

Many Tragedies Struck Iosco County During 1967

Tragedy headlined news coverage by The Tawas Herald during the past 12 months.

In the annual year-end review of the top 10 news stories which took place in Iosco, such headlines as "20-Year-Old Man Faces First Degree Murder," "County Records Five Highway Deaths in Five-Day Period," "Search Continues for Two Youths Who Disappeared in Fog" left little doubt as to what were the principal stories of 1967.

The first three months of the year saw only routine news concerning such happenings as the big snow storm which paralyzed the state during the last week of January, the annual Perchville program in February, a milk strike, financial problems of the county and schools, etc.

April started with Western Iosco schools being closed by a road mud bath, the county reappointment law was ruled invalid by the state supreme court and then tragedy dominated front page headlines.

On April 13, a 32-year-old Plank Road mother of five was murdered on Townline Road west of Tawas City. Her confessed slayer, Jonathan L. Putnam, turned himself in at Pontiac and was returned to Iosco County to face a first degree murder charge. Nearly seven months later, Putnam was sentenced to prison for a term of 50 years to life on a reduced charge of second degree murder.

April continued in this same vein when two airmen from Wurtsmith Air Force Base disappeared during a canoe trip down the AuSable River and their bodies were not recovered until two weeks later.

The first week in May started off with another black headline when burglars escaped with \$37,275 in loot after cleaning out a safe at the Whittemore Branch of Farmers and Merchants State Bank. The burglars were never apprehended.

Before the month of May ended, tragedy struck on Iosco highways and, before the year was over, this county had its worst traffic fatality record in history with 18 deaths. Within a five-day period in May, five persons were killed. First to die during that period was Wilfred Hughes of Alabaster, killed in an auto accident on South US-23, followed by three fatalities, William H. Newhouse, Randy L. Roach and Frederick A. Remont Jr., all of the Tawasess, who were killed in a two-car crash on M-55. Mrs. Harvey H. Smith, 32, became the fifth victim in an accident on M-65.

In late June, two St. Charles youths camping with a church group at Tawas Point State Park disappeared into a heavy fog blanketing Tawas Bay and were drowned. Their bodies were not found until a week later.

In July, Allen J. Paulson succumbed to second degree burns which he received June 24 when his home at Tawas Lake was destroyed by fire. The Labor Day week-end saw two Tawas City teen-agers, Martha Ann Cain and Carol Joyce McArdle, listed among 44 traffic fatalities in the state when they were struck and killed while walking along Newman Street at East Tawas. That same week-end, Lt. Douglas Evans of East Tawas was killed while exploring a cave in New Mexico.

After these tragic stories, the Herald has selected the following as among the top 10 news happenings of 1967 in Iosco: December 13—A three-year program aimed at equalizing assessments throughout Iosco County is nearly completed and Henry Oates, county tax equalization director, estimated that Iosco's new tax base would be \$82,500,000, an over-all increase of approximately 78.6 percent.

August 23—Hundreds of spectators lined the two-mile parade route from Eagle Park to Sand Lake to conclude a week-long observance of Grant Township's centennial celebration.

April 12—Reapportionment of Michigan's county government under a new law passed last year by the state legislature has been declared invalid by the state supreme court. At its March meeting, the Iosco Board of Supervisors has adopted a nine-man commission to replace the present board of supervisors.

May 10—Crews from the United States Bureau of Commercial Fisheries, Department of Interior,

started a comprehensive survey for lamprey infestation on three Iosco streams. This was followed by a poisoning program later in the summer to rid streams of sea lamprey. In late October, the Michigan Department of Conservation planted adult coho salmon in the East Branch of the AuGres River.

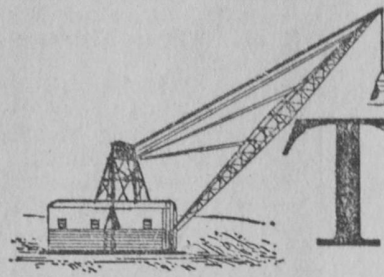

August 30—Tawas Area School voters approved a special proposal increasing the tax limitation by 1½ mills for one year. The special levy, yielding about \$44,000, was added to the 8½ mills received from the county allocation board. This, plus one mill voted in

1966 for operation, allows a total of 11 mills for operation during 1967-1968. Two months prior to this, Whittemore-Prescott Area School voters approved a \$170,000 bond election to finance three construction projects.

March 1—Confirmation of a \$120,000 grant for East Tawas' primary sewage treatment plant, outfall sewers and interceptor sewers was received from Washington, D. C. This sewer construction project is currently under way.

March 15—Another stepping stone in a 25-year dream of the Tawas—expansion and modernization of port facilities—was reached when United States Army Engineers approved a \$900,000 construction program at the Michigan Waterways Dock, East Tawas. In December, it was stated that federal participation in the project depended upon legislation in congress.

The above stories are but a few of the major happenings which took place in the county during 1967 and recorded on pages of The Tawas Herald, which starts its 84th year of continuous service to Iosco residents.

Races to Spice First Primary

A late "rush" at Tuesday's filing deadline assures Tawas City of an interesting primary election February 19 to name candidates for the annual spring election in April.

Two candidates filed Tuesday for the vacant position as First Ward supervisor. They are Ben Brewer and Dr. E. B. Cavell Jr. This is the first time either man has run for public office on an official ballot, although Cavell was an unsuccessful slip candidate in last year's election.

A two-way race for Second Ward supervisor came about following recent reapportionment of the city's three wards. John Hosbach, incumbent Second Ward supervisor, is to be opposed by Clement Stephan, who had been First Ward supervisor and is a resident of the Second Ward following the boundary change.

Also spicing the election will be a race for the Second Ward alderman's chair. Clyde Evril, veteran councilman, will be opposed by Frank Roti, retired city police chief.

Unopposed on the ballot for city council will be Daniel Ulrich, First Ward incumbent, the lone Democrat to file in the election, and Howard Hatton, Third Ward alderman. Clarence Everett, Third Ward supervisor, is unopposed. City officers unopposed include Russell A. Rollin Sr., mayor; Mrs.

Ruth Albertson, treasurer; Walter Nelson, clerk.

Residents who have been transferred to the Second Ward from the First and Third Wards will be required to re-register for the primary election, first in the city's history. Official notification is to be made.

Council Hears Construction Report for '67

A year-end report on construction in Tawas City during 1967 was included in a comprehensive 18-year tabulation of construction here presented at Tuesday night's meeting of the Tawas City Council.

Total construction during the past year was \$137,265, according to Reginald Bublitz, superintendent of public works. There were 59 building applications approved during the year.

The year's construction total was slightly higher than the preceding year, which saw 59 permits for a total of \$132,419. Bublitz's breakdown indicated there were three new homes constructed at a cost of \$55,000, as compared to two last year at \$51,000; there were four new private garages, \$3,480, compared to five the preceding year at \$4,000; 39 home alterations totaling \$27,985, as compared to 38 the previous year totaling \$15,059.

