

Oscoda Area Requests Change in AuSable R. Bridge Plans

Meeting last Wednesday under a new title, Iosco County Board of Commissioners, formerly supervisors, spent much of the day discussing the proposed temporary bridge over the AuSable River at AuSable-Oscoda, which has proved most controversial for the past several months.

William Cottrell and David Fellows, both of Oscoda, appeared before the board and spoke at length

concerning objections to the proposed temporary bridge, which is to be used while a new US-23 bridge is under construction.

In addition, a resolution was read from Oscoda Kiwanis Club which opposed height of the temporary bridge because of the serious effect it would have on boating in the AuSable River and tourist industry.

The existing US-23 bridge is 18.6

feet above the water level of the AuSable River. Present engineering calls for the new span to be 17.8 feet above the water level while the temporary bridge would only be 15 feet above the water level. Above measurements would be at the normal periods of Lake Huron and any increase would further confine boat traffic to smaller craft.

In addition, AuSable Township

has requested the state highway department to consider replacing the old Mill Street bridge with the temporary structure. Engineers for the state have said that once the new US-23 bridge is completed, the temporary bridge would be dismantled.

The old iron bridge at Mill Street has been condemned and it was the feeling of the AuSable authorities that it would be a waste

of tax money if the temporary bridge is constructed elsewhere and then removed.

Objections have also been heard concerning plans for the new permanent bridge. Residents of the AuSable-Oscoda area feel this bridge should be higher so as not to restrict boat traffic. Objections have also been heard concerning construction of a pier in the center of the river to support the

span. It was stated at Wednesday's meeting that it would be more practical to construct a pier on each side of the river and leave the center open for unhindered boat traffic.

N. C. Jones, engineer of design for the Michigan Department of State Highways, was present at the meeting and listened to all objections. He said that he would return to Lansing with details and would

re-examine the proposed project. Indications were Wednesday that a change may be made in plans to the satisfaction of the AuSable-Oscoda area.

Construction contracts are scheduled to be let in April for the new concrete deck and steel girder structure. Estimated cost is more than \$400,000.

In other business Wednesday, Fred B. Lomas was re-elected

chairman of the board with Clement Stephan named chairman pro-tem.

Commissioners awarded a contract to S. and W. Ford Sales, Oscoda, for purchase of a one-half ton pickup truck with metal cab for the county dog warden. The low bid was \$2,335.40. Other bids were entered by McKay Sales, \$2,484.82; Inglis Ford Sales, \$2,398; (See BOARD, page 6.)

Snow Getting Deep

Wintering Deer Herd Has Food Problem

Last week-end's heavy snowfall has greatly endangered the area's wintering deer herd, according to Harry Krueger, chairman of the Iosco Soil Conservation District.

"It is still early in the winter, the deer herd has a long time and many more snow storms to go before spring," he warned.

Krueger said Monday he had contacted officials of the Department of Natural Resources at Mio and he was told that district headquarters was awaiting word from Lansing on distribution of surplus corn. There is a possibility that corn would be ready for distribution next week.

"Whether this area receives any surplus corn or not, preservation of our wildlife should be of prime concern to everyone," commented Krueger. "Many people have told me they expect to find dead deer in 10 days or more. A feeding program may have to be supplemented through private sources."

Krueger said he returned last week from Ohio and Indiana, where he saw a massive feeding program for wildlife.

"Deer are one of our main nat-

ural resources and they even have more value to the property owner than timber," he said. "We must do all we can to protect this resource, both on private and public lands."

He would be happy to hear from anyone who shares his concern over the wintering deer herd.

HARRY KRUEGER

Four Persons Injured on Snowmobiles

Michigan State Police from East Tawas and Iosco County Sheriff's Department handled four snowmobile accidents in this county during the past week.

One person received minor injuries in an accident Friday afternoon on ice of Tawas Bay offshore from Tawas Beach Road. A snowmobile operated by Michael E. Jacques, 13, Tawas City, and one operated by Peter A. Sutton, 13, East Tawas, were involved in a collision. William A. Busch, 14, East Tawas, a passenger on the Jacques machine, was treated at Tawas Hospital for a foot injury.

Paul M. Tombolillo, eight years old, Tawas Point, was injured Sunday afternoon. Investigating officers said the boy was following another machine when his cap fell over his eyes. His snowmobile crashed into a tree. He was treated at Wurtsmith Air Force Base Hospital.

A 10-year-old Hamtramack boy, Edward J. Matuszewski, received minor injuries Sunday in an accident at South Branch. The boy drove his machine into the path of a truck driven by Bernard Nuttall, 18, South Branch.

Francis E. Nickell, 24, Whittemore, was treated at Tawas Hospital Sunday afternoon following a crash in Burleigh Township. Investigating officers said that Nickell attempted to swerve his machine to avoid a collision with a parked machine. Nickell's snowmobile rolled over.

Tawas Teams Seek Record

A light snow was falling and the temperature turned mild early Tuesday morning when two teams of Tawas snowmobilers shoved off from Tawas Golf and Country Club in an effort to set a new cross-state endurance record.

While popping snowmobile engines filled the air with exhaust fumes during a last minute warm-up, James Hardy, Luzerne, an officer of the Michigan Snowmobile Association, was cautiously optimistic concerning chances for a new record this week.

Hardy, who was to be flagman for the start, said that heavy snow over the week-end could fill many treacherous holes in the trail, but continued mild weather could further soften the snow and impede progress of the two teams.

Members of the first team leaving Tawas at 6:00 a. m. were Maynard Abbott, Willard Schaaf, James Klingler, Ike Niles and Ken Schaaf, all aboard Ski-Doo's.

The second team, leaving at 7:00 a. m., included Floyd Schaaf, Kenneth Bepp, Glen Griffen, Donald Swain, William Rapp and Brian Westcott, all aboard Polaris machines.

The two teams hope to break the present record time of 15 hours, 22 minutes, 40 seconds, established January 6 by a team from Durand. This team shattered the old record set two years ago by the team of James Hearl, Hardy, Floyd

Schaaf and William Fuerst. Fuerst and Hearl have given way to a younger set of drivers, but are accompanying chase trucks hauling gasoline, spare parts and food.

The first team had its sights set on reaching Kalkaska by 2:30 p. m. yesterday (Tuesday) and was to leave that community Wednesday morning at 8 o'clock, with a hoped-for time of arrival at Empire on Lake Michigan at 12 o'clock noon.

If the time schedule is successful, the record would be shattered by about one hour.

Hardy, who will meet the teams (See RECORD page 2.)

Police Investigate Killing of Bull at Chamabi Ranch

Shooting of a bull owned by Chamabi Ranch and theft of its hind quarters is under investigation by state police and Iosco Sheriff's Department.

Carcass of the dead animal, which had been valued at \$1,500, was discovered January 24 in a field in Section 30, Reno Township.

The animal had been shot in the head and the hind quarters had been dragged to a vehicle waiting on Meadow Road.

Discussed at a special meeting a week ago to consider a split day program presently utilized at Harrison. It has been generally conceded that parents of Tawas Area School District are not in favor of such a plan because of the early starting time, 7:00 a. m., and the late hour for the second group to leave school, 5:00 p. m.

Further study is to be made toward lengthening the school day as a possible solution. A sample schedule using various opening and closing times is to be developed by administrators for study by the board of education.

It was pointed out, however, that lengthening the school day rather than splitting the day would not offer any solution as the student would still remain in the high school building, which presently has a 100 percent utilization of classrooms. The only benefit would be to reduce the size of classes.

Purchase of portable classrooms as a temporary solution has not been ruled out by the board. Many districts have purchased such units, comparable to two mobile homes in size for each classroom. It was stated that when use is no longer necessary, it was relatively easy to dispose of the units to other districts with similar problems.

intermediate School District is utilizing two classrooms in the building. One additional room is available.—Tawas Herald Photo.

Rental of one classroom at the Immaculate Heart of Mary School and hiring of one additional elementary teacher for a new section of the fourth grade was authorized Monday night by Tawas Area Board of Education.

This move was taken as a temporary measure to alleviate some of the current overcrowded conditions in Tawas Area School.

The board had investigated use of three different locations, but picked the IHM School because of its ready availability. Also considered was use of the community

room of Tawas United Methodist Church, East Parish, and facilities at the Episcopal Church.

