

CUBE Answers Some Tawas Area School Millage Questions

MY QUESTION IS CONCERNING TAWAS AREA SCHOOLS AND THE FORTHCOMING MILLAGE PROPOSAL:

A signature is not necessary.

Mail to either: Neil Luedtke, CUBE co-chairman, 200 West State Street, East Tawas, or Clyde Soper, 209 Tawas Street, East Tawas.

Continuing its program to inform taxpayers on the upcoming millage proposal of Tawas Area School District, CUBE (Citizens United for Better Education) presents the following questions and answers:

QUESTION: Why should we pay taxes on sports that only a few kids can take part in?

ANSWER: This is a question

QUESTION: Will I still pay student fees if the millage passes?

ANSWER: Some of the fees will again undoubtedly be absorbed by the school system. It is likely that

in such classes as home economics, shop and art, where the cost of materials is determined by the wishes of the individual student and where the student often derives items of value from the material purchased, the student will be required to purchase materials used.

QUESTION: What will happen if millage does not pass?

ANSWER: Briefly, the following may be expected:

1. Half-day sessions at all grade levels with the lunch program eliminated.
2. High school students will be limited to four subjects.
3. Class sizes will increase and teachers who feel they cannot do a good job will move on.
4. Inter-school athletic competition will stop.
5. Band will be discontinued.

6. Custodial and maintenance programs will be curtailed.

7. Accreditation will be forfeited. The significance of this is that our children will no longer be receiving a good education.

QUESTION: Why do we have to pay such high salaries to teachers?

ANSWER: The teachers who come to us have invested four

years of their lives and an average of \$10,000 to make themselves eligible to teach. After that, they must also be acceptable to the school administration and remain on probation for up to two years before being granted tenure.

Anyone with questions concerning the millage proposal or the school system should address them to Neil Luedtke or Clyde Soper, CUBE co-chairmen, using the blank printed on this page.

Half-Day Sessions if TA Millage Fails

In the event that its millage proposal fails February 6, Tawas Area Board of Education Monday night authorized administrators to develop an educational program for 1969-70 which would utilize existing funds.

As has been frequently stated by local school men during the past eight or nine months, failure to receive additional money over and above allocated millage and state aid would mean a complete austerity program for 1969-70.

It would mean, for instance, that students would be attending half-day sessions (four 45-minute periods), one-half of the student body attending in the morning and the other half in the afternoon.

Such an austerity program would also mean that there would be no hot lunch program, no bands, no athletics and no extra-curricular activities — including clubs, dances, yearbooks, etc.

Only those classes for which there is an adequate enrollment would be offered.

"We would not want this preparation to be construed as a threat, but time is getting late and we must start determining what classes can be offered, along with staff needs for 1969-70," said Prin. Bill Wilder. The state tenure law requires that teachers be notified by April 1 if they are not to be hired for the next year.

As a result of the action, the board of education authorized the administration to send a questionnaire home with students. Students would be asked to select the four subjects from offerings at each grade level. The list includes subjects required by the state as well as electives. Under the austerity program, it would be necessary to eliminate certain elective subjects.

The questionnaire also seeks in-

formation concerning distances from home to school, in order that transportation needs might be studied.

Wilder said that the questionnaire was not a final schedule or list of offerings and would be revised. "Every academic subject that is financially possible would be offered," he said.

It is apparent that one of the problems immediately facing the school will be transportation. Those students riding buses in the morning would be taken home at noon and the afternoon students would be picked up and taken to school. Starting school at 8:30 a. m. would leave only one hour at noon to take students home and pick up those attending the afternoon session. It would also mean additional expense due to added runs.

Faced with ever increasing operational costs (approximately \$120,000 higher in 1968-69), the board of education was forced to deplete its reserve fund built up over a period of eight or 10 years in order to meet its budget when two millage proposals were defeated in 1968.

Some cuts were made, principally affecting elementary grades and the junior high enrichment program was eliminated. Needed additional teachers were not hired at the beginning of the term. Since then, however, two additional teachers have been hired and the school will end the current year about \$3,000 in the "red."

The school reached the end of its financial "ropes" when voted millage expired last year. There had been a 2½-mill operational levy, along with two mills for building and site which expired. In addition, higher property valuation behind each child meant that district taxpayers had to pick up approximately \$45,000 "lost" in state aid.

Following defeat of the last millage proposal in July, a group of concerned citizens met and organized a group called CUBE (Citizens United for Better Education).

After spending several months studying the school curriculum, budget for 1969-70 and financing available, CUBE petitioned the board of education to hold a millage vote February 6.

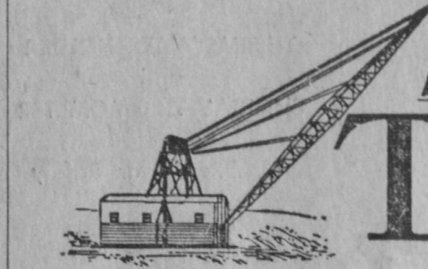

This proposal seeks 4½ mills for a period of two years. Based on the district's anticipated valuation, this would raise approximately \$185,000 per year. Much of the increase this year was in the form of needed academic curriculum improvement. Total budget for 1968-69 is \$911,000, of which \$425,000 is raised by local taxes. While a preliminary budget has not been prepared as yet for 1969-70, it is anticipated that the total school budget for next year will be slightly in excess of one million dollars.

"I was told on the street the other day that the school district was hiding funds—I sure wish that someone would come forth and show us where there are hidden funds," said one board member. His sentiments were echoed by the remainder of the board.

P-TA Meeting to Feature TA Speech Program

Program will be provided by the speech department and the Iosco County Speech Correction Department at the Tawas Area Parent-Teacher Association meeting Monday, January 20, 8 o'clock, Tawas Area High School.

Refreshments will follow the business meeting and program.

Receive State-wide Distinction

Perform This Saturday at Ann Arbor

Tawas Area High School Band has the distinction of being one of three high school bands in the state, which will perform Saturday, January 18, at the Midwest Music Conference at Ann Arbor. This three-day conference is for all music educators of Michigan, although Tawas' performance will be just for directors.

The school received its invitation from the Michigan School Band and Orchestra Association, who yearly honor the three most outstanding high school bands by asking them to perform at the conference. This is the highest form of recognition that can be awarded high school bands in Michigan.

In addition to one college band asked to perform, the University of Michigan Band presents its mid-winter conference at this time and it has become the traditional opening of the conference. Bands to perform are the Michigan State University Band, Detroit Central High School Band, Benton Harbor Fair Plain Junior High School Band and Tawas Area.

To prepare for this concert, Tawas Area members, under the baton of Gene S. Salamony, have been practicing since late September. Director Salamony estimates that the band will practice four hours for every minute on stage. Tawas' portion of the concert will be 44 minutes, 43 seconds.

Bands are asked to perform the final selections from each class school's basic music list. From these selections, band directors are to choose one which will become the required selection at the upcoming band festivals for bands in each class.

Tawas Area will perform final selections for class C high school, class B and class AA junior high school. In addition, it will present a march, along with "Tawas, a Suite for Band," which was commissioned by the 1967-68 senior band and received its premiere under the baton of the composer here at last year's spring concert.

The band will leave at 7:45 a. m. Saturday, stopping at Flint for a late breakfast, compliments of Peoples State Bank, before proceeding to Ann Arbor. Tawas' performance is scheduled for 2 o'clock Saturday afternoon at Hill Auditorium of the University of Michigan and the concert is open to the public. After the performance, the band will relax by attending a dinner at the Holiday Inn before returning home.

TAWAS AREA BAND has been practicing since late September for its appearance Saturday at Ann Arbor. It has meant a lot of work for the young performers and for Director Gene Salamony. For every minute on stage, they will have practiced four hours. These pictures were snapped Friday afternoon. School was closed due to drifting snow, but the band was there polishing selections for the upcoming performance. —Tawas Herald Photos.

Deep Snow is Threat

Deer May Starve

Michigan outdoorsmen are enjoying the good snowmobiling weather, but a Wilber Township farmer pointed out Monday that this winter wonderland would soon take its toll of Iosco's deer herd.

"Unless we begin planning immediately, the deer herd could be reduced tremendously through starvation losses," said Harry Krueger.

As chairman of the Iosco Soil Conservation District's board of directors, Krueger said he believed that immediate steps should be taken to secure an early delivery of surplus corn to feed the deer herd.

"In the past, it has taken 20

days or more to process requests with federal and state agencies for this surplus corn. I plan to contact the conservation department at Mio this week to secure an allotment for this county," said Krueger.

He pointed out that coupled with the severe winter—18 to 30 inches of snow—is the fact that the acorn crop last fall in this area was very poor.

Krueger has contacted representatives of a local snowmobile club, who stated that they would assist with distribution of the surplus corn to trouble spots.

In addition, Iosco Sportsmen's Club has discussed the possibility of cutting browse for the deer.

Walter J. Laidlaw Assumes Tawas Township Clerk Post

Walter J. Laidlaw first served in his new role of Tawas Township clerk at last week's meeting of the township board. He had been appointed to fill the unexpired term of Walter H. Miller, who had resigned upon assuming the position of district supervisor. Laidlaw's appointment had become effective January 1. He will conduct transactions pertaining to the functions of the clerk's office at his residence on Laidlaw Road.

Routine matters of business were processed at the meeting plus appointment of Robert Grabow as member of the zoning board to replace George Jones, who had resigned due to ill health.

Partial establishment of the board of review membership was also accomplished through reappointment of Grant Bessey and Reno Krumm, former members. An item of interest presented by Harold Wegner, zoning administrator, was a report on building activities for 1968. A total of 28 permits was issued, of which 14 covered residences with remainder involving additions or remodeling.

Walter A. Kasichke, township supervisor, reports that building activities during 1968 represent a 100 percent increase over 1967.

Other board members include Irene Lorenz, treasurer; Carl G. Ulman and Merlin Look, trustees.

Snowmobile Registration is Booming

Booming sales in Michigan's fastest growing outdoor winter sport is reflected by snowmobile registrations.

