

# CUBE Answers Some Tawas Area School Millage Questions

The fourth consecutive week of questions and answers concerning the upcoming millage proposal for Tawas Area School District on Thursday, February 6, is presented by Citizens United for Better Education (CUBE).

**QUESTION:** What is school accreditation and why is it important to us?

**ANSWER:** School accreditation is based on standards set up by the State of Michigan. It is based largely on the concept that, if there are enough teachers, counselors, library, laboratory, home economics, shop, teaching material and equipment on hand, the

student is probably receiving a good education.

It is commonly assumed that the main problem in losing accreditation involves the necessity of students taking entrance examinations before being admitted to colleges and universities. The actual significance of loss of accreditation, however, is that the children are not receiving a good education. It will manifest itself in whatever they try to accomplish for the rest of their lives.

**QUESTION:** Why can't the teachers help those who are able to get there when school is called on account of bad roads? I have

yet to see a child who couldn't use extra help.

**ANSWER:** In checking this out, CUBE found that teachers are ready and willing to give extra help under these conditions. All the student needs to do is ask for help.

**QUESTION:** Is it true that the Gem Survey increased taxes last year from 100 to 300 percent?

**ANSWER:** Gem Survey, hired by the Iosco Board of Supervisors, reappraised real estate throughout the county using guidelines established by the state tax commission. Appraisals prepared by

Gem were adopted by the board of supervisors as true cash value of the property. One-half of this figure is the state equalized valuation, according to state law, and is used for property tax assessments. The county's tax equalization department, working in conjunction with local assessors, has the responsibility of maintaining records to provide fair and accurate appraisals for tax assessing. This county-wide reappraisal increased Tawas Area School Districts assessed valuation from \$29,240,489 to \$41,169,841. While increases to all units varied, the average increase in this district was 41 percent. As may be seen, rating the

increase as being between 100 and 300 percent is a huge exaggeration.

**QUESTION:** How much of the millage the school system is asking for could be covered by the increase in taxes?

**ANSWER:** This increase in revenue was nullified to a large extent by the fact that, with our increased valuation, our state aid was cut considerably through the deductible millage factor. We also have to recognize that costs of operation continue to rise—wages, maintenance, equipment and supplies. It is as true in the school system as it is in your own home.

Another significant factor is that, starting the 1968-69 school year, we had a \$60,000 operating fund. This is gone and we will end up with about a \$10,000 deficit in June 1969.

We have a lot of catching up to do. We estimate that we can become solvent and re-establish a good educational program in 1969-70 with 4½ mills and, by cutting all the corners we can, continue a good program through 1970-71 with the same millage.

**QUESTION:** Couldn't some other form of taxation be found to provide our school with needed funds without using property

taxes that over-burden many elderly people?

**ANSWER:** As pointed out in previous articles, people over 65 are eligible for the homestead exemption act which exempts taxes on \$2,500 of their valuation. It is hoped, however, that legislation will be enacted to base taxes more on ability to pay—based on income as well as an individual's property.

**QUESTION:** Is the millage a renewal or will our taxes go up if it passes?

**ANSWER:** The last extra school millage tax of 4.5 mills expired at

the end of the last school year. This proposal is a replacement of that expired tax. Yes—your taxes will go up 4.5 mills, or \$4.50 per thousand dollars of equalized valuation.

**QUESTION:** Why are there so many assistant teachers?

**ANSWER:** We do not believe we understand what you mean by assistant teachers. The school has no assistant teachers. It does have substitute teachers, who are used to fill in when the regular teachers are unable to be present and we are fortunate to find and be able to use them.

(See CUBE, page 2.)

## Area Sportsmen to Cut Browse for Deer Herd

Members of Iosco Sportsmen's Club, in cooperation with the Snowdrifter Snowmobile Club, are to cut browse Saturday as a means of supplementing the diet of Iosco's wintering deer herd.

Members of these two groups, along with anyone wishing to volunteer, are invited to be at the Tawas Golf and Country Club at 8:30 a. m. Snowmobiles are to be

used to transport workers to the cutting areas.

The United States Forest Service has prepared a list of deer yarding areas where volunteers are to cut aspen and cedar browse.

Because of the exceptionally deep snow this winter, the deer herd is faced with possible starvation unless steps are taken to augment the food supply. Cutting of browse has been one method which has proven successful in past severe winters.

Last week, the Michigan Department of Conservation distributed forms to individual and organizations wishing to apply for federal surplus corn to feed to the deer. This was handled by Donald Bell, conservation officer in this county.

Several reports had been received last week that the deer herd was being molested by packs of dogs.

Information concerning Saturday's work may be obtained from Peter Lichtfusz, president of the sportsmen's club, or Ted Moe, president of the Snowdrifters.

## Set Recount Here Friday on DS Time

Eleven voting precincts of Iosco County are to have a recount Friday on the November 5 proposal in which daylight savings time was lost in Michigan by a very small majority.

Iosco is one of several counties around the state which is undergoing a recount at the expense of those persons interested in passage of the proposal.

Units to be recounted include the Townships of Alabaster, Ausable, Burleigh, Grant, Oscoda, Plainfield, Reno, Sherman and Tawas, along with Wards One and Two of Tawas City and Ward Two of Whittemore.

In charge of the recount locally will be County Clerk D. Keith Papas, along with the Iosco Canvassing Board, which includes Mrs. Wilma McGill of Oscoda, Harold Peterson of Tawas City, Garden Charters of Whittemore and Gene Ballinger of Oscoda.

State Elections Director Bernard Apol said Friday that daylight savings time advocates had lost ground in their efforts to overturn the issue's defeat in November. He said that 200 more votes against DST had been discovered in ballot recounts in Marquette, Berrien and Sanilac counties.

The margin of defeat is now 50 votes.

Apol added that 350 precincts still remain to be recounted. The DST issue reportedly was approved by voters November 5, but a further check proved that the issue lost. Proponents of DST then called for a recount in 50 of Michigan's 83 counties.

## Stoutenberg Gets Probation in Circuit Court

Max Stoutenberg, former administrator of Iosco Medical Care Facility charged with misuse of public money, was ordered to pay restitution of \$163.50, was placed on probation for two years, fined \$200 and ordered to pay court costs of \$100.

Sentenced Monday by Circuit Judge Allan C. Miller, Stoutenberg had entered a guilty plea December 2 to two separate counts. In passing sentence, Judge Miller noted that the defendant had violated a public trust.

As director of the facility, he had responsibility of receiving money. It was charged that he had endorsed three checks, cashed them and used the money for his own purposes.

On December 2, Stoutenberg testified that he had intended to repay the money. He told the court at the time that he did not know why he had cashed the checks.

# TA Board Issues Pledge on Millage

## Would Reduce Levy if Budget Can be Met by Less Than 4.5 Mills

Tawas Area Board of Education pledged Monday night that if its 1969-70 operational budget can be balanced with less than the 4.5 mills which voters are asked to approve February 6, the board will not levy the full amount of millage.

This action came following meetings with citizens during the past week.

The proposal which was petitioned by Citizens United for Better Education (CUBE) requests an added \$4.50 per thousand dollars of equalized valuation. This would yield about \$185,000 annually.

In a statement to voters this week, the board said that this additional money would allow for educational improvements or permit continuance of programs as follows:

1. Return vocal music to grades and high school.
2. Return physical education to grades.
3. Allow less pupils per teacher.
4. Return band instruction to sixth grade.
5. Return enrichment courses to seventh and eighth grades.
6. Return to two full-time guidance persons in high school. The school now has one full-time guidance person and one part-time, which is below the state accreditation recommendation.
7. Installation of spring sports in 1968-69.
8. Reduce student fees to 1967-68 levels.
9. Return of remedial reading teacher.
10. Provide funds to make up the money spent beyond income (surplus or balance) in 1968-69.
11. Return of educational field trips.
12. Insure physical education for high school pupils.
13. Continuance of mathematics teacher hired in November.
14. Continuance of English teacher hired in January.
15. Provide funds to meet inflationary costs in materials and supplies.
16. Continue English teacher in junior high school hired in September.
17. Provide funds for yearly increments to teacher salaries.
18. Provide funds so that Tawas Area will be able to hire good teachers and retain good existing teachers.
19. Insure full-day sessions for high school and grades.

"The board of education has no alternative than to ask that the taxpayers contribute the sum requested if it is to continue to render these services to the public," said the statement.

In the past, school additions have been financed on a pay-as-you-go system. As a result, only a 1.09-mill levy remains to pay indebtedness on the high school constructed in 1956-57.

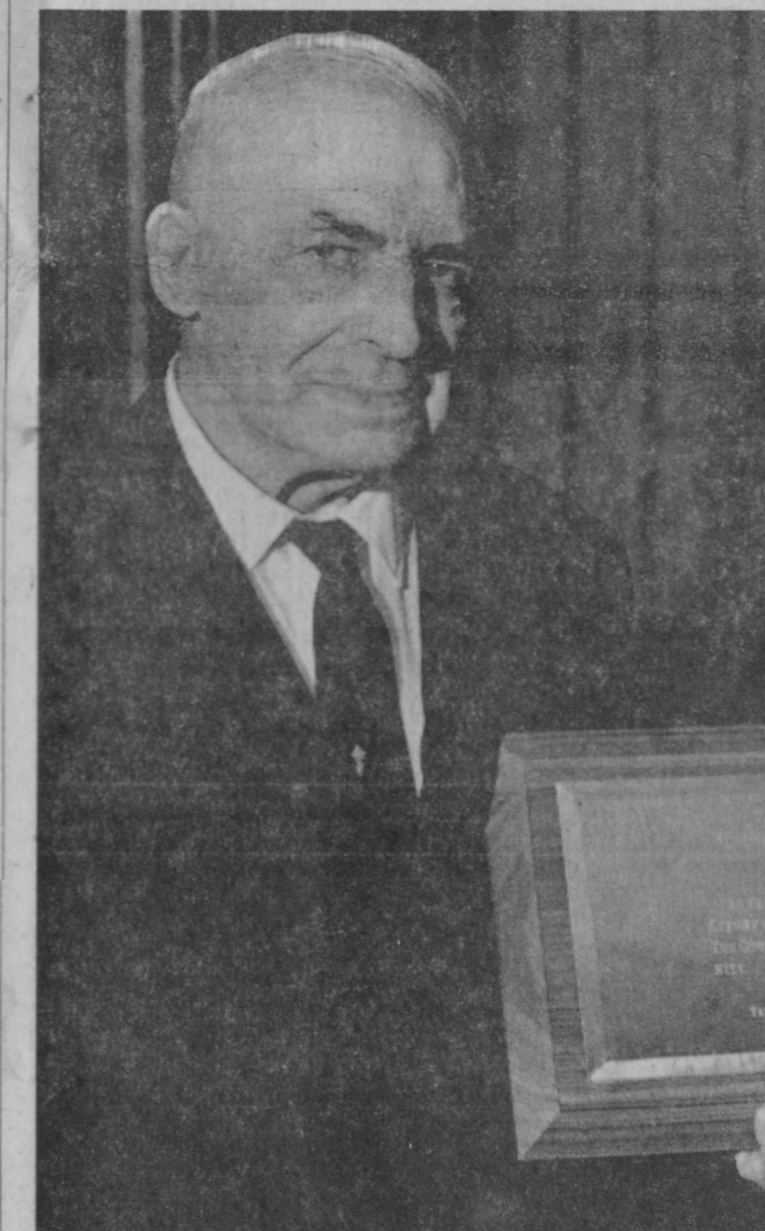

"Support of this philosophy by citizens has enabled the board of education to improve the program of education and improve facilities continuously," said the statement.

