Plan Now for Annual Iosco Fair

It's "get ready for fair time." according to Gerald Bellen, Whittemore, president of the Iosco

Included with this week's issue of The Tawas Herald is the premium list for the 26th annual Iosco County Fair to be held July 29 through August 1 at Hale.

"We cannot stress enough that now is the time to begin planning those exhibits for the 1970 event," states Bellen, who urges residents of the entire county to partcipate in the county fair.

The fair is not limited to participation by farm families, as a look as the premium list indicates that there are events of interest to all
—from 4-H Club division, to art, hobbies, handicraft and antiques.

In addition, the premium list includes a schedule of events for the entire 1970 program.

Harness racing will again be a big feature of the fair, along with games and contests for children, a a midway and a parade.
Richard M. Samson, secretary-

manager of the fair, joined the society president in urging a more county-wide participation in the fair. "This year's event has something of interest for everyone," he commented.

Board Seeks New Name for Cemetery

Tawas City Cemetery Board is sidering the adoption of a suitable and distinctive name for the local cemetery.

EAST TAWAS BAPTIST CHURCH 725 Newman St. — East Tawas, Michigan RALPH TEAGUE, Pastor - Phone 739-7246 Sunday School Morning Worship Service Evening Worship Service

NEW SANCTUARY of Hemlock Road Baptist Church has been completed and will be dedicated Friday, August 7. Men of the church provided most of the labor in constructing the 40 by 64-foot building. Work was begun about two years ago. The church has a membership of 90 and the Sunday school membership numbers 137.

Awana Club for boys and girls from eight through 13 years of age was organized last week and a Shipmates Club for youngsters 14 years of age through high school is to be organized in the near future. Both clubs will make use of new facilities added to the church.—Tawas

Ground Rules Set for Senior 'Skip Day'

Ground rules for a senior "skip day" on Monday, May 25, were announced this week by Prin. John Alexander of Tawas Area High

Seniors are to participate in a canoe trip down the Rifle River on that day. Members of the class are to leave school at 9:00 a.m. and are to return to 5:30 p. m. A signed parental permission slip is required.

Alexander said that all participants are to leave and return to the school by bus. The class is to paddle down the river in a group. The principal said that anyone found consuming or in possession of alcoholic beverages would not be allowed to participate in commencement exercises.

ET Bears Win Over Prescott in 7th Inning

East Tawas Bears cracked nine hits Sunday to down Prescott, 11-3, in Northeastern Michigan League action. It was the Bears' second straight win.

Bob Sieloff started on the mound for the winners and pitched six innings. He was relieved by Grant Mousseau in the seventh inning. Arant, Deshard and Cromwell shared pitching duties for the losers.

Dale Koepke, Gene Jordan and Ken Blust each had two hits for Johnson, 1b __ the Bears. Blust blasted a triple, while Koepke connected for a solo homer in the eighth inning. Six individual players collected D. McCord, 3b

six hits for Prescott. VonSickle D. Bronson, cf had a double, while D. Webb VonSickle, rf ---cracked a two-run homer in the Kaiser, 2b fourth inning.

WHITE ELEPHANTS Through A TAWAS HERALD Classified

BOY SCOUTS of Troop No. 74, Tawas City, will hold their annual light bulb sale Saturday, May 23. Scout Kevin Brueback, 13, will be one of the salesmen during this campaign which helps to defray expenses of the troop during the entire year. Members and leaders ask the public to cooperate in this worthwhile cause.—Tawas Herald

Funeral Today for H. F. Klenow

Hubert F. Klenow, 60, who had spent nearly his entire lifetime in the Tawas area, died Sunday, May 17, at Tawas Hospital. He had been ill for 17 days.

Mr. Klenow was born March 24, 1910, at East Tawas. He was employed by the City of East Tawas and Northern Plumbing. He was a member of St. Joseph Catholic Church.