According to Roy Bergeron, manager of the secretary of state's branch office in Tawas City, as of Monday morning there were 519 snowmobiles registered in Iosco County.

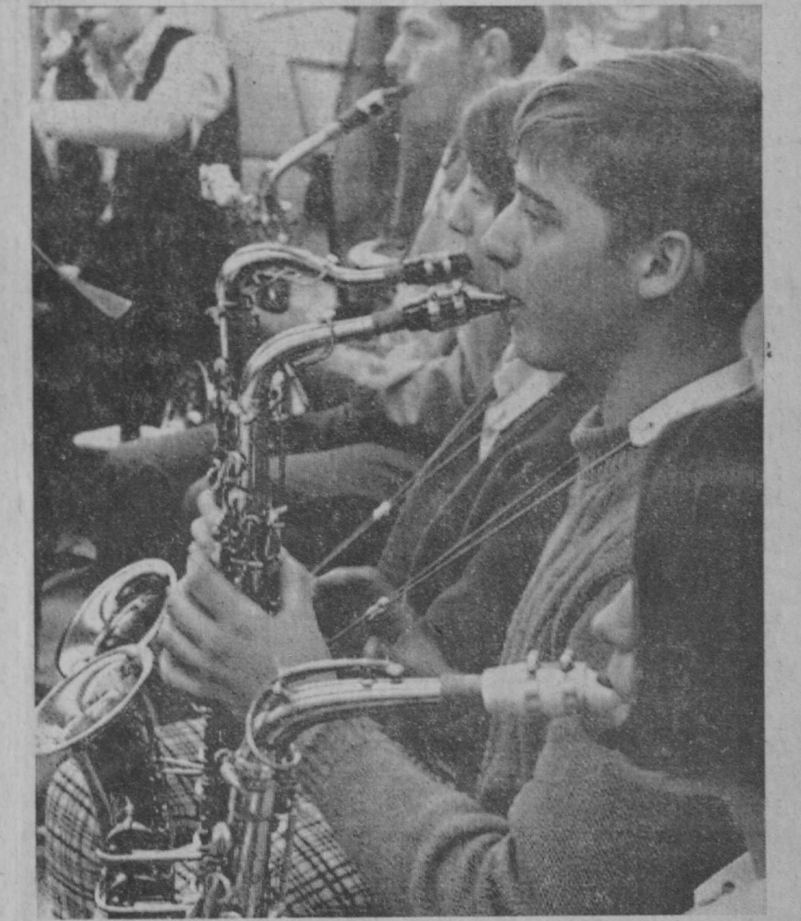

"I would not want to guess if there are any unregistered snowmobiles in the county, but I believe that the only registrations we will now be receiving will be for newly-purchased machines," said Bergeron.

Busiest day for snowmobile registration came on December 31 when 55 machines were registered during the one-half day the office was open.

The state has been unable to keep up with the demand for copies of regulations governing operation of snowmobiles. Bergeron expects to receive a new supply shortly.

"I have seen estimates of the total number of snowmobiles which have run from 50,000 to 100,000 in the state," said Bergeron.

The state's 1968 registration law was the first affecting snowmobiles and it is expected that additional laws governing operation will be passed by the legislature this year. Only last week, Tawas City joined the growing list of communities which have passed ordinances prohibiting operation of snowmobiles on city streets.

I pledge allegiance to the flag of the United States of America and to the republic for which it stands; one nation, under God, indivisible, with liberty and justice for all.

LETTERS TO THE EDITOR

January 9, 1969

Dear Editor: On New Year's Day, I was returning from Vassar where I had attempted to attend the funeral of a great aunt, Mrs. Helen Baldwin. Mrs. Baldwin had been a resident of Iosco County for years, living with her daughters, Mrs. Leslie Sobczak and Mrs. T. C. Cribbs of Hale.

I was so happy to enter Iosco County and see the condition of the roads. I would like to express my appreciation to our county road commission for a job well done. It was such a pleasure driving on the Iosco County roads, M-65 and M-55, after the roads in the four counties I had just driven through.

I never did get to the funeral of my aunt. The roads were snow covered and slippery. Most thankful to our Iosco County Road Commission, I remain,

Mrs. John Proctor East Tawas

Lower Hemlock

Mr. and Mrs. Carl Rempert were Friday Bay City visitors. Mr. and Mrs. Charles Kobs were New Year's Day dinner guests of the Martin Musolf family in Bay City.

The Martin Musolfs of Bay City arrived in Lamesa, California, where they will spend the winter months with their daughter, Mrs. Ralph Slocum, and family.

Ronald Miller was a recent visitor of James and David Thunberg of East Tawas. Mr. and Mrs. Clarence Curry and Mrs. Gerald Russell were Monday Saginaw visitors.

Neighbors on the Miller Road are grateful to Walter Miller for keeping their driveways open. Mrs. Charles Simons is a patient at Tawas Hospital. Friends send get-well wishes to her.

Word has been received of the death of Harvey Anschuetz of Detroit of a heart attack. He was the son of the late John Anschuetz and Mrs. Anschuetz. Visitors at the Walter Miller home were Mr. and Mrs. Ray Ledsworth of Tawas, Mrs. Carl Thunberg and Mrs. Cora Davis of East Tawas.

Charles Simons Jr. was a Saturday evening dinner guest of the Clarence Currys. Mrs. John Katterman Sr. spent several days with Mrs. Thomas Jones the past week.

Recent guests of Mrs. May Lange were Mr. and Mrs. Robert Holmes and family of Northville. Recently, Mrs. Joseph Chambers of Skidway Lake and Mrs. Leeta Schlaack of Tawas called at the Winnie Latham home.

Mr. and Mrs. Jim Koehn of Turner Road were Friday evening visitors of the Carl Grabow family.

On January 3, 40 friends of Miss Cathy Ulman surprised her at her home on her 16th birthday anniversary. She received gifts and lunch was served. The young people enjoyed a pleasant evening.

Mrs. Pringle Entertained Club

Mrs. Kenneth Pringle entertained Merry Neighbors Club at the home of Mrs. Harold Parent Thursday noon for luncheon.

All members except Mrs. John Jordan were in attendance. To honor the birthday of Mrs. Austin Allen, birthday cake was served with luncheon.

Cards were played and prizes went to Mrs. George Kohn, Mrs. Orville Strauer, Mrs. Jerry Sims and Mrs. Allen. Mrs. Allen's home will be open for the valentine party on February 13.

Mr. and Mrs. Herbert Schroeder visited Mr. and Mrs. Clyde Wood Sunday afternoon.

Mr. and Mrs. Harold Parent spent New Year's Day with her sister, Mrs. Arthur Walker, and Mr. Walker in Bay City.

Rueben Cox visited at the home of his sister, Mrs. George Kohn Sr. Tuesday.

Mr. and Mrs. Herbert Schroeder were in Bay City last Saturday. Mrs. Elbridge Cataline visited Mrs. Mary Jordan Wednesday.

George Bessey visited Kenneth Pringle one day last week. Mr. and Mrs. Harold Parent and granddaughter, Debbie Parent, spent last Sunday with their daughter, Mrs. Joseph Rabideau, and family in Auburn.

Mrs. Busch of M-55 visited Mrs. Al Travis last Monday. Mr. and Mrs. Jerry Kendall and family visited her sister, Mrs. Dale Wood, and family Sunday.

Mrs. Della Strauer visited Mrs. Harold Parent Thursday.

40 Attended Family Night Fellowship

Approximately 40 members and guests of the First Baptist Church, Tawas City, attended the monthly family night fellowship held at the church hall Sunday, January 12.

Ham was featured with the pot-luck dinner. Tables were decorated with winter candles, holly and pink napkins.

The Rev. Samuel Andreason, chaplain at Wurtsmith Air Force Base, gave an interesting talk on his tour of duty at Taiwan (Formosa) in 1966 and 1967. Also assisting in the meeting was Airman James Vaughn of North Carolina, presently stationed at the air base.

YWC to Meet at Wilson Home

The YWC of the Assembly of God Church will meet at the home of their advisor, Mrs. Joyce Wilson, Thursday evening at 7:30 o'clock.

The Junior and Senior Missionettes will meet with their sponsor, Mrs. Gerald Merrick, the same evening.

All girls who are interested in missionary work are invited to attend either of these meetings.

Hostesses were Mrs. R. E. Mick, Mrs. Ernest Silverthorn and Mrs. Leslie Hoy.

Postmaster John Dickey is able to be around again after a bout with the flu.

Laurel Lawe visited his son, William, in West Branch Wednesday.

Mrs. Mina Lail was a caller at the Hasty Clinic, West Branch, Friday and spent the week-end with her son, Ben, and wife.

Mrs. Almada Swaffield of Melita is spending several weeks here with her daughter and husband, Mr. and Mrs. Everett Briggs, due to her illness.

Mrs. William Fuerst and mother, Mrs. Roy Charters, were callers at the Hasty Clinic, West Branch, Friday afternoon, where Mrs. Charters received a medical checkup.

Mrs. Ida Miller has returned from a three-week vacation in Florida. She accompanied her daughter and family, the Thomas Kopaczewskis of Standish.

A large number attended the singpiration Sunday night at the Whittemore United Methodist Church despite the snow and bad roads. The next singpiration will be at the AuGres United Methodist Church.

Sherman News

Walter Rakestraw was a Turner caller Tuesday.

Mr. and Mrs. Peter Bassi have moved into their new home. Their son, James, was home on a furlough enroute to Vietnam.

Mrs. Glendora Wynn, Rose and Robert spent the holidays with her daughter, Mrs. James Cole, and family in Owosso.

Shirley Cottrell was a Friday caller at the home of Mrs. Dorothy Koehn in Turner.

Mr. and Mrs. John Eimers were Saginaw and Pigeon callers Thursday and Friday due to the death of Mr. Eimer's sister, Mrs. Francis Pelder of Pigeon.

Mr. and Mrs. Kenneth Tressler and family, Mr. and Mrs. Lloyd Brigham and family returned from a two-week vacation in Florida.

William Draeger has been busy shoveling out drives for his neighbors. It seem to no avail as the next day the drives are full again.