The state fire marshal inspected quarters at the Tawas United Methodist Church last week and listed three recommendations for use of the building as a classroom. Included were installation of a gypsum ceiling, a wall in front of the furnace and a new air intake to properly supply fresh air. The classroom at the Episcopal Church would have handled from 21 to 25 pupils.

Supt. Reynold Mick said he appreciated the interest and cooperation shown by the various church boards and pastors in helping the school to meet its problem.

The room at IHM School would be rented at \$100 per month and the public school would pay a portion of the heating bill, as well as liability insurance and janitorial service. The room is equipped with seats.

Use of IHM School was discontinued this fall. Some students enrolled in the public school are other are attending St. Joseph School, Iosco Intermediate School District is renting two classrooms for its Type A program and two additional classrooms are available.

Miss Clara Bolen, elementary supervisor, and Edgar Jenkins, transportation director, were to meet Tuesday to work out plans for transporting students.

The long-range solution to cramped school quarters is becoming acute and the board of education directed administrators to "exhaust every possibility" in its study of various programs to alleviate the classroom shortage before start of the next school term.

As the result of Monday night's action, the fourth grade composed of 118 students will be divided into four sections. At present, there are three sections of 40-39-39 students. The additional section will allow a division of about 29 or 30 students in each section.

Three different alternatives were discussed Monday night as possible solutions to overcrowded classrooms. These included lengthening the school day and purchase of portable classrooms. The third alternative mentioned, which would be in the future and would not help the problem next fall, would be construction of a new middle school to house grades six through eight.

Discussion was held at a special meeting a week ago to consider a split day program presently utilized at Harrison. It has been generally conceded that parents of Tawas Area School District are not in favor of such a plan because of the early starting time, 7:00 a. m., and the late hour for the second group to leave school, 5:00 p. m.

Further study is to be made toward lengthening the school day as a possible solution. A sample schedule using various opening and closing times is to be developed by administrators for study by the board of education.

It was stated that when use is no longer necessary, it was relatively easy to dispose of the units to other districts with similar problems.

Prin. John Alexander thought the board of education should give some consideration to the middle school concept now being used around the country. Such a unit,

he said, could be built near the high school. It would segregate sixth, seventh and eighth graders from high school students.

Alexander said that such a unit

would provide long-range planning for the district. He said that construction of a middle school would free five rooms in the Tawas City (See SCHOOL, page 6.)

HONORED Saturday night as citizen of the year for 1969 was Miss Clara Bolen, shown here receiving her plaque from the Tawas Chamber of Commerce.—Tawas Herald Photo.

Veteran School Administrator Named TA Citizen of the Year

Honored Saturday night as Tawas' citizen of the year was Miss Clara Bolen, veteran school administrator with more than 45 years devoted to the teaching profession.

Inscribed with the words, "Presented in grateful recognition for many years of service to our youth," the plaque presentation highlighted the annual banquet held this year at Tawas Golf and Country Club.

Stating that she was "overwhelmed with surprise," Miss Bolen told those attending that she was delighted with the honor, especially so since it was the first time the honor was conferred upon a woman.

"I only wish that I was 20 years younger so I could serve even longer," said Miss Bolen.

Born at East Tawas and graduated from high school and county normal in 1923, Miss Bolen began her long teaching career as an elementary teacher at Alabaster. She was to remain at that school for 29 years, first as a teacher and later as a principal. She coached girls' basketball at Alabaster and one of her teams was undefeated.

Miss Bolen received a bachelor of art degree from Central Michi-

gan University, a master degree from the University of Michigan and has 36 hours credit in the doctorate school of elementary administration at the University of Michigan.

She became junior high school principal when Tawas Area School was reorganized in 1952 and elementary supervisor in 1957, when her office was moved to the East Tawas Elementary Unit.

When Ernest Jordan resigned to accept his new position as superintendent of Iosco Intermediate School District, Miss Bolen served one semester as high school principal.

She is a member of the National Department of Elementary Principals and the Association of Elementary School Principals.

In presenting the award to the honored guest, Edward Savage, vice president of the Tawas Chamber of Commerce, sponsor of the banquet, said that Miss Bolen "had done more than anyone in the area to influence youth to grow up as respectable citizens."

Larry DeBeau was master of ceremonies for the night and introduced Joseph Barkman, 1968 citizen of the year.

Jerry Reitler, newly-elected president of the chamber of commerce, spoke on activities of the chamber during the past year and what could be expected during the next 12 months.

Reitler said that the new slogan of the chamber of commerce was "TNT—Today Not Tomorrow." He said that community spirit—people working together—is needed to make this a better community.

Bell Unveils Newly-Painted Service Trucks in Tawas Area

Michigan Bell Telephone Company last week introduced the first of its newly-painted service vehicles to the Tawas area.

As part of a state-wide program in updating its fleet of cars and trucks, the first telephone vehicles to be shown will be service vans painted with a white top, a gray-green bottom and with blue and orange stripes in reflective tape at the "belt-line."

"We feel that this new color scheme has several advantages over the conventional Bell Sys-

Tawas City to Get New Post Office

The United States Post Office Department has announced approval of construction of a new post office for Tawas City, according to Cong. Elford A. Cederberg.

The department will now go ahead with plans to acquire a site for the building. It is expected that approval of a new site and the contracting for land will take some time, according to the announcement released January 23.

The present post office has been occupied since March 1, 1956, under a 10-year lease. The present site lacks adequate parking and postal delivery trucks are cramped for space.

Martin Kasichke, postmaster, said the announcement came as a surprise; although he said that the department made annual inspections of the post office and noted the need for better facilities.

Riegle Scheduled as Lincoln Day Speaker in Iosco

Rep. Donald W. Riegle Jr., Seventh Congressional District, will be guest speaker at the annual Lincoln Day dinner sponsored by the Iosco County Republican Party, to be held February 26, at the Holland House.

Other dignitaries are expected to attend the dinner at 7:30 p. m., preceded by a reception at 6:30 p. m.

Chairman for the event is Mrs. Charles Rosenberg. Co-chairmen are Merton Killey, Mrs. Charles Killingsbeck and Mrs. Lawrence DeBeau. Mrs. Delos Collier has charge of banquet arrangements.

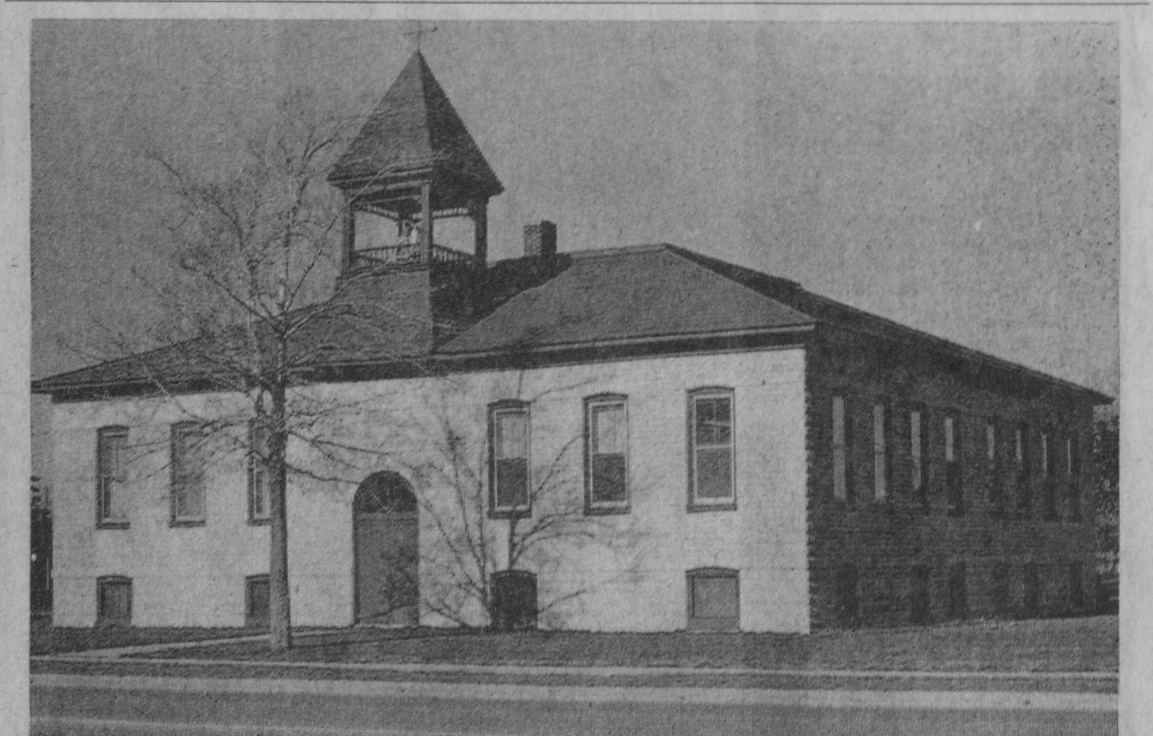

Billed as a major fund-raising event, tickets are available from Mr. and Mrs. Jerry Norwood or any member of the Republican executive committee.

