Historical Commission claimed ownership of the books and loaned them to the library for an indefinite period. The loan was terminated last year and the library returned the books from its Alabaster headquarters to the county building, rather than to turn them over to the state.

While most of the books are of minor historical importance locally, being concerned mainly with temporary relief rolls and reports from the superintendent of the poor, one book contains articles of association of county religious societies from 1868 to 1915 and is important to history of local churches. The volume also lists the only ferry license granted in Iosco County.

"Our main objection is that no county officer had authority to remove these books from the clerk's record collection," said Albert Buch, society president. "The books were and are still important to the clerk's files and should remain here, regardless of the obvious error 16 years ago."

The assistant state archivist pointed out that once a public record book leaves the office of origin, it immediately becomes property of the state historical commission, by law.

John H. Weible, supervisor of Alabaster Township and a member of the county historical society's board of directors, said that the books had now been returned to the proper location in the county building and that further efforts would be made to retain them by the county.

FILING PETITIONS Friday asking for a vote on merging the Tawas and East Tawas were H. R. (Jim) Hilbert, left, and Timothy O'Connor, center. At right is County Clerk Keith Papas, who is to call the election for April 1.—Tawas Herald Photo.

# Petitions Filed; Vote April 1st on Merger

Petitions circulated about three months ago seeking a merger of Tawas City and East Tawas were presented Friday to Iosco County Clerk Keith Papas.

Signed by 61 residents of East Tawas and 55 from Tawas City, the petitions were presented by Timothy O'Connor and H. R. (Jim) Hilbert.

After making a determination as to the sufficiency of petitions, Papas has 30 days to call a vote on the proposition. O'Connor and Hilbert said that a request was made to have the vote coincide with the date of the regular spring election on April 1.

Only last week, a 10-man fact-finding committee was appointed by the Tawas Chamber of Commerce to investigate community feeling concerning the possible merger.

Gar Bassett, chamber president, emphasized that the chamber of commerce was not advocating or pushing a merger of the two communities, but it was interested in learning the feeling of citizens of the two communities.

Harris Barkman and Neal Miller were named co-chairmen of the committee. Members include Allen Schultz, Theodore Moe, Howard Hatton, Donald Eklund, Carl Babcock Jr. and Arthur Ziehl.

Information compiled by this group is to be made public prior to the election.

Original discussion on the proposed merger was started by the Tawas Area Industrial Development Corporation and was continued by a group of interested citizens. Taking an active part have been Mayor James Campbell of East Tawas, John Hosbach, Ralph Western, Richard Harwood, K. Berkeley Smith, Hilbert and Pros. Atty. J. Richard Ernst.

When the merger question was presented to Tawas City Planning Commission last November, a seven to two roll call vote indicated opposition.

## Missionary Set as Speaker at March 6 Meet.

The Rev. George B. Garden, life-long Methodist educational missionary to India, will speak to the joint congregations of East Tawas and Tawas City Methodist Churches at a 6:30 p. m. dinner at the

REV. GEORGE B. GARDEN

East Tawas church Wednesday, March 6.

Mr. Garden recently returned to the United States after 43 years of missionary service. His present home is in Nashville, Tennessee.

As a member of the Hyderabad Conference in Central India, Mr. Garden worked in Vikarabad, Hyderabad City and Zaheerabad. From 1924 to 1946, he was principal of the Methodist Boys' High School in Hyderabad. Following that, he was principal of the Methodist Rural High School at Zaheerabad for 21 years.

Mr. Garden was also a pastor and district superintendent and a member of several all-India church committees, including the Methodist Committee on Overseas Relief, the National Council of Churches and the Economic Life Commission.

Born in Ootacamund, India, the son of missionaries, Mr. Garden was educated in Indian and Canadian schools. In India as a boy, he learned to speak Hindi and English fluently. He received his bachelor of arts degree from Ohio Wesleyan University of Delaware and his master of arts degree from Ohio State University, Columbus. Before going overseas, he taught school for a year in Ohio.

Mrs. Elsie Garden, wife of Mr. Garden, also a missionary in India for 43 years, will be speaking in Mio on the same date.