Several ladies from here attended the St. James Altar Society meeting at the social rooms in Whittemore Wednesday evening.

Lee Rausch of Saginaw was a caller here Thursday. Dawn Rose and children of Greenbush were last Sunday visitors of Mr. and Mrs. Harvey Smith.

Mr. and Mrs. Roger Wood were in Bay City Monday. The Farleys of Saginaw spent the week-end at their cabin here.

WCS Held Regular Meeting

The Women's Society of Christian Service, Tawas United Methodist Church, West Parish, held its regular meeting Thursday evening in the memorial hall.

Devotions were given by Mrs. Eber Wetzel. Mrs. William McCready presented an excellent program on "Human Rights."

The report on the charter membership is ready to be sent to the district president with 72 members enrolled.

Hostesses were Mrs. R. E. Mick, Mrs. Ernest Silverthorn and Mrs. Leslie Hoy.

Wins Commission in US Air Force

David E. Wenzel, son of Mrs. David E. Wenzel of Oscoda, has been commissioned a second lieutenant in the United States Air Force upon graduation from Officer Training School (OTS) at Lackland Air Force Base, Texas.

Lieutenant Wenzel, selected for OTS through competitive examination, is being assigned to Sheppard Air Force Base, Texas, for training as an automation officer.

The lieutenant, a graduate of Lutheran High School, Detroit, received a bachelor of art degree in 1969 from West Texas State University.

His wife, Johanna, is the daughter of Grover Shoupe of Carrollton, Ohio.

Participates in Marine Operation in Vietnam

Marine Pvt. 1C Edwin W. Bellinger, son of Mr. and Mrs. Edwin O. Bellinger of Tawas City, participated in Operation Henderson Hill with the First Marine Division in Vietnam.

Operation Henderson Hill was conducted by the First Marine Division 25 miles southwest of Danang to find enemy forces and destroy their capability to strike against the Danang area. The operation accounted for 698 enemy killed.

Burnette Serves Aboard Destroyer

Ship's Serviceman 3C Harold A. Burnette, United States Navy, son of Mr. and Mrs. George R. Burnette of Oscoda, is serving aboard the destroyer, USS Harry E. Hubbard, at sea off the coast of Vietnam.

The destroyer delivered a nighttime barrage of harassment and interdiction fire against an enemy battalion near Tuy Hoa in South Vietnam. Hubbard's guns damaged several enemy structures and 100 feet of earthen fortification.

Naval Gunfire support continued the next day as the destroyer fixed its guns on enemy base camps and installations. Considerable damage was observed by the spotter aircraft.

The ship wound up its "on the line tour" by battering two enemy staging areas, under the direction of an airborne spotter. Six bunkers were reported hit, two destroyed and four partially damaged.

TODAYS Meditation

Read Ephesians 4:14-23

The grace of the Lord Jesus Christ be with your spirit. (Philippians 4:23, RSV)

Many, many times I have turned to this benediction and found it to be a source of comfort and strength. It is a characteristic prayer with which the apostle Paul closes his Epistles.

Whenever I experience some stress or strain, disappointment or frustration, sickness or affliction; whatever it may be that causes my spirit to sink, I turn to these words and repeat them over and over to myself. I try to personalize them the more by saying: "The grace of the Lord Jesus Christ is with my spirit."

When used in this way, I find these words amazingly strengthening. They bring Christ close with all His sustaining and enabling grace. They bring the light and guidance of the Holy Spirit to lift my spirit again.

PRAYER Our heavenly Father, we look to Thee with grateful hearts for all Thy mercies in Christ our Lord—for His wondrous light, salvation and strength. Help us to trust completely in Thee, and believe that in Christ we can do the Father's will and overcome the world. In His blessed name. Amen.

THOUGHT FOR THE DAY When we have confidence in Christ's presence in times of need, we receive His help.—J. Harold Gwynn (Florida)

"The gift of God is eternal life through Jesus Christ our Lord." This verse from Romans is the Golden Text of the Bible lesson, sermon titled "Life" that will be read in all Christian Science churches this Sunday.

Among related passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by the denomination's founder, Mary Baker Eddy, is the following: "Life is eternal. We should find this out, and begin the demonstration thereof. Life and goodness are immortal. Let us then shape our views of existence into loveliness, freshness, and continuity, rather than into age and blight."

Needlecraft News by Nancy Baxter

SMALL SCRAPS OF YARN AND THREAD PLUS LARGE AMOUNTS OF IMAGINATION, combine in a centuries-art medium, stitchery, that is as characteristic of the present age as it was of others. Added stimulus for stitchery today is the rich colors in yarn made possible by modern chemistry. Let yourself be motivated to create this or any other design you would like in your home.

STITCHCRAFT

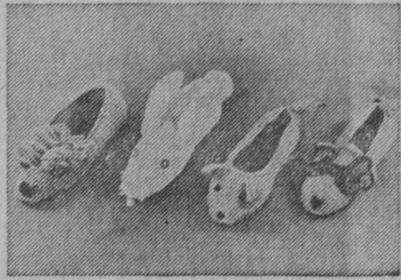

The ancient art of stitchery is used to create this lovely design which can be framed as a picture, mounted as a wall hanging or stuffed as a pillow. This charming design, which we have called "CITY PARK" is done with knitting worsted and super fingering in such shades as brown, black, orange, red, yellow, green and gray. A solid color, heavy fabric is suitable for the background. "CITY PARK" was worked on burlap in a deep gold. Allow approximately 1 inch around all edges for hem or seams. If stitchery is to be used as a wall hanging, allow additional width at top for casing for dowel. Before beginning work on your stitchery, overcast all raw edges of the fabric to keep it from raveling.

USE YOUR IMAGINATION

Almost any appealing motif may serve as inspiration for stitchery: a favorite sketch done for an art project, a photograph of your home, school or pet, for example. Draw a design that you have created especially for stitchery, drawing directly on the background fabric or developing your own design in a small sketch and then enlarging and transferring it to the fabric. Free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PPE 1294.

FEET WILL STAY AS WARM AS TOAST THIS WINTER!

with these warm, cozy and comfortable animal slippers. RACOONS, RABBITS, MINKS, AND SHEEP DOGS will make wonderful companions for the whole family's feet. These unusual slippers will prevent scampering, scuffling feet from being heard and children can run rampant.

TAMING OF THE ANIMAL

These untamed animals will purr like kittens when they are put on little (or big) feet. Easy-to-make and such fun to wear these slippers go over great as gifts. The racoon, rabbit and mink are knitted with knitting worsted and a pair of No. 1 knitting needles.

The sheep dog is crocheted with the same knitting worsted, and size C crochet hook. All styles will need one pair of inner soles, 1/4 yard of felt (any color you choose) for eyes and nose and 1/4 yard of round elastic.

KNIT ME HAPPY

Fairfield-Lutes Wedding Vows Repeated Jan. 11

In a double ring ceremony Saturday, January 11, in the Assembly of God Church, East Tawas, Miss Jeanne L. Lutes was married to Wayne B. Fairfield.

The bride is the daughter of Mr. and Mrs. F. Allen Lutes of Tawas City. Mr. and Mrs. Charles O. Fairfield of East Tawas are the bridegroom's parents.

The Rev. Charles A. Fairfield and the Rev. George Krush officiated at the 2 o'clock wedding rites.

Mrs. Charles A. Fairfield was vocalist accompanied by Mrs. George Leslie.

The bride approached the altar on the arm of her father and was attired in a gown of floor length, A-line fashion of white crepe, featuring wristpoint sleeves. A ring crown held her fingertip illusion veil. She carried sweetheart roses atop her white Bible.

Mrs. Thomas Cadorette attended the bride as matron of honor. Bridesmaids were Mrs. Kenneth Best, bridegroom's sister, Oscoda, and Miss Ann Day. The attendants' street length dresses were A-line styled in shades of rose and pink. Each carried a single, long-stemmed rose.

Miss Valorie Kaye Fairfield, flower girl, wearing a dress fashioned exactly as the bridal gown, carried a nosegay of pink roses.

Jack Cuny was best man. Attending the bridegroom as groomsmen were Kenneth Best and Gary Lutes, brother of the bride.

Ronald Lutes, brother of the bride, and Robert Harris were ushers.

A reception was held at the VFW Hall following the ceremony, where guests attended from Detroit, Brighton, Owosso, Bay City, Au Gres, Lansing, Oscoda and the Tawas.

For the event, the bride's mother chose a three-piece navy blue suit with matching accessories. The bridegroom's mother wore a green woolen dress with brown accessories. Both mothers wore white gardenia corsages.

Following a week's tour in Michigan, the couple will reside at 500 1/2 West State Street, East Tawas.

Mr. and Mrs. Fairfield are graduates of Tawas Area High School. The bridegroom attended Alpena Community College and is a member of Sigma Phi Zeta.

Hot Lunch Menus at TA Schools

Menus to be served at Tawas Area Schools are:

Monday, January 20: Spaghetti casserole, cabbage salad, applesauce, white cake, bread, butter, milk.

Tuesday, January 21: Hot beef, mashed potatoes, buttered corn, diced peaches, bread, butter, milk.

Wednesday, January 22: Sloppy joes, baked beans, beet pickles, cookies, fruit cup, milk.

Thursday, January 23: Meat loaf, mashed potatoes and gravy, buttered carrots, diced pears, bread, butter, milk.

Friday, January 24: Macaroni and cheese, buttered green beans, apricots, apple spice cake, bread, butter, milk.

Falls on Ice, Injures Ankle

Ernest Larson has been a patient at Lake Memorial Hospital, Painesville, Ohio, where he had surgery for a broken ankle, caused from a fall on the ice before leaving East Tawas enroute to Florida.

Mr. Larson is confined to the home of his daughter, Mrs. Joseph Landgraf, 30 Levon Drive, Painesville, until such time as he recuperates to travel to Florida for the winter.

Graduates

Mrs. Edward Humpala, the former Mary Cain, has completed a course in nurses training at the Mercy School of Nursing, Lansing. A 1962 graduate of Tawas Area High School, she was awarded a scholarship by the American Business Women's Association of Lansing. She has taken a position at Lansing General Hospital.