There were two commercial alterations totaling \$600, as compared to six the previous year at \$4,660. There were five new commercial buildings constructed at a cost of \$48,500, as compared to five the previous year at a cost of \$49,000. Two miscellaneous permits totaled \$1,700, as compared to \$7,800 for two permits the preceding year.

Bublitz said that the city had issued 913 building permits since 1950 totaling \$4,653,896. This included many public buildings.

From 1950 to 1967, there were 130 new homes constructed at a cost of \$1,127,016; 140 private garages, \$113,640; 442 permits were issued for home alterations, \$442,379; 91 commercial alterations and repairs, \$335,543; 96 new commercial buildings, \$2,264,894; other permits, 14, \$370,424.

Bublitz said that peak construction years for homes came in 1955-1956 and lowest years were in 1950 and 1966.

He said that an excellent sign of city improvement was in the number of home alteration permits being issued, which had shown a steady increase each year.

Constable's Auto Stolen at Hale

Theft of a car owned by Joseph Bannister, Plainfield Township constable, is under investigation at Hale. The car was stolen Thursday night and later found in a ditch. Officers said that the vehicle had been damaged extensively.

A NEW MACHINE to print state revenue stamps on property instruments filed at the Iosco Register of Deeds office was received last week. Mrs. B. William Olsen, deputy register of deeds, is shown demonstrating the machine. The unit either prints directly on the document or prints on a strip of paper to be attached. The

change came about through the state taking over revenue received through property transfers, formerly handled by the federal government. It will mean that Iosco will receive an additional \$8,000 in revenue annually.—Tawas Herald Photo.

Two Places Hit

Burglars Strike Again at Hale; Safe Cracked

Two burglaries at Hale are under investigation by the Iosco Sheriff's Department.

A safe was cracked sometime Thursday night or early Friday morning at the Blue Room operated by Wayne Allen. Officers said that \$30 was taken from the safe, along with \$65 from coin operated amusement machines and \$20 from a coin changer.

It was reported that the amusement machines had been damaged to the extent of \$2,000.

The burglars also hit the Hale Sunoco service station operated by Ashley Bell. Entry was made by breaking through a rear door. Files were scattered on the floor and \$15 in change was taken, along with a handgun.

Two weeks ago, burglars cracked safes at Hale Lumber Company and Ammond-Resteiner Oil Company.

Firemen 'Knocking on Wood' After Past Year's Record

Tawas City Fire Department is knocking on wood. Last year saw one of the best fire records in recent history.

Fire Chief James Lansky announced Tuesday that his department had answered 26 fires during the past 12 months. This included 12 in Tawas City, 10 in Tawas Township and four in Alabaster.

Included were four automobile fires, eight heating equipment blazes, five grass fires, four building fires and five classified as others.

Tawas City had one building fire, a smokehouse at Robert Rollin's fish market and service station.

Total loss by fire, according to Reginald Bublitz, superintendent of public works, was negligible—less than \$1,000. But, as he told Tawas City councilmen Tuesday night, firemen are knocking on wood.

Total fees paid to volunteer firemen, including practices, amounted to \$3,065.

FRANK BERTSCH, 65, a veteran employee of the Detroit and Mackinac Railway, finished painting his last railroad car Friday and ended 45 years of employment. "I wish I had a dime for every gallon of paint that I have used on this job," quipped Bertsch. He started his long career with the D&M on April 4, 1922, working in the coach shop as a helper. He and his wife, Margaret, plan to vacation this winter in Florida and then will return to Tawas City in the spring and Frank will go to work in his garden.—Tawas Herald Photo.

Postage Increases Effective January 7

Increased rates for all classes of mail except parcel post and international mail will go into effect January 7, Postmaster Martin Kasischke reminded postal customers this week.

"Even with the new rates of six cents for first-class mail and 10 cents for air mail, postal service is still a real bargain," Postmaster Kasischke declared. "For six cents you can send a letter to any of the 50 States, to any United States territory or possession, to Canada or Mexico, or to an American serviceman stationed anywhere in the world."

He pointed out that the new rate for post cards will be five cents and for air mail cards eight cents.

He said the added cent in the letter rate is a 20 percent increase compared to a 24 percent boost in the rates for mailing newspapers and magazines and a 34 percent hike for advertising circulars, "occupant" mail and other material in the third-class category.

The new rate of six cents per ounce for first-class mail applies up to 13 ounces and the new rate of 10 cents per ounce for air mail applies up to seven ounces. Under the new rate structure all first-class mail over 13 ounces and all air mail over seven ounces will be merged into a single category.

These heavier pieces of first-class and air mail subject to the single rate schedule will be delivered by the fastest available means of transportation.

A flat rate of 80 cents will be charged for all mail in this category up to one pound. For all mail weighing more than one pound, the present air parcel post rates will continue to apply, except that the postage on matter weigh-

ing between one and five pounds will change at half-pound intervals rather than one-pound intervals.

The new rate structure will mean a reduction of postage on some parcels.

Another rate change that will affect the general public is the increase from four to six cents for the first two ounces of individual pieces of third-class mail. Unsealed greeting cards may be sent at this rate.

He emphasized that the new rate on unsealed greeting cards will not go into effect until January 7 and until then they can be mailed at the old rate of four cents.

Kasischke also noted that effective January 7, special handling will be available on third-class parcels weighing between eight and 16 ounces. Special handling has not been available on these parcels since 1958, when packages weighing between eight and 16 ounces were transferred from fourth to third-class mail.

There will be no changes in the charges for special delivery, special handling, registered mail, certified mail, cash on delivery or insurance.

"We have an ample supply of one-cent stamps on hand," Postmaster Kasischke said, "for those people who have five-cent stamps and need one-cent stamps to make up the postage required under the new rates."

Higher rates also will go into effect January 7 for all categories of second-class mail, bulk-rate third-class mail, controlled circulation mail and educational materials category of fourth-class mail. Mailers using these classes who need information on the new rates should contact the local post office.

Charles H. Hill, Former Plant Chief, is Dead

Charles H. Hill, former manager of the National Gypsum Company plant at National City, died Tuesday morning at Tolfree Hospital, West Branch, following a six-month illness.

He was born July 20, 1915, at Schenectady, New York.

Hill served as plant manager at National City from 1951 to May 1959. He and Mrs. Hill had resided northeast of Whittemore since then.

He is survived by his wife, Jean, and one sister.

Funeral services are to be held Friday, 2:00 p. m., at Jacques Funeral Home, Tawas City.

Friends may call after 7:00 p. m., Wednesday, today, at Jacques Funeral Home.

Machines Replace Old Dobbin, Shanks' Mare and Dog Sleds

Nine Western Michigan residents set out December 27 to prove that the Northern Michigan Hiking and Riding Trail could be traversed coast-to-coast by snow machines.

The hiking and riding trail has proven popular during summer and fall for those riding horses or by walking, but this was the first attempt to cross the state on snow machines.