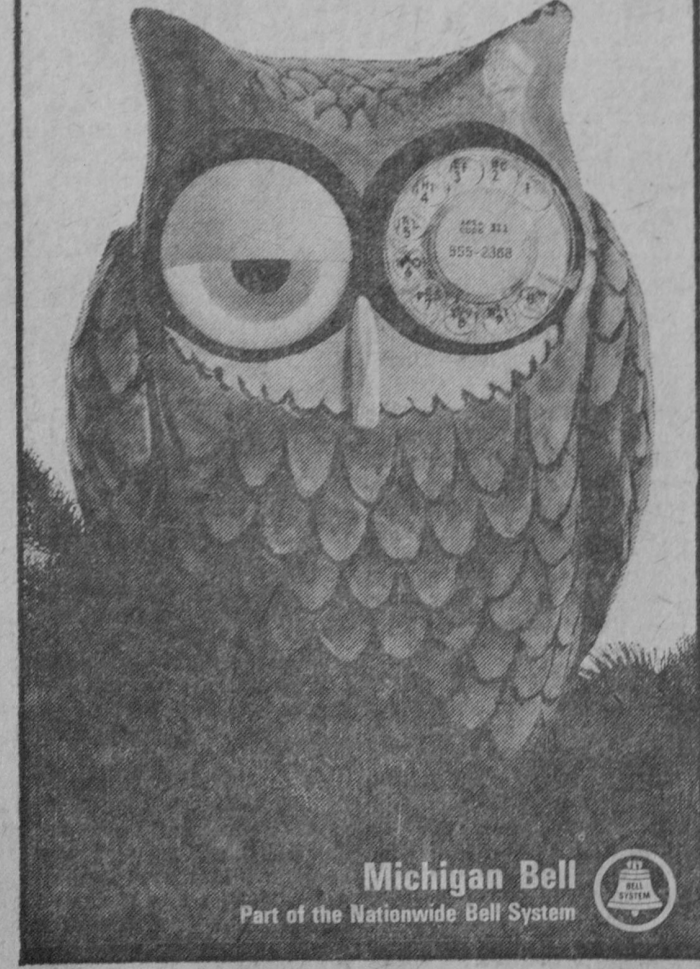

## Give a hoot about savings? Dial direct.

Want to be a wise moneysaver? Then just dial your Long Distance calls direct instead of placing them Person-to-Person. It's one way to cut your phone bill if you are reasonably sure the party you are calling will be there. And it's easy, too.

Just dial "1", then the Area Code, if it's different from your own, and the number you want.

For an idea of how much you can save, here's an example. A 3-minute Person-to-Person call between Detroit and Cincinnati costs \$1.30 at the day rate. Dial direct Station-to-Station and that same call costs only 85¢. You pocket the 34 percent difference.

So be smart. Give a hoot about savings. Dial Direct. It's the moneysaving way to call Long Distance.

## Mother - Son Dinner Held by SJ Altar Society

First mother-son dinner, sponsored by St. Joseph Christian Mother's Altar Society, was held Thursday evening, February 15, in the social center. Included among the 125 mothers and sons attending were Mrs. Frank Wilkusi with her son, the Rev. Fr. Leonard Wilkusi, assistant pastor of St. Stanislaus Church, Bay City, and Mrs. Frank Nelkie, seated at a special table, surrounded by her eight sons, Francis, Russell, Edward, Thomas, Bernard, Cecil, Anthony and Leo. The Rev. Fr. Arthur C. Mulka gave the invocation and Father Wilkusi, the benediction.

Following the meal, the honorees were presented religious figurines filled with cut flowers, as mementoes of the occasion. Mrs. Ethel Fricke, president, extended a welcome and made the presentations.

Program and table arrangements were handled by Mrs. Russell Greene and Mrs. Richard Harris with Mrs. Greene announcing the following program: News commentator, Bruce Harris; "A Sure Sign," Gary Greene; "That's My Boy," Mrs. Gerry Schiell; "America the Beautiful," grade school boys; religious tableau, grade school boys; boy scout skit, Robbie Elliott and junior high boys; "My Son," Mrs. Arlene Reinke; cordavo selections, David Anshuetz.