Two Burglaries Are Investigated

Two breaking and enterings were investigated during the past week by Michigan State Police from East Tawas.

A cottage owned by Richard R. Perrigo, Flint, located at Little Island Lake, was found to have been entered on January 23.

Police arrested a juvenile in connection with the theft of a motor scooter January 25 from a storage shed owned by Dr. A. R. Colby, 1105 Klenow Road, East Tawas.

TAWAS AREA SCHOOL has rented one room in the Immaculate Heart of Mary School, Tawas City, for one section of fourth grade. Iosco Intermediate School District is utilizing two classrooms in the building. One additional room is available.—Tawas Herald Photo.

GETTING the starting flag at 6:00 a. m. Tuesday to start the trip to Empire.

Record

(Continued from page 1.)

at Empire, said there were many contingencies in beating the old record, but he expects the Tawas team to do this. Always present will be the possibility of mechanical failures.

First gas stop Tuesday morning was to be east of Curtisville. The first team is using a special pump which will fill two machines at one time.

If the old mark is bettered, trophies are to be presented Wednesday evening at Empire. The teams are to return to Hardy's Lost Creek Sky Ranch at Luzerne for the night.

Regardless of the outcome, the team which set the original mark in 1968 is to receive trophies for establishing the first coast-to-coast speed record.

Community School Activities Listed by Tawas A. Director

A course sponsored by the Tawas District of Michigan Practical Nurses Association and the Michigan Practical Nurses Association, in cooperation with Tawas Area Board of Education, will be offered as soon as enough people enroll.

The course is open to all licensed practical nurses, or those waiting state board examinations after completing practical nursing school. A certificate is to be issued upon completion of the required work.

Application forms may be obtained from Tawas Hospital, from Mrs. Elsie Proper, president of the local association, or from Gene

Gerber at Tawas Area High School. For more information, call Mrs. Proper at 362-5836, or Mr. Gerber at 362-2381.

Other community school activities indicates that enrollments are still being taken for an instructional square dancing class for adults. This class is tentatively scheduled to start Thursday, January 29, 7:30 to 10:30 p. m.

There must be at least 12 couples interested in this 15-week class before it can be offered. Anyone interested may call the high school.

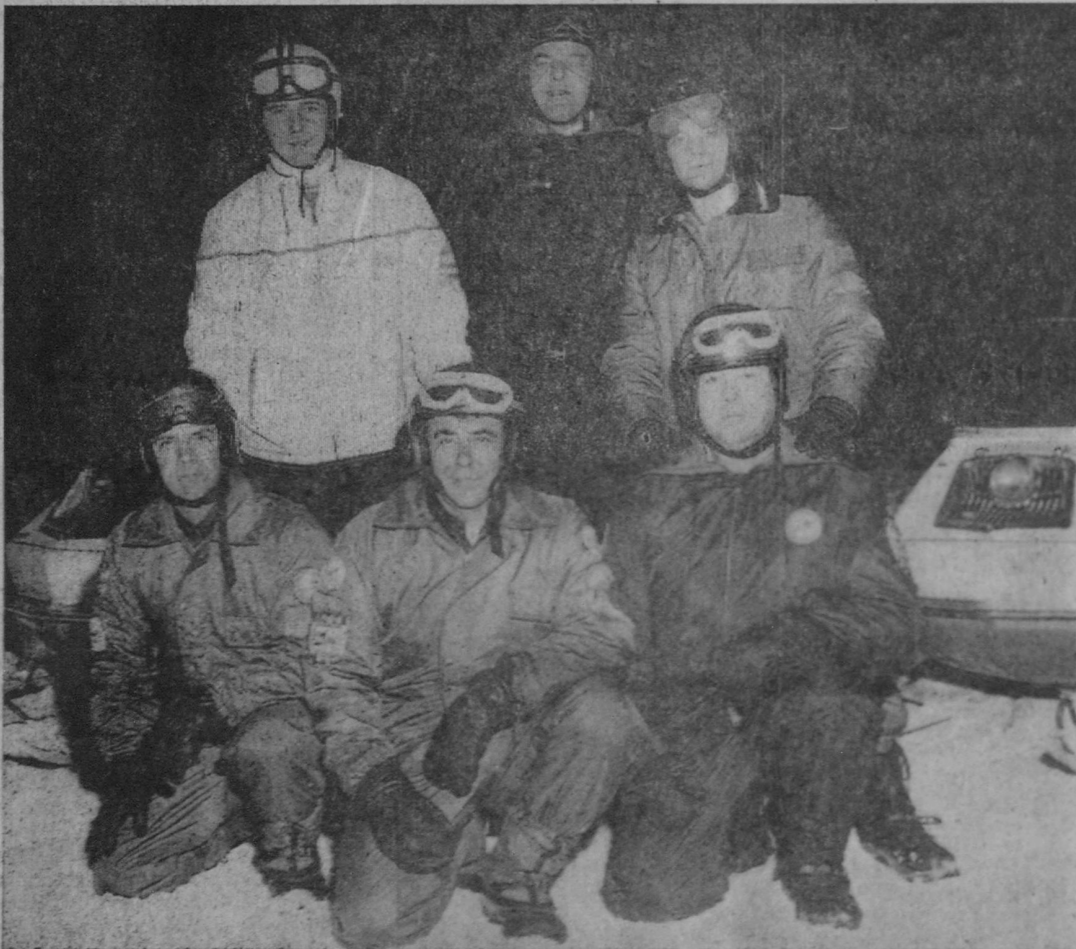

Tawas City Elementary Unit gymnasium is to be open every Saturday night, 7:30 to 9 o'clock,

for family roller skating. Skates are available for rental, or participants may bring their own skates if they have the special plastic wheels for gymnasium floors. Plastic wheels may be ordered on request. There will not be any roller skating on Saturday, February 7.

BASKETBALL TEAMS from Tawas Area School's fifth and sixth grades entertained fans during halftime of last Friday night's varsity game with Pinconning.—Tawas Herald Photo.

Braves Lost Low Scoring Game Friday

Friday night's game between Tawas Area Braves and Pinconning Spartans has to go down as one of the lowest scoring games since the days of pillow gymnasiums. The visiting Spartans downed the Braves, 49-32.

While the two teams found the scoring groove in the third quarter, some of the older fans probably thought that cheers like "baby in a high chair" or "get a rip saw, get a bucksaw" would have been appropriate during the first three quarters.

Pinconning used an old-fashioned zone defense against the Braves and it worked. The Braves just could not work the ball in for close shots and were unable to hit from the outside.

The winners had a good passing attack, but were unable to find the hoops, with the exception of the foul lines where the Spartans were deadly with 21 out of 24 completions.

Scoring by quarters saw the visitors leading Tawas, 7-4, at the end of the first quarter. Pinconning scored another seven points in the second quarter and Tawas meshed five for a halftime score of 14-9 in favor of Pinconning.

The Braves came on with a rush in the third quarter to score three straight field goals and then took the lead. The scoring bulge was of a short duration as Tawas promptly cooled off and trailed the Spartans, 22-19, at the end of the third quarter.

Pinconning put the game out of reach in the final quarter at the free throw line and three Tawas regulars were on the sidelines with five fouls each. The Spartans outscored Tawas, 27-13.