"During the past three years, the board of education has expended accumulated funds and spared the taxpayer in order to maintain the type of education they believed the patrons wanted. It is anticipated that these funds will be gone entirely by June 30, 1969."

## New Owners at Hale Locker Plant

Hale Frozen Food Locker plant is under new management. Mr. and Mrs. Roger Mott, who operate a ranch south of Hale, are the new owners. Daniel Leonard of Hale is the new manager.

The firm specializes in custom slaughtering of cattle, sheep and pigs. It offers storage and processing for game animals, as well as handling frozen fruit during harvest time.

JOSEPH BARKMAN, veteran businessman of the Tawas, was honored Saturday night as citizen of the year for 1968. A banquet was held

## Tawas' Citizen of the Year 'Joe' Barkman Receives Honor

In one of the most dramatic moments in the four-year history of Tawas' citizen of the year banquets, a standing ovation by a record attendance Saturday night gave the community's highest endorsement to the selection of Joseph Barkman for this honor.

"Joe, as everyone calls him, has impressed me as a pleasant, benevolent person who puts his community number one in the agenda of his life. He is not only citizen of the year, but citizen of the years," was the way C. A. Arlington expressed the feelings of the more than 200 persons in attendance.

Besides Arlington, adding their congratulations to Mr. Barkman were the two other citizen of the year award winners—Ralph Western (1965) and Robert W. Elliott Jr. (1966).

Mr. Barkman is first in many ways in this community—first to send his check every year to the Tawas-Whittemore Area Community Chest, first to pay his chamber of commerce dues and first to help families in times of distress.

One of the prime movers and backers of Tawas Hospital, he has witnessed his dream come true for a fine, modern hospital. He donated land for the hospital and has been a contributor over the years. Next door to the hospital on M-55 is a fine building, the Tawas Masonic Temple. Mr. Barkman donated the land for that building.

The Barkman Lumber Company was founded in 1911 by Abraham Barkman, Joe's father, who had been a longtime East Tawas businessman. In 1961, the 50th anniversary of that founding, Joe donated \$50 to each church in East Tawas and Tawas City.

Always interested in the history of his community, Mr. Barkman was one of the originators of the Iosco Historical Society last year and has had an important part in its activities. His Tawas Historical Museum, located at the lumber yard office, is a standout local attraction and he spends hours escorting visitors, explaining historical pictures and artifacts.

Early in 1968, he made an outstanding contribution to the people of the State of Michigan. A gift to the state archives at Lansing included a vast collection of newspapers, magazines and historical documents which will be of importance to historical research for years to come. This was only one of the many contributions he has made over the years to the state archives and to Clarke Historical Library at Central Michigan University, Mt. Pleasant.

While it would be an impossibility to note all of his generous

(See BARKMAN, page 2.)

## Citizens May Petition for New Hale A. Vote

Following a citizens meeting of Hale Area School District voters Monday night, it appears that the board of education will be petitioned to resubmit the same modernization and expansion proposal which was defeated by voters on January 15.

It is anticipated that the proposal, which had been turned down previously by a 369-233 vote, would be resubmitted at the annual election in June. It was felt that any further delay would only result in increasing the cost of the total program.

Supt. Paul Southerland said Tuesday morning that a petition from citizens was necessary in order to resubmit the proposition. The board of education is re-

quired, by law, to wait six months before again putting the proposal to a vote.

The proposed 1.45 million dollar bond issue, requiring a 6.5-mill levy, was the minimum required to finance construction of a 42,000 square foot school, said the superintendent. The project also would include renovation of the high school's present west wing for elementary use and removal of the present wood-frame portion of the building.

Southerland said that citizens would need organization in order to acquaint voters with needs of the district. Public meetings would be held and committee members would appear before various organizations to present the program.

## Hurt Saturday in Snowmobile Crash

Floyd Schaaf, 39, Baldwin Township businessman, was rushed to Mercy Hospital, Bay City, Saturday night following a snowmobile accident north of the Consumers Power Company service center in Baldwin Township.

Iosco Sheriff's Department officers said that Schaaf sustained an fractured skull when he was thrown from the machine.

Willard Schaaf, the victim's brother, and Kenneth Rapp told officers that they were following some distance behind Schaaf on their two machines. It appeared as though he had struck an object and was thrown from the machine. Officers said that the snowmobile continued on some distance before it hit a solid object and stopped.

Schaaf was unconscious when taken to Tawas Hospital for emergency treatment. He was then transferred by ambulance to Mercy Hospital.

ENJOYING a sleigh ride Sunday were Billy, Marx and Laurie Engle, grandsons of Mr. and Mrs. George Binder of Tawas Township. It was a cold day for travel, but the boys were having a lot of fun with the pony.—Tawas Herald Photo.

### IN THE SERVICE—

## Horning Home on Furlough

SP5 Michael Horning, who is presently stationed with the United States Army at Bad Kissingen, Germany, is home on furlough. Specialist Horning is the son of Mr. and Mrs. Harold G. (Tom) Horning of East Tawas.

# CUBE

(Continued from page 1.)

**QUESTION:** If the millage fails, why should the hot lunch program be eliminated? Isn't it a self-supporting program? Isn't that why the lunch fees were raised this past year?

**ANSWER:** If the millage fails, there will be no need for a hot lunch program. Pupils will be attending half-day sessions and will be at home for lunch. Fees were raised last year to take care of increased costs of operating the hot lunch program. The school's grocery bill went up the same as that of the general public. It is still an excellent program and costs less than it would to offer comparable meals at home. It is not a true self-supporting program. Fees paid are used to defray costs of food. The school system still has to pay to provide the space, heat it, light it, clean it and pay salaries of the people who operate the program.

**QUESTION:** My tax statement received in December shows that a higher percentage of the total tax went to schools than what was quoted last week.

**ANSWER:** It should be remembered that this forthcoming millage proposal only concerns Tawas Area School District. As a convenience in tabulating and preparing tax statements, the county tax department lumps all school taxes into one column. This total includes the Iosco Intermediate School District's share of taxes, in addition to Tawas Area operating and debt retirement. A full explanation is given at the top of the tax statement, showing millage received by each taxing unit.

# Barkman

(Continued from page 1.)

acts, he has made many substantial contributions to organizations of this community, as well as to the library of Tawas Area School. "May God always keep his arms around him," said Arlington in presenting the citizen of the year plaque.

Toastmaster for the banquet was Larry DeBeau. John Austin, chamber of commerce president, gave the group's annual report and introduced members of the board of directors. Speaker of the evening was William Sullivan, Michigan Consolidated Gas Company.

On hand to witness the presentation was Joe's brother and sister-in-law, Mr. and Mrs. Harris Barkman of East Tawas.

Joseph Badaluco, citizen of the year chairman, presented the sealed envelope which contained the name of this year's recipient. The envelope had been locked in a vault at Peoples States Bank after the selection was made by the committee.

Badaluco reports that more nominations were received this year than ever before. He expresses his sincere appreciation to all who took the time to participate in this worthwhile event.

## Harlem Cagers to Meet Faculty of TA School

There is going to be an invasion of Tawas Area High School Auditorium on Saturday, February 1. The invaders will be the famous Harlem Astronauts, known as the "Laughmakers of Basketball," a title they richly deserve.

The Astronauts have never been defeated. A real evening of entertainment is in store for sports fans.

The game is being sponsored by Tawas Area Varsity Club for benefit of the high school athletic fund. Advance tickets are available at the high school or from any varsity club or Keyette member.

Faculty members will furnish opposition and game time is 8:00 p. m.

## Ogemaw County Land Appraisals Up 79 Percent

Ogemaw County has been appraised at \$108,311,650, an increase of \$46,981,694, according to Gem Survey figures delivered recently to the Ogemaw County Board of Supervisors.

This shows an over-all increase of just over 79 percent for the county with only the City of West Branch showing any decrease in valuation.

Now is the time to turn those unwanted items into cash. Sell them quick through a Tawas Herald classified.

# STRICTLY BUSINESS

by McFeatters

# TC Cemetery Board Adopts New Rule

At the January meeting of the Tawas City Cemetery Board, the problem of locating and preparing of graves for burials during adverse winter weather conditions was discussed.

The board unanimously voted to permit temporary storage of bodies in the recently constructed Tawas City Cemetery service building until such time as weather conditions permit actual burial.

As long as the storage capacity allows, this service is being extended to all cemeteries in the Tawas area.

This practice has been successfully employed by numerous other areas in Michigan, including Alpena, Harrisville and Pinconning.

The fireproof service building is adaptable for this purpose, being constructed of concrete blocks, without windows and a single, solid-core door securely locked, preventing the possibility of vandalism.

## New Title for Jack Lake

Jack Lake, United States Soil Conservation Service leader in Iosco County, is having his title changed from soil conservation service work unit conservationist to soil conservation service district conservationist.

Since the basis of soil conservation service programs has been providing technical assistance to landowners, many of whom are members of their local soil and water conservation districts, the district conservationist will more accurately reflect his duties and contacts with the public.

But soil conservation service technical assistance in Iosco County is not restricted to landowners belonging to the Iosco County Soil Conservation District. Soil conservation service technicians can work with any landowners who have natural resource problems and who want to receive and will apply proper resource conservation information and practices to their lands.

Mr. Lake's office is in the Federal Building, East Tawas.

## CEP Provides Job Training and Job Placement

The Concentrated Employment Program (CEP) operating in Northeastern Michigan can provide job training, skills and job placement to those residents of Iosco County who are unemployed or underemployed. This program, run by the labor department, is geared towards the low-income residents of Iosco. However, all citizens who are interested in job placement may complete an application and perhaps be referred to an immediate employment opportunity.

The Northeast Michigan Community Action outreach workers will be at the county courthouse in Tawas City Wednesday, February 5, between 9:00 a. m. and 5:00 p. m. to accept preliminary applications for the CEP program.

Applications will be taken in the Addressograph room in the courthouse. Further information about this program will be provided at the above mentioned time and place.

Delores Gresznak, community action aide from Whittemore area, will be at the Community Action office located in the old Whittemore elementary school February 4-5 from 9:00 a. m. to 4:00 p. m. to take applications for the program.