Theme for the program honored Presidents Washington and Lincoln and table decorations were in keeping with St. Valentine's Day. Each son was presented a religious medal and large valentine candy awards for youngest son was won by Charles Elliott, three, with Thomas Toska, 3½, runner-up. Other prizes were won by Randy Whitford and Mrs. Edward Dusenberry.

Much merriment was provided when the committee supposed it had selected an unusual category and asked for "the oldest unmarried son" present and discovered Father Wilkusi, 30, the winner.

Mrs. Val Fallu was refreshment chairman, assisted by Mrs. Anna Look, Mrs. Louise Lorenz and Mrs. Cora Cooper.

Mrs. Look, mother of 11 children, was surprised with a birthday remembrance and "Happy Birthday" sung when it was learned the occasion was her 73rd birthday.

Father Wilkusi asked that sons remember their mothers each week of the year rather than only on holidays and Father Mulka reminded the guests that where a group was gathered in His Name, there God was also.

## World Day of Prayer Theme

Theme for the World Day of Prayer Friday, March 1, is "Bear Ye One Another's Burdens..." (Galatians 6:2)

The women of the Asian Church Women's Conference were invited to prepare the service for 1968. Mrs. Selvaratnam of Ceylon was chosen to do this in their behalf.

Local women are urged to observe World Day of Prayer at the East Tawas Church of the Nazarene, located on the corner of West Bay and Grant Streets, host church this year. The service begins at 1:30 p. m.

Meditation will be given by the Rev. C. H. Symons, pastor of the Nazarene Church. Special music is planned. Twelve churches will be participating in the program.

S. D. Gordon has said, "Prayer wonderfully clears the vision, steadies the nerves, defines duty, stiffens the purpose, sweetens and strengthens the spirit."

Miss Gladys Klassen is chairman for this year's observance.

## TODAY'S Meditation

from The World's Most Widely Used Devotional Guide

Read Revelation 5:11-14

When my eyes took in this sight I fell at his feet like a dead man. And then he placed his right hand upon me and said: "Do not be afraid. I am the first and the last, the living one. I am he who was dead, and now you see me alive for timeless ages! I hold in my hand the keys of death and the grave. (Revelation 1:17-18, Phillips.)

We grasp the greatness of God by contemplating His wonderful creation. We comprehend His boundless love when we consider the Savior He sent us. We perceive His measureless mercies when we feel the forgiveness of our sins. We marvel at His matchless wisdom when we ponder the precision of the universe.

Many have glimpsed God's holiness, but few have related their experiences. Isaiah, Ezekiel, Paul John are among those who have told unforgettable experiences. Seeing the One so infinitely good and perfect commanded of these men of God their fullest powers of adoration. There followed a complete surrender and an unreserved willingness to do God's will, whatever the cost.

**PRAYER**  
O holy Father, take our lives and let them be consecrated wholly to Thee. Our finite minds cannot comprehend Thee fully, but through Thy Son we have learned to know Thee as our Father, and in that relationship we find our rest. In the name of Thy Son we thank Thee, Amen.

**THOUGHT FOR THE DAY**  
God's holiness commands our fullest adoration and reverence. Roberta B. West (Montana).

# Tawas Area School Hires Reynold Mick

**15 Years Ago—** Reynold E. Mick, for the past six years superintendent of public schools at Ithaca, has been retained to become superintendent of Tawas Area Schools at the beginning of the coming school year. He was selected from a group of 30 applicants for the position.

James Dillon of Tawas City advanced from first vice president to president of the Tawas Chamber of Commerce as it starts its program for the new year.

Michigan High School Athletic Association will open the annual district tournament March 5 at Au Gres High School gymnasium. There will be eight area high schools from the district competing. Class C teams include Standish, East Tawas, Tawas City, Oscoda. Class D teams include Harrisville, Au Gres, Plainfield Township Rural Agricultural School and Arenac Eastern.

An ice jam Friday night caused Dead Creek to overflow its banks. A department of public works crew worked all Saturday morning breaking the jam. Youngsters have been enjoying a skating pond at the intersection of Mathews Street and Sixth Avenue since the water receded.

**25 Years Ago—** February 26, 1943—Mrs. J. N. Sloan, county victory garden chairman, recently received word that

Michigan is expected to produce 286,000 good gardens in 1943. This is an increase of about eight percent over 1942.