Starting from Empire on December 27, the group used seven machines under sponsorship of Trav-

erse Bay Marine and under the direction of Gerry Payne, a member of the Michigan Snowmobile Association.

Staying at motels along the route, the group reached Lost Creek Sky Ranch Friday night and then continued to the Tawasess on Saturday. Arriving here that noon, they drove out on the ice of Tawas Bay to complete the journey from Lake Michigan.

Those making the first trip were from Traverse City, Interlochen and Grayling. The group prepared

the noon meal each day along the trail.

Itinerary for the junket was mapped out by Richard Hardy of Lost Creek Sky Camp and associated with the Michigan Trail Riders Association.

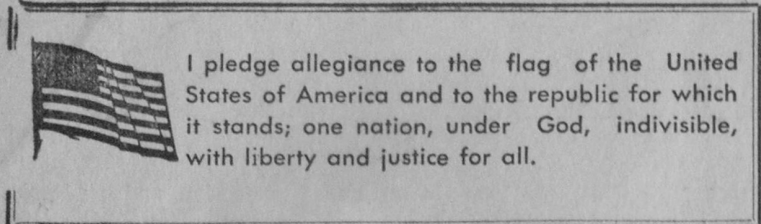

The group was met at Gordon Creek Campground in the Huron National Forest and welcomed by Gar Basset, president of the Tawas Chamber of Commerce, and members of the board of directors.

The group had lunch at the Barnes Hotel following a tour.

LINED UP at Gordon Creek Campground are seven snowmobiles which transported nine Western Michigan residents over the

Northern Michigan Riding and Hiking Trail, arriving in the Tawasess last Saturday.—Tawas Herald Photo.

Read Matthew 17:14-20
Faith is the assurance of things hoped for, the conviction of things not seen. (Hebrews 11:1, RSV)
In our senior citizens home there is a woman of faith whose husband was a great teacher in a university of note. Today, he lives in a world of fantasy. Nevertheless, his wife has found serenity. It is a joy to watch her smile and see the light in her eyes. She is clothed in the armor called faith.

PRAYER
God of the years, lead us by faith to trust even when we cannot see. Help us that we may be numbered among the valiant ones who prove their faith in Thee. For the sake of Jesus, our Savior, who taught us to pray, "Our Father who art in heaven... Amen."

Wage Hikes Authorized by State Board

15 Years Ago—
January 2, 1953—The Michigan Wage Stabilization Board has approved general wage increases for hourly-rated employees of two Iosco gypsum companies. Approval was given for a four-cent-an-hour raise for 238 employees of National Gypsum Company, National City. A five-cent per hour increase was approved for 130 employees of United States Gypsum Company, Alabaster.

Henry Bronson, for 33 years operator of a barber shop at Whittemore, has retired and he and Mrs. Bronson will live at East Tawas.

Wallace Grant, adjutant, announces that there will be a special meeting of Iosco Post No. 56-78, Veterans of Foreign Wars, to discuss a building site.

Elwood Bronson, supervisor of Silver Valley winter sports area, said yesterday that if weather conditions were favorable, toboggan slides would be prepared for this weekend.

Ervin Major, Standish automobile dealer, who drilled for oil where veterans of the business hesitated, Wednesday sold his holdings in the Deep River pool of Aronine County for a reputed \$2,000,000.

25 Years Ago—
January 1, 1943—There will be very little change at the courthouse when county officers take up their duties for the 1943-44 term. Herbert Hertzler becomes prosecuting attorney, succeeding T. George Sternberg, E. D. Jacques succeeds D. Arthur Evans as coroner and Carl R. Small succeeds John Applin, who retired as surveyor. This is the beginning of the fifth term of office for Sheriff John Moran, County Clerk Russell McKenzie, County Treasurer Grace Miller and Register of Deeds Marjorie M. Lickfelt.

Ed Vaughn of Oscoda is the proud possessor of a 40-year continuous membership emblem given by the Grand Lodge of the Brotherhood of Firemen and Engineers. He joined the order in 1902 as an employee of the Detroit and Mackinac Railway.

Six of the eight eligible members of Boy Scout Troop No. 73, with their scoutmaster, were the overnight guests of J. H. Leslie at his cottage on Chapel Lake.

35 Years Ago—
January 6, 1933—William A. Comstock assumed his duties Monday as governor of Michigan.

Ted Jacques of Lincoln spent the week-end at his home at Whittemore.

Will White of Reno had the misfortune to have his right arm broken while cranking his car New Year's Eve.

Return to the tax rolls of all the lands under jurisdiction of the conservation department would make no appreciable difference in the state's tax load, George R. Hogarth, director, said recently. He pointed out that practically all of the department controlled lands are in Northern Michigan where acre values are low. He said that even if an assessment valuation of \$3 per acre were allowed for the 2,000,000 acres under his department's jurisdiction, the shifting of assessments over the state would be only 1-15th of one percent. On the other hand, he asserted, these lands are highly valuable for recreational development which will later return compensation to the state.

Two snowmobile trails have been prepared on the district and await a good heavy snow fall. The Gordon Creek snowmobile trail starts at the Gordon Creek Horse Trail camp, 2½ miles south of the monument on the Monument Road. It is a 13-mile trail

roughly the same as the one we had last year for Perchville festival.

Parking space is available at the starting point and the trail is marked with orange plastic ribbon on lath posts. Maps are available at our office.

The trail utilizes part of the Horse Trail, woods trails and forest development roads in the area west of the Monument Road and south of the River Road.

The other trail being marked this week is at Silver Valley. The trail consists of two loops, one about three miles long the other about one mile. This trail features winding woods trails and fairly steep hills. Parking will be available in the old parking lot. The vehicle entrance roads will be marked as one way drives with the entrance to the area being the road one quarter mile south of the main Silver Valley entrance. Exit will be by the main entrance road. The north road which is usually the exit road will be blocked off for use by snowmobiles.

The lodge at Silver Valley will be left open for general use during the winter and a broom will be kept in the building for do-it-yourself clean up by those who use the building. Outdoor toilet facilities are available at both areas.

At Silver Valley, the old ski hills will be off limits to snowmobiles. We consider them too dangerous and need to protect the erosion control investment we have there to protect the trout stream.

Rules that apply to the use of the areas and safety suggestions will be posted at the start of each of the trails. We hope to keep them simple. We can if the basic rule of good common sense is employed by snowmobile operators. We need everyone's help to prevent littering the trails and parking areas and avoiding damage to the forest and the facilities at the two camp areas. The more time we spend repairing buildings, changing glass windows and picking up garbage, the less time we will have to develop better and more trails and facilities.

Maps and more information are available at our office. All groups planning to use the facilities for large public affairs or meets must get clearance from this office in advance.

Cederberg's Aide to Visit County

This month's visit of Cong. Elford A. Cederberg's district staff man to Iosco County is scheduled for Wednesday, January 10. Walter Nakkula will be in the county building in Tawas City between the hours of 2:00 p. m. and 3:00 p. m. on that day.