He is survived by his wife, Celia; one son, Larry Klenow, Goodrich; two grandchildren; one brother, Ralph Klenow, East Tawas; four sisters, Mrs. Helen Bolen of East Tawas, Mrs. Dorothy Mielock of Whittemore, Mrs. Winnie McDonald of Lansing and Mrs. Launne Berg of Cincinnati, Ohio.

Funeral services are to be held Wednesday, May 20, 11:00 a.m., at St. Joseph Catholic Church. The Rev. Fr. Arthur C. Mulka will officiate and burial will be in the church cemetery.

HOUSE PAINT

SPECIAL

LUCITE House Paint lets you . . .

- SKIP the extra work of priming, because the primer's right in the paint.
- SKIP tiresome "brush drag". It flows on effortlessly and it dries in only thirty minutes.
- SKIP messy clean-up. Simply rinse your brushes in soap and water.
- SKIP frequent repainting. Its patented latex composition resists blistering, peeling and weathering longer than ever before and it's yours in a full range of colors or white!

Wednesday, Thursday, Friday, and Saturday

LUCITE Wall Paint lets you . . .

- SKIP the wipe-up. It doesn't drip, run or dribble like ordinary paints.
- SKIP the usual stirring and thinning. Just lift the lid and paint away.
- SKIP annoying time delays. It dries to a fresh, lovely finish in only thirty minutes.
- SKIP troublesome tool clean-up. It's done in a jiffy with just soap and water.

And it's yours in the colors top decorators picked for 1970.

was City, Michigan.

Shift Quick This shift is one of those wonderfully quick and easy crochet designs. It is worked in single and chain stitches on a size G hook. The yarn is a 4-ply washable synthetic. The model garment pictured was done in an unbeatable combination of white with tangerine trim. The style lends itself to hot tropical colors.

To Fringe or Not The major attraction is the tasseled fringe swinging around the hem. However, you might want to make the pattern a second time without the fringe. This gives a whole new ook, a pullover vest. The

sizing is misses': small, medium and large. Free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PC 4081-B.

... From your Sewing Editor

HINTS FOR TEENAGE

ARE YOU IN A DITHER OVER SPRING FASHION? Where do you stand on the midi versus mini issue? Do you like flounces and fringe or lean clean lines. Should soft or bold colors win out and what about those little old lady prints? 'Tis a puzzlement.

Ease into Spring Fashion with . . .

a basic good look. How about a sleeveless, V-neck, A-lined little dress (Simplicity 8613)? How grand! To give your imagination a nudge, we have pictured this bit of perfection above. A dress like this is meant for accessorizing; that's what it's all about. It only takes one good accessory at a time-for example, this strikingly striped scarf with fringed ends. One interesting belt, or two worn together, makes another look; or some way-out jewelry. A purely handsome dress can be a showcase for your own wearable art col-

While you are easing into your spring wardrobe, ease into making it yourself. By starting with a basically simple style, you can concentrate on perfecting the elementary dressmaking techniques. Then, when you are ready to wear a gypsy dress, you will be ready

Hmm — a Hem

On any dress, the fatal flaw can be your hem. You follow the step-by-step instructions to an almost beautiful finish. What happened? INCONSPICUOUS, that is what a good hem should be. Before you do anything, let a garment made from an untreated fabric hang for at least 24 hours to allow for stretch. On a flared skirt, the hemline level should be marked all the way around with you in it and a friend helping.