Gasoline ration "A" cards and other sufficient reasons may have prevented many area residents from going to Florida this winter, but it did not prevent anyone from enjoying a few days of Florida weather here during the past week. The thermometer registered as high as 80 degrees during one or two afternoons, but folks were back heaving coal into the furnace again Thursday.

Women of East Tawas are active in the sewing and knitting program of American Red Cross. Included in the project were 25 hospital coats. Mrs. Herman Herstrom is chairman of the cutting committee.

Members of the East Tawas Lutheran bowling team participated in the state tournament at Fort Huron. Members are Dale Butterfield, Pete Carter, Bill O'Loughlin, Arvid Carlson, who were joined at the tournament of Scott Shuman and Neil Sheldon.

Bills are being readied to present before congress which would draft labor for war industry, covering both men and women. The draft would be handled on the selective service principle.

**35 Years Ago—** February 24, 1933—East Tawas High School basketball team last Tuesday night won its 16th straight game of the season when it defeated Harrisville, 17-8, to end its regular season of play. Schanbeck was high scorer for the season with 178 points. Coach Steve Young and his team will participate in the district high school basketball tournament to be held at the East Tawas Community Building.

Joseph G. Dimmick was elected chairman of the annual convention of Iosco County Republicans. Arthur Dillon was named clerk.

Tawas City Council has donated the old library building to the American Legion Post.

A test well will be started next week near West Branch to determine the oil producing potentialities of the Ogemaw wild cat field. A previously drilled dry hole near the proposed new well gave indications of oil and gas in the Dundee structures.

A. A. Bigelow, secretary of the Tawas City Board of Education, reported to the Parent-Teacher Association Monday night that, because of the 15-mill limitation, the local school would not have one-half of a normal income next year unless the legislature provides some other means of securing revenue.

## State 4-H Clubs to Hold Leadermete

"Citizenship in a Changing World" is the theme of the State 4-H Leadermete held annually on the campus of Michigan State University, indicates Jerry Malosh, extension 4-H youth agent for Iosco, Ogemaw and Arenac Counties.

Three hundred 4-H leaders from throughout Michigan will gather at Kellogg Center March 23 to give serious consideration to citizenship and the world in which they live.

This event recognizes leaders for the volunteer support they are giving. It provides an opportunity for a discussion of 4-H leader responsibilities, stimulates an exchange of ideas and serves as an inspiration to leaders for their continued work with young people.

Fr. Hugh Michael Beahan, noted speaker from Grand Rapids, will speak on the topic, "Challenge of Citizenship in a Cockeyed World."

The 4-H leaders attending from Iosco will include Mr. and Mrs. Marshall McGuire of Whittemore.

Through informal sessions, the leaders will have an opportunity to discuss new projects, recreation, professional extension roles, teen-ager relationships, records, radio and television programing, council guidelines, working with the disadvantaged, fair and State 4-H Show opportunities.

Dr. Gordon Beckstrand, director of 4-H youth programs in Michigan, will close the conference by helping the leaders think through "citizenship in your perspective."

## Meeting Held on US-23 Designation

Northeastern Michigan area businessmen expressed satisfaction this week with results of the meeting held with highway officials in Lansing regarding redesignation of US-23 from Bay City to Standish.

The meeting arranged by State Rep. George A. Prescott, Tawas City, with the cooperation of W. D. Nunn, highway commissioner, gave businessmen and tourist people an opportunity to discuss the impact an M-13 designation would have on area advertising now printed and distributed with the US-23 highway route featured.

Highway officials assured the group that every consideration would be given their request to designate the strip US-23A (alternate route).

Prescott has been persistent in his efforts to retain every advantage for his lakeshore area in promotional activity. "It is real tough now for the tourist industry and supporting businessmen," Prescott said, "to create a desire for the tourist to turn off the four-lane freeways and visit areas offering miles of shoreline, little towns and forests that would be long remembered."

"Competition is very real for this tourist business," Prescott con-

cluded, "and I am in full sympathy with the reluctance of these people to have to pioneer in advertising a new highway number in bringing visitors to our area."

## St. Joseph Church Scene of Sklepkowski-Pollard Marriage

Janice Lee Pollard of East Tawas and John Francis Sklepkowski of Oscoda exchanged vows Saturday morning, February 24, in St. Joseph's Catholic Church, East Tawas.