Area residents having views they would like to have referred to the congressman or specific problems involving government agencies they would like to have him handle are urged to give them to Mr. Nakkula.

24 Fatal Accidents in 1967

TRAGEDY STRUCK IOSCO COUNTY during the past 12 months when 18 persons were killed on county highways. The top picture was snapped at a two-car collision on M-55 which claimed the lives of three persons. The county registered five drownings and the lower picture shows the recovery of one body from Tawas Bay. One person died of burns received in a residential fire. —Tawas Herald Photos.

LETTERS to the EDITOR

Tawas Herald,
Tawas City

May I be allowed to contribute my two cents to the legend of the Thompson farm from stories I have heard my father tell?

My parents worked on the Thompson farm in the late 1880s; my mother as cook for 20 men and my father, Seth McKeen, in the woods and on the farm. His cousin, George Levenseller of East Tawas, was foreman. Both men came from Maine and Mrs. Levenseller later returned there.

The water for the farm at that time did not come from wells but from a device called a ram built in the river, which forced river water up the incline to the house and water troughs for the animals. It was regarded as a wonderful machine.

Mr. Thompson was six feet, four

inches in height and a carpenter built an extension on his bed. His wife was a daughter of Mr. Bar-ringer, another lumber baron of Saginaw.

They had two sons, Thomas and Henry. "Tom," also a red head and well over six feet tall, married Pauline Bossett of East Tawas, who was nearly as tall as he. They made a very handsome couple.

In 1900 and 1901, young Thompson came back to the farm and cut the remaining timber for fence posts and railroad ties, but it was a losing venture. He later moved to Florida.

Mrs. Cora Johnson

To the Editor:

Just a warning may not be enough. "The life you save may be your own."

This morning, we noticed two ice sailing boats south of the East Tawas dock and even much further and way out on the thin ice with cracks and water showing

visibly from shore. Also the snowmobile will attempt to test out the ice. The further the testing, the more danger of breaking through.

Some authority should be invested to make safety all around; for pedestrian as well as the operators. It will be sheer fun until an accident occurs or even drowning mishaps. The Houghton Lake accident should be a warning.

Let us all have a Happy New Year.

Sincerely,
Gerrit J. Meengs

Tough Turkey?
Was your last turkey a little tough? Well, it may not have been your fault.
Food scientists say that poultry tenderness is affected by the "degrees of bonding within the muscle fibers" and is related to the ability of the muscles to contract when the bird is either living or dead. Breaks occur within protein chains at the same time that poultry muscles become tender.
Poultry meat can become tough if birds are frozen too quickly or overcooked soon after they have been killed. Of course, it can become tough because of dryness if overcooked at home, too.
None of this toughness affects the nutritional value of the meat, according to Dr. James Price, Michigan State University's food scientist, and he says most of us really would not consider this tougher meat unacceptable.
It is surprising that there is a greater chance of getting a tough younger bird than an older one since bio-chemical changes occur very rapidly in mature turkeys so the chance is good that the change took place before the scalding or freezing process in the older bird.
Kinds of Instant Coffee
Instant coffee, once just a curiosity item, is today one of the first foods we point to as an example of a "convenience" product that is less costly to use than the "do-it-yourself" original.
Since expenditures for coffee average about \$21 per family per year, the price difference between the two forms could make a difference in the total food bill.
The processes employed in making instant coffee... the temperatures, pressures, methods used to preserve the aroma and the drying techniques... have been among

the food industry's best kept secrets. This is rather remarkable, coffee people say, because seldom in food history has a product gone so far so fast in capturing the attention and loyalty of food shoppers.
Newest instant coffees are freeze-dried, a method that first freezes the liquid coffee and then extracts the water (as ice) under vacuum conditions. The resulting coffee granules are larger than those of conventional instant coffee, but they dissolve just as readily when hot water is added... most people who have used it insist that this product is superior in both flavor and aroma to the spray dried type.

Explains Doctor Bill Medicare Insurance

Harvey Mulder, assistant manager of Social Security in Bay City, reports, "Many older people are asking these days: 'Now that I have been given another chance to sign up for the doctor bill insurance part of medicare, will somebody tell me whether this is a good buy?'"

Mulder explained that those persons who were 65 or older in 1965 could enroll for the voluntary medical insurance part of the program in any of the last three months of 1965 and the first five months of 1966. Those who reached 65 after 1965 have the three months before the month they were 65, that month and the

three months thereafter to get this protection for themselves.

Now, as provided by law, those who originally turned it down have an opportunity to reconsider their earlier decision. Then, if they decide to sign up, they may do so at any time in the last three months of 1967 and the first three months of 1968.

Medical insurance helps pay doctor bills and other medical services not covered under the hospital insurance part of medicare. Services of doctors are covered no matter where received—in their offices, the home or in a hospital. Up to 100 home health visits a year by nurses and other health workers are also covered, as are laboratory tests and various other medical services and goods, he explained.

"As to whether it is a 'good buy,' I can only point out that the older person pays only half of the premium costs, with the government paying the other half. This has been \$3 monthly for each since the program started and will continue in this amount at least through March. As provided by law, studies are going on as to whether the present rate will have to be increased and by how much," he said.

A social security representative for this area will be at the Isoco County Building, Tawas City, Thursday, January 11, from 10:30 a. m. to 2:00 p. m.

James R. Dotter Funeral Held December 31

The Rev. William Lindholm officiated at funeral services for James R. Dotter of East Tawas Sunday, December 31, at Moffatt Funeral Home, East Tawas. Burial was in Greenwood Cemetery. Mr. Dotter died Thursday, December 28, at Tawas Hospital.

He was born April 26, 1894, at Pennsylvania.

Surviving are his wife, Ida; two sisters, Mrs. Helen Bilek and Mrs. Minerva Sundberg of Detroit.

Proceedings of Iosco Board of Supervisors

DECEMBER SESSION

December 6, 1967

Pursuant to October adjournment, the Iosco County Board of Supervisors was called to order at 9:30 a. m. by Chairman Smith and roll call ordered. The following supervisors were present: Belson, Blust, Campbell, Chrvia, Everett, Gerard, Hester, Higgins, Hoshbach, Jocks, Kasischke, Little, Lixey, McElheron, Mead, Mielock, Smith, Stephan, Weible. Absent: None.

The regional library treasurer's reports for the months of October and November were submitted by Mr. Gerard to be placed on file in the clerk's office.

Communications were read and referred to the proper committees by the chairman.

At 10:55 a. m., the chairman ordered a 10-minute recess.

Upon call to order, the chairman advised the board that a report from Mr. Oates concerning completion of appraisals, sales study figures, etc., would be made a special order of business for 3:00 p. m.