Berthiaume topped both teams in scoring with 16 points on four field goals and eight foul shots. Wilkins topped the Braves with 10 points on four field goals and two foul shots.

Paced by the hard-driving Matt Mayer, the Junior Braves downed the Pinconning JV, 53-50, in overtime. Mayer scored all three points in the extra three minutes to give Tawas the victory.

The Junior Braves jumped off to a 16-12 lead in the first quarter, but Pinconning narrowed the gap at intermission, 29-27. The Pinconning JV took over the lead in the third quarter, outscoring Tawas, 12-9. The Junior Braves battled back to regain the lead in the final quarter, but Pinconning tied the game on a foul shot.

Mayer was top scorer for Tawas with 13 points, followed by Kasischeke's 10 points. Schultz paced the visitors with 15 points.

Hale Area News

Thomas Webb Filled Pulpit

Thomas Webb filled Hale Baptist Church pulpit last Sunday due to the illness of the Rev. Raymond Bruce.

Homemakers Met at Bissonnette Home

Hale's Happy Homemakers Extension Group met Thursday, January 22, at Mrs. George Bissonnette's home. Nine were present. After luncheon, a meeting was conducted by Mrs. Joseph Darbyson, chairman.

Thank you notes were read from Isoco Medical Care Facility for the Christmas favors the group had made for patients and from Mary Peters, home economist, who thanked the ladies for giving her an enjoyable birthday gift and beautiful cake.

The lesson was given by Mrs. Merle Bodenborn and Mrs. Bissonnette on safe driving.

The February 26 meeting will be at 12 o'clock noon at Mrs. Harry Schniters' home. The lesson will be "Laundry Made Easier."

Fire Department Elected Officers

Plainfield Township Fire Department held its election of officers Monday, January 19. James Mann was elected fire chief; John Hendrickson, assistant chief; James Schroeder, lieutenant; Fred Phillips, secretary; Duane Caverly, treasurer.

There were 18 fires in the area and aid was given in five other areas. There were three false alarms and five resuscitator calls.

Legion - Auxiliary Met Wednesday

Glen Staley Post No. 422, American Legion, and Auxiliary met last Wednesday evening. Five young girls joined the auxiliary, making a total of nine junior members. The girls are daughters

of Mr. and Mrs. Carl Rehill.

Four books on scholarship were ordered for the school. The auxiliary will serve the supper for the February 26 meeting of the lamb association. There was a report on Christmas baskets. Poppies are to be ordered for May.

Lutheran Ladies Served Supper

Ladies of St. Paul's Lutheran Church served the Hereford Beef Association supper at Plainfield Community Building last Thursday.

Mrs. Stella Ranger observed her 80th birthday January 27.

Mrs. Lillian Wells is in West Branch hospital.

Last Sunday, Mrs. Amy Buck entertained at dinner several friends, the William Watsons, Mrs. Elmer Marks, Mrs. Norman Sibley and Mrs. Herbert Durham.

Clyde Humphrey returned home from the hospital in West Branch last Saturday and Mrs. Clyde Humphrey entered the West Branch hospital Sunday.

Sympathy is extended to the family of Gilbert Dorsey.

Announce Menus at HA Schools

Menus for the Hale Area Schools are announced as follows:

Monday, February 2: Chili or chicken rice soup, crackers, cheese strips, ginger bread with sauce or cream, bread, butter, jelly, peanut butter and milk.

Tuesday, February 3: Creamed tuna, mashed potatoes, biscuit, beet pickles, gelatin with topping, bread, butter, jelly, peanut butter and milk.

Wednesday, February 4: Hot dog or barbecue on hot bun, corn or sauerkraut, pineapple, cookie, bread, butter, jelly, peanut butter and milk.

Thursday, February 5: Chicken, mashed potatoes, gravy, celery and carrot strips, applesauce, bread, butter, jelly, peanut butter and milk.

Friday, February 6: Fish sticks or meat loaf, mixed vegetables, cake, bread, butter, jelly, peanut butter and milk.

Hale Eagles Rally to Win at Atlanta

Hale Area Eagles had a cold first quarter Friday night but then roared past Atlanta to take a 66-48 victory.

Atlanta was red hot in the opening round to outscore Hale, 20-13. The Eagles then hit 28 points before Atlanta could find the range and Hale had things its own way during the rest of the game.

The Eagles outscored Atlanta, 15-7, in the third quarter and held a 17-13 margin in the fourth.

Plynn Shellenbarger was top scorer for the winners with 22 points on nine field goals and four foul shots. McClary topped the losers with 26 points.

Social

Engaged

The engagement of Geraldine M. Biskner to Stephen R. Klenow was announced at the home of her parents, Mr. and Mrs. Gerald Biskner, San Ramon California. The bride-elect is a 1968 graduate of San Ramon High School, Danville, California. The prospective bridegroom, son of Mr. and Mrs. J. H. Klenow, East Tawas, is a 1967 graduate of Tawas Area High School.

A May wedding in Michigan is being planned.

World War I Vets to Meet

Veterans of World War I. Andrew P. Klinger Barracks No. 29-44 and Auxiliary will hold its monthly meeting Thursday, January 29, 12:30 p. m., at Tawas Township Hall.

All World War I veterans in the area are invited to attend the meeting.

IOOF Lodge Installed Officers

Baldwin Lodge No. 377, IOOF, installed elective and appointive officers for 1970 in ceremonies held in the temple at East Tawas Thursday, January 22.

Installing officers were D. A. Evans, acting district deputy grand master; George Davidson, district deputy grand marshal; Carl Woolhiser, district deputy grand secretary; Roy O. DePotty, district deputy grand chaplain, and Clarence Ashmore, district deputy grand warden.

Elected officers installed were Rudolphe J. Castagnier, noble grand; Donald A. Ashmore, vice grand; Clarence Ashmore, warden; Charles Martin, recording secretary; Byron W. Brooks, financial secretary, and Erwin H. Krebs, treasurer.

Appointive officers are as follows: E. John Moffatt, conductor; Mr. Evans, chaplain; Edward F. Seifert Sr., right supporter to the noble grand; Mr. DePotty, left supporter to the noble grand; John T. Dodson, (noble grand for 1969), past grand; Henry Schwochow, outside guardian; Mr. Woolhiser, inside guardian; George Davidson, right supporter to the vice grand, and George Severn, left supporter to the vice grand.

Warden Ashmore is also lodge deputy and district deputy grand master of District No. 48.

Lunch and a social evening followed installation.

Sets Recital

Kaye Phelps will present her advanced pupils in a piano recital Thursday, January 29, at Tawas United Methodist Church, East Parish, 7:30 p. m.

Tawas Herald Photo

Clements - Klish Marriage Solemnized at IHM Church

Arrangements of white and yellow chrysanthemums decorated the altar in Immaculate Heart of Mary Church, Tawas City, for the marriage Saturday, January 24, of Barbara Ann Klish and Jeryl G. Clements.

The Rev. Fr. Raymond J. Pilarski performed the 11 o'clock, double rind ceremony. Mrs. Frank Byrd was organist.

The bride is the daughter of Mr. and Mrs. Alex Klish of Tawas City. Mr. and Mrs. Laurence Clements, also of Tawas City, are parents of the bridegroom.

Escorted to the altar by her father, the bride chose an Empire floor length gown of bridal lace and crepe with a scalloped Sabrina neckline, wristpoint sleeves and a detachable chapel length train. A pearl and crystal headpiece secured her fingertip illusion veil. She carried a cascade bouquet of white shattered carnations centered with a corsage of pink rosebuds.

Wearing identical Empire floor length gowns of mint green crepe and embossed taffeta with scoop neckline and bell sleeves were

Mrs. James Wilk of Tawas City, matron of honor, and Miss Mary Mrozek of Saginaw, bridesmaid. They wore matching headpieces and veils and carried a yellow rose tied with gold velvet.

For their role as flower girls, Misses Bette and Barbara Davis of Oscoda, were attired in identical Empire floor length gowns with short sleeves of lavender embossed taffeta trimmed with lace. Their headpieces and veils were matching and they carried a yellow rose tied with purple velvet.

Walter S. Clements of Mt. Pleasant served his brother as best man. Groomsman was James A. Klish of Tawas City, bride's brother. Ushers were Robert M. Clements of Tawas City, bridegroom's brother, and James Davis of Oscoda.