The Rev. Fr. Arthur Mulka officiated at the 11 o'clock, double ring ceremony attended by the families of the bride and bridegroom. White and pink carnations graced the altar. Mrs. R. J. Kleon served as organist.

Parents of the bride are Mr. and Mrs. Wayne A. Pollard of East Tawas. The bridegroom is the son of Mr. and Mrs. Stanley Sklepkowski of Oscoda.

Escorted by her father, the bride approached the altar in a street-length A-line gown of white peau de soie and an Empire bodice of French lace. A matching lace pillbox headdress secured her bridal illusion, shoulder length veil. She carried a cascade bouquet of white carnations and pink rosebuds.

Attending her sister as matron of honor was Mrs. Herman Rollin of East Tawas. Mrs. Rollin wore a pink linen street length dress trimmed in French lace with a matching headpiece and short veil. White carnations and pink rosebuds made up her bouquet.

Serving the bridegroom as best man was David Goss of Oscoda. John and Matt Pollard and Rick

Sklepkowski, brothers of the bride and bridegroom, seated the guests.

The newlyweds left for a trip to Washington, D. C., Shenandoah Valley and points south after greeting guests at a reception held in the bride's home.

The latter part of March, they will make their home on campus at Michigan State University, Lansing, where Mr. Sklepkowski will complete his junior year.

# W-P Cards Split in Two Games With Houghton Lake Bobcats

Whittemore-Prescott Cards split their games with Houghton Lake Friday night. The varsity lost, 75-60, but the JV squad came out on the long end of a 54-50 score.

The varsity started off to a 6-3 lead but four straight bad passes and stolen balls by the Bobcats gave them four fielders and an 11-6 lead. A fielder by Rick Gay and a charity toss by Jim Holstine cut the lead to two points but some more sloppy ball handling by the Cards gave Houghton Lake three more fielders and they were on their way.

Early in the second quarter, the Cards were down by 19 points then they tightened up their ball handling and cut the lead to 12 points at half time. Five points by Dean Cole while the Lakers were collecting three cut the lead to 10 as the third quarter opened. A couple of minutes later, it was down to seven but Coach Fox's squad just could not erase that disastrous first quarter and when they tried pressing to get the ball, the Lakers collected enough extra charity tosses to win the game.

The Bobcats had four players in double figures, led by Stevenson with 21 points. The Cards had two in double figures, Dean Cole with 18 and Pat Phelps with 12.

The Card JV squad led all the way but the Cats came within a point a couple of times so Coach Bronson's squad had to keep hustling for its win. Mark Stanyo led the Cards with 16 points.

The Cards go to Beaverton for tournament play. Drawings will be this week.

## Boating Certificates

### Go to W-P Students

Joseph VanDette of Isoco County Sheriff's Department, an instructor for the State of Michigan "Pleasure Boating" course, presented certificates February 23 at Whittemore-Prescott Area School to six graduates of the course. These students have completed the five-hour training in safe boating sponsored by the boat and water safety section of the Michigan Conservation Department. A similar course in New York State has graduated over 70,000 students with not one graduate having subsequently been involved in a serious boating mishap.

The top three students are John Girard, Sherry Farro and Steve Moelter.

The next class is scheduled to start March 4, meeting every day from 9:00 a. m. to 12 o'clock at Tawas Area High School. Those interested in taking this course may contact the Isoco County Sheriff's Department, 362-3485, or sign up at the high school.

## Family Living Education

By CLEMM LENEHAN  
Extension Home Economist  
Sanitation in Laundering  
Research has shown that a suit-

able disinfectant used during home laundering can prevent or reduce the spread of bacterial infections.

Bacteria can remain alive through home laundering and can be transferred from one article of clothing to another during laundering.

Bacteria can also remain alive on the inner surface of a washing machine so bacteria can be transferred from the clothes of one family to those of another when a machine is being used by several families.

A few of the bacteria that are potentially harmful are the "staph" kind that cause skin infections, boils, kidney and respiratory infections. The paracolon types cause intestinal upsets and another causes the "green pus" infections present in skin and kidney infections, as well as middle ear infections.