Where there is a flare, there is extra fullness in the hem. This has to be eased in to fit the garment, when you turn up the allowance. Make a line of stitching (10 per inch) 1/4" from the cut edge. Place the garment, wrong side out, on the ironing board. Gently gather in the ripples by pulling up the underthread. With a piece of heavy paper between the hem and garment fabric, shrink out the gathers in shrinkable fabric, or press them as flat as possible. If the fabric is heavy or medium weight and doesn't ravel easily, your garment is ready for a tailor's hem. Fold the hem back against the right side of the garment. Take a stitch through one thread in the fold, then catch the machine-stitching on the hem edge; and so on around you

Un-Raveled

If the fabric is ravelly, use seam binding. Since the hem on a flared skirt will curve, the binding should be steam-pressed into a slight curve. Topstitch the binding to the right side of the hem, about 4" from the edge. Sew the edge of the seam binding flat to the skirt or use the inside hemming method as described for a

Anyway you hem it, hold your work with the hemline upside down and the wrong side of the garment facing you. Take your stitches at least 14" apart and don't pull the thread tightly or puckers will show on the right side. Keep your stitches from showing on the outside as much as possible by picking up only a thread or two. Take a few over-and-over stitches in the hem or seam allowance, never the garment fabric, to finish a length of thread.

"400" Sale, here's how you can get two popular extras at no extra charge. Order the options you'd probably order anyhow. A Turbo Hydra-matic

transmission, radio, Comfortilt steering wheel, front and rear bumper guards and white stripe tires. All popular items that you'd likely want-sale or no sale.

And for nothing extra get a bigger 400-cu.-in. V8 engine and dual exhausts.

That's the deal. For no extra cost we add our big 265-hp V8 engine that runs on regular gas, along with a dual exhaust system. (The manufacturer's suggested retail price including Federal excise tax for the

regular fuel 400 V8 and dual exhausts is \$93.75.) But that's only the beginning. Because your Chevrolet dealer is

really anxious to deal these days.

You save when you buy it. You save when you drive it.

The Impala you're buying got to be America's No. 1 car because

CHEVROLET

of all the value features built right in. Features like flush-and-dry rocker panels that fight rust. Inner fenders to protect the outer fenders. Long lasting bias belted ply tires, steel side guard beams in every door for added protection, an acrylic lacquer finish over its solid Body by Fisher. All of which also contributes to Impala's traditionally high resale

You're getting America's No. 1 car on sale. The car more people buy-year after year after year. On Sale. How can you beat that? Putting you first, keeps us first.

Right Car. Right Price. Right Now.

MICHIGAN CONSOLIDATED GAS COMPANY

Be crazy

like a

Install Gas air conditioning when you don't need it, so you

have it when you do. Which isn't crazy at all. Just smart.

Because by getting central Gas air conditioning now, you

beat the summer rush for installation. Then, when collar-

wilting days are here, you're off in your own cool world.

Reduces pollen and humidity. And operating costs are low

because you get a special summer rate on all the Gas you

use for all purposes. One more thing. If you have forced-

air heat, you already own half a Gas air conditioning sys-

tem. To get the other half, call your air conditioning con-

tractor soon. Or us. Then this summer, the word will be

out about what a sly fox you really are.

a Realtor anybody.

It's easy. If you don't know what a Realtor is. He's not just anyone in real estate. He's the professional. The one with experience and expertise, who is pledged to the strict code of ethics of the National Association of Real Estate Boards. If he weren't, he couldn't be a Realtor.

That's good. Especially when he's working for you. Because you can relax, knowing your best interests are being taken care of, ethically, professionally.

There's no better way than that.

Superintendent—Perry Shellenbarger.

STATE OF MICHIGAN DEPARTMENT OF AGRICULTURE BUREAU OF ANIMAL INDUSTRY LANSING, MICHIGAN

Department of Agriculture Regulation No. 133 Regulation Relating to the Public Exhibition of Poultry

By virtue of the authority provided by Act 181, Public Acts of 1919, as amended, the following rules and regulations are hereby established: 1. Feed and water containers provided for exhibition coops

shall be new or properly cleaned. 2. Feed or water containers from which birds have eaten or drunk must be refilled so as not to contaminate the common supply of feed and water. Feed or water con- Rhode Island Red tainers may not be removed from exhibition coops except for the purpose of cleaning.