Engaged

Mr. and Mrs. J. A. Goedge of Oscoda announce the betrothal of their niece, Pamela (Penny) LaBoube, to Howard W. Alverson, son of Mr. and Mrs. Louis H. Alverson of Wilber Township. A June wedding is planned.

Engaged

Mr. and Mrs. Chester C. Busch of East Tawas announce the engagement of their daughter, Mary Beth, to David Russell Meuse of Cleveland, Ohio. They plan to be married in June.

A graduate of Barat College, Lake Forest, Illinois, Miss Busch is now attending Washington Montessori Institute in Washington, D. C. Her fiancé, who was graduated from John Carroll University, is with the investment firm, Bell, Burge and Kraus, and is attending Cleveland Marshall Law School. His parents are Mr. and Mrs. David L. Meuse of Cleveland.

Mrs. Sheeks New President of TC Garden Club

The regular and annual meeting of Tawas City Garden Club was held Tuesday at the home of Mrs. J. A. Mark. The snow and flu kept several members at home.

Elected to office for the ensuing year were Mrs. Frances Sheeks, president; Mrs. Mable McCormick, first vice president; Mrs. Violet Fisher, second vice president; Mrs. Mark, secretary; Mrs. Ann Webster, treasurer.

Four members, Ella Gabler, Aloha Fahselt, Georgena Leslie and Lydia Braden, were voted in to honorary membership.

Roll call was naming a house plant and telling its care.

What's new in seed catalogues was presented by Mrs. Sheeks. Vegetable gardening: What and when to plant was given by Mrs. Helen Mark.

A Michigan Flower and Builders Show is to be held February 25 at Cobo Hall, Detroit. The East Tawas and Tawas City Garden Club members are planning to sponsor a bus to attend this event.

Hostesses, Mrs. Florence Moeller and Mrs. Webster, served refreshments.

Herriman-Irish Nuptials Held at Bay City Church

Miss Patricia K. Irish of Bay City exchanged nuptial vows at a 6 o'clock ceremony Saturday, January 11, to become the bride of James H. Herriman of Tawas City.

The Rev. Fr. Sigfrid Eckert performed the marriage rites at St. Joseph Catholic Church, Bay City, for the daughter of Mr. and Mrs. Francis Irish of Bay City and the son of Mr. and Mrs. Allan Herriman of Tawas City.

The former Miss Irish selected white tulle for the important occasion dress, fashioned with crystal beads and pearls orbiting the bishop sleeves, neckline and hemline of her skimmer floor length skirt. A detachable Watteau train, which swept to chapel length, complemented her gown.

Matching satin pill-box head-dress touched with pearl accents held her imported English illusion veil and she carried a variegated arrangement of hues varying from delicate ice blue to winter white, tied with velvet streamers and English ivy. Her father escorted her to the altar.

Wearing identically styled gowns of sapphire blue velvet, tapered wristpoint sleeves, portrait necklines on Empire bodices and cutaway floor length skirts with powder blue satin front panels were Miss Cecelia M. Irish of Bay City, sister of the bride, matron of honor; Miss Vicki Irish of Bay City, another sister, and Miss Donna Herriman of Tawas City, attending as bridesmaids. Their headpieces were of matching velvet and they carried French colorials of soft blue carnations interwoven with miniature star flowers, English ivy and velvet streamers.

Attending the bridegroom was his brother, Kenneth A. Herriman of Flint, best man; Randall Lanski of Tawas City, and Ronald Priebe of Bay City, groomsmen.

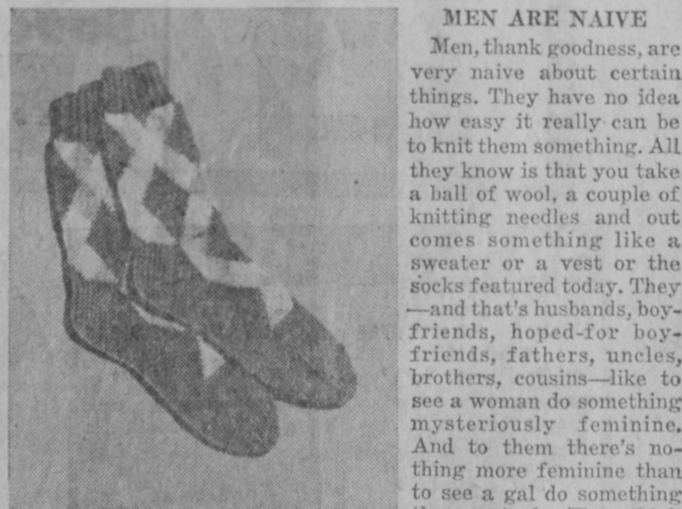

Chris and Craig Herriman of Tawas City, cousins of the bridegroom, seated the guests.

A reception followed the ceremony and was held at Lincoln Road Hall.

The couple will reside in Tawas City, following a trip to the Southeast.

Needlecraft News by Nancy Baxter

SOMEONE ONCE SAID that the quickest way to a man's heart is through his stomach. But I can think of an even quicker way. And that's to make something—yourself—for him.

It took time and trouble to make them those socks. They like that. And know it's more economical to make socks than to buy them. Of course they love that!

THESE ARE EASY

The socks we have for you today really are not difficult. You just watch your chart and use the basic knit one row, purl the next row. They're attractive additions to any man's wardrobe. Free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet B 146.

About PEOPLE YOU KNOW

Tawas City

Miss Carolyn Rice of Lansing spent three days with her parents, the George Rices, last week.

Mr. and Mrs. A. Story of Tawas Motel spent the week-end in Detroit.

Gerald Stephan of Saginaw spent last Tuesday with his parents, Mr. and Mrs. Joseph Stepanski.

Maurice Kennedy has gone to Detroit to stay with his children for a time following an illness.

Mr. and Mrs. Arthur Hawkins and son, Ronald, and mother, Mrs. Ethel Preston, of Saginaw spent Sunday with the latter's sister, Mrs. William Ulman. Ronald is entering service.

Algoth Johnson is home after spending several weeks in Detroit with his daughter.

Mrs. Ira Horton and Mrs. Belle Follette spent the week-end in Flint with relatives. They also attended a reception honoring Mrs. Mabel Shaw.

Mrs. Steve Wellna is a patient in St. Mary's Hospital Room 420, Livonia.

Mr. and Mrs. John Proctor were guests of Mr. and Mrs. Michael LaBlance last Wednesday in honor of the birthday of the latter.

East Tawas

The installing team from Irene Rebekah Lodge No. 137 journeyed to Standish Saturday evening to install the 1969 Standish Rebekah officers. Several other members of the local lodge also attended the open installation.

Mrs. William Stonehouse Jr. is a patient at Saginaw General Hospital.

Mr. and Mrs. Dale Blust of Hale called on George Freel Saturday.

Mrs. Glen Bullock and children, Brenda, Susan and David, have returned from a visit with Detroit relatives.

Richard Helmer, who has been recuperating at the home of his parents, Mr. and Mrs. Carl Helmer, has returned to Saginaw and his work at Saginaw Steering Gear.

Mr. and Mrs. Howard Durant have returned from Pensacola, Florida, where they visited their son and wife, Mr. and Mrs. Dennis Durant, and two sons.

Mr. and Mrs. Ted DeWyse of Bay City spent Sunday with the latter's mother, Mrs. Sadie Jarvis.

Mr. and Mrs. Allan Bowerman and mother, Mrs. Carrie Bowerman, will be honored at a farewell dinner Saturday evening. Mr. Bowerman has been transferred to Lansing.

Cold Weather Fails to Stop Senior Citizens

Despite the frigid weather, nearly 100 Tawas Area Senior Citizens attended the first meeting of the year at the East Tawas Community Building Wednesday, January 8. Pres. Carl Artt and club members discussed plans for 1969, which included many interesting business and social activities.

A committee was organized to correspond, visit and assist members and others who are ill or in need of assistance.

Edward Higgins, East Tawas councilman, addressed the club and explained projected plans of the senior citizen housing program.

Door prizes and luncheon completed a busy program.

Next meeting will be held Wednesday, January 22.

Mrs. LaBlance Honored at Shower

Mrs. Michael LaBlance was honored with a stork shower recently hosted by her cousin, Mrs. Frank Going of Vassar.

Fourteen members of Mrs. LaBlance's family attended the shower. She opened many gifts for the awaited arrival.

Memorial Service Conducted by Iosco Chapter

Members of Iosco Chapter No. 71, OES, assembled January 3. In a memorial service, the altar was draped for Mrs. Shirley Jones, past grand matron, and James W. Grills, past grand patron of the Grand Chapter of Michigan.

Plans were made for a pot-luck dinner to be followed by a social hour to be held January 25. Members of Baldwin Lodge and their wives will be guests for the evening.

Following the business meeting, refreshments were served by the hostesses, Mrs. John Moffatt, Mrs. Mathew Kienholz and Mrs. Laura McMurray. Twenty-five members were present.

Wilber News

Mr. and Mrs. Louis Dubovsky of East Tawas were Saturday dinner guests of Mr. and Mrs. B. William Olson.

Mr. and Mrs. Charles Streeter of Grosse Pointe are spending the week with Mr. and Mrs. Allen Brown.

Mrs. Frieda Cholger is spending time in Bay City and Frankmuth with her daughters and families.

Mrs. Lynn Bjork visited with Mrs. Margaret Cholger Sunday.

Mrs. Edith Wilson entertained several ladies at a demonstration party on Tuesday.

Mr. and Mrs. Ray Cross entertained the township board at dinner during the week in honor of Mrs. Leona Alverson.

Albert O'Neill of Lansing spent Thursday with his mother, Mrs. Olive Lotridge.

Mrs. Kenneth Frasher and family of Glenn called on her grandmother, Mrs. Lula Alda, Saturday.

Mr. and Mrs. Allen Brown visited with Mr. and Mrs. Fred Blust in Tawas City Friday evening.

Last Sunday guests of Mr. and Mrs. Marvin Mallon were Mr. and Mrs. John Henry Jr., Mr. and Mrs. Lewis McGrath and Mrs. Marion Kaiser.