Following the ceremony, a buffet luncheon was served at the American Legion Hall to 150 guests from Saginaw, Olivet, Hale, Bay City, Mt. Pleasant, Swartz Creek, Oscoda, Ellet, Detroit, Ohio and the Tawasess. Mrs. Klish greeted guests in an A-line fuschia, rose dress with black accessories. An emerald green knit ensemble trimmed in white with brown accessories was Mrs. Clements' choice. Yellow rosebuds made up their corsages.

The newlyweds will live in Okinawa where the bridegroom is serving with the United States Army.

Pre-nuptial showers were given by Mrs. Norman Argle, Mrs. Gary Davidson and Mrs. James Davis.

Tawas City OES Met Tuesday

Tawas City Chapter No. 303, OES, met Tuesday, January 20, at the Masonic Temple.

The meeting was conducted by Mrs. Betty Herriman, worthy matron. Members were reminded of the dedication of the Masonic Temple to be held Saturday, January 31. There was discussion on the dinner to be served at the dedication and OES participation.

A memorial service was conducted for Charles L. McLean.

Obligation night was observed and members renewed their pledge.

Refreshments were served by Mr. and Mrs. Harry Crawford following the business meeting.

Sportsmen to Plan Program

Programs for the coming year will be discussed at the monthly meeting of Iosco Sportsmen's Club. The meeting will be held Wednesday, February 4, 8:00 p. m., in the clubhouse.

Garden Club to Meet at Iosco Medical C. Facility

Iosco Medical Care Facility will be the meeting place of the Tawas City Garden Club Tuesday, February 3, 1:30 p. m.

Miss Edna Otis will present the program, "Gardens of Yesterday."

Each member is to bring two dozen cookies.

About PEOPLE YOU KNOW

Tawas City

Robert Short, David Rapp and Paul Becker are home for a week from Central Michigan University, Mt. Pleasant.

Mr. and Mrs. Ernest Mueller spent the week-end in Pontiac with relatives and attended the wedding of their grandson.

Mr. and Mrs. Wilton Finley of Lansing, former Tawas City residents, were seriously injured in an automobile accident Friday evening near Lansing. They are in Sparrow Hospital.

Mrs. Frances Sheeks and Mrs. Mildred Ulman are planning to leave this week-end for a visit in Ypsilanti and Pinckney.

Mr. and Mrs. Allen Anschutz entertained relatives and friends at a pot-luck supper and an evening of snowmobiling at the Andrew Anschutz cabin Saturday. Attending were the Walter Smiths of Oscoda, the Alvin Fords of Berkley, the Kenneth Andersons of Hazel Park, the Nelson Beans of East Tawas and the Harold Cholger family.

Mr. and Mrs. William DeLosh Jr. of Birmingham spent the week-end with his father, William DeLosh Sr.

Tuesday evening, Mr. and Mrs. Arthur Kobs, and Mrs. Andrew Anschutz were dinner guests at the Caryl Ives home.

Mr. and Mrs. Andrew Anschutz were dinner guests of Mr. and Mrs. Herman Fahselt Monday evening.

East Tawas

Lawrence Vincent of Lexington, Kentucky, visited his parents, the John C. Vincents, for a few days.

Mrs. Nancy Milton returned from a visit with her granddaughter in Pensacola, Florida.

Mr. and Mrs. Howard Rempert spent Monday evening at the Harold Cholger home.

Michael Businski spent the week-end at the home of his parents, Mr. and Mrs. Howard Businski. Michael is a student at Michigan State University, Lansing.

Raymond LeViere, Mr. and Mrs. Carl Thunberg and son, James, were in Mt. Pleasant Saturday to attend graduation services at Central Michigan University. James LeViere was among the graduates, receiving his master of arts degree in business administration.

James D. Moore and friend, Miss Debora Stockdale, from Pontiac spent the week-end with the former's father, James Moore, and family.

Mr. and Mrs. Lawrence Lubig drove to Marquette last week. Their daughter, Miss Mary Lubig, who attends Northern Michigan University there, returned home with them to spend the mid-term vacation.

Lt. and Mrs. Stanley McKay of Ann Arbor spent the week-end with the former's parents, Mr. and Mrs. L. G. McKay Jr.

Mr. and Mrs. John Sklepowski of Lansing spent the week-end with the latter's parents, Mr. and Mrs. Wayne Pollard.

Mrs. Mildred Bouyer has returned to her home in Lapeer after spending the past six weeks with her daughter and husband, Mr. and Mrs. LeRoy McCluer, and family.

A tribute to the Rev. and Mrs. William Lindholm and family was given by Ralph White Sunday following the morning church service at Grace Lutheran Church. The Lindholm family is leaving this week for Livonia where Pastor Lindholm will serve the Holy Cross Lutheran Church, 30650 West Six Mile Road. Their home address will be 15343 Susanne Circle, Livonia.

Mrs. Ervin Kuenzli has returned home after spending the past week at the home of her son and wife, Mr. and Mrs. Lewis Werth. Mrs. Kuenzli also visited friends and relatives in Madison Heights before returning home.

Miss Ruth Alstrom of Bay City spent the week-end with her sister and husband, Mr. and Mrs. Richard Harwood.

Mrs. Ida Gagner is a patient in General Hospital, Bay City. Mrs. Gagner had the misfortune to break an ankle while attending a meeting at Roscommon last week.

Mrs. Francis Dorey has been transferred from Tawas Hospital to Saginaw General Hospital.

Mr. and Mrs. Kenneth O'Brien, Terry and Tracey were Saginaw and Lansing visitors on Saturday.

Mr. and Mrs. Larry Clements and family from Bay City visited Mrs. Clements' parents, Mr. and Mrs. Ervin Kuenzli, and attended the Clements-Klish wedding on Saturday.

Mr. and Mrs. Russell Small and family were business visitors in Harrisville on Monday afternoon.

Mr. and Mrs. Robert C. Miller joined their daughter and husband, Mr. and Mrs. Sheldon Butler of Oscoda, for dinner at The Aulsebrook Inn on Wednesday evening. The event celebrated the birthday of Mrs. Butler.

Mr. and Mrs. Walter Decker have returned from Flint where they attended the funeral of Mr. Decker's brother, Elmer Decker.

Mrs. Wilson Silkworth has returned to her home in Brooklyn after a visit with her parents, Mr. and Mrs. Shirley English.

Mr. and Mrs. Walter Decker were recent business visitors in Alpena.

A letter from Mrs. Lois Walker, Hampton, Virginia, informs friends that her mother, Mrs. Ada Schenck, recently underwent major surgery and has made splendid recovery. Mrs. Schenck has returned to the Medic H. H. Center, 5015 Huntington Street, New Port News, Virginia 23607.

Mr. and Mrs. B. F. Farnell of Detroit visited their parents, Mr. and Mrs. A. J. Goulet, over the week-end and helped her father celebrate his birthday.

Mary Beaubien Honored Jan. 23 at Bridal Shower

A bridal shower was given honoring Mary Beaubien, bride-elect, Friday, January 23, at the Immaculate Heart of Mary Parish Hall.

The 25 guests enjoyed an evening of games. Miss Beaubien received many lovely and useful gifts. Refreshments were served by the hostesses, Mrs. Paul LaBlance, Mrs. Glen Griffin, Mrs. Russell Carney and Miss Phyllis Bouchard.

TAHS to Send 24 Students to Honors Band Concert

District IX of the Michigan School Band and Orchestra Association will again sponsor an honors band concert. This year, the event will be held at AuGres High School, Saturday, January 31, 8:00 p. m. The purpose is to provide the outstanding band members of each member school with an opportunity to work and perform together and also to recognize their individual accomplishments.

The band will be conducted by the various area band directors. Seventy-four band members will represent the schools of Arenac, Eastern, AuGres, Clare, Farwell, Gladwin, Hale, Pinconning, Roscommon, Standish Sterling, Tawas Area and Whittemore-Prescott.

For the fifth year, Tawas, with 24 entries, will have the largest contingent.