Neither the water temperatures nor detergents used today reduce bacteria to a safe level. Though some go down the drain with the water, many others stay on the fabrics.

Both time and temperature are important in killing bacteria. For instance, it takes three to five minutes at 212 degrees Fahrenheit (boiling water) to kill Staphylococci, or 20 minutes at a water temperature of 140 degrees Fahrenheit.

Water temperatures in home-type washing machines are not usually 140 degrees Fahrenheit, nor are the cycles usually 20 minutes long. Few people boil clothes anymore, either. The temperature of "hot" setting in most machines range 125-135 degrees Fahrenheit, some much lower. Many more bacteria survive cold water laundering than in either hot or warm laundering.

Read directions on disinfectant bottles carefully. Quaternary types are inactivated in detergent water. These are usually available only in supply houses and must be used in rinse water only. It and the chlorine disinfectant can be used in hot, warm or cold water. Pine oil and phenolic types can be used only in hot or warm water.

Chlorine types are usually the least expensive; use by the bleaching amount. They cannot be used on wool, silk, spandex, or certain dyes or finishes, however.

Finally, sort dirty and clean clothes at different times and do not shake dirty clothes near clean ones or near surfaces where clean ones will be folded. Use clean paper or plastic sheeting to cover any surface when folding clean clothes and use clean plastic to line baskets or carts that have held dirty clothes or those of other families.

Call or write the Cooperative Extension Service office for a free copy of "Sanitation in Home Laundering" that will give directions and identification of kinds of sanitizers.

Now is the time to check the garage and back porch for those unwanted items. Sell them with a Herald classified.

Parcels for airlifting to United States servicemen overseas should be marked "PAL" to help speed delivery, Postmaster Gen. Lawrence F. O'Brien said today.

Mr. O'Brien announced the new low cost parcel service for military personnel on December 27, effective January 7.

Parcels up to 30 pounds in weight and 60 inches in length and girth combined may be sent to United States servicemen anywhere in the world for \$1 each, plus the domestic parcel post charges. The parcels receive airlift handling all the way.

In instructions to post offices covering the new service, the post office department has suggested that the simple designation of "PAL" (parcels for airlift) be used as a standard identification mark. Mailers are encouraged to write or print "PAL" on the outside covers of the parcels.

This provides instant recognition of the parcels as mail entitled to airlift to servicemen overseas and minimizes any possibility that the parcels might be handled erroneously as regular surface domestic parcel post.

## Forest Chats

By STUART BAILEY, Forester  
Huron-Manistee National Forest  
Tawas Ranger District

It is that in 30 years, there will be a demand for wood that far exceeds the supply.

I just became a father for the third time. I am not writing this to relate the news, but the event brought some thoughts to my mind that I would like to share.

If, when I was born 33 years ago, my father would have taken me for a ride around the Tawas District we would have seen the following scenes: Acres of barren or brush covered ground being furrowed with plows drawn by horses and iron wheeled tractors; behind the plows, crews of men planting small pine seedlings about six feet apart; a few camps where the crews had their room and board; on the northwest edge of East Tawas, the Beal Nursery where the seedlings grew until they were planted in furrows.

Now if I was to take my new son over the same trails, we would see that a forest is growing on that ground that was once barren or brush covered. In that forest, men are working the chain saws and tractors with trailers harvesting some of the trees that were planted by the CCC 33 years ago. And if I could see into the future for another 100 years, I would see men still harvesting some of those trees planted in 1934.

If we would talk to those men planting in the 1930s, I am sure they didn't have any idea that the trees they were planting would be used as pulpwood. For at that time, there were no pulp mills near enough to utilize wood grown in this area. And if you asked me what the trees were for now, I would say pulpwood. But I could very probably be wrong. There is a greater probability that the trees will be harvested to fulfill the need of an industry that is not even in existence now.

One thing that we can be sure of

## Conduct Drive for Eyeglasses in 4 Counties

Working together in a real community action project, the Lions Clubs, health departments and Seven CAP, Incorporated, will conduct a drive for old eyeglasses and jewelry during the month of March. Included in the project will be clubs and agencies from the Counties of Arenac, Iosco, Oscoda and Ogemaw.