Mr. and Mrs. Edward Hornby of Harrisville and John Henry visited Jack Searle on Sunday. Henry Salonen was a Saturday caller.

Mark Birthdays With Party

Mr. and Mrs. Danny Rhodes of Birch Run visited this week-end with his grandparents, Mr. and Mrs. Clarence Childs.

Sunday afternoon marked the celebration of a birthday for Mr. Childs and Mr. Rhodes. Mr. and Mrs. Robert Adams helped them celebrate and enjoyed a decorated cake for the occasion.

Gifts were opened by the celebrators at the event held at the Childs' home.

Married Jan. 4 at Saginaw

Married Saturday, January 4, in Saginaw were Miss Jo Ann Green, daughter of Mr. and Mrs. George Green of Tawas City, and Larry Bowling, son of Mr. and Mrs. Norman Smith of Woodbridge, Virginia.

Attending the couple were Miss Ilene Hatch, Lansing, and Terry Green, Saginaw.

Mr. and Mrs. Bowling will reside at Big Rapids, where the bridegroom is a student at Ferris State College.

Newcomers Club to Meet Jan. 21

Tawas Area Newcomers Club will meet Tuesday, January 21, 8:00 p. m., at the East Tawas City Hall.

Program will be about wigs and hairpieces.

Persons new to the area in the last three years are welcome to attend. Interested persons may contact Mrs. Francis Halstead of Mrs. Eugene Moe at 362-5990 or 362-5435.

Attention...

USE GOOD COMMON SENSE AND OBEY STATE LAWS WHILE OPERATING

SNOWMOBILES!

The laws are for your protection, as well as others using highways and streets of Iosco County.

COURTESY PAYS—Whether driving an automobile or operating a Snowmobile!

It has been brought to our attention that many snowmobile operators are disregarding legislation recently enacted by the State of Michigan. For this reason, we are publishing the following which is included in Act No. 74, 1968:

Sec. 12. No person shall operate a snowmobile upon the main traveled portion of any roadway, as defined in section 55 of Act No. 300 of the Public Acts of 1949, being section 257.55 of the Compiled Laws of 1948, or on a highway or street within 10 feet of such roadway with the following exceptions:

(a) Properly registered snowmobiles may cross public highways, except limited access highways and freeways as defined in Act No. 300 of the Public Acts of 1949 if such crossing can be made in safety and it does not interfere with the free movement of vehicular traffic approaching from any direction on such highway. The snowmobile operator shall yield the right of way to all vehicular traffic upon any highway.

(b) Snowmobiles may be operated on highways in the county road systems which are not maintained for winter wheel vehicular traffic by removal of snow.

(c) Snowmobiles may be operated on a street and highway during a period of emergency, when so declared by a police officer having jurisdiction, when travel by conventional automotive equipment is not possible.

(d) Snowmobiles may be operated on the highways within the restrictions set forth herein for the purposes of crossing bridges and culverts.

(e) Snowmobiles may be operated on county highways not having 10 or more feet of traversable right of way outside the traveled portion of the roadway as far off the roadway as possible.

(f) Snowmobiles may be operated on a street or highway for a special snowmobile event of limited duration which is conducted to a prearranged schedule under permit from the governmental unit having jurisdiction.

(g) Whenever it is impractical to gain immediate access to an area adjacent to a public highway where a snowmobile is to be operated, the vehicle may be operated adjacent and parallel to the highway for the purpose of gaining access to the area of operation. This subsection shall apply to the operation of a snowmobile from the point where the vehicle is unloaded from a motorized conveyance to and from the area where the snowmobile is to be operated when loading and unloading cannot be effected in the immediate vicinity of the area of operation without causing a hazard to vehicular traffic approaching from either direction on the highway. Loading or unloading must be accomplished with due regard to safety at the nearest possible point to the area of operation.

Sec. 13. No snowmobile shall be operated in this state unless it has at least 1 headlight, 1 taillight and adequate brakes capable of producing deceleration at 14 feet a second on level ground at a speed of 20 miles an hour.

Sec. 14. Any city or village may pass an ordinance regulating the operation of snowmobiles if the ordinance meets substantially the minimum requirements of this act.

Sec. 15. No person shall operate a snowmobile:
(a) At a rate of speed greater than is reasonable and proper having due regard for conditions then existing.

(b) While under the influence of intoxicating liquor or narcotic drugs, barbitol or any derivative of barbitol.

(c) During the hours from 1/2 hour after sunset to 1/2 hour before sunrise without displaying a lighted headlight and a lighted taillight.

(d) In any nursery, planting area, or natural area of forest reproduction and when growing stock may be damaged.

(e) Unless it is equipped with a muffler in good working order and in constant operation to prevent excessive or unusual noise and annoying smoke.

(f) While transporting thereon a bow or a firearm unless same be securely encased.

Sec. 16. The operator of a snowmobile involved in an accident resulting in injuries to or death of any person, or property damage in an estimated amount of \$100.00 or more, or some person acting for him, or the owner of the snowmobile having knowledge of the accident, shall immediately by the quickest means of communication notify a state police officer or officers, or the sheriff's office of the county wherein the accident occurred, or to the office of the police department of the municipality wherein the accident occurred.

Sec. 17. Any person who violates the provisions of this act is guilty of a misdemeanor.

Sec. 18. This act shall take effect on September 1, 1968.

Provisions of the above act are to be enforced.

THE TAWAS HERALD

Wednesday, January 15, 1969-5

From the Southern part of Switzerland comes this fried cheese dish called Cheese Piccata. Slices of Swiss cheese are dipped in a batter then cooked in margarine until golden brown on both sides. Serve with noodles and a green salad.

Cheese Piccata
2 eggs
1 1/4 cups sifted flour
3/4 cup milk
Dash salt
1/2 cup margarine (about)
12 (4 x 4-inch) slices Swiss cheese (about)

Beat eggs well, then beat in flour, milk and salt. Melt 2 tablespoons margarine in skillet. Dip 3 or 4 slices cheese in batter, coating each well. Cook in margarine over medium heat, turning once, until golden brown on both sides. Continue until all batter is used, adding margarine to skillet as needed. Makes about 12.

Funeral Held for Mrs. Baldwin

Funeral services were held Tuesday, December 31, at the Reile Funeral Chapel, Flint, for Mrs. Helen A. Baldwin, Hale.

Mrs. Baldwin had been in failing health for several years and spent the last two years in the Iosco Medical Care Facility, Tawas City, where she was a patient at the time of her death. Before entering the facility, she had lived with her daughters in Hale. She died Saturday, December 28. She was 96 years old.

Mrs. Baldwin was born at Fairgrove March 27, 1872.

Survivors include three daughters, Mrs. William Webber of Flint, Mrs. T. C. Cribbs and Mrs. Leslie Sobczak of Hale; one son, Percy Mosher, lives in Flint. Other survivors are five grandchildren; 14 great grandchildren; two great, great grandchildren; Dr. Kenneth Elgena officiated at the services and interment was in Brookside Cemetery, Fairgrove.

Enos F. Emry Died Jan. 11

Enos F. Emry, Sand Lake, National City, died Saturday morning at Tawas Hospital, where he had been admitted the day before suffering a heart attack. He was 39 years old.

Born in Bay City October 27, 1929, Emry had lived at Sand Lake for the past 10 years, having moved there with his parents.

Enos F. Emry

Mr. Emry was a member of the volunteer fire department for Grant Township.

Survivors include his parents, Mr. and Mrs. Franklin Emry of Sand Lake; four brothers, Max of Bay City, John of Corunna, Frank Jr. of Flagstaff, Arizona, and Allen of Sand Lake.

Funeral services were held Tuesday afternoon at the Jacques Funeral Home, Tawas City, with the Rev. Walter J. Buck officiating.

Interment was in Pioneer Cemetery, Sand Lake.

SP5 ERNEST K. LIXEY, right, son of Mr. and Mrs. Richter E. Lixey, East Tawas, received the army's commendation medal January 4 for meritorious service in the Republic of Vietnam from January 1958 through January 1969. Presenting the citation is Lt. Col. Edward L. Landry. Lixey was a member of the 14th Transportation Battalion at Nha Trang. Discharged January 8, Lixey and his wife, the former Regina Kern of Oscoda, will be residing at Dearborn Heights where he will be a substitute school teacher.—United States Army Photo.

Dennis Lorenz and Wife Return to Newfoundland Post

Mr. and Mrs. Dennis Lorenz have returned to Newfoundland after spending two weeks with the former's parents, Mr. and Mrs. Maurice Lorenz. Dennis is with the navy.

SP6 Campbell and Family Visit Parents

SP6 James G. Campbell, wife and two sons are spending a few days with the former's parents, Mr. and Mrs. James Campbell. Specialist Campbell, who has been stationed at Fort Hood, Texas, is being transferred to Fort Riley, Kansas.

(Continued from page 2, sec. 1.)

Helmer Goes to Fort Benning

2Lt. Brian M. Helmer, who recently spent a few days with his parents, Mr. and Mrs. Carl Helmer, has been transferred from Fort Sill, Oklahoma, to Fort Benning, Georgia.

Dennis Lorenz and Wife Return to Newfoundland Post

Mr. and Mrs. Dennis Lorenz have returned to Newfoundland after spending two weeks with the former's parents, Mr. and Mrs. Maurice Lorenz. Dennis is with the navy.

SP6 Campbell and Family Visit Parents

SP6 James G. Campbell, wife and two sons are spending a few days with the former's parents, Mr. and Mrs. James Campbell. Specialist Campbell, who has been stationed at Fort Hood, Texas, is being transferred to Fort Riley, Kansas.

Braves Meet Orioles Friday

After losing to the Oscoda Owls January 7, Tawas Area Braves' game last Friday night at Essexville was postponed due to storm conditions.

The Braves met Bangor last night (Tuesday) at the high school auditorium and are to travel to West Branch this Friday night.

Snow 'Holidays' Set Exams a Week Later

Three snow "holidays," coupled with Christmas vacation, has resulted in pushing up Tawas Area School's first semester by one week.