3. Exhibition coops must be thoroughly cleaned and disinfected, both prior to and following such exhibition. 4. Exhibition coops must be so constructed and placed as to

provide adequate light for proper inspection of poultry for evidence of transmissible diseases. 5. Litter for exhibition coops must be of clean material and

be renewed daily or oftener as needed. 6. Shipping crates used in shipment of birds by common carrier may not be used as exhibition coops. Shipping crates shall be cleaned and disinfected after birds have been removed for exhibition and before being used again. Whenever possible and convenient, shipping crates shall not be stored in exhibition room.

7. No bird shall be handled by anyone other than the attendant and the judge after they have been placed in exhibition coops.

It is recommended that all birds exhibited at fairs and poultry shows shall have been vaccinated against Infectious Bronchitis and Newcastle Disease thirty days or more prior to the date of the exhibition or show.

-Rules-

Exhibitors are requested to read carefully rules and regulations covering exhibition of poultry.

All exhibits shall be (a) purebred (b) cross bred from purebred parents. All birds showing any general disqualifications according

to the Standard of Perfection shall receive no award. Provided the birds are typical of the breeds which they represent, the placing of awards shall depend upon the fol-A. Pullets:

1. Rapidity of growth.

Class

2. Depth of pigment. 3. Uniformity of shape and size.

4. Promise of egg production. 5. Absence of defects and disqualifications.

1. Degree of bleaching.

2. Condition of abdomen (spread and pliability). 3. Absence of new primary wing feathers.

4. Alertness of head and eyes. 5. Body weight, conformation and fitness.

6. Absence of defects and disqualifications, It is suggested, especially for fairs held late in September and October, that all birds exhibited go directly from the Fair to market for slaughter so that none of them will be taken back to the farm. The reason for this precaution is that the birds may take back some disease to the farmer and injure his egg production of his farm flock, if such disease is infectious and of the type which will lower his egg production.

A pen entry shall consist of two females and one male. (Classifications: Cock, Cockerel, Hen, Pullet.)

Michigan State Fair Special

Michigan State Fair Community Arts Department will award a special gold ribbon in each of the classes listed below. The winner of each ribbon is especially invited to exhibit the article on which the award is made, or in the case of perishable products, a comparable article at the next Michigan State Fair. The ribbon will designate the exhibit as a special State Fair display entitling the winner to free entry of the exhibit and a complimentary pass to the next State Fair.

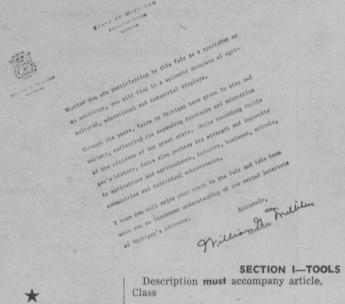

ALL COUNTY FAIR EXHIBITORS, as well as gold ribbon winners, are invited to enter their handiwork at the State Fair. Write to the Community Arts Department, Michigan State Fair, Detroit, Michigan 48203, for your copy of the Premium Book and an entry form.

DEPARTMENT XI-4-H CLUB DIVISION

Superintendents-Adolph Siegrist, Val Samson Objectives of the 4-H Club Department of the losco County

1. To provide for 4-H Club members and leaders educational experiences relating to 4-H project areas and activities, personal skills and accomplishments.

2. To provide recognition and inspiration for 4-H Club members and leaders as encouragement toward greater achieve-

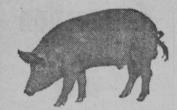

and Dairy Projects,

Wednesday, July 29-9:00-3:00-Registration and entry of exhibits. 5:00-9:00—Judging of Agricultural and Home Economics exhibits on display in Community Building.

SHEEP Requirements provided in Michigan Department of Agriculture Regulation No. 117:

All sheep for exhibition must be free from infectious and contagious disease.

SWINE

Requirements provided in Michigan Department of Agriculture Regulation No. 117:

tagious disease.