Items to be collected are eyeglasses, sunglasses, soft eyeglass cases, watches and old jewelry of precious metal scrap. Once collected, these items will be sent to New Eyes For The Needy, Incorporated, New Jersey. Glasses are repaired, classified and shipped to missions throughout the world. The precious metals from old jewelry is melted down and the funds used to buy more glasses.

In return for the articles sent to Eyes For The Needy, Incorporated, Seven CAP has received 35 pair of glasses for use in the four-county area through June 30. This means each county will have eight extra pairs of glasses at no charge to the local Lions Club. The cost of the eye examination is still the obligation of the local club. The glasses are available to needy persons who do not qualify for assistance from existing agencies.

Seven CAP, Incorporated, has requested a quota of 20 pair of eyeglasses per county for next year starting July 1. Mrs. Doris Rea, Seven CAP supervisor, stated that a good showing by the eyeglass drive will better chances of

having the quota increased to 20 pair per county.

Mrs. Rea also stated that Seven CAP would handle the pickup, packaging and shipping of the items to New Eyes For The Needy. East Lions Club will conduct its own local eyeglass drive.

### Electric Heat Will Fit Your Home

Whether your house dates back to great-grandma's time or is of ultra-modern design, you can enjoy the wonderful comfort and convenience of modern electric heating.

The wide variety of electric heating systems available on the market today makes it easy to meet all kinds of building and remodeling plans. Depending on your heating needs, you can choose electric heating units that are built into walls, floors, even ceilings... or a central heating system that uses electrically-heated air or electrically-heated water. You can use one system throughout your home or team several types together.

But no matter which style you choose you can't lose, when you heat...Electrically!

P.S. And when you talk with your dealer ask him about the SPECIAL ALLOWANCE for increasing your electric service entrance capacity.

## LEGAL NOTICE

**TAWAS TOWNSHIP**  
Proposed Zoning Ordinance Changes

Notice is hereby given that a public hearing will be held at the Tawas Township Hall on March 4, 1968, beginning at 7:30 p. m., in connection with proposed changes in the Tawas Township Zoning Ordinance. Proposals at hand represent changes in classification from residential to commercial and include the following areas:  
Proposal No. 1  
Section 24, T22N, R7E—SW 1/4 of SW 1/4  
Extend existing commercial zoning in the southwest corner of Section 24 eastward 33 feet, thereby creating a rectangular commercially-zoned area 363 feet east by 330 feet north in said corner of Section 24.

Proposal No. 2  
Section 24, T22N, R7E—SE 1/4 of SE 1/4  
Extend existing 330-foot square commercially-zoned area in the southeast corner of Section 24 westward 296.7 feet, more or less. Such extension would bring about a total commercial classification in the southeast corner of said section comprising a rectangular area north 330 feet by west 626.7 feet, more or less. Extension as above outlined would be subject to a restriction to the effect that no commercial building would be permitted to be erected on the west 60 feet of the extended area.

Any objections to the zoning changes above listed will be heard at the date, time and place indicated. Thereupon, the zoning board will make recommendation for appropriate action by the Township Board.

**JOHN J. KATTERMAN**  
Secretary  
Tawas Township Zoning Board 6-1b; 9-1b

# Tawas Area Cadet Band Wins Top Rating at District Festival

Tawas Area Cadet Band traveled to Clare Saturday and received the highest possible rating—four 1's—in the District IX Festival of the Michigan School Band and Orchestra Association.

This marks the fourth consecutive year that the cadet band has attained this high honor.

An I rating makes the band eligible to participate in the state festival which is to be held April 20 at Ovid-Elsie.

Bands from Clare, Houghton Lake, West Branch, Oscoda, Pinconning, Standish-Sterling, Roscommon, Atlanta, Whittemore-Prescott and Tawas participated in the festival.

The band played an Italian march, "A Santa Cecilia," the class C required selection, "Italian Masters Suite," and "Sonatina for Band" as the selected number.

Adjudicators for the festival were Harvey Brien, Ithaca High School; Walter P. Cole, St. John's High School; David Merkel, Bad Axe High School; Steven Wolf, Mt. Pleasant High School.

Accompanying the band as chaperones were Mrs. Shirley Deering, Mrs. Merlin Look, Mrs. Raymond Coleman and Mrs. Richard Harwood.