## Final Meeting to Decide if Catholic Schools to Operate

A final meeting is to be held February 20 to determine if elementary schools operated by St. Joseph Church and Immaculate Heart of Mary Church will continue to operate next year.

Attending that meeting will be three members of the board of education from each church, along with the Rev. Fr. Raymond J. Pilarski and the Rev. Fr. Arthur C. Mulka, pastors of the two parishes.

Meeting with the two groups will be the Rev. Fr. Olin G. Murdick, director of the diocese. Problems of financing operation of the two schools were discussed at a general meeting of the two parishes last week.

## Prizes Offered for Parade

Tawas Chamber of Commerce, in cooperation with the East Tawas Business Association, is offering \$100 in cash prizes for the Perchville parade to be held Saturday, February 22, 10:00 a. m.

The parade is to start at Mathews Street, Tawas City, and end at the Federal Building, East Tawas. Assembly is to begin at 9:30 a. m. Prizes to be offered include \$50 for the best all around float, \$30 for the best floating representing the area and \$20 for the most colorful float.

As this is an area promotion, all clubs and organizations are urged to participate. No entry fee is required.

## D. J. Seymour Jr. Receives Bars of Second Lieutenant

Donald J. Seymour Jr., son of Mr. and Mrs. Donald Seymour of Tawas City, was among eight Central Michigan University graduates, who received second lieutenant commissions in the United States Army in specially scheduled ceremonies Saturday afternoon, January 25, at Grawn Hall, Mt. Pleasant.

As a commissioned officer, Mr. Seymour will enter active duty in the army for a two-year tour which will include entrance into one of the army service schools.

While awaiting his orders to branch school, he plans to work with his father in his carpet installation business. His wife, Judy Ann, was also graduated with a bachelor of science degree.

## Miss Shelp to Provide Program

"The Cherry Industry in Michigan" will be the subject presented by Miss Cleopatra Shelp at the Tuesday, February 4, meeting of the Tawas City Garden Club. The meeting, which convenes at 1:30 p. m., will be held at the home of Mrs. P. N. Thornton.

# VOTE

## Tawas Area Schools Millage Election

### THURSDAY, FEBRUARY 6, 1969

Every registered elector of the school district is eligible to vote. This includes non-property owners.

This proposition proposed by Citizens United for Better Education (CUBE) requests an added \$4.50 per thousand dollars of assessed valuation.

This proposition would yield about \$185,000, and allow for these educational improvements or permit continuance of programs now afforded.

1. Return vocal music to grades and high school.
2. Return physical education to grades.
3. Allow less pupils per teacher.
4. Return band instruction to sixth grade.
5. Return enrichment courses to 7th and 8th grades.
6. Return to two full time guidance persons in high school—now 1.4 (a) Still below accreditation recommendation.
7. Installation of spring sports 1968-69.
8. Reduce student fees to 1967-68 level.
9. Return of remedial reading teacher.
10. Provide funds to make up the money spent beyond income (surplus or balance) 1968-69.
11. Return of educational field trips.
12. Insure physical education for high school pupils.
13. Continuance of Math teacher hired in November.
14. Continue English teacher hired in January.
15. Provide funds to meet inflation in materials and supplies.
16. Continue English teacher in Jr. High hired in September.
17. Provide funds for yearly increments to teachers salaries.
18. Provide funds so that Tawas Area will be able to hire good teachers and keep good existing teachers.
19. Insure full day sessions for high school and grades.

Tawas Area Schools citizens sponsored a pay as you go system in the past and only have a 1.09 mill levy to pay indebtedness on the High School. Support of this philosophy by the citizens has enabled the Board of Education to improve the program of education and improve facilities continuously. During the past three years the Board of Education has expended accumulated funds and spared the taxpayer in order to maintain the type of education they believed the patrons wanted. It is anticipated that these funds will be gone by June 30, 1969.

The Board of Education has no alternative to ask that the taxpayers contribute the sum requested if they are to continue to render these services to the public.

Tawas Area has consistently furnished the educational program at an amount of millage well below other schools of the same size. The amount requested still leaves Tawas well below state averages and below other schools of our size.

The Board of Education asks your consideration of these points and pledges that they will levy no more taxes than the amount required to carry out the program the community desires.

This proposition will cost a taxpayer an added \$4.50 per \$1,000 of assessed valuation. A home owner with a home assessed at \$5,000 will be asked for \$22.50.

It would cost:

1. Just over 6 cents daily.
2. Less than 5 cigarettes daily.
3. Slightly more than a package of gum a day.

## POLLS OPEN 7:00 A. M. TO 8:00 P. M. VOTE FEBRUARY 6, 1969

Cash balance Tawas Area Schools as of June 30 each year as reported by Yeo & Yeo, C. P. A., in operational funds, exclusive of Federal Title I.

1965	\$190,098.88
1966	191,164.83
1967	172,327.71
1968	68,841.31
1969	No balance—slight deficit

The board of Education pledges that if the budget can be balanced with less than the 4.5 mills additional that they will not levy the full amount.

CONSUMERS POWER COMPANY plans to invest more than 200 million dollars in 1969 in a continuing construction program to expand and improve facilities for serving its 1,500,000 customers with electricity, natural gas and steam heating. The 1969 expenditures are part of a long-range program in which the company expects to commit more than 1.2 billion dollars in capital investment over the next five years, 1969-73. The company's 30,700-square-mile service area includes 67 of the 68 counties in Michigan's Lower Peninsula. Consumers Power Company plans to continue expansion and improvement of its natural gas transmission and distribution system (top picture) during 1969. The number of gas customers continues to increase and at year's end was nearly 800,000. The bottom picture shows work on the 345,000-volt steel tower transmission which is being constructed across the southern portion of the state. The firm said the line will carry the highest voltage yet used in Michigan.

### Hemlock News

## Tawas City OES Held Pot-Luck

Tawas City Chapter No. 303, OES, met for a family pot-luck dinner preceding the regular chapter meeting Tuesday evening, January 21. The chapter meeting was called to order by Lurissa Forsten, worthy matron, with several officers absent because of illness.

At the short business meeting following the regular opening, it was voted to recess for the month of February.

About 40 members and guests were present for the dinner and card party which followed the business meeting.

Guests were present from Isoco Chapter No. 71, VanDyke Loyalty Chapter No. 500 and Saline Chapter No. 311, OES.

## Patients Go to Other Homes

Patients who have been residing with Mrs. Janet Bush on Tawas Street have transferred to other homes due to Mrs. Bush's illness.

Mrs. Georgena Leslie is now with Mr. and Mrs. Robert McComiskey on Bay Street, East Tawas.

Mrs. May Laidlaw is with Mr. and Mrs. Charles Schalm on German Street, Tawas City, and Mrs. Lucy Sims has gone to Bay City to make her home with her son, Blythe, and wife.

## Tawas Hospital

**BIRTHS**

Born to Mr. and Mrs. Karl Edmonds, AuGres, January 23, a girl, weight seven pounds, 12 1/4 ounces.

Born to Mr. and Mrs. Edward Moody, Oscoda, January 25, a girl, weight eight pounds, one ounce.

Born to Mr. and Mrs. John Loeffler, East Tawas, January 22, a boy, weight seven pounds, 5 1/4 ounces.

Born to Mr. and Mrs. Edward Janis, Oscoda, January 19, a girl, weight seven pounds, nine ounces.

## ADMITTANCES

Tawas City: Irene Freil, Ethel Hosbach.

East Tawas: Thofel DeMaet, Martha Greenwood, Flora Roberts.

County: Grel Denes, Geraldine Moody, Oscoda; Carson Lane, Kenneth Pringle, Alfred Schultz, Barry Moore, National City.

Other communities: Clara Cariveau, Mammie Cylka, Berneice Hall, Greenbush; Naomi Edmonds, Camilla Johansen, Edward Moggo, AuGres; Clyde Knaggs, South Branch; William Martin, Dearborn and Oscoda; William Welton, Minkado.

## District Crusade

American Cancer Society will hold a district crusade meeting at the Grove Restaurant, Alpena, Thursday, January 30, from 10:00 a. m. to 3:00 p. m.

## VFW Auxiliary Held Meeting to Map Plans

A special meeting Monday, January 27, of the Auxiliary to VFW Post 5878 was called to plan activities for the coming year.

At the regular meeting following, plans were completed for the Immaculate Heart of Mary Church Credit Union Swiss steak dinner at the VFW Hall February 15.

A memorial contribution to cancer aid and research was given in memory of Mrs. Margaret Becker, mother of 11th District Pres. Shirley Sweeney.

Tawas Hospital donated cards to the auxiliary to be used in their loyalty program. These will be sent to members in the armed forces who are relatives of the post and auxiliary, either husbands, wives, sons, daughters, grandsons or granddaughters. To list those eligible with the local VFW, please contact the chairman for the loyalty program, Mrs. Audrey Walstead, 362-5384.

The group agreed to sponsor a Camp Fire Girl's organization. Mrs. Ralph Davis will be chairman assisted by Mrs. Opal Kysar. Girls, age 10 to 15, who are interested should contact Mrs. Davis, 362-4234.

Mrs. Wilfred Hughes won the mystery package and Mrs. Harry Morley won the jackpot.

Mrs. Alton Hill and Mrs. Ervin Gauthier served the lunch.

## D&M Credit Union Held Dinner Meeting

The 15th annual dinner meeting of the D and M Credit Union was held Saturday evening at Tawas Country Club with 170 members and guests attending.

Rosemary Klenow, treasurer-manager, was toastmistress. C. R. McMullen, chairman of the credit committee, gave the invocation.

William Ingleson, treasurer-manager of the North Central State Employees Credit Union, was guest speaker. Walter Laidlaw, acting president of the board of directors, spoke of the growth of the credit union from its original 25 members and \$2,000 in assets to the present 287 members and \$230,000 of assets.

It was reported that dividends of five percent were paid on all savings accounts and 25 percent interest rebates were again declared. Checks amounting to almost \$14,000 were mailed to members during the past week.

Elected to the board of directors were Earl B. Davis and Paul Beyler; board of supervisors, Clarence Oates; credit committee, Orrie Freeman and Frank Anderson.

Floral tributes were awarded to Debra Holmes, youngest member present; Iva Mallon, oldest member; Gerald Potts, newest member; John Stempky, representing station employees.

Other prizes were won by Carl Steinhurst, Rhoda Wickert, Shirley Luedtke, Nelson Bean, Jerome Piotrowski, Roger Earl, Jean Fisher, Joan Blust and Wallace Barnes.

Following the business meeting, entertainment was provided by Virgil McDonough, a magician.

Out-of-town members were present from Alpena, Bay City, Whittemore, Cheboygan, AuGres, Omer and Harrisville.