2. Native swine are not required to be vaccinated against hog

exhibition purposes which have ALL CATTLE MUST BE IDENTIFIED BY EAR TAG, TATTOO, originated from any garbage feeding premise or that are in a quarantined area for the preexanthema; or if a quarantine is on the premise for any reason (except upon a permit from the Director of Agriculture or his authorized agent.)

POULTRY

Requirements provided in Michigan Department of Agriculture Regulation No. 133:

1. Feed and water container provided for exhibition coops shall be new or properly cleaned 2. Feed or water containers from

which birds have eaten or drunk must be refilled so as not to contaminate the common supply of feed or water. Feed or water containers may not be removed from purpose of cleaning.
3. Exhibition coops must be thor-

oughly cleaned and disinfected both prior to and following such exhibition.

4. Exhibition coops must be so constructed and placed as to provide adequate light for proper inspection of poultry for evidence of transmissible diseases. 5. Litter for exhibition coops must

be of clean material and be renewed daily or oftener as needed. 6. Shipping crates used in shipment of birds by common carrier may not be used as exhibition coops. Shipping crates shall be cleaned and disinfected after birds

have been removed for exhibition and before being used again. Whenever possible and convenient, shipping crates shall not be stored in exhibition room. 7. No bird shall be handled by anyone other than the attendant and the judge after they have been

placed in exhibition coops. It is recommended that all birds exhibited at fairs -and poultry shows shall have been vaccinated against Infectious Bronchitis and Newcastle Disease thirty days or more prior to the date of the exhibition or show.

Class

3:00-5:30—Judging of action exhibits and demonstrations. Friday, July 31—10:00—Judging of Horses Show. Saturday, Aug. 1—Exhibits will not be released until 9:00 P. M. General Rules 1. Club members are to fit, show and take care of their own exhibits. 2. All State sanitary and health regulations MUST be met.

3. Showmanship classes a. A 4-H Club showmanship class member may not enter more than one class.

b. The member must personally own, fit and show his or her animal c. Basis of Award: (1) Showmanship by owner; (2) Fitting of animal; (3) Training of animal.

d. Showmanship classes shall be divided (1) Showmanship contestants, 14 years and under (as of Jan. 1) (2) Showmanship contestants, 15 years and over (as of Jan. 1.)
4. All Livestock exhibits and the area occupied by them must be kept in good order by the exhibitor as directed by the

Superintendent in charge. Each 4-H Club is responsible for their own clean-up equipment such as rakes, forks, shovels, etc. 5. All vegetables and flowers exhibited must be raised by 4-H members.

6. Michigan 4-H Projects Guide provides exhibit information except as indicated in Premium List class descriptions. 7. All food exhibits must be packaged in clear polyethylene bags, secured with a rubber band or wire twist. Such bags may also be used as protectors for Knitting exhibits.

8. Action exhibits and or demonstrations may be given in projects in which the member is enrolled. Health Requirements for Livestock Exhibited Requirements provided in Michigan Department of Agriculture Regulations No. 110, 116, 117, 133 and Section 10 and 21b

1. Livestock affected with a communicable disease must not be exhibited at nor brought to the fair. At least seven days before an exhibition of livestock, the buildings and yards shall be thoroughly cleaned of all manure, litter and unused hay and straw. Following such cleaning, 1. All swine for exhibition must be free from infectious and con-infectant. After cleaning and disinfection, no livestock shall be

of Act 181, Public Acts of 1919, as amended.

placed in such pens until admitted for exhibition. CATTLE Cattle may not be exhibited from a quarantined premise or a quarantined area except upon permit from the Director of 3. No swine shall be presented for Agriculture or his authorized agent.

OR REGISTRATION NUMBER All native Michigan cattle must be accompanied by a certificate of record (form 275) certifying to the brucellosis and vention of the spread of vesicular | tuberculosis status except the following

1. Official vaccinate under 30 months of age. 2. Native steers. 3. Spayed heifers. Free martins.

5. Calves under 12 months of age.