Mrs. June Scott, chairman of the Emergency Economic Stabilization Program for this area, appeared before the board to submit materials and information from the Office of Emergency Planning necessary for the implementation of a program for direction of civilian affairs in the event of military attack. Some consumer rationing materials were delivered by the chairman to the clerk in sealed envelopes, to be kept on file and opened only in emergency or on order from the Office of Emergency Planning. In connection with the program, Chairman Smith announced that the following officers would be named at the January session of the board: County Director of Economic Stabilization, Director of Consumer Rationing, Director of Price Control, Director of Rent Control.

Upon request of Supervisor Little, the chairman declared that the opening of sealed bids for a new car for the sheriff's department would be made a special order of business for 3:30 p. m.

Marvin Davenport requested a meeting with the cooperative extension committee.

Committees were ordered to their respective duties, balance of the board to be at ease subject to the call of the chair.

Upon call to order at 11:55 a. m., Supervisor Weible moved that the historical books now being stored at the regional library be stored in the vault in the Register of Deeds office. Motion supported by Little and carried.

Upon motion supported and prevailing, the board recessed until 1:30 p. m.

AFTERNOON SESSION

Upon call to order at 1:30 p. m. the chairman ordered roll call. The same supervisors were present as at the morning session.

Mr. Neil Luedtke, local insurance agent, appeared before the board and introduced Mr. Harold Martin of the Union Mutual Insurance Company who addressed the board to submit and explain a proposed retirement pension plan for the county employees. After Mr. Martin's presentation, the chairman referred the matter to the insurance committee for study.

At 2:00 p. m., the chairman officially opened the public hearing on the proposed 1968 county budget.

Motion was made by Little, supported by Mielock, to lay the budget on the table until 3:00 p. m. to allow one hour for anyone wishing to examine or protest the same. Motion carried.

Mr. Little presented the following resolution from the finance committee and moved its adoption:

Honorable Board of Supervisors Gentlemen:

The finance committee recommends that the judge of probate, clerk, treasurer and register of deeds attend the winter convention.

Signed: Little, Kasischke, McElheron

Supported by Blust and carried unanimously.

Mr. Kasischke read the following resolution from the agriculture committee and moved that it be adopted:

Honorable Board of Supervisors Gentlemen:

We, the agriculture committee, recommend acceptance of the financial statement submitted by the Iosco County Agricultural Society covering activities of that organization for the year, 1967.

Signed: Kasischke, Mielock, Little

Supported by Mielock and carried.

Mr. Mielock reported on the East Central Michigan Economic Development District, advising that they held a meeting on November 6 for election of officers

at which time Floyd Socia of Bay City was named president and he vice president. He stated that there is a meeting scheduled for December 7th, at which they will begin hiring personnel. Mielock also advised that they will have a bill introduced in the house seeking representation from each county.

Mr. Lixey introduced a resolution from the floor concerning a review of the appraisals on some of the hunting lands and lake front properties, which was tabled until 3:00 p. m. at the request of the chairman with the board's approval.

Mr. Little reported on the District Health No. 2 meeting at West Branch on December 4, indicating that Dr. Lambert's resignation as director will become effective the first of the year and that an attempt is being made to secure a replacement. He advised that the nurses will carry on as usual and the services of local physicians will be sought when necessary until a new director is named.

Little also reported on his attendance at the EMTA meeting which was held at Bay City on October 18, advising that appropriations from most counties had been increased to cover the rising costs.

Mr. Mielock also reported regarding the recent district health meeting, stating that Mr. Max Renwick was appointed assistant director and would help out one or two days a week until a new director is obtained, although he is retiring from regular service the 18th of December.

Mr. Jocks delivered a report concerning his attendance at the conference for tax assessing officers held at Traverse City on October 31-November 1. He indicated that the meeting was very instructive and outlined the most important points for the benefit of the board.

Mr. Little commented briefly on the same meeting in regard to public works, etc., being assessable unless they are dedicated to public use on the plat.

Mr. Everett reported for the building authority committee and presented the following resolution:

Honorable Board of Supervisors Gentlemen:

Your building authority committee recommends the acceptance of the following articles of incorporation and that the county clerk follow the directions as to printing and filing the same.

Signed: Everett, Lixey, Campbell

ARTICLES OF INCORPORATION OF THE IOSCO COUNTY BUILDING AUTHORITY

The Articles of Incorporation re adopted and executed by the incorporating unit for the purpose of creating a Building Authority, under the provisions of Act No. 31 of the Michigan Public Acts of 1938 (First Extra Session), as amended.

ARTICLE I
The name of this Authority is IOSCO COUNTY BUILDING AUTHORITY.

ARTICLE II
The name of the incorporating unit creating this Authority is the County of Iosco in the State of Michigan (herein sometimes referred to as the "Incorporating Unit").

ARTICLE III
The purpose of this Authority is to acquire, furnish, equip, own, improve, enlarge, operate and/or maintain a building or buildings and the necessary site or sites therefor, for the use of the County of Iosco.

ARTICLE IV
This Authority shall be a body corporate with power to sue and be sued in any court of this state. It shall have a corporate seal. The corporate limits of the Authority shall be the same as those of the County of Iosco. The Authority shall possess all the powers necessary to carry out the purpose of its incorporation and those incident thereto. The enumeration of any powers herein shall not be construed as a limitation upon its general powers unless the context shall clearly indicate otherwise.

ARTICLE V
This Authority shall continue in existence until dissolved pursuant to law: Provided, that it shall not be dissolved if such dissolution would operate as an impairment of any bond or other contract. In event of such dissolution, the title to any property then owned by said Authority shall pass to the County of Iosco.

ARTICLE VI
The fiscal year of the Authority shall commence on the first day of January, in each year, and end on the thirty-first day of December following.

ARTICLE VII
For the purpose of accomplishing the objects of its incorporation, the Authority may acquire

property by purchase, construction, lease, gift, devise or condemnation, and for the purpose of condemnation it may proceed under the provisions of Act No. 149 of the Public Acts of 1911, as now or hereafter amended, or any other appropriate statute.

ARTICLE VIII
The Authority shall have power to enter into a contract or contracts with the County of Iosco whereby the Authority will acquire property to be used by the County and will lease the same to the County for a period not to exceed forty (40) years. The consideration specified in such contract or contracts for such use shall be subject to increase by the Authority, if necessary, in order to provide funds to meet its obligations: Provided, that such increase shall not require the County to pay more than a reasonable rental for the leased premises.

ARTICLE IX
For the purpose of acquiring, improving and/or enlarging any building or buildings and the necessary site or sites therefor, and furnishing and equipping the same, the Authority may issue self-liquidating revenue bonds, in accordance with the subject to the provisions of Act No. 94 of the Public Acts of 1933, as now or hereafter amended: Provided, that such bonds shall be payable solely from the revenues of such property, which revenues shall be deemed to include payments made under any lease or other contract for the use of such property: and Provided, further, that no such bonds shall be issued unless the property, whose revenues are pledged, has been leased by the Authority to the County for a period extending beyond the last maturity of the bonds.