## Grabows Host Euchre Club

Mr. and Mrs. Robert Grabow hosted the Monday Night Euchre Club January 27.

Mrs. Jerry Kruse won the first prize; Mrs. Grabow, second prize; Mrs. Dale Strauer, consolation, and Lee Biely, traveling.

Mr. and Mrs. Paul Beauparlant will entertain the club in February.

## Received Degrees at Central Michigan

Six Isoco County students were awarded degrees Saturday at Central Michigan University's mid-year commencement ceremonies.

Included were the following: Jerry L. Inman, principal of Hale Area School, specialist degree; Alice J. Frye, Wurtsmith Air Force Base, master of art; James L. Vachow, Oscoda, secondary certificate; William H. Hatton, Tawas City, bachelor of science; Donald J. Seymour, Tawas City, bachelor of science; Judy Ann Seymour, bachelor of science.

Dr. Stanley J. Izderda, president of the College of St. Benedict, Minnesota, and former dean of the honors college at Michigan State University, delivered the commencement address.

Send it with a Herald classified.

## Engaged

Mr. and Mrs. William Fuerst of Whittemore announce the engagement of their daughter, Carol, to L. Byron Rachuba, son of Mr. and Mrs. Leonard Rachuba of Millersburg.

A March wedding is planned.

## Mrs. LaBlance Honored Saturday at Shower

Mrs. Michael LaBlance (nee Andrea Proctor) was honored with a pink and blue shower Saturday hosted by Mrs. Larry Wineland (nee Betty Stonehouse) of Lansing.

Games were played. Refreshments were served from a table centered with a ming tree decorated with pictures and plastic baby replicas, set in a ceramic, depicting the old woman in the shoe. It was decked with candle sticks and blue candles.

Attending were Mrs. Harold Jones, Miss Kathy Hosbach, Miss Kathy LaBlance, Miss Margaret LaBlance, Mrs. Emerald LaBlance, Mrs. Charles Stonehouse, Mrs. Paul LaBlance, Mrs. Neil Sawyer, Mrs. John Proctor of the Tawas; Mrs. S. E. Wood and Mrs. Richard Samson, both of Whittemore.

SCRATCH PADS — 4x6 Inches, 95c per dozen. The Tawas Herald, 408 Lake Street, Tawas City.

## Mrs. Bowling Honored at Saturday Shower

A miscellaneous wedding shower honoring Mrs. Larry Bowling (nee JoAnn Green) of Big Rapids was held Saturday afternoon at the home of her parents, Mr. and Mrs. George Green Jr. She was married January 4 in Saginaw.

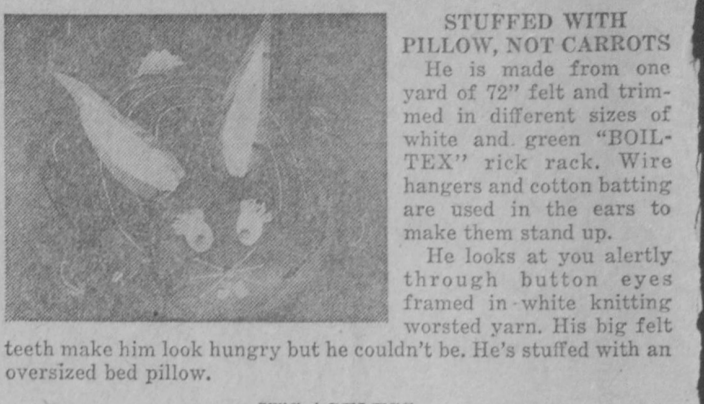

The shower was hosted by her mother and her aunt, Mrs. Harold Shower.

Many lovely gifts were received from guests attending from Alabaster, East Tawas, Saginaw and Tawas City.

Games were played and buffet luncheon was served.

## Needlecraft News by Nancy Baxter

HERE COMES PETER COTTON TAIL, hoppin' down the bunny trail. He'll keep on the go too, 'cause he'll be dragged from the bedroom to the living room. You see, he's a cushion four inches high and almost three feet long. He turns the floor into another chair for the TV watcher; in the bedroom, he's a backrest, and he ends the day as a decorative piece wherever he's left.

**STUFFED WITH PILLOW, NOT CARROTS**

He is made from one yard of 72" felt and trimmed in different sizes of white and green "BOIL-TEX" rick rack. Wire hangers and cotton batting are used in the ears to make them stand up.

He looks at you alertly through button eyes framed in white knitting worsted yarn. His big felt teeth make him look hungry but he couldn't be. He's stuffed with an oversized bed pillow.

**IT'S AGELESS**

This cushion is ageless. The little toddler will be delighted with it as the teenager. This is even a good idea for the college girl who wants to do something with the institutional look of her dormitory room. Wouldn't it be nice in her next "care package"? Free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PPE 1299.

**IT IS SAID THAT wondrous events occur on the night of a full moon. This jacket was moonstruck and glistens with rhinestone beads. Wear it after dark and your evening will be magical.**

**MADE FOR MOONLIGHT**

The jacket styling shows Chanel's classic influence. The open front has a single button fastener at the neckline. Knit of light-weight super fingering yarn, the texture is lacy. Rhinestone beads are sewn in a yoke effect, with diamond-patterned panels going down each front section.

**CRUISEWEAR COVER**

Color this sweater a pale pastel. Its delicate texture is luscious with this season's sleek satin and silk fashions. Pack this wrap with your evening clothes for a southern vacation; or give it as a bon voyage gift to a friend who is leaving on a cruise. Your free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PK 4110.

**BE A SWINDLER.** Dabble in phony gold bricks. Cheat your friends. Honestly speaking, this gold brick would not fool anyone, but it makes a very good doorknob.

**GOLD BRICK DOORSTEP**

The golden part is a crocheted mesh which slips over a real clay brick. It is done with gold metallic "Knit-Cro-Sheen." Notice the scalloped edge standing up around the top of the brick.

**MONOGRAMMED IN DIAMONDS**

The fakery goes even farther with diamond monogramming stitched on top. The diamonds, of course, are paste. The addition of initials makes this doorknob a unique, personalized gift for a friend. A gold brick may be the answer for the mythical, "person who has everything." Free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PC 4595.

## Attend District Legion Meeting

Mrs. Frank Gortner, president of the 10th district of the American Legion Auxiliary; Mr. and Mrs. Donald Goodrow; Mrs. Robert Pember and Roy Johnson attended the 10th district Legion and auxiliary meetings last Sunday at Grayling. Mrs. Goodrow is district auxiliary secretary.

## Mann Re-Elected Fire Chief

Plainfield Township Fire Department had election of officers at their regular meeting last Monday evening. James Mann was re-elected fire chief; John Hendrickson, assistant; James Schroeder, lieutenant; Fred Phillips, secretary, and Perry Shellenbarger, treasurer.

## Methodist Circles Meet February 6

Methodist Sunshine Circle will meet at the church February 6, 1:30 p. m. That evening, Mrs. Joseph VanderVeen's home will be the scene of the Methodist Friendship Circle meeting.

Mrs. Doris Thayer attended a meeting of the Northeastern Michigan Community Action program in Mio Thursday evening. James Jacobs of East Lansing was guest speaker. Friday, he spoke at an Alpena meeting.

Last Sunday morning, Mr. Hart of West Branch was a Gideon speaker at Hale Baptist Church in the absence of the Rev. Raymond Bruce. The Rev. John Kerr spoke in the evening.

Baptist Adult Class met last Tuesday evening at Mr. and Mrs. Edwin Crellin's home. Due to the bad weather, 10 were present.

Mr. and Mrs. David Wood will soon be moving to Detroit where he will be employed at the Buick Division, General Motors Corporation.

Mrs. Velma Thayer spent the week-end with Mrs. Glenna Cheney.

Robert Hames, who is in the navy, returned to Great Lakes last Wednesday.

Mrs. Dorothy Blood returned home from Tawas Hospital last Sunday.

Leonard Rehil is in Tolfree Hospital where he had surgery last Wednesday morning.

Mr. and Mrs. Douglas Clayton and son, Michael, and family left last Saturday for two weeks in Florida.

Mrs. Clyde Randall is a patient in Tawas Hospital.

Mr. and Mrs. Robert Graves of Saginaw and son, James, and family of Flint spent the week-end at their home here.

Mr. and Mrs. Eugene Strickler were in Ann Arbor last Monday. They took Mrs. Clark Patterson to visit her husband at the Veterans Hospital. Mrs. Doris Thayer also accompanied them and visited Ronald Blust.

Mr. and Mrs. Richard Huess have purchased Mrs. Bertha Parrish's home. She will reside in a new mobile home at Gaylord near her daughter.

Mr. and Mrs. Roy Vinnedge were supper guests of Mr. and

Mrs. Gilbert Dorsey. It was Mr. Vinnedge's birthday.

Mr. and Mrs. Dean Dorsey and Mr. Franklin of Clio were guests at the Gilbert Dorsey home. Mr. Franklin visited a relative at Iosco Medical Care Facility last week-end.

Lowell Dorsey went to Detroit last week to start working there.

The Rev. Raymond Bruce is confined to his home with the flu.

Mr. and Mrs. Glenwood Streeter were in Prescott last Wednesday afternoon.

Mr. and Mrs. Clyde Humphrey were in Bay City last Thursday.

Mrs. Ethel Crissman has left the hospital in Saginaw and is staying with her sister. She is much improved.

Mrs. Ginger Dorsey and children were here from Pontiac for the week-end.

Mrs. Laura Marks, Mr. and Mrs. Glenwood Streeter had dinner last Sunday at Island Lake Restaurant.

The Rev. and Mrs. Eldon Miller and daughter, Margaret, were at Alpena last Thursday.

Mrs. Robert Douglass and son of Benzonia visited Mrs. E. N. Douglass last week.

Mrs. Henry Smith is visiting her daughters, Mrs. Judith Morgan and Mrs. Kaven McNeil; her son, Jack A. Smith, and family of Bayonne, New Jersey. They toured New York City.

James and Donald Hendrickson, sons of Arthur Hendrickson, spent last week-end at the John Hendrickson home.

Mr. and Mrs. Ray Hendrickson and baby were in Flint last week-end at the Milo Johnson home. They helped their son, John, who works there, celebrate his birthday.

Jill Armstead, daughter of Mr. and Mrs. Orval Armstead, enjoyed her seventh birthday party last Friday afternoon with Merry Rollin, Mellanie Matthews, Tammy Brandal, Susan Burr, Cindy Mann and her two sisters, Jana and Julie.

Jay Sestak celebrated his 11th birthday with Tim Shaw, Mr. and Mrs. Orval Armstead and two

RECEIVING his Eagle badge last Wednesday night was Will R. Coleman III, a member of Troop 111, East Tawas. His parents, Mr. and Mrs. W. Ray Coleman, are shown with him. An investiture ceremony was held at the American Legion Hall, East Tawas, and was attended by about 35 persons.—Tawas Herald Photo.