Representing Tawas will be Janie Phelps, flute; Joni Fisher, flute; Joan Krueger, bassoon; Marsha Sventko, bassoon; Charlene Sheehan, Eb clarinet; Randy Stevenson, clarinet; Ruth Thornton, clarinet; Vicki Phelps, clarinet; Cindy Helmer, bass clarinet; Molly MacMurray, bass clarinet; Sandy Whitman, alto saxophone; Robert Clements, alto saxophone; Sue Vaughan, tenor saxophone; Gary Daugherty, baritone saxophone;

Bruce Bishoff, cornet; Rick Bonino, cornet; Robert Nelson, cornet; Janet Hatcher, French horn; Debora Hewitt, French horn; Barbara Phillips, trombone; Gary Sullivan, baritone; Timothy Staudacher, string bass; Norton Upson, tuba.

The public is encouraged to attend the concert.

Wedding Vows Said January 17 at East Tawas

The Rev. Noah Funk officiated at an evening service Saturday, January 17, uniting in marriage Marti R. McCormick, daughter of Mr. and Mrs. Melvin McCormick of Tawas City, and Charles J. Hudson, son of Mr. and Mrs. Charles Hudson, Elkton, Maryland. The double ring rites were read in the East Tawas Church of the Nazarene.

Attending the couple were Miss Lynda Walt of East Tawas and Ronney Shiver of Florida.

The newlyweds will reside at 5395 North US-23, Apartment No. 3, Oscoda.

Miss Cora Davey Died at Midland

A former East Tawas resident, Miss Cora Davey of Midland, died Tuesday, January 20, at the Midland Hospital. Miss Davey was 81 years old.

Born May 21, 1888, at East Tawas, Miss Davey was a retired clerk of the Detroit and Mackinac Railway Company. She had made her home in Midland for the past five years.

A service was conducted Friday morning, January 23, at the Bradley Funeral Home, Midland. An evening service was conducted at the Moffatt Funeral home, East Tawas, with burial in Greenwood Cemetery.

ONE-OUNCE—Bottle spirit and gasolin process correction fluid 75c. Tawas Herald office. 8-44

District Training Session for Isosco Cancer Unit

Thursday, February 5, a district training session for Isosco County Cancer Unit, American Cancer Society, will be held at the First Methodist Church, Gladwin, 10:00 a. m. to 3:00 p. m. Luncheon will be served at the country club with the expense of the meal paid by the local cancer unit.

Transportation will be provided. Reservations must be made with Bud Fisher not later than January 30.

The district session includes cancer society workers from Arenac, Clare, Gladwin, Isabella, Ogemaw, Roscommon and Oscoda Counties.

Hale A. School News-Activities

Items of interest to residents of Hale Area School District were announced this week as follows: Rebecca Sherrill will be replacing Mr. Nordin in the sixth grade at the start of the second semester. Mrs. Sherrill is graduating from Central Michigan University this month.

The Hale Area girls basketball team defeated Alcona High School girls, 43-33, in a game played at Alcona. The Hale girls have won four games and lost two this year. The Hale junior girls defeated Alcona junior girls, 10-9.

Peter Holley, with the aid of William Krantz, has been working with several boys in wrestling, a new activity in the school.

Calendar of events for the week of February 2:

Wednesday, February 4—Girls basketball game with Whittemore-Prescott Area at Hale, 7:00 p. m.

Thursday, February 5—Seventh and eighth grade at AuGres, 7:00 p. m.; the band will be traveling to Tawas Area in an exchange rehearsal getting ready for the state festival.

Friday, February 6—Boys varsity and junior varsity basketball games at Hale with Arenac—Eastern, 7:00 p. m.; semester examinations start Thursday and Friday, February 5-6. No lunch will be served at the school. Students are to be home at approximately 1:00 p. m.

Six Escape Injury in Crash

Six persons escaped injury Wednesday night when the car in which they were riding struck the railing of the Tawas River bridge at First Street, Tawas City.

A car driven by Richard S. Storms II, 22, East Tawas, skidded on the street and crashed into the railing. Passengers were Randy Brewer, 18; Joseph Cadorette, 17; James Grimes, 17; Donald Jean, 18; Daniel Gardiner, 17.

Needlecraft News

by Nancy Baxter

MEET MIGUEL, a good will ambassador from "South-of-the-Border." This adorable doll is on a diplomatic mission to charm the children of the United States. Please give him a warm welcome.

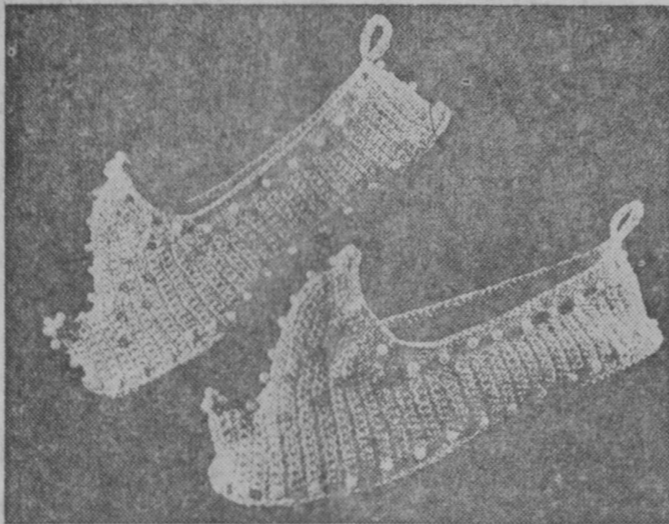

Free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PPE 1353.

Yarn Doll is Easy and Fun

Making this cunning doll is really a fun project. Rug yarn is used for his body and hair. His cotton shirt and trousers are cut from a simple paper pattern. Miguel also wears a sombrero, sandals and poncho made of felt, and trimmed with more rug yarn. He is about 11" tall.

Start a Collection

This little Mexican doll is dressed in his fiesta-best outfit. You can make a whole collection of international dolls, or storybook characters. Use the same basic doll figure; and change the hairdo and costume to suit your fancy.

Opulence is in order for after-hours dressing. You will feel like an oriental princess wearing these bejeweled harem slippers with a flowing hostess robe and a whiff of perfume. This sumptuous pair is crocheted of metallic cotton yarn and decorated with pearls and sequins. Free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PC 9000.

PUT A TRACE OF LACE in your home scheme. Trends in decorating juxtapose the dainty and the bold, the new and the old, the plain and the fancy. This lace-covered wastebasket can be integrated gracefully into any interior plan and it is also a charming way to tidy a room.

A Pretty Practicality

Spin a web of lace around a humble basket. The lacy cover is crocheted in 3-inch square motifs which are joined together in strips. It takes six ten-inch long strips to go around a standard size basket. A layer of contrasting felt is fitted around the basket before the lace piece is slipped on.

Something Old, Something New

It's pure sorcery, the way you can transform an ordinary wastebasket into a decorative asset. Refurbish an old one for your own home, or buy an inexpensive new one and turn it into a rich-looking gift. Free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PC 4974.

Leave your old-fashioned diamonds in the vault. Today's jewelry is bright and gay. This whimsical pair of earrings is crocheted of cotton "Knit-Cro-Sheen." Pick your colors to go with a special outfit; and for evening, make a pair out of metallic yarn. Free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PC 4975.

Annual Report on Tawas City's Activities

A year-end fact sheet was presented last week to members of the Tawas City Council. The report was prepared by Reginald Bublitz, superintendent of public works, and outlines a variety of activities and statistics concerning the city.

Tawas City, operating under the Fourth Class City Act with a population of 1,810 in the last census, is nearly three miles long and just over three-quarters of a mile wide,

consisting of 920 acres of land. There are 20.68 miles of streets, of which 4.20 miles are state trunklines, plus 3.72 miles of major streets, all hard surfaced, and 12.76 miles of local streets, of which

4.91 miles are hard surfaced. The city has a state equalized valuation of \$6,274,450 for 1969. Operation of city government is financed by a 12-mill tax levy, which brings in a total of \$75,403,

or \$41.66 per capita. The city government is primarily composed of 10 operational departments for administration and service to its people, not including the water and sewer departments and its facilities. Total city operating receipts for 1969 amounted to \$152,000 of which only 43 percent is derived from property taxes. Another eight percent comes from local miscellaneous and 49 percent is obtained from state monies. The operating expenditure budget of \$152,000, or \$83.98 per capita, is broken down into 21 budget departments with 74 category items. These are coded for accounting and bookkeeping purposes, requiring six separate bank accounts for city financing. This, again, does not include the water and sewer departments.