ARTICLE X
The powers of the Authority shall be exercised by its governing body which shall be known as the "Commission" and shall consist of three members to be appointed by the Board of Supervisors of the County of Iosco, each of whom shall hold office for a term of three years, except that the terms of the commissioners first appointed shall expire on December 31, 1967, December 31, 1968, and December 31, 1969, respectively. Thereafter each commissioner shall be appointed for a full three-year term beginning on January 1 of the first year of the term and expiring on December 31 of the last year thereof. Each commissioner shall serve during the term for which he was appointed and thereafter until his successor is appointed. No member of the Board of Supervisors of the County of Iosco shall be eligible to appointment or membership on the Commission. The members of the Commission shall serve without compensation but the Commission in its discretion may authorize the payment of the actual expenditures of any member incurred in connection with the business of the Authority. The first members of the Commission shall meet for the purpose of organization within twenty (20) days after their appointment and thereafter the Commission shall meet for such purpose on the first day in January, in each year, which is not a Saturday, Sunday or legal holiday, at 10:00 o'clock A. M., at the usual place of holding the meetings of the Commission. At each of such organization meetings, the Commission shall select a Chairman, a Vice Chairman and a Secretary, who shall be members of the Commission, and a Treasurer who may or may not be a member of the Commission. The office of Treasurer may be held by any member of the Commission notwithstanding that he holds some other office on the Commission. Such officers shall serve until the organization meeting in the following year and until their respective successors shall be selected. The time and place of such organization meeting shall be fixed by a majority of the members of the Commission and notice thereof served personally upon all members, at least twenty-four hours prior to the time of the holding of the meeting. No appointment to the Commission and no election of an officer of the Commission shall be deemed to be invalid because it was not made within or at the time specified in these Articles. Any member of the Commission may be removed for cause at any time by action of the Board of Supervisors of Iosco County. Any officer of the Commission may be removed by action of the Commission.

ARTICLE XI
In event of a vacancy on the Commission, the Board of Supervisors of the County of Iosco shall fill the vacancy for the unexpired term in event of a vacancy in any office of the Commission, such vacancy shall be filled by the Commission for the unexpired term. In case of the temporary absence or disability of any officer, the Commission may appoint some person to temporarily act in his stead except that in case of the temporary absence or disability of the Chairman, the Vice Chairman shall so act.

ARTICLE XII
Meetings of the Commission shall be held at least monthly, at such times and places as shall be prescribed by resolution of the Commission. Special meetings of

the Commission may be called by the Chairman or any two members thereof by serving written notice of the time, place and purpose thereof upon each member of the Commission personally, or by leaving it at his place of residence at least twenty-four hours prior to the time of such meeting, or by depositing the same in a United States post office or mail box within the County of Iosco, at least seventy-two hours prior to the time of such meeting, enclosed in a sealed envelope properly addressed to him at his home or office address, with postage fully prepaid thereon. Special meetings of the Commission at which all members are present shall be deemed to be valid even though no written notice thereof may have been given as above provided. Any member of the commission may waive notice of any meeting either before or after the holding thereof. A majority of all members of the Commission shall be required for a quorum. The Commission shall act by motion, resolution or ordinance. For the passage of any motion, resolution or ordinance there shall be required the affirmative vote of two members thereof. The Commission shall have the right to adopt rules governing its procedure, provided the same are not in conflict with the terms of any state statute or of these Articles. The Commission shall keep a journal of its proceedings which shall be signed by the Chairman and Secretary. All votes shall be by yeas and nays. The journal shall show how each member voted. Each member shall be required to vote upon all motions, resolutions and ordinances unless he shall be disqualified from voting thereon. No member of the Commission shall vote upon any motion, resolution or ordinance in which he has any personal interest. No commissioner shall be financially interested in any contract with the Authority.

ARTICLE XIII
The Chairman of the Commission shall be the presiding officer thereof. In the absence or disability of the Chairman, the Vice Chairman shall perform the duties of the Chairman. The Secretary shall be the recording officer of the Commission. The Treasurer shall be custodian of the funds of the Authority and shall give to it a bond in such amount as shall be fixed by the Commission, conditioned upon the faithful performance of the duties of his office. The cost of said bond shall be paid by the Authority. The Treasurer shall be the chief accounting officer of the Authority and subject to the approval of the Commission may employ such assistants as may be necessary. All moneys shall be deposited in a bank or banks to be designated by the Commission, and all checks or other forms of withdrawal therefrom shall be signed by the Treasurer and countersigned by either the Chairman or Secretary of the Commission. The officers of the Commission shall have such other powers and duties as may be conferred upon them by the Commission.

ARTICLE XIV
The Commission shall have power to secure all necessary services to carry out the functions of the Authority and to fix the compensation therefor. The Commission shall cause an Annual Audit to be made by its financial transactions by a certified public accountant, which audit shall be open to public inspection at all reasonable times.

ARTICLE XV
These Articles of Incorporation may be amended as provided by the act under which this Authority is incorporated or any other applicable state statute: Provided, that no such amendment shall impair the obligation of any bond or other contract.

ARTICLE XVI
These Articles of Incorporation, upon their adoption by the Board of Supervisors of said County of Iosco, shall be executed in duplicate for and on behalf of said County, by the Chairman of said Board of Supervisors and the County Clerk of said County. Said duplicate executed copies shall be delivered to the County Clerk of said County, who shall file one of said executed copies in his office and the other with the Secretary of the Authority, when selected. The said County Clerk shall cause a copy of these Articles of Incorporation to be published once in the Tawas Herald, a newspaper circulating within the County of Iosco. He shall file one printed copy of these Articles of Incorporation with the Secretary of State of the State of Michigan and one printed copy thereof in his office, attached to each of which printed copies shall be his certificate setting forth that the same is a true and complete copy of the Original Articles of Incorporation on file in his office, and also the date and place of the publication thereof. This Authority shall become effective upon the 6th day of December, 1967.

The Board of Supervisors of the County of Iosco, State of Michigan, has adopted these Articles of Incorporation by the affirmative vote of the majority of its members elect, and in witness thereof has caused the same to be executed for and on behalf of said County by the Chairman of said Board

of Supervisors and the County Clerk of said County, this 6th day of December, 1967.

COUNTY OF IOSCO
by: Charles Smith, Chairman of the Board of Supervisors.
by: D. Keith Papas, its County Clerk.

The foregoing Articles of Incorporation were adopted by the Board of Supervisors of the County of Iosco, State of Michigan, at a meeting duly held on the 6th day of December, 1967.

D. Keith Papas
County Clerk of the County of Iosco, Michigan
Dated: December 6, 1967

Upon motion by Everett, supported by Campbell, the resolution was adopted on the following roll call: Ayes: Belson, Blust, Campbell, Chrvia, Everett, Gerard, Hester, Higgins, Hoshbach, Jocks, Kasischke, Little, Lixey, McElheron, Mead, Mielock, Smith, Stephan, Weible. Nays: None.