## Restaurants, Food Vending Locations to be Licensed

Beginning April 30, restaurants and food vending machines locations will be licensed throughout the State of Michigan. The definition of what is a restaurant is broad, including taverns and bars. The governmental unit having

jurisdiction over these locations will be followed by an inspection; the inspector will determine if the restaurant is set up to meet the provisions of the restaurant code; if it does meet provisions adequately, the license will be forthcoming. If provisions of the code are not met adequately, the operator will be given instruction on what he needs to do before favorable action will be taken on his application. The provisions of the code are not difficult to meet; they are what you might call minimum standards for a good restaurant.

The director of District Health Department No. Two is asking that anyone who is operating a food vending machine location get in touch with the main office of the health department in West Branch concerning the location.

Application forms will be mailed to restaurant operators and vending machine operators in the spring. The license fee adopted by the Board of Health for District No. Two is the same as that adopted by the state for areas in which the Michigan Department of Public Health carries on restaurant programs directly; a fee of \$25 for restaurants except for short-term restaurants, such as food concessions at fairs which are \$5, and vending machine locations which are \$2.

Anyone expecting to open a restaurant after April 30, 1969, shall first apply for a license; the appli-

cation will be followed by an inspection; the inspector will determine if the restaurant is set up to meet the provisions of the restaurant code; if it does meet provisions adequately, the license will be forthcoming. If provisions of the code are not met adequately, the operator will be given instruction on what he needs to do before favorable action will be taken on his application. The provisions of the code are not difficult to meet; they are what you might call minimum standards for a good restaurant.

The director of District Health Department No. Two is asking that anyone who is operating a food vending machine location get in touch with the main office of the health department in West Branch concerning the location.

Standish-Sterling Schools SEV—\$21,620,111	8.50	9.00	4.50	22.00
Alcona Community Schools SEV—\$17,759,362	8.62	8.00	2.00	18.62
West Branch Schools SEV—\$32,294,338	9.50	9.30	6.10	24.90

Note—SEV means State Equalized Valuation.

You will note that Tawas Area School District levies the lowest Millage in Iosco and the surrounding counties.

After careful review of the proposed budget we know that Tawas Area School District needs additional operational millage.

We the undersigned endorse the February 6, 1969 Millage Proposal.

**Cardinals Grab Share of NEM's Top Rung**

Whittemore - Prescott Cardinals took over a share of the NEM lead Friday as they whipped the Harrison Hornets, 57-49. Harrison had

**Card Girls Win Over Bobkittens**

Whittemore - Prescott girls walloped Houghton Lake Wednesday night, 54-13. The Cards scored 20 points before the inexperienced Bobcats made their first basket.

The Card girls were way out in front by halftime, 28-4. Coach Grabow played all her 23 girls during the lopsided contest with scoring divided among six girls. Cindy Erickson led with 15. Barb Britt had 13 and Marlene Girard had 12. Theresa Roberts led the losers with five.

In a preliminary contest, the eighth grade girls topped the seventh grade, 18-13.

Scoring for the varsity girls was as follows:

Whittemore-Prescott — Britt, 6-1-13; Farro, 3-0-6; Erickson, 6-3-15; Girard, 6-0-12; Arndt, 2-0-4; Dorcey, 2-0-4.

Houghton Lake — Riedel, 1-2-4; Miller, 0-1-1; Baaderick, 1-1-3; Roberts, 1-3-5.

been unbeaten in league play before meeting the Cards. The Card JV team won its game in a 44-43 thriller.

The Cards took a quick 8-2 lead, but the Hornets scored seven straight points to take a one-point edge. The lead changed hands or was tied 10 times before the half time whistle, with the Cards holding a two-point edge.

With the Cards giving Jay Blackledge double coverage in the third quarter, holding him to only a charity toss, the aggressive W-P boys built their lead to 38-33 at the three-quarter mark.

Rick Gay opened the last quarter with a fielder for a seven-point edge, but Griffin and Blackledge, with a fielder each, put this to 40-37. The Cards' lead was up to seven when Tom Cromwell sprained his ankle going in for a layup. He was replaced by Mark Stanyo.

Hileman of the Hornets stole the ball from Stanyo and went in for a bucket. He was fouled while shooting and made good the free shot for a three-point play. A bad pass by the Cards and another field goal by the Hornets suddenly put the Hornets back into the game.

Cromwell's two quick fielders gave the Cards a little breathing room, but Blackledge cut this

lead to four points just before committing his fifth foul and leaving the game.

With the Cards trying to run out the clock, Jeff Fellows was fouled and meshed four straight charity tosses to put the game away.

The Cards gave away quite a bit in height, but Coach Fox's boys had hustle and that paid off with a big victory.

Four Cards hit double figures. Mark Stahl led with 14, followed by Fellows with 13, Gay had 12 and Tom Cromwell meshed 11. Griffin led all the scoring with 22 for the losers.

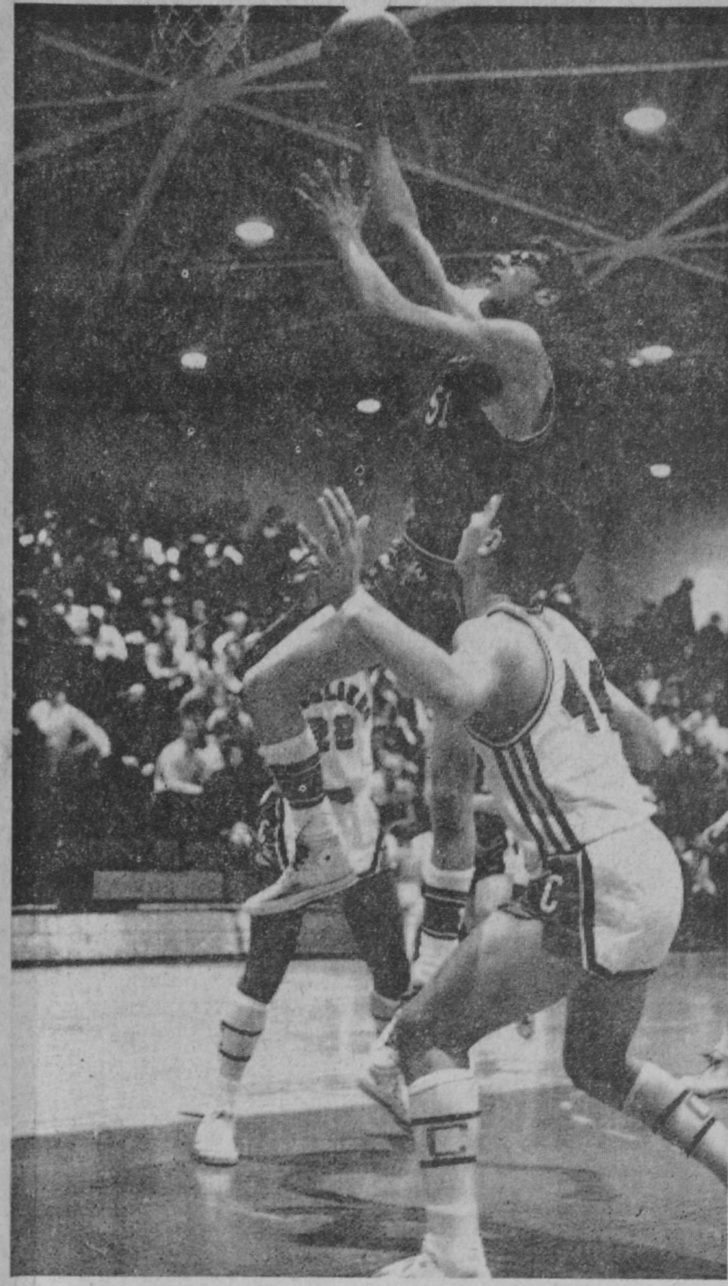

The Little Birds came home a winner in the opening game with a thrilling 44-43 victory. After leading all the way, the Card JV lost the lead with 50 seconds to go. Jim Clark's 20-foot jumper with 16 seconds to go was the winning bucket. Chuck Nichols led scoring with 14 points.

Varsity scoring was as follows:

Whittemore - Prescott — Mike Cromwell, 3-1-7; Tom Cromwell, 5-1-11; Rick Gay, 5-2-12; Stahl, 6-2-14; Fellows, 4-5-13.

Harrison — Blackledge, 6-4-16; Keyser, 1-0-2; Griffin, 9-4-22; Hileman, 2-1-5; Hilliard, 2-0-4.

Sell those unwanted items with a Tawas Herald classified.

DUNKING a hook shot in Friday night's game against Carrollton was Mike Yanek, center of the Tawas Braves. The Braves just could not get rolling and scored fewer points than any Tawas team in recent history.—Tawas Herald Photo.

**Braves Couldn't Find Rim in 68-30 Loss to Cavaliers Friday**

Tawas Area Braves had their coldest night in years Friday, losing to the visiting Carrollton Cavaliers, 68-30.

It was one of those nights when nothing went right for the Braves. They could not move the ball, they could not penetrate the Carrollton defense and their shooting was off.

Carrollton jumped off to an 18-4 lead in the first quarter and then ran the score to 31-13 at the half. The third quarter was Tawas best of the night, scoring 12 points to 23 by the visitors. Carrollton put the finishing touches on the victory with a 14-5 fourth quarter bulge.

Tawas did not have a player scoring in double figures, but Carrollton had three, topped by George Kubick's 27 points.

The opening game was a thriller for both schools as the Junior Braves defeated Carrollton's JV, 49-48. The two teams battled on even terms during the first half, Tawas holding a one-point edge at intermission.

The Carrollton squad came back in the third quarter with a 16-11 bulge, but Tawas Area pulled the game out in the final quarter with a 17-12 count.

The final minute of play saw Carrollton getting several shots at the bucket, but Chuck Peterson blocked two shots and tied up another with a jump ball. Coming in the last two seconds of the game, Peterson outjumped his man and slapped the ball far down the court to put Tawas in the victory ring.

Top scorer for the Junior

Braves was Gary Libka, who scored 18 points. He was followed by Peterson with 11, nine points by Bill Sheldon, six points by Ron Ulman, four by Tim Fox and one point by Craig Herriman.

Tawas plays at Pinconning this Friday night.

Scoring for the varsity game was as follows:

Tawas Area: Brugger, 2-1-3; Wilkins, 2-1-5; Yanek, 1-0-2; Brown, 3-0-6; Krish, 4-1-9; Becker, 1-0-2; Baker, 0-1-1; Short, 0-2-2.

Carrollton: Jones, 5-0-10; Taylor, 4-0-8; Schultz, 2-2-6; Wegner, 4-2-10; Kubick, 12-3-27; Kowalski, 1-0-2; Collison, 2-1-3; Wegner, 1-0-2.