This action was taken Monday night by the board of education on recommendation of school administrators. The move will not mean any change in over-all attendance days for the school term. The first semester will now have 91 days and the second semester 89 days.

Semester examinations were to be held this week, but the three days off from school meant that regular study material for the first semester was not completed in classes and reviews for examinations were not completed.

Administrators felt it would not be fair to either students or teachers to have semester examinations this week. Examinations had been prepared by teachers prior to the Christmas break.

As a result, end of the third six weeks and semester has been changed from January 17 to January 24. Examinations are to be held January 22-24.

Mrs. Barbara Cuthbertson has been retained to take over January 27 for Mrs. JoEllen Bourque in second grade at East Tawas.

Mrs. Cuthbertson has had 3 1/2 years teaching experience and is a graduate of Albion College. She held an elementary provisional certificate from Albion College and has four semester hours of work toward her permanent certificate. She will finish out the year as a substitute teacher.

Reed Going to Ypsilanti for Examination

Upon recommendation of Dr. Leslie Lambert, an order was entered committing Alvin (Jack) Reed to the forensics center at Ypsilanti for psychiatric examination to determine his ability to stand trial.

Reed appeared before Circuit Judge Allan C. Miller Monday. He is held on an open charge of murder, having allegedly fatally wounded Mrs. Norma Williamson of Whittemore.

Hale Area News

Post-Auxiliary Meet January 15

Glenn Staley Post No. 422 and Auxiliary will meet January 15, 7 o'clock, for the regular pot-luck supper and meetings. Business sessions convene at 8 o'clock.

Golden-Agers Plan Pot-Luck

Golden-Agers will meet January 16, 12:30 o'clock at the Legion Hall for their pot-luck dinner and meeting. Everyone is welcome to come and spend a couple hours visiting and playing games.

Snow Cancels Health Meeting

Hale Health Council's Thursday meeting was canceled because of the weather and roads. The next meeting is scheduled for February 13.

At that meeting, an inventory of loan closet equipment is to be presented. Mrs. Royden Parkinson, chairman, urges individuals who have items from the loan closet to call her at RA 8-2163 to inform her of the item's location and whether or not it is in use.

Mr. and Mrs. Paul Kaven were in Tawas last Friday and had dinner at the Johnson home.

Mr. and Mrs. William Marfleet received word last week that his brother, George Marfleet, had died in London, England.

Mr. and Mrs. Victor Formanek and daughter, Linda, of Detroit; Mr. and Mrs. Vernon Smith and family of National City, and Duane Gruber were New Year's guests of Mr. and Mrs. Leo Gruber. Duane returned to Fort Knox, Kentucky, by plane.

Miss Betsy Pember returned to Ferris State College last Tuesday.

Mrs. Albert Buck is slowly recovering from the flu.

Mrs. Abigail Tottigham had surgery last Tuesday at Bay City General Hospital. She is recovering nicely.

Mr. and Mrs. Emil Wagner called on the Rev. and Mrs. John Kerr last Sunday. They had been ill.

Mrs. Cora Johnson is now at Iosco Medical Care Facility.

Mr. and Mrs. Lawrence Schaum spent last week-end in Flint visiting their son, Larry, and family.

Mr. and Mrs. John Webb Jr. and two sons spent the holidays in Wichita, Kansas, where Mrs. Webb's parents and brothers live.

Word was received by John Webb Sr. Thursday morning, January 9, of the birth of a son to Mr. and Mrs. Phuenel (nee Charlotte Webb). He weighed eight pounds, five ounces.

Mrs. Samuel Digard is a patient at Tolfree Hospital, West Branch.

Mrs. Clark Patterson and Mrs. Doris Thayer were in Ann Arbor last Wednesday to see Mr. Patterson, who is in Veterans Hospital there.

Mrs. Glenna Cheney's birthday was last Wednesday. Mr. and Mrs. Deemer, Mr. and Mrs. Montgomery helped her celebrate with ice cream and cake.

Last Wednesday, Mrs. Robert Hames and son, Robert, were in Bay City where Robert purchased a new car.

About 25 couples enjoyed a Ski-Doo party at the Al Bakers last Sunday.

Two Named to Dean's List

Two residents of Tawas area have made the singular scholastic achievement of the dean's list at Saginaw Business Institute for the fall term just completed.

This honor requires the student to earn a B-plus grade average or better in her college work, or by the point system, a 3.5 point average.

Honored are Miss Leona Alverson, daughter of Mr. and Mrs. Louis Alverson, East Tawas, and Miss Barbara Klish, daughter of Mr. and Mrs. Alex Klish, Tawas City.

Avoid Damage from Porcupines; Give Them Salt, Says WSU Prof.

The clean, slanting cuts of a porcupine's teeth appear even on this aluminum casting of an abandoned chain saw. It possibly had a salty taste from human hands.

DETROIT—"Not all good—not all bad."

That's the way Dr. William Prychodko, of Wayne State University's Biology Department, characterizes that prickly resident of the Michigan woods known as the porcupine.

"If you know enough about him and his habits you can avoid most of the bad," says this well known specialist in mammals.

Most people don't worry about the obvious "bad," porcupine's sharp quills. They just keep their distance.

The other "bad" that does worry many Michigan residents is the porcupine's habit of gnawing on the sides of houses, cottages and outbuildings. For this one, Dr. Prychodko has a specific suggestion: "Give him salt."

"All mammals require salt," says the professor. "Carnivorous ones get this need pretty well supplied through their raw meat. Vegetarians, like the porcupine, get less than they need and must continually search for added supplies."

"They'll gnaw on anything that has been exposed to salt, or that even has a slightly salty taste—like an auto tire or sweaty ax handle."

To keep porcupine's sharp teeth away from your possessions, you don't need to engage in poisoning, shooting or trapping, says the professor. Salt-giving is a simpler and milder solution.

Just throw some old boards on the ground and sprinkle them with salt. The rain will dissolve the grains, soaking the salt into the boards. Porcupines will gnaw to their heart's content on the boards and will leave your possessions alone, he says.

The "good" in porcupines is that they provide a ready source of food for persons lost in deep woods without hunting equipment, points out Dr. Prychodko. The slow-moving and cumbersome animals can be clubbed with a long stick by a starving person and serve as survival food.

Michigan's Department of Conservation has not recommended either laws protecting porcupines or wholesale slaughter of the creatures. It's because of their "not all good, not all bad," qualities, Dr. Prychodko points out.

Labelled a "quill pig" by his detractors, porcupine is a truly remarkable animal. He has feet like a bear, claws like a badger, and teeth like a beaver. He can climb the highest tree, and swim across a pond. His 30,000 razor-like needles make it unnecessary for him to flee from an enemy. He just waddles away.

"His winter diet," Dr. Prychodko says, "consists of evergreen needles and the bark of various trees. He does, therefore, kill some small trees, but since he stays close to home, often returning to the same clump of trees for an entire season, the damage he does in this connection is slight."

His vegetarian nature notwithstanding, he sometimes gnaws bones of animals, such as deer antlers, which he finds in his brief wanderings. These provide additional nutrients he likes.

In summer he can easily fill his belly with wild plants in great variety. But he needs salt the year around, and if you don't help him get it, you may find his tooth marks on something you prize.

Family Living Education

By MARY PETERS
Extension Home Economist
Weight Watchers Unite

Weight watchers love foods as much as anyone, probably more. That is usually the reason we get to be weight watchers in the first place. However, dedicated calorie counters can run out of numbers during the holiday season. Each and every cookie, candy, piece of fruitcake or glass of eggnog sends the score up, and there are plenty of these around. In our society, hospitality and food are just about inseparable.

Right after the holidays, Americans become extremely calorie conscious. And it is a good thing. Overweight is America's number one nutrition problem. One out of five men, 20 years and over is at least 10 percent above average in weight; the proportion for women is higher—one in four.

Over indulgence seems to be justified just because it is holiday time, but the price we will have to pay. Our bodies do not forgive and forget. We will pay the price for the extra season. Add to this the price we will pay to doctors, hospitals, drug stores for stomach tranquilizers and soothing syrup, or to have that gall bladder put back in working shape or the ulcer quieted down again. A lot of food for undernourished folks could be purchased with the money we spend in overindulging and the resulting consequences.

Dietetic Foods Available
Weight watchers can control their weight by the amount of food that they eat, by the kind of food they eat and the amount of exercise they get. Generally, the kinds of foods that weight watchers need to emphasize in the diet are those low in calories, but high in important nutrients that our bodies require. Food may be naturally low in calories or it may be processed in some way to reduce its caloric value. The market for processed low calorie foods has increased considerably in recent years.

In fact, dietetic food sections are one of the fastest growing

sections in food stores. It is reported that there has been a 65 percent dollar sales increase of low calorie foods in the last five years, compared with the 42 percent increase in all items sold. Sale of dietetic soft drinks has increased 18 percent and synthetic sweeteners, 47 percent.

Some foods on the dietary food counter only because they are salt-free, not because they are any lower in calories in the dietetic form than in the regular form. Some examples are dietetic tomato juice and canned vegetables.

Low-calorie dietetic foods may contain noncalorie vegetable colloids of oils, as in salad dressings, or they may be packed in water rather than in oil, as is tuna fish; or they may have fat extracted, as in beef slices in barbecue sauce. It is important to read the labels on these products to know exactly what they do contain, and to note their caloric value. Some dietary products show little caloric difference from their non-dietetic counterparts.

Since special dietary foods are generally produced and packed in smaller quantities than non-dietetic items, increasing production and handling costs bear a price premium over their non-dietetic alternatives.

Don't put off changing to Gas heat for another six months.

Just put off the payments.

Before winter hits you with a lot of expensive misery again, convert to clean, economical Natural Gas heat. We'll remove your old oil tank free of charge, and pay you for any leftover oil or coal. There's no down payment, and you pay nothing for the installation for six months.

Then, if you like, you can pay on your Gas bill over a period of 36 months. Easy. And, you can save up to one third on present heating bills.

But using is believing. Just call us or your participating heating contractor today. You'll know it's the truth when they say: Gas makes the big difference ... costs less, too!