The following resolution was read by Supervisor Lixey for the roads and bridges committee and supported by Weible:

Honorable Board of Supervisors Gentlemen:

We, the roads and bridges committee would like to go on record as concurring with the Alabaster Township Board in regard to the closing of the Mielock Road. That said road remain open and a copy of this concurrence be sent to the Iosco County Road Commission.

Signed: Lixey, Mielock, Kasischke, Jocks

Motion carried unanimously. Supervisor Little of the health committee moved that the board concur with the following resolution from Gogebic County and that the same be forwarded to Governor Romney, Senator Richardson and Representative Prescott.

RESOLUTION
WHEREAS, Nursing Homes licensed in Michigan under Public Act 139, provide more than 25,000 beds, under existing Health Department standards, which meet requirements for Medicaid set forth by the Federal Government.

AND WHEREAS, the existing 443 licensed nursing homes employ 600 registered nurses, over 500 LPN's and thousands of employees, who perform a much needed Medicare service for our senior citizens.

AND WHEREAS, proposed changes in the rules governing the licensed nursing homes, are unrealistic, and will create a situation within existing licensed nursing homes which will be forced to close their doors, thereby creating a hardship for our senior citizens.

NOW THEREFORE BE IT RESOLVED, that the Gogebic County Board of Supervisors, proposes, that existing licensed nursing homes meeting existing state standards be allowed to operate under a GRANDFATHER CLAUSE, so this vital service will be continued.

Motion was supported by Supervisor Everett and carried unanimously.

At 3:00 p. m., no one having appeared in regard to the budget hearing, Mr. Little moved that the hearing be closed and the proposed county budget for 1968 be adopted as submitted. Motion was supported by Belson and budget adopted on the following roll call:

Ayes: Belson, Campbell, Everett, Gerard, Hester, Higgins, Hoshbach, Jocks, Kasischke, Little, Lixey, McElheron, Mead, Mielock, Smith, Stephan, Weible. Nays: None.

Mr. Little read the following resolution from the finance committee and moved its acceptance:

Honorable Board of Supervisors Gentlemen:

The finance committee recommends that we transfer \$875.00 from the general fund to the child care fund.

Signed: Little, McElheron, Kasischke, Campbell, Lixey

Upon support by Campbell, the resolution was adopted on the following roll call: Ayes: Belson, Campbell, Chrvia, Everett, Gerard, Hester, Higgins, Hoshbach, Jocks, Kasischke, Little, Lixey, McElheron, Mead, Mielock, Smith, Stephan, Weible. Nays: None.

Equalization Director Oates reported to the board, advising that he is in process of adding up the appraisals for each unit, and that the appraisals are nearly completed except for U. S. Gypsum, National Gypsum and Consumers Power, which Gem Survey has not finished. Oates estimated the total cash valuation of real property in the county to be about \$187,000,000 of which state equalized valuation would be 50 percent.

Director Oates advised that the state has made a sales study of the county, but he has not received the figures yet. He stated that Gem Survey has made a sales study of the entire County; and Ed Dusenberry of Gem, who was in attendance indicated that their study showed their appraisals to be 99.19 percent of sales figures for the 1964-1967 period.

Mr. Lixey read the following resolution which he had introduced earlier in the day and moved it acted on:

Honorable Board of Supervisors Gentlemen:

We, the finance committee, concur in the above recommendation, and ask for favorable action from the board to permit purchase of the motor described, payment therefor to be made from marine funds.

Signed: Campbell, Kasischke, Lixey, McElheron, Little

Motion supported by Stephan and carried on the following roll call: Ayes: Belson, Campbell, Chrvia, Everett, Gerard, Hester, Higgins, Hoshbach, Jocks, Kasischke, Little, McElheron, Mead, Mielock, Smith, Stephan, Weible. Nays: None.

Mr. Stephan presented the following report for claims and accounts No. 1 and moved acceptance of same.

Honorable Board of Supervisors Gentlemen:

Honorable Board of Supervisors Gentlemen:

That a revaluation of the hunting and lake properties in each township be studied and an accurate valuation as close as possible be accepted by the board. In addition to this request, that each township who feels that an unjust valuation has been put on certain properties in their township be heard and acted on, the reason for this request being that the Gem Survey in valuating these properties did not travel over certain portions of these properties, but took a blanket valuation which I feel is a burden and an injustice to the property owners.

Signed: R. Lixey

The motion was supported by Mead and after considerable discussion, it was the decision of the chairman, in view of the complications involved, to submit the question to the vote on the board for referral to the equalization committee for study and consideration at the next session. The question was referred to the committee on the following roll call: Ayes: Belson, Blust, Campbell, Chrvia, Everett, Gerard, Hester, Higgins, Hoshbach, Kasischke, Little, Lixey, McElheron, Mead, Smith, Stephan, Weible. Nays: None.

Committees were ordered to their respective duties, balance of the board to be at ease subject to the call of the chair.

Upon call to order at 4:25 p. m., Register of Deeds Albert Buch addressed the board to explain the many ramifications of the state tax on property transfers, etc., which goes into effect January 1, 1968, at the expiration of the federal tax. He also commented on the new plat law which becomes effective January 1.

Mr. Campbell read the following resolution by the finance committee and moved its adoption:

Honorable Board of Supervisors Gentlemen:

We, the finance committee, recommend that the Plainfield Township warrant be corrected to read as follows: Long Lake Dam, \$6,921.51; special sewer district, \$6,290.17.

Signed: Little, Lixey, Campbell, McElheron, Kasischke, Chrvia

Upon support by McElheron, the motion carried on the following roll call: Ayes: Belson, Campbell, Chrvia, Everett, Gerard, Hester, Higgins, Hoshbach, Jocks, Kasischke, Little, McElheron, Mead, Mielock, Smith, Stephan, Weible. Nays: None.

The following resolution, by the finance committee was read by Campbell, who moved its adoption, and supported by Higgins.

Honorable Board of Supervisors Gentlemen:

We, the finance committee, recommend that the sheriff department purchase the police car from Ottawa Equipment Company for a price of \$1,984.61, which is the lowest bid.

Signed: Little, Lixey, Campbell, McElheron, Kasischke, Chrvia

Motion carried on the following roll call: Ayes: Belson, Campbell, Chrvia, Everett, Gerard, Hester, Higgins, Hoshbach, Jocks, Kasischke, Little, McElheron, Mead, Mielock, Smith, Stephan, Weible. Nays: None.

Mr. Kasischke presented the following resolution out of the conservation and finance committees and moved it be adopted:

Honorable Board of Supervisors Gentlemen:

We, the conservation committee, after due consideration of bids submitted for a 100 h. p. outboard motor for marine safety purposes, recommend purchase of a Mercury motor from Trinklein Marine Service, this bid representing all needed requirements and being low bid.