**BACKACHE & TENSION** SECONDARY TO KIDNEY IRRITATION

**Students Important**

Much has been said and printed during the past nine months about a proposed tax increase for school operation and its effect on the curriculum of Tawas Area Schools. But, little has been said or written concerning the possible effect of this proposal on students of Tawas Area; little thought has been given as to the image of Tawas Area if this proposition fails, or what could be gained by the taxpayer through a negative vote.

What should be of paramount concern to all voters is the most important product of mankind—children. An individual child has one and only one chance to get an education. This privilege cannot be put off, nor relegated to a time when the burden can be shifted to the shoulders of others.

It must be emphasized that only the adults of Tawas Area can provide the money that will insure that all the children will have an equal opportunity. Neither the state nor the federal government has shown that it will provide the money needed and do we really want to lose this responsibility?

The local community is the only source of funds to alleviate a crisis in educational development of local children. And, we submit, Tawas Area would not be overtaxed to average state property tax standards, if they levied the proposed increase. This year, Tawas Area is only levying 55 percent of the average state tax for the operational purposes.

It is interesting to note that on a home which has a state equalized valuation of \$5,000, the owner will pay \$22.50 yearly in added taxes. This amounts to slightly more than six cents a day, a little more than a package of gum daily, or a package of cigarettes weekly. Do voters wish to jeopardize a child's future for this amount?

Positive action on the proposal will insure the pupil a better choice of teachers, added academic offerings, plus a right to participate in band, vocal music, physical education and interscholastic athletics.

It must be remembered that a senior who is deprived of these privileges will not be helped if Tawas Area decides to deny him complete opportunities—his chance is gone forever. A junior or any other grade student will be deprived for a time and can never regain his lost opportunities. Once lost, such an opportunity can never be regained.

The Tawas area has developed a reputation as a fine place to live and rear a family and has not been bypassed because of an inferior educational system. This has been due to the excellent cooperation of parents, teachers and the community.

Can Tawas Area risk the image of an inferior educational system? Passage of the millage proposal February 6 is most important!

**LETTERS to the EDITOR**

15150 Evergreen Road  
Detroit, Mich. 48223  
Jan. 19, 1969

To the Editor

We have been frequent visitors to the Tawas for the past 20 years. A few years ago, we became interested (contrary, no doubt to some opinions) in the natural beauty of Tawas Lake and purchased some property that happened to be available at that time.

We have since become familiar with the attempts of local lake residents in their fight for the construction of a dam to maintain the water level. Our property is very close to the proposed dam site, but I am satisfied with our location, with or without a dam. My personal unqualified opinion is that a dam would be in the best interest of the Tawas Lake residents and the Tawas community. Until this matter is settled, we do not intend to do anything with our property.

In an attempt to determine the progress of this dam, I personally contacted responsible city and county officials over the past few years. All I received was a lot of political double talk and what seemed to be unqualified personal opinions. I wish to point out that each of these persons referred me to another party with the same results.

The January 15th issue of your paper carried an account of the proceedings for Isosco County Board of Supervisors meeting of December 18, 1968. It appears to me that another delay is in order on this very old issue.

It would appear that it is time for a deadline to be set in the finalization of this matter. This could easily be accomplished by responsible parties considering the project as a whole and ignoring any self or political interest. Any final decision that is made should be of concern to the whole community and the conservation department since there is a public fishing site at the lake.

I personally would like your paper to publish the pros and cons of this issue.

Yours truly,  
G. T. Robinson

**TODAY'S Meditation**

from The World's Most Widely Used Devotional Guide

Read Psalm 119:9-16; Hebrews 4:9-16

Blessed art thou, O Lord; teach me thy statutes. (Psalm 119:12)

When we read the Bible regularly, guided by the Holy Spirit, we discover that it brings inspiration and reaches into depths unlike that of any other book. Take, for instance, Shakespeare's line: "The quality of mercy is not strain'd."

Surely the high insight in lines like this must come from knowledge of the Bible.

Once a clergyman visited an Irish cottage. After knocking at the door and finding no response, he lifted the latch and walked in. He saw an open Bible on a table.

Turning its pages, he discovered that while some pages were clean, others were tearstained and fingermarked.

When the owner returned, he asked her to explain why some pages were clean while other were tearstained.

"Sir," she replied, "the answer is simple. In those tearstained pages, I find God's comforting Word."

**PRAYER**

"Blessed Lord, who hast caused all holy Scriptures to be written for our learning; grant that we may in such wise hear them, read, mark, learn and inwardly digest them, that the patience and comfort of the holy Word, we may embrace and ever hold fast the blessed hope of everlasting life, which Thou hast given us in our Saviour, Jesus Christ. Amen."

**THE BIBLE SPEAKS TO YOU**

"O continue thy lovingkindness unto them that know thee; and thy righteousness to the upright in heart." These words from Psalms are part of this week's Bible lesson-sermon titled "Love." It will be read in Christian Science churches throughout the world this Sunday.

Also in the lesson-sermon is this related passage from the denominational textbook: "Kindred tastes, motives, and aspirations are necessary to the formation of a happy and permanent companionship. The beautiful in character is also the good, welding indissolubly the links of affection" ("Science and Health with Key to the Scriptures" by Mary Baker Eddy).

**Former Pastor Moves to Owosso**

Former pastor of the East Tawas Church of the Nazarene, the Rev. C. H. Symons, and his wife have moved to Owosso for the winter. The move is made in order that he may be closer to his work with the John Hancock Insurance Company.

To bid them a temporary farewell, 30 friends gathered at the Symons residence Saturday afternoon to enjoy a time of fellowship and refreshments. They agreed that they will miss the couple and look forward to their return in the springtime.

**Whittemore News**

Miss Susan Bellville of Mt. Pleasant is spending two weeks with her parents, Mr. and Mrs. Dornace Bellville.

Whittemore Grange met Monday evening for its regular meeting with Master Gerald Bellen presiding. A short program was held with Mrs. Portia Payne, lecturer, in charge.

Mr. and Mrs. Octave St. James left Wednesday by plane for Oxnard, California, to visit their daughter, Mrs. R. E. Cheggewiden, and family.

Miss Nanette Goupil, who attends college in Denver, Colorado, has returned to Denver after spending the holidays here with her parents, Mr. and Mrs. Bruce Goupil, and grandmother, Alice Goupil.

Mr. and Mrs. Ray Bessinger of Flint spent the week-end with her

sister, Mrs. Irene Jordan, and other relatives.

Mr. and Mrs. Paul Spielvogel of Mio visited Mrs. Elizabeth Fuerst here Sunday.

Mrs. Henry Ott spent last week-end in Saginaw.

Mr. and Mrs. Arlie VanMeer of Detroit spent the week-end with Mr. and Mrs. William Fuerst.

Mr. and Mrs. Norman Schuster of Saginaw spent Sunday afternoon here with relatives.

Mr. and Mrs. John Ori, Mr. and Mrs. Elwood Ruckle spent a day in Saginaw the past week.

Mrs. John DeGroot left last Friday with a group for a Hawaiian tour. She expects to be gone about three weeks and will tour most of the islands.

Mrs. Alva Partlo and Mrs. Leah O'Farrell were in Midland Monday on business and also visited Mrs. Partlo's sister.

Mrs. Roy Charters, Mrs. Edith Cataline and Mrs. William Fuerst attended the funeral of their cousin, Mrs. Nyda Leslie, in Tawas City Wednesday afternoon.

Mr. and Mrs. Jack Krause and two children of Saginaw were callers of their grandmother, Mrs. Roy Charters, Friday evening enroute to spend the week-end with Mr. and Mrs. Martin Kasischke.

Mr. and Mrs. Remus Rigg were callers in Tawas Monday.

**Alabaster Church Sets Pot-Luck**

Saturday, February 1, 6:30 p. m., has been set as the date of the annual pot-luck pancake and sausage supper held in the fellowship hall at the Alabaster Community Church.

All types of pancakes and sausage will be served and is open to the public. Guests, who are attending for the first time, may bring homemade applesauce, maple syrup or their own type of likes in sausages.

Coffee and drinks for children will be furnished by the church.

**Home and School Association Plans February 3 Meeting**

A movie, "Preface To Life," will highlight the program at the St. Joseph - Immaculate Heart Catholic Home and School Association meeting beginning at 8 o'clock on Monday, February 3, at St. Joseph Social Center, East Tawas.

The film, which deals with the relationship between the teacher and the child, should be of great interest to parents and all are urged to attend.

# Forest Chats

By **STUART BAILEY, Forester**  
 Tawas Ranger District  
**HURON - MANISTEE NATIONAL FOREST**

This seems to be a good year to talk about snow. Those of us who can not escape to the south or southwest must not allow ourselves to become weary of snow this early in the winter. We must stand firm and carry on with our work and play despite the snow.

This winter of deep snow, thus far, has been a hindrance to those working in the woods. Pulpwood production has fallen off at a time when the demand is at the highest level it has been for two years. The cutters are always having to plow roads and trails into the harvest areas. They have had to dig away snow from the tree base in order to fall the tree and not leave a stump over 10 inches high. Just "wading" from tree to tree has become a chore.

The deep snow also causes in-

creased "wear and tear" on their tractors and trucks. Some cutters reached a point where costs were higher than returns. At this point, there is nothing they can do but go home and wait for the snow level to recede.

Our work on the district has also been affected. Work that we planned to do west of South Branch had to be postponed until spring as did the timber sale near Whispering Pines. Before the thaw last week, the snow was so loose that snow shoeing became a real chore. This brought our stand examination work to a halt.

What are we doing? Fortunately, we had planned pruning work in a red pine plantation north of Whispering Pines. The work is accessible from a plowed road and does not require walking very far.

In this thinned plantation, the pruning crew decides which 60 to 100 trees per acre will make the best sawtimber. These trees are pruned of all limbs for a distance of 17 feet up the tree. The results

expected in 80 years will be trees 20 to 24 inches in diameter having a 16-foot log each that will produce clear, high-quality lumber.

If the thaw that occurred last week lowers the snow level appreciably, woods work will return to normal.

signed to assist the leader in better management which enables him to offer better values to the community.

Mr. Wood and his family reside at 2216 Douglas Drive, Tawas City.

## Marshall Wood Attends Course in Retail Management

Attending an intensive course in appliance retail business management at the Whirlpool Education Center, Benton Harbor, is Marshall L. Wood, owner, Tawas Furniture Center, Tawas City.

The Whirlpool Educational Center presents workshop courses in all aspects of appliance selling and retail management to selected salesmen and dealers from throughout the nation. Far more than product training, the educational center courses cover all phases of selling including financial management, advertising, personnel practices, service and merchandising and scores of other subjects. The Whirlpool Educational Center was built to utilize the latest audio-visual aids and to allow a great deal of individual participation. Such training is de-

## Federal Civilian Workers' Union Seeks Recognition

Efforts are being made this month by the largest union of federal civilian workers at Wurtsmith Air Force Base for exclusive recognition. Under the direction of the American Federation of Government Employees (AFL-CIO) Local 2736, the unit at Wurtsmith is seeking expansion of its membership so that the local represents more than 50 percent of the civilian employees of the base.