CONSUMERS POWER COMPANY is managing over 120,000 acres of forest and recreational lands and has planted over 22 million seedlings in the past 40 years. Some 26,000 acres are in plantations and 20,000 acres in water impoundment. The company owns 245 miles of river lands fronting the AuSable River and much of this land is open to the general public for recreational purposes.

Funeral Held for Maurice Kennedy

Funeral services were held Friday, January 23, at Epiphany Church, Detroit, for Maurice Kennedy, who died at his home in Plymouth Monday, January 19. Scripture service was conducted Thursday evening at H. R. Pierce Funeral Home, Detroit.

Mr. Kennedy was preceded in death by his wife, Mary Margaret. He resided part of the time at his home in Tawas City.

He is survived by seven sons, Joseph of Texas, John and Dr. Albert of Massachusetts, Robert, Gerald, Harold and David of Detroit; 21 grandchildren; seven sisters, one of whom is Mrs. Israel Mexicotte of East Tawas.

Hale Residence Destroyed by Fire

Fire destroyed the two-story residence of Mr. and Mrs. Vernon Ranger, Hale, early last Wednesday morning. The home was a total loss.

Plainfield Township Fire Department was called to the scene by Mrs. Ranger, shortly after 12 o'clock midnight. Mrs. Ranger was alone at the time. Mr. Ranger was in Florida.

A pumper and two tanker trucks were sent to the fire. The fire was believed to have started underneath a stairway, according to Fire Chief James Mann. There were no injuries.

Check Lights

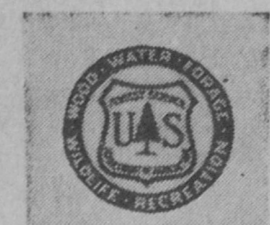

Cold days are shorter, so more work day driving is done during periods of darkness. It is more important to keep all lights bright, focused right and working at this time of year.

It requires 91 different service rendering jobs during the year, plus 19 on state trunklines, of which many of these are repeated many times over. During 1969, 114 tons or 228,000 pounds of blacktop patching were applied to the streets. There were 1,208 yards of crushed stone hauled and applied to the streets, with 1,020 100-pound bags or 51 tons of salt spread for ice control during the winter. A total of 60 inches of snow fell during the year. The average snow fall amounts to 65 inches per year. There are 175 storm sewer catch basins which are cleaned every year, not including ditches and culverts.

During 1969, the city spent \$1,757 for heat and power, plus \$6,663 for 183 street lights. Total insurance cost the city \$7,933 and another \$1,300 for telephone service. Gas, parts and repairs for equipment totaled \$8,200.

The city volunteer fire department consists of 15 men, plus the chief, who were involved in a total of 46 fire activities during 1969. This included 20 practices, 14 fires in Tawas City, eight fires in Tawas Township and four fires in Alabaster Township. There were four building fires, five vehicle fires, six grass fires, five chimney and stove fires, three appliance fires, two gas fires and one false alarm. The fire department has three trucks, a 1938 International, a 1949 Ford and a 1961 Chevrolet, all with Darley Fire Equipment. The department has 2,500 feet of hose aboard the trucks, two three-inch portable pumps and carry 1,800 gallons of water to a fire. The trucks and equipment are checked each week according to a check list by scheduled firemen. Total fees for volunteers for 1969 was \$3,131.

Not including firemen or any board members, the city had 27 persons on the payrolls. The city hall employees had more than 3,600 phone calls during the year and ran off more than 2,000 copies

Forest Chats

HURON - MANISTEE NATIONAL FORESTS
Tawas Ranger District

By Stuart Bailey, Forester

Sanitary landfill! You probably have and will be hearing this term used quite frequently. What does it mean? What does it have to do with you? Why am I writing an article about it?

These are some questions you are probably asking yourself and you should be. The last time most of us see our garbage and refuse is when we set it out for the collector, at least we hope this is the last time we see it. But a few years ago if we had gone to where the collector had deposited it, we may have seen it blowing out of a pit in the ground into the surrounding woods. If it had been burning, it could have possibly started a forest fire. Seven of these pits are on national forest land and that is why I am writing this article. Incidentally, within the last two years, fires near dumps have burned 150 acres.

In 1965, Michigan passed a law stating that these open dumps were no longer permitted. A sanitary landfill was to replace them. This would be a dump that would be managed, where refuse would be dumped only at a designated place, where the refuse would not be burned, where the refuse would be compacted and covered with soil daily.

However, it was found that a daily covering would be two expensive for small units of government, so it was modified to require covering at least once per month. Also local government officials determined that to keep people dumping in the designated place and to keep them from burning the refuse, they would have to establish hours for dumping and have a man there to exercise control over the dumping.

It is now 1970, 4½ years after the act was passed and still not all of the dumps in Iosco County are operating under a licensed sanitary landfill. But more progress has been made in the last six months than in the previous three years. The reason for this is the new county employee called the county sanitarian. Through his knowledge and direction, he is assisting local governments and the forest service in establishing sanitary landfills.

But the most important factor to make this work is you. Without cooperation from the people, many problems arise; dumping refuse at

the gate if it is locked, dumping the refuse in the forest because the dump is closed that day, throwing burning refuse into the pit, unwilling to support it financially.

In the past 10 years, our refuse increased from two pounds to 4½ pounds per day for each person. Couple this with the increase in population and we have a severe problem. Through cooperation, we can find a solution. But if the problem is not solved, the dumps on national forest land will have to be closed until they are licensed by the state. You have heard the saying "Clean your own house before you criticize your neighbor."

Because we bring children into the world, we obligate ourselves to insure they have a clean, healthy place to live.

TODAY'S Meditation

From The World's Most Widely Used Devotional Guide

Read Psalm 121; Matthew 10:16-20
 Your Father knoweth what things ye have need of before ye ask him. (Matthew 6:8)

There can be little doubt in an honest mind about the difficulty of learning to pray. Words so often fail us, concentration is difficult, the mind wanders.

As a teen-ager, I got help with this problem one Sunday when a minister who stammered was in

our pulpit. Hesitatingly, he announced the first hymn, after which came a brief prayer. As he began the Lord's Prayer, he stopped after the words "Our Father." His stammer had got the better of him.

At that hour, prayer had a new meaning for me. As a boy, I had thoughtlessly recited the Lord's Prayer. But that day, my mind paused on the words, "Our Father." They implied a personal relationship between us. I was a boy with needs to be met, and God was my Father who knew my needs. So it was that I entered into the meaning of the fatherhood of God and from then on, prayer became more meaningful.

PRAYER
 Dear Father, thank You for creating us and being mindful of us and our needs. Incline us to pray with thanksgiving and in faith ask You to supply our needs. Despite all the problems confronting us, reassure us that the role of Christ will one day be a reality. Amen.

THOUGHT FOR THE DAY
 We learn to pray by practice.—Hedley W. Plunkett (North Ireland).

Christian Science

919 East Bay Street, East Tawas, Sunday service, 11:00 a. m.; Sunday School, 11:00 a. m.; Wednesday at 8:00 p. m. The Reading Room, located in the church building, is open Wednesday, 1:00-5:00 p. m.

WIOS - 1480 kc SUNDAYS 9:35 A. M.
THE BIBLE SPEAKS TO YOU
 Radio Series

"Love" is the subject of the lesson-sermon to be read in Christian Science churches this Sunday.

A Bible passage in the lesson-sermon is from Romans: "For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord."

One of the citations from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Human theories are helpless to make man harmonious or immortal, since he is so already, according to Christian Science. Our only need is to know this and reduce to practice the real man's divine Principle, Love" (p. 490).

Combined Circles Met Thursday

The combined circles of the Tawas City Baptist Missionary Society met at the multipurpose room of the church Thursday afternoon, January 22, with 10 members present. Mrs. Ervin Biggs, vice president, conducted the meeting. Mrs. George Philpot gave the devotions. Refreshments were served by ladies of Rachel Circle.