Signed: Kasischke, McElheron, Jocks

Honorable Board of Supervisors Gentlemen:

We, the finance committee, concur in the above recommendation, and ask for favorable action from the board to permit purchase of the motor described, payment therefor to be made from marine funds.

Signed: Campbell, Kasischke, Lixey, McElheron, Little

Motion supported by Stephan and carried on the following roll call: Ayes: Belson, Campbell, Chrvia, Everett, Gerard, Hester, Higgins, Hoshbach, Jocks, Kasischke, Little, McElheron, Mead, Mielock, Smith, Stephan, Weible. Nays: None.

Mr. Stephan presented the following report for claims and accounts No. 1 and moved acceptance of same.

Honorable Board of Supervisors Gentlemen:

We, the finance committee, concur in the above recommendation, and ask for favorable action from the board to permit purchase of the motor described, payment therefor to be made from marine funds.

Signed: Campbell, Kasischke, Lixey, McElheron, Little

Motion supported by Stephan and carried on the following roll call: Ayes: Belson, Campbell, Chrvia, Everett, Gerard, Hester, Higgins, Hoshbach, Jocks, Kasischke, Little, McElheron, Mead, Mielock, Smith, Stephan, Weible. Nays: None.

Mr. Stephan presented the following report for claims and accounts No. 1 and moved acceptance of same.

State Police Add Voice Identification

Michigan State Police, with a sound spectrograph now on hand at East Lansing headquarters and two officers already trained in its use, are adding voice identification to their investigative capability in criminal cases, Col. Frederick E. Davis, director, reported.

State police is the first police department in the nation to obtain this electronic equipment for such purpose. There is only one other spectrograph in the state, this one obtained recently at Michigan State University for primary use in speech analysis.

The spectrograph, which costs a little over \$12,000, was built by Voiceprint Labs, Incorporated, Somerville, New Jersey, where the device and technique in its use have been pioneered by Dr. L. C. Kersta.

For voice identification, the spectrograph "reads" tapes to produce a visual record, or spectrogram, which is a graphical representation of spoken words. The spectrogram then will be compared with records of known voices, much like the procedure in processing fingerprints. Doctor Kersta's research has demonstrated that voices, like fingerprints, are unique to the individual. Voiceprint identification has already had successes in court cases, according to the New Jersey firm.

Dennis Frank Completes Basic

Dennis A. Frank, 20, son of Mr. and Mrs. James H. Frank, East Tawas, was promoted to army private pay grade E-2 upon completion of basic combat training at Fort Knox, Kentucky, December 15.

The promotion was awarded two months earlier than is customary under an army policy providing incentive for outstanding trainees.

Dennis Sullivan on USS Eldorado

Radarman Third Class Dennis J. Sullivan, United States Navy, son of Mr. and Mrs. Paul J. Sullivan of Tawas City, is serving as a crewmember aboard the amphibious flagship, USS Eldorado.

The Eldorado was recently presented the Meritorious Unit Commendation for its conduct during a recent deployment in the Western Pacific. Operating with the Amphibious Ready Group, the ship participated in 12 actual combat assaults on Vietnam beaches.

The ship's duties required it to process massive quantities of messages and operate at high speeds with little time for upkeep.

TC Council 'OKs' Park Expansion

Tawas City Council gave its approval Tuesday night to proceed immediately with seeking federal participation in expansion of the city park.

A joint committee of the planning commission, park board and council recommended that property adjoining the city park at the west boundary, from Babcock's to Rainbow Service, be purchased for park purposes.

Working with the city on obtaining federal assistance for this acquisition will be County Agent Marvin Davenport, who assisted the county in obtaining federal funds for a park at the mouth of the AuSable River.

Paul Chevis, planning commission chairman, said that assurances had been received that federal matching funds would be made available for the project. First step after approval would be to obtain an appraisal of land. Preliminary estimates have placed the value at \$30,350.

Christmas Tourney Crown to Whittemore-Prescott

Cards Win Exciting Game from Alcona

By DORNACE BELLVILLE

Whittemore-Prescott Cards won their Christmas invitational tournament Friday night with a thrilling, 61-59, win over defending champion Alcona. The Cards reached the finals by defeating Essexville St. John, 75-54, Wednesday night.

The championship game was a close affair with the lead changing hands 11 times. The Cards led, 19-14, at the end of the first quarter but the Tigers held a 31-27 lead at half time.

Rick Gay hit three straight fielders as the last half started to put the Cards in the lead but McIntyre tied it up at 33 all. Potvin and Haley each collected two pointers to put the Tigers ahead again. Gay came back with another fielder but Haley's two pointer gave the Tigers a two-point lead again. Gay's fifth fielder of the quarter cut the lead to one point and Pat Phelps drove in for a lay up to put the Cards ahead.

Gay collected a charity toss followed by another two pointer to give the Cards a four-point lead. Two more fielders by the hot shooting Gay and one by Dennis Partlo stretched the Cards' lead to nine points.

With Gay on the bench for a rest as the last quarter started, the Tigers cut the lead to three points but Dan Voorhees' two fielders and a free shot by Mark Stahl gave the Cards a six-point edge. The Tigers cut this lead down to two points but a stout Card defense and some good ball handling gave the Cards the championship.

Gay led the scoring with 27 points, 17 of them in the third quarter that turned the tide in favor of the Cards. Stahl and Phelps also hit double figures with 14 and 11 points.

McIntyre led the losers with 15 points. Alcona had beaten the

Cards by 23 points just two weeks before.

The Cards reached the finals by walloping Essexville St. John, 75-54, Wednesday night with Dean Cole leading the way with 17 points, Gay and Mike Cromwell hit 13 and 12 points. They played another hot game the next night coming from behind in the second quarter to walk over Arenac Eastern, 63-68. Gay led the scoring with 12 points. Twelve Cards hit the scoring column and 11 Eagles scored as both coaches used all of their squads, with the Cards having the game all wrapped up early in the third quarter, going out in front by 19 points in the last quarter.

Coach Dick Fox was pleased with the Cards' play after losing their first three games of the season. "A good defense really made the difference especially in the championship game holding the high scoring Tigers to 59 points," said Coach Fox.

Gay was named to the tournament all star team along with Whisman of Rose City, Finney of the Sanford-Meridian JV squad, Northington of Saginaw St. Joseph and McIntyre of Alcona.

Alcona placed second by beating Saginaw St. Joseph, 71-63, Tuesday night, then Rose City by a 59-55 score before losing to the Cards. Rose City took third place with a 74-60 win over Unionville Tuesday night but lost to Alcona the next time out before beating Arenac Eastern, 82-61. The Arenac squad finished fourth with a win over the Sanford-Meridian JV squad before running up against the hot Cardinals and then never recovering to suffer an 62-61 shellacking the next night. Saginaw St. Joseph placed fifth; Sanford-Meridian JV squad, sixth; Unionville, seventh, and Essexville St. John, eighth.

The officiating in the tournament was capably handled by members of the Bay City Officials