Local 2736 Pres. Charles Grandy said once they were passed that 50 percent mark, the United States Air Force would then recognize the union as exclusive representative of the employees and would then enter collective bargaining procedures for a contractual agreement covering the wage-bond and GS employees.

Grandy said, "There are some 42 different areas and subjects that are negotiable in collective bargaining, according to air force regulation."

"Presently American Federation of Government Employees holds 89 exclusives covering 110,500 air force civilian employees. There are six exclusives that are pending, which would cover about 50,000 more. In all AFGE represents over 500,000 government workers in the federal government with a membership in excess of 300,000," said Grandy.

"Wurtsmith Air Force Base employees total about 450," Grandy continued, "and the local membership is almost 150."

Local 2736 organizing effort at Wurtsmith is being headed by Lenardo B. Roberts of Sacramento, California. Roberts is one of the team leaders of AFGE organizing section and has one other national representative, William Sullivan of Phoenix, Arizona, working with him here.

Grandy and Roberts both stated that AFGE cannot strike against the government, which is also in the union constitution. Federal regulations prevent the union shop situation, while unions in private industry are able to arrange otherwise.

## May Establish Feed Grain Base

A feed grain base may be established under the 1968 feed grain program for farms which did not plant feed grains in 1959 and/or 1960 that meet eligibility requirements, Grant Bessey, chairman of the Agricultural Stabilization and Conservation county committee, announced today.

"Interested producers should contact the ASCS county office not later than February 28 and file an application," Mr. Bessey said.

To be eligible for a new feed grain base, Mr. Bessey said that the operator must expect to receive 50 percent or more of his livelihood in the current year from the production of agricultural commodities on the farm; must have had at least two years' experience in the production of feed grains in the last five years; must have adequate equipment for the production of feed grains, and neither the owner nor the operator may have an interest in any other farm for which a feed grain base has been established.

A farm for which a new farm base is established may qualify for price support payments and price support loans. They are not eligible for any diversion payment. They must divert the minimum to be eligible for price support loans or purchases.

## W-P Superintendent Explains Property Tax

By RAY KESLER, Superintendent  
Whittemore - Prescott Area  
Schools

There is nothing more confusing to the general taxpaying public than the increasing property tax as it relates to the over-all financing of school operation. The public believes that as their property tax is increased, the school district benefits from this increase. This is not true. Property tax increases that come about as the result of raising the tax rate, mills, is a direct benefit to the school in operating funds, but those increases that come about by raising property values, assessments, are only a partial benefit to the school, and in some cases may result in an actual loss to the school for operation. This all comes about by a State of Michigan sharing plan known as de-

ductible millage. When the deductible millage which goes to the state is greater than the local tax levy, then any property value increases will result in a net loss to the school districts. Deductible millage runs from a low of 5.86 mills to a high of 20 mills, depending on property values of the district.

State aid is paid on a four formula basis. Formula "A" is for the highest value districts, \$21,000 per child in property values and pays \$348 gross allowance less seven mills deductible. Formula "B" is for the next value districts, \$12,737 to \$21,000 per child and pays a gross of \$326.75 less 5.86 mills. Formula "C" is for districts with property values per child from \$9,920 to \$12,736 and operates with \$474.75 gross allowance less a deductible millage of 17.48. Formula "D" is for districts below \$9,920 and has a gross allowance of \$499.75 with a deductible millage of 20 mills. Now, it can be readily observed that if you are in either of the last two groups, you must receive either 17.48 or 20 mills in local taxes or the state deduction will be more than the increase you receive from the local taxpayers.

As an example, the Whittemore-Prescott School District received an increase of two million (2,000,000) in property values, and since its operating tax rate was

11.5 mills, the district paid an additional \$23,000 in extra school operating taxes. This would have been a great help to the school if no additional deduction had been made in state aid, but with a deductible millage of 17.48 the school district received \$34,960 less state aid as a result of the two million dollar property value increase. If you compare the property tax increase along with the state aid decrease, you will note that Whittemore - Prescott School lost \$11,960 in actual revenue even though, the taxpayer, paid more taxes. It is something like earning \$5 more pay and having \$6 more income tax deducted, or taking 100 pounds of beans to market and receive pay for only 80 pounds, due to the cull bean pick.

There is not always a direct connection between property values and family incomes. It would seem that if we are to truly equalize tax efforts, we should consider the income of the taxpayer in relation to his tax rate. The effective income per household in Ogemaw County is \$6,810 while in Oakland County, it is \$13,451. Does it seem fair to expect both groups to pay property taxes on state equalized values at the same tax rate? If property tax is going to be continued as a major source of school operating revenue, then we should begin to think of some kind of taxpayer's ability index to further equalize educational efforts.

### Donald Gould Sits as Vice President on Rexall Board

Donald Gould, Mt. Pleasant, of the six-store Gould Rexall Drug group, left Wednesday for St. Louis, Missouri, where he will sit in executive session as vice president of Rexall International's advisory board.

Gould's naming to this important international merchandising body was prompted by the continued success the Gould stores have had in nearly 60 years in the retail drug business in Michigan.

Gould's experience in all phases of drug store merchandising prompted the membership of the Rexall Association of Chain Drug Stores to request his chairmanship of the program committee at a meeting of the association in Chicago, Illinois, last week.

Gould, while chairing the program activities, also conducted a seminar on prescription procedures, stressing customer attention and the need to remain competitively priced in this and all departments of the drug store.

Ray F. Cline of the Ray F. Cline Advertising Agency was called upon to conduct a seminar in Chicago on drug store advertising. The Cline agency has been the advertising consultant for the Gould stores for over 10 years.

Charles Burton, vice president, Cole's Drugs of Knoxville, Tennessee, conducted the third phase of the seminar devoted to warehousing.

The Gould stores are located in Mt. Pleasant, Cadillac, Hemlock, West Branch, East Tawas and Shepherd. Gould Drug Company headquarters are in West Branch.

## Accept Bids for Sale of County Farm

15 Years Ago—  
January 29, 1954—Sealed bids will be opened in April for sale of the Iosco County Farm. Decision of the board of supervisors to sell the farm followed considerable study. For a number of years, it has been operated at a loss. What brought the matter to a climax was the impossibility to secure a superintendent and necessary help for its operation.

Iosco County Jail had a total of 455 prisoners during 1953, an increase of 91 over the preceding year. Eighty-nine persons were held for felonies. Approximately 4,800 drivers licenses were issued.

A few hours after the auction sale of surplus equipment last Tuesday, Capital City Wrecking Company of Lansing started to wreck the old courthouse and by Thursday morning only a portion of the first story was standing.

Sherman 4-H Club met January 18 with Dale Strauer presiding.

Receiving silver medals for dairy achievement at the 4-H Club awards event held at Plainfield Township School were Douglas Harris, William Laidlaw, Robert Waters and Harold Provoast.

25 Years Ago—  
February 4, 1944—Tawas City and Alabaster are now tied for first place in the Northeastern High School League. Led by Willard Musolf's 11 points, Tawas 27-25. Deering and DeLosh topped Alabaster with eight points each.

Mayor Carl Babcock named the following to serve on the Tawas City Park Committee: Ernest Burtzloff, John Brugger, Ernest Mueller, Mrs. Joseph Stepanski and Mrs. A. W. Colby.

Karl Kienholz of East Tawas was taken to Samaritan Hospital, Bay City, Sunday night following an accident while cutting out a "glider" with a hunting knife.

Frank Moore's orchestra will furnish music for a dance sponsored by the Tawas City Fire Department.

Iosco Board of Supervisors has taken an active interest in post war aviation and land for an airport has been purchased.

One of the nation's leading sportsmen has voiced the opinion that Americans may be expected to spend \$3,644,000,000 a year for recreation within five years of the war's end. This is more than spent for recreation in 1935 and 1936.

35 Years Ago—  
February 2, 1934—Approximately 3,800 persons have been registered by the census enumerators in Iosco County under the old age pension law.

During 1933, there were 17 deaths in Tawas City. The average age was more than 73 years, the youngest being 58 and the oldest, 85, according to a statement made today by Justice W. C. Davidson.

Marvin Mallon of Tawas City carried off honors in the iceboat races held on Tawas Bay Saturday afternoon.

Jesse C. Hodder Post, American Legion, has completed work on converting the abandoned Ward School building into its new post home. Meetings had been held in the old library building near the courthouse.

The Detroit AuSable and Osoda Associations will hold their annual dance and get-together Saturday at the Eureka Masonic Hall, Woodward and Seven Mile Road.

Joseph Dimmick and Theodore Dimmick are leading the bridge tournament sponsored by the T.B.Y.A.

### Five Students Honored at Ferris

Ferris State College has honored 1,024 students for academic excellence in the fall quarter by naming them to the dean's honor list. Announcement was made by Dr. Robert L. Huxol, vice president for instruction.

To be named to the dean's honor list, a student must maintain at least a B average while carrying a full academic load.

Students from Iosco County include Joseph A. Bailey, East Tawas, technical and applied arts; Kathleen M. Boldt, East Tawas, business; Remi E. McKenzie, Osoda, technical and applied arts; William W. Shover, Tawas City, technical and applied arts, and David O'Farrell, Tawas City, technical and applied arts.

# Who Cares?

## Who Really Cares

- ... if our children will receive the best education they deserve?
- ... if our young people will qualify for the college of their choice?
- ... if our children are offered a variety of means by which to satisfy their talents and ambitions?
- ... if our community can proudly say, "Come to the Tawas - we have a good, full educational program for ALL our people?"
- ... if enrichment classes and adult education are offered to interested and ambitious citizens of our community?
- ... if Tawas Area will continue to take pride in and receive honor for its excellent band and athletic groups?

First of all, be assured our CHILDREN care! It is their education and their future that are at stake.

Secondly, be equally assured that the teachers of our schools care because they sincerely believe in the fact that our children deserve the opportunity to develop fully - socially, mentally and physically. Depriving a child of one aspect of development hinders the full development of the other aspects.