MICHIGAN CONSOLIDATED GAS COMPANY

Forest Chats

HURON - MANISTEE NATIONAL FOREST

By LOREN WOERPEL, Ranger Tawas Ranger District

As we start into the year 1969, we thought that you would be interested in what has been accomplished this past year here on the Tawas District. Here, in compact form are the highlights of 1968.

The outlook at this time last year for pulpwood production was rather bleak. About mid-year the pulp-paper industries, utilizing our pine, picked up and harvesting operations have gained strength since July market conditions. We harvested almost 10,000 cords of raw materials which were used in making paper, pallets and some sawtimber for local construction.

At year's-end, we were administering 26 sale contracts for \$1,000 and up, and 37 permits for materials less than \$300. New contracts were sold on about three-million board feet of all products during the year.

We inventoried 16,000 acres of the district for needed future work and wrote individual plans of management for these areas coordinating the future use of the resources available.

Planting of pine was accomplished on 605 acres, most of which was done in areas of pre-

viously harvested jack pine that had failed to reproduce naturally. Along with the pine planting, we planted 5,000 wildlife shrubs in planned openings within the new pine plantations. Timber stand improvement was accomplished on 431 acres, mostly in harvested aspen stands, to assure uniform regeneration growth of the new stand of trees.

We controlled eight man-caused fires in the district but burned over 145 acres. This was the largest acres burned in the last five years. Assistance from local fire departments, Wurtsmith Air Force Base, the law enforcement agencies and many local citizens continues to be a very important factor to keep fires to a minimum.

Improved data collection methods of recreation use was instigated this year, and while complete data is not available at this time, we continued to show increases in camping, sight seeing, stops at the Lumbermen's Monument, swimming use at Sand Lake and snowmobiling.

A group campsite was added to Rollways campground for use by youth groups and canoers using the AuSable. With the help of the Snow Drifters Snowmobile Club, the Silver Valley complex of trails was expanded and improved along with the 13-mile Gordon Creek trail. Other trails are in the process of being worked out with the assistance of other groups.

We are administering 104 special uses which include a wide range of uses being made of the national forest land. Uses include township refuse, disposal areas, road right-of-ways, power lines, military facilities, schools, signs, summer homes, gravel pits, stores and others.

Land exchange cases were started to exchange lands with the Grant Volunteer Fire Department for a site for a fire department building and with the Tawas Industrial Development Corporation for an industrial park site in Baldwin Township.

During the year, we cooperated with the Michigan Department of Natural Resources in assisting with various wildlife population estimates. In addition to planting shrubs, we blaster open five wa-

ter holes on the jack pine plains to improve game range. A new rolling brush chopper was used on the district for the first time in Michigan. Initial tests and treatment were applied to 180 acres of recently harvested jack pine area. The machine was also used to build two miles of fire break around the Oscoda Area High School. And so, 1968 is history. Plans for 1969 mean another full year of varied activities are in store for us. By continuing to improve our effort in managing the national forest here at Tawas, we strive to ever increase our benefit to the local economy as well as serving our part of the national effort. We hope you have a good 1969, too.

Proceedings of Iosco Board of Supervisors

DECEMBER SESSION
December 18, 1968

Pursuant to adjournment November 13, 1968, the Iosco County Board of Supervisors was called to order at 9:30 a. m. by Chairman Charles Smith who ordered roll call. The following supervisors were present: Belson, Burleigh Township; Blust, Whittemore City; Campbell, East Tawas; Chrvia, Plainfield Township; Everett, Tawas City; Gerard, Sherman Township; Moss, East Tawas; Higgins, East Tawas; Brewer, Tawas City; Jocks, AuSable Township; Kasischke, Tawas Township; Little, Grant Township; Lixey, Baldwin Township; McElheron, East Tawas; Mead, Wilber Township; Mielock, Reno Township; Smith, Oscoda Township; Stephan, Tawas City; Weible, Alabaster Township. Absent: None.

The following supervisors-elect of the new nine-man county board were also present: Weryley, District 1; Allen, District 2; Foster, District 3; Smith, District 4; Lomas, District 5; Merschel, District 6; and Miller, District 7; and R, respectively, as members of the present board.

Communications were read by the clerk and referred to the proper committees by the chairman. Upon being informed by the clerk that no bids were received for the installation of a 2" water meter in the courthouse, the chairman ordered the building and grounds committee to proceed at its own discretion.

The Iosco-Arenac Regional Library treasurer's report for the month of November was submitted by Mr. Gerard to be placed on file in the clerk's office.

Mr. Mielock, vice chairman of the East Central Michigan Economic Development District, reported on a meeting held by their commission at Delta College on December 12, advising that Director James Collison has tendered his resignation. He also indicated that an overall plan for the district will be completed in January, and that they have assisted several groups in obtaining federal funding.

Mr. Guy Ramsey, president of the Tawas Lake Dam Association, appeared before the board in connection with their request which they submitted by letter at the October session, for action by the board relative to the construction of a dam to maintain a designated lake level pursuant to a circuit court order some 10 years ago. A general discussion developed, during which Prosecutor Richard Ernst indicated that the statute provides for the county drain commissioner to proceed to construct a dam to maintain the normal lake level as determined by the court, at the expense of the special assessment district determined by the court. He advised, however, that as a practical matter, it would first necessitate the development of a plan and preliminary engineering by personnel hired by the drain commissioner, at the expense of the association, to determine the cost, practicability, etc., of the project.

The matter was referred by the chairman of the drains and ditches committee for recommendation.

Mr. Belson reported on his attendance at the annual convention of the Michigan State Association of Supervisors which was held in Lansing December 9-12, giving a brief account of the topics covered, such as the impact of coho fishing on tourism, the organization and costs of operation of the new district court, crime control, etc.

District Judge-elect Richard Ernst, in response to the board's request, reported on the requirements for the new district court, such as office space for himself and the court stenographer, courtroom space, stenographer's salary, equipment, etc., which is to be furnished by the county. He also discussed the subject of magistrates and the final audit that will be required of the JPs. He then requested a meeting of the judiciary committee.

Mr. Jocks, reporting for the conservation committee, advised that he has called and talked with Mr. Walter Poyet, Chief, Design Section, Department of Conservation, concerning Mr. Poyet's telephone call to the clerk on December 17, at which time he expressed the department's interest in providing parking space and boat launching ramps on the property at the mouth of the AuSable River, which the county leases from the conservation department, through a grant-in-aid program at no cost to the county other than maintenance. Mr. Poyet will be here tomorrow at 2:00 p. m. to meet with the conservation committee to go over the details, and he will also bring the agreement covering the transfer of interest from Plainfield Township

to Iosco County of the public access site on Long Lake which was requested by the board in August, Mr. Jocks advised.

The chairman announced that Mr. Browne of Thomas B. Browne and Associates will be here at 2:00 p. m., concerning a corrected contract for the bath house at the AuSable River Park. He also designated the naming of a parks and recreation commission as a special order of business at that time.

At 11:00 a. m., committees were ordered to their respective duties, balance of the board to be at ease subject to the call of the chair.

Upon call to order at 11:45 a. m., Tax Equalization Director Oates reported on a meeting held yesterday with the equalization committee pertaining to a sales study recently completed by his department which incorporates sales figures accumulated by Gem Survey in 1966 and 1967, together with the sales-figures established in 1968. As a result of the meeting, the equalization committee has developed a report, Mr. Oates stated.

Mr. Mielock, reporting for the equalization committee, spoke briefly about the meeting with Mr. Oates, indicating that they covered all phases and types of property in preparing the following resolution which he presented and moved for adoption by the board:

December 18, 1968
Board of Supervisors,
County of Iosco,
Gentlemen:

Your equalization committee recommends the adoption of the following changes in appraisals of property for the 1969 assessment roll:

1. Residential property in the City of Whittemore be reduced 20 percent.
2. Lake Huron frontage in Baldwin and AuSable Townships which has been damaged by erosion be reduced by \$15 per front foot.
3. Land values of large parcels of timber-cutover land be reduced according to the following schedule:

160 A to 240 A	8%
240 A to 400 A	16%
400 A to 640 A	24%

4. All agricultural parcels be reduced by 10 percent.
5. Inland lake frontage prices to be adjusted at the discretion of the equalization department.
6. The equalization department be asked to notify the STC of any reductions affecting the 1969 starting base.

Signed:
Mielock
Chrvia
Everett
Kasischke
Blust
Lixey

The motion to adopt the resolution was supported by Blust and carried unanimously.

Further discussion continued concerning appraisal values, with indications by Mr. Oates and the equalization committee that sales studies have shown appraisals to be a little high in some areas and low in others, which in most cases will require review and adjustment on an individual basis as sales studies progress.

It was moved by Higgins, supported by Campbell to recess until 1:30 p. m. Motion carried.

AFTERNOON SESSION
Upon call to order at 1:30 p. m., roll call was ordered by the chairman. All the supervisors were present.

County Agricultural Agent Davenport presented a movie, which he indicated was the final edition, covering the various functions of the Cooperative Extension Service, which he accompanied with a narrative during the showing.

Supervisor Walter Kasischke made a presentation to Mr. John Henry, soon-to-retire superintendent of the Iosco County Road Commission, with a plaque and a letter signed by all the supervisors commemorating his many years of dedicated service to the county.

The conservation committee was excused to meet with Consumers Power Company representatives and the planning consultants relative to park planning.

Hon. Board of Supervisors:
We, the judiciary committee, in conjunction with the newly-elected members of the board of supervisors meeting with the newly-elected judge (Richard Ernst) of the new district court, have agreed that the office equipment and supplies be purchased at the best possible price, and delivery be made of the same so that the new district court be able to convene on the date of January 1, 1969.

BE IT RESOLVED that this authority be given Judge Richard Ernst to purchase this equipment immediately.

Signed:
Edw. Higgins

Upon support by Brewer, the resolution was adopted subject to the approval of the finance committee.

At 2:30 p. m., committees were ordered to their respective duties, balance of the board to be at ease subject to the call of the chair.

Upon call to order at 4:15 p. m., the claims and accounts No. 1 report was read by Mr. Stephan, who moved it be approved as read.