Special Services With Evangelist

Special services with Evangelist Esther Palmer are scheduled Tuesday, February 3, through Sunday, February 8, 7 o'clock nightly. She has traveled extensively throughout the United States and has recently conducted services in Port Huron and Detroit. She plays the accordion, clarinet, piano and organ. Each night, she sings songs both old and new. An interesting speaker with keen sensitivity, she holds the interest of both young and old. Following the services at East Tawas, she will engage in further meetings in Michigan, Minnesota and Illinois.

The Rev. George Krish invites the public to hear Evangelist Palmer.

Lower Hemlock

Mr. and Mrs. John McMurray of Saginaw enjoyed the week-end with their mother, Mrs. Winnie Latham, and aunt, Mrs. Luella Price.

Mr. and Mrs. Floyd Lossing, Mr. and Mrs. Clarence Lossing and son spent the week-end in Lansing with their daughter and sister, Mrs. Thomas Dotson, and family. The Clarence Lossings also visited her brother, Lloyd Nelkie, who attends Michigan State University.

Sunday dinner guests of Mr. and Mrs. Walter Miller and Ronnie were Mr. and Mrs. Henry Schatz, Mr. and Mrs. Carl Thunberg and son, James.

Mrs. Michael Blust and daughters, Betty and Ann, enjoyed Tuesday in Lansing.

Callers at the home of Mrs. Winnie Latham and Mrs. Luella Price the past week were Mr. and Mrs. Chelsea Chambers and daughter of Detroit and Miss Iva Latter of Reno Township.

Recent dinner guest of Mr. and Mrs. Henry Schatz was Mrs. Hilda Rempert. In the afternoon, they picked up Mrs. Carl Rempert and

Sherman News

Several from here attended the Whittemore-Prescott and Alcona basketball game Friday evening.

Mrs. Gladys Smith is reported improving slowly at the West Branch hospital.

The Frank Smiths were business callers in the Tawas Friday afternoon.

Friends are glad to hear that Mrs. Eva St. James of Whittemore, mother of Betty Bamberger, is home from the hospital.

The Floyd Schaffer family of Otter Lake and the Gerald Boger family called on their parents, the Lyndon Bogers, last Sunday.

The Frank Smiths attended the euchre party at the Alibi Thursday evening.

Mrs. Donald Weaver and children of near Prescott were Tuesday callers of her parents, Mr. and Mrs. John Wallace.

Mrs. Harold Hess of Oscoda visited her daughter, Mrs. Roger Wood, one day this week.

Walter Smith attended a birthday party for Danny Valent of Whittemore Thursday afternoon at his home.

Mr. and Mrs. Martin Eckstein and daughter, Mrs. Donald Schuster, are enjoying some time in Florida.

Mr. and Mrs. William Revord were Saturday callers in Tawas.

Mr. and Mrs. Douglas Chapman spent the week-end with his parents, Mr. and Mrs. Henry Chapman.

Ted Lichota visited his sister and family, the Russell Whites of Whittemore, Thursday.

(Continued from page 6, sec. 1.)

Bronze Star Medal to James T. Wojahn

Army SP5 James T. Wojahn, 22, son of George A. Wojahn of Tawas City, received the Bronze Star Medal in Vietnam December 6.

Specialist Wojahn was presented the award for meritorious service in connection with military operations against hostile forces in Vietnam while assigned as an infantryman with Company D, Second Battalion, Second Infantry, First Infantry Division.

The specialist was stationed at Fort Lewis, Washington, before arriving overseas.

Completes Basic Training in Texas

Airman Sandra K. Schuette, daughter of Mr. and Mrs. Richard W. Schuette of Tawas City, has completed basic training at Lackland Air Force Base, Texas. She has been assigned to Sheppard Air Force Base, Texas, for training in the data systems field. Airman Schuette is a 1969 graduate of Cass City High School.

Bronze Star Medal to SP4 Webb

Army SP4 Timothy Webb, 22, son of Mr. and Mrs. Wayne Webb of Hale, received the Bronze Star Medal near Phuoc Vinh, Vietnam, December 15.

Specialist Webb was presented the award for meritorious service in connection with military operations against hostile forces in Vietnam while assigned with Headquarters Company, Second Battalion, Eighth Cavalry, First Cavalry Division (Airmobile). He also holds the Combat Infantryman Badge.

Promoted While Serving in Germany

Thomas J. Hinkelman, whose wife, Pamela, lives at Tawas City, was promoted to army specialist five December 8, while assigned to the Third Armored Division near Friedberg, Germany.

Specialist Hinkelman is a turret mechanic in Company B, First Battalion.

called on Mrs. Arnold Anschuetz and Mrs. Edward Wojahn.

Last Sunday, Mr. and Mrs. Randolph Proudfoot, Mrs. Marie Bischoff and children, Mr. and Mrs. Charles Droux and family of Standish called on the Michael Blust family.

Mrs. Charlie Simons Jr. has been transferred from Tawas Hospital to Saginaw General Hospital, Saginaw.

Mrs. Henry Schatz was a Friday caller of Mrs. Grace Miller.

Born to Mr. and Mrs. Richard Laidlaw Monday, January 19, a son who has been named Richard.

Mr. and Mrs. Larry Gingerich of Flint and Robert Gingerich of Kirtland College, St. Helen, enjoyed the week-end with their mother, Mrs. Jeanette Gingerich.

Mr. and Mrs. Orville Strauer attended a Farm Bureau agents convention at Grand Rapids Friday and Saturday.

Tuesday, Mrs. Orville Strauer entered Saginaw General Hospital for major surgery.

Whittemore News

Mrs. Ella Higgins remains seriously ill in a hospital at Springfield, Virginia, after suffering a severe stroke at the home of her daughter, Joann.

A farewell party was held for the Rev. Fr. Bela Torok of St. James Church on Sunday. He has been transferred to Harbor Beach after being pastor at Whittemore, Hale and Turner churches for over 11 years. The Rev. Fr. Terrence Raymond has been transferred here from Bay City.

Mrs. Merrill Burnside and Mrs. Elizabeth Fuerst visited Mrs. Burnside's mother, Rhoda Snyder, in West Branch hospital Wednesday forenoon. She is in oxygen following a heart attack 10 days ago.

Mrs. William Fuerst and mother, Mrs. Roy Charters, and Mrs. Arden Charters spent Thursday in Standish with Mrs. Don Haddix. Friends here extend sympathy

to Mr. and Mrs. John O'Farrell in the death of her mother, Mrs. Nellie Brown of Towing.

Mrs. Mary Allen has returned from a 10-day visit in Florida.

Mr. and Mrs. Floyd Freel and Mrs. Elizabeth Fuerst spent Thursday evening in East Tawas where they visited his father, George Freel.

Paul Miller and Ilene Ward, both of Lansing, spent the week-end with Mr. Miller's mother, Mrs. Ida Miller.

Friends are sorry to hear that Ralph DeGesie is a patient in

West Branch hospital following a recent heart attack.

Mr. and Mrs. William Kerr spent the week-end in Flint and helped their daughter, Mrs. Judy Shurte, celebrate her birthday anniversary.

Cadillac 70

Own a Cadillac?

Of course you can!

1966 Four years old, but its classic beauty and tasteful elegance still give it a distinction that only Cadillac offers. And because it's endowed with Cadillac engineering and craftsmanship, plus so many desirable comfort and convenience features (you'll even enjoy variable-ratio power steering with a 1966 Cadillac) it's likely to offer more driving pleasure and owner satisfaction than most new cars in its price range.

1968 A previously owned 1968 Cadillac offers so much more than many new, fully equipped, medium-price cars. Of course there's Cadillac luxury, elegance, comfort and craftsmanship for you to enjoy. But you'll also be impressed with Cadillac's big 472 V-8 engine and the precision of its standard power steering and power braking. All this plus the pride of ownership a Cadillac provides.

1970 Even the newest model of the world's finest luxury car—a car of uncompromising elegance, comfort and performance—competes in price and economy of operation with cars of far less stature. Thousands of loyal Cadillac owners will testify to this fact, and also to the fact that a Cadillac will traditionally return, on resale, a larger proportion of its original cost than any other car built in the land.

SEE YOUR AUTHORIZED CADILLAC DEALER'S ATTRACTIVE SELECTION OF NEW AND PREVIOUSLY OWNED CADILLACS TODAY.