The Tawas Area Education Association members and others members of the staff are dedicated to quality education and the teaching profession. They realize their first concern is for the child. And they ARE concerned about the educational outlook for the young people of the community. Working within the educational system, they realize what a "YES" vote February 6 will provide for education. Among other things, it will:

- ... guarantee "fulltime" education in our community.
- ... offer each student a well rounded choice in subjects
- ... keep the school libraries in operation
- ... special education in elementary
- ... provide for an elementary music program
- ... provide for physical education in the elementary
- ... provide recreational and social outlets for our students
- ... continue the accreditation of our school, thereby giving our graduates equal opportunity for college entrance with students from other schools
- ... provide each child with the opportunity to participate in some aspect of school related activity
- ... assure a band and sports program that has brought both pride and enjoyment to students and adults in our community
- ... allow us to look our children in the eye and honestly say "We Care"

Above are eleven good reasons, to name but a few, for voting "YES" February 6. There are those who will ask, "But how can the increased cost be justified?" The T. A. E. A. presents the following facts for consideration:

Education is the biggest business in the state. ONE out of every FOUR citizens in Michigan is now in grades K-12. It is in the food business, preparing more than a million meals a day; it is in the transportation business, providing more than a million passenger miles a day for students; it is in the library business, supplying more than five million books a year to students; it is in the health business, providing free shots, speech therapy, classes for the mentally retarded, counseling, medical supplies, providing transportation for injured children, and providing nourishing meals; it is in the building business, constructing 1,000 new classrooms each year; and it is in the physical fitness business, giving supervised athletic to almost two million children each year.

Each year school enrollment in the state increases at the average of 30,000 additional students. That is like adding a school system the size of Flint to the state each year.

Tawas Area Schools provide these services and has also felt the increase in school enrollment over the past few years. More students mean more classrooms, more classrooms, mean more teachers, more equipment, materials and services. Our own personal feelings may change regarding education through the years, but our responsibility to our children is ever present. Sometimes it means putting our personal differences aside in order to achieve our goals.

In the coming year our schools will need about \$180,000 in additional revenue over and above what is now anticipated from local taxes and a reduced state aid in order to continue providing quality education in Tawas Area. This is not something that has developed overnight. These costs have increased over the past few years. Our school system, in the past, was one of a very fortunate few who was able to have funds in reserve to meet budget requirements while waiting each year for tax and state aid money to arrive at mid-year. This allowed the school

to meet its budget obligations without borrowing money, as many schools have had to do, and ours finally had to this year. In the past this has saved the taxpayer additional money in interest. This reserve is now used up. It was used to assure our children an educational program nearing the quality offered in the past. Changing times and rising costs in education have finally caught up with Tawas Area. Our community now has to take its place in a modern society. A modern society costs money.

No one wants to feel his money is being wasted. What better way to waste money than having facilities lie idle? A "YES" vote February 6 will:

- ... keep \$45,000 worth of band equipment and music in use along with the classroom
- ... keep a \$200,000 gym and equipment in full use, day and night
- ... keep a library with \$10,000 worth of books open and used
- ... keep classrooms, that cost over \$6,000 each to build, in use
- ... provide for the use of thousands of dollars worth of kitchen equipment in preparing hot lunches
- ... keep an \$18,000 lunchroom and study hall in use for students
- ... keep good teachers in the system (How do you put a value there?)

Could a "YES" vote February 6 SAVE us money? Certainly! First of all, we'd be utilizing our existing facilities instead of wasting them by letting them lie idle. We'd have a reduction in school fees. We'd save on transportation costs. For those who might think of moving or sending their children to another school, moving costs and tuition fees would be saved. Baby sitters for elementary children whose parents work would be saved. Food for additional lunches for children home at noon would be saved. These savings alone could amount to MORE than the cost of maintaining a quality educational system.

Once again... "WHO CARES?" People who are truly interested in children and their education care. The Children care. Parents care. Teachers care.

Your TAWAS AREA EDUCATIONAL ASSOCIATION urges ALL CONCERNED CITIZENS TO VOTE "YES" on FEBRUARY 6!

### ELECTION NOTICE

**SPECIAL SCHOOL ELECTION**

Notice of Special Election of the Qualified Electors of Tawas Area Schools, Iosco and Arenac Counties, Michigan to be held

FEBRUARY 6, 1969

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice that a special election of the qualified electors of Tawas Area Schools, Iosco and Arenac Counties, Michigan, will be held in said district on Thursday, February 6, 1969.

**THE POLLS OF ELECTION WILL OPEN AT 7:00 O'CLOCK, A. M., AND CLOSE AT 8:00 O'CLOCK, P. M.**

The following proposition will be submitted to the vote of the electors qualified to vote thereon at said special election:

Shall the limitation on the total amount of taxes which may be assessed against all property in Tawas Area Schools, Iosco and Arenac Counties, Michigan, be increased by four and one-half mills on each dollar (\$4.50 on each \$1,000) of the assessed valuation, as equalized, of all property in said school district for a period of two (2) years, 1969 and 1970, for the purpose of providing additional funds for operating expenses?

THE VOTING PLACES ARE AS FOLLOWS:

**PRECINCT No. 1**  
Voting Place—East Tawas City Hall. The first precinct consists of all of the City of East Tawas and the territory of the School District in Baldwin Township east of Sections 19, 18, 7 and 6.

**PRECINCT No. 2**  
Voting Place—Tawas City Hall. The second precinct consists of all

of the City of Tawas City, all of the territory of the School District in Wilber Township, all of the territory of the School District in Sections 19, 18, 7 and 6 in Baldwin Township, and all of the territory of the School District in Baldwin Township west of those sections.

**PRECINCT No. 3**  
Voting Place—Tawas Township Hall. The third precinct consists of all of the territory of the School District in Tawas Township, Grant Township and Sherman Township.

**PRECINCT No. 4**  
Voting Place—Alabaster Township Hall. The fourth precinct consists of all of the territory of the School District in Alabaster Township and Whitney Township.

Only resident qualified school electors who are registered with the city or township clerk of the city or township in which they reside are eligible to vote at this election.

I, Edward J. Nelkie, Treasurer of Iosco County, Michigan, hereby certify that, as of January 2, 1969, the records of this Office indicate that the total of all voted increases over and above the tax limitation established by the Constitution of Michigan, in any local units of government affecting the taxable property located in Tawas Area Schools, Iosco and Arenac Counties, Michigan, is as follows:

By Iosco County: Unlimited \$300,000 - 1964

By Alabaster Township: none  
By Baldwin Township: none  
By Tawas Township: none  
By Sherman Township: none  
By Wilber Township: none  
By Grant Township: 2 mills, 19-67 thru 1971, inclusive

By the School District: Unlimited 1955 \$775,000 Debt Retirement  
By the Intermediate District: Unlimited 1966 0.75 of 1 mill for special education

Edward J. Nelkie  
Treasurer  
Iosco County, Michigan

I, Harry McCreedy, Treasurer of Arenac County, Michigan, hereby certify that, as of December 17, 1968, the records of this Office indicate that the total of all voted increases over and above the tax limitation established by the Constitution of Michigan, in any local units of government affecting the taxable property located in Tawas Area Schools, Iosco and Arenac Counties, Michigan, is as follows:

By Arenac County: none  
By Whitney Township: none  
By the School District: none  
By Harry McCreedy  
Treasurer  
Arenac County, Michigan

This Notice is given by order of the Board of Education of Tawas Area Schools, Iosco and Arenac Counties, Michigan.

EARL DAVIS  
Secretary, Board of Education 5-1b

Rose Marie Gackstetter has been ill with the flu for several days.

Mrs. Arnold Drumm, who is hospitalized in Ann Arbor, was able to be home for the week-end at her home in Baldwin Township. The children, who stay with their grandparents, the Clayton Ulmans, spent the week-end with their mother and father.

Mr. and Mrs. Albert Fahselt of Rankin called on his brother, Henry Fahselt, the past week.

The Ray Simons family of Saginaw and Miss Diane Simons of Bay City were last week-end visitors of the Charles Simons Sr. family.

Mr. and Mrs. Orville Strauer spent two days in Owosso and Saginaw recently.

Terry Grabow, student at Michigan State University, enjoyed the past week-end with his family, the Carl Grabows Sr. His parents and Mr. and Mrs. Joseph Miller of Prescott drove him back on Sunday.

The Laidlawville Farm Bureau group met at the Randolph Proud-

foot home Tuesday evening for the January meeting.

Recent guests at the Winnie Latham home were the Rev. and Mrs. Walter Buck of the Hemlock Baptist Church; Mrs. Rose Gackstetter and daughter, Rose Marie; Iva Letter of Reno Township, and Bernice Herriman of Grant Township.

Miss Kay Earl of Mildand was a week-end visitor of her parents, the Roger Earls.

Paul Rempert of Saginaw spent a few days with his sister, Mrs. Thomas Jones of Miller Road.

Friends of Mrs. Austin Allen send get-well wishes to her at Tol-free Hospital, West Branch, where she is hospitalized.

Paul Rempert and Mrs. Thomas Jones called at the Arthur Anschuetz home in Grant Township Tuesday afternoon.

Mr. and Mrs. Gilbert Shover are spending the winter months at the home of their son, Earl, and family on the Meadow Road.

Austin Allen of Melvor was a Friday evening dinner guest of the Arthur Goddards of Townline Road.

Mrs. Thomas Jones and Paul Rempert of Saginaw were Monday callers at the Fred Rempert home in Tawas City.

Mrs. May Laidlaw of East Tawas spent the week-end at her Laidlawville home.

Mrs. Carl Rempert was at Samaritan Hospital for the past week. She came home Friday evening.

Miss Karen Proudfoot, a student at Central Michigan University, Mt. Pleasant, is visiting with her parents.

Mr. and Mrs. Randolph Proudfoot recently visited in Detroit with his mother, Mrs. William Proudfoot, and with her brother in Melvindale.

A Herald classified will sell it.

## IN THE SERVICE—

(Continued from page 1, sec. 2.)

## Airman Dunnaway Completes Basic

Airman Bruce J. Dunnaway, son of Mrs. Richard E. McKnight of Oscoda, has completed basic training at Lackland Air Force Base, Texas. He has been assigned to Chanute Air Force Base, Illinois, for training in the aircraft equipment maintenance field. Airman Dunnaway is a 1968 graduate of Oscoda Area High School.

## AWO Rollin Receives Air Medal in Vietnam

AWO Raymond N. Rollin, 20, son of Mr. and Mrs. Arnold G. Rollin, East Tawas, received the air medal near Pleiku, Vietnam, January 2.

Warrant Officer Rollin earned the award for combat aerial support of ground operations in Vietnam.

The warrant officer is an aviator with Company A, Fourth Infantry Division, Fourth Aviation Battalion.

## William J. Rapp Receives Stripes

William J. Rapp, son of Mr. and Mrs. Deloise Rapp, Tawas City, has attained the rank of private first class and has been transferred from Fort Gordon, Georgia, to Fort Bragg, North Carolina. His new address is: PFC William J. Rapp, US 54984194, Co. A, 82nd Sig. Bn. (ABN DIV.), Fort Bragg, N. C. 28307.

## Assigned to Armored Division

Army SP4 Terry W. Ernst, 22, son of Mr. and Mrs. William M. Ernst, Hale, was assigned December 30 to the Second Armored Division, Fort Hood, Texas, as a tank crewman.

His wife, Kathleen, lives at Baltimore, Maryland.