Motion was supported by Little and carried on the following roll call: Ayes: Belson, Blust, Campbell, Chrvia, Everett, Gerard, Moss, Higgins, Brewer, Jocks, Kasischke, Little, Lixey, McElheron, Mead, Mielock, Smith, Stephan Weible. Nays: None.

The following resolution was read by Mr. Campbell who moved its adoption:

Hon. Board of Supervisors
Gentlemen:

The finance committee recommends the marine enforcement safety department be authorized to purchase a typewriter in the amount of \$100.00, from the marine enforcement funds.

Signed:
Little
Campbell
Lixey
P. Jocks
J. Weible
McElheron

Lixey and carried on the following roll call: Ayes: Belson, Blust, Campbell, Chrvia, Everett, Gerard, Moss, Higgins, Brewer, Jocks, Kasischke, Little, Lixey, McElheron, Mead, Mielock, Smith, Stephan, Weible. Nays: None.

It was moved by Belson, supported by Stephan, that the new board be called in session on January 3, 1969, at 9:30, for the purpose of organizing and to provide for the immediate needs of the new district court. Motion carried.

The motion by Mr. McElheron earlier in the session to accept the bid from Alabaster Township of \$25.00 for a used Royal typewriter (tag No. 359) was supported by Mr. Everett and carried on the following roll call: Ayes: Belson, Blust, Campbell, Chrvia, Everett, Gerard, Moss, Higgins, Brewer, Jocks, Kasischke, Little, Lixey, McElheron, Mead, Mielock, Smith, Stephan, Weible. Nays: None.

A request by County Clerk D. Keith Pappas for authorization to hire additional clerk due to the added burden of the new district court was deferred for action by the new board.

The supervisors' report of mileage and per diem was read by Mr. Brewer who moved that it be approved and an affirmative roll call attached. Supported by Campbell and carried.

TAWAS CITY, MICHIGAN

Fourth annual search for the outstanding citizen of the Tawas area is now being conducted by the Tawas Chamber of Commerce. The person chosen is to be honored at the chamber's winter banquet January 25 at the Barnes Hotel.

An official ballot is being printed in this week's issue of The Tawas Herald. The ballot, along with a short summary of the nominee's qualifications for selection as citizen of the year, should be returned to the chamber office before January 18.

Any group or individual desiring to nominate a candidate may use the ballot provided here and return it with the necessary information.

A panel of judges will make the final selection from ballots received. Names of the nominee is to be placed on file in the vault of Peoples State Bank and will not be announced until the night of the banquet.

The candidate may be a man or woman, a resident of the Tawas Area School District. The award is to be for his or her outstanding work or contribution to the welfare of the area for 1968, but such effort is to be outside his everyday occupational duties.

VEGETABLE GARDEN short course group met at the home of Mrs. Irene Mott in Reno Township to talk about weed control and vegetables for this coming summer's gardens. Each enrolled in the short course last October and have discussed soil sampling, applications of fertilizers, soil fertility and insect control. The next meeting will be February 25 at the home of Mrs. Idel-

Wood in Reno Township. The group will complete discussions on growing greenhouse plants. Seated from left are Mrs. Mott, Mrs. Richard Samson, Mrs. Roger Mott, Mrs. Blanche Bailey. Standing left to right are Mrs. Wood, Richard Samson and Roger Mott. Photo by Marvin Davenport.

Hale Area Votes Today on School Building

Voters of Hale Area School District are going to the polls today (Wednesday) to decide on a proposal asking the district to bond for 1.45 million dollars to finance construction of a new junior and senior high school.

In the planning stage for 1 1/2 years, a building program was developed by the board of education which would relieve overcrowded conditions, replace substandard facilities and improve classroom conditions for students and teachers.

The bond issue would finance a program to erect, furnish and equip a new junior and senior high school building, as well as to remodel the present high school building for elementary purposes. The present wood structure would be removed.

In consideration of the district's increased valuation this year, the board of education reduced voted millage this year

from four mills to two mills. In addition, one mill was dropped from the two-mill levy to finance the elementary building constructed in 1963. The elementary building will be paid for at the present tax rate in three years from May 1969, or sooner.

The above makes a total reduction from six mills voted above the county allocated last year to three mills this year. A mill is \$1 per thousand dollars of assessed valuation.

Maximum millage assessed on this building program the first year, based on the 1969 valuation and based on maximum interest

rate permitted by the state, would be 6 1/2 mills for building only.

If approved, the board would levy millage necessary to meet the dollars needed each year to pay off bonds. As the valuation of the district increases, the board then lowers the millage assessed.

The district has gained \$200,000 to \$300,000 annually through natural growth.

If approved, there would be a possibility of starting construction this year, with a possible completion date by the fall of 1970.

Hale Eagles Win Second Straight Game

Hale Area Eagles won their second consecutive game Friday night, defeating Arenac Eastern, 81-72. It was the Hale Eagles' third victory in eight games.

Hale was hot all evening on shots from the outside, but had to overcome a halftime lead held by the Arenac Eastern five.

The Hale squad opened with a 25-22 margin in the first quarter, then fell behind when Arenac Eastern gained a 21-14 edge in the second quarter.

The Hale Eagles came back with a 24-17 margin in the second quarter and won going away with an 18-12 count in the final.

Top man in scoring for the winners was Pynn Shellenbarger, who meshed 23 points. Tom Mulvahill paced the losers with 20.

The Eagles play at Fairview this Friday night.

Scoring for the two teams was as follows:
Hale—Greg Wereley, 6-1-13; Pynn Shellenbarger, 10-3-23; Mike Cline, 1-0-2; Warren Miller, 7-1-15; Elite Shellenbarger, 8-5-21; Dave Drumfield, 2-3-7.
Arenac Eastern: Ray Kulak, 6-3-15; Tom Mulvahill, 8-4-20; Brian Dittmer, 2-0-4; Al Curreston, 3-0-15; Bob Russell, 2-4-8; Jerry Norton, 2-0-4; Dave Thomasecki, 2-2-6.

Dedication Set for New Iosco Co. Building

15 Years Ago—

January 15, 1954 — Dedication ceremonies for the new county building will be held next Wednesday afternoon with an all-day open house for public inspection, announces Supervisor Clarence Everett, chairman of arrangements. A get-together luncheon for county, township and city officials is to be held at the Barnes Hotel. Hon. Edward M. Sharpe, justice of the Supreme Court of Michigan, will be principal speaker at dedication ceremonies.

Max Cochran, formerly of the East Tawas High School faculty, was appointed last week to the position of superintendent of state aid distribution for the finance division of the State Department of Public Instruction.

Christ Episcopal Church of East Tawas, which has been a mission for 75 years, will be a self-supporting parish in the future, according to an announcement made this week. The step was made under the guidance and inspiration of Canon Warner Forsyth.

The poll campaign for funds in this county will start this week and continue during the month of January. In spite of a generous contribution of \$4,214 by Iosco residents last year, the county was faced with its largest expenditure in the history of pollio. Total cost to Iosco was \$10,888 and the national foundation lent its help.

25 Years Ago—

January 29, 1944—The earnings, savings, prosperity and wealth of a community is reflected by its bank. The thrift and wealth of Iosco County is indicated by the fine growth during the past 10 years of Peoples State Bank of East Tawas. This increase has been from \$203,000 in 1933 to over \$1,400,000 in 1943.

Chief Observer L. H. Braddock announced today that the airplane spotting tower in this city has been permanently discontinued

and all watchers released from duty. During the past few months, watchers had been on duty only Wednesday afternoons.

Mr. and Mrs. Ben Gabler have sold their restaurant in Tawas City to Mr. and Mrs. Otto Lawrence.

Farmers having an agricultural classification may work in the woods cutting timber or in the sawmills during the slack season without fear of losing their deferment status, the Iosco Selective Service Board stated today.

Included in the 31 native sons of Michigan who are among the generals on the fighting fronts is Brig. Gen. John E. Upton, who was born in Tawas City. The Upton family resided at what is now known as the "Elms" in Hale town, moving here during the 1890s.

Earl Schneider of Whittemore had his leg injured Tuesday evening at the National Gypsum plant.

35 Years Ago—

January 19, 1933—Iosco Board of Supervisors adjourned until March 12. A meeting is to be held at that time to prepare a budget to present to the county tax commission which meets March 19. The board found that it was impossible to transfer any money to the federal emergency relief funds, as requested by Gov. W. A. Comstock. The transfer was to be made from the gas and weight tax. This tax is the only source of revenue for county roads and the payment of Covert road bonds. A transfer would completely cripple the activities of the county road commission.

John Mielock, president of the East Tawas Chamber of Commerce, states that the coming season promises to be the biggest one in the history of the resort business. For this reason, a program is being designed to bring together the merchants and make their interests mutual.

Iosco County's CWA quota for workmen is only 295, while over a thousand men are registered as unemployed. This is a handicap that should be remedied as soon as possible.

Mr. and Mrs. James Hughes of Lansing spent the week-end at East Tawas and with her mother,

Mrs. Mary LaBerge.

Townline youngsters are enjoying coasting parties this week.

"The mechanical department was a complete 'hell box,' the larger part of the type being 'pl' and stored away in cigar boxes," said Len J. Patterson as he recalled the day in 1893 when he arrived at Tawas City to assume responsibility for publication of The Tawas Herald. The present publisher, P. N. Thornton, became an employee of Patterson and the Herald in 1912.

The Subsistence Homestead Division of the Department of the Interior is making a study of a plan known as the Subsistence Homestead Program. If the plan is carried out, each community will consist of 150 families. Each family will be allotted from five to 10 acres of land, which it is estimated would raise sufficient crops to at least partially support the family. In addition to this, heads of families would be given part time employment on reforestation projects.

Bay City Couple Now Operating TC Restaurant

Frank and Irene Verbowsky, formerly of Bay City, have purchased the former Knotty Pine Restaurant on US-23, Tawas City. The business is now known as Rene's Steak House.

Verbowsky and his wife are former employees of the Rex Steak House at Bay City. The new Tawas City restaurant owners said they would specialize in steaks. The new owners are parents of eight children, five of whom are at home.
